ALL EYES ON ASCOT

Quality is the watchword at Ascot today, as Europe's top miling trio **Henrythenavigator** (Kingmambo) (*pictured, left*), **Tamayuz** (GB) (Nayef) and **Raven's Pass** (Elusive Quality) (*pictured, right*) do battle in the G1 Queen Elizabeth II S. So far, Henry has a three-win record over the latter but the gap was closing considerably when they last crossed swords in Goodwood's July 30 G1 Sussex S. While that encounter should be a close call, George Strawbridge's unbeaten **TDN**

Rising Star **Rainbow View** (Dynaformer) looks lock material in the G1 Meon Valley Stud Fillies' Mile based on the way she sashayed through Doncaster's G2 May Hill S. two weeks ago. Jockey Jimmy Fortune is her biggest fan. "She has never had to extend herself and she has won all three of her races by big margins, so we are as much in dark as everyone else about how good she is," Fortune said. **Cont. p3-4**

THEIR MOMENT OF ZEN

Oak Tree will host the Breeders' Cup in four weeks time, and will feature no fewer than six Grade I races today for runners looking to punch their ticket to the championship event. But there's no question that all eyes will be on **Zenyatta** (Street Cry {Ire}) (*pictured*) as she seeks her eighth in a row in the GI Lady's Secret S. "I kind of ran out of words after the first four or five times riding her," said jockey Mike Smith. "She's just an incredible creature." He is also slated to pilot the presciently named **Stardom Bound** (Tapit)--who rocketed past her rivals in the GI Del Mar Debutante Sept. 3--in the GI Oak Leaf S. However, that filly was kicked by a pony yesterday morning, and her participation is questionable. **Cont. p8**

RACING'S ULTIMATE RAINMAKER

With average earnings of \$699,771 per start, **Curlin** (Smart Strike) will head postward for the 15th time today in his title defense of the GI Jockey Club Gold Cup at Belmont. A victory would vault him past the venerable Cigar's earnings record of \$9,999,815, but that's not the most important thing to owner Jess Jackson. "It's not about the money, it's about his place in history." As for the near certainty of a wet track, the big colt was in no way inconvenienced by the slop in the 2007 GI Breeders' Cup Classic at Monmouth. **Cont. p2**

RAINY DAY WOMEN

In addition to the GI Jockey Club Gold Cup, Belmont will offer four standout events on the undercard. But, after several weeks of sunshine, the New York area has been subject to rain since Thursday night. While that might not be a problem for champion **Ginger Punch** (Awesome Again) in the GI Beldame S., it might make things sticky for two other \$600,000 events: the GI Flower Bowl Invitational and the GI Joe Hirsch Turf Classic. **Cont. p5-6**

Air of Youth...

A pair of 3-year-olds are drawn outside their elders in this uniquely configured contest. **Stones River** (Monarchos) has the eight hole, while **Mambo in Seattle** (Kingmambo) (*left*) has the far outside in nine. Produced

by a full sister to A.P. Indy, Mambo in Seattle came alive with three straight victories in May, June and July. The bay came up an improbable nostril short in the Aug. 23 GI Travers S. last time, and is bidding to become the third straight sophomore to triumph here following Bernardini in 2006 and, well, Curlin last year. "It gives you a little bit of a comfort zone knowing it has been and can be done again, but Curlin's in good form," trainer Neil Howard told *Daily Racing Form*. "One of the biggest things that closed the deal for [his owners is that] he has uncharacteristically improved with every race, including the Travers, and he's kept on moving forward."

Giant Killer Jr?

Nick Zito may cede the official "Giant Killer" title to Hall of Famer Allen Jerkens, but he's knocked off several major prizes with relatively unconsidered runners. Zito's Birdstone charged past Smarty Jones to thwart the 2004 Triple Crown bid, and Da' Tara posted this year's stunning upset of Big Brown in the Belmont. Can he do it again with veteran **Wanderin Boy** (Seeking the Gold)? "Curlin's a great horse. I'm only hoping we catch him on an off day when he's not one-million percent," Zito told *DRF*. The seven-year-old ran third to Curlin in his latest, the GI Woodward S. at Saratoga Aug. 30.

Aidan O'Brien boasts a sole win here provided by the highly talented George Washington (Ire) two years ago and will be buoyed by the return to lively conditions for **Henrythenavigator**. He is unbeaten over surfaces without soft or heavy in the description and came unstuck for the third time on easy ground when only fifth as

favorite in the G1 Prix du Moulin de Longchamp last time Sept. 7. His previous defeats of New Approach (Ire) in both the G1 English and Irish 2000 Guineas at Newmarket and The Curragh in May and of **Raven's Pass** in both the G1 St James's Palace S. at Royal Ascot June 17 and Sussex stamped him as one of the best colts to have been trained at Ballydoyle in recent years. Between him and **Tamayuz**, they have annexed the majority of the season's top

miling contests and the latter looked to be developing into a stellar performer with a 2 1/2-length defeat of Natagora (Fr) in the Jacques le Marois. "Tamayuz is very well and I couldn't be happier with him at the moment," the homebred's trainer Freddy Head told *PA Sport*. "I think the horse is still progressing and I don't have any worries. It is fast ground at Ascot which should be perfect, so everything is good." Raven's Pass has suffered defeat at the hands of both, with 1 1/2 lengths separating him and Tamayuz in the G1 Prix Jean Prat and 3/4 of a length and a head the margins between him and Henrythenavigator at the Royal meeting and in the Sussex, respectively. His subsequent easy win in that track's Aug. 23 G2 Celebration Mile sets him up for another shot, and jockey Jimmy Fortune harbors hopes he can turn the tables. "We have met Henrythenavigator three times and he has beaten us three times--albeit we have got closer every time we have met him--and if he wasn't around, we would have the champion," he said. "His main aim is the Breeders' Cup, so he is probably a little bit heavier than he normally is, but I rode him work the other morning and he is in great form. I'm quietly confident he will run a very big race--he gets the mile well and I wouldn't be surprised if he got further in time, as he is nice and relaxed now."

THREE CHIMNEYS Winners' Circle Report

For the week ending September 26, 2008

Exchange Rate Five Stakes Runners Cashed-in!

Exchange Rate's 6th stakes winner of 2008 is LIBOR LADY (05 f. o/o Laughing Erin, by Irish Castle) who became a stakes winner on September 20 when she took the \$55,000 Walking in Da Sun S. [Chart](#) [Video](#)

ZEE ZEE (05 f. o/o Emblem of Hope, by Dynaformer), who is a stakes winner and G2 stakes performer this year, turned in another black type effort on September 21 in Belmont's \$75,000 Statuette S. The filly lost by 3/4 of a length and now has a record of 10-3-1-3 with \$331,042 in earnings. Owner: Zayat Stables LLC. Breeder: Padua Stables.

Exchange Rate's newest stakes horse is It's Gotta Be Us (06 g. o/o Chemistry, by Louis Quatorze), who ran third in the Gateway to Glory S. on September 19 at Fairplex Park. The effort brings his record to 3-1-0-2 with \$25,200. Owner: Gregg Guiol and Dennis O'Neill. Breeder: Pamela F. Edel.

RATED FIESTY (05 f. o/o Feisty Countess, by Count the Time), a MGSW as a 2YO last year, ran second in the \$72,000 Weekend Delight S. at Turfway Park over the all weather surface. Her record is 5-3-1-1 with \$220,811. Owner/Breeder: Heiligbrodt Racing Stable.

Seminole Brave (04 g. o/o Yamasee, by Apalachee) ran a game third in the \$50,000 Winston Churchill S. at Hastings in Canada on September 21. The effort brings his record to 8-2-2-2 with \$47,299. Owner: Fran Snow & G and G Stables. Breeder: Rol Bea Thoroughbred Racing, LLC.

Point Given Another Tremendous Effort on the Turf for Point Given's Offspring

Tremendous One (04 f. o/o Top Rung, by Seattle Slew), who has had troubled trips in several stakes attempts in the past, got up for third in the \$50,000 Pleasant Temper S. at Kentucky Downs on September 22. The filly, who has notched her three previous wins on the turf or synthetic, now has earnings of \$92,895. Owner/Breeder: Glen Hill Farm.

Smarty Jones GO SMARTY GO Lights Up the Turf

GO SMARTY GO (06 c. o/o Sarah's World, by Holy Bull) won in his career debut at Belmont Park in a \$52,000 maiden special going 7 f. on the turf. His time for the 3 length win was 4/5ths of a second off of the track record. Owner: Stanton Racing. Breeder: Silverleaf Farms, Inc. [Chart](#) [Video](#)

All horses in the *TDN* are bred in North America, unless otherwise indicated

This prize has seen some high-class fillies enter and exit unbeaten in recent times, with Gossamer (GB) and Soviet Song (Ire) the most notable to do so in 2001 and 2002. **Rainbow View** (right), who has won her three starts by a total of 14 lengths without a hint of stress, hails from the John Gosden stable responsible for the trio of winners Crystal Music, Playful Act (Ire) and Nannina (GB) since the millennium year. Her facile wins in the G3 Sweet Solera S. at Newmarket Aug. 9 and G2 May Hill S. at Doncaster last time Sept. 11 came against rivals over their head, but she may need to engage an extra gear to deal with this assembly. "She has been impressive in all her starts and I tried to be as easy on her as I could at Doncaster last time, thinking that the Fillies' Mile is just around the corner," jockey Jimmy Fortune commented. "She did it very well and while she hasn't met anything spectacular yet, she couldn't have done it any easier so you would have to be impressed by her." **Fantasia** heads the opposition and follows the Gossamer route here after wins in the same Newmarket maiden July 11 and G3 Prestige S. at Goodwood Aug. 23. Sir Michael Stoute saddles The Queen's ☆ **"TDN Rising Star"** ☆ **Golden Stream**, who like Red Bloom comes off the back of a seven-furlong maiden success at Newmarket Aug. 22, where she broke the juvenile track record. "We have decided to dip our toes in the water against the two top fillies," her owner-breeder's Racing Manager John Warren told *PA Sport*. "Sir Michael says she did a very nice piece of work at the weekend, which justified her declaration for the race. She is on a learning curve, but we are hoping for a decent showing."

Ginger Punch recovered from an eight-length drubbing at the hands of Zenyatta to take her next four starts. The 2007 Eclipse Award winner overcame traffic problems in the GI Go for Wand H. July 26, and edged

Lemon Drop Mom by a flared nostril in the GI Personal Ensign H. Aug. 22 at the Spa.

"She's got the heart of a champion," said trainer Bobby Frankel. "In the Go for Wand, if she wasn't a champion, she wouldn't have won. She wants to win."

Trainer Saeed bin Suroor will be on hand to saddle **Cocoa Beach**, who steps up in class following a facile win in her U.S. bow. Unbeaten in her native Chile, the dark bay won a pair of listed events at Nad al Sheba before running third in the G2 UAE Derby Mar. 29. She needed some time to get going in an overnight stakes at Saratoga Aug. 29, but was confi-

dently ridden to a five-length success that afternoon. "Cocoa Beach is a classy filly who won well last time," bin Suroor said on Godolphin's website. "She had a good long break after running in Dubai and she looks to have improved." He added, "Her last piece of work was very good. She is good enough to run in such a race, and I am happy with her."

5	Jade Queen	Giant's Causeway	Pletcher	15-1
6	Hostess	Chester House	Bond	6-1

All carry 119 pounds except Mauralakana, 123.

Mauralakana has risen to new heights as a 5-year-old this season, securing her spot at the head of the division with sharp score in the GI Beverly D. S. last out Aug. 9 at Arlington. That was her fourth straight trip to the winner's circle, and fifth out of six 2008 starts. Her only loss was a second to **Hostess** in the Gill Orchid H. Mar. 30 at Gulfstream, but that rival may not reoppose here if the rain continues to fall in the Big Apple area. The precipitation is also a concern to Mauralakana's conditioner, Christophe Clement. "With the weather, maybe I should have gone to California [for the GI Yellow Ribbon at Oak Tree,"

Mauralakana (center) edging Dynaforce (right) and Hostess (left)
Horsephotos

Clement told *Daily Racing Form*. "But at the moment, she is running here. She's doing well. She's training well. Everything is a go." **Dynaforce**, who performed with credit on soft ground in France, split Mauralakana and Hostess in the blanket finish of the GII New York H. June 21 in her U.S. bow. A close second in the GI Diana S. at Saratoga July 26, the bay was forced to steady when fifth in the 11-furlong GIII Glens Falls H. over the same course Sept. 1 in her most recent effort. Last year's surprise Flower Bowl heroine, Lahudood (GB), went on to take the GI Breeders' Cup F/M Turf and Eclipse Award honors.

All carry 126 pounds.

Nearly all of the entrants for today's test have been confronted by easy ground, but it is something of a crapshoot to predict who might handle these conditions, which could approximate the bog of the 1995 GI Breeders' Cup Turf at this venue. **Proudinsky** is the lone member of the field to have competed over soft European turf, having won his maiden by 15 lengths prior to a narrow defeat by Saddex (GB) in a German listed stakes in his second career start. The latter has since registered multiple Group 1 scores overseas and was a half-length runner-up to Duke of Marmalade (Ire) in this year's G1 Prix Ganay. Proudinsky, winner of the GII Mervin Muniz Memorial H. this past March, makes his third start in 35 days and comes off a second to Big Brown in the Monmouth S. two weeks back. **Dancing Forever** has rounded into top form this season and loves this surface, over which he took the GI Manhattan H. on the Belmont S. undercard in June. His fifth to **Grand Couturier** as the 3-2 favorite in the GI Sword Dancer Invitational S. Aug. 16 was below par, but he is just one for five at the Spa and that effort is best forgiven. **Summer Patriot** could be the wild card off a 7 3/4-length victory in the 13-furlong John's Call S. at Saratoga Aug. 17.

7	Black Seventeen	Is It True	Koriner	12-1

Fabulous Strike has faced the starter only once since his dominating win in last year's Vosburgh, but still merits plenty of respect here. The dark bay, who missed last year's GI Breeders' Cup Sprint due to a respiratory illness, wired Delaware's Vincent A. Moscarelli Memorial S. in his lone start this term June 21. He was forced to sit out Saratoga's GII Alfred G. Vanderbilt July 26 due to a foot injury. The Walter Downey colorbearer has recently fired two straight bullets at Presque Isle Downs, including a five-furlong move in :59 3/5 Sept. 21. "From the time I had to cancel that Breeders' Cup trip last year I never quit thinking about trying to get back in that spot again," trainer Todd Beattie told *Daily Racing Form*. "I'm sure we haven't seen the best out of this horse. I think we're in a position where we could see quite a bit [today]." Shadwell's **Lucky Island** looked primed to take control of the sprint division following the retirement of Benny the Bull (Lucky Lionel), but a eventful beginning in the Aug. 30 GI Forego S. led to a disappointing sixth-place finish behind **First Defence**. The GII Tom Fool H. victor posted a best-of-53 four-furlong workout in a snappy :47 over the Belmont training track Sept. 14. "The Forego was a disappointment," said Artie Magnusson, assistant trainer to Kieran McLaughlin. "He lost all chance at the start. He was caught flat-footed, which was okay, but then a few steps out there was checking. He's been training very well since then and we expect a good performance." **Rockerfeller**, a good third behind Benny the Bull in the GII Smile Sprint H. July 12, earned a gaudy 112 Beyer Speed Figure when annexing Monmouth's Teddy Drone S. last time Aug. 3.

WinStar Farm homebred **Well Armed** (left) has really come into his own as a five-year-old. The bay hung on by a head over Heatseeker (Ire) (Giant's Causeway) in the GII San Antonio H. Feb. 9 and held his own in the desert with a third-place finish behind Horse of the Year Curlin (Smart Strike) in the G1 Dubai World Cup Mar. 29. He posted a wire-to-wire tally over **Surf Cat** and **Mostacolli Mort** in the GII San Diego H. July 19 and most recently ran a game second behind Go Between (Point Given) in the 10-furlong GI Pacific Classic Aug. 24.

Spirit One, who returned to his native France following an upset victory in the GI Arlington Million Aug. 9, tries a synthetic surface for the first time here after making all 18 of his career starts on the spinach. He worked an easy four furlongs over the Pro-Ride in :51 Sept. 25. Spirit One also blew out four furlongs in :49 two days before the Arlington Million. **Mast Track** has stepped up his game in his last two starts since returning to the synthetics, delivering a gate-to-wire win in the GI Hollywood Gold Cup June 28 and finishing third in the Pacific Classic.

For the first time in three years, the GI Breeders' Cup F/M Turf will be contested at its intended 10-furlong trip, and **Wait a While** is back in this course-and-distance prep looking to add her 2006 Yellow Ribbon success. Fourth to Ouija Board (GB) in that year's F/M Turf when run over 11 panels at Churchill, the gray passed last year's race when the Monmouth turf came up soft. She ran her record to two-for-two at Santa Anita with a facile score in the GII San Gorgonio H. Jan. 14, but went missing for the next six months. In need of the race when seventh in the GI Diana S. at Saratoga July 26, Wait a While was back to her brilliant best in the GII Ballston Spa H. Aug. 21. A bit closer to the pace than is her custom, she nonetheless displayed her superior turn of foot to take it by a length. "I felt like her last win in the Ballston Spa was as good as she's ever ran," trainer Todd Pletcher said. "She's a bigger, stronger mare now than she was when she won the Yellow Ribbon as a three-year-old. So, we're very confident that she's every bit as good or better than she was in her championship three-year-old year." Garrett Gomez knows the favorite well, having guided her to a half-dozen stakes wins, including the Yellow Ribbon. The champion jockey has the call on **Black Mamba**, who looks to rack up her third straight win after taking just two of her first 18. She overcame a bit of traffic to annex the GI John C. Mabee H. at Del Mar Aug. 3, and will not be inconvenienced by stretching back out to 10 panels.

With wins over three types of all-weather footing--the respective Cushion Tracks of Hollywood and Santa Anita as well as Del Mar's Polytrack--in addition to the conventional dirt at Oaklawn, **Zenyatta** looms a towering presence, both literally and figuratively. She did look a bit vulnerable in winning the GI Vanity H. July 5 at Hollywood by just a half-length over a troubled Tough Tiz's Sis, but the 4-year-old put matters right with a sharp effort in the GII Clement Hirsch H. at Del Mar Aug. 2. **Hystericalady** came up a nose short in last year's renewal, but, if she can bring her road game to

this new surface, it may be a horse race after all. The chestnut comes here off a trio of wide-margin wins at Churchill, Delaware and Monmouth, including an eight-length title defense last out in the GII Molly Pitcher H. Aug. 24. "Hystericalady is doing real well," said trainer Jerry Hollendorfer. As for the 5-year-old's recent romps, he offered,

"You never expect to win by that much, so I'd have to say yes, the margins have surprised me."

Street Boss is sporting a five-race skein, the last two being the GI Triple Bend H. at Hollywood July 5 and the GI Bing Crosby H. at Del Mar 22 days later. The late-running chestnut should have plenty of pace to run at here. "I'll just keep it simple," said rider David Flores. "He's got so much ability. He accelerates like no other horse I've been on." Defending champion **Idiot Proof** has yet to win in four starts since his runner-up effort in the 2007 GI Breeders' Cup Sprint. Given some time off following a second in the G1 Dubai Golden Shaheen Mar. 29, the Wygod homebred just failed to last on the grass in the five-furlong Green Flash H. at Del Mar Aug. 13. New rider Garrett Gomez got acquainted with the colt in a Sept. 22 drill over this surface; **Idiot Proof** covered five-eighths in 1:00 3/5. "It was the first time I was on him, so I was glad to get acquainted with him a little and see what kind of horse he is," said Gomez. "Good horses aren't all the same, and it's good to get to know them a little if you have the opportunity, and that's what we did."

Gate woes kept **Stardom Bound** from having her picture taken in her first two outings, but the third time proved the charm. While the pale grey flew by her foes to land the GI Del Mar Debutante Sept. 3, a kick to the inside of her right hind from a pony yesterday morning leaves her status in the air. "The X-rays were clean," trainer Chris Paasch told *Daily Racing Form*. "There was no damage. She did jog sound a little while ago. We're still concerned." **Empressive Lady** aired by 5 1/2 lengths in her second start at Del Mar July 27, but could only manage fifth as the favorite in the Debutante. Out of an A.P. Indy mare, the bay should relish today's added ground.

Out of Control returns to his preferred surface to try in an attempt to earn his first win since capturing the GII Oak Tree Breeders' Cup Mile S. over the course last year. The bay dead-heated for fourth in the GI Frank E. Kilroe H. to kick off his 2008 campaign before he was fifth in the GI Maker's Mark S. Taken east, Out of Control then finished second by a length to Einstein (Brz) in the GI Turf Classic S. at Churchill Downs on Derby Day before he fell a nose short to Dancing Forever in the Manhattan H. on the Belmont S. undercard. "I thought he was a winner in both races," said rider Garrett Gomez. "Both times, the ground was kind of soft, and when I asked him to kick, he kind of bobbed and lost his momentum. One time he lost by a nose, and at Belmont, he bobbed hard at the sixteenth pole. A little firmer ground will help him, I think." Trying dirt for the first time since March 2007, the 5-year-old failed to fire in the GI Woodward S. Aug. 30, finishing last of seven in his most recent outing. **Red Giant**, winner of the 2007 GII Virginia Derby, will make the second start of his four-year-old season. A layoff of ten months and having to alter course couldn't stop him from closing to win the GII Fourstardave H. by a neck Aug 3. **Spring House**, hero of the GII Del Mar H. Aug 23, will put a perfect record over the Santa Anita turf course on the line. In two previous efforts over the Santa Anita sod, the gelding annexed the GIII Carleton F. Burke H. during last year's Oak Tree meet and took the GII San Luis Obispo H. in February.

Fairbanks commenced his 2008 campaign with a fifth in the GI Donn S. in February before he finished second as the 6-5 favorite in March's GII Gulfstream Park H. His next start, the GII Oaklawn Handicap in April, proved to be too tough for Fairbanks, who finished fifth. The 2007 GIII Tokyo City Cup H. winner then bounced back with a runner-up effort in the GIII Bill Hartack Memorial H. over this course in April and followed that outing with a front-running 5 3/4-length score in the Duke of Magenta S. at Saratoga Aug. 9 in his most recent start. The lead might not come as easily this time, however, as **Barcola** also prefers to dictate the tempo. The chestnut led every step of the Brandywine S. at Delaware Park in May before adding thirds in the GI Stephen Foster H. and the Greenwood Cup. Shipped west for the GI Pacific Classic Aug. 24 for his synthetic surface debut, Barcola set the opening half split before he tired to finish 10th. A speed duel would help **Wayzata Bay**, the 38-1 winner of the GII Cornhusker H. in June. The dark bay followed that upset with a win in the Prairie Meadows H. in July before he finished second in Canterbury's Shakopee S. Sept. 1 after leading in the stretch in his most recent outing.

Honest Man, produced by a half-sister to champion War Pass (Cherokee Run), looks like the one to beat following a breakthrough victory in Monmouth Park's GIII Philip H. Iselin S. Aug. 16. The dark bay has never raced on a synthetic surface, but has trained well over the Fair Hill all-weather, posting a four-furlong bullet in :47 3/5 Sept. 15 and a five-furlong trial in 1:00 1/5 Sept. 22. **Stream Cat**, third in this contest last year behind Hard Spun and Street Sense, came within a neck of defeating GI Breeders' Cup Classic hopeful Go Between (Point Given) over the Keeneland Polytrack in the GIII Fayette S. last October. The dark bay has raced only twice since, scoring in the grassy GIII Arlington H. July 12 and finishing sixth in the GI Arlington Million Aug. 9. **Zanjero**, third, beaten only a head in the 2007 GI Blue Grass S., enters off a victory in Mountaineer's West Virginia Governor's S. Aug. 2.

That July 30 contest has received a boost by the subsequent group-winning exploits of the runner-up Lord Shanakill, fourth Soul City (Ire) and fifth Shaweel (GB) in recent weeks and appears the strongest piece of British juvenile form around at present. Orizaba's trainer Mick Channon needs a boost after his recent accident; a spokesman for the stable told *Racing Post*, "He's delighted us since the Vintage and worked well last week-end. He's had a nice break since Goodwood and is fresh and well. The ground should be fine for him."

The sponsors have supplemented the impressive nine-length Salisbury maiden winner **Cityscape** and Khalid Abdullah's Racing Manager Teddy Grimthorpe is expecting a bold show. "At Salisbury, I think he learnt quite a bit because he was in amongst them and had to learn to handle himself, which he did," he commented. "Then when he got out, he just extended very well."

Thoro-Graph Race of the Week

Saturday, Belmont Park, post time: 4:46 p.m. EDT
VOSBURGH S., \$400,000, 3yo/up, 6f
PP HORSE SIRE JOCKEY ODDS
1 Fabulous Strike Smart Strike Dominguez 5-2

Is very fast--and not very sound. As we said last week, that kind of horse usually runs best when fresh, and this guy has fired big the last three times he has come off layoffs. On his best he's the fastest horse in the field, and that best came over an off track, which he figures to get here. With speed and the rail, Fabulous Strike is the most likely winner.

2 J Be K Silver Deputy Bejarano 8-1

Was very fast early, and got even faster over the summer. But he bounced pretty badly in his last despite good rest, which makes it unlikely he's ready to run the new top he needs here.

3 Lucky Island (Arg) Lucky Roberto A Garcia 2-1

Is Southern Hemisphere-bred, which means he's really just turning four. He ran well in the spring and exploded in the mud with a huge effort in July before bouncing with trouble last time out. If he runs his best, he has a big shot here, and he'll probably catch an off track again. But he's only run fast enough once to win this, which makes him tough to take as the favorite, and it's probably too soon for him to run that well again.

4 First Defence Unbridled's Song Hill 4-1

Got good at three, but wasn't quite as good this year until he exploded last time at Saratoga. This guy has reacted badly to top efforts before, and those weren't nearly as big as his last. A bounce is very likely.

5 Kodiak Kowboy Posse Saez 10-1

Is another that exploded at Saratoga, in his first start for Larry Jones, and was getting some very big figures over the summer. After adjusting for ground loss (4w) that figure came up one of the best ever run by a 3-year-old, and if he does it again, getting a little weight, he'll probably win this. But he bounced badly from that effort, and we think it's going to be quite a while before he runs that well again, if ever.

6 Rockerfeller Maria's Mon Castro 6-1

Wasn't much as a 3-year-old, but moved up dramatically when he went to the barn of Marty Wolfson, who is winning at a modest 48-percent clip recently (*see profile*). Two of this gelding's last four put him right in this and with eight weeks rest, he's likely to run another big one, although the off track is a question.

7 Black Seventeen Is It True Potts 12-1

Ran a lifetime top last year when he went from synthetic to dirt, as many do, and then disappeared, as also seems to happen often. He's making the synthetic/dirt move again here, and will probably run a top, but he's too slow to contend with these.

Bottom Line: Fabulous Strike is a likely winner. Rockerfeller can be used in exotics.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. For more information about Thoro-Graph data and consulting services, go to www.thorograph.com.

BELMONT CANCELS FRIDAY RACES, POSTPONES SUNDAY STAKES Belmont Park cancelled racing yesterday, citing 1 1/2 inches of rain overnight and the prediction that two more inches, accompanied by high winds, were on the way. Five Grade I races have been drawn for today, including two on turf. Smooth Air Takes to the Turf:

GII Ohio Derby winner **Smooth Air** (Smooth Jazz), third in the Sept. 1 GII Pennsylvania Derby last time out, will make his turf debut in the \$100,000 Needles S. going 1 1/16 miles at Calder this afternoon. The bay colt drew post 4 in the nine-horse field, and will have regular rider Manoel Cruz in the irons. If all goes well, the three-year-old will use the race as a prep for the Oct. 25 GI Breeders' Cup Classic at Santa Anita.

Meadowlands Sets Toe Grab Restrictions:

The Meadowlands will enforce stringent rules regarding toe grabs with the start of the track's Thoroughbred meeting Sept. 30. The policy--recommended by The Jockey Club Thoroughbred Safety Committee--bans toe grabs other than "plates with a height no greater than two millimeters, and eliminates bends, jar caulks, stickers and any other traction device worn on the front shoes of Thoroughbred horses while racing or training on dirt or turf." The meet, which ends Nov. 15, will conclude the 2008 New Jersey Thoroughbred racing schedule.

Tampa Bay Downs Announces Record Stakes Schedule:

Tampa Bay Downs will offer a record \$2.7 million in stakes money, pending the Breeders' Cup approval of supplemental funds, during its 94-day 2008-2009 race meet, which is scheduled to begin Dec. 13. The Sam F. Davis S., a 1 1/16-mile prep for the GIII Tampa Bay Derby, will carry a purse of \$225,000, up \$25,000 from 2008. "Each year, where it's warranted, we try to increase the value of key stakes races to help us maintain or receive graded status on deserving races," Tampa's Vice President and General Manager Peter Berube said. "This year, we are cautiously optimistic that the Sam F. Davis will be favorably evaluated." The Davis will be contested Feb. 14 on Festival Preview Day. The Tampa Bay Derby, the meet's signature event, is one of three graded stakes on the Festival Day card Mar. 14. Also scheduled that day are the GIII Florida Oaks and the GIII Hillsborough S.

Jackson Curlin for Kids Fund Donating to Anna House:

Attorney Barbara R. Banke, wife of Jess Jackson, will deliver books and a \$100,000 check from the "Jackson Curlin for Kids" fund to Anna House this morning. Anna House is Belmont Park's on-track day care center for the children of New York Racing Association backstretch workers. Banke and Jackson are the majority owners of Curlin (Smart Strike), who will go postward later today in the GI Jockey Club Gold Cup in an historic attempt to break the \$10-million barrier in earnings. "Curlin has had much success in New York, both in Saratoga and Belmont, so it is fitting that we should make a donation to Anna House on the day he attempts to make history," said Banke. "His success on the track has helped education and children's charities throughout America. Even though Jess is an only child, family has always been a priority in his life. Our children are very important to us, and we are so grateful to have a horse like Curlin that can help make a difference in the lives of children where he races, but especially for the backstretch workers in New York." Their donation is slated for the Anna House tuition fund. Banke added, "It is a weekend for good causes. This weekend, we are hosting our wine auction Sonoma Paradiso, at Stonestreet Estate Winery in Healdsburg, California. It is the third largest wine auction in the nation, and it raises charitable funds for children in need, primarily in California. So, we are very happy to be in New York with Curlin this weekend, and to be able to do something good for New York." For more information, go to www.gocurlin.com.

SLEW'S TIZZY (c, 4, [Tiznow](#)--Hepatica, by Slewpy), hero of the GII Coolmore Lexington S. on Keeneland's Polytrack in April 2007, added a score in the slop for good measure the following month in the GIII Lone Star Derby. He was fourth in his next four--all graded stakes--but finished the year with a third in the GIII Pegasus S. at Monmouth Oct. 27 and a similar effort in the Commonwealth Turf Nov. 11 at Santa Anita, and left Greg Fox's barn shortly thereafter. While the four-year-old was a good second in his first try for Doug O'Neill Feb. 25 at Santa Anita, he hadn't faced the starter since. The 9-2 chance broke alertly and eagerly showed the way through soft splits. He was asked for a bit more in the lane and responded, striding away impressively for a 3 1/4-length victory over Porto Santo (Fr) (Kingsalsa). He is a full to Slew's Tiznow, SW & GISP, \$205,520. PEPPERMINT LOUNGE (f, 4, [Distorted Humor](#)--D Gerry Ray {SP}, by Lord Avie) made a winning debut on the Hollywood lawn last November, then tired after cutting out the fractions in an allowance test at Santa Anita Dec. 30 and ran fourth. The chestnut was sidelined after that effort, returning to earn a neck score in an optional claimer on the turf at Del Mar Aug. 29. Bet down to 9-5 to make it two in a row while trying Pro-Ride for the first time, she broke sharply and dashed off a half in :45.27. Peppermint Lounge was collared by Foxy Danseur (Mr. Greeley) at midstretch, but battled back to take it by a head. Lifetime Record: 4-3-0-0, \$91,920. [Video, sponsored by Taylor Made](#).

Shipped to the California barn of Bobby Frankel, the bay filly made her U.S. bow in an optional claimer on the turf at Del Mar July 27, finishing fourth, and was making her all-weather bow here. The 13-10 chalk stalked the pace as runaway leader Whatsitgonnatake (Mancini) put a dozen lengths between herself and the field through six panels in 1:10.09. Eissoai caught the weary frontrunner at the top of the lane and drew clear to best Opal Haze (With Approval) by 2 1/2 lengths. Whatsitgonnatake faded to fifth. RMTC Board Approves Testing Initiative:

The Board of Directors of the Racing Medication and Testing Consortium (RMTC) have announced a five-part drug testing initiative aimed at developing laboratory and testing standards comparable to the World Anti-Doping Agency (WADA) model. The Board met Sept. 24 in Lexington, Kentucky. These recommendations are the result of The Jockey Club Thoroughbred Safety Committee-sponsored drug testing meeting in Chicago Sept. 22-23, and are a direct response to Thoroughbred Horsemen's Associations President Alan Foreman's call for a major reorganization of drug testing in U.S. racing at The Jockey Club Round Table.

The initiative will include the following action points:

- Development of laboratory standards and accreditation criteria to ISO standards
- Expansion of current quality assurance and laboratory proficiency programs
- Development of a business plan for the U.S. drug testing infrastructure including industry-sponsored research and reference equine drug testing laboratories
- Establishment of a post doctoral and grad student recruitment program for drug testing research and laboratory staff development
- Review of current sample collection strategies including long-term storage of frozen samples

RMTC cont.

Dr. Rick Arthur, equine medical director of the California Horse Racing Board, said, "This is an opportunity to move equine drug testing in this country to a new level. Dr. Don Catlin, founder and former director of the UCLA Olympic Analytical Laboratory, recommended the WADA model for equine drug testing at the Grayson-Jockey Club Welfare and Safety Summit this spring, and he was absolutely correct. We shouldn't settle for less." For more information, visit www.rmtcnet.com.

KINGSGATE NATIVE RETIRED John Mayne's **Kingsgate Native (Ire)** (Mujadil--Native Force {Ire}, by Indian Ridge {Ire}) has been retired and will stand at Cheveley Park Stud in Newmarket. Trained by John Best throughout his career, the colt, who cost €28,000 as a weanling at Goffs November 2005 and 20,000 guineas as a yearling at the following year's Doncaster Sales, registered a rare juvenile success in last year's G1 Nunthorpe S. at York before capturing the G1 Golden Jubilee S. at Royal Ascot this June. He suffered a setback following a third in this year's renewal of the Nunthorpe last month, and his conditioner has been unable to prepare him for Longchamp's G1 Prix de l'Abbaye, in which he was runner-up 12 months ago. "I have been very lucky to be associated with Kingsgate Native," Best said of the colt, who started out with a second in Royal Ascot's Listed Windsor Castle S. last year and raced exclusively in stakes company throughout his career. "Right from an early stage, he showed us tremendous speed at home, and he has a temperament to match. To think that we had our first run at Royal Ascot and nearly pulled it off, and to end up as a dual Group 1 winner, is a dream come true. Both John Mayne and Cheveley Park have been so supportive during his career, and I am excited that he will now stand at such a prestigious stud. Myself and my owners will hopefully support him for many years to come. I just hope I can find one to replace him--it will be tough." Cheveley Park Stud's Managing Director Chris Richardson added, "It is very exciting to be in a position to offer British breeders the opportunity to use such an exciting commercial dual Group 1-winning sprinter as Kingsgate Native...not many stallions can boast having raced solely in stakes/group company throughout their career." A fee has yet to be announced for the three-year-old, who retires as the winner of two of his eight races and £438,787 in prize money.

Keeping up the momentum when doubling up in a handicap at York July 26, the homebred registered a vital black-type win in Goodwood's Listed Alice Keppel S. just short of 10 furlongs last time Aug. 24. Settled behind the early leaders while being stepped up in trip here, the bay struck for home at the quarter pole, and that proved decisive as Under the Rainbow battled in vain in the run to the judge. "She battled on real well all the way to the line," jockey Ryan Moore said. "They went steady today, but I think a true-run mile and a half would be a bit far." [Video, courtesy of attheraces.](#)

Penny's Gift left it agonizingly late for her many supporters in this valuable prize to gain reward for a strong series of consistent efforts in top company. Runner-up in the G3 Albany S. at Royal Ascot June 20, the bay suffered a troubled trip when seventh in Newbury's Super Sprint July 19 before being nosed out by stable companion Infamous Angel (GB) in the G2 Lowther S., rescheduled to Newmarket last time Aug. 23. Reserved off the fast early fractions by Richard Hughes, she responded to pressure to grind her way to the front of the stands' side group passing the eighth pole, and past the far-side leader Golden Destiny in the shade of the post. "She's a tough filly, but was very lazy today and ran a bit flat," her jockey commented. "I was never on the bit for one stride, and I think she's better than that--she should have won easier." Trainer Richard Hannon, who has now won three of the eight editions of this initiative, added, "This little filly is different and has never looked back. She is in the G1 Cheveley Park S. [at Newmarket Oct. 3], so we might look at that." [Video, courtesy of attheraces.](#)

ALBAHRI (FR) (g, 3, Bahri--Alharir, by Zafonic), runner-up in the Listed Coupe des Trois Ans at Lyon-Parilly May 25 before finishing fifth in the June 15 G2 Oppenheim-Union-Rennen at Cologne, was up to lead early. Tackled by Rock Fellow (Fr) (High Chaparral {Ire}) in the straight, the 2-1 second choice shrugged off that challenge before opening up to beat the staying-on Alexander Severus (Ire) (Montjeu {Ire}) by four lengths. Pearly Wells (GB) (Sadler's Wells), out of Pearly Shells (GB), ran on under considerate handling to be fourth on her debut. The winner, out of a daughter of Thawakib (Ire) (Sadler's Wells), is a 3/4 brother to Sakhee, the 2001 G1 Prix de l'Arc de Triomphe winner who came within an eyelash of best-ing Tiznow in that year's G1 Breeders' Cup Classic. Lifetime Record: SP-Fr, 4 starts, 2 wins, 1 place, €32,500.
