ONLY THREE TO CHALLENGE 'SPELL'

A field of four, headlined by GI Kentucky Oaks heroine **Proud Spell** (Proud Citizen), was entered for Saturday's GI Moother Goose S. yesterday. The Brereton C. Jones homebred will break from post two with regular rider Gabriel Saez in the irons. "A short field is capable of taking a lot of horses out of their game plan," trainer Larry Jones said. "Proud Spell is plenty fast enough and is capable of handling whatever pace scenario comes up." Lael Stables' **Hamsa** (Fusaichi Pegasus), a winner of two straight, including a Belmont allowance May 2, has been assigned the rail. She is trained by Barclay Tagg. Godolphin's **"TDN Rising Star"** **Music Note** (A.P. Indy) takes the class hike following an eye-opening allowance win May 22. The bay will break widest of them all from post four. **Never Retreat** (Smart Strike), who suffered her first career defeat when third in Delaware's Susan's Girl S. beneath Jeremy Rose, reunites with Alan Garcia. She will exit from the three stall.

ASMUSSEN CHARGE TESTS POSITIVE

Leading trainer Steve Asmussen's **Timber Trick** (Forestry) has tested positive for local anesthetic Lidocaine following a maiden win at Lone Star May 10, according to a report in *Daily Racing Form*. The Texas Racing Commission has assigned Asmussen a July 18 date for a stewards' hearing. Lidocaine, a Class 2 drug, is prohibited on race day. Most jurisdictions enforce a six-month suspension for the infraction. The 42-year-old conditioner was suspended for six months between July 2006 to January 2007 when another one of his horses tested positive for the Class 2 anesthetic Mepivacaine. Trainer Rick Dutrow Jr., who appealed a 15-day suspension in Kentucky for Clenbuterol, will be holding a press conference outside of Barn 10 at Aqueduct at 10 a.m. today.

Levine Monmouth Stable Tested by N.J. Officials...

Trainer Bruce Levine, who was winning at a 48-percent clip at the Monmouth meeting through Wednesday, had blood samples drawn from his 40-plus stable at the request of the New Jersey Racing Commission Tuesday, according to published reports. "It was an action that we deploy as part of our out-of-competition testing program," Frank Zanzuccki, the executive director of the commission, told *DRF*. "Sometimes it is random, sometimes it is based on prior information. In this case, it was random."

RAGS TO RICHES'S BRO DEBUTS TODAY A two-year-old half-brother to Classic winners Rags to Riches and Jazil will debut today at The Curragh in Ireland. Derrick Smith, Susan Magnier and Michael Tabor's

Man of Iron (Giant's Causeway), who was produced by Broodmare of the Year Better Than Honour (Deputy Minister), is set to start in a 15-strong, seven-furlong event on the grass. Aidan O'Brien trains the colt, who was bred by Shell Bloodstock. Expectations will be high for the chestnut. Eventual champion **Rags to Riches**

(A.P. Indy) won the GI Belmont S. in 2007, a year after **Jazil** (Seeking the Gold) captured the mile-and-a-half

Test of the Champion. **Casino Drive** (Mineshaft), Man of Iron's year-older half-brother, won the GII Peter Pan S. at Belmont in May and was hoping to give his dam three in a row in the Belmont before being sidelined with foot issues. Today's race is the first on the card at The Curragh and is set to go off at 6:00 p.m. local time.

PRECIOUS KITTEN SLOWED BY QUARTER CRACK

Lael Stables' **Precious Kitten** (Catienus), who is coming off an impressive victory in the GI Gamely S. at Hollywood May 26, has been forced to miss about two weeks of training because of a quarter crack in her left front foot, *Daily Racing Form* reports. Trainer Bobby Frankel told the publication the setback likely means the five-year-old won't run again until August. Frankel mentioned the Aug. 3 GI John C. Mabee at Del Mar or Aug. 9 GI Beverly D. at Arlington Park as possible races for her return. Ian McKinlay, the hoof specialist who attended to Big Brown's quarter crack prior to the GI Belmont S., is set to patch the foot in a few days.

Solid favorite Indy Boy streaked to a runaway victory in the Group 1 Copa de Plata Italo Traverso Pasqualetti, the final leg of Valparaiso Sporting Club's Triple Crown series for Southern Hemisphere juveniles, stamping himself as that track's top rated two-year-old colt on the turf. Piloted by Victor Mansilla, Indy Boy put away an early challenge from Gran Bazar (Chi) (Merchant of Venice) rounding the final turn before drawing clear. It gave him two legs of the three-race series after a neck score in the G2 Clasico Stud Book de Chile May 28. No horse has swept the series since Castelnuovo (Chi) (Roy) in 1994.

☆ LETTERS TO THE EDITOR ☆

I am writing in response to Michael Iavarone's request to have other owners join him in taking the initiative to order their trainers to stop using race day medication except Lasix.

I think almost all of what he proposes makes sense.

The problem is that Mr. Iavarone's headline trainer is Rick Dutrow. When he received a suspension for violating the rules in Kentucky this month, it marked the 73rd ruling against him since 1976. (Link to the rulings: <http://www.baltimoresun.com/media/acrobat/2008-05/38903142.pdf>)

I am sure that I speak not only for myself when I answer his call to join him in saying no to drugs as follows: only somebody terribly naive is going to sign up as long as Rick Dutrow trains for IEAH. If he really want to make a statement, he should consider moving his horses. Then he might get somebody's attention.

Until then, the proposal looks like an attempt at damage control or a PR stunt. Mr. Iavarone's peers are some of the most sophisticated and successful business people in the world of sport. Give them something to sink their teeth into, and they might swallow the bait. --Barry Irwin

PERFECT CASTING (g, 4, Diesis {GB}--Seasonal Style {Ire}, by Generous {Ire}) marked his U.S. bow--and his final race with trainer Dermot Weld--with a fifth in the 1 3/16-mile GII American Derby July 21. Third in the seven-panel Lights and Music S. Sept. 9, the chestnut was a good fourth going a mile at Aqueduct Oct. 31. After closing out the season with a second at Hollywood Dec. 22, the four-year-old resumed with a fifth in his most recent start over the synthetic at Santa Anita Jan. 14. Sent off the 9-2 third choice here, Perfect Casting stalked a brisk early pace, was asked for his run a quarter mile out and got up in time to score by 3/4 of a length over Redefined (Labeeb). Favored Hatta Fort (Cape Cross {Ire}) was third. Lifetime Record: SP, 9-3-2-1, \$98,226.

Sent off the 3-2 choice favorite, the chestnut settled right behind the early pace, poked her head in front after a half in :44.83 and proved three lengths best at the wire. ★ INDUSTRY INFO ★

Thayer to Join Forces with Pinnacle Race Course:

Damon Thayer will serve as a general consultant/advisor for Pinnacle Race Course in Michigan, which is slated to kick off its inaugural season July 18. Thayer's consulting services will include marketing, communications and special events. Thayer, a state senator in Kentucky's General Assembly, worked for Breeders' Cup Ltd. for eight years as director of marketing and vice president of event management and was previously the director of communications at Turfway Park. Thayer said, "I am pleased to be on the Pinnacle team helping the Campbell's return top-class Thoroughbred racing to the Detroit area. I got my start in the horse racing industry in Michigan nearly 25 years ago, and it is a privilege to be involved in its rebirth at Pinnacle Race Course."

TCA Board Approves \$1.5 Million in Grants:

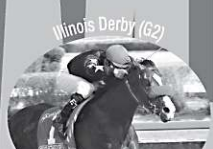

The Board of Directors for the Thoroughbred Charities of America (TCA) has approved grants totaling \$1,592,225 in 2008 to non-profit organizations in the areas of rescue, research, backstretch, education and therapeutic riding. "Since horse slaughter has been greatly reduced during the past few years there has been an increase in unwanted horses, putting a severe financial burden on the horse rescue groups who receive much of their support from TCA," said Herb Moelis, president of TCA. The TCA raises funds from year-to-year primarily through its Annual Stallion Season and Art Auction, scheduled for Dec. 5 at Keeneland Race Course and facilitated by auctioneers from Fasig-Tipton. Now in its 19th year, the TCA has raised over \$15 million, with 96 cents of every dollar going to charity. Liz Harris, the executive director of TCA, expressed her appreciation. "Nearly every stallion farm donates seasons to the TCA auction, purchased by other supporters, creating the funds so desperately needed by the very charities handling the industry's ex-racehorses, backstretch, research and other vital non-profits," she commented.

Classic Remark ran fourth in a competitive maiden at Newbury Apr. 18, but dropped one place in the May 10 Listed Oaks Trial S. at Lingfield and ran second in an all-weather maiden back at that track last time May 31. Settled in third for much of this contest, she eased into contention approaching the final quarter-mile and kept on strongly under a drive in the closing stages to register her first success. The win also provided trainer Harry Dunlop with a career high. "She's a filly we've always liked and we got excited after her first run, which is why we went for the Oaks Trial," Dunlop said. "Thankfully we found some ground here, and she's done it very nicely. We may step her up to group company now, but she must have a bit of cut in the ground." Successful at Saint-Cloud Apr. 11, Kayaba then ran 10th in the May 11 G1 Poule d'Essai des Pouliches at Longchamp before finishing third in the June 9 Listed Prix des Lilas back at Saint-Cloud last time. Racing in a handy fourth along the rail for much of this affair, she came under pressure in early stretch and refused to surrender in the closing stages, getting up to nail Alnadana on the line.

MORE THAN READY FILLY TOPS INGLIS

A More Than Ready filly produced by the regally related Danehill mare Milanova (Aus) highlighted a strong opening day of selling at the Inglis Australian Weanling and Breeding Stock Sale in Sydney, Australia. The filly, selling during the first of two sessions of the Select Weanling portion of the sale, was knocked down for A\$625,000 to Colm Santry Bloodstock, who secured her on behalf of Coolmore. She was offered as part of a reduction by Tyreel Thoroughbred Stud.

The nine-year-old Milanova, a Group 3 winner, is from a family that Coolmore has enjoyed great success with. Being a daughter of the Secretariat mare L'On Vite, she is thus a full-sister to Coolmore's champion dual Group 1 winner Holy Roman Emperor (Ire). It is also the family of Coolmore stallion Encosta de Lago (Aus), who will be crowned Australia's champion sire this season. Milanova's third dam is Canadian Horse of the Year Fanfreluche.

"This is one of the best pedigrees in the world and, obviously, the filly has great residual value," Santry said afterwards. "We're looking forward to getting Holy Roman Emperor back for his second season this year after receiving outstanding reports about his first foals, and it's wonderful to be able to buy another member of this great family."

The filly was one of two weanlings sold as part of the Tyreel Stud reduction. The other, a Tale of the Cat filly from G2 Sandown Guineas winner Moon Dragon (Aus) (Danehill), sold for A\$180,000 to Lockyer Thoroughbreds.

Coolmore's young Danehill sire Oratorio (Ire) provided the second-highest lot of the day when a bay filly from the Scenic (Ire) mare Rainscene (Aus) was knocked down to Anton Koolman for A\$300,000, topping the New Sire Showcase.

In all, 120 weanlings sold for just short of A\$4 million. The session average of A\$32,872 represented a strong increase of 29 percent on last year's overall select weanling sale result.

"This was a very pleasing start to this sale, which is in a new format for the first time this year," William Inglis Managing Director Mark Webster said. "Competition was very strong on the top lots and, overall, it was a very strong start and this is borne out in the overall average."

The select weanling sale continues this morning at 11 a.m., followed by a general session later in the day. A single session of breeding stock will be held Sunday. For complete results, visit www.inglis.com.au.

ONE CONFIRMED CASE OF STRANGLES A case of the equine disease strangles in one racehorse near Pukekohe was confirmed on Tuesday, New Zealand Thoroughbred Racing (NZTR) was informed yesterday. The horse is isolated and is being treated. Controls have reportedly been put in place to prevent any potential spread of the disease. The confirmed horse was transported from a stable in the Taranaki region on June 17 with one other horse. The other horse on the float is also stabled near Pukekohe and is isolated. Test results are not known yet. NZTR, on the advice of veterinary experts, yesterday diverted two horse floats containing 18 horses from six trainers' stables to the Hawkes Bay A&P Showground, where they will be isolated. They were to be inspected on arrival by vets at the Hawkes Bay A&P Showground as a precautionary measure. The vets will decide whether or not the horses will be able to race at the Hawke's Bay meeting at Hastings.
