Neither post 20 nor history could stop him. **Big Brown** (Boundary) was 2-1 in the GI Kentucky Derby on the strength of just three sparkling wins, the fewest

any had sported since Regret in 1915. Despite a wide trip, he assumed command at the head of the lane and opened up impressively. "When he turned for home, we knew the game was over, and we were all going crazy," exalted winning trainer Rick Dutrow Jr. **Eight Belles** (Unbridled's Song) ran bravely to be a clear second, but broke down in both forelegs while galloping out and was euthanized. **Cont. p2**

HAIL HENRY!

Susan Magnier's **Henrythenavigator** (Kingmambo) hadn't been out since finishing third to **New Approach (Ire)** (Galileo {Ire}) in the G2 Futurity S. in August, but proved resolute in the final yards of yesterday's G1 2000 Guineas at Newmarket to hand that rival his first defeat. "The race worked well for me and he really answered the call," said winning rider Johnny Murtagh, who piloted Rock of Gibraltar (Ire) to victory in 2002. "He quickened up well and I thought I would win by a neck, but he got tired and fair dues to the second. He battled back--they are two very high-class horses."

PARK EXPRESS

David and Patricia Thompson's Cheveley Park Stud will be double-fisted in today's G1 1000 Guineas at Newmarket. Before the highly impressive G3 Nell Gwyn S. success of **Infallible (GB)** (Pivotal {GB}), they already had a major player in the unbeaten G2 May Hill S. winner **Spacious (GB)** (Nayef). "Jimmy [Fortune] was mightily impressed with Infallible and we really don't know much about her as no real buttons have been pushed," the Stud's Managing Director Chris Richardson said. "Spacious has strengthened up over the winter, has a lovely stride and covers plenty of ground, so she would probably favor top of the ground." **Cont. p5-6**

Big Brown's connections were allotted the 16th selection during Wednesday's draw and boldly opted to take post 20. The unbeaten colt came away from his stands' side spot and brushed a bit with **Gayego** (Gilded Time) to his inside, but settled kindly for jockey Kent Desormeaux despite being in the five path. **Bob Black Jack** (Stormy Jack), equipped with blinkers for the first

time, made a beeline for the lead and showed the way through splits of :23.30 and :47.04 while being shadowed by **Cowboy Cal** (Giant's Causeway). Meanwhile, the GI Florida Derby winner raced alongside

the ill-fated filly before Desormeaux let out a notch approaching the far turn. The Hall of Fame rider received an instantaneous response and found clear sailing while five wide turning for home. He entered the stretch in complete command and further asserted his authority in the final furlong, giving his pilot a third Kentucky Derby trophy. "We were dreaming this would happen," Desormeaux said. "There were no distractions, no alterations in course; he just slid on over. He did it well within himself. He was truly in a gallop to the quarter pole, and he added power to his stride when I needed it. I didn't know if I had horse down the backside--he was off the bridle, just cruising along with his ears flopping, and I just left him alone 'til I needed him. When I needed him, I showed him the stick and

whoosh." Big Brown joins recent unbeaten Derby winners Barbaro (2006) and Smarty Jones (2004), while being the first to break from post 20 since Clyde Van Deusen in 1929. Big Brown, owned by IEAH Stable, Paul Pompa Jr., Gary Tolchin and Andrew Cohen, will put his unbeaten record on the line in the GI

Preakness S. May 17, but Dutrow may not exude as much enthusiasm in the second jewel of the Triple Crown as he did prior to the Derby. But it's early days yet. "This next race coming up is out of my hands," he said. "We're coming back in two weeks and I won't have a chance to train him. He looks like the best horse in his crop, but there will be new shooters...I don't think I'll feel as confident for the Preakness as I did for the Derby. I love training a horse for a race, but I can't do that now. My hands are tied."

Eight Belles Euthanized After Post-Race Injury...

Fox Hill Farms' Eight Belles raced in fifth in the early stages before moving forward on the far turn. She entered the stretch in second and, while never threatening the winner, came home a clear runner-up. However, tragedy struck when the rangy grey filly was galloping out. "She had finished the race and was around the turn at the start of the back stretch, and right near one of the the outriders, as he was watching, he saw both front ankles collapse," reported Dr. Larry Bramlage. "It's obvious that she has condylar fractures on the left side, and the left front went through the skin and was contaminated. At least one of the sesamoids [in her right leg] was broken. I have never seen this happen, and there was nothing you could do." A \$375,000 KESEP purchase, the daughter of Away (Dixieland Band) had rattled off four straight victories this season against her own sex, including the Gill Honeybee S. Mar. 16 and Gill Fantasy S. Apr. 6 at Oaklawn. The \$400,000 runner-up purse took her posthumous career record to 10-5-3-1 and \$708,650. Fox Hill and trainer Larry Jones also finished second last year with Hard Spun.

'Denis' Rides the Bo-Rail...

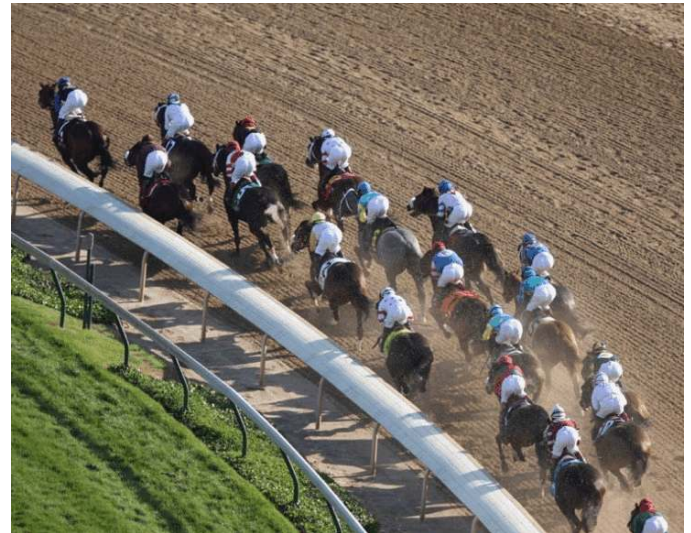

Hey, if it worked last year, why change? Jockey Calvin Borel gave 2007 hero Street Sense his patented rail-skimming ride and, after **Denis of Cork** (Harlan's Holiday) didn't get away very quickly from post 13, angled the blaze-faced bay over to the inside. He caboosed the field through the opening six furlongs before picking up the pace heading into the far turn. After weaving his way through some traffic, Denis of Cork went back to the rail and finished up well to claim third, 2 3/4 lengths ahead of **Tale of Ekati** (Tale of the Cat) in fourth. "He ran a huge race," said Borel. "We saved every inch of ground we could just to get there. I think he ran a huge race. The colt tried his heart out, and I can't take nothing away from him."

'Colonel' Can't Get It Done...

The 9-2 second choice **Colonel John** (Tiznow), well behind early, looked to be making a menacing move on the far turn, but failed to sustain that bid and wound up sixth. "Turning for home we were in the right spot to come and get them, but you'll see in the replay that my horse took a funny step, switched leads and I could never get him going again from that point forward," reported rider Corey Nakatani.

While Henrythenavigator's success in the G2 Coventry S. came over six furlongs at Royal Ascot in June, the manner of that performance and his pedigree suggested a step up in trip would not pose a problem. Kept at six panels for The Curragh's G1 Phoenix S. in August, he succumbed to G1 1000 Guineas hopeful Saoirse Abu on heavy ground, and encountered similar conditions when failing to make a serious impact on New Approach in the G2 Futurity S. over a furlong further back there the following month. He was returning to a sound surface here, but stamina doubts remained, and they were due for a thorough examination as soon as Manning took favored New Approach to the lead from the outset.

Buried towards the rear at first, Henrythenavigator came through between rivals as the trailblazer set sail before the dip, and his acceleration got him alongside passing the eighth pole. With that rival showing his customary tenacity as his unbeaten record slipped away, the bay colt had to draw on his stamina reserves and there was just enough in the tank. "We were happy with him at home, but it was his first run and all of our horses have been improving a lot for it," trainer Aidan O'Brien said after greeting his fifth winner. "He was entitled to get tired at the end, and will improve. We thought the world of him last year and he was always exceptional--he was only three or four lengths off New Approach on heavy ground last summer, so on good ground we were very hopeful. Our worry was whether he was a sprinter, as he was showing so much speed, and he is obviously unique to have that natural speed and get a mile." Derbies appear out of the equation, according to O'Brien. "With that kind of speed, they would never go fast enough over a mile and a half to let him switch off the way he likes to," he added. "It would be wrong to go that route with him and he doesn't need to, so we'll look at the G1 Irish 2000 Guineas [at The Curragh May 24] next and then the G1 St James's Palace S. [at Royal Ascot June 17]."

Same Approach...

Jim Bolger was taking defeat on the chin and is looking to the rematch in Kildare. "I'm happy with him. It would have been lovely to win, but he ran a fantastic race anyway. Everything went very well and they are two very good horses. The Irish Guineas will be next."

Gale Warning...

Following the news that Sheikh Hamdan bin Rashid Al Maktoum's G3 Fred Darling S. heroine **Muthabara** may not make the gig following a late setback, this mile Classic takes on an even more open feel. That could encourage support for **Laureldean Gale**, who represents the Godolphin stable successful with Cape Verdi (Ire) in 1998 and Kazzia (Ger) four years later. Like the former, she was trained by Peter Chapple-Hyam at two and looked a leading Classic contender after finishing a half-length second to Proviso (GB), with **Lady Deauville** a further six lengths back in third in Deauville's G3 Prix du Calvados Aug. 18. Her first run in the royal blue proved an anti-climax when she paid for her antics in the preliminaries and flopped in eighth in Longchamp's G1 Prix Marcel Boussac Oct. 7. Connections are hoping to avoid a repeat today. "She boiled over before her last race at Longchamp and we've spent the winter trying to settle her down," Racing Manager Simon Crisford said. "We've done lots of paddock schooling at Nad Al Sheba, so we hope she'll be on her best behaviour. She does get herself wound up, but if she's calm in the parade and when she's saddled, we've got a chance of seeing her at her best."

Here, Kitty Kitty...

While last year's G1 Fillies' Mile winner and winter-book favorite Listen (Ire) has been sidelined, the Coolmore operation still have two live chances in Derrick Smith, Susan Magnier and Michael Tabor's G3 Park Express S. runner-up **Savethisdanceforme** and Diane Nagle and Magnier's G2 Rockfel S. winner **Kitty Matcham**. The latter had **Royal Confidence** back in third when annexing the G2 Rockfel S. on Champions' Day, and that seven-furlong contest was used by connections of the last two Guineas heroines Speciosa (Ire) and Finsceal Beo (Ire). "The two fillies are well and Savethisdanceforme has had the experience of a run this year," O'Brien said. "She is a big, rangy filly, while Kitty Matcham is very much like her dad. She is lovely-balanced, compact, strong and tough, and has the attitude that the 'Rock' had."

Lucky Jim...

Jim Bolger has a couple of livewires to chase a second consecutive success following the record-setting exploits of Finsceal Beo 12 months ago. **Saoirse Abu** has already tasted success at this level on two occasions when winning The Curragh's prestigious Phoenix S. and Moyglare Stud S. last summer, while **Lush Lashes (GB)** (Galileo {Ire}) captured the Goffs Fillies Million at that venue on her debut Sept. 15. While neither set the world alight when third in the Apr. 6 G3 Leopardstown 1000 Guineas Trial and seventh in the G3 Park Express S., respectively, they will be better tuned for this prize.

6. In the case of a necessary qualifying in accordance with paragraph no. 434 of the Rules Of Racing (declaration of runners exceeding the highest number allowed) the horses taken out of the race will be provided with substitute races. It took Intangaroo seven tries to clear her first allowance condition, but, since doing so Jan. 11, the dark bay filly has captured a pair of Grade I events. Following her allowance success at Santa Anita in her 2008 opener, she was dismissed at 26-1 in the GI Santa Monica H. Feb. 2, but came flying up the rail to score by a nose, with Hystericalady a bridgejumping fourth at 1-5 that day. Her inside bid came up a half-length short when she finished third in the GIII Las Flores H. Apr. 6 in her only subsequent outing, and she was dismissed at 14-1 here. Defending champ Hystericalady broke from the rail and, racing several paths off the fence, was part of a four-abreast battle for the lead through splits of :22.27 and :44.31. Intangaroo, unhurried early, tucked in behind the cavalry charge turning for home, then swung to the outside in front of the stands. Hystericalady was nearly home free at the sixteenth pole, but couldn't quite hold off the California challenger, with Baroness Thatcher splitting the pair at the finish. "She ran a great race," said winning rider Alonso Quinonez. "I was just very patient, and I knew I could be with the long stretch. We just waited to get clear and turn her loose." Trainer Gary Sherlock added, "She really gives it her all and finishes well. The jock rode her perfectly. I wouldn't have come all this way just to be here." Intangaroo will reappear in the GII A Gleam H. June 28 at Hollywood. Favored Sugar Swirl (Touch Gold), four wide from the outset, tired to be fifth.

Einstein had failed to hit the board in three previous tries over this course, but upended those statistics to collect his second Grade I success of the season. A close fourth to English Channel in the 2006 renewal of this contest, the dark brown horse captured the GII Mervin Muniz Jr. Memorial H. at Fair Grounds last spring before finishing seventh--beaten three lengths--in the 2007 running of this affair. He lost his rider avoiding a fallen rival in the GII Dixie S. on the Preakness undercard last May and was sidelined the remainder of the year. Einstein returned a winner in an optional claimer on the Gulfstream lawn Jan. 11 before finishing sixth on the main track in the GI Donn H. Feb. 2. He bounced back to land the GI Gulfstream Park Turf S. three weeks later and chased home Kip Deville to be second in his latest, the GI Maker's Mark Mile Apr. 11 at Keeneland. The crowd's choice here, Einstein settled into an easy rhythm in third as Thorn Song (Unbridled's Song) showed the way in the early stages. Jockey Robby Albarado popped the question on the far turn and the six-year-old responded by gaining command at the head of the lane. Out of Control looked as though he might have Einstein's measure, but the other Brazilian-bred lost momentum when switching leads, and couldn't reel in the winner. "This year he's just double game," Albarado commented. "He does things easily. He's willing and able out there. He wants to be close to the pace and get them that way rather than coming in the back door. He's giving himself a better chance to do well." When asked about the next start for the son of 1985 Kentucky Derby hero Spend a Buck, trainer Helen Pitts said. "We'll just see how he comes out of it. The [GI] Arlington Million [Aug. 9] would be an ultimate goal, but I think he needs a break now." Click for the [brisnet.com chart](#) or the [brisnet.com](#)

Elite Squadron came into the race with three wins from five starts at Churchill, and he underlined his affinity for the track once again here. The chestnut colt capped off his 2007 campaign with an optional-claim-

ing victory going 6 1/2 furlongs in Louisville Nov. 17. Stretched to a mile for his 2008 opener, he was with the pace through the opening quarter of the Jan. 6 GIII Hal's Hope H. at Gulfstream Park, but faded quickly and finished last. A distant third in the Mar. 8 GII Richter Scale H., he returned to Kentucky for the Apr. 12 GII Commonwealth S. at Keeneland and, after cutting out a half in :46 1/5, was caught on

Horsephotos

the line and finished second by a head. Jockey John Velazquez sent the four-year-old to the front yesterday, and Elite Squadron smoked the half in :43.70. He drew clear in the final furlong to win as much the best. "It's a fast track today and he's a fast horse," Velazquez said. "He was doing it comfortably. I learned a lot from last time...I knew I needed to save some for the end. I waited until they came at me at the quarter pole, and he had plenty." Added trainer Jimmy Baker, "He loves the track--horses for courses." The winner will be pointed for the May 31 GIII Aristides H. at Churchill.

Acquired privately by Zabeel Racing after a powerful 7 1/4-length maiden score at Aqueduct Nov. 23, Game Face landed the GII Old Hat S. by seven lengths

Horsephotos

Jan. 12 at Gulfstream next out. She came up second best to Bsharpsonata going a mile at the Hallandale oval in the GII Davona Dale S. Mar. 2 and was favored in this first start back. Never too far from the front as Secret Gypsy (Sea of Secrets) led early, Game Face came through a wide opening on the rail to challenge Keep the Peace in the lane. The two fillies went head and head in

the final furlong, with the crowd's choice prevailing in the shadow of the wire. "I sat right behind the two speed horses and bided my time," said winning rider John Velazquez. "I just happened to get room along the inside and she ran very well in it." Game Face will head back to the Big Apple. "We'll probably go on to the [GI] Acorn [at Belmont June 7] next and take it from there," said winning trainer Todd Pletcher. "She's a very nice filly that we can try to stretch out later."

Also Ran: Ready for Fortune, Dagger, Irish Smoke, Paint Me Red.

Zaftig didn't make much of an impact in her Oct. 28 career opener at Aqueduct, finishing a green fifth, but turned things around in her second start. The iron grey romped by 8 3/4 lengths at Gulfstream maiden Feb. 23 and was tabbed as a ☆ **"TDN Rising Star"** ☆.

Thrown into stakes company next out, Zaftig got a bit leg weary late going a mile in the GII Comely S. Apr. 12 at the Big A and finished fourth, but put that experience to use this time. The third choice raced three wide as GI Spinaway S. heroine Irish Smoke (Smoke Glacken) vied with favored Carolyn's Cat through an opening half of :45.01. After dropping back a bit on the turn, Zaftig regrouped and ranged up on the outside. She headed the chalk at the eighth pole and rolled home by daylight for her first stakes success. "On paper, it didn't look like there was anyone to go with the favorite," said winning trainer Jimmy Jerkens. "Heading into the turn, I wasn't feeling too confident. When she hit the straightaway, she got the job done." Jerkens indicated that Zaftig could go next in the GI Acorn S. June 7. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Bayou's Lassie was off the board in two starts during the first 10 months of 2007, but made up for lost time at the end of the year. The dark bay ran second in the Nov. 10 Elmer Heubeck Distaff H. on dirt and Dec. 1 GIII My Charmer H. on grass before capping off the year with a win on the Calder main track in the Dec. 29 GIII Stage Door Betty H. She faded to fifth in the Jan. 26 Sunshine Millions Distaff S. at Gulfstream, but was back in the winner's circle after wiring the field in the Apr. 5 Distaff Turf S. at Tampa. Joining the Dale Romans stable after that effort, she was overlooked by the Churchill crowd yesterday. Bayou's Lassie broke on top and set a moderate pace. Favored Dreaming of Anna drew alongside as they raced down the lane, but she couldn't get by, and Bayou's Lassie drew clear late. "Dale said he thought our best shot was to go for the lead and take Dreaming of Anna out of her game," said winning rider Edgar Prado. "That's what we did and it worked."

Talented and versatile, El Roblar has nevertheless been limited to just 14 starts over four seasons. After winning three of his first five outings in 2005, the handsome dark bay made only two appearances at four, but came back in 2006 to post five starts. He was second by a head in the GII Arcadia H. on grass before earning his first graded success on Hollywood's Cushion Track in the GIII Ack Ack H. last June, only to be sidelined once again. Jess Jackson's colorbearer resumed his career Apr. 5 in the GII Potrero Grande H. on the Santa Anita main track and wound up third to Greg's Gold. Favored in this return to turf, the favorite raced in third as Ghosttrapper (Notebook) attempted to run off. He angled out turning for home, struck the front in midstretch and dug in resolutely to prevail over Heroi Do Baфра.

Samantha Miss allowed Sebring to take over on the backstretch and stalked the odds-on favourite throughout. The pair fought their way to the line with the filly narrowly prevailing. Trainer Kris Lees was delighted a long-time family association with owner Ron Croghan had been revitalised courtesy of the A\$1.5-million

Inglis Easter filly. "The plan was to get a soft run up front, either lead or sit off Sebring," he said. "It was a very good effort. Whatever she did was going to be a bonus because to me she is going to make a three-year-old. She is bred that way, so I think she is going to be a lovely horse in the spring." Out of a sister to G1SWs Cronus (NZ) and Pravda (NZ), Samantha Miss has been in the shadows of the dominant juveniles, finishing third G3 Sweet Embrace S. against her own sex Mar. 29 and fourth in the in the G2 Magic Night S. Apr. 12. That result cost her a spot in the Slipper, but she rebounded with an eye-catching second to Sebring in the G1 Sires' Produce S. at this venue a week ago. Trainer Gai Waterhouse said Sebring was gallant in defeat. "It was a bob of the head and nothing can be taken away from the winner," Waterhouse said.

Franking the merit of Weekend Hussler's G1 George Ryder S. victory April 19, Racing to Win, runner-up that afternoon, went one better here, scoring his fifth victory at Group 1 level. Racing to Win's autumn campaign began with promise when he beat Tuesday Joy (NZ) in the G2 Apollo S. Mar 8, but a setback left trainer John O'Shea with no option but to miss key targets and resume a month later to finish a half-length second to Mentality in the G2 Canterbury S. Yesterday, he powering home three wide and surged clear of front-runner Murtajill inside the final furlong. Trainer John O'Shea said that although it was disappointing the grey missed his G1 Chipping Norton S. assignment, the colt had acquitted himself well. "He has finally got himself fit and on the job today and we know when he is like that he is a great horse," he said. "They've run time today, he's done it a bit wide and with a bit of authority."

With a fifth in the Mar. 1 G2 **Gauteng Guineas** and second in an allowance plate at this venue a fortnight later to recommend him for the G1 **SA Classic**, **Kings Gambit's** odds of 40-1 seemed to reflect his chance in that 1 1/8-mile contest here last time Apr. 5. Turning that logic on its head with a game win, there was no element of surprise this time as he followed up in clear-cut fashion to reward favorite backers. Settled behind the leading group early, he allowed **Classic Oasis** first run inside the final quarter but always had that rival covered and cut him down in the final furlong for a decisive score.

The aptly named Lady Sprinter proved best under Brazilian maestro Jorge Ricardo adding her second Group 1 score on the Palermo straightway with a solid victory in the Grande Premio Ciudad de Buenos Aires, the first of six Group 1 events on the extraordinary Gran Premio Internacional Republica Argentina card Saturday. Lady Sprinter's only career defeat came last year when she was eighth on the turf at San Isidro on the Carlos Pellegrini undercard in the G1 Gran Premio Felix de Alzaga Unzue. In her most recent start, she was a comfortable five-length winner in the Clasico General Arenales at Palermo Mar. 24. The Kentucky bred had captured her first six outings in Argentina, including the G1 Gran Premio Maipu on the Argentine Derby undercard last November.

Savoir Bien stamped herself as Argentina's leading juvenile filly with a determined victory in this contest. Ridden by Pablo Falero, the dark bay rounded the final turn five wide and closed belatedly in the stretch to outlast Cobra Farm's So Shiny by a short-neck at the wire. The victory represented Savoir Bien's first Group 1 success on the dirt following an auspicious five-length winning debut at Palermo Feb. 8 and a Group 1 tally on the turf when winning the G1 Gran Premio Eliseo Ramirez at San Isidro Apr. 6. Savoir Bien represents the first Group 1 winner for her broodmare sire, veteran dual hemisphere sire Numerous.

☆ **KY OAKS WRAP-UP** ☆

On to New York for Proud Spell?

G1 Kentucky Oaks heroine **Proud Spell** (Proud Citizen) will head to Fair Hill Training Center tomorrow, but her next start is likely to be in the Big Apple. "The Acorn [G1, June 7 at Belmont Park] would be the next logical step," trainer Larry Jones said yesterday morning.

Pure Clan to Point for CCAO...

Pure Clan (Pure Prize), third in Friday's G1 Kentucky Oaks, exited the race in good order and will get a little break before gearing up for her next start. "We are going to point for the Coaching Club American Oaks at Belmont Park," trainer Bob Holthus said yesterday. "It's a mile and a quarter on a big track. We will train her lightly for two or three weeks and then crank her back up." The 4-1 third choice Friday, Pure Clan was rated off the pace, but finished well to fill out the trifecta. "I can't figure out why she can't get going a little quicker," Holthus said. "I didn't even think she was going to hit the board, but at the eighth pole she really came running." Now four-for-seven lifetime, the chestnut filly has bankrolled \$416,465.

Getaway bids to emulate last year's winner **Sixties Icon** and 2006 scorer **Shirocco** (Ger) in defying a penalty here. Like the latter, he races in the colors of Baron Georg von Ullmann for the Andre Fabre stable and comes here off a solid effort in the G1 Prix de l'Arc de Triomphe the previous October. His strong-finishing fourth in the Longchamp feature represented an improvement off his previous form when successful in the G2 Prix Kergorlay at Deauville in August and second in Longchamp's G3 Prix Gladiateur the following month. Sixties Icon, who looked set for a fruitful four-year-old campaign 12 months ago, went out very quickly in Epsom's G1 Coronation Cup in June and fared little better in the G2 Princess of Wales's S. staged on the July Course the following month. Connections are hoping they have got the bottom of those poor efforts and are confident he can revive former glories. "I have been happy with Sixties Icon's preparations for the race," trainer Jeremy Noseda commented. "This is the acid test as to whether we've got over the problems that ailed him last year. We will find out a lot from this race as to what the future holds."

This marks the return to action of **Sakhee's Secret**, who captured the G1 July Cup on the summer strip here before finishing fifth in the G1 Haydock Sprint Cup on his only subsequent outing in September. Trainer Hughie Morrison is hoping he can put that experience behind him as he starts out on an ambitious four-year-old campaign. "He needs the run and the ground was slower than the official description at Haydock," he said. "He seemed to come out of that race well, but it was false ground and he wants it quick."

CHELOKEE TO UNDERGO SURGERY Four-year-old **Chelokee** (Cherokee Run), who was injured during Friday's GIII Alysheba S. at Churchill, was resting comfortably at Lexington's Rood and Riddle Equine Hospital Saturday morning. The colt is scheduled to undergo surgery next week, but Dr. Larry Bramlage, the on-call veterinarian for the American Association of Equine Practitioners said his chances of recovery are just 50-50. "He tore the ligaments in the bottom of his [right front] ankle," Bramlage explained. "The bones that went up the side of the leg that they thought [were fractured] were actually sesamoid bones pulled five centimeters out of place. They're dislocated. Amazingly...they didn't go through the skin. Almost all the support [structure] went, but he was able to stay up. It's incredible that he didn't do more damage than he did." Despite the severity of the injury, Bramlage said that Chelokee had an excellent attitude yesterday. "We actually had to put a traffic cone in his stall because he needed something to play with," the veterinarian remarked. "He was trying to pull his IV line out of the ceiling." As for when exactly the surgery will take place, Bramlage said, "We don't know that until after I see the soft tissue early in the week."

Mohegan Sky failed to get her picture taken in five starts after annexing a Gulfstream allowance in March 2007. She was runner-up in Belmont's Stage View S. June 27, then finished fifth in Saratoga's Hush Dear S. July 26. Freshened following that effort, the gray closed out the year with an eighth-place finish in the Valor Lady S. at Belmont Sept. 20. Training smartly at Palm Meadows in the interim, Mohegan Sky was seventh through a half-mile in :44.60 and came flying along the inside to win the photo.

Doug O'Neill Sending String to Delaware:

Leading California conditioner Doug O'Neill will be sending an eight-horse string to Delaware Park, *Daily Racing Form* reports. They are expected to ship in May 14. "This is a little experiment with horses that maybe we want to try on the dirt," O'Neill told the publication. "Don't get me wrong. I love synthetic tracks, but I want to have the option." O'Neill has approximately 90 horses in training at Hollywood and Santa Anita; both of those have Cushion Track, while Del Mar has Polytrack. While O'Neill hasn't yet finalized his East Coast string, the group could include the likes of Grade I winner **Great Hunter** (Aptitude) and three-year-old **Overextended** (Monarchos).

For the sixth time in the last seven years, Revved Up has won a stakes race. Victorious in this event in 2006 and runner-up in 2005 and 2007, the 10-year-old took the John's Call S. at Saratoga Aug. 19 and the Bonnie Heath Turf Cup at Calder Nov. 10, but was last seen finishing fifth in the GII W.L. McKnight H. in Miami Dec. 15. The only year in the last seven Revved Up did not win a black-type event was in 2004, when he made just one start resulting in a third-place finish, beaten a neck, in the John Henry S. at the Meadowlands. Odds-on to open 2008 on a winning note, the homebred raced inside, was boxed in on the final turn, but got free late and rolled home a comfortable winner.

Quickly into stride, the \$70,000 KEESEP yearling vied for the lead from the outside, opened up turning for home and was seven lengths better than Impadoodle (Suave Prospect) at the wire. First Defence rattled off two straight victories last term, including Monmouth's Long Branch Breeders' Cup S. July 14. The bay cut back to seven furlongs with a huge second-place finish behind Hard Spun in the GI King's Bishop S. Aug. 25, then closed out the season with a disappointing seventh in the GI Vosburgh S. Sept. 30. The Juddmonte homebred had several good workouts for his return, including a five-furlong bullet in :59 at Hollywood Apr. 13. Vying for early command with Spin Master (Distorted Humor) through sharp early fractions of :22.13 and :44.46, First Defence gained a clear lead in the stretch and was all out to hold off a late surge from Forest Attack. Spin Master tired to finish fifth. It was the second win in as many days at Churchill for First Defence's dam, Honest Lady (Seattle Slew), who was represented by allowance winner Honest Pursuit (Storm Cat) on Friday's card. BIKER BOY (c, 3, Came Home--Pledge the Fifth, by Danzig) placed third behind Jedi Code in his Churchill bow on Halloween Oct. 31, then was given the rest of the year off. The \$115,000 KEENOV weanling and \$170,000 KEESEP yearling resurfaced with a razor sharp five-length maiden victory going seven furlongs at Gulfstream Mar. 16 and was hammered down to 8-5 to make it two straight. Kept within striking distance here, he made his bid for the lead turning for home and drew clear in the stretch to score by 2 1/2 lengths. Bullet Rain (Red Bullet) completed the exacta. Sent off the 7-2 second choice, the chestnut stalked the early pace in third, ranged up to the leaders turning for home and forged to the front late to graduate by 3/4 lengths over Mambo in Seattle (Kingmambo). The winner is a half to Kingsland (Mr. Prospector), GSP, \$147,253; and Royal Assault (Kris S.), MSW & GISP, \$489,002. [Video, sponsored by Taylor Made](#). Lifetime Record: 5-2-1-2, \$82,789. The gray was a well-beaten sixth behind the impressive Halloween Witch Mar. 7, then posted a 2 1/2-length maiden tally over the Keeneland Polytrack Apr. 6. Last of eight through a scorching opening quarter of :20.90, the 16-1 shot came charging down the center of the track to post a 2 1/2-length victory over Looney Lynda (Trippi). The victress is a half to Kettle Hill (Pleasant Tap), SW, \$151,986. Sly Storm (Storm Cat) was scratched. Lifetime Record: 5-2-0-0, \$74,432.

The even-money chalk to improve off that effort, the \$50,000 KEENOV weanling and \$150,000 KEESEP yearling settled in midpack early, came wide into the stretch and drew off under steady Kent Desormeaux handling to score by 4 1/2 lengths. Allowed off at long odds for new connections here, she raced up with the pace before seizing the initiative at the eighth pole and was urged clear in the closing stages to register a maiden stakes score.

Following a maiden success at Doncaster in September, Kandahar Run followed up in a conditions event at this venue the following month, where he earned the **☆ "TDN Rising Star" ☆** tag with a fluent 3 1/2-length success. Too keen when runner-up to Campanologist in the Listed Feilden S. over a panel shorter back here last time Apr. 16, the grey showed the benefit of that experience with a smooth display this time.

NEWMARKET S. cont.

Settled second early taking a lead from Meeriss, he eased past that rival approaching the final quarter and was not fully extended thereafter. "He was a bit fresh last time, but settled today," trainer Henry Cecil said. "He quickened up really well and thought he'd done enough in front. He looks like he'll get a mile and a half and is in the [June 7] G1 Epsom Derby and G2 King Edward VII S. [at Royal Ascot June 20], so we'll see how he comes along. He's still quite a big, backward horse, so whether he'll be up to the Derby is the question."

As a half to the extremely fast group scorer Moorhouse Lad (GB), Off the Record is genetically programmed to make his mark in these events and enjoyed his own share of the spotlight with a game front-running display here. Having won four of his first five starts all on Southwell's fibresand at three, the bay had appeared to lose his way on his last three turf outings and was left trailing in a handicap on the opening card of the flat season at Doncaster Mar. 29. Recapturing the spark under these enterprising tactics, he refused to relinquish his lead despite the tenacious effort of Damika throughout the final furlong. "He's a tough little horse and I thought I was beat a furlong out, but he kept sticking his neck out," jockey Richard Hughes said. "He is fast and honest and gets home well."

DUNTULM (GB) (c, 3, Sakhee--Not Before Time {Ire}, by Polish Precedent), runner-up to the smart Sugar Mint (Ire) in a Bath maiden last time Apr. 9, was let go at 14-1 and those odds looked big as he meandered out of the stalls several lengths behind the field. Making up ground effortlessly by halfway, the 90,000gns TATOCT yearling quickened through rivals to lead with 1 1/2 furlongs remaining and had enough left to hold Flawed Genius (GB) (Fasliyev) by a neck. "He's a playboy and just wants a bit of practice," trainer Henry Candy commented. "He wasn't frightened of the stalls, he was trying to eat them. He's an explosive character and takes a lot of holding onto, but wants a bit of practice." The winner is a half to Time Away (Ire) (Darshaan {Ire}), GSW & G1SP-Eng, G1SP-Fr, \$122,029; and Time Ahead (GB) (Spectrum {Ire}), G1SP-Fr, \$147,817. Lifetime Record: 4-1-1-0, £20,160. DR FAUSTUS (IRE) (c, 3, Sadler's Wells--Requesting {GB}, by Rainbow Quest) had found only the subsequent G2 May Hill S. winner Spacious (GB) too strong in a Leicester maiden in August before going one better at Thirsk the following month. Hammered into 5-4, the homebred raced keenly close to the moderate early pace before being allowed to stride to the front with three furlongs remaining. Asked to stretch out of the "dip," he opened up to record a comfortable three-length success from Ramona Chase (GB) (High Chaparral {Ire}). Lifetime Record: 4-2-1-0, £18,992. AJAAN (GB) (c, 4, Machiavellian--Alakananda {GB}, by Hernando {Fr}) has been brought along gently and finished fourth on his latest start at Yarmouth in September after winning handicaps at Pontefract and this circuit the previous month. Settled in mid-division early, the 7-1 shot made a decisive move to lead approaching the final eighth before swerving right away from the whip and surrendering his advantage to Camps Bay (Cozzene). Veering sharply again in the final 50 yards, he collided with that rival as he gained the edge to win by a head and survive a subsequent inquiry. The 80,000gns TATOCT yearling is a half to Dragon Dancer (GB) (Sadler's Wells), SW & GISP-UK, MGSP-Fr, \$752,938. Lifetime Record: 9-4-0-1, £38,183. Sent off the 11-2 outsider of the three runners, he led before being passed by Iguazu Falls (Pivotal {GB}) at the quarter pole. Regaining the advantage inside the final 150 yards, the 22,000gns TATDEC weanling and €120,000 GOFORB yearling asserted to record a length success from Gaspar van Wittel (Danehill Dancer {Ire}), who took second off Godolphin's runner near the line. Sent to the front approaching the final furlong, the 13-2 chance came under a power drive in the closing stages to hold Polish Pride (GB) (Polish Precedent) by a head. The winner was a €6,500 GOFFEB yearling and a €3,200 GOFDEC yearling. Lifetime Record: 2-2-0-0, £9,067. O-W B Imison; B-Century Farms; T-Paul Midgley.

Pushed along when pressed inside the final quarter mile, the €65,000 GOFMIL yearling kept on strongly under whipless encouragement to record a comfortable 2 1/2-length win from Rio Royale (Ire) (Captain Rio {GB}) as the 5-6 favorite. Gaining momentum in the straight to challenge at the two pole, the €23,000 GOFNOV foal and 300,000gns TATOCT yearling was driven out in the latter stages to edge Strategic Mover (Grand Slam) by a neck.
