LIGHTNING 'BOLT'

Bolt d'Oro | Zoe Metz photography

Trainer Mick Ruis was off to a dream start for the fall meeting at Santa Anita after saddling a three-bagger on Friday's opening-day program. Just when Ruis thought that things couldn't get any better, they did just that Saturday afternoon when **Bolt d'Oro** (Medaglia d'Oro) turned on the afterburners in the stretch of the GI FrontRunner S. and stamped himself the early favorite for the GI Breeders' Cup Juvenile at Del Mar five weeks down the road.

"This was pretty cool," said Ruis. "We thought he was going to run a good race. We thought he could run two turns, and now we know he can. Our goal was this race and the Breeders' Cup, and then give him a chance to grow up. Hopefully what dreams are made of is what this guy might be able to get us to."

Perfect in his two career tries heretofore, including a 3/4-length defeat of **Zatter** (Midnight Lute) when last seen in the GI Del Mar Futurity Sept. 4, Bolt d'Oro was better into stride than he was on that latter occasion and was always traveling like a winner beneath Corey Nakatani. Allowed to glide into the lead nearing the exit to the turn, he cornered just a bit wide into the stretch, but turned it on from there to win by daylight. **Solomini** (Curlin) raced about four wide the whole trip and stayed on nicely to be second ahead of **Take the One O One** (Acclamation) in third.

"We learned that he could break today," Ruis added. "We always knew he could, but we didn't want him to think he was a sprinter in those other races so I think we're on the right track."

'CHAD-ZACTAS' UP AND DOWN THE COAST

This just in: Chad Brown can train a little.

It was just another day at the office for the Brown stable, which, in addition to a considerable contingent that was set to run out of the barn at Belmont Park, also deployed resources for the day's turf races at Laurel Park. That raid proved successful, as **Rymska (Fr)** (Le Havre {Ire}) and **Taperge** (Tapit) completed a 1-2 finish for the barn in the GIII Commonwealth Oaks, while Juddmonte Farms' **Projected (GB)** (Showcasing {GB}) led home **Catapult** (Kitten's Joy) in the GII Baltimore Washington International Turf Cup one race later. The piece de resistance came a little more than 90 minutes later when GI Arlington Million winner **Beach Patrol** (Lemon Drop Kid) and **Fanciful Angel (Ire)** (Dark Angel {Ire}), a new addition to the stable following his runner-up effort in Chicago, scooped the lion's share of the prize money in the GI Joe Hirsch Turf Classic Invitational. **Cont. p4 (click here)**

Qatar Racing's Roaring Lion remained undefeated with a win in the Juddmonte Royal Lodge Stakes (G2) at Newmarket. The impressive victory has many pegging him as perhaps the best juvenile in England. His next start is likely to come in the Breeders' Cup Juvenile Turf (G1).

Taareef, owned by Sheikh Hamdan bin Rashid Al Maktoum, was the second Group winner on the day for his sire.

It was GI Secretariat S. hero Oscar Performance who got the first call in the Hirsch, but 147-1 Converge (Sidney's Candy) took the bit and mustered for pace to take the field under the line for the first time. Jose Ortiz elected to take hold of Oscar Performance and Joel Rosario seized upon the opportunity, allowing Beach Patrol to stride into second, the first of two crafty tactical decisions that would play a role in the outcome of the race. The pace slackened through the middle stages, allowing those behind to take closer order, and with the chief protagonists sneaking into it from behind, Rosario let it out a notch at the three-eighths pole and kicked Beach Patrol into the lead. Showing particularly smart acceleration over a trip he'd not tried before, Beach Patrol put away Oscar Performance in the stretch and opened up to score handsomely with a final quarter-mile in :22.85. Fanciful Angel, midfield and traveling strongly for most of the opening 10 panels, nabbed Oscar Performance on the wire to snag second money. Sadler's Joy (Kitten's Joy) was a bit slow into stride and was conservatively ridden from the tail before finishing generously to be a sneaky good fourth. **Cont. p5**

Turf Classic cont.

The Hirsch was a Breeders' Cup 'Win and You're In' event for the GI Breeders' Cup Turf, and Brown is confident he is going into the race with a live chance.

"For a horse that a lot of people had question marks going a mile and a half, he was mighty impressive. I think he showed that he can run all day," Brown said. "He handled a little cut in the ground today from some of the rain we had, but he's not a horse that's ever shown me that he needs it. If anything, he's a firm-ground horse, so I'm not too worried about how he'll handle the track out there. I'd be more concerned about the competition. He's earned a place in the race for sure and he's formidable. As you know, it's an international event and he's won with Joel."

Winner of last year's Secretariat and second to stablemate Annals of Time (Temple City) in the GI Hollywood Derby, Beach Patrol was admirably consistent while failing to hit the winner's

circle in his first four runs this term, including a close fourth as the favorite in the 11-furlong GI United Nations S. July 1. With Rosario in the boot for the first time in Chicago Aug. 12, Beach Patrol became just the second horse to win the Secretariat and Million in consecutive years and made more history Saturday.

He joined John Henry and Sulamani (Ire) as the only horses to complete the Million/Turf Classic double.

Beach Patrol | *Adam Coglianesse*

Pedigree Notes:

Beach Patrol's dam, an unplaced full-sister to MGSW Allamerican Bertie and a half to MGSW & GISP Hurricane Bertie (Storm Boot) was purchased by Elm Tree Farm's Jody Huckabay as agent for \$90,000 while offered not in foal at the 2010 Keeneland November sale. The mare's first foal for breeder Nancy Shuford was Ras Abrouq (Malibu Moon), a \$205,000 Keeneland November weanling and \$450,000 Keeneland September yearling in 2012 and 2013, respectively. **Cont. p6**

Beldame S. cont.

Just as Todd Pletcher did a few years ago with GI Kentucky Oaks winner Princess of Sylmar (Majestic Warrior), trainer Bill Mott passed on a potentially very lucrative payday in last Saturday's GI Cotillion S. in favor of the GI Beldame S., her first try against older horses. On paper, Claiborne Farm and Adele Dilschneider's filly was the class of the race and, save for a few slightly anxious moments at the three-sixteenths pole, the homebred took care of business to punch her ticket to the GI Breeders' Cup Distaff. The Beldame was a Breeders' Cup 'Win and You're In' race for the headline event Friday, Nov. 3.

Drawn in gate one, Elate was away without incident and raced handy to the pace fought out in the early stages by Bishop's Pond (Curlin) and Money'soncharlotte. The latter made an aggressive move to challenge for the lead outside nearing the turn, but all the while,

Elate | Chelsea Durand photo

Elate was traveling on the bridle, full of run, in need only of somewhere to run. Verve's Tale (Tale of Ekati) made life a little bit interesting when sliding up the fence and momentarily leaving Elate in a bit of a jackpot, but when a sliver of daylight appeared, the filly exploded through with a turf-like turn of acceleration and put the race in her hip pocket.

"I was quite impressed with the acceleration she showed today when she did get through," said Mott. "I think that part of her has improved as the year's gone on. She's learning how to use her speed. We've had a good year. Anything we do from here on out is icing on the cake."

While not nearly in the same stratosphere as one-time Mott trainee Royal Delta (Empire Maker), there are some comparisons. Like that future Hall of Famer, Elate earned her Rising Star with a towering debut success, but had the wheels come off when eased in the GI Ashland S. **Cont. p8**

Beldame S. cont.

Brought along steadily by her conditioner, the dark bay swamped her rivals in Delaware's Light Hearted S. in June, battled divisional leader and GI Kentucky Oaks winner Abel Tasman (Quality Road) to a head in the GI CCA Oaks July 23 and came full circle by crushing next-out Cotillion winner It Tiz Well (Arch) in the GI Alabama S. when last spotted Aug. 19. Royal Delta won the 2012 Beldame by 9 1/2 lengths, but was beaten by Princess of Sylmar in defense of her title the following year.

Pedigree Notes:

Elate is one of 18 G1/GI winners for her sire and is bred on the Medaglia d'Oro/Forty Niner cross that is responsible for Hall of Famer Rachel Alexandra, two-time champion Songbird and MGSW tuffer New Money Honey. Her stakes-winning dam is one of 11 daughters of Distorted Humor to have produced a Grade I winner, including four in 2017 (New Money Honey, Arrogate, Practical Joke).

Claiborne's Seth W. Hancock purchased Elate's third dam, the Paul Mellon-bred MGSW & GISP Wild Applause (Northern Dancer), for \$1.025 million at the 1992 Keeneland November sale. She produced MGSW Roar, who is the broodmare sire of Rachel Alexandra, and Elate's second dam Yell (A.P. Indy),

winner of the 2003 GII Davona Dale S. and GIII Raven Run S. and third behind champion Bird Town in that year's GI Kentucky Oaks. In addition to Cheery, Yell is also responsible for GISP Chide (Blame).

Elate is the first foal out of Cheery, who failed to get back in foal to War Front, but produced a colt named Haunt (Ghostzapper) in 2016 and a Blame colt Mar. 8 of this year. The 8-year-old mare was bred back to Medaglia d'Oro this term.

Three-year-old 'TDN Rising Star' Takaful took Saturday's GI Vosburgh S. right to favored El Deal and tenaciously fought on after disputing a fast pace to win the 'Win and You're In' prep for the GI Breeders' Cup Sprint at Del Mar Nov. 4. No horse has won the Vosburgh and Breeders' Cup in the same year since Artax in 1999.

No better than the fourth betting choice off a solid runner-up effort behind Practical Joke (Into Mischief) in the GI H. Allen Jerkens S. at Saratoga Aug. 26, the homebred dark bay hit the ground running, but so too did El Deal, last-out romper (Beyer 112) in the July 29 GI A. G. Vanderbilt H. and the duel was on through an opening quarter-mile in :22.31. The battle continued into and around the turn as El Deal clung to a narrow advantage and Takaful was breathing down his neck after four furlongs in a testing :44.76. The chalk was giving all he had inside and still led into the final furlong, but Takaful would simply not go away, as he finally grabbed the pacesetter with 40 yards to go and went on to a hard-fought success. Stallwalkin' Dude came with a decent run from the back of the pack and had every chance in the final sixteenth of a mile, but couldn't catch the top two.

Vosburgh S. cont.

“He’s a special horse and I’m so happy to win a Grade I for Sheikh Hamdan bin Rashid Al Maktoum, Rick Nichols and all of Shadwell,” said trainer Kieran McLaughlin, whose previous win in the race came courtesy of 3-year-old Henny Hughes (Hennessy) in 2006. “They’ve been patient. We tried to go the [GI Kentucky] Derby route and it didn’t work, and they let us just get him right. [Assistant] Joe Lee and his team here at Belmont have done a great job. He’s a difficult horse in the mornings but a fun horse too when you end up in the winner’s circle. Jose rode a great race. It gives us confidence that he was successfully able to stalk.”

Named a Rising Star off a spectacular eight-length debut success last October, Takaful failed to sparkle in three starts around two turns and a well-beaten eighth to Gunnevera (Dialed In) in the GII Xpressbet Fountain of Youth S. Mar. 4 earned him a trip to the bench. Cut back to three-quarters of a mile for a July 21 Saratoga allowance, Takaful streaked home to score by 5 1/4 lengths and most recently set the early pace in the Jerkens, only to be run down late by the race favorite.

Takaful | Adam Coglianese photo

Pedigree Notes:

The 14th Grade I/Group 1 winner for his sire, Takaful is the first produce from an unraced half-sister to SW & GSP Ghaamer (Hard Spun). Third dam Shadayid was Europe’s champion 2-year-old filly of 1990 and was responsible for GSW & MG1SP Bint Shadayid (Nashwan), SW Imtiyaz (Woodman) and SW & GSP Al Shadiyah (Danzig). The latter is the dam of SW & MGSP Haatheq (Seeking the Gold) and GSW & GISP Farhaan (Jazil).

Sablah is the dam of 2-year-old colt Asdaaf (Medaglia d’Oro), a yearling colt by Daaher and a weanling daughter of Hard Spun. She was most recently bred back to Bernardini. Takaful is the 11th Grade I winner produced by a daughter of Distorted Humor and the fifth this year.

Making his first start since a fourth-place effort to his now-stablemate Arrogate (Unbridled's Song) in the G1 Dubai World Cup Mar. 25, fan-favorite Mubtaahij overcame a very wide trip to earn an elusive Grade I success in Saturday's Awesome Again S., offering the winner a fees-paid berth into the GI Breeders' Cup Classic.

Fairly into stride, the 5-year-old was looking to ease back into the latter half of the field when he was short of running room between Breaking Lucky (Lookin At Lucky) and Donworth (Tiznow), was taken up slightly and followed favored Cupid (Tapit) in the run around the first turn. Midnight Storm galloped the field along at a decent pace and by the time the Awesome Again field had reached the backstretch, Cupid was able to get in for some cover. The same could not be said for Mubtaahij, who traveled in the clear, but made good ground while forced to cover significant ground on the second turn. Midnight Storm was battling on gamely at the rail, but Mubtaahij, racing on his incorrect lead, came to tackle a furlong from home and managed to grind out the victory.

"The trip was great. I was really keeping my eye on Cupid and taking my cue from him," said winning jockey Drayden Van Dyke. "I was placed where I wanted to be and didn't start asking him until late. But when I asked him, he responded."

Mubtaahij adds to the embarrassment of riches that is the self-contained handicap division of Team Baffert. As many as five could make the gate for the Classic—defending champ Arrogate (Unbridled's Song), GI Pacific Classic hero Collected (City Zip), Cupid and GI Travers S. victor West Coast (Flatter).

"As long as they're healthy, I'll go to the Breeders' Cup. I don't want to jinx myself. I don't want to get too ahead of myself and it's a nice problem but like I said, they have to be training well and they've got to stay healthy."

Eight-length winner of the 2015 G2 UAE Derby while under the care of Mike de Kock, Mubtaahij was second to California Chrome (Lucky Pulpit) in the 2016 G1 Dubai World Cup. Subsequently transferred to Kieran McLaughlin last summer, the bay was third in the GI Whitney H. and second in the GI

Woodward S. before a fourth in the GI Jockey Club Gold Cup. Mubtaahij was runner-up in a Meydan handicap this past February ahead of his World Cup effort.

Pedigree Notes:

Mubtaahij is kin to a pair of black-type winners, including Lily of the Valley (Ire) (Galileo {Ire}), dam of Japanese Group 2 winner Vanquish Run (Jpn) (Deep Impact {Jpn}), a ¥190 million (\$1.88 million) purchase as a foal at the 2013 JRHA Select Sale. Mubtaahij is the 31st Grade I/Group 1 winner for his sire worldwide and joins 2015 World Cup winner Prince Bishop (Ire) as the sire's only other top-level winner on dirt. Dubawi is also the sire of Monterosso (GB) and Hunter's Light (Ire), winners of the World Cup on the Meydan Tapeta track. Pennegale's most recent listed produce is a yearling colt by Siyouni (Fr).

Avenge held on late to earn her second straight win in the Rodeo Drive S. and secured an automatic berth in the GI Breeders' Cup F/M Turf. The dark bay mare was under a snug hold as she chased pacesetting Goldy Espony through fractions of :23.72 and :47.50. She moved in tandem with Goodyearforroses to tackle the pacesetter after three-quarters in 1:11.34. Avenge scampered clear on the turn and further extended her advantage in upper stretch before holding off a host of late challengers. **Cont. p13**

HAY!

It's Hay Drive time at Thoroughbred Retirement Foundation and we're thinking of the Thoroughbreds in Puerto Rico whose hay and food supplies were wiped out by the recent hurricanes.

In the spirit of horse organizations helping each other, we will donate 50% of the hay drive donations that we receive between now and Sunday, Oct. 1st to our friends at Caribbean Thoroughbred Aftercare.

This money will be used to only provide hay to the hundreds of racing and retired Thoroughbreds living in Puerto Rico.

We recently partnered with the good people at Caribbean Thoroughbred Aftercare to bring former warhorse Immortal Wink back to the U.S. to live at our TRF Second Chances Farm in Ocala, FL and are happy to offer what help we can.

We ask that you give now in honor of Immortal Wink, TRF retired Thoroughbreds, and the racehorses in need in Puerto Rico.

“This feels very good,” admitted winning trainer Richard Mandella. “This is what we do this for. I was impressed that she settled off the leader and that she had such a good finish. I felt better about it at the quarter pole. When she exploded away from there, you could tell it was working. But she’s run so well on the lead, I wasn’t looking to change it, but Baffert’s horse took the place we were thinking of. It’s been frustrating because we couldn’t quite get her back to herself until now but, I think we do have her now and we hope we’re in as good of shape as we did last year.”

Avenge capped a three-race win streak with a victory in last year’s GI Rodeo Drive S. en route to a third-place effort in the GI Breeders’ Cup F/M Turf. She opened 2017 with a third-place effort behind Lady Eli (Divine Park) in the May 27 GI Gamely S. and was coming off a sixth-place finish in the Aug. 5 GII Yellow Ribbon H.

Godolphin purchased Avenge’s full-brother for \$995,000 at this year’s Fasig-Tipton Saratoga Yearling Sale. Leric’s now 2-year-old colt by Giant’s Causeway was purchased by Zayat Stables for \$675,000 at last year’s Keeneland September sale. The mare, a half-sister to the dam of GSW Grasshopper (Dixie Union), produced a colt by War Front this year and was bred back to that Claiborne stallion.

Chandelier S. cont.

Sporting a pair of Del Mar wins in two career starts, including a workmanlike score last out in the GI Del Mar Debutante, Moonshine Memories nonetheless had to take a backseat in the wagering to the Bob Baffert representative Alluring Star, who broke her maiden at first asking at Del Mar three weeks ago. Allowed to stalk that rival as the favorite carved out initial fractions of :23.03 and :46.75, the Simon Callaghan-trainee closed in on the frontrunner before collaring her entering the turn. Ready to dispense of Alluring Star from there, she proved best on the day to remain undefeated.

“Simon told me to break and just wait and see what the other speed was going to do, but I kind of rode her the same as I did in the Debutante,” explained winning rider Flavien Prat.

Regarding the Chandelier, he added, “I had a great trip. She's learned to relax, so that's great. She broke well, she sat off the pace, dropped the bit and relaxed well today. When I made my move, she was all there.

'TDN Rising Star' Paradise Woods was back to her brilliant best with a 5 1/4-length romp in the 1 1/16m GI Zenyatta S. at Santa Anita Saturday, a “Win And You’re In” for the GI Breeders’ Cup Distaff at Del Mar next month. Bet down to 1-2 at the off in the scratched down field of four, the rangy daughter of Union Rags rabbited straight to the head of affairs one off the rail and threw down splits of :23.13, :46.89, while tracked distantly by Motown Lady and Faithfully.

The latter moved up to second on the far turn as Motown Lady faded, but Paradise Woods was still well in front through three-quarters in 1:11.50. Untroubled under a mostly motionless Flavien Prat down the lane, the crowd's pick crossed the line well in front of Faithfully. It was another 13 1/4 lengths back to Motown Lady (Uncle Mo) in third. Midnight Toast (Midnight Lute) trailed throughout.

"I wasn't as confident [going into this race], not in her ability but the fact that she's kind of gone south, mentally, on us," commented Hall of Famer Richard Mandella. "We had to get through some hard times, and we did. She responded. It was a lot of schooling. This was a relief. I was worried something would go wrong again, but it went right."

"I have to give [co-owner] Marty [Wygod] a lot of credit," he said. "He actually convinced me to go to the longer race. I was kind of leaning towards the sprint and just keeping my options open. Otherwise, I wouldn't have worked her the seven furlongs the other day. She took it well but you never know if it's going to work until you run 'em. The [Breeders' Cup] Distaff [at Del Mar Nov. 3] is the goal."

Paradise Woods completed the exacta when unveiled behind fellow 'Rising Star' Delitefull Lady (Dialed In) sprinting six panels locally in January and earned her own 'Rising Star' moniker with a 4 1/4-length win in an Arcadian maiden special weight at second asking Mar. 11. A runaway 11 3/4-length winner of the GI Santa Anita Oaks next out in April, the bay threw in the towel to be 11th after setting the pace as the favorite in the GI Kentucky Oaks beneath the Twin Spires May 5. Given some time off, the Richard Mandella trainee stumbled at the start of the GIII Torrey Pine S. and ran sixth upon her return at Del Mar Aug. 27. She fired a six-panel bullet in 1:11 3/5 (1/33) over the strip here Sept. 23.

"It was a lot different today," said Prat. "Last time [in the Torrey Pines] was very bad and nothing went well. Today she broke just a tad slow, but she got going and really relaxed for me on the backside. We've been working on her relaxing because she has a tendency sometimes to be very aggressive."

Pedigree Notes:

Paradise Woods is one of seven stakes winners by GI Belmont S. hero Union Rags (Dixie Union), whose oldest foals are 3-year-olds, among them fellow Grade I winners Union Strike and Dancing Rags. Her unraced dam Wild Forest had already produced the SW Forest Chatter (Dixie Chatter) by another son of Dixie Union, while Wild Forest is a half-sister to MGSW Tajaaweed (Dynaformer). Wild Forest has a yearling filly by Blame who sold for \$350,000 at the recent Keeneland September Yearling Sale to Alex and JoAnn Lieblong and was covered by Palace Malice last spring but did not produce a foal.

This year, she was covered by Union Rags and Vancouver (Aus). The third dam Long Legend (Reviewer) produced MGSW & GISP sire Mr. Greeley (Gone West), as well as SW Majestic Legend (His Majesty). GI Kentucky Derby hero Street Sense (Street Cry {Ire}) and GI Humana Distaff heroine Mona De Momma (Speightstown), as well as the Zenyatta third-place finisher Motown Lady are also in the extended family tracing to Long Legend. Fourth dam Lianga (Dancer's Image) was a champion, G1SW and highweight filly in France, and she is the third dam of MG1SW and recently deceased leading sire Danehill Dancer (Ire) (Danehill).

Projected overtook pacesetter Xmas Sky (Sky Classic) and sailed home to an 1 1/4-length victory in the GII Baltimore Washington International Turf Cup. The bay gelding was unhurried early and settled in third while racing along the rail as longshot Xmas Sky distanced himself from the field through a half in :46.21. Projected began to inch closer after three-quarters in 1:10.33 and was first to overtake the pacesetter with three-sixteenths to run before bounding clear to a confident tally over stablemate Catapult.

"I just saw [Xmas Sky] go to the front and it looked to me that it was a really fast horse and really hard to take back, so I was just letting the speed go on and keep my trip patient," said winning jockey Nik Juarez. "When it was time to run, Projected really just kicked on. They just told me to ride the way I'm comfortable and try to save ground and take the shortest way home, and we did just that."

Projected | *Jim McCue/MJC photo*

Projected concluded his time in France with trainer Andre Fabre in September 2015 and resurfaced with Chad Brown this

past spring. His first stateside victory came in an allowance score at Keeneland in April and he followed that effort with runner-up efforts in the May 20 GII Dixie S., June 18 Poker S. and Aug. 5 Lure S. He was fifth after a wide trip in the Sept. 4 GII Bernard Baruch H. last time.

Pedigree Notes:

Projected's dam Deliberate is a half-sister to Juddmonte's multiple Group/Grade I winner Flintshire (GB) (Dansili {GB}). His second dam Dance Routine is a half to Concentric (GB) (Sadler's Wells), who produced this year's star sophomore filly and Sunday's G1 Arc favorite Enable (GB) (Nathaniel {Ire}). Third dam Apogee was a group-winning Juddmonte homebred and a daughter of Bourbon Girl (Ile de Bourbon), who carried the Juddmonte silks to runner-up finishes in the 1987 G1 English and Irish Oaks. Deliberate produced a colt by Kingman (GB) in 2016 and a colt by Oasis Dream (GB) this year.

Seabhac, still in search of his first victory while trying graded company for the second straight time, rewarded his connections' confidence with a breakthrough tally. A close second from far back on debut at Saratoga Aug. 5, the dark bay returned 25 days later in the GIII With Anticipation S. and checked in fourth after running into significant traffic trouble turning for home before re-rallying resolutely. He was flattered when the third-place finisher from that heat, 'TDN Rising Star' Untamed Domain (Animal Kingdom), returned to annex Woodbine's GII Summer S. Sept. 17.

Away well with first-time blinkers, Seabhac moved through horses to sit in a well-held second as expected pacesetter Looking Ready (More Than Ready) showed the way through splits of :24.61, :49.51 and 1:13.77. Asked to go in upper stretch, Seabhac wore down the frontrunner in midstretch and kept finding late under energetic encouragement to hold off the fast-finishing Voting Control with Seabhac's stablemate Maraud not far back in third.

Seabhac | Chelsea Durand

"It was just a good trip," said winning rider Luis Saez. "It was pretty exciting. He broke pretty good. He was right there, and when I asked him at the three-eighths, he just took off. When he came into the stretch he was running. I can't wait to ride him next time."

Added trainer Todd Pletcher, "I think blinkers and experience, a combination of those things, helped. He ran good races both times at Saratoga. He just encountered a little bit of traffic, especially in his first start. He seems like a talented colt who is still figuring it out."

John Velazquez had ridden Seabhac in his first two starts, but ended up on Maraud this time.

"To be honest, the original plan was to go to Keeneland [with Seabhac], so I had Johnny committed to the other horse already, so we started investigating races at Keeneland but we didn't think we could get in because he was still a maiden," Pletcher explained. "I felt bad for Johnny because he had ridden the horse twice, and... it was his idea to put the blinkers on him. It's just one of those things."

Pedigree Notes:

Seabhac is the first foal out of Curlin Hawk, a half-sister to champion and three-time Grade I winner Afleet Alex (Northern Afleet). A \$500,000 KESEEP yearling, Curlin Hawk was \$210,000 KEENOV '13 acquisition by Borges Torrealba Holdings. She produced a Super Saver filly in 2016 and a Strong Mandate colt this year before being bred back to Malibu Moon.

Honorable Duty, winner of the GIII Mineshaft H. and GII New Orleans H. at the Fair Grounds earlier this season, finished a distant second behind the talented Gun Runner (Candy Ride {Arg}) in the June 17 GI Stephen Foster H. last out. Pinpointed as the one to beat this time, Honorable Duty was sent to the front by Corey Lanerie and carved out opening fractions of :24.29 and :48.96. As the field approached the home turn, a confident Lanerie allowed Money Flows to get up alongside the gelding, but Honorable Duty had too much left in reserve. Given the cue in the stretch, Honorable Duty bounded away in the final stages to score by an easy margin.

She is also responsible for GI Santa Monica heroine Honest Lady (Seattle Slew), who in turn produced Grade I-winning sprinter First Defence (Unbridled's Song). The 13-year-old Mesmeric has 2-year-old and yearling colts by Into Mischief. She produced a filly by Hard Spun this term.

Sitting back a hair on his heels at the start, Just Howard was eased back into third as Voodoo Song eagerly bounded to the front. Comfortably on top while carving out splits of :22.97 and :46.47, Voodoo Song maintained the advantage approaching the turn as Just Howard was crying out for racing room while pinned along the side. As the leader spurted clear coming off the turn, Just Howard found the daylight he needed and set sail after the pacesetter. Despite Voodoo Song's gallant effort, he could not hold off the ultimate winner, who inched clear late.

Making her first appearance in better than seven months, Rymska displayed a solid turn of foot through the final furlong and a half to lead home a Chad Brown one-two finish in Saturday's GIII Commonwealth Oaks.

Snagged back by Feargal Lynch to race one from the tail rounding the first turn, Rymska was guided away from the fence turning up the back while patiently handled through the middle furlongs. Asked to improve while committed to a wide run around the second bend, the registered black filly was hard-riden nearing the stretch, but kicked it into another gear at the furlong grounds and edged away late to best her fashionably bred stable companion, a half-sister to MGISW Jeranimo (Congaree).

A two-time winner from three French starts--including a defeat of males in the Listed Criterium de l'Ouest at Craon--while under the care of trainer Pia Brandt last September, Rymska was

overhauled late by future stablemate New Money Honey (Medaglia d'Oro) in the GIII Miss Grillo S. ahead of a running-on fifth to that foe in the GI Breeders' Cup Juvenile Fillies Turf. She was making her first appearance since a barnstorming victory in the GIII Sweetest Chant S. at Gulfstream Feb. 4.

Pedigree Notes:

Rymska is one of 14 group/graded winners for her successful young sire, who has also been represented by the likes of Avenir Certain (Fr) and La Cressionniere (Fr), winner of the G1 Prix de Diane (French Oaks) in 2014 and 2016, respectively. Second dam Chania was Group 2-placed in Ireland, while her third dam, MGSW Chalon was responsible for two-time Group 1 winner Creator (GB) (Mill Reef). Rymska has a yearling half-brother by American Post (GB) who was bought back on a bid of €42,000 at this year's Arqana August Yearling Sale.

Melmich, looking to take his 2017 record to a perfect five-for-five, had already scored victories in this year's July 1 GIII Dominion Day S. and Aug. 13 GIII Seagram Cup S. and was coming off a win in the Aug. 30 Elgin S. The chestnut gelding settled at the back of the five-horse field, tipped out four wide at the top of the lane and sailed down the stretch an easy winner.

"He's such a nice horse, I'm just very lucky and I'm very grateful to be a part of this team," said winning jockey Eurico Da Silva. "He's a very, very nice horse, very easy horse to ride and he just gives you everything he has every time."

Melmich | Michael Burns

Of his winning trip, Da Silva said, "He was running very, very relaxed inside. I was just seeing who was going to make the move and then I saw Patrick [Husbands aboard Keen Gizmo] make a move outside and the pace picked up and I was just very lucky to sit behind him. At the half-mile pole, I was just galloping."

Winning trainer Kevin Attard added, "He was coming up to this race in great shape. I was really excited to see him run today because I kind of figured he had this performance in him. I think he has a serious chance at maybe Horse of the Year honors at this pace. That's obviously a big target and I would like to see him get rewarded."

Pedigree Notes:

Sungyeoun Lim purchased Little Swoon, in foal to Ghostzapper, for \$15,000 at the 2014 Fasig-Tipton February sale. That Ghostzapper colt became graded stakes winner Illiad. The mare's yearling filly by Take Charge Indy sold for \$300,000 at the recent Keeneland September sale. She produced a filly by Paynter this year and was bred back to Honor Code.

A fast-finishing winner of the GIII Commonwealth S. at Keeneland Apr. 8, Awesome Slew missed by a head with some trouble in this venue's GII Churchill Downs S. on the GI Kentucky Derby undercard May 6. He was fourth in the GI Metropolitan H., and second in the July 8 GII Belmont Sprint Championship and GI Forego S. at Saratoga Aug. 26.

Heavily favored while getting some class relief, Awesome Slew bided his time off the pace and under a snug hold as they went a solid pace up front. He wound up out wide approaching the straight, came widest into the lane and outkicked The Player in midstretch to win comfortably enough. There was a large gap back to the rest of the field.

“The goal for this spot was to give him an easier race,” said Norm Casse, assistant trainer to his father Mark. “He’s been facing some of the best sprinters in the country, so he needed to build his confidence back up. He did everything well today and the distance was perfect. There’s still some discussion to be had, but right now we’ll point towards the [Nov. 3 GI] Breeders’ Cup Dirt Mile.”

Pedigree Notes:

The winner’s second dam MGSW Borodislew also produced Grade III winners Seeking Slew (Seeking the Gold) and Canadian Frontier (Gone West). Third dam Breath Taking (Fr) was MGSW/MG1SP in France, while fourth dam Cap D’Antibes (Aus) (Better Boy {Aus}) was GSW/G1SP in Australia. Slewfoundmoney, who romped in Calder stakes both sprinting and going long for Live Oak and Marty Wolfson, produced a Ghostzapper colt last year and was bred to Tapit this past season. ORBOLUTION A CAN’T ‘MISS’ PROPOSITION

Orbolution | Sarah K Andrew photo

StarLadies Racing’s **Orbolution** (Orb) has looked a different animal with a stretch out to two turns and a switch to the turf, and the \$370,000 Keeneland September purchase looks to cement her status as one of the favorites in the GI Breeders’ Cup Juvenile Fillies Turf in Sunday’s GIII Miss Grillo S. at Belmont Park.

Third in a pair of efforts--albeit not particularly fast ones--on the main track to begin her career, Orbolution sat an ideal trip from a low draw and powered clear from her rivals to graduate by

2 1/2 lengths when trying the grass for the first time at Saratoga

July 23. Taking the next logical step in the P. G. Johnson S. Aug. 31, the dark bay fell into yet another soft trip, got through in upper stretch and cruised in to score by 4 3/4 lengths.

"I thought she was very impressive in there [P.G. Johnson]," Pletcher said. "She displayed a good turn of foot

Significant Form (Creative Cause) is one of two maidens in the field, even if she crossed the line a decisive winner first time out, only to be disqualified for causing interference in the opening quarter-mile. A \$75,000 FTKJUL yearling turned \$575,000 OBS April breeder, the gray is a half-sister to last year's GIII Commonwealth Turf S. upsetter Hay Dakota (Haynesfield).

In addition to the aforementioned winning trio, the Dale Romans-trained Tapitsfly (Tapit) was runner-up as the prohibitive favorite in the 2009 Miss Grillo before landing the Juvenile Fillies Turf at Santa Anita at close to 10-1.

Brown also saddles European import **Africa (Fr)** (Dabirsim {Fr}). Previously trained by Christophe Ferland, the dark bay broke her maiden against her peers first time out at La Teste in June before finishing second and third, respectively, against males at Clairefontaine the next month and most recently back at La Teste in early August. She'll add Lasix and has the services of Javier Castellano for her stateside unveiling.

KEEN ICE, DESTIN ON TRACK FOR JCGC

Donegal Racing's **Keen Ice** (Curlin) and Twin Creeks Racing and Eclipse Thoroughbred Partners's **Destin** (Giant's Causeway) turned in a company work Saturday morning over the Belmont training track, covering a half-mile in :48.60. Each is slated to make his next appearance in the GI Jockey Club Gold Cup at the Long Island oval Oct. 7.

Keen Ice, who had Jose Ortiz in the irons Saturday, upset Shaman Ghost (Ghostzapper) in the GII Suburban H. over the Gold Cup course and distance July 8 and was most recently the distant runner-up to Gun Runner (Candy Ride {Arg}) in Saratoga's GI Whitney S. Aug. 5. Trainer Todd Pletcher was duly pleased with the 5-year-old's breeze.

"It's kind of what we've been accustomed to seeing from him", Pletcher told the NYRA press office. "Good, solid work and a very strong gallop out. It seemed like he was into it from the beginning to the end.

"I had 12 flat, 23 3/5, 48 1/5, 1:01 2/5, 1:14 4/5, and 1:28 4/5," he added. "Like a lot of horses, I think that second eighth on the training track is always a little bit fast, and I think the second eighth on the gallop-out is always a little faster, I'm not sure, but I think it's a little bit downhill from the three eighths pole to the quarter pole. It seems a lot of horses go eleven and change around that turn."

Keen Ice training over the summer at Saratoga | Sarah K Andrew

Destin, who came within a nose of winning the 2016 GI Belmont S., has just two previous appearances this season, a useful third-place effort in a May 28 Belmont allowance ahead of a nose defeat of Donegal Moon (Malibu Moon) in a similar event at Saratoga Aug. 23. The victory was his first since annexing the GII Tampa Bay Derby last March.

"He's not an over-zealous workhorse, kind of does what he has to do," said Pletcher. "He isn't as powerful of a gallop-out horse as Keen Ice is, but he's trained well enough, and hopefully we'll put a few races under his belt, and he'll rally back into top form."

Also working toward the Gold Cup was 'TDN Rising Star' **Diversify** (Bellamy Road), who went five-eighths of a mile in :59.78 under the watchful eye of trainer Rick Violette, Jr. The 4-year-old gelding exits an 11 1/2-length romp in the state-bred restricted Evan Shipman S. at Saratoga Aug. 21.

"He went terrific this morning," Violette said. "He was so impressive in his last start and he seems to be gaining confidence as his career has progressed so we feel he's deserved an opportunity to see what he can do against open company."

BLOCK DUO TAKE TO KEENELAND MAIN

The Chris Block-trained, Lothenbach stable-owned duo of Arlington-Washington Lassie winner **Bet She Wins** (First Samurai) and **Captivating Moon** (Malibu Moon), recent runner-up in the Arlington-Washington Futurity, each had works over the Keeneland main track Saturday morning as they prepare for starts at the historic Lexington oval's Fall Stars weekend Oct. 6-8. **Cont. p23**

Keeneland Track Notes cont.

Working on her own, Bet She Wins clocked a half-mile in :48.40 and, though she is nominated to the GIII JP Morgan Chase Jessamine S. on the turf, will make her main-track debut in the GI Darley Alcibiades S. this coming Friday. The \$125,000 Keeneland November weanling and \$230,000 Fasig-Tipton Saratoga yearling was put up to the win in an Arlington turf maiden Aug. 26 before wheeling back on two weeks' rest to gallop home a 9 1/2-length winner of the Lassie.

"I just wanted to get her feet over the dirt," Block told the Keeneland notes team. "She had her main work last week at Arlington [a bullet five-eighths in 1:00] in company with Captivating Moon."

Her last-out win took her trainer by surprise as much as it did the betting public.

"She doesn't look that impressive in the mornings on the grass or the all-weather and her race in the Lassie was unexpected," Block said. "She's nominated to the Jessamine, but her turf win was by disqualification and that would be tough."

Bet She Wins | Keeneland photo

Not illogically, Captivating Moon also got his career started on the turf, being a half-brother to former Lothenbach star and Keeneland Grade I winner Vacare (Lear Fan). A two-length winner on debut July 30, he finished with a full head of steam in the Futurity, but dropped a half-length decision to more experienced "TDN Rising Star" Barry Lee (Violence). The bay went five furlongs in company in 1:00.60, but he will stick to the grass for the GIII Dixiana Bourbon S. Oct. 8.

"Knowing him and with his pedigree, I think he is better on grass," said Block. "But I don't know if we can get in the Bourbon [which may draw a field in excess of the maximum 14]."

DONA BRUJA TUNES UP FOR FIRST LADY

Dona Bruja (Arg) (Storm Embrujado {Arg}), who won her first two starts in the U.S. before going down to a narrow defeat at the hands of Dacita (Chi) (Scat Daddy) in the GI Beverly D. S. Aug. 13, worked a half-mile over the Keeneland main track Saturday morning in advance of her start in the Oct. 7 GI First Lady S. For the first time, the one-mile race serves as a 'Win and You're In' qualifier for the GI Breeders' Cup Filly & Mare Turf.

Keeneland clockers caught the 5-year-old in fractions of :12.20, :23.80 and :35.80 before a five-furlong gallop out in 1:02.20.

"Good, pretty good," was trainer Ignacio Correas IV's post-work assessment. "She always works on dirt, and she works pretty good and she can handle it pretty good, so I don't need to work her on the turf. I'm not much of a turf worker. If they can handle the dirt, I usually work them on the dirt."

Winner of eight of her 10 starts in Argentina, including a maiden Group 1 success in her final start at home last December, Dona Bruja was ultra-impressive in winning Churchill's GIII Mint Julep H. June 10 and the GIII Modesty H. at Arlington in her first two tries in this country. A touch handier to the pace in the Beverly D., Dona Bruja made the front at a relatively early stage, but was outkicked by Dacita in the final 100 yards.

HUMPHREY: INVEST AND THEY WILL COME

By Lucas Marquardt

The industry must continue to make capital investments in tracks and wagering outlets if racing is to regain its status as a premier sport. That was a key message from G. Watts Humphrey at the Thoroughbred Club of America's 86th annual Testimonial Dinner, held Friday evening at Keeneland Race Course. Humphrey, who along with his wife Sally owns Shawnee Farm in Kentucky, was named the TCA's 2017 Honor Guest for his decades-long involvement as one of the sport's leading owners and breeders.

"As an industry, we need to reinvest in our facilities to enhance the experience of our fans--just as Major League Baseball, the NFL and all the other major sports have done over the past 10 years," said Humphrey.

Humphrey talked specifically about investments made by Churchill Downs Inc.--he's currently the chairman of the board of directors--and about the initiative by Churchill and Keeneland to partner on two new Kentucky racetracks in Corbin and Oak Grove.

"I am especially excited about [that] partnership," he said. "With the support of the Kentucky Thoroughbred Association and the Kentucky HBPA, we will be working together to make these two new racing facilities a reality. Our goal must be to build our daily purse distribution to create \$100,000 maiden races on the Kentucky circuit. With the reality of current training expenses, we must increase purse disbursements in order to retain our current owners and attract new ones. This will be in the best interest of the entire racing community."

G. Watts Humphrey | L Marquardt Photo

Humphrey reiterated that attracting new owners was imperative.

"We don't have too many horses, we have too few owners," he said. "A circuit with this level of purses will be a big step forward. It is a proven fact that quality racing attracts new fans and higher handles. This also will be a partnership that can be a formidable force to advance the industry's interests. We have all seen over the course of the past decades, when there is discord among the most important voices, it allows legislators and regulators the ability to say we will take the industry seriously when it speaks with one voice. Now, we will be speaking with one voice. I encourage you to go online and read the press releases on this partnership. We are asking all of you to support these new initiatives."

Humphrey said he's seen firsthand how investments made by Churchill Downs has led to growth.

"Over the past 17 years, Churchill Downs has invested over \$250 million at Churchill, Arlington, and Fair Grounds," said Humphrey.

At Churchill alone, he said, recent investments have included the installation of the world's largest 4K UHD video board; modernized and upgraded seating areas; and a lighting system that now allows for night racing on both the turf and main tracks.

"These changes have led to a tremendous increase in attendance and handle for the [Kentucky] Derby and the [Kentucky] Oaks, night racing, 'Thurby' [Thursday before the Derby] and the overall racing program," said Humphrey. "We are confident these improvements will help to provide additional funds to increase our daily purse distribution, which in turn will attract new owners."

Humphrey also noted two recently announced projects: HRM Trackside, a \$60-million wagering facility that will occupy an 85,000 square foot building; and a \$32.5 million allotment for a colonnade and to parking improvements at Churchill.

Humphrey was introduced by his longtime trainer Rusty Arnold, and by his daughter Vicki Oliver.

"My father has been in the horse business for over 60 years in so many different disciplines," said Oliver, who, along with her husband Philip, also trains for her father. "Many of you might not be aware that my father was a starting quarterback at Yale University and was drafted by the NY Jets, but instead served our country as a first lieutenant in the Marine Corp. [in Vietnam], where, by the way, he received three Purple Hearts and a Silver Star."

Humphrey, alone or in partnership, has bred some 90 stakes winners, including champion Sacahuista and the Grade I winners Creme Fraiche and Clear Mandate, among many others.

Cont. p25

TCA Testimonial Dinner cont.

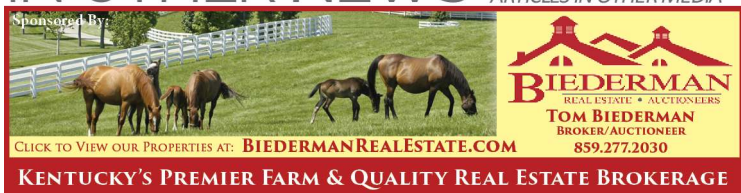

He has served four terms a steward of The Jockey Club and has served on the boards of the Breeders' Cup, NTRA and American Horse Council, as well as in numerous other capacities in the industry.

Humphrey closed his speech by recognizing his family.

"A special thanks to Sally," he said, "my wife and partner for over 51 years, and our children--Susie, Vicki, and Watts--for their unwavering support and their love of the horses, the farm and racing, and their desire to keep this tradition going for a long, long time."

SUPER SAVER COLT STEALS SHOW ON SANTA ANITA UNDERCARD

Mourinho | Benoit

Mourinho (c, 2, Super Saver) stamped himself as one with a very bright future, earning 'TDN Rising Star' honors in a dazzling debut victory on the undercard of Santa Anita's Super Saturday program.

The \$30,000 KEESEP yearling brought \$625,000 from bloodstock agent Kerri Radcliffe on behalf of the fledgling Phoenix Thoroughbred operation at **OBSMAR** after breezing a quarter-mile bullet in a sensational **:20 1/5**.

Mourinho was given a 5-2 chance as **Instilled Regard** (Arch), runner-up on debut Sept. 2 and a \$1.05-million OBSMAR grad himself, was backed down to favoritism at even-money.

Sharp off the mark after exiting from post 10, Mourinho vied for early command while racing three deep through an opening quarter in :22.02. Moving to the fore through a half in :45.44, the bay straightened for home in complete command and extended his advantage impressively all the way to the wire. It was 4 1/2 lengths back to **Peace** (Violence) in second. Instilled Regard was third.

The winner's stakes-placed dam Sandi's Ready (More Than Ready), purchased by Bruce Grossman for \$12,000 at the 2016 KEEJAN sale, is also represented by a Hangover Kid colt of this year. She was bred back to Point of Entry.

MGSW BIRD SONG RETIRED

Bird Song | Coady Photography

Marylou Whitney's **Bird Song** (Unbridled's Song--Bird Town, by Birdstone) has been retired from racing, according to 4-year-old's connections yesterday. Plans regarding where the colt will stand at stud are pending. The winner of five of 14 career starts

for trainer Ian Wilkes, the gray retires with \$512,707 in earnings. Chief among his wins are the GIII Fred Hooper S. at Gulfstream in March, before a score in the GII Alysheba S. at Churchill Downs May 5.

"He's been a special horse to us on the racetrack," said Wilkes. "He's retired happy, healthy and sound so that's really what's the most important in this game."

Out of GI Kentucky Oaks-winning champion Bird Town, also campaigned by Whitney, Bird Song hit the board in the Jan. 14 GIII Hal's Hope S. and GIII Ben Ali S. Apr. 15. In his latest start, he finished sixth--beaten 16 3/4 lengths by Sharp Azteca (Freud)--in the Sept. 23 GII Kelso H. at Belmont.

"The horse gave Marylou and I everything and owes us nothing," said John Henrickson, husband of Whitney. "We are delighted to have a multiple graded stakes winner out of a champion. What more could you hope for? He's a beautiful animal and he gave us a lot of highs and probably the top of it was his win in the Alysheba. We were [sad], but we knew there was something was up because he wasn't his normal self in his latest performance [the Kelso]. But several farms are interested, so hopefully, he'll land in a nice career."

HALF TO UNCLE MO TO MARYLAND

Editorial (War Front--Playa Maya, Arch), a half brother to millionaire and leading sire Uncle Mo (Indian Charlie), will stand the 2018 season in Chesapeake, Maryland. The 3-year-old will stand as a partnership between Climax Stallions LLC and Tom Bowman. A stud fee will be announced at a later date.

"We at Climax Stallions have been looking to get into the Maryland market, after success in Kentucky and California, and we feel Editorial is the perfect horse to showcase in Maryland," said Sean Feld, managing director of Climax Stallions. "Under the care of Todd Pletcher for Coolmore, Editorial displayed an impressive turn of foot which you always look for in a top sire. He has a phenomenal pedigree and the looks to match, he should thrive in the breeding shed."

Campaigned by Coolmore partners and Todd Pletcher, the bay finished second in his career debut over the Gulfstream turf last April before scoring at the Hallandale oval in his latest June 15.

Tom Bowman added, "When it comes to stallions, a major element is their genetics. When breeding to Editorial you will be able to tap into the genetics of two prominent sires in Uncle Mo and War Front. We think Maryland will accept Editorial with open arms."

Soutache, who wired the field to take his five-furlong debut at this oval July 2, rebounded from a third-place effort in the six-furlong Dr. Fager S. Aug. 5 with a win in the seven-furlong Affirmed S. Sept. 2. Making his first start over two turns, the prohibitive favorite broke alertly and was on the lead in the early strides, but was taken in hand and settled off the pace. He pulled his way into contention leaving the backstretch, grabbed the lead turning for home and was geared down under the wire. “My horse broke sharp and put himself in a good spot,” winning jockey Tyler Gaffalione said. “I let the speed outside of me go on and sat right off them and he relaxed beautifully back there. When I called on him he exploded. Ralph [Nicks] did a great job and I can’t thank the owners enough. The game plan was to try and sit off the pace and see what happens at the break. With a bunch of young horses going two turns for the first time, you never know. I wanted to get him into a nice rhythm and he should be the best here, so we just needed to run smart, which we did.”

Nicks added, "He's grown into a very professional horse and does things the right way." As for what is next, the trainer said, "I would imagine he's going to get a vacation." Goldmark Farm purchased Granrubanbleu for \$25,000 at the 2009 Fasig-Tipton July Yearling Sale. Her dam French Ribbon is a half-sister to the dam of multiple Grade I winner Vicar (Wild Again). Granrubanbleu produced a colt by Backtalk in 2017 and was bred back to that stallion. "I don't think you can describe sky high very well other than sky high," GoldMark owner T. ONE LAST STRIKE (c, 3, Smart Strike--Last Kitten, by Catienus), offered as the 4-5 choice for his unveiling, was unhurried in seventh early while tracking a rival two paths off the rail. Showing some interest and making up ground as the longshot leader Gotsacker (Wilburn) continued to show the way after a modest half, One Last Strike improved his position while cornering very wide, and his momentum carried past the tiring leader late and propelled him to a two-length score over Bold Prophet (Into Mischief). Big Dollar Bill (Midnight Lute) was third. The winner is a half to Prissy (Unbridled's Song), SW, \$189,569; and Leadem in Ken (Sky Mesa), SW, \$243,115; Hint of Roses (Tapit), GSP. +SHE'S PRETTY LUCKY (f, 2, Lookin At Lucky--Pretty Amusing, by War Chant) didn't get much support on the board here, debuting at odds of 23-1. She vied for early command from her inside draw before dropping back to fourth on the far turn. The bay squeezed through a narrow opening along the rail in the stretch and gamely outbattled 4-5 favorite Mia d'oro (Medaglia d'Oro) to the wire for a neck tally. The winner's dam had a colt by My Golden Song in 2016 and a filly by Verrazano this year.

Storm the Hill was transferred to the West Coast barn of Peter Miller this spring after beginning her career on the East Coast with Buff Bradley last fall. The bay filly promptly broke her maiden Mar. 5 and added a down-the-hill allowance at Santa Anita Apr. 2. Sixth in the GIII Edgewood S. at Churchill in May, Storm the Hill was third down the hill in the June 11 Special Goddess S. and was getting respite from the graded ranks after a fourth-place finish in the July 23 GII San Clement H. and a seventh in the Aug. 19 GI Del Mar Oaks. Near the back of the pack in the early going, Storm the Hill weaved through traffic down the stretch and surged through an opening in the final yards to take the lead on the line. Thornhill produced a colt by Get Stormy in 2016 and was bred back to that stallion this year.

Respect the Hustle | Vassar Photography

Respect the Hustle required three swings but finally graduated while switching to the turf in his Del Mar debut Aug. 12. Jumped up to tougher company in the Sept. 3 Del Mar Juvenile Turf, the

bay was sent off the 4-1 second choice behind undefeated Artie B Good. Content to stalk in fourth along the inside as Axelrod (Warrior Reward) showed the way, Respect the Hustle was asked for more entering the stretch as new leader Night at the Opera held the narrow advantage. Undeterred, Respect the Hustle closed relentlessly, took over from the weakening rival and drew clear to collect his first taste of blacktype. The favorite rounded out the trifecta.

PUBILIUS SYRUS (c, 2, Candy Ride {Arg}--Ruthenia {GSW, \$339,635}, by Pulpit), fourth sprinting at Gulfstream in his sole start for trainer Mary Lightener in July, finished third going a mile at Del Mar Aug. 12 before closing to be fourth last time over that course and distance in the Del Mar Juvenile Turf Sept. 3. Installed the 5-2 choice here, the colt stalked in midpack early, inched his way into contention while scraping paint down the backstretch and was poised to take over turning for home. Swung out four wide for the drive, Pubilius Syrus battled late to eke out a nose win over Inscom (Distorted Humor). Ruthenia, a full sister to GI Del Mar Oaks winner Rutherienne, produced a full sister to the winner last year and followed that with a colt by Super Saver this term. The graded stakes winner was bred to Union Rags this spring. Sales history: \$140,000 Ylg '16 KEESEP. RESTRAINEDVENGEANCE (g, 2, Hold Me Back--Cupids Revenge {MSW, \$215,694}, by Red Ransom), a narrowly beaten runner-up in his debut over the turf at Del Mar Aug. 2, was fourth behind St Patrick's Day (Pioneerof the Nile) over the main track Sept. 2 for trainer Bobby Wayne Grayson. Sent off at 4-1, the dark bay gelding sprinted out strongly from his outside post and battled on the front end. He opened a clear advantage leaving the backstretch and strode clear down the lane to win by 5 3/4 lengths. Favored Big Buzz (Mr. Big) was second, a nose in front of Choo Choo (English Channel). Restrainedvengeance, a \$67,000 KEESEP yearling, is a half-brother to B G Suavecito (Suave, SW, \$103,424); and to Latent Revenge (Latent Heat, GSP, \$211,546). Aug. 24. After breaking outward, Let It Ride Mom settled in a stalking position through opening fractions of :24.87 and :49.92. Improving her position as she angled out several paths wide for the stretch run, the bay hit the front midstretch and was narrowly ahead of favored Ghostly Presence on the line. ROAD TO VICTORY (Quality Road) fetched just \$25K as a KEESEP yearling last fall, but blossomed over the next seven months and was knocked down to Justin Casse for \$500K at this year's OBSAPR sale after scorching a furlong in :9 4/5. The March foal debuts for the partnership of John Oxley and Gary Barber. **Vivacitas (Bernardini)** is a homebred daughter of French Group 3 winner Stella Blue (Fr) (Anabaa), also the dam of MSW & GSP Sirius Prospect (Gone West). **TJCS PPs**

Coolmore and Stonestreet teamed to acquire **COROT (Pioneerof the Nile)** at the 2016 KEESEP sale, stretching to \$925K for the full-brother to Saturday's GI Awesome Again S. runner-up Midnight Storm, a Grade I-winning miler on turf and third in the GI Breeders' Cup Mile and a multiple graded winner on the main track. The hammer price was the second most-expensive of 52 yearlings to sell by this sire in 2016. Corot was successfully pinhooked after Venneri Racing, part-owner and co-breeder of Midnight Storm, paid \$300K at KEENOV in 2015.

BIG BIRTHDAY (Mineshaft), a \$200K purchase out of the 2016 FTKOCT yearling sale, drilled an eighth of a mile in :10 2/5 ahead of this year's FTFMAR sale and was hammered down to Peter Brant's White Birch Farm. Her dam, Jellicle (Ire) (Successful Appeal), is a half-sister to Mineshaft's treble Grade I winner It's Tricky. **Mojgan (Flutter)** is a half-sister to GSW La Traviata (Johannesburg), the dam of MG1SW Seventh Heaven (Ire) (Galileo {Ire}) and 2011 G1 Middle Park S. winner Crusade (Mr. Greeley), now a stallion and represented by nine first-crop winners in South Africa. **TJCS PPs**

PATRICIA'S RING (Malibu Moon) was the most expensive of seven foals sold at public auction in 2015 by this sire, hammering to Spendthrift Farm, home of this stallion, for \$370K at FTKNOV. The cross is already proven, as the filly's Grade III-placed dam Erhu (Tactical Cat) is responsible for Patricia's Ring's ill-fated full-sister Onlyforyou as well as SW and fellow full-sister Dress the Part. **TJCS PPs**

The \$600K KEESEP graduate, a full-sister to champion and GI Breeders' Cup Juvenile hero Hansen, should get tested by the outposted **Dominating Woman (Dominus)**, who broke her maiden by better than seven lengths when last seen in late February, earning a 90 BSF. **TJCS PPs** -Alan Carasso

FACING UP TO THE CHALLENGE

Enable | *Racing Post*

Now that the G1 Qatar Prix de l'Arc de Triomphe is imminent, what has for so long seemed a formality for **Enable (GB)** (Nathaniel {Ire}) is becoming harder to call by the minute as the supporting cast come under scrutiny for Sunday's feature at Chantilly. The Niarchos Family, who enjoyed success in this with Bago (Fr) in 2004, have enjoyed one of their best seasons in 2017 due largely to the exploits of the formidable **Ulysses (Ire)** (Galileo {Ire}) who is far from finished. Certainly the best that Sir Michael Stoute has handled since the 2010 winner of this Workforce (GB) and Harbinger (GB), the homebred took the G1 Eclipse S. at Sandown July 8 before looking an improved performer when adding the G1 Juddmonte International S. to his tally at York last time Aug. 23. In between, he was 4 1/2-lengths second to Enable in Ascot's G1 King George VI and Queen Elizabeth S. July 29 but the ground will be less testing here and he is four pounds better off. There is every chance that this big field will turn him on, as he loves to come from behind and he has a partner in Jim Crowley who knows him inside out by now.

"The feeling he gave me in the Juddmonte was that he'd clearly improved, but he'd need to have as well," he said. "He was cool as a cucumber that day and seems to be improving with every run. It was very testing in the King George and I'm praying we don't get much rain."

GLOBAL TRADE ON EVE OF ARC

By Kelsey Riley

Chantilly, FRANCE--Arqana's Arc Sale on Saturday evening returned a number of high-profile buybacks, but the trade that took place boasted the international flair that is now trademark of Europe's horses in training sales. Twenty-five horses were sold from 44 offered at a clearance rate of 56.8%, and an aggregate of €5,987,500. The average of €239,140 was down 18% from last year, while the median climbed 33.3% to €180,000. Last year, 29 were sold from 44 offered for €8,474,000, and the clearance rate was 66%. The most expensive buyback of Saturday evening was the German Group 2-winning filly Ashiana (Ger) (Mastercraftsman {Ire}), who was led out unsold at €1.2-million.

The sale's eventual highest-priced horse, the German Classic winner **Poetic Dream (Ire)** (Poet's Voice {GB}) (lot 37), is headed to trainer David Hayes in Australia after being purchased by Louis Le Metayer of Astute Bloodstock on behalf a partnership that is still being finalized. [Cont. p3](#)

Facing Up to the Challenge Cont. from p1

The owner-breeders's racing manager Alan Cooper added, "Sir Michael has had this in mind for quite some time. We've been very happy with him since York and we're looking forward to it."

Twelve months on from registering his remarkable history-shaping one-two-three in this, Aidan O'Brien is back with five this time with only one not already successful in Group 1 company. Last year's third **Order of St George (Ire)** (Galileo {Ire}) would probably need the ground to be more testing than it is, but it is deeper than last year and he seems to be in the form of his life based on his nine-length success in the G1 Irish St Leger at The Curragh Sept. 10. Stayers tend to fare well in this race, with the likes of Ardross (Ire) and Westerner (GB) just missing out and he has always looked like a horse with the requisite class to conquer a major mile-and-a-half contest. Unlike him, **Winter (Ire)** (Galileo {Ire}) has stamina to prove but she was able to win a renewal of the G1 Nassau S. marred by extremely testing ground Aug. 3. Suffering her first defeat of the season last time when pipped by Hydrangea (Ire) (Galileo {Ire}) in the G1 Matron S. over a mile at Leopardstown Sept. 9, the G1 English and Irish 1000 Guineas and G1 Coronation S. heroine has turned herself inside out subsequently to force Ryan Moore's hand.

There is a sense that **'TDN Rising Star' Idaho (Ire)** (Galileo {Ire}) is better than he has shown so far and he was denied a clear run at a crucial stage when third in the King George, while **Capri (Ire)** (Galileo {Ire}) is a dual Classic winner who denied Cracksman (GB) (Frankel {GB}) in the G1 Irish Derby at The Curragh July 1. That rival would have traded much shorter had he been in this line-up and Capri's G1 St Leger victory 15 days ago was gained with something in hand.

"Winter has been in good form since Leopardstown and everything has gone well," O'Brien said. "Obviously you can't be sure about the trip, as the furthest she has gone was the mile and a quarter at Goodwood. Capri's in good form. Obviously he hasn't done a lot since Doncaster, but he seems to be in good form. Order of St George is in good form. We've been happy with him since the Irish Leger at The Curragh and everything has gone well."

It is rare that a G1 Poule d'Essai des Poulains and G1 Prix du Jockey Club winner is relatively unconsidered in the Arc, but Al Shaqab's **Brametot (Ire)** (Rajsaman {Fr}) comes into this renewal under a cloud after his preparatory fifth in the 10-furlong G2 Prix Guillaume d'Ornano at Deauville Aug. 15. Even slower to break than usual there, he is reported back in top order by connections as he tries this trip for the first time. **Cont. p3**

Facing Up to the Challenge Cont.

“He’s won at Chantilly, so we don’t have to worry on that score,” racing manager Harry Herbert said. “What he has to do is break on terms, if he jumps out slowly, well, you don’t want to be giving horses like Enable and Ulysses a start, it will be hard enough to beat them on a level playing field. Of course, over a mile and a half for the first time it will be slightly more forgiving if he is slowly out but we’d obviously rather he was closer to the pace than he has been in the past. He’s over the back problem he had at Deauville and he looks much better. We’d like to think he’s going with a chance.”

Recent history has told that German challengers have to be regarded with respect and **Dschingis Secret (Ger)** (Soldier Hollow {GB}) looked a genuine contender when beating **Cloth of Stars (Ire)** (Sea the Stars {Ire}) in the course-and-distance G2 Prix Foy three weeks ago. That followed domestic successes in the G2 Grosser Hansa-Preis at Hamburg July 1 and in Hoppegarten’s G1 Grosser Preis von Berlin Aug. 13 and jockey Adrie de Vries is confident he will be in the mix.

“Chantilly is a tricky track, it’s not like Longchamp, anything can happen,” he said. “Of course Aidan O’Brien will be a danger too, I really liked the way Order of St George won last time so he’s one of the dangers and a few others but we fancy our chances. He can win, but he’s got a little bit to find to beat Enable.”

“We think he can stretch a bit longer because he’s out of a Poliglote mare; we think he can go 2000 metres,” Le Metayer said. “He’s lightly raced, he’s fresh, he’s healthy, and we feel he has a very bright future in Australia. The prizemoney in Australia for the big races is huge, so he was the horse of the sale and we really wanted him.”

Le Metayer and Hayes have a high strike rate of success as a team, the agent said.

“I used to work for David Hayes and we’ve bought four horses for him and three of them have performed at group level,” Le Metayer said. “We have Harlem, who is running in the Caulfield Cup; he’s one of the favourites for the Caulfield Cup.”

Le Metayer late in the session signed for the German Guineas third **Empire Of The Star (Fr)** (Siyouni {Fr}) (lot 56) for €450,000. The 3-year-old is headed to Hong Kong-based trainer Richard Gibson.

“He’s a magnificent horse, we vetted him three times and he passed all vetting,” said Le Metayer. “He’s an exceptional athlete and he ran an exceptional time when he won the German Guineas. He ran it in 1:34, which is one to two seconds faster than any Guineas in Australia for the last six years. He’s a horse that ticks all the boxes.”

More Euro Prospects For Schwartz...

Martin Schwartz has had plenty of success racing fillies in America that were sourced from Europe. His flagbearers have included Grade I winners Zagora (Fr) (Green Tune {Ire}), Alterite (Fr) (Literato {Fr}), Stacelita (Fr) (Monsun {Ger}) and Samitar (GB) (Rock of Gibraltar {Ire}). **Cont. p5**

Just this summer he has enjoyed stakes success Stateside with the likes of Off Limits (Ire) (Mastercraftsman {Ire}) and Wekeela (Fr) (Hurricane Run {Ire}). He added another filly in the mould of those to his stable in the form of the 3-year-old listed-winning filly **Miss Melbourne (Fr)** (Kentucky Dynamite) (lot 20) for €370,000. Seated alongside advisor Michel Zerolo of Oceanic Bloodstock, Schwartz said the filly would head straight to America to the stable of trainer Chad Brown.

“We were prepared to pay more so we feel very fortunate to get her at that level and hopefully we’ll have good fortune,” he said. “I have the best turf trainer in the United States. He won his first two Grade 1s with me, with Stacelita and Zagora, and I want him to keep remembering my name.”

(l to r) Martin Schwartz, Michel Zerolo and Pascal Bary | APRH

“Since he won the Eclipse award last year as the top trainer in America, I have to keep sending him stock to run, otherwise he’ll forget about us,” Schwartz quipped.

Trained until now by Antoine de Watrigant, Miss Melbourne has won her last three straight, culminating in Bordeaux’s Listed Prix Occitanie on Sept. 9.

Schwartz had, four horses earlier, taken aturn from his typical practice of buying fillies when scooping up the 5-year-old entire **Silverwave (Fr)** (Silver Frost {Ire}) (lot 16) for €500,000. The winner of last year’s G1 Grand Prix de Saint-Cloud for trainer Pascal Bary,

Silverwave finished third in this year’s G1 Prix Ganay before taking the G2 Grand Prix de Chantilly on June 4. He ran to an equal-best rating when beaten three-quarters of a length by Zarak (Fr) (Dubawi {Ire}) in this year’s renewal of the Grand Prix de Saint-Cloud on July 2. **Cont. p6**

He runs in Sunday’s main event, the G1 Qatar Prix de l’Arc de Triomphe. Schwartz said Silverwave also goes to Chad Brown after Sunday’s race.

“I want to bring him to America and give him to Chad Brown and let him work his magic,” the new owner said. “We have a lot of mile and a quarter, mile and a half races where the talent isn’t that deep and he’s the best [trainer] there is on turf in the United States, so hopefully we’ll have good fortune.”

Also headed to America is the stakes-placed 2-year-old filly **So Hi Society (Ire)** (Society Rock {Ire}) (lot 13), who was bought by Nicolas de Watrigant of Mandore International on behalf of an undisclosed client. American-based Pete Bradley of Bradley Thoroughbreds signed for 2-year-old filly **Finess Bere (Fr)** (Pedro The Great) (lot 17) for €90,000.

Qatari Presence Strong In Chantilly...

As has become customary at European horses in training sales, there was also a strong Qatari presence in Chantilly on Saturday night. Stroud Coleman Bloodstock, bidding through Arqana’s Freddy Powell, secured the stakes-winning 3-year-old colt **African Ride (GB)** (Candy Ride {Arg}) (lot 26) on behalf of an existing Qatari client for €460,000. A homebred for the Wertheimer brothers, African Ride won the Listed Prix Montenica over Chantilly’s all-weather in March, and has picked

up a pair of Group 3 placings since when third in the Prix Djebel and second in the Prix de la Porte Maillot.

Two lots later, Gerard Larrieu of Chantilly Bloodstock spent €400,000 on 3-year-old colt **Real Value (Fr)** (Rip Van Winkle {Ire}) (lot 28). He was acting on behalf of prominent Qatari owner Khalifa Bin Sheail Al Kuwari. Larrieu later added **Darbuzan (Fr)** (Zamindar {Fr}) (lot 52) for the same client for €630,000. The 3-year-old colt offered by Aga Khan Studs is the highest rated 3-year-old stayer in France. He won the Listed Prix Michel Houyvet on Aug. 13 and the G3 Prix de Lutece on Sept. 8, and was third earlier on Saturday in the G2 Qatar Prix Chaudenay.

BOUTIQUE BOOK 1 DRAFTS PROVE SMALL CAN BE BEAUTIFUL

By John Berry

It has been a modern trend in many different walks of life that the big operations have been getting bigger while many of their smaller counterparts, if not exactly dying, have been fading away. This trend can apply in the bloodstock world as much as anywhere else. The major bloodstock sales conform to this generalisation with the drafts of the major consignors continuing to expand and to corner an ever-growing share of the market. Happily, though, there will always be room for the smaller operator. Book 1 of the Tattersalls October Sale contains several boutique offerings where top-quality operations provide one or two mouth-watering lots.

Purchasers from all around the world converge on Park Paddocks for major sales. The range of purchasers during the October Sale will be truly cosmopolitan. The range of vendors is obviously not quite as extensive, but the list of boutique vendors in Book 1 has a real 'Five Nations' feel to it, with studs from England, Scotland, Wales, Ireland and France all amongst the elite nurseries to offer a small but select consignment. From north of the border comes what one might call a true Act of Union: Floors Stud offers **lot 347**, a son of arguably the pre-eminent stallion in England and definitely the most distinguished broodmare in Scotland.

This colt's sire Dubawi (Ire) needs no introduction, while his Classic-winning dam Attraction (GB) (Efisio {GB}) received the perfect endorsement of her merit as a broodmare on Thursday when her 2-year-old son Elarqam (GB) (Frankel {GB}) became her second Pattern winner by taking the G3 Tattersalls S. at Newmarket.

Boutique Book 1 Drafts Cont.

Another G1 1000 Guineas heroine with a Dubawi colt in Book 1 is the 2007 winner Finsceal Beo (Ire) (Mr. Greeley), whose son (lot 461) is the sole member of the Al Eile Stud draft. Finsceal Beo, who came close to completing the British/French/Irish 1000 Guineas treble in 2007, is already well established as a good broodmare, her offspring including 2014 G2 Beresford S. winner Ol' Man River (Ire) (Montjeu {Ire}). Furthermore, Ol' Man River's unraced three-parts brother Finsceal Fior (Ire) (Galileo {Ire}) is compiling excellent winners-to-runners statistics at this early stage of his stud career.

Another Irish nursery with a Book 1 draft consisting of one proper Classic prospect is Rathbarry Stud, whose Australia colt (lot 221) is a half-brother to 2009 G1 Irish Derby runner-up Golden Sword (GB) (High Chaparral {Ire}) and 2017 G2 Curragh Cup winner Rekindling (Ire) (High Chaparral {Ire}). Coming from the immediate family of G1 Irish Oaks winners Alexandrova (Ire) (Sadler's Wells) and Chicquita (Ire) (Montjeu {Ire}), he has delighted the team at Rathbarry, on whose behalf Niamh Woods describes him as "a lovely athletic colt with a fantastic walk and wonderful attitude."

Staffordstown is in a similar position. Its sole offering in Book 1 comes from the very top drawer. Lot 319 is a colt from the first crop of wide-margin 2014 G1 Deutsches Derby winner Sea The Moon (Ger) out of the three-time Group 1 winner Albanova (GB) (Alzao) who has already bred three stakes winners and who is a full-sister to dual G1 Champion S. heroine Alborada.

John Troy, whose sole entry in Book 1 has only to make the short journey from Willingham to reach her stable at Park Paddocks, is another vendor in the same boat. He consigns lot 155, a daughter of Frankel (GB) from a family awash with Oaks fillies, including her half-sister Talent (GB) (New Approach {Ire}) who won the G1 Oaks at Epsom four years ago, thus emulating the triumph in the same race of her third dam Bireme (GB) (Grundy {GB}) 33 years previously. This filly is obviously on paper every inch a potential Classic contender, and one could say the same about Deerpark Stud's only yearling in the sale.

Lot 155 | Emma Berry

Lot 443 is a Sea The Stars (Ire) colt whose stakes-winning granddam Elle Gala (Ire) is by Galileo (Ire) from the former outstanding German filly Elle Danzig (Ger) (Roi Danzig), whose 10 Pattern race triumphs included not only Group 1 strikes at weight-for-age in both Germany and Italy, but also victories in the German equivalents of both the 1000 Guineas and Oaks.

French-based consignor European Sales Management also offers a draft consisting entirely of genuine Classic prospects. Its two-strong contingent in Book 1 begins with lot 138, a Sea The Stars filly from the stakes-placed winner Peintre Rose (Storm Cat) whose three group-winning siblings are headed by G1 Prix de l'Arc de Triomphe winner Peintre Celebre (Nureyev). The following day the team offer lot 328: Amahitee (Fr), a Galileo filly from the immediate family of G1 1000 Guineas winner Cape Verdi (Ire) (Storm Bird), GI Breeders' Cup Classic winner Arcangues (Sagace {Fr}) and G1 Prix de l'Arc de Triomphe

runner-up Aquarelliste (Fr) (Danehill).

Another French consignor with a mouth-watering boutique draft in Book 1 is Haras de Colleville, home of the top-class grey stallion Kendargent (Fr) (Kendor {Fr}). Kendargent is now respected worldwide, and Colleville is bringing two of his most appealing yearlings to England to be sold. Lot 176 is a full-sister to G2 Criterium de Maisons-Laffitte winner Restiadargent (Fr) and Prix de Surennes winner Restiana (Fr); while lot 364 Kenzohope (Fr) is

a full-brother to G3 Prix de la Grotte winner Kenhope (Fr).

Tattersalls S. winner Elarqam was not, incidentally, the only 2-year-old running at Newmarket who has given a one-horse draft in Book 1 a notable post-publication update. Woodcote Stud's sole entrant, lot 299, is a filly by Kingman (GB) (Invincible Spirit {Ire}) out of the stakes-placed Nashwan mare Whirly Bird (GB). This filly's half-sister Whirly Dancer (GB) (Danehill Dancer {Ire}) is the dam of this season's G2 Railway S. winner Beckford (GB) (Bated Breath {GB}) who became a Group 1 performer after the catalogue came out by finishing second in both the G1 Phoenix S. and the G1 National S. He followed these excellent performances by contesting the G1 Middle Park S. at Newmarket on Saturday, when he reported home an even fifth, beaten only 3 1/2 lengths by U S Navy Flag (War Front). **Cont. p9**

Boutique Book 1 Drafts Cont.

Another notable update for this filly is that her half-brother Poet's Word (Ire) (Poet's Voice {GB}) finished second last month in the G1 Irish Champion S.

During recent weeks the late, great Bob McCreery must have been looking down and beaming at the string of stakes victories amassed by graduates of his Stowell Hill Stud. He would be very proud of the two-horse draft which his wife Jeanette and stud groom David Ludlow are bringing to Book 1. Each hailing from the family of the champion German filly Anna Paola (Ger) (Prince Ippi {Ger}), **lot 97** is a colt by Medaglia d'Oro (El Prado {Ire}) from G3 Prix d'Aumale victrix Middle Club (GB) (Fantastic Light); while **lot 325** is a filly by Olympic Glory (Ire) (Choisir {Aus}) from the winning Halling mare Alpen Glen (GB) whose first three foals are all stakes performers.

Another two-horse draft rich in racing history is the offering from Stanley House Stud, home of the mighty Ouija Board (GB) (Cape Cross {Ire}). Stanley House Stud was in the spotlight at this sale in 2012 when Ouija Board's chestnut Galileo colt was snapped up by Demi O'Byrne for 525,000gns. Subsequently named Australia (GB), he went on to win the G1 Derby S., the G1 Irish Derby S. and the G1 Juddmonte International S. in 2014. Pleasingly, Stanley House Stud now offers two members of Australia's first crop. **Lot 85** is a grandson of the former champion filly and excellent broodmare Superstar Leo (Ire) (College Chapel {GB}); while **lot 159** is a son of the top-class international racemare Que Puntual (Arg) (Contested Bid) who has already produced G3 Hotham H. winner Oceanographer (GB) (Sea The Stars {Ire}). The enthusiasm which stud manager Peter Stanley shows for the pair bodes very well for Australia's future.

Lot 85 | Emma Berry

"We are thrilled to be offering these two stunning yearlings by Australia from his home stud," he said. "They are both like their father in that they are very athletic and wonderful movers. Australia himself always had a great step. It is therefore no surprise that he is producing good-looking, easy-moving stock."

By no means the most expected of the Ballydoyle quartet, US Navy Flag nevertheless emerged on top as he fought off Fleet Review to provide his sire and stable with a notable one-two and a 20th Group 1 success for Aidan O'Brien in 2017. During a year in which the stable has won several decent contests with supposed second-strings, the winner upstaged his G1 Phoenix S.-winning barnmate Sioux Nation (Scat Daddy) with shades of the 25-1 success of Crusade (Mr. Greeley) in 2011. **Cont. p10**

G1 Juddmonte Middle Park S. Cont.

Third in the Listed Marble Hill S. on yielding-to-soft over this trip at The Curragh May 27, the bay was 14th under hold-up tactics in the G2 Coventry S. on a much slicker surface June 20 before forcing tactics were employed as he broke his maiden in first-time blinkers back on easier going at The Curragh July 1. Stepping up to be 1 3/4-lengths second to Cardsharp in the G2 July S. on the other course July 13, he was fourth behind Sioux Nation in the Phoenix back on fast summer ground in Kildare Aug. 13 before winning by six lengths in the G3 Round Tower S. over the same track and trip a fortnight later.

Chased along from the break to lead the pack racing up the centre as Hey Jonesy (Ire) (Excelebration {Ire}) took them along, U S Navy Flag kicked to gain the overall lead passing the quarter pole as the leading fancies all tried to work their way into the race from behind. There was only Fleet Review to worry him as

he exited the “dip”, but hard as Donnacha O’Brien tried to conjure a winning effort from that colt, U S Navy Flag was always holding him at bay as they pulled away from the winner’s July Course conqueror Cardsharp. The 7-2 favourite Beckford (GB) (Bated Breath {GB}) had no excuses and finished fifth.

“It is no surprise that he ran well,” Heffernan said. “I thought Ryan was the danger, but his horse is big and might be a little bit weak and this lad is out of a Galileo mare and that’s what kicked in. He’s a horse that’s a bit gawky and looks around, so the blinkers help him focus and make the jockey’s job easier.”

Aidan O’Brien is considering running U S Navy Flag again this season. “This horse won very easily the last day. He is a very solid horse and he is a brother to Roly Poly. He is out of a Galileo mare and they just don’t give up. He takes his racing well and is progressing with every run. He is long and he is powerful. I think he will go down the sprinting route, but there is nothing to say he won’t get seven. He is a hardy horse that is progressing and when horses are like that, you can keep going with them if they want to go and I wouldn’t rule out the [Oct. 14 G1] Dewhurst with him. Seamie said he really wanted it and when he asked him, his head went out and down. It is great for everyone and there’s a lot of hard work by a great team of people.”

U S Navy Flag | *Racing Post*

Of Fleet Review, he added, “He ran a stormer. Donnacha wanted to ride him as he had won twice on him. He really came together. He has plenty of speed and he travelled well.”

Trainer Mark Johnston praised Cardsharp but at the same time was not convinced that he is trying his hardest. “It was another very good run,” said Johnston. “He was 14-1 which was a bit unfair as there was nothing in there that he hadn’t mixed it with before. He has been placed in the Richmond, July S., Gimcrack and now the Middle Park. Recently he has been extremely difficult beforehand. We have had him twice to the racecourse for practice sessions. It started at the July meeting and he has actually got steadily worse. The two worst ones have been here and the July meeting and he won there and was third today. I can’t say he is taking too much out of himself. It might be the opposite in fact that he is saving a bit for himself.”

Pedigree Notes...

U S Navy Flag becomes the third pattern-race and second Group 1 winner from as many runners for Misty For Me, whose own four victories at this level included the G1 Irish 1000 Guineas. Her first foal was the graded-stakes scorer Cover Song (Fastnet Rock {Aus}), who was followed by this year’s G1 Falmouth S. and G1 Prix Rothschild heroine Roly Poly who is another War Front on the smaller side. The second dam is the unraced Butterfly Cove, who also produced the G1 Prix Marcel Boussac heroine

Ballydoyle (Ire) (Galileo {Ire}) and is a full-sister to the G3 1000 Guineas Trial S. scorer Kamarinskaya as well as being a half to the G1 Phoenix S. and G1 Prix Morny hero and sire Fasliyev. Their respective dam Mr. P’s Princess is in turn a half-sister to the multiple top-level scorers Desert Wine and Menifée who were both runner-up in the GI Kentucky Derby. Misty For Me’s yearling filly is also by War Front and she has a 2017 colt by the same sire again. **Click for the [free EquineLine.com catalogue-style pedigree.](#)**

When the Coolmore contingent bought **Airwave** two years after her impressive win in this race in 2002, they were exercising that unerring foresight they are renowned for by tapping into a goldmine. While it took a while to excavate, it is now a fully-working reserve of high-class racing talent which was possibly only beginning to take off with the dual Guineas success of **Churchill (Ire)** (**Galileo {Ire}**) in May. **Clemmie** looked cut from the same cloth as her stablemate when putting up a highly encouraging debut effort in third over this trip at **The Curragh** May 27 and there was much to take out of her seventh behind **Different League** in the **G3 Albany S.** at **Royal Ascot** June 23. Beating **Butterscotch (Ire)** (**Galileo {Ire}**) with a degree of comfort in the July 2 **G3 Grangecon Stud S.** next time, the bay defeated **Nyaleti (Ire)** (**Arch**) on the July Course in the **G2 Duchess of Cambridge S.** here July 14 before enjoying a summer break.

Clemmie | *Racing Post*

Ryan Moore was due to ride **Clemmie** over **Magical (Ire)** (**Galileo {Ire}**), **Happily (Ire)** (**Galileo {Ire}**) and **September (Ire)** (**Deep Impact {Jpn}**) in the **G1 Moyglare Stud S.** before the rain came which speaks volumes about her status at **Ballydoyle** and in hindsight the only real scare for her all day came when her plane had to be grounded soon after take-off which led to a delay in getting to **Newmarket**. Always in the leading quartet, she was moved up to take on **Different League** two out and began to assert her superiority inside the last 150 yards en route to an ultimately-convincing success.

"She's very high-class and travelled beautifully throughout," Ryan Moore said. "It was a messy race, but she always had herself in the right position and was always comfortable and always in control. It's been a while since she ran and she has improved with every start and will continue to do so. She gives me every indication that she will go further."

Aidan O'Brien was happy to compare the winner favourably with her brother and said, "She's right in his mould, she has a great mind with plenty of speed and stays--nothing fazes her. She will have the option of going to America [for the **Breeders' Cup**] now, but the lads will decide. If she says she'll be happy to do that, a mile around there on nice ground will be no problem to her. She wants further, but it's her class that gets her through over six furlongs. She's been progressing with every run and coming along lovely at home and to show that kind of class over six furlongs, you would have to be over the moon."

Different League put up another dynamic effort in Britain and trainer **Matthieu Palussiere** was delighted. "She keeps putting up great performances," he commented. "You would imagine she will keep improving, with her physique. She was beaten by a filly that is improving. You would have to think about taking the winner on again. She has a great temperament. I would say that it is for the year. I would say she will have a prep race before the Guineas." **Cont. p12**

G1 Juddmonte Cheveley Park S. Cont.

It was revealed that Madeline could be on her way to Del Mar by trainer Roger Varian. “She is an honest, talented filly but she didn’t quite have the guns to win,” he commented. “She ran a good race and she has run well all year. She didn’t come down the hill like the first two, but when she met the rising ground she stayed on. We will see how she is, but we might consider the Juvenile Fillies’ Turf. The way she has stayed on, she would get a flat American two-turn mile and she will be better on faster ground.”

Pedigree Notes...

Clemmie is now the second top-level winner for the Listed Curragh S. scorer and G2 Queen Mary S. runner-up Meow and it will be no surprise to see her add to Churchill’s Guineas tally in the spring. Meow is one of three black-type winners produced by the aforementioned Airwave, whose half-sister Jwala (GB) (Oasis Dream {GB}) captured the G1 Nunthorpe S. Airwave’s Aloof (Ire) by Galileo took the G3 Denny Cordell Lavarack & Lanwades Stud Fillies’ S. Meow’s yearling and foal are full-brothers to Clemmie. **Click for the free Equineline.com catalogue-style pedigree.**

Vazirabad | Scoop Dyga

Shunted off Sunday’s feature card, this event lost further lustre with the absence of Royal Ascot’s G1 Gold Cup hero Big Orange (GB) (Duke of Marmalade {Ire}), but chief rival Vazirabad ably filled the void and provided trainer Alain de Royer-Dupre with a second renewal at the expense of 2015 winner Mille et Mille. France’s top stayer posted a second score in Meydan’s Mar. 25 G2 Dubai Gold Cup and wins at this venue in the May 28 G2 Prix Vicomtesse Vigier and Sept. 10 G3 Prix Gladiateur, and adopted patient tactics once again here. Making smooth headway from off the pace in the straight, the dual G1 Prix Royal-Oak winner was delivered on the front end with 300 metres remaining and stayed on strongly to deny Mille et Mille for a hat-trick of wins at the highest level.

“He is as he always is and does the minimum required to win and has to be asked to quicken and go,” said trainer Alain de Royer-Dupre after adding to his win with Tajoun (Fr) (General Holme) in 1999. “Exerting as much as is needed in his races means he should be around for a while and his career is far from over. He was injured in the Spring and it took nearly two months to get him back in training, but he has been perfect since. We’ll do like we did last year, which is to bring him back in the [Oct. 22 G1] Prix Royal-Oak [at Saint-Cloud] before giving him a break and then aiming at the [Mar. 31 G2] Dubai Gold Cup at Meydan.”

Carlos Lerner was delighted with the performance of runner-up Mille et Mille and added, “We passed on the [Sept. 10 G3 Prix] Gladiateur to keep him fresh and he ran a terrific race. He has already written his own history, but has added another chapter with another good effort. This is his best trip, he loves soft ground and, if he’s well, we’ll come back for the Royal-Oak.”

Roaring Lion was introduced in the mile maiden on the July Course won by Frankel (GB) and Motivator (GB) Aug. 18 and followed a taking success there with a six-length verdict under a penalty in a novice contest on Kempton's Polytrack Sept. 8. Restrained early by Oisin Murphy behind the leading trio, the grey showed a sharp turn of acceleration to overwhelm the market leader Nelson and Mildenberger passing the quarter pole before veering right through greenness. Giving Nelson another chance as a result, he rallied when straightened to regain the initiative near the line and thrust ahead in this "Win And You're In" for the G1 Breeders' Cup Juvenile Turf at Del Mar in November.

Roaring Lion | Racing Post

"I was still on the bridle passing the bushes, so I couldn't have waited any longer," his rider said. "They went a good gallop and he travelled like a nice horse. He certainly has a big future."

John Gosden is looking at a possible Breeders' Cup tilt with the winner. "He did very well and it wouldn't be his favourite ground," he explained. "He has done nothing but improve. He has won on the July Course and the Polytrack and we couldn't be more pleased with him. It's a big track and he is a baby. He was in the middle and he had no rail and he started wandering. Oisin gave him a flick with his right hand and he was nearly in the grandstand. He straightened him up and he came back as he went a neck down. He has got plenty of class and is a nice horse. You either put him away or you look at a choice of two races. One is obviously Doncaster [for the Oct. 28 G1 Racing Post Trophy] and the other is Del Mar. I love Doncaster and I would be worried if it got deep and that wouldn't be the place to go. He is an American-bred horse and he likes top-of-the-ground. The next 10 days with the horse will tell us everything. He has come on a lot from Kempton. I would have been terribly disappointed if he wasn't in the shake-up."

G2 Juddmonte Royal Lodge S. Cont.

Nelson was also affected by the flight delay from Ireland and Aidan O'Brien said, "Ryan rode him as he found him. He ran a very good race and was right there all the way. He had a bit of a messy morning and he only just arrived at the races. The poor fellow had never flown before, but he learnt a lot today. I don't know how much that affected him, but it wasn't an advantage. He is a little bit of baby and took a few runs to learn. We are very happy with the run. He kept going and he is a nice horse. Ryan was happy with him and that he ran a good, solid race. If he was to run again, he would have the choice of the Racing Post Trophy or the mile-and-a-quarter race in France [the Oct. 29 G1 Criterium de Saint-Cloud]."

Ice Breeze posted a personal best when annexing the June 18 G2 Prix Hocquart going 12 furlongs at this track before running fourth over the same trip in Saint-Cloud's July 14 G1 Juddmonte Grand Prix de Paris and again in the Sept. 10 G2 Prix Niel back here once more last time. Occupying the ideal slot tracking a sedate pace in third for most of this marathon, he came under pressure to close approaching the final quarter mile and was driven out once challenging along the fence with 300 metres remaining to outstay Call To Mind in game fashion.

“He is most consistent and has yet to run a bad race,” said trainer Pascal Bary after bridging a 23-year gap back to his sole prior win with Epaphos (Ger) (Acatenango {Ger}) in 1993. “He didn’t have the best of trips in the Grand Prix de Paris and he hated the heavy ground in the Prix Niel last time. We will now have to discuss his future and see if he remains in training here or goes to America. There is nothing left for him in Europe this year other than the [Oct. 22 G1] Prix Royal-Oak [at Saint-Cloud] and I’m not certain that is the ideal race for him. It’s against older horses and the going is likely to be too soft for him.”

The Juliet Rose’s only career blip came when down the field in last term’s G1 Prix de Diane, following scores in the Listed Prix de la Seine and G3 Prix de Royaumont here, and she recovered to run second in Deauville’s G3 Prix Minerve and third in this track’s G1 Prix Vermeille. She closed that campaign with victory in the latest renewal of this event and came back off an extended sabbatical to finish a commendable fourth in Deauville’s Aug. 6 G2 Prix de Pomone last time. Leading from flagfall, she was roused along when threatened approaching the quarter-mile marker and kept on relentlessly under a continued drive, answering every call to bravely repel all challenges.

“She is a real fighter and such a brave filly,” said trainer Nicolas Clement. “My other filly [Traffic Jam] was the intended pacemaker, but she was scratched at the start and the jockey [Stephane Pasquier] adapted very well to the situation. The intention was to run in the G1 Prix Vermeille after her first of the season at Deauville, but she had some minor issues and we had to work hard to have her ready for this. This is the reward and it’s a possibility she might come back in the [Oct. 21 G1] British Champions Fillies & Mares at Ascot.”

Freddy Head trainee Listen In endured traffic along the fence in the straight and ran on strongly to claim second in a blanket finish. “I’m not certain if she was unlucky or not, but she was caught for speed when the others quickened and it might have been different if there was a gap on the inside,” said Head. “She will remain in next year and I don’t know if she’ll run again this season.” [Cont. p16](#)

Taareef picked off the G3 Prix Daphnis and this event last term, and resumed this year with victories in the the June 18 G3 Prix Bertrand du Breuil and July 16 G3 Prix Messidor before running fifth in Deauville's Aug. 13 G1 Prix Jacques Le Marois and second here in the Sept. 10 G1 Prix du Moulin de Longchamp last time. Steadied to race off the pace in rear after breaking on terms from the outside gate, he made continued headway under mild coaxing in the straight.

Taareef | Scoop Dyga

Challenging with 300 metres remaining, Taareef kept on strongly for Christophe Soumillon's forceful urgings inside the final eighth to prevail in ultimately snug fashion.

"He hasn't had too taxing a campaign, I think he did that comfortably and won well," said trainer Jean-Claude Rouget. "What surprised me most is that he is usually a little nervous and keen, but today he was relaxed. There remains only tough races for the rest of the season--such as the G1 Queen Elizabeth II S., the GI Breeders' Cup Mile and the G1 Hong Kong Mile--so, at this stage, I am not certain what we will do going forward."

Pedigree Notes...

Taareef is the leading performer bred from five-time winner and Listed City of Ranson H. third Sacred Feather (Carson City), whose own dam Marianna's Girl (Dewan) landed the GIII Linda Vista H. and produced five stakes winners, most notably GIII Poker H. victor Christine's Outlaw (Wild Again) and GIII Stars and Stripes H. scorer Marastani (Shahrastani). Marianna's Girl is also the second dam of Listed Independence Day S. hero Strike Impact (Smart Strike), who notched 20 career victories, and GIII Sapling S. winner Don't Tell The Kids (Carson City). Taareef's third dam Marianna Trench (Pago Pago) produced MGSW GI Whitney H. runner-up Bold Style (Bold Commander). He is kin to the unraced 2-year-old colt by Momtalik (Point of Entry) and a yearling filly by Bernardini. [Click for the free Equineline.com catalogue-style pedigree.](#)

Garlingari has been through four busy seasons of campaigning and added to a tally of four black-type scores and a third in last term's G1 Prix Ganay when landing the Sept. 16 G3 La Coupe de Maisons-Laffitte in his most recent outing. Stalking the lead in second from flagfall, he responded to stretch-long coaxing to join issue with the pacesetter Robin of Navan (Fr) (American Post {GB}) approaching the eighth pole and was ridden out in the latter stages to withstand the late thrust of Subway Dancer.

Garlingari | Scoop Dyga

"Racing is all about dreams and happiness and today our dream came true," beamed trainer Corine Barande-Barbe, who took this event three times with former stable standardbearer Cirrus des Aigles (Fr) (Even Top {Ire}). "We're very happy with what we achieved with Cirrus des Aigles and we've done it again today. Garlingari is a fighter and has gone from strength to strength with age. To win two group races in such a short period of time is great, but whether or not he can do it again is another question. We'll see how he comes out of this race before making a decision on the [Oct. 15 G2] Prix du Conseil de Paris [back at this track]. If not, Hong Kong is a possibility in December if we get an invitation."

Pedigree Notes...

Garlingari, kin to the as yet unraced 2-year-old colt Garlizain (Fr) (Youmzain {Ire}), is the leading performer out of G3 Prix de Conde and G3 Prix Chloe second Garlinote (Fr) (Poliglote {GB}), who in turn is the best produce out of Garling (Fr) (Garde Royale {Ire}). The latter is a full-sister to G1 Prix de Diane and G1 Prix Vermeille heroine Carling (Fr), herself the dam of four black-type performers headed by G2 Yomiuri Milers Cup and G2 Nakayama Kinen victor Lohengrin (Jpn) (Singspiel {Ire}) and G3 Sports Nippon Sho Kyoto Kimpai scorer Extra End (Jpn) (Deep Impact {Jpn}). **Click for the free Equineline.com catalogue-style pedigree.**

**THE SCORE**

We are now in a new era where the fillies and mares of Europe are at least a match for the colts and have come to subsequently dominate the Arc itself. With star names like Enable (GB) (Nathaniel {Ire}), Winter (Ire) (Galileo {Ire}) and Seventh Heaven (Ire) (Galileo {Ire}) engaged in the main event, Sunday's supporting G1 Prix de l'Opera Longines at Chantilly could be forgiven for lacking substance, but instead it hosts seven individual Group 1 and two Classic winners in a measure of the strength of the distaffers of modern times. The event is a "Win And You're In" for the G1 Breeders' Cup Filly & Mare Turf in November at Del Mar. Again, it is Ballydoyle who have the key, as **Hydrangea (Ire)** (Galileo {Ire}) bids to prove her narrow defeat of Winter in the G1 Matron S. over a mile at Leopardstown was no fluke on Sept. 9. She had last year's G1 Prix Marcel Boussac heroine **Wuheida (GB)** (Dubawi {Ire}) and stablemate **Rhododendron (Ire)** (Galileo {Ire}) back in fourth and seventh respectively on that occasion. **Cont. p18**

Hydrangea | Racing Post

The Score Cont.

The Matron was the latter’s first outing since breaking a blood vessel in the G1 Prix de Diane here June 18 and on their 2-year-old form Rhododendron was clear-best as she proved in the G1 Fillies’ Mile at Newmarket in October.

Wuheida’s trainer Charlie Appleby commented, “Wuheida put up a good performance in the Matron S., when she was beaten less than two lengths, and I think that the step back up in distance is going to suit her. I felt that she didn’t quite get a mile and three furlongs on testing ground in the German Oaks, but 10 furlongs could be her ideal trip. She won at this meeting last year and returns in good shape.”

Another who has taken the measure of Wuheida this term is Gestut Haus Zoppenbroich’s **Lacazar (Ger)** (Adlerflug {Ger}), who had that Godolphin representative back in third when capturing the G1 Preis der Diana over 11 furlongs at Dusseldorf on Aug. 6. She is one of the duo of Classic winners set to contest this alongside the Niarchos Family’s **Senga** (Blame), who emerged best in the June 18 G1 Prix de Diane and may have needed her return when third behind Sobetsu (GB) (Dubawi {Ire}) and **Onthemoonagain (Fr)** (Cape Cross {Ire}) in Deauville’s G2 Prix de la Nonette over this trip on Aug. 19.

The Niarchos Family’s racing manager Alan Cooper said of Senga, “Pascal Bary is very happy with her. She’s a Prix Diane winner returning to Chantilly where she runs particularly well and she should be very competitive. It was a nice run back in the Prix de la Nonette and she’s come on for that.”

One of those without a win in this category so far is His Highness The Aga Khan’s Aug. 20 G3 Royal Whip S. and G2 Blandford S. winner **Shamreen (Ire)** (Dubawi {Ire}), but the manner of her repeat success in the latter 10-furlong contest suggests she belongs here. The form of that Sept. 10 Curragh race was boosted by the subsequent listed win of the runner-up Beautiful Morning (GB) (Galileo {Ire}) and she will appreciate any more rain.

OH HAPPY DAY

Like every other major meeting in the European calendar, Aidan O’Brien’s Team Ballydoyle have enjoyed multiple successes on the Arc card and have accounted for seven winners of what is now the G1 Qatar Prix Jean-Luc Lagardere, a “Win And You’re In” for the G1 Breeders’ Cup Juvenile Turf at Del Mar in November. All of those who took this race previously known just as the Grand Criterium--a prestigious title it still carries--and which has been returned from seven furlongs to its prior mile distance, were unsurprisingly colts but in a recent departure by the Rosegreen establishment it is a filly who flies the flag this time in **Happily (Ire)** (Galileo {Ire}). She reversed placings from the G2 Debutante S. with her Marcel Bousac-bound stablemate Magical (Ire) (Galileo {Ire}) in the G1 Moyglare Stud S. over seven furlongs at The Curragh last time Aug. 20, having impressed when capturing the G3 Silver Flash S. by five lengths at Leopardstown on July 27.

Heading the opposition among the colts is **‘TDN Rising Star’ Masar (Ire)** (New Approach {Ire}), who has already been upstaged by two of the best fillies around in September (Ire) (Deep Impact {Jpn}) and Nyaleti (Ire) (Arch) when third in Royal Ascot’s Listed Chesham S. over seven furlongs on June 24. Given a break after that encounter by Charlie Appleby, the chestnut returned in rude health to win Sandown’s G3 Solario S. on Sept. 2 and is the pick of James Doyle over the stable’s **Mythical Magic (Ire)** (Iffraaj {GB}). He took Deauville’s Listed Prix Francois Boutin over seven furlongs on Aug. 13 before finishing third in the G2 Champagne S. over that trip at Doncaster Sept. 16.

Cont. p19

Happily | Racing Post

Oh Happy Day Cont.

“Masar and Mythical Magic are in great nick,” their trainer said. “I know 100% that Mythical Magic will handle the ground and I’m very confident Masar will. I think a nice flat track will suit Masar and we will keep it simple with him. I see Masar getting further in time and I think this is about the maximum trip that Mythical Magic will get. He has got the pace to jump and travel well.”

Appleby already has a line into **‘TDN Rising Star’ Olmedo (Fr)** (Declaration of War), who he beat with Stage Magic (Ire) (Dark Angel {Ire}) in the G3 Prix des Chenes over this track and trip last time Sept. 3. Interestingly, Stage Magic had previously finished a short-head second to **Francesco Bere (Fr)** (Peer Gynt {Jpn}) in Deauville’s Listed Criterium du FEE over this distance on Aug. 19 and the form of that race has been boosted to suggest that Gerard Lesur’s bay is no back number here.

MARSHA PRIMED FOR REPEAT BID

Marsha | *Racing Post*

Having re-established her dominion in the sprinting ranks with a dramatic success in the G1 Nunthorpe S., **Marsha (Ire)** (Acclamation {GB}) returns to Chantilly on Sunday to bid to become the first in 23 years to register back-to-back victories in the G1 Qatar Prix de l’Abbaye. The Elite Racing Club’s homebred was the only one capable of overcoming Lady Aurelia (Scat Daddy) in a lung-bursting renewal of York’s famed sprint last time on Aug. 25 and she comes back here undeniably a stronger filly than 12 months ago so the confidence of connections is fully justified.

“We’re very happy with her and she appears to be in as good a form as she was before York,” the syndicate’s racing manager Dan Downie said. “The ground should be fine. If they get the rain it might be a bit slower than last year. I’d say she’s in a similar place to where she was a year ago. Her coat is starting to go, but it did last year so you wouldn’t be worried about that. We’re generally happy with her.”

Rider Luke Morris added, “She’s probably better on better ground to be honest, but she ran reasonably well at Goodwood on it and that track suits her well so I’d be hopeful of a big run.”

One of those who disappointed in the Nunthorpe was Shadwell’s July 8 G3 Sandown Sprint S. and Aug. 4 G2 King George S. scorer **Battaash (Ire)** (Dark Angel {Ire}) who was fourth after getting upset in the preliminaries. Racing manager Angus Gold is hoping that the 3-year-old can keep control this time.

“It’s up to him a bit,” he said. “Obviously he didn’t show his best in any sense at York. He was disappointing with his attitude, so I hope he does it a bit better mentally,” he said. “Charlie [Hills] has been very happy with him. We know the ability is there. Let’s hope he can get back to where he was in the summer.”

Of the French-trained protagonists, the stand-out on past evidence is Isabelle Corbani’s **Signs of Blessing (Ire)** (Invincible Spirit {Ire}) who is having his first run in this race. Last year’s G1 Prix Maurice de Gheest hero beat old rival **Finsbury Square (Ire)** (Siyouni {Fr}) in convincing fashion in the six-furlong G3 Prix de Meautry at Deauville last time on Aug. 27 and is a leading player on his prior beating of **Profitable (Ire)** (Invincible Spirit {Ire}) in the G3 Prix de Saint-Georges over this trip there May 13. Godolphin’s Profitable, who was second behind Battaash in the King George at Goodwood was only sixth in the Nunthorpe but trainer Clive Cox believes this is more in his ballpark.

“He’s very well indeed and we are looking forward to it,” he commented. “The forecast will keep it wetter rather than holding ground, but I’ve no concerns about an easy surface for him. He is a proven Group 1 horse and should be competitive. There’s no doubting his ability and he’s had time between races this year.”

A MAGICAL BOUSSAC

Chantilly's Arc card also holds the promise of unveiling future stars, with the juvenile fillies taking their turn in Sunday's G1 Total Prix Marcel Boussac, a "Win And You're In" for the G1 Breeders' Cup Juvenile Fillies Turf at Del Mar in November, which in recent times has played host to two eventual Arc heroines in Zarkava (Ire) (Zamindar) and Found (Ire) (Galileo {Ire}). Since 2002, eight of the 15 winners have gone on to further Group 1 glory, with the likes of Six Perfections (Fr) (Celtic Swing {GB}), Divine Proportions (Kingmambo), Finsceal Beo (Ire) (Mr. Greeley) and Misty for Me (Ire) (Galileo {Ire}) subsequently placing themselves among the elite of either sex. The latter was one of four scorers from Ballydoyle and representing the unequivocally powerful outfit this time is **Magical (Ire)** (Galileo {Ire}), who is split up from her closely-matched stable companion Happily (Ire) (Galileo {Ire}) who heads to the Lagardere to take on the colts. Magical, a full-sister to Rhododendron (Ire), had that barnmate's measure in the G2 Debutante S. over seven furlongs at The Curragh Aug. 20 before just losing out to her by a short head three weeks later in the G1 Moyglare Stud S. over the same course and distance.

While Magical sets the form standard, this is one of the races on the fixture where the domestic trainees have a strong hand and the Wertheimer brothers put forward two serious prospects in **Polydream (Ire)** (Oasis Dream {GB}) and **Soustraction (Ire)** (Lope de Vega {Ire}). The former is unbeaten in two starts for the Freddy Head stable and accounted for the subsequent G2 May Hill S. winner Laurens (Fr) (Siyouni {Fr}) with something in hand in the G3 Prix du Calvados over seven furlongs at Deauville Aug. 19.

Magical Racing Post

"I thought the Cheveley Park might be a bit quick for her, so we've gone for the Boussac," trainer Freddy Head explained. "I think she'll get a mile, but it's not written on the wall. It's a bit early to be thinking about next year, the French Guineas is back at Longchamp next year. She's in very good form and I think she's a very talented filly."

Soustraction has more to offer, as she was breaking her maiden when getting the better of Polydream's stablemate and 'TDN Rising Star' Efaadah (Ire) (Dansili {GB}) and Godolphin's re-opposing '**TDN Rising Star**' Wild Illusion (GB) (Dubawi {Ire}) in the G3 Prix d'Aumale which serves as a course-and-distance trial for this Sept. 3.

"She is my best 2-year-old and it will take a good one to beat her," Carlos Laffon-Parias said of Soustraction. "She has improved, she is from the same family as Solemia."

Wild Illusion's trainer Charlie Appleby, who saddled last year's winner Wuheida (GB) (Dubawi {Ire}), believes there is much more to come from the homebred, who had impressed on her debut when winning over this trip at Yarmouth Aug. 22. "Wild Illusion was impressive on her first start at Yarmouth and I felt that she learned an awful lot last time out," he said. "She has subsequently improved again and we felt that she deserved to take her chance in Sunday's race."

It is always unwise to leave a Jean-Claude Rouget representative out of the equation and although Riviera Equine's **Mission Impossible (Ire)** (Galileo {Ire}) has improvement to find on her latest three-length success in the Listed Criterium de l'Ouest over this trip at Craon Sept. 2, that is not out of the question. Teruya Yoshida's Sept. 3 G3 Zukunftsrennen scorer **Narella (Ire)** (Reliable Man {GB}) is a fascinating protagonist alongside Martin Schwartz Racing and Alain Jathiere's July 1 G3 Prix du Bois winner and Aug. 20 G1 Prix Morny fourth Zonza (Fr) (Alex the Winner) in a strong renewal.

SEEKING ACLAIM

With no Limato (Ire) (Tagula {Ire}) this year, Sunday's G1 Qatar Prix de la Foret at Chantilly has an open feel and one who could fill a void is **Aclaim (Ire)** (Acclamation {GB}). Successful in last year's G2 Challenge S. over this trip at Newmarket, he bettered that effort on his penultimate start when second to **Brando (GB)** (Pivotal {GB}) in the 6 1/2-furlong G1 Prix Maurice de Gheest at Deauville Aug. 6 before capturing the G2 Park S. returned to this distance at Doncaster Sept. 16.

"This is definitely his trip at the highest level," said trainer Martyn Meade. "He's won over a mile and over six furlongs, but in Group 1 seven furlongs is him. The soft ground isn't a worry and I'm fairly confident of turning the tables on Brando over the extra half furlong." [Cont. p21](#)

At a track at which the draw is always significant over this trip, a specialist could come to the fore and fitting that bill is Al Shaqab Racing's 2016 runner-up **Karar (Ire)** (Invincible Spirit {Ire}). He registered a first black-type success over this course and distance in the G3 Prix du Pin Sept. 3 and is gradually creeping towards a first at this level. Also in the Al Shaqab silks is last year's G1 Prix Jean Prat hero **Zelzal (Fr)** (Sea the Stars {Ire}), who drops in trip after a latest third in the G1 Sussex S. on extremely testing going at a far-from-Glorious Goodwood Aug. 2.

DOLPHIN VISTA (IRE) (g, 4, **Zoffany {Ire}**--**Fiordiligi {GB}**, by **Mozart {Ire}**), sent off at 50-1 for this Cambridgeshire H. despite having finished a close-up fifth in the Lincoln H. at Doncaster Apr. 1 three runs back, raced mid-pack among the stand's-side group early. Breaking clear of his peers from two furlongs out, the bay who was sixth behind this race's favourite Thundering Blue (Exchange Rate) when last seen over 10 furlongs here Aug. 12 earned the lead from the far-side best Sands Chorus (GB) (Footstepsinthesand {GB}) inside the last 150 yards en route to a 1 1/2-length success. "In a handicap with 34 runners anything can happen and the horse has been doing really well at home," trainer Martyn Meade said. "We've taken a lot of time with him. He's had quite a lot of racing, but had only run once for us before and we thought we'd give him time and wait for his ground. You have to run him in a contest like this, which is quite tricky with so many runners as so many things can go wrong, but he came home the winner, which is great." The dam, who hails from the family of the sires Gracioso and Caesour, also has a 2-year-old full-brother to the winner and a filly foal by War Command. Happy Clapper has danced many of the big dances, and quite creditably, over the last two years. He was second and third, respectively, in last year's G1 Doncaster Mile and G1 Queen Elizabeth S. at The Championships on consecutive weekends, a feat he nearly repeated this year. Just a half-length second to It's Somewhat (Dynaformer) in the Doncaster on Apr. 1, he was fifth behind Winx the following weekend in the Queen Elizabeth. Happy Clapper was a first-up winner over Tom Melbourne in the G2 Tramway S. on Sept. 2, but again ran into Winx when second in the G1 Colgate Optic White S. on Sept. 16. Stalking the front-running Red Excitement (Aus) (Excites {Aus}) through the opening stages of this, Happy Clapper and Blake Shinn loomed up to the pace setter on the outside at the top of the lane and took over passing the furlong marker as Tom Melbourne began to make headway between horses. **Cont. p25**

Happy Clapper and Blake Shinn | Bronwen Healy

G1 Epsom H. Cont.

That runner-up pushed the winner all the way to the line but Happy Clapper would not be denied, and in the process also handed his trainer Pat Webster a first top-level win in 50 years of training.

"He jumped brilliantly today, probably the best he has ever jumped," said Shinn. "The Speed was hot but he always travelled really well, we got there a little bit early for my liking, he was left there exposed as a sitting shot. He was primed for today, he's the class horse and he did a great job. I'm just so happy for everyone involved. It's their [Websters] first Group 1 and it obviously means a lot, not only to them but for me as well to do it for them."

Pedigree Notes...

Happy Clapper, the 14th Group 1 winner for his sire, is the fifth and most accomplished progeny of his dam. He is a half-brother to the useful Gigs, four times group placed, and has 2-year-old and yearling brothers by Not A Single Doubt (Aus) to follow.

Owner Lloyd Williams is certainly not shy when it comes to importing European stayers for Australia's Cups races, and he looks to have unearthed another potential star in that realm in the form of Saturday's G1 Metropolitan winner Foundry. Initially campaigned in Europe by the Coolmore partners, Foundry finished second in the 2013 G2 Great Voltigeur S. and fifth in that year's G1 St Leger. Expatriated the following March to join trainer Robert Hickmott's string Down Under, Foundry had previously done little to turn heads in his new setting. Off for nearly a year after finishing third in a Caulfield handicap last September, Foundry was beaten three-quarters of a length in a Moonee Valley handicap on return on Sept. 9 and was racing second up here. Settled off the pace early, Foundry was third and three wide at the top of the stretch. Put to a drive by Michael Dee thereafter, the bay battled down the middle of the track as Big Duke came with a run up the inside. Foundry hit top gear approaching the 100 metre mark as Big Duke squeezed between horses to engage him, but Foundry had more to give as they came down to the wire, getting there a half-length the best.

Young Melbourne-based rider Dee said, "I'm speechless, I've never ridden a winner at this track, I've been up here a few times now. To win a Group 1, I just couldn't be happier. To Lloyd Williams and the team at Macedon Lodge, thank you very much for having me on. The horse is a beauty, he's just lovely to ride, they brought him here in tip-top shape and he ran accordingly. He jumped really well and got there quite easily, I didn't have to use up much gas early. I got pushed out three-wide on the bend, but luckily I was able to come back and land in the one-one. From then on he travelled beautifully throughout, the team said once he got to the 800m to make it a true staying test so I let him stride and to the horse's credit, he toughed it right out."

Pedigree Notes...

Although gelded, Foundry boasts a page that would stand out anywhere in the world. By the perennial champion sire Galileo, he is out of GI Las Virgenes S. winner Sharp Lisa, herself a half-sister to GI Donn H. winner and sire Spring At Last (Silver Deputy) and dual graded winner Sharp Susan (Touch Gold), the latter the dam of two stakes-placed horses including the once highly regarded 3-year-old Indiano Jones (A.P. Indy).

Foundry | Bronwen Healy

G1 Metropolitan H. Cont.

The third dam produced three stakes winners, including the four-time Group 1 winner and sire Bien Bien (Manila). Foundry's three years younger Housesofparliament went slightly better than his elder brother in the St Leger, placing third last year, and like Foundry he was also second in the Voltigeur. Sharp Lisa's most recently recorded progeny is a yearling colt by Galileo.

Alizee provided a pair of milestone firsts for team Godolphin when recording a first Group 1 win in Saturday's G1 Flight S. at Randwick. The homebred is the first Group 1 winner for Darley sire Sepoy, and is also the first Group 1 winner in the royal blue for trainer James Cummings, who signed on as the operation's head trainer in July.

Alizee | Bronwen Healy

Though her sire did some of his best work at two, Alizee made her debut after the turn of the calendar, breaking her maiden on debut on Aug. 2 at Warwick Farm just after her third birthday. She then finished second, splitting Formality (Aus) (Fastnet Rock {Aus}) and Champagne Cuddles (Aus) (Not A Single Doubt {Aus}), in the G2 Silver Shadow S. on Aug. 19, and was fourth behind that pair in the G2 Furious S. on Sept. 2. She got the better of Champagne Cuddles in the G2 Tea Rose S. on Sept. 16, and while that rival backed up to be second again in the following weekend's G1 Golden Rose S. against the colts, Alizee waited for this target. Alizee was dispatched favourite here, with Champagne Cuddles the second choice, and they raced in close quarters through the opening stages, with Champagne Cuddles leading Alizee at the back of the pack about eight lengths off the lead. Champagne Cuddles came under a drive by Jason Collett at the top of the stretch and cut through a narrow gap on the inside while Glyn Schofield steered Alizee to the outside. The pair met up again passing the 200, with Champagne Cuddles hitting the lead, but Alizee swallowed her up inside the 100 to win by a geared-down 2 1/4 lengths. [Cont. p27](#)

G1 Flight S. Cont.

“This filly has just given me so much confidence, especially from her last-start win,” said Schofield. “She’s got a turn of speed second to none at the end of her race. We had a chat before the race and our plan was definitely to be negative early on, if there was any doubts about the mile we were going to make sure she was switched off and relaxed, because once you let her go you saw what she can do.”

Pedigree Notes...

Alizee is the fourth foal out of Essaouira and has now entered the same sphere as her year-older half-brother Astern (Aus) (Medaglia d’Oro), who won the G1 Golden Rose S. last year for Godolphin and is in the midst of his first season at stud at Darley’s Kelvinside Stud. Essaouira, also the dam of the stakes-placed Mogador (Aus) (Lonhro {Aus}), has a 2-year-old filly by Animal Kingdom named Leopard (Aus) and a yearling colt by Brazen Beau (Aus) to follow.

Alizee’s next three dams are all black-type winners: second dam Alizes took the G2 Magic Night S. while third and fourth dams La Baraka and Triscay (Aus) (Marscay {Aus}) were both Group 1 winners. [Click for the free Arion.co.nz catalogue-style pedigree.](#)

BREEDERS’ WIN FOR WALLER

Chris Waller has been thus far better known for his training of older horses than juveniles, but the champion trainer signaled a potential rise in the latter sphere when winning a first Listed Breeders’ Plate, Australia’s first juvenile race of the season, at Randwick on Saturday with \$5.00 shot **Performer (Aus)** (Exceed and Excel {Aus}). The A\$450,000 Magic Millions Gold Coast yearling—who is campaigned by Waller in a partnership including Magic Bloodstock of Winx fame and Neil Werrett, part-owner of Black Caviar (Aus)—was slowest away from the barriers but gradually made up ground on the rail to sit on the heels of China Horse Club, Newgate Thoroughbreds and WinStar’s A\$400,000 Magic Millions purchase **Bondi (Aus)** (Snitzel {Aus}), a \$4.60 chance, as they rounded the turn. Shadowing that rival as he ran down the pacesetters inside the 200, Performer was pushed out by Hugh Bowman to overtake that rival under a handride and hit the wire a half-length the better ([video](#)). Bowman said. “I expected a good run from him; it’s no surprise that he won, in fact I thought he would and I’m pleased he delivered on my expectations.”

Performer | Bronwen Healy

Blake Shinn aboard Bondi said, “It was a great run, nearly as good as a win. He did everything right, he ran as well as he could, the winner was just a bit better.”

The Breeders’ Plate is a significant pointer to Group 1 success, having been won in recent years by the likes of G1 Golden Slipper winners and ‘TDN Rising Stars’ **Vancouver (Aus)** (Medaglia d’Oro) and **Capitalist (Aus)** (Written Tycoon {Aus}). Other Golden Slipper winners to have debuted successfully in the Breeders’ Plate include Pierro (Aus) (Lonhro {Aus}) and Sebring (Aus) (More Than Ready).

The following race on the card was the fillies Breeders’ Plate equivalent, the Listed Gimcrack S., and it was won by Belinda Bateman’s **Satin Slipper (Aus)** (Pierro {Aus}). The winning time was almost two seconds slower than the colts, but winning rider Hugh Bowman said the filly is one for next season. “I wasn’t as confident with her as I was the colt, but these Snowden 2-year-olds are so well prepared,” he said. “She’ll be so much better in six months, she has a great pedigree and will be a lovely filly.”

Sitting midfield off the rail through the first half of the race, the \$6.50 shot emerged from the pack in the middle of the track halfway down the stretch and was all out to nip \$21.00 longshot **Setsuna (Aus)** (Choisir {Aus}) by a head. The \$4.60 favourite **Witherspoon (Aus)** (Exceed and Excel {Aus}) was wide throughout and was one-paced in the stretch before checking in eighth ([video](#)).

Also on the Randwick undercard, 5-year-old mare **In Her Time (Aus)** (Time Thief {Aus}) raced into contention for the A\$10-million The Everest on Oct. 14 with a win over intended Everest starter **English (Aus)** (Encosta de Lago {Aus}) in the G2 Premiere S. ([video](#)). Making a late run to be sixth was another Everest contender, the champion sprinter **Chautauqua (Aus)** (Encosta de Lago {Aus}).
