

A NERVOUS APPROACH TO THE DERBY

If he survives a late scare and if given the green light to race, Princess Haya of Jordan's **New Approach (Ire)** (Galileo {Ire}) will be reaching for a further slice of history in today's G1 Dubai Duty Free Irish Derby at The Curragh. The first juvenile champion to go on to glory in the G1 Epsom Derby since the International Classifications began in 1977, the chestnut will be looking to join the pantheon of great dual Derby winners which includes the likes of Nijinsky II, Grundy (Ire), The Minstrel, Troy (GB), Shergar (Ire), Generous (Ire), Sinnidar (Ire), Galileo (Ire) and High Chaparral (Ire) since 1970. Only Henrythenavigator, rated by Aidan O'Brien the best miler he has

New Approach epsomdowns.co.uk

trained, stopped the Jim Bolger-trained star from adding the G1 English and Irish 2000 Guineas to his enviable tally. Despite pulling hard for much of the first part of the June 7 Epsom Derby and encountering traffic after Tattenham Corner, New Approach still managed to find extra to deny **Tartan Bearer (Ire)** (Spectrum {Ire}) in a pulsating finale. He is facing a battle against the clock after some heat was found in his foot Friday. Bolger told *PA Sport*, "There is less heat in the foot, and we are treating it." Dermot Weld finally conquered this prize in 1996 with the outsider Zagreb and followed up with Grey Swallow (Ire) four years ago. While a win for Bertam Firestone's **Winchester** (Theatrical {Ire}) would be a major upset after his disappointing effort when down the field in the G2 King Edward VII S. at Royal Ascot nine days ago, in **Casual Conquest (Ire)** (Hernando {Fr}) Weld has a main player. Promoted to favoritism for the Derby after his six-length defeat of **Washington Irving (Ire)** (Montjeu {Ire}) in the G2 Derrinstown Stud Derby Trial S. at Leopardstown May 11, Moyglare Stud's homebred was 4 1/2 lengths adrift of New Approach and Tartan Bearer when third in the Blue Riband. His conditioner is hoping the gap will close with that experience under his belt. "He's a lovely big horse and a good one who is still very immature, and he handled Epsom," Weld said. "[He] came out of the race sound. He is a balanced horse for his size and Epsom is a very fair track nowadays, so we have no excuses, and I'd be hopeful of a big run." The conditioner added, "He's similar to Grey Swallow, in that he's a stayer with speed, so he compares favorably." **Cont. p2**

MAST-IVE UPSET IN GOLD CUP

When Heatseeker (Ire) was declared from Saturday's GI Hollywood Gold Cup H., it certainly opened up the race, and it was **Mast Track** (Mizzen Mast) who took full advantage. Owned, bred and trained by Bobby

Mast Track leads the field into the Hollywood stretch *Benoit*

Frankel, the four-year-old colt, adding blinkers and reknowned speed rider Tyler Baze for the first time, broke alertly from the inside stall, got his opening six panels in 1:12 4/5 and outsprinted favored **Go Between** (Point Given) to take the centerpiece of the spring/summer meeting in Inglewood. "After Heatseeker scratched it was anybody's race I guess," said assistant trainer Humberto Ascanio. "Bobby [Frankel] told me this morning to make sure this horse was put onto the lead. When they went the first quarter in 24:48 I had a good feeling, then they went three-quarters and I thought 'man, that's it'. This feels great. He's a nice horse; he's always been a nice horse." **Cont. p3**

26 years!

The Stakes record for Santa Anita's G2 San Felipe had stood for 26 years. Not even Point Given, Fusaichi Pegasus and the mighty Affirmed could lower it. Consolidator stopped the clock at 1:40 flat. Now that's fast.

Recent British-trained winners include Old Vic (GB) and Generous (Ire), but no horse has shipped over successfully since Commander in Chief (GB) completed the Epsom-Curragh double in 1993. Michael O'Flynn's **Centennial** came off a win in the Apr. 26 G3 Sandown Classic Trial to finish fourth behind Tartan Bearer and **Frozen Fire** in the G2 Dante S. at York last time May 15. The other raider from the far side of the Irish Sea is Patrick Cooper and Partners' **Curtain Call**, whose trainer Luca Cumani saddled dual Derby winner in Kahyasi (Ire) in 1988. While he disappointed when finding little at the business end of the Epsom Classic last time, the bay colt showed last year that rain-softened ground at this venue is up his alley with an emphatic success in the G2 Beresford S. "He had been running over seven furlongs, which was a bit short for him, before he went up to a mile in the Beresford, when he improved," rider Fran Berry told *PA Sport*. "He always rode like a horse who would be good over a mile and a half as a three-year-old."

A \$600,000 Keeneland September yearling, Frost Giant was a dual Group 3 winner in Ireland for Aidan O'Brien before being repatriated. Winless in his first four U.S. appearances, the chestnut took a nine-furlong test over the main track Feb. 11. Fourth as the favorite in the GIII Skip Away H. Mar. 15, he was the beaten chalk when eighth in a Churchill turf allowance Apr. 30 and was last seen finishing runner-up in a similar event on the Monmouth Park lawn May 29. Frost Giant jumped well and seized the initiative, but had some surprising company in the form of Naughty New Yorker (Quiet American). The latter began to fade after six furlongs, and it was Solar Flare who delivered a fresh challenge and held the call at the quarter pole. But Frost Giant, beneath jockey Rudy Rodriguez, was going the better of the two on the inside as the winning post loomed and scored narrowly. TAKING THE LEAD

Khalid Abdullah's **Promising Lead (GB)** (Danehill) marked herself as one of Europe's leading distaffers when getting the better of **Mad About You (Ire)** (Indian Ridge {Ire}) to capture yesterday's G1 Pretty Polly S. at The Curragh. Always traveling easily in second under Ryan Moore, the homebred took over at the quarter pole and gradually asserted from her sole threat to score by 1 1/4 lengths as the 2-1 crowd's choice. "She is from the fantastic family of Hasili (Ire) and she has now won a Group 1, which is everything the breeder longs for," the owner/breeder's Racing Manager Teddy Grimthorpe commented. **Finsceal Beo (Ire)** (Mr. Greeley) gave way to finish last.

Promising Lead was a slow starter in the right hands, and Sir Michael Stoute gradually built her into the top-level performer she was bred to be. Second in York's Listed Michael Seely Memorial Fillies' S. last May, she was still a work in progress when only fourth in the Listed Hoppings S. at Newcastle the following month but the penny dropped with a first stakes score in Salisbury's Listed Upavon Fillies' S. in August. Pitched straight into the highest level on her next start, she went within a head of upsetting Satwa Queen (Fr) in the G1 Prix de l'Opera on Longchamp's Arc day, and returned to record a facile success in the May 15 G3 Middleton S. at York on her latest start. Promising Lead settled at the head of the peloton as Ice Queen (Danehill Dancer {Ire}) was sent into isolation by Seamus Heffernan, and was still in cruise control when usurping that rival with a quarter-mile remaining. Despite the presence of Mad About You from there, the bay may have been idling on the run to the line, but she was never in danger of losing out. "She got nosed out at Longchamp, but has come back and done it nicely today, and Ryan has produced her just right," Grimthorpe added. "I will have to speak to Prince Khalid and see what he wants to do, but I would think her program will be fairly straightforward. It will probably be the G1 Nassau S. [at Goodwood Aug. 2] and G1 Yorkshire Oaks [at York Aug. 21], and then see after that." Dermot Weld revealed that the runner-up will return to this venue to tackle the July 13 G1 Darley Irish Oaks. The 5-2 second favorite Finsceal Beo, who was eased when fading out of contention in the final furlong, was reported to have been clinically abnormal afterwards.

Music Note overcame a significant stumble at the start, and GI Kentucky Oaks winner Proud Spell to register what can be considered only a mild upset in this prestigious event. Fourth as the 20-1 second-longest chance in her Oct. 14 debut at Belmont, the bay stretched to Aqueduct's one-turn mile Nov. 1 and was ridden out to a 7 1/4-length victory, earning the mantle of ☆ **"TDN Rising Star"** ☆. Rested off that effort, she made her first start in Godolphin blue in her latest and showed few signs of rust, defeating the well-regarded Charming by seven in a one-mile allowance at Big Sandy May 22. Both Proud Spell, making her first start since her win in the GI Kentucky Oaks May 2, and Music Note stumbled badly at the start, allowing Never Retreat to lead through soft fractions of :48.66 for the half and 1:13.09 for three-quarters. Gabriel Saez asked Proud Spell for just enough speed to hold the rail and had the opportunity to go through an opening at the fence at the quarter pole, but his overly patient approach backfired badly. The divisional leader was pinched back to last in upper stretch, about the same time that Music Note was making her move while in the clear and on the outside. The latter assumed command with 3/16ths to run and pulled away to score handily. Proud Spell grabbed the bit and rallied, but drifted out despite a right-handed whip from Saez, and came across Never Retreat. Though it did not seem to have an impact on the final placings, the stewards ruled otherwise and Proud Spell was demoted from second to third. "I had a beautiful trip, even though she stumbled at the start," commented winning rider Javier Castellano. "I tried to position myself; I did not want to be on the lead. It was a pretty tight trip. I wanted to be in position to just push the button. She galloped out good, and I don't think she will have a problem going farther." With that in mind, Music Note could resurface in the GI Alabama S. over 10 furlongs Aug. 16. Larry Jones, trainer of Proud Spell, took the defeat in stride. "From the beginning, it looked like it wasn't going to be our day. When we needed somewhere to go, we had nowhere to go. And when it was time to go, we weren't going."

Spelled off a fourth in the G3 Strensall S. in September, the homebred was an excellent second to subsequent G1SW Archipenko in the G2 Al Fahidi Fort in Dubai Feb. 21. Fifth in the G2 Jebel Hatta S. Mar. 6, the five-year-old was returned to North America, where he was a lackluster fifth in the May 25 GIII Connaught Cup S. Neatly tucked away in midfield, Royal Oath looked loaded for bear leaving the far turn. He came out three abreast for the stretch drive and was able to fight his way past a game Ice Bear for a first stakes success.

After ending his Irish stint with a third behind champion Teofilo (Ire) in the 2006 Tyro S. at Leopardstown, Whatsthescript kicked off his U.S. campaign with wins in the Pinjara S. at Oak Tree that October and the GIII Generous S. at Hollywood in November. The bay didn't take to the all-weather, running 10th in the GI Hollywood Futurity at the end of his juvenile season. Back on the grass as he kicked off his sophomore year, he added a win in the Pasadena S. in March, but disappeared after finishing second in the GIII Crown Royal American Turf S. at Churchill in May. Whatsthescript had been out just once since, trailing the field in the GIII Sir Beaufort S. at Santa Anita last December, and was understandably ignored in his return to action. In hand while rating off the pace, he had to wait for room at the top of the lane, then powered between horses and was edging clear at the wire.

Claimed for \$32,000 out of a runner-up effort at Del Mar last summer, Dearest Trickski embarked on a five-race winning streak, the fourth leg of which came in a 1 1/2-length victory in the GI La Brea S. at Santa Anita Dec. 29. The bay followed up with a popular success in the Jan. 26 Sunshine Millions Filly and Mare Sprint in Arcadia, and she returned from a four-month absence with a fourth-place effort in the May 17 Desert Stormer H. She figured to improve off that tightener and was

dispatched as the fifth choice in a bulky field. Fastest into stride from the outside box, Dearest Trickski did what she does best, taking the field through easy splits of :22.83 for the opening quarter and :45.41 for the half. She kicked clear into the stretch and was never seriously menaced. "It was all about her getting into a rhythm," commented winning jockey Mike Smith.

"When she breathes, she keeps running. She caught a flyer leaving there today. I was able to put my hands down and just let her get her neck out. She got her air and she ran very well. That's the whole key to her. She ran dynamite." Magnificience, the 5-2 favorite to run her perfect record to four, was a bit sluggish to start and was never able to get in on the track, but stayed on gallantly to finish second. "She was moving around a little in the gate, but I don't think that was an excuse," said her rider David Flores. "The winner just got an easy lead and nobody chased her. Sometimes that's just the way it is." **Click for the [brisnet.com](http://www.brisnet.com) chart, the [brisnet.com](http://www.brisnet.com) PPs or the [free brisnet.com](http://www.brisnet.com) catalogue-style pedigree.** **Video, sponsored by Taylor Made.**

Winless since taking the Ann Arundel S. at Laurel in December of 2006, Leah's Secret had been knocking on the door. The dark bay was runner-up to Ginger Punch in the May 2 GII Louisville S. and finished just a half-length behind Indescribable (Pleasant Tap) in the GIII Arlington Matron S. 24 days later. She was favored to finally get her picture taken yesterday. Reserved off an opening half in a brisk :44.26, she was caught behind horses in the stretch, but found her way out of trouble as the wire loomed and put in a final burst that got her home in front. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Also Ran: Encanto Park, Namaste's Wish, Nicksappealinglady, Saki to Me, Yippety Yip, Dagger.

My Princess Jess, first or second in her first five outings, was the crowd's choice trying graded company for the first time. Runner-up in an entry-level allowance at Gulfstream Apr. 11, the dark bay filly was let go at 7-1 in the May 8 Gaviola S., but held off favored Namaste's Wish (Pulpit) to win handily. She was purchased privately from Georgica Stable by Lael Stables after that start. Jockey Joe Bravo rated My Princess Jess in fifth through the opening half yesterday, then popped the question on the far turn. The Florida-bred quickly opened up on her rivals, hitting the eighth pole with a 3 1/2-length advantage, then had to give it her all as Much Obligated came at her late, hanging on to take the photo. The final time was a course record, breaking the mark of 1:40.41 set by Giant Wrecker in 2006. "I was very impressed, we all were," trainer Barclay Tagg said. "This filly has a very nice turn of foot." Tagg added that the filly would be pointed for a race at Saratoga. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). Margins: HF, HD, 2. Odds: 1.10, 8.70, 3.20. Also Ran: Corlett, Renda, Cameron Crazyes, Songtress, Yo Eleven, Runaway Heart, Super Poni.

Garden Secrets was bumped repeatedly in the upper stretch of her Apr. 10 debut over the Keeneland Polytrack, but got through at the rail and sped away in a sharp three-length victory. In the absence of an early-meet stakes restricted to her own sex, she faced a field of males in the GIII Kentucky S. May 1 and gave a very good account of herself, finishing runner-up to Run Away and Hide as the second betting choice. Favored here at even-money, Garden District laid second as Cameron Crazyes (Lion Heart) zipped her opening quarter mile in :21.24. The chalk cut the corner into the stretch, assumed command shortly thereafter and held sway late, as Rachel Alexandra outfinished Simplify for second money. "She's a nice filly and we had a good lineup of fillies today," said winning jockey Robby Albarado. "I actually made her do more than I wanted to being down on the inside for most of the way. We kind of had to hold our ground, but she settled. She's a nice filly and it really came easy for her. [Click for the brisnet.com chart or the brisnet.com PPs](#). This year, the TRF presents: An Evening in Morocco
 NEW PLACE: Saratoga National Golf Course,
 458 Union Ave., Saratoga Springs

Curragh Cup cont.

On a Ballydoyle team rich with staying talent, Septimus takes high rank despite the presence of the mighty Yeats (Ire), and many argued he was the better of the pair after his two successful tries beyond a mile and a half last term. After running Scorpion (Ire) to 1 1/4 lengths when second in Epsom's G1 Coronation Cup in June, he stretched out to two miles for York's G2 Lonsdale Cup in August, and followed a comfortable win there with an emphatic five-length score in the G2 Doncaster Cup the following month. Easing his way back with a smooth success here, the bay tracked the early pace set by his rabbit Mikhail Fokine (Sadler's Wells) until rolling to the front approaching the eighth pole. "This was a lovely race on lovely ground to start him back in, and my only worry was that he hadn't been away this year," Aidan O'Brien commented. "He was just forward enough to come after a long break, and he will come on a lot for that. His options are the [Aug. 20] Lonsdale Cup and G1 Irish St Leger [at this track Sept. 13], and there is a big chance of him running in the [Nov. 4] G1 Melbourne Cup. If he is in good shape and is well at the time and has a realistic weight, he could go there." **Click for the [Racing Post chart](#). [Video, courtesy attheraces.com](#).**

Utmost Respect took out a Thirsk conditions event on seasonal return Apr. 19 before running ninth in the G2 Duke of York S. May 14. He entered this affair off a fourth in a Beverley conditions May 24. Settled in a close-up seventh, he made headway under pressure to challenge wide approaching the final eighth and survived a stewards' enquiry after drifting to the rail under a drive in the closing stages. "That was grand, I didn't think he would lose it [after the enquiry]," trainer Richard Fahey told *PA Sport*. "He got stuck on the outside, but I am sure the better ground was nearer the stands side, and that's why [jockey] Paul [Hanagan] wanted to get across. He did it really well and he has got some massive entries, including the [July 11 G1] July Cup [at Newmarket]. He is also in a [valuable] seven-furlong handicap at Ascot, so we will have to see what we do now. The ground is important, as he likes a bit of cut."

 that, and was only in mid-division at the end of the

Stakes Previews cont.

Grand Prix de Saint-Cloud cont.

While all the focus was on **Getaway** ahead of the G1 Coronation Cup at Epsom June 6, it was **Soldier of Fortune** who emerged from that showdown with a reputation enhanced. The pair met for the first time in the G1 Prix de l'Arc de Triomphe at Longchamp in October, when Andre Fabre's improver had Ballydoyle's challenger a half-length behind in fourth, and it appeared on his seasonal return in the G2 Jockey Club S. that Getaway might have widened the gulf. Highly impressive when 3 3/4 lengths too strong for Sixties Icon (GB) in that May 4 Newmarket contest, Baron Georg von Ullmann's homebred was subsequently fifth at Epsom. That effort can only be marked down as disappointing, and he needs to rebound to provide his trainer with a sixth renewal. "He didn't really handle Epsom, but he might just be a bit below those sort of horses," Fabre told *Racing Post*. "The second, **Youmzain**, is a very good horse, as well as Soldier of Fortune, and you have to accept he just wasn't good enough. It's always the most difficult thing to accept." Soldier of Fortune, who captured the G1 Irish Derby by nine lengths on this weekend 12 months ago, also needs to confirm Epsom form with Youmzain, who was a head runner-up to Dylan Thomas (Ire) in the Arc last year. Only fifth behind Mountain High (Ire) in this race 12 months ago, the habitual bridesmaid tries again. "Youmzain put up a very good performance at Epsom--he's such a consistent, hardy horse and doesn't seem to know how to run a bad race," the owner's Racing Manager Bruce Raymond told *PA Sport*. "He comes out of his races very well because he's so tough, and he took Epsom in his stride." Last year's GI Man o'War S. and G1 Hong Kong Vase hero **Doctor Dino** holds **Zambezi Sun** and Getaway's stable companion **Not Just Swing** on the form of his success in the June 1 G2 Grand Prix de Chantilly, and adds an extra dimension to one of the strongest runnings in recent memory. "I wasn't at all confident before the race at Saint-Cloud," trainer Richard Gibson said. "It was his first run back in a long time, but he's got so much energy and a lot of guts and did it well. We respect the other runners who are Group 1 winners, and Soldier of Fortune was very impressive winning the Coronation Cup. With the form of Aidan O'Brien, he definitely looks the horse to beat."

Prix de Malleret cont.

☆ **"TDN Rising Star"** ☆ **Dar Re Mi** appears for the first time since finishing third behind the subsequent G1 Coronation S. heroine Lush Lashes (GB) in the G3 Musidora S. at York May 14. She had the eventual Epsom Oaks runner-up Moonstone (GB) behind on that occasion after the pair had taken each other on a long way out, and deserves another chance to prove that her previous impressive seven-length success in a Sandown maiden Apr. 25 was not an aberration. While her trainer John Gosden boasts a sole win courtesy of High Praise in 2003, Andre Fabre is a past master at winning this contes, and bids for a seventh edition with **Treat Gently**. She caught a tartar when runner-up to Sub Rose (Ire) in the G3 Prix de Royaumont at Chantilly last time June 1, and it will be fascinating to see how she shapes up with that rival's stable companion **Leo's Starlet** here. Successful in the G3 Prix Cleopatre at this venue May 1, the latter never threatened in Chantilly's G1 Prix de Diane last time June 8, and gets a welcome class drop as she bids to give Alain de Royer-Dupre a third trophy.

A year ago, Lizard Island extended Aidan O'Brien's tally to nine winners in the last 11 renewals, and the Ballydoyle conditioner fields half of the sextet this time. **Mastercraftsman** is the choice of Johnny Murtagh. The colt had three subsequent winners, including the G2 Coventry S. runner-up **Intense Focus**, close behind when scoring on debut over this track and trip May 5. **Sea of Marmara** got off the mark at Leopardstown 11 days ago and, alongside the maiden **Egypt**, provides the back-up, but whether any of the trio stand comparison with recent winners King of Kings (Ire), Rock of Gibraltar (Ire), Hold That Tiger, Antonius Pius and George Washington (Ire) remains to be seen. Jim Bolger, who has won this six times, and saddles the form choice Intense Focus; the bay colt found only Art Connoisseur (Ire) 2 1/4 lengths too strong at Royal Ascot 12 days ago. Racing up the unfavored centre of the track on that occasion, he had the smart Lord Shanakill, Himalya (Ire) and Orizaba (Ire) behind, and a reproduction of that effort may be enough to deny another Ballydoyle white-wash.

THREE CHIMNEYS TODAY'S
The Idea is Excellence. **INSIGHTS**

HOLLYWOOD TO RACE THROUGH SUMMER

OF 2009 Speaking at Friday's meeting of the California Horse Racing Board, Hollywood President Jack Liebau revealed that the track will race through the summer of 2009, and likely until the end of that year. According to *Daily Racing Form*, Liebau said, "We expect to be allocated our 2009 historic dates. We have committed that we will run the spring/summer meeting, no question, and the fall meeting if we don't give six months' notice to the contrary." It is possible the Inglewood oval will operate into 2010 as well. Purchased by the Bay Meadows Land Company from Churchill Downs Inc. for \$257.5 million in September of 2005, Hollywood is slated to be closed for redevelopment. The Bay Meadows Land Company has already announced that Bay Meadows will cease to operate after the San Mateo County Fair meet in August.

DECLAN'S MOON RETIRED

Declan's Moon (Malibu Moon--Vee Vee Star, by Norquestor), the champion juvenile of 2004, has been retired, *Daily Racing Form* reports. Now six, the Maryland-bred gelding has won

Declan's Moon & Ron Ellis

just once in 13 attempts over the last three seasons, taking an optional claimer at Hollywood in July of 2007. He was off the board in five subsequent starts, most recently running seventh in an optional test at Hollywood June 26. The winner of the GI Hollywood Futurity, GII Del Mar Futurity and

GIII Hollywood Prevue S. at two, Declan's Moon also captured the GII Santa Catalina S. in his lone start at three. The bay was sidelined by knee surgery after that victory, and his career was plagued by setbacks thereafter. "He never came back the same after surgery," trainer Ron Ellis told *DRF*. "It was too bad, because we saw the real horse in his first few races and after that it wasn't the same." Ellis added that breathing problems had been an issue in his most recent races. "He can't get his air," he said. "It was only under severe stress that it happened. We tried everything and it's something that can't be fixed." Purchased by Jay Em Ess Stable for \$125,000 as a FTMSEP yearling, Declan's Moon retires with a record of 18-6-2-2 and earnings of \$705,647.

RNA'd for \$285K as a KEESEP yearling, he was consigned to Barretts by Gulf Coast's Jerry Bailey, and debuts carrying the Gulf Coast colors today. The dark bay, out of a full to champion Ashado, went a half in a bullet :46 4/5 out of the gate at Santa Anita May 28. **S.S. Stone** ([Birdstone](#)) was one of Robert LaPenta's buybacks at FTFEB. A \$135K KEESEP purchase, he RNA'd at \$300K. He has been well-prepped by Doug O'Neill for his career bow. [brisnet.com pps](#)

 I Lost My Choo won three in a row on the turf at Gulfstream this winter, capping the streak with a half-length score in allowance company Mar. 9. Beaten just a head when third in the Apr. 16 Gill Appalachian S. at Keeneland, she entered this test off a third in the May 31 Gill Sands Point S. at Belmont. Facing fellow New York-breds for the first time as the odds-on chalk, she rated off the pace while tucked in at the rail. The bay had to take up while caught in traffic on the turn, but drove through an opening as they straightened for home. Once again without running room at the top of the lane, she was angled outside by jockey Edgar Prado in deep stretch and, finally in the clear, accelerated to the front in the shadow of the wire.

May 17. Making his grass bow here, the 7-2 chance trailed the field early, but came flying up the rail in the stretch to get up by a head over Holiday Trip (Trippi). Wesley is a full to Cloakof Vagueness, SW & MGSP, \$433,078; and a half to Dynameaux (Dynaformer), SW & GSP, \$280,645. Monastic Springs (GB) (Sadler's Wells) offered little while running seventh. Second by a head on the Keeneland Polytrack Apr. 5, he was beaten a neck going a mile and a sixteenth on the Belmont lawn May 26. The dark bay, bet down to 4-5 here, was a stalking second through the early going and grabbed the lead in the stretch. "He's been galloping some the wrong way, but today was his first official gallop," trainer Rick Dutrow Jr. commented. "It was his regular gallop. Everything went well."

who dead-headed for third in the 1 1/2-mile Classic, each breezed a half-mile over the Oklahoma training track at Saratoga Saturday morning. Owned by Robert LaPenta, Da' Tara went his four furlongs in :51, while Anak Nakal stopped the timer in :51.22. Hall of Fame trainer Nick Zito was pleased with the moves. "We are happy with their progression," he said. While the GI Travers S. is the ultimate goal for both sophomore colts, Zito is pointing the

duo towards the GI Jim Dandy S. at the Spa July 27. "That had been my plan with Da' Tara, the Jim Dandy and the Travers," Zito added. "I spoke with [owner] Kassem Masri about Anak Nakal and he said it would be fine. So that's what we'd like to do with both of them." The last three winners of the Jim Dandy--Flower Alley, Bernardini and Street Sense--all went on to double up in the Travers.

Ziadie Equals Record With Five Winners Friday:

Trainer Kirk Ziadie saddled six horses on Friday's live racing program at Calder Race Course and got his picture taken a record-equalling five times. The mark was first set by Arnold Winick in September of 1972 and was last matched by Stan Hough in May 1977. "You go into days like yesterday with big expectations, but more often than not you'll come away disappointed," said Ziadie Saturday morning. "But it all fell into place [Friday]. I went in with the thought that it would be a good day if we won two races." Ziadie's winners came in races 4, 5, 6, 9 and 10, and returned an average win mutuel of just over \$6.

ADW Dispute Threatens Ellis Park Signal:

With Kentucky horsemen still unable to reach an agreement regarding the revenue split with advance deposit wagering companies, it is unlikely that Ellis Park's signal will be distributed to the ADW companies when the meet opens Friday. The ongoing dispute over the issue prevented the distribution of the signal from several tracks this spring, including Calder and Churchill Downs, and also now threatens the Del Mar signal. An agreement that made the signals from all California tracks available to all ADW companies expires just before the Del Mar meet opens July 16. California track officials will meet with representatives of the ADW companies July 7 to try and work out the details of a new plan. The Thoroughbred Horsemen's Group, which represents, among others, horsemen in Florida, Kentucky and California in ADW negotiations, has asked for open access to the signals for all ADW companies.

Lion Sands ended 2007 with a third in the G3 September S. on Kempton's Polytrack in September and a success in the Listed Noel Murless S. on the Rowley Mile here the following month. He opened this season with a fifth in the Listed Buckhounds S. at Ascot May 10 and came into this contest off a fourth in the May 31 Listed Grand Cup at York. The bay was settled in fourth throughout the early stages and held Tranquil Tiger in a pocket as he made his move inside the final half mile. That rival got out at the quarter pole, and he looked to have the measure of Lion Sands until the very last strides, but the latter's gameness saw him gain the verdict.

Baileys Cacao, well-supported for the G2 Queen Mary S. after her impressive debut success at Windsor May 19, could only finish seventh in that Royal Ascot contest. Returning just 10 days later here, the bay raced keenly in front from the outset, but had plenty in reserve for the business end and was comfortably on top of Select at the line. "I thought she was my best ride at Ascot, but five furlongs was just too short for her," jockey Richard Hughes commented. "She wasn't loving the ground going down into the dip, but once she met the rising ground she stretched."

ARC BLEU (GER) (g, 7, **Monsagem--Antala {Fr}**), by **Antheus**) came into this valuable marathon as a reserve, but nearly missed the gig after failing to connect with his intended ferry from Ireland a day earlier. Making the line-up off a ninth at Dundalk Apr. 11, the 14-1 chance found cover in the pack, and endured a troubled trip which included the loss of a front shoe. He engineered forward momentum once into the straight and weaved his way through rivals under a drive to deny Halla San (GB) (Halling) by a head on the line. "I can't say how pleased I was yesterday morning when we got in as a reserve--it's a good system, just as it is over in Ireland," trainer Tony Martin told *PA Sport*. "There was a bit of mess-up with the journey over from Ireland. We were due to get here at 6 p.m. last night, but didn't get here until 10 p.m. Fortunately, he's a horse with a very tough constitution, and it didn't bother him.
