

**EVERYTHING SHE DOES IS MAGIC**

Everyone flocked to Southern California to see leading lady **Zenyatta** (Street Cry {Ire}) strut her stuff on Day One of the Breeders' Cup Championships at Santa Anita, and the towering filly lived up to the billing,

Sarah K Andrew

closing a perfect season with a thrilling last-to-first 1 1/2-length victory over **Cocoa Beach (Chi)** (Doneraile Court) in the the GI Ladies' Classic. Still in eighth through three-quarters in 1:11.08, jockey Mike Smith pushed the button on the turn for home, and the big filly responded, circling the field six wide and outkicking the game runner-up to the wire. "She's just amazing," jockey Mike Smith said. "As soon as we got away in good order, I knew it was good. I knew [her run] was

there any time I asked her. I've never seen a horse go past other horses like this filly can. She sets herself up to come to them, and she just blazes by them. That was a field of world-class fillies. I've been on other horses that have speed and can pass other horses, but none like her." Cont. p2

**GIRLS GONE WILD**

It may have been criticized by traditionalists at the time, but the decision to run an all-female Breeders' Cup card on Friday made for quite an exciting day of racing. The seven-furlong F/M Sprint began the festivities, with Juddmonte's **Ventura** (Chester House) blazing the way home over champion **Indian Blessing** (Indian Blessing) in a scorching 1:19.90. **Laragh** (Tapit) looked to be home free in the stretch of the Juvenile Fillies Turf, but got tagged late by **Maram** (Sahm), who won it in a photo over European raider **Heart Shaped** (Storm Cat). **Stardom Bound** (Tapit) concluded a championship season with a visually impressive come-from-behind victory in the GI Juvenile Fillies. It looked like anybody's race as they came charging down the stretch in a thrilling renewal of the F/M Turf, but it was the gray **Forever Together** (Belong to Me) who came out on top by 3/4 of length over Canadian champion **Sealy Hill** (Point Given). **Zenyatta** put the finishing touches on a perfect day. "The horse racing fans of Southern California and sports fans around the world responded enthusiastically to the new format for Championship Friday," Breeders' Cup President/CEO Greg Avioli said. "This was a day of amazing performances on the track, led by **Zenyatta's** spectacular Ladies' Classic, and a perfect start to the 25th Breeders' Cup World Championships."

**CLASSIC CONFRONTATION**

**Curlin** (Smart Strike) has already conquered the world, but can he continue to shine on the all-weather? That is the question on everybody's mind, including his conditioner, Steve Asmussen. "Will he run his race on a synthetic surface," trainer Steve Asmussen asked. "That's the huge question. And that's why all the handicappers don't have him picked [on top] in the selections. You wouldn't see that if this race were on the dirt." Along with tackling the Pro-Ride, **Curlin** figures to have his hands full with synthetic specialist **Go Between** (Point Given), European invaders **Duke of Marmalade (Ire)** (Danehill), **Henrythenavigator** (Kingmambo) and **Raven's Pass** (Elusive Quality), as well as sophomores **Casino Drive** (Mineshaft) and **Colonel John** (Tiznow).

**A PERFECT ZEN!**

Zenyatta was tabbed as a ☆ **"TDN Rising Star"** ☆ following her unveiling last November, and just continues to amaze. Following an allowance win last December, the Moss colorbearer kicked off her four-year-old

campaign with a win in the GII El Encino S. Jan. 13, then shipped to Oaklawn for a dazzling 4 1/2-length tally in the GI Apple Blossom H. Apr. 5. Exclusively raced in Southern California since, Zenyatta added victories in the May 31 GII Milady H., July 5 GI Vanity H., Aug. 2 Clement L.

Hirsch H. and entered the Ladies' Classic off a 3 1/2-length tour-de-force in the GI Lady's Secret S. Sept. 27. She ran her record to nine-for-nine yesterday, and may be coming back for more as a five-year-old. "I mean, she's just too good not to run again," owner Jerome Moss said. "But we have to talk about all that and see. Obviously, she deserves a rest, and then we go from there."

## SHE'S GOING THE DISTANCE

**Forever Together** (Belong to Me) had never been beyond nine panels, but it turns out that a mile and a quarter is well within her scope. The grey filly rated in seventh as **Folk Opera (Ire)** (Singspiel {Ire}) led them along through soft fractions of :50.02 and 1:14.78. She angled outside as they straightened for home and swept past the leaders to get to the front in the final strides. Canadian champion **Sealy Hill** (Point Given) was closing fast, but had to settle for second over a game **Wait a While**. "She was relaxed...and, like usual, she made that kick at the end," winning jockey Julien Leparoux said. "She's amazing, probably one of the best I ever rode." The winner of the GII Forward Gal S. on the Gulfstream main track at three, Forever Together was switched to the lawn this spring. It has proven a most profitable plan of action. The Augustin colorbearer sandwiched two third-place finishes between a triple-decker of victories in the May 17 Reluctant Guest S. at Arlington, July 26 GI Diana S. at Saratoga and Oct. 3 GI First Lady S. at Keeneland. Off at 9-2 to add another Grade I to her coffers, she bided her time off what should have been a disadvantageously slow pace, then drove past the speed for a narrow score. "You don't know if they'll go a mile and a quarter until you try," trainer Jonathan Sheppard said, but added, "My only concern was with her style of running with the firm turf and the tight turns." Favored **Halfway to Heaven (Ire)** (Pivotal {GB}) pressed the pace, but faded to be seventh. Princess Patricia (Aptitude), a stakes-placed half-sister to Forever Together, and her First Samurai weanling, will be offered at the upcoming Keeneland November sale. She is in foal to Hard Spun.

**SUPERSTAR!**

She got pinched at the start, but was it really even going to make a difference? Charles Cono's **Stardom Bound** (Tapit) followed her eye-catching, out-of-the-clouds victories in the GI Del Mar Debutante S. Sept. 1 and GI Oak Leaf S. Sept. 27 with another gem in yesterday's GI Breeders' Cup Juvenile Fillies. With regular pilot Mike Smith along for the ride, Stardom Bound took her usual spot toward the back, sitting in 12th as **C. S. Silk** (Medaglia d'Oro) led

*Sarah K Andrew*

through :22.77 and :45.92 fractions. The massive gray enhaled the field on the turn for home, opened a clear lead in the stretch and held **Dream Empress** (Bernstein) and **Sky Diva** (Sky Mesa) safe. "Even though I got pinched at the start, she got away in pretty good order," Smith offered. "Believe it or not, I was very confident down the backstretch.

Every time I moved my finger, she was right there. It was a matter of pulling the trigger. It was a little soon on my part, but I planned only for the fact that the inside horses were making their moves and were going to wheel out. If they wheeled out, they'd have taken me three or four wide, so I needed to make the move when I did, and I got the jump on them. I knew she was capable today. It was a phenomenal performance."

Trainer Christopher Paasch added, "Her late run is devastating. She tears their hearts out. In three straight Grade I races now, she come from 15 lengths out of it and won exactly like she did today." Stardom Bound has been catalogued for the upcoming Fasig-Tipton November sale Nov. 2, but Paasch hinted, "I would think that clinches the two-year-old championship, but I'm not going to Disneyland, I'm coming back to the Breeders' Cup next year."

**VENTURA GETS THE PARTY STARTED**

Juddmonte homebred **Ventura** (Chester House) came blazing down the Santa Anita stretch to blow past champion **Indian Blessing** (Indian Charlie) to win yesterday's Filly & Mare Sprint by a sparkling four lengths. Settled toward the back as **Dearest Trickski** (Proudest Romeo) and Indian Blessing mixed it up through fractions of :22.26 and :44.02, Ventura looked like she was launched out of a cannon on the turn for home, picking off horses one-by-one as Indian Blessing gained command. With Garrett Gomez aboard, Ventura ran past last year's GI Breeders' Cup Juvenile Fillies winner in

*Sarah K Andrew*

midstretch like she was standing still and drew off to win for fun. "When I heard that she broke slow, I was a little worried, but when she was running on the turn, I felt a lot better," trainer Bobby Frankel said. "She showed a great, great turn of foot and she really likes the synthetic track. [Gomez] said he just waited until he felt she was ready to give it to him. When he let her run, she just exploded."

**Ventura's Grass Form Translates...**

It's no secret that good turf form often translates well to the synthetics, and Ventura certainly proved that theory with an exclamation point in the Breeders' Cup opener. The imposing dark bay made 11 of her 14 previous starts on the green stuff, and held very solid company. Winner of the GI Just a Game S. on the Belmont S. undercard, she came within a nose of getting her picture taken in the GII CashCall Mile Invitational S. at Hollywood July 5. Taking on the boys in the Sept. 7 GI Woodbine Mile, Ventura ran a big one to complete the exacta, finishing ahead of reigning GI Breeders' Cup Mile hero Kip Deville (Kipling). The daughter of Estala (GB) (Be My Guest) made three prior attempts over man-made surfaces. She debuted back in October of 2006 with a sixth-place finish over the Lingfield Polytrack, but has been lights out since. Ventura closed out her European campaign with a tally in the Listed Hyde S. over the Kempton Polytrack last November, and was a one-length victress at Keeneland in the GII Vinery Madison S. in April. "I thought this was the best race for her," Frankel said of his decision to run in the F/M Sprint. "It looked like it was going to set up for her with all the speed. And, obviously I thought about it, but not for very long. This was basically a race we were planning on."

**IT'S BROWN'S TOWN**

It's been quite a year for 29-year-old conditioner Chad Brown. The former assistant to Bobby Frankel and Shug McGaughey capped his first season on his own with a dramatic win in the inaugural Breeders' Cup Juvenile Fillies Turf with **Maram** (Sahm). The dark bay, who

**Maram (right)**  
Sarah K Andrew

RNA'd for \$9,5000 as a KEENOV weanling, debuted with a \$75,000 maiden claiming victory at Belmont Aug. 25 and stayed perfect with a neck victory in the GIII Miss Grillo S. Oct. 1. Sent off at double-digits with Jose Lezcano in the irons here, Maram raced in seventh as favored **Laragh** (Tapit) carved

out :22.53 and :45.82 fractions. Laragh had a 2 1/2-length lead with an eighth of a mile to go, but couldn't withstand the rallying duo of Maram and **Heart Shaped** (Storm Cat), who were only separated by a nostril on the line. "It's unbelievable, I can't believe it," Brown said. "My grandfather passed last Tuesday and they told me they were going to lay him to rest today. And I couldn't be there, and I knew it meant we were going to win. [Maram] didn't get the respect she deserved because I ran her for a tag the first time. But it really doesn't matter; the numbers said she was good enough. The two guys I worked for [McGaughey and Frankel] told me she belonged, and I think she belonged, and she did." European invader Heart Shaped, last seen finishing fifth in the six-furlong G1 Cheveley Park S., passed her two-turn debut with flying colors. "She ran a great race, absolutely," trainer Aidan O'Brien said of Heart Shaped. "We always thought she was a nice filly. I thought Johnny [Murtagh] gave her a brilliant ride. She was closing all the time, and she's a filly who has only been running five and six furlongs. She's a filly to look forward to next year now with this race."

**The Dirt on Rebellion...**

Eighth in the GI Breeders' Cup Mile on the grass last year, **Rebellion (GB)** (Mozart {Ire}) will try the Dirt Mile this year. The five-year-old has been first or second in seven of his nine synthetic track appearances, including a runner-up finish in the Aug. 24 Gil Pat O'Brien H. going seven panels at Del Mar. Fourth in the Sept. 24 Gill Morvich H. on the turf at Oak Tree last time out, the bay was looking sharp Friday. "Rebellion is feeling his oats," trainer Graham Motion said. "He bit my knee and my finger. He bit me on the knee when I was on the pony and my finger when I was holding him for a bath. I guess he's feeling good, anyway."

**Blow Out for Dancing Forever...**

Trainer Shug McGaughey sent GI Breeders' Cup Turf hopeful **Dancing Forever** (Rahy) out for a pipe opener yesterday morning, letting the chestnut dash off three furlongs in :36 2/5 with exercise rider Jennifer Patterson aboard. "He's just so laid back that I try to put him in his game a little bit," the Hall of Fame trainer said. "The only time I haven't done it was his last race McGaughey is confident his charge will handle the Santa Anita course. "He ran good around a short course at Gulfstream, so that won't really bother him," he said. "I don't know what he's going to do coming off that hill and onto the dirt, but he'll be following. They've always told me the only horses that have a problem with it are horses on the lead. If they're following, they won't."

Atoned had finished second in half of his career starts heading into this, including tough defeats in last term's GII Remsen S. in November, the GIII Tampa Bay Derby in March and the Long Branch Breeders' Cup S. in July. The Dogwood colorbearer followed a well-beaten sixth in the GI Haskell Invitational Aug. 3 with a respectable fifth in the GII Pennsylvania Derby Sept. 1. Settled in fifth for most of the way, Atoned made a strong move to gain command in the stretch, but became leg weary late, and had to dig down deep to hold off Ready Set. "I started asking him past the three-eighths pole, and he started picking it up pretty good," winning rider Chris DeCarlo said. "He has a tendency to wait on horses a little bit, so when we needed the lead at the three-sixteenths pole he kind of idled. He didn't completely pull up, but he idled a little bit and I was lucky at the wire ending up where I was. Racing luck has something to do with it, too."

Roshani had tried out the Santa Anita turf course once before, winning an optional claimer going a mile back in March. The dark bay had raced sparingly since, finishing fourth in the Apr. 12 GII Jenny Wiley S. at Keeneland, then capturing the May 17 GIII Gallorette S. at Pimlico. Sidelined after that effort, she returned to be seventh behind subsequent GI Breeders' Cup F/M Turf heroine Forever Together after a rough start in the Oct. 3 GI First Lady S. on the Keeneland lawn. Roshani was settled in the middle of the pack through six furlongs in 1:10.30, then hit the gas and prevailed in a blanket finish. "I wanted to wait as long as I could, because when she makes the lead too early, she waits on the other horses," jockey John Velazquez said. "It couldn't have turned out any better, but I thought maybe I had waited a little bit too much and that we wouldn't be able to catch them. But it worked out in the end, she ran great." Roshani will go through the ring at the upcoming Keeneland November sale.

Aidan O'Brien saddled Saratoga Springs, Aristotle (Ire), High Chaparral (Ire) and Brian Boru (GB) to success from 1997 to 2002, but has gone winless since. He looks to put that right with a trio headed by the ☆ **"TDN Rising Star"** ☆ **Masterofthehorse**. After a second to the subsequent Goffs Million runner-up Gan Amhras (Ire) on debut at Naas July 23, he was impressive when breaking his maiden at Gowran Park Aug. 5. The colt finished a half-length behind Sea the Stars (Ire) in the G2 Beresford S. at The Curragh last time out Sept. 28. His trainer believes there is more to come. "We didn't really get serious with him until after the last day," O'Brien told *PA Sport*. "His work has been more serious now and we've been very pleased with him. It's going to be very interesting to see what's going to happen, but looking at him at home and looking at everything, he definitely has stepped forward." Mark Johnston is hoping get the better of that rival with **Jukebox Jury**, another with ☆ **"TDN Rising Star"** ☆ status. He put two defeats in France behind him with a battling 3/4-length success over Cityscape (GB) in Ascot's G2 Royal Lodge S. last time Sept. 27. "He has had a nice break since Ascot and it is really the perfect gap between the races," Johnston told *PA Sport*. "We have always thought very highly of him, and he was running in group races at an early stage of his career. He has proven himself over the mile and stays every inch of the trip."

**Sri Putra** beat The Cheka (Ire) in the G3 Solario S. at Sandown Aug. 30 before disappointing when only eighth in the Tattersalls Million at Newmarket on his latest outing Oct. 4, where **Crowded House** was second. The former's trainer Michael Jarvis is expecting progress at this extra distance.. "He's out of an In the Wings mare and he's been wanting another furlong," Jarvis told *PA Sport*. "The ground was quite quick at Newmarket on that particular day, and he didn't handle it very well running into the Dip."

The conclusion of the GI Breeders' Cup Classic won't mark the end of the day's graded stakes action at Santa Anita. **Madeo** posted consecutive wins in his second and third starts, but disappointed at 1-5 in the Alydar S. at Hollywood Park May 24, where he finished second by a neck to **Trevor's Clever**. After trailing throughout to finish last of four to **Tres Borrachos** in the GII Swaps S. July 12, the bay colt was fourth after steady-ing early in the GII La Jolla H. Aug 9. The breakthrough came in his next start, as Madeo saved ground and angled two-wide into the stretch to post a 10-1 upset in the GII Del Mar Derby Aug. 31 most recently. **Muny** will face the sternest test of his brief career, as he enters off consecutive wins against lesser. He broke his maiden over the Polytrack at Del Mar July 28, then set to the pace to capture an entry-level allowance over the Del Mar turf Aug. 23 the last time he faced the starter.

5	Royal Challenger	Touch Gold	Lynch	9-2

**Seaside Retreat** could find himself on the lead by default in the Sky Classic, a race that's devoid of early speed on paper. The five-year-old gelding won an open allowance race by a head over Polytrack at Woodbine July 13 before he stalked to win the GII Nijinsky S. back on the E.P. Taylor turf at Woodbine Aug. 4. Both victories came in races with little pace. He acquitted himself well against Grade I competition in his last two starts, having finished third by a half-length in the Northern Dancer Sept. 7 and fourth by 3 1/2 in the Canadian International Oct. 4. **Spice Route**, fifth in the Northern Dancer and second in the Canadian International, has made four starts in North America, and has a two-length victory in a Woodbine allowance Aug. 21 to his credit since he was imported from Great Britain. **Lauro** could improve off his even seventh in the Canadian International. That was his first start outside his native Germany, where he placed in several group events.

**Q.** What have they all got in common?  
**A.** Highly promising 2YO fillies by Montjeu.

**John Gosden/Hamdan Al Maktoum**

**MOOAKADA** won on debut at Newmarket on Oct 17.

“MOOAKADA, representing a yard with a good record in this race, caught the eye in the paddock....one of only two fillies in the race but travelled well before cruising into contention on the run into the dip. She found what was required when asked and looks to have a future over middle distances. Her trainer clearly thinks so, as he was talking in terms of the Pretty Polly and the Oaks next year.”

RACING POST, 18/10/08

**John Gosden/Khalid Abdulla**

**TAKE THE HINT** won at Yarmouth on Oct 21.

“A fair fillies' maiden run in a time 1.69sec quicker than the first division....TAKE THE HINT shaped well from a poor draw on her debut over 7f at Newmarket and confirmed that promise with a performance even better than the bare result suggests.....She gave the impression this run will bring her on significantly again and she rates as a decent middle-distance prospect.”

RACING POST, 22/10/08

**Andre Fabre/Gestut Ammerland**

**HEART OF ICE** won on debut at Longchamp on Oct 19.

“HEART OF ICE finished strongly on her debut to catch Board Meeting in good time for the line.” EBN, 20/10/08

**Sir Michael Stoute/The Queen**

**ENTICEMENT** won on debut at Nottingham on Oct 1.

“ENTICEMENT, a 310,000gns daughter of Montjeu, got off the mark at the first attempt ..... she gave the impression she can improve significantly over middle distances next year.” RACING POST, 02/10/08

**David Elsworth/Jeff Smith**

**SNOQUALMIE GIRL** won Stonehenge Stakes-L.R. and found only Rainbow View (Champion 2YO filly elect) too good in the May Hill Stakes-Gr.2.

“Won 17-runner maiden at Newmarket and 8-runner listed event at Salisbury both in August: creditable 2 lengths second to impressive Rainbow View in May Hill Stakes at Doncaster.... will stay at least 1¼m: acts on soft and good to firm ground.” Timeform Blackbook, 06/10/08

# Montjeu

“Montjeu is already on the way to overtaking his sire as a source of top-class horses....It is worth pointing out that Montjeu had two top class fillies in his first crop in **Montare** and **Dash To The Top** [along with Ribblesdale winner **Mont Etoile** in his second], and that even if he has sired more top class colts than fillies to date, Montjeu fillies are still a great deal better than those of most sires”

**QUEEN JOANNE (f, 4, Mr. Greeley--Heat Lightning, by Summer Squall)**, a half-sister to Stevie Wonderboy (Stephen Got Even), Ch. 2yo Colt, GISW, \$1,058,940, was runner-up in the grassy Pebbles S. at Belmont Park last October, but was shelved off a fourth in the Nov. 9 Scoot S. at nearby Aqueduct. Third in Saratoga allowance company on her return to the races Aug. 1, the \$350,000 KEESEP yearling purchase was seventh as the favorite in a division of the Revidere S. at Monmouth Sept. 14 and was last seen finishing runner-up in a Meadowlands allowance Sept. 30. Favored at 2-1 in her Polytrack debut, the bay raced in the latter half of the field early on, took command three wide on the turn and was all out to hold off Trensa (Giant's Causeway) by a half-length. Fourth in a June 28 turf heat in Louisville, the homebred was ninth over the Saratoga weeds Aug. 16, but got back in the win column with a score at Kentucky Downs Sept. 22. Rested since, the half to Elope (Gone West), GSP; and Initiation (Deputy Minister), SW, \$121,463, drew the rail for this comebacker. English Colony won his first four starts once he was switched to turf sprints, including the Inside the Beltway S. at this track last July and the Lights and Music S. Sept. 9. Fifth in the Gil Kelso H. later that month, the bay ridgling was off nearly a year, returning to finish a disappointing 10th in the Sept. 1 Quick Call S. at Saratoga. Favored to atone for that defeat, English Colony was allowed a fairly easy time of it on the front end, responded when set down for the drive and took it handily. The chestnut put blinkers back on to graduate at the Seaside Sept. 1 and was a respectable third in his first try against winners at this track Sept. 28. Drawn on the outside in stall 14, he prompted the pace four wide, took command into the stretch and stayed on gamely for a 3/4-length score over Be Realistic (Arg) (Incurable Optimist). The winner, a \$57,000 KEENOV weanling, resold for \$105,000 as a KEESEP yearling. **Siphonizer Rescued By Old Friends:**

**Siphonizer** (Siphon {Brz}-Thesky'sthelimit, by Northern Prospect), who won the GII Del Mar Futurity in 2003, but had dropped so far down the ladder that he was competing for a \$4,000 tag, has been claimed, retired and sent to Old Friends in Georgetown, Kentucky. The seven-year-old was rescued by Becky Witzman, who was assistant to trainer Richard Mandella when Mandella saddled him to his Del Mar Futurity score. "He was a good horse and he was just one of my favorites," says Witzman. "He was very personable. He learned how to nicker for attention and carrots from another horse in the barn, and so every morning when I arrived in the dark I would hear him calling for a treat." Now the producer of HRTV's *Race Day America*, the horsewoman had kept tabs on the gelding. "I had been trying to watch him over the years," says Witzman. "And I just kept seeing him drop and drop and drop. Then, seeing him in a \$4,000 claimer, I just thought isn't this enough? So I called Michael Blowen [founder and president of the retirement facility] and asked how a horse gets to Old Friends." Witzman and Blowen enlisted the help of Maggi Moss, who had owned Siphonizer at one point. She agreed to put up the \$4,000 to make the claim and, after finishing fourth at Remington Park Oct. 19, the bay had a new home. Steve Asmussen dropped the slip, and trainer Eoin Harty pitched in as well, giving the veteran a ride on the private van he'd hired to transport Tiz Now Tiz Then back to Keeneland after his runner-up finish in the Remington Park Derby. Siphonizer arrived in Kentucky last Tuesday, and he will be bedded down at Jude Feld's Chestnut Farm in Versailles until funds can be raised to complete the paddock fencing at Old Friends. "This is an outstanding example of racing people coming together to do the right thing," said Blowen. "And the fact that Steve Asmussen and Eoin Harty could take time out from their schedules just days before the Breeders' Cup is truly amazing. We can't thank everyone enough for their help and their commitment to the horses. Siphonizer will have a great home here at Old Friends."

Taking her place in an open-looking maiden as the 6-1 joint-second favorite, Leocorno found herself towards the back of the pack early and was forced to wait passing halfway trapped behind rivals on the rail. Angled out for her run by Richard Mullen passing the quarter pole, the homebred produced a powerful surge to overwhelm Queen Eleanor (GB) (Cape Cross {Ire}) inside the final 50 yards and score by 3/4 of a length. "She's very professional and has done it very well," her jockey commented. "She's got a lovely pedigree, and Sir Michael knows what he's doing with this family. She's a very nice filly for the future." **HARSH REALITY AT AUTUMN FINALE**

Goffs was left reeling yesterday as the second session of their Autumn Sale, devoted to yearlings, suffered from a mere 35-percent clearance rate and a poor €3,915 average. One ray of sunshine was provided by the sale of hip **367**, a Derrinstown Stud-consigned son of Green Desert that brought €40,000. He boasted an excellent page, with his second dam being the 1994 G1 Irish 1000 Guineas heroine Mehthaaf, who has also produced 2001 G2 Premio Lydia Tesio scorer Najah (Ire). The yearling was purchased by Paul Deegan. Deegan also snapped up Whitethorn Stud's hip **441**, a daughter of King's Best out of a full sister to the 1994 G2 King Edward VII S. winner Foyer (GB) who at €30,000 was the top-priced filly of the day. Commenting at the conclusion of the two-day auction, Goffs Chief Executive Henry Beeby said, "We were perfectly satisfied with trade at yesterday's Horses In Training Sale. The yearling sale, on the other hand, has unfortunately been extremely hard work, not withstanding the top price of €40,000. Concerns about overproduction have been aired for some time now and, sadly, the reality of the issue was seen quite bluntly today. Couple that with the recent world financial downturn and we were always going to be up against it. Frankly, we will have to seriously reconsider the validity of holding this sale in future." *Consigned by Union-Gestut*

Despite her advancing years, this listed-placed dam of the smart Lightning Strike (Ger) (Danehill Dancer {Ire}) should command attention as a half to the dam of this year's G1 Prix de l'Opera heroine Lady Marian (Ger) and group scorer Lucidor (Ger). From the family of the champions Lomitas (GB) and Lavirco (Ger), she is in foal to the multiple Group 1 hero Soldier Hollow (GB) (In the Wings{GB}).
