Sire of 8 Grade 1 winners at \$12,500 LF!

MORE THAN A TWO-HORSE RACE

Today's GI Santa Anita Derby has received plenty of hype as a chance for the GIII Sham S. top two finishers **Colonel John** (Tiznow) and **El Gato Malo** (El Corredor) to settle the score. However, there are several others entered in this field of 11 that merit attention. Southern Equine Stable's **Signature Move** (Vindication) appeared to be headed toward bigger and better things following eye-catching maiden

and allowance wins at Hollywood and Santa Anita Dec. 14 and Jan. 4, respectively, but came up empty in his stakes debut, finishing 10th behind Pyro in the GIII Risen Star S. at Fair Grounds

Feb. 9. Trainer Eric Guillot has always thought highly of his charge. "This horse has tons and tons of talent," Guillot offered. "He had lung infection and bled pretty bad in Louisiana. Michael [Baze] said he had tons of horse at the 3/16 pole, but when he asked him, there was no response, and you could see the horse struggling when he was being unsaddled. Where it comes to talent, I think this horse has it. The post position is not ideal, because he's a bit of a fresh and rank type, but it is what it is." **Yankee Bravo** (Yankee Gentleman) began his career with three straight victories, including Golden Gate's California Derby Jan. 27, and enters off a solid third-place finish in the GII Louisiana Derby Mar. 8. Trainer Todd Pletcher has been relatively quiet on the sophomore scene this spring, but can punch his ticket to Louisville with the up-and-coming **On the Virg** (Pulpit). Following a sixth-place finish in his six-furlong debut at Hollywood in December, the chestnut has reeled off two straight at Santa Anita, including an \$80,000 optional claimer Feb. 22. **Cont. p2**

BUMPY ROAD FOR WAR PASS CONTINUES

There was already plenty of uncertainty surrounding champion **War Pass** (Cherokee Run) following his last-place finish in the GIII Tampa Bay Derby Mar. 15, but matters got even worse for the GI Breeders' Cup Juvenile hero on his flight to New York Thursday. Bounced around by turbulence, the morning-line favorite for today's GI Wood Memorial ended up with stitches in his chin after the bumpy ride. "We had to put three staples under his chin because he hit his head on the plane," said Hall of Fame trainer Nick Zito, adding the cut is superficial. "He looks great and he's acting great. I don't know what the right word is with how you feel going into a race like this off a race like the Tampa Bay Derby. You're apprehensive, excited, happy and cautious; I'm a fan, too, and I want to see a horse like War Pass run big. We know what works with him, so we're going to do that. From what I can see, he's going to put in a good effort."

Holding a Strong Hand...

Although the lightning-fast Cushion Track surface played a major, **Bob Black Jack** (Stormy Jack) ran a real hole in the wind in the Jan. 26 Sunshine Millions Dash, stopping the clock in a sparkling 1:06 2/5 for six furlongs. The effort produced a

Beyer Speed Figure of 109, the highest by any three-year-old this term (GI Florida Derby winner Big Brown earned a 106 last weekend). Making his first start beyond seven furlongs in the GII San Felipe S. Mar. 15, the dark bay stayed on gamely to finish third. "This horse is a dream come true, so to speak," trainer and co-owner James Kasparoff said. "We didn't have high expectations for him at the start. He was a good-looking big colt and when I started working him, I thought he might be OK in a Cal-bred special weight. The Sunshine Millions was very impressive the way he moved away from [the runner-up] and we thought the San Felipe would be the right spot to stretch him out and he ran real well there."

IEAH Looks to Stay Hot with Court Vision...

IEAH Stables, founded in 2003 by Michael Iavarone, enjoyed a huge day last Saturday, posting victories in the GI Florida Derby with Big Brown and in the G1 Dubai Golden Shaheen with Benny the Bull, and will look to keep that momentum rolling with **Court Vision** (Gulch) in today's Wood.

Court Vision
Adam Coglianese

Owned in partnership with WinStar Farm, IEAH bought into the GIII Iroquois S. winner following his game victory over this course in the Nov. 24 GII Remsen S. He kicked off his sophomore campaign with a respectable third in the GII Fountain of Youth S. Feb. 24 and has posted four workouts at Bill Mott's Payson base since, including a four-furlong move in :49 3/5 Mar. 31.

"We all walked away pleased with Court Vision's last race, as it was his first race off a break and perfect starting point for his campaign this year," Iavarone told the TDN. "Billy has been very happy with how he went into that last race, how he ran, and how he's moved forward since. We're obviously expecting more from him here, he's won over the course, and we just hope to take the next step toward the Kentucky Derby."

IEAH bought into another WinStar colorbearer earlier this week, **Inner Light** (Songandaprayer). The chestnut, last seen winning a Gulfstream allowance over Jockey Ridge Mar. 7, figures to keep War Pass company on the early lead.

"War Pass will obviously be a handful, and although we have the pedigree to handle a wet track I'm not sure that will help us reel War Pass in," Iavarone continued. "Hopefully, Inner Light, a nice colt in his own right, guarantees a legitimate pace. We do expect a big effort from Court Vision under any circumstances."

Court Vision, currently 13th in graded-stakes earnings amongst three-year-olds, looks to earn a spot in the starting gate on the first Saturday in May.

"We obviously had the day of a lifetime last Saturday with 'Benny' in Dubai and Big Brown throwing himself into the Derby picture and getting so much attention," Iavarone offered. "We would love to add to our Derby hand with Court Vision, because in a race as tough as that two heads will clearly be better than one."

Iavarone added that **Kip Deville** (Kipling), hero of the 2007 GI Breeders' Cup Mile last time, is slated to return to the races and defend his title in the upgraded GI Maker's Mark Mile at Keeneland Friday.

Gotham Runners Return...

While GIII Gotham S. winner Visionaire awaits next weekend's GI Blue Grass S., three other Gotham runners return, including the game runner-up, **Texas Wildcatter** (Monarchos). Trained by Todd Pletcher, he finished third in the Feb. 2 Whirlaway S. and followed with a strong performance with the addition of blinkers in the Gotham, falling only a nose short. New York-bred **Giant Moon** (Giant's Causeway) suffered his first career defeat when ninth, beaten 47 lengths in the Gotham. The bay previously posted tallies in the Dec. 9 Damon Runyon S. and Jan. 5 Count Fleet S.

Giant Moon Horsephotos

Roman Emperor (Empire Maker), third in the Count Fleet and second in the Whirlaway, completed the superfecta in the Gotham. **Tale of Ekati** (Tale of the Cat) comes in a bit under the radar. Much-hyped following his eventful GII Futurity S. win last term, the bay closed out the season with a well-beaten fourth in the GI Breeders' Cup Juvenile. The Barclay Tagg trainee has faced the starter only once this term, crossing the wire sixth in the GII Louisiana Derby Mar. 8. Trainer Nick Zito will saddle likely favorite War Pass, but will also be represented by **Anak Nakal** (Victory Gallop). Last season's GII Kentucky Jockey Club S. hero has disappointed in two attempts this term--eighth in the Feb. 24 GII Fountain of Youth S. and seventh in the GII Rebel S. Mar. 15.

‘CORK’ ON THE DERBY BUBBLE

Despite only two wins from eight career starts, **Atoned** (Repent) can make his way to Louisville with a big effort in today's GII Illinois Derby. The dark bay clipped heels and nearly stumbled in the early portion of the GII Renssen S. last November, but recovered and led by as many as three lengths late. He was overhauled by Court Vision in the waning strides in an effort much better than it appears on paper. The Dogwood colorbearer made his 2008 debut versus War Pass and company in the GIII Tampa Bay Derby Mar. 15, and while the champ flopped that day, the same cannot be said for Atoned. Trapped out wide on the backstretch and far turn, he made the lead and opened daylight in the stretch, only to be reeled in by Big Truck. Drawn in the middle of this compact field, a cleaner trip looks in the cards. **Denis of Cork** (Harlan's

Holiday) is perfect in three tries and will be the chalk off a visually impressive score in the GIII Southwest S. Feb. 18. On the negative side, the pace was sizzling that afternoon and the bay needed nearly :27 for the final quarter mile. He may have less speed to run at this afternoon, but did over-

come soft fractions to take a Fair Grounds allowance Jan. 19. **Z Humor** (Distorted Humor), dead-heated for the win in the GIII Delta Jackpot S. Dec. 7, and comes into this off a decent fourth in the GII Fountain of Youth S. at Gulfstream Park Feb. 24.

Nathan Fox on Star Dabblers

“**STAR DABBLER** is without a doubt one of the best looking stallions that you will find anywhere. He was a brilliant racehorse whose career was cut short by an unfortunate injury but not before he had proven himself at the very top levels of competition. **STAR DABBLER** is by leading sire SAINT BALLADO and out of a half-sister to the dam of champion sprinter and promising sire SPEIGHTSTOWN. Although we got started a bit late with him last year, he still received a very good book of mares that are now producing his first foals. Most of his foals that I have seen are very attractive, like their sire, and should create quite a stir when they reach the auction ring.” *Nathan Fox, Richland Hills Farm owner*

SHOOTING FOR THE STARS

Stonerside homebred **Country Star** (Empire Maker) was nothing short of spectacular last season, and makes her much-anticipated seasonal debut in today's GI Ashland S. at

Country Star
Horsephotos

Keeneland. A debut second over the Belmont lawn Sept. 20, she stepped up to the big leagues in a hurry, annexing the GI Darley Alcibiades S. over this strip Oct. 5 and the GI Hollywood Starlet S. Dec. 15. Trainer Bobby Frankel decided to skip the GI Breeders' Cup Juvenile Fillies with his star filly.

"My filly had just made her first start 2 1/2 weeks before she won the Alcibiades, so I didn't want to rush her back again in three weeks," Frankel told *DRF* on his decision to sidestep the Breeders' Cup.

"After the Starlet, we looked ahead to the Las Virgenes and Santa Anita Oaks, but she had a tempera-
ture for a few days and I just backed off her before the Las Virgenes," he continued. "Maybe it's all been a blessing in disguise because I ended up winning the Santa Anita Oaks anyway [with Ariege]." It won't be a walk in the park by any means for Country Star, who faces a solid cast. **Proud Spell** (Proud Citizen), heroine of the GII Matron S. at two, finally turned the tables on champion Indian Blessing in the GII Fair Grounds Oaks last time. The Brereton C. Jones homebred has previously finished second to Indian Blessing in the Juvenile Fillies and Feb. 9 GIII Silverbulletday S. Feb. 9. **Bsharpsonata** (Pulpit) does nothing but win, and puts a four-race winning streak on the line. A game nose winner over ☆ **"TDN Rising Star"** ☆ Keep the Peace in the GII Forward Gal S. Feb. 9, she kept the dream alive in the GII Davona Dale S. last time Mar. 2. The bay makes her synthetic surface debut, but has a pair of grass stakes victories to her credit.

A \$325,000 Fasig Calder graduate, Boss Lafitte was runner-up in two of his first four outings as a juvenile, but finally broke through on the turf at Fair Grounds Dec. 6 in his fifth attempt. He followed that with a third to Mad Flatter in an off-the-turf allowance at that oval Dec. 27, then prevailed in a similar contest Jan. 26. Freshened up thereafter, the Triple Crown nominee missed by a length when fourth as the favorite in the Grindstone S. on grass at the New Orleans oval Mar. 22, and wasn't given much respect when this affair was moved off the rain-sodden lawn. After exchanging bumps early, the dark bay secured a good spot just off the pace set by 8-5 Prussian (Danzig), who got away with a half in :50.90. That colt drifted coming off the far turn, and Boss Lafitte sailed through to take command. Riley Tucker, in second early, surged again late to make a race of it, but the winner found the wire in time. While he's expected to race next at Churchill in May, it won't be in the GI Kentucky Derby. "I think the [GIII] Crown Royal [American Turf, May 2] is a big possibility for us at Churchill Downs on Derby weekend," said winning trainer Tom Amoss. "We've always felt this horse likes grass. Usually form translates from this surface to grass, so that's what we'll probably do."

Zenyatta took her unbeaten record to three with an impressive score in the GII El Encino S. Jan. 13, but

hasn't faced the starter since. She'll be making her first start on conventional dirt here and, in the process, will meet last year's champion distaffer **Ginger Punch**. "[Zenyatta] is a tall, beautiful filly with no wasted action," said Mike Smith, who will replace David Flores in the irons. "She is working dynamite for the Apple Blossom. If she gets an honest pace, I give her a good chance to beat Ginger Punch." The latter, who capped 2007 with a game victory in the GI Breeders' Cup Distaff, thrashed her rivals in her seasonal opener, the Sunshine Millions Distaff at Gulfstream Jan. 26. The swift chestnut will be tough from her rail post. "Perfect," trainer Bobby Frankel told assistant Jose Cuevas. "The inside is the place to be at Oaklawn."

New Yorkers may be wondering whether the weather will ever improve, but hope may have arrived in the form of **Spring at Last**. Forced to the sidelines following his score in the 2007 G2 Godolphin Mile, the

Spring at Last
Adam Coglianese

dark bay resumed with a score in a one-mile optional claimer on the lawn at Santa Anita Dec. 26, then shipped cross country to annex the GI Donn H. at Gulfstream Feb. 2 in his most recent effort. He shortens up to seven panels for the first time since finishing second in the 2006 GI Malibu S. "He's doing fantastic," said trainer Doug O'Neill. "I think seven furlongs is an okay distance for him. At seven furlongs, you need more of a distance mentality, and he has that." If he runs to form

in the Carter, Spring at Last could be spending a fair amount of the season in the Big Apple. "We've talked about running him in the Carter and then the [GI Metropolitan H. May 26] for a long time," O'Neill added. "Hopefully, that will be the plan if all goes well in the Carter." But this \$300,000 affair is no walk in the park. Unbeaten **Bustin Stones** swept through four starts versus New York-breds before notching the GII Gen. George H. at Laurel Feb. 18. He held sway late by a head over **Lord Snowdon**, with **Premium Wine** 1 1/2 lengths back in third. "He's a very determined horse," said trainer Bruce Levine. "We couldn't have asked for more, the way he won the General George. Obviously, this horse has overcome a lot and he has handled everything we've thrown at him, so you got to be pretty confident leading him over there for the Carter. It would be a dream come true to win the Carter with a horse like Bustin Stones." The four-year-old will race with Lasix for the first time here.

1	Buzzards Bay	Marco Bay	Ellis	8-1
2	Tiago	Pleasant Tap	Shirreffs	7-2
3	Fairbanks	Giant's Causeway	Pletcher	4-1
4	Heatseeker (Ire)	Giant's Causeway	Hollendorfer	2-1
5	Circular Quay	Thunder Gulch	Pletcher	3-1
6	Reporting for Duty	Deputy Commander	Asmussen	12-1
7	Silver Lord	Unbridled's Song	Moquett	12-1

This race was stripped of its Grade I status a few years ago, but the event has nonetheless attracted four winners at the highest level among its seven runners.

Heatseeker is the morning-line favorite, and deservedly so. The chestnut splashed on to the scene with a 30-1 upset of the GIII Native Diver H. at Hollywood in December, then was a good third in the GII San Pasqual H. Jan. 12. He rallied to miss by a head to Well Armed in the Feb. 9 GII San Antonio H., but atoned for that defeat with a 3/4-length score in the GI Santa Anita H. Mar. 1. Southern California-based horses have won five of the last six runnings, and Heatseeker will have to prove he can reproduce his form over conventional dirt. **Buzzards Bay** returns to the main track for the first time since finishing fourth in the GI Stephen Foster H. in 2006. He was favored in that event on the strength of his 6 1/2-length win in that year's Oaklawn 'Cap, but makes his first appearance since finishing a distant fifth in the Sunshine Millions Classic Jan. 26. **Circular Quay** aims to give Todd Pletcher back-to-back wins in this event, following Lawyer Ron last year. The chestnut added blinkers for the GII New Orleans H. and, instead of rallying from well back, was much more handy and outslugged Grasshopper to take the Mar. 8 test by a neck. He earned a career-best speed figure for the effort and gets regular rider John Velazquez in the saddle. The other Grade I winner in the field is **Tiago**, the 2007 Santa Anita Derby and Goodwood S. hero who was most recently fourth to Heatseeker in the Big 'Cap.

POTRERO GRANDE H. cont.

Winner of this event in 2006, the lightly raced **Surf Cat** was runner-up to **Greg's Gold** in last year's GII Pat O'Brien H. at Del Mar Aug. 19 before concluding his season with a fifth in the grassy GII Oak Tree Mile Oct. 7. He returned to action at six with an even third to In Summation in the GII Palos Verdes H. Jan. 21, but got back in the win column last time, besting Greg's Gold by a half-length in the GII San Carlos H. Feb. 16. **El Roblar** is part of an uncoupled entry for Stonestreet Stables and trainer Richard Mandella. Last seen taking the GIII Ack Ack H. at Hollywood Park June 9, the dark bay is training well for the comebacker. **Peace Chant**, a son of champion Safely Kept, is in search of his first stakes victory in just the eighth start of his career. Runner-up to **Sailors Sunset** in the GIII Los Angeles H. last May, the five-year-old was most recently fifth in a local allowance test Mar. 10.

6	Crested (GB)	Fantastic Light	W Dollase	10-1
7	Storm Military (Arg)	Bernstein	Frankel	4-1

Daytona kicked off a four-race winning streak in the Oct. 13 GII Oak Tree Derby, then drove to victory in the Nov. 25 GI Hollywood Derby and Dec. 30 GII San Gabriel H. The chestnut gelding opened 2008 with a front-running score in the Feb. 9 GIII Fair Grounds H., but he was caught in the final yards of the Mar. 8 GII Mervin Muniz Jr. Memorial H. last time out and had to settle for third. The four-year-old shortens up to a mile off three straight nine-furlong affairs. **Artiste Royale** captured the Oct. 6 GI Clement L. Hirsch H. going 1 1/4 miles at Oak Tree, but was one-paced when stretched to 12 panels in the Nov. 25 G1 Japan Cup and finished eighth. The seven-year-old made his seasonal bow in the Mar. 1 GI Frank E. Kilroe Mile H., getting up for second, and will be coming late again here. **Hyperbaric** was unbeaten in his first three outings at three, taking turf allowance tests at Oak Tree and Hollywood, but disappeared after switching to the dirt and running ninth in the 2006 GI Malibu S. The five-year-old missed all of 2007, finally returning in an allowance down the hill at Santa Anita Feb. 25. He looked good as he battled down the lane to run second by a nose.

Missit appears the one to beat off her overseas form. Trained in Europe by Mick Channon on behalf of owner Tim Corby, the bay filly was fifth of 14 in the G1 Cheveley Park S. at Newmarket Oct. 5, then returned on 15 days' rest to miss by a neck in the G2 Rockfel S. at the same venue. She made it three starts in as many weeks, but showed little wear and tear when a half-length runner-up in the Listed Radley S. at Newbury Oct. 27. She makes her U.S. debut with the benefit of Lasix and carries the colors of Three Chimneys Racing LLC. **Starry Pursuit** graduated over Arlington's Polytrack last June, but did not reappear until Mar. 7, when she rolled home a handy winner of a down-the-hill allowance. She figures tough on the stretch out if she can overcome her wide barrier. **Sweeter Still** has won two straight, including a score over **Carnival Queen** and **Gorgeous Goose** in the Mar. 1 China Doll S. over this distance.

Switched to the barn of Steve Asmussen this winter, the dark bay colt took a Feb. 15 Fair Grounds allowance by an effortless five lengths and was the second choice to stablemate Pyro in the GII Louisiana Derby Mar. 8. Despite being allowed an easy time of it up front, J Be K folded late to finish eighth and was not persevered with. **Gattopardo** is using this as a possible springboard to a start in the GI Preakness S. May 17. He is two-for-two at this distance, including a 2 3/4-length success in the Miracle Wood S. at Laurel Mar. 1.

Four-year-old **Devil Moon** looks to improve in her second start of the season. The Mark Kavanagh trainee is stepping up in distance after beating only three home in the Listed Liverpool City Cup over 1300 meters. "I thought her run was ordinary, but she's never really been a first-up horse and that was her first run the Sydney way of going," Kavanagh said. "She's been ordinary first-up in all her preparations, and it doesn't matter what you do with her, she's just one of those horses. I expect her to improve a lot this week." **Forensics** is out to give the Ingham family and trainer Peter Snowden a late-hour Group 1 victory. Snowden, who took the helm late last year from departing Crown Lodge trainer John Hawkes, has made no secret of his desire to record a Group 1 win with a horse carrying the Ingham's all-cerise before the Darley purchase becomes official. Golden Slipper winner Forensics has not put a foot wrong this campaign, winning the G2 Light Fingers S. Mar. 1 and the G2 Golden Rose Mar. 15.

Miner's Claim Added to Blue Grass Field...

Briarwood Stable's **Miner's Claim** (Mineshaft) has been added to the list of probable starters for next Saturday's GI Toyota Blue Grass S. at Keeneland. Trained by Mark Casse, the dark bay colt was undefeated in a pair of juvenile starts and turned in a promising sophomore debut, finishing second to Big Glen as the 9-5 favorite in the Mar. 22 Rushaway S. over the Polytrack at Turfway. "I was pleased with the Rushaway," Casse said. "Patrick [jockey Patrick Husbands] said he ran about four strides--the last four. When Big Glen went by him, he kind of bellied down and ran." He continued, "He was just galloping going down the backside. His ears were going back and forth and he was confused and Patrick said he could never get him motivated. He never ran until the last four strides." Casse feels there is much room for improvement. "I think we still have a pretty fresh horse and a horse that had a nice workout [in the Rushaway]," Casse stated. "I think you will see a better horse. We are thinking that once he has something to run at, he will pay a little more attention."

☆ NEWS TODAY ☆

FALSE EI POSITIVES IN KARAKA? Ten horses imported from the U.S. to New Zealand have tested positive for equine influenza, but MAF Biosecurity New Zealand, which processed the original samples taken from the horses, announced yesterday that it is putting those samples through another round of tests. "There is a strong indication that cross-contamination in the laboratory was the reason for the positive results," said MAFBNZ's Import Standards Group Manager Clive Gower-Collins. "The laboratory will be conducting further tests over the weekend to confirm that this is so. Further investigations will also be made to ascertain how the tests in New Zealand became contaminated." The 10 horses arrived from the U.S. Mar. 23, and all had tested negative for EI before export, but all were positive when tested at the Karaka quarantine facility. The horses appear healthy and are symptom-free, but, as a precaution, the MAFBNZ has put the facility under "lock down." No horses will be permitted to enter or leave, and no visitors will be allowed during the lock down. "Current requirements are designed to identify unwanted viruses and diseases like influenza before horses are cleared," Gower-Collins remarked. "Under strict import standards, horses are required to undergo 21 days quarantine before departure for New Zealand, including testing and vaccination, and a further 14 days in post-arrival quarantine in New Zealand, where they undergo further testing." He added, "The horses have been in quarantine since their arrival from the United States in a secure facility, so there is no risk to the New Zealand horse population." The new round of testing is expected to be completed over the weekend.

Saturday, Aqueduct Race Track

WOOD MEMORIAL S.-GI, \$750,000, 3yo, 1 1/8m
 SC PP HORSE SIRE ODDS
 2 1 Texas Wildcatter Monarchos 5-1

Marched forward without a bounce at two, establishing a solid top of 4 in his third start. This is important because it means a horse doesn't have to develop too much in a short time to be a contender in the Triple Crown races, and doing it late in the year, around two turns, is the classic precursor of a strong three-year-old campaign. In his most recent start, this colt began to live up to his promise, earning the best figure in the Gotham after racing wider than the winner. Texas Wildcatter has yet to go back (bounce), and if he can repeat that last one or just bounce a little, he'll become part of the Derby picture. A repeat would also give him a very big shot today, and this is the time of year when good three-year-olds pair up big efforts. The rail, Coa, and the possibility of an off track don't hurt, either.

3 2 Spurrier Dixieland Band 15-1

Another Pletcher trainee that has never gone back, but his juvenile top is much slower than that of Texas Wildcatter, as is his top. He would need another big jump to become relevant here and, having already developed six points in just a few starts, that's unlikely.

1 3 Court Vision Gulch 6-1

Won the Iroquois with a good effort, then won the Remsen with a poorer one by saving ground on both turns (1w1w, upper left). That's not a good sign--young horses on their way somewhere important seldom bounce at that point in their careers. He returned to his top in his seasonal debut (which looked better than it was due to again getting a rail trip), and may be ready to move forward now. But he would need a big jump to contend here, and the weak pattern last fall makes us think that's unlikely.

4 4 First Commandment Deputy Commander 30-1

Has come a very long way in a very short time for a very hot barn (see trainer profile, "Last 90 days"). The big jump last time, combined with only three weeks rest, makes a bounce likely, at a time when he would need another jump.

5 5 War Pass Cherokee Run 6-5

Earned the best figure we have ever assigned a two-year-old (by quite a bit) in the Breeders' Cup, and the question at this point is was it too much, too soon? Young horses have been wiped out by much slower efforts, and it remains to be seen whether War Pass will ever see that level again. His last at Tampa was certainly not a good sign--when good horses run really bad, there's usually a physical problem. In terms of handicapping the Wood, the important thing is this: while he is the fastest horse on his best race, he has only once in his six-race career run well enough to definitely win this race, which makes him an underlay as the favorite, even without being able to assess what that last one means.

6 6 Roman Emperor Empire Maker 15-1

Had the classic direct development to a strong top around two turns last year, bounced slightly, and then got back to that level two starts back. His pattern at that point was strong, and with his solid juvenile top, he seemed set for a big year. Last time out he ran a stinker in the slop, and if that non-effort was due to the surface, he should run well today if the track is fast.

7 7 Giant Moon Giant's Causeway 12-1

Marched forward to a good one in early January, then after a couple of months off put in a truly awful effort in the Gotham. As with Roman Emperor, that non-effort came in the slop, and he might rebound. But his overall pattern is not as good as Roman Emperor's, and Schosberg has cooled off considerably (see "Last 90 days").

8 8 Tale of Ekati Tale of the Cat 9-2

Came out running last summer, but has not developed an inch since. His pattern is good for a new top now--as it has been several times before--but he's one of the slowest horses in the race and he'll take money based on his juvenile reputation, all of which makes him a major underlay.

1a 9 Inner Light Songandaprayer 6-1

Has an ouchy pattern that has seen him bounce after big efforts. Since his last was by far the best effort of his life, this does not bode well for today, and both sides of his pedigree make him suspect the farther he goes.

9 10 Anak Nakal Victory Gallop 20-1

Put together three strong efforts in eight weeks time last fall, and with a pedigree that is late developing on both sides, looked like he could become a Classic contender. But not only hasn't he gone forward this year, he's been unable to match his juvenile figures, which is not a sign of good health.

Bottom Line: Texas Wildcatter is the second-fastest horse going in, has a much better pattern than War Pass, and will be a square price. Roman Emperor is very usable in the exotics if the track is fast.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

BUDDY BISHOP DEAD AT 64 William T. "Buddy" Bishop, III, died Thursday at the age of 64. Bishop, a partner in the Lexington law firm Stoll Keenon Ogden, held positions at Keeneland as director, secretary, trustee and counsel, and was elected to The Jockey Club in 2006. He also formerly served as the president of the Thoroughbred Club of America and was a board member and counsel to numerous farms, including Claiborne Farm and Darley Stud. "Keeneland and the entire Thoroughbred community have lost a true friend, a tireless advocate for the industry and valued counsel," said Keeneland President and CEO Nick Nicholson. "His entire life literally was intertwined with Keeneland. He grew up in an apartment next to the clubhouse, was the son of Keeneland's first general manager (W.T. Bishop), played on the grounds and worked on the maintenance crew. Through the years he rose to be lead counsel, secretary, director and trustee for Keeneland. The entire Keeneland family feels a deep loss." Ogden Mills "Dinny" Phipps, chairman of The Jockey Club, added, "On behalf of the Board of Stewards and the members and staff of The Jockey Club, I extend our sincerest condolences to Buddy Bishop's family and his many friends. As our legal counsel for many years and, more recently, as a member of The Jockey Club, he was an outstanding individual. We will miss him personally and professionally, but we will long remember his many contributions to the Thoroughbred industry. He was an extraordinary personality and certainly a credit to our sport." Bishop is survived by his wife, Nancy; son, William; daughters, Shannon and Anne; a sister; two grandchildren and a niece and nephew. Visitation will be held between 4-8 p.m. at the Keeneland Entertainment Center Monday. Services will be Tuesday at 11 a.m. at Central Christian Church, followed by burial at the Lexington Cemetery.

AQUEDUCT CANCELS FRIDAY CARD With heavy rains overnight, and more wet weather in the forecast, officials decided to cancel Friday's card at Aqueduct. "The main track is tight, in good shape, but factoring in that it only opened for racing two days ago and that we have Aqueduct's best day of racing [Saturday], we are doing everything we can to ensure optimum racing conditions for our big Wood Memorial Day card," New York Racing Association Racing Secretary and Handicapper P.J. Campo said. "The track is sealed so moisture doesn't soak in. We're confident that our cautious approach today will result in excellent racing conditions tomorrow."

You Go West Girl graduated in a sprint over this surface last April in her second start before switching her attentions to turf. An allowance winner over the Churchill sod May 19, she was second in the Gill Regret S. over that course June 16. Runner-up in the Hatoof S. switched to Arlington's Polytrack Aug. 19, the New York-bred threw in a rare clunker when sixth to Dreaming of Anna in the Gill Pucker Up. S. at Arlington Sept. 8, but closed out her sophomore campaign with a win over the local lawn Oct. 20. After breaking in the air here, the dark bay was allowed to settle into stride near the rear. She was still in sixth--and seven wide--approaching the eighth pole, but found her best stride late and got up in time for a popular success. [Video, sponsored by Taylor Made.](#)

ST. JOE (c, 3, Trippi--Load Up, by Dove Hunt) looked promising as a juvenile, breaking his maiden at Keeneland in October and running a solid third in the GIII Iroquois S. at Churchill three weeks later. The chestnut colt faltered thereafter, however, finishing off the board in the Dec. 7 GIII Delta Jackpot S. and being eased in the Feb. 2 GII Swale S. He beat just one home when losing by more than 20 lengths in an allowance test on the Gulfstream main track Feb. 22, and was given a break. Shedding blinkers as he made his return at 14-1, St. Joe went to the front, cut out a half in :44.92 and had enough left in the tank to hold off Iron Works Pike (Five Star Day) by a length. Talk of a Cat (Tale of the Cat), the 9-5 chalk, ran evenly down the lane to be fourth. St. Joe was a \$45,000 OBSOCT weanling. Lifetime Record: GSP, 7-2-1-1, \$82,321. O-Silverton Hill LLC. Lady Belsara Retired:

At The Moment Stables' **Lady Belsara** (Boundary--Wolfendale Island, by Unbridled), the Keeneland track record-holder for 6 1/2 furlongs [1:14.41] on Polytrack, has been retired, according to Steve Kintz, father of trainer Matt Kintz. "We were going to bring her down to the [GII] Vinery Madison [April 9], but after she worked a bullet :59 3/5 at Turfway on Wednesday, [assistant trainer] Craig Huston noticed a little heat and filling," Steve Kintz said. "This would take four months, and now we still have the opportunity to get to the breeding shed." Lady Belsara made all but one of her 13 career starts on Polytrack, with her most important victory coming in last year's GIII Chicago H. at Arlington Park. She retires with a record of 6-1-3 and earnings of \$248,864.

HRRN to Provide Live Coverage of Daily Feature:

Lexington-based Horse Racing Radio Network (HRRN) will provide live daily radio coverage of the featured race during the Keeneland meeting. The broadcasts will be hosted by Mike Penna and Pete Kules, and feature pre- and post-race analysis, as well as the live call of the feature race. HRRN will also plans an extended two-hour broadcast on Blue Grass day from 4-6 p.m. EDT.

Jury Recommends Jail Time for Norman:

After pleading guilty to a charge of negligent homicide, a jury in Hot Springs, Arkansas, has recommended a jail term of six years and a \$5,000 fine for trainer Cole Norman. Virginia Heath, 86, was struck head on by a vehicle driven by Norman in an accident Feb. 5, 2007, and was pronounced dead three hours later. Norman was found to be under the influence of prescription painkillers at the time of the accident. "We were pleased with their recommendation," Joe Graham, a deputy prosecutor for Garland County, told *Daily Racing Form*. Penalties for negligent homicide, a Class C felony, reportedly range from three to 10 years of confinement and/or a fine of up to \$10,000. Formal sentencing is scheduled for next Wednesday at the Garland County Circuit Courthouse.

Lucky J.H. was laid up for 14 months following his success in the 2006 GIII Ack Ack H. at Hollywood. He returned to the winner's circle in his second start back when he wired optional claiming foes on the turf at Del Mar. Sept. 2. Second in an all-weather state-bred contest Oct. 5 at Oak Tree, he didn't race again until Jan. 26, when he just failed to last in the Sunshine Millions at Gulfstream, settling for third in that nine-furlong affair. The Cal-bred resumed Mar. 16, missing by a neck going a mile over this course in the Crystal Water H., and was favored to bounce back here. In sixth early, the blinkered bay powered his way into contention in front of the stands and hit the wire just ahead of High Standards.
