AMERICA'S RICHEST RACEHORSE  
Congratulations to **CURLIN**  
Sired by **SMART STRIKE**

### ALL THAT GLITTERS

Cigar has been dethroned as North America's richest racehorse. Reigning Horse of the Year **Curlin** (Smart Strike) wrested that title with his determined win in yesterday's GI Jockey Club Gold Cup at Belmont Park, bringing his career bankroll to a cool \$10,246,800. He is the first North American-based horse to break the eight-figure mark in earnings. "It's amazing," jockey Robby Albarado said. "I'm sure this record will be broken one day, but it will take a helluva horse." According

Adam Coglianese

to Barbara Banke, the wife of owner Jess Jackson, Curlin will ship to Santa Anita today to "test out the track" ahead of a possible tilt at the Oct. 25 GI Breeders' Cup Classic. Cont. p2

### A PREVIEW OF THINGS TO COME

If yesterday's racing was anything to go by, you won't want to miss a single Breeders' Cup event this year. Belmont Park, Oak Tree and Turfway Park showcased the local Breeders' Cup hopefuls in no less than 14 graded stakes, and potential stars from every division emerged from all three tracks. The runaway winners yesterday were **Fatal Bullet** (Red Bullet) (BC Sprint) and **Grand Couturier** (GB) (Grand Lodge) (BC Turf). **Bear**

Red Giant Sets World Record *Horsephotos*

**Now** (Tiznow) (BC Ladies' Classic), **Dynaforce** (Dynaformer) (BC F/M Turf), **Stardom Bound** (Tapit) (BC Juvenile Fillies), **West Side Bernie** (Bernstein) (BC Juvenile) and **Zenyatta** (Street Cry {Ire}) (BC Ladies' Classic) were all handy in victory. It was a little tighter for **Curlin** (Smart Strike) (BC Classic) and **Wait A While** (Maria's Mon) (BC F/M Turf), but both were comfortably on top at the finish. Then you had the dogfights: **Black Seventeen** (Is It True) and **Fabulous Strike** (Smart Strike) in the GI Vosburgh; **Cocoa Beach (Chi)** (Doneraile Court) and **Ginger Punch** (Awesome Again) in the GI Beldane S.; and **Red Giant** (Giant's Causeway) and **Out of Control (Brz)** (Vettori {Ire}) in the world-record-setting GI Clement L. Hirsch S. Fingers crossed, they will all be back in four weeks for the main event.

unbeatable since taking the 2007 edition of the GI Jockey Club Gold Cup. That was his closest call--a neck tally over Lawyer Ron--and he has done whatever he needs to do to get the job done in six of his seven starts since. The superstar took a short break after his tour de

force in the Mar 29 G1 Dubai World Cup, then made light work of the competition in the June 14 GI Stephen Foster H. Looking for new worlds to conquer, his connections decided it was time to try the grass, and Curlin was the 2-5 favorite in the GI Man o'War S. at Belmont July 12. He lacked his usual strong late kick, running second, and has been far from overpowering in his two starts since, but the four-year-old has been the consummate professional every time. He caught loose-on-the-lead Past the Point (Indian Charlie) in the Sept. 1 GI Woodward S. and edged away to a 1 1/4 length score, and it was the same story yesterday. Wanderin Boy went to the front on the sloppy track and took them as far as he could, but Curlin came after him in the stretch, seized control and never felt the whip as he powered to the wire. As to whether he will ultimately defend his title in the Breeders' Cup Classic, owner Jess Jackson said by phone, "It's up to Curlin whether or not he likes the track and the surface. But we'll consider it. We'll consider it now that we're past this hurdle. It's the next prospect for us and we'll give every bit of attention that we can." Gaining his revenge on Henrythenavigator after three defeats, Raven's Pass finally garnered the top-level victory his consistency demanded. The chestnut stamped himself a genuine top-class runner with an easy success in the G3 Solario S. at Sandown last September, but had to wait almost a year for his next win. Despite a sequence of reverses--five of which came at Group 1 level--he maintained a progressive profile, and had been steadily inching closer to this ultimate goal. The sophomore was on his favored fast ground when runner-up to Henrythenavigator in the G1 St James's Palace S. at Royal Ascot June 17 and in the G1 Sussex S. at Goodwood July 30, sandwiching a second to Tamayuz (Nayef) on an easier surface in the G1 Prix Jean Prat at Chantilly July 13. On all three occasions, he had to make up ground from behind. Buoyed by a straightforward score in Goodwood's Aug. 23 G2 Celebration Mile and a more positive ride here, he put to bed all of the hard-luck stories.

Settled far off the speed duel between the Aidan

O'Brien and Freddy Head rabbits, Raven's Pass pounced on Tamayuz approaching the furlong marker. He battled gamely for Jimmy Fortune to withstand the advances of Henrythenavigator and Johnny Murtagh in the drive to the line. "He's been at the top of the tree and was a bit hot earlier in the year, so we had to relax him," Fortune commented. "I probably got it wrong in the Sussex, which was a messy race, and I should have kicked earlier, so I knew it was time to go when Johnny [Murtagh] came to my quarters. He's an out-and-out miler and he'll probably get farther, so I knew the pace would suit us." Trainer John Gosden added, "Horse, trainer and jockey finally got it right. Last year, he was pretty outstanding, but it all went wrong in the Guineas from the draw. He ran a blinder in the St James's Palace, and then we let Tamayuz have 12 lengths in the Jean Prat and Henry first run in a slowly run Sussex, so the only plan was to be handier. He sees his races out well now and, physically, he's done very well and looks great. The plan is now to go to the Breeders' Cup; whether that is for the Mile or the Classic, we will have to see." Aidan O'Brien said of the runner-up, "He ran a stormer, but the ground was quite loose and he's better on a fast surface. I'm not putting that up as an excuse and hopefully we'll have a look at Santa Anita--although I'm not sure which race yet."

*The Bright 'Side' of Things...*

A share of Raven's Pass, who was bred by Bob McNair's Stonerside Stable and initially raced solely by that operation, was purchased by Sheikh Mohammed's Darley last October. Darley subsequently acquired Stonerside in its entirety in early September, and yesterday Raven's Pass raced in the colors of Sheikh Mohammed's wife Princess Haya. Remarkably, it was the second Stonerside-bred Grade I/Group 1 winner to emerge since the deal was announced, following the success of Midshipman (Unbridled's Song) in America's G1 Del Mar Futurity. The ugly duckling has truly become the swan queen. Picked up for just \$60,000 at the 2005 Keeneland September Sale due to an unsightly skin rash, Zenyatta saw her value rise before she ever saw a racetrack due to the Grade I-winning exploits of her older half-sister Balance. But just 10 months after kicking off her career with a ☆ **"TDN Rising Star"** ☆ performance on Thanksgiving at Hollywood, the filly with the Amazonian physique might be the rare racehorse that can only be measured against the champions of the past. "I rode a mare [Azeri in 2002] who became Horse of the Year," Smith offered. "Honestly, in their own right, she was a champion, as is this one. No one beat either one of them. But this one, I wouldn't necessarily even compare her to fillies. I'm really starting to think she might be the best horse I've ever ridden."

David Flores rode Zenyatta in her first three triumphs, capped by the GI El Encino S. Jan. 13 at Santa Anita, but Smith climbed aboard for the GI Apple Blossom H. at Oaklawn Apr. 5. She swept by the likes of Ginger Punch that day, and returned home to add trophies in the GI Milady H. May 31, the GI Vanity H. July 5 and the GI Clement L. Hirsch H. Aug. 2 to her collection.

Second-choice Hystericalady cruised along through splits of :24.26, :48.32 and 1:11.45 while stalked by Santa Teresita here. Zenyatta took her usual spot at the back, albeit never further than three lengths from the front. She ranged up three wide, hit the front and midstretch and came under the wire with her ears pricked forward.

"I would say her best two races probably are this and the Apple Blossom at Oaklawn," Smith said. "But this one, she really was within herself. She went by them like...well, the last quarter-mile, she was just galloping."

John Shirreffs indicated that Zenyatta would prepare at Hollywood for the GI Ladies Classic nee Distaff (*credit to DRF's Steve Crist*) Oct. 24 over this surface. Hystericalady will take another crack at her there.

"I thought she got the fractions that she wanted," said trainer Jerry Hollendorfer. "We got away at the top of the lane like we thought we would, and then we just couldn't hold off Zenyatta. We're going to run in the Breeders' Cup. Garrett [Gomez] said he would ride."

It took her the length of the stretch, but Cocoa Beach was able to gun down champion Ginger Punch and earn her first Grade I score. The filly started her career in her native Chile, going a perfect four-for-four with three Group 3 victories, and catching the eye of Godolphin. Purchased privately, she shipped to Dubai and, after running second in a Jan. 17 conditions race, reeled off wins in the Feb. 8 UAE 1000 Guineas and Feb. 28 UAE Oaks. Third in the Mar. 29 G2 UAE Derby, Cocoa Beach made her U.S. bow in the Aug. 29 Love Sign S. at Saratoga and cruised by five as the 3-5 chalk. She was the second choice to try to end Ginger Punch's winning streak at four. Rated in third as the reigning Eclipse winner led them along through a half in :48.18 and six panels in 1:12.26, the winner angled outside at the top of the lane. Ginger Punch had kicked clear and looked to have the race safely in hand, but Cocoa Beach put her head down and kept coming, finally getting on top in the final strides. "She looked stronger than ever and she has learned a lot from her last race at Saratoga," trainer Saeed bin Suroor said. Cocoa Beach will now target the Oct. 24 GI Breeders' Cup Ladies Classic. Sidelined after an impressive triumph in this event last year, Fabulous Strike made his return in an over-night stakes at Delaware June 21, winning by 3 1/4 lengths as the 1-20 chalk. The gelding missed a start in the GII A. G. Vanderbilt S. at Saratoga due to a torn frog, and may have been just a bit short of his best yesterday. Black Seventeen was also on the shelf for an extended period, disappearing for more than 11 months after taking the GII Carry Back S. last July. Second in the June 14 Oakland S. at Golden Gate and fifth in the Vanderbilt, he was caught at the wire in the Sept. 3 Pirate's Bounty H. for Cal-breds at Del Mar, running second. Content to stalk the pace as Fabulous Strike motored through a half in :44.31, Black Seventeen was put to the test at the top of the lane. Fabulous Strike kept finding more and still had a narrow lead inside the sixteenth pole, but Black Seventeen stuck his head out when it counted to get the nod. ## TWO Grade/Group 1 Wins in One Day

The dynasty of Dynaformer reigned supreme on both sides of the Atlantic yesterday. Top-rated 2YO European filly RAINBOW VIEW remained undefeated with her decisive victory in the Meon Valley Stud Fillies' Mile (G1). Just hours later, DYNAFORCE became Dynaformer's 14th career Grade 1 winner with her commanding 4-length victory in the Flower Bowl Invitational (G1).

Scratched: Slew's Tiznow.

WinStar Farm and trainer Eoin Harty already had a GI Breeders' Cup Classic hopeful by Tiznow in the form of Colonel John, and yesterday another son of the WinStar stallion, Well Armed, confirmed his status as a legitimate threat for America's richest race.

Well Armed's emergence as arguably the best horse on the West Coast has been long in coming. As a promising three-year-old, he suffered a hip fracture in a stall mishap and was nursed back to health in a long and laborious process by co-owner Bill Casner. The efforts of Casner and company proved worthwhile earlier this year when Well Armed won the GII San Antonio H.--his first graded win--before a third-place effort to Curlin in the G1 Dubai World Cup in March. Given a break, Well Armed wired the GII San Diego H. on return July 19, then showed a new dimension coming from just off the pace to nearly beat Go Between in the GI Pacific Classic H. Aug. 24. The previously headstrong colt was once again taken back here by regular rider Aaron Gryder, stalking in third off honest splits. Under a ride nearing the quarter pole, he forged to the lead in upper stretch as a host of challengers fanned wide, and it looked unlikely that he'd be able to withstand the heat. But the big colt dug in and posted his first Grade I win. "Aaron has done a hellacious job with him," Harty enthused afterwards. "Every time I work [Well Armed], it's always Aaron, and the fact that he's relaxing so much is a credit to Aaron Gryder more than to my training. He was under a ride at the 3/8th pole, but he just showed me so much heart from the top of stretch." Carla Gaines decided to drop Cost of Freedom in for a \$50,000 tag two starts back, and she is likely regretting that call now. The Cal-bred, out of action for all of 2007, kicked off 2008 with a starter allowance score Mar. 2 and added a state-bred allowance tally 25 days later. Second in the restricted Tiznow S. Apr. 27, he followed up with a pair of thirds in open allowance company at Hollywood May 30 and June 28. Gaines tossed the gelding into the claiming ranks at Del Mar July 28, and he did win, but he was also haltered by John Sadler. The dark bay went gate to wire to post a handy victory in a NW1X Aug. 9, and was not overlooked trying Grade I company here. Rated in fourth through a half in :43.57, Cost of Freedom shot to the front at the top of the lane and was all out to the wire, snapping Street Boss's winning streak at five. She had a scare when the stable pony kicked her Friday morning, but Stardom Bound shrugged off that experience and manhandled this field as the odds-on choice. Second by a nose in her July 20 debut at Del Mar, the grey filly was runner-up again as the 9-5 favorite in the Aug. 6 GIII Sorrento S. Let go at 5-1 in the GI Del Mar Debutante Sept. 1, she was characteristically off slowly, but rocketed to the front inside the eighth pole and galloped home a 4 1/4-length winner. This race unfolded the same way. Last but one out of the gate and through the opening half, she was fanned nine wide at the top of the lane, but blew by the leaders to win going away. "She's my baby Zenyatta," jockey Mike Smith said. The Oct. 24 GI Breeders' Cup Juvenile Fillies is next. ★ **"TDN Rising Star"** ★ Rainbow View cemented her position as Europe's leading juvenile filly here, stretching her perfect record to four and providing trainer John Gosden with a fourth renewal since 2000. Emphatic on her first two starts at Newmarket in a maiden July 18 and G3 Sweet Solera S. Aug. 9, the pocket-sized bay was not asked to extend in the same fashion when adding Doncaster's G2 May Hill S. to her tally on her latest start Sept. 11, but was made to race for the first time by Fantasia here. Keen under restraint early as that rival and Golden Stream (Ire) (Sadler's Wells) helped make a generous pace, she was the last to be asked a question in the straight and, when prompted, quickened to lead at the furlong pole. Asserting from there, the homebred was firmly in command at the line. "I thought it was a very good performance on loose ground, as [Fantasia] got first run, and she knuckled down well," said jockey Jimmy Fortune. "She's obviously the best around at the moment." Gosden remarked, "She has been winning in a speed fashion and this turned into a real test of stamina, so there was a different requirement to show guts. I think the second is a very good filly, and it was a top field, so I'm delighted, as she wasn't trained for a test like this and she outclassed the field. She's not very big, but she's all heart and tough and is a similar filly to Ryafan. They don't have to be big to be good--Miesque wasn't and Zarkava isn't." Looking ahead, he added, "The G1 1000 Guineas is a good place to start and, as for the Oaks, I think when a filly has won this race as a two-year-old, they should stay that trip...and she is a Dynaformer."

Grand Couturier, relishing the rain-softened sod, romped to his second straight Grade I. An upset winner of last year's GI Sword Dancer S. and later sixth in the GI Breeders' Cup Turf, Grand Couturier was off to a bit of a slow start in 2008. He ran third after an eight-month break in Belmont's restricted Academy Award S. in June before a sixth-place finish to Red Rocks (Ire) in the GI Man o'War S. July 12. He rounded into form for his latest, defending his title in the Aug. 16 Sword Dancer over ground rated good, and was facing even softer conditions here. Settled well back, he moved into contention with a wide move on the turn before unleashing a sparkling turf of foot in the lane. Kent Desormeaux, aboard the runner-up, lodged an objection for contact made going into the far turn, but stewards quickly disallowed the claim. "I would think we will be going to the GI Breeders' Cup [Turf, October 25, Santa Anita]," confirmed winning trainer Bobby Ribaud. Peachtree Stable's Red Giant fought his way past a gutsy Out of Control to earn his first Grade I success--and set a world record in the process. A winner of five of his last eight coming into this race, Red Giant took last summer's GII Virginia Derby by a nose and concluded his season with seconds in the GI Secretariat S. at Arlington and GII Jamaica H. at Belmont in October. He was off for 10 months before reappearing in the Aug. 3 GII Fourstardave H. at Saratoga and quickly shook off the rust, rallying for a neck victory. Making his West Coast debut, Red Giant settled in third as You Got Me Rockin (Aljabr) raced out to set unrealistically fast 1:08 4/5 and 1:32 4/5 splits. Red Giant followed Out of Control into the lane and wore that foe down late. The final time for the race was 1:57.16, which shaved two ticks off Double Discount's 1977 record set over this very course. Mauralakana made a run at her as they came out of the turn, but Dynaforce dug in gamely, turning back the challenge before drawing off to her first U.S. tally. It would be 10 months before she answered the bell

again. The Dr. John Chandler homebred resurfaced in the June 21 GII New York H. at Belmont, finishing a neck runner-up to Mauralakana, and had to settle for second once again in the July 26 GI Diana S. at the Spa. The odds-on choice in the Sept. 1 GIII Glens Falls H., she was in trouble early and faded late, finishing fifth, but there was no stop in her here. Sent right to the front by jockey Alan Garcia, she was pressed through fractions of :26.23, :52.87 and 1:19.22. Kent Desormeaux, who applied the brakes so hard early that Mauralakana's head went straight in the air, opted to go after the frontrunner as they negotiated the final bend. It looked like the move might pay off, with the two on even terms at the top of the lane, but Dynaforce proved strongest in the final drive and pulled away to win handily. "In the last strides, Dynaforce showed her stuff," Garcia said. The top two could meet again in the Oct. 24 GI Breeders' Cup F/M Turf. **Click for the [brisnet.com chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#). TDN presents  
**STAR OF THE WEEK**  
Brought to you by Fasig-Tipton

## Earlie Fires

**Accomplishment:** Fires concluded his 43-year riding career Aug. 21. He retires with 6,470 wins, ninth on the all-time list, and won 20.4% of his races in 2008.

**Birthdate:** Mar. 19, 1947

**Birthplace:** Rivervale, AR.

**Family:** Grown children Keith, Kimberly and Shannon; four grandchildren.

**Current Residence:** Palatine, IL. ("It's right by Arlington Park racetrack.")

**What is your biggest accomplishment since you've started riding?** Getting put in the Hall of Fame was the biggest thing that happened in my life. I also won the George Woolf Award in 1991.

**First win as a jockey?** I won my first race in 1965 at Oaklawn Park with Carnation Kid. The horse's mother died when he was born, so they raised him on Carnation milk.

**Of all the horses you've been around, who has been your favorite?** In Reality. He was a great horse, but the year he was a three-year-old, there was also Dr. Fager and Damascus, who were equals to Secretariat as far as I'm concerned. All of his offspring did well, and now his offspring are throwing good horses.

**Who was your biggest racing idol growing up?** Donny Brumfield, who won the 1966 Kentucky Derby and Preakness with Kauai King. We've been friends since I started riding.

**How did you get your nickname "Little Brother"?** That's from my family. I had four brothers above me, and a sister. They named her "Little Sister." Then I come along, and I was named "Little Brother." Then I had another sister, and four more brothers.

**What is your favorite vacation spot?** I like snow skiing. I do a lot of that in the winter months. But Rivervale, that's what I should have said. Going back to see my brothers and sisters.

**Favorite film?** Clint Eastwood and Charles Bronson movies.

**Where would you like to go that you haven't already been?** I want to see the United States. I have a motor home, and it's been my dream travel around the country.

**What is your favorite time of year and why?** I love the summer because there's racing at Arlington Park. It's warm and you can go do things. You can go swimming, go to the beach, water ski...

**What would you do if you weren't in racing?** I'd probably be a farm boy. My father owned a farm, and we'd pick cotton, cut wood, ride horses. We'd do everything.

**Last purchase?** I went to a Ducks Unlimited dinner and I won a shotgun in a drawing. There were about 200 people there. I'm about to go to the store and pick it up. And my son won a pistol.

**CONGRATULATIONS!**

Wait a While's victory in this race in 2006 sealed Eclipse Award honors as the nation's champion three-year-old filly. The grey went 6-2-2-1 at four, with victories coming in the GIII Honey Fox H. at Gulfstream and the GII Ballston Spa H. at Saratoga, and she concluded 2007 with a second to Precious Kitten in the GI Matriarch S. Nov. 25. She kicked off this year with a GII San Gorgonio H. win Jan. 14 over the Santa Anita lawn, but was sidelined with a minor injury. After a rusty seventh as the favorite in her return, the GI Diana S. July 26 at the Spa, Wait a While successfully defended her title in the Ballston Spa Aug. 21. The even-money chalk sat in third here as Live Life (Fr) (Linamix {Fr}) led through the opening furlongs, and was perfectly positioned to get first run on her main rivals. Wait a While led as they straightened into the lane and kicked on for home as Vacare gave chase. "She got a little bit aggressive with me when we started down the backside," acknowledged winning rider John Velazquez. "But she does everything easy, and I was able to bide my time. On the far turn she was really running comfortably, and when we made the lead turning for home I thought she was going to just open up, but instead she waited on those horses. When Vacare came to her outside, though, she dug in and got it done. She's going to be real tough [in the Breeders' Cup] on this course." Plans are more fluid for the runner-up. "Considering it was a mile and a quarter and we had concerns about her ability to go that far, we were unsure," said Nicolas Bachalard, assistant to winning trainer Christophe Clement. "We are less unsure now. We'll have to look at all options. Perhaps the Breeders' Cup; perhaps the [GI Matriarch [Nov. 30 at Hollywood]." Also Ran: Niconero (Aus), Duporth (Aus), Triple Honour (NZ), Ashikaga (Aus), The Chieftain (Aus), Newport (Aus).

Big-race specialist Mentality notched his third Group 1 over a mile at Randwick, finishing with a flourish to score by a long neck from front-running Theseo after sitting in third throughout. "It worked out perfectly," said jockey Corey Brown. "I was going to sit up with the leaders, but they were going a bit quick early, so I slotted back in. He rolled up the rise well within himself and attacked the line well." Trained by John Hawkes, Mentality won the G1 Champagne S. over 1600 meters here at two, then captured the G1 Randwick Guineas at three. The bright chestnut began this campaign in the Aug. 16 G2 Premiere S., when he finished fifth, 3 1/2 lengths adrift of Triple Honour (Aus) (Honours List {Ire}). Mentality was beaten only two lengths when fifth again in the G2 Theo Marks S. Sept. 13, and was offered at plump 8-1 odds this time. Triple Honour was sent out warm favourite here, but after being locked inside, the gelding appeared flat when asked for an effort.

This race lost some luster after the Ballydoyle duo of Set Sail (Ire) (Danehill Dancer {Ire}) and Indian Ocean (Ire) (Montjeu {Ire}) failed to arrive in time, but a stirring finish more than made amends. Having shown a telling turn of acceleration to belie an unpromising position and win on debut at Goodwood Aug. 2, ☆ **"TDN Rising Star"** ☆ Jukebox Jury flopped in the Listed Prix Francois Boutin at Deauville 15 days later. He performed better when third in Longchamp's G3 Prix la Rochette last time Sept. 7, and turned it up another notch here. Left at the start, the grey was able to recover and creep back into the fold. He launched his challenge as Cityscape mastered On Our Way inside the final quarter and, carried wide by the runner-up close home, battled to gain the advantage in the final yards. The winner earned a guaranteed spot in the Oct. 25 Breeders' Cup Turf Juvenile in the process. "Royston [F french] said he nearly unshipped him coming out of the stalls," trainer Mark Johnston said. "Johnny Murtagh rode him first and last time, and said he is a little bit quirky." There were no Curlins, Tiagos or Well Armeds in the lined up against him and, as the clear class of the field, Fairbanks asserted his superiority to cash the biggest paycheck of his career. The 2005 Fasig-Tipton Saratoga salestopper was fifth in his seasonal debut in the GI Donn H. at Gulfstream Feb. 2 before posting a runner-up effort in that track's GII Gulfstream Park H. Mar. 1. Sixth to Tiago in the GII Oaklawn H. Apr. 5, he was second in Hawthorne's GIII Bill Hartack Memorial H. Apr. 19. The bay snapped an eight-race losing streak dating back to the GIII Tokyo City H. in April 2007 in his latest, taking the Aug. 9 Duke of Magenta S. at Saratoga by 5 3/4 lengths. Settled in third for the opening mile, Fairbanks was switched out for the drive in upper stretch and rolled home an easy winner.

The field closed the gap as they dashed out of the bend, but front-running Fatal Bullet kicked away from the field down the lane en route to an impressive track-recording setting performance. Beaten just once in six previous starts this year, the three-year-old gelding kicked off the campaign in the claiming ranks, winning for a \$62,500 tag at Woodbine in April. He swept through his first two allowance conditions May 10 and

May 23, then hit the road. The bay came back down to Earth in the June 7 Gil Woody Stephens S. at Belmont, beating just one home, but he rebounded to take the July 20 Bold Venture S. on his home court. The Bear Stables rep added another in the win column in a stakes at Presque Isle Downs Sept. 1, and he was favored to continue his string of synthetic successes yesterday. Sent right to the front, Fatal Bullet cut out fractions of :21.71 and :44.44, and had plenty left in the tank, winning as much the best. "He's a good horse," trainer Reade Baker told TVG. "He ran a 1 on the sheets--he can do anything." The winner will get the chance to prove he's up to anything in the Oct. 25 GI Breeders' Cup Sprint on Santa Anita's Pro-Ride. "That's the plan," Baker said. "We're going." **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). [Video, sponsored by Taylor Made.](#)**

It was a great Kentucky Cup day for Bear Stables. Still celebrating Fatal Bullet's Sprint victory just two races earlier, Dany Dion was back in the paddock for this event. As was the case with the Sprint winner, Bear Now was the 6-5 chalk, and she did not disappoint. She pressed the pace for six furlongs, took over in the stretch and drew clear. The dark bay hit the board in the Apr. 20 Gill Whimsical S. at Woodbine and May 17 Gil Allaire DuPont Distaff S. at Pimlico in her first two outings of 2008. The winner of the June 21 Hill 'n' Dale S. and July 20 Ontario Matron S. at her home base, she entered this off a third in the Aug. 16 Belle Mahone S., and earned a chance to improve off last year's eighth in the GI Breeders' Cup Distaff. "I'm thrilled with the race," said trainer Reade Baker. "She rated easily. It was the first time she's done that, which should bode well for California." **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). [Video, sponsored by Taylor Made.](#)**

West Side Bernie was off to a rough start in his career opener at Monmouth Park Aug. 28, but shrugged off his bad luck and rallied to graduate by 1 1/2 lengths. The dark bay was on the road for his stakes debut, and may have punched his ticket to the Breeders' Cup with this decisive score. Acquired for \$50,000 as a yearling by George and Lori Hall, West Side Bernie was actually the discovery of the Hall's 12-year-old niece, who did the bidding at Keeneland September in 2007. "I had been locking myself in my bedroom at home, the bed covered with catalogues and buyers' guides...and she picks a horse that gallops first time out," trainer Kelly Breen recalled. "You can find horses in the strangest places." Sent off the crowd's choice after the return trip to the Bluegrass State, West Side Bernie was rated just off the pace through six furlongs in 1:12.60. He drove to the front at the top of the lane and outfinished Retap to make it two-for-two. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#). [Video](#), sponsored by Taylor Made.**

The winner of the GII Ohio Derby and the Iowa Derby last season, Delightful Kiss went to the bench after finishing fifth in the Aug. 4 GIII West Virginia Derby. The grey gelding made his comeback in the May 24 Blazing Sword S. at Calder, running second, but was out of the money in his next three tries. Stretched out to a mile and a half for his latest, the Sept. 6 GIII Turfway Park Fall Championship S., he came home a 1 1/4-length winner, and was the second choice dropping back to nine panels here. Delightful Kiss trailed the field through six furlongs in 1:11.01, but hit the gas when it counted, catching favored Awesome Gem at midstretch and edging clear. **Click for the [brisnet.com chart](#) or the [brisnet.com PPs](#).**

\*Galantas finished second but was DQ'd to third.

Don Bengé and trainer Clark Hanna purchased Wise River for \$42,000 at the Keeneland January Sale earlier this year and have more than made back their investment. The half to the good juvenile Ruler's Court won a Fair Grounds allowance in his second start for Bengé in February, but failed to get to the winner's circle in his next five, most recently completing the exacta in the World Series of Poker S. down at Louisiana Downs Aug. 23. Shipping over from Hanna's base at Churchill Downs, the 15-1 outsider jumped out and set uncontested :24 1/5 and :48 1/5 fractions. Put to a drive in the lane, Wise River was always holding Galantas and Jungle Fighter. The former lugged in on Jungle Fighter late and was demoted to third. Shreyas, whose half-brothers Youmzain (Ire) and Creachadoir (Ire) are almost household names in Europe, staked her own claim for a share of the limelight with a last-ditch win in this competitive contest. Having had the misfortune to encounter the subsequent G1 St Leger runner-up Unsung Heroine (Ire) on debut at Fairyhouse July 17, she made no mistake when scoring by 11 lengths over this track and trip Aug. 5 before finishing sixth here eight days later in the Listed Hurry Harriet S. Settled behind the leading group early, the grey belied her inexperience in a rough-house finale to overhaul the enterprisingly ridden Soft Morning in the final strides and hold the closing She's Our Mark. Darley's \$675K FTFEB purchase **Regal Ransom** earned a 93 Beyer with his debut win at Saratoga Aug. 25, and the two immediately behind him that day have already come back to post open-length maiden wins. **Midshipman**, acquired by Darley as part of the Stonerside deal, looks to run his record to three-for-three. The chestnut opened his career with an 11-1 upset win at Del Mar Aug. 17, and just got up to take the Sept. 3 GI Del Mar Futurity by a nose. He has been working sharply at Santa Anita, including a half in :46 4/5 Sept. 24, and trainer Bob Baffert believes he will handle the route of the Norfolk. "I don't see it being a problem for him," Baffert told *Daily Racing Form*. "He's got the right style." **Street Hero** adds blinkers after finishing third by 3/4 of a length in the Del Mar Futurity. Still a maiden, the bay makes his fifth start. He was runner-up to Midshipman in the Del Mar maiden test two starts back. **Silent Valor**, a \$320K KEESEP yearling, followed up on a 6 1/4-length maiden score in the slop at Belmont May 16 with a 1 1/2-length tally in the Aug. 31 GIII Sapling S. at Monmouth.

Aidan O'Brien saddles a rare trio of runners here, with **King of Rome** bidding to improve on his previous visit to Germany when sixth in the July 6 G1 Deutsches Derby at Hamburg. After subsequent wins in Leopardstown's July 24 G3 Meld S. and Aug. 17 G2 Royal Whip S., he ran below par when last in the G1 Irish Champion S. there Sept. 7 before putting in a respectable fifth in the G2 Prix Niel at Longchamp a week later. **Ostland**, who was runner-up to Kamsin (Ger) in the domestic Derby before trailing that rival again when fourth in the Sept. 7 G1 Grosser Preis von Baden, bids to provide Peter Schiergen with back-to-back wins following the exploits of Schiaparelli (Ger) 12 months ago.

**Tropic Storm** tries the turf for just the second time in his 12-race career. The four-year-old made his grass bow at Oak Tree last year, running second in an optional claimer down the hill. Racing on dirt and synthetic since that effort, he has picked up checks in all seven attempts, including a second in the June 7 GIII Ack Ack H. and thirds in both the July 5 GI Triple Bend H. and Aug. 17 GIII Longacres Mile. **Hyperbaric** missed the entire 2007 season, but has been a model of consistency this term. Second by a neck in the Apr. 5 GII Arcadia H. in his second appearance of the year, the five-year-old gelding rounded out the trifecta in the May 26 GI Shoemaker Mile and again in the June 28 GII American H. He earned his first victory in more than 20 months in an optional claimer at Del Mar July 28, capturing the Harry F. Brubaker H. Aug. 20 and looks to make it three in a row here.

**Operation Red Dawn**, on the board in all four starts at a mile on the grass, looks to run his record over this course and trip to three-for-four. The six-year-old gelding took an allowance test over a rain-softened Belmont lawn in May of 2007 and, after a layoff, made it two in a row in an optional claimer on similar footing last September. No worse than third in five prior outings this term, he was third behind champion Kip Deville (Kipling) and **Tam Lin** in the July 13 GIII Poker H. at Belmont and came from well back to fill the show spot in the Aug. 23 GII Bernard Baruch H. at Saratoga last time out. Tam Lin has been out once since the Poker, flattening out late in the Aug. 23 GII Play the King S. at Woodbine and finishing ninth. **Stalingrad** started his career on the East Coast, but broke his maiden at Hollywood in December. The four-year-old made it two in a row in an Aqueduct allowance Apr. 19, then added an optional-claiming score at Belmont May 14. Outrun in the June 7 GI Manhattan H., he was overlooked at 16-1 in the Aug. 3 GII Fourstardave H., but just missed, finishing a neck behind Red Giant (Giant's Causeway) in second.

**Diabolical** takes a drop in grade in a bid to gain compensation for a string of consistent efforts in the G1 July Cup at Newmarket July 11, G1 Prix Maurice de Gheest at Deauville Aug. 10 and G1 Sprint Cup at Doncaster last time Sept. 13. The top-class dirt performer represents the Godolphin team successful with Diffident (Fr) in 1996 and Sampower Star (GB) in 2000. "I have been slightly disappointed with Diabolical this season, but he has the ability to win a race like this," trainer Saeed bin Suroor commented. "He's been working well lately and has been a healthy and sound horse all season. I don't think he will have a problem with the forecast ground." James Fanshawe saddles a duo in **Sir Gerry** and **Zidane**, but both put in rare disappointing efforts when unplaced in the July Cup on their latest start. Sir Gerry previously ran to a career-best over this track and trip when third in the June 21 G1 Golden Jubilee S., and Zidane would have claims on his earlier win in Newmarket's Apr. 17 Listed Abernant S. at Newmarket Apr. 17. "Zidane had a break since the July Cup, but he seems in good form now, although he has got a bit to find," Fanshawe told *PA Sport*. "Sir Gerry has not been able to run with the soft ground around. He is the first in the yard to have got a winter coat, but he's going well at home." **Dark Missile** was denied in the final stride by Haatef 12 months ago, but is another who needs to improve on recent efforts, which include a latest fourth in the Aug. 9 Shergar Cup Dash.

All carry 127 pounds.

This could shape into a battle of **TDN Rising Stars** **Masterofthehorse** and **Sea the Stars**, who come here off easy maiden wins for two of the biggest players in European racing. Masterofthehorse represents the Aidan O'Brien stable successful in eight of the last 11 renewals, and received glowing praise from Johnny Murtagh following his 4 1/2-length success at Gowran Park Aug. 5. Sea the Stars, who bids to provide John Oxx with a third renewal following the exploits of luminaries Alamshar (Ire) and Azamour (Ire) in 2002 and 2003, respectively, was fourth in a hot maiden July 13, and built on that effort with a victory at Leopardstown Aug. 17. "He's a fine big horse who is not fully furnished yet," said Oxx, who also saddles impressive July 16 Leopardstown maiden scorer **Mourayan**. O'Brien also has the July 20 Tipperary maiden winner **Hail Caesar**, while Kevin Prendergast relies on **Recharge**, who surprised connections with a debut success at Killarney Aug. 30.

**Luminous Eyes** appears the clear form choice after her latest win in the G3 Silver Flash S. at Leopardstown July 16. Another one to watch is **Oui Say Oui**, who chased home the subsequent G1 Moyglare Stud S. winner **Again** (Ire) when second in the G2 Debutante S. at Leopardstown last time Aug. 17. She is trained by Tommy Stack, who also saddles the newcomer **Estephe**, a daughter of the 1997 G1 Moyglare Stud S. and 1998 G1 Irish 1000 Guineas heroine **Tarascon** (Ire). Richard Hannon sends across a trio including **Minor Vamp**, who was third behind **Rainbow View** in the G3 Sweet Solera S. at Newmarket last time Aug. 9. "All have a chance and we are going with a nice bunch," Hannon said.

The third renewal of this bonanza features the Sept. 7 G3 Prix la Rochette and Aug. 17 Listed Prix Francois Boutin winner **Soul City**, who represents the Richard Hannon stable so lethally effective in these contests. "He'd have a great chance, and has done nothing wrong," his trainer said. Luck Money (Ire) carried this prize off to Britain 12 months ago, and trainer Jeremy Noseda puts weight behind the assault with **Awinnersgame**, who bids for a rare sales-race double following his success in the £300,000 St Leger Yearling S. at Doncaster Sept. 11. "He has won on all types of surface, but the soft side of good would be ideal," Noseda said. "He is a tough, honest horse with lots of experience, which makes him fit perfectly into a race like this. He is very professional, and his form is as good as anything else in the race...he must have a good live chance." In their way stand a formidable home team headed by the Naas maiden scorer **Gan Amhras**, who beat today's G2 Beresford S. favorite Masterofthehorse (Ire) by three lengths in that contest last time July 16. His trainer Jim Bolger is also represented by the June 17 G2 Coventry S. runner-up **Intense Focus**, who is closely tied with **Alhaban** on the form of their third and second placings, respectively, behind Mastercraftsman (Ire) in the G2 Railway S. over six furlongs here June 29. He encounters livelier conditions than when sixth in the course-and-distance G1 National S. a fortnight ago, where Ballydoyle's main hope **Drumbeat** was fifth. "Intense Focus ran a very good race at Ascot when he was second in the Coventry, but he didn't particularly like the heavy ground last time out in the National S. at The Curragh," Bolger told *PA Sport*.

THOROUGHBRED DAILY NEWS

AROUND  
THE WORLD

**PURSE REDUCTION FOR FLORIDA DERBY** The 2009 GI Florida Derby will be contested Mar. 28 at Gulfstream Park with a purse of \$750,000, down from \$1 million. "We felt the \$250,000 we're reducing the purse of the Florida Derby would be better served going into overnight purses," the track's new racing secretary, Doug Bredar, told *Daily Racing Form*. "After looking at what else is out there for 3-year-olds in the division, we doubt the reduction will affect us much." Two of the last three Florida Derby winners--Barbaro in 2006 and Big Brown this year--returned five weeks later to claim the GI Kentucky Derby. Bredar also confirmed that the distance of the GII Fountain of Youth S., which will be run Feb. 28, has been shortened to a flat mile. Once offered as a 8 1/2-furlong prep for the meet's marquee event, the Fountain of Youth had been conducted at nine panels since Gulfstream's reconfiguration in 2005. "Obviously, I'd prefer to run the Fountain of Youth at a mile and a sixteenth, but that's not possible because of the configuration of the racetrack," Bredar continued. "And I don't believe having back to back mile-and-one-eighth races, the Fountain of Youth and then the Florida Derby, for 3-year-olds at that time of the year does us much good. By shortening the Fountain of Youth to a mile, I felt it could help us maximize the size and quality of the field while also giving those horsemen who might be a little behind developing their Derby prospects a better opportunity to run in the race." The \$300,000 GII Gulfstream Park H. for older horses, which will be offered Mar. 14, has also been shortened to a mile. "In the past, there really hasn't been a natural progression of both distances and purses in many of the categories, and I think we've done a good job accomplishing that with our program for 2009," Bredar continued. In all, the Hallandale oval will host 31 graded events, including the \$500,000 GI Donn H. Jan. 31 and the \$250,000 GI Gulfstream Park Turf H. Feb. 1. **HR/TVG** Juddmonte Farms' **TURN AWAY** ([Empire Maker](#)) graduated by nearly 10 lengths at first asking, then was a troubled third to Pure Clan when favored in the GII Golden Rod S. last November. She's was vanned off following a sixth in the GIII Santa Ysabel S. in her lone sophomore appearance in January. **HR/TVG** Phipps Stable's **CASTANET** ([El Prado {Ire}](#)) is the second foal to race out of GISP Dancinginmydreams (Seeking the Gold) and shows typically moderate morning drills for trainer Shug McGaughey. The mare's lone other produce to race is Dancing Forever (Rahy), the GI Manhattan H. hero. Ned Evans's **So Probable** ([Storm Cat](#)), a half to GISW Summer Colony (Pleasant Colony), was a midpack fifth on debut, but adds blinkers for Jimmy Jerkens, who strikes with a gaudy 38 percent of his second-time starters. **Nobody But Me** ([Trust N Luck](#)), a \$70K TEXAUG yearling, matured into a \$150K OBSMAR juvenile. **TVG** **MALVERN SPRING** ([Silver Deputy](#)), a \$675K purchase out of last year's KEESEP sale, debuts on the infield and has every right to love the surface. A daughter of Chelsey Flower (His Majesty), winner of the 1996 GI Flower Bowl Invitational, the bay is a half to GSW & G1SP Kentucky Dynamite (Kingmambo). **Internallyflawless** ([Giant's Causeway](#)) also has a license to turf. The chestnut is out of Tapatina (Seeking the Gold), a half-sister to European champion Bosra Sham, which was purchased by owner Charles Fipke for \$1.05 million at KEENOV in 2005 carrying this foal in utero. He looks tough right back, but must deal with the horse directly to his inside, **Black Wolf** ([Stormin Fever](#)), who has posted three consecutive Beyers in the 90s. [brisnet.com pps](#)

**TAKE THE POINTS** (c, 2, [Even the Score](#)--Ginger Ginger, by Fred Astaire), a \$160,000 FTKJUL yearling, emerged from a fourth-place finish in his career bow at Churchill July 5 to finish second to Tar Beach (Sky Mesa) in an off-the-turfer at the Spa Aug. 14. Part of a 9-5 entry along with Ducane (Johannesburg), the grey came away alertly before settling in third as 23-1 Retriever (Golden Missile) set the pace. The grey colt took aim at the longshot in the lane, but needed nearly every inch to get by for a half-length diploma. Favored Nowhere to Hide (Vindication) came on late to take second over Retriever, while Ducane ran sixth. Take the Points, a half-brother to Tin Man Commin (Tinnors Way), SW, \$114,419, marks the seventh winner for his freshman sire (by Unbridled's Song). The \$130,000 KEESEP yearling improved to finish second over track and trip Sept. 5, and was the 7-2 second choice over this messy strip. Breaking alertly, the dark bay engaged Cabaret Cowboy (Speightstown) as that colt kept his head in front through splits of :22.45 and :45.75. He finally shook loose in the lane and splashed home 2 1/2 lengths in front of favored Just a Coincidence (Forestry), who nipped Cabaret Cowboy by a neck. ### Coal Play Returns Today at Monmouth:

Robert LaPenta's **Coal Play** (Mineshaft) will make his first appearance since giving Big Brown (Boundary) a scare in the GI Haskell Invitational Aug. 3. The \$280,000 KEESEP purchase will break from the two hole in today's Majestic Prince S. at Monmouth. Post time for the mile-and-sixteenth contest is 4:34 p.m. EDT. A 9 1/4-length allowance winner at Monmouth May 25, the bay colt ran third in an optional claimer on the Fourth of July before attempting to wire the Haskell. He stayed on for second over stablemate Cool Coal Man (Mineshaft) at 20-1 that day; Joe Bravo is back in the irons for trainer Nick Zito.

### Deputy Glitters to Journeyman:

Multiple graded stakes winner **Deputy Glitters** (Deputy Commander--Glitters, by Glitterman) has been retired and will enter stud in 2009 at Brent and Crystal Fernung's Journeyman Stud in Ocala, Florida. The five-year-old's stud fee will be announced at a later date. After defeating Bluegrass Cat in the 2007 GIII Tampa Bay Derby, the Joseph Lacombe homebred was off the board in both the GI Kentucky Derby and GI Belmont S., but rebounded to take the GII Ohio Derby. The bay was sidelined for nine months after finishing eighth behind

Bluegrass Cat in the GI Haskell Invitational, and never recaptured his old form in six subsequent outings. He is out of the multiple stakes placed Glitters, who bankrolled \$242,289 in 30 starts. Deputy Glitters heads to the breeding shed with a record of 17-3-1-0 and earnings of \$426,694.

The \$500,000 juvenile purchase made light work of his last two fields, taking an off-the-turf event Aug. 15 at the Spa prior to a seven-length allowance victory upstate Aug. 30. The third choice in this rich event, Rollers raced alongside M J's Enchanteur (Metfield) through an opening quarter in :21.82 and a half in :44.46. He overtook the frontrunner as they raced into the final furlong and held sway as favored Desert Key made a mild late bid.

Smooth Air is off to the Breeders' Cup following a win in his turf debut. The GII Hutcheson S. winner going seven furlongs at Gulfstream Jan. 5, the bay proved he could handle two turns, finishing third in the Feb. 16 Sam F. Davis S. at Tampa and runner-up to Big Brown in the GI Florida Derby Mar. 29 before checking in 11th in the GI Kentucky Derby May 3. The four-length hero of the GII Ohio Derby May 31, the homebred got a bit of time off, returning to finish third in the GII Pennsylvania Derby Sept. 1. Never far from a moderate pace, Smooth Air angled to the inside on the turn, got through at the fence to take command turning for home and drew clear. "I had so much confidence in him trying the turf today, he is such a professional. Manoel rode him with confidence, too," said winning trainer Bennie Stutts Jr. "His next start will be in the Breeders' Cup, although I don't know which race yet, that will be the owner's call. He'll tell me where to go and then as the trainer, it's my job to get him prepared for it." Stutts added that Smooth Air is likely to race on as a four-year-old.

Palanka City captured a muddy renewal of GIII Miss Preakness S. May 16 to cap off a three-race winning skein for trainer Terry Gestes. Moved to Barclay Tagg's barn for a pair of Saratoga tries, she was a well-beaten fourth to Indian Blessing in the GI Test S. Aug. 2 and was fourth again, beaten four lengths, in the GIII Victory Ride S. Aug. 23. Back under Gestes's care and well-supported in this easier spot, Palanka City cut out quick :21 4/5 and :45 4/5 fractions and drew off professionally.

He tired to be sixth in a seven-furlong optional claimer on Del Mar's Polytrack Aug. 24, and was trying turf for the first time here. Never too far from the front as they raced down the hill, the dark bay came out to deliver his challenge while aggressively ridden by Garrett Gomez. The 5-2 choice collared pacesetter Recoil (Thunderello) in deep stretch and flashed under the wire a length in front of the rallying Cadillac (NZ) (Bahhare). Recoil was a neck further back in third. The son of the good grass mare Dominique's Joy figured to improve with this shift to the infield, and went postward as the 3-1 second choice. Getting the blinkers off for this appearance, the 4-1 chance raced in midpack for the opening half-mile, came four wide into the stretch, swept to the front at the furlong marker and pulled away to hand Hot Summer Breeze (Stormin Fever) a 1 1/2-length defeat. **Magnificence Making an Appearance:**

★ **"TDN Rising Star"** ★ **Magnificence** (Stormy Atlantic) will break from the outside in a seven-horse field in the Pine Tree Lane S. today at Oak Tree, which will go off as the fourth race. Sidelined after a towering performance in the 2007 GIII Santa Paula S., the chestnut rallied to take her May 18 return at Hollywood, but lost her unbeaten record when second in the GII A Gleam H. at that track June 28. A typically slow start in the GIII Rancho Bernardo led to a dull fifth over Del Mar's Polytrack Aug. 24, and trainer Bruce Headley is hoping she can turn things around in today's 6 1/2-furlong affair. "I think what she really loves is being back on the Santa Anita training track," Headley told *Daily Racing Form*, explaining that the four-year-old spends her mornings on the dirt oval. Her timed drills are conducted over the main track. Headley added, "We've got the perfect post, and she is doing better than she ever has done." Also in the Pine Tree Lane field is GIII Las Flores H. heroine **Tiz Elemental** (Cee's Tizzy), who most recently was second by a nose in the Rancho Bernardo. Both fillies are looking to punch their ticket to the Breeders' Cup F/M Sprint Oct. 24.

Furnace started out with a win in a Newmarket maiden in August 2006, but, after flopping on his next outing in Sandown's G3 Solario S., was confined to conditions and handicap company. Lightly campaigned in the interim, he showed he retained ability when defying an unfavorable high draw and getting the better of course specialist Vanderlin (GB) in a competitive handicap around the tight turns at Chester last time Aug. 30. Held up in the middle of the far-side group throughout the early stages, the bay rolled to the front passing the furlong marker before toughing it out with Relative Order in the drive to the line. Due to sell at Tattersalls shortly, Furnace was providing his jockey Hayley Turner with another high-profile success in her burgeoning career. "I was lucky enough to have the front-runner drawn next to me and, as he can be quite keen sometimes, I got some cover and got taken to the two-furlong marker," she explained. "He picked up really well and really battled on well." [Video, courtesy attheraces.com.](#)

### MURTAGH PUTS RULING BEHIND HIM

Jockey Johnny Murtagh yesterday spoke out on Thursday's 'team tactics' ruling at the British Horseracing Authority hearing in London. Found guilty of breaching the rules of racing along with fellow jockey Colm O'Donoghue, Ballydoyle's retained rider told the *BBC*, "It wasn't that upsetting and everybody knows the position now. We learned a lot from last week, myself especially. I probably didn't go into the finer details of the rule book. I think everybody knows now what's acceptable and what's not acceptable, so we live and learn."
