JACKSON CHALLENGING IEAH

A day of challenges and counter-challenges yesterday between Jess Jackson, majority owner of reigning Horse of the Year **Curlin** (Smart Strike), and connections of GI Kentucky Derby winner **Big Brown** (Bound-

Curlin Sarah K Andrew

ary), involved potential match-ups between the two stars in the Aug. 30 GI Woodward S., Sept. 27 GI Jockey Club Gold Cup and Oct. 25 GI Breeders' Cup Classic. Trainer Rick Dutrow Jr. added fuel to calls for a meeting between the sport's leading runners after Big Brown won the Aug. 3 GI Haskell Invitational. Dutrow told *Daily Racing Form* that

he thinks Big Brown is "way better than Curlin," adding that Curlin "couldn't win the Derby" and "got beat [by] a filly." In a statement released yesterday morning, Jackson said, "Big Brown's camp's recent remarks about Curlin inspired me to offer an incentive to get these two great horses to race at the legendary track at the Spa. This type of competition between horses is exactly what Thoroughbred racing needs." Jackson offered to donate \$50,000 to the Belmont Child Care Association's Anna House, which provides childcare for working families at New York racetracks, should both horses go postward in the Woodward. But the Big Brown camp nixed any idea of a Woodward start for their colt. "There's no shot we'll run in the Woodward; our horse isn't ready for it," said Michael Iavarone, president of co-owner IEAH Stables. "The race in the Haskell took a lot out of him. He might need until the end of September to be fully recovered. We've got to take care of our horse." Iavarone added, "The race you're supposed to run in is the Breeders' Cup Classic [Oct. 25 at Santa Anita]. That's where the best horses in the world come together to decide Horse of the Year, not in the Woodward in a four-horse field. Curlin is supposed to run in the Breeders' Cup Classic, and I don't understand why they wouldn't do it. If they want to face us, that's where they should go." Cont. p7

MANI OF THE MOUNTAINS

TYB Stable's **Mani Bhavan** (Storm Boot) wired her rivals in yesterday's GII Adirondack S. at Saratoga to remain unbeaten. She was a  **"TDN Rising Star"**  following her easy debut score at Delaware July 12. "She has amazing quickness, and my feeling was she would be out front," said winning trainer Steve Klesaris. "She ran a little better than I expected. It's nice when you have a pleasant surprise like her." Even-money **Bold Union** (Dixie Union) broke a bit awkwardly from post two and wound up fourth. UNDEFEATED GRADED STAKES WINNER FOR UNDEFEATED 3-TIME G1 CHAMPION CANDY RIDE

Undeclared 2YO filly **EVITA ARGENTINA**, by **CANDY RIDE**, THE #2 FIRST-CROP SIRE, whistled home in the \$150,000 Grade 3 Sorrento S. at Del Mar on August 6th. Yesterday, **Capt. Candyman Can** broke his maiden by 7 1/4 at SAR, 2/5ths off the Track Record...**SWEET!**

Adirondack S. cont.

Let go at 7-1 in her career opener at Delaware July 12, Mani Bhavan went straight to the lead and never looked back as Rosie Napravnik rode her out to a 9 1/4-length triumph. That effort earned her ☆ **"TDN Rising Star"** ☆ status and an 82 Beyer Speed Figure, and she was flattered when runner-up Bon Jovi Girl came back to score in her next start. Scratched out of opening day's GIII Schuylerville S., Mani Bhavan came back with a pair of bullet works at her Delaware base, but didn't earn much respect here at 8-1. The dark bay broke alertly from her outside post and quickly crossed over to the rail under Alan Garcia. Bold Union, expected to be on the lead early, never saw the front, and raced inside throughout. Mani Bhavan maintained a length margin through splits of :22.36 and :46.10. Garcia gave her the signal when she turned for home and the longshot responded, opening up for an emphatic success. "My filly was a little nervous in the gate," Garcia explained. "When [the starter] opened the door to the gate, she was going right to the lead. After that, she was gone." Mani Bhavan hails from the family of champion sprinter Speightstown and GISW Turk Passer.

Back at the Ranch...

Bloodstock agent and co-owner Mike Ryan was thrilled after watching Mani Bhavan sail to an easy Adirondack score. "That was very special," Ryan said. "To win up here at this level, it's beyond words."

Ryan purchased Mani Bhavan as a yearling, with the anticipation of pinhooking her as a juvenile, but a series of minor setbacks disrupted those plans. The filly RNA'd at OBS February and was withdrawn at Fasig-Tipton Midlantic in May. "She worked in :21 3/5 under a stranglehold three weeks before the first sale," Ryan said. "That was on the Polytrack at OBS. But she cut her right knee on the screen in her stall, and we missed six or seven days of training before the breeze show. Then she didn't breeze up to expectations, and I took her home at \$95,000. We had her in the sale at Maryland, but she just wasn't doing well. Sometimes horses get flat on you. She wasn't thriving, she was horsing at the time, and I scratched her."

Ryan sent Mani Bhavan to trainer Steve Klesaris, and it wasn't long before he knew he'd made the right call keeping her. "Steve is a very good caretaker, and he really liked her," the Irish horseman said, adding, "She has done unbelievably well physically since Maryland. I hadn't seen her since May, and I couldn't believe it was the same horse. Steve was quite optimistic [yesterday]. You have to be realistic jumping from a maiden race to a Grade II at Saratoga, but we thought she belonged. I said I'd be delighted if she finished 1-2-3."

Ryan has a bit of history with the filly's family. He bought the dam, Rehear, for \$200,000 for Carl Pollard as a KEESEP yearling. Pollard raced the mare, who won once in six starts, and bred and sold Mani Bhavan. He sold Rehear, in foal to Medallist, to Miklin Stable LLC for \$50,000 at the KEEJAN sale. Rehear produced a Stormy Atlantic filly in 2007 and a Medallist colt this past spring.

"Rising Star" after his first-out score at Belmont July 17; and Run Away and Hide, who makes his first start since triumphing in the GIII Kentucky BC S. May 1 at Churchill. "He's got the mental attitude already--he's very laid back," said Ronny Werner, who trains Run Away and Hide. "Usually, that's what we try to teach two-year-olds--to conserve their energy and use it when they need to. He does it on his own, so that's a plus. He makes things easier for me." Lyin' Heart landed his first two outings at Lone Star before finishing a tough-trip second in the GIII Bashford Manor S. July 5 at Churchill.

MUSIC STILL ON THE ALABAMA FENCE

Godolphin Stables' **Music Note** (A.P. Indy), who is still under consideration for the Aug. 23 GI Travers presented by Shadwell Farm, is expected to be entered in Saturday's GI Alabama S., but may be scratched in favor of the following week's Mid-Summer Derby, according to Godolphin's Rick Mettee. "No final decision has been made," said Mettee. "I spoke with [Godolphin trainer] Saeed [bin Suroor] [Tuesday] and faxed them the form on both races, and they are still looking. I think they want to make sure they run something." Godolphin also has GI Ashland S. winner **Little Belle** (A.P. Indy) poised to contest the Alabama. "Both ways, it would be interesting," said Mettee. "They would have two chances to win the Alabama, which is obviously a classic race, while the Travers is, well, the Travers. I think the concern is the big field. If the Travers were under six or seven, they might be a little more gung-ho about it." Should Music Note go against the boys in the Travers, she would be the first filly to run in the race since Davona Dale, who finished fourth as the favorite behind track-record-setting winner General Assembly in 1979. In 1974, Chris Evert was third to Holding Pattern and, in 1962, Cicada trailed the field home in last behind one-two finishers Jaipur and Ridan. In 138 runnings of the 1 1/4-mile race, seven fillies have gone on to win the Travers, the most recent of which was Lady Rotha in 1915.

MAMBO IN SEATTLE TO TRAVERS Trainer Neil Howard confirmed that Will Farish's **Mambo in Seattle** (Kingmambo) will make his next start in the GI Travers S. Aug. 23. "It's worth going into the Travers and giving him a chance," Howard said. "We had been talking about it since his last race and wanted to make sure everything was in good order. Mr. Farish and I both agree the horse is moving forward." Mambo in Seattle, a winner in his last three starts, defeated You and I Forever by a neck in 1:50 4/5 most recently in the nine-furlong Henry Walton S. at Saratoga July 27. On that same card, Macho Again won the GII Jim Dandy S. in 1:51. "His race record speaks for itself," Howard added. "He's got a great demeanor and he has been training really good. Everything is falling into place. He's got a race over the track. The timing is good between that day and the Travers." **Grasshopper** (Dixie Union), runner-up in last year's Travers, will head to Monmouth for Saturday's GIII Philip H. Iselin S., but could find himself on the infield this fall. "We'll probably take a shot on the turf at Belmont sometime in the fall," Howard said. "It gives us another option. He's a smooth-moving horse. We'll probably breeze him here on the turf near the end of the meet and see what kind of a feeling that we can get. We want to see if it opens any other doors for him."

NEW APPROACH IN JUDDMONTE PICTURE

Princess Haya of Jordan's **New Approach (Ire)** (Galileo {Ire}) could be set for a clash with **Duke of Marmalade (Ire)** (Danehill) in Tuesday's G1 Juddmonte International at York, for which 16 stood their ground at yesterday's five-day stage. Not seen since winning the G1 Epsom Derby, the Jim Bolger-trained colt--who sustained an injury on the eve of the Irish equivalent--was left in the extended 10-furlong contest by his trainer. "We haven't firmed anything up yet, and I haven't looked at the entries for the race," said Bolger. "It will be the week-end before we make a decision." Aidan O'Brien has left in a trio alongside G1 Prix Ganay, G1 Tattersalls Gold Cup, G1 Prince of Wales's S. and G1 King George VI and Queen Elizabeth S. hero Duke of Marmalade. The Henry Cecil-trained Prince of Wales's and G1 Eclipse runner-up **Phoenix Tower** (Chester House) could represent the sponsors. Khalid Abdullah's Racing Manager Teddy Grimthorpe told *PA Sport* yesterday, "He's in very good form and worked very well on Tuesday." Sir Michael Stoute has a duo headed by Rupert Plersch and Peter Walichnowski's G1 Grosser Dallmayr-Preis winner **Linngari (Ire)** (Indian Ridge {Ire}), while John Gosden is set to saddle Cheveley Park Stud's G2 Yorks S. winner **Pipedreamer (GB)** (Selkirk).

CITY ADDED TO VOLTIGEUR Godolphin have supplemented **Meydan City** (Kingmambo) for Tuesday's G2 Great Voltigeur S. at York. Following the \$11.7-million yearling's success in a Newmarket conditions event Aug. 8, connections have paid the £13,500 fee to add him to the 12-furlong contest, for which 16 remained at yesterday's stage. "He's progressing nicely, and his last run was a good one," Racing Manager Simon Crisford told *PA Sport*. "This will be another step for him, but we are of the opinion he is ready for a bigger challenge." Heading the opposition will be Ballymacoll Stud's G3 Queen's Vase winner **Patkai (Ire)** (Indian Ridge {Ire}) from the Sir Michael Stoute stable, which was forced to withdraw Khalid Abdullah's G1 Epsom Derby fourth **Doctor Fremantle (GB)** (Sadler's Wells) due to a foot problem. "He worked this morning and got a bit of a bruise on his foot, so we'll fix that up and look at the various alternatives," the owner-breeder's Racing Manager Teddy Grimthorpe told *PA Sport*. Aidan O'Brien has 10 remaining of the acceptors, led by Michael Tabor, Derrick Smith and Susan Magnier's **Alessandro Volta (GB)** (Montjeu {Ire}), who was demoted from third to fourth in the June 29 G1 Irish Derby.

NTRA REPORT FROM CAPITOL HILL

IMPORTANCE OF NEW WITHHOLDING BILL

Last month, the [Pari-Mutuel Conformity and Equality Act of 2008 \(H.R. 6631\)](#) was introduced in the U.S. House of Representatives by Rep. Charles W. Boustany, Jr. (R-LA). This bill is crafted to eliminate the automatic 25% federal withholding on pari-mutuel winnings of \$5,000 or more.

Why is this bill important to the industry?

1. Horseplayers will retain more of their winnings from exotic wagers like trifectas and the Pick 6, which have rapidly grown since the last time the federal withholding threshold was changed in 1992 and now account for two-thirds of all wagers placed
2. On average, each dollar paid to winning horseplayers is re-wagered seven times during the course of a day - this reinvestment of winnings is referred to as "churn"
3. Higher wagering levels lead to more revenues for racetracks and other wagering providers to cover escalating operating costs and more purse money for horsemen
4. More purse money strengthens the bloodstock market for breeders, consignors and auction houses

We urge you to contact your U.S. Representative today and build support for this bill through our [Legislative Action Center](#).

MOONSTONE SUFFERS SETBACK Aidan O'Brien has announced that **Moonstone (GB)** (Dalakhani {Ire}) will sidestep Thursday's G1 Darley Yorkshire Oaks after suffering a setback. Susan Magnier, Michael Tabor and Derrick Smith's G1 Irish Oaks heroine and G1 Epsom Oaks runner-up will be replaced by the Irish Oaks second **Ice Queen (Ire)** (Danehill Dancer {Ire}) and the G3 Blue Wind S. scorer **Adored (Ire)** (Galileo {Ire}) in the 12-furlong contest. "Moonstone has had a little hold-up and will be confined to walking for seven days, so she won't be going to York," O'Brien told the *Racing Post*.

Jackson/IEAH Skirmish cont.

Upon hearing that Big Brown was not under consideration for the Woodward, Jackson issued another statement. "I made a sportsman's proposal to Big Brown's connections this morning to race at Saratoga...and they declined the invitation," said Jackson. "I am disappointed by the news. I read this morning that Big Brown might be looking for a turf race at Belmont Park, so apparently, his connections are looking at other options this fall. I would ask Big Brown's camp to consider the prestigious \$750,000 GI Jockey Gold Cup at Belmont Park on Sept. 27 as an option. It's a prestigious, prized race on a natural dirt surface at one of the great tracks in the world. Big Brown is a champion and, most certainly, would be prepared to race at the end of September. Perhaps we could work together to get the Breeder's Cup to add an incentive to the purse so that a specific charity would get a bigger slice of the pie." Jackson continued, "This has long been a part of my platform for this industry--bigger purses. Another part of my personal platform is to make charitable contributions. When Barbara and I bought Curlin, we immediately established the Jackson Curlin for Kids Fund, whose purpose is to make a difference in the lives of children where Curlin runs or trains. In February of this year, we donated \$1 million to The Woods Laboratory for equine and human cancer and infertility research. Plus, we give millions to more than 600 charities every year because we believe it is the right thing to do. We also are aware of IEAH's involvement with charitable causes, including the current construction of the Ruffian Equine Medical Center across from Belmont Park. We seem to have two great horses and a common purpose. Why not get them together?" Jackson added, "As to the Breeder's Cup, it is not part of my current plan for Curlin. I felt it was the sporting thing to do to announce Curlin's schedule to give fair notice to anyone looking to compete against the reigning Horse of the Year this fall. Our plan is to focus on the Woodward, look to the Jockey Gold Cup, hopefully with Big Brown in the field, and review our plans after that. Ultimately, all of us have to do what is in the best interest of our horse." However, the match-up doesn't seem as though it will happen this year. Iavarone responded, "My answer is the same as it was before. I guess I have to run in August or September, but not in the Breeders' Cup, to meet him. That's unfortunate. The Gold Cup is not even in our thoughts. We are looking for a race on the grass to set us up to run on a synthetic surface in the Breeders' Cup. Our plan is our plan, and we're sticking to it."

Ravel off Board in Return:

Graded stakes winner **Ravel** (Fusaichi Pegasus), fourth in the GII San Fernando H. at Santa Anita Jan. 12, filled the same position in his return to racing in yesterday's third race at Saratoga, a nine-furlong allowance/optional claimer on the main track. Sent off at 3-1, Ravel raced wide around both turns while a few lengths off the leader and tired in the lane. **Loose Leaf** (Notebook), who was in for a \$75,000 tag, got a nose in front of **Temporary Saint** (Awesome Again) for the win. Ravel is owned by Michael Tabor and Derrick Smith and trained by Todd Pletcher.

Yesterday's Results:

2--**Starforaday, 119, h, 5, Five Star Day--Known Feminist, by Known Fact.**

3--**Like Now, 119, g, 5, Jules--Can't Bluff Me, by Pine Bluff.**

Margins: 2, HF, 3/4. Odds: 0.90, 5.00, 4.40.

Premium Win was beaten only 3/4 lengths by Bustin Stones (City Zip) in the GI Carter H. at Aqueduct Apr. 5. He trailed home eighth in the GI Met Mile at Belmont May 26, but rebounded with a solid effort in the GII Tom Fool H., running third to Lucky Island (Arg) (Lucky Roberto) over a muddy Belmont strip July 4. Odds-on here, Premium Wine was an ominous stalking presence in the early going. Angled out by Ramon Dominguez in upper stretch, he powered past the leaders a furlong out and was going away late.

TODAY'S
INSIGHTS

1:35p 2nd-SAR, \$62K, Msw, 2yo, f, 5 1/2f
TVG/ HRTV John Wieczorek's **ARGYLE PINK (Sky Mesa)** debuts for trainer Eddie Kenneally. The filly has shown plenty of gas in the mornings, including a bullet :35 3/5 blow-out for this five days ago. She has the pedigree to be quick, too. Her brother is champion sprinter Smoke Glacken (Two Punch) and sister Smokey Glacken (Forestry) was a MGSW speedstress. **This Cat Can Dance (Vindication)**, an Overbrook homebred trained by D. Wayne Lukas, is another firster who has shown ability in works. She's a daughter of MGSW Katz Me if You Can (Storm Cat). **Seminole Lass (Indian Charlie)**, whose trainer Michael Trombetta is hitting with an eye-catching 27 percent of his firsters, fired a pair of bullets at Fair Hill in advance of this. brisnet.com pps

4:23p 7th-SAR, \$63K, Msw, 3yo/up, 1mT
TVG/ HRTV **SOGNATORE (FR) (Oasis Dream (GB))** was co-bred by Bobby Frankel and debuts for the Hall of Fame trainer. The three-year-old colt is a son of MGSW Fantastic Filly (Myrakalu {Fr}). Sumaya Us Stable's **Sharif Al Medina (Hussonet)** ran a solid race to be second in his turf debut at Belmont June 15 over yielding ground, and could get similar conditions today. Should the Spa's uneven weather of late necessitate a move to the dirt, main-track only **Rocky Engagement (Stormy Atlantic)** is interesting. The Darley colorbearer was his sire's highest-priced juvenile of 2007, having been sold at BESMAR for \$800,000. Tom Albertrani trains the gray, whose morning works reveal little. brisnet.com pps

Dynaformer's 90th stakes winner is **MR. DOB**, who came home first in France's Grand Prix du Lion-D'Angers. His win came just days after undefeated 2YO **RAINBOW VIEW** earned her first taste of black type in the Sweet Solera S. (G3) in England.

1st Dam: Stormy Way (SW, \$278,083),
 by Storm Creek

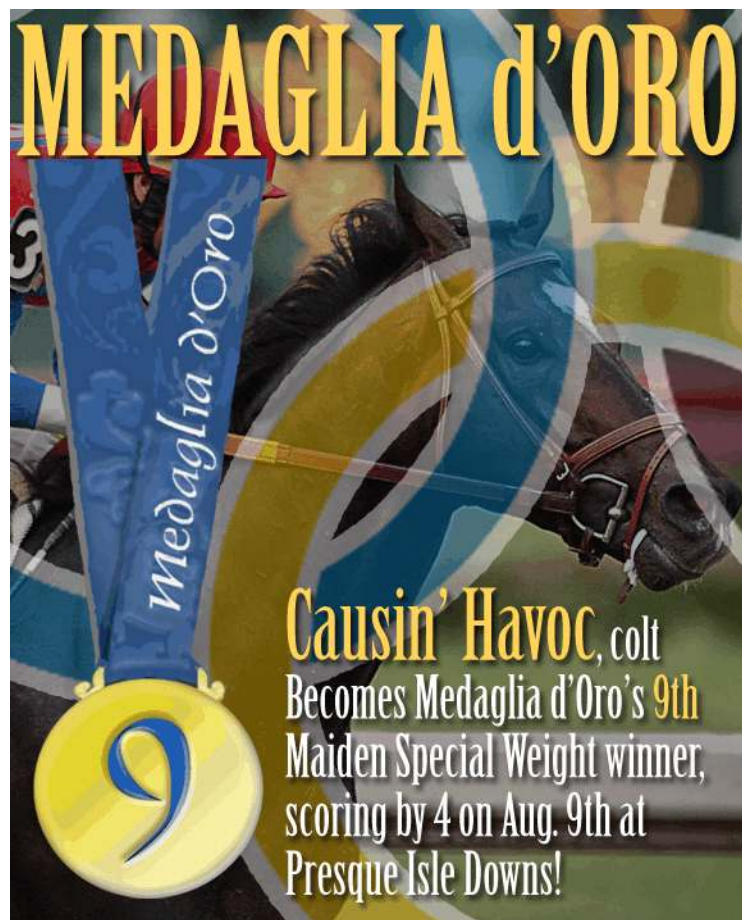

2nd Dam: Sabal Way, by Proud Appeal

3rd Dam: Virgin Reef, by Unconscious

A \$25,000 KEESEP yearling, Capt. Candyman Can was given little credence at 19-1, but made the doubters pay with a smart late run. Looking to become the seventh winner for his freshman sire (by Ride the Rails), the gelding was outhoofed in the early going under jockey Julien Leparoux as Grizzly Peak (Tale of the Cat) battled with 7-5 choice Celestial Diamond (Malibu Moon) through :21 2/5 and :45 splits. Capt. Candyman Can began to close on the front rank nearing the quarter pole, forged to the lead in mid-stretch and strode clear with authority to take it by 7 1/4 lengths. Grizzly Peak ran on well and was clearly second best, five lengths in front of show horse Mesa Sunrise (Sky Mesa). The chalk faded to fifth. Lifetime Record: 1-1-0-0, \$37,200. SILVER REUNION (f, 2, [Harlan's Holiday](#)--Silver Comic {GSW, \$216,935}, by Silver Hawk) was an even fifth at 5-1 odds in her unveiling sprinting at Delaware June 28. Brereton Jones's homebred, sent postward at 4-1 odds moving north, was content to track in fourth under Ramon Dominguez, then kicked in at the furlong grounds en route to the professional three-length graduation. Pacesetter Ain't Love Grand (Dixie Union) nosed out Jehan (Forest Wildcat) for place honors. Warm Shower (Dynaformer--Caught in the Rain) was scratched. Lifetime Record: 2-1-0-0, \$39,000.  + **MOTHER RUSSIA** (f, 2, [Mayakovsky](#)--Still Secret, by Hennessy), a \$21,000 NYBSEP weanling, was offered a 9-2 chance to get it done at first asking. Breaking from post three, she was quickest into stride and posted :22 3/5 and :46 2/5 fractions before edging clear to win by five lengths. Fellow firster Gem for Hook (Hook and Ladder) was second. The Florida-bred came back May 3 to finish fourth in the GIII Inglewood H. going 8 1/2 panels at Hollywood, but rebounded with a narrow success when shortening up to six furlongs for the Robert K. Kerlan Memorial H. July 6 over the same course. Never too far from the lead, Get Funky was crying out for racing room as favored Idiot Proof turned for home with a lead. Jockey Jose Valdivia prayed for a seam to open and, when it did, Get Funky surged through to top his Grade I-winning rival.

VICTORINA (m, 5, Delaware Township--Since Time Began, by Rubiano), a \$160,000 OBSAPR juvenile, has been awfully consistent in her career, placing first or second in 15 of 19 coming into this. The winner of the 2006 Gill Azalea Breeders' Cup S., she had started twice this term, winning the Washington State Legislators H. at Emerald Downs June 8 before a disappointing fourth as the chalk in the Vacaville H. at Solano July 13. Hammered down to 1-5 favoritism coupled with her unbeaten stablemate High Resolve (Put it Back), Victorina sat off the leaders as her pal raced out to set :22 2/5 and :45 2/5 fractions. High Resolve began to shorten stride in mid-stretch, but Victorina was just gearing up, powering past en route to the 3 1/2-length tally. ARAZAN HAS FUTURITY DATE ☆ **"TDN Rising Star"** ☆ **Arazan (Ire)** (Anabaa) is set to reappear in the Aug. 23 G2 Galileo Futurity S. at The Curragh, trainer John Oxx announced yesterday. Off the track since his smooth debut win at Leopardstown May 28, His Highness the Aga Khan's homebred half-brother to Azamour (Ire) will take on Rip Van Winkle (Ire) in the seven-furlong contest. "He's not a horse that we would have raced too often anyway, but he was a little bit sore on his shins not long after his debut so we decided to give him a bit more time," Oxx explained. "Then he had a dirty nose in June, which held us up a little bit as well, so pretty early on we made up our minds we would wait for the Futurity. He's coming along nicely enough for that. He'd like soft ground this year, as although he's a fine horse, he is quite heavy and we wouldn't like to knock him about on firm ground. We are getting the weather for him at the moment and he's done plenty of work on grass and we hope to have him ready for Saturday week."

GOFFS MILLION AT NAAS IN 2009 Naas will host the Goffs Million races next year due to the temporary closure of The Curragh for redevelopment in July. In a departure from the original format of one race for fillies and one for colts and geldings staged over seven furlongs, the races will be run over six furlongs and a mile and will both be open to colts and fillies. Henry Beeby, chief executive of Goffs, said yesterday, "Running the races over six furlongs and one mile gives a better range of options to differing types of horses. Both races will carry a first prize of €1 million, something offered by no other sales races. As our local racecourse, Naas offers great opportunities for the Million races on the eve of our 2009 Million Sale. It has much in common with the Gold Coast Turf Club in Australia, where Magic Millions have held their races so successfully for many years."

Katiyra was third in the G1 Epsom Oaks on only her third start and connections were disappointed when she could manage only fifth in the Irish equivalent at The Curragh last time July 13. Given a break subsequently having not moved with her usual fluency in that contest, the homebred rebounded with a confidence-boosting first stakes success in the mud here. Settled in behind the early pace against the fence, the bay moved up to take command with three furlongs remaining and was brave and professional out in front up the straight under mainly hand riding to win comfortably. Ridden in the stretch, the €650,000 GOFMIL yearling squeezed through a gap between rivals to lead with 150 yards remaining and assert for a two-length defeat of Nafaath (Ire) (Nayef).
