THREE CHIMNEYS
The Idea is Excellence.
RAHY's Dancing Forever takes the Elkhorn-Gil at KEE. See p.2

ASK AND YE SHALL RECEIVE

Ask (GB) (Sadler's Wells) had done enough during his 2007 campaign to suggest he could be one of the leading players in the middle-distance category this term in the hands of Sir Michael Stoute. Having scalped Scorpion (Ire) in Chester's G3 Ormonde S. in May, he was kept on the sidelines by niggling problems, but returned in the same vein to capture the G3 Cumberland Lodge S. at Ascot under a penalty in September. Considered unlucky not to have remained unbeaten on the season when a nose behind Cloudy's Knight in the GI Canadian International the following

month, the bay was backed off the boards at 8-13 in his return, but gave his supporters some anxious moments. Settled second early by Ryan Moore, his response was far from immediate when the pressure was applied in early stretch, but once he edged ahead at the quarter pole he was always holding the game **Hattan (Ire)** (Halling) on the uphill climb. "I honestly thought he would do it easier than that, but he was having his first run of the year and probably wasn't 100 percent against horses who had been running," his rider commented. "He had to battle and I went sooner than I would have liked, but he stuck his neck out and Hattan is a fair performer on his day, so it was a good performance. He'll progress and is a little but more relaxed this year, which will help him."

WITHERS DOESN'T NEED OTHERS

There may be only four runners in today's GIII Withers S. at Aqueduct, but it's a quality quartet. Zayat Stables' **J Be K** (Silver Deputy) is 4-5 on the morning line following his five-length tally in the GIII Bay Shore S. Apr. 5, and will stretch out an additional furlong here. "He's very laid-back, completely easy to be around," trainer Steve Asmussen told *Daily Racing Form*. "The one-turn mile, with his ability and acceleration, is attractive." He meets fellow

The grey rallied to defeat a solid allowance cast--including Samba Rooster and Bordeaux Bandit--going a one-turn mile Mar. 30. "It's going to be a challenge to run down a horse like [J Be K], but he's been very impressive in his first two starts," trainer Todd Pletcher told *DRF*. Pletcher added that Harlem Rocker's main goal would be the Queen's Plate June 22 at Woodbine. The conditioner will also saddle **Face the Cat** (Tale of the Cat), in whom an interest was purchased by Padua following a pair of Gulfstream victories. In his first outing for Pletcher, the chestnut faded to eighth in the GI Florida Derby Mar. 29. **Previews cont. p3-6**

Surf Cat, the 2006 Mervyn LeRoy hero, stretches back out after a trio of good sprinting efforts at this meeting. Third to In Summation in the GII Palos Verdes H. Jan. 21, the six-year-old edged Greg's Gold in the GII San Carlos H. Feb. 16 before settling for second to that rival in the GII Potrero Grande H. Apr. 5. "The sprints help him," trainer Bruce Headley commented to *Daily Racing Form*. "You need racing to be sharp."
Monzante, third to Monterey Jazz and Tiago in the GII Strub S. Feb. 2, stepped up to take the Santana Mile H. Mar. 8 over this surface. He defeated **Neko Bay** by three lengths that day. The latter, with a career record of 7-3-4-0, will seek to break a streak of three straight runner-up efforts. "He should do well," said trainer John Shirreffs. "He has the most consistent high Beyers of anybody in the race."

DIAMOND DIVA (GB) (04 f. o/o Vivianna, by Indian Ridge) captured the Wilshire H. (G3) on April 23 to give Three Chimneys Racing three wins from their last four stakes efforts. After settling in behind the leaders, she swung out four wide into the stretch and got up to win by 3/4 of a length. Purchased by Lincoln Collins for Three Chimneys Racing at Tattersalls December, she has been undefeated in her two North American starts, both in stakes company, with earnings totaling \$247,392. She has earned \$94,947, hitting the board in seven of 14 career starts. Owners: Three Chimneys Racing LLC & Robert N. Clay. Breeder: C J Foy (IRE). [Chart](#) [Video](#)

Zanjero, winner of last year's GIII West Virginia and GII Indiana Derbies, makes his 2008 debut here. The dark bay has not faced the starter since earning a 103 Beyer Speed Figure at Hoosier Oct. 6. Trainer Steve Asmussen weighed his options before picking this spot. "I could have run him in the [GIII] Alysheba or the [GIII] Ben Ali, but they're \$150,000 and the Texas Mile is \$300,000," the conditioner explained to *Daily Racing Form*. "He had a pretty good year last year chasing money." Picking up the winner's check here is no given. Shipping in from California is **Monterey Jazz**, who cuts back to a mile after fading to 12th in the GI Santa Anita H. Mar. 5. Previously, the dark bay captured three straight, including the GIII Sir Beaufort S. on grass Dec. 26 and the GII Strub S. Feb. 2 on Cushion Track. "He ran a great mile and an eighth, and that last little bit, I think, just got to him," trainer Craig Dollase told *DRF*. "He ran a little too fresh." They'll both face off against local standout **Scrappy Roo**, who sports a five-race skein compiled on the turf at Sam Houston. In his latest, the Texas-bred defeated GII Super Derby hero **Going Ballistic** in the GIII John B. Connally H. Apr. 5.

Major Cadeaux failed to build as expected on his impressive success last year in the G3 Greenham S., but was not disgraced when sixth in the G1 2000 Guineas in May and fifth in Deauville's G1 Prix Maurice de Gheest in August. He was a fair second in the G3 Gladness S. run on heavy ground at The Curragh on his seasonal return Apr. 13, and should improve for this sounder surface, but has stamina to prove. "He came out of his last race absolutely brilliant," Richard Hannon Jr. told *PA Sport*. "He stayed seven furlongs on really heavy ground, so I wouldn't have thought a mile would bother him. He's in the form of his life, he's never been moving better and he looks a picture." **Medicine Path** claimed the scalp of the highly progressive Don't Panic (Ire) in the Apr. 12 Listed Doncaster Mile, where **Babodana**, **Blythe Knight** and **Tell** filled the next three placings. "It is a better race than at Doncaster, but he seems to have improved," trainer Peter Chapple-Hyam said. "The soft ground is in favour." This race also sees the return of **Rob Roy**, the 2006 winner who was also runner-up in that year's G1 Champion S. before a dry spell in the States. Fifth in both the G1 Breeders' Cup Mile and G1 Citation H. in 2006, the six-year-old has been out just once since, running third behind After Market in the G1 Eddie Read H. last July.

OCTET CHASING HISTORY

A field of eight will head to post for tomorrow's G1 Prix Ganay at Longchamp, inaugurated in 1889 and named after the famed organiser of domestic racing Jean de Ganay. First run as a Group 1 in 1971, when the distance of 1 5/16 miles was introduced, it has been graced by the presence of such as Mill Reef, Allez France, Triptych, Helissio (Fr), Bago (Fr) and Dylan Thomas (Ire), who provided Aidan O'Brien and Christophe Soumillon with their first edition 12 months ago. Ballydoyle send two this time, with **Duke of Marmalade (Ire)** (Danehill), who went winless in 2007, but placed in the G1 St James's Palace S., G1 Irish Champion S. and G1 Queen Elizabeth II S.; and **Red Rock Canyon (Ire)** (Rock of Gibraltar {Ire}). This year, Soumillon is on the Aga Khan's **Sageburg (Ire)** (Johannesburg). Four-year-old Sageburg, with Andre Fabre last season, needs to improve off a fourth in the G2 Prix Dollaron Arc weekend to provide his owner with a fourth renewal, following the exploits of Kartajana (Ire) in 1981, Valanour (Ire) in 1996 and Astarabad in 1998. All three were trained by his new conditioner Alain de Royer-Dupre. Last year's G1 Grand Prix de Paris hero **Zambezi Sun (GB)** (Dansili {GB}) could end the drought for Juddmonte and trainer Pascal Bary. Hampered when eighth in the G1 Prix de l'Arc de Triomphe here on his latest start, he has ground to make up on Stall Avena's G1 Rheinland-Pokal and G2 Grand Prix de Chantilly hero **Saddex (GB)** (Sadler's Wells), who was two places ahead of him in the fall highlight.

Saddex bids to become the first German-trained winner of this prestigious contest. Bouzid Chehboub's **Spirit One (Fr)** (Anabaa Blue {GB}) has travelled the traditional preparatory route, having won G3 Prix Exbury at Saint-Cloud and finished runner-up in this track's G2 Prix d'Harcourt. The distaff division is represented by Bettina Jenney's G1 Prix Vermeille and GI E. P. Taylor S. heroine **Mrs. Lindsay** (Theatrical {Ire}) and Galaxy Racing's G2 Prix de Royallieu heroine **Anna Pavlova (GB)** (Danehill Dancer {Ire}). Only Aquarelliste (Fr) has beaten the colts since 1991, and it could be that Mrs. Lindsay has to fly the flag alone if the ground continues to dry at the Bois de Boulogne venue. Anna Pavlova's trainer Richard Fahey told *PA Sport* yesterday, "She's been there since this morning and I'm worried, as the ground looks like it'll be too quick for her and she probably won't run. It's very disappointing, as we believed the ground was a bit softer than it actually is."

Triple Threats

RECAPTURE THE GLORY BREEZES

Recapturetheglory (Cherokee Run), an impressive wire-to-wire winner in the GII Illinois Derby Apr. 5, breezed five furlongs in 1:01.20 at Churchill Friday. With jockey E.T. Baird in the irons, the bay clicked off fractions of :12.20, :24.40, :35.80, :48.40 and was out six furlongs in 1:15. “I thought it was going to rain late Thursday and all day today, but since it did not, we went and it worked out real good,” said trainer and co-owner Louie Roussel III. The \$215,000

Anak Nakal Tunes Up for Derby...

Anak Nakal (Victory Gallop), winner of last term’s GII Kentucky Jockey Club S. at Churchill, worked a sharp four furlongs with exercise rider Megan Smillie aboard in :46.60 beneath the Twin Spires yesterday. He heads to the GI Kentucky Derby following a respectable fifth-place finish in the GI Wood Memorial S. Apr. 5. “It was a good work, he likes this track,” trainer Nick Zito said. “I was surprised he worked that fast, but he just likes Churchill Downs. He won the Ken-

EquiSport

tucky Jockey Club here last fall. That’s probably why he worked so good. It is always a good sign when they like the track. He’s got a chance.” Anak Nakal’s workmate, **Aquarian** (Fusaichi Pegasus), broke down after covering the same distance in :48. “Heather [exercise rider Heather Stark] felt something at the clocker’s stand and pulled him up right away,” Zito continued. “He took a bad step. He has a condylar fracture in the right front and he went straight to Rood & Riddle [Equine Hospital in Lexington]. Hopefully he will be all right. As long as it is not life threatening, he’ll be back.” Fellow sophomore Aquarian, a Churchill maiden winner on the 2007 Kentucky Jockey Club undercard, was off the board in a pair of Gulfstream allowance attempts this season.

Little Belle Preps for Oaks...

Darley's **Little Belle** (A.P. Indy), winner of the GI Ashland S. Apr. 5, tuned up for next Friday's GI Kentucky Oaks with a half-mile breeze in :46.20 over the Polytrack. "I wish we could run [the Oaks] here at Keeneland," said Neal McLaughlin, assistant to and

trackphotographer.com

brother of trainer Kiaran McLaughlin. "She loves this track and has just been doing really well here." He added, "Last week, she went a half in :47 4/5 and she did it real easy so I didn't really expect her to take off like she did today. I'm glad we're a week out from the big day so she can recover a little bit from that. That was a little more than we normally get. But on the Polytrack, it doesn't

seem to be too hard on them, and they come out of these breezes well." The bay filly will ship to Churchill on the eve of the Oaks. "We're going to stay here as long as we can," McLaughlin continued. "She just really likes this track here. With the weather looking like it could be a little questionable next week with rain and all, I'd just rather stay here and keep her happy."

Albisola an Oaks Possible...

Octogenarian owner/breeder Gerry Oldham is no stranger to success at the highest level, having seen Sagaro (GB) win three Ascot Gold Cups, but, despite British Classic triumphs with Zino (GB) and Intermezzo (GB), he is yet to capture an Epsom Classic. That record could change this year as his highly regarded distaffer **Albisola (Ire)** (Montjeu {Ire}) retains an entry for the June 6 G1 Juddmonte Oaks. Trained by Robert Collet in France, she was a hugely impressive winner of the Listed Prix Finlande at Longchamp on seasonal return Apr. 6, and also holds a batch of alternative top-level engagements. "We've entered her in the Juddmonte Oaks and the G1 Prix de Diane, and she will hopefully run in one or the other," Oldham said. "We are just as likely to meet the best animals wherever we go, so we will keep our options open. The French-trained fillies seem to be a stronger bunch at the moment, but it is early days and there could be some good horses that have not even run yet. She's from my best family and it's nice to see them doing well. The immediate objective might be the G1 Prix Saint-Alary at Longchamp May 18 and, if she does well there, we would have the option of either the Oaks or the Prix de Diane."

ELITE HORSE RACING

Consigned by *Bridlewood Farm*, agent
\$175,000 2yo OBS February 2008
Lifetime Record: 1-1-0-0, \$25,730.

In only their second year of operation, Gabriel Duignan and Ben McElroy's Elite Horse Racing received an additional boost last weekend when Royal Card, purchased by Elite Racing for \$175,000 at this year's OBS February Sale, came from just off the pace to take her first start by 1 3/4 lengths at Keeneland Apr. 19. Officially launched by the two Irishmen in 2007, the syndicate specializes in buying high-quality fillies at the juvenile sales and racing them through the end of their three-year-old seasons.

EquiSport

"It was obvious over the last couple of years at the major

breeding stock sales, fillies fresh off the track which had success at stakes level and were from proven families brought premium prices, so we always thought this would be a sound investment," said McElroy. "Ultimately, people can have the thrill of owning horses that will compete at the top racetracks in America while their investment increases its value with success on the track."

Born in Ireland, Duignan came to the United States in 1985 as a student and plied his trade in farm management before branching out to pinhooking in the early '90s. The co-founder of Paramount Sales--along with Pat Costello--in 2001, Duignan also served a time as president of Castleton-Lyons and ventured out on his own, creating the full service operation Foxtale Farm. Also arriving in America via Ireland, Ben McElroy started out as a student in 1995, and worked at Knockgriffin Farm. Upon the completion of his degree in Equine Science in 1997, he was brought on by Vinery, where he eventually assumed the position of farm manager, and in 2005, was promoted to co-general manager. In December of 2006, McElroy went out on his own and started McElroy Equine.

The horsemen saw their fledgling operation bear fruit early when Game Face (Menifee), a member of the 2007 Elite Racing syndicate, broke her maiden by an impressive seven lengths at Aqueduct and was subsequently sold to Zabeel Racing for a healthy profit.

Take Two cont.

A winner in her first start in 2008 in the GII Old Hat S. Jan. 12, Game Face, a \$280,000 OBSMAR juvenile purchase was a game second in her most recent start in the GII Davona Dale S. Mar. 2.

Explaining their reasoning for buying at the two year sales, McElroy remarked, "We get to see them on the track, their breezes, the way they gallop out, and how they hold up mentally after the breeze. We probably know a little more from buying them at the two-year-old sales and where they will fit into our racing program than if we bought them at the yearling sales."

Ben McElroy
elitehorseracing.net

The 2008 Elite Racing syndicate, which is currently made up of eight juvenile fillies, may expand by a few more, if the partnership finds something that fits the bill at the upcoming Fasig-Tipton Midlantic Sale in May. The operation's 2008 string, who were all selected by the team effort of Guignan and McElroy, are owned exclusively by the Elite Racing syndicate. McElroy and Duignan invested in the syndicate in 2007 and again in the 2008 crop and hope to expand the program as they develop a deeper client base.

"Moving forward, we would like it to expand a bit more because we think this is a good way of getting some new investors into the horse business," said McElroy. "Hopefully, we can continue to do well, and in two or three years, maybe we'll be up to somewhere around 20 fillies. After the success we've been having so far, we have a few more investors this year, plus everybody who invested in the initial syndicate has

Gabriel Duignan
elitehorseracing.net

reinvested, which would have to be taken as a great vote of confidence. Hopefully we can continue to build on that in the years to come."

As for the operation's upcoming star, Royal Card looks likely to make her stakes debut later on in the summer, possibly in Churchill Down's GIII Debutante S. June 28 or the Astoria S. at Belmont June 29.

"She looks like the further she goes, the better she will be," added McElroy. "I think she will be a very good filly down the road."

Prior to the 4 1/2-furlong event, the filly dropped rider Johnny Velazquez in the post parade, but was recovered in good order and was able to make it to the gate.

"She is actually a very laid-back filly, but she doesn't really like the pony," said McElroy, explaining the mishap. "She had been schooling with the pony, but I guess she just shied away and dropped the rider. Everything considered, given that she dropped the rider and was wide on the turn, I think she ran a serious race."

Thoro-Graph Race of the Week
by Jerry Brown

For sheets and complete Thoro-Graph data on the Race of the Week, click [here](#).

Saturday, Churchill Downs, post time: 5:17 p.m. EDT DERBY TRIAL S., \$100,000, 3yo, 7 1/2f

PP	HORSE	SIRE	ODDS
1	Eaton's Gift	Johannesburg	7-2

Ran a big number for an October juvenile, backed up slightly, then returned to that level at Gulfstream and again recently at Keeneland. It's worth noting that all three of the big ones have come with at least six weeks rest, and that he only has half that now. At the weights he would need a significant forward move to have any chance here, and that's unlikely.

2	Lemon Spice	Langfuhr	20-1
----------	--------------------	--------------------------	-------------

Was slow last year, but has developed quite a bit, and ran the best race of his life last time out. He would need to run even better to contend here, and a bounce is far more likely.

3	Fujita	Lion Hearted	6-1
----------	---------------	------------------------------	------------

Won his debut with a relatively slow figure, then jumped forward last time as one of several Todd Pletcher trainees whose figures have improved recently. This colt has had four weeks since and the way Pletcher is going he could pair up, which at the weights would make him a contender.

4	Kodiak Kowboy	Posse	5-2
----------	----------------------	-----------------------	------------

Ran a bunch of good figures last year, and one huge one at Saratoga. In his seasonal debut, he ran even faster, and that can be a problem. Very big efforts first time off a layoff can knock a horse out. Sure enough, he bounced badly at short odds, and the question now is whether he is still feeling the effects of that big one. At the weights he would need to run close to his best to have a shot here. With only three weeks rest following that high a bounce, we're inclined to think the glass is half empty.

5	Majestic Warrior	A.P. Indy	5-1
----------	-------------------------	---------------------------	------------

Was hurt badly by the big effort he put in to win the Hopeful, and hasn't come close to that level since. His two starts this year were actually better than they looked--he was wide in both (upper left), and the Florida Derby was a very fast race. Mott puts blinkers on here, a good category for him (see trainer profile), and a return to his top would make this colt a borderline contender. It would also put him in the Preakness picture. He would be going forward at a time many of the Derby horses will be fried, and racing on two weeks rest.

6	Macho Again	Macho Uno	12-1
----------	--------------------	---------------------------	-------------

Got good last fall and ran even better sprinting at Fair Grounds in February before throwing a stinker going long on Poly last time. The only other time this colt went Poly to dirt he jumped out of his skin at Churchill. With five weeks rest and cutting back to one turn, he could do it again, which, at the weight, makes him a very live longshot.

7	Da' Tara	Tiznow	15-1
----------	-----------------	------------------------	-------------

Hasn't developed a bit from a good debut effort last fall, and comes up very slow here. Zito horses often jump up in Kentucky, but still.

8	Iron Works Pike	Five Star Day	8-1
----------	------------------------	-------------------------------	------------

Ran a big one to win his debut when well-bet, then managed to avoid winning a first-level allowance despite running strong figures three straight times. His last was a slight new top, and since it only represents a point of development from his juvenile top, there's a good chance he can pair it up, or even go forward. This is another colt that gets weight and is very live at a price.

9	Turf War	Dixie Union	10-1
----------	-----------------	-----------------------------	-------------

Exploded when he got off Poly to win the Delta Jackpot, bounced a couple of points, then threw a stinker over Poly last time. Back on dirt with five weeks rest, this guy could be ready to pop his top again, but he's spotting weight to horses just as fast, and the post doesn't help. All of which makes him a borderline contender.

10	Zulu Magic	Johannesburg	8-1
-----------	-------------------	------------------------------	------------

Has run reasonably fast in both his starts, but would need to run a good deal faster to contend here.

Bottom Line – The horses that have won stakes spot significant weight here, and will take a lot of the play. Fujita, Macho Again and Iron Works Pike all get weight from them, figure to run well, and will be prices.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

Churchill Introduces Hi-5 Wager:

Today's opening day card at Churchill Downs will feature the new Super Hi-5 wager. The \$1 minimum wager challenges bettors to select the first five finishers in correct order in a designated race. The betting pool carries over if there is no winning ticket produced. If the Kentucky Derby nets only one winning Hi-5 ticket, that lucky fan will also take home a 2009 Mercedes Benz SL550 valued at more than \$100,000. "Fans of Churchill Downs racing love the prospect of competitive fields and large winning payouts, and the new Super Hi-5 provides a new product with the potential to build to a huge payout if the betting pool carries over for a few days," said Jim Gates, general manager of Churchill Downs. "The Kentucky Derby Hi-5 is a great addition to an already exciting wagering menu on the Kentucky Derby, which in recent years has seen huge payouts in exactas, trifectas, superfectas and multi-race wagers like the Pick 3, Pick 4 and Pick 6. And the bonus of a \$100,000 Mercedes Benz SL550 if yours is the only winning ticket should only add to its attraction and excitement. Whether you're a skilled handicapper or just plain lucky, you can end up in the same place: cashing a big Super Hi-5 payout at Churchill Downs."

Keeneland Announces System to Enhance Jockey Care:

In conjunction with the Jockeys' Guild and Lexington-based Dr. Barry Schumer, Keeneland issued a press release announce a plan to develop a system to maintain jockeys' medical histories so they can be immediately accessible to emergency personnel at racetracks throughout the U.S. "With the use of an access code, authorized emergency medical staff around the country would be able to get a rider's medical history," explained Schumer, Keeneland's medical director. "The information would be secure, regularly updated, and promptly accessible to the emergency team." The system is expected to be in use by the end of 2008. Keeneland President Nick Nicholson added, "The plan to maintain a medical history for each Thoroughbred jockey is an example of the Jockeys' Guild and Keeneland working together for the betterment of the Thoroughbred industry," he said. "We are grateful to The Jockey Club companies for their assistance and their expertise." The Jockey Club will assist with software development and provide technological support.

TARTAN BEARER (IRE) (Spectrum {Ire}) is a brother to Golan (Ire) from the Late Lord Weinstock's family of the 2004 G1 Epsom Derby hero North Light (Ire), so middle-distance championship races could be in Sir Michael Stoute's mind as he makes his sophomore bow. Ballymacoll's homebred, who was runner-up to the promising Foolin Myself (GB) in a seven-furlong maiden at Newmarket on his sole start in November, is joined by stable companion **Warringah (GB) (Galileo {Ire})**, a three-parts brother to his owner/breeder Philip Newton's high-class filly Hi Calypso (Ire).

RAINCOAT (GB) (Barathea {Ire}) is a potential improver at four for the Khalid Abdullah-John Gosden axis and certainly looked a smart work in progress last term when runner-up in the G2 Dante S. at York in May and third in Goodwood's G3 Gordon S. in July.

SENSE OF JOY RETIRED Khalid Abdullah's undefeated **Sense of Joy (GB)** (Dansili {GB}--Bonash {GB}, by Rainbow Quest) has been retired, connections have announced. Successful in a Newmarket maiden, where she earned a ☆ **"TDN Rising Star"** ☆ tag and in Goodwood's G3 Prestige S. in August, the homebred had been off the track since and suffered a career-ending injury when being prepared for next Sunday's G1 1000 Guineas at Newmarket. "Unfortunately, Sense of Joy has been retired due to what is, basically, a suspensory [ligament] problem," the owner's Racing Manager Lord Grimthorpe told *Racing Post*. "It's disappointing, obviously, but she won a group race last season and not many fillies achieve that. We'd have loved her to have won a Group 1 this season, but it wasn't to be and at least she's okay to go to the paddocks, where we hope she has some lovely foals." From the family of G1 Prix de Diane winner Nebraska Tornado, the three-year-old filly earned £26,110 in her two starts.

Close to the early fractions, the \$95,000 KEESEP yearling and \$50,000 OBSMAR juvenile was switched off the rail for his challenge and grabbed the lead with 1 1/2 furlongs remaining before comfortably holding Unbreak My Heart (Ire) (Bahamian Bounty {GB}) by a half-length. CORRYBROUGH (GB) (c, 3, by Kyllachy {GB}--Calamanco {GB}, by Clantime {GB}), whose sire carried the Thurloe green silks to success in this race seven years ago before going on to capture the G1 Nunthorpe S. the following year, could be another of that ilk. Like Kyllachy, he was patiently campaigned at two and won the second of his two starts at Windsor in October. Hammered down to 5-4 for this competitive contest on the strength of a burgeoning reputation, the chestnut was tardy from the gates and was forced to race in mid-division against the rail. Muscling out of his pocket approaching the furlong marker, the 57,000gns TATOCT yearling gathered in Chartist (GB) (Choisir {Aus}) with 150 yards remaining before pulling away for a comfortable two-length success. "That was very much like his first run as a two-year-old, when he fell out of the stalls, and I didn't realise how much he had forgotten over the winter," trainer Henry Candy said. "He went to sleep in his stable beforehand and had to be woken up to put a bridle on him, but he's such a giant you don't really want to rev him up at home. There is no logical program for three-year-olds and not many of them have gone into the group races since his grandfather Song, so we purposefully didn't make any entries at Royal Ascot. I might come back here for the [June 14] Listed Scurry S., but the second half of this year and next year will be his time. I would hope he wouldn't be far short of his sire's standard." The winner's dam, Calamanco, is a full sister to the dam of G1 Golden Jubilee S. winner Cape of Good Hope (GB) (Inchinor {GB}). Lifetime Record: 3-1-1-0, £13,433. GENERAL ELIOTT (IRE) (c, 3, [Rock of Gibraltar {Ire}](#)--[Marlene-D {GB}](#), by [Selkirk](#)), successful on his sole start at Newmarket in October, started at 11-4 and raced under cover against the fence stalking the moderate early pace. Needing room as he was hitting top gear inside the final quarter, he found a gap in time and was game as he struck the front with 50 yards remaining. He had 3/4 of a length to spare as Charm School (GB) (Dubai Destination) joined Steele Tango (Okawango) on the line to dead-heat for second. Lifetime Record: 2-2-0-0, £12,372. Making ground widest of all in the straight, the €200,000 GOFORB yearling rolled by the long-time leader Midships (Mizzen Mast) with 75 yards remaining before asserting for a 1 3/4-length success. Dar Re Mi had caught the attention of many notebookers when runner-up over an inadequate seven furlongs in a Newmarket maiden in November, and attracted heavy support before this return at even-money. Sent straight to the lead by Jimmy Fortune, the homebred was always in control and opened up on command inside the final quarter to record a scintillating seven-length success from Icon Project (Empire Maker). Albarouche (GB) (Sadler's Wells), the full-sister to Dragon Dancer (GB), stayed on encouragingly into third, a further length back. "She was a little round ball of a filly last spring and did nothing but grow, so we were careful with her," winning trainer John Gosden said. "She's a very tall, elegant filly now and has done very nicely through the winter. We think she'll come on for the race and, all being well, we'll point towards the G3 Tattersalls Musidora S. [at York May 14]. If everything goes right there, we'll start thinking about the [June 6] G1 Epsom Oaks. She's quite leggy, but very quick on her feet and is a ballet dancer, so she's got the balance for Epsom." The winner is a 1/2 to Dariyoun (Shahrastani), Ch. Imp. VAN NISTELROOY TO SHUTTLE Coolmore's successful young dual hemisphere sire **Van Nistelrooy** (Storm Cat) will shuttle to Argentina for the first time to stand the 2008 Southern Hemisphere season at the Sierra de los Padres facility of pharmaceutical magnate Juan Carlos Bago's Haras Firmamento. Haras Firmamento, Argentina's leading breeder for the current year and breeder of recent G2 UAE Derby winner Honour Devil (Arg), will stand Van Nistelrooy under a one-year lease agreement and will have the first option to bring the horse back annually to Argentina. "His genetics and first crop success in North America and in New Zealand, where among others he sired the 2,400-meters Oaks winner, provides us with great expectation to obtain precociousness and also the capacity to produce classic performers during the second semester," said Enrique Delger, commercial director for Firmamento. Van Nistelrooy, a \$6.4 million KEESEP yearling, stands at Coolmore's satellite Ashford Stud in Versailles, Kentucky, for \$25,000. The eight-year-old's top progeny include 2007 GI Del Mar Debutante S. heroine Set Play, 2008 G1 New Zealand Oaks winner Boundless (NZ), and GSWs Strike The Deal, Elusive Lady, and Raymi Coya.
