EIGHT SPOILERS, ONE CHAMP IN GOLD CUP

He's the defending champion, he's unbeaten on the dirt in 2008 and he's about 120 seconds away from becoming the first Thoroughbred in North America to eclipse the \$10-million mark in career earnings. Barring a major upset, Stonestreet Stable's **Curlin** (Smart Strike) will make history in the G1 Jockey Club Gold Cup Saturday afternoon at what promises to be a rain-soaked Belmont Park, and owner Jess Jackson is humbled by the opportunity to pass 1995 Gold Cup hero Cigar on the all-time money list. "It's so exciting to think he might break the record,"

Curlin taking the 2007 Jockey Club Gold Cup Adam Coglianesse

Jackson commented. "But first he's got to win." On paper, there's not a single reason to believe that will not happen as he seeks to become the first repeat winner of the 10-furlong event since Skip Away went back-to-back in 1996 and 1997. Cont. p2

Deja Vu for Jerkens?

Trainer Allen Jerkens has won three prior runnings of the Gold Cup, first in 1973 with Prove Out and again two years later with Group Plan. But it was over 20 years until he struck again in an event which very much parallels this year's renewal. Going for an unprecedented third consecutive win in the race, Skip Away was sent off at 35 cents on the dollar on a rainy second Saturday in October. But the reigning Horse of the Year engaged in a suicidal speed duel with Gentlemen (Arg) for six furlongs and the Jerkens-trained Wagon Limit, the 34-1 second-longest shot on the board, rallied from last in the field of six to win going away. The Hall of Famer sends out **Merchant Marine** (Tiznow) to take on Curlin and he figures that you can't win if you don't play. "You train them and you hope you can get a piece of it," Jerkens offered. "Merchant Marine has been training well and we hope he's a better horse than he was when he ran [in the June 28 GI Suburban H.]." Winner of the Sept. 7 Devil Diver S. going 7 1/2 furlongs over the Belmont strip, Merchant Marine has been up against it in graded company, finishing fifth in the Suburban and sixth in the GI Whitney H. July 26.

While **Mambo in Seattle** (Kingmambo) will be accorded the best chance to delay history, fellow sophomore **Stones River** (Monarchos) brings sneaky good form into the Gold Cup. He was a close fourth in the GII Pennsylvania Derby in his lone graded-stakes test Sept. 1, but, prior to that effort, the gray won four races in a row by a combined 22 lengths. Three of those were over wet tracks, but it's not just the likelihood of an off track that has trainer Larry Jones feeling positive. "We wanted to give him the opportunity to run a mile and a quarter," he said. "I'm not looking for a pace that Hard Spun would have set, but I think if he gets a legitimate pace, he can close into it."

The classy **Gallant Tess** caused a sensation when she lowered the colors of well-fancied **Triple Honour** in their most recent clash in the G2 Chelmsford S. Sept. 9 over this track and distance, and the David Payne-trained mare hopes to repeat the dose here. Another big performance here would put the G1 Cox Plate Oct. 25 in consideration for the five-year-old. She is seeking to become the first mare since Ma Chiquita (Aus) in 1986 to win Sydney's first Group 1 of the season. As for early favorite Triple Honour, trainer Chris Waller said he expected the G1 Doncaster H. hero to put his best foot forward on a firmer track.

The brown colt was reserved off the pace in midfield from the outset here, made his bid at the two pole and kept on strongly under urging in the closing stages to claim a career high in ultimately cozy fashion. **Click for the [Racing Post chart](#).**

BALLYDOYLE TRIO GUILTY OF TEAM TACTICS

Aidan O'Brien and jockeys Johnny Murtagh and Colm O'Donoghue were yesterday found guilty of breaching the 'team tactics' rule by the British Horse-racing Authority regarding last month's G1 Juddmonte International S. at Newmarket. O'Donoghue pleaded guilty at the disciplinary panel hearing to moving his mount Red Rock Canyon (Ire) off the rail to help stable companion Duke of Marmalade (Ire) through. Along with Murtagh, who was judged to have acted in a manner prejudicial to the proper

conduct of racing, he was handed a seven-day ban. O'Brien was fined £5,000 for failing to give adequate instructions concerning the rules of racing.

It was family that first got Jim Donnan and his wife Treasa into horse racing and the together-time that the sport provides has kept the Donnans involvement in the game going strong.

"In 1999, my family lost some children in a pretty tragic car accident," Jim Donnan recalled. "It was a tough time for my family and I tried to find was to get my wife more involved in other things at that time. Horse racing was something that someone suggested."

Trinity Magic A Coglianesse

The couple initially had horses in training with Cole Norman, who conditioned their 2002 GIII Texas Mile S. winner Unrullah Bull. And they also enjoyed success in the claiming ranks.

The pull of business meant a temporary withdrawal from the sport. The couple had purchased Ameri-Tech Building Systems in 1996 and the growth of the modular building company left less time for racing.

"In the last couple of years, our business has grown and we're in the process of selling a portion of our business," Donnan explained. "We weren't as heavily involved with racing from 2005 through the end of last year, or the middle of last year."

But the cut-back was only temporary. "Our interest picked up again," Donnan said. "We moved some horses to Steve Asmussen. We felt that we enjoyed racing a lot and felt that Steve could bring a lot of that back. We have three in training now and we'll continue to work to build the stable and go after the better horses."

Donnan credits Asmussen with picking out the stable's newest star, Trinity Magic. "I had a plan on how I thought that I'd like to proceed and [Steve] more or less focused that on the two-year-old market and tried to pick out horses that had big up side to them and that's just what he did," Donnan explained.

With Asmussen's advice, Donnan purchased Trinity Magic for \$50,000 out of this year's OBSAPR sale. The colt won his debut at Saratoga Aug. 15 and returned to take the Bertram Bongard S. at Belmont Sept. 21.

Donnan and his wife were able to enjoy their colt's victory surrounded by family.

"We flew to New York with one of our sons, and his wife and some other family members attended the races with us that day," said Donnan. "And that's what it's all about. It keeps everyone in the family involved. Sons, daughters-in-law. It's a great place to go and spend an afternoon with your family. And then to win a race like that and have horses that win at that caliber, and the pageantry that is associated with those races, it's a great experience for the whole family."

Donnan plans to continue finding value at the two-year-old sales. "We started in the claiming business and we claimed a lot of horses and moved them up and made substantial returns on small investments--\$25,000 claimers turned in 12 -16 months to \$250-300,000," he said. "But I think that area has changed some and it takes a continuous effort to locate those horses. We don't have that time today. I think the two-year-old-in-training market offers the opportunity to, without buying a horse that has already been successful and paying a premium for that, buy horses that have the opportunity to improve and realize a good return on investment."

Donnan's business plan is simple. "I think you have to make intelligent decisions and analyze your horse prospects carefully," Donnan said. "They don't all work, but if you study the prospect enough, evaluate it and use the best advice available, you can make the right choices and make your business profitable. And you have the enjoyment of it, too. If you can enjoy the thrill and the pageantry of it, as well as have a profit or, at the minimum break even, then you have very much succeeded in this sport."

For the present, Donnan is looking forward to more family time around Trinity Magic. "We have had a lot of outside interest in him at this point," Donnan admitted. "But I don't think that we're going to be interested in selling him. I think we'd rather race him and have some fun with him."

SALUTE THE SARGE TO WALMAC Salute the Sarge (Forest Wildcat--Dixie Ghost, by Silver Ghost), a dual graded-stakes winner as a juvenile, will enter stud in 2009 at Walmac near Lexington after the farm purchased a half-interest in the colt.

Salute the Sarge

Bred in Kentucky by Gulf Coast Farms, Salute the Sarge was purchased for \$300,000 at the 2007 Barretts March Sale by Mike Moreno's Southern Equine Stables and rattled off three straight wins to begin his career, including the GIII Hollywood Juvenile Championship S. and the GII Best Pal S. Runner-up in the GI Del Mar Futurity and GI Norfolk S., the bay was rated as the fourth-highest juvenile on the Experimental handicap. The half-brother to GSW & GISP Chelokee added the 2008 San Miguel S. off a five-month lay-

off. "We're very excited about our first Kentucky stallion," said Eric Guillot, trainer for and a partner in Southern Equine. "We plan to substantially support him with some of our best mares. Salute the Sarge is expected to make two more starts, including the GIII Kentucky Cup Sprint Saturday, before heading to the breeding shed." Salute the Sarge has a current record of 11-4-2-0 and earnings of \$343,759.

Boca Grande, who seemed in need of a confidence booster, had been winless since taking the GII Comely S. in April 2007, but had been keeping top company. The Phipps homebred, third in last year's GI Mother Goose S. and second in the GI Test S., was coming off an uninspiring eighth-place effort in the Sept. 6 GI Ruffian H. Making just her third start of the year, Boca Grande tarried near the back of the five-horse field early. She moved closer without being asked on the turn, angled to the outside for the drive and went on to an authoritative score. [Video, sponsored by Taylor Made.](#)

Ocala School Profits from Undefeated Trinity Magic:

When Jim and Treasa Donnan's **Trinity Magic** (Performing Magic) ran his record to two-for-two in the Bertram F. Bongard S. at Belmont Park, he not only thrilled his owners, but also his two-year-old consignors and the Catholic school which benefited from his sale. Trinity Magic is the fourth horse and second stakes horse to represent B.T.C. Bloodstock, a collection of major two-year-old consignors who donate the profits from their pinhooking venture to the Blessed Trinity Catholic School in Ocala, Florida. Niall Brennan, Ciaran Dunne, Mike and Britt Mulligan's Leprechaun Racing, Scanlon Training Center and Eddie Woods have joined forces in each of the last five years to purchase one yearling together to resell at the following year's juvenile auctions. Any profits from the pinhook are then passed on to the school and the Orlando Bishop matches the proceeds. To date, four purchases totaling \$40,700 have been reoffered for nearly \$200,000, with all proceeds going to BTC. "We all provided the training and the vet bills, vanning costs and other services were donated," Mike Mulligan explained. "Everyone is happy to help us, knowing it is for such a great cause." Trinity Magic, originally a \$5,700 purchase out of the Fasig-Tipton Midlantic sale, was a \$50,000 graduate from the OBS April sale.

Perfect Drift to Lead KY Cup Classic Field to Post:

Recently retired **Perfect Drift** (Dynaformer), who won four races at Turfway Park, including the 2002 GII Lane's End Spiral S. and the 2003 GII Kentucky Cup Classic, will make one final appearance at the Florence, Kentucky oval. The nine-year-old gelding will be led to the Turfway paddock by his longtime groom Richard Anderson and exercise rider Mike Bowlds prior to the running of Saturday's GII Kentucky Cup Classic. Trainer Murray Johnson, who saddled the gelding in all but his final four career starts, will tighten the girth around the veteran Saturday afternoon. Perfect Drift was owned and bred by Dr. William A. Reed, a cardiovascular surgeon and now chair of the Department of Cardiovascular Disease at Kansas University Hospital in Kansas City, Kansas. Reed will be on hand for this weekend's ceremonies. "The whole family has enjoyed a wonderful experience with Perfect Drift for the past nine years," said Dr. Reed. "Drift was foaled in Kentucky, but grew up here on our [Kansas] farm. This is just a new time in his life."

Nakatani Suffered Fractured Collarbone in Morvich:

Corey Nakatani was scheduled to see his doctor yesterday afternoon to be evaluated for a suspected fracture of his right collarbone suffered after his mount, Easy on the Eyes, went down after the start of Wednesday's GIII Morvich H. on the hillside turf course. "The collarbone was fractured," Nakatani's agent, Ron Ebanks, confirmed Thursday morning. "It's the same collarbone he broke last year. Right now, Corey doesn't know if it's a fracture in the same spot, a new fracture, or aggravated."

CHRB Permanently Bans Valenzuela:

The oft-troubled jockey Patrick Valenzuela will never ride again in the state of California. Yesterday, the California Horse Racing Board announced that it has adopted the decision of Administrative Law Judge Daniel Juarez and confirmed the revocation of Valenzuela's conditional license and said the rider is "permanently ineligible to reapply for, or to hold, a license issued by the California Horse Racing Board." The one-time star on the national racing scene has run afoul of the law not infrequently in the past, but launched a comeback in November 2007, only to have a temporary license terminated the following month after officials at the CHRB learned he had violated the terms of the conditional license. Valenzuela is currently riding at Louisiana Downs.

Siegel Gives Support to TOC:

Mace Siegel, one of North America's leading owners and a founder and current vice president of the Thoroughbred Owners of California (TOC), has given \$100,000 to support the Thoroughbred Horsemen's Group (THG) and its efforts to protect live horse racing. According to TOC President Drew Couto, who also serves as vice president of THG, "Since advance deposit wagering was authorized in California in 2002, Siegel has been constantly championing the idea that ADW has to make an equitable return to tracks and horsemen, because without it, both will fail." THG was formed by horsemen to help ensure the equal distribution of racing signals for wagering and the maximum return to racetracks and horsemen to support the live racing product. "No individual horseman has been more concerned about the rates of return for the industry than Mace Siegel," Couto said.

"He became a huge supporter of the idea that it was a shared responsibility among horsemen and racetracks that we create a modern model for ADW and other simulcast issues. When the THG was created, he was extremely interested in it succeeding." Siegel, who

operates Jay Em Ess Stable with his daughter, Samantha, has served on the TOC board since its inception in 1993. "Mace's leadership with the formation of Thoroughbred Owners of California, and the example he has set as an advocate for the rights of Thoroughbred owners, is an inspiration to all owners in our sport," said THG President Bob Reeves. "The Thoroughbred Horsemen's Group is another step on a national basis to protect the rights of Thoroughbred owners and the sport of Thoroughbred horse racing." The founder and chairman emeritus of Macerich, one of the largest owners, operators and developers of retail property in the United States, Siegel serves on that company's board of directors. He is a resident of Beverly Hills, California.

THE CHEKA EYEING MILLION ☆ "TDN Rising Star" ☆ The Cheka (Ire) (Xaar {GB}) is aiming at next Saturday's £1-million Tattersalls Timeform Million at Newmarket, trainer Eve Johnson Houghton announced yesterday. Runner-up in Sandown's G3 Solario S. last month after a 10-length debut score at Ascot in July, Anthony Pye-Jeary and Mel Smith's colt is also set to contest the G1 Darley Dewhurst S. over the same track and trip a fortnight later. "The Tattersalls Timeform Million is the plan at the moment," Johnson Houghton said. "It's possible that we might miss the Million for the Darley Dewhurst and go straight to the Dewhurst without another run, but the most likely scenario is to go the Million and then the Dewhurst. He seems fine after his Sandown run and is in good form. I was delighted with that effort; I think greenness just beat him and possibly the track. I think a straight track will suit him much better. I don't want any extreme of ground for him, but it doesn't look like it's going to be, so he'll be fine. At the moment, I think Richard Quinn will continue his partnership."

ONLINE BIDDING AT TATTS Tattersalls yesterday announced that they will break new ground by introducing online bidding for all sales at its Park Paddocks site in Newmarket. Announcing the initiative, which will be provided in association with Live Global Bid and starts with the Tattersalls October Yearling Sale, Book One Oct. 7-9, Tattersalls Chairman Edmond Mahony said, "The introduction of live online bidding reflects our commitment at Tattersalls to providing the complete sales service for our clients throughout the world. Buyers travel from all corners of the globe to buy at Tattersalls and will continue to do so, but Live Global Bid's online technology is a wonderful alternative for those unable to attend a Tattersalls sale who wish to participate. Our client base is truly international and we are confident that the online service will not only prove to be a valuable service for existing clients, but also provide the opportunity to broaden our buyer base." Live Global Bid, which currently stages more than 2,000 live auctions per month, was heralded a success earlier this year at William Inglis' and Son in Australia. That company's Managing Director Mark Webster added, "We have been delighted at the response to the online bidding system which we introduced at our Autumn Sale in March this year. Buyers have immediately embraced the new technology, in particular our Southeast Asian clients, and I am confident that it will prove to be an equally popular innovation at Tattersalls, which also has a huge international buyer base." Mahony continued, "This is an exciting innovation and we are delighted to be the first Thoroughbred auctioneers in Europe to embrace the technology. It follows a series of European firsts for Tattersalls, including the 'Sirecam' online videos, our dedicated repository and Europe's most extensive sales race series, the £2.3-million Tattersalls Timeform Millions for yearlings sold at Book One of the October Yearling Sale." Further details can be found on www.tattersalls.com.

FAIRYHOUSE YEARLING SALE

by *Bill Oppenheim*

Perhaps because this year's sale dropped from three days to two, Tattersalls Ireland evidently decided that this year's September Yearling Sale at Fairyhouse wasn't comparable to previous years' September Yearling Sales at Fairyhouse. Curious decision, but maybe they knew their gross was going to be cut in half. No doubt about it, it's tough sledding in the bottom ranges these days. Here's what happened, compared to the previous three years:

The winner was a 30,000gns TATDEC weanling and 100,000gns TATOCT yearling. Lifetime Record: 3-1-0-0, £5,181.

CALLIGRAPHER (c, 2, [Rahy](#)--Calista {GB} {GSW-NA, MSW & GSP-Fr, \$400,316}, by [Caerleon](#)) went off as the 4-1 chalk coming back from a first-up fifth at Leicester Sept. 1. Breaking swiftly to occupy a prominent role, he was pushed along off the home turn and came under a forceful drive in the closing stages to deny the tenacious Film Set (Johar) by a head in the bobber. Lifetime Record: 2-1-0-0, £4,857.

HOUGHTON (IRE) (c, 3, [Sadler's Wells](#)--Love and Affection {SW & GISP-US, \$154,519}, by [Exclusive Era](#)), a last-out third at Leicester Sept. 15, was roused from the gate after a rusty start and raced under cover for most of this marathon. Inching into contention with a half-mile remaining, the 11-4 selection made his bid off the home turn and was driven out from the eighth pole to register a 1 3/4-length success from Mushtaaq (Dynaformer). The winner, a 140,000gns TATOCT yearling, is a half-brother to Yellowstone (Ire) (Rock of Gibraltar {Ire}), GSW-GB & G1SP-Fr, \$378,584. Lifetime Record: 5-1-0-2, £4,922.

Successful on debut at Deauville Aug. 2, All Speedy dropped to fifth back there last time Aug. 20, but regained the winning thread with a determined effort in this stakes bow. Positioned in third after the break here, she made headway to lead with 350 meters remaining and was driven out in the closing stages to repel the rallying pacesetter Doriana.

Handily placed throughout this one, the €340,000 DEAAUG yearling was pushed to the front at the top of the lane and was ridden out inside the final furlong to secure a 3/4-length decision from Voodoo's Son (Fr) (Homme de Loi {Ire}). The winner's dam is a full sister to champion Xaar (GB). Lifetime Record: 5 starts, 1 win, 4 places, €23,200.

Set alight with 350 meters remaining, the 41-10 chance was pushed out from the furlong marker to score by a cozy length from Sienna May (Dixie Union). Never Busy (Gone West) was never positioned better than midfield and faded late to finish 10th. The winner, a half-sister to Blue Blue Sky (Ire) (Anabaa), SW & GSP-Fr, was produced by a 3/4-sister to 2000 G1 Poule d'Essai des Pouliches heroine Bluemamba (Kingmambo). Shaken up approaching the final eighth, the 7-1 chance was not fully extended under mild coaxing in the closing stages and comfortably accounted for dead-heaters Cashelgar (Ire) (Anabaa) and Eastern Promise (Grand Slam) by 3/4 of a length. The Wertheimer homebred is out of a half-sister to Grade I winners Dare and Go (Alydar) and Go Deputy (Deputy Minister). Right One (Fr) (Anabaa), the full-brother to Rouvres (Fr), was well-placed throughout, but was unable to land a telling blow at the business end and finished eighth. ARAKAN FILLY TOPS GORESBRIDGE SALE

BBA Ireland purchased the top lot during the inaugural Goresbridge Select Flat Yearling Sale yesterday when paying €27,000 for a filly from the first crop of Arakan (Nureyev). Consigned by Ballyhane Sales, hip [91](#) is a granddaughter of George Strawbridge's smart sprinter Petronilla (Lyphard), who is herself a close relative of MGSW Rochester. Later on, Bobby O'Ryan snapped up a pair of the better yearlings on offer. Having paid €13,000 for Ballyphilip Stud's hip [97](#), a colt by Orpen from the extended family of this year's G2 Prix de Sandringham winner Modern Look (GB) (Zamindar), the agent was on hand soon after to pay €15,000 for Rossenarra Stud's hip [107](#), a daughter of the 1999 G1 Irish 2000 Guineas winner Saffron Walden (Fr) whose dam is a sister to the MSW Don Fayruz (Ire) (Fayruz). AUSTRALASIA

NEW EI CASE IN SYDNEY? A horse at Sydney's Eastern Creek Quarantine Station has tested positive to Equine Influenza, according to NSW Primary Industries Minister Ian MacDonald. Speaking at a National Summit on the issue of a permanent vaccination regime in the wake of last year's outbreak that cost the racing and breeding industry an estimated A\$1 billion, MacDonald said the case was a reminder that a voluntary vaccination program should be considered. "It sends shivers down the spine of anyone that's associated with trying to manage these disease outbreaks," MacDonald offered. He added that, while it was unlikely the infection had spread, there were no guarantees. "The best walls are often breached," he said. New South Wales chief vet Bruce Christie indicated the horse has returned one positive and one negative test at the Eastern Creek quarantine station and would undergo further testing. Jane Axon, from the Equine Veterinarians Association, said vaccination would not guarantee no further occurrence of EI in Australia. "Equine influenza is actually a virus, which actually changes shape and mutates into a different strain, so if we haven't vaccinated exactly against the strain that affects Australia or comes into Australia, it's not going to protect our horses at all," Axon said. The Callinan Report, released in June, blamed last spring's crisis on biosecurity failure at Eastern Creek. The Federal Government was forced to provide a A\$234-million rescue package, and some Thoroughbred breeders are still considering legal action to recover costs. Australia was declared EI free in March this year.
