

FASIG-TIPTON ACQUIRED BY DUBAI COMPANY

Fasig-Tipton Board Chairman D.G. Van Clief Jr. announced Thursday that the sales company has reached an agreement to be acquired by Dubai-based Synergy Investments Limited. Explained Van Clief, "John Ferguson approached us to suggest Synergy might be interested in acquiring the company. Our agreement includes the understanding that Fasig-Tipton will be operated in a manner consistent with the principles of integrity, customer service and industry service which have been so critical to our success since controlling interest was acquired by the Hettinger family in 1991. These assurances were critical to John [Hettinger] and his son Bill, and our entire board of directors, in agreeing to this transaction." Ferguson added, "Synergy looks forward to building on the legacy which the Hettinger family's support has enabled Fasig-Tipton to achieve. They plan a seamless transition which includes the retention of current staff and management." According to a Fasig-Tipton press release, Abdulla Al Habbai, head of Synergy, is a close associate of Sheikh Mohammed. "We are delighted to be acquiring Fasig-Tipton," Al Habbai said. "The company has a long history of service to the North American Thoroughbred industry and has demonstrated significant growth in recent years. We believe there is potential for continued growth and superior levels of service in the future."

VERSATILE ARIEGE TAKES BEAUMONT

A maiden winner on the grass and a Grade I winner going two turns on Santa Anita's synthetic surface, **Ariège** (Doneraile Court) proved she could handle Keeneland's Polytrack and graded sprint company as well with a one-length score in yesterday's GII Stonerside Beaumont S. The dark bay filly was the 3-1 second choice off her half-length victory in the Mar. 8 GI Santa Anita Oaks. Saving ground while rating off a moderate half in :47.26, she angled outside when they raced into the stretch and gave it her all in the final furlong to get home on top. **Golden Doc A** (Unusual Heat), the 2-1 chalk after finishing runner-up in the Santa Anita Oaks, made up ground late, but once again had to settle for second. "I tried to edge my way out a couple of times; I couldn't really get out of there," said winning jockey Garrett Gomez. "I said, 'I'll just try to wait and try to explode out of there and move her back out towards the middle of the track.' She was real responsive to what I needed her to do." **Provenance, p2-3**

DEVILLE REDUX?

Kip Deville (Kipling) must have fond memories of Keeneland. The eye-catching gray first visited the track in October of 2006, winning the Bryan Station S., then returned last spring and captured the GII Maker's Mark Mile S. by a neck over Showing Up. The Maker's Mark has earned Grade I status for 2008, and Kip Deville will be back to defend his title, and his perfect Keeneland stats. "He's looking really good and I'm sure he'll run huge, assuming he's looking to run off the bench," trainer Rick Dutrow Jr. told *DRF*. The five-year-old has not been out since capping off 2007 with a victory in the GI Breeders' Cup Mile, but he has scored off the shelf before. The Oklahoma-bred opened last season with a neck win in the GI Kilroe Mile H. at Santa Anita. "The layoff, that's not a concern for me," Dutrow continued. "Ever since the Breeders' Cup, he's been perfect. Everything has gone like clockwork, like you can't even imagine."

Magnier's colors when she romped in her Killarney debut last July. She came back to finish a solid fourth in the Aug. 12 G2 Debutante S. at The Curragh. IEAH Stables and Pegasus Holding Group bought Ariege after that effort, but she

bled in the Sept. 13 G2 May Hill S. at Doncaster and beat just one. Things have improved since the dark bay returned to the States. Third in the Dec. 30 Blue Norther S. on the Santa Anita turf and second in the Feb. 2 GIII La Habra S. going down the hill at the Arcadia oval, she made her synthetic bow in the Santa Anita Oaks and scored her first U.S. victory. Ariege will have the chance to prove she can get the job done on a conventional dirt surface in the May 2 G1 Kentucky Oaks at Churchill Downs.

Golden Ring...

One of California's best turf mares of the early 1990s, Kostroma compiled a record of 26-12-2-3 and bankrolled over \$1.2 million. She was acquired by Henryk de Kwiatkowski's Calumet Farm for \$1.05 million at Keeneland November in 1994 while carrying her first foal by Forty Niner. Calumet sold most of her offspring at auction, getting \$300,000 for her 1995 Storm Cat colt and \$425,000 for her 1997 Danzig filly, but Kostroma wasn't represented by a black-type performer until Violet Eyed Diva (Swain {Ire}), a foal of 2000, finished third in the Denise Rhudy Memorial S. Calumet bought the mare back when she RNA'd for \$225,000 in foal to Aljabr in 2001. Her 2003 filly, Ballet Pacifica (Minardi)--a \$70,000 KEESEP yearling--captured a listed race in France and placed in Grade III events on both sides of the Atlantic. De Kwiatkowski passed away in 2003, but his children have maintained the Calumet operation. His daughter Arianne purchased Kostroma's 2006 Kafwain filly outright at KEESEP last year for \$150,000; now named Biswa, she is in training with Jim Bolger in Ireland. "She's a bigger, huskier filly than Ariege," said Arianne de Kwiatkowski, who added that she wanted to keep a filly out of Kostroma. The 22-year-old mare, barren last year, is due imminently to War Chant.

While racing in Europe, Ariege caught the eye of former trainer and current TVG analyst Frank Lyons, as well as partner Andy Smith. "Andy Smith recommended this filly in Ireland last year," Lyons said from Keeneland when reached by phone yesterday. "I looked at her and told [IEAH co-president] Mike Iavarone that he had to have this filly. She's very well-balanced, flawless to look at and very sound. She's as well balanced a race-horse as you're going to see. She disappointed in the [G2] May Hill S. [finished 11th, Sept. 13] while carrying IEAH silks for the first time, but she bled that day. I knew we had to bring her to California. She seemed much more like an American type. There's nothing she can't do. She ran great going down the hill at Santa Anita, stretched out to win a Grade I on the Cushion and cut back again to win here. The options are endless with this filly."

Six-for-10 at Oaklawn, Semaphore Man added to that stellar record with this game score. The six-year-old gelding returned after nearly eight months on the shelf to be third behind undefeated Euroears in a stakes at Fair Grounds Jan. 12, then took the King Cotton S. over this track Feb. 2. He failed to get the better of Euroears once again in the D.F. Kenner S. in New Orleans Mar. 8, but was one to watch with the return to Hot Springs. Quick from the gate, Semaphore Man vied for the early lead and was still fighting at the eighth pole, but edged clear late to win handily.

Last year's G3 Prix d'Aumale winner **Top Toss** bids to underline her credentials for the June 8 G1 Prix de Diane and looked a force to be reckoned with when spotting **Vadsalina** five pounds and a two-length beating in the Listed Prix Rose de Mai over this track and trip last time Mar. 15. Visionaire (outside)
Brandon Benson/NYRA

GI Toyota Blue Grass S. at Keeneland, but trainer Michael Matz is not worried about the draw. "It really doesn't matter," Matz said.

"We're going to run our race, and hopefully he'll be

finishing at the end. That's what we're looking for: for him to have a nice run. It certainly would be nice if he wins it, but if he doesn't--if he finishes well and makes another step going from a mile and a sixteenth [in the Gotham] to a mile and an eighth [in the Blue Grass] and goes on from there--we'll be happy with that." On the board in all five career starts, Visionaire improved off a third behind Pyro when making his stakes debut in the Feb. 9 GIII Risen Star S. to take the Gotham by a nose. "I feel like this is a horse going in the right direction at the right time," Matz said, "and I hope he doesn't prove me wrong Saturday."

Medjool Takes His First Keeneland Tour...

Medjool (Monarchos), coming off a third-place finish in the Mar. 22 GII Lane's End S. at Turfway Park, took his first trip around the Keeneland main track yesterday morning. The chestnut colt galloped a mile under exercise rider Martin De Rubin, who also galloped 2001 Blue Grass hero Millennium Wind for trainer David Hofmans. Owner Equine Prep Management acquired Medjool as a \$115,000 KESEEP yearling. Second in three straight starts to cap off his juvenile season, the colt was sixth in the Jan. 27 California Derby to open 2008, then came back to post a 4 1/2-length maiden score at Santa Anita Feb. 18. The Lane's End was his first appearance outside of the Golden State, and his connections were encouraged to continue down the Triple Crown trail by the performance. "He is just a horse that hasn't had a lot luck," said Steve Bajer, part of the Equine Prep Management team. "At Turfway, the chart says he was six wide, but he was wider than that. He lost a lot of ground and, off that effort, we decided to give this race a try."

RAVEN NEEDS PREP John Gosden confirmed yesterday that Stonerside Stable's **Raven's Pass** (Elusive Quality) will race in a trial at either Newmarket or Newbury next week as he is "too full of himself" to head straight to the May 3 G1 2000 Guineas. During a press gathering, the Clarehaven-based conditioner spoke of last year's G3 Solario S. winner, who was later third in the G1 Dewhurst S. at the local track. "Raven's Pass will run in either [Thursday's] G3 Craven S. or the [Apr. 19] G3 Greenham S.," he said. "He will have a run in one or the other, as I need to take the freshness out of him. He is bucking and squealing when he works. He is in good form and would be the best chance I have had in the 2000 Guineas. He is fresh and fizzy in his work and has strengthened during the winter." Gosden will be looking at ground conditions as he decides on the most suitable option. "I don't want to run him on soft ground again and we'll see how the ground is next week for the trials. He didn't like the ground in the Dewhurst. It was tacky autumn ground and Jimmy [Fortune] said he was changing his legs in the dip. He is a real top-of-the-ground horse." Gosden also revealed that Cheveley Park Stud's Guineas entry **Virtual (GB)** (Pivotal {GB}) would run in the Alex Scott Maiden S. at Newmarket next week, while issuing an upbeat bulletin on Khalid Abdullah's G3 Prestige S. winner **Sense of Joy (GB)** (Dansili {GB}), who will be joined by Cheveley Park Stud's Newmarket maiden scorer **Infallible (GB)** (Pivotal {GB}) in the fillies' equivalent. "Sense of Joy will go straight to the Guineas," he continued. "She is still in her coat, but she is getting there so she will be fine going straight to the race. Infallible will have entries in [Wednesday's] G3 Nell Gwyn S. and the [Apr. 19] G3 Fred Darling S. She won her sole start last year and she is a nice filly. Jimmy [Fortune] rode her in work yesterday and he was very happy with her."

She faded to fourth behind Bsharpsonata in the one-mile Gill Davona Dale S. Mar. 2, and cuts back in distance this time. Also in the field is **Dreaming of Liz** ([El Prado \(Ire\)](#)), who is looking to regain the form that won her the Gill Arlington-Washington Lassie last September. HRTV INDY BLAZE (A.P. Indy), a half to champion sprinter Stravinsky, makes her debut for Glen Hill and trainer Paddy Gallagher. A daughter of GISW Fire the Groom, the \$975K KEESEP yearling recorded :35 4/5 for a gate work last Sunday at Santa Anita. She faces an intriguing group of newcomers including Darley's **That's Ok (Not for Love)**, a \$700K FTFEB juvenile. Two Riders Injured in Laurel Spill:

Jockeys Ryan Fogelsonger and Geovany Garcia were involved in a spill during the first race at Laurel yesterday. Fogelsonger, aboard Bretton in the claiming event, was on the front end when his mount broke down and fell. Garcia, riding Nic's Amigo, was unable to avoid the fallen horse and went down as well. The 26-year-old Fogelsonger was taken to Howard County General Hospital with pain in his back, left shoulder and chest, but all X-rays were negative and the rider was discharged. Garcia, sent to Laurel-Beltsville Hospital after complaining of pain in his right shoulder, was also treated and released, and is expected to ride today. Bretton was euthanized, but Nic's Amigo appeared to escape serious injury.

Welfare and Safety Summit Issues Revised Stats:

The on-track injury statistics reported during the Mar. 17 Welfare and Safety of the Racehorse Summit have been revised. After review, it was established that the catastrophic injury reports involved encompassed a longer period of time, more races and more total starts than first announced. The follow-up also provided more accurate numbers regarding fatalities on both traditional dirt and synthetic tracks. "The revised statistics are based upon injury reports from a limited number of racetracks [34] and represent a reporting period of less than one year at some racetracks," said Dr. Mary Scollay, who presented the statistics at the Summit. "Therefore, it is important to remember that these fatality rates are just a snapshot in time from a less than statistically significant number of tracks, and cannot be considered scientifically conclusive at this point. However, I would like to report that after a thorough review, the fatality rates I reported at the summit last month should have been 1.47 fatalities per 1,000 starts for synthetic surfaces and 2.03 fatalities per 1,000 starts for dirt tracks." Scollay continued, "As we said when this project was announced in May 2007, the goal of the injury reporting project is threefold: to identify the frequency, type and outcome of racing injuries using a standardized format that will generate valid composite statistics; to develop a centralized epidemiologic database that could be used to identify markers for horses at increased risk of injury; and to serve as a data source for research directed at improving safety and preventing injuries." Scollay and a group of fellow veterinarians have developed a standardized form which is now being used by 48 different tracks to report injuries. InCompass Solutions is in the process of creating a database to process the reports, which is expected to be on line in the next couple of months.

GREAT KNIGHT (IRE) (Acclamation {GB}) tries the synthetic surface for this opening performance and is handed a low-key introduction by Newmarket conditioner William Haggas. The bay sophomore has some way to go to emulate half-brother Bullish Luck, the Asian heavyweight who has plundered five Group 1 events in Hong Kong and Japan.

EXCELLING AT DONCASTER Exceed and Excel (Aus) was the name on everyone's lips during Doncaster Bloodstock Sales' Breeze-Up sale yesterday, accounting for three of the top five lots sold on a day which witnessed a record price. Two juveniles eclipsed the previous best of 150,000gns set three years ago (last year's 245,000gns Danzig colt was returned). A colt by the aforementioned son of Danehill, who sold as hip 112 for £200,000, led the way, and a daughter of Tobougg (Ire) was the top-priced filly at £180,000. The former had impressed with his breeze 24 hours earlier and was one of a clutch of pinhooking successes on the day--Con Marnane's mere 12,000gns purchase at the St Leger Yearling Sale provided a handsome return after David Loder of Richard O'Gorman Bloodstock outlasted Anthony Stroud. As a half-brother to the listed-placed Sweet Afton (Ire), he is bred to sprint and is set for Godolphin, according to *Racing Post*. Willie Browne was responsible for the top-priced filly and another tidy profit when consigning hip 44, the Tobougg half-sister to the listed-placed Secret Night (GB) and last year's smart Newbury conditions scorer Rosa Grace (GB). As with the topper later in the afternoon, it was Loder who signed the docket for the grey relative of last year's bargain G1 Middle Park S. winner Dark Angel (Ire). She is also bound to race in the royal blue. "I think they'll both go to Godolphin," Loder told the *Post*. "I went over about a month or so ago to Ireland and they both caught my eye when I saw them at their farms, and again when I saw them here. The filly was nice and straightforward with a live family, while the Exceed and Excel colt just did everything right. The stock by that stallion all looked fantastic; they really stood out, and I think he is going to do very well. Obviously it's great that the two are by Darley stallions, but Sheikh Mohamed is just looking for nice horses." **Cont. p7**

Tale of the Cat Stays Hot...

With Tale of Ekati's defeat of War Pass in Saturday's GI Wood Memorial S. fresh in the mind, Tale of the Cat's sole offering as hip 47 was certain to attract attention and it was agent Jeremy Brummitt who prevailed with a bid of £95,000. From the draft of the County Tipperary-based Sherbourne Lodge, the January-foaled colt is out of the top-class Brazilian runner Notting Hill (Brz), whose third dam is the champion Princesse Lida. That price was later matched by Eamonn Reilly of BBA Ireland for Meadowview Stables's hip 169, the second of the trio of sought-after Exceed and Excel colts. His dam, Eschasse (Zilzal), has produced five winners from five runners. He provided a notable gain on the €26,000 paid by Willie Slattery's operation for the colt at the Goffs Million Sale in 2007. Richard Brown of Blandford Bloodstock had earlier kickstarted the tour de force for Darley's freshman when paying £85,000 for hip 28, a half-brother to three winners consigned by Eamon Fitzpatrick's Kilminfoyle House Stud. Fresh from successful Cheltenham and Aintree national hunt festivals, Howard Johnson was switching his attention back to the flat yesterday when snapping up The Bloodstock Connection's hip 115, a speedy son of Came Home. The County Durham-based conditioner paid £85,000 for the colt from the extended family of Raise a Native. Jamie McCalmont of Atlantic Crossing paid £78,000 for Knockgraffon Stables's [hip 7](#), a half-brother to the 1999 G2 Prince of Wales's S. winner Lear Spear from the first crop of Medaglio d'Oro. "He's been bought to go to Brian Meehan for a new racing syndicate being put together by myself and Hugo Merry," McCalmont told the *Post*.

Average and Median Down...

Despite the average being down by 10 percent and median by 9 percent on 2007, the clearance rate stood up well. "The DBS Breeze-Up Sales have been one of the great successes of the Company over the years and we are very satisfied with today's trade, which has been remarkably buoyant given the gloomy economic outlook at home and abroad," Doncaster Bloodstock Sales's Managing Director Henry Beeby said. "There is little doubt the bloodstock market is extremely selective at the moment--you only have to look at the clearance rates at some of the breeze-up sales in America--and DBS has not been immune, but quality has shone through and there has been real and lively competition for those that breezed best headed by some excellent pinhooking touches." LUCARNO BACK IN TRIP

George Strawbridge's **Lucarno** (Dynaformer) will revert to middle distances following his success in the G1 St Leger on his final sophomore start, trainer John Gosden announced yesterday. While early-season targets are undecided, the choice is between Epsom's G1 Coronation Cup June 6 and the July 5 G1 Eclipse S. at Sandown. "He won't go to the G2 Jockey Club S. and I am leaning towards going straight to the Coronation Cup with him," Gosden told a press party in Newmarket yesterday. "I could drop him back in trip for the Eclipse though, in which case he will probably run in the G3 Brigadier Gerard S. [at Sandown May 29] first. I don't think he stayed in the St Leger. They went a nice pace and kicked and he came and did them for toe, but he was running on thin air during the final furlong. He has won a Listed race over a mile and a quarter and I think he will stay over middle-distances rather than going down the staying route."

AQALEEM ON THE WAY BACK

Sheikh Hamdan bin Rashid Al Maktoum's **Aqaleem (GB)** (Sinndar {Ire}) is being prepared for a return to action following a setback that ruled him out of his end-of-season targets. Last year's G1 Epsom Derby third had sustained a pelvic fracture when being trained for the G1 St Leger and conditioner Marcus Tregoning reports the homebred near a comeback. "He had a typical stress fracture last year and if you are going to have a fracture of anything that is not a bad one to have, they can get over that," he told *PA Sport*. "He has had a good winter but we are not in any rush with him, simply because he missed so much time. But he looks good and he is moving well. He could improve as he gets older because he looked weak last year, he could be anything really."
