TALE OF THE TAPE

Charles Fipke's homebred **Tale of Ekati** (Tale of the Cat) came through an opening on the rail and outguttled **War Pass** (Cherokee Run) to land the \$750,000 GI Wood Memorial S. at Aqueduct yesterday. It was the second straight victory in the race for trainer Barclay Tagg, who saddled Nobiz Like Shobiz in 2007. "We always thought he was a good horse," said Tagg. "He showed up today big time." War Pass, softened up early, dug in gamely when headed by Tale of Ekati. "We still have to salute the winner--he ran a big race," said his trainer Nick Zito. "If War Pass has a good month, we'll see if we can make it to the [GI Kentucky] Derby." **Cont. p3**

LITTLE BELLE POSTS BIG UPSET IN ASHLAND

The GI Ashland S. was billed as a three-horse showdown between **Bsharpsonata** (Pulpit), **Country Star** (Empire Maker) and **Proud Spell** (Proud Citizen), but it was Darley homebred **Little Belle** (A.P. Indy) who wound up springing the upset. "She's been improving dramatically through each start this year," said Neal McLaughlin, assistant to his brother Kiaran. "We just felt like she deserved a chance to really step up and see how good she could be. This was the spot we picked. It was a tough one, but we wanted to know if we had a Kentucky Oaks filly on our hands or not." **Cont. p4**

GLORY DAYS AT HAWTHORNE

Twenty years ago, Louie Roussel III and Ronnie Lamarque raced **Risen Star**, who finished third in the GI Kentucky Derby before taking the GI Preakness S. and GI Belmont S. as well as Eclipse Award honors. They could be back again with the surprising **Recapturetheglory** (Cherokee Run), who rode the golden rail at Hawthorne to take yesterday's \$500,000 GII Illinois Derby. "Louis Roussel named this wonderful racehorse

KENTUCKY COLONEL

WinStar's **Colonel John** (Tiznow) looked to have a lot to do turning for home in the \$750,000 GI Santa Anita Derby yesterday, but found his best stride late under a confident Corey Nakatani to punch his ticket for the GI Kentucky Derby. He surged past the gritty **Bob Black Jack** (Stormy Jack) to win by a half-length. "It really hasn't sunk in yet, but it feels like I won the million-dollar St. Patrick's Day horseshoe pitching contest," said winning trainer Eoin Harty. "Historically, any horse that's run well here and come out of this race in one piece, usually shows up and runs a very good race on Derby day, and that's what we're hoping for." **Cont. p2**

Just call him Colonel of the Cushion. After finishing second in his career opener on Del Mar's Polytrack Aug. 19, Colonel John returned to action with a 4 1/2-length tally at Oak Tree Oct. 7 and stamped himself as a **TDN Rising Star** [\(video\)](#). He added a three-length score in the Real Quiet S. Nov. 18 over the Cushion Track at Hollywood and finished up the year with a solid second in the GI CashCall Futurity Dec. 22. Given some time off over the winter, the handsome bay kicked off 2008 by defeating El Gato Malo (El Corredor) over track and trip in the GIII Sham S. Mar. 1, but was the second choice to that rival here. He broke alertly from post five and settled into sixth as Coast Guard tugged his way to lead through splits of :23.33 and :47.57, with Bob Black Jack tracking that colt. El Gato Malo made a bold four-wide move entering the far turn and looked to have first run on Colonel John, but Corey Nakatani sat chilly on the second choice. He roused the WinStar colorbearer entering the stretch and the big colt responded, setting his sights on Bob Black Jack and driving past that rival under vigorous urging. It was Nakatani's first Santa Anita Derby victory in 12 tries. "Well, I guess you could say I've got this little monkey off my back, but, of course, it's pretty hard to beat Gary Stevens [nine Derby wins]. Now I've got something to get really excited about. There is no question in my mind that this horse has the ability to win the Kentucky Derby, and he underscored that today."

Harty, who served as an assistant to Bob Baffert during the days of Silver Charm and Real Quiet, already has a plan worked out for Colonel John's next outing in the GI Kentucky Derby May 3. "I'll give him two works here at Santa Anita and ship to Churchill about 12 days out [before the Derby], give him one work over the track, and pray." As for El Gato Malo, the gelding flat-tened out in the final furlong and wound up fifth as the 9-5 choice. "He didn't have it today--maybe he bled," said rider David Flores. "The horse was traveling real nice. I got him out with perfect timing at the three-eighths. I let him move up just a little bit. He just didn't have the extra kick that I was expecting from him."

Also Ran: Giant Moon, Anak Nakal, Spurrier, Roman Emperor, Texas Wildcatter, Inner Light.

Scratched: First Commandment.

Tale of Ekati came up a dead rail at the Big A and wore down the valiant War Pass for his first Grade I victory. It was the bay colt's second start of the year; he broke poorly and wound up sixth in the GII Louisiana Derby won by Pyro Mar. 8. "He got a little tangled up in the gate [at Fair Grounds] and ran a disappointing race," Tagg explained. "We still felt good about him, and we worked out some of those issues in the gate." Charles Fipke's homebred worked a half-mile from the gate Mar. 25 and Apr. 1 at Palm Meadows, but wasn't given much respect here. The Aqueduct faithful bet War Pass--coming off a last-place finish when trying to rate in the GIII Tampa Bay Derby Mar. 15--down to 4-5, with the entry of Court Vision and Inner Light (Songandaprayer) the 5-2 second choice.

[Click for the brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#). [Video](#), sponsored by [Taylor Made](#).

There were no plans to rate War Pass this time. Inner Light went up to press the champion through splits of :22.46 and :46.07, with Tale of Ekati settling several lengths back in third. Floated well off the rail by Cornelio Velasquez, War Pass shook loose on the backstretch and turned for home on his wrong lead. He got a bit leg weary and drifted out, causing jockey Edgar Prado to send Tale of Ekati up the rail. The colt needed :13.93 to cover the final furlong over the tiring track, but gamely fought his way past War Pass to prevail by a half-length. "It was nice to see Inner Light go after War Pass," Tagg admitted. "We were laying a little closer than I wanted him to be, but Edgar has an intuitiveness that has served him pretty well. I have a group of horses in Lexington, and he'll ship down there [this] morning."

Nothing Rough About This Diamond...

A great-grandson of sprint champion Gold Beauty and a grandson of GI Alabama S. heroine Maplejinsky, Tale of Ekati hails from the family of champion Sky Beauty, et al, and is named for Fipke's diamond mine in Canada's Northwest Territory. He was hailed as a ☆ **"TDN Rising Star"** ☆ following his 8 1/4-length debut at Belmont July 7, then ran second in the GII Sanford S. July 26 at Saratoga before being sidelined with sore shins. Tale of Ekati showed presence of mind in capturing the GII Futurity S. ([video](#)) in his Sept. 15 return at Belmont before settling for fourth to War Pass in the GI Breeders' Cup Juvenile Oct. 27. After wintering at Palm Meadows, Tale of Ekati went postward at 9-2 in his return at Fair Grounds, but failed to fire after a poor start.

As for GII Remsen S. hero Court Vision, the dark bay came into this contest off a third in the GII Fountain of Youth S. He rallied belatedly to take third. "I was hoping that with the position he was in, he would get it done," said rider Garrett Gomez. "It didn't look like he was getting across the racetrack all that great. I was in a drive on him for a long time and he was never up in the bridle. I know he ran on this track last fall, but it wasn't as drying out as it was today."

Little Belle made two starts at two over Aqueduct's main track, finishing fourth Oct. 28 and third Nov. 25. She opened her sophomore season with a second in her first route attempt over the inner track Jan. 13 before graduating smartly in the slop Feb. 1. The Darley homebred stayed in the Big Apple to annex the Busher S. Feb. 24, and her connections opted to give her a class test. She passed. The bay bounced out of the two hole under Rajiv Maragh and showed the way just ahead of Bsharpsonata through splits of :24.95, :49.52 and 1:13.46. The latter, a multiple graded stakes winner at Gulfstream this winter, took a run at her in the lane and poked her head in front, but Little Belle dug in gamely for her first Grade I success. "I was pretty confident when [Bsharpsonata] was beside me because I knew my horse hadn't really kicked in yet and give me the burst that she was going to give me," said Maragh. The even-money Country Star, fractious in the gate, had a wide trip before coming up empty in the lane, finishing fifth. She was making her first start since capturing the GI Hollywood Starlet S. in December. "I had a great spot," explained rider Robby Albarado. "I was right where I wanted to be, right next to Proud Spell. There's just no rhyme or reason for it--She felt great." Little Belle's granddam Flagbird, a half-sister to GISW Prospectors Delite--later the dam of Horse of the Year Mineshaft--was bred by W.S. Farish and campaigned by Sheikh Mohammed. A Group 1 winner in Italy, Flagbird captured group events in France and Ireland, and also placed in Group 1 events in both of those countries.

Nathan Fox on Storm Surge

"**STORM SURGE** possesses

all of the attributes of the majority of STORM CAT'S best sons at stud. He was a very fast, sound stakes winner at two that went on to win graded stakes around two turns at three. He is by one of the best stallions in the world and out of a mare by another, which is also one of the best broodmare sires in the world. He is from a family that is known for producing great sires like Saint Ballado,

Rahy, Singspiel, and Devil's Bag. **STORM SURGE** is a correct, well balanced individual with great scope and a terrific hind quarter, deep heart girth and long angular shoulder. This is a horse with tremendous potential, and I am breeding several of our best mares to him this year." *Nathan Fox, Richland Hills Farm owner*

Ribbon (His Majesty) at the Fasig-Tipton February sale. The following year, that colt, named Risen Star, won the GI Preakness S. and the GI Belmont S., but was third in the GI Kentucky Derby. The long-time friends will have a chance to settle that score in a little less than a month, after Recapturetheglory posted a good-looking victory in the Illinois Derby. Fruitless in a

pair of maidens over the Arlington synthetic surface last summer for Roussel's assistant Lara Van Deren, the bay stretched out to two turns at this track and broke his maiden by a nose with a determined late run Sept. 29. He made his final two-year-old appearance at Churchill Downs, where he set a modest early pace, then held for second behind fellow Derby hopeful Cool Coal Man Nov. 3. One of just three horses under Roussel's tutelage this winter at the Fair Grounds, the Fasig-Tipton Calder grad returned on the grass, dictating the pace most of the way before yielding late to finish third. One of just two horses at double-digit odds, Recapturetheglory set even fractions, repulsed a challenge from Golden Spikes on the far turn, kicked clear in upper stretch and was going away late. The top three raced one-two-three all the way around the track. "He broke great and he reeled back in really professional manner," said winning jockey E. T. Baird. "He just rated real kind and when I called on him, he just gave me what he had. He ran second to Cool Coal Man who won the [GII] Fountain of Youth. Regardless of what kind of condition that was, I think these three-year-olds are pretty much in the same boat right now." Lamarque added, "I told Louie [Roussel] to back his bags. We're going to the Kentucky Derby." Denis of Cork (Harlan's Holiday) was favored at even-money to run his record to a perfect four-for-four, but was steadied on the first turn and never really landed a blow while running fifth. "We had a good trip and when I asked him at the 3/8ths pole, I thought he was ready to go," said jockey Julien Leparoux. "He kept going but there was no kick to get there." Maybe her favorite song is "Don't Stand So Close to Me." Stamping herself as a **★ "TDN Rising Star" ★** in capturing her six-furlong bow at Hollywood on Thanksgiving, she took an allowance at the same track Dec. 15 before stepping up to annex the GII El Encino S. Jan. 13. Reportedly minor issues kept her from facing the starter since, but trainer John Shirreffs sent his unbeaten charge to Hot Springs for a showdown with reigning Eclipse winner Ginger Punch. The latter, bet down to 2-5 here, was pressed early through a half in :47.30 as Zenyatta raced a nonchalant fifth. With Mike Smith aboard for the first time, the long-striding filly made her usual sweeping move on the far turn, hit the front approaching the eighth pole and bounded clear for her first Grade I trophy; it was a big double for the Jerry and Ann Moss, who later won the GII Oaklawn H. with Tiago. Apr. 22, the May 9 Screenland S. at Belmont Park, and, following an eight-month absence, the Jan. 21 Promonroe S. at this track. Favored in his first appearance in open company, the Feb. 18 GII General George H. at Laurel Park, the Valente homebred showed his trademark speed and dug in gamely to hold off a late bid from Lord Snowdon (Seeking the Gold) by a head. Quickly into stride and angled immediately over to a dead rail, Bustin Stones dueled heads apart with Executive Fleet through relatively fast fractions of :22.52 and :45.14. Glued to the wood into the lane, he dug in gamely and stayed on for his sixth straight victory. Winning trainer Bruce Levine indicated that Bustin Stones would be pointed for the GI Met Mile May 26. "I think he can stretch out," Levine said. Spring at Last (Silver Deputy) chased the pace while three wide into and around the far turn, but tired to finish eighth, beaten nearly 10 lengths. Oct. 27. Third and second, respectively, against his peers in the GII San Fernando S. Jan. 12 and Strub S. Feb. 2, he most recently ran fourth in Heatseeker's GI Santa Anita H. Mar. 1. He settled into sixth, moved his way through traffic on the far turn, bid for the lead in midstretch and bravely got the nod as they flashed under the wire. Daytona was on the front end en route to four straight wins, taking the GII Oak Tree Derby, GI Hollywood Derby, GII San Gabriel H. and GIII Fair Grounds H., but his win streak was ended when he tired to third over a yielding Fair Grounds course last time out in the Mar. 8 GII Mervin Muniz Jr. Memorial H. The chestnut gelding set the pace here through fractions of :22.78, :46.30, 1:09.33 and 1:21.09. He carried a 1 1/2-length advantage into the stretch and was all out to hold off Hyperbaric. "He relaxed right away and was patient," commented winning rider Alex Solis. "When it was time to go, I asked him, and he did his thing." Racing for breeder Bill Boswell, Greg's Gold was sidelined with tendon problems after capturing the GI Bing Crosby H. in 2005; after undergoing stem-cell therapy and spending 19 months on the sidelines, he resumed his career no worse for the wear. Second by a nose in the 2007 Bing Crosby July 29, the grey defeated Surf Cat in the GII Pat O'Brien H. Aug. 19 before finishing a good second in the GI Ancient Title S. Oct. 7. Though he faltered over a sloppy track when eighth in the GI Breeders' Cup Sprint at Monmouth, Greg's Gold closed out 2007 with a front-running tally in the On Trust H. Dec. 22 at Hollywood. He came up a half-length short to Surf Cat in his 2008 opener, the GII San Carlos H. Feb. 16, but turned the tables on that rival here. The venerable seven-year-old settled into fifth through fractions of :21.37 and :43.56 before ranging up entering the stretch. Surf Cat dug in gamely, but Greg's Gold had enough left in the tank and edged away late. **Click for [brisnet.com chart](#), [brisnet.com PPs](#) or [free brisnet.com catalogue-style pedigree](#).**

Second on debut at last year's Craven meeting, Missit returned from a four-month spell to break her maiden by five lengths at Lingfield Sept. 11. A creditable fifth of the 14 in the Oct. 5 G1 Cheveley Park Stud S. at Newmarket, the bay came back 15 days later to miss by a neck when second in the G2 Rockfel S. at Headquarters. She took her spot in Newbury's Listed Radley S. on just seven days' rest and may have been feeling the effects of three races in as many weeks and finished second by a half-length. She was making her first start in the green and gold colors of Robert Clay's Three Chimneys Racing LLC and was favored in her U.S. bow. A bit eager and pulling fairly hard into the first turn, Missit eventually settled down in third, as Briecat (Adcat) set the pace from Sweeter Still. The frontrunner gave way after six furlongs, allowing Sweeter Still to take over into the stretch, but Missit came with a determined run and got up to take the photo. **Click for [brisnet.com chart](#), [brisnet.com PPs](#) or [free brisnet.com catalogue-style pedigree](#).**

J Be K was tabbed as a **★ "TDN Rising Star" ★** after his track-record-setting debut at Saratoga Aug. 29 for trainer Bob Baffert, but that turned out to be his only outing of the year. Transferred to Steve Asmussen over the winter, he scampered home a five-length winner in a Fair Grounds allowance Feb. 15 before finishing eighth to stablemate Pyro in the GII Louisiana Derby Mar. 8. He was favored in this shorter affair and lived up to the billing. Breaking from the outside, the dark bay vied for the lead with Go Go Shoot (Songand-aprayer) through a :45.21 half. He was shaken up by Garrett Gomez straightening into the stretch and responded, opening up smartly for his first stakes success. "He ran great, just the way the boss thought he would," said assistant trainer Toby Sheets. "We tried the Louisiana Derby, but it looks like he is a sprinter or maybe a one-turn miler." **Click for [brisnet.com chart](#) or [brisnet.com PPs](#). [Video, sponsored by Taylor Made.](#)**

Temporary Saint spent the majority of his career in the Midwest, where he was second and fifth, respectively, in two-turn optional claimers over the Arlington Polytrack July 29 and Sept. 8, but was dropped in for a \$50,000 tag at Keeneland Oct. 25, finished second and was claimed. Freshened off that effort and shipped East, the grey gelding was the 1 1/2-length winner of an inner-track optional claimer Jan. 25 and was most recently a clear second to Malibu Moonshine (Malibu Moon) in the Mar. 1 Stymie H. Sent immediately to the front by noted speed rider Chuck C. Lopez, Temporary Saint galloped through a half-mile in :48.43 and six panels in 1:13.65. He responded when set down, opened a clear lead past midstretch and held sway as favored Nite Light ran on too late. "I thought he was going to run good because he ran so well last time," the winning rider commented. "He's a good horse, and I knew if I was allowed to get away the way I did, he would be tough to get by." [Click for the brisnet.com chart](#) or the [brisnet.com PPs](#).

Presious Passion, winner of the GII W.L. McKnight H. at Calder last December, was loose on the lead in the Mar. 16 GII Mac Diarmida, but faded to 11th. He employed those same tactics here with more success. Dismissed at 20-1, the chestnut colt skipped clear, opening up as many as 12 lengths on the field while setting fractions of :24.60, :48.09, 1:12.85 and 1:37.82. The field began to catch up with him leaving the turn, but he kicked clear again before gamely holding off Drilling for Oil for the win. "We didn't plan to go to the front," admitted winning trainer Mary Hartmann. "I was surprised, but he's a big strong horse and when he sees daylight, he runs to it. Last time he went 1:10 and you're not going to be there with that kind of pace. Today, he was able to go :12 and change and he kept going."

 An emotional Peter Snowden celebrated his first Group 1 win since taking the helm at Crown Lodge from John Hawkes--and possibly his last for the Ingham family with the Darley changeover imminent--when Golden Slipper-winning filly Forensics maintained her perfect record this campaign. Forensics settled midfield as Catechuchu (Aus) (Catbird {Aus}) led the field, with jockey Dan Nikolic opting to peel to the outside around the turn. Nikolic said, "When I got to the top of the straight after a relatively soft run for the first 600 meters, there was no beating her." After an indifferent spring, Forensics is now unbeaten in three outings this campaign and will target the G1 Coolmore Classic Apr. 19 at Rosehill, ahead of a possible tilt at the G1 Doncaster H. a week later. "This is a great result for everyone, not just me, but our staff, and I feel very humble," said Snowden. "The 1500 meters of the Coolmore is ideal--the Doncaster is only a week later and we will do the right thing by her; she will only go to the Doncaster if it is warranted."

John Singleton's homebred Tuesday Joy gave leading Sydney trainer Gai Waterhouse her fifth Ranvet S. training triumph and back-to-back wins in this weight-for-age feature after evergreen Desert War, a game third here, won last year. Jockey Darren Beadman proved superior in an engaging tactical battle, putting Tuesday Joy fifth on the rails as Desert War typically led the way at a solid tempo. Beadman then challenged the veteran at the turn and a vigorous ride ensured a decisive 1 1/4-length win from a fast-finishing Princess Coup. The consistent Tuesday Joy won the G1 Coolmore Classic last autumn before finishing in the frame in the G1 AJC Derby and AJC Oaks. This term, she was a game second in the Mar. 8 G2 Apollo S. and a last-start head second in the Mar. 22 G1 Chipping Norton S. "She has been consistent from two to four in Group 1 company and I am so delighted to see her win," said Waterhouse. Singleton praised Beadman, who also partnered the mare to her Coolmore Classic win: "Same jockey, same feeling. He just does not make a mistake." Beadman added, "Two rides, two Group 1s--it is not often you can do that, but once I got her to the outside it was all over, and the further she goes, the better she gets." Tuesday Joy's dam Joie Denise (Aus) was covered by More Than Ready last spring.

As one of the more lightly raced types in this competitive line-up, few expected Kings Gambit to dent some tall reputations, but the chestnut belied his inexperience to step up to the plate at a huge 40-1. He had taken an unbeaten record into the G2 Gauteng Guineas here Mar. 1, but lost that with a promising fifth and only started to lose fans when overturned at 1-3 in an allowance plate back at this venue a fortnight later. Never far from the early pace here, he made his move on the stands side and swept to the front with 150 metres remaining before comfortably holding the late rush of Lion's Blood.

Our Giant justified favoritism to satisfy the Turffontein faithful in a close finish to this seasonal highlight. Always highly regarded by trainer Charles Laird, the chestnut began to bloom when winning the G2 November H. here prior to a third placing in the G1 Summer Cup back at this track. Returning to the winner's spot after an allowance plate at Kenilworth Jan. 8, he was second to Pocket Power (SAf) in the G1 J & B Met back there 18 days later before recording another win in a minor contest here last time Mar. 15. Patiently ridden off the early pace against the rail, he quickened to reel in the long-time leader Braggadacio with a full long remaining and was driven out to hold the fast-finishing Emperor Napoleon.

SA Fillies Classic cont.

Urabamba was ninth in the G1 Durban Africa Golden Slipper at Greyville last July before being dropped in class for her next three starts. After placings in two listed events and a handicap, she went back up the ladder to finish runner-up in the G2 Gauteng Fillies Guineas at this track on her latest start Mar. 1. Breaking well, the chestnut soon found her way to the front and made the most of the leeway given by her reluctant opponents to set steady fractions. Joined by Glenrossal late on, she responded to Piere Strydom's every call to ward off that rival in a pulsating finish.

1	French Kiss	Hussonet	Hartlage	12-1
2	Pure Clan	Pure Prize	Holthus	6-5
3	Eight Belles	Unbridled's Song	Jones	4-5
4	Alina	Came Home	Asmussen	9-2

This \$250,000 event drew only four entries due to the towering presence of **Eight Belles** and **Pure Clan**. The former, a romping winner of the Martha Washington S. over this surface Feb. 17, was wrapped up late in the Gill Honeybee S. over track and trip Mar. 16, handing MGSW Pure Clan her first career defeat. Owner Rick Porter and trainer Larry Jones mulled waiting for next week's GII Arkansas Derby, but opted to keep the Triple Crown nominee against her own sex (for now). "If the [Arkansas]

Derby and the Fantasy were raced back-to-back as in the past, I would have cross-entered Eight Belles in both races," Jones explained. "I would have run her in the Derby unless she drew an outside post. But, with the races a week apart, I couldn't take the chance of missing the Fantasy. Given the choice, I would rather win the Fantasy than run second in the Derby." Jones and his trademark cowboy hat became a popular presence on the national scene last year with Hard Spun, and the affable conditioner is loaded with top fillies in 2008; he saddled MGSW Proud Spell to finish in yesterday's GI Ashland S. at Keeneland.

6	6	Blue Bresil (Fr)	Smadoun (Fr)	Halley des Fontaines

All carry 128 pounds.

Full of Gold, who returns in this first traditional trial for the G1 Prix du Jockey-Club, bids to provide his trainer Criquelette Head-Maarek with a fourth renewal. Like the 1986 victor Bering (GB), the G1 Criterium de Saint-Cloud hero carries the hopes of the whole Head family and they have reason for optimism that he can add further glory following his comfortable two-length defeat of Hannouma (Ire) in that November contest. Andre Fabre is looking for a ninth renewal with the Saint-Cloud conditions scorer **Mount Helicon** and on the form of that Mar. 11 event he is closely matched with **Chirango**, who graduated at Compiègne 12 days ago.

8	8	Persian Storm (Ger)	Monsun (Ger)	Fabre

All carry 123 pounds bar Boris de Deauville & Quest for Honor, 127.

Spirit One promised more than he ultimately delivered last term, despite encountering two tartars in Soldier of Fortune (Ire) and Literato (Fr) when runner-up in this track's G2 Prix Noailles 12 months ago and Deauville's G2 Prix Guillaume d'Ornano in August. He looked back to his best when putting **Balius** and the penalised **Aspectus** in their places on his four-year-old debut in Saint-Cloud's G3 Prix Exbury last time Mar. 15 and escapes an extra burden here. Andre Fabre, who has saddled eight winners of this contest, is represented by last year's G2 Prix Greffulhe winner **Quest For Honor** and German imports **Aspectus** and **Persian Storm**. Successful in both the G3 Bavarian Classic at Munich in May and G3 Furstenberg-Rennen at Baden-Baden in August, the latter was runner-up when last seen in Frankfurt's G3 Euro-Cup the following month. Last year's winner **Boris de Deauville** faces a stiff task under a penalty on his first start since finishing third in the G1 Premio Roma in November.

Famous Name was runner-up to Jupiter Pluvius in the G3 Killavullan S. at this track in October and bids to follow in the steps of recent Rosewell House scorers Refuse to Bend (Ire) and Grey Swallow (Ire). Aidan O'Brien saddles a trio headed by **Greek Mythology**, who returns from a lengthy absence, having run down the field in the G2 Coventry S. at Royal Ascot in June.

Saoirse Abu is a significant presence in this Classic prep, having beaten Henrythenavigator in the G1 Phoenix S. and Listen (Ire) in the G1 Moyglare Stud S. at The Curragh last summer. She was third behind the latter in Ascot's G1 Fillies Mile on her final juvenile outing in September and sets a demanding standard. Big Challenge for Kohana...

West Point Stables' unbeaten **Kohana** (Indian Charlie) will make his stakes debut in the \$1-million GII Arkansas Derby Apr. 12. After a solid score in his career opener Feb. 1 at Gulfstream, the bay colt added an entry-level allowance success going a mile at that track Mar. 20. He breezed five-eighths in 1:02 at Palm Meadows yesterday. "All systems are go," said trainer Rick Violette Jr. "It went well. It was supposed to be a nice maintenance work, and he galloped out quite well." Kohana hasn't received the same amount of press as some other Florida-based sophomores, but that's okay with Violette. "He's been under the radar mainly because he's been such a pro in his races," the conditioner explained. "He waits on the rider in the afternoons, and shifts gears when he's asked. He's not as quick in the mornings, but I don't think you could ask for two better races than he's given us so far." A full field is expected for the Arkansas Derby. "We certainly don't want to be parked outside in post 13 or 14," Violette added. "He's got quite good speed, but you'd rather not have to use it to avoid going three or four-wide on the first turn. Something in the middle would probably be fine for a first race around two turns, but hopefully we don't have to really step on the gas right away." David Flores will have the mount. Violette will also take over the training of **Fierce Wind** (Dixie Union), the Sam F. Davis S. winner who was purchased privately by Halsey Minor. In his first start for Minor, the three-year-old finished a lackluster 10th in the GI Florida Derby. He has been sent to Kesmark Rehabilitation Center near Lexington, Kentucky. "We're going over him nose to tail to see if there's anything we can tweak or come up with a reason why he ran such a disappointing race," said Violette.

Visionaire, Miner's Claim Work at Keeneland...

Team Valor International and Vision Racing's **Visionaire** (Grand Slam) and Briarwood Stable's **Miner's Claim** (Mineshaft) turned in their final serious works yesterday morning ahead of Saturday's GI Toyota Blue Grass S. Working in the company of a pair of stablemates, Visionaire, last-out winner of the GIII Gotham S. at Aqueduct, went five furlongs in 1:00.40 before galloping out six panels in 1:13. "He's not a very good work horse," trainer Michael Matz said about Visionaire. "I just needed to work him with some other horses. He always works with other horses. He's very quiet and has a good disposition. He does just what you ask him to, not any more. That's just him. He's ready to run."

The Blue Grass will mark the sixth different track for Visionaire, who has already raced at Laurel, Delaware, Gulfstream, Fair Grounds and Aqueduct. Miner's Claim, working alongside stablemate and Queen's Plate hopeful **Palmers** (Grand Slam), went five-eighths in 1:01.20, with a gallop-out time of 1:14 3/5.

Pyro Goes to School...

Winchell Thoroughbred LLC's **Pyro** (Pulpit), one of the ante-post favorites for this year's GI Kentucky Derby, visited the Keeneland paddock and galloped 1 1/2 miles over the main track, then schooled in the saddling area between yesterday's first and second races at Keeneland. Accompanied by assistant trainer Scott Blasi, Pyro was joined for the schooling session by stablemate **Kodiak Kowboy** (Posse), the 7-5 morning-line favorite for today's Lafayette S. in Lexington. Pyro will start a prohibitive favorite in Saturday's Blue Grass.

New Shooter for Blue Grass...

Equine Prep Management LLC's **Medjool** (Monarchos), most recently third to Adriano in the GII Lane's End S. over the Turfway Polytrack Mar. 22, has been confirmed a starter for the Blue Grass. "He is scheduled to work five-eighths at Santa Anita on Monday with Michael Baze up and then ship to Keeneland on Wednesday," trainer David Hofmans said. Baze will have the mount this weekend.

Tomcito Ticketed for Lexington...

Peruvian standout **Tomcito** (Street Cry {Ire}), a distant third to **Big Brown** (Boundary) in the Mar. 29 GI Florida Derby, is scheduled to arrive at Keeneland today, where he will be prepared for a start in the GII Coolmore Lexington S. Apr. 19. Trained by Dante Zanelli Jr. for Jet Set Racing Stable, the bay colt won the G1 Derby Nacional in Peru Nov. 17 and was having his first start in over four months at Gulfstream Park. He earned \$100,000 for that effort, leaving him in a position of having to pad his record if connections are interested in a start in the GI Kentucky Derby May 3. Including his starts in Peru, Tomcito has graded earnings of \$151,292, according to Churchill Downs.

Salinja celebrated his last win after taking an optional claimer at Monmouth last September, and had been second in three of five subsequent appearances. The bay gelding followed runner-up finishes at Kentucky Downs Sept. 22 and at Laurel Nov. 7 with a fourth in the Dec. 1 GIII Tropical Turf H. at Calder. Second again in an optional claimer at Gulfstream Jan. 11, he set the pace in his latest, but tired to be sixth in Hallandale Feb. 7. An outsider in this tough Keeneland test, Salinja settled in third as favored Chattahoochee War cut out an easy pace. He collared the leader at the eighth pole and dug deep to beat that determined rival in a photo.

Island Warrior, in for an \$80,000 tag, was last seen finishing last in the Feb. 9 GIII Mineshaft H. at Fair Grounds. The five-year-old had been off the board in his four most recent outings, but prefaced that losing streak with a win over optional claimers in his only other try over the Keeneland Polytrack last October. On the bridle while rating off a half in :45.87, he circled the leaders at the top of the lane and drew clear. Rondo (Grand Slam), making his first start since finishing fourth in the GII Tom Fool BC H. last July, pressed the pace, took a short lead in the stretch, but faded late to be fifth as the 9-10 favorite.

The dark bay filly filled that spot once again when trying 1 1/8 miles Mar. 1, and was the 2-1 favorite to successfully handle that trip in her Keeneland bow. Off to a bumpy start, she rated in the middle of the field through six furlongs in 1:14.17 over the yielding course. Loh Collado rallied on the far outside, took over at the head of the stretch and was under a drive as she hit the line two lengths in front of Remoulade (Lemon Drop Kid). The dark bay shipped north after that effort, running third in an off-the-turf Aqueduct allowance Nov. 22, but was given a break after a seventh-place finish in an optional claimer Dec. 15. Coming back after the 3 1/2-month layoff as an 8-1 chance, he was midpack while racing wide for six furlongs, floated wider still for the stretch run and finished well to take a four-way photo by a nose. LUCKY ISLAND (ARG) (c, 4, Lucky Roberto--Ebrolize {Arg}, by Equalize) was purchased privately by Shadwell after a nine-length debut score at San Isidro last June. The dark bay colt suffered through a tough trip in his U.S. bow, stumbling at the start and getting steadied in the early going, and he never factored, running seventh in that Calder optional claimer Dec. 29. The South American import erased the memory of that effort in his second stateside start, however, posting a 2 1/4-length tally in a Gulfstream allowance Feb. 15, a performance that earned him a 104 Beyer. The 3-2 chalk to make it two in a row, Lucky Island pressed the pace, forged to the front as they raced out of the turn and pulled away to a 4 1/2-length success. HERALD SQUARE (c, 4, Montbrook--Cricket Box, by Notebook), a \$400,000 OBSMAR juvenile, was off the board in three straight, and his frustrated connections dropped him in for a \$40,000 tag. The colt showed good speed in that Mar. 14 maiden test at Aqueduct, hanging on late to be second, and was given another chance in special-weight company. Let go at 5-1, he stumbled at the break and found himself rating off the pace in fifth. Herald Square found running room on the rail in the stretch, caught Due to Get Even (Stephen Got Even) inside the eighth pole and was a length clear at the wire. Repenting's career did not get off to the greatest start, with a pair of unplaced finishes at Tampa Jan. 24 and Feb. 7, and he was dropped in against \$25,000 maiden claimers Feb. 28. The dark bay found himself changing barns after taking that test by 4 1/4 lengths, and he has proved an astute claim. A wire-to-wire winner in starter allowance company Mar. 25, the Florida-bred was even-money in his stakes debut, and made those odds look generous with this easy score. Repenting was a stalking second through a half in :44.70, moved to the front as they came out of the turn and opened up in an eye-catching performance.

Patiently handled of honest early splits, the Live Oak homebred put himself into the race as they negotiated the final bend. COMPLY OR DIE OBLIGES IN GRAND NATIONAL

David Johnson's **Comply or Die (Ire)** (Old Vic {GB}) landed a late nationwide gamble to plunder the £800,000 Grand National Steeplechase at Aintree in Liverpool yesterday. Fresh from victory in the Eider Handicap Chase at Newcastle Feb. 23, the nine-year-old gelding survived two mistakes--at fence number three and at the Canal Turn second time around--to win by four lengths from Irish raider **King Johns Castle (Ire)** (Flemensfirth). The 7-1 joint favorite raced in the leading half-dozen throughout the 4 1/2-mile marathon, seized the initiative upon landing after the final obstacle and was driven clear in the closing stages to give trainer David Pipe and jockey Timmy Murphy, as well as owner Johnson, a first win in the contest. "It's a dream, it's everybody's dream to win a Grand National when you start riding and nobody is as happy as I am," claimed Murphy. "I got into a lovely rhythm, he jumped fantastic and he picked up again when King Johns Castle came to me at 'the elbow.' Sometimes they curl up, but he just kept going. I'm delighted for Mr. Johnson as it's a race he's always wanted to win." Johnson, whose racing silks were inspired by the late Robert Sangster, returned the compliment and heaped praise on his retained jockey, adding, "I'm a fan of Timmy and that's why he rides for me. He did nothing wrong, he's a horseman and showed today what a good jockey he is."

Sharp Nephew collected the Listed Washington
Singer S. at Newbury in August before disappointing
when failing to land a blow in Ascot's G2 Royal Lodge
S. the following month. Keen early off the moderate
fractions, the chestnut settled when found cover track-
ing the leaders and was swung wide for his challenge
on the final turn. Responding to considerate handling
from Richard Hughes, he worked his way to the front in
the final 50 yards as Orientalist Art rallied on the other
side of the blanket finish. "He's a good horse and he'd
been working very well," trainer Brian Meehan com-
mented. "He didn't really handle the track and the lack
of pace didn't suit him, but he's still won. He needs a
nice galloping mile and he's in the G1 2000 Guineas [at
Newmarket May 3], so we'll have a chat."

RECORDS BROKEN AT EMPEROR'S PALACE

Friday night's Emperor's Palace National Yearling Sale in Johannesburg broke new ground, posting records for gross receipts (R73 million) and average price (R960,526). A pair of fillies topped the 90-horse opening session, realizing final bids of R3 million. First

through the ring was a well-made filly by Royal Academy, already named Romanesque (Aus), who is the first produce of Egerszegi (Aus) (Danehill), a full sister to French champion Holy Roman Emperor (Ire). She was consigned by Klawervlei, and David Allan of Allan Bloodlines signed the ticket on behalf of British business-

man Phillip Brown. "We are particularly fond of Royal Academy as a broodmare sire, and this filly has Danehill in her damline," Allan commented. "This is Mr. Brown's first venture into the South African bloodstock market. The filly will remain in South Africa to start with--we will announce her trainer in the next few days." The final horse to go under the hammer equalled the session-best price. Consigned by Cheveley Stud, the Western Winter half-sister to the ill-fated dual Group 1 winner and champion Rabiya (SAf), MGSW Secret of Victoria (SAf) and GSW Spring Lilac (SAf) was purchased by Blandford Bloodstock on behalf of owner Graham Beck.
