FOREVER TOGETHER FLIES HOME IN FIRST LADY

Augustin Stable's **Forever Together** (Belong to Me) continued to display her affinity for the turf, coming from the back of a compact field to blow by pacesetting **Precious Kitten**

(Catienus) to win Keeneland's G1 First Lady S. on the opening-day program. "She moved up a notch, I think, [since moving to turf," trainer Jonathan Sheppard commented. "We had a bit of a hiccup up in Canada [third in the GII Canadian

S. Sept. 7]. The ground was very soft. We were pretty confident she would do better on the grass today, but it was such a tough race." **First Lady cont. p2**

MURTAGH ON DUKE, WEATHER PERMITTING

Aidan O'Brien yesterday ended speculation as to which of his contenders, **Duke of Marmalade (Ire)** (Danehill) or **Soldier of Fortune (Ire)** (Galileo {Ire}), Johnny Murtagh would partner in tomorrow's G1 Qatar Prix de l'Arc de Triomphe. Murtagh is set to ride "The Duke", but plans could change if Longchamp gets substantial rain before the main event. The Ballydoyle conditioner told *Racing Post*, "If the ground is going to be on the good side, then it's most likely Johnny will ride Duke of Marmalade and Seamie [Heffernan] will ride Soldier of Fortune. However, if the ground changes after declaration time and it comes up soft, then there is every chance Duke of Marmalade might not run and, in those circumstances, Johnny would switch to Soldier of Fortune." Susan Magnier and Michael Tabor's duo yesterday drew post positions 14 and nine, respectively, for the €4-million prize, while His Highness the Aga Khan's unbeaten **Zarkava (Ire)** (Zamindar) will break against the rail. Eric Libaud and Jacques Detre's G1 Prix du Jockey-Club hero **Vision d'Etat (Fr)** (Chichicastenango {Fr}) has drawn stall eight. Arc field p8-9

MCPEEK MAKES RIGHT DECISION

Livin the Dream Stables' **Dream Empress** (Bernstein) was entered for the Kentucky Cup Juvenile Fillies at Turfway Park last Saturday, but trainer Ken McPeek opted to roll the dice. He scratched her from that spot in favor of the much tougher and much more valuable G1 Darley Alcibiades S. on opening day at Keeneland and the decision paid dividends when the filly drew off to a convincing 4 1/4-length victory. "We expected her to run well, hoping for third or better," McPeek said, referring to a Grade I placing at the worst. He got that and more. "We didn't know how she'd handle the Polytrack. She's worked good over it. She's all class, a lovely filly." And one that earned a spot in the starting gate against Stardom Bound (Tapit) and company in the G1 Breeders' Cup Juvenile Fillies Oct. 24. **Cont. p3**

SIRE OF FOUR \$1M+ YEARLINGS AT KEENELAND SEPTEMBER 2008 - NO OTHER SIRE HAD MORE!

First Lady S. cont.

Blossoming on the Main...

A \$27,000 purchase out of the 2005 Keeneland September sale, Forever Together was one of handful of horses to breeze an eighth of a mile in a bullet :10 ahead of the 2006 OBS March Sale and was hammered down for \$240,000. She kicked off her career on the main track and proceeded to win her first three trips to the post, including the GII Forward Gal S. in March 2007, but was shut out in her final four starts, closing the season with a fifth in the Chaposas Springs S. in December.

Testing the Turf...

Fourth in a main-track allowance at Gulfstream Feb. 15, the grey got a chance to try the turf in her return effort and the experiment paid dividends, as she rattled home to take the Reluctant Guest S. at Arlington May 17. A rallying third at 44-1 in the GI Just a Game S. on the Belmont S. undercard June 7, she overcame a 15-length deficit to best Dynaforce (Dynaformer) in the GI Diana S. July 26. The odds-on choice for the GII Canadian S. over a yielding Woodbine turf Sept. 7, she advanced along the rail into contention, but flattened out to be third.

She's a Lady...

Somewhat surprisingly, Precious Kitten was gunned to the lead by Rafael Bejarano and she set a modest pace just in advance of **Dreaming of Anna** (Rahy) and **Bayou's Lassie** (Outflanker) as Forever Together was patiently handled by Leparoux towards the back of the field.

Forever Together (left)
EquiSport

Given her cue with three-eighths of a mile to run, Forever Together made good progress on the turn and into the stretch and set her sights on the favorite, who put away Dreaming of Anna at the head of the lane. Switched out in upper stretch, Forever Together

came with giant strides and drove past Precious Kitten for a handy success. "She's a very good filly and she's got a very good kick," the winning jockey commented. "Today she proved she's one of the best fillies in the country." Of the runner-up, Bejarano offered, "I was very comfortable. She was running very good. I knew when I saw the six [horse] coming she was going to get us. My horse was still running at the end; we were just passed by the better horse.

Margins: 4 1/4, 3 1/4, HF. Odds: 2.40, 4.30, 9.70.

Also Ran: Bon Jovi Girl, Amanwella, August Rush, Mani Bhavan.

Putting her two-turn experience to good use, Dream Empress collared Be Smart at the 3/16 pole and galloped away to a decisive victory. Fourth on the Ellis Park turf in her July debut, the \$60,000 KEESEP yearling was coming off a nose maiden score going a mile and a sixteenth on the Saratoga lawn Aug. 22. She was an intended runner in the Kentucky Cup Juvenile Fillies last Saturday, but was scratched from that spot in favor of this much tougher and much more lucrative event. She rated just off the pace in her Polytrack bow as 8-5 favorite and GI Spinaway S. winner Mani Bhavan (Storm Boot) led them along. Be Smart took over on the far turn, but 2-1 Dream Empress angled outside at the top of the lane and rallied to win going away. Will she go on to the Oct. 24 GI Breeders' Cup Juvenile Fillies? "I would think so," trainer Ken McPeek told *TVG*. "You wouldn't want to deny her at this stage." Neither would the conditioner dream of denying her connections, who have now made nearly six times her \$60,000 purchase price. "It's a big group," McPeek said of the Living the Dream Stable. "Life's about opportunity. If they give me a chance, I try to find them the best horse, and we try to have fun. They're having a good time, and I think this filly is going to be the high point for all of them." McPeek has made something of a name for himself selecting relatively inexpensive yearlings. He was responsible for picking out Curlin for just \$57,000 as a KEESEP yearling in 2005.

Cheveley Park Stud S. cont.

Bought for just 7,500 guineas at Tattersalls last year, Serious Attitude stretched her unbeaten record to three with this battling success. In doing so, the bay--supplemented this week--led home a one-two for bargain buys when beating the €10,000 TATIRE yearling Aspen Darlin in a pulsating finish. Having won by five lengths over six furlongs on debut at Windsor Aug. 10, Serious Attitude had a host of smart fillies, including yesterday's G3 Oh So Sharp S. winner Souter's Sister (Ire), behind when making a successful step up to Listed company in the Sept. 4 Dick Poole Fillies' S. over the same trip at Salisbury. She was held up early off the furious fractions, quickened through rivals to lead with 100 yards remaining and was drawing away from the game runner-up in the drive to the line. "I was a little bit concerned about the ground today, as there was plenty of give at Salisbury, but in fairness to her she handled it okay," commented Jimmy Fortune, who also rides the current crop leader Rainbow View. "I'd say she will be better with a little bit of juice, and she's a very nice filly. When I rode her last time, I told Rae that she could be the second-best filly in the country, and she might be." Trainer Rae Guest has a visit in mind to the G1 1000 Guineas in May. "She is a very good two-year-old filly, although that's not what we are renowned for," Guest said. "The breeder put me on to her because he didn't sell her in the ring, and she's done very well. She didn't look much at first, and it wasn't until January that she started to strengthen up; then she went weak again. It wasn't until July when we really knew she was something. She's by Mtoto, but she's very fast and hopefully we are going to go for the G1 1000 Guineas. She has so much speed [that] we are worried whether she stays or not, but she's usually laid-back at home. Although she was a bit keen today, she travels nicely through the race and settles, so I can't see why she shouldn't run there." **Click for the [Racing Post chart](#), the [brisnet.com PPs](#) or the [free brisnet.com catalogue-style pedigree](#).**

Supplementing his success in the G1 Prix Morny at Deauville on his latest start Aug. 24, Bushranger earned high rank among the current crop of juveniles with a battling win here to lower another track record. The bay got off the mark at first asking over five furlongs at Tipperary June 5 and was runner-up in the Listed Windsor Castle S. at Royal Ascot 12 days later before besting the subsequent G2 Champagne S. hero Westphalia (Ire) in the G3 Anglesey S. at The Curragh July 13. Only third behind the impressive Mastercraftsman (Ire) in the G1 Phoenix S. back at that track a fortnight later, he rebounded with a game career-best effort in Deauville's two-year-old feature and attracted strong support for this contest. Tracking Sayif and Jamie Spencer in the middle of a trio racing away from the main field towards the centre of the track initially, he responded to Johnny Murtagh's urgings to reel in that rival and hit the front at the furlong marker before asserting for a 1 1/4-length success. "He's very professional and an easy ride," commented Murtagh after steering home his 18th Group 1 winner in 2008.

"He's a very strong two-year-old and knows his job well," the jockey added. "David [Wachman] told me he was a banker at Royal Ascot, but I didn't really know him, and I probably hit the front too soon in the middle of the track there. I learnt a lot about him from that and he is a grand little horse who is progressing all the time." Sayif's trainer Peter Chapple-Hyam told *PA Sport*, "He just gets better every time. He's run a great race, but take nothing away from the winner, who's already won a Group 1. I don't think he'll run again this year, as he likes fast ground." John Gosden, trainer of Huntdown, is eyeing a tilt at the Oct. 18 G1 Dewhurst S. for the the **TDN Rising Star**. "I'm delighted with him; he stumbled leaving the gate and was immediately two lengths adrift and playing catch-up," Gosden told *PA Sport*. "We'll now train him for the Dewhurst, as he wants seven." On the board in all three juvenile starts with a third and two seconds, Skylighter made her 2008 debut on the turf, finishing third at Santa Anita Feb. 13. Sixth in a seven-furlong Polytrack maiden at Keeneland Apr. 12, the bay got the job done over the Belmont main track May 11, taking an 8 1/2-furlong heat by a neck. The Stonerside runner had just one subsequent appearance to her credit, a 1 3/4-length success in a Belmont entry-level allowance July 10. A 14-1 longshot off the lengthy absence, Skylighter bided her time while saving ground in fifth as Whirlie Bertie (Stormin Fever) and Shining Image scrimmaged on the front end through fractions of :22.80 and :47.20. Skylighter was angled out for a clear run on the far turn, gained three wide into the stretch and outsprinted Shining Image to the money.

After registering his most recent victory in the GII Strub S. at Santa Anita 20 months ago, Arson Squad made seven entirely fruitless appearances over the various synthetic surfaces in Southern California. Out of the frame in the GII San Diego H., the GI Pacific Classic, GI Goodwood S. and GIII Native Diver S. in his final four starts last season, the dark bay was sixth in the GII San Pasqual H. at Santa Anita Jan. 12 before getting some time off. A dull seventh in a July 24 allowance at Del Mar, he played only a supporting role in the GII Pat O'Brien H. Aug. 24, finishing a non-threatening fourth. Held up as Timber Reserve and Past the Point (Indian Charlie) went a cracking pace up front, Arson Squad commenced his rally on the turn, came three wide into the stretch and drove by late for the victory. Eagle Mountain was the second of the day to register a Newmarket track record on his belated return to the track for new connections. One of Ballydoyle's top sophomores in 2007, the bay was runner-up in the G1 Epsom Derby in June before finishing third in the Irish equivalent at The Curragh. He dumped rider Kieren Fallon during the early stages of Longchamp's G1 Grand Prix de Paris in July, then finished second in the G2 York S. the following month. After returning to winning ways in the G2 Royal Whip S in August at The Curragh, he went down fighting when a short head separated him and Literato (Fr) in the G1 Champion S. here in October. Back off the shelf for the Mike de Kock team here, he travelled behind the leaders and found a spurt to overcome Ordnance Row in the final yards and hold the flourish of Bankable. "I didn't expect him to win, but he looked so good in the paddock today and has a very competitive spirit so pulled it out," jockey Kevin Shea said. "His preparation was all about how he came to himself, and he was thriving in his work, so we gave him a little bit more and it got to the stage where it was time to put him in a race. He was fresh and above himself today and showed a little more pace than he shows at home, but I think he'll build on that and come on for this. The plan was, if he won well today, to go for the Breeders' Cup, but personally I think he'll be back here for the [Oct. 18] G1 Champion S. and then onto Hong Kong." Aided by fast ground and a strong tailwind, Souter's Sister claimed the juvenile track record when causing an upset here with a decisive success for the Richard Hannon stable rich with juvenile talent. Having taken five starts to get off the mark, the bay followed a confidence-boosting success over six furlongs at Brighton June 24 with a disappointing effort when down the field in the five-furlong Weatherbys Super Sprint at Newbury July 19. Back in the winner's spot after a six-furlong nursery on the July Course here Aug. 2, she was fifth behind the subsequent G1 Fillies' Mile runner-up Fantasia (GB) over a panel further in Goodwood's G3 Prestige S. Aug. 23 before filling the fourth spot behind yesterday's G1 Cheveley Park S. winner Serious Attitude (Ire) in Salisbury's Listed Dick Poole S. back over six last time Sept. 4. Restrained early by Jimmy Fortune after a fast break, she delivered a telling spell of acceleration to swamp the long-time leader Moonlife in the final 50 yards and assert for a comfortable success. "You are never surprised when you're riding one for Richard Hannon, and she is a nice, tough filly," Fortune commented. "She ran alright at Salisbury last time, but the winner there is smart. She hit a flat spot at halfway, but when she met the rising ground she kicked into gear." [Click for the Racing Post chart or the brisnet.com PPs.](#)

It's a new and challenging era in American racing. The installation of the new synthetic racing surfaces at several North American racetracks has created a variety of new handicapping riddles, which have left even the most seasoned and expert players scratching their heads.

"As Finley, reveals, the synthetic surfaces have generated quite a new and unanticipated experience for the early-speed horses, and I particularly liked the revelations about the notorious 'bounce' patterns on synthetic surfaces vis-a-vis the conventional dirt."

GRADE 1 LANE'S END BREEDERS' FUTURITY

brought to you by
LANE'S END

BELONG TO ME
FOREVER TOGETHER TAKES HER SECOND
GRADE 1 WIN IN 2008 IN THE FIRST LADY S.-G1

THE FUTURE IS NOW

The Lane's End Breeders' Futurity produced back-to-back winners of the GI Breeders' Cup Juvenile in consecutive years in 1996 and 1997 (Boston Harbor and Favorite Trick), but none of the subsequent 10 winners has been able to succeed on Championship Day (Street Sense was third in 2006 prior to his victory at Churchill). A field of 11 freshman colts and one gelding faces the starter in a wide-open renewal of the 8 1/2-furlong event this afternoon, most of which have experience over synthetic surfaces.

Lane's End Breeders' Futurity--Recent Winners			
2007	Wicked Style	2002	Sky Mesa
2006	Great Hunter	2001	Siphonic
2005	Dawn of War	2000	Arabian Light
2004	Consolidator	1999	Captain Steve
2003	Eurosilver	1998	Cat Thief

Here's Some Advice...

He certainly wasn't done any favors by drawing the 11 hole this afternoon, but WinStar Farm's **Advice** (Chapel Royal) could find himself front and center this afternoon. The dark bay debuted over Arlington's one-turn mile, a tough ask for a first-time starter, but he handled the task at hand with maturity and professionalism, romping home by eight lengths after circling the field. Rested off the effort, the \$170,000 OBSFEB graduate resurfaced in the GIII Arlington-Washington Futurity Sept. 13. He launched a bid from midpack and made the lead at the eighth pole, but lugged out, caused some interference and was part of a double

Terrain *Four-Footed Fotos*

disqualification which saw him demoted from second to third. **Terrain** (Sky Mesa) crossed the line third in the Arlington race and was the beneficiary of the double DQ, eventually taking home the winner's check. The Adele Dilschneider homebred carries an unbeaten record into today's

test, having bested maiden \$50,000 company by a neck at Churchill July 3 before adding a victory in the Mountaineer Juvenile S. Aug. 2. **Pioneer of the Nile** (Empire Maker) goes turf-to-dirt and overcame a rough start to break his maiden over the Saratoga turf course Aug. 25.

Classic Mar. 29. Victorious in the G1 Grand Prix de Chantilly June 1, the chestnut filled the third spot in the G1 Grand Prix de Saint-Cloud June 29 and prepped for this with a runner-up effort in the G2 Grand Prix de Deauville Aug. 31. Trainer Richard Gibson is willing to forgive that effort. "The track was very soft and very tired after a long Deauville month," Gibson said. "The

good news is he didn't have a hard race that day. We feel we have him in good shape for his autumn campaign. He's a remarkable athlete in that he can put out of the box every day with a big smile on his face. He loves his work." Quijano looks to improve on his strong effort in this event last year, when he came with a late rally to finish third by a length. Runner-up to Doctor Dino in Hong Kong, he took the June 15 G1 Gran Premio di Milano before a runner-up effort in the G1 Deutschlandpreis July 20. The chestnut locked horns with Champs Elysees in the GI Northern Dancer S. over track and trip four weeks ago and was unfortunate to lose the head bob. Breeders' S. winner Marlang will try to dictate from the front, and the field's lone three-year-old comes into this off a front-running success in the GIII Saranac S. Aug. 31.

Folk Opera ships across the pond to carry the Godolphin blue here. On the board in eight of 10 career starts, the four-year-old was second in a Newmarket handicap July 19 and in the G3 Lillie Langtry S. at Goodwood July 31 before capturing the G2 Prix Jean Romanet at Deauville Aug. 24. She was stretched out to 1 1/2 miles for the Sept. 14 G1 Prix Vermeille at Longchamp, but was one-paced in the final drive and ran eighth. She should appreciate the shorter trip today. **J'ray** goes after her third straight graded score, but her first at the top level. The five-year-old mare ran into Muralakana (Fr) in three straight, finishing fourth behind that rival in the Mar. 8 GIII The Very One H. at Gulfstream and second by 3/4 of a length in the Mairzy Doates H. at Calder in April. Sixth in the May 24 GII Sheepshead Bay H. at Belmont, the chestnut managed to dodge Muralakana in the June 21 GIII All Along BC S. at Colonial Downs, but could do no better than fifth. She got back on track in the Aug. 3 GIII Taylor Made Matchmaker S. at Monmouth, winning by 1 3/4 lengths, and enters this off a career-best win in the Sept. 7 GII Canadian S. going nine furlongs over the course. **Hostess** looks to improve off a seventh-place finish in this event last year. Seventh again in her 2008 opener, The Very One H., she followed up with a victory in the Mar. 30 GIII Orchid H. Third in the Sheepshead Bay and in the June 21 GII New York H. at Belmont, she posted a game neck score in the Sept. 1 GIII Glens Falls H. at Saratoga last time out.

A # will distinguish first-time stakes-winners, a @ will indicate first-time graded stakes-winners, a ▲ will denote a first-time Grade/Group 1 winner, a + will indicate first-time starters, an (S) will be used for state-bred races, a (C) will be used for maiden-claiming races and an (R) will be used for other restricted races.

All carry 126 pounds.

Lord Admiral will make his first start in North America since racing twice in the United States in autumn 2006, when he finished third in the GII Oak Tree Breeders' Cup Mile and second in the GIII River City H. Since then, he has split time between the United Arab Emirates and Ireland, winning the 2007 Ballycorus S., the 2007 Knockaire S., and the G2 Jebel Hatta S this March. Tenth in the G1 Dubai Duty Free S. Mar. 29, the veteran returned to Ireland to be second in the G3 Amthyst S. and the G3 Meld S. Most recently, the seven-year-old was fifth by 4 3/4 lengths to New Approach (Galileo {Ire}) in the G1 Irish Champion S. at Leopardstown. The distance certainly isn't a question for **Rahy's Attorney**, who is four-for-four at this distance. The variable for the 4-year-old gelding is the track, as he has never raced away from his native Ontario. He enters this race off a 12-1 upset in the G1 Woodbine Mile, where he defeated a field which featured Ventura (Chester House) and Kip Deville (Kipling). **Lovelace**, winner of the G2 Darley Oettingen-Rennen at Baden-Baden Sept 2., ventures across the pond for the first time. The four-year-old faced the starter five days after the Baden-Baden victory to compete in the G1 Prix Moulin de Longchamp, where he finished seventh by 7 1/4 lengths to Goldikova (Ire) (Anabaa).

All carry 122 pounds.

Trainer Shug McGaughey sent out three winners of the Champagne for the Phipps family in a four-year stretch between 1986 and 1989--Polish Navy, Easy Goer and Adjudicating. **Gone Astray** carries the legendary black and cherry colors to the post this afternoon. A grandson of champion Inside Information, the dark bay came from off the pace to post a 2 1/2-length maiden win at Saratoga Aug. 23 and enters this first distance test off an even fifth to the impressive Charitable Man (Lemon Drop Kid) in the Sept. 13 GII Futurity S. He was the recipient of a rail trip that afternoon, which may not have been the place to be on the off track. **Hello Broadway** follows in the footsteps of half-brother Nobiz Like Shobiz, who was an impressive maiden winner before contesting the Champagne. A homebred for Elizabeth Valando, Hello Broadway attended a strong pace in his Aug. 30 bow at the Spa and was bumped in the stretch, but ultimately prevailed by a neck. **Vineyard Haven** was third in the GII Sanford S. over a muddy Saratoga strip July 24, but atoned for that effort with a pillar-to-post win in the GI Hopeful S. Sept. 1. **Cribnote** was an eventful runner-up in that seven-furlong affair. Prominent through the opening stanzas, he bore out badly on the turn and was closer to Union Avenue than he was the inside rail. Remarkably he boxed on gamely and wound up second and understandably adds blinkers today.

★ **"TDN Rising Star"** ★ **Royal Ballade** looks to build on her impressive 6 3/4-length debut score at Belmont Park Sept. 14. The bay stretches out off that six-furlong test. Fellow Tom Albertrani trainee **Gemswick Park**, runner-up to subsequent Sorority S. winner Selva (Forest Wildcat) at Saratoga Aug. 7, was slated to try the turf at Belmont Sept. 14, but romped by 6 1/2 lengths when that race was moved to a fast main track. The Eugene Melnyk homebred stopped the timer in 1:09 2/5 for six panels, earning a 91 Beyer. **Collegiate** adds blinkers after finishing fourth in the July 23 GII Schuylerville S. and third in the Aug. 31 GI Spinaway S. "She was lugging out last time so we will be putting blinkers on," trainer Mark Hennig said. "I'm looking forward to running her. A lot of the babies have trouble with the turns at Saratoga, and she's a big filly. The change of track, and the wide, sweeping turns here, should help her." **Sky Diva**, a \$250K FTFEB juvenile, cruised to a 10-length victory in her career opener in the slop at Delaware Park Sept. 9. She makes her second start.

11	3	Visit (GB)	Oasis Dream (GB)	Stoute	125

Darjina bids to shed her bridesmaid tag following a string of seconds in the top company this term. While last year saw her garner wins in the G1 Poule d'Essai des Pouliches, G1 Prix du Moulin and G1 Prix d'Astarte, she has been at the other end of the exacta every time so far in 2008. The pick of those efforts were a head defeat by Haradasun (Aus) in the G1 Queen Anne S. at Royal Ascot June 17 and a half-length reversal at the hands of Goldikova (Ire) in her follow-up attempts in both the Aug. 3 G1 Prix Rothschild (ex Astarte) at Deauville and Sept. 7 Prix du Moulin at Longchamp. "She may have been beaten in her last five races, but she has not been running bad," trainer Alain de Royer-Dupre told *PA Sport*. "She looks fantastic at the minute; she has been taking her races really well. What she wants is really good ground, and at the minute that is what it is at Newmarket, so it will be fine." Aidan O'Brien sends across a talented duo in the G1 Irish 1000 Guineas and G1 Nassau S. heroine **Halfway to Heaven** and last year's G1 Fillies' Mile winner **Listen**. Both were in action in Leopardstown's G1 Matron S. last time Sept. 7, where the former held sway 1 1/2 lengths ahead of her stable companion in third, but that was Listen's seasonal bow after injury kept her out of the Classics. Cheveley Park Stud and Sir Michael Stoute combined to win this three years ago with Peeress (GB), and they supply a live contender in **Heaven Sent**. Since her success in the G3 Dahlia S. here May 3, the homebred has put in respectable efforts when runner-up to Sabana Perdida (Ire) in the June 18 G2 Windsor Forest S. at Royal Ascot, a third in the July 9 G1 Falmouth S. on the other track here and fourth behind Halfway to Heaven in the Nassau.

8	8	African Rose (GB)	Observatory	Head-Maarek	122
9	9	Natagora (Fr)	Divine Light (Jpn)	Bary	122

African Rose has emerged as one of Europe's leading sprinters in a relatively short space of time, and bids to follow up a career high when annexing the G1 Sprint Cup staged at Doncaster last time Sept. 13. She had earlier won over this track and trip in the May 22 Listed Prix du Pont-Neuf and was dropped in distance after a subsequent fourth in the June 24 G3 Prix de la Porte Maillot again over this track and trip. Second to Marchand d'Or (Fr) in the G1 Prix Maurice de Gheest at Deauville Aug. 10, she had today's opponents **Utmost Respect**, **Astronomer Royal** and **US Ranger** back in fourth and a share of fifth there. At Doncaster, she confirmed that form with Utmost Respect back in third and the other Ballydoyle duo not in sight, and looks to provide trainer Ciquette Head-Maarek with a sixth renewal. **Paco Boy** may represent the bigger danger based on his decisive wins over this specialist trip in both the July 29 G2 Lennox S. at Goodwood and Newbury's G2 Hungerford S. Aug. 16. He showed he stayed an extra furlong when third, despite a troubled trip, in this venue's G1 Prix du Moulin last time Sept. 7, but may be best served by a return to this distance. This year's G1 1000 Guineas heroine and G1 Prix du Jockey-Club third **Natagora**, who represents the Pascal Bary barn successful with Field of Hope (Ire) in 1999, was only sixth in the Moulin on her latest start, but is another who could benefit from a drop back in trip as the winner of the G1 Cheveley Park S. last term.

Ballydoyle's legend **Yeats** returns to the scene of a rare reversal 12 months ago, when only third behind **Le Miracle** in the aftermath of the Arc. He gets centre stage today with the move of this marathon to the Saturday and will be a warm order to make amends for his defeat last year, which represented a second fruitless trip to France. Outstanding in his seventh year, he took the June 19 G1 Gold Cup at Royal Ascot and July 31 G2 Goodwood Cup by a combined margin of 12 lengths, and bids for a sixth Group 1 victory here.

Kasbah Bliss appears the obvious threat on the basis of his emphatic success in the G3 Prix Gladiateur here last time Sept. 14. He bids to emulate recent winners of that contest **Tajoun** (Fr), **Westerner** (GB) and **Reefscape** (GB) in completing this double in the same year. He stays extreme trips well, having finished runner-up in the three-mile World Hurdle at the Cheltenham Festival Mar. 13. **Ponte Tresa** holds claims on her success in the G2 Prix Kergorlay at Deauville on her latest outing Aug. 24, but has never been this far and has to prove her stamina.

Nearctic S. cont.

Six-year-old gelding **Heros Reward** is the morning-line chalk to successfully defend his title in this event. The dark bay was given a break after his 2007 Nearctic tally, returning to be third in a sprint stakes on the turf at Calder in April. On a tear after that effort, he reeled off wins in the May 17 Old Mutual Turf Sprint S. at Pimlico, June 22 GIII Scotts Highlander S. at Woodbine and Aug. 1 Pennsylvania Governor's Cup H. at Penn National. The Maryland-bred was the even-money chalk in the Sept. 1 Turf Monster H. at Philly Park last out, but couldn't catch **True To Tradition** and finished second, beaten four lengths. True to Tradition, first or second in nine of 14 turf attempts, has moved up from the claiming ranks this season. Fourth when beaten less than a length by First Defence (Unbridled's Song) in the GIII Jaipur S. at Belmont in June, he took a starter handicap at Philly July 8 and prepped for the Turf Monster with a second in the Mobay S. at Delaware Park July 19. The consistent **Just Rushing** followed a win in the Aug. 23 GII Play the King S. going seven furlongs on the Woodbine lawn with a solid third in the Sept. 7 GI Woodbine Mile.

Undefeated Phipps homebred **Power Game** bids to run his record to four-for-four in his graded bow. An eight-length maiden winner at Monmouth in July, the dark bay colt took a NW1X by four in August. Facing just two rivals in the off-the-turf Restoration S. at the Jersey Shore Sept. 7, he was ridden out to a 4 1/4-length tally. He faces much tougher here, including **Pyro**. The Winchell runner shook off a disappointing eighth in the GI Kentucky Derby to take the June 14 GIII Northern Dancer S. at Churchill. Second by a half-length in the July 27 GII Jim Dandy S., he was caught in traffic at the quarter pole in the Aug. 23 GI Travers S., but came on late to be third. New York-bred **Tin Cup Chalice** won the first seven races of his career, capping the streak with a head score in the Aug. 20 Albany S. at Saratoga. The speedy bay gelding tried to take them gate to wire in the Sept. 14 Step Nicely S. against open company at Belmont, but got caught in the final strides and ran second by a neck.

Gio Ponti, four-for-six on the lawn, was out of action for more than eight months after finishing eighth in the inaugural Breeders' Cup Juvenile Turf last October. He came back full of run, however, taking the June 6 GIII Hill Prince S. and July 19 GII Virginia Derby. The bay just missed in his latest, rallying to be second by a half-length in the Aug. 31 GII Del Mar Derby. "After he won the Virginia Derby, we thought we had a very good chance to win at Del Mar," trainer Christophe Clement said. "We were disappointed that he didn't win, but not disappointed in the horse. He ran a good race, and if he runs well on Saturday, we'll take him back to California for the Hollywood Derby [Nov. 30, GI]." Beaten a nose when runner-up in the Virginia Derby, **Court Vision** made his most recent appearance in the Aug. 23 GI Travers S., but failed to fire after a wide trip and ran sixth. A maiden winner on the Keeneland Poly last year, he also captured the GIII Iroquois S. and GII Remsen S. on conventional dirt. "To me, he is a very useful horse and one that I think will be a very interesting horse next year," trainer Bill Mott remarked. "He has run from six furlongs to a mile and a quarter, and...he handles any surface."

Prix de Royallieu cont.

🌟 **"TDN Rising Star"** 🌟 **Dar Re Mi** bids for compensation after seconds to Lush Lashes (GB) in the G1 Yorkshire Oaks at Newmarket Aug. 22 and to Zarkava (Ire) in the G1 Prix Vermeille at this venue last time Sept. 14. She had previously beaten the subsequent group winner Shemima (GB) in the G3 Prix Minerve at Deauville Aug. 14. Andre Fabre, who has won three of the last six editions, relies on the high-class **Gagnoa** this time. Runner-up in the G1 Prix Saint-Alary at this track May 18, she split the stellar performers Zarkava and Goldikova (Ire) when runner-up in the G1 Prix de Diane at Chantilly June 8. Third behind Moonstone (GB) and the re-opposing **Ice Queen** in the July 13 G1 Irish Oaks at The Curragh, she may have needed her return outing when only seventh in the Vermeille, when Ice Queen was left trailing. Johnny Murtagh has deserted that filly in favor of **Adored**, who was fifth there under an aggressive ride.

8	2	Belle Allure (Ire)	Numerous	Pritchard-Gordon	120

Defending champion **Spirito del Vento** has found life tough under a penalty this year, but acquitted himself admirably with a second consecutive success in Chantilly's G3 Prix du Chemin de Fer du Nord June 8 and runner-up placings in the Sept. 7 G3 Prix du Pin here and July 19 G3 Prix Messidor at Maisons-Laffitte. He meets **Sageburg**, who is burdened with an extra five pounds courtesy of his win in the G1 Prix d'Ispahan here May 18. Fourth in the G1 Prix Jacques le Marois at Deauville Aug. 17 and course-and-distance G1 Prix du Moulin last time Sept. 7, he bids to provide trainer Alain de Royer-Dupre with a first renewal. **Famous Name**, who was a head second to Vision d'Etat (Fr) in the G1 Prix du Jockey Club at Chantilly June 1, was returning from a lengthy break when second in Leopardstown's G3 Kilternan S. on his latest outing Sept. 7; trainer Dermot Weld is taking it steady. "The draw probably beat us in the French Derby and he ran a nice race at Leopardstown last time," Weld said.

Utterly Cool steps up off a pair of impressive victories. The dark bay gelding broke his maiden by five lengths on the turf at Woodbine Aug. 17 and made it two-for-two in an allowance test Sept. 11. He should have no trouble handling the added furlong here. **Skipadate**, a Saratoga maiden winner Aug. 4, just missed in his most recent try, finishing second by a head in the Aug. 29 With Anticipation S. at the Spa. Sam-Son colorbearer **Grand Adventure** exits a 3 1/4-length debut maiden success at Woodbine Aug. 30.

He split Firth of Fifth (Ire) and the subsequent G2 Gimcrack S. winner and G1 Phoenix S. runner-up Shaveel (GB) in the G2 Superlative S. on the July circuit last time July 11, and bids to provide his trainer with another valuable prize. Mark Johnston fields a strong duo for Sheikh Hamdan bin Mohammed Al Maktoum in the Aug. 16 Listed Washington Singer S. winner **Cry of Freedom** and in **Liberation**, who followed a Sept. 11 maiden success at Brighton with a highly impressive win in a competitive Ascot nursery Saturday. Of the unexposed types with smart reputations are the Sept. 20 Newbury nursery winner **Nasri**, July 29 Goodwood maiden scorer **Gyr**, Sept. 10 Kempton maiden winner **Mafaaz** and **Imposing**. The latter was off the mark at Haydock Saturday, and represents the imposing Smith/Magnier/Tabor and Sir Michael Stoute combination.

☆ SALES NEWS ☆

SOMETHING SPECIAL AT SAINT-CLOUD Providing Arqana's Arc Sale does not suffer from the customary spate of last-minute withdrawals, today's renewal promises to be the most compelling yet to be held at the Saint-Cloud complex. In recent years, this auction embedded in Longchamp's Arc weekend has seen some large prices paid for classy horses in training, such as the €665,000 for the 2007 topper and subsequent group scorer *Racinger* (Fr) (Spectrum {Ire}). There has been a healthy flow of ex-French individuals who have shone in the States, and some of them have come from this auction. They include *Atlando* (Ire) (Hernando {Fr}), winner of the 2006 GII San Luis Obispo H.; *Megahertz* (GB) (Pivotal {GB}), who needs no introduction as one of the country's finest distaffers of recent years; the 1997 GI Breeders' Cup Sprint winner *Elmhurst* (Wild Again); and the 1994 GI Yellow Ribbon S. heroine *Aube Indienne* (Fr) (Bluebird). Of course, this event can boast the sale of the subsequent 1993 G1 Prix de l'Arc de Triomphe heroine and now legendary broodmare *Urban Sea* (Miswaki). Among the 51 horses catalogued this year--12 of which are already withdrawn--are cast-offs from the empires of His Highness the Aga Khan, Baron Georg von Ullmann, the de Moussac Family, the de Rothschild Family, Richard Strauss, Michael Tabor and Wertheimer et Frere, consigned by trainers such as Andre Fabre, Robert Collet, Jean-Claude Rouget, John Hammond, Criquelette Head-Maarek and Freddy Head. Chief attraction this time is hip 35, Sean Mulryan's **Linda's Lad** (GB) (Sadler's Wells), hero of the 2005 G1 Grand Prix de Saint-Cloud. He was also successful in that year's G3 Prix de Conde and the following season's G3 Lingfield Derby Trial, but has not raced since finishing seventh in last year's GI Canadian International. The five-year-old is offered by Haras de Grandcamp. In total, 14 lots had been either successful or placed at group level at the time of the catalogue's publication. Arqana issued a press release stating that a pair of catalogued horses, **Elusive Wave** (Ire) (Elusive City) and **Tiza** (SAf) (Goldkeeper), are confirmed runners Sunday at Longchamp. Elusive Wave, lot 18, is a contender in the G1 Prix Marcel Boussac, while Tiza--lot 12--is slated for the G1 Prix de l'Abbaye. Selling gets underway after the first day of the Arc meeting at Longchamp at 6:30 p.m. Full catalogue and updates can be viewed on www.arqana.com.

HIP HAPPENINGS

ARQANA ARC SALE - SATURDAY

13 Azabara (GB)

(f, 3, Pivotal {GB}--Danella {Fr}, by Highest Honor {Fr})

Consigned by Andre Fabre

Azabara contested the G1 Poule d'Essai des Pouliches on only her third start in May and finished a highly respectable fifth behind Zarkava (Ire). She took the Listed Prix des Lilas at this track the following month.

15 Not Just Swing (Ire)

(c, 4, King's Best--Misbegotten {Ire}, by Baillamont)

Consigned by Andre Fabre

Under the tutelage of France's champion trainer, this half-brother to the listed scorer Minoa (Ire) (Mujtahid) and the dam of this year's G1 Falmouth S. heroine and G1 Matron S. runner-up Nahoodh (Ire) has blossomed into a classy middle-distance performer. His win in Longchamp's G3 Prix d'Hedouville in May was followed by a third in the G2 Grand Prix de Chantilly the next month, and finished fourth in the G2 Prix Foy at Longchamp after the catalogue was printed.

18 Elusive Wave (Ire)

(f, 2, Elusive City--Multicolour Wave {Ire}, by Rainbow Quest)

Consigned by Jean-Claude Rouget

As the winner of this year's G3 Prix du Calvados at Deauville and Listed Prix Roland de Chambure at Longchamp, Elusive Wave is hot property, and could become priceless if she wins tomorrow's G1 Prix Marcel Boussac on the Arc undercard. She shares her second dam, the 1991 G3 Prix Corrida winner Echoes (Fr), with this year's G2 Queen Mary S. heroine Langs Lash (Ire).

21 Hello Morning (Fr)

(c, 3, Poliglote {GB}--Hello Molly {Fr}, by Sillery {Fr})

Consigned by Cristiane Head-Maarek

His full-brother Hello Sunday (Fr) took the 2006 G3 Prix Quincey before he was sold to race in the States, where he was third in last year's GI Pacific Classic. Hello Morning holds entries in next month's GI Citation H. and GI Hollywood Derby.

op/ed feedback

I completely agree with Rob Whiteley's campaign to remove whipping from racing. This is the primary act that turns off potential new racing fans and should be banned except when needed for control relative to horse and rider safety. Whipping could be phased out so that performance of horses currently in training would not be negatively affected.

The main proposal of Rob's column that stallion owners, vets and sales companies reduce their fees by 50 percent is unrealistic. While the level of fees incurred for these services by breeders may not always be justified, the potential cost to breeders are (or should be) known in advance and should be a factor in managing breeding operations. I suggest the primary problem of the breeding industry, relative to demand for its product, is that a number of its participants have no clue about its economics. If they did, they probably would not be in the business.

All aspects of the Thoroughbred horse racing industry are intoxicating. Why else would so many of us commit major amounts of capital and effort to an industry that (as Rob points out) is generally unprofitable? Why else would so many type-A individuals who have successfully managed their professional and (sometimes) personal lives participate in an industry over which they have little control? We are all horse junkies to one degree or another and, yes, a number of us must subsidize our involvement in the industry by other sources of income, inherited or created.

Owners (except for an elite few) who must balance their addiction and financial condition continue to acquire, race, sell (or give away) horses within a disciplined framework. Breeders also need a business plan. I suggest that breeders can operate profitably, although their produce may be in books five through eight, assuming they properly scale their operations. If certain smaller breeders disappear, it may be that there is no economic justification for their existence in the business.

This gets back to the whipping issue as well as the general under-management of the Thoroughbred racing industry. If there is not an expanding fan base, then there is certain to be contraction of the breeding business.

Thoro-Graph Race of the Week

Saturday, Keeneland, post time: 4:55 p.m. EDT
SHADWELL TURF MILE S.-GI, \$600,000, 3yo/up, 1mT

Grass horses, especially grass stakes horses, don't bounce as much as dirt horses; they tend to run figures in a tighter range, and the finishes end up tighter as a consequence. This means that ground loss, and therefore post position and running style, become very important.

PP HORSE SIRE JOCKEY ODDS
1 Shakis (Ire) Machiavellian Bejarano 7-2

Is a very solid old timer, and the rail helps. But his figures just make him a borderline contender here, and his late running style puts him up against it in a big field that figures to bunch up, since there is very little early speed here.

2 Kingship King Cugat Velasquez 12-1

Got very good in the fall as a three-year-old, running three big figures, but his form was somewhat concealed by a series of wide trips (4w4w etc, upper left). At that point, he looked like he could turn into a world beater, but he was injured early as a four-year-old, and only resurfaced recently, 18 months later. He's been prepped in two grass sprints 12 days apart, and now comes into this third off a layoff, at a distance he prefers, with an inside draw and tactical speed. There's a good chance he's ready to run the best race of his life.

3 Thorn Song Unbridled's Song Albarado 4-1

Has gotten better with age, and his sheet shows a good example of cycling. He ran a top last November, came back to it five months later, and again three months after that. Note also that the cycles themselves are getting better, which is to say that the off races in each cycle are getting progressively better. This is a healthy, developing horse, and guess what--it's now three months since his last top. He also has the advantage of having early speed in a field full of closers, making him a strong contender.

4 Elusive Fort (SAf) Fort Wood Douglas 15-1

Was beaten less than two lengths last time in a Grade II, but had a rail trip, and earned the same figure he did getting buried the time before with a wide trip (4w4w). He's never run fast enough to threaten here.

5 Lord Admiral El Prado (Ire) Theriot 6-1

Has earned a lot of money without running very fast, which a) tells you about the purses in Dubai, and b) the value of showing up. He gets Lasix here, but note it did not move him up two years ago.

6 War Monger War Chant Desormeaux 5-1

Got good last summer and looked like he had a big future, but he hasn't developed much since.

Surprisingly, this is true of War Chant's runners in general--the TGI in his sire profile (lower left) indicates his runners develop very little from three to four. On his best this colt is a contender, but he has only run that well once, and would need to work out a trip.

7 Buffalo Man El Prado (Ire) Marquez Jr 15-1

Won a Grade III last time out after running fifth the time before, but on *Thoro-Graph*, he earned a much better figure two back. That's because we adjust our figures for ground loss, and this colt was the beneficiary of a rail trip last time, after racing four wide on both turns the time before (upper left). He actually had run three top efforts in a row before his last and, with good rest since then, he's likely to run his best again, which makes him a contender here.

8 Lovelace (GB) Royal Applause (GB) Ffrench 12-1

Is a little short of competitive on his best European figures, but note two things: in his last four starts, he twice ran with less than a week's rest, and he's first Lasix. With more rest now, he's not the craziest longshot we've ever seen.

9 Society's Chairman Not Impossible (Ire) Jones 15-1

Has never run fast enough to compete here, and his pattern is not forward moving.

10 French Beret Broad Brush Leparoux 20-1

Is solid, but only has one race in his life that gives him a shot, and the post hurts.

11 Karelian Bertrando Mena 20-1

Has a history of unsoundness and, like a lot of unsound horses, ran well fresh last time. But by the same reasoning, he's unlikely to move forward now.

12 Rahy's Attorney Crown Attorney Callaghan 5-1

Wasn't much early in his career, but has developed a lot since, and earned the best figure of anyone in this field last time to take the Woodbine Mile. With a terrible draw, that's the only effort of his life that would give him a chance here, and he's very likely to bounce.

AE Museeb Danzig Bejarano 20-1

Has some good poly figures, and there is poly/grass correlation. But he may be in here as a rabbit.

Bottom Line: Shakis will be overbet because he finished close to Big Brown, and Rahy's Attorney will be overbet off the big effort in Canada. Buffalo Man, Thorn Song and Kingship are the live ones.

Jerry Brown formed Thoro-Graph in 1982 to service the needs of horsemen and professional handicappers. Since then, Thoro-Graph has been responsible for the purchase of Belmont winner and champion Victory Gallop, two-time Breeders' Cup Mile winner Da Hoss, multiple track record setter and leading sire Distorted Humor--a total of 70 horses who have gone on to win stakes for their clients. Additionally, the last three NTRA national handicapping championship winners used Thoro-Graph data. Thoro-Graph performance figures take into account weight, ground loss, effect of wind on the time of the race, and track speed. The lower the figure, the better the performance. Among Thoro-Graph's innovations are the figure-based profiles, which enable horsemen and serious handicappers to accurately assess the tendencies of trainers in different situations, and sires and dam's runners at different distances, over different surfaces, and at different ages. UNDEFEATED JUVENILES HEAD MARYLAND MILLIONS FIELDS Today's Maryland Millions card at Laurel, featuring nine stakes worth \$1.55 million, is headlined by the appearances of a pair of undefeated juveniles. **Juke Joint** (Jazz Club), a modest \$3,500 FTMSEP yearling purchase, ships in from Presque Isle Downs for the \$150,000 Maryland Millions Nursery S. The chestnut colt broke his maiden by 9 3/4 length over fellow Pennsylvania-breds July 20 and added a 7 3/4-length victory in a state-bred allowance Sept. 1. The field for the \$150,000 Maryland Millions Lassie S. includes four-for-four **Onearmedbandit** (No Armistice). The speedy filly was an easy maiden winner at Laurel Apr. 11, then came back after a short break to take a pair of allowance races at Delaware Park June 30 and July 19. She was 2-5 in the Aug. 23 Miss Shenandoah S. at Charles Town and lived up to her odds with a 5 1/2-length triumph. JOHNNY V TAKEN TO UK TRAUMA UNIT

Jockey John Velazquez was taken to the University of Kentucky Medical Center after falling from his mount in the seventh race at Keeneland yesterday. Two of the runners--Whacka Whacka and Rapid Mon--clipped heels in the stretch; the former fell and Velazquez's mount, Tap Dancing, was unable to avoid the situation and fell heavily to the ground. Whacka Whacka's rider, Jamie Theriot, was able to walk away to first aid, but Velazquez was carried away on a stretcher. He was "arousable" at first aid and was able to move his extremities, according to Dr. Barry Schumer, Keeneland's medical director. Both horses escaped serious injury, according to the track veterinarian.

DETTORI ON TOWER IN CHAMPION? Frankie Dettori will partner Khalid Abdullah's **Phoenix Tower** (Chester House) in the Oct. 18 G1 Emirates Airline Champion S., connections announced yesterday. Trainer Henry Cecil oversaw the nine-furlong racecourse gallop of the G1 Prince of Wales's S., G1 Eclipse and G1 Juddmonte International S. runner-up at Newmarket yesterday ahead of the 10-furlong contest. Cecil told *PA Sport*, "The idea is for Frankie to ride Phoenix Tower, as long as Godolphin don't have a runner, with Tom Queally on Twice Over (GB) (Observatory), but it will need confirming nearer the time. They did exactly what I asked of them. I was very happy with both of them, and the idea is to have them right for the 18th."

ICON TO NORMAN COURT STUD Sixties Icon (GB) (Galileo {Ire}--Love Divine {GB}, by Diesis {GB}) will enter stud in 2009 at Norman Court Stud at the conclusion of his racing career. Susan Roy's 2006 G1 St Leger hero completed a trio of Group 3 wins in last Sunday's Cumberland Lodge S. at Ascot, and the five-year-old son of the 2000 G1 Epsom Oaks heroine will take up duties at the Salisbury-based Stud after a fall and winter campaign which begins with a tilt at the Breeders' Cup Marathon. "Sixties Icon is a lovely looking horse with an exceptional pedigree," the Stud's owner Patrick Trant said. "He has an excellent racing history. We will be standing Sixties Icon at £6,000, a sum that provides breeders with fantastic value for money." Jeremy Nosedo trains the bay horse.

Successful in an Ascot handicap July 25, Buccellati showed no ill effects from his Turkish travels--where he finished fourth in the valuable Bosphorus Cup at Veliefendi Sept. 7--to claim victory in determined fashion here. Tracking the pace in fourth through the adequate early fractions, he was nudged up to challenge inside the two-furlong marker and was driven to the front 100 yards from the post to secure a first win at this level. cont. p7

HAAFHD GODOLPHIN S. cont.

“He’s enthusiastic, is a real character and has been a star for us,” said trainer Andrew Balding. “He had quite a hard race in Turkey, but he’s still improving. We may go out to Australia for the [G1] Caulfield Cup next year, but in the meantime he could have another run this year in a Group 1 in Italy.”

Newmarket, 13.00, Mdn, £9,500, 2yo, 7fT, 1:25.34, gd/fm.

EVASIVE (GB) (c, 2, [Elusive Quality](#)--Canda (MSP-Fr), by Storm Cat) went postward as the 8-11 choice coming off a debut third at Kempton Sept. 10. Leading after the initial strides, he came under pressure approaching the final quarter mile and was pushed clear up the hill to score by a comfortable 2 1/4 lengths from Makaamen (GB) (Selkirk). “He’s quite a big horse so he’s still quite immature, but should improve significantly,” commented Cheveley Park Stud’s racing manager Chris Richardson. “We’ll hopefully have one more run this year, but we’ll see how we go. He’s beautifully bred--his dam is out of East of the Moon (Private Account), who is a half-sister to Kingmambo, so it’s a bit of relief that he’s won as nicely as that. His dam, Canda, has a Galileo (Ire) foal and is in foal to Pivotal (GB). She’s quite an exciting prospect. We kept it in the family as the mare was bred by my brother Tim, who works for the Niarchos family.” Regarding immediate plans, trainer Sir Michael Stoute added, “He’s won very nicely and he’s a lovely colt. I’d like to give him one more start. He’s in the [G1] Darley Dewhurst [back at Newmarket Oct. 18], but we’ll see.” Evasive’s third dam is the peerless Miesque. Lifetime Record: 2-1-0-1, £6,537. O/B-Cheveley Park Stud Ltd; T-Sir Michael Stoute.

Newmarket, 15.45, Mdn, £9,500, 2yo, 7fT, 1:25.20, gd/fm.

RA JUNIOR (c, 2, [Rahy](#)--Fantasia Girl {Ire} {MSP-Ire, SP-Eng}, by Caerleon), a last-out second at Sandown Sept. 17, raced in the front rank from the outset of this third go. Taking a slight lead at halfway, the \$77,000 KEESEP yearling and 50,000gns TATAPR breezer was ridden clear of toiling rivals out of the dip to score by five lengths from Emirates Roadshow (Distorted Humor) as the 7-4 favorite. “I’m very pleased with him, but I think he was a little green and unlucky at Sandown last time,” said trainer Brian Meehan. “There was a lot of improvement in him today, but he hasn’t done a tap and is a lovely colt with a big future. He could run again this season, but that would be ground dependent and we’ll play it by ear. He’s a Rahy and he’s only going to improve as a three-year-old, he’s that type of horse.” Wajaha (GB) (Haafhd {GB}), a half-sister to Lahan (GB), raced in midfield for the most part and kept on in promising style in the closing stages to finish fourth. Lifetime Record: 3-1-1-0, £7,054. O-Roldvale Ltd; B-Darley; T-Brian Meehan.
