NICE JOB, SONS:
SMART STRIKE - CURLIN: Stephen Foster H.
MINESHAFT - COOL COAL MAN: Spend A Buck S.
BELONG TO ME - AUCTION WATCH: Alphabet Soup H.

CASH MACHINE

At this rate, **Curlin** (Smart Strike) will break the \$10-million mark in his next start. The big chestnut worked his way out of a pocket in yesterday's GI Stephen Foster H. before drawing off to another big payday; his average earnings per start stand at \$783,066. "Kentucky horsemen appreciate this horse," said co-owner Jess Jackson. "What he stands for is a classic champion, and we'll see how great he is because he is not fully defined." **Cont. p2**

LADIES' DAY

It's not just about Curlin. The fairer sex was in action throughout the country yesterday as well, with a pair of former champions and a brace of 2007 Grade I winners getting their pictures taken.

Hystericalady (Distorted Humor) romped home in the GII Fleur de Lis H. at Churchill (see p4), just about 1 1/2 hours before her Breeders' Cup conqueror **Ginger Punch** (Awesome Again) mirrored that effort in Belmont's GI Ogden Phipps H. (p3).

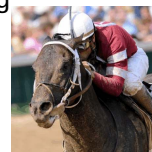

Unbridled Belle (Broken Vow) made a facile return to the races in the GIII Obeah H. at Delaware Park (p6), and 2006 champion two-year-old filly **Dreaming of Anna** (Rahy) continued to shine on the turf with a front-running score in the GIII Mint Julep H. at Churchill.

PYRO FIRES BACK

Giving trainer Steve Asmussen the first leg of a lucrative stakes double at Churchill, **Pyro** (Pulpit) got back on track with a determined score in the GIII Northern Dancer S. "Hopefully, this is the first step to a very good second half of the year," Asmussen commented. **Cont. p5**

The Stakes record for Santa Anita's G2 San Felipe had stood for 26 years. Not even Point Given, Fusaichi Pegasus and the mighty Affirmed could lower it. Consolidator stopped the clock at 1:40 flat. Now that's fast.

TDN Feature Presentation... Continued
GRADE 1 STEPHEN FOSTER H.

Curlin could only manage third in his first venture under the Twin Spires, the GI Kentucky Derby last May, but he turned the tables on Street Sense to take the GI Preakness S. two weeks later. He endured two more defeats--a second in the GI Belmont S. and third in the GI Haskell Invitational--before trumping all comers in the GI Jockey Club Gold Cup and GI Breeders' Cup Classic, thereby sealing Horse of the Year honors. Kept in training this season while his peers were embarking on their stud careers, the powerfully built colt kicked off with an easy handicap score at Nad al Sheba, then built off that to triumph in the world's richest race, the \$6-million G1 Dubai World Cup Mar. 29.

The 128-pound heavyweight broke cleanly from the rail and saved ground in fourth as East Coast shipper **Barcola** set comfortable fractions of :25.01, :49.28 and 1:13.41. Jockey Robby Albarado began looking for a place to send the heavy favorite entering the far turn, but **Sam P.** (Cat Thief) kept him pinned inside. It didn't really matter, though. An inviting spot opened up as the field fanned out turning for home, and Curlin was soon in front. Albarado continued to hand ride the star to the wire; his former stablemate, **Einstein**, nipped Barcola for second. "He's showing that he is a superstar," Albarado offered. "He prevailed for the fans and I'm proud of him; he's an amazing horse--amazing athlete." The reinsman added, "He fulfilled a lot for me--taking me across the world and back. And I just look forward to the rest of the year and, hopefully, we can do it again for everyone." There's no word on what his next start might be, but Jess Jackson has mentioned that a tilt at the G1 Prix de l'Arc de Triomphe at Longchamp Oct. 5 isn't out of the question.

Ginger Punch, second by a neck in last year's Ogden Phipps, earned Eclipse Award honors after collecting trophies in the GI Breeders' Cup Distaff, GI Ruffian H. and GI Go for Wand H. The Florida-bred kicked off 2008 with a romp in the Sunshine Millions Distaff Jan. 26 at Gulfstream, but was brushed aside by the streaking Zenyatta and wound up third in the GI Apple Blossom H. Apr. 5 at Oaklawn. She bounced back to take the GI Louisville H. May 2 over a wet-fast Churchill strip despite jumping tracks in the stretch, and loomed a heavy favorite in this return to New York. After cruising along in third as Mistical Plan showed the way, the chestnut moved up to make a race of it approaching the stretch. She quickly took over and was hand-ridden to the wire. "They talked about retiring her last year, but I said, 'She's pretty sound. Why not keep her in training?'" said winning trainer Bobby Frankel. "She's not the prettiest filly in the world, but she's got a heart the size of an elephant and that's what counts." Never worse than third in as many Polytrack outings at Turfway this winter, Tizdejavu came up a half-length short when third in an all-weather allowance at Keeneland Apr. 12. His connections opted to try him on the grass in the GIII Crown Royal American Turf S. over this course May 2, and the Cooper/Ziebarth homebred pulled off the gamble at 21-1 in wire-to-wire fashion. Sent off as the second choice this time, the bay colt bowled along on the front end, setting fractions of :48.06 and 1:12.31. He skimmed dangerously close to the hedge turning for home, but that was the only anxious moment for jockey Garrett Gomez, who kept his mount busy in the final furlong. "This colt has nice, huge stride," said Gomez. Trainer Greg Fox was thrilled with his colt's effort. "I think his performance speaks for itself. We are going to enjoy this victory now [before committing to the next race]. He has plenty of options."

Hystericalady, heroine of the GI Humana Distaff H. last May, capped 2007 with a narrow loss to champion Ginger Punch in the GI Breeders' Cup Distaff at Monmouth. Fourth to Intangaroo as the 1-5 chalk in the GI Santa Monica H. Feb. 2, the chestnut snapped back to form in the GIII Azeri BC H. at Oaklawn Mar. 9, but finished a head behind Intangaroo when third in her Humana Distaff defense May 3. With Garrett Gomez in the irons for the first time, the five-year-old sat in second through a half in :49.69. She took over shortly thereafter and began to open up in front of the stands. Gomez took a few peeks to see if there were any threats, but saw nothing and geared down the odds-on choice approaching the wire. "This is the first time I have ridden her and she is a nice, nice mare," said Gomez. "She gave me a little more kick than I was expecting."

Heroine of the 2006 GI Breeders' Cup Juvenile Fillies on dirt under the Twin Spires, Dreaming of Anna regrouped on turf during the second half of 2007 with three stakes successes, including the GIII Pucker Up S., and finished up the year with a second in the GI Queen Elizabeth II Challenge Cup at Keeneland. The chestnut began this season by sweeping Tampa's GIII Endeavour H. Feb. 16 and GIII Hillsborough H. Mar. 15, but ceded the early advantage to Bayou's Lassie in the GIII Distaff Turf Mile May 3 and settled for second. The odds-on homebred set out in front and never looked back, forging clear in the final furlong. "The [GI] Beverly D. [Aug. 9, Arlington Park] is one of the races we have targeted for her and after today, obviously she is headed in the right direction," said winning trainer Wayne Catalano. "She will leave [Sunday] to go back to Chicago." [Click for the brisnet.com chart or the brisnet.com PPs.](#) [Video, sponsored by Taylor Made.](#)

catching scores in the GIII Risen Star S. Feb. 9 and the GII Louisiana Derby Mar. 8 attracted the attention of Darley, which secured the colt's breeding rights. However, Pyro finished a desultory 10th over Polytrack in the GI Toyota Blue Grass S. Apr. 12 at Keeneland, and an eighth-

place effort in the GI Kentucky Derby three weeks later didn't do much to restore his luster. Away alertly in his first start back, the handsome dark bay was caught in a bit of traffic heading into the first turn, but settled into an easy rhythm in third as Texas Wildcatter (Monarchos) led from My Pal Charlie. He angled out approaching the stretch and rallied in tandem with Visionaire before assuming control in midstretch. "He was coming off two extremely disappointing efforts for a top-class horse," admitted winning trainer Steve Asmussen. "This was a quality field today, and he handled what was thrown at him. He was a lot sharper in the race and looked comfortable the whole time. Hopefully, we can map out a schedule that has some important races in it for three-year-olds for the year."

Recapturetheglory (Cherokee Run), making his first start since finishing fifth in the Kentucky Derby, missed the break and lacked running room at the quarter pole before finishing fourth.

Pure Clan began her career on turf, taking an Ellis maiden and a Keeneland allowance, before making a very profitable move to the main track. Group. Her perfect record came to an end this spring at Oaklawn when she ran second and third, respectively, to the ill-fated Eight Belles in the Mar. 16 GIII Honeybee S. and Apr. 6 GII Fantasy S. In the GI Kentucky Oaks contested over a sloppy track May 2,

Pure Clan was caught four wide before settling for third, and the decision was made to put her back on the grass. With Julien Lejaroux back in the irons here, the even-money chalk saved ground in third as the grey fillies Zee Zee and C J's Leelee alternated up front. Pure Clan angled out turning for home, put away the pace-setters and kicked clear smartly for a popular score. The Kentucky-based filly will almost certainly be getting on a plane for her next start. "I think I know where we will be spending the Fourth of July [at Hollywood Park 10-furlong GI American Oaks July 5] if we get an invitation," said winning trainer Bob Holthus. "She has trained well on the grass since the Kentucky Oaks, and her last work was just awesome. We felt all along that her action was better suited for the grass than the dirt." As for C J's Leelee, trainer Ken McPeck said, "She ran a great race. Robby [Albarado] did a great job. We've been beat two lengths to her twice--once on the dirt [in the Golden Rod] and now on the turf. They're classy fillies. We just hooked a tough one in Pure Clan."

Sept. 30 at Belmont before finishing a troubled fifth to the Eclipse Award winner in the GI Breeders' Cup Distaff Oct. 27 at Monmouth and hadn't been out since. Unbridled Belle was sent off at 3-5 here, but made that look like money in the bank. The rangy mare set out in front, carving out fractions of :24.10 and :48.15. Social Queen graduated in her fifth start on dirt last May at Delaware and, two tries later, was successfully switched to turf in an allowance score over this course in July. She promptly added the Staybridge Suites S. at the Jersey Shore Aug. 4, but was sidelined following a seventh in the Twin Lights S. Sept. 2. The bay resumed her career with a 7-1 victory in the Politely S. over this familiar surface on Memorial Day and was the second choice here.

After lingering at the back of the pack in the early stages, the four-year-old swung to the outside entering the stretch and outkicked Chestoria for her first graded tally. "She's a really nice filly, a push-button horse," said winning rider Jose Lezcano. "I started to ask her going into the far turn, and when I called on her, she really kicked in." Winning trainer Al Goldberg added, "That was her second start in three weeks, so we'll give her a little break and try her in the [GIII] Matchmaker [Aug. 3]." Fifth in his belated debut at Saint-Cloud last September, Crossharbour closed 2007 with a conditions win at Compiègne the following month and opened this campaign with a victory at Fontainebleau Mar. 31. Lining up off a May 6 victory at Saint-Cloud, he was settled in fifth for most of this pattern-race bow. He was urged into contention off the home turn, hooked up with Spirit One at the distance and kept on well under a sympathetic drive to deny that game rival nearing the line. "He was a late maturing three-year-old, but has done nothing wrong since his first run at Saint-Cloud last year," said a Juddmonte representative. "Like most of the family, he likes good ground and he quickened nicely off a fast pace. He has improved with every run so why not more improvement to come? Andre Fabre will decide which race to go for after discussing the matter with Prince Khalid and [racing manager] Teddy Grimthorpe."

Dancer's Daughter had made an impact at Kenilworth when winning the Jan. 5 G1 Paddock S. and the G1 Majorca S. three weeks later, but flopped when trailing in 11th in Scottsville's G1 SA Fillies Sprint a fortnight ago. Favored by this step back up to a mile, the grey showed she can mix it with the colts with a career-best success here to possibly book her ticket to the Durban July. Rank in the early stages behind the leading trio, she unleashed her challenge down the outside in the straight and swept past Buy and Sell passing the furlong pole before asserting from the closing Imbongi. Trainer Justin Snaith was glowing in his tribute afterwards. "She's top class," he told *sahorseracing.com*. "This is one of the best fillies this country will see. I can't tell you how good this filly is and what the jockeys say about her. When we left Cape Town, I said this filly will be a big runner in the July. I am a little nervous about her settling--we're going to have a meeting and decide where to go, whether running in the July is the right option for her. This is a very valuable filly, and there's a long way to go with her. Her campaign will go from here to Dubai and other places. That's how highly we rate this filly."

'LOOK' HEADS CORONATION ENTRY

Khalid Abdullah's **Modern Look (GB)** (Zamindar) yesterday headed a field of 15 fillies remaining in Friday's G1 Coronation S. Fourth in the G1 Poule d'Essai des Pouliches at Longchamp May 11 before winning the G2 Prix de Sandringham at Chantilly June 1, the David Smaga-trained sophomore was reported firmly on course for her British bow by the owner/breeder's Racing Manager Teddy Grimthorpe. "She is the top-rated horse in the race and is in very good nick," Grimthorpe said. "She is very straightforward and has done very well since Chantilly, where she won as comfortably as she should have done. But even without Natagora (Fr) and Zarkava (Ire), this is a high-class race." Heading the home opposition is the Cheveley Park Stud-owned pair of **Spacious (GB)** (Nayef) and **Infallible (GB)** (Pivotal {GB}), second and fourth, respectively, in the G1 1000 Guineas at Newmarket May 4, while the third-placed in that Classic, **Saoirse Abu** (Mr. Greeley), also featured in the list. She may be joined by **Lush Lashes (GB)** (Galileo {Ire}), also from the Jim Bolger stable, while the Irish contingent is strengthened by three of the first four home in the G1 Irish 1000 Guineas in **Mad About You (Ire)** (Indian Ridge {Ire}), **Caribbean Sunset (Ire)** (Danehill Dancer {Ire}) and **Tuscan Evening (Ire)** (Oasis Dream {GB}). Only Mohammed Al Shafar's G3 Premio Regina Elena (Italian 1000 Guineas) winner **Love of Dubai** (More Than Ready) was supplemented at yesterday's stage; she will represent the Clive Brittain barn.

In the G2 King Edward VII S. on the undercard, Anthony Oppenheimer's **Bronze Cannon** (Lemon Drop Kid) headed a field of 19 after Alan Spence's G3 Chester Vase runner-up **All the Aces (Ire)** (Spartacus {Ire}) and Ballymacoll Stud's impressive Epsom handicap scorer **Conduit (Ire)** (Dalakhani {Ire}) were supplemented at a cost of £20,000 by trainers Michael Jarvis and Sir Michael Stoute, respectively. Bronze Cannon beat subsequent G1 Epsom Derby fourth Doctor Fremantle (GB) in a Newmarket handicap Apr. 17 before following up at the same track and level May 25. "Everything's fine and he'll go to Ascot," the owner/breeder's Racing Advisor Hugo Lascelles told *PA Sport*. "I should think the ground will be fine for him at Ascot, as long as it's not too slow--if it was soft he wouldn't run." Aidan O'Brien has five entries, including G3 Gallinule S. scorer **Hebridean (Ire)** (Bach {Ire}), while Godolphin have a sole contender in G3 Lingfield Derby Trial third **Campanologist** (Kingmambo).

Oaks d'Italia preview cont.

This Classic has been dominated by overseas challengers in recent years, with no fewer than 13 renewals having been taken away since 1990. Chief among the foreign contingent this time are **Counterclaim**, who was runner-up to subsequent G1 Prix de Diane fifth Satan's Circus in the Listed Prix Caravelle at Toulouse last time Apr. 25; and **Presbyterian Nun**, whose third behind Miracle Seeker (GB) and Look Here (GB) in the May 10 Listed Lingfield Oaks Trial was made to look markedly better after the runner-up's subsequent romp in the G1 Epsom Oaks. From Germany, Peter Schiergen ships in the Listed Henkel Trial runner-up **Goose Bay**, and she will bid to provide her trainer with a second renewal following the exploits of Guadalupe (Ger) six years ago. Of the domestic runners, the Listed Premio Seregno winner **Fairy Efisio** boasts the strongest form, having been third in the G3 Premio Regina Elena at the Capannelle May 18, but has stamina to prove.

Thoro-Graph Race of the Week
by Jerry Brown

For sheets and complete Thoro-Graph data on the Race of the Week, click [here](#).

Sunday, Hollywood Park, post time: 7:50 p.m. EDT

AFFIRMED H.-GIII, \$100,000, 3yo, 1 1/16m

PP	HORSE	SIRE	ODDS
1	Two Step Salsa	Petionville	2-1

The dark bay has moved forward off his last three starts, and won the Laz Barrera last time out in his best race to date. Young horses that improve gradually are less likely to bounce than ones that make a big jump, and Two Step Salsa hasn't done anything wrong yet. He tries two turns today, but his pedigree is at least distance neutral (*see sire profile*), so we expect him to at least pair his last. Since he also has speed and the rail, that makes him pretty tough.

2	Trevor's Clever	Stephen Got Even	8-1
---	-----------------	------------------	-----

Was relatively slow as a two-year-old, but developed a lot this year, winning a stake last time out. He didn't run too fast that day either, and only won because he saved ground on both turns (1w1w, upper left). He's too slow to compete here.

3	Exuma	Ecton Park	15-1
---	-------	------------	------

Got a late start, moved forward nicely in his third start, and basically reproduced that effort in his last. This guy isn't as fast as several others, but he's about 50/50 to run a new top, which could get him into the exotics.

4	Ez Dreamer	In Excess (Ire)	8-1
---	------------	-----------------	-----

Is heavily raced and very solid, and his sire, In Excess, gets early developers (*see sire profile*), so we don't expect too much more development. This colt is the same on grass and dirt, and the competition is easier on turf, so that's where his future lies.

5	Tres Borrachos	Ecton Park	5-1
---	----------------	------------	-----

Shows another type of healthy Thoro-Graph pattern--he has run a new top in every other start, with bounces in between. His figure in the Arkansas Derby was the best anyone in this race has run, and while he might have bounced in the Preakness regardless, he also had a pretty rough trip (*see trip comments*). With four week's rest, there's every reason to believe this gelding will run his best now.

6	Bingham	Monarchos	10-1
---	---------	-----------	------

Showed promise at Turf Paradise, and paired his top in a better-than-it-looked effort first time for Mullins. This gelding is very similar to Exuma, and also could get a piece of the exotics.

7	Dixie Chatter	Dixie Union	5-2
---	---------------	-------------	-----

He won a Grade I last year, but only because the California juvenile division was so weak--his figures were just okay. His recent return was better than it looked, the best race of his life. There's nothing wrong with his pattern, and he could even be ready for a new top--but Dixie Chatter is slower than a couple of others here, carries high weight and drew outside, so we'll look elsewhere.

8	Wind's Legacy	Millennium Wind	8-1
---	---------------	-----------------	-----

Was solid late last year, and ran a new top in his belated seasonal debut. It's tough to tell how much that effort took out of him and which way he'll go now, but the post doesn't help.

Bottom Line--It looks like the Affirmed will have a Latin flavor, with Two Step Salsa and Tres Borrachos fighting it out.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor, and Grade I-winning millionaire Student Council--a total of 77 horses who have gone on to win stakes for their clients. Additionally, three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

Winner of the G3 Winter Hill S. in 2006 for Sir Michael Stoute, Tam Lin was twice placed at the listed level in 2007 before closing out her European career with a fifth in the Listed August S. at Windsor Aug. 25. Slowly away in a Mar. 15 allowance over the Tampa Bay turf course, the bay was most recently a good third in this track's Volponi S. May 11. Well held while racing on the outside of horses down the backstretch, Tam Lin ranged out three wide into the stretch and got his nose down on the wire just ahead of odds-on Cosmonaut.

A disappointing ninth in the GI Toyota Blue Grass S. at Keeneland Apr. 12, the bay was last seen finishing a distant 15th in the GI Kentucky Derby on the first Saturday in May. Posted three wide here just off the speed, Cool Coal Man got the jump and took a narrow advantage while still a bit deep into the lane. Restricted to handicap company after graduating over the Kempton Polytrack last June, Cedar Mountain left a favorable impression in his U.S. debut, rallying from next to last to finish runner-up in a 10-furlong allowance over the Santa Anita turf Oct. 13. Put away following that effort, the homebred resurfaced with a close third-place effort to Papanonie (Broken Vow) in a 1 1/8-mile Santa Anita allowance Apr. 19, but bounced back with a four-length score in a 12-furlong test over this course May 7. Last past the stands the first time and down the backstretch the second, Cedar Mountain challenged four wide on the final turn, overtook Transduction Gold nearing the eighth pole and pulled clear to a convincing victory.

The 9-10 chalk to get it right this time around, the homebred chased Wink at the Girls (Halo's Image) from second, overtook that one nearing the final furlong and inched away to a 1 1/4-length victory. FOUR PAWS (f, 3, Petionville--Forest Cat, by Storm Cat) had a pair of runner-up efforts from four previous appearances and gave a good account of herself in her latest, leading late before yielding grudgingly to miss by a neck. Part of a favored entry here at 2-1, the Nielsen runner was content to lay just off the early pace, went after the lead at midstretch and went on to a 3/4-length victory over Alley Theater (Theatrical {Ire}). Freshened following that effort, he resurfaced with an eighth-place finish over the Hollywood Cushion July 7 and was sidelined again. Sent off at 4-1 in this four-horse field, he sped out to a clear early lead, was headed in the stretch, but fought back to post a head victory over Cavanal (Sky Mesa). He resurfaced with a second-place finish going down the hill in the Sensational Star H. Apr. 4, then completed the trifecta at 30-1 in the GIII Los Angeles H. May 10. Hustled to the lead here, he rattled off fractions of :21.81 and :44.31, opened up a clear lead in the stretch and held the runner-up safe.

Grade I winner **Georgie Boy** (Tribal Rule), taken out of training after winning the GII San Felipe S. in March, has returned to Kathy Walsh's barn at Hollywood Park, *Daily Racing Form* reports. The Cal-bred sustained a pulled muscle in his hindquarters while prepping for the GI Santa Anita Derby. "You err on the side of caution," Walsh told *DRF*. "You want to make sure what you're doing is right." The George Schwary homebred should be ready for action in a few months...GI Las Virgenes S. heroine **Golden Doc A** (Unusual Heat) will be given a vacation following her last-of-four finish in the GI Acorn S. at Belmont last Saturday, according to *DRF*. The chestnut was turned out upon her return to California...**Shamdinan (Fr)** (Dr Fong), winner of the GI Secretariat S. and second in the GI Breeders' Cup Turf last year, has been sidelined with an undisclosed injury. The four-year-old finished fifth in a one-mile allowance on the turf at Hollywood last out May 10. "We've turned him out for about six months or so," trainer Dan McFarlane told *DRF*. "It's not a big issue."

New England Turf Writers Elect Hall of Fame of '08:

The New England Turf Writers Association elected its class of 2008, which will be honored along with the 2007 NETWA award winners at the organization's Annual Awards Dinner Monday, July 14 at the Damversport Yacht Club in Danvers, Ma. The class consists of multiple Champion Timely Writer; trainer George Handy and track announcer Jim Hannon. The panel of voters consisted of current active NETWA members, and a two-thirds majority among the voters was required for election. After launching his career at Suffolk Downs in East Boston, Timely Writer took the 1981 GI Champagne S. and GI Hopeful S. at two before adding scores in the GI Flamingo S. and GI Florida Derby the following season. The names of this year's inductees will be added to a plaque that is on permanent display in the New England thoroughbred racing exhibit at the Sports Museum, located in the TD Banknorth Garden. Improving off a debut second at Warwick Mar. 24, Percolator duly obliged on the Polytrack at Lingfield one week later and posted an impressive course-and-distance success last time May 5. Like lightning from the gate here, she maintained control throughout and was pushed clear of toiling rivals inside the final quarter mile to register a career high with aplomb. "I bred this filly and couldn't be happier with the result," said winning owner/breeder Henry Robinson. "We came back to France on the recommendation of [trainer] Paul Cole and it was a wise decision. She's really fast and now goes back to England. We're not ruling out a crack at the [June 18 G2] Queen Mary S. at Royal Ascot next week, but everything will depend on how she comes out of this race. Once again, I will rely on the trainer's advice for that."

Trainer Henry Candy has the ultimate yardstick in Kyllachy (GB) to measure against and has never made any secret of his regard for Corrybrough, who he hopes will one day emulate his sire's success in the G1 Nunthorpe S. Breaking his maiden at Windsor in October, the burly chestnut returned to capture a competitive course-and-distance handicap Apr. 25 before following up at Beverley 17 days previously. Breaking sluggishly in now customary fashion under Ryan Moore, he was guided wide for an uninterrupted run and duly reeled in Inxile with 100 yards remaining for a comfortable score.

Brave Prospector ran fourth in last October's G3 Horris Hill S. at Newbury, but found life as a sophomore a difficult proposition in his first two starts this semester. Off the radar in a Doncaster maiden Mar. 28, he was last of 11 in the Apr. 16 Listed European Free H. at Newmarket, but found form with a handicap fourth behind Ancien Regime (Ire) over this shorter trip back on the Rowley Mile strip May 24. Up close in fourth from the bell in this one, he made smooth progress to lead approaching the final eighth and came under a late drive to ensure a first success. "He's a good horse who lost his way earlier in the year, but I've been very impressed with him at home recently," revealed winning rider Alan Munro. "We were drawn next to the speed, he travelled well and showed a good turn of foot too. The bit of rain [before racing] helped as it took the sting out of the ground."

ROAR SOLD; TO REMAIN IN ARGENTINA Argentina's 2004 leading sire **Roar** (Forty Niner--Wild Applause, by Northern Dancer) will return permanently to that nation where he previously shuttled for four seasons after he was recently acquired privately by Raul Lottero's Haras La Esperanza. The 15-year-old stallion, out of multiple graded-stakes producer and earner Wild Applause, stood the Northern Hemisphere breeding season at Tom and Nancy Clark's Rancho San Miguel in California for \$7,500. Winner of the GII Jim Beam S. and GIII Swale S., Roar, who shuttled to Argentina for the first time in 1997, stood through the 2004 Southern Hemisphere breeding season at Carlos Blaquier's Haras La Biznaga. The stallion, responsible for 42 stakes winners and 21 graded stakes winners, is also the sire of seven champions, and is the broodmare sire of Group 1 winners Stormy Vil (Arg) and Greco Tom (Arg). Through June 9, his progeny have earned purses totaling \$20,819,985. "We were highly motivated to pursuit Roar for the generosity he had demonstrated in our country as highly successful and proven sire," said Raul Lottero, owner of Haras La Esperanza and president of Argentina's stallion station La Mission, where the stallion will stand privately.
