Sable) broke through the €1-million barrier and claimed a hat trick of victories in the G1 Prix Maurice de Gheest at Deauville yesterday. Continuing a dream run for trainer Freddy Head and jockey Davy Bonilla, the homebred five-year-old outclassed his rivals and justified favorite's odds of 8-5 by defeating Juddmonte Farms' **African Rose (GB)** (Observatory) by 3/4 of a length at the Normandy track. "It is a privilege to train and be around such a horse," claimed Head. "He's a gelding and is very sound, so

hopefully we can run him again for a few more seasons yet. My ambition is to try and win the G1 Prix de l'Abbaye [at Longchamp Oct. 5] with him, but, in the meantime, we might go back to England for the [Sept. 6] G1 Haydock Sprint Cup." **Cont. p2** [Click for the Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).

AZUL LEON INHERITS BEST PAL WIN

Azul Leon (Lion Heart) overcame a troubled trip to finish just a nose behind **Kelly Leak** (Runaway Groom) in yesterday's GII Best Pal S. at Del Mar, but inherited the victory in the steward's room when Kelly Leak was demoted to fourth. Azul Leon, coming off a win in the July 5 GIII Hollywood Juvenile Championship, tarried near the back of the pack through the opening half-mile of the 6 1/2-furlong contest. He loomed a threat with a three-wide move on the turn and was forced out five wide into the stretch. Jockey Rafael Bejarano moved the bay colt inside of Kelly Leak, who was taking the lead at midstretch, only to have that foe drift back into his path. "[Victor Espinoza on Kelly Leak] was coming in on me," Bejarano said. "He cost me the race. He was watching me and first I tried to go out, then I had to go in. My horse deserved to win. [Azul Leon] showed me something today. He gave me two great runs. He made a big move for me from the back on the turn, then when I got stopped he came back and made another move for me. He's a nice horse and he's going to be a good one." Espinoza had a different version of events. "I can't agree [with the stewards' decision]," Espinoza said. "It's not my fault if the other jockey can't ride his horse. He just happened to be in the wrong place. I was riding my horse and riding my race. That's all." Winning trainer Doug O'Neill said, "We love to win, but I hate to win under these circumstances. There were four gutsy two-year-olds going for the wire. I feel if Azul Leon had clear sailing, he could have gotten up." **Cont. p3**

Marchand D'Or Takes Maurice de Gheest *(cont. from p1)*

It was a lost opportunity for others when Marchand d'Or remained in the ownership of breeder Carla Giral after running seventh in a claiming event at Chantilly in 2005 and that debut effort was a distant memory when he registered a first renewal of this contest the following year. He bagged a fifth stakes score when repeating the dose last semester and came back this term to plunder a vintage edition of the G2 Prix du Gros-Chene at Chantilly June 1. The grey endured a troubled trip when sixth in the June 21 Golden Jubilee S. at Royal Ascot, recorded a third top-level win with a late dash in the G1 July Cup at Newmarket last time July 11 and extended connections' dream sequence with a landmark score here. Marchand d'Or was anchored at the back of the pack as Jumbajukiba (GB) (Barathea {Ire}) set fierce early fractions and moved to within range with a quarter mile remaining. Slicing through the pack to be sent in pursuit of African Rose, he challenged that rival with 100 meters to go and was comfortably on top at the line to register a fourth Group 1 success. "He's an amazing individual who is always there when you need him and now, with age, we can do much more with him than we could in the past," said Freddy Head. Criquette Head-Maarek was delighted with the performance of runner-up African Rose and commented, "My filly was very unlucky in her last run at Longchamp, and I knew she could run such a race at the highest level. She ran a blinder and might come back in the G3 Prix du Pin [at Longchamp Sept. 7] before a tilt at the G1 Prix de la Foret [at Longchamp Oct. 4]."

GODOLPHIN FILLIES WORK FOR ALABAMA

Godolphin Stables' **Music Note** (A.P. Indy) and **Little Belle** (A.P. Indy) both worked five furlongs Sunday morning over the Polytrack surface at the Greentree Training Center adjacent to Saratoga Race Course. Music Note, coming off an 11-length romp in the July 19 GI Coaching Club American Oaks went the distance in 1:02 2/5, while her stablemate and CCA Oaks runner-up Little Belle completed the drill in 1:00 4/5. Both fillies are being pointed towards Saturday's GI Alabama S., but Music Note is also under consideration for the Aug. 23 GI Travers S. "I spoke with [trainer Saeed bin Suroor] right after they worked," said Rick Mettee, Godolphin's North American racing manager. "He said to prepare as if both fillies were to run in the Alabama. The final decision [as to where Music Note runs] will be made by Sheikh Mohammed and the Maktoums." Mettee said the fillies had been galloping over the Polytrack all week because of the wet weather in Saratoga. "Music Note went off a bit slow, she got the first eighth in :14, but finished up strong, getting the last quarter in :22 4/5," he said. "She galloped out real well. It was a pretty good work for Little Belle, who is not much of a work filly."

Third in last term's G1 Preis der Diana for conditioner Peter Schiergen, Avanti Polonia bounced back to garner the G3 Fahrhofer Stutenpreis in August, but was off the board in three subsequent stakes starts. She started back with a fourth in the Apr. 29 G3 Prix Allez France for her new trainer before dropping one spot in the May 29 G2 Prix Corrida. Lining up off a 10th in the July 14 G2 Prix Maurice de Nieuil, she continued the excellent form of the Freddy Head-Davy Bonilla partnership. Avanti Polonia was positioned last of the six runners until coaxed forward off the home turn. She made wide progress under pressure to challenge approaching the final furlong and exhibited a smart turn of foot in the closing stages to roll by Turfrose with 50 meters remaining. "She had shown a high level of form in Germany before she was transferred to me last winter and showed good things in her previous races this year," said Head. "It depends how she come out of this race, but she could come back here at the end of the month for the [Aug. 31] G2 Grand Prix de Deauville." **Click for the [Racing Post chart](#) or the [free brisnet.com catalogue-style pedigree](#).**

Forthe Millionkiss was winless in seven sophomore starts and ran seventh in the Listed Ernst-Meile at Cologne on seasonal return Apr. 27 before enjoying a confidence-boosting win in a Chantilly conditions event May 23. Continuing the winning theme with a first stakes score in the June 28 Listed Grand Prix Anjou Bretagne at Nantes, he ran second in the July 20 G3 Grosse Hessen Meile at Frankfurt last time and outstripped all previous efforts with a career best here. Breaking well to occupy second, he was sent wide off the home turn to claim the stands' rail and asserted superiority under final-quarter urging. "It helped that the going was slightly against Abbashiva, but I also had a true pro under the saddle who did everything just right," said winning rider Andreas Helfenbein. The race lost some its luster with the scratching of Mi Emma (Ger) (Silvano {Ger}). Last term's nine-length winner of the G2 German 1000 Guineas, who also ran second in the G1 Coronation S. at Royal Ascot, has bowed a tendon and has been retired to the paddocks with immediate effect. RAIN FORCES CURRAGH TO CANCEL SUNDAY

CARD Following torrential rains on Saturday, officials at The Curragh in Ireland decided to cancel yesterday's card, which featured three group races: the G2 Royal Whip S., G2 Debutante S. and G3 Phoenix Sprint S. Course officials made the determination after inspecting the track at 7:30 a.m. "The course is waterlogged in places and there is nothing they can do about it," said Cliff Noone, press officer for the Irish Turf Club. "We had a lot of rain; it was a deluge yesterday and there have been more showers overnight. [It's] a real shame, because it was a cracking card." *Racing Post* reports that officials will discuss the rescheduling of the group races sometime today. "I'm not sure what will happen with the races," Curragh manager Paul Hensey told the publication. "The G2 Debutante S. is a trial for the [G1] Moyglare Stud S., which will be run at our meeting on Aug. 31. Our next meeting is on Aug. 23, and that might be a bit too close to the Moyglare, so we will have to discuss things and wait and see what Horse Racing Ireland decides to do."

Racing in midfield initially, the grey was shaken up at the quarter pole and responded with a rally which took him to the front soon after. With the line approaching, he asserted under jockey Torsten Mundry's drive to hold Contat safe. "It was really easy, absolutely no problem," the winning rider commented. "Now we will go for the G2 Goldene Peitsche [at Baden-Baden Aug. 31]." **Click for the Racing Post chart.**

NATAGORA IN MAROIS BID Stefan Friberg's G1 1000 Guineas heroine **Natagora (Fr)** (Divine Light {Jpn}) could return to Deauville on Sunday for the G1 Prix du Haras de Fresnay-le-Buffard Jacques le Marois. Following the Pascal Bary-trained sophomore's third placing in last Sunday's G1 Prix Rothschild, the owner's Racing Manager Patrick Barbe told the *Racing Post* that she could be in line for a quick return. "She came out of the Rothschild in good shape and the final decision will probably depend on the ground, as we don't want it too soft for her," he said.

★ LETTERS TO THE EDITOR ★

Over the past week, there has been a lot of talk about who's better, Big Brown or Curlin. Much of the debate originated in the former's camp, when trainer Rick Dutrow Jr. wondered aloud what all the fuss over Curlin was about.

"Curlin couldn't win the Derby, we could," said Dutrow. "Curlin couldn't win the Haskell. We could. Curlin got beat by a filly. We haven't. Our horse is undefeated on grass. Curlin isn't. I don't know why people think Curlin is such a good horse. We're way better than Curlin."

Curlin's majority owner, Jess Jackson, weighed in a few days later during a national teleconference.

"I'd like to meet Big Brown, preferably on the dirt, which is each one's best surface, but I think they're considering retiring Big Brown before we have a chance to meet him," said Jackson.

Fans, naturally, are hoping beyond hope that the two actually meet up on the track. At this point, the prospects of that, I'd guess, are reasonably good. For all of Dutrow's braggadocio, it's hard for me to imagine that Jackson would decline a chance to take on Big Brown should both horses make it to the Breeders' Cup Classic. (Though Jackson has said of the Classic, 'Been there, done that.')

Cont. p6

(Letter to the Editor cont.)

The problem with the Classic is that it's being run this year over Santa Anita's Pro-Ride surface. Neither Curlin nor Big Brown has competed on a synthetic track, and that means that the connections have a built-in excuse should their runners not fire in the Classic.

Jackson has clearly shown he's willing to think outside the box with his horse and genuinely seems to want to do what's best for racing. The brass at IEAH, for all the slack they've taken in the last few months, I think probably want the same.

So here's a novel idea--let's really figure out who the better horse is, not through the words of owners, but through the exertions of the horses. Let's not pit Big Brown and Curlin against each other just once this year, let's send 'em out against each other three times. And let's do it over each surface--dirt, turf and synthetic--so there can be no excuses, no debate.

Let's put together a three-race series, comprised of races already on the calendar, in the hopes of getting these superstars to face off. The first could be on conventional dirt. The second on turf. And the Breeders' Cup Classic could decide it all. A \$5-million bonus should be awarded to either horse capable of winning all three, providing both Curlin and Big Brown compete in all three legs. A \$3-million bonus should be awarded if either horse was able to take two.

We already know where Curlin's heading next--the nine-furlong GI Woodward S. on the dirt at Saratoga Aug. 30. Perfect. That's gives us four weeks for Big Brown to rebound after his hard-fought win in the Haskell, and leaves four weeks before the 1 1/2-mile GI Joe Hirsch Turf Classic Invitational on the lawn at Belmont Sept. 27. And then it's another four weeks for the Breeders' Cup Classic.

The obstacles of establishing such a series are many--Would both camps agree to race? Who would put up the bonus money? etc.--but really, this isn't rocket science. It would take some hard work and finessing from NYRA and the Breeders' Cup and maybe the NTRA. But it could be done. Let's show some ingenuity and capitalize on the fact that we've got two brilliant runners on our hands.

And let the best horse win. No excuses. No debate.

EXCHANGE RATE COLT TOPS F-T NEW YORK SALE OPENER

A colt by Exchange Rate attracted the top price during Saturday's opening session of the two-day Fasig-Tipton New York-Bred Preferred Yearlings Sale in Saratoga. Consigned by McMahon of Saratoga Thoroughbreds LLC, agent, the bay yearling sold for \$250,000 to Buzz Chace, agent for West Point Thoroughbreds. The session topper is out of Star One One (Caller I.D.) and is a half brother to stakes winner North Beach Condo (Out of Place). The top-priced filly during Saturday night's session was a daughter of Songandaprayer out of Naughty Natisha (Known Fact). Debbie Easter, bidding on behalf of Carter and Wick McNeely's Morrowdale, signed the ticket at \$200,000 for the bay yearling. She is a half sister to graded stakes winner Naughty New Yorker (Quiet American) and to multiple graded stakes placed Pupil (Unbridled). For the session, 47 yearlings sold for \$2,960,000. The average was up 19.4 percent to \$62,979 and the median shot up 40.5 percent to \$52,000. The most notable figure was this year's buy-back rate, which jumped up to 52.5 percent, up from 43 percent a year ago.

Chapel Royal Colt Tops Fasig Sunday A colt by freshman sire Chapel Royal (Montbrook) topped yesterday's final session of the Fasig-Tipton New York-bred sale. The yearling, consigned by Paramount Sales, Agent IV, was purchased by James Barry for \$165,000. Out of Devoted (El Gran Senor), the bay is a half to multiple stakes placed Clarksburg Queen (Sea of Secrets). Devoted, carrying this foal in utero, failed to sell for \$25,000 at last year's Keeneland January sale. During last night's session, 53 yearlings sold for \$2,479,000. Banrock hit the board in three of four prior starts over the Saratoga turf, including a 1 1/16-mile optional claimer there last July. Runner-up while trying 11 furlongs in allowance company last August, the bay failed to hit the board in two subsequent stakes starts in state-bred company at Belmont. Back in the winner's circle when dropped down in company for an 11-furlong Aqueduct allowance Nov. 24, the gelding returned to that surface to finish third while scaling back to 8 1/2 panels Apr. 23. A head winner over the yielding turf in the state-bred Kingston H. at Belmont May 11, he failed to handle the 10-furlong trip next time in the restricted Academy Award S. June 19. Dropped back in trip once again for his latest, Banrock came from off the pace to take the Thunder Puddles S. against Empire bred July 6. Solidly backed here, the five-year-old was bumped at the start, but recovered quickly to settle in a stalking third. Ready to roll at the head of the stretch, Banrock edged away under mild encouragement to prevail.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will indicate first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races.

Latitude Forty, who scored over this course and trip in last year's edition of the Yaddo Aug. 18, closed out 2007 with a close-up third in the Ticonderoga H. against state-bred foes Oct. 27. Seventh facing Empire-state bred in her seasonal debut in the 8 1/2-furlong Mt. Vernon H. at Belmont May 18., the dark bay was fourth in the Beautiful Pleasure S. against open company June 1. Most recently second--beaten only a nose--in the state-bred Irish Actress S. over that track July 16, the five-year-old went off fourth choice in this small five-horse field. Content to let Factual Contender (Thunder Puddles) steal away to a daylight advantage in the early going, Latitude Forty closed the gap four wide on the turn, overtook the tiring pacesetter at the head of the stretch and was good enough to eke out a victory over closer You Go West Girl.

The bay rated in fifth under a snug hold, moved quickly to the lead in upper stretch and sailed home 8 1/4 lengths in front. 🌟 **"TDN Rising Star"** 🌟 Discreet Treasure (El Prado {Ire}), the 6-5 favorite, attended the pace through fractions of :23.55, :47.19 and 1:11.93, but offered little resistance to the winner and just held on for second over Optimistic Steve (Stephen Got Even).
