THREE CHIMNEYS  
 The Idea is Excellence.

DYNAFORMER & SKY MESA have Fillies in Today's Valley View S. (G3)

## AN INSTANT CLASSIC

Dual Classic winner Big Brown (Boundary) might be out, but this year's GI Breeders' Cup Classic at Santa Anita's Oak Tree meeting still offers plenty of intrigue. Reigning Horse of the Year and Classic hero **Curlin** (Smart Strike) will have to beat two of Aidan O'Brien's best in **Duke of Marmalade (Ire)** (Danehill) and **Henrythenavigator** (Kingmambo), both MG1SWs on turf in Europe. Neither colt has raced on an all-weather track before. Undefeated **Casino Drive** (Mineshaft), winner of the GII Peter Pan S. earlier this spring, was very impressive in his return to the races at Oak Tree Sunday and will try to make history on short rest. Fellow sophomore **Colonel John** (Tiznow) has thrived on the synthetic surfaces in Southern California and makes his first start since his thrilling victory in the GI Travers S. in August. **Go Between** (Point Given) has really found his calling since trying synthetic surfaces. The chestnut won the Sunshine Millions Classic and finished second in the

GI Santa Anita H. over the former synthetic surface at the Great Race Place. He heads to the Classic off a win in Del Mar's GI Pacific Classic in late August.

## PUTTING THEM BACK TO BACK

A record seven previous Breeders' Cup winners has been pre-entered for this year's Championships. Besides Curlin, other horses seeking repeat wins are **Midnight Lute** (Real Quiet) (Sprint), **Kip Deville** (Kipling) (Mile) and **Ginger Punch** (Awesome Again) (Distaff, now Ladies' Classic). Midnight Lute has faced the starter only once this term, finishing a disappointing 10th in the GII Pat O'Brien H. at Del Mar. The dark bay grabbed a quarter in that start, but has been training lights out at Santa Anita since. Kip Deville had a three-race winning streak snapped when fifth as the 1-2 chalk in the GI Woodbine Mile. The handsome gray has been training smartly at trainer Rick Dutrow's Aqueduct

base of late. Ginger Punch has annexed three Grade I's since last year's Distaff tally, but will have to lock horns with the unbeaten **Zenyatta** (Street Cry {Ire}), who got the best of her in Oaklawn's GI Apple Blossom H. in April. Champion **Indian Blessing** (Indian Charlie), winner of the 2007 GI Juvenile Fillies, will contest the Filly & Mare Sprint. She has also been pre-entered in the Sprint. Two previous GI Turf winners, **Better Talk Now** (Talkin Man) (2004) and **Red Rocks** (Galileo {Ire}) (2006), will seek their second Breeders' Cup score.

## BREEDERS' CUP BULLETIN

### DETTORI ON RAVEN'S PASS

Trainer John Gosden has announced that Frankie Dettori will replace Jimmy Fortune on Princess Haya of Jordan's **Raven's Pass** (Elusive Quality) in next Saturday's GI Breeders' Cup Classic at Santa Anita. Fortune, the three-year-old's regular rider, is uncertain about his level of fitness after serving a 10-day suspension on the eve of the meeting. Dettori got acquainted with the G1 Queen Elizabeth II S. winner in a racecourse gallop at Lingfield Wednesday morning. "I discussed it with Jimmy and, at this moment in time, he is serving a ban for a minor infringement at Nottingham," Gosden told the *Racing Post*. "He's pointed out to me very clearly that it is not possible for jockeys to be razor sharp and race-fit for that kind of racing, having served a 10-day suspension. We talked it through and Frankie will ride Raven's Pass and Donativum." The latter, the Tattersalls Million winner and Juvenile Turf contender **Donativum (GB)** (Cadeaux Genereux {GB}), was also on track at Lingfield yesterday.

### MURTAGH LEANING TOWARDS THE DUKE

Johnny Murtagh is set to maintain his partnership with **Duke of Marmalade (Ire)** (Danehill) in the GI Breeders' Cup Classic at Santa Anita next Saturday. Trainer Aidan O'Brien, who outlined running plans yesterday,

**Duke of Marmalade**  
*Horsephotos*

pointed to the five-time Group 1 winner as the retained jockey's likely ride over

**Henrythenavigator** (Kingmambo). "For the Classic, you need a horse who definitely gets a mile and a quarter," the Ballydoyle conditioner told a press

conference. "It is a race where you have to be tough and hard. The Duke is an unbelievably tough horse with a great will to win, and if any horse can cope it will be him. We can't be sure that Henry will get a mile and a quarter, and at the moment Johnny is favouring riding Duke of Marmalade over Henrythenavigator. We have booked John Velazquez for whichever one he doesn't ride."

O'Brien had earlier told the *Racing Post* that **Soldier of Fortune (Ire)** (Galileo {Ire}) and **Red Rock Canyon (Ire)** (Rock of Gibraltar {Ire}) would contest the Turf,

**Henrythenavigator**  
*Horsephotos*

**Westphalia (Ire)** (Danehill Dancer {Ire}) and **Heart Shaped** (Storm Cat) would run in the Juvenile Turf and Fillies' Juvenile Turf, **Halfway to Heaven (Ire)** (Pivotal {GB}) was set to line up in the Filly & Mare Turf and **US Ranger** (Danzig) would tackle the Mile.

**A CHAMPION APPROACHING**

Despite the lure of the Arc and Breeders' Cup, it is Newmarket that won the day, attracting **New Approach (Ire)** (Galileo {Ire}) for tomorrow's G1 Emirates Airline Champion S. With 10 rivals to face in the 10-furlong feature following the sole scratching of **Famous Name (GB)** (Dansili {GB}), Princess Haya of Jordan's chestnut has the chance to atone for the defeat of his dam Park Express (Ire) in 1986. Sent off the 3-1 favorite that day, the Coolcullen raider could finish only third behind the great Triptych. Trainer Jim Bolger will be hoping that history does not repeat itself here. New Approach's three previous visits to Newmarket resulted in a win on this card's G1 Dewhurst S. 12 months ago, and two of his three career defeats behind Henrythenavigator and Duke of Marmalade (Ire) this term. In the absence of a rival of that calibre, the G1 Epsom Derby and G1 Irish Champion S. hero holds all the aces. "I was concerned that he might get a wide draw in the Arc and possibly having an unsatisfactory end to the season with him--so the Champion S. looked a safer bet because the draw is not as crucial," his trainer explained. "The 10 furlongs on Saturday is fine--it is probably his ideal trip. He was a bit unlucky in the English Guineas, the going beat him at The Curragh and he hasn't done anything wrong since."

Fitri Hay's **Traffic Guard** was only a half-length behind New Approach in the G1 Irish Champion S. at Leopardstown last time Sept. 7 and had earlier split Phoenix Tower and Pipedreamer in the G3 Earl of Sefton S. at this track Apr. 17. Trainer Jane Chapple-Hyam is still looking for a first group success, and the four-year-old would provide a fairytale result if he can find some more improvement. "On his home work, we expected Traffic Guard to run a big race last time," she commented. "I wouldn't have thrown him in at the deep end in Ireland if I didn't think that he would have been in the first three, and he justified that. He's a good horse, so he's worthy of taking his place in the Emirates Airlines Champion S. Traffic Guard is probably a little bit of an underdog, but I'm going into the race quietly confident. He goes on any ground and he looks great, he really looks fantastic at the moment." John Gosden saddles a rare runner in this race in **Pipedreamer**, who has emerged as a genuine Group 1 performer after his easy success in the Cambridgeshire H. here 12 months ago. While he has a sole success to his name this term in the July 26 G2 York S., the homebred placed third in the G1 Prince of Wales's S. at Royal Ascot June 18 and G1 Eclipse at Sandown July 5 and fourth in the re-scheduled G1 Juddmonte International on the July Course here last time Aug. 23.

**GROUP 1 CHAMPION STAKES**

"He's in good form and he has been competing in top-class company all year," Cheveley Park's Chris Richardson told *PA Sport*. "He maybe has a little bit to find with New Approach on the form of his last run, but he deserves to take his chance, although he could maybe just do with a drop of rain. There are horses like Halling, who won the Cambridgeshire before going on to win a Group 1, so it's a proven way forward." The going currently is described as "good" ahead of Champions' Day and conditions are unlikely to change dramatically in the lead-up to tomorrow. "The Rowley Mile managed to avoid the early morning showers and it has been a pleasantly breezy and relatively warm autumnal day, which has resulted in a slight tightening of the ground," Director of Racing Michael Prosser commented yesterday. "Tonight is set to be dry, as are both Friday and Saturday."

☆ NEWS TODAY ☆

**TIAGO TO STAND AT ADENA SPRINGS** Multiple Grade I winner **Tiago** (Pleasant Tap--Set Them Free, by Stop the Music) will stand at Adena Springs Kentucky upon his retirement; he will continue to race for breeders Jerry and Ann Moss and trainer John Shirreffs. The four-year-old, who will join his GI Kentucky Derby-winning half-brother Giacomo (Holy Bull) at the Paris, Kentucky farm, is expected to start in the GI Breeders' Cup Classic next Saturday at Oak Tree. "We are proud to have Tiago join our Kentucky stallion roster and to stand alongside his Classic-winning half-brother, Giacomo," said Frank Stronach. "Tiago has demonstrated great versatility throughout his successful racing career, with graded stakes victories on both conventional dirt and Polytrack to his credit. Additionally, Tiago offers breeders significant outcross value, and fits the profile of other stallions that we have enjoyed success with. We are also very pleased to be teaming up with Mr. and Mrs. Moss again on yet another outstanding stallion prospect." A son of multiple stakes winner Set Them Free, Tiago has won five of 16 starts, including the GI Santa Anita Derby and GI Goodwood S. in 2007, as well as the 2008 GI Oaklawn H. He heads to the Breeders' Cup off a second in this year's Goodwood Sept. 27. In addition to Giacomo, Tiago is a half-brother to MGSP Sea Jewel (Sea Hero). He has bankrolled \$1,834,270 to date.

**MOUNT NELSON RETIRES TO NEWSSELLS**

**PARK STUD** Newsells Park Stud announced yesterday that it will stand dual Group 1 winner **Mount Nelson (GB)** (Rock of Gibraltar {Ire}--Independence {GB}), by Selkirk) at the Royston-based stud farm in 2009. A son of Group 2 winner Independence and racing for Susan Magnier, Michael Tabor and Derrick Smith, Mount Nelson won two of three starts as a two-year-old of 2006, including the G1 Criterium International over a mile at Saint-Cloud, a race in which he established a new course record that still stands. His official rating of 119 ranked him as the fourth-highest rated juvenile in Europe. A foot injury limited his three-year-old season to just one start, but Mount Nelson returned at four to take the G1 Coral Eclipse at Sandown over Phoenix Tower. In his final start, he ran third to Spirit One (Fr) and Archipenko in the GI Arlington Million in the U.S.

**Mount Nelson cont.**

Commenting on the arrival of Mount Nelson, Newsells' General Manager Julian Dollar said, "We are delighted to have acquired this talented racehorse to stand at Newsells Park next season. We think he has all the ingredients to make him a great success at stud. Mount Nelson is bred on the dynamic Danzig/Sharpen Up (GB) cross which has already produced successful young sires Danehill Dancer (Ire) and Invincible Spirit (Ire). Mount Nelson is a great-looking horse, as his 320,000gns yearling price suggests, and with our large broodmare band, he will be very strongly supported by us. I think breeders will absolutely love him." Mount Nelson is the first major stallion to stand at Newsells Park Stud since its purchase by the Jacobs family in 2000. "It was always Mr. Jacobs' intention to stand stallions at Newsells Park Stud and offer breeders another independent option," commented Dollar. "We identified Mount Nelson as an exciting prospect some time ago and recognised that with the unbelievable year Ballydoyle and Coolmore were enjoying, there might be a unique opportunity to acquire one of their prospects. This was one of the last matters we consulted Mr. Jacobs on before he passed away. I think he would be very pleased to know we have fulfilled one of his objectives." A fee has yet to be set for Mount Nelson, who won three of his nine starts and over £459,000 in prize money.

**ARIEGE ADDED TO FTKNOV CATALOGUE IEAH**

Stable and Pegasus Holding Group's **Ariege** (Doneraile Court), winner earlier this season of the GI Santa Anita Oaks, has been added to the Fasig-Tipton November Selected Mixed Sale in Lexington. A maiden winner in three starts in Europe last year, the dark bay has not finished worse than third in any of her seven appearances for Bobby Frankel since being repatriated. In addition to her win in the Oaks, she took the GII Beaumont S. over the Keeneland Polytrack in April, then returned from a four-month absence to take the Ma-

dame Jumel S. on the Saratoga turf course Aug. 9. "Ariege is the complete package," said IEAH Co-President and CEO Michael Iavarone. "Not only is she a Grade I winner, she has consistently performed at the highest level on both coasts. She will make a wonderful addition to any racing stable or broodmare band." A daughter of champion and treble GISW Kostroma (Ire) (Caerleon), Ariege hails from the extended female family of G1SWs Solinus (Ire) and Grise Mine (Fr) and the ill-fated MGISW Nashoba's Key.

Trainer Ross McDonald is committed to a G1 Caulfield Cup start Saturday for reigning Horse of the Year **Weekend Hussler**, despite the gelding's ignominious defeat last time out when trapped wide to finish six lengths in arrears of **Littorio** in the G1 Turnbull S. "If you look at the race, he never lost ground, they just outsprinted him," McDonald reasoned. "You can't expect a horse to face the wind and finish it off." McDonald opted to put a tongue tie on Weekend Hussler when the four-year-old breezed at Caulfield Saturday morning and said the bay would race in the new year. "We have been discussing this option for a while. We had him scoped and thought he may have been swallowing his tongue. It just takes that possibility away," he said. "He's got a very thin throat. He's had it on the last three times he's worked." McDonald is chasing his third Caulfield Cup victory, having won the race with **Imposera** (NZ) in 1988 and **Tristarc** (NZ) in 1985. The latter won the Underwood S. and Caulfield S. [Yalumba S.] en route to the Caulfield Cup, but **Imposera** beat only two home in the same lead-up race before winning the Caulfield Cup. After securing barrier 11, punters rallied behind the seven-time Group 1 winner to install him as favourite, firming from A\$6.50 to A\$5. "We had no say in [the draw], so now we have to work out what we're going to do from here on," McDonald said. "He'll get in and get a position somewhere. We'll go home and do all the speed maps, see if we go forward or if we go back and work it out when we meet on Friday."

**KHELEYF COLT TOPS TATTS BOOK 3 OPENER**

A pinhooked 72,000gns **Kheleyf** colt was the top lot at yesterday's opening session at Book 3 of Tattersalls' October Yearling Sale in Newmarket. Susan Hearn's Mascalls Stud had bought the colt for 10,500gns at Tattersalls in February and he was resold to Italian agent Marco Bozzi, with Rabbah Bloodstock's Jono Mills coming off second best. "He's been bought for a client in Italy who is thinking of sending him back here for the breeze-ups," said Bozzi. "He was a very active walker and the sire has done very well everywhere this year, including Italy. A first-crop **Rakti** (GB) colt will join trainer Mick Channon after selling for 60,000gns to agent Gill Richardson. "I saw a Rakti filly at Deauville and have wanted to buy one by the sire all year," said Richardson. "This colt looked a natural athlete." The session average was 11,500gns, while the media was 8,000gns. A total of 257 yearlings were offered, with 175 finding new homes and 82 failing to meet their reserves. The equated to an RNA rate of 31.9 percent. There was no corresponding session in 2007. The sale concludes today with pre and post-racing sessions starting at 10 a.m. and 5:30 p.m. For catalogue and complete results, visit [www.tattersalls.com](http://www.tattersalls.com).

This is a filly with some smart relatives fairly close-up, with Noverre also being the sire of last year's G3 Albany S. winner Nijoom Dubai (GB), who appears under the second dam along with Shaweel (GB). Since the publication of the book, the latter has won the G2 Gimcrack S. before going under by a short head to Mastercraftsman (Ire) in the G1 National S.

*Consigned by Houghton Bloodstock*

Kicking off the after-racing session is this March-foaled daughter of Juddmonte's resident, whose reputation received a boost at the start of the month courtesy of the G1 Prix Marcel Boussac success of Proportional (GB). Out of a listed-placed sister to Eva Luna, she is linked to that broodmare's progeny Brian Boru (GB), winner of the 2003 G1 St Leger.

Hip **1860**, f, Mirio (Fr)--Utmost (Ire),  
by Most Welcome (GB)

*Consigned by Hillwood Stud*

By the little-known 2001 G1 Grand Prix de Saint-Cloud winner Mirio (Priolo {GB}), this is a half-sister to the smart sprinter Utmost Respect (GB) (Danetime {Ire}). The 7-1 shot, always within striking distance, rallied three wide into the lane and outbattled Da Bear Facts (Congaree) by a head. The \$100,000 KEESEP yearling is a half to Sindy With an S (Broken Vow, MSW & MGSP, \$330,959). Trainer John Best's Deposer (Ire) (Kheleyf), the 6-5 favorite, was with the pace early, was forced to steady in tight quarters at the three-sixteenths pole and reported home seventh. Out of a Brilliant Disguise, a daughter of MGSW Jersey Girl (Belong to Me), the dark bay filly proved she was Born to Run. She sat a stalking third, inched closer on the turn and took the lead with authority before drawing off to win by 3 1/4 lengths. Million Seller (A.P. Indy) was second. ### Jockey Club Releases 2008 Report of Mares Bred:

The Jockey Club has released the 2008 Report of Mares Bred (RMB) in North America. According to the report, a total of 2,643 stallions covered 52,410 mares this past breeding season. These numbers are based on reports received through Oct. 10 and, according to The Jockey Club, represent approximately 92 percent of the expected total. The organization expects to receive an additional 4,000-5,000 reports. The number of stallions declined 5.9 percent from the 2,808 reported at this time last year, while the number of mares bred fell by 7.7 percent from the 56,796 reported in 2007. "The 2008 RMB statistics indicate a further reduction of Thoroughbred breeding activity across North America," said Matt Iuliano, The Jockey Club's vice president of registration services. "Stallions with a book size of less than 25 accounted for 78 percent of the decline in the number of stallions and 30 percent of the drop in mares bred." Leading freshman sire Lion Heart (Tale of the Cat) topped all North American stallions by covering 214 mares, followed by Chapel Royal (Montbrook) at 194, Giant's Causeway (Storm Cat) at 190, Hard Spun (Danzig) with 181 and Street Cry (Ire) (Machiavellian with 178. Most of the regions showed declines from last year, with the exception of Ontario, where the number of mares bred was up 1.2 percent; and Pennsylvania, which jumped 31.5 percent in the same category from 2007. The complete report can be accessed at [www.jockeyclub.com](http://www.jockeyclub.com).

Since that effort in February, the €24,000 GOFORB yearling ran ninth in the Apr. 5 GII Providencia, second in the May 31 Manhattan Beach S. and fifth in the Aug. 15 Sandy Blue H. at Del Mar. Given a 3-1 chance here, she was settled through fractions of :21.52 and :43.66, and rallied in the stretch to deliver a nose victory over 9-5 favorite Simply Run (Tejano Run). Lifetime Record: SW-Ire & SP-US, 11-3-1-0, \$124,692.

**CATIGO (Giant's Causeway)** is a \$1.5-million full-sister to Aragorn (Ire), who started out in Britain before going Stateside and carrying all before him. Betty Moran's newcomer is saddled by Sir Michael Stoute and meets another notable newcomer in Jeff Smith's homebred **Rapid Water (GB) (Anabaa)**, an Andrew Balding-trained son of the triple Group 1-winning sprinter Lochsong (GB) (Song {GB}) whose half-brother Lochridge (GB) (Indian Ridge {Ire}) was third in the 2003 G2 Diadem S.

**1.30 Newmarket, Mdn, £10,000, 2yo, 1mT**

**HYADES (Aldebaran)** is the latest progeny of Lingerie (GB) (Shirley Heights {GB}) to hit the track for the Niarchos family-Henry Cecil connection responsible for the high-class close relatives Shiva (Jpn) (Hector Protector) and Light Shift (Kingmambo). The homebred colt meets some talented rivals with experience in the maiden won in recent times by Proclamation (Ire), including Sheikh Hamdan bin Rashid Al Maktoum's listed-placed **Mustaqer (Ire) (Dalakhani {Ire})** from the Barry Hills stable.

**2.00 Newmarket, Mdn, £10,000, 2yo, 1mT**

**DREAMCOAT (GB) (Pivotal {GB})** is a Cheveley Park Stud half-brother to the farm's G1 Champion S. contender Pipedreamer (GB) (Selkirk), who has won this year's G2 York S. and finished third in the G1 Prince of Wales's S. and G1 Eclipse. John Gosden introduces the homebred against the experienced Juddmonte homebred colt **Legislate (GB) (Dansili {GB})**, a Barry Hills-trained half-brother to the 1992 G1 Grand Criterium winner Tenby (GB) (Caerleon).

**2.35 Newmarket, Cond, £20,000, 2yo, 1mT**

**ON OUR WAY (GB) (Oasis Dream {GB})** takes a class drop in this Houghton Conditions S. which has thrown up two **☆ "TDN Rising Star" ☆** in the past two years in Proponent (Ire) and Kandahar Run (GB). Like the latter, he is trained by Henry Cecil and has already shown his class with a latest third in the G2 Royal Lodge S. at Ascot last month. He encounters the impressive course maiden winner **Ra Junior (Rahy)**, who races for the Roldvale-Brian Meehan combination successful with the likes of David Junior in recent years.

**3.55 Redcar, Mdn, £3,500, 2yo, 1mT**

**STORMING SIOUX (GB) (Storming Home {GB})** is the next filly to emerge from the production line of the top-class Sueboog (Ire) (Darshaan {GB}) and makes her debut for the William Haggas barn in a low-key affair at this seaside venue. Mohamed Obaida's homebred filly is closely related to his star performer Best of the Bests (Ire) (Machiavellian), who took the 2002 G1 Prix d'Isphahan and was placed four times at the highest level.

**8.40 Dundalk, Mdn, €15,000, 2yo, c/g, 1m (AWT)**

**FRANCISCO GOYA (IRE) (Galileo {Ire})** is one of two unraced bluebloods to represent Ballydoyle in this intriguing affair. The three-parts brother to the 2003 G1 Prix Saint-Alary heroine Fidelite (Ire) (In the Wings {GB}) is the choice of Johnny Murtagh. His Montjeu (Ire) yearling sibling sold to Demi O'Byrne for €240,000 at Goffs last month and he carries the silks of Derrick Smith, who along with Susan Magnier, Michael Tabor and Betty Moran, also owns **Augustusthestrong (A.P. **TAMAYUZ'S FEE SET AT €15,000** Dual Group 1 winner **Tamayuz (GB)** (Nayef--Al Ishq {Fr}, by Nureyev) will stand his first season at Sheikh Hamdan's

*Derrinstown Stud photo*

Derrinstown Stud in Ireland for a fee of €15,000. A winner of five of seven starts and nearly \$1 million in earnings, the three-year-old Tamayuz established himself as a top miler with wins in this year's G1 Prix Jean Prat, G1 Prix Jacques Le Marois and G3 Prix de Fontainebleau. "He was a very fast, beautiful horse who is very correct and was a joy to train," said his trainer, Freddy Head. "He was also a real champion. What more can I say?" Derrinstown General Manager Stephen Collins added, "In

Tamayuz, we have the genuine article. He was unbeaten at two and a dual Group 1-winning miler at three. It's impossible to fault him on pedigree or performance, and we are all very excited that he's coming to Derrinstown. We've pitched his fee very competitively and are expecting a big response from the industry. We've already had a lot of interest from European breeders and his first book looks like being something special."

**STRIKE CONTINUES TO WIPE OUT MAJOR**

**RACES** Italian racing's crisis deepened yesterday after a meeting at the government offices failed to offer a solution to the striking racing fraternity, ruling out the weekend action which was set to feature two Group 1 races in Milan. With no racing since last Wednesday, the prospect of a return to action in the near future was put in doubt yesterday as government officials ruled out an instant solution to insufficient betting turnover and financial support for the industry. While the proposals for two commissions for studying the betting system and restructuring racing were a move forward, the industry's representatives were in dismay after learning that turnover and prizemoney could fall further in 2009. Strike action had already claimed last week's G1 Premio Vittorio di Capua, G3 Premio Sergio Cumani and G3 Premio Dormello and Sunday's G1 Gran Premio del Jockey Club, G1 Gran Criterium and G3 Premio Omenoni have now also been lost.

### ARQANA MOVES BREEZE-UP SALE TO MAY

French auction company Arqana has made the decision to move its breeze-up sale from mid-April to the second Saturday in May, on the eve of the G1 Poule d'Essai des Poulains and G1 Poule d'Essai des Pouliches. "We have taken into account the opinions voiced by vendors and buyers at this sale through a survey conducted after the 2008 renewal," Arqana President Eric Hoyer explained. "Furthermore, the evolution of the market for two-year-olds in training, and our experience of it, has convinced us that a later date, linked to a race meeting of international significance, would lead to improvement in the quality and consistence of the offer, as well as attract a wider buying bench."

**JARA TO RIDE FOR WATSON IN DUBAI** Fernando Jara, who captured the 2007 G1 Dubai World Cup aboard Invasor (Arg), is returning to the scene of his most lucrative triumph after being appointed one of Doug Watson's jockeys for the 2008-09 UAE season. The Panamanian jockey gained favor as trainer Kieran McLaughlin's go-to rider in the U.S. in 2006, the year he won the GI Belmont S. on Jazil and GI Breeders' Cup Classic on Invasor. Both Jazil and Invasor carried the colors of Sheikh Hamdan's Shadwell Stud and were trained by McLaughlin, who apparently was instrumental in Jara's move to Dubai. Watson, who won his second UAE trainers' title in March, and was a former assistant to McLaughlin at Nad Al Sheba, explained the situation, while looking forward to having the services of the 21-year-old. "I was approached by Kieran and [Shadwell General Manager] Rick Nicholls to see if I'd be keen on having Fernando, who was riding in Panama at the time," said Watson. "Naturally I was pretty excited, as Fernando has won a lot of group races and is an extremely talented rider, so then Sheikh Hamdan gave it the ok, which is great news. He rode for me at Nad Al Sheba when he wanted to get a feel of the track before riding Invasor, and I remember being very impressed." Despite his big-race successes, Jara's career stalled after he suffered an injury, and he has spent much of the time finding his feet again back in Panama. "I think he's just had a bit of bad luck more than anything else," Watson continued. "He broke his shoulder in a bad fall at Hollywood Park a year ago, and hasn't really got back on track since. But I think Dubai will really suit him, and he'll be our number one rider for the first part of the season, before Richard Hills gets here in January."
