THREE CHIMNEYS

Best of Luck to Dynaformer's
PERFECT DRIFT in the Shoemaker Mile (G1)

THE TREBLE DOUBLE

Aidan O'Brien's rewriting of the history books continued apace yesterday when **Halfway to Heaven (Ire)** (Pivotal {GB}) followed Henrythenavigator to complete

Halfway to Heaven (left) www.rte.ie

the second half of a G1 Irish 2000-1000 Guineas double at The Curragh; the Ballydoyle conditioner also achieved the feat in 1999 and 2001, and carried home this trophy for the fourth time. Michael Tabor, Derrick Smith and Susan Magnier's 13-2 shot beat

the subsequently disqualified **Tuscan Evening (Ire)** (Oasis Dream {GB}) by a head in a thrilling four-way finish. Rider Seamus Heffernan celebrated his second success in the contest, having partnered Imagine (Ire) to collect seven years ago. "I was in a good position and was confident she'd get the trip, so I rode her positively and it worked out," Heffernan said. "She is an easy ride and will stay a bit further, as she has a good attitude and relaxes." **Cont. p2**

BIG BROWN BATTLING QUARTER CRACK

Rick Dutrow Jr. reported yesterday that GI Kentucky Derby and GI Preakness winner **Big Brown** (Boundary)

has developed a "slight" quarter crack on the inside of his front left hoof, but the trainer remains confident the colt will be ready to run in the June 7 GI Belmont S. Dutrow said he first noticed the problem Friday. "We didn't know until Saturday that it was a quarter crack," Dutrow said. "It scares us this happened, but this has nothing to do with his ability to finish what he started. He's going to be OK." Big Brown is being treated by hoof specialist Ian McKinlay. "This is a very, very minor crack," McKinlay said. "We will put a set of wires in and patch it up." The three-year-old has been walking the shedrow twice a day and is expected to return to the track Thursday. "I am sure he will be 100 percent," Dutrow said. "If we get to breeze him Tuesday of Belmont week, or even Wednesday, we can live with that. Monday would be great, as long as Ian can get it done the right way." But IEAH Stables' principal Michael Iavarone, interviewed by TVG yesterday, assured, "If anything goes the wrong way, we won't take any chances."

IRISH 1000 GUINEAS

Heaven Can't Wait...

Halfway to Heaven is the fourth foal from Trevor Stewart's stellar sprinter Cassandra Go, but proved she stayed seven panels when runner-up on debut at

Aidan O'Brien

Leopardstown at the end of October. She went one better over the same track and trip six days later. Returning to finish a head second to Carribean Sunset in the Apr. 6 G3 Leopardstown 1000 Guineas Trial S., the gunmetal grey tackled the G1 Poule d'Essai des Pouliches May 11 and, while no match for the brilliant Zarkava (Ire), was a creditable third. Always traveling well in a stalking third behind the yard's rabbits

yesterday, Halfway to Heaven moved up to take over before the quarter pole, where she was immediately challenged by Mad About You. She was briefly headed by that rival inside the final furlong, but saw her off in the final 50 yards and held on as Tuscan Evening and Carribean Sunset closed four abreast. Aidan O'Brien was ebullient. "She ran a great race in France, where she led into the straight before dropping back into fifth and then staying on to be third, so we thought the stiff mile here would suit her better," O'Brien said. He added that the filly is among the Ballydoyle entries for the June 6 G1 Epsom Oaks, but is unlikely to target that Classic. "Halfway to Heaven wants a strong-run mile, and I'm not sure she would get much further, so we'll have a look at the G1 Coronation S. [at Royal Ascot June 20]," he remarked. It was Tuscan Evening who got closest at the line, but she was judged to have interfered with Carribean Sunset, and was demoted to fourth. Sheikh Hamdan bin Mohammed Al Maktoum's new acquisition Nahoodh (Ire) (Clodovil {Ire}), sent off the 3-1 favorite, never made an impact and trailed in seventh. Transferred to Rick Dutrow Jr. after finishing off the board in her last two starts of 2007, Looky Yonder returned after a seven-month layoff to be third in a Gulfstream allowance Jan. 9. The dark bay beat an allowance field handily Feb. 27, but looked awkward during the early strides of the Apr. 9 GII Vinery Madison S. at Keeneland and faded to 10th. She bounced back with a victory in an optional claimer over a sloppy Belmont strip May 9, and was 9-1 facing GISW Dream Rush here. Looky Yonder trailed the field after a slight stumble at the start and was well back as odds-on Dream Rush cut out a half in :45.22 on a clear lead. The early fractions took something out of the favorite, however, and jockey Garrett Gomez was relentless in pursuit, sending Looky Yonder up the inside in the final yards to post the upset. For the Record...

He is the 6-5 morning-line favorite and is perfect in three starts at the distance, but **Commentator** (Distorted Humor) will not have an easy task in the GI Met Mile at Belmont Park this afternoon. The seven-year-old gelding cruised to a 14-length win in an optional claimer at Gulfstream Jan. 17 and came back to take the Mar. 8 GI Richter Scale H. by 13 3/4 lengths, but he has not been out since, and is the 122-pound highweight.

D-Fence...

Juddmonte homebred **First Defence** (Unbridled's Song) has the pedigree to win this race. His dam, GISW Honest Lady (Seattle Slew), was second behind Yankee Victor in the 2000 Met Mile, and is herself a half-sister to Grade I winners Chester House and Empire Maker. First or second in five of his first six starts, the four-year-old won the Long Branch BC S. at Monmouth last year and was a solid second behind Hard Spun in the GI King's Bishop S. at Saratoga in August. Sidelined after running seventh in the Sept. 30 GI Vosburgh S., he returns to Grade I company after hanging on to take an optional claimer at Churchill Downs May 3 by a neck. **Divine Park** (Chester House), two-for-two at a mile and five-for-seven overall, was last seen galloping to a five-length score in the Gill Westchester H. He clicked off a mile in 1:32 3/5 in that test. First Defence is in at 115; Divine Park carries 117.

This contest has been used by Coolmore as a vital stepping stone in recent years for the chief older horses among their brigade, and Duke of Marmalade duly followed where Montjeu (Ire), Black Sam Bellamy (Ire), Powerscourt (GB) and Hurricane Run (Ire) had led with an ultimately comfortable success. Injured during his juvenile season, the bay was brought back for a fruitful but frustrating sophomore campaign, where his consistency was not rewarded with big-race triumph. Instead he played second fiddle to stable companions Excellent Art (GB) and Dylan Thomas (Ire) in the G1 St James's Palace S. at Royal Ascot in June and Leopardstown's G1 Irish Champion S. in September, respectively. When he lined up for Longchamp's G1 Prix Ganay Apr. 27, the sole win on his resume remained in a maiden at this venue, but he overcame soft ground and the top-class pair Saddex (GB) and Sageburg (Ire)--both have subsequently won Group 1 races--to turn the corner there. Aidan O'Brien revealed afterwards that some work by the vets during the winter had made the difference, and any lingering problems would have been exposed both by this fast surface and the formidable presence of Finsceal Beo. It was the latter who posed the biggest threat when he had usurped the aggressively ridden Red Rock Canyon passing the quarter pole, but, after receiving some cracks with the whip, was only hand-ridden in the closing stages to suppress her threat. "He only gives what he has to and is solid, tough and consistent," O'Brien commented. "He is special and wants an even pace, which he got, and we'll go for the G1 Prince of Wales's S. [at Royal Ascot June 18] now." Click for the [Racing Post chart](#) or the [brisnet.com catalogue-style pedigree](#). [Video courtesy attheraces.com](#).

As a gelding, Hebridean is excluded from the Derbies, but he has the talent to collect some major prizes. After spending the majority of his juvenile career at the small tracks in Ireland, the homebred returned with a third in the Apr. 6 G3 Leopardstown 2000 Guineas Trial S. before finishing runner-up to Moiqen (Ire) in the Apr. 20 G3 Ballysax S. Stepping up successfully to a mile and a half for the Gowran Park Classic Trial May 4, the bay made further strides here under a patient Johnny Murtagh, and he had plenty in hand after sweeping to the front with a furlong remaining. His victory capped a bumper weekend for Aidan O'Brien, who also saddled the winners of both the G1 Irish 1000 and 2000 Guineas as well as the G1 Tattersalls Gold Cup. Connections are looking at the G2 King Edward VII S. at Royal Ascot June 20 for Hebridean's next start. **Click for the Racing Post chart. Video courtesy attheraces.com.**

GII Vagrancy H. Looky Yonder (Johannesburg) posts the upset over Dream Rush (Wild Rush) in the final strides.

GIII Connaught Cup S. Rahy's Attorney (Crown Attorney) hangs on to score at long odds.

Premio Mario Incisa Della Rocchetta cont.

Rosa del Dubai, who followed up an Apr. 26 course-and-distance conditions success by taking out May 10 Listed Premio Alberto Zanoletti back here last time, continued her upgrade with this landmark victory. Settled in the rear until coming under pressure to close off the home turn, the chestnut was urged into contention at the 400-meters pole and was unrelenting under a final-quarter drive to secure a clear-cut win.

Rahy's Attorney enjoyed a solid season in 2007, reeling off three straight victories that included the

Sept. 2 Vice Regent S. going a mile on the Woodbine turf. The bay gelding followed up with a third in an optional claimer going 10 panels Sept. 30, and ended the season with yet another success, taking the Oct. 28 Bunty Lawless S. Given the winter off, he was let go at 10-1 in an

optional-claiming test at Woodbine Apr. 27 and finished seventh, but he was primed for his second start of 2008. Settled in fourth through an opening half in :46.81, he ranged up head-and-head for the lead after six furlongs in 1:10.32. Rahy's Attorney drove to the front as they raced into the lane and held off Society's Chairman for a determined score. Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Unbeaten Cagnotte displayed an impressive turn of foot down the stretch to score comfortably under a hand ride from Brazilian maestro Jorge Ricardo. The chestnut, a seven-length winner of her debut in a maiden over this course Apr. 25, represents the first stakes winner for her sire Sunray Spirit, Grade III winner campaigned by Godolphin. Cagnotte's dam is a half-sister to Argentine champion and multiple Group/Grade I winner Campagnarde (Arg) (Oak Dancer {GB}). Another Sunray Spirit runner, Perfectly, placed second by a half-length in the G1 Gran Premio Raul y Raul E. Chevallier on turf at San Isidro Apr. 12, which prompted his sale to Saudi Arabian Prince Sultan bin Mohammed bin Saud al Kabeer.

Flag Frances posted a breakthrough win here against Argentina's best juvenile. After breaking his maiden in his second start, Flag Frances entered this contest off unplaced efforts in the G1 Gran Premio Santiago Luro on the dirt at Palermo and Apr. 12 G1 Gran Premio Raúl y Raúl E. Chevalier over this course. The top three finishers are expected to renew their rivalry in next month's G1 Gran Premio Carreras de las Estrellas Juvenile.

Princess Carina wound up fourth, while El Galactico faded to 10th. Winner of the G1 Gran Premio de Honor on dirt in April, Body Soguero exited a disappointing third to Eyeofthetiger in the G1 Gran Premio Republica Argentina May 3, which was also on the dirt at Palermo. GAMELY S.-GI, \$250,000, 3yo/up, f/m, 1 1/8mT

PP	HORSE	SIRE	TRAINER	ODDS
1	Diamond Diva (GB)	Dansili (GB)	Cassidy	4-1
2	Lavender Sky	Mt. Livermore	Hendricks	8-1
3	Precious Kitten	Catienus	Frankel	6-5
4	Rutherienne	Pulpit	Clement	8-5
5	Solva (GB)	Singspiel (Ire)	Cecil	10-1

Rutherienne, nine-for-11 lifetime, bids for her third straight. The Payson homebred capped a five-race winning streak last year with a rallying two-length tally in the Aug. 18 GI Del Mar Oaks.

Freshened after fading to 10th in the Sept. 8 GI Garden City S. at Belmont, she returned to take the Dec. 29 GIII Frances A. Genter S. at Calder, then came back after another break to post a neck score in the Apr. 12 GII Jenny Wiley S. The morning line has

Rutherienne Adam Coglianese

Precious Kitten, fifth in the Jenny Wiley, as the choice, and Rutherienne's connections understand why. "On paper, Precious Kitten looks like the horse to beat," said Christophe Lorieul, assistant to Christophe Clement. "We beat her in the Jenny Wiley, so we try again." Lorieul added, "[Rutherienne] is not very big, but she has a very good turn of foot. In the Jenny Wiley, she was not that far [off the pace]. Like a good horse, she is versatile. She will be in the back [today], but not far out, and make one run."

Gamely cont.

Precious Kitten was first or second in eight of her nine outings in 2007. The dark bay took the GI John C. Mabee H. and GI Palomar H. at Del Mar, then finished second in the GI First Lady S. at Keeneland in October. Taken out of the race when Simply Perfect (GB) bolted on the first turn in the GI Breeders' Cup F/M Turf, she rebounded from that eighth-place finish to capture the Nov. 25 GI Matriarch S. going a mile on this course. The Jenny Wiley was her first start this term. **Diamond Diva**, second in three consecutive Listed events to end her European campaign, is perfect in two U.S. appearances. The four-year-old won the Mar. 30 American Beauty H. at Santa Anita and the Apr. 23 GIII Wilshire H. at a mile over the Hollywood lawn.

All carry 124 pounds.

Daytona, winner in five of his last six starts, comes into this off a front-running neck victory in the Apr. 5 GI Arcadia H. at Santa Anita. It was the chestnut gelding's first try at a mile, and he stopped the timer in 1:33 flat. The four-year-old, who also boasts scores in the GI Hollywood Derby, GI Oak Tree Derby and GI San Gabriel H. in 2007, will be out there on the front end again today. "We're not going to change his style now," trainer Dan Hendricks said. **Hyperbaric** closed to be second by a neck in the Arcadia despite lugging in down the lane, and gets new jockey Rafael Bejarano in the irons here. **Ever a Friend** was claimed for \$62,500 after running third at Hollywood Dec. 6. The gray gelding came back to post a win in the Dec. 31 Impressive Luck H. down the hill at Santa Anita, and opened 2008 with a 3 3/4-length tally in the Mar. 1 GI F.E. Kilroe Mile H.

In the Driver's Seat?

Unaware that GI Kentucky Derby and GI Preakness winner Big Brown was temporarily sidelined by yet another quarter crack, GII Peter Pan S. winner **Casino Drive** (Mineshaft) stretched his legs over the Belmont Park main track yesterday morning.

"He cantered six furlongs this morning, and he looked very good," said Nobutaka Tada, the racing manager for owner Hidetoshi Yamamoto. "He seems to be doing very well right now. He's a very quiet, professional and happy horse. He knows what he supposed to do. He seems to like it here at Belmont. He has settled in very well since he arrived and he knows what it's all about."

Tada said that media attention has not yet become a distraction.

"It seems like there are a few more people coming around the barn to see him, horsemen and visitors," he remarked. "As for people from Japan, I would expect they will come in the week of the Belmont, because the Japanese Derby is this upcoming Sunday. It's still pretty quiet at the moment."

The chestnut will have a workout this week.

"We are planning to breeze him on Wednesday, maybe five furlongs or longer, depending on how fast we go," Tada said. "He is a really good horse, so we are going to just do some light breezing."

'Henry' Derby Debate Continues...

Susan Magnier's **Henrythenavigator** (Kingmambo) was reported to have come out of Saturday's G1 Irish 2000 Guineas with no problems, and his connections are pondering a tilt at the June 7 G1 Epsom Derby. Following his second defeat of New Approach (Ire) in Saturday's Curragh Classic, the homebred is under serious consideration for the mile-and-a-half Blue Ribband. "He came out of the race fine very well and we're very happy with him," Aidan O'Brien said yesterday, before John Magnier explained that the decision would be made after discussions with all the key figures. "Ultimately, it'll be John Halley, Aidan, Johnny Murtagh and all the lads who'll get together and decide," Magnier told *PA Sport*. "They'll give me their opinions, and we'll see after that. I don't decide, but if you ask me what I'd like to do I'd say that Epsom is where everything is decided. When the horse was bred, he was bred to go there--he's by Kingmambo and out of a Sadler's Wells mare. We've taken horses to Epsom before who shouldn't have gone there and they've run well, but we've also taken horses there who we thought would run well, and they haven't."

'Approach' Fine after Second Eclipse...

Princess Haya of Jordan's **New Approach (Ire)** (Galileo {Ire}) was given a clean bill of health by trainer Jim Bolger following his runner-up effort in Saturday's G1 Irish 2000 Guineas at The Curragh. Having followed home Henrythenavigator as he had done in the May 3 G1 2000 Guineas at Newmarket, the chestnut will now be stepped up in trip. "He was out this morning for a hack canter; he was fresh and well and was moving well," Bolger told *PA Sport*. "We got away with it yesterday, but I wouldn't risk him on that ground again. I'm not sure how much it's affected my happiness, but it's not the sort of ground we should have had on Guineas Day. If we don't get good ground for the [June 29] G1 Irish Derby then he won't be turning up." The Curragh's Manager Paul Hensey reacted to the issue of the firm going which was prevalent over the Guineas weekend. "It was a difficult one and, in hindsight, we could have put more water on on Tuesday," Hensey explained. "We did water throughout the week, but we didn't get the rain the rest of the country got, and what killed us was the bright and dry weather yesterday. When the wind blows here, it has a hairdryer effect, and no amount of watering is going to keep that at bay. It was very quick everywhere on Saturday."

MET MILE H.-GI, \$600,000, 3yo/up, 1m

PP	HORSE	SIRE	ODDS
1	Lord Snowdon	Seeking the Gold	12-1

Has been very solid, cranking out his top in eight straight starts for Tony Dutrow, but he's a few lengths short of competitive here.

2	Global Hunter (Arg)	Jade Hunter	20-1
---	---------------------	-------------	------

Ran well in group races in Argentina, but while we don't make figures for Argentina, we have to believe none of his efforts there would were better than his only race in this country. That still leaves him needing to improve a lot here.

3	Divine Park	Chester House	5-2
---	-------------	---------------	-----

Is five-for-seven lifetime, and had excuses in the two losses--he tried shipping to California in the dead of winter for one, and broke through the gate before the other. His race two back was big, and his last even bigger--maybe too big. If he can do it again, he's a likely winner, but he may have finally hit a level that causes a bounce, especially with less than four weeks rest.

4	Z Humor	Distorted Humor	8-1
---	---------	---------------------------------	-----

Gets weight here as a three-year-old running against older, but he would need to be getting around 30 pounds from the highweights to become relevant.

5	First Defence	Unbridled's Song	5-1
---	---------------	----------------------------------	-----

Presumably has soundness issues, since he's a four-year-old with only eight lifetime starts, but when he makes it to the gate, he runs his race. In his second start this season he could be ready to take it to a new level, but he starts out slower than some of these, and we note that Frankel has not been doing as well as usual recently.

6	Kiss the Kid	Lemon Drop Kid	15-1
---	--------------	--------------------------------	------

Has improved with age and is very versatile, handling grass, slop and fast tracks well. On his best, he could pick up a check here, but he hasn't previously run well off layoffs, and this may just be a tune up for longer races.

7	Council Member	Seattle Slew	30-1
---	----------------	--------------	------

Has an ouchy pattern, and has never run fast enough to contend with these.

8	Commentator	Distorted Humor	6-5
---	-------------	---------------------------------	-----

Has the classic sheet of the unsound horse: lots of blank space on the page, and his best races coming off layoffs. In his good ones, he's as fast as any horse in training, and he's fresh now. But he's also seven years old, and has only been able to fire his best shot once a year for the last three years. Since he already threw his best in January, it's tough to know if he's still sound enough to do it again this year.

9	Premium Wine	Prime Timber	8-1
---	--------------	--------------	-----

Got good over the summer last year, and broke through last time with the best race of his life. Obviously, he could bounce, but with a very healthy overall pattern and only two points of development since August, he may still be within himself. With seven weeks rest, we think there is a good chance he will pair that last one up, which puts him in this, at a price.

Bottom Line: The Race Shape shows us that Commentator and First Defence should be well clear of the others early, creating gaps for the others to drop into with the long run to the turn. Commentator and Divine Park are the best horses here, but neither is a sure thing to run his race. Premium Wine looks like the value, and we'll protect by playing him under the other two in exotics.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

VALUE STREAM (f, 3, [A.P. Indy](#)--Storm Beauty {MSW, \$178,164}, by Storm Cat), fifth on debut at Keeneland Apr. 10, missed by just a neck while sprinting seven furlongs over the Polytrack Apr. 25. Trying the turf and stretching out for the first time here, the chestnut filly rated in fourth, angled to the outside for the drive and forged to the lead at midstretch to win going away by 1 1/4 lengths as the 6-5 favorite. Madam Bling (War Chant) was second. Queenofalldiamonds (Kingmambo) pressed the pace before tiring to sixth in her debut. El Sultry Sun was made a  **"TDN Rising Star"**  after a 4 1/4-length debut win at Belmont July 22. Sidelined for eight months after that effort, the chestnut was narrowly beaten when second in his Mar. 1 return at Gulfstream before adding a half-length win in the Apr. 5 Sophomore Turf S. at Tampa Bay Downs. Coming off a third-place finish in the Apr. 26 GIII Calder Derby, El Sultry Sun was second choice behind fellow  **"TDN Rising Star"**  Prussian, making his second sophomore start and first since running fourth in the Apr. 4 off-the-turf GIII Transylvanian S. at Keeneland. Prussian recovered from an awkward beginning to shadow pacesetter Hugo (Stormy Atlantic) as El Sultry Sun settled into fifth. Prussian moved to the lead in upper stretch and was quickly joined by El Sultry Sun. The pair battled down the lane, with El Sultry Sun just getting his nose in front at the wire. clear. "She came out of a real fast race and, for a first-time starter, she ran really good [in her debut]," said winning jockey Rafael Bejarano. "Today the instructions were to come from behind a little bit, get her to relax and feel good. I had plenty of horse when I got to the turn. I never hit her. She's a real nice filly." Added trainer Doug O'Neill, "She ran so well first time out, and this race was coming up and it wasn't extremely tough. It was one of those lucky things. She came out of her maiden race in such good shape that we thought it would be a good opportunity. We didn't make a decision to run here until the last minute, and Michael Baze [who was aboard in her debut] had already committed, so we got Rafael as a replacement. They're both tremendous riders. I've got a feeling that Michael Baze will find his way back on this horse." Looking ahead, O'Neill added, "This is the type of filly that makes you dream about the Hollywood Starlet and the Del Mar Debutante. GORESBRIDGE BREEZE-UP TODAY

Goresbridge will stage the third renewal of their Flat Breeze-Up Sale today, with 124 lots catalogued. Among them are juveniles by the leading sires Danehill Dancer (Ire), Invincible Spirit (Ire), King's Best, Night Shift, Royal Applause (GB) and Singspiel (Ire), while those with their first runners in 2008 include Bachelor Duke, Exceed and Excel (Aus), Kheleyf, Lucky Story, One Cool Cat and Refuse to Bend (Ire). Hopes are high that the sale which produced last year's G3 Premio Regina Elena runner-up Miss Annaleo (Ire) and the Goffs Million second-place finisher Hitchens (Ire) can continue to grow into an important part of the breeze-up season. Last year's highest price was €105,000, paid by Pdraic Maloney for Prince Shaun (Ire) (Acclamation {GB}), who beat the well-touted Red Eye Express (Ire) in a Dundalk conditions event last month. Willie Browne's Mocklershill Stables are consigning for the first time, as is breeze-up regular Jamie Railton. "The sale is now a proven source of winners, and we're thrilled with how it has progressed," Goresbridge's Martin Donohoe said. "The sale's record speaks for itself, with 60 winners from 69 runners and, while it's a nice compliment to get some British vendors, I think that it's also a natural knock-on effect, as people can see that this sale is a success." Breezes will take place at Gowran Park racecourse from 9:30 a.m., with selling starting at 2:30 p.m. Catalogues, breezes and the sale can be viewed on www.irishhorse.com.

GOORESBRIDGE BREEZE-UP - MONDAY

56, c, Kyllachy (GB)--Mamoura (Ire), by Lomond
Consigned by Falkan Bloodstock

Consigned by Meadowview Stables

This January-foaled bay is out of the stakes-winning Nasheed, who is 3/4-sister to Arc hero and champion Sakhee (Bahri). He is therefore a half-brother to Tamazug (GB), who hit the board in the 2006 G3 Leopardstown 1000 Guineas Trial.

93, c, One Cool Cat--Believing (GB), by Belmez
Consigned by Boston Stables

This March-foaled bay is the only representative of the leading freshman sire (by Storm Cat), who had his 10th winner yesterday in Germany. The son of the winning mare Believing has a pair of siblings who won as juve-niles.

2.15 Carlisle, Mdn, £5,600, 2yo, 5fT

EFFORT (GB) (Dr Fong), a half-brother to the top-class sprinter and sire Titus Livius (Fr), debuts at this Northern circuit in Sheikh Hamdan bin Mohammed Al Maktoum's colors for the Mark Johnston team.

5.15 Chepstow, Mdn, £4,000, 3yo, 12f 23ydsT

Barbara Facchino's sister to the 2006 G1 Epsom Derby runner-up Dragon Dancer (GB)--whose half-brother Ajaan (GB) (Machiavellian) is now also blossoming into a smart performer for the Niarchos Family--is kept in low grade for now by trainer Michael Jarvis.

Packing Winner got first run on 1-3 favorite Viva Pataca and upended the crowd's choice in this contest, the final local Group 1 event of the season. The five-year-old, fourth last out in the G1 Audemars Piguet Queen Elizabeth II Cup Apr. 27, was stepping up to 2400 meters for the first time. "His last two runs were very good, especially in the QEII, because he wasn't quite 100 percent fit that day," said winning trainer Peter Ho. "Here it was his first time over 2400 meters, but I didn't have any worries about him staying. He's by Zabeel and he's been a late-maturing horse. He used to be very keen, and it's taken time for him to learn to settle and relax. Douglas [Whyte] gave him a beautiful ride. He saved his energy for the finish and he found enough." Ho added, "He's proven himself as a top-class stayer and there aren't many chances over the long distances in Hong Kong. The [Cathay Pacific Hong Kong] Vase over 2400 meters again is something we will have to look at for next season." As for Viva Pataca, trainer John Moore said, "His run died about 150 meters from the line. He was giving the winner a couple of lengths at the top of the straight when he had to go wider around Win Practitioner." Moore continued, "He'll have two months off now. He came a bit flat after the trip to Dubai and he needs the break. After that we'll talk about going to Australia with him for the Cox Plate in October." [Click for the Racing Post chart.](#)
