YES IT'S TRUE Winners Last Week

FIRST DEFENCE BATTLES TO JAIPUR WIN

In search of a first graded stakes victory to add to an illustrious pedigree, **First Defence** (Unbridled's Song) had to dig deep to get the job done in yesterday's GIII Jaipur H. at Belmont Park. Out of the Grade I staked winning mare Honest Lady (Seattle Slew)--a daughter of the accomplished Juddmonte mare Toussaud--First Defence came out running and cruised through brisk early splits of :21 4/5, :44 4/5 and :56 3/5. Still on top by two lengths with an eighth of a

mile left to negotiate, the even-money choice found his advantage dwindling approaching the wire, but had enough left in the tank to eke out a head victory over **Salute the Count**. "I'm not sure if that family really likes it on soft turf," said trainer Bobby Frankel. "[Jockey] Javier [Castellano] said he bobbed a few times; hopefully, that's why he was stopping. He made an easy lead, but maybe it wasn't as easy as I thought. Watching him on the turn, it looked like he was going to gallop. At the end, I was looking for the wire." Winner of the 1 1/16-mile Long Branch BC S. at Monmouth last season, the colt finished a bang-up second to Hard Spun in the GI King's Bishop S. at the Spa before ending the season with a seventh in the GI Vosburgh last September. A neck winner going seven panels at Churchill May 3, the homebred tired to fifth last time in the GI Met Mile May 26. [Click for the brisnet.com chart](#) or the [brisnet.com PPs](#). ALL SET FOR ROYAL FEAST

Final fields were drawn up yesterday for the opener to Royal Ascot 2008, with the curtain-raising G1 Queen Anne S. attracting 11 headed by the Alain de Royer-Dupre-trained duo of **Sageburg (Ire)** (Johannesburg) and **Darjina (Fr)** (Zamindar). Aidan O'Brien starts the meeting off with a trio headed by Coolmore and Frank Tagg's **Haradasun (Aus)** (Fusaichi Pegasus), who provides the first taste of the ever-strong Antipodean presence. Twice a winner at the highest level in his native country, the five-year-old has built up a considerable reputation and this will be his first encounter with a fast summer surface since coming under the revered auspices of the Ballydoyle conditioner. "I think that he is very, very good, and on his day in Australia he had a terrific, unbelievable turn of foot, which very few horses possess and he was almost unbeatable," Tagg told *PA Sport*. "He is pretty exceptional and, hopefully, he can show the racing public at Ascot his true form." **cont. p2**

Three of the last five renewals of the King's Stand S., which is now a Group 1, have gone Down Under, and the latest edition has attracted the big Australian names once more. In addition to Haradasun, stalwart **Takeover Target (Aus)** (Celtic Swing {GB}) is back for owner/trainer Joe Janiak. The nine-year-old is joined by arch-rival **Magnus (Aus)** (Flying Spur {Aus}), who is set to run his last race for the Peter Moody team. Magnus was a place ahead of the veteran 12 months ago when third to Miss Andretti (Aus) in the five-furlong contest and his trainer is wiser to the challenge ahead this time. "He is in great shape and has traveled well," Moody said. "He ran a tremendous race in the King's Stand last year, but I think he came a little bit underprepared, as I wasn't sure how he would cope with the traveling and what training to do with him. This time round, we're targeting one race and he's come here a much fitter horse, so hopefully he can go out with a bang."

In the G1 St James's Palace S., O'Brien provides the first day's hottest favorite in Susan Magnier's **Henrythenavigator** (Kingmambo), who bids to follow in the illustrious footsteps of the stable's Rock of Gibraltar (Ire) by adding this prize to the G1 English and Irish 2000 Guineas titles. While only seven will take on the likely odds-on favorite tomorrow, they include the Wertheimer brothers' G1 Poule d'Essai des Poulains (French 2000 Guineas) hero **Falco** (Pivotal {GB}) and Khalid Abdullah's G3 Craven S. winner **Twice Over (GB)** (Observatory). Clerk of the Course Chris Stickels is expecting near-perfect starting conditions for the five-day extravaganza. "The forecast has been hit-and-miss and, although we could get showers during the week, we've had lovely drying days and it is getting quicker," he explained. "We aim to start on good-to-firm ground and, if we don't get any rain today, we'll be putting some water on the straight course to maintain it."

Harlem Rocker Out of Queen's Plate...

★ **"TDN Rising Star"** ★ Harlem Rocker (Macho Uno) will not contest Sunday's Queen's Plate at Woodbine, according to Mike Rogers, racing manager for

M. Burns photo

Stronach Stables, yesterday. Impressive winner of the Apr. 26 GIII Withers S., the grey crossed the wire fourth--beaten 5 3/4 lengths--in his latest start in the nine-furlong Plate Trial against Canadian-breds June 1. "That is the plan," said Rogers. "Frank [Stronach] thinks Harlem Rocker is better on the dirt, so that's why the decision was made." Trained by Todd Pletcher, the Adena homebred kicked off his career with a comfortable win going seven panels at Gulfstream Feb. 14 before adding a narrow allowance score over that track Mar. 30.

Stronach will be represented in the first leg of the Canadian Triple Crown by Woodbine Oaks heroine **Ginger Brew** (Milwaukee Brew) and **Jungle Brew** (Milwaukee Brew).

Having landed a career best in last September's G1 Grosser Preis von Baden, Quijano embarked on a round-the-world trip which yielded a third in the G1 Canadian International at Woodbine the following month and a second in the G1 Hong Kong Vase at Sha Tin in December. Opening up this campaign with a fifth in the Mar. 6 G3 Dubai City of Gold at Nad Al Sheba, the chestnut homebred improved one spot in the Mar. 29 G1 Dubai Sheema Classic at the same track before dropping to fifth in the Apr. 27 G1 QEII Cup back at Sha Tin last time. He was settled fourth behind the clear leader Gimmy from the outset of this European return. Eating into that rival's advantage once moving into second rounding the home turn, he loomed upsides Gimmy at the eighth pole and was driven out from there to assert superiority for a second top-level score. Trainer Peter Schiergen and jockey Andrasch Starke enjoyed a banner day at Milan yesterday. The pair combined to lift both of Europe's afternoon highlights with Quijano in this event and with Goose Bay (Ger) (Groom Dancer) in the G2 Oaks d'Italia. Stepping up from a maiden score at Frankfurt last July, Goose Bay opened her stakes account in the Aug. 5 Listed Oppenheim-Rennen at Cologne next time and hit the board in a hot renewal of the G3 Maurice Lacroix-Trophy at Baden-Baden Aug. 31. She dropped to fourth in a competitive edition of the Oct. 21 G3 Preis der Winterkonigin in her season closer back at the Iffezheim track and returned this term to run second in the Listed Henkel Trial at Dusseldorf last time. Keeping the leaders within range for most of this Classic, she was sent to the front with 500 meters remaining and maintained a relentless gallop inside the final quarter mile to go clear of the toiling pack. The victory, a personal best for Goose Bay, also ensured a banner day for trainer Peter Schiergen and jockey Andrash Starke following the earlier victory of Quijano (Ger) in the G1 Gran Premio di Milano. Third behind Precious Boy (Ger) in that May 12 mile Classic at this venue, having previously mastered him in the G3 Dr Busch-Memorial at Krefeld Apr. 20, the bay was stepped up in trip here, but benefitted from the moderate early fractions carved out by the reluctant leader Daressalam (Ger) (Singspiel {Ire}). Baila Me opened her account at first asking at Chantilly May 23 and returned to her native country to annex this trial for the Aug. 3 G1 Preis der Diana at Dusseldorf. Settled close to the slow early tempo set by the outsider Splash Mountain, the homebred set niggled at before the final turn as that rival turned up the pressure. Taking time to reach full flight, the bay was stronger as the race wore on and eventually outstayed the enterprisingly ridden runner-up in the final 50 yards. **Click for the [Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

grass in the Harry Henson S. in Inglewood Apr. 25. Returned to a synthetic surface for his latest, the handsome dark bay came home a three-length winner in the seven-furlong GIII Las Barrera Memorial here May 18. Sent off at even-money to remain undefeated on the main track, the

colt took control from the start and led through early splits of :23.12, :46.61 and 1:11.13. Still comfortably in front with a sixteenth left to negotiate, the Everest homebred rolled home a much-the-best winner. "He was a very backwards horse because I started late with him," said winning trainer Julio Canani. "That's the best thing that happened to this horse though. Before I worked him here he got his foundation at Santa Anita. He does everything very easy, I don't train him hard and he's just keeping me happy and smiling. He's a nice horse, he's not crazy and you can work a half-mile at :50 1/5 or he can go a half mile in :46." As for the colt's future, Canani added, "We're going to play this one by ear and see how he comes out of this race."

THIS WEEK IN HISTORY...
June 19, 1867...

The inaugural **Belmont S.** was run at Jerome Park in the Bronx and was won the filly Ruthless, who defeated colts and earned \$1,850 for her victory. Ruthless was one of a group of fillies known as the "Barbarous Battalion," daughters of the mare Barbarity owned by Francis Morris. The other "battalion" members--all full sisters by *Eclipse--were Remorseless, Relentless, Regardless and Merciless.

June 20, 1908...

With his final victory in the Tidal Stakes at Sheepshead Bay, **Colin** retired undefeated after 15 starts. No major American racehorse approached this record until 1988, when Personal Ensign retired with a perfect 13-for-13 career.

TDN presents
STAR OF THE WEEK
 Brought to you by Fasig-Tipton

Jim Hampton Plemmons

Accomplishment: Old Frankfort Stud's Plemmons bred, with his wife Jessica, and owns Misty Ocean (Stormy Atlantic), who extended her winning streak to three with a first graded success in the June 7 GII Honeymoon BC H. at Hollywood Park.

Birthdate: August 17, 1936

Birthplace: Ashville, NC

Family: Wife, Rebecca. Ten children (yours, mine and ours). Brad, Chris, Teresa,

Latham, Brie, Corey, Tarah, Matthew, Victoria and Olivia.

Current Residence: Old Frankfort Stud, Frankfort, Woodford County, KY.

How did you get into horse racing? I read Walter Farley's The Black Stallion series as a boy and fell in love with the racehorse. I determined that I wanted to raise and race Thoroughbreds when I was about 12-years-old. I purchased my first horse, a yearling colt, when I was 34 at the Washington Horse Breeders Sale in Spokane, Washington. I raced him at Longacres in Seattle.

What did you do before you got into horse racing? I was, and still am, a real estate developer, in the Kent, Washington area. I built homes, but primarily focused on commercial development--small industrial parks, shopping centers, etc. I now live in Kentucky, but find that having to look at piece of property and imagine what should be on there translates very well into the breeding and racing of horses--it takes a dreamer to see and believe in what is possible, but has not yet come to be.

How many mares do you own? I presently own 14 mares.

Do you still have Shocking Sport, dam of Misty Ocean? No. I sold her at Keeneland (January in 2006, for \$12,000), but I do have a half-sister named Staffette.

Why did you pick Stormy Atlantic for her? Being that she was a multiple stakes producer, I was hoping for a filly out of Shocking Sport, and thought that the Seattle Slew in the bottom of Stormy Atlantic would fit well with the Lyphard in the mare and produce a good sized foal. Coincidentally, Stormy Atlantic's son, Stormello, also has Lyphard in the bottom of his pedigree.

What do you remember about Misty Ocean as a foal? I remember that I was disappointed because she was a small foal, but she was very flashy, a pretty filly.

When selecting broodmares, do you generally stress pedigree over race record? Yes, but I believe the stallion must have both unless you are breeding to a proven stallion, and then race record is not an issue. For example, Stormy Atlantic is a far better stallion than he was a racehorse.

Personality wise, who's been your favorite horse to be around? Easy. Montagnet, a Group 2 winner that I bred myself. He was a true frontrunner. He was absolutely fearless. He gave those of us privileged to be around him the feeling that he was invincible.

How's Lil E. Tee doing? He is alive and doing well on our farm in Woodford County. His first two mares of the season were in foal on one cover, his desire to breed and fertility are great, and he looks like you could throw on the tack and ride him tomorrow. He has 19 stakes winners. It doesn't get any better than looking our office window and seeing a Kentucky Derby winner in the paddock.

Describe your average day at Old Frankfort Stud. Well, at this point in my life I kind of run things like Hugh Hefner--talk on the phone in the early morning with my personnel that has been with me for a long time, and then time the horses as they train from my bedroom window--in my bathrobe! I love farming, and it's easy to put in a full day's work every day. I feel very blessed to live the life that I live.

If you could change one thing about racing, what would it be? I would like to see the industry go to one license for all the race-tracks. When you race horses in several states, keeping up with the licensing is a constant nuisance.

If you are having friends over for dinner, what would the menu be? Now that is my wife's department, but if I were to choose the menu, it would be Cornish game hens stuffed with wild rice, with southern-style green beans, Caesar salad and bread pudding with bourbon sauce (Woodford Reserve, of course!).

What are your hobbies outside of racing? With a wife and 10 kids, I don't need any other hobbies.

Favorite vacation spot? It's difficult to find any place more beautiful than home, but I would love to go to Ocean Shores in Washington and dig razor clams with the family.

Favorite sports team? Favorite Athlete? I must admit that I am most definitely a fan of the Kentucky Wildcats. And my favorite athlete? Secretariat, of course.

Favorite music? I like the standards from the forties. My favorite song is My Old Kentucky Home. Always brings a tear to my eye

Last good book you've read? I am currently reading The Venetian Betrayal, by Steve Berry.

If you could have dinner with one historical figure, who would it be? I would like to dine with King David of the Bible. He had a heart for God.

Funniest movie? My Cousin Vinny, with Joe Pesci.

Last purchase? I am thrilled with my last purchase--a brand new hay baler. We put up our own hay and bedding and have been gluing our baler back together for the past year. We are all excited about enjoying the new one in the very near future.

Lopez and Orantes Hospitalized After Fall:

Maynor Lopez and Faustino Orantes were transported to Memorial Regional Hospital in Hollywood, Florida on Sunday for evaluation after being unseated from their horses in the sixth race at Calder Race Course. A third jockey involved in the incident walked away unharmed. Apprentice rider Lopez was unseated when his mount, Charming Lexie, fell just past the five-sixteenths pole. Orantes, aboard Dixie Smoocher, and Daniel Coa, on M and M Girl, could not avoid the fallen horse and were both unseated in the incident. Lopez and Orantes, both conscious and alert after the spill, were taken to the hospital for examinations, while Coa returned to the jockeys' room uninjured. Charming Lexie sustained a spinal injury and was subsequently euthanized. Neither Dixie Smoocher nor M and M Girl was injured.

Lone Star Announces Hall of Fame Inductees:

During the 'Stars of Texas Day,' held on Saturday July 12, Clarence and Dorothy Scharbauer Jr., L. William and Corine Heiligbrodt and Dixie Dot Com will be inducted into the Lone Star Park Hall of Fame. "We are extremely pleased to welcome our newest members to the Lone Star Park Hall of Fame," said Lone Star Park President and General Manager Drew Shubeck. "During the first 12 years of Lone Star Park's existence, they have significantly distinguished themselves at both Lone Star Park and in Texas horse racing." The Scharbauers left their mark on both the Thoroughbred and Quarter Horse industries, most notably campaigning Thoroughbred Hall of Famer and 1987 Horse of the Year Alysheba. In addition, they have been responsible for five Quarter Horse champions, and the Scharbauer family also owned 1959 Kentucky Derby hero Tomy Lee. The Heiligbrodts also got their start in the Quarter Horse industry, campaigning three-time world champion Meradas Little Sue before moving over to the Thoroughbred game in 1988. The Heiligbrodt's have won 11 juvenile stakes, 80 stakes winners (alone or in partnership) and 35 graded stakes winners, at Lone Star from 1999 through 2007. Perfect Drift Readies for Gold Cup:

Nine-year-old **Perfect Drift** (Dynaformer) worked a mile at Santa Anita Sunday in preparation for a tilt at the GI Hollywood Gold Cup June 28. The winner of the 2003 GI Stephen Foster H. and third in the previous season's Kentucky Derby, the gelding covered the distance in 1:38 flat under jockey Victor Espinoza. "He stalked and drew off pretty easy in the stretch," said trainer Richard Mandella. "He went the last quarter in :24 and change. It was a good work." The bay, who joined Mandella's string last winter, finished fourth behind winner Daytona (Ire) in his seasonal return in the GI Shoemaker Mile at Hollywood May 26. Perfect Drift will also be nominated to the GII American H. on the June 28 undercard, but according to Mandella, he is "leaning toward running in the Gold Cup."

Albertus Maximus May Move to the Turf:

Albertus Maximus (Albert the Great), fourth last time out in the GII Californian at Hollywood May 31, may try the turf for the first time in his next start, according to trainer Gary Mandella. The four-year-old, who was runner-up in last year's GIII Affirmed H. and GII Swaps BC S., worked six panels on the sod in 1:14 at Hollywood Sunday. "His action looks exactly the same as on the main track," explained Mandella. "He worked an easy six [furlongs] and galloped out strong. I got him in 1:25 3/5 for seven furlongs, and he galloped out a mile in 1:38 3/5." Jockey Corey Nakatani was aboard for the move. "Corey said he went nice," added Mandella.

AUSTRALASIA

HOLY ROMAN EMPEROR SIS TO SELL AT INGLIS Milanova (Aus) (Danehill), a full sister to MG1SW and Irish champion Holy Roman Emperor (Ire), is scheduled to go under the hammer at the upcoming Inglis Australian Weanling and Breeding Stock Sale. Part of the reduction of Tyreel Stud which will sell Sunday, June 29, the eight-year-old mare, herself a Group 3 winner and twice Group 1-placed in Australia, is being offered in foal to champion sire-elect Encosta de Lago (Aus). A weanling filly by More Than Ready out of Milanova is also catalogued to sell. The Tyreel Reduction also includes the G1 Irish One Thousand Guineas winner Hula Angel (Woodman--Jode, by Danzig) in foal to Elusive Quality; and Australian Group 1 winners Bonanova (Aus) (in foal to Lonhro {Aus}); Dashing Eagle (Aus) (in foal to More Than Ready); Sydney's Dream (Aus) (in foal to Redoute's Choice {Aus}) and Asia (Aus), a Danehill half-sister to G1 AJC Derby winner Dr Grace (Aus). The late Jim Fleming, who died last year, developed Tyreel Stud into one of Australia's leading operations and was the leading consignor by average (12 sold for an average of A\$930,000) at this year's Inglis Australian Easter Sale. Also active at American auction houses, Fleming purchased a weanling daughter of Smarty Jones--Til Forbid (Temperence Hill) for \$300,000 at the 2006 Keeneland November sale. Named You Smarty Pants, the half-sister to GSW Scoop is being offered as hip 519 during the upcoming breeding stock sale. "Jim Fleming was an innovator and liked to look outside the square. He was a fan of Smarty Jones and wanted to bring his bloodlines to Australia," Tyreel Stud Manager John Vincent said.
