GPL Minewander by **MINESHAFT** - Allowance win at Oaklawn.

**YO, ADRIANO!**

Adriano (A.P. Indy), whose previous two wins had come over the turf, relished Turfway's all-weather surface yesterday and bounded home to a 2 1/2-length win in the GII Lane's End S. "This is a very proud moment," said owner/breeder Donald Adams of Courtlandt Farms. "We've been in the business a long time, and we haven't had many Pat Langjor success. Days like this make up for the lean years."

Always within striking distance behind a moderate pace, the long-striding chestnut took charge turning for home and sailed clear for an authoritative score. "He's very, very big and he's just starting to grow into himself," Adams continued. "He has that stride that just eats up the ground." **Cont. p2**

**MAGIC MILLIONS SALE STARTS MONDAY**

Over the past three years, gross Australian yearling sales have risen from A\$215.9 million to A\$321.6 million. While Inglis Easter has made the biggest gains in average, Magic Millions has recorded across-the-board growth, eclipsing any other sale. The company will try to build on that record as the 2008 Yearling Sale gets underway on Australia's Gold Coast tomorrow. The eight-day sale will offer sessions Mar. 24-27, 30-31 and Apr. 1-2; bidding begins at 6 p.m. tomorrow and at 10 a.m. the other seven days. Last year, the select sessions of a giant catalogue of 2,800 yearlings recorded its highest average, median and aggregate, and it is not surprising to see that vendors have voted this year by sending yearlings with Easter-quality pedigrees to the Gold Coast. **Cont. p4**

**RAIN CAUSES GULFSTREAM CANCELLATION**

Officials were forced to cancel racing after the sixth race at Gulfstream yesterday as heavy rain pummelled the Hallandale area. A decision on the status of the GII Shirley Jones H., scheduled for yesterday, is expected next week. "The safety of horse and rider are always of paramount concern to us and, once again, conditions were such that the only prudent course of action was to keep everyone safe by cancelling the remainder of the card," said Bernie Hettel, racing operations manager.

**GRADE 2 LANE'S END STAKES**

**Adriano Takes Lane's End...** (cont. from p1)

**Adriano** (A.P. Indy) broke his maiden over the Saratoga lawn in his second start last August. He followed that three-length win with a fourth in the Oct. 6 GI Lane's End Breeders' Futurity over Keeneland's Polytrack and a fifth-place finish over the turf in the Nov. 24 Laurel Futurity. Put away for the year after that race, the imposing chestnut returned with a 6 3/4-length romp racing 1 1/16 miles over the Gulfstream lawn Jan. 11. He came into this race off an uninspiring ninth over the dirt in the Feb. 24 GII Fountain of Youth S. "I thought he was extremely impressive," trainer Graham Motion said after watching Adriano earn his first stakes tally. "Edgar [Prado] gave him a beautiful ride. We had to stay a little bit closer because you didn't want to come from off the pace today. I thought that played right into our hands, because I know at that pace he can go all day. Turning for home I gave him a huge chance. I knew a mile and an eighth was well within his reach." Adriano's success on the all-weather track was no surprise to Prado. "I was very impressed with his win on the turf one race before his last," Prado explained. "I know if horses handle the turf well, they will handle the Polytrack. I wanted to be in a tracking position, and I was happy almost every step of the way. He put me in a great position at the eighth pole and every time I called on him, he responded." Despite Adriano's victory, Motion was not rushing to put his charge on the Kentucky Derby trail. "I need to speak to Mr. Adams," the trainer said. "I think we all agree that he's probably more of a turf horse, but the [Apr. 19 GII Coolmore] Lexington [S. at Keeneland] is something we will definitely consider. The horse showed that on his day he can be brilliant."

**Favorite Runner-Up...**

Favored **Halo Najib** (Halo's Image) was within striking distance of the winner with a furlong to run, but couldn't match strides and finished second. "My horse ran his race," commented trainer Dale Romans. "He had a little rough trip around the turn, but I was real pleased with his effort. He split horses; he was in the middle of horses all the way. They were bouncing him around on both sides, but he responded when [jockey Kent Desormeaux] called on him. He just didn't get there."

Rite Moment, a winner of three of four starts since joining the red-hot barn of Gary Contessa this winter, was second in the Feb. 9 Correction H. before a 13 1/4-length romp in the Mar. 6 Limit S. going two turns last time out. The bay filly sat a ground-saving fourth before angling to the outside for the stretch run and finishing strongly to win going away. "When she got here, she acted like she had some quality," admitted Contessa. "She has exceeded my expectations. She never bounces. She comes back on two or three weeks rest and runs the same race. She's a big, strong filly; a half hour after we put her in the gate, she'll have eaten eight quarts of grain. She eats like a colt, trains like a colt and runs against fillies. It's kind of cool." Boule d'Or, claimed for \$50,000 from a third-place effort over this course Jan. 20, returned to earn a 3 1/2-length tally going 1 1/4 miles in a Feb. 29 optional claimer last time out. The dark bay recovered from a slow start and tugged his way to the lead. He was allowed to open up 10 lengths on the field, but saw that advantage dwindle dramatically as he just held on in the closing strides. "Well, that was kind of the way we figured he'd run," said winning trainer Jeff Mullins. "We didn't really expect him to be that far out in front, but the last eighth of a mile had us all nervous-I think even the rider [Tyler Baze] was." Baze confirmed, "The last sixteenth, I was just saying 'Hurry up wire, hurry up!'"

Maren's Meadow, fourth in last year's GII Matron S., was making her third start of 2008 after a fourth-place effort in the Jan. 26 Dixie Belle S. and a runner-up finish in the Feb. 17 Martha Washington S. The bay filly raced five wide while attending a moderate pace. She took command turning for home, carried a two-length advantage into upper stretch and held sway for her first stakes win. "She has been training very well," remarked winning trainer Larry Jones. "Since we started putting her around two turns, she's been a different horse. If you look at her, she just looks like a two-turn horse." Jones added, "We'll probably keep her here through the [May 16 GII] Black-Eyed Susan [at Pimlico] and look at going to Woodbine after that with her." Favored A to the Croft moved to challenge turning for home, but evened out to third. "She got a little tired," said jockey Robby Albarado. "We were a little farther back than I wanted to be in the first part of it, but you can't rush up the field off a layoff." **Click for the [brisnet.com](http://brisnet.com) chart or [brisnet.com](http://brisnet.com) PPs. **Magic Millions Starts Monday (cont. from p1)**

The Australian economy, bolstered by a resources boom, is not facing the same depth of credit crisis as the U.S., but vendors and sales officials are nevertheless downplaying expectations in the face of financial uncertainty and recent interest rate rises. Magic Millions also will be the first true test of how resilient the Thoroughbred market has been to the EI outbreak that caused massive disruption and a truncated sales calendar for 2008. But there's a silver lining to every cloud, and this year's EI-induced delay of the Magic Millions Yearling Sale has resulted in a rate of catalogue updates that is almost absurd. This season's top two-year-olds are now making themselves known, and the four-day select catalogue of 900 features half-siblings to G1 Golden Slipper contenders All American (Aus) (Red Ransom) and Sugar Babe (Aus) (Exceed and Excel {Aus}), and the unbeaten pair of She's Meaner (Aus) (Falvelon {Aus}) and Penny Banger (Aus) (Zedrich {Aus}). Magic Millions Managing Director David Chester was keen, as always, to emphasize that the sale suits all budgets, and produces more than just precocious two-year-olds. "The sale is renowned for producing high-class young gallopers who train on at three and beyond," Chester said. "But let's not forget that three Magic Millions graduates [Sirmoine, Princess Coup and Casino Prince] ran the trifecta in the recent [G1] Australian Cup at Flemington--the biggest race of the autumn in Melbourne. And, overseas, our graduates include New Zealand's weight-for-age star Princess Coup and South African guns Seventh Rock and Our Giant." He added, "We are proud to have one of the few sales in the world that can promise something for everyone's budget. It is not an elitist's sale--it's a great value sale with ready-made racehorses for every budget." For the complete catalogue, go to [www.magicmillions.com.au](http://www.magicmillions.com.au).

Patient handling by jockey Tim Clark enabled Typhoon Zed to land the G1 Galaxy. The gelding was settled behind leader Keen Commander early and pounced at the turn. The pair battled to the line, with Typhoon Zed prevailing by a half-head. "The horse deserved it," trainer Tim Martin said. "He was very unlucky in Melbourne in a couple of runs. I'm very happy; it's a good feeling." Typhoon Zed raced creditably in Melbourne last spring, and he was coming off a sixth to Weekend Hussler (Aus) in the G1 Oakleigh Plate at Caulfield Feb. 23. In the frame twice at the top level, Casino Prince finally snatched a first Group 1 victory. Held up until late by wily jockey Damien Oliver, he powered home to deny Tuesday Joy by a mere bob of the head. Casino Prince, who has a half-sibling by Redoute's Choice (Aus) in Gerry Harvey's Baramul Stud draft at Magic Millions, was runner-up to Miss Finland (Aus) in the G1 Australian Guineas and a last-start third in the G1 Australian Cup. Trainer Anthony Cummings said the colt would target the Apr. 26 G1 Doncaster H. "Of all the horses in the race, he was the most deserving," Cummings said. "In Melbourne, I was frustrated at what might have been, but it's a great result today." Nathan Tinkler's Patinack Farm purchased a major share in Casino Prince, who is also raced by Cummings' wife Bernadette and ambulance officer Steve Smith. Smith won his share in a Star City Casino raffle. Well-fancied Honor In War was the victim of severe interference on the home turn and ran ninth.

**CURLIN SITTING ON GO** Reigning Horse of the Year **Curlin** (Smart Strike) continues to give every sign that he's ready to add next Saturday's G1 Dubai World Cup to his trophy case. The striking chestnut--slated to work a half mile on Monday--was full of energy Saturday morning, pulling exercise rider Carmen "Carlos" Rosas around the the Nad Al Sheba main track. "He's feeling good," assistant trainer Scott Blasi said of the GI Breeders' Cup Classic winner. "He's showing every indication that he's getting ready to race. Weight-wise and coat-wise, everything about him is just what we want to see. He came out of his three-quarter mile workout [Mar. 17] with a lot of energy." Curlin prepped for the World Cup with an effortless handicap tally at Nad Al Sheba Feb. 28.

**Hey Byrn Works for Florida Derby...**

Hey Byrn (Put It Back), winner of back-to-back Gulfstream allowance events, worked five furlongs at Calder yesterday in 1:01 4/5 with new jockey Jose Lezcano in the irons. The time was the fifth fastest of 27 at the distance. "He did just what I was looking for and Jose got a feel for him," said trainer Eddie Plesa, Jr. Edgar Prado rode Hey Byrn in his last two starts, but will be in Dubai when the colt goes postward in the Mar. 29 GI Florida Derby.

**Why Tonto to Miss Fla Derby...**

Grass specialist Why Tonto (Indian Charlie), who was expected to try his luck on the main track in the Mar. 29 GI Florida Derby, has been sidelined with a wrenched ankle and will miss the race, according to *Daily Racing Form*. "We stopped on him and sent him to the farm in Ocala for 30 days to give him a little rest," trainer Todd Pletcher told *DRF*. "It's nothing serious. X-rays were negative. It was just bad timing." The Starlight, Lucarelli and Saylor-owned three-year-old was off the board on dirt in his first two career starts, then switched to the lawn and won two in a row at the Meadowlands. Runner-up in the Nov. 24 Grand Canyon H. on the grass at Churchill and again in the Jan. 1 GIII Tropical Park Derby at Calder, he captured the Feb. 16 Hallandale Beach S. at Gulfstream last time out. His record stands at 8-3-2-0, with earnings of \$131,893.

**IZARRA INJURED** Izarra (Distorted Humor), second in last year's GI Oak Leaf Breeders' Cup S., suffered a fractured cannon bone during a workout Thursday at Santa Anita, according to *Daily Racing Form*. The sophomore filly, who worked six furlongs in 1:14.60, will have surgery to stabilize the injury. "It could have been worse," trainer Ron McAnally told *DRF*. "They'll put a couple of screws in there. They come back from injuries like this." Bred and raced by Janis Whitham, Izarra was third in last year's GI Del Mar Debutante. - Smokey Oakey appreciates testing conditions and had enough give in the ground to show his true colors and capture the flat turf season's first major prize. Successful in handicaps at Newmarket last May and on his final outing at Ayr in November, the bay was always traveling strongly amongst the stand side pack and when extricated picked up in impressive style to lead that group passing the eighth pole. It was the 2006 winner Blythe Knight he had to pursue, but Smokey Oakey got to that rival inside the final 75 yards en route to a convincing success.

Subject of a gamble, Aahayson duly delivered with a pillar-to-post display of power sprinting to open his stakes account. After a win in a heritage handicap at Windsor in June, the bay was seen only twice later on when fourth in the G3 Phoenix Sprint S. at The Curragh in August and a disappointing eighth in Chantilly's Listed Prix de Bonneval in October. Hard against the rails with a slight advantage throughout, he was forced to dig in as Sonny Red closed in late, but gave extra to ward off that threat in a driving finale.

Malt or Mash was a standing dish in some of the feature middle-distance handicaps last term, winding up with wins at Newmarket in October and the prestigious November H. at this track on his last start. Settled with only one behind as the free-running Miramare cut out the early fractions here, the imposing grey galloped past that rival passing the quarter pole and was comfortably on top at the line.

Stalking the early pace on the stand side, the €8,000 GOFNOV weanling and €40,000 TATIRE yearling swept to the front before the quarter pole and cut loose for an emphatic four-length success from the far-side leader Benandonner (Giant's Causeway).
