SWIRL-ING HURRICANE

Stronach Stable's homebred **Sugar Swirl** (Touch Gold) registered a category five performance in yesterday's GIII Hurricane Bertie S. at Gulfstream, romping home an impressive 8 3/4-length victress under Javier

Castellano. It was the chestnut's third straight victory and second since joining Brian Lynch's stable. Pounded down to 3-5 favoritism, Sugar Swirl tracked up the backstretch as **Cher Ami** (Lost Soldier) cut out snappy :22 and :44 2/5 splits. She powered up to take control nearing the quarter pole without being asked, then turned on the afterburners down the lane. "I saw [Cher Ami] take the lead, so I took advantage," Castellano said after the race. "My filly was so sharp early in the race, she was just galloping along. I hit her a couple of times just to keep her focused, because she started to look around [once she got the lead]. I had a ton of horse going for home." **Change Up** (Distorted Humor) finished second, three lengths in front of **Silver Knockers** (Silver Deputy). **Click for the [brisnet.com](http://www.brisnet.com) chart. BUSTIN STONES TAKES BIG JUMP IN 'GEORGE'

Roddy Valente's unbeaten four-year-old **Bustin Stones** (City Zip) has been first at every call in each of his races and already has three stakes wins to his credit. His victories have come against fellow New York-breds,

however, and this afternoon the speedy homebred gets the biggest test of his young career when he tackles the GII General George H. at Laurel Park. Bustin Stones was installed the 5-2 morning-line choice and is making his second start off a long absence. He ripped off three straight last spring for trainer Bruce Levine, but underwent double knee surgery and was sidelined for eight months. He ran hard every step of the way in his return, the restricted Promonroe S. at Aqueduct Jan. 21, and came away with a 1 1/2-length score that earned him an eye-catching 108 BRIS figure. "He is fast," said Levine. "I think he can rate and one day he is going to need to do that ... [but] I'm am going to try to make the lead [today]." Field p2

Getting Sweeter All the Time...

The five-year-old Sugar Swirl spent the majority of her career with trainer Bobby Frankel, for whom she placed in last year's GIII Endine H. and GIII TCA S. and won the \$100,000 Very Subtle S. at Churchill Down's in early November. Moved to the stable of Brian Lynch--an Adena regular--after that win, Sugar Swirl captured the first graded victory of her career with a good-looking tally in a sloppy renewal of the six-furlong GIII First Lady H. at Gulfstream Jan. 13. Yesterday, she successfully doubled up with style while adding a furlong in the Hurricane Bertie. "She's really blossomed as a five-year-old," said Lynch. "She just puts herself into the race when she wants. I wouldn't mind trying to stretch her out again, but we've got the mare that won earlier today [Spring Waltz took the sixth race allowance at 1 1/8 miles] for the GII Rampart H. [at Gulfstream Mar. 9], so we'll let this one come back in the seven-eighths [\$200,000 GII Shirley Jones H. at Gulfstream Mar. 22]. As good as she is now there are all kinds of options for her."

Divine Park was undefeated when he won the GIII Withers S. at Aqueduct in April of 2007, but was sidelined with an injury soon after and never got to make the big three-year-old races over the summer. Expectations were high when he went off among the favorites in Santa Anita's GI Malibu S. Dec. 26, but he could do no better than ninth after breaking from the 14-hole, beaten 5 1/4 lengths. "He is training better than ever," said Artie Magnuson, assistant to trainer Kieran McLaughlin.

Three-for-six on the lawn, **Kris' Sis** captured a Hollywood allowance and the Osunitas H. at Del Mar last season before capping off the campaign with a fine third-place effort behind Eclipse finalist Precious Kitten in the Sept. 1 GII Palomar H. The five-year-old, who has raced effectively off the layoff in the past, has been working sharply for her 2008 bow, including a six-furlong move in a bullet 1:11 2/5 at Hollywood Feb. 10. She sheds the blinkers here. **Black Mamba**, second in the Palomar, was beaten just 3/4 of a length by Nashoba's Key when third in the Sept. 29 GI Yellow Ribbon Invitational S. She followed up with second-place efforts in the Nov. 4 GII Las Palmas H. and Dec. 16 GII Dahlia H., and makes her first start of the new year today. South African import **Alexandra Rose** was a listed winner and ran second by a nose in the G1 Cape Fillies Guineas in 2005 in her native country. Second in the Cape Verdi S. at Nad Al Sheba last February, she was fifth in her only other Dubai appearance, and opened her U.S. account with a pair of off-the-board performances last summer. Freshened after finishing fifth again in an optional claimer at Del Mar Aug. 17, she returned to take the Jan. 1 GIII Monrovia H. down the hill at Santa Anita, and stretches out in her second start of the year.

Riley Tucker makes his first start since finishing a head behind Wicked Style when runner-up in the Sept. 1 GIII Arlington-Washington Futurity. An easy maiden winner at Belmont in his July debut, the dark bay colt was also third after a rough break in the GII Saratoga Special in August. Unbeaten **Denis of Cork** makes his stakes bow. The \$250,000 Barretts March grad took a two-turn Fair Grounds allowance in the slop Jan. 19 to run his record to two-for-two. "Ideally, he's a horse that would love to have some pace, where he can sit back there and make that one run," trainer David Carroll told *DRF*. The likely pacesetter is \$325,000 FTSAUG purchase **Sacred Journey**. The gray led gate to wire to break his maiden by eight lengths at Fair Grounds Dec. 9 in his second start and was again in front every step in an allowance test at that track Jan. 4. He stretches out beyond six panels for the first time in his stakes bow.

In a virtual carbon copy of his victory in the G1 Hong Kong Sprint Dec. 9, Sacred Kingdom burst through from between rivals at the furlong marker and stormed home a handy winner. His score at the International meeting was his eighth from nine career starts, but Sacred Kingdom suffered a shock defeat in his latest, going down by a nose to Absolute Champion in the G1-HK Centenary Sprint Cup over 1000 meters Jan. 27. Back to his best game for this, the four-year-old was briefly pocketed by Absolute Champion leaving the backstretch, but found a seam three off the rail at the 200 and kicked powerfully clear. The win sets up an extraordinary battle with G1 Hong Kong Mile hero Good Ba Ba in the G1-HK Queen's Silver Jubilee Cup going 1400 meters Mar. 16. "I'm not worried about 1400 meters for him," said trainer Ricky Yiu. "Good Ba Ba is a great horse, but, dropping back in distance, I'm not sure he'll have the same kick as Sacred Kingdom."

ASMUSSEN WINS 4,000TH Trainer Steve Asmussen, an Eclipse Award finalist for leading trainer in 2007, notched his 4,000th win in yesterday's third race at Oaklawn Park ([video](#)).

Steve Asmussen
Horsephotos

He hit the milestone with a three-year-old gelding named J J's Bud, only six minutes after he saddled career winner number 3,999 in Fair Grounds' fifth race with Far East Gold. Asmussen at just 42 already ranks eighth on the all-time leading trainers list by wins. In 2004, Asmussen won 555 races, shattering Jack Van Berg's 1976 single-year record of 496. Asmussen was again the country's leading trainer by wins in 2005 with 474 victories to his credit and added another title in 2007 with 488 wins. Asmussen

conditioned last year's GI Breeders' Cup Classic winner and Horse of the Year **Curlin** (Smart Strike) and could be sitting on a big 2008 with the likes of **Pyro** (Pulpit), **Kodiak Cowboy** (Posse) and **J Be K** (Silver Deputy) in his barn.

Never worse than second in her short career, Spring Waltz made it three in a row with this impressive triumph. Unraced at two and three, the gray mare started the streak in 2007, taking an optional claimer at Woodbine Nov. 3 and beating similar company at Calder Dec. 30. The slight choice to carry that form to Gulfstream, she stalked a moderate pace, gained command at the top of the lane and galloped home an easy winner. [Video, sponsored by Taylor Made.](#)

KIN TO THE WIND (m, 5, Giant's Causeway--Mary McGlinchy {SW, \$138,754}, by Pleasant Colony) was picked up for \$100,000 at the 2007 Keeneland November sale. The bay made her first start for Farnsworth Stables in an off-the-turf allowance at Calder Dec. 16, winning by 6 1/2 lengths, and came back to be a rallying second in an optional claimer on the turf at Gulfstream Jan. 12. The 5-2 favorite with an added sixteenth to work with here, she bided her time at the back of the pack early, but finished full of run to get up for a half-length tally over Viva La Flag (Rahy). The winner pulled up lame, however, and had to be vanned off the track. Lifetime Record: 14-3-4-3, \$125,967. O-Farnsworth Stables LLC. B-Dinwiddie Farm (KY). T-Martin D Wolfson.

NOT FOR MONEY (c, 4, Not For Love--Chiqueada, by Palmister) captured an optional claimer at Aqueduct last April, but had faced the starter just twice since that score. The \$110,000 FTMOCT yearling finished sixth in the June 9 Gil Woody Stephens S. at Belmont, then returned after a seven-month layoff to be fifth after a slow start in a Gulfstream allowance Jan. 10. The 3-1 third choice in his second start back, he closed from off the pace to catch the leaders in the final furlong before drawing off to a three-length tally. Yes Master (Master Bill) completed the exacta. Day Pass (Five Star Day), making his first appearance since running ninth in the G2 UAE Derby last March, clipped heels during the early going and lacked a late response, finishing an even fifth. Adding blinkers and trying turf for the first time, he was sent off the 2-1 favorite here. The bay settled just behind the leaders early, angled outside for the final drive and got up in the shadow of the wire to take a four-way photo by a nose. Woodrunner (Forestry) was second, a neck in front of Fionn (Mizzen Mast). Holy Knight (Sligo Bay {Ire}), a half to Horse of the Year Ghostzapper, broke slowly and never got into the race, finishing 11th. The winner is a 1/2 to Boca Grande (A.P. Sent east after that effort, she was making her first start for Gary Contessa here. Last after getting roughed up at the break, the dark bay was not far from the leaders through an opening quarter in :22.86. Rated Fiesty DQ Upheld:

After a 45-minute hearing Saturday morning, the Arkansas Racing Commission voted 4-0 to uphold the disqualification of Heiligbrodt Racing Stable and JMJ Racing's **Rated Fiesty** (Exchange Rate) from first to third in the \$50,000 Dixie Belle S., according to published reports. The commission also upheld the three-day suspension given to the three-year-old filly's rider in the race, Luis Quinonez. Hot Springs attorney Larry Honeycutt, representing Quinonez and Heiligbrodt, said both cases would probably be appealed to Garland County Circuit Court, but not heard until after the Oaklawn meeting ends April 12. Unbeaten in three starts last year, including wins in the Gill Debutante S. and Gill Kentucky Breeders' Cup S., Rated Fiesty hit the line a neck in front in the Dixie Belle, but had her number taken down when stewards determined the filly came in on a rival. **Kadira** (Kafwain) was awarded the victory. Steve Asmussen trains Rated Fiesty.

Sky Mom has visited no less than eight tracks in her short career, but was winning outside the state of Kentucky for the first time here. The bay broke her maiden at Keeneland last April and came back to take a Churchill allowance test in June. Second in the My Dear S. at Woodbine the following month, she could do no better than seventh in the Aug. 15 Gill Adirondack S. at the Spa, but rebounded to take the Sept. 29 Kentucky Cup Juvenile Fillies at Turfway. Sky Mom was a solid third behind undefeated Pure Clan in the Oct. 28 Gill Pocahontas S. at Churchill, then hit the road and was sixth in the Dec. 7 Delta Princess S. and third in the Jan. 18 Genesis S., both at Delta Downs. Trying a mile and a sixteenth for the first time off that seven-furlong test, she settled in fourth for six panels, dove between horses to go after front-running Maren's Meadow in the stretch and prevailed.

overwhelming victory.

Eight Belles hit the
board in her first two
starts last fall, then
broke her maiden by 10
lengths at Delaware in
October. She was a
lackluster seventh in a
Fair Grounds NW1X
Nov. 30, but improved
to be second next time
Dec. 23. Eight Belles
freaked in her latest,

crushing a Fair Grounds allowance group by 15 lengths
while earning 100 Beyer, and was making her stakes
debut here. Sent off the odds-on choice, she settled
near the back of the pack as the leaders set sensible
:23 and :47 flat fractions. As they rounded the turn,
Eight Belles unleashed a blistering rush that propelled
her to the front in a matter of strides, and from there it
was just a matter of by how much. **Click for the**

On the lead at the first call in eight of his last nine races, Cheroot changed up his tactics today and came away with a rank 28-1 upset. The Darrell Vienna-trained veteran captured the restricted On Trust H. at Hollywood Park in November of 2006, then ran sixth, beaten seven lengths, on the then dirt track at Santa Anita in the Gil San Pasqual H. in January of 2007. Cheroot went missing for nine months, returning to be seventh in a conditional allowance for Cal-breds at Santa Anita Oct. 5. Seventh again, but beaten just four lengths, in the \$250,000 Cal Cup Classic H. Nov. 3, he was returning to the grass for his 2008 debut, a surface over which he had raced with some success in the past. Taken in hand under Martin Pedroza as they sprinted down the hillside course, Cheroot was sixth at the quarter pole as the leaders clocked a half-mile in :43 1/5. Forced to steady crossing the main track, Cheroot fought for room in the two path in deep stretch and muscled his way between rivals to get his nose down on the line. BULLSBAY (c, 4, [Tiznow](#)--The Hess Express {MSP, \$154,993}, by Lord Carson) was second by a neck at Hollywood Nov. 23, but was DQ'd and placed ninth for causing interference in the stretch. The \$130,000 KEESEP yearling missed by a nose going six furlongs at Santa Anita Jan. 17, and was the 17-10 second choice to go one better in his first route try. Garrett Gomez sent the bay right to the front, where he cut out easy splits of :23.36 and :48.09. Bullsbay was pressured through six panels in 1:12.69, but opened it up late to score by four lengths. FASIG-TIPTON

RON WINCHELL

Ron Winchell & mother

Joan Winchell Lou Hodges Jr

Accomplishment: Owner and breeder of Pyro, who put in a remarkable stretch run to win the Gill Risen Star S. at the Fair Grounds.

Birthdate: March, 1972

Birthplace: San Gabriel, California

Family: Mother, Joan; Sister, Christina

Current Residence: Las Vegas

Primary Occupation: Gaming, taverns/restaurants, real estate development, construction.

What were you thinking at the top of the stretch in the Risen Star?

We can't be that wrong and how is he going to pull this off!?

What is the best horse your family has raced? Probably Tight Spot--he won eight in a row, including six graded stakes and back-to-back Grade 1s, making him an Eclipse champion grass horse.

Are you a gambler? What is your favorite game at the casinos?

I think to be in the horse business you have to be a gambler at some level. Roulette and Video Poker are games I play--not the games with the best odds.

What is your favorite vacation spot? Maui.

Favorite meal? Cuvee Salad and a side of Pyro Wings...most of our graded-stakes horses get menu items named after them at our restaurants. The Cuvee Salad is phenomenal and our best selling item. The Pyro Wings are new, but catching on fast.

What's in your CD player right now? I haven't played a CD since I got satellite radio. I usually listen to MIX or '90s on XM.

What's the funniest movie you've ever seen? Caddyshack.

Favorite book? I usually like books that have historical reference, and I have a bad habit of starting more books than I finish.

Childhood Ambition? Win the Derby with a horse named Pyro! OK, I made the last part up...

Proudest Moment? When Tapit won the Wood Memorial. Tapit represented the last horse my dad (Verne Winchell) and I purchased together at the Keeneland September sale before he passed away about a month later. When Tapit crossed the finish line to win the GI Wood, it was a fitting tribute to my father's legacy.

Perfect Day? Oct. 6 was about as close to perfect as I can get. I traveled to three different tracks to watch our horses run, and they finished third, second and first, in that order. The day just seemed to get better. That was Acacia (Zanjero's full sister), third at Keeneland; Pyro second in the Champagne; and Zanjero winning the Indiana Derby.

CONGRATULATIONS!

HUSSONET FILLY TOPS MAGIC MILLIONS A filly by Hussonet topped Sunday's session of the Magic Millions Perth Yearling Sale, selling to Damon Gabbedy's Belmont Bloodstock Agency for A\$360,000. She was purchased on behalf of breeder Ron Sayers. The daughter of G3 Furious S. heroine Seattle Gem (NZ) (Khozaam) was consigned by Heytesbury Thoroughbreds as hip 381. "Ron Sayers wanted me to pick the best filly in the sale on type and residual, and she was it," Gabbedy said. "She's a beautiful filly--very correct. Her sire is going great and her pedigree is first class." Records were established as yesterday's session concluded the first section of the Sale. The cumulative average of A\$50,514 topped last year's record of A\$46,080 and the aggregate of \$A16,265,500 also set a new high. "Quality yearlings attracted great interest and we were delighted to have plenty of new faces--particularly from the Eastern States at the sale," Magic Millions Managing Director David Chester said. "As well, a few interstate vendors have already suggested they will be looking at bringing more quality yearlings to Perth in 2009. Plenty of our interstate clients said they had trouble securing the horse's they liked with the locals providing stiff opposition. The Westspeed bonus scheme is extremely popular and is a great incentive for thoroughbred investment in Western Australia." The second section of the Sale continues on Thursday, the first of two remaining sessions. For complete statistics, visit www.magicmillions.com.au.
