WAR PASS UPSET IN TAMPA BAY DERBY

Yesterday's GIII Tampa Bay Derby was supposed to be a mere formality for Eclipse Award winner **War Pass** (Cherokee Run), another pit stop on the road to Louisville. But the champ's race was over two strides out of the gate and Eric Fein's **Big Truck** (Hook and Ladder) proved the beneficiary, sitting a perfect trip

from behind the leading group before rallying into the stretch and outfinishing Dogwood Stable's **Atoned** (Repent) for a neck victory. Trainer Barclay Tagg has been down the Derby trail before with another New York-bred, **Funny Cide**. But the conditioner admits to having no delu-

sions of grandeur, despite saddling the colt who finished runner-up in Tampa's main local prep, the Sam F. Davis S. Feb. 16. "I told [Coa] to ride for second," Tagg said following the victory. "I told him if something happens to War Pass, if you ride for second he'll win the race. He felt the same way, and it kind of worked out that way. I mean, you just never know. Theoretically, you're not going to beat War Pass going a mile and a sixteenth here." The Makings of an Upset...

War Pass had never trailed at any call in his previous five career appearances, but that all changed as the gates sprung. Restless in the stalls, War Pass was bumped shortly after the start by **Gentleman James** (Yankee Gentleman) to his inside and **Make Me Zach** (First Tour), then found himself in the unusual position of being between those two longshots as the field raced into the clubhouse turn. Clearly uncomfortable with his position, jockey Cornelio Velasquez did his best to extricate his colt and was able to secure a stalking position, but was caught out five paths off the rail with only **Atoned** to his outside. In the meantime, **Big Truck** was tucked neatly away towards the inside and, about the same time War Pass was getting a left-handed reminder from Velasquez, he eased out four wide to launch his bid in earnest. **Atoned** had first run and made the lead while still deep at the quarter pole and set sail for the wire, but **Big Truck** drew alongside at the sixteenth pole and went on to the narrow victory. War Pass, 1-20 throughout the wagering, dropped out tamely and was not persevered with for the final 3/16 of a mile. "He wasn't himself today," commented disappointed owner Robert LaPenta. "As soon as the gate opened, he didn't jump out like he normally does. He had some fever this week and we thought he'd be OK, but obviously it wasn't his day." LaPenta said a decision on a start in the GI Wood Memorial Apr. 5 would be made over the coming days.

CAN HE STAY? BOY, CAN HE EVER

While the local divisional heavies such as El Gato Malo and Colonel John bide their time and await the GI Santa Anita Derby in three weeks' time, a trio of top California sprinters had a little something to prove yesterday as they tried two turns for the first time in the GII San Felipe S. In the end, it was GI Del Mar Futurity hero **Georgie Boy** (Tribal Rule) who had the best finishing kick, switching out for the stretch drive to run down San Pedro S. winner **Gayego** (Gilded Time) by a narrow margin. **Bob Black Jack** (Stormy Jack), who set a world record of 1:06 3/5 in winning the Sunshine Millions Dash Jan. 26, was a solid third, well clear of Indian Sun (Indian Charlie) in fourth.

Consistent Form at Two...

Georgie Boy broke his maiden, appropriately enough, in Del Mar's Graduation S. for California-breds July 25, then was a game runner-up to Salute the Sarge in the GII Best Pal S. Aug. 12. Despite that solid form, he was 5-1 in the Futurity and turned the tables on his Best Pal conqueror by a half-length. Put away for the year following that effort, the dark bay showed an impressive turn of foot to win the seven-furlong GII San Vicente S. Feb. 10, defeating GI CashCall Futurity hero Into Mischieff and Massive Drama by 3 1/4 lengths.

A Professional Two-Turn Debut...

With Michael Baze in the saddle, replacing the injured Rafael Bejarano, Georgie Boy settled kindly in third as Bob Black Jack cut out anything but sprint-like fractions while tracked by Gayego. The front-runner still held a narrow advantage after six furlongs in a pedestrian 1:13.02, and Georgie Boy was temporarily short of room in upper stretch. But, switched out past the eighth pole, he rallied stoutly to score, despite never jumping off his right lead. "He's matured dramatically since the last time I rode him [in his first start June 16]," Baze commented. "Around the far turn I just had to wait, wait, wait and at the top of the lane, I was able to swing out and say 'Goodbye'. He really impressed me more after we hit the wire. I had a harder time pulling him up than I did during the race." The winner goes next in the GI Santa Anita Derby Apr. 5 or the GII Arkansas Derby Apr. 12.

The bay was an 11-1 chance in this track's GIII Southwest S. Feb. 18 and ran well to be second to Denis of Cork. Away nicely, Sierra Sunset traveled sweetly for Chris Emigh turning for home, surged clear and was never seriously menaced. Odds-on Z Fortune (Siphon {Brz}) raced wide, but came up empty late and finished fifth, beaten nearly 10 lengths. **Click for the [brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#).** **Video, sponsored by Taylor Made.**

The winner of the Jan. 19 Gasparilla S. at Tampa, Awesome Chic closed some ground late to be third in the Feb. 11 OBS Sprint S., and was trying her luck at two turns for the first time in her graded-stakes debut. Rated in fourth through a half in :47.88, the chestnut found running room along the inside as they completed six panels in 1:12.14 and powered on through, drawing away late to win handily. Owner Jose Acero explained that the filly has blossomed since her last start. "She's put on 50, 60 pounds of muscle, and you saw the difference," Acero said. "She's unbeatable now." He added, "She has the class, and today she showed she's a tough contender for the distance--a very tough contender. God will bless us, and we will be [at Churchill Downs for the GI Kentucky Oaks] on the 2nd of May, the day my father passed away 30 years ago." The native of the Dominican Republic added that jockey Irwin Rosendo would keep the mount. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). [Video, sponsored by Taylor Made.](#)**

Dreaming of Anna was beaten in her first three starts after earning the Eclipse with her win in the 2006 GI Breeders' Cup Juvenile Fillies, but she has been on track since going exclusively grass last spring. Sixth in the GI Kentucky Oaks in May, the free-running filly rebounded with victories in the June 2 Double Delta S. at Arlington and July 21 Virginia Oaks at Colonial. She made it three in a row in the Sept. 8 GIII Pucker Up S., then had to settle for second behind Bit of Whimsy in the Oct. 13 GI QEII Challenge Cup at Keeneland. Freshened after that effort, Dreaming of Anna returned to beat Lear's Princess (Lear Fan) by a nose in the Feb. 16 GIII Endeavor S. at Tampa. She was 6-5, with that rival the 4-5 chalk, this time. The Calabrese homebred went right to the front, cut out fractions of :49.41 and 1:13.42 over the yielding course and opened up late to win as much the best. "I was very confident today," trainer Wayne Catalano said. "She was training unbelievable. That's the reason why we came." Lear's Princess came up empty in the drive and finished fourth. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). [Video, sponsored by Taylor Made.](#)**

Monmouth maven Gottcha Gold had a fabulous 2007 at the Oceanport oval, upending champion Lawyer Ron in the GIII Salvator Mile June 23 and capturing the GIII Philip Iselin BC H. Aug. 18 before finishing up the year with a solid second to Corinthian in the inaugural Breeders' Cup Dirt Mile Oct. 26. Things didn't go as smoothly on Cushion Track at Santa Anita, where he faded to ninth in the Sunshine Millions Classic Jan. 26. Back on dirt here, the third choice tracked Mr. Umphrey from the start, took over at the top of the stretch and was kept busy late. "This win is especially important," noted winning trainer Eddie Plesa. "First, it puts away the idea that he is 'Monmouth only,' and he accomplished it going a mile-and-an-eighth. It also helps you forget about the trip to California where nothing went right. We'll take him back to Monmouth this summer, knock on wood, if all goes well. It's a great place to be and leaves you lots of options to ship to important stakes anywhere in the Northeast." **Click for [brisnet.com chart](#) or [brisnet.com PPs](#). Carolyn's Cat graduated in a 5 1/2-furlong event over this main track Nov. 18, was rested, and returned with a runner-up effort to Dill or No Dill in the Jan. 6 Ruthless S. at the Big A. The chestnut evened the score with an authoritative victory in the T Storm S. Jan. 31. Favored to take control of their budding rivalry, Carolyn's Cat was bumped at the start, but outfooted Dill or No Dill to the lead. She put that foe away turning for home and drove clear to a convincing success. "She's grown up and matured over the last couple of months and she's turned into the kind of horse [owner] Mr. Warren thought she would be," said assistant trainer Artie Magnuson. "It looks like speed is her weapon." Warren campaigned 2005 Horse of the Year Saint Liam. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Video, sponsored by Taylor Made.**

Bonfante visited the winner's circle twice last year at six, including an off-the-turf score in the GIII San Simeon H. at Santa Anita last April. He concluded 2007 with a grudging second to Ever a Friend--recent winner of the GI Frank E. Kilroe Mile--on New Year's Eve in the Impressive Luck H. going down the hill at the Arcadia oval. Back on dirt for the first time since the San Simeon, the sparingly campaigned seven-year-old went postward as the distant third choice in this four-horse affair. He settled in third as favorites Vicarino and Tribesman (Tribal Rule) dueled through fractions of :21.72 and :44.09, which set things up for the classy veteran. The Cal-bred bay shifted three wide in the lane, blew by the tiring speedsters and opened up late for his second career graded score.

Hattan has inherited his family's lofty reputation, and put his seal firmly on this competitive affair on his six-year-old bow. Since his success in the 2005 G3 Chester Vase, the chestnut has mixed it with the best, with the highs coming when runner-up in the 2006 G1 Premio Roma and last year's G1 Gran Premio di Milano amid lows such as his dismal showing in the latest edition of the Premio Roma on his final start in November. Never far away from the pace here, he unleashed a potent turn of acceleration to lead with 150 yards remaining and was in the clear as Silver Pivotal flew too late. "He's a big horse and this year he's weighing 20 kilos heavier than last," trainer Clive Brittain said. "All the family get better as they get older, and he's a man now." Hattan's dam is a half-sister to multiple Group 1 winners Warrsan (Ire) (Caerleon) and Luso (GB) (Salse) as well as GSW & MG1SP Cloud Castle (GB) (In the Wings {GB}) and MGSW Needle Blade (GB) (Sure Blade). **Click for the [Racing Post chart](#).**

Spirit One carved a substantial reputation as a juvenile when winning the G3 Prix des Chenes and finishing runner-up to Mount Nelson (GB) in the G1 Criterium International, prompting connections to aim high in 2007. Despite missing out at the very top, he had some good efforts, including runner-up finishes to luminaries Soldier of Fortune (Ire) and Literato (Fr) in the G2 Prix Noailles at Longchamp in April and Deauville's G2 Prix Guillaume d'Ornano in August, respectively. He concluded his sophomore campaign with a fifth to Soldier of Fortune in the G2 Prix Niel at Longchamp Sept. 16, and rediscovered some old verve with a dazzling display here in his seasonal bow. Settled in a stalking second by Christophe Soumillon throughout the early stages, the bay was allowed to kick at the top of the straight and had the race in safe keeping in a matter of strides.

Boundless came into this contest off a fourth-place finish in the 2100-meter Ellerslie Oaks 10 days ago at Auckland. In the thick of things from the start, the chestnut filly had the lead turning for home, but was soon swarmed with challengers. Headed by Referred, Boundless fought back gamely on the rail and got her nose back in front in the shadow of the wire. She carries the light blue and stripe-sleeved silks made famous by Sunline (NZ). "I thought she would cave in on the turn, then when she was still there halfway down the straight I thought might hold on for a handy fourth or fifth," trainer Stephen McKee told NZ Racing.com. Winning rider Hayden Tinsley added, "The other horse [Referred] had it on me for 200 metres up the straight, but she just kept fighting. I kept thinking of the old theory that the first [rider] to go for the stick was the first beaten. I waited as long as I could and David [Walsh on Referred] went for the stick first. I knew then we were a real winning chance."

Nathan Fox on Purim

"**PURIM** is the most promising stallion prospect that I have owned since his sire DYNAFORMER. He is an imposing individual that possesses great bone, and he proved himself at the highest levels of competition on both turf and dirt.

I am a strong believer that the best stallions come from sire-producing female families and **PURIM** hails from one of the best, the family of **DR. FAGER** and **UNBRIDLED**."

Bigness Emperor kept his cool in a distant second as First Blues (First Halo) streaked through opening fractions of :20.54 and :43.72. He was closest on hand to take over from that tiring pacesetter in front of the grandstand, and dug in to deny Blues and Rock in the final 100 meters for his first Group 1 success.

Drilling for Oil stretches out to a marathon event for the first time since last May. A course-and-distance winner last winter, the chestnut was third in the 12-furlong GIII Elkhorn S. Apr. 27 before taking Churchill's GIII Louisville H. over the same trip May 26. Off seven months, he returned to be second in the Dec. 15 Prairie Bayou S. on Turfway's Polytrack, was fourth in a one-mile event on this lawn Jan. 12 and was most recently fifth to **Silver Whistle** in a similar event Jan. 31. **Ascertain** is a live longshot this afternoon. Though the veteran was ninth in the Diliberto Memorial H. at the Fair Grounds Dec. 15, his last two efforts at longer distances resulted in a win in the Elkhorn and a third in the GIII Stars and Stripes H. in 2006.

After an inconsistent start to her career, Rick Porter's **Eight Belles** jumped up to take a Fair Grounds allowance by 15 lengths Jan. 21, earning a 100 Beyer Speed Figure. Trainer Larry Jones shipped her to Hot Springs for her latest, the Martha Washington S. Feb. 17, and the big grey romped by 13 1/2 lengths. "I've been lucky enough to have some nice fillies in the barn," said Jones, who also trains GII Fair Grounds Oaks heroine Proud Spell, "but Eight Belles is freakish. This will be her toughest test, but I'm confident about her chances." She'll need to be at her best in facing unbeaten **Pure Clan**, who makes her 2008 debut. The chestnut went four-for-four at two, capping the season with scores in the GII Golden Rod S. and GIII Pocahontas S., and IEAH Stables acquired an interest in the filly over the winter. "She's been training very well, but this is a tough spot to bring her back," said conditioner Bob Holthus. "Eight Belles is an awful good filly. I'm just hoping my filly shows up, runs her race, and comes back good. This is my filly's first time out, while the other filly has been running, and running well. Naturally, I want to win the race, but I'll be satisfied with a good effort." He added, "I'm hoping there will be some pace in the race, and I'd like to see Pure Clan lay about six lengths off down the backside. She is a closer, and I'm not about to try to change her running style."

Easy Work for El Gato Malo...

El Gato Malo (El Corredor), who suffered his first career defeat when second to Colonel John in the Mar. 1 GIII Sham S., worked five furlongs in an easy 1:02.20 at Santa Anita yesterday. The gelding is getting ready for a rematch with the Sham winner in the Apr. 5 GI Santa Anita Derby. "He did it nicely," trainer Craig Dollase said of the drill. "We're very pleased. All systems are go."

Nistle's Crunch Works; Florida Derby Possible...

Alien Farm and Alan Furst's **Nistle's Crunch** (Van Nistelrooy) worked five furlongs yesterday morning over the Gulfstream main track in 1:00 4/5, his first breeze since taking a nine-furlong allowance race Mar. 1. He was wearing blinkers for the first time. Given his victory at the Florida Derby distance and his progressive form, connections are seriously considering entering the New Jersey-bred in the \$1-million feature Mar. 29. "Everything was good," said Lars Beckdelamott, assistant to trainer Ken McPeck, who added that the Florida Derby is "very possible." The colt could also bypass the Derby in favor of the GIII Holy Bull S. Apr. 12.

Cool Gator Breezes Towards Florida Derby...

Garland Williamson's **Cool Gator** (Macho Uno), runner-up to Nistle's Crunch in the aforementioned allowance race Mar. 1, was credited with a six-furlong work in 1:14 2/5 yesterday morning for trainer Danny Vella. "The work looked pretty good," the conditioner said by phone. "This horse is fit and we're not pushing too hard at this point because he has a mile-and-an-eighth race in him." He added, "He's maturing physically--that's the main thing for a young horse. As a two-year-old he was somewhat immature, but he's developed well over the winter." Cool Gator graduated in his first try at two turns over the Woodbine Polytrack Sept. 15 before finishing runner-up in the GIII Grey Breeders' Cup S. Oct. 8 and the Nov. 4 Coronation Futurity. His most recent effort was his first over conventional dirt.

Massive Drama Drills for UAE Derby...

Prepping for a start in the \$2-million G2 UAE Derby Mar. 29, Zayat Stable's **Massive Drama** (Kafwain) breezed six furlongs in 1:15 2/5 at Gulfstream Park under the watchful eye of trainer Dale Romans, who has assumed training duties of the colt. "He finished strong and did just what we wanted him to do," Romans commented. "We wanted to get him one good tightener before we ship." Romans knows a thing or two about preparing a horse for racing's richest night. The conditioner saddled Ken and Sarah Ramsey's **Roses In May** to win the 2005 G1 Dubai World Cup.

DERBY DAY IN HONG KONG A full field of 14 four-year-olds face the starter in today's running of the G1-HK Mercedes-Benz Hong Kong Derby at Sha Tin.

Helene Mascot (Ire) (Peintre Celebre), the former Salford Mill, was victorious in last year's Listed Newmarket S.

Helene Mascot HKJC.com

when trained by David Elsworth, and made a big impression in his Hong Kong bow Jan. 20, coming from off the pace to land the Hong Kong Classic Mile at odds of 10-1. Favored in his last start, the G2-HK Derby Trial over 1800 meters, he raced keenly in centerfield, hit the front inside the final furlong, but was overhauled late by **Green Birdie (NZ)**

(Catbird), who rematches today. Helene Mascot got the best of Thursday's post position draw and will break from the three hole, while Green Birdie will have to work out a trip from the 12. An interesting runner is **Danesis (Ire)** (Danehill), who should be the main speed from the rail. A half-brother to U.S. champion Dehere, he received a Derby invite on the strength of an easy win over a mile Mar. 1.

A co-feature in name only, the G1-HK Queen's Silver Jubilee Cup features a head-to-head battle between G1 Hong Kong Sprint hero **Sacred Kingdom (Aus)** (Encosta de Lago {Aus}) and **Good Ba Ba** (Lear Fan), winner of the G1 Hong Kong Mile. The race is contested over seven furlongs, a distance never traversed by Sacred Kingdom, and one possibly too sharp for Good Ba Ba. His trainer Andreas Schutz is realistic about today's test. "We're up against it on the figures," he admitted.

WAIT A WHILE INJURED Champion **Wait A While** (Maria's Mon), who was scheduled to make her next start in the Mar. 23 GII Santa Ana H., has been sidelined by a minor injury. "She has a callous on her left front tibia," her trainer, Todd Pletcher told *Daily*

Adam Coglianesse

Racing Form from Florida. "She'll be out approximately 30 days. She's at Hollywood Park now, but she'll ship with our division to Churchill Downs and resume training the first week of April." Absent from the work tab since the middle of February, the gray mare underwent a nuclear scan, which uncovered the problem.

"It's a bump," Pletcher added. "It could develop into a fracture if we'd have continued training and didn't stop." Twice a Grade I winner during her Eclipse-winning year in 2006, Arindel Farm's Wait A While captured the GIII Honey Fox H. and GII Ballston Spa H. last season. She ended the campaign with a third in the GI Flower Bowl Invitational S. and a second in the GI Matriarch S., and had been out once this term, taking the GII San Gorgonio H. Jan. 14. To date, the five-year-old has compiled a record of 20-10-3-4 and earned \$1,819,916.

SNOW MON (c, 3, Snow Ridge--Monaroll, by Wavering Monarch) broke his maiden in a Calder sprint Dec. 15, then came back to be second in an allowance test at that track on New Year's Day. The bay colt was the runner-up once again at Gulfstream Feb. 24, and was the 5-2 second choice to prevail yesterday. Sent right to the lead by jockey Jorge Chavez, he dashed off a half in :45 flat and held White Spot (Trippi) at bay for a 2 1/2-length victory. Lifetime Record: 7-2-2-2, \$68,230.

GINGER BREW (f, 3, Milwaukee Brew--Coral Necklace, by Conquistador Cielo) graduated on the Woodbine all-weather in her debut Oct. 26 and was done for the year. The chestnut filly opened 2008 with a second-place allowance finish on the turf at Gulfstream, and was runner-up on the main track in Hallandale Feb. 16. Back on the lawn as the crowd's even-money chalk, she bided her time in midpack as they reeled off six furlongs in 1:09.52, but rallied past the leaders at the top of the lane and pulled away to win by four lengths. Lookalike (Dynaformer) was second best. Lifetime Record: 4-2-2-0, \$79,286. [Video, sponsored by Taylor Made.](#)

TIZ TO DREAM (f, 3, [Tiznow](#)--Littelfuse, by Carson City), a \$75,000 KEESEP yearling, made one start at two, finishing fifth as the favorite going six furlongs at Churchill Nov. 9. She ran fourth with first-time Lasix Feb. 23 in a seven-panel contest over this strip, and was the 2-1 choice here while stretching out a bit in distance. Taken in hand early, the bay filly moved up to challenge Why West (Pulpit) in the final furlong and, despite drifting in and out, went on to hand that rival a 1 3/4-length defeat. Dominguez Sets Big A Inner Track Record:

Jockey Ramon Dominguez yesterday set a single-season record for the Aqueduct inner track. Dominguez, a 31-year-old native of Venezuela, piloted Oedipus O'Neal to his 106th win of the meeting in the day's fourth race. "It's been great," Dominguez said. "But you can't take anything for granted. Coming into the meet, I thought I had the pieces to be leading rider. At the same time, that doesn't have to happen. To start the season, breaking a record wasn't even on my mind. I'm happy to win for Gary [Contessa] and Winning Move Stable. They give me a lot of my business. But I have to thank all of the horsemen and my agent, Steve Rushing."

Paco Boy, who opened his account in decisive fashion at Newbury in September, was kept on the go late to add to his tally against the sophomores in a conditions event at Newmarket in early November. Anchored in rear throughout these opening exchanges by a confident Richard Hughes, the bay quickened impressively past rivals in the straight and inhaled Tasdeer in the final 75 yards for a snug win. Connections are eyeing a tilt at either the G3 Greenham S. at Newbury Apr. 19 or Newmarket's Listed European Free H. three days earlier.

Hever Sprint S.

Since his success in York's G2 Gimcrack S. in August 2006, Conquest has struggled to make an impact in high-class sprinting company, and managed a sole placing last term when third in the Listed Scarborough S. at Doncaster in September. Down the field on his final start of 2007 in a competitive handicap back at York in October, the imposing bay was switched to the Polytrack in this seasonal debut in an attempt to revive his fortunes. Always traveling strongly behind the leaders against the fence, he was switched wide for his rally once into the straight and duly gathered in Stoneacre Lad in the final 75 yards for an authoritative score.

Lingfield, 4.55, Mdn, £7,500, 3yo/up, 1m (AWT), 1:38.70, stn.

SUNDOWNER (IRE) (c, 3, **Galileo {Ire}**--**Sunsetter**, by **Diesis {GB}**), third on debut at Newmarket in November, attracted support and started as the 5-4 crowd's choice to make a successful Polytrack bow. Positioned close to the early pace, the 72,000gns TATOCT yearling worked his way to the front with 100 yards remaining before registering a cosy 3/4-of-a-length success from **Always a Rock (Ire)** (**Rock of Gibraltar {Ire}**). Lifetime Record: 2-1-0-1, £5,454.

The bay filly raced in a close second early. Top Toss, who captured the G3 Prix d'Aumale at Chantilly in September, returned under a subsequent penalty to get her 2008 campaign off to a flying start here. After stalking the early pace in second, the grey made a decisive move on the final turn to take control at the top of the stretch. She was chased all the way to the line by Vadsalina, but was always keeping that rival at bay for an ultimately cosy success. "She is a filly with a lot of class who doesn't do a lot in the mornings," conditioner Yves de Nicolay said. "Her owner has a lot of talented fillies this year, so it's too early to say where she will run next."

Keeping tabs on leader Court Canibal throughout the early stages, he engaged that foe passing the eighth pole and gained command in the final 100 yards. "He is a nice colt who has been too keen before, so there is probably a lot of improvement to come," rider Christophe-Patrice Lemaire commented.

AMELIA'S DREAM INJURED AFTER SILVER SLIPPER SCORE

The brilliant **Amelia's Dream (Aus)** (Redoute's Choice {Aus}) earned rave reviews for her triumph in yesterday's G2 Silver Slipper S. at Rosehill, but came back lame after the race and was taken to Randwick Equine Hospital for examination, according to published reports. "I fear she has fractured something; the injury is terrible," said trainer Gai Waterhouse. "It looks like she has damaged something near her fetlock. They've taken her straight to the Randwick Equine Centre and we will have to just wait and see how bad it is." After romping by 9 1/2 lengths at Canterbury Feb. 28, the dark bay led throughout yesterday, covering the Silver Slipper's 1100 meters in 1:02.90, the fastest time ever for a juvenile at Rosehill and just .39 of a second off the track record. She crossed the line 6 1/2 lengths clear of **Hips Don't Lie (Aus)** (Stravinsky), a victory which temporarily made her the favorite for the A\$3.5-million G1 Golden Slipper Apr. 19. Waterhouse added, "In racing, you have to take the good with the bad. I'm gutted--it's a terrible feeling because I know how good this filly is. I felt Amelia's Dream and Sebring would fight out the Slipper." Stablemate **Sebring (Aus)** (More Than Ready) had been favored for the Slipper before yesterday.

Efficient 11th in Return...

Four-year-old **Efficient (NZ)** (Zabeel {NZ}), having his first run since his victory in the G1 Melbourne Cup Nov. 6 over this course, could do no better than 11th in yesterday's G3 Blamey S., a 1600-meter contest at Flemington. Carrying 59 kilos (130 pounds), the grey was giving away a minimum of 2 1/2 kilos to his rivals, and never landed a blow as **The Fuzz (Aus)** (Danasinga {Aus}) won for trainer David Hayes.

TWO IN A ROW FOR SLIPPER WINNER

FORENSICS Last year's G1 Golden Slipper winner **Forensics (Aus)** (Flying Spur {Aus}), who broke a four-race losing streak with a victory in the A\$1 million G2 Light Fingers S. at Randwick Mar. 1, made it two in a row at the track in the G2 Golden Rose S. yesterday. Far back early, she flew down the straight to catch stablemate **El Cambio (Aus)** (Commands {Aus}) before drawing off to a 1 3/4-length score. "I'm really rapt, and to get the quinella in a million-dollar race is fantastic," trainer Peter Snowden said. Looking ahead, Snowden added, "I really have to think what to do. The Coolmore Classic [G1 at Rosehill, Apr. 19] is an option, but we have to be careful how we place her now."

AUSSIE COLTS SHINE AT HKIS PART II Strong demand from Hong Kong buyers saw a pair of colts fetch identical bids of HK\$6.5 million (\$833,868) during Part II of the Hong Kong International Sale of ready-to-run two-year-olds. A total of 13 youngsters went under the hammer Saturday, having been removed from the main body of the Sale Dec. 8 due to the equine influenza outbreak in Australia. Hip 11, a son of the outstanding Redoute's Choice (Aus), was produced by Let's Get Even (Thunder Gulch), a half-sister to the dam of GISW Stephen Got Even and GSW Indy Glory. She has already produced G3 Norman Robinson S. winner Get Square (Aus) to the cover of Redoute's Choice. The co-sales topper, a A\$275,000 purchase out of last year's Inglis Easter Yearling Sale, was knocked down to the bid of Peter Law Kin Sang. The final horse through the ring equalled the top bid. Hip 13 is by Encosta de Lago (Aus), sire of Hong Kong's best horse and world champion turf sprinter Sacred Kingdom (Aus). A A\$420,000 purchase out of the Magic Millions Gold Coast Yearling Sale, the bay is the first foal from Lane's End (Aus) (End Sweep), a half-sister to MGSW and G1SP Chong Tong (Aus). He was purchased by Cheng Keung Fai. "This year, we invested more money in stronger pedigrees, and their preparation for racing careers here has gone very well," commented Bill Nader, executive director of racing for the Hong Kong Jockey Club. "They all breezed well last week and presented beautifully in the ring. It was clear that each of these horses have the right temperament for Hong Kong, and that's very important." Gross receipts for the 13 horses offered were HK\$57.4 million (\$7,363,695) for an average of HK\$4,415,385 (\$566,438) and a median of HK\$4.5 million (\$577,293).
