PRECIOUS STONE

Aidan O'Brien's monopoly on the Irish Classics continued apace yesterday as **Moonstone (GB)** (Dalakhani {Ire}) justified 2-1 favoritism with a last-gasp success under Johnny Murtagh in the G1 Darley Irish Oaks at The Curragh. In denying the 66-1 shot **Ice Queen (Ire)** (Danahill Dancer {Ire}) and Colm O'Donoghue in the final stride by a short head, Susan Magnier, Michael Tabor and Derrick Smith's G1 Epsom Oaks runner-up provided yet another stable one-two and added to the successes of Henrythenavigator in the Irish 2000 Guineas, Halfway to Heaven (Ire) in the Irish 1000 and Frozen Fire (Ger) in the Irish Derby at this venue.

Gagnoa (Ire) (Sadler's Wells), who finished a further two lengths behind, completed a trifecta for her owners, whose list of achievements now include a third consecutive renewal of this Classic, a seventh consecutive Irish Classic and a fifth one-two in an Irish Classic since 1997. "It was a great race, with two fillies and two jockeys giving their all," O'Brien said. "It is a privilege for me to be involved with the people and the horses I work with." *Cont. p2*

WILL IT BE M.O.T.S. AT FASIG-TIPTON?

To be certain, there is a distinct air of uncertainty as the 2008 yearling sales season kicks off this morning with the Fasig-Tipton Kentucky Sale at the company's Newtown Paddocks. A total of 568 young colts and

The sales ring at Fasig-Tipton Kentucky

fillies, just 14 fewer horses than last year, are catalogued for the two-day event, which gets underway today and tomorrow at 10 a.m. The sale has grown by leaps and bounds and, between 1999 and 2006, saw the sale-topping price exceed a half-million dollars, highlighted by a Forestry--Alizea's Song colt which realized a bid

of \$1.2 million two years ago. Significantly higher supply, along with a tepid two-year-old market in 2007, combined to suppress the results of last year's sale, and officials at Fasig-Tipton tightened the screws this time around. "We went to our consignors with the aim of containing the size of the catalogue in 2008," said Fasig-Tipton President Walt Robertson. "We were tougher in our inspections on yearlings which might not be ready physically for July and are happy with the numbers we will offer." As the sale gets underway, the indicators, economic and otherwise, don't necessarily point up, yet the predominant feeling is that the market will remain steady, i.e. more of the same. *Cont. p11*

Moonstone Captures Irish Oaks (cont. from p1)

Moonstone, who was one of the leading lights of the Britton House dispersal two years ago, entered this Classic one of Europe's top-rated maidens. Runner-up to the smart Winchester on debut at Leopardstown Apr. 20, her reputation preceded her appearance in the May 14 G3 Musidora S. at York and she looked in need of the experience there when staying on late to finish fourth. Sent off at 25-1 in the June 6 Epsom Classic, she outran those odds as the closest pursuer of the runaway winner Look Here (GB) and had swayed Murtagh to renew his partnership here from a strong cast of fillies at his disposal. Settled fourth among the five-strong Ballydoyle peloton which dictated matters early, the blaze-faced bay was asked to close as O'Donoghue committed Ice Queen at the quarter pole, and only had that rival's measure with a final bob of the head. "She ran a lovely race at Leopardstown first time and then ran smashing races in the Musidora and Epsom, and her work was very good up to today," O'Brien added. "She is progressing very well and Ice Queen is big strong filly with a lot of class. The second filly wouldn't mind going back to a mile and a quarter and [Moonstone] could stay at a mile and a half for the [Aug. 22] G1 Yorkshire Oaks--they are progressing well and, hopefully, they will keep going that way."

From Sales Ring to Winner's Enclosure...

Moonstone became the highest-priced yearling ever to sell at Tattersalls December when Coolmore representative Dr. Demi O'Bryne purchased the handsome filly for 700,000 guineas at the 2006 renewal of the sale. O'Bryne outbattled Irish bloodstock agent Brian Grassick to land Moonstone, who hails from a family which Coolmore has had success with in this very race. L'Ancrese, Moonstone's three-parts sister by Darshaan (GB), ran second at The Curragh in 2003, a few months before she completed the exacta under Islington (Ire) at 46-1 odds in the G1 Breeders' Cup Filly & Mare Turf at Santa Anita. It is also the family of Coolmore's young sire Catcher in the Rye (Ire). [Click for the Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).

CURLIN EXITS MAN O' WAR IN FINE SHAPE

Curlin (Smart Strike) came out of his runner-up effort in Saturday's G1 Man o' War S. in good order and shipped to Saratoga Sunday morning. "Physically, he came out of the race great," said trainer Steve Asmussen. As for plans to continue to aim the 2007 Horse of the Year at a tilt at the Oct. 5 G1 Prix de l'Arc de Triomphe, Asmussen said, "There is no time frame--the evaluation will be continual. Our options are open."

FAWN NO NEARER TO RETURN Michael Tabor and Susan Magnier's Peeping Fawn (Danehill) will be absent for longer than expected, trainer Aidan O'Brien revealed yesterday. Not seen since capturing the fourth of her Group 1 successes in York's G1 Yorkshire Oaks in August, the four-year-old has met with a setback. "We took her away for a bit of work before the Pretty Polly and she came back a little bit stiff and is still not 100 percent, so we just have to bide our time," he said. "Obviously, because she is a very special filly we can't take any chances with her."

'YUZ DA MAN!

Sheikh Hamdan bin Rashid Al Maktoum's Tamayuz (GB) (Nayef) capped a memorable week for Freddy Head and Davy Bonilla by capturing the G1 Prix Jean Prat at Chantilly yesterday. The trainer-jockey partnership combined last Friday to garner the G1 July Cup at Newmarket. Bouncing back from a first defeat in the May 11 G1 Poule d'Essai des Poulains at Longchamp, 54-5 chance Tamayuz regained the winning thread by defeating Raven's Pass (Elusive Quality) by 1 1/2 lengths for a first top-level success. The official result was subject to a 25-minute stewards' enquiry, which attempted to dissect late interference among the place-getters. "He went into the Poule d'Essai des Poulains unbeaten, but everything went wrong there," admitted Head. "I was always confident in his ability and he has proved his class today." Breaking through in a newcomers' event at Longchamp last September, Tamayuz closed his juvenile season with victory in a conditions event over this course and distance the following month. He opened his sophomore campaign with a stirring victory in the Apr. 13 G3 Prix de Fontainebleau back at Longchamp, but was unable to overcome a parking-lot draw when losing his unbeaten record and finishing ninth in the May 11 G1 Poule d'Essai des Poulains back at the Bois de Boulogne track last time. Let go at double-figure odds for this attempt at redemption, the chesnut homebred was out swiftly to chase rabbit Poligold (Ire) (Poliglote {GB}) in second before slotting into third at halfway. He made a cute move off the home turn to seize the initiative along the rail in early stretch and kept plenty in reserve under a sympathetic drive in the closing stages to easily hold Raven's Pass' customary late charge. "Poligold ensured it was a truly run race and Tamayuz went to the front soon enough," said winning trainer Freddy Head. "His turn of foot was dazzling, he quickened brilliantly and had plenty left at the end. I shall discuss plans with the owner, but the logical target is the G1 Prix Jacques le Marois [at Deauville Aug. 17]."

Tales of the Vanquished...

John Gosden, trainer of runner-up Raven's Pass, was gracious in defeat and commented, "Raven's Pass ran an exceptional race, but he had to come from a long way back which is a difficult thing to do at Chantilly. It would have taken a jet engine to catch Tamayuz and I must congratulate the winner." Saeed bin Suroor praised third placegetter Rio de la Plata's effort saying, "He ran very well and finished strongly. He'll probably go for longer events now."

CLOSING ARGUMENT

THE VERDICT IS IN...

Closing Argument's first foals make the case for an outstanding sire in the making.

"Closing Argument was not only a gifted racehorse, but he is a physical standout. I have seen all of the foals of Bill and Corrine Heiligbrodt and love their quality. They have great depth, balance and athleticism. He looks like the next leading Freshmen Sire to me. I will be surprised if he does not sire very fast and talented racehorses."

Hystericalady, who came up just a neck short of champion Ginger Punch in last year's GI Breeders' Cup Distaff, won the Mar. 9 GIII Azeri S. and was beaten a head when third in the May 3 GI Humana Distaff H. and was coming off a 7 1/2-length romp in the June 14 GII Fleur de Lis H. at Churchill. The speedy chestnut ran with pacesetting Lemon Drop Mom through tepid fractions of :24.12, :48.82 and 1:13.07. She moved to the lead after a mile and sprinted clear for an easy win. "Everything worked out perfect for the trip I was hoping to get," said winning rider Garrett Gomez. "This is a classy mare. She will do whatever you want her to do and it is a pleasure to be on her. My main concern was she kicked when I wanted her to kick, because the mile and a quarter was a question in some people's minds. Her last race, she went a mile and an eighth, and she was getting stronger as the race was going on. You never know until you go a mile and a quarter. So I started kicking her just like I was going a mile and an eighth just like last time and went ahead and went after the horse on the lead. I let her make the lead and when we turned for home, she hit another gear and lengthened her stride some more." Apr. 20 before a fifth-place effort in the June 7 GI Charles Whittingham Memorial H. last time out. The bay colt settled into stride as Boule d'Or (Ire) (Croco Rouge {Ire}) bowled along on a loose lead through pedestrian splits. Warning Zone moved closer along the rail entering the straight, took a narrow lead with a furlong to run and inched clear to the wire. "The course had a little more give in it today and it really suited him well," said winning rider Mike Smith. "Of course the distance always helps. And I had a dream trip. I saw the [Boule d'Or] getting out a little bit so I knew when he had to ask him he was probably going to drift off. So I went for it and it worked out. He was sitting on a big race and he really looked the part, too. You can't go far enough for him. A mile and one-half, a mile and three-quarters, he loves it." The stakes win capped a memorable Hollywood meeting for leading trainer John Sadler. "At Santa Anita he was peaking at the longer distances, it was a very good second in the San Juan Capistrano," Sadler said of the winner. "The first race here [at Hollywood] was a mile-and-one-quarter, you hate to say it but it was actually a little short for this horse right now, his best form is at a mile-and-one-half or farther. We wanted to get a race in him so we ran him at a mile-and-one-quarter, he was fifth beaten three and he was just a little even the last part because they closed a little faster. We'll find something for him, there's some long-distance races like the [Aug. 23 GII] Del Mar H." **Click for the [brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#). Bushranger beat the subsequent G2 Queen Mary S. sixth Nubar Lady (Ire) by a neck on debut in a five-furlong Tipperary conditions event June 5 before finishing runner-up in the Listed Windsor Castle S. at Royal Ascot 12 days later. Drawn away from the seemingly favored stands' side on that occasion, he emerged with credit after going down by only a half length to Flashmans Papers (GB) despite ploughing a lone furrow in the centre of the track. Without cover again here, the bay raced wide of the tightly packed field, but was professional when committed approaching the furlong marker and rolled by Westphalia soon after. Stretching away from that rival in the run to the line, he was firmly in command as the maiden Kamado emerged to chase the runner-up. "He did it very well and is in everything, including the [July 27] G1 Phoenix S. here and G1 Prix Morny [at Deauville Aug. 24]," trainer David Wachman said. Plan improved off a debut fifth at Cork last October and earned a ☆ **"TDN Rising Star"** ☆ badge when breaking through in a Leopardstown maiden, his freshman season closer, at the end of that same month. He ran a creditable eighth behind stable companion Henrythenavigator in the May 1 G1 2000 Guineas at Newmarket on seasonal return and was a last-out fourth in the Listed Celebration S. at this track June 29. Settled off the pace in fourth after the initial strides here, he was stoked up with three furlongs to go and stayed on relentlessly under a final-quarter drive to assert superiority nearing the line. "He's very lazy at home and Seamus Heffernan, who rode him last time, said he only clicked into gear late in that race where he finished strongly," explained winning jockey Johnny Murtagh. "I thought this mile and one [eighth] would suit him as he finds a bit when you ask him and responds well. I think he's a nice horse going the right way and should now be spot on for a big one after this." Trainer Aidan O'Brien elaborated on possible targets and added, "He is going forward all the time and looks an obvious horse for the GI Secretariat S. next month." Kip Deville, whose eight of 11 wins at a mile include victories in last year's GI Frank Kilroe H. and GII Maker's Mark Mile, ended 2007 with an emphatic win in the Oct. 27 GI Breeders' Cup Mile and returned this term to take the Apr. 11 GI Maker's Mark Mile. Heavily favored against four foes here, Kip Deville contested the early fractions with Sensational Humor (Distorted Humor). He took charge entering the straight and powered clear to a convincing score, completing the final quarter mile in :22.74. "He's a super racehorse," said IEAH Stable's Mike Iavarone. "We've been running all over the place with him, and we're happy to get him to New York. He loves this turf. Just look at his last quarter. He's got a great mind; a great everything." Trainer Rick Dutrow, Jr. said Kip Deville will make his next start north of the border. "His next race will be in Canada [in the Sept. 7 GI Woodbine Mile] and it looks like what we have to do is keep him where he is at," Dutrow said. **Click for the brisnet.com chart or the brisnet.com PPs. Magical Forest captured the Spicy Award S. at Aqueduct Mar. 13 before running fifth in the Apr. 5 GIII Bay Shore S. Seventh in a May 15 Belmont optional claimer and fifth in Monmouth's May 31 Rumson S., he was stretched back out to 1 1/16 miles to take the June 9 Floor Show S. at this track last time out. The longest shot in the five-horse field, Magical Forest set pedestrian fractions. He was challenged by favorite Cherokee Artist in the stretch and exchanged several bumps with that foe down the lane before securing the victory. The stewards looked at the stretch run, but made no change in the order of finish. **Video, sponsored by Taylor Made. Click for the brisnet.com PPs or the brisnet.com chart.**

The [Fasig-Tipton July Selected Yearling sale](#) in Kentucky is more than a horse auction. It also is a chance for buyers, sellers, consignors and their clients to contribute one quarter of one percent (1/4%) of their horse's sale price to the NTRA Legislative Action Campaign. 100% of buyer and seller contributions go towards the NTRA's Federal lobbying efforts on behalf of the Thoroughbred industry and can be made until the close of sale invoicing. NTRA lobbies for Federal tax legislation benefitting horse owners, breeders, players and racetracks. Most recently, the association successfully lobbied for a standardized depreciation schedule for racehorses, which was passed in the 2008 Farm Bill.

"[Alessandro Volta] came out of the Derby well and is in good form, as are Bashkirov and William Hogarth, so hopefully they'll run well," O'Brien said yesterday. "It is very competitive, but you'd expect it to be as it's worth a lot of money, is on a great track and is very prestigious." Connections of **Curtain Call** are currently seeking to gain promotion from fifth above Alessandro Volta, who brought his run to a virtual halt as he began his errant move. Last year's G2 Beresford S. winner had run down the field at Epsom and his trainer, Luca Cumani, is hoping his widest post will not bring further bad fortune. "The draw could have been better," he told *PA Sport*. "Hopefully, over a mile and a half it will be less important, but it would have been nicer to have a more midfield draw He's come round now since the Curragh. He did a good piece of work on Wednesday and we are happy with him." Andre Fabre won this eight times in its previous guise as a 10-furlong contest and two years ago with Rail Link (GB) after the latest change in distance. His two representatives this time are the Wertheimer pair **Prospect Wells**, who followed a win in Saint-Cloud's G2 Prix Greffulhe May 12 with an eighth placing in the G1 Prix du Jockey-Club at Chantilly June 1 and the promoted May 31 Listed Prix de l'Avre winner **Americain**. Like Prospect Wells, **Montmartre** rebounded from an unplaced effort in the Jockey-Club to return to winning ways in the G3 Prix du Lys over this track and trip June 19, and bids to provide Alain de Royer-Dupre with a fourth renewal, while Sir Michael Stoute relies on the G1 Epsom Derby fourth **Doctor Fremantle**. The G3 Chester Vase hero has enjoyed a break since the blue riband and represents the sponsors successful with Beat Hollow (GB) in 2000 and the last two winners in the aforementioned Rail Link and Zambezi Sun (GB). "He's in good form, he's come out of the Derby well," Khalid Abdullah's Racing Manager Teddy Grimthorpe told *PA Sport*. "This has always been his target since then and he's trained well into it."

Hi Calypso carries a penalty here due to her successful exploits in the G2 Park Hill S. at Doncaster in September, but has to show more than her uneventful return when trailing in the G2 Hardwicke S. last time June 21. **Speed Gifted** was fourth in that Royal Ascot contest after a third in Goodwood's Listed Tapster S. 15 days previously and has been brought along steadily in typically patient fashion by trainer Luca Cumani. "The distance will suit him, but this race is a bit better class than the handicap he won at York last summer," Cumani told *PA Sport*. "He's had two nice runs at Goodwood and Ascot this season and he goes there in good form." Andre Fabre enjoys yet another enviable tally here, with eight wins, and relies on **Noble Prince**, whose pattern-race efforts include a second and third, respectively, here in the G2 Prix Chaudenay in October and May 5 G3 Prix d'Hedouville and latest fourth in the June 1 G2 Grand Prix de Chantilly. Sixth in that latter event was last year's G3 Prix Gladiateur winner and G1 Prix du Cadran runner-up **Varevees**, who will find this extended trip more suitable.

"I think that the two-year-old consignors have had a reasonably good year and they tend to fuel the market here," said Fergus Galvin, who operates the Hunter Valley consignment. "I don't really see too much change happening. I think it's the same story--the good horses bring the good money and horses that aren't making the grade are generally the ones that suffer in the market. There might be a mild correction, but I don't really see anything drastic." Consignor Meg Levy, who runs the Bluewater Sales agency, is trading somewhat cautiously. "It's so hard to see what's going to happen," she says. "People are just starting to vet now. I think it's actually less numbers traffic-wise than it's been the last couple of years, but hopefully it's quality versus quantity. But you just don't know what's going to happen." In light of the weakening American economy, it stands to reason that those from other parts of the world could take advantage and put their relatively stronger currency to good use. "We've made a little extra push, in Europe, in particular," explains Fasig-Tipton Vice President and Chief Operating Officer Boyd Browning Jr. "You don't really know yet how that's going to turn out. We think there will be some additional support from some of that European buying power and we'll be surprised if there isn't." However, that may or may not be taking place. "It's all about the pedigrees," said bloodstock agent Tom Ryan, "and there's just not a whole lot in the catalogue that appeals to Europeans." Nevertheless, the sales grounds at Fasig-Tipton were alive with activity yesterday on a morning that started grey and rainy which eventually turned bright and sunny, a term which could be applied to the hopes of sales officials in an otherwise stormy economic climate.

Heaven Trees No Stranger to Success...

On a parcel of land a few furlongs down the road from Keeneland sits Heaven Trees, a farm owned since 1995 by veterinarian and horse breeder Dede McGehee, on which she boards 23 mares she owns singly and in partnership. The 51-year-old, who graduated from the University of Florida's College of Veterinary Medicine in 1984, has had her fair share of success selling horses she bred, mostly through the recently closed Grovendale agency of James Keogh. As the saying goes, "necessity is the mother of invention," so instead of turning the 10 to 15 horses she sends to auction each year over to someone else, McGehee has decided to take a crack at her own consignment. Her three-strong draft this week is a groundbreaking event, but just how long it will endure remains uncertain.

"I'm just trying it to see how it is here and then we'll see after that," the always friendly McGehee explains. "It's something new and we'll try it and see."

The experiment will bear its first fruit late during today's opening session. [Hip 268](#) is a filly from the first crop of four-time graded winner Limehouse (Grand Slam) and the first foal out of the stakes-winning Gracility (Known Fact), a mare McGehee owns in partnership with Ron DiCicilia's Crown's Way Farm of Illinois. "That filly is awesome, the Limehouse filly," McGehee says proudly. "She's just beautiful. It was a very good physical mating, a very nice match for the mare [to go to Limehouse]."

McGehee has made something of a name for herself working with mares with a history of reproductive problems.

"I like to fool with those mares, because if they didn't have issues, I wouldn't be able to afford them," she says laughing.

Gracility, one of several mares owned with Crown's Way, was one such mare. A daughter of the very talented Illinois-bred racemare Kuma (Naevus), she was retired from the track in 2005, but was unable to breed that season. She has a Roman Ruler filly by her side and she is back in foal to Langfuhr. **Cont. p12**

It is not surprising that McGehee has a soft spot for the Lane's End sire, as he provided her with one of her most prominent successes as a breeder. In partnership with John Gaines Thoroughbreds, McGehee was responsible for Imperial Gesture, runner-up to her stablemate Tempera in the 2001 GI Breeders' Cup Juvenile Fillies and third in the 2002 GI Breeders' Cup Distaff.

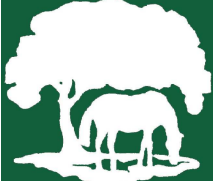

"He's such a good and underrated sire," McGehee says of Langfuhr. "He's not all that glamorous, but he sure can get you a runner."

In 2003, Heaven Trees was the successful bidder on the then 13-year-old mare Adventurous Di (Private Account), who was in foal to Include. The hammer price was a mere \$17,000, an investment which was recouped when the filly, consigned through Grovendale, realized a final bid of \$110,000 at the 2005 Fasig-Tipton Kentucky July sale. In her biography on NTRA.com, McGehee said the Include filly was "beautiful, but you can't keep them all. You have to sell some of them to pay for the others." Pinhooked by Mike Ryan and Niall Brennan for \$275,000 at the 2006 Keeneland April sale, the filly came to be known as Panty Raid, who went on to become a Grade I winner on turf and Polytrack and a Grade II winner on dirt.

"Adventurous Di was my kind of mare," McGehee commented. "She was just a big, broody kind of mare, stout and classy." She reports that the mare did not have a foal in 2006 or 2007, but is the dam of a weanling full sister to Panty Raid and has been pronounced back in foal to Include.

McGehee is also the breeder of treble Grade III winner Monashee (Wolf Power {SAf}). A Sovereign Award finalist in 2007, the grey daughter of Avide (Wall Street Dancer) was retired earlier this year following a successful swansong in Santa Anita's Paseana H. in January, the 14th stakes win of her career.

Heaven Trees' other two horses sell Tuesday. [Hip 446](#) is a son of Langfuhr--Alcea (Honour and Glory) which hails from the strong Sam-Son family of champion Wilderness Song; while [hip 562](#), a daughter of the late Vindication from Long Stemmed Rose (Rhythm), will keep McGehee busy right to the end of the sale.

Hip 33, f, Smarty Jones—Nannycam, by Pulpit
 Consigned by Gainesway, agent
 B-John C Oxley (Ky)

One of just two lots by Smarty Jones (Elusive Quality) in the sale, the chestnut is the second foal out of \$290,000 FTSAUG purchase Nannycam, who won five of her 14 starts, including a Keeneland allowance test, for owner John Oxley. It is also the family of G1SW Danish (Ire). Smarty Jones's first crop of yearlings averaged \$201,029.

Hip 40, c, Friends Lake—Pat Copelan, by Copelan
 Consigned by Brereton Jones/Airdrie Stud, agent
 B-Tim Thornton & Brereton C Jones (Ky)

The bay is out of GSW Pat Copelan, winner of the GII Adirondack S. and dam of MSP Rave (Houston) and SP Catskill Mountains (Mountain Cat). Half-brother Paint (Include), a \$400,000 FTFFEB juvenile in 2007, broke his maiden at Saratoga last summer and was beaten just two lengths when fourth in the GII Futurity at Belmont. "He is going very well," said Airdrie's Ben Henley said of the yearling. "He's just gorgeous and very athletic. We love everything about him."

This filly, a half-sister to SW No Other Name (Honour and Glory), was a \$23,000 purchase from last year's Keeneland November sale.  B-Glenn Brok (Pa)*

A February foal, the bay is from the first crop of GSW and GI Kentucky Derby runner-up Closing Argument (Successful Appeal). "She's a big stretchy filly with a great length of forearm, but she's a great walker for a horse her size," said Legacy Bloodstock's Tommy Eastham. "She's also a Pennsylvania-bred, and they run for a lot of money up there."

Hip 145, c, **Unforgettable Max--Wife's Objection**, by Slewpy
*Consigned by Gainesway, agent
 B-Equus Farm & Susan Forrester (Ky)*

This colt is from the first crop of MGSP Unforgettable Max, a full brother to champion Afleet Alex. He was a \$42,000 KEENOV weanling and, according to Gainesway's Michael Hernon, is a promising individual. "Raised as a yearling on the fertile, rolling paddocks of the historic Greentree Farm, this balanced colt has blossomed into a superior individual," Hernon reflected. "He possesses size, power, motion and exudes class. He's quickly attracted many of the top judges here at Fasig-Tipton. We believe he is a very good prospect."

*Consigned by Eaton Sales, agent
 B-Millennium Farms & Littlebrother Farm (Ky)*

Millennium Farms purchased Chenoa for \$32,000 with this colt in utero at Keeneland and resold the foal for \$70,000 last November. "This is a very, very balanced colt," said Eaton Sales' Tom VanMeter. "He's athletic and well turned out and hopefully he's going to fire them up a little bit." The consignor is also high on the sire. "I like Eurosilver, I actually bred a few to him myself," he said. "He's a very pretty racehorse, a very fast racehorse and I think he's got a good future." The dark bay is out of a half-sister to the good sprinter Demaloot Demashoot.

 B-Phil T Owens (Ky)*

Out of a half-sister to the dam of GII Dwyer S. winner Mint Lane and to MSW Secret Sip, the chestnut colt is by Coolmore's Lion Heart, who already has nine winners from his first crop. "He has a big walk," said Paramount's Pat Costello. "He has a lot of quality, a lot of scope and he looks like he'll go two turns. He's a very, very nice horse."

Hip 228, c, **Forest Danger--Elaine's Angel**, by T. U. Slew
*Consigned by Hill 'n' Dale Sales Agency, agent
 B-Jerry Jamgotchian (Ky)*

From the first crop of a Grade I-winning sprinter, this January foal is the latest produce of a mare who placed in four stakes and earned \$350,216. "He's a big, scopey and athletic horse that is being received very well," said Andrew Cary, director of sales for Hill 'n' Dale. "Hopefully the sale will be strong and we've had a good amount of traffic." A \$57,000 purchase when sold in utero at Keeneland in 2006, he was purchased for \$75,000 as a KEENOV weanling.

Hip 236, f, Speightstown--England's Rose, by Nureyev
 Consigned by Taylor Made Sales Agency, agent
 B-Grapestock (Ky)

From the second crop of the champion sprinter, the bay is the latest produce of a Grade III-winning sprinter, and bears a resemblance to her sire, according to Taylor Made's Mark Taylor. "This is just a beautiful filly. She's bay, but other than that I think she really looks like Speightstown," he stated. "She's got a big, strong, laid-back shoulder, great hip, great balance and very correct. She's out of a really well-bred Nureyev mare." He added, "Speightstown is obviously off to a great start. I think everyone is very high on him. He has got a little buzz about him in Europe as well as over here, so I think she's a filly that could appeal to everybody." A Gone West 3/4-sister sold for \$900,000 as a yearling in 2004.

The lone offering in the catalogue from the 2004 Horse of the Year, the chestnut is a half to GSW Sharp Impact (Siphon {Brz}) and to SP Speed Hunter (Alydeed). "Really nice filly," Mark Taylor commented. "Great physical and she's one of the best-pedigreed fillies in the sale. She's been really popular and she should sell well."

Hip 252, c, Eddington--Favorite Times, by Souvenir Copy
 Consigned by Hill 'n' Dale Sales Agency, agent
 B-Machmer Hall & Lau-Mor Farms (Ky)

"He's from the first crop of Eddington, who should be a popular sire," explained Hill 'n' Dale's Andrew Cary. "He's a little different type than Eddington, who was more of a late-maturing horse. We think he'll be early and he'll appeal to pinhookers, and there are some end users that are liking him as well. He's a beautifully made horse, a very athletic mover and correct, and that's what they want at this sale. We think he'll be a perfect fit."

Hip 269, c, Medaglia d'Oro--Grandstone, by Grindstone
 Consigned by Warrendale Sales, agent

Medaglia d'Oro is off to a fine start at stud, with six individual winners and a graded stakes-placed filly to his credit. This colt is out of a 3/4-sister to GISP Wheelaway. "He's a big, scopey, good-looking colt by a sire that many people didn't expect to get two-year-olds and that's just what he's doing, which is a nice surprise," said Warrendale's Kitty Taylor.

MAJOR IMPACT AT JRHA FOAL SALE After Monday's yearling session, the Japan Racing Horse Association will continue its July Select Sale Tuesday and Wednesday at Northern Horse Park on Hokkaido with foals being offered alongside their dams. A total of 336 babies have been catalogued for the two-auction, including 37 foals from the first crop of two-time Japanese Horse of the Year Deep Impact (Jpn). That son of Sunday Silence was himself a ¥70-million graduate of this auction in 2002. Other runners to claim Japan's top honor after emerging from this sale are Zenno Rob Roy (Jpn), a ¥90-million acquisition in 2000; and last year's standout Admire Moon (Jpn), acquired for ¥16 million in 2003. In 2006, the sale established a world-record ¥600 million (approximately \$5.2 million) for a King Kamehameha (Jpn)--To the Victory (Jpn) filly; last year's topper was a ¥300-million colt by Kurofune--My Katies (Jpn) purchased by Riichi Kondo. This year's auction will feature the first offspring of standouts Aragorn (Ire) (Giant's Causeway), Bernardini (A.P. Indy), David Junior (Pleasant Tap), Heart's Cry (Jpn) (Sunday Silence), Henny Hughes (Hennessy) and Rule of Law (Kingmambo). Selling begins at noon; lots 201-380 will be offered Tuesday, July 15, while lots 381-536 will go under the hammer Wednesday, July 16. Catalogues are available on www.jrha.or.jp.

The 9-5 favorite rallied four wide into the lane, took over at midstretch and outfinished Holy Thunder (Holy Bull) by 3/4 lengths. Dakota Phone was a \$67,000 BESMAY juvenile. Holy Thunder, a 15-1 outsider, was making his first start since a debut sixth over Hollywood's Cushion track in December 2006. Lifetime Record: 7-1-2-1, \$65,480.

CANDY LION (c, 2, Candy Ride {Arg}--Sherzarcac {SW, \$112,355}, by Storm Cat) came up just a head short when second in a quickly run five-furlong dash here June 19. The prohibitive 3-5 choice to do one better and become the fourth winner for his freshman sire (by Ride the Rails), Candy Lion shadowed the front rank from the rail, came through decisively and strode clear to the 2 1/4-length win. Trainer Jeff Mullins provided both the runner-up, the 35-1 firster Blazing Spirit (Cherokee Run), and third-placed I Want Revenge (Stephen Got Even), who was 9-1. As a \$170,000 KEENOV weanling, Candy Lion was Candy Ride's most expensive weanling in 2006. Lifetime Record: 2-1-1-0, \$38,400. [Video, sponsored by Taylor Made. CAPTAIN STEEL (c, 2, Hennessy--Miss City Halo {SW, \$155,930}, by Carson City) was a modest fifth in his career bow going 4 1/2 panels over this track May 22 and was installed the 8-5 choice to get the job done here. On the engine from the start, the \$60,000 KEESep yearling increased his advantage at every call and cruised home an easy 7 1/4-length winner over Fiery Rebel (Smoke Glacken). Also down the field in the Listed Victor Mccalmont Memorial S. at Gowran Park May 4 and G3 Ridgewood Pearl S. back at this venue May 24, the bay finally registered a stakes success in Leopardstown's Listed Nijinsky S. last time June 18 and followed up to cap a memorable day for Coolmore following the operation's one-two-three in the Irish Oaks and one-two in the Anglesey. In mid-division throughout the early stages, she was sent to the front with over a furlong remaining and battled to withstand the late challenge of Jalmira.

Blasting from the gates to lead his group in the centre of the track, the €30,000 GOFNOV weanling and 50,000gns DONSEP yearling led overall inside the final quarter and was beyond recall as Le Cadre Noir (Ire) (Danetime {Ire}) emerged to close the winning distance to 1 3/4 lengths. Sea the Stars (Ire) (Cape Cross {Ire}), the half-brother to Galileo (Ire), made a highly encouraging debut and may have been unlucky not to finish closer than his eventual 3/4-of-a-length fourth as he ran into traffic in the closing stages. Jockey Chris Hayes said of the winner, "He's a nice horse and learnt a lot from the first day, as he was very professional. I think it was a very good race, as there was a strong pace and they quickened up nicely. My horse stuck on well and we've always liked him a lot." Lifetime Record: 2-1-0-1, €15,910. LINDSAY PARK STUD ANNOUNCES RESTRUCTURING Lindsay Park Stud has announced a major restructuring, with Sam Hayes becoming the majority shareholder in the stud. Hayes formally increased his holding, while his uncle, prominent trainer David Hayes, relinquished his interest in the breeding operation begun by his father Colin. Sam Hayes paid tribute to David, under whose guidance the stud had gone from strength-to-strength. "Under the guidance of David Hayes, we have been able to expand our stallion roster, enhance our stud facilities and develop a team of dedicated staff," Sam Hayes said. "We now approach the next three years with a solid foundation and a plan that we will see the stud capitalizing on more opportunity." David Hayes will retain 100 percent of David Hayes Holdings, which includes the racing stable and the showpiece South Australian property at Angaston on which the stud operates. "While remaining one of Lindsay Park Stud's biggest clients and a key investor in stallions, David has relinquished his shareholding in the stud so as to focus even more of his attention on training winners," Sam Hayes said. Sam Hayes said Darren Thomas, managing director of T&R Pastoral, based at Murray Bridge in South Australia, was a new partner in the stud. "Lindsay Park Stud is on the verge of another very exciting period of growth, thanks entirely to the loyal support of our clients and the passion of our team," Sam Hayes said. Lindsay Park's roster this year includes the first season sire De Beers (NZ) (Quest For Fame {GB}) and MG1SW winner Barely a Moment (Aus) (Gilded Time).
