The Idea is Excellence.

Rahy's Champion DREAMING OF ANNA  
is the Hometown Hope in Beverly D. (G1)

## MILLION-DOLLAR BABY

Today's GI Arlington Million XXVI will feature the third continent and fifth country raced in by Archipenko (Kingmambo). Bred in the purple--his dam was a \$2.2-million half-sister to Nureyev--the bay looked to be an

Four Footed Fotos

Epsom Derby prospect for Aidan O'Brien last spring, but disappointed the remainder of 2007, and was acquired privately by Sheikh Mohammed bin Khalifa Al Maktoum and Dr. Ashley Parker. Sent to Mike de Kock in Dubai, the bay came up a half-length short when third in the G1 Dubai Duty Free Mar. 29, but came good in the G1 Queen Elizabeth II Cup at

Sha Tin Apr. 27, then gave de Kock his first British winner with a score in the G2 Summer Mile at Ascot July 12. "Now, when he gets on the plane, he thinks he's going on holiday," de Kock told *Daily Racing Form*. "From the day he walked in there in Hong Kong, he just thrived, and it's been the same with Chicago." Cont. p3

Precious Kitten (Catienus) and hometown darling Dreaming of Anna (Rahy). But the one to watch just might be the stretch-running Muralakana (Fr) (Muhtathir {GB}), who has come alive this year at five. Acquired last fall for \$900,000 at

Keeneland and turned over to trainer Christophe Clement, the bay has won four of five 2008 outings, including Grade II scores at Belmont in the New York H. June 21 and Sheepshead Bay H. May 24. Cont. p2

## CHANGES FOR GRADED STAKES ELIGIBILITY

The Thoroughbred Owners and Breeders Association (TOBA) American Graded Stakes Committee announced two new eligibility requirements for U.S. graded races. Beginning in 2009, states or racetracks must adopt the Association of Racing Commissioners International (ARCI) model rule on androgenic anabolic steroids by Jan. 1, or the state/racetrack's first graded race in 2009. Similarly, states/racetracks must abide by the ARCI model rule for toe grabs on front shoes. In both cases, if the model rules are not adopted, then the races in question will lose their graded status. However, they will be eligible for grading once the rules are in place. "There has been much discussion recently about how any recommendations put forth by various groups could be implemented given Thoroughbred racing's fractured organizational structure," said TOBA President Dan Metzger. "The Committee members feel strongly about these two issues and determined that they should be implemented in graded stakes by expanding the conditions of eligibility." The AGSC also announced that, beginning Jan. 1, the drug testing protocol has been expanded to include alkalinizing agents in graded races. All racehorses entered in graded events will have blood samples drawn prior to the race in accordance with the Racing and Medication Testing Consortium. Jurisdictions will determine the testing method. Races will lose graded status if this testing is not done.

According to *Daily Racing Form*, **Mauralakana** was slated to be bred on Southern Hemisphere time this fall, but those plans could be put on hold with a big performance today. Though the French-bred mare posts a pair of graded wins at nine furlongs, she has generally competed at 10 furlongs and further, making the 1 3/16-

year-old's sole attempt beyond nine panels was a write-off; she was carried out by a bolting rival on the first turn in the 11-furlong GI Breeders' Cup F/M Turf last October. She missed some time with a quarter crack following a win in the GI Gamely S. May 26 at Hollywood. "The quarter crack is fine now, and she has been working super," said trainer Bobby Frankel. If she can handle the [distance], then she'll only have a sixteenth of a mile more to go in the Breeders' Cup." Champion **Dreaming of Anna**, perfect in two starts over this course, has the ideal rail post for her front-running

style, but could have some company early from **Rosinka**. The pace up front will suit longshot **Communique**, who drew off to score in the GIII Modesty H. over course and distance July 12.

Alongside Archipenko, the overseas contingent includes **Mount Nelson**, who regained his best form with a hard-fought score in the G1 Eclipse S. July 5 at Sandown; and **Spirit One**, the G3 Prix Exbury hero who finished fourth to the all-conquering Duke of Marmalade (Ire) in the G1 Prix Ganay Apr. 27. The French-bred came up 3/4 of a length short as the runner-up in the G3 La Coupe June 14 at Longchamp, and he tuned up with a half-mile breeze in :49 Thursday over Arlington's Polytrack. "We didn't make this trip for nothing," trainer Philippe Demercastel said through an interpreter. "The horse

Point Given

**Two New Stakes Horses for Point Given Last Week**

*Point Given's 20<sup>th</sup> stakes horse is Ms. Margaret H.* (05 f. o/o Cherry D'Or, by Cassalera), who ran a determined third in the \$250,000 Test S. (G1) at Saratoga on August 2. The effort was her first in stakes company and brings her record to 10-2-3-1 with \$113,004. Owner: James W. Brady. Breeder: Bradyleigh Farms Inc. & The Thoroughbred Corporation.

Sky Mesa

**Two-Year-Olds are Coming Strong!**

*Sky Mesa's 3<sup>rd</sup> stakes winner is TERRAIN* (06 c. o/o Minery, by Forty Niner), who remained *undefeated* when he took the \$85,000 Mountaineer Juvenile S. on August 2. The winner was ahead by 1 3/4 lengths at the wire and brings his bankroll to \$63,754. Owner/Breeder: Adele B. Dilschneider. [chart](#)

Smarty Jones

**Keepin' Up with the Jones Just Got a Little Harder**

*Smarty Jones's 3<sup>rd</sup> lifetime winner is SMART COCO* (06 c. o/o Djebel Amour, by Mr. Livermore), who showed her class and brilliance in winning a 7 f. maiden race at Ireland's Gowran Park first time out on August 5. The filly's easy 2-length score gave fans and handicappers good reason to keep an eye on her in the future. She starts her bankroll at \$18,150 with the win. Owner: Michael O'Flynn. Breeder: Edward J. Kelly Jr. et al.

Three Chimneys Grads

**Three Chimneys Grads are Winning Big!**

*READY SET* (05 c., Touch Gold - Party Cited, by Alleged) notched his first career stakes win in the \$750,000 West Virginia Derby (G3) on August 2. The win brings his record to 11-4-2-2 with \$596,040 in earnings. Owner: Lael Stables. Breeder: Rancho San Peasea S. A. [chart](#)

*ANY LIMIT* (03 f., Limit Out - Claindestinely, by Forty Niner), a MG3W in 2007, became a MG2W in 2008 when she powered home to a 5 3/4 length victory in the \$150,000 Honorable Miss H. (G2) on August 1 at Saratoga. The ultra-consistent filly now has a record of 21-8-1-5 with \$523,138 in earnings. Owner/Breeder: Joseph V. Shields, Jr. [chart video](#)

**Sudan Injured, Scratched...**

Gary Tanaka's **Sudan (Ire)** (Peintre Celebre--Sara-bande, by Woodman) was scratched out of the Million with a tendon injury. "He was fine when he galloped [at Arlington Thursday]," trainer Bobby Frankel told Tanaka advisor Francois Dupuis via cell phone yesterday morning. "But when we scanned him this morning, we discovered that the horse had bowed a tendon." Winner of the G1 Gran Premio di Milano in 2007, the chestnut posted a front-running score in the GIII Golden Gate Fields H. May 31 before finishing fourth in the GI Man o'War S. July 12 at Belmont in his most recent trip postward.

**Tizdejavu** has been a revelation since switching to grass, wiring three successive graded events, topped by a victory in the GII American Derby over this course July 12. "I'm looking forward to the race," trainer Greg Fox told *Daily Racing Form*. "But it's a Grade I. What more can you say? There are no easy ones, but I'm very confident in my horse." Dermot Weld, who has had success with Arlington runners in the past, ships over **Winchester**. The bay will have blinkers added and will race with Lasix for his first start since finishing seventh in the G1 Irish Derby June 29 at The Curragh.

A popular allowance winner at Belmont Park May 14, he returned to finish a good third behind Gio Ponti in the June 6 GIII Hill Prince S. Sold privately off that effort, the dark bay made a favorable impression in his local debut, missing by a nose in the faster division of the Oceanside S. July 16. **Coronel Moldes** also emerges from that heat. Making his U.S. debut that afternoon, the bay was squeezed at the break and was three wide into the stretch, but came home honestly to be fourth, beaten 1 3/4 lengths for the win. **Tiz West** is the lone graded winner in the field, having taken the GIII Cinema H. at Hollywood June 21, while **Nownownow**, victorious in last year's inaugural Breeders' Cup Juvenile Turf, looks to bounce back off his last-of-five effort behind Henrythenavigator in the G1 Irish 2000 Guineas May 24.

**Monmouth Oaks cont.**

**Whirlie Bertie**, unbeaten in three starts around two turns, rounded out her preparations for the Oaks with a half-mile breeze in :48 4/5 at Churchill Downs last Friday before arriving at Monmouth Park last Saturday. "She's got lots of energy," said Steve Margolis, explaining the reason for giving the filly an open gallop at a two-minute lick Wednesday. "She's big, but she's light on herself and she's got a good attitude." A tired eighth in her career bow going seven panels at Gulfstream Mar. 12, the three-year-old defeated older foes in three subsequent starts going further than a mile at Churchill Downs. Her most recent victory was recorded against allowance company in the slop July 4. "That was a turf race, and we were main track only," said Margolis. "It worked out our way when it came off the grass. There were some nice older fillies in there, and I knew she'd have to step up to get the job done, and she did." Explaining the decision to send the almost black filly to Monmouth, Margolis added, "The goal all along has been to get her a graded stakes, and the Monmouth Oaks looked like a good fit timewise. I brought her here last week so she would have some time to get acclimated." Winner of the Gill Dogwood S., **Acoma** faltered to fourth last out in the GI Coaching Club American Oaks July 19 at Belmont.

Responding to pressure, she reeled in Hasanka passing the eighth pole before drawing away for a convincing success. **Click for the [Racing Post chart](#). [Video](#), courtesy of [attheraces](#).**

## DYLAN THOMAS PURE POETRY

“For only the third time in the past 14 years, the great **Danehill** will not be a presence at the top of the Australian general sires' ladder for 2007-2008.

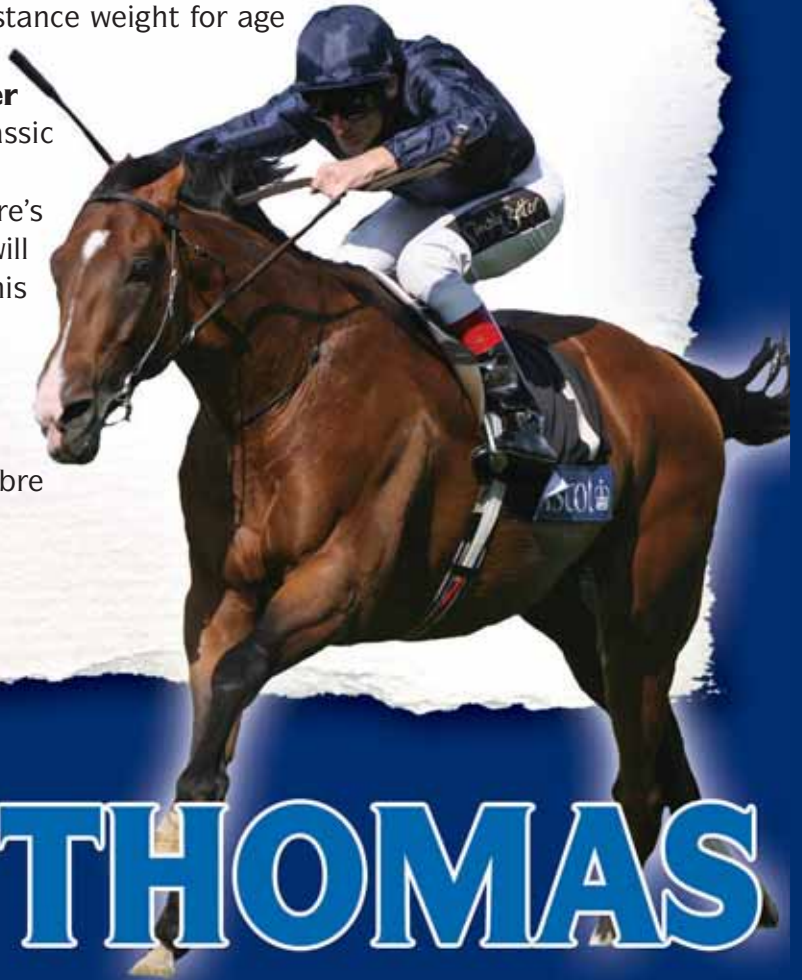

That honour, when the season closes on July 31, will be bestowed on **Encosta de Lago**, Coolmore Stud's busiest stallion, who is justly rewarded for having worked his way to the top against the odds.

... broodmare owners have an almost across-the-board selection of **Danehill** types at Coolmore: crack sprinters such as **Holy Roman Emperor**, **Fastnet Rock**, and grandson **Choisir**; cracking good milers such as **Rock Of Gibraltar** and **Aussie Rules**; a resolute middle distance weight for age runner in **Oratorio**; the proven and wonderfully versatile **Danehill Dancer** and **Dylan Thomas**, your ideal Classic performer.

**Dylan Thomas** is Coolmore's newcomer by its dynasty maker. He will stand for \$44,000 – about half his debut fee in Ireland.

It would seem that we have become too blasé about the quality of horses spending time here, as the arrival of one of **Dylan Thomas'** calibre would have brought celebrations not so long ago.”

*Tony Arrol, The Australian, 21/7/2008*

**STORM KO'S SARATOGA RACING** A severe summer thunderstorm, complete with heavy rain, hail and lightning, washed out part of the main track at Saratoga Race Course, forcing the cancellation of racing after Friday's second race. The final eight races of the day were cancelled, including the \$80,000 Waya for older fillies and mares at a mile and a half on the turf. "Even after an hour, there was no guarantee that the track would be up to standard," NYRA President Charles E. Hayward said after track maintenance crews had to work on wash-out spots between the quarter-pole and the five-sixteenths pole. "The threat of more storms was real, and we decided to cancel for the safety of the horses, the jockeys and the fans." Patrons were given a two-part rain check for admission and program upon exiting the facility, which remained open for simulcasting. Exchange of reserved seats will be granted for future dates, based on availability. NYRA will also honor exchange of *Daily Racing Form* and/or program on any day within the next two weeks. The last time racing was cancelled at the Spa was Aug. 2, 2006, when severe heat and humidity forced the cancellation of Saratoga's entire nine-race card. That decision to cancel was also an historic one, marking the first time in memory that an entire Spa card was cancelled.

**SPRINGWATER BISTRO, 139 Union Ave, Saratoga Springs, NY, ([www.springwaterbistro.com](http://www.springwaterbistro.com))**

Springwater has been around for a while, but continues to turn out unique meals. Monday night is tapas night, which is always fun. Chef David Britton has a great imagination and uses local produce to create some very original dishes. The bar is lively and the clientele interesting. Dress is casual, though some jackets and ties will be seen. The wine list has some very nice choices at reasonable prices. I particularly like the desserts.

**SUSHI-NA, 1683 Rte. 9 (St. John Plaza), Clifton Park, NY, ([www.sushina.com](http://www.sushina.com))**

A short, 15-minute drive south down to Exit 9 east, you will find Sushi Na Ra. This tidy little sushi bar, located in a quiet strip mall, will surprise you with the quality of fish and the pleasant atmosphere. Don't miss the Spicy Yankee roll! They also have some excellent cold sake selections.

**THE WISHING WELL, 745 Saratoga Rd, Gansevoort, NY, ([www.wishingwellrestaurant.com](http://www.wishingwellrestaurant.com))**

The Wishing Well is a restaurant that has been around since 1936 and the building is actually a former home with a cozy, family atmosphere. It is family owned and serves tasty and consistent food. My favorite dish is the Lazy Man's Lobster, and there are plenty of options between the Certified Angus Beef and other assortments of seafood. There is also an extensive list of wines by the glass. The dress code is smart casual. They are open daily for dinner at 5 p.m. during the racing season and recommendations are recommended.

**PRIME AT SARATOGA NATIONAL, 458 Union Ave, Saratoga Springs, NY, ([www.golfsaratoga.com/prime.html](http://www.golfsaratoga.com/prime.html))**

The Prime at Saratoga is a new upscale steak house. The dining room and bar overlook a wonderful deck and beautiful golf course. They serve beef of outstanding quality along with great appetizers and wines. My favorite dish to order is the Porterhouse. The dress is anywhere from smart casual to business.

Sushi Thai Garden is the place to go in Saratoga Springs if you are craving sushi. The food is delicious and the service is speedy, courteous and detailed. Parking can be a bit of an issue, but you can find somewhere within walking distance. Reservations are recommended and takeout is available.

**WINSLOW'S RESTAURANT, Wilton Rd, Gansevoort, NY, (518) 584-2489**

**Ellis to Increase Purses Aug. 13:**

Ellis Park announced yesterday that it will increase purses by 5 percent, beginning Aug. 13 and continuing through the remainder of the season, which ends Sept. 1. The increase will be added to the purses stated in the current condition book, but will exclude previously announced stakes races. The purse increase is a result of a new contract between Ellis Park and the Kentucky Horsemen's Benevolent and Protective Association: approximately 6 percent of advance deposit wagering commissions go into purse funds to spur a mid-season purse increase. "We are very excited about the partnership we have with the KHBPA," said Ron Geary, owner of Ellis Park. "We hope our agreement with the KHBPA will positively impact the entire Thoroughbred industry."

 Second by a nose in the 2006 GIII Hollywood Prevue S., Dilemma was limited to just two outings in 2007. He ran third in his first two starts this season before breaking through in his turf bow at Santa Anita Mar. 22, then ran second on the lawn at Hollywood May 2, and came into this one off a fifth in the Ferdinand H. on the Hollywood Cushion July 3. Favored in this four-horse affair, the chestnut raced in third, came up the rail to challenge the whipless Mr. Napper Tandy and forged clear in the final strides.

**CHRB Amends Steroid Classification:**

The California office of Administrative Law granted final state approval for a new regulatory amendment passed by the California Horse Racing Board, upgrading stanozolol, boldenone, nandrolone and testosterone from Class 4 to Class 3 drugs and increasing the severity of related penalties from Category D to a Category B. Adopted July 17, the amended changes will be enacted Sept. 4. The presence of any one of these drugs above authorized levels of 1844c (10-14) will result in the automatic disqualification of the horse and purse redistribution. Category B penalties call for a minimum 30-day suspension and a fine up to \$10,000. All other anabolic steroids have been Class 2 or Class 3 violations, carrying Category B penalties since July 1, 2008.
