St Mark's Basilica takes the Dewhurst | racingfotos.com

Saturday's G1 Darley Dewhurst S. proved the latest in a line of O'Brien family benefits, with Aidan stamping his authority with a one-two courtesy of **St Mark's Basilica (Fr)** (Siyouni {Fr}) and **Wembley (Ire)** (Galileo {Ire}) and Joseph's **Thunder Moon (Ire)** (Zoffany {Ire}) rounding out the placings. Behind that pair when third in The Curragh's G1 Goffs Vincent O'Brien National S. over this seven-furlong trip on Sept. 13, St Mark's Basilica was under cover early with Frankie Dettori playing a waiting game with the pace strong up ahead. Threaded through a gap to take the advantage approaching the final furlong, the 10-1 shot who is a half-brother to Magna Grecia (Ire) (Invincible Spirit {Ire}) ultimately had more stamina on the ground than the National hero Thunder Moon and held his stablemate Wembley by 3/4 of a length, with the 11-4 favourite fading to be 1 3/4 lengths away. "You know with Aidan O'Brien, even the number two horse is a strong one," Dettori said after steering a seventh Dewhurst winner for the master of Ballydoyle. "In fairness, he didn't put a foot wrong and did everything I asked him to. He's neat, nimble, handled the dip and a mile will be no problem in the Guineas."

PLAINCHANT WIRES CRITERIUM FIELD

Plainchant (Fr) (Gregorian {Ire}), who registered a May 17 debut third tackling five furlongs at La Teste de Buch, broke through over six furlongs back there in June and followed up with a first black-type score there once more in the July 26 Listed Criterium du Bequet. Narrowly defeated over six in Deauville's Aug. 22 G3 Prix du Calvados, she returned with a five-length triumph in Chantilly's Sept. 18 G3 Prix Eclipse and returned to that Paris venue to make all for a career high in Saturday's G2 Criterium de Maisons-Laffitte. The even-money favourite was sharply into stride and seized immediate control of the straight dash. Sent clear either side of the quarter-mile marker, she was not for catching thereafter and kept on well under mild coaxing in the closing stages to comfortably hold the late rally of **Go Athletico (Fr)** (Goken {Fr}) by 3/4-of-a-length. The pair were seven lengths clear of the remainder, headed by **Kalahara (GB)** (Frankel {GB}).

Plainchant, half-sister to a yearling filly by Reliable Man (GB), is the sixth of seven foals and one of three scorers out of a winning half-sister to three black-type performers.

St Mark's Basilica's first three starts took place over six furlongs at The Curragh, with a debut second in a maiden on July 26 followed by a fifth placing when the subject of a gamble as the 7-2 favourite for the Aug. 9 G1 Phoenix S. Off the mark next time at the expense of the impressive subsequent scorers Loch Lein (Ire) (Invincible Spirit {Ire}) and Duke of Mantua (Ire) (No Nay Never) and the G3 Round Tower S. third Coulthard (Ire) (Coulsty {Ire}) on soft ground on Aug. 22, he was run out of third late by Wembley after Thunder Moon had flown in the National but despite two defeats at the highest level as a member of Team Ballydoyle was impossible to rule out here. Like Friday's G1 Fillies' Mile winner Pretty Gorgeous (Fr) (Lawman {Fr}) withdrawn from Sunday's action at ParisLongchamp due to the feed contamination, the bay was able to find abundant cover in this field packed with talent and reserve his kick for the business end.

Frankie Dettori on St Mark's Basilica

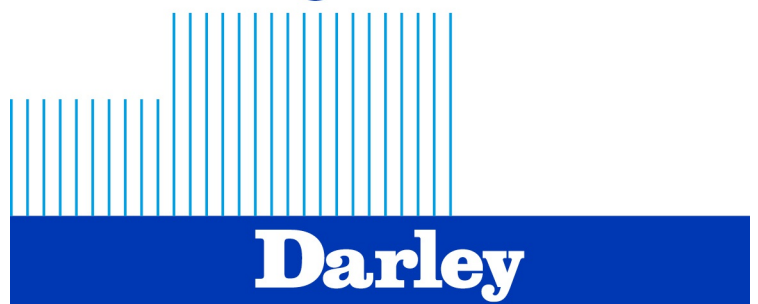

While the Richard Hannon pair **Chindit (Ire)** (Wootton Bassett {GB}) and **Etonian (Ire)** (Olympic Glory {Ire}) were never a factor and the supplemented **Alkumait (GB)** (Showcasing {GB}) ran too free along with his G2 Mill Reef S. combatant **Fivethousandtoone (Ire)** (Frankel {GB}), the race was an Irish affair from before the furlong pole. Even the G2 Champions Juvenile winner **Cadillac (Ire)** (Lope de Vega {Ire}) was in pursuit, while the Jim Bolger runner **Poetic Flare (Ire)** (Dawn Approach {Ire}) was close enough to the premises to confirm the already-existing impression that the Irish hold sway with the juveniles in 2020. It was left to the 100-1 shot **Devilwala (Ire)** (Kodiac {GB}) to deny a one-two-three-four for the visitors, but the Ralph Beckett trainee had the stand's rail and there is a strong theory that a bias exists there on this track.

"We're delighted with both of them," the Ballydoyle handler said. "The plan was that St Mark's Basilica would run in France and then Wembley would run in the Dewhurst, that's the way we were going. We've always liked St Mark's Basilica a lot and we've always thought they were very smart colts."

The sire of exceptional Champions Ribchester, Chriselliam, Wootton Bassett and Rizeena has 12 Group or Stakes horses this year.

Must-see **Iffraaj** yearlings made up to 250,000gns last week. More selling now.

Pedigree Notes

As mentioned, St Mark’s Basilica is the second winner of a prestige Newmarket contest for the G3 Silver Flash S.-winning dam Cabaret (Ire) (Galileo {Ire}) alongside last year’s G1 2000 Guineas hero Magna Grecia, who also captured the G1 Vertem Futurity Trophy at two and was runner-up in this card’s G3 Autumn S. She is a half to the G3 Solario S. scorer Drumfire (Ire) (Danehill Dancer {Ire}) and the stakes winner Ho Choi (GB) (Pivotal {GB}), who was also runner-up in the G2 Gimcrack S. The listed-placed third dam Fife (Ire) (Lomond) is also the second dam of the G3 Park S. winner and G1 Moyglare S. runner-up Ugo Fire (Ire) (Bluebird), while this is also the family of the GI Hollywood Turf Cup hero Frenchpark (GB) and the G1 Prix Vermeille heroine Pearly Shells (GB) (Efisio {GB}). ONE RULER DOMINATES THE AUTUMN

Third in a strong renewal of the seven-furlong Listed Flying Scotsman S. at Doncaster on Sept. 11, Godolphin's **One Ruler (Ire)** (Dubawi {Ire}) showed improvement for the step up to a mile to stamp his class on Saturday's G3 Emirates Autumn S. at Newmarket.

Profitable: the best G1 sprinter by Kingman's sire — and rated superior to Invincible Spirit himself. His fast-looking yearlings are catching the eye of all the right people: Shadwell, Clive Cox, Karl Burke, Kevin Ryan have all bought one (or more) so far. [More selling now.](#)

Settled in mid-division early racing wide, the 5-1 shot loomed on the outer under William Buick and after taking the lead at the two-furlong pole readily asserted to score by 1 3/4 lengths from **Van Gogh** (American Pharoah), with another Appleby representative **Dhahabi (Ire)** (Frankel {GB}) 1 1/2 lengths behind in third. "I think it was a very nice performance on very soft ground and stepping him up in trip has helped," Buick said. "He probably handled the ground, but will be better on a better surface for sure. The Flying Scotsman at Doncaster was a funny race--I ended up too far back and set him a bit of a task, but today was far more straightforward for him. He showed today that he has improved."

One Ruler and William Buick | racingfotos.com

Brushed aside on debut by the subsequent G3 Solario S. winner **Etonian (Ire)** (Olympic Glory {Ire}) over seven at Sandown on July 23, One Ruler returned to the same course and distance a month later to beat **Maximal (GB)** (Galileo {Ire}) and **Latest Generation (GB)** (Frankel {GB}) in a maiden that has proven a rich source of subsequent winners. Taking part in another competitive event in the Flying Scotsman, the bay was hampered late on there when third behind the eventual G2 Royal Lodge S. winner New Mandate (Ire) (New Bay {GB}) but gave the impression he needed another furlong and an easier surface. Appleby said, "William feels that the horse has enough pace to be a Guineas contender. His dam Fintry was a Group 2 winner over a mile and he is a son of Dubawi who will get stronger over the winter, which could build on his speed. I think he is a horse who we would have to consider strongly for the 2000 Guineas."

Of the third, who is a half-brother to Golden Horn (GB), he added, "Dhahabi is going to be a mile-and-a-half horse and shaped well over today's trip."

LONE EAGLE BEST IN THE ZETLAND

Stepping out of nursery company having won a competitive affair at Doncaster on Sept. 12, Ballylinch Stud and Aquis Farm's **Lone Eagle (Ire)** (Galileo {Ire}) made most of the running to land Saturday's 10-furlong G3 Godolphin Flying Start Zetland S. at Newmarket. Ridden from the break by Silvestre de Sousa to race on the front end, the 16-5 shot was joined by **Fabilis (GB)** (Frankel {GB}) and shared the lead with that rival throughout the early stages. Seeing him off before coping with **Recovery Run (GB)** (Nathaniel {Ire}) on the run to the line, the bay registered a 1 3/4-length success as the runner-up pulled seven lengths clear of **Mystery Angel (Ire)** (Kodi Bear {Ire}). "It was a nice performance, as it is not easy for a 2-year-old on that kind of ground," de Sousa said. "He is really tough, he's not very big but he gallops his heart out."

Lone Eagle | [racingfotos.com](https://www.racingfotos.com)

Runner-up to Recovery Run on debut over a mile at Sandown on Aug. 7, Lone Eagle was off the mark over that trip at Goodwood next time on Aug. 28 prior to his Doncaster success and despite being steadily progressive had not made any dramatic improvement in that period. Blessed with the rail here over a trip extreme for juveniles which obviously holds no fears, the Ballylinch homebred kept finding as his old rival pressed in the closing stages in a performance that said more St Leger than Epsom Derby where 2021 is concerned. Freddie Meade said, "He's got a progressive profile and we thought he'd be crying out for this trip and would relish it. We were happy about the ground, as he went on it at Goodwood and is a horse that doesn't over-race and needs stoking up. He's a horse that would suit Epsom and the Derby is a great thing to think about. He showed he can handle a quirky track like Goodwood and ran on quick ground first time and on good at Doncaster, so is versatile."

There was a surprise in store in Saturday's G3 Darley S. as Tom Gaffney and Barbara Murphy's 28-1 shot **Lady Wannabe (Ire)** (Camelot {GB}) came with a late flourish to land the spoils. Overpriced given that she had beaten the subsequent listed scorer Keats (Ire) (Galileo {Ire}) on her latest start in the Sept. 22 Listed Listowel S. over this nine-furlong trip, the bay was the subject of a typically nerveless hold-up ride from Jamie Spencer and having been switched off in rear for much of the contest produced a rattle to overwhelm **Dream Castle (GB)** (Frankel {GB}) in the last 150 yards en route to a 1 3/4-length success.

"She had won two listed races at home and we came over hoping to get a little bit of group form on her page and we ended up getting a big bit of group form," trainer Fozzy Stack said. "She is not very big, but she is very tough. It is great for Jamie as we go back a long way and he has had a tough year. I'll talk to Tom about whether she will run again, but there is probably not much left for her to be honest."

Pedigree Notes

Lady Wannabe, who also captured last year's Listed Ruby S. at Killarney, had not been disgraced when eighth on her penultimate start in Leopardstown's G1 Matron S. on Sept. 12.

She is the first foal out of the smart Wannabe Better (Ire) (Duke of Marmalade {Ire}), who took the G3 Ballycorus S., Listed Garnet S. and the Ruby that her daughter won. Her half-siblings include Wannabe Grand (Ire) (Danahill), who took the G1 Cheveley Park S. and G2 Cherry Hinton S. and was runner-up in the G1 1000 Guineas, and Wannabe Posh (Ire) (Grand Lodge), who was successful in the Listed Galtres S. and second in the G3 Lillie Langtry S. before producing the G3 Thoroughbred S. winner Wannabe Yours (Ire) (Dubawi {Ire}). This is also the family of Friday's G2 Challenge S. winner Happy Power (Ire) (Dark Angel {Ire}) and the G2 Prix Daniel Wildenstein winner and dual Classic-placed Tamazirte (Ire) (Danahill Dancer {Ire}) who is responsible for this year's G3 Prix de Guiche and G3 Prix du Prince d'Orange scorer Chachnak (Fr) (Kingman {GB}). Wannabe Better's daughter of Galileo (Ire) was snapped up by Mike Ryan for 500,000gns at last year's Tattersalls October Yearling Sale Book 1 and is now named Higher Truth (Ire), while she also has a yearling filly by that same sire.

GOLD STANDARD IN THE BENGOUGH

Connections of **Dakota Gold (GB)** (Equiano {Fr}) would have been delighted with the news that Ascot's G3 Coral Bengough S. was to be moved to York, with the ace sprinter already successful four times on the Knavesmire that he so loves. Having won the Listed Garrowby S. over this course and distance last September, the bay who was runner-up to the exciting **Starman (GB)** (Dutch Art {GB}) in the latest renewal of that contest on Sept. 6 was in no mood to compromise his greatest asset and Connor Beasley was in accord as he sent him straight into the lead. Relishing the soft ground as he ploughed his lone furrow in admirably uncomplicated fashion, the 13-8 favourite had 1 3/4 lengths to spare over **The Tin Man (GB)** (Equiano {Fr}) at the line, with another old-stager **Brando (GB)** (Pivotal {GB}) left trailing three lengths further away. "Connor gave him a good ride and he just loves it here, I couldn't tell you why," trainer Michael Dods commented. "It's a good flat track, the best track in the country. He's never run a bad race here and Connor gets on well with him."

Dakota Gold runs away with the Bengough | racingfotos.com

Dakota Gold, who also won Ascot's Listed Rous S. last term and the Aug. 27 Listed Beverley Bullet Sprint S. over five furlongs, had come closest to winning a race of this stature when second to **Maid In India (Ire)** (Bated Breath {GB}) in the G3 World Trophy at Newbury in September. "It's just played into our hands, as we had him in the [Listed] Rous at Ascot and when it was abandoned and they moved this race to here it was the obvious one to go for, especially with the conditions the way they are," Dods added, before suggesting that the winner could also run in the re-scheduled Rous at Nottingham on Wednesday. "I'm not ruling it out, I'll monitor it. I think there's a possibility we could go for next Wednesday and then call it a day for this season."

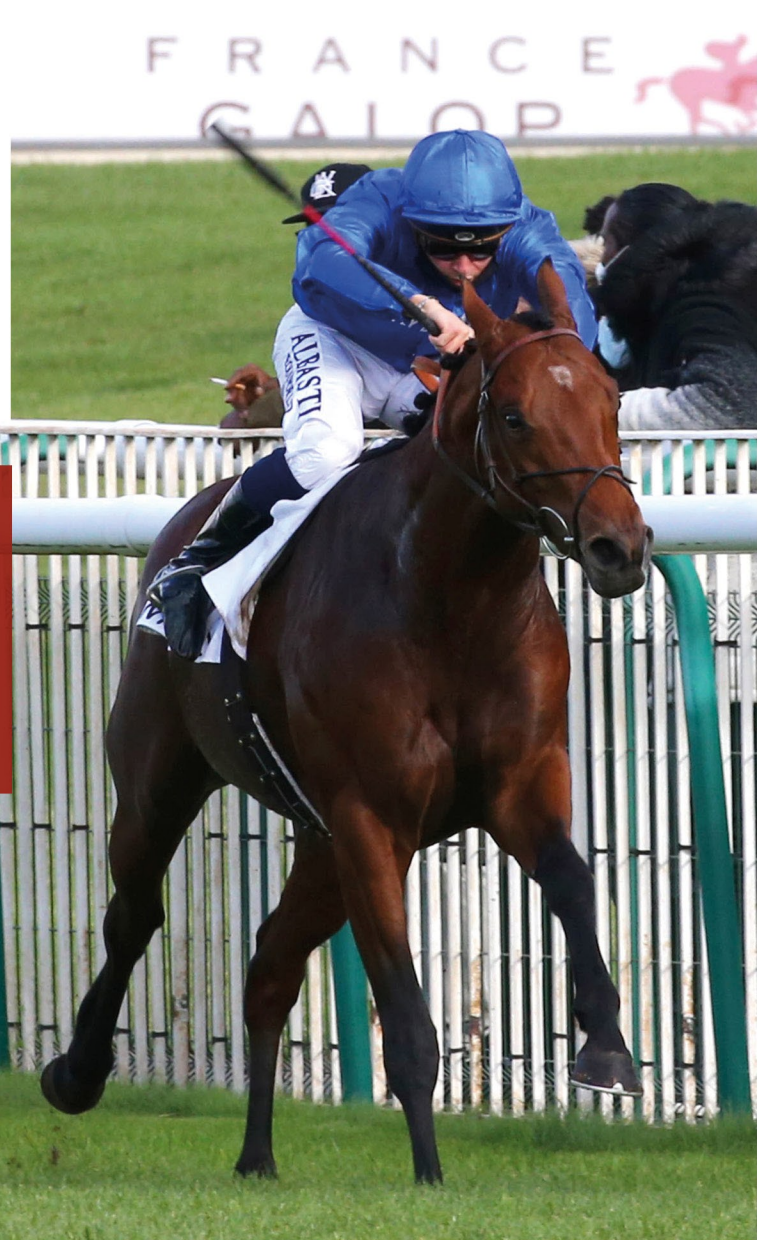

BBA Ireland would like to congratulate all connections of **ST MARK'S BASILICA** on a tremendous win in the **Dewhurst Stakes GI**

His dam **CABARET** was purchased by Adrian Nicoll on behalf of Australian breeder Bob Scarborough. This unique mare has now produced two **G1 winners** following on **MAGNA GRECIA**, winner of the **2000gns**.

We would also like to thank Harry McCalmont, Matt Gilsenan and staff at Norelands Stud where she boards permanently and has produced these two top class racehorses.

WINTERFAVORITEN THE PICK ON SUNDAY

Sunday's action across Europe again focuses on the juveniles, with Cologne's G3 Preis des Winterfavoriten the feature for next year's Classic aspirants and The Curragh staging the re-scheduled G3 Jebel Ali Racecourse and Stables Anglesey S. In the former contest, Gestut Hony-Hof's **Sea of Sands (Ger)** (Sea the Stars {Ire}) is an intriguing contender following his win in a decent 7 1/2-furlong maiden at Baden-Baden on Sept. 6 and as a relative of the Monsun (Ger) heavyweights Samum (Ger) and Schiaparelli (Ger) has much to commend her. Gestut Ittlingen's **Sampras (GB)** (Iffraaj {GB}) also impressed over this mile trip at Dortmund on Sept. 20 on the same card that Stall Lintec's **Best of Lips (Ire)** (The Gurkha {Ire}) scored with authority over nine furlongs.

In the Anglesey, the standard-bearer is the Sept. 27 G3 Weld Park S. runner-up **Aunty Bridy (Ire)** (Camacho {GB}), while Ballydoyle have a duo engaged in the Sept. 26 G1 Middle Park S. sixth **Lipizzaner** (Uncle Mo) and the Oct. 1 Fairyhouse maiden winner **Preamble (Ire)** (No Nay Never).

Storming home into third in the five-furlong G3 Cornwallis S. at this meeting 12 months ago, Jouska had been seen on only subsequent occasions, but had shown when second in the six-furlong Listed Flying Fillies' S. at Pontefract on Aug. 14 and when just over four-lengths eighth in the G3 Sceptre Fillies' S. tackling seven furlongs at Doncaster on Sept. 9 that she retained ability. Patiently ridden by Rob Hornby at the back of the group racing up the centre, the bay was delivered with perfect timing to overhaul Sunday Star in the final yards.

Trainer Henry Candy said, "She just loves coming up that hill and it's a question of getting to the bottom of it first. She is very gutsy and she will make the owner a lovely broodmare eventually as she is a lovely, big filly with a lovely temperament. We will take her home and give her two or three months in the paddock and hopefully she will be bigger and better next year."

The dam, who has already produced the Listed HH The President Cup runner-up Wasim, is a half to the Listed Garnet S. winner and G2 Ridgewood Pearl S. third Silk Forest (Ire) (Kodiak {GB}).

A granddaughter of the GIII Countess Fager H. winner and GI Santa Barbara H. and GI Matriarch S.-placed Free At Last (GB) (Shirley Heights {GB}), she is linked to the Classic winners Barathea (Ire) and Gossamer (GB). Her 2019 colt and 2020 filly are both by Aclaim (Ire), with Dermot Farrington paying 65,000gns for the former at last year's Tattersalls December Foal Sale.

Off the mark on his third start and first try at this trip at Chepstow on Aug. 14, Nastase was second in a Windsor novice 15 days later and a Sept. 18 Ayr nursery before finishing fifth over five furlongs in another nursery at Haydock on Sept. 25. Under restraint early behind the leaders, the bay who is entered in the upcoming Tattersalls Autumn Horses-in-Training Sale was delivered far side to lead with a furlong remaining and hold Light Refrain in the run to the line. The dam, who also has a yearling filly by Cityscape (GB) and a 2020 full-brother to the winner, is a granddaughter of the German Group 2 winner Flying Squaw (GB) (Be My Chief).

BARADAR (IRE) (c, 2, Muhaarar {GB)--Go Lovely Rose {Ire}, by Pivotal {GB}), fourth in Newbury's Haynes, Hanson & Clark Conditions S. last time on Sept. 18, was restrained behind the early leaders. Taking over passing the two-furlong pole, the 6-5 favourite stayed on strongly to score by 2 3/4 lengths from Copper Queen (Ire) (Tamayuz {GB}). The first foal out of the dam was the G3 Prix Minerve runner-up Game Zone (Ire) (Hurricane Run {Ire}), while she is also responsible for this stable's Listed Ben Marshall S. winner Roseman (Ire) (Kingman {GB}).

Taken to task all the way up the straight as that half-sister to Powerful Breeze (GB) (Iffraaj {GB}) refused to buckle, the 11-10 favourite showed tenacity to hold on by a neck. The winner is the first foal out of the G3 Fred Darling S.-winning dam, whose yearling filly by Nathaniel (Ire) is named Oriole (GB) and who also has a colt foal by Sea the Moon (Ger). Last Empire, runner-up in both the Aug. 27 Listed Beverley Bullet Sprint and the Sept. 18 Listed Scottish Fillies' Sprint at Ayr in her most recent outing, stepped forward to secure a career high in this first overseas foray. Positioned in a close-up fifth after the break, she was nudged along to close passing the quarter-mile marker and pushed out once seizing control entering the final eighth to hold the late effort of Bavaria Baby in ultimately comfortable fashion. Last Empire becomes the leading performer produced by the dual stakes-placed Final Dynasty (GB) (Komaite), herself a full-sister to G3 Cornwallis S. victress Castelleto (GB), who in turn is the dam of Listed Silver S. runner-up Castle Guest (Ire) (Rock of Gibraltar {Ire}). Erasmus, who posted a July 12 debut third tackling six furlongs at Deauville, graduated when upped to seven at Saint-Cloud in his Sept. 11 second start last time and comfortably accounted for seven rivals in this black-type bow. Positioned double-digit lengths off the runaway leader Dark Lion (Ire) (Dark Angel {Ire}) after an alert getaway, he was shaken up when sent wide with the majority of the field into the straight and ran on strongly for continued coaxing underneath the stands' side fence inside the final quarter mile to comfortably assert superiority.

Erasmus is one of six scorers produced by the stakes-placed Sant Elena (GB) (Efisio {GB}) and the February-foaled bay is kin to MG1SW sire Reckless Abandon (GB) (Exchange Rate), MGSP Listed Metropolitan S. victor Best Approach (GB) (New Approach {Ire}), Listed Lenebane S. third Family Tree (GB) (Galileo {Ire}) and the dam of last term's G3 Sweet Solera S. victress West End Girl (GB) (Golden Horn {GB}). Rajani opened up with a Mar. 13 one-mile win on the synthetic surface here, but slipped to a last-of-nine finish tackling the same trip in his July 10 turf bow at Clairefontaine before regaining the winning thread over one mile on the turf here towards the end of last month. Breaking well to lead from the outset of this first try at nine furlongs, he came under pressure

when threatened on all sides approaching the final quarter mile and kept on resolutely for continued urging in the closing stages to hold the persistent bid of Ecrivain (Fr) (Lope de Vega {Ire}) for a first black-type rosette.

Rajani, kin to a weanling colt by Dariyan (Fr), is the fourth of five foals and becomes the leading performer produced by a winning daughter of Listed Silken Glider S. placegetter Madame Cerito (Diesis {GB}). PIKE COMPLETES DREAM GROUP 1 DOUBLE

Ole Kirk was the centrepiece of an enormous day for jockey William Pike Saturday at Caulfield | Bronwen Healy

by Paul Vettise

William Pike's spring of content in Victoria elevated him into rarefied air on Saturday when the Western Australian jockey dominated the Caulfield card with a Group 1 double and two undercard victories.

Pike landed the biggest prize of all in the G1 Neds Caulfield Guineas with Team Hawkes' **Ole Kirk** (Written Tycoon), and anyone's guess the value now on the colt's noble head, having earlier won the G1 Neds S. with **Arcadia Queen** (Pierro).

He had also guided Ole Kirk's stablemate **Dirty Work** (Written Tycoon) to victory in the G2 McCafe Schillaci S. and combined with Arcadia Queen's barnmate **Windstorm** (Redoute's Choice) to claim the Listed The Big Screen Company Weekend Hussler S.

It was a dream day for Pike, who later finished third in the G1 Toorak H. with **Superstorm** (Sebring), and he showed a cool head aboard Ole Kirk after the race didn't pan out the way he had hoped.

"I got on **Tagaloo** (Lord Kanaloa {Jpn})'s back and I was pretty happy with myself and thought I'd got half the job done, but he was gone before acceptances," Pike said.

Plan B, C and D

"Then Plan B, C and D all came out at once and I went in and then out and it took me a moment to gather my momentum. When I did, he was strong through the line yet again and the Hawkes team have these horses right," Pike said.

Once into the clear in the straight, Ole Kirk lengthened stride and was too strong for **Aysar** (Deep Field), who was gallant off a wide run, and the front-runner **Grandslam** (Myboycharlie {Ire}) took third at long odds.

"He doesn't like other horses much so I hope he changes his attitude there. I'm so grateful for the support and we had to zig and zag a little bit and I'm so happy we got the job done," Pike said.

Having completed the Group 1 double of the Golden Rose S. and the Caulfield Guineas, Ole Kirk's stallion value has gone to the highest of levels as he is out of a sister to the unbeaten champion Black Caviar (Bel Esprit) and a half-sister to the multiple Group 1 winner and Vinery Stud producer All Too Hard.

"It was something special and I never get nervous, but I did today. What it means is that he is the best 3-year-old in the country and if they want to retire him now I'm happy with that," said Wayne Hawkes, who has now clocked up 21 Group 1 wins with father John and his brother Michael.

"He was lovely and relaxed and he'd done everything right. He was back in his old box as he was here as a baby.

"He was as tough a 2-year-old as I've ever had in my hands and I've been lucky to have some good ones. When he went to Sydney I said to Michael good luck because he's as tough as old boots.

"I'm sure Peter Moody will tell you Black Caviar was and I can guarantee you All Too Hard was, so it's probably the family. He won his first start in a stakes race and, as I said, he's the best 3-year-old in the country and can go to the paddock for a well-earned break."

Hawkes said he also had no concerns about Ole Kirk mastering the 1600-metre trip.

"He had to go back to last in the G1 Champagne S. from a wide barrier and James McDonald said if he didn't have to go back to last he would have won, so we never thought that was going to be an issue," Hawkes said.

Caulfield Guineas cont.

“It was more about whether he would get the right run and what about Willie--at the 800 he was thinking will I go in or out and he had two options and as usual he pulled the right rein.

“You have to get the blokes on top to do the right job and Willie is like Damien Oliver. He was cool, calm and relaxed and he said he was on the best horse and he'd get the job done.”

Ole Kirk was sold at the Inglis Melbourne Premier Yearling Sale for \$675,000 by breeder Gilgai Farm, who has remained in the ownership in a syndicate that also includes high-profile owner Neil Werrett.

“This is what we do, we get stallions and he was the second top-priced yearling at Melbourne and Neil and Colin Madden and company spend a lot of money,” Hawkes said.

Pedigree Notes:

Ole Kirk was a \$675,000 Inglis Melbourne Premier Yearling Sale purchase by International Thoroughbred Solutions from the draft of Gilgai Farm and comes from a rich and deep pedigree.

His dam Naturale is an unraced sister to the unbeaten multiple Group 1 winner Black Caviar (Bel Esprit) and a half-sister to All Too Hard, a multiple Group 1 winner who now resides at Vinery Stud.

The page also features the G1 The Galaxy H. winner and sire Magnus and the G2 Schillaci S. winner and sire Wilander.

Naturale has a 2-year-old filly by Not A Single Doubt, named Gimmie Par, but missed to Cable Bay (Ire) in 2019.

Odeum Takes Thousand Guineas

by TDN AusNZ

Odeum | Bronwen Healy

Odeum (Written Tycoon) scored the first Group 1 for the Mick Price and Micheal Kent Jnr training partnership as she scored a dominant win here.

Jumping from barrier four, Odeum settled just behind the speed in the box seat and as they weakened in front of her in the straight, she burst through and never looked liked being beaten, going on to score by 1.75l.

Personal (Fastnet Rock) and **Instant Celebrity** (Not A Single Doubt) both ran on well, but were no match for Odeum as the scored second and third respectively.

Pedigree Notes:

Odeum was purchased by Sheamus Mills Bloodstock for \$420,000 at the Magic Millions Gold Coast Yearling Sale from the draft of Newhaven Park and is out of the stakes-placed mare Movie (Red Ransom {USA}), making her a half-sister to Listed winner Goodfella (Snitzel). **Cont. p3**

Arcadia Queen Defeats Russian Camelot

by TDN AusNZ

Arcadia Queen (Pierro) caused an upset as she defeated short-priced favourite **Russian Camelot** (Ire) (Camelot {GB}) to score her first win in over a year.

The Grant and Alana Williams-trained mare settled last under William Pike and as Russian Camelot began his run for home in the straight, Arcadia Queen came down his outside and went straight past him to win by 1.25l.

Humidor (NZ) (Teofilo {Ire}) was again tough in defeat as he ran on to finish another 1.5l back in third.

Pedigree Notes:

Bred and raced by Bob Peters, Arcadia Queen is out of Arcadia (Redoute's Choice), who has done an outstanding job at stud.

She is also the dam of the mare's Group 3-winning brother Arcadia Prince as well as G2 Western Australian Derby winner Arcadia Dream (Domesday) and the Listed winner Arcadia Rose (Kheleyf {USA}).

Arcadia is a sister to the Listed Jungle Dawn Classic winner Broadway Belle, who has produced the G2 Western Australian Derby winning brothers Regal Power (Pierro) and Action.

Arcadia has a yearling sister to Arcadia Queen while she is back in foal to Coolmore stallion Pierro.

Montefilia Wins Again

by TDN AusNZ

Montefilia (Kermadec {NZ}) backed up her G1 Flight S. win with a brilliant performance to take out her second Group 1 in a week here.

In almost identical fashion to her Flight win, the 3-year-old filly came from back in the field and looked to be caught for a run, but Jason Collett managed to angle her out and she used her impressive turn of foot to run home **Lion's Roar** (NZ) (Contributer {Ire}) and win by 0.8l.

Regally-bred colt **Bucharest** (Deep Impact {Jpn}) finished 3.8l away in third.

Pedigree Notes:

Montefilia was originally purchased as a weanling by Baystone Farm for \$62,000 at the Inglis Great Southern Sale from the draft of Tyreel Stud before being again offered under the Tyreel Stud banner at the Magic Millions Gold Coast Yearling Sale where she was purchased by Payne Racing for \$130,000.

She is the third winner from four to race out of Bana Wu (GB) (Shirocco {Ger}) who herself was placed at stakes level in the UK three times. Her second dam is Ausherra (USA) (Diesis {GB}), who is also responsible for dual Group 2 winner and the G1 Dewhurst S.-placed Strategic Prince (GB) (Dansili {GB}).

Bana Wu has a 2-year-old filly by Arrowfield shuttler Shalaa (Ire), who was purchased by Ciaran Maher Racing for \$160,000 at the Inglis Premier Yearling Sale, while she has a yearling colt by Ribchester (Ire).

Mr Quickie Back To Best

by TDN AusNZ

Mr Quickie (Shamus Award) returned to the winner's stall for the first time since taking out last year's G1 Queensland Derby with a brilliant performance here.

Carrying the top-weight, Mr Quickie settled just off the speed on the rails and jockey Jamie Kah continued to hug the rail until a gap opened in the straight and he burst through to win by 2l.

Buffalo River (USA) (Noble Mission {USA}) was gallant in defeat after leading the trip and holding on for second while **Superstorm** (Sebring) crept through on the rails to finish 0.5l back in third.

Pedigree Notes:

Bought for \$115,000 at the Magic Millions Gold Coast Yearling Sale by Dalziel Racing from the draft of Rosemont Stud, Mr Quickie is from the winning General Nediym mare Special Favour, who is a daughter of Group 2 winner My Tusker (NZ) (Volksraad).

Special Favour's dam is also a half-sister to the Group 2-placed Platinum Passion (Redoute's Choice), the dam of Listed winning Tribal Wisdom (Makfi {GB}). Special Favour's third dam is five-time Group 1 winner Horlicks (NZ) (Three Legs {GB}), who also produced champion full siblings Brew (NZ) (Sir Tristram {Ire}) and Bubble (NZ) with her other daughters producing a further two Group 1 winners.

Mr Quickie is the first foal from his dam. She has a yearling filly by Sacred Falls (NZ) and is again in foal to Rosemont Stud sire Shamus Award.

MORE DISTANCE, SAME JACKIE'S WARRIOR IN CHAMPAGNE

Jackie's Warrior | Sarah Andrew

by Brian DiDonato

J. Kirk and Judy Robison's **Jackie's Warrior** (Maclean's Music) slammed the door on second choice and **'TDN Rising Star' Reinvestment Risk** (Upstart) and sputtered clear in Saturday's GI Champagne S. at Belmont to increase his perfect record to four-for-four. The race was a "Win and You're In" qualifier for the Nov. 6 GI Breeders' Cup Juvenile for which the Steve Asmussen pupil figures to go favored. A debut winner from next-out **'Rising Star'** Therideofalifetime (Candy Ride {Arg}) at Churchill June 19, he defeated the same foe in the GII Saratoga Special S. Aug. 7. The bay saw out an additional furlong with no trouble when handling Reinvestment Risk by 2 1/4 lengths in the seven-panel GI Runhappy Hopeful S. back at the Spa Sept. 7, and was further flattered when third finisher and **'Rising Star'** Mutasaabeg (Into Mischief)--10 lengths behind Reinvestment Risk that day--came back to crush in Keeneland's GII Bourbon S. on the grass last Sunday.

Jackie's Warrior was off at 4-5 to Reinvestment Risk's even-money as some bettors likely saw the one-mile trip as a potential equalizer. Nudged along to make the running by Joel Rosario, the chalk enjoyed an easy lead as Reinvestment Risk drafted behind him through splits of :23.12 and :46.54.

PROMINENT OWNER PAUL POMPA, JR. PASSES AWAY

Longtime owner and breeder Paul Pompa, Jr., who campaigned dual Classic winner Big Brown (Boundary) in partnership, passed away suddenly Saturday, according to Jerry McClenin, Pompa's cousin-in-law and stable manager. He was 62. A highly respected businessman, Pompa was owner and President of the Brooklyn-based trucking company Truck-Rite Corp., which he recently sold. He got into Thoroughbreds in 2000 with the help of McClenin.

"Paul was a tremendous businessman who ran his trucking business almost exclusively on his own," McClenin said. "He came to me saying he wanted to get into the horse racing industry as I had helped his father with his horses. I tried to talk him out of it obviously, but he wanted to try it. We started out small with a claiming horse here or there and within eight years he had Big Brown." **Cont. p17**

The latter came under a busy ride to range up and challenge Jackie's Warrior heading for home, with Jackie's Warrior taking the turn a bit wide and forcing his foe further out into the track. Reinvestment Risk struggled with his leads in upper stretch as Jackie's Warrior continued to cruise along, and it took just a couple taps from Rosario for Jackie's Warrior to find another gear and quickly open back up before cruising under the line a geared-down 5 1/2 lengths clear.

"He's a beautiful horse; a big horse, and it looks like everything he does is easy for him," Rosario said. "I was very confident that he could get the mile. I felt confident the whole way. He just enjoyed what he was doing."

Rosario said he didn't think the two-turn, 1 1/16-mile distance of the Breeders' Cup Juvenile would be beyond Jackie's Warrior's scope. **Cont. p4**

Pedigree Notes:

Jackie's Warrior becomes the second son of Maclean's Music in the last three years to win the Champagne--Complexity, who annexed last Saturday's Gil Kelso H. over the same track and trip, scored here two years ago. Asmussen trained Maclean's Music for his only start--a jaw-dropping romp at Santa Anita in 2011 that earned a 114 Beyer Speed Figure. The Hill 'n' Dale resident has produced three highest-level winners, with 2017 GI Preakness S. hero Cloud Computing his third. Cloud Computing is out of mare by A. P. Indy, the sire of Jackie's Warrior's broodmare sire A. P. Five Hundred.

Jackie's Warrior is the lone graded winner out of an A. P. Five Hundred mare and one of just two stakes winners. His hard-knocking dam was claimed six times during her 54-race career, and was taken back for \$16,000 out of her final (and winning) start by Carlo Vaccarezza and a partner ([click for more](#)).

Unicorn Girl is out of SW Horah for Bailey (Doneraile Court) and a half to three Florida stakes performers including near \$700,000 earner Bernie the Maestro. She produced a Candy Ride (Arg) filly in 2019 and an American Pharoah colt Mar. 8 before being bred back to Into Mischief.

DAYOUTOFTHEOFFICE BACK IN BUSINESS

Dayoutoftheoffice stayed undefeated in the Frizette | Sarah Andrew

by Brian DiDonato

Dayoutoftheoffice (Into Mischief), away since a smashing success in the GIII Schuylerville S. at Saratoga July 16, picked up right where she left off to earn an automatic berth to the GI Breeders' Cup Juvenile Fillies in Saturday's GI Frizette S. at Belmont.

Co-owned by her trainer Tim Hamm and breeder Siena Farms, the daughter of the nation's hottest stallion was an easy debut winner at Gulfstream all the way back on May 14 in her only other start. Back as the second choice at 29-10 behind GI Spinaway S. romper **Vequist** (Nyquist), the dark bay traveled strongly in the bridle from second through splits of :22.94 and :46.41 before taking over from stopping frontrunner **Joy's Rocket** (Anthony's Cross) and opening up entering the lane. Vequist tried to make a race of it in the run to the line, but Dayoutoftheoffice kept finding to hold sway by two lengths before galloping out very strongly. It was another 10 1/4 lengths back to longshot **Cilla** (California Chrome).

"When you ride fast horses, it makes it easy for you," said hot-handed jockey Junior Alvarado, who piloted the winners of the GI Belmont Derby Invitational S., GII Beldame S. and GII Gallant Bloom H. last weekend. "I thought [the pace] was going to be a little more contested and I was going to stalk, but I felt like I was in control of the race from where I was. I knew I had the horse in front of me [measured], so I just made sure my filly got into a nice rhythm and at the same time keep everybody where I wanted them to be. It worked out great today."

The Frizette was the first highest-level victory for veteran horseman Tim Hamm. As for the reason for the time off after the Schuyverville, he said:

"She's a big, scopey filly and I wanted to have some horse for the end of the year. The plan was to have a fresh horse for this time of the year. We wanted to just train her a little lightly and have her fresh for the fall run. Everything went according to plan.

"When you put a plan together that works--the team of Siena Farm and myself and all our assistants--you feel vindicated. We all thought this filly was special when she won at 4 1/2 [furlongs] because we knew she would be able to get longer than that. She was able to get the job done today."

Hamm confirmed Dayoutoftheoffice would now point for the Breeders' Cup.

Pedigree Notes:

Into Mischief's tally of Grade I winners now sits at eight. He is the **leading general sire** in North America this year thanks to the exploits of the likes of GI Kentucky Derby hero Authentic, brilliant MGISW sophomore filly Gamine, et al and his **yearling sales figures** last month were equally staggering. His fee was bumped from \$175,000 to **\$225,000** by Spendthrift Farm for 2021.

Dayoutoftheoffice is the second Grade I winner out of an Indian Charlie mare (Mitole {Eskendereya}) and is bred on the same cross as last week's impressive Gallant Bloom heroine Frank's Rockette (Into Mischief). Siena claimed dam Gottahaveadream for \$50,000 while she was a maiden in at Keeneland almost exactly eight years ago. She graduated at Turfway a few months later before being retired to the breeding shed. The half-sister to GISW Here Comes Ben (Street Cry {Ire}) hails from the family of top-level winners Daredevil, Albertus Maximus and Race the Wild Wind. **Cont. p9**

STATE OF THE 'UNION'

Civil Union holds off My Sister Nat in the Flower Bowl | Sarah Andrew

by Alan Carasso

The 3-1 third choice in a field of seven, Joseph Allen's progressive **Civil Union** (War Front) built on her last-out success in the GII Glens Falls S. at Saratoga with a breakthrough top-level tally in Saturday's GI Flower Bowl S. at Belmont Park, securing a berth in the gate for the GI Maker's Mark Breeders' Cup Filly & Mare Turf in the process.

Shug McGaughey welcomes back Rosario & Civil Union
Sarah Andrew

Allowed to settle last but one beneath Joel Rosario, with only G1 Prix de l'Arc de Triomphe winner Sottsass (Fr) (Siyouni {Fr})'s French and American Group 3/Grade III winner **My Sister Nat (Fr)** (Acclamation {GB}) behind her, Civil Union was content to bide time from a ground-saving position as longshot **Lovely Lucky** (Lookin At Lucky) set a modest pace in advance of favored **Cambier Parc** (Medaglia d'Oro). Always traveling sweetly, Civil Union was short of room entering the final 2 1/2 furlongs, but accelerated three off the inside once **La Signare (Fr)** (Siyouni {Fr}) vacated that spot. With one of the best finishers in the business at the controls, Civil Union came calling for the lead nearing the sixteenth pole and was home first as My Sister Nat attacked the line down the center of the course. **Nay Lady Nay (Ire)** (No Nay Never), who was relegated to second favoritism in the last few clicks of the tote, could not quite match strides with the top two and settled for third, one spot ahead of a disappointing Cambier Parc.

It was the second Flower Bowl win in the last four years for Allen, trainer Shug McGaughey and War Front, whose daughter War Flag landed the spoils at 9-1 in 2017 before finishing a respectable sixth behind Wuheida (GB) (Dubawi {Ire}) in the Filly & Mare Turf at Del Mar. **Cont. p10**

"When she started off this winter in Florida, I never imagined that she would be a Grade 1 winner," the Hall of Fame conditioner admitted. "She's progressed the right way. It's fun. She's a nice mare to train and nice to be around. She ran under some different tactics today on Joel [Rosario's] part, but that's why he's such a great rider. He knows what to do."

A debut winner from three starts for the Chad Brown barn in 2018 and 2019, Civil Union took a course-and-distance allowance in her second appearance for this barn ahead of a facile score in the 12-furlong River Memories S. July 12. With Rosario in the irons for the first time in the Sept. 5 Glens Falls, Civil Union sat handy to a walking pace, then covered her final three furlongs in a smart :34.97 to best My Sister Nat by a length.

Pedigree Notes:

Civil Union becomes the 23rd Grade I/Group 1 winner for her Claiborne-based stallion and is the 25th top-level scorer out of a daughter of the late Unbridled's Song, three of which--Conrail (Jpn) and Volatile--have come this season.

Photograph is an unraced daughter of Black Speck, whose produce include the aforementioned War Flag as well as the former G2 UAE Derby hero Lines of Battle (War Front), who won the G1 Champions & Chater Cup in Hong Kong (then named Helene Super Star) en route to honors as that jurisdiction's champion stayer. Civil Union's third dam produced influential sire Dynaformer (Roberto) as well as the dam of GISW sire Offlee Wild (Wild Again).

A full-sister to the 2-year-old colt Battle of Britain, Civil Union has a weanling full-brother named Operation Torch. Having produced her first eight foals by War Front, Photograph was most recently bred to Tapit.

SOPHOMORES ONE-TWO IN JCGC

Happy Saver stayed perfect in four starts | Sarah Andrew

by Brian DiDonato

Lightly raced **'TDN Rising Star'** **Happy Saver** (Super Saver) squeezed inside of favorite **Tacitus** (Tapit) and out-finished fellow sophomore **'Rising Star'** **Mystic Guide** (Ghostzapper) to stay perfect in Saturday's GI Jockey Club Gold Cup, a "Win and You're In" qualifier for the GI Breeders' Cup Classic. The Wertheimer homebred broke his maiden by an auspicious 5 1/2 lengths going seven furlongs on the GI Belmont S. undercard here in June, and saw out nine panels when taking a Saratoga allowance July 26. He again displayed his appreciation for a route of ground in Laurel's Federico Tesio S. Sept. 7, and was the 2-1 second choice facing just four foes.

Away on top from his rail draw, the chestnut settled in along the fence as July's track-and-trip GII Suburban S. winner Tacitus showed the way and Mystic Guide tracked outside of Happy Saver. Happy Saver required some energetic handling to keep pace as Mystic Guide ratcheted up the pressure on the leader past six panels in 1:13.61. Tacitus came off the fence a path while preoccupied with Mystic Guide to his outside, giving Happy Saver just enough room to make his move. Happy Saver kicked his way through by midstretch after Mystic Guide had already taken over, and lowered himself gamely from there to outstay his competition.

"We were OK with [not having the lead]," said trainer Todd Pletcher, who was celebrating his first Jockey Club Gold Cup win after **Vino Rosso** (Curlin) was taken down 12 months ago. "I told Irad [Ortiz, Jr.] in the paddock that usually I have a little idea of a plan, but this one was tricky to me. Everyone has the same style and I don't think anyone really wants to be on the lead, but someone is going to inherit it, so just play it by ear."

"Watching the race, I thought he was a little uncomfortable inside there. He was in a tricky spot. Johnny [Velazquez, aboard Mystic Guide] had first run on him and was able to keep him in there. To his credit, that was a pretty game performance to come up the inside there in his fourth start and first time against older horses going a mile and a quarter. To do that after breaking his maiden on June 20th is hard to do." **Cont. p12**

Irad Ortiz, Jr. takes the Gold Cup aboard undefeated Happy Saver
Sarah Andrew

Jockey Club Gold Cup cont.

Ortiz offered: "He has a big heart, like I told Todd in the paddock. He's a fighter. Every time he has a horse in front of him and when you ask him to go, he passes the horse and then he puts his ears up. He still had something after he went by Johnny's horse.

"It was emotional. I wanted to win it so bad. Last year, I got DQ'd and that was for Todd, too. He's a cool horse, a special horse. I rode him first time out and we knew he was a nice horse. Todd has always liked him."

Pletcher added, "I was very proud of the horse and his performance. I'm happy for the connections, the Wertheimers have been loyal supporters for many years and I'm appreciative of that. It's great to get a Grade I win for them. He's by a Derby winner we trained, so it's fun all the way around."

Ortiz and Pletcher celebrate Happy Saver's win | Sarah Andrew

As for whether Happy Saver would take the next logical step and contest the Breeders' Cup Classic, the conditioner said, "First and foremost we'll see how he bounces out of this race. It was a tough race and he's still a lightly raced horse. That's part of the reason we decided to come here instead of going to the [GI] Preakness [last Saturday]. We'll enjoy this for the moment and talk to the Wertheimers and come up with a plan. I wouldn't say we're definite for it, but I wouldn't rule it out either."

'GOIL' GIVES 'PHAROAH' FIRST GRADE I

Harvey's Lil Goil bested Micheline by three-quarters of a length
Coady Photo

by Brian DiDonato

Versatile **Harvey's Lil Goil** (American Pharoah) turned the tables on **Micheline** (Bernardini)--who defeated her by a neck last time in the Dueling Grounds Oaks at Kentucky Downs--to become the first Grade I winner for Triple Crown-winning sire American Pharoah in Saturday's GI Queen Elizabeth II Challenge Cup S. at Keeneland. Off at 7-2 bidding to become Hall of Famer Bill Mott's second winner in this prestigious event, the grey employed her good cruising speed to chase **Sweet Melania** (American Pharoah) through honest enough fractions of :23.89, :47.75 and 1:12.16. She poked a head in front midway around the turn for home, kicked clear in midstretch and held off the cavalry charge to prevail.

"She has a lot of natural speed," said winning rider Martin Garcia. "She's fast--you can do whatever you want. After the break, I moved outside and she was really comfortable by herself. When it was time to go, I asked and she responded."

Mott's assistant Kenny McCarthy added, "We were pretty confident with her. She ran a super race for us at Kentucky Downs in her last out and had trained really well in between. She's a little superstar. She pretty much goes on any surface for us. At least in my mind, I think the turf probably is a little bit easier for her to handle."

A six-length, second-out graduate going turf to dirt at Aqueduct in December, Harvey's Lil Goil turned heads when making a big turn move en route to a dominant victory in Aqueduct's Feb. 2 Busanda S. over nine panels on the dirt. She was 11th in the GIII Fantasy S. at Oaklawn behind heavy hitters Swiss Skydiver (Daredevil), Venetian Harbor (Munnings) and Shedaresthedevil (Daredevil), but bounced back to narrowly annex the GIII Regret S. on the Churchill turf going this same distance. **Cont. p14**

Harvey's Lil Goil is from a family developed by her breeder, the late **Harvey A. Clarke**. Her dam, the unraced **Gloria S.**, is a half-sister to the Clarke-bred champion **I'll Have Another (Flower Alley)**, best known as the winner of the 2012 GI Kentucky Derby and GI Preakness S. Clarke also bred the same family's **Golden**

Award (Medaglia d'Oro), a dual graded stakes winner last year. **Gloria S.** produced fillies by **Cairo Prince** the last two breeding seasons and most recently visited **Twirling Candy**. **Harvey's Lil Goil** is one of 11 black-type winners (seven graded) for **American Pharoah**. She is the fourth of what figures to be many more Grade I/Group 1 winners out of **Tapit** mares.

Mr Freeze | Coady Photo

Mr Freeze returned to winning ways Saturday at Keeneland in the GII Hagyard Fayette S. The chestnut raced two-wide in mid-pack as Mo Mosa (Uncle Mo) clocked a :24 flat opening quarter. Moving up into third through a half in :49.06, he swept to the front as three-quarters went in 1:13.45 and kept on finding to hold a determined Aurelius Maximus at bay by a neck.

“Today he ran like his old self,” said winning trainer Dale Romans. “That was a rough trip for him. I wasn’t expecting him to be four wide on both turns and stalking horses, but he showed what a good horse he really is.”

As for whether Mr Freeze will go on to the Breeders’ Cup, the conditioner said, “We’re going to have to talk about it. We talked about the [GI] Dirt Mile before, but we’ll have to talk about everything [Dirt Mile and GI Classic]. Everything’s on the table.”

Winner of the 2018 GIII West Virginia Derby and 2019 GIII Ack Ack S., Mr Freeze kicked off this term with a second in the GI Pegasus World Cup Invitational S. Jan. 25. Capturing the GII Gulfstream Park Mile Feb. 29, he was next seen finishing third in the GII Oaklawn H. May 2. The chestnut finished sixth in both the July 4 GI Met Mile and Sept. 4 GII Alysheba S.

Pedigree Notes:

The unraced Heavenly Cat is also the dam of MSW & MGSP Capitano and GSWs Dilemma and Heavenly Ransom. Making her U.S. debut in Saturday’s GII Sands Point S. at Belmont Park, Tamahere was given a supremely confident ride by Irad Ortiz, Jr. and turned the one-mile event into a one-horse show, scampering home a much-the-best winner.

Sands Point cont.

A half-step slow to begin, the bay tugged her rider along near the back of the pack, but she eventually settled better as longshot Pure Wow (The Factor) made the running from Miss J McKay (Hangover Kid), who prompted the leader while holding her spot at the fence. Galloping along on the turn in the slipstream of her GIII Lake George S.-winning stablemate Selflessly (More Than Ready), Tamahere was produced four wide off the home corner while still well in hand, descended on the front rank when slipped the slightest bid of rein passing midstretch and cruised home a geared-down winner. Speaktomeofsummer ran on well for second.

"She trained super and we momentarily thought about running in the [GI] Queen Elizabeth [II Challenge Cup at Keeneland] for her first start in the country," said winning trainer Chad Brown. "I thought that would have been a little ambitious. She can be a little temperamental and a little keen early, so I wanted to run her out of her own stall right here at home at Belmont with our crew here. I thought it was the safest way to get her started in the States, and she delivered."

Trained in France by Francois Rohaut, Tamahere graduated at second asking at provincial Mont-de-Marsan in the far southwestern part of the country ahead of a third against the boys in listed company at Bordeaux Le Bouscat in October. She resumed with an eighth in a listed event over the Deauville all-weather Mar. 6 and was second in a May conditions heat at La Teste de Buch before winning the Listed Prix la Sorellina in soft ground at the latter venue June 18.

Wootton Bassett previously stood at Haras d'Etream, but was purchased by Coolmore in August and will continue his stud career in Ireland in 2021. Last seen winning the 2019 GII Monmouth S. when held in May at its namesake racetrack, Almanaar made a successful return to the races in that very same event at the Oceanport oval Saturday after 17 months on the shelf. Cabooing the field early, the heavy favorite moved into second last through a half in :48.82. Swooping up four wide approaching the turn, the Shadwell homebred forged clear in mid-stretch to successfully defend his title.

"He has been training well at Belmont the whole time," said Luis Cabrera, assistant to Chad Brown. "The guys there really like the way he has been training. So he has been doing well. These type of horses know what to do. They know where the wire is. So you don't worry about the layoff with those types. And he has a lot of class. We know that. He ran great. I'm very happy with his performance. I can't say I'm surprised because this horse has been training consistently. He has not missed a work. He was fit and he was ready. Chad always makes sure the horses are 100% ready to run." **Cont. p17**

Pedigree Notes:

The winner's dam is GSW & G1SP Baqah, whose most recent produce is the 4-year-old colt Mustabeq (GB) (Exceed and Excel {Aus}).

Paul Pompa cont. from p1

McClenin continued, "Paul has been one of the leading owners for the last 15 years or so. He was a hands-on owner. He always treated all his horses tremendously and made sure they had a life after racing. He was always respectful to everybody. There weren't too many people who didn't like Paul."

Pompa's first graded win came in 2004 when Zakocity (Precocity) captured the GIII Discovery H. and his first Grade I came courtesy of Big Brown in the 2008 Florida Derby. Big Brown was trained by Pat Reynolds to a spectacular debut victory at first asking at Saratoga in 2007 after which IEAH Stables bought into the colt. Turned over to Richard Dutrow, Jr., Big Brown won the Florida Derby, GI Kentucky Derby and GI Preakness S. before being eased when going for the Triple Crown in the GI Belmont S. The bay came back to win that year's GI Haskell Invitational S.

Other graded winners campaigned by Pompa include Grade I winners Backseat Rhythm (El Corredor) and Connect (Curlin), as well as other graded winners D'Funnybone (D'wildcat), Night Prowler (Giant's Causeway) and Tommy Macho (Macho Uno).

Paul Pompa, Jr. leading Regal Glory into the winner's circle | Sarah Andrew

In 2020, he has been represented by the likes of GIII Peter Pan S. winner Country Grammer (Tonalist), homebred GIII Quick Call S. hero Turned Aside (American Pharoah) and 'TDN Rising Star' and GIII Kentucky Downs Ladies Turf S. heroine Regal Glory (Animal Kingdom). The latter is a daughter of Mary's Follies (More Than Ready), who was acquired privately by Pompa in 2009 and carried his green, white and red colors to victory in the GII Mrs. Revere S. In addition to Regal Glory, she is also responsible for Night Prowler and Japanese Group 3 winner Cafe Pharoah (American Pharoah).

Turned Aside was one of two graded winners for Pompa at Saratoga this summer | Sarah Andrew

"I would consider him a man's man, who said what he meant and did what he said," said longtime friend and bloodstock agent Steve Young, who purchased runners such as GISP Rally Cry (Uncle Mo) and SW Your Love (Flatter), for Pompa. "He was a great guy with great integrity." **Cont. p18**

Pompa cont.

Pompa's most recent trainers were Chad Brown, conditioner of Country Grammer and Regal Glory; Linda Rice, trainer of Turned Aside; and Todd Pletcher.

"He was a terrific person and he was a great owner to train for," Pletcher said. "He cared about his horses and would ask you questions and let you make decisions. He was very supportive and upbeat. He always found the optimistic side to everything. He was a nice person to talk to and a dedicated family man. I know he worked hard to accomplish what he did in life. When people are successful and maintain their kindness, it's a tribute to the quality of a person he was. It's a big loss for our stable and a big loss for the industry as well. He will be missed."

"Paul Pompa was a true sportsman, who loved racing and his horses," said Rice. "We enjoyed a lot of success together over the years, most recently with his homebred Turned Aside. It was an honor and a pleasure to work for him. He will be greatly missed."

Brown tweeted Saturday evening: "Today was a difficult day to get [through] after hearing of the passing of my close friend and loyal owner Paul Pompa. He would always ask how my family was before we even spoke about horses. Extremely generous when we won, and even more understanding when we lost."

Pompa is survived by his wife Elisa and sons Michael and Paul, III. Funeral services are pending.

“ONE OF THE GOOD GUYS”: BARRY ABRAMS DIES AT 66

by Dan Ross

A towering presence of California horse racing in both stature and sheer strength of character, trainer, owner and breeder Barry Abrams has died at the age of 66.

"He really looked into the soul of a horse," said David Abrams, Barry Abrams's brother. "He had horses run that didn't run for anybody else."

Abrams had battled throat cancer for more than 15 years.

"He never once complained about what he was going through," said trainer Richard Baltas, Abrams's former assistant. "He helped people who were less fortunate than him and was one of the good guys at the track."

From hard-scrabble beginnings--"One of the underdogs. The little guy with a small stable," said David--Abrams left an indelible stamp on the sport in the Golden State. From just over 6,000 individual starts, he secured 688 victories and more than \$30 million in prize money.

His top-tier prizes included Famous Digger (Quest for Fame {GB})'s win in the 1997 GI Del Mar Oaks, the 2008 GI Las Virgenes S. with Golden Doc A and the 2010 GI Hollywood Turf Club S. with Unusual Suspect--the latter two by Unusual Heat, the remarkable lynchpin stallion of the California breeding industry who Abrams also conditioned.

"He was brilliant with his claims," said David, of his brother. "He claimed two horses from Richard Mandella. One became a Grade I winner [Famous Digger], the other one was Unusual Heat. He saw in Unusual Heat what other people didn't--they thought he was crazy claiming a 6-year-old with potential bowed tendon. He said, 'the horse is worth what I'm claiming him for as a sire.'"

Abrams remained a minority owner of Unusual Heat, who stood at the Harris Ranch in Coalinga, and eventually became the all-time leading sire in California through his offsprings' earnings.

Barry Abrams | Benoit Photo

"Barry was a remarkable horseman and a real horse whisperer. He was also a master at navigating the racing office, which I think is a lost art in trainers," said Harris Auerbach, managing partner of the Unusual Heat Syndicate.

"He taught me an awful lot about horsemanship, about gamesmanship and about life," Auerbach added. "He was just a giving, caring, remarkable man."

Over the years, Abrams hewed closely to the ethos, "you don't get paid for workouts," becoming synonymous with moderately bred horses who earned their supper on the track.

"I remember a horse called Bengal Bay, one of the first horses we were successful with. He ran it three times in nine days," said David. "Even [trainer] Roger Stein, who Barry worked for, criticized him for doing it. The horse won by six lengths at Hollywood Park on the third trip. That horse just loved to run."

Abrams cont.

Beyond Abrams's chronicled deeds that are now stamped into the dust of racing posterity, many point to a largesse and generosity of spirit that encompassed all, the less fortunate and the blue collar everyman that constitute racing's rank and file.

"Anybody could walk up to Barry and be part of the family," said David. "At Del Mar he had an area where he sat--it was a table around which sat a bunch of guys, just the common gambler. Folks just having fun. There's Barry with a Grade I horse, and he doesn't go to the director's room. He sat back down there and made sure his family was all taken care of."

Whether it was gamblers or racetrack patrons or those he'd known for years, "Barry felt obligated to help them out when they needed it," said Auerbach. "He would give anybody the shirt off his back--he was that kind of guy."

Abrams & Lakerville | *Benoit Photo*

Abrams's father was a Polish holocaust survivor, his mother a Russian economist. The family emigrated to the U.S. in 1963. "We came with nothing," said David.

If their mother had her way, Abrams would have charted a course into the less exotic realms of certified public accountants. But he caught the gambling bug early. "My mom almost had a heart attack when he quit school, laid carpet, then became a groom," said David.

Abrams took out his training license in 1975. "When he first started, he only had I think four horses, and didn't have a groom. He did everything himself. He lost 28 pounds that first summer he trained on his own," said David. "He just had a passion for horse racing."

He also had a passion for the Lakers and wasn't shy about advertising it--the stakes-winning Lakerville, who he part-owned with the Auerbachs, would go on to earn more than \$300,000 on the track.

"We asked the nurse last night to put the Lakers game on," said David. "Ten minutes after they lost he passed away."

"He was a fighter," David added. "He knew. I saw him two days before and he knew. He wanted to tell everybody how much he loved them all, and how much we all meant to him."

MOMOS SWITCHES TO GRASS FOR FUTURITY

Momos | *Adam Coglianese*

'**TDN Rising Star**' **Momos** (Distorted Humor) will switch to grass for Sunday's GIII Futurity S. at Belmont Park, a 'Win and You're In' for the GII Breeders' Cup Juvenile Turf Sprint at Keeneland. A runaway debut winner at Saratoga July 18, the \$180,000 OBSMAR graduate pressed a hot pace and stayed on for third behind ultra-impressive unbeaten MGISW Jackie's Warrior (Maclean's Music) in the GII Saratoga Special S. last time Aug. 7. "He's been training well," trainer Christophe Clement said. "I trained him on the grass and thought he worked well over it. I know he can handle the firm turf, not sure about softer turf. He's a fast horse. I could always bring him back on the main track." Momos has been cross-entered as a Main Track Only for Monday's Born to Run S. at Monmouth Park.

Only a nose separated the Wesley Ward-trained duo of **Trade Deal** (Fed Biz) and **After Five** (The Factor) on the line in a Kentucky Downs maiden special weight going 6 1/2 furlongs Sept. 10. The latter, favored at 3-1 on the Futurity morning line, rallied from seventh to complete the bottom half of the exacta on debut that day. Both earned a field-best 77 Beyer Speed Figure. Trade Deal, second in his previous start on debut at Indiana, is also entered in the Born to Run. "First-time starters are at a big disadvantage starting there as opposed to if he had a start," Ward said of After Five. "But he ran an incredible race and we're looking forward to him moving on and getting better from here."

ROYAL APPROVAL HEADLINES MATRON

Royal Approval | Coady Photo

Runaway last out Kentucky Downs maiden winner **Royal Approval** (Tiznow) looks like the one to beat in Sunday's GIII Matron S. at Belmont Park.

Trained by Wesley Ward, the Three Chimneys homebred chased home her brilliant unbeaten G1SW stablemate Campanelle (Ire) (Kodiac {GB}) in her first two trips to the post, finishing second as the favorite on debut at Gulfstream May 31 and 17th in the G2 Queen Mary S. at Royal Ascot June 20. Royal Approval, from the same female family as GI Kentucky Oaks heroine Summerly, returned to these shores with a dominating 6 1/4-length graduation Sept. 9.

"Royal Approval is really training some kind of good," Ward said. "She's a really nice filly. She's a big filly, that's why she was the favorite going into her first start. The only thing she can't do is run on the soft turf. We took her over to Europe and she ran dismal. We finally caught a firm turf at Kentucky Downs and she just powered home. It was an extremely impressive maiden win, and her works since have been eye-openers. I'm looking for a big race with her."

Magisterium (Ire) (Elzaam {Aus}), a two-time winner in England for trainer Michael J K Dods, makes her U.S. debut for Christophe Clement and owners Michael Dubb, Madaket Stables LLC and Wonder Stables following a close second in a Newmarket handicap Aug. 8.

A \$470,000 Keeneland September yearling for the partnership of Peter Brant and Robert LaPenta, Chad Brown's **MILES D (Curlin)** is the first foal out of an unraced Bernardini mare who hails from the exceptional Personal Ensign (Private Account)'s immediate family. That Broodmare of the Year's Breeders' Cup-winning and -producing daughter My Flag (Easy Goer) is Miles D's granddam. The depth of this family seems limitless, but the graded winners in the last two years alone descending from My Flag's daughters include Teresa Z (Smart Strike) and Performer (Speightstown). Including all the stars that trace to Personal Ensign would be an exercise in awe. Miles D will have to work for the win though, as hailing from the barn of John Terranova for Eric Fein is **Original (Quality Road)**, whose unraced Empire Maker dam is a half-sister to GSWs Statuette (Pancho Villa), Academy Award (Secretariat), and Good Mood (Devil's Bag). No fewer than 40 black-type performers descend from Original's prolific granddam, Mine Only (Mr. Prospector), highlighted by GISWs Golden Ticket (Speightstown), Leofric (Candy Ride {Arg}), Well Chosen (Deputy Minister), and Telling (A.P. Indy). Original himself brought \$425,000 at the OBS Spring Sale after working two furlongs in :21 1/5. **Speaker's Corner (Street Sense)** is a Godolphin homebred who is liable to improve as a second-timer for Bill Mott with an added furlong. His unraced dam is a Bernardini daughter of GI Breeders' Cup Distaff and GI Acorn S.

FILLY OUT OF TWO GENERATIONS OF CANADIAN CHAMPIONS DEBUTS AGAINST COLTS

5th-WO, 126.8K, Msw, 2yo, 1m70y (AWT), post time: 3:29 p.m. EDT

Mark Casse unveils filly **CURLIN'S CATCH (Curlin)** against the boys. She's a runaway winner on pedigree, as her dam is Catch the Thrill (A.P. Indy), Canada's champion 2-year-old filly of 2006 and already producer of stakes horse Chic Thrill (Smart Strike). Granddam Catch the Ring (Seeking the Gold) was likewise a Canadian champion and third dam Radiant Ring (Halo) was a GSW & GISP in the U.S. before being named Canada's 2003 Outstanding Broodmare. Curlin's Catch has been working well over the all-weather surface here, including a bullet :46 2/5 four panels (1/22) Sept. 16 and a more-recent :59 4/5 five furlongs (4/14) Oct. 1. **Cont. p2**

Master Spy made it two in a row when he captured the Cup and Saucer S. after a maiden win over the course at a mile Sept. 13. Previously he'd placed in two sprints: a maiden July 12 and the Victoria S. Aug. 2 over the all-weather surface.

Breaking from the five post, favored Master Spy casually took the lead while just outside Credit River (More Than Ready), giving the impression he was just out for a midday gallop. He had a length on the field after a quarter in :24 and a half in :48.11, then allowed Threfiftyseven to pull alongside him leaving the turn. Master Spy suddenly tossed his easy-going gallop out the window and was all business, sprinting to the wire and quickly putting daylight on Threfiftyseven.

“The riders saw the first two races run on the turf today that the winners came from behind so I was telling myself, I hope the [other] riders stick with that plan and I can get an easy lead,” winning rider Patrick Husbands said. “It’s amazing to see that every time I leave the gate, he was relaxed. He was never rank at all. It showed me that if anybody won’t leave today, I didn’t mind.”

Dam Smart Catomine has now produced three Canadian black-type winners and two additional Canadian stakes horses, as well as the dam of the Oct. 3 Toronto Cup S. winner Proven Strategies (Sky Mesa), who also finished second in Belmont’s GII Pennine Ridge S. this summer. After Master Spy, she produced a now-yearling colt by Society’s Chairman who brought C\$5,500 at the Canadian Ontario Thoroughbred Horse Society September yearling sale, and a 2020 filly by Paynter. She was bred back to Astern (Aus) for next term. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Nashville | Coady

\$460,000 KEESEP yearling purchase, ran away with his career bow in the slop with a dazzling, front-running ‘**TDN Rising Star**’ performance at Saratoga Sept. 2, good for a 91 Beyer Speed Figure. He displayed a string of sharp works in the interim,

including a pair of bullets, working four furlongs over Saratoga's Oklahoma training track in :48 (1/32) two back Sept. 27. Hammered down to 1-2 favoritism in this first attempt versus winners, the bay ran the field off their feet right from the start. Jumping out to a clear advantage, Nashville was well within himself as he zipped through opening splits of :22.18 and :45.06, and he cruised home under a motionless Ricardo Santana, Jr. to win by a jaw-dropping 9 3/4 lengths over Sounion (Liam's Map). Nashville's unraced dam is also represented by the placed 2-year-old colt Market Cap (Candy Ride {Arg}) and a Mastery colt of 2019 and filly of 2020. The 9-year-old was bred to Collected for 2021. Nashville's third dam Set Them Free (Stop the Music) produced 2005 GI Kentucky Derby winner Giacomo (Holy Bull) and MGISW Tiago (Pleasant Tap). HEAVENLY CURLIN (f, 3, Curlin--Taste Of Heaven {Aus}, by Encosta de Lago {Aus}) made it two in a row after a three-month break since sporting a 74 Beyer Speed Figure in her initial win over this track and trip July 12. She'd previously finished third on the dirt at Aqueduct and 10th on the lawn at Gulfstream. The \$625,000 yearling buy broke sharply from the 11 post and found herself midpack behind a pedestrian quarter in :25.15. At nearly 6-1, Heavenly Curlin eventually worked her way to the inside and closed strongly into the pace set by stablemate Crystal Glacier (Curlin). She just got up to catch Crystal Glacier by a half-length on the wire. Taste of Heaven produced a full-sister to Heavenly Curlin in 2019 that was a \$300,000 RNA at the recent Fasig-Tipton September sale. She also produced a filly by Violence this year and has since been sent back to her birthplace of Australia. Taste of Heaven is a half-sister to the remarkable Australian champion and sire Redoute's Choice (Aus), as well as to two other Australian G1 winners. She herself sold for AUD\$1.5 million at the 2014 Magic Millions National Broodmare sale. Sales History: \$625,000 Ylg '18 KEESEP. LEGGS GALORE (f, 3, Bayern--Cashing Tickets, by Indian Charlie) continued the march through her conditions, getting her third win in a row since moving to the grass in California after a short and unsuccessful stint in two tries earlier this year on the main track at Oaklawn. After a four-month freshening, she came out firing with an 80 Beyer Speed Figure in a maiden Aug. 7 at Del Mar and followed that up with a state-bred allowance/optional claimer Aug. 21. Saturday marked her first time in an open race against winners and the 4-1 shot passed the test with aplomb. Leggs Galore tracked the pace of Miss Fraulein (Strong Mandate), staying glued to that one's hip through a quarter in :22 and a half in :44.68, then collared her coming off the turn. Miss Fraulein yielded just in time for favored Dolce (Twirling Candy) to rally, but Leggs Galore tenaciously hung on to post a head victory. The winner's dam, a full-sister to MGSW Conveyance, has an unraced 2-year-old filly by Stormberg and a filly born this year by Into Mischief. She was bred back to Good Magic for next term. ROBIN SPARKLES (f, 3, Elusive Quality--My Sparky, by Dehere), was ultra impressive in her two prior starts sprinting on grass--both good for 90 Beyer Speed Figures--in a \$40,000 maiden claimer versus state-breds at Saratoga Aug. 13 and a local starter allowance two starts later Sept. 27. Not much of a secret at 1-5 to remain unbeaten on grass here, she sped out to the front through an opening quarter in :21.89, began to let it out a notch rounding the far turn and reported home a much-the-best, three-length winner over Violent Point (Violence). My Sparky's most recent produce is an unraced 2-year-old filly by Effinex. Sales history: \$30,000 Ylg '18 SARAUG. BROADWAY LADY (f, 3, Constitution--Livi Makenzie {SW & MGSP, \$354,069}, by Macho Uno) put it all together in her seventh start after past performances that had comments like, "rank," "wide," "stumbled," "bumped," and "lugged out." Last seen going 6 1/2 furlongs Sept. 7 at Kentucky Downs, Broadway Lady was a consummate professional Saturday. Sent at 5-1, she stayed fourth on the outside in the strung-out field as early fractions passed in :22.64 and :46.82, then made her move on the turn like a mare on a mission. With her ears pinned, the dark bay belatedly changed leads and pulled clear by 3 1/4 lengths over Red Light Racer (Medaglia d'Oro) under a strong ride from Adam Beschizza. She trailed the field through an opening quarter in :22.06 and began to advance with a rail run on the far turn. Translate (Tonalist) looked long gone in the stretch as High Opinion began to thread her way through traffic for what looked like runner-up honors at best. High Opinion really kicked home

late, however, and finished like a wild horse once shifted out after nearly running on that one's heels to get there in dramatic fashion by a head. STARBURST (c, 2, Upstart--Favorite Candy, by Candy Ride {Arg}), the choice at 9-5 to don cap and gown at first asking, was hustled out of the gate and vied for the lead with Rapid Response (Great Notion) glued to his shoulder. After putting down swift fractions of :22.29 and :45.78, Starburst shook off Rapid Response and pulled clear for a 5 1/2-length victory after rider Trevor McCarthy wrapped up on him late. Starburst is the 13th winner for his freshman sire (by Flatter). Dam Favorite Candy, a half to 2017 GSW Road to Victory (Quality Road), produced a colt by City of Light this year after selling for \$100,000 at Keeneland January. She has been bred back to Blame. Sales History: \$30,000 Ylg '19 KEESEP. Lifetime Record: 1-1-0-0, \$24,453. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

TAKE PROFIT (c, 2, Air Force Blue--Cavanaugh Park {Ire}, by Galileo {Ire}) didn't pick up his feet, but ran evenly on debut Aug. 29 over a sloppy Laurel off-the-turf try. Getting his chance on the lawn here, the 5-1 shot broke midpack and stayed there through a first quarter in :24.82 and a half in :49.43. He moved on the turn, a bit green around the corner and slow to change leads, but picked it up while on the outside and ground

determinedly down the lane. Surging late, Take Profit got up by a half-length over pacesetter Sam in Style (First Samurai) with his ears pricked at the wire to become the ninth winner for his freshman sire (by War Front). The first winner for his young dam, Take Profit has a full-brother who sold at the recent Keeneland September yearling sale for \$50,000. Cavanaugh Park also has a filly born this year by Munnings and was bred back to Mendelssohn. Sales History: \$70,000 RNA Ylg '19 KEESEP; \$10,000 2yo '20 OBSMAR. Lifetime Record: 2-1-0-0, \$25,600.

ARTIE'S ROSE (f, 2, We Miss Artie--Rambling Rose, by Midnight Lute) was a creditable second to the recently stakes-placed Agog (More Than Ready) in an Ellis turf sprint maiden Aug. 30 and was a 47-10 gamble trying dirt for the first time in a wide-open betting affair. Slowly into stride and far back early on, the Ramsey homebred made significant inside progress on the turn, cut the corner into the stretch and outbattled the debuting Deemed Essential (Upstart) to take it by a head. It was a gap of 11 1/4 lengths back to third. From the extended family of the good sprinter Five Star Day (Carson City), Artie's Rose has a yearling full-sister named Midnight Prado. Rambling Rose most recently visited Hesinfront (War Front). Lifetime Record: 2-1-1-0, \$25,440. **Click for the [Equibase.com chart](#) or [VIDEO, sponsored by Fasig-Tipton.](#)**

1st-Remington, \$29,000, Msw, 10-9, 2yo, f, 1m, 1:40.80, ft, 3/4 length.

SILVER DEVIL (f, 2, Tapit--Ondine {SW & MGSP, \$186,362}, by Medaglia d'Oro) was sent off the 33-10 joint third choice for this career debut and jumped on terms, but was last of a well-bunched field around the first turn while trapped out about four deep. Consigned to that wide journey down the back straightaway, the homebred looked to hit a bit of a flat spot inside the final three furlongs, but she fought on bravely despite the ground loss and withstood a late rail rally from perfect-trip California Katie (California Chrome) to score by 3/4 of a length. Hailing from the family of Canadian champion Catch the Ring (Seeking the Gold), Silver Devil has a weanling full-brother and her dam went back to Tapit this past breeding season. Silver Devil is bred on the same cross over El Prado (Ire) responsible for Tapit's first-crop Grade I winner Laragh. Sales history: \$190,000 RNA 2yo '20 EASMAY. Lifetime Record: 1-1-0-0,
