PREMIUM GOLD wins Maiden Special Weight by 6 1/2 lengths at Monmouth Park yesterday!

### TWO-HEADED MONSTER IN CCA OAKS

It's hard to look past the Godolphin coupled entry of **Music Note** (A.P. Indy) and **Little Belle** (A.P. Indy) in today's GI Coaching Club American Oaks at Belmont Park. Music Note was tabbed as a ★ "TDN Rising Star" ★ after posting a sharp maiden tally at the Big A for Tom Albertrani and Darley Nov. 7. The bay finally resurfaced at Belmont in May for the boys in blue, and picked up right where she left off, beating up on allowance foes by seven lengths. Stepping up to the big leagues for the GI Mother Goose S. June 28, she overcame a stumbling start to hand Proud Spell a 3 1/2-length defeat. "The Mother Goose was a strangely run race," said Rick Mettee, trainer Saeed bin Suroor's assistant. "Three of the four fillies in the race broke bad. We were lucky that Music Note was able to re-

Music Note

cover quickly after she stumbled and pull a good trip outside of all the trouble. There is no guarantee of that happening again. In a short field, strange things can happen, like I said." Little Belle enjoyed the winter in New York for Kieran McLaughlin, graduating over the inner track Feb. 1 and adding the Busher S. Feb. 24. She pulled off a 16-1

upset in the GI Ashland S. at Keeneland Apr. 5 and finished second in the GI Kentucky Oaks May 2, which marked her final start for McLaughlin. "Kieran had [Little Belle] before me and he told me that he thought she would be able to get a mile and a quarter," Mettee said. "I think both Little Belle and Music Note can get the distance. Both are training very well." **Cont. p2**

### FRESH FACE FOR VIRGINIA DERBY

Five competitors from the June 21 GIII Colonial Turf Cup—including runaway winner **Sailor's Cap** (Distant View)—return for today's GII Virginia Derby, but it looks like GIII Hill Prince S. hero **Gio Ponti** (Tale of the Cat) may be the main danger. The Castleton Lyons colorbearer opened his career with two straight victories, including a 1 1/2-length decision over subsequent Breeders' Cup Juvenile Turf hero Nownownow in Keeneland's Bourbon S. Oct. 7. The bay failed to fire in the boggy conditions at Monmouth Oct. 26, but kicked off his sophomore campaign with a eye-catching, two-length win in the Hill Prince at Belmont June 6. **Cont. p3**

GRADE 1 COACHING CLUB OAKS**

**Coming Into Her Own...**

**Acoma** (Empire Maker) graduated in her second start at Keeneland Apr. 18 and hasn't tasted defeat since. She splashed her way home to a Churchill allowance tally May 11, and was last seen annexing the one-mile GIII Dogwood S. May 31 over **"TDN Rising Stars"** Keep the Peace and Secret Gypsy. The bay has posted five workouts beneath the Twin Spires in the interim, including an easy half mile in :50 1/5 July 14. While Kiaran McLaughlin no longer trains GISW Little Belle, he will be represented by a nice filly in her own right, **Never Retreat** (Smart Strike). The Jeff Singer colorbearer won her first two starts at Aqueduct and Belmont this spring, then placed third in Delaware's Susan's Girl S. June 14. She takes another crack at Music Note after crossing the wire third--she was placed second via DQ--in the Mother Goose.

**Sailor's Cap** has done his best running over courses with give in them, including a good second in the GIII American Turf S.

over a yielding Churchill course May 2 and his victory in the driving rainstorm in the Colonial Turf Cup last time. **Court Vision**, winless in four attempts this term, takes another crack at the turf, after hitting his best stride too late in the Turf Cup to finish fourth. ☆ **"TDN Rising Star"** ☆ **El Sultry Sun** deserves another shot after failing to show up in the monsoon-like conditions at Colonial last time. The third-place GIII Calder Derby finisher posted a game nose victory over Prussian in Monmouth's Lamplighter S. May 25.

Saturday, Colonial Downs, post time: 5:44 p.m EDT  
VIRGINIA DERBY-GII, \$750,000, 3yo, 1 1/4mT

PP	HORSE	SIRE	TRAINER	ODDS
1	Your Round	<a href="#">Distorted Humor</a>	Hubley	15-1

Ran two big ones on Polytrack over the winter, and two mediocre ones off the layoff. The last was over a soft course he may not have liked, and the barn is much better third time off a layoff (see *trainer profile*), so we expect improvement. With the rail, this is a live longshot.

2	Old Man Buck	Hold That Tiger	McPeek	5-1
---	--------------	-----------------	--------	-----

Marched down to some good figures as a two-year-old, and came right back to that level in a concealed effort in a fast race. This is a strong pattern (see *Thoro-Pattern*), and Ken McPeek has been doing well recently (see "Last 90 days"), so this colt is a strong contender.

3	El Sultry Sun	Eltish	Kimmel	10-1
---	---------------	--------	--------	------

Ran two big ones, then a stinker over very soft grass. We're inclined to throw that one out, and his good ones make him a contender here.

4	Court Vision	<a href="#">Gulch</a>	Mott	10-1
---	--------------	-----------------------	------	------

Has generally been overrated off his slow Remsen win last year, and his big effort in the Wood took a lot out of him. We don't like stakes horses who are running that far off their tops.

5	Baltimore Bob	Malibu Moon	Garcia	30-1
---	---------------	-------------	--------	------

Too slow to contend here.

6	Budge Man	<a href="#">Fusaichi Pegasus</a>	Gorder	20-1
---	-----------	----------------------------------	--------	------

Got down to a good figure in March, but took four months to get back to it, and now comes back again on only 16 days' rest. He needs a forward move to compete here, and that's unlikely.

7	Gio Ponti	<a href="#">Tale of the Cat</a>	Clement	9-5
---	-----------	---------------------------------	---------	-----

Showed moderate ability last year, then jumped way forward in his seasonal debut. That much development makes a bounce possible, and another immediate forward move unlikely. He's also going to be going much further than he ever has before, so at a short price, this one is a bet-against.

8	Sailor's Cap	<a href="#">Distant View</a>	Toner	8-5
---	--------------	------------------------------	-------	-----

Didn't show much last year, got good this spring, and moved forward last time with a big effort to win the local Colonial Cup. He could pair-up that figure, but he spots weight and drew outside all the contenders here, which evens things up. Still, he's a contender, and this one has a big future.

**9 Southwest**      **Cozzene**      **Jenkins**      **20-1**

Returned to his top last time out, and has a decent pattern. But he would need a jump on less than three weeks' rest to contend, and the post hurts.

**Bottom Line:** Gio Ponti is a bet-against, and the right approach is to play exotics using Old Man Buck, El Sultry Sun, Sailor's Cap, and even Your Round for a little.

*Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. **TOMISUE'S DELIGHT EUTHANIZED**

Multiple Grade I winner **Tomisue's Delight** (A.P. Indy--Prospectors Delite, by Mr. Prospector) was euthanized July 16 following complications from colic surgery, Lane's End Farm announced yesterday. The 14-year-old mare was owned by Hilbert Thoroughbreds Inc. and Menard Thoroughbreds Inc. A \$575,000 KEEJUL yearling, the chestnut was the first foal out of multiple Grade I winner and 2003 Broodmare of the Year Prospectors Delite, and hailed from the first crop of 1992 Horse of the Year A.P. Indy. Campaigned by Steve and Tomisue Hilbert, Tomisue's Delight won the GI Ruffian H. at three and captured the GI Personal Ensign H. at four, and retired with a lifetime record of 20-7-5-4 and \$1,207,536 in earnings. She was a full sister to 2003 Horse of the Year Mineshaft and MSW Rock Slide, and was also a half to GSW-Ire Monashee Mountain (Danzig) and SW Delta Music (Dixieland Band). Tomisue's Delight produced seven foals of racing age, including MSP Save Big Money (Storm Cat). Two of her foals went to auction as yearlings: the filly Possession (Belong to Me), sold for \$2 million, while the bidding for Mr. Sidney (Storm Cat) reached \$3.9 million. Tomisue's Delight has a yearling filly Storm Cat, and produced a Distorted Humor colt this season.

A @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races. Purses for Canadian races are in Canadian dollars.

**PHOENIX FOR SHIMAH** Sheikh Hamdan bin Rashid Al Maktoum's unbeaten filly **Shimah** (Storm Cat) will take on colts in next Sunday's G1 Phoenix S. at The Curragh, according to trainer Kevin Prendergast. An impressive winner of the Listed Saoire S. over six fur-

longs at that venue last time June 27, the homebred chestnut will tackle the feature contest over the same track and trip. "She couldn't be better, and I'm hoping she can continue progressing at the Curragh," said Prendergast.

**VAN CLIEF APPOINTED SALES INTEGRITY MONITORING COMMITTEE CHAIRMAN D. G. Van Clief Jr.** has been appointed as the chairman of the Sales Integrity Program Monitoring Committee, the Thoroughbred Owners and Breeders Association announced yesterday. The Monitoring Committee oversees the implementation of the Sales Integrity Task Force's recommendations, which recently included a ban on anabolic steroids for 45 days prior to a sale of weanlings and yearlings. "Nothing is more important to our markets than integrity, and the confidence which that integrity will engender," said Van Clief, who also serves as chairman of Fasig-Tipton Company Inc. "This Committee is fortunate to have the services of important industry leaders and the organizations they represent. The group will take a diligent, dynamic approach to monitoring and, when necessary, recommending changes to the policies which were developed by the Sales Integrity Task Force last year and which are being implemented by sales companies presently." The other members of the Monitoring Committee are: Jimmy Bell (Darley USA), Reynolds Bell Jr. (Reynolds Bell Thoroughbred Services), Bill Casner (WinStar Farm), Nick Nicholson (Keeneland Association), J. Michael O'Farrell (Ocala Stud Farm), Frank Penn (Pennbrook Farm), Fred Sarver (American Saddlebred Horse Association), Samantha Siegel (Jay Em Ess Stable), John Sikura (Hill 'n' Dale Farms) and Bayne Welker (Mill Ridge Farm).

**MONDAY FUNERAL SERVICE FOR KRUYTBOSCH** The funeral service for track announcer Luke Kruytbosch will be held in Churchill's paddock garden at 1 p.m. on Monday, July 21. The service is open to the public. In lieu of flowers, donations can be made in Kruytbosch's honor to either the Kentucky Race Track Chaplaincy in Louisville, KY, or the Racetrack Chaplaincy of America in Los Angeles, CA. Kruytbosch, 47, passed away in his sleep Sunday night, July 13, in Evansville, Indiana. His remains were cremated and, in keeping with his wishes, his ashes will be spread at Churchill. Kruytbosch, the fifth track announcer in the 134-year history of Churchill, had called the last 10 runnings of the GI Kentucky Derby. He also called the races at Ellis Park, Kentucky Downs and Turf Paradise, where a race has been named for him. The first running of the \$50,000 Luke Kruytbosch S. for three-year-olds going six furlongs will be held on the track's opening day, Oct. 3.

The 2-1 chalk in the May 3 GI Humana Distaff S., she battled Hystericalady through a half in :44.31, but weakened to be fifth. The chestnut faced a much softer field here. Content to settle in third early, Sugar Swirl took over at the eighth pole and held off Lucas Street for a workmanlike win.

The grey was fifth in the GIII Jefferson Cup at Churchill two months later, but had only been out twice since. Eighth in a Churchill allowance Nov. 6, he sold for \$75,000 as a KEENOV horse of racing age later that month, then disappeared. Trimaran resurfaced June 25 with a third in an optional claimer at Belmont, and was the even-money chalk to improve in his second outing off the layoff. Allowed to settle at the back of the five-horse field through an opening half in :45.27, he drove past the dueling pair of Quip (Arg) (Pure Prize) and Russian Sage (City Zip) and edged away to a one-length success. **B.E.S.T. Receives NY State Agency Grant:**

The Backstretch Employee Service Team, which serves as the health and human services agency for backstretch workers in New York, has received a \$350,000 grant from the Migrant and Seasonal Farmworkers Division of the New York State Department of Health. B.E.S.T. will receive \$70,000 a year over the next five years to use for improvement of the backstretch healthcare programs. The organization operates a year-round clinic at Belmont Park, as well as a clinic that is open for six months at Saratoga. The money from the grant will be used to extend the hours of operation at the clinics, and to hire two community health workers, who will run outreach programs on the backstretch. In related news, B.E.S.T. announced yesterday that it will open New York's first on-site dental clinic for backstretch workers at Saratoga Race Course. The Solomon Dental Clinic, funded by grants from the Alfred Z. Solomon Charitable Trust and the New York Department of Health, opens Sunday, July 20, and will offer cleanings and exams. More extensive treatment will be scheduled through the clinic with local dentists. The dental unit is portable and, if funding can be found, it is the goal of B.E.S.T. to bring it downstate when the Saratoga backstretch closes in October. Sunday also marks the opening of the Global Communication Center in Saratoga. The Center will provide backstretch workers with supervised access to computers and to wireless Internet, free of charge. It was made possible by donations from Fasig-Tipton, West Point Thoroughbreds and Marchfore Thoroughbred Enterprises. B.E.S.T. is working toward opening a similar center at Belmont, where AXA Financial Services will contribute computers.

### Tougher Penalties for Steroid Positives in California:

The California Horse Racing Board voted Thursday to implement tougher penalties for anabolic steroid positives. The CHRB officially reclassified the anabolic steroids boldenone, nandrolone, stanozolol and testosterone as Class 3 substances. Positives for the four medications will result in the loss of purse money. Trainers could also be fined or suspended. Testing for anabolic steroids began July 1, with trainers receiving warnings for positives. According to published reports, 347 horses have been tested, with 27 coming up positive for stanozolol, marketed as Winstrol. The recommended withdrawal period for anabolic steroids is a minimum of 30 days.
