### NYRA AWARDED 25-YEAR FRANCHISE

The New York Racing Association has been awarded a 25-year franchise to operate Thoroughbred racing at Aqueduct, Belmont Park and Saratoga after an agreement was reached yesterday between NYRA, New York Governor Eliot Spitzer, Senate Majority Leader Joseph Bruno and Assembly Speaker Sheldon Silver. Under the agreement, NYRA will cede its claim on the land the three tracks occupy, and the state will provide NYRA with \$105 million to satisfy a financial restructuring plan filed in bankruptcy court. NYRA filed for bankruptcy in 2006. The legislation also allows for the installation of a Video Lottery Terminal facility at Aqueduct. "This plan really came together in the last two days through the diligent efforts of State government: in particular, Speaker Silver and his staff were tireless in their efforts to make this significant piece of legislation a reality," said NYRA Chairman C. Steven Duncker in a statement. "We especially appreciate the tremendous work of the Governor and his staff as well as the Senate Majority leader and his staff. This legislation contains the key components for us to emerge from bankruptcy, and to improve upon what is already the best racing in the world." The organization's board will be comprised of 25 directors, with 14 appointed by NYRA and 11 by the state. The bill passed the state assembly yesterday morning by a vote of 92-40 and the senate yesterday afternoon by a vote of 39-17. **For the complete bill, click [here](#).**

### PADUA BUYS FACE THE CAT

Padua Stables has purchased a majority interest in promising sophomore **Face the Cat** (Tale of the Cat) from owners David and Marilyn Randal, according to published reports. The three-year-old has been transferred from trainer Helen Pitts to Todd Pletcher's Palm Beach Downs barn. Pitts had been pointing the chestnut colt for the Feb. 24 GII Fountain of Youth S. at Gulfstream Park. Face the Cat broke his maiden second time out at Gulfstream Jan. 4 and added a four-length allowance victory over Nistle's Crunch last time out Jan. 30. Pitts trained 2007 Horse of the Year Curlin to his debut win at Gulfstream last year, only to lose the horse after he was sold and transferred to Steve Asmussen's barn.

### GODOLPHIN DUO TAKE CENTER STAGE

**Etched** (Forestry) and **Numaany** (A.P. Indy), a pair of promising sophomore colts owned by Godolphin, line up in today's G3 UAE 2000 Guineas at Nad Al Sheba. Etched, a son of GI Breeders' Cup Distaff heroine Unbridled Elaine, was tabbed as a ★ **"TDN Rising Star"** ★ following a sharp debut victory at Belmont Park Sept. 29 ([video](#)). The chestnut was equally as impressive in Aqueduct's GIII Nashua S. Oct. 28 ([video](#)), scoring by 6 ½ lengths over subsequent GII Kentucky Jockey Club S. winner Anak Nakal.

Etched *Horsephotos*

Etched, formerly trained by Kiaran McLaughlin while racing under Sheikh Mohammed's Darley operation, makes his debut in the Godolphin blue for trainer Saeed bin Suroor. "Etched is a horse we like a lot and is pleasing us in his work," bin Suroor said. Numaany finished a well-beaten fourth for Darley and trainer Tom Albertrani in his Belmont unveiling Sept. 30, then overcame an eventful stretch run while obtaining ★ **"TDN Rising Star"** ★ status in a Nov. 2 ([video](#)) Aqueduct maiden contest. After taking a commanding lead in the stretch, Numaany bolted to the outer rail, forcing jockey Javier Castellano to lose his irons. However, the chestnut miraculously recovered and re-rallied to win going away by 2 ¾ lengths. "This is a big step up for Numaany, but he is a nice horse," bin Suroor added.

### TALENT SEARCH SIDELINED

**Talent Search** (Catienuis), expected to start in the Mar. 29 G1 Dubai Golden Shaheen, has been sidelined by a hairline fracture in a knee, according to *Thoroughbred Times*. A homebred for Ken and Sarah Ramsey, the five-year-old was second in last year's GI Frank J DeFrancis Memorial Dash and GI Vosburgh S. and was third behind champion Midnight Lute in the GI Breeders' Cup Sprint for trainer Mark Shuman. He had been expected to make his first start for trainer Bobby Frankel at Nad al Sheba. The injury is not expected to be career-ending.

**CONTROL SYSTEM FAVORED IN FRITCHIE**

**Control System** (Lion Hearted) was yesterday listed as the 8-5 morning-line favorite in Saturday's GII Barbara Fritchie H. at Laurel Park. The locally trained runner has won five of seven lifetime starts, including a last-out victory over Fritchie foes **Karakorum Starlet** (Skip Away) and **Oprah Winney** (Royal Academy) in the Jan. 1 Interborough H. "We are pleased with her and I am looking forward to the Fritchie," trainer Mike Trombetta said of the morning-line favorite.

**Control System** A *Coglianese*

**Control System**, who has made her previous six starts at six furlongs, tries an extra panel Saturday. "She's got speed or she can take off a horse or two," said Trombetta, who will be honored prior to the sixth race for being Maryland's top percentage trainer a year ago. "We have always wanted to try her a little further to see how she handled it, but wanted to be sure she had enough races under her belt before we stepped up." Winner of the GIII Cicada S. last March, **Control System** ended 2007 with a win in the Garland of Roses H. **Karakorum Starlet** has been installed at 6-1. After running second to **Control System** in the Interborough H., the five-year-old mare bested state-bred foes to take the Jan. 11 Ruby Rubles S. last time out. "I have never had a horse this good to be able to come down for the Barbara Fritchie," trainer Jeff Odintz said. "I wanted to take a shot because she is deserving of it off her last race and in her daily training regimen. Every time she runs, she shows like she is ready to move up to the next level."

**NTRA REPORT FROM  
CAPITOL HILL**

**ECONOMIC STIMULUS PACKAGE BENEFITS  
EQUINE INDUSTRY**

On February 13, President Bush signed an economic stimulus package that authorizes a temporary increase in the expensing allowance under Section 179 and reauthorizes a short-term bonus depreciation.

For Section 179, the expensing allowance for horses purchased and placed into service in 2008 increases from \$128,000 to \$250,000. Once total purchases of horses and other eligible depreciable property reaches \$800,000 (increased from the current ceiling of \$512,000), the expense allowance goes down one dollar for each dollar spent on eligible property over \$800,000.

The temporary increase in depreciation authorizes a 50 percent, first-year bonus depreciation for horses and most other depreciable property purchased and placed in service after January 29, 2008 and before the June 1, 2009. The original use of the horse or other property must commence with the taxpayer.

**DANEHILL FILLY TOPS DAY THREE** Goffs' February Sale rumbled on yesterday with Dermot Farrington securing the session's topper when paying €100,000 for hip 611, the four-year-old filly **Love to Boogie (Ire)** (Danehill). Despite being raced without success in the colors of her breeder Diane Nagle, Love

to Boogie was bound to be of interest as a broodmare prospect. She is a half to the 1996 G1 Prix de l'Abbaye heroine Kistena (Fr), later the dam of the stakes winner Tompest. Consigned by Seskin Stud, her dam is a half to the listed scorer Majinskaya (Fr), who produced the triple listed winner Modeeroch (Ire) and champion Danaskaya (Ire), as well as the very smart Ballydoyle runner Chinese Whisper (Ire). "She's a nice filly from a very good pedigree and made a lot of appeal as a Danehill half-sister to a Group 1 winner," Farrington said. "I've bought her for myself and I'm not sure what I'm going to do with her, it's possible that she could go down to Australia.

One of the reasons I bought her is that she is from a young family. The mare is a half-sister to Majinskaya, who seems to produce a good horse every season and there are now several of her daughters breeding away. I also bought a Cadeaux Genereux (GB) filly out of Majinskaya for a client of mine at the Tattersalls December Sale."

Later in the afternoon, owner Joey Logan was the name on the docket for the Castletown Stud-consigned hip 718, the nine-year-old mare **Sagamartha (Ire)** (Rainbow Quest). The half to the 2005 G2 Queen Mary S. and G2 Lowther S. winner Flashy Wings (GB) is in foal to Oratorio (Ire) and was sold for €60,000. Moyglare Stud's hip 620, **Magical Cliche** (Affirmed), fetched €52,000 when selling to Hugo Merry Bloodstock. As a sister to the Classic winner Trusted Partner and top-class duo Easy to Copy and Low Key Affair, the 14-year-old producer of two winners was in demand despite her advancing years. "I've bought her for a Kuwaiti client and she will be coming back to my farm to stay in Ireland," Merry explained. "He likes mares with a big page and this mare fitted the bill. I've been lucky with the fillies and mares that I have bought off Moyglare in the past and I'm told that the Danehill Dancer (Ire) two-year-old out of Magical Cliche is a nice type. Her yearling also looked quite a nice sort yesterday."

**Johannesburg Yearling Leads the Way...**

Bobby O'Ryan purchased the highest-priced yearling on the day when he secured the sole Johannesburg offering in the catalogue for €52,000. Consigned by John P. Jones as hip [560](#), the March-foaled colt is out of a half to the multiple stakes winner Strawberry Morn from the extended family of Herecomesthebride and Rosy Spectre. He also paid €28,000 for Moyglare's hip [477](#), a May-foaled yearling son of Indian Ridge (Ire) from the family of Media Puzzle and Refuse to Bend (Ire). "Both horses have been bought for established clients and will be coming back for resale in the autumn and I thought that they were nice types with a good step to them," he commented. The final session starts at 10 a.m. today. Full results are available on [www.goffs.com](http://www.goffs.com).

"Sir Michael left me and the other syndicate members under no illusions that the best of this horse has yet to be seen and he's comparatively lightly raced," Stack explained to the *Post*. "We had absolutely no reservations about keeping him in training for 2008 and he couldn't be with a better trainer."
