GOLDEN DAWN WINS AT SUNSET

Marty Cunningham's **Golden Dawn** (Hennessy) ran away from even-money **Control System** (Lion Hearted) in the stretch en route to her first graded victory. The chestnut needed six tries to break her maiden, but has come along quickly since doing so Nov. 4, her first outing for trainer Mike Hushion. "Before we got her, her form was a little hidden, but Len Friedman of the Ragozin Sheets found her for us and said this

Jim McCue/MJC

was a filly that was going to come around, and they had it right," Hushion said. "Her last race was huge, and everything pointed to giving this a try. She trained like a monster." **Cont. p2**

Monday's GIII Southwest S. has attracted a field of 11 three-year-olds, headed by **Turf War** (Dixie Union), who makes his first start since dead-heating for the win in the GIII Delta Jackpot S. Dec. 7. He was overlooked at 39-1 that day, but his odds will be considerably shorter in this Presidents' Day feature. Also in the field is **Riley Tucker** (Harlan's Holiday), who is making his first appearance since finishing second by a head in the GIII Arlington-Washington Futurity Sept. 1.

TDN Feature Presentation - Barbara Fritchie cont.

Previously based in Kentucky with trainer Michael Trivigno, Golden Dawn hit the board in two of her first five starts. She concluded her time in the Bluegrass State with a fifth on the Turfway Polytrack Sept. 14. In her first start for Hushion, she showed speed in defeating Aqueduct maidens Nov. 4. Third in the Raise Heck S. Dec. 7, she trounced her rivals by six lengths in the Fiesta Lady S. Jan. 9 over the inner track and went postward here as the 4-1 second choice to Control System. Golden Dawn came away alertly to stalk defending champion **Oprah Winney** (Royal Academy) through fractions of :22.62 and :45.95. She came up the inside when the gallant grey began to tire entering the stretch and while the favorite tried to make a race of it, Golden Dawn spurted clear under Channing Hill. "When she went up inside I just had a ton of horse and figured someone had to come running today to beat her," Hill explained. "When Control System ranged up, I thought I may have moved a little too early, but my filly just took off. She did everything I needed her to do to. She got brave when I needed her to be and just ran an awesome race." Control System's trainer, Mike Trombetta, said, "The winner obviously came here meaning business and ran a huge race. Turning for home it looked like it would be the two of them battling it out, but that other filly was super and today was her day." Oprah Winney, sent off at 5-1, stopped badly in the stretch and was eased late.

Favored to win the BC Mile as a 3-year-old, ARTIE SCHILLER had the ultimate "bad trip." Three hundred sixty-five days later he was back on World Championship Day -- speedy, classy and courageous (as ever) -- and this time Artie Schiller was victorious in the NetJets Breeders' Cup Mile-G1 over champion LEROIDESANIMAUX.

San Carlos H. cont.

Surf Cat is back. The sparingly campaigned six-year-old summoned his back class and launched his rally up the center of the track for his first victory in 21 months. Winner of the GII Swaps S. at three, the Headley/Naify colorbearer captured this contest in 2006

Surf Cat & Headley Horsephotos

and added the GII Potrero Grande H. in April and the GII Mervyn LeRoy H. the following month. He was sidelined thereafter, only returning to the races July 7, 2007, and missing by a neck in the GI Triple Bend H. at Hollywood.

Second to Greg's Gold in the GII Pat O'Brien H. Aug. 19 on the Del Mar Polytrack, the dark bay set the pace on the turf in the GII Oak Tree Mile Oct. 7, but faded to finish fifth, one of only two unplaced efforts in his career. Surf Cat came back Jan. 21 to run third in In Summation's track-record-setting performance in the GII Palos Verdes H., and was the second choice here. Allowed to settle into stride, the six-year-old raced in fifth as Johnny Eves (Skimming) led through a :45.63 half from Greg's Gold. The latter took over in the lane and looked to be home free, but Surf Cat surged up the middle and came motoring to give trainer Bruce Headley his fifth victory in the San Carlos. "It's always better the last time you win, so I'd have to say this is better than all of them," Headley said. "It's been raining and it's been a hard season to train. He missed a couple of works, and he probably needed his last race. He had everything his own way [today]. He had a perfect spot, perfect position and he was ready to go." Headley indicated that Surf Cat's next start would likely be the 6 1/2-furlong GII Potrero Grande H. Apr. 5. Winning rider Solis added, "He's such a good horse. He's really been coming around the last two weeks. He's coming back to what he was...Bruce and I have been very lucky with sprinters." In addition to Surf Cat's win in 2006, Solis was also aboard Headley's San Carlos heroes Kona Gold (2001) and Softshoe Sure Shot (1995).

An undefeated champion at two, Dreaming of Anna

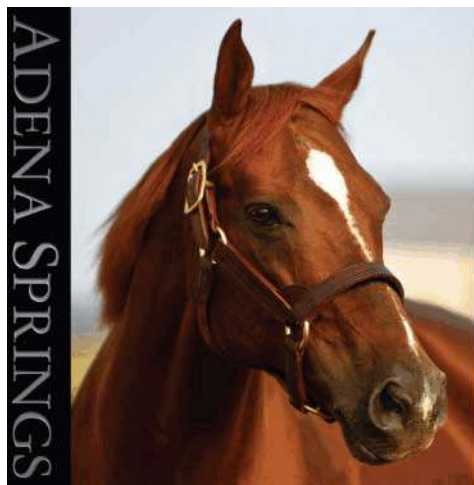

faltered on dirt at three, but posted three straight turf victories last summer, including the Virginia Oaks and the GIII Pucker Up S. She concluded her 2007 campaign with a second-place finish in the GI Queen Elizabeth II Challenge Cup at Keeneland

Oct. 13. With Cornelio Velasquez in the irons this time, the chestnut assumed her customary spot on the front end and got away with splits of :48.85 and 1:13.04. She spurted clear turning for home and had just enough left to hang on over a surging Lear's Princess. "She stayed [on the farm] two or three weeks, and she didn't like it," said owner/breeder Frank Calabrese. "So we took her back, put her in training, and this is what happened." Settled in fourth on the fence behind free-going leader **Dance Hero (Aus)** (**Danzero {Aus}**) and **Monet Rules (Aus)**, Apache Cat was forced to weave his way out and off the heels of **Stanzout** to round the home turn four wide, emerging with a powerful late surge to leave the placegetters in his tailwind. He will head next to the G1 Newmarket H. Mar. 8 down **Flemington's** daunting "straight six," following a path trodden last year by reigning champion sprinter **Miss Andretti (Aus)**.

Australia S. cont.

"Getting around the turn I was a little concerned about him with his heavy weight and an awkward tempo, but once he got clear at the 100-meter mark, it was all over," enthused jockey **Corey Brown**, who also partnered the bald-faced chestnut in the **Lightning**. Trainer **Greg Eurell** says **Apache Cat** will be considered for an overseas campaign later this year.

Sugar Swirl concluded 2007--and her tenure under Bobby Frankel--with a score in the Very Subtle S. at Churchill Nov. 4. The chestnut's first start for Brian Lynch was a sharp victory in the six-furlong GIII First Lady H. over a sloppy Gulfstream surface Jan. 13.

Lady Marlboro cuts back a furlong after dead-heating for first in the GIII Sabin H. Jan. 6. "It concerns me a little because it doesn't look like there's a ton of speed in there," said trainer Jimmy Jerkens. "The choices were go a mile and an eighth, but she didn't have much luck when she did that before, and it didn't seem to be what she really liked. She seems to be more comfortable in the one-turn races, so we'll give this a go." He added, "She seems to be thriving while she's not training that hard. When you're pushing to go longer races you tend to train them harder, but with a shorter race, we're more about keeping her steady and staying at the status quo."

WAR PASS BREEZES Undefeated champion War Pass (Cherokee Run) continued his preparation for his seasonal debut by breezing six furlongs in 1:13.20 yesterday at Palm Meadows. Trainer Nick Zito is hoping to run the colt in a one-mile allowance at Gulfstream Feb. 23. Fellow Zito trainee **Anak Nakal** (Victory Gallop), prepping for the GII Fountain of Youth S. Feb. 24, went five-eighths in 1:00.80. He captured in the GII Kentucky Jockey Club S. in his juvenile finale...Also breezing at Palm Meadows yesterday towards the Fountain of Youth was **Adriano** (A.P. Indy), who earned a bullet 1:12.60 for his six-panel move...In addition to those two, the Fountain of Youth is scheduled to field MGSW **Court Vision** (Gulch), **Elysium Fields** (El Prado {Ire}) and **Monba** (Maria's Mon) as well as **Kentucky Bear** (Mr. Greeley), who steps up after a sharp maiden win Jan. 21 ([video](#)). "We're getting nervous about earning some graded money, which we need to do if we hope to get him to the Kentucky Derby," trainer Reade Baker told *Daily Racing Form*. "That's really the main reason we're going into this race." He added, "He's done very well since his first start. We've received several offers to buy the horse, but we have no desire to sell at this point. The only offers we'd listen to right now would be to sell the breeding rights."

CHAMPS ELYSEES TO BIG 'CAP Explaining that he has "nothing to lose," trainer Bobby Frankel told *Daily Racing Form* yesterday that he is pointing GII San Marcos S. winner **Champs Elysees (GB)** (Danehill) for a start in the \$1-million GI Santa Anita H. Mar. 1. A Group 3 winner in France and second in a Group 1 in Italy in 2007, the son of Hasili (Ire) was runner-up to Sunriver in the GI Hollywood Turf Cup Dec. 8 in his stateside debut. Following his win in the San Marcos, Frankel indicated that the five-year-old would be given some time off in order to prepare for the major turf races later this summer and fall. A full field is expected for the Big 'Cap, including 2007 GI Santa Anita Derby hero **Tiago** (Pleasant Tap), GI Pacific Classic hero **Student Council** (Kingmambo) and Sunshine Millions victor **Go Between** (Point Given).

TAKE THE RIBBON DOING WELL Take the **Ribbon** (Chester House), pulled up in apparent distress following her win in a Gulfstream allowance Friday, was treated for heat prostration and was reported in fine fettle yesterday. "She got a little hot in the post parade and it seems like she just had a little heat-related stress after the race," Robin Smullen, assistant to trainer Barclay Tagg, told *Daily Racing Form*. "But she cooled out fine once getting back to the barn and licked her feed tub clean [Friday night] and again [Saturday] morning." Owned and bred by Eurowest Bloodstock Services, Take the Ribbon was making her first start for Tagg, who took over training duties from Wally Dollase. She won one of her three starts last year, the GIII Churchill Distaff Turf Mile S. in May.

Gold and Roses posted one victory in 2007, a 9 1/4-length tally in John Morrissey S. at the Spa in August. The dark bay finished a close fourth in the GIII Gravesend H. Dec. 29, then placed third in the Thepromonroe S. last out Jan. 21. The second-choice hooked up with favored Whistlin' through fractions of :22.94 and :45.73 and gamely fought his way past the chalk to post the narrow victory. "I was able to dictate where I wanted to be this time," jockey Rajiv Maragh said. "Once he broke so sharp, I took advantage of that. I tried to get over to the rail and keep Whistlin' in my hands. The [six] post helped me a lot. He's a fighter and turned out to be a great horse race. Whistlin' ran great, too." Premium Wine (Prime Timber) and Stormin Normandy (Stormin Fever) were scratched.

DAY PASS (Five Star Day) kicked off his career with two impressive victories for Darley and Kiaran McLaughlin--including the 2006 GIII Nashua S.--but things didn't go quite as smooth for the \$725K KEEAPR graduate when shipped to Dubai for his sophomore campaign. Off the board in two attempts at Nad Al Sheba, the gray makes his first start since a well-beaten ninth-place finish in the G2 UAE Derby last March. Daaher Looking to Rebound From Donn:

Shadwell Farm's **Daaher** (Awesome Again), who finished a disappointing seventh as the 4-5 chalk in the GI Donn H. Feb. 2, pleased trainer Kieran McLaughlin with a half-mile breeze in :48 flat Friday at Palm Meadows. "He went good," McLaughlin said. "He [hit every eighth in] :12, :12, :12, :12, and he looked great and scoped great. We're still just scratching our heads [about the Donn]." He added, "It seems like so many of the variables that day combined to get him beat. Maybe it was the track. Maybe it was the heat, or maybe the pace. We just have to throw it all out." McLaughlin is keeping his options open for the four-year-old's next start. He mentioned the GII Gulfstream Park H. and the Stymie H. at Aqueduct, both to be run Mar. 1; as well as the GII New Orleans H. or the GIII Razorback H., both Mar. 8.

Why Tonto failed to get his picture taken in three starts since his victory in the World Appeal S. at The Meadowlands in September, but kept solid company since. Following a fifth-place finish behind Cannonball in the King Cugat S. at Belmont Park Oct. 21, Why Tonto reeled off consecutive runner-up efforts, most recently posting a solid performance behind stablemate Cowboy Cal in the GIII Tropical Park Derby Jan. 1. Sent off as the third choice to turn the tables here, he pressed Cowboy Cal throughout and outfinished that one to the wire under a heady ride by Edgar Prado. "Why Tonto ran an improved race today while Cowboy Cal was a little rank and didn't handle the first turn too well, although he still ran a good race to be second after those fractions," trainer Todd Pletcher said.

Allowed to drift up to debut odds of 9-1, the homebred raced four wide in midpack through the opening furlongs, rallied three wide into the stretch and edged away late to post a 1 1/2-length victory. A California shipper was expected to win this race, but it wasn't the one they thought it'd be. Bay Area-based Tribesman came here flaunting a four-race winning streak, including the Sausalito S. Nov. 23 and an allowance contest Jan. 13. Both of those two were run over Golden Gate's Tapeta track, but the glib Turf Paradise surface suited the Cal-bred just fine. Tribesman jumped out in front and showed the way through splits of :21.30 and :43.17 as GISW Idiot Proof was hustled to get within 1 1/2 lengths of the leader at the quarter pole. Tribesman dug in gamely in the lane and made it to the wire safely in front of the odds-on chalk.

Sea of Pleasure won his first two starts in Southern California, including an \$80,000 optional claimer at Hollywood Dec. 7. Favored at 8-5 in the San Pedro S. Jan. 20, he tired to finish second after rattling off blazing fractions of :20 4/5 and :43. Heavily favored in this spot, the dark bay stalked the early leader in second through a half mile in :44.17, took over in the lane and drew clear while drifting out in the stretch.

TALE OF TWO SISTERS Yesterday's G3 Prix du Cap S. at Kenilworth Racecourse featured a racing rarity, as full siblings **Nania (SAf)** and **Vermilion (SAf)**, both by Western Winter, crossed the line first and second. Bred by Lammerskraal Stud, the two fillies were produced by Nacarat (SAf) (Pas de Quoi).

Four-year-old Vermilion showed the best early speed before being eased back to third, while three-year-old Nania raced further back in the field. Vermilion got to the front inside the final furlong, but Nania found her best stride late and swept by to score by 1 1/4 lengths. She covered the 1400 meters on the grass in 1:26.69 and now has four wins from 10 starts.

FASTNET ROCK COLT TOPS PERTH DAY TWO

A colt from the first crop of the outstanding sprinter Fastnet Rock (Aus) (Danehill) realized a bid of A\$280,000 to top the second day of action at the BMW Magic Millions Yearling Sale at Belmont near Perth. Consigned to the sale by Gervase Park Stud, the bay is a son of Huka (NZ) (Volksraad {GB}), third in a Group 3 in Australia and also stakes placed in New Zealand. Leading Perth trainer Wally Mitchell launched the winning bid on behalf of his client Santoso Wirya. "He was our number one pick of the catalogue," the trainer said. "We valued him at A\$250,000--but it's just great to be able to get him. We saw him a couple of weeks ago up at Gervase Park Stud and we immediately liked him."

CURTAINS FOR MISS FINLAND?

Five time Group 1 winner Miss Finland (Aus) (Redoute's Choice {Aus}) was a forlorn sight in yesterday's G1 Australia S., beating just one runner home, five lengths adrift of the winner, after dropping out the back and racing disinterestedly until the final 50 meters. She has not finished in the frame since she was runner-up to Maldivian (NZ) in the Yalumba S. Oct. 20 five starts back, and has won only once in her four-year-old season. Miss Finland swept all before her last autumn winning the G1 Australian Guineas and the G1 Arrowfield S. She has a bankroll of A\$547,375 with 11 wins from 24 starts, but trainer David Hayes said unless she performed exceptionally well in the G1 Futurity S. (1600 meters) at Caulfield Mar 1, she would be retired.

GOOD JOURNEY SIRES GROUP WINNER

Good Journey (Nureyev--Chimes of Freedom, by Private Account), winner of the 2002 GI Woodbine Mile and third in that year's GI Breeders' Cup Mile, was represented by his first stakes winner when Sound Journey (Aus) took the G2 Alister Clark S. at Moonee Valley Saturday. After winning his first three career outings at minor tracks, the thee-year-old gave a good account of himself when stepped up to group competition last time, running a close fourth in the G3 C S Hayes S. at Flemington Feb. 2. Good Journey, a half-brother to champion sprinter Aldebaran, began his stud career in Australia, but was returned to this country in 2007. He stands at Magali Farms in California for a 2008 stud fee of \$7,500.
