FRESHMAN SIRE PLEASANTLY PERFECT HIS FIRST TWO STARTERS WIN (QUITE THE LADY) AND PLACE SECOND (RAPID REDUX)

CURLIN WORTH THE WEIGHT

Horse of the Year Curlin (Smart Strike) will be spotting his rivals up to 15 pounds in today's G1 Stephen Foster H. at Churchill, but it's hard to imagine the hefty weight assignment slowing down the G1 Breeders' Cup Classic and G1 Dubai World Cup winner. The striking chestnut has posted six workouts beneath the Twin Spires since his Mar. 29 heroics in the desert, including a six-furlong move in 1:12 1/5 May 26 and a seven-furlong breeze in 1:24 3/5. "He's a very seasoned animal," trainer Steve Asmussen said. "I'm very pleased with how comfortable he is with his surroundings, but he needs to run. The test is going to be how fast you are. Reputation doesn't win races-- how fast you're going does." Regarding his charge's weight assignment, the conditioner added, "It's quite substantial to be giving 10 to 15 pounds to this quality of older horses. How much is enough? Weight matters, and how much matters. Everything has a point where it's not worth it." Curlin has made one previous start at Churchill Downs, crossing the wire third in last year's G1 Kentucky Derby.

VERMEILLE CONFIRMED FOR ZARKAVA

Trainer Alain de Royer-Dupre yesterday ended speculation as to where His Highness the Aga Khan's unbeaten Zarkava (Ire) (Zamindar) will run next when committing to the G1 Prix Vermeille at Longchamp. Despite initial reluctance to tackle the 1 1/2-mile contest before her ultimate goal of the Oct. 5 G1 Prix de l'Arc de Triomphe, connections of the G1 Poule d'Essai des Pouliches and G1 Prix de Diane have opted for the Sept. 14 race instead of Deauville's G3 Prix de la Nonette over 10 furlongs Aug. 24. "I think going for the Prix de la Nonette would not be a good decision, because there have been many times at the end of the Deauville meeting when the ground has not been very good," her conditioner said.

Back to Dirt for Einstein...

Trainer Helen Pitts, who saddled Curlin to an eye-opening maiden win before he was transferred to Asmussen, takes on her former charge with **Einstein (Brz)** (Spend a Buck). The dark bay graduated in an off the turfer at Churchill back in 2005, but has enjoyed the majority of his success on the lawn. Einstein finished sixth in his most recent attempt on the dirt in the GI Donn H. Feb. 2, but has annexed two wins at the highest level on the grass since, including the GI Gulfstream Park Turf S. Feb. 23 and the GI Woodford Reserve Turf Classic S. May 3. He looks like he sitting on a big effort here, firing a best-of-32 five-furlong bullet in :59 at Churchill June 8.

Killing 'em With Consistency...

If you can excuse **Grasshopper** (Dixie Union)'s fifth-place finish over a muddy going in the GI Pimlico Special H. May 16, he rarely runs a bad race. The blaze-faced colt put himself on the map with a game runner-up effort behind Street Sense in last year's GI Travers S. and became a graded stakes winner in the GIII Mineshaft H. Feb. 9. He nearly made it two straight when a close second to Circular Quay in the GII New Orleans H. Mar. 8, and followed with a distant second behind Divine Park in the GIII Westchester H. Apr. 30.

YEATS HEADS CUP LIST

Susan Magnier and Diane Nagle's **Yeats (Ire)** (Sadler's Wells) yesterday headed a field of 15 stayers remaining in Thursday's G1 Ascot Gold Cup. Successful in 2006 and 2007, the homebred seven-year-old may be joined by stable companions **Septimus (Ire)** (Sadler's Wells) and **Honolulu (Ire)** (Montjeu {Ire}) in the 2 1/2-mile feature, which could also include Khalid Abdullah's unbeaten four-year-old **Coastal Path (GB)** (Halling) from the Andre Fabre barn. Mountgrange Stud's G2 Yorkshire Cup winner **Geordieland (Fr)** (Johann Quatz {Fr}) and Rennstall Gestut Hachtsee's G1 Prix du Cadran scorer **Le Miracle (Ger)** (Monsun {Ger}), second and third 12 months ago, respectively, look set for a return, while Godolphin have left in the G1 St Leger fourth **Regal Flush (GB)** (Sakhee) and G1 Prix de l'Arc de Triomphe third **Sagara** (Sadler's Wells). Rookie trainer Simon Callaghan is hoping that Edward Kirtland's **Finalmente (GB)** (Kahyasi {Ire}), winner of the G2 Henry II S. May 29, can improve on his fourth to Yeats (Ire) last year. "Everything is going to plan and we'll head for the Gold Cup with Mick Kinane set to ride," Callaghan told *PA Sport* yesterday. "Obviously we are very hopeful, although, as ever, it'll be an extremely competitive race with the French horse and Yeats in there. They will both be tough nuts to crack, but we feel our horse has progressed from his win at Sandown and I think he's getting better."

Rain Hits Ascot...

Ascot's Clerk of the Course Chris Stickels was yesterday counting the cost of heavy rainfall at the Berkshire venue. "We were expecting five to six millimetres of rain, but got 11 overnight and the going is good, with good-to-soft places," he explained. "I'd be happy with that at the moment as it removes the necessity to water at this time. Ideally, we look to produce a mixture of good and good-to-firm going."

☆ NEWS TODAY ☆

FAWN RETURN IMMINENT Aidan O'Brien is set to saddle last year's filly phenomenon **Peeping Fawn** (Danahill) in the June 28 G1 Pretty Polly S. at The Curragh. Michael Tabor and Susan Magnier's four-year-old captured the race 12 months ago before adding the G1 Irish Oaks, G1 Nassau S. and G1 Yorkshire Oaks to her tally and is ready for her seasonal debut. "She worked after racing at Leopardstown on Wednesday evening and the plan is to possibly start her off in the Pretty Polly at the Curragh," the Ballydoyle conditioner told the *Racing Post*.

Rahy

DANCING FOREVER Digs In for G1 Win

Rahy's newest Grade 1 winner is DANCING FOREVER (03 h. o/o Dancinginmydreams, by Seeking The Gold), who won the Manhattan H. [G1T] at Belmont by a nose on June 7 in a determined fight to the finish. Rahy's 42nd graded stakes winner is WALZERTRAUM (05 c. o/o Walzerkoenigin, by Kingmambo), who won Germany's Tote Bavarian Classic [G3] on June 8 on the turf by 3/4 of a length. The winner has now won two of three lifetime starts and is pointed toward the G1 Deutsches Derby later this summer in Germany. Owner/Breeder: Gestut Schlenderhan.

Sky Mesa

The Sky is the Limit for Impressive 1st Time Starter SKY HAVEN (06 f. o/o Shouldn't We All, by Woodman) blew her competition away in her first lifetime start, winning a 4-1/2 f., \$47,500 maiden special at Presque Isle on June 11 by a **widening 7 lengths**. The win, in which she overcame interference and showed her potential, gives her \$30,000. Owner: Elite Racing Company. Breeder: Daniel M. Ryan. [Chart](#)

Ginger Punch, second in this race last term, will be heavily favored to go one better this year. Last seen annexing the GII Louisville S. at Churchill May 2, she is coupled with GII Rampart H. victress **Spring Waltz**. The speedy **Cowgirls Don't Cry**, cross-entered in the GII Fleur de Lis H. at Churchill, reached a career high last time, posting a 101 Beyer Speed Figure in the GII Shuvee H. May 17. "Ginger Punch will be the big favorite, and it's a tough race," trainer Kiaran McLaughlin said. She has bounced back well from her dismal showing in the GIII Next Move H. Mar. 29, where she finished fifth, beaten 55 3/4 lengths. "Three starts ago, when she was beaten 55 lengths, her jockey took her back and fought her, and she hated it," McLaughlin continued. "But she's been doing well."

Hystericalady will be odds-on in this small field. After wiring the field in the GIII Azeri BC S. Mar. 9 at Oaklawn, the chestnut came up a head short when third in her title defense of the GI Humana Distaff S. on the Kentucky Derby undercard. "She has put on weight since she ran here and looks good," said assistant Galen May said. "And we know she likes this track." **Kathleens Reel**, a half to GSW Cool Coal Man, comes in off a third in the GIII Sixty Sails H. Apr. 19 at Hawthorne. "It's a step up, but we are hoping to grab all we can here," trainer--and former jockey--Ray Sibille told *Daily Racing Form*.

Old Man Buck faces the starter for the first time since capturing the Grand Canyon H. over the yielding Churchill sod Nov. 24. Prior to that, the chestnut took the Miller Lite Cradle S. on turf at River Downs Sept. 3 and finished third in the GI Lane's End Breeders' Futurity on Keeneland's Polytrack Oct. 6; he also ran sixth in the GI Breeders' Cup Juvenile at Monmouth Oct. 27.

After two scintillating wins at Fair Grounds, **Pyro** lost some of his luster when struggling home 10th over Polytrack in the GI Toyota Blue Grass S. Apr. 12 at Keeneland. The dark bay followed that with an eighth in the GI Kentucky Derby May 3, but has breezed well since. "We're just hoping to get back on track in this race," trainer Steve Asmussen told *Daily Racing Form*. "I was definitely disappointed with his Derby, so we've

just backed up, tried to freshen him up. We'll try to have a very good second half of the year with him." He'll need to summon his late punch to reel in **Recapturetheglor**y, the wire-to-wire GI Illinois Derby hero who was a brave fifth in the Run for the Roses. The speedy colt will break from the rail in his first start since. "He had a bruised foot that didn't show up until a week after the Derby," said exercise rider Lara Van Deren. "The fever he spiked the day after he got it and was OK, but there was no way he could have run in the Preakness [May 17]. There is no telling how long that would have knocked him out."

WHY TDN ALERTS?

"If you're reading this online or off your fax machine, you're too late! TDN alerts would have already arrived with the news you need to know, and only what is newsworthy enough to send."

ADRIANO TO MOTT Courtlandt Farm's GII Lane's End S. winner **Adriano** (A.P. Indy) has been transferred to trainer Bill Mott, according to the *Blood-Horse*. Adriano finished a disappointing 19th in the GI Kentucky Derby. Courtlandt Farm head Don Adam also transferred 11 others from Motion's care. "He took all 12 of his horses away," Motion told the publication. "It's very disappointing, but I'm starting to recover. I'll be sick for a while watching all the horses run in big stakes. We've won 19 stakes for him in the last few years. It's a funny old game. It was rough on the stable; some of the crew were in tears. But, it's happened to all of us."

SESSION TOPPER AT \$310,000!

(Magic Millions National Weanling Sale, 29th May)

First-Season Success...

Damon Gabbedy (pictured right) was pleased to take home yesterday's National Sale topper, a colt from the first crop by champion and MG1SW **ORATORIO** (Ire) (Danehill). "He's just an outstanding individual," Gabbedy said after signing the ticket on hip 530. "He'd be the nicest weanling I've seen anywhere this year. He's by a very exciting first-season sire."

The colt was offered by his breeder, Ilala Stud's **George Fraser** (pictured left). "Right from the time he was foaled, he's been an absolutely outstanding individual," Fraser commented. "I thought he could make a good price, but **A\$310,000** is just a brilliant result... after producing such an outstanding foal by **ORATORIO**, we booked her back to visit him again this season," Fraser added.

 **NORTH AMERICA** 

NYCOTB TAKEN OVER BY NY STATE New York State Governor David Paterson announced yesterday that the state is assuming control of New York City Off-Track Betting Corporation. The deal came just two days ahead of a shutdown of all OTBs threatened by New York City Mayor Michael Bloomberg. Encompassing some 60 locations throughout the city's five boroughs, NYCOTB handles just over \$1 billion in wagers on an annual basis. The agreement in place calls for the state to take over NYCOTB over the next 90 days, and a board to be filled by Paterson appointees is to be created. The takeout on all bets will increase by one percent. Other financial details were not disclosed, though Paterson assured the operation will become profitable through structural changes. Bloomberg had indicated that he would shut down the OTBs June 15, citing the company's inability to operate in the black. Under a proposed plan by the Mayor which, among other things called for a change in the way NYCOTB shared revenues with other entities, the New York Racing Association stood to lose \$13 million. The deal which was struck yesterday could ultimately lead to a consolidation of other OTBs throughout New York state. The new entity, which is likely to be called Empire State Off-Track Betting Corp., will see its headquarters shifted from Midtown Manhattan to a location at Aqueduct Race Track. The Governor also used the opportunity to announce Senator John Sabini, a Democrat from Queens, as his choice to become the chairman of the New York State Racing and Wagering Board, a nomination which requires the approval of the Senate.

We are delighted and excited to see her begin her new career as a broodmare." On the board in eight of 15 starts, Arravale retires with five wins and earnings of \$1,129,697. Mint Lane, an 8 1/2-length winner of an optional claimer over Aqueduct's inner track Mar. 26, came up a grudging head short of Icabad Crane in the Federico Tesio S. Apr. 19 at Pimlico. Dismissed at 18-1 in the GII Peter Pan S., the bay colt set the pace before completing the exacta behind Casino Drive, with Ready's Echo third. Those efforts only made him the second choice in this spot, however, due to the presence of ☆ **"TDN Rising Star"** ☆ Unbridled's Heart. That grey colt broke awkwardly as Mint Lane jumped out cleanly to set splits of :23.99, :47.49 and 1:11.70. He floated a bit wide coming off the turn, but kicked clear from his rivals under a hand ride for his first stakes success. Though Unbridled's Heart raced in third and had plenty of room to rally up the rail, he tired in the final sixteenth on his way to a third-place finish. **Click for the brisnet.com chart. The addition of blinkers didn't attract much interest at the windows here, and she was let go at 32-1. Unhurried early, the dark bay left her old form behind as she made a four-wide move to seize the lead late and drew off to graduate by 2 3/4 lengths. Right Place (Petionville) passed 2-5 pacesetter Anachronism (Yonaguska) to finish second. The winner was a \$130,000 KEESEP yearling. Lifetime Record: 8-1-0-2, \$45,230.

Winning Colors made history with her front-running score in the 1988 GI Kentucky Derby, but the big grey's offspring in the ensuing years didn't add to her legend prior to her death this past February. That may have changed in the form of Gainesway homebred Ocean Colors, who has inherited her dam's color and, apparently, her style of running as well. Sent off as the 3-2 second choice, the grey broke like a shot and held a narrow advantage through the opening three-eighths of a mile. She shook loose from favored Jehan (Forest Wildcat) in midstretch and pulled away readily to hand that rival a 5 1/4-length defeat. "She sure has a lot of class," said trainer Steve Asmussen. "I didn't know she'd be that fast from the [starting] gate. Who knows how good she might be?" The winner is a half-sister to Golden Colors (Mr. Prospector), SP-Jpn, \$509,963. Eight Belles Wristband Fundraiser Rescues Seven:

Fox Hill Farm and Midatlantic Horse Rescue have raised approximately \$15,000 through donations and wristbands sold in honor of Kentucky Derby runner-up Eight Belles. The fundraiser helped MAHR save seven horses from slaughter last month. The group attended the May 19 New Holland sale with an eye out for a gray Thoroughbred mare who was in danger and outbid a slaughter buyer at \$450 to rescue the seven-year-old **Wheels of Stars** (Greggie's Wheel). Also in May, MAHR rescued **Dr. Hector** (Texas Glitter), **Choice Request** (Valid Request), **Fast Movin Fini** (Fini Cassette), **Pops Dark Secret** (Mesopotamia), **Skip'n True** (Is It True) and **Socies Girl** (Rock Point).

Steroid Rule Adopted by Steeplechase Association:

A rule banning the use of all androgenic and anabolic steroids has been adopted by the National Steeplechase Association, effective Sept. 1. Four therapeutic medications--stanozolol (Winstrol), boldenone (Equipoise), nandrolone (Durabolin) and testosterone will be allowed at trace levels. "It's really unavoidable at this stage; with all that is going on in the world of Thoroughbred racing, we just felt the need to follow suit and be proactive," said NSA's Director of Racing Bill Gallo. "The rules are based on the Mid-Atlantic guidelines and when they made the move we felt it was the right thing to do and follow them. We actually use the same testing lab as Delaware Park and we typically follow their lead, so this made a lot of sense."

JUDDMONTE TARGET FOR ‘NAME’ Khalid Abdullah’s **Famous Name (GB)** (Dansili {GB}) is being aimed at the G1 Juddmonte International S. at York, connections announced yesterday. The G1 Prix du Jockey-Club runner-up is currently enjoying a rest before a tilt at the Aug. 19 10-furlong contest. “He ran such a fantastic race from a dreadful draw and we think that probably a mile and a quarter is his best trip,” the owner/breeder’s Racing Manager Lord Grimthorpe said yesterday. “He’s having a break at [trainer] Dermot [Weld]’s now, but he’s in very good form turned out and he’ll be brought back with the Juddmonte in mind.”

‘DOCTOR’ HAS OPTIONS Khalid Abdullah’s G1 Epsom Derby fourth **Doctor Fremantle (GB)** (Sadler’s Wells) will tackle either the June 29 G1 Irish Derby at The Curragh or Longchamp’s G1 Grand Prix de Paris July 14, connections announced yesterday. Beaten 6 1/2 lengths by New Approach (Ire) in last Saturday’s 1 1/2-mile Classic, the homebred has come out of that run “really well,” according to the owner/breeder’s Racing Manager Lord Grimthorpe.

www.sportinglife.co.uk

“He ran a superb race, as he was a little bit wider than Kerrin [McEvoy] wanted and got to the front a little bit soon,” he said. “He has the Grand Prix de Paris and Irish Derby as options and although strictly on the Derby form he might have a better chance in Paris, you never know. He has come out of the race really well and we’ve got no complaints with finishing fourth.”
