## 'ONE' GOOD FINISH IN THE MILLION

**Spirit One (Fr)** (Anabaa Blue {Fr}) made all the pace in yesterday's GI Arlington Million and held off a late rally from a troubled **Archipenko** (Kingmambo) to take it by 3/4 of a length. The bay, who posted a sharp four-furlong workout over the Polytrack in :49 Thursday, was keyed up through an opening quarter of :24.66, but began to settle through fractions of :48.57 and 1:12.40 beneath Loritz Mendizabal. Spirit One turned back a challenge from G1 Eclipse S. hero **Mount Nelson (GB)** (Rock of Gibraltar {Ire}) in the stretch and was able to hold off the globe-trotting Archipenko, who raced in tight quarters for most of the stretch. "I took the lead because I wanted to run my race and he responded very well for me," Mendizabal said. "He quickened when I asked him to, so I never saw what was happening behind me. Then all I had to do was make sure he made it around the two turns." **Cont. p2**

## BEST OF THE WEST?

A competitive field of 10 juveniles will line up in today's GI Best Pal S., including **S. S. Stone** (Birdstone) who will look to give his freshman sire his first stakes winner. The \$135,000 KESEP graduate returned to the sales ring at FTFFEB this year, but was one of Robert LaPenta's 13 buybacks, with the bidding stopping at \$300,000. S. S. Stone showed his professionalism in his June 29 unveiling, earning

★ **"TDN Rising Star"** ★

status. The colt not only waited behind horses on the far turn, but also took the lead

along the rail with less than a sixteenth remaining to win by length. His rider that day, Rafael Bejarano, has opted to ride **Azul Leon** (Lion Heart), however. Undeclared in two starts, including a four-length score in the GI Hollywood Juvenile Championship July 5, Azul Leon will face tougher competition here. Invading from Arlington is **Coronet of a Baron** (Pure Prize), who was a 2 1/2-length debut winner July 6. The \$550,000 OBSMAR purchase shows three brisk works over Del Mar's Polytrack since his win at Arlington, including a :58 3/5 five-furlong bullet Aug. 5. **Field, p10**

Spirit One, second, beaten a head by Mount Nelson in the 2006 G1 Criterium International, made up for a winless 2007 by posting a three-length success in the G3 Prix Exbury at Saint-Cloud Mar. 15. He crossed the wire a close second in the

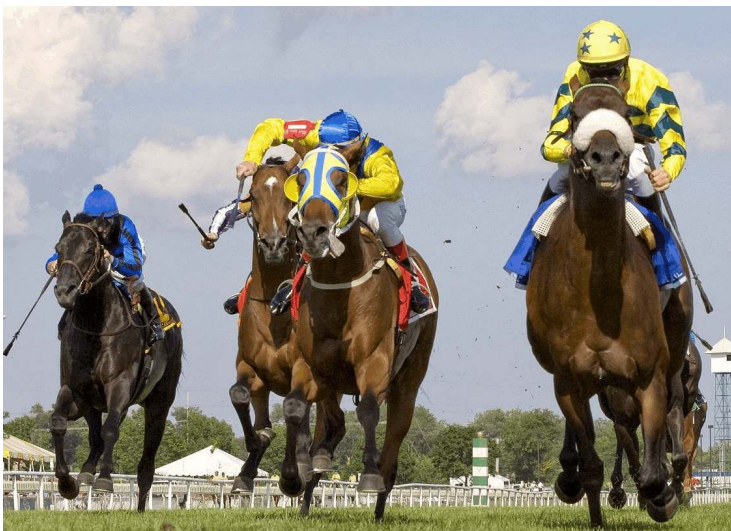

G2 Prix d'Harcourt at Longchamp Apr. 6, then finished a respectable fourth in the G1 Prix Ganay Apr. 27--a race in which the top three finishers have returned to win Group 1s, including victor Duke of Marmalade (Ire)

Freshened following that effort, he returned to collect runner-up honors in the G3 La Coupe at Longchamp last out June 14. As for what's next for Spirit One following his heroics in the Million, trainer Philippe Demercastel said, "We'll take him home, give him time off and definitely come back to the U.S for racing. I've been tempted for a while, especially with this horse to try American racing."

champion **Dreaming of Anna** (Rahy) and favored **Precious Kitten** (Catienus), Mauralakana began to turn up the pressure on the turn for home. Still in fourth through three quarters in 1:12.71, Mauralakana came charging down the center of the course to fly past the aforementioned duo and had the race decided as **Communique** (Smart Strike) and **Toque de Queda (GB)** (Dansili {GB}) rallied in tandem to complete the exotics. "She stays in [the bit pretty good] and I was pretty confident in her turn of foot, so I wasn't worried about the ones in front of me," Desormeaux said. ## EUROPEAN EXACTA IN SECRETARIAT

Favored American hopeful **Tizdejavu** (Tiznow) had things his own way on the front end, but it was European invader **Winchester** (Theatrical {Ire}) who dominated in yesterday's GI Secretariat S. at Arlington Park. Settled in fourth along the inside beneath Rene Douglas as Tizdejavu set easy fractions of :25.38 and :49.64, Winchester easily took over from the pacesetter at the top of the stretch and drew off to win for fun over fellow European shipper **Plan** (Storm Cat). Tizdejavu stayed on for third.

## On a Winning Path...

Winchester, bred in Virginia by Mr & Mrs Bertram R Firestone, kicked off his career with a 10th-place finish behind Plan in a Leopardstown maiden last October. Given the rest of the term off, he resurfaced to earn his diploma over that course in April, then followed with a second-place finish in the Listed Silver S. at The Curragh June 7. Taking on the big boys in his next two, he finished eighth in the G2 King Edward VII S. at Ascot June 20 and was shipped across the pond following a well-beaten seventh-place finish behind Frozen Fire (Ger) in the G1 Irish Derby June 29. Trainer Dermot Weld decided to add blinkers for the Secretariat. "I put the blinkers on him and that helped," Weld said. "Rene [Douglas] has beat me a couple of times in other races, so when I had the chance to get him on this horse, I took it. Don't be surprised if you see him back for the [GI] Breeders' Cup Turf [at Santa Anita Oct. 25]. The horse will be going back to Ireland and will be there before going to Santa Anita." The chestnut annexed the Harry Henson S. at Hollywood Apr. 25 and was freshened following his tally in Golden Gate's Alcatraz S. most recently May 24. Sitting in second as Liberian Freighter set an uncontested lead, Sky Cape took over in the stretch and held Tangled Tango safe. Fourth to her stablemate Proud Spell in the GII Matron S. Sept. 15, Maren's Meadow took a Dec. 31 Fair Grounds allowance two starts later prior to a fourth in Oaklawn Park's Dixie Belle S. Jan. 26. She nearly gave her trainer a sweep of the two divisions of the Martha Washington S. Feb. 17--Eight Belles won the other heat--when finishing runner-up, but bounced back to take the GIII Bourbonette Oaks over the Turfway synthetic surface Mar. 22 before getting a bit of a break. A well-beaten seventh in the GII Black-Eyed Susan S. in her comebacker May 16, the bay set the pace in the July 12 GII Delaware Oaks, but weakened to finish fourth behind Proud Spell. The second-longest shot in a scratched-down field of five, Maren's Meadow was sent to the lead by Terry Thompson and cut out reasonable fractions of :23.51 and :46.77. She responded when popped the question in upper stretch and walked home the easiest kind of winner. "The game plan was to break and go right to the lead," Thompson commented. "We got the lead early on, which gave me the ability to dictate the pace down the backside. I didn't have to use my stick or anything to get her to the early lead, so I knew I had a lot under me turning for home." **Click for the [brisnet.com chart](#) or the [brisnet.com PPs.](#) [Video, sponsored by Taylor Made.](#)**

Successful in last term's G2 Prix Guillaume d'Ornano at Deauville, Multidimensional finished off the board in his next four stakes before running second in the G2 Hardwicke S. at Royal Ascot June 21. The bay lined up for this off a close seventh in the July 5 G1 Eclipse S. at Sandown, and exhibited determination in the mud to double his pattern-race tally. Sitting three lengths off the searching early pace in second, he cruised to the front at the three-furlong marker and, despite rolling about under a drive in the final quarter, dug deep in the heavy ground to hold the tenacious Bahia Breeze.

"We're delighted he's returned to group-winning form; it's been a while," racing manager Alan Cooper told *PA Sport*. "He almost did it at Ascot and last time at Sandown it was too firm. It was almost too heavy today, he couldn't quite use his acceleration and he got a bit tired in the ground. [Trainer] Henry [Cecil] entered him in the [G1] Juddmonte [International] at York in 10 days' time, but we'll have to see how he is. We'd like to go back up the ladder to Group 1 company, so we will choose our race when the right moment comes." [Click for the Racing Post chart or the brisnet.com PPs.](#)

☆ NEWS TODAY ☆

**TRAVERS NEXT FOR MUSIC NOTE?** Godolphin Racing's **Music Note** (A.P. Indy) may take on the boys in the GI Travers S. at Saratoga Aug. 23, according to Godolphin North American Racing Manager Rick Mettee. Music Note, a ☆ **"TDN Rising Star"** ☆, was last seen defeating stablemate **Little Belle** (A.P. Indy) in the GI Coaching Club American Oaks at Belmont Park July 19. "As of right now, both are being pointed toward the [GI] Alabama [Aug. 16]," he said. "But Music Note is definitely nominated to the Travers. We certainly want to run one of the two fillies in the Alabama--we don't want to miss that race, which looks to have a small field. Without Big Brown, the Travers looks like it might have 12 horses, and that's a consideration." Trainer Saeed bin Suroor will decide where the duo will start following a breeze at the Spa today.

**PURE CLAN TO SKIP DEL MAR OAKS** IEAH Stables, Lewis Lakin and Pegasus Holding Group's **Pure Clan** (Prize) will not run in next Saturday's GI Del Mar Oaks as originally expected, according to trainer Bob Holthus. Pure Clan made it a perfect four-for-for on grass with a tally in the GI American Oaks at Hollywood Park last time July 5. "That trip to Hollywood Park took more out of her than we expected," trainer Bob Holthus said. "And then when we got back here to Kentucky we had about a week of 100-degree weather and the combination of the two just knocked her out. There's nothing else wrong, it's just that she's pretty knocked out. We're very disappointed we won't be able to come out there."

Rainbow View stormed to a six-length success over this track and trip July 18 to earn **"TDN Rising Star"** status. When the rain fell before this contest, connections were wondering whether the homebred would be as effective; still, the money poured in and she justified that support with an emphatic victory. The bay missed the break and was forced to race at the rear of the pack throughout the early stages, but was full of run as Jimmy Fortune edged her to the stands' rail for her run. Picking up in impressive fashion, she swept to the front with 1 1/2 furlongs remaining before drawing clear up the rising ground. "We were in the stalls a long time and she put her head up just before they went, so we missed it and it wasn't the plan to be at the back," her rider explained, adding, "She stays well, acts on any ground and is a nice filly who has done nothing wrong." Trainer John Gosden remarked, "She's a May 27 foal and isn't the biggest in the world, but she's very active and well developed through her withers, so we let her get on and race. She won well here on fast ground; I didn't know about the soft, but her mother won on it in France and she handled it well. She got left and pulled very hard in behind, so to me that makes it all the more impressive--she likes to get on with life, but is a very sweet, honest filly. All being well, we'll freshen her up and bring her back for the [Sept. 11] G2 May Hill S. at Doncaster." [Click for the Racing Post chart](#) or the [brisnet.com PPs](#).

All horses in the *TDN* are bred in North America, unless otherwise indicated

TDN presents  
**STAR OF THE WEEK**  
Brought to you by Fasig-Tipton

**Philip Steinberg**

**Accomplishment:** Steinberg, in partnership with Ben Walden and Racehorse Management, bred the sales-topper at the Fasig-Tipton Saratoga Selected Yearlings Sale. The colt, by Storm Cat out of Get Lucky (Mr. Prospector), sold for \$2 million.  
**Birthdate:** Dec. 21, 1962.  
**Birthplace:** Chicago, IL.  
**Education:** Juris Doctorate from the Chicago-Kent College of Law at the Illinois Institute of Technology.  
**Family:** Single

**Principal Business:** Real estate investments

**Current Residence:** Palm Beach, FL.

**How many horses do you have now?** I have Get Lucky, the broodmare of the sales topper. I've got Miss Du Bois (Mr. Prospector), the dam of Filmmaker. And I have a mare by Deputy Minister by the name of Malka who is a half-sister to the sales-topper. I also have a full sister to Filmmaker by Dynaformer that I'm thinking about keeping to race.

**What did you see in Get Lucky when you bought her in 2002?** She was my number one pick in the sale. She had everything I look for in a mare: She had good conformation, she had a top female family and she was by a sensational broodmare sire, Mr. Prospector.

**Were you involved with horses before you got your start in racing?**

I've always been around horses. I used to show five-gaited Saddlebreds when I was a kid. As an adult, I played polo for 10 years. I recently quit that because I herniated a few discs in my neck. You see some of the same people interested in both [racing and polo].

**Who inspires you the most?** My father. He was a great man. He was very smart and very successful. I always wanted to do well and please him.

**What is your favorite vacation spot?** Where I live. I love Palm Beach. The only time I really travel is for the horses.

**What do you think of the idea of bringing racing back to Hialeah?**

I think it's great. I went to watch a horse work in the morning, but never went for the races. I think it will be beautiful if it's restored.

**Favorite food or meal?** Broiled lobsters from Joe's Stone Crab.

**Favorite film?** "Ghost and the Darkness." It's a true story and I like movies that are based on real-life situations.

**Favorite book?** "Tesio." I've read a lot of the old, out-of-print books from Lyrical Ballad bookstore in Saratoga. Allen Jerkens advised me on what books to buy and which ones would be good to read.

**Perfect day?** Winning a Grade I race at Saratoga.

**Childhood ambition?** I was always planning to go into [the printing] business with my father and be successful. We sold the company [Copy-Mor Inc] awhile back and it worked out pretty well.

**CONGRATULATIONS!**

What Aidan O'Brien is doing in Britain and Ireland, Freddy Head has been copying on a smaller scale in France of late, and the former top jockey has another big gun to fire in **Marchand d'Or** here. The Head stable is on a roll, with domestic Group 1 wins in the Prix Jean Prat and Prix Rothschild in the last month, and also collected the G1 July Cup courtesy of Carla Giral's Marchand d'Or. The five-year-old is chasing a piece of history as he bids to become the first to win this race three times, and is arguably in the form of his life. He managed a success in the June 1 G1 Prix du Gros-Chene over an inadequate five furlongs at Chantilly and added Newmarket's premier speed test July 11. "He's in very good form," Head commented. "I think he will run very well and will be hard to beat. He won't care about the ground, he goes on any, and soft going won't stop him." The Ballydoyle stable is currently exercising an iron grip on the major summer prizes, and the operation is represented here by Michael Tabor, Derrick Smith, Susan Magnier and Joseph Allen's **US Ranger** and Smith, Tabor and Magnier's 2007 G1 Poule d'Essai des Poulains winner **Astronomer Royal**. The former was fifth, with Marchand d'Or and Astronomer Royal two places behind, in Royal Ascot's G1 Golden Jubilee S. June 21. He went under by a head to the French raider in the July Cup last time, where his stable companion finished well to hit the line less than a length back in fourth. Godolphin put forward last year's GII Alfred G. Vanderbilt H. winner **Diabolical**, who returned to grass last time when a respectable sixth in the July Cup. "Diabolical is working well and is in good form," trainer Saeed bin Suroor said. "He was staying on strongly at the end of the July Cup and we were happy with his run on that occasion."

Last year's G1 Prix Vermeille and GI E. P. Taylor S. heroine **Mrs. Lindsay** bids to rebound from a disappointing sixth placing in the G2 Prix Corrida at Saint-Cloud when last seen May 29. Previously, she had performed with credit on her seasonal return when fifth behind Duke of Marmalade (Ire) in a strong renewal of the G1 Prix Ganay at Longchamp Apr. 27. She meets **Anna Pavlova**, who was an impressive winner of the G2 Prix de Royallieu at Longchamp in October. After adding the G2 Lancashire Oaks to her tally at a rain-soaked Haydock Park July 5, she may have been feeling the effects of that effort five days later when last of six in Newmarket's G2 Princess of Wales's S. "I got sucked into running her at Newmarket as the ground looked okay for her," her trainer Richard Fahey told *PA Sport*. "She's fine now, she had a bit of time to freshen up. The ground should be in her favour as they are expecting an inch of rain on Sunday." Andre Fabre has won this 11 times and is represented by **Turfrose**, who was runner-up in the May 1 G2 Prix du Muguet at Saint-Cloud before filling fourth spot in the G1 Prix d'Ispahan at Longchamp 17 days later.

Aidan O'Brien has collected five renewals of this contest and saddles a trio headed by Hawk Wing's half-brother **Zulu Chief**, who followed a debut third in Newmarket's Wood Ditton S. Apr. 17 with a 20-length success in a Naas maiden last time July 9. While that was an ordinary affair, he could not have won any easier and is the stable number one here on jockey bookings. Stable companion **King of Rome** may pose the biggest danger and finally got his act together with a smooth win in Leopardstown's G3 Meld S. July 24, where he was aided by the fast pace set by **King of Westphalia**.

**Cuis Ghaire** bids to get back on track after a second to Rip Van Winkle (Ire) in the G3 Tyros S. last time July 24, where she was racing under a penalty due to her successes in the G3 Swordlestown Stud Sprint S. at Naas June 2 and G3 Albany S. at Royal Ascot June 20. Despite surrendering her unbeaten record, it was the fast ground rather than the step up to this seventh furlong which was blamed for her reversal by trainer Jim Bolger, who seeks a fourth renewal. Dermot Weld won this with Low Key Affair in 1993, Dance Design (Ire) two years later, Saranac Lake in 2001 and Campfire Glow (Ire) 12 months ago and relies on **Rare Ransom**, who was an impressive seven-length winner of a Galway maiden 12 days ago. **Cont. p10**

**BALLYGALLON STUD DEBUTANTE S. cont.**

This is another vital marker for Ballydoyle, who have accounted for six of the last 14 winners, and the establishment have a pair of maidens in action this time, including Dr Fong and Lucky Story's half-sister **Spira**, who was down the field on debut in a mile maiden here a fortnight ago.

### RETIRED RIDERS TO COMPETE IN 'LIVING LEGENDS' RACE

Eight retired Hall of Fame jockeys will compete in the Living Legends Race at Oak Tree Oct. 18, a week before the Breeders' Cup. Scheduled to ride in the allowance sprint are Angel Cordero Jr. (65), Jacinto Vasquez (64), Sandy Hawley (59), Pat Day (55), Chris McCarron (53), Jerry Bailey (51), Gary Stevens (45) and Julie Krone (45). The eight riders have combined for 49,163 wins and over \$1.5 billion in earnings. "I'd be surprised if we see the likes of this gathering again," said Bailey, who retired in January of 2006, most recent of the riders. Cordero is the longest retired of the group, having called it a career in 1992. It will be his first race since finishing fifth aboard Indian Vale in the 2005 GII Cotillion H. at Philadelphia Park. Oak Tree will offer pari-mutuel wagering on the race. Fellow Hall of Fame jockeys Laffit Pincay Jr., Eddie Delahoussaye and Jorge Velasquez will serve as Living Legends Ambassadors.

**CORRECTION:** The owner of **Satan's Circus** (Gone West) was incorrectly listed as Edmund Gann in Thursday's *TDN*. Martin Schwartz is the correct owner of the filly, who was most recently runner-up in the GI American Oaks at Hollywood Park and makes her next appearance in the GI Del Mar Oaks Aug. 16. We regret the error.

Fairbanks, the Fasig-Tipton Saratoga topper four summers ago, posted a stylish victory in the GIII Tokyo City H. at Santa Anita during March 2007, but hadn't visited the winner's circle since despite several solid efforts. Second by a half-length in the GII Gulfstream Park H. Mar. 1, the bay faltered to sixth in the GII Oaklawn H. Apr. 5, then ran second as the 4-5 chalk in the GIII Bill Hartack Memorial H. Second by a nose in the GIII La Habra S. Feb. 2 on the downhill course at Santa Anita, Ariege switched to the all-weather to land the GI Santa Anita Oaks. She annexed the GII Stonerside Beaumont S. over Keeneland's Polytrack Apr. 10, but underwent surgery to remove an ankle chip and hadn't been out since. Forced to steady early, the nearly black filly settled in midpack under Alan Garcia. She drew closer on the far turn and rallied impressively up the center of the course to post a sharp return. "The pace was so slow that my filly was a little rough," Garcia explained. "When I put her behind [Eibar] Coa [on Remarkable Remy (Hennessy)], she relaxed a little bit. And then, at the top of the stretch, I said, 'Let's move,' and she ran good to the end." [Video, sponsored by Taylor Made.](#)

Eternal Star showed a new gear when he romped by 6 1/4 lengths in the six-furlong Damitrius S. at Delaware May 26, and dug in gamely to set a new track record of 1:20.53 in winning Philly Park's Donald Levine Memorial H. June 28. Breaking alertly, the chestnut fought through fractions of :22.51 and :44.79, shook loose in the lane and held sway late over the rallying Bold Start. "I didn't expect him to be on the front," said winning trainer Mike Trombetta. "He might have been a little close, but nobody was in a tremendous hurry. So, [jockey] Ramon [Dominguez] thought it proper to jump on top and go ahead and go. And it wasn't a crazy first quarter--:22 and change. The track is nice and tight from all the rain." Trombetta added, "I think he is deserving of a shot in the [GI] Forego [Aug. 30]. I can relax a little bit at seven-eighths, but, obviously, that is a super test for him; it's a different kind of horse."

Runner-up in a state-bred allowance over the Aqueduct inner track Jan. 20, Dr. D. F. C. was sidelined, but returned to beat Tergesti (Old Trieste) by a nose in a one-mile Belmont state-bred allowance July 3. The bay tried open company in his latest and gave a good account of himself, rallying from second last to be fourth, beaten 1 3/4 lengths July 26. The second-longest shot in his stakes debut, Dr. D. F. C. stumbled badly at the break, then raced in last while saving ground for the opening half-mile. He launched a bold move inside on the turn, split rivals three wide into the stretch, took command north of the eighth pole and held sway late.

Off since then and now with Bill Mott, the blaze-faced bay breezed a solid seven-eighths over the Oklahoma turf in 1:28 July 26, getting the green light for this comeback event. After saving ground towards the back of the field, Mr. Sidney gained in the two path on the far turn, came out four deep passing the eighth pole and pulled away to best a troubled Rogue Victory (Victory Gallop) by 1 3/4 lengths. Tomisue's Delight passed away July 16 at the age of 14 due to complications from colic. Treated with Lasix for his latest, the bay was forced to steady and wound up fifth in a sloppy Spa maiden won by Cognito (Langfuhr) July 23. The 8-1 shot was hustled away from the gate by Jamie Theriot and dueled with Yore (Yes It's True) through a half in :45.71. The bruise is "deeper than I thought," Levine told *DRF*. Despite the absence of Bustin Stones, Levine still has a contender for the Aug. 30 GI Forego S. with **Real Estate** (High Yield). The lightly raced half-brother to Grade I winners Madcap Escapade (Hennessy) and Dubai Escapade (Awesome Again) has won his last two races, allowance events May 11 and July 25, in gate-to-wire fashion. After taking her first two outings on Santa Anita's downhill turf course in state-bred affairs, Lethal Heat lifted her game on the all-weather. The bay filly won the 6 1/2-furlong GIII Santa Paula S. at the Arcadia oval Mar. 30 and, two starts later, the 1 1/16-mile GII Hollywood Oaks June 8. She faltered to sixth on the turf in Hollywood's Flawlessly S. on the Fourth of July, but rebounded with a victory in the Fleet Treat S. over track and trip July 20, and went postward as the second choice while facing males this time. Never too far from the front, Lethal Heat tackled the leaders turning for home and fought her way home to establish a new track record. "Now we'll get her ready for the [GI Del Mar] Oaks [Aug. 16]," winning trainer Barry Abrams said about his versatile charge. "She needed the work, and we just figured we could go 1:22 and make \$60,000 instead of working seven furlongs and get nothing. But if she comes out of the race tired, we'll just wait for the [GIII] Rancho Bernardo [Aug. 24]. We'll see how she is in the morning."

Second in the Tiznow S. for Cal-breds at Hollywood Apr. 27, the handsome dark bay came back to run third in a pair of open allowances May 30 and June 28 for trainer Carla Gaines. He was dropped in for \$50,000 July 28 at Del Mar and was claimed out of that victory by his current connections. A prohibitive 1-2 chalk here, Cost of Freedom set out in front and never looked back, coming home a 5 3/4-length winner in track-record time over Lit'sgoodlookngray (Lit de Justice). **TEAM EUROPE VICTORIOUS**

Gerald Mosse led a resounding success for Team Europe during yesterday's rain-soaked Shergar Cup meeting at Ascot, which saw a record crowd and an extended sponsorship deal by Dubai Duty Free. Mosse's team, which included Italian Mirco Demuro and Turkish-born Halis Karatas, was in control; Mosse, now a Hong Kong resident, collected the Silver Saddle as the meeting's top rider. "It was a great day, a lot of competition," Mosse said. "It is a real pleasure to be here and to participate in this kind of challenge." The rider added, "I believe next season that I will be in Europe for six months, and I hope that I will get some strong support. I will be a European freelance, and I hope to get some good rides worldwide." The Rest of the World Team's Captain Yutaka Take also recorded a double. Dubai Duty Free has announced that they will extend their sponsorship of the event for another five years, until 2013. Managing Director Colm McLoughlin remarked, "A ground-breaking concept, [the Shergar Cup] has exceeded the aims of its originators, the gladiatorial element of competing teams in one of racing's greatest theatres having captured the imagination of a wider audience and helped introduce many new faces to the sport." First-time participant Russell Baze, second with Al Muheer (Ire) in the Shergar Cup Sprint H., received a four-day ban Aug. 25-28 for using his whip with excessive frequency in the opening Shergar Cup Dash. Still, Baze commented, "I've had a blast. I have to admit it's been quite a challenge, because it's different to what I'm used to. But I've enjoyed it immensely. I was just getting the hang of it at the end, but sadly it's all over. I can't wait to come back here." The attendance was a record 33,115. Ascot's Chief Executive Charles Barnett said, "To get over 30,000 people for Dubai Duty Free Shergar Cup day is obviously tremendous. The weather wasn't kind to us, but people have been resilient, and it's been a noticeably different crowd to a normal raceday, which of course is what this event is all about. It's great to get such a fantastic line-up of international jockeys to take on the two home teams, and people have clearly enjoyed watching their very different styles." The final team standings were: Europe, 94 points; Rest Of The World, 57; Great Britain, 53; and Ireland, 44. Mosse accumulated 50 points to earn the Silver Saddle, 13 more than Take.

**CELEBRATION TARGET FOR RAVEN**

Stonerside Stable's **Raven's Pass** (Elusive Quality) is likely to contest the Aug. 23 G2 Celebration Mile at Goodwood, trainer John Gosden announced yesterday. The homebred returns after second placings in the June 17 G1 St James's Palace S. at Royal Ascot, G1 Prix Jean Prat at Chantilly July 13 and G1 Sussex S. at Goodwood July 30. "He's probably going to the Celebration Mile, as the space is nice between the Sussex and the G1 Queen Elizabeth II S. [at Ascot Sept. 27]," Gosden said yesterday.

**ART HAS SOVEREIGN AIM**

Matthew Green's **Stubbs Art** (Ire) (Hawk Wing) could contest Salisbury's G3 Sovereign S., connections announced yesterday. Off the track since finishing sixth in the June 17 G1 St James's Palace S. at Royal Ascot, the David Elsworth-trained G1 English and Irish 2000 Guineas third could make his return in Thursday's mile contest. "It's on the agenda as a stepping stone for some of the top autumn races," the owner's Racing Manager Jimmy Lindley said. "He's come out of the St James's Palace S. in good form. It was funny ground on that occasion, which was all wrong for him, and David's horses weren't running that well at that time. The two Guineas runs were very solid. It was no fluke in either race, and he's held his form well." Looking ahead, Lindley added, "This could be his last start over a mile, because I think a 10-furlong trip will suit him well in future. It was touch and go whether we went for the Prix du Jockey Club with him earlier in the season, and I think he will have an autumn campaign taking in some of the major 10-furlong races, and perhaps Hong Kong at the end of the year."

Having spent all of 2007 on the shelf, Magadino came back with three efforts at Lyon Parilly this term, and was a last-out third in the June 21 Listed Grand Prix de Lyon. Racing in fifth for most of this contest, he took closer order rounding the home turn and kept on well under final-quarter urging to oust Tempelstern in the dying strides. "It is never easy to get them back to their best after a year off and, with his three runs this year, he has got better every time," explained trainer Brigitte Renk. "I knew it was a quality field, but I was quite confident, and we'll see how he comes out of this. If he is okay, he will definitely run in the G2 Grand Prix de Deauville [Aug. 31]."

### Prix du Cercle cont.

Inxile registered a personal best when second in the June 14 Listed Scurry S. at Sandown in his penultimate start June 14 and maintained his record of never being off the board when third in an Ayr handicap July 21. Racing in midfield after missing the kick here, he made continued headway to lead at the 400-meter pole and asserted under a final-furlong drive to earn a first stakes badge. "He hasn't run many times, but has been learning and improving with every race," said assistant trainer and trainer's wife Alex Greaves. "The ground was not a concern, as he goes on any, and he stayed on nicely after being a bit keen. There are no plans--we'll take it race by race as usual and see how he comes out of it."

+ **FUISSE (FR) (c, 2, Green Tune--Funny Feerie {Fr} {SW-Fr-stp}, by Sillery)**, a 33-2 outsider, raced in a close second after the early strides of this first go.

Taking a slight lead into the stretch run, the 1/2 to Full of Gold (Fr) (Gold Away {Ire}), G1SW-Fr, \$364,191, kept on strongly under whipless encouragement inside the final quarter mile to comfortably hold Sarmalan (Fr) (Linamix {Fr}) by 3/4 lengths. Dalghar (Fr) (Anabaa) led from the break, but faded once headed at the top of the lane to finish eighth. Lifetime Record: 1 start, 1 win, €11,000.
