## GLOBAL CAMPAIGN AND TOM'S D'ETAT AT WINSTAR FARM

Click to see Tom's d'Etat and Global Campaign settling in at WinStar

By Katie Ritz

With 18 stallions already standing at stud, WinStar Farm already had one of the largest stallion rosters in Kentucky, but they will be busier than ever in 2021 after having welcomed five new recruits for the upcoming season. **Laoban** (Uncle Mo) will stand his first year in Kentucky after becoming a Grade I-producing sire this year, while Grade I winners **Improbable** (City Zip) and **Promises Fulfilled** (Shackleford) will start off their career at the Versailles farm.

Today, we speak with WinStar's General Manager Dave Hanley on **Global Campaign** (Curlin) and **Tom's d'Etat** (Smart Strike), who round out the list of new additions and who both rank among the top earners for their respective trainers.

### Tom's d'Etat (Smart Strike), \$17,500

While it would be difficult to top the career of Horse of the Year Blame, Tom's d'Etat comes close as trainer Al Stall Jr.'s next-highest earning Grade I winner.

"You could tell by listening to Al that he had really high regard for Tom's d'Etat," Hanley said. "He's the coolest horse to be around. Really laid back with the most beautiful head and demeanor about him. I think he's got a lot of class. You know, Al had trained Blame, but you could tell Al really loved this horse."

## SPIELBERG KEEPS BAFFERT STREAK ALIVE--BARELY--IN LOS ALAMITOS FUTURITY

By Alan Carasso

After 8 1/2 furlongs of Saturday's GII Los Alamitos Futurity, it was a 'Close Encounter' with pacesetting outsider **The Great One** (Nyquist)--playing 'Catch Me If You Can'--but \$1-million Keeneland September yearling purchase **Spielberg** (Union Rags) managed to snatch victory from the 'Jaws' of defeat, as he was the recipient of the kindest of headbobs to give Bob Baffert his seventh consecutive victory in the event, now held at the Orange County oval.

Drawn widest in a field of six, the second betting choice attended the pace three wide outside of GII Best Pal S. hero **Weston** (Hit It a Bomb) as the maiden The Great One made play from the fence.

**Tom's d'Etat, Global Campaign Settling In at WinStar cont.**

Tom's d'Etat was a \$330,000 Keeneland September buy for Gayle Benson's G M B Racing. From the family of top sire Candy Ride (Arg), the SF Bloodstock-bred son of Smart Strike is out of stakes winner and Grade III-placed Julia Tuttle (Giant's Causeway).

"Being by a sire that's a proven sire of sires and having a sire like Candy Ride in his pedigree is quite extraordinary," Hanley said. "What's interesting about his pedigree is his dam is by Giant's Causeway, who was out of a Rahy mare. Rahy is by Blushing Groom (Fr) and Candy Ride's broodmare sire is also by Blushing Groom. Northern Dancer on top of Blushing Groom gives you sires like Awesome Again, who is out of a Blushing Groom mare. Carson City was also out of a Blushing Groom mare and was obviously the sire of City Zip. So it's a very strong sire-making cross."

**Tom's d'Etat retires to WinStar Farm with earnings of over \$1.76 million.** | Sarah Andrew

Hanley said that in terms of conformation, Tom's d'Etat is a reflection of both Smart Strike and Candy Ride.

"He's put together much like his sire and also has a little bit of Candy Ride in his make and shape," he said. "He's a beautifully balanced horse in that everything works for him. He's got great use of his shoulders and carries his head and neck in a good position. He's a beautiful mover and really opens his shoulder when he moves. His mechanics work really well and when he's galloping, you can see what good use he has of himself."

On the track, Tom's d'Etat broke his maiden at Saratoga as a sophomore before adding four more wins in optional claimers at four and five. Stepping up into stakes company, he won the Tenacious S. at Fair Grounds to cap off his 5-year-old season.

After running second to four-time Grade I winner McKinzie (Street Sense) in the GII Alysheba S., the fleet-footed bay added the Alydar S. at Saratoga to his resume last summer as he reached top form. WinStar started to take notice of the stallion prospect.

"From May of 2019 to August of 2020 he ran nine-straight triple digit Beyer's," Hanley said. "He was such a dominant racehorse and was so talented, he really took our attention."

His next win came in the GII Hagyard Fayette S. at Keeneland, his first graded stakes success, followed by his signature Grade I victory in the Clark S.

"His win in the Clark was another example of one of his dominating performances," Hanley said. "He sat mid-division and then made an unbelievable move. He didn't just go to the front, he flew."

After defeating Improbable (City Zip) in the Oaklawn Mile S., Tom's d'Etat added another win in the GII Stephen Foster S. where he earned a career-best 109 Beyer and just missed the track record by 0.02 seconds.

"It was quite a brilliant performance," Hanley recalled. "Actually, he was eased down that day. Had they ridden him to the line, he might have even broken the track record."

After two troubled trips in the latter half of his 2020 season in the GI Whitney S., where he still fought to finish third, and the GI Breeders' Cup Classic, Tom's d'Etat retired with earnings of over \$1.76 million, having run in the money in all but five of his 20 starts.

Hanley said that their team is not at all phased that Tom's d'Etat retires at the age of seven. It's not their first time retiring older horses to stud.

**Tom's d'Etat, Global Campaign cont.**

"Some people are against that or think it's a disadvantage to him," Hanley said. "But you know, we've had two very good horses go through our stud barn here in Speightstown and Distorted Humor that both came to stud at age six and stood their first year as 7-year-olds. So, it doesn't bother us at all. I think he's going to be a good stallion regardless. Tom's d'Etat's pedigree is really stacked with sire-making potential. We're going to support him really well together with our shareholders like Fred Hertrich, Siena Farm and Taylor Made. We really believe in his chance of becoming a top stallion."

**Global Campaign (Curlin), \$12,500**

Big names jumped off Global Campaign's pedigree from the start with the likes of his half-brother, dual Grade I winner Bolt d'Oro (Medaglia d'Oro), as well as another stakes-winning half-brother in Sonic Mule (Distorted Humor). His family also includes 'TDN Rising Star' Recruiting Ready (Algorithms), plus three-time Grade I winner and sire Zensational (Unbridled's Song).

"Global Campaign is probably the best-bred son of Curlin," Hanley said. "He's a very good-looking horse for his sire line. He has very clean lines and is a smooth horse. He's beautifully made, very well proportioned and is a really good mover. It's hard to fault him. He's a really exceptional physical."

The WinStar-bred was a \$250,000 Keeneland September purchase for Sagamore Farm and was given to trainer Stanley Hough to race in partnership with WinStar.

"About a month before the September Sale, he got a bang on his knee that fired up physitis in the knee," Hanley said. "So going into the sale, I think that took a number of people off him. But we really liked him and were anxious to stay in for a piece. Stanley Hough and Hunter Rankin were very gracious to allow us to do that."

Global Campaign was sent to Ocala Stud to undergo training, and Hanley said he remembers visiting the youngster.

"Elliott [Walden] and I went down in the spring of his 2-year-old year and they were already excited about him," he said. "He was starting to separate himself from the others and they thought he was one of the nicest horses they had down there. He was a beautiful mover, a very positive horse in his work, and looked like he was going to be something."

In January of his sophomore season, the colt turned heads on debut when he broke his maiden by almost six lengths and then earned 'Rising Star' status in his next start. Later in the season, he defeated eventual GI Belmont S. winner Sir Winston (Awesome Again) in the GIII Peter Pan S. followed by a third-place effort in the GII Jim Dandy S.

Global Campaign won this year's GI Woodward S. | Sarah Andrew

"Unfortunately in that race, he grabbed himself coming out of the gate and took a chunk out of his heel," Hanley relayed.

After a nine-month layoff, the bay returned with a victory at four in a Gulfstream optional claimer before stepping back into graded stakes company and taking the GIII Monmouth Cup S.

"He made the running and had his ears pricked in front," Hanley recalled. "The other horse, Bal Harbour (First Samurai), went to go by him and he just rallied and put the race away. He was the kind of horse that I think always ran with a bit more in the tank than you saw. He's a horse that liked to get on the front end, relax, and could finish up really well."

Global Campaign made his Grade I debut this summer in the Woodward S., breaking first and never looking back to defeat the likes of Grade I winner Math Wizard (Algorithms) and multiple graded stakes winner Tacitus (Tapit). **Cont. p6**

### New WinStar Stallions cont.

He earned a career-best 106 Beyer in his final start this year, fighting to place third after a troubled start in the GI Breeders' Cup Classic behind Horse of the Year favorite Authentic (Into Mischief) and fellow WinStar studmate Improbable.

Hanley spoke about the meaning the horse had for his connections in taking co-owner Sagamore Farm on their probable final trip to the Breeders' Cup as they **phase out of racing** and becoming trainer Stanley Hough's leading earner.

"It was really nice for Sagamore to have a really good horse like him as they get out of the business," he said. "Both Hunter Rankin and Stanley Hough did a marvelous job managing the horse. Stanley is a real all-time horseman and you could tell being around him how excited he was about this horse."

While WinStar had initially announced that they were considering pointing the Grade I winner towards the GI Pegasus World Cup Invitational S., they later decided that he would not resume training following the Breeders' Cup.

"When we took him back to the farm, he was going down so well with the breeders and looked so good," Hanley said. "We're very happy that he's here. He's been very, very popular. I think he's already booked to 80 mares and people really like him."

### SURRENDER NOW NEW TOPPER-- PRIVATELY--OF KEENELAND'S DIGITAL SALE

**Surrender Now** | *Benoit*

Keeneland's December Digital Sale, held Tuesday, Dec. 15, reportedly has a new topper, but with a wrinkle attached-- **Surrender Now** (Morning Line) was sold after the sale for an undisclosed price. Kim Lloyd, representative for the 5-year-old stakes-winning mare's owner, Rockingham Ranch, said the buyer, Blue Heaven Farm, requested the final price remain private.

"We put her in for a reserve of \$450,000," said Lloyd. "They made an offer and we got a fair price for both sides, actually."

Lloyd was asked to verify if the price topped the **\$250,000 brought by Felicita (More Than Ready)** and he said, "Yes, quite a bit over that. It was an opportunity and a fair price for both parties. Gary [Hartunian of Rockingham] made it possible by being reasonable."

Lloyd, the former general manager of Barretts Sales, is the principal of Sweetwater Trading Company, who manages the horses for Rockingham Ranch. Surrender Now, who won the 2017 Landaluce S. at Santa Anita and placed in two other black-type events, comes from a stakes-laden family as her fourth dam is Broodmare of the Year Glowing Tribute (Graustark).

"We had put her away, booked her to Speightstown," said Lloyd. "Our original plan was to sell her [next] November, but we decided to take a chance. We stable our horses at Rose Hill Farm. Tony O'Campo [of Rose Hill] does such a wonderful job; he's a good, caring horseman, so we had him be the consigner."

"We have quite a few horses," he continued. "We're into racing. We do breed, but we like to race and it was just an opportunity. The market was right. We've built a nice stable and this was a way to keep the cash flow going. We would have never sold our filly without the digital sale, but they came and make an offer and did a fair deal for both of us."

"It's an interesting new process. Everybody gets a chance to market their horse and play in the game. It's really something special. I think in the future we'll see a lot more people utilizing the opportunity with digital sales. They have some wrinkles to work out and they will. We do as sellers too, like how to make our horse more marketable. I like that it is a learning process and new for everybody."

### AMERICAN-BREDS JOIN JAPANESE STALLION RANKS *by Alan Carasso*

There will be an infusion of new American blood into the Japanese stallion ranks in 2021 with retirements to stud of **Mozu Ascot** (Frankel {GB}) and **Mr Melody** (Scat Daddy). Each is the first of their respective sires' progeny to take up stud duty in the island nation.

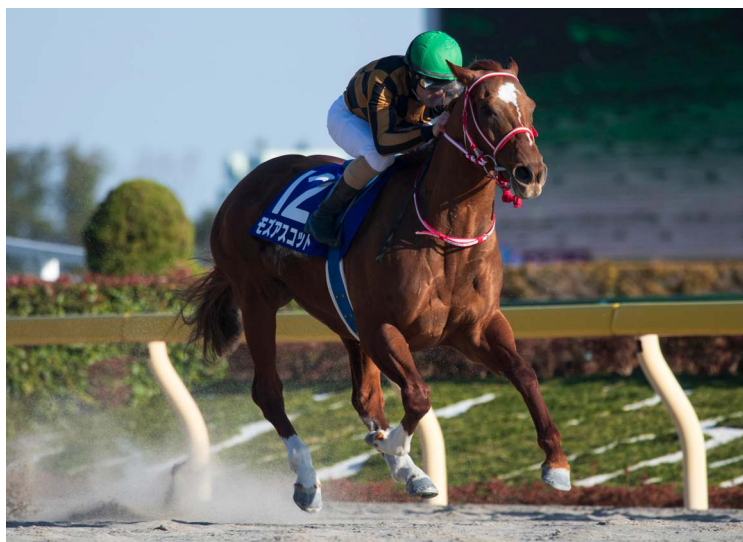

Bred in Kentucky by Jane Lyon's Summer Wind Farm, Mozu Ascot was led out unsold on a bid of \$275,000 at the 2015 Keeneland September sale before being acquired privately by Capital System Co. Ltd. A maiden winner at third asking under the care of the colorful Yoshito Yahagi, the chestnut found his niche at distances between 1400 and 1600 meters, winning the one-mile G1 Yasuda Kinen on turf in 2018 in a time of 1:31.30.

**Cont. p7**

### American-Bred, Japanese-Raced Runners To Stud cont.

Having made his first 19 career starts on the grass, Mozu Ascot won the G3 Negishi S. (1400m) when trying the dirt for the first time last Feb. 2, then validated 9-5 favoritism in the G1 February S. (1600m) at Tokyo three weeks later ([video](#)). He ran on strongly to be fifth in the G1 Champions Cup (1800m) in his final career appearance Dec. 6.

Mozu Ascot is a son of India (Hennessy), raced by Summer Wind to a pair of graded victories and earnings of over \$630,000. Also the dam of SW & 'TDN Rising Star' Kareena (Medaglia d'Oro), India is a half-sister to SW Pilfer (Deputy Minister), the dam of MGISW To Honor and Serve (Bernardini), GISW Angela Renee (Bernardini) and SW & GISP Elnaawi (Street Sense). He joins the likes of California Chrome and Lani at Arrow Stud on the island of Hokkaido.

Mozu Ascot | Horsephotos

Mr Melody, by contrast, began his career on dirt, setting a Tokyo track record in graduating over 1300 meters on debut, then won the G3 Falcon S. in his first try on the turf in 2018. A near-miss second in the G2 Hanshin Cup to close his sophomore season, Mr Melody posted the most important of his four career victories in the 2019 G1 Takamatsunomiya Kinen, covering the six furlongs in 1:07.30 ([video](#)), and was a close fourth in the G1 Sprinters' S. He turned in a pair of strong efforts in defeat this term, finishing third to recent G1 Longines Hong Kong Sprint winner Danon Smash (Jpn) (Lord Kanaloa {Jpn}) in the G2 Centaur S. and a close fourth behind the talented filly Gran Alegria (Jpn) (Deep Impact {Jpn} x Tapitsfly) in the Sprinters' S.

Bred in the Bluegrass by Bell Tower Thoroughbreds, Mr Melody was a \$75,000 Keeneland November buyback, a \$100,000 Keeneland September acquisition and blossomed into a \$400,000 OBS April breezer. A son of Trusty Lady, the half-brother to GSP Trendy Lady (Unbridled's Song) is a maternal grandson of MGSW & MGISP Klassy Kim (Silent Screen).

He enters stud at Yushun Stallion Station on Hokkaido, the home of Henny Hughes, among others.

### Los Alamitos Futurity cont.

The front-runner hit the three-eighths going great guns and took them into the stretch, daring them to catch him. Spielberg emerged as the lone chance to do so as favored **Red Flag** (Tamarkuz), impressive in romping in the GIII Bob Hope S. last time out, began to paddle at midstretch. The Great One kicked on gamely into the final sixteenth of a mile, but the blaze-faced Spielberg dug in resolutely and dove home just in front. The win was the 14th overall in the race formerly known as the Hollywood and then CashCall Futurity and the winner represents a seventh different ownership group in the seven years the race has taken place at Los Al.

Second in the Sept. 7 GI Del Mar Futurity and third in the Sept. 26 GI American Pharoah S. as a maiden, Spielberg was more workmanlike than brilliant in graduating by a neck going a mile at Del Mar Nov. 1 and he was exiting a fourth, beaten 9 1/2 lengths, when last seen in the Bob Hope Nov. 15.

"I knew he was going to run well because he had shipped well over here and was really on it in the paddock," said Baffert. "I thought it was an easy spot last time and he didn't ship well. He got nervous when he got in the stall there [Del Mar] and was just flat. We ran him back too quick. I asked [jockey Flavien Prat] if there's more there and he said there's a lot more. I think he'll get better with maturity."

Spielberg's dual Grade I-winning third dam produced Clear Mandate (Deputy Minister), herself a three-time winner at the highest level and dam of MGSW/MGISP Newfoundland (Storm Cat), GISW Strong Mandate (Tiznow) and SW Full Mandate (A.P. Sleepy Eyes Todd has amassed one of the more eclectic resumes of any horse in training in 2020 and capped a wildly successful 4-year-old campaign with a dead-game defeat of the classy Firenze Fire in a renewal of the Mr. Prospector S. that was Grade III in name only.

Away neatly beneath Tyler Gaffalione to secure a forward position, the grey colt was ridden quietly as longshot Wind of Change (Brz) (Forestry) set a searching pace up front. Held together on the turn, Sleepy Eyes Todd took his cue right at the quarter pole and had the front-runner in the crosshairs while launching his bid one off the inside. Firenze Fire, settled in the latter half of the field and with the race run to suit a closing kick, chimed in deeper out and drew nearly even with Sleepy Eyes Todd inside the furlong marker, but the latter pulled out extra to post the victory. Grade I winner Mind Control raced in the second flight of horses three wide outside of Sleepy Eyes Todd and ran on to complete the trifecta.

Sleepy Eyes Todd | Ryan Thompson

Sleepy Eyes Todd was winning for the fourth time in eight appearance this season, with victories in the Bosselman/Gus Fonner S. in Nebraska in April, a booming 7 1/2-length romp in the GII Charles Town Classic in August and a latest tally in the Nov. 7 Lafayette S. on Breeders' Cup Saturday at Keeneland. Last year's GIII Oklahoma Derby runner-up also made starts this term at Sam Houston, Fair Grounds, Lone Star and Santa Anita, but he is slated to remain on the grounds near-term for the GI Pegasus World Cup Invitational Jan. 23.

**Pedigree Notes:**

One of five graded winners for his sire, Sleepy Eyes Todd is a half-brother to the unraced 3-year-old fully Pledge of Honor (Flat Out), the 2-year-old colt I Hear Music (Maclean's Music) and a weanling filly by Congrats. Pledge Mom was most recently bred to Enticed (Medaglia d'Oro--It's Tricky) from the same El Prado (Ire) sire line as Sleepy Eyes Todd.

Cool Day (right) scoops the Pellegrini | Prensa HSI

Making just the fourth start of his career, **Cool Day (Arg)** (John F Kennedy {Ire}) came with a daring late dash up the rail to upset Saturday's G1 Gran Premio Carlos Pellegrini, earning a spot in the field for the 2021 GI Breeders' Cup Turf in the process. **Pinball Wizard (Arg)** (Orpen), the narrow second betting favorite, photoed American-raced **Village King (Arg)** (Campanologist) to earn place honors.

Guided down to the inside to save ground down the long San Isidro backstretch, Cool Day raced with about three or four behind into the final half-mile. Full of run into the demanding straight, Cool Day was held up for a run with 500 meters to go and again with time ticking away. But, shifted back down to the fence, he knifed through underneath Pinball Wizard and rallied gamely to a narrow score.

Cool Day is one of six winners from the first crop of his sire (Galileo {Ire}--Rumplestiltskin {Ire}), winner of the 2014 G3 Juvenile Turf S. for Mrs. John Magnier, Michael Tabor and Flaxman Stables and Aidan O'Brien. The winner's dam is a full-sister to Argentinian champion Cooptado (Arg), winner at home of the G1 Gran Premio Nacional (Argentine Derby) and third in the 2013 Pellegrini and a stakes winner in Singapore, Dubai and in the U.S., where he took the 2017 Tenacious S. under the care of Tom Morley.

## JUDDMONTE & COX UNLEASH ANOTHER 'RISING STAR' IN NOLA

Prate | Hodges Photography

**Prate** (Into Mischief) was quoted at 6-1 on the morning-line ahead of this debut, but was hammered down to 1-5 favoritism by post time and ran to the money with a 'TDN Rising Star'-worthy graduation. Away alertly from the nine-hole, the Juddmonte homebred saved ground in a joint third, keeping a close eye on the leaders through a swift first quarter in :21.26. Tipped out two wide as the half went in :44.92, the gray split foes exiting the bend and charged clear with powerful strides in mid-stretch to win as he pleased by 4 1/2 lengths. The final time for the six-furlong event of 1:09.81 was faster than both of the juvenile stakes run at the same distance earlier in the card. The Sugar Bowl S. for colts went in 1:10.12 and the Letellier Memorial S. for fillies was completed in 1:10.17. Juddmonte and trainer Brad Cox were also represented by a juvenile 'TDN Rising Star' in NOLA Friday when homebred filly Sun Path (Munnings) scored an impressive victory in a two-turn allowance.

The winner is the first foal out of Vaunting, a third-generation Juddmonte homebred and a full-sister to GSW Bragging. The 7-year-old mare has since produced the yearling filly Visualize (Into Mischief) and a weanling filly by Kantharos. She was bred back to Twirling Candy.

The unbeaten Senor Buscador put himself on the map with an ultra-impressive, last-to-first victory in Friday evening's Remington Springboard Mile.

Off a beat slow from his rail draw, Senor Buscador caboosed the field in 10th--some 17 lengths behind--through contested fractions of :23.52 and :47.22. He began to wind up entering the far turn, caught the eye with a visually impressive sweeping move approaching the quarter pole and kept on motoring from there to inhale the field in the stretch and win going away.

Cowan, runner-up in the Gil Breeders' Cup Juvenile Turf Sprint and one of only two contestants racing free of Lasix, completed the exacta.

"He broke bad, but that was good because he settled down on the backstretch," winning jockey Luis Quinonez said. "On the turn for home, I thought, 'Oh my God, what a horse I have.' It feels like he can go farther."

Senor Buscador also passed them all on debut for a good-looking tally going 5 1/2 furlongs at Remington Nov. 6.

"We'll see how he comes back and then take him to Houston and possibly on to the Fair Grounds for their stakes schedule," winning trainer Todd Fincher said. "We do what's best for the horse. That's my responsibility. So we'll see."

He continued, "The first time he won, he really didn't know what he was doing or what was going on. He was really ornery in the post parade. But he was impressive in that race even though he sure doesn't like breaking from the gate."

Favored Outadore (Outwork), third in the GI Breeders' Cup Juvenile Turf, tired to fifth after pressing the early leader in his dirt debut here.

The winner's dam Rose's Desert, also represented by GIII Sunland Derby hero Runaway Ghost (Ghostzapper), was bred to Candy Ride (Arg) for 2021.

The Tenacious S. at Fair Grounds was the site of the eagerly anticipated return of Maxfield, whose stop-and-start nature of his career due to injury has done nothing to diminish the excitement surrounding the undefeated colt. Bursting onto the scene in September of 2019 in a one-mile Churchill maiden, he won like a good horse and promptly made the jump to the GI Claiborne Breeders' Futurity at Keeneland, winning by 5 1/2 lengths to be slated as one of the top contenders for the GI Breeders' Cup Juvenile. He missed the race due to an ankle injury and surgery to remove a chip. Back in May of this year, he captured the GIII Matt Winn S. with a 95 Beyer in just his third career start and was immediately nabbed as one of the hot prospects for the delayed GI Kentucky Derby, but a condylar fracture kept him in the barn.

Returning to competition again in the Tenacious, Maxfield picked up right where he left off in his return to action, taking his record to a perfect four-for-four. Glued to pacesetting Cool Bobby (Shanghai Bobby)'s outside hip through a :24.63 opening quarter, the 1-2 chalk kept after the leader as the half went in :48.39. The sleek dark bay drew even with Cool Bobby entering the turn and shrugged him off in early stretch, skipping clear for a 2 1/2-length score in 1:43.35.

the outside in the Via Borghese S. The quarter went in :24.31 and the half in :50.11 as she held her position. Always Shopping quickened on the turn, collared favored Traipsing (Stroll), and flew down the stretch with authority to win by three driving lengths.

“We anticipated [Traipsing] would be on the lead,” said trainer Todd Pletcher. “I thought we might be laying second but Irad [Ortiz, Jr.] was in a comfortable spot and he said she was taking him wherever he wanted her to go throughout the race. She really jumped in at the top of the stretch and kicked on hard. They weren’t going very fast early, but they were late.”

Always Shopping’s stablemate, Cap de Creus, was elevated to second after Great Island was disqualified to third for bearing out during the stretch run.

Stopshoppingmaria raced for Repole Stable, winning a listed stakes, but also placing in the GI Frizette S. and GII Breeders’ Cup Juvenile Fillies Turf. Archidust racked up yet another black-type victory in the Richard Scherer Memorial S. Saturday. The bay sat just a few lengths off the leaders in a ground-saving fourth through a sharp first quarter in :21.70. Moving into third in the lane, he tipped out two wide and charged by the leading duo in the final sixteenth to score.

Capturing a trio of stakes last season, Archidust kicked off this term with a third in Gulfstream's Silks Run S. Mar. 7 and scored a pair of subsequent victories at Monmouth in the Wolf Hill S. July 18 and Get Serious S. Aug. 23. Third in the GIII Belmont Turf Sprint Invitational S. Oct. 4, he was sixth to Turned Aside (American Pharoah) in the Turf Sprint championship S. at Aqueduct Nov. 28.

Chilling Effect's most recent produce is an unraced juvenile filly named Bout Time (Not This Time). **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

Placings in the Mint Juvenile Fillies S. on the grass at Kentucky Downs and the Rags to Riches S. on the dirt at Churchill were sandwiched around tougher company and an off-the-board finish for Oliviaofthedesert in Keeneland's GI Darley Alcibiades S. Last seen taking an optional claimer over the Trapeze S. distance Nov. 28 at Churchill, the gray filly made the trip to Remington and came away securing her first stakes win.

Racing midpack and in the clear on the inside behind fractions of :23.94 and :47.89, Oliviaofthedesert moved up along the rail, cutting the corner into the stretch. She ground down the lane to catch pacesetter Tiz Splendid News in the final strides at the same time Simply Sovereign did. The three fillies hit the wire together, with Oliviaofthedesert getting the head bob and the camera unable to separate the other two.

Oliviaofthedesert is out of stakes-placed Queenie's Song, who hammered for \$470,000 while carrying her first foal (by Lemon Drop Kid) at the 2016 Keeneland November sale. The mare has a yearling filly and a weanling colt, both by Malibu Moon, and has been bred to Candy Ride (Arg) for next term. Oliviaofthedesert's second dam, GSW & GISP Queen of Money (Corporate Report), produced two black-type winners and three additional stakes horse. **Click for the Equibase.com chart or VIDEO, sponsored by Fasig-Tipton.**

**PROXY (c, 2, Tapit--Panty Raid {MGISW, \$1,052,380}, by Include)** missed by a neck in his off-the-turf debut at Monmouth Oct. 24 and broke through next out here Nov. 26. Hammered down to 3-5 favoritism in this four-horse affair, the Godolphin

homebred seized the early advantage as he did in his graduation and was hounded by his rivals through a :24.97 first quarter. Briefly headed by Assumption (Medaglia d'Oro), the bay regained command as the half went in :49.05. His three foes stuck with him heading into the lane, but Proxy forged clear of them despite some green moments to register a 2 1/2-length victory. Good First (Carpe Diem) got up for second. Godolphin purchased his dam, two-time Grade I winner and millionaire Panty Raid, for \$2.5 million at the 2008 Fasig-Tipton November Sale. She is also responsible for Micheline (Bernardini), MSW & GISP, \$545,978. The gray has found his calling since switching to grass and returning from the bench this term, and entered off consecutive victories, graduating smartly at Churchill June 12 and flying home to clear his first allowance condition at Keeneland last time July 8. Backed as the 5-2 choice to fire fresh off another layoff here, the \$850,000 OBSMAR purchase jumped well from his rail draw and kept the early leaders within his scope from fifth. The gray loomed large out in the clear on the far turn, came rolling into the stretch four wide and was confidently handled in a better- than-it-looked victory. It was a length back to longshot Clear Destination (Seek Again) in second. A Straight Fire filly of 2019 and a Carpe Diem colt of this year are in the pipeline for the winner's dam. Dispatched at 3-1 this time around, the \$390,000 OBSAPR buy broke on top and coasted along through a :24.44 first quarter. Still just loping along as she put up a :49.04 half-mile, the bay sailed clear in the lane with ease to win by a whopping 11 1/2 lengths. Lot 451, a Sea The Stars filly tops Day 2 at Goffs | Goffs

By Daithí Harvey

KILDARE, Ireland--Different day, different trade. As expected business at Goffs on Saturday proved a good bit more lively as pin-hookers and end users alike did battle for some quality foals. Although last year's corresponding top price of €135,000 was exceeded by a €155,000 Sea The Stars (Ire) filly foal, other sale indicators suggest the market continues to struggle in the face of uncontrollable circumstances. The clearance rate of 79%, while considerably improved from Friday was still a little shy of last year's 86%. Similarly, the aggregate of €4,855,900, average of €27,907 and median of €20,000 all failed to keep tabs on 2019's figures, though these numbers are still perfectly respectable in the current grand scheme of things.

## ROMANISED RETIRED TO BOUQUETOT

Classic winner **Romanised (Ire)** (Holy Roman Emperor {Ire}--Romantic Venture {Ire}, by Indian Ridge {Ire}) has been retired from racing and will enter stud in 2021 at Haras de Bouquetot in Normandy, France, for a fee of €7,000.

Campaigned by Robert Ng and trained by Ken Condon, Romanised won at first asking in April of his 2-year-old campaign and was second to eventual G1 Derby winner Masar (Ire) (New Approach {Ire}) in the G3 Solario S. that fall. He sprang a 25-1 upset when beating US Navy Flag (War Front) in the G1 Irish 2000 Guineas, and though he went winless in three subsequent starts that year he bounced back in 2019 to win the G2 Minstrel S. and the G1 Prix Jacques le Marois and was beaten a nose by Circus Maximus (Ire) (Galileo {Ire}) in the G1 Prix du Moulin. Romanised defended his title in the Minstrel this July.

Romanised's dam, Romantic Venture, has produced two other stakes winners including the G3 St Leger Italiano winner Rock Of Romance (Ire) (Rock Of Gibraltar {Ire}), and she is a half-sister to three stakes winners including Hong Kong Horse of the Year Designs On Rome (Ire) (Holy Roman Emperor {Ire}).

Condon said, "From when he first commenced fast work in the spring of his 2-year-old year, Romanised showed that precocity, speed and class that were the hallmarks of his racing career. His biggest attributes were his superior cruising speed and an electric turn of foot. Coupled with his impeccable physique, Romanised is possessed of many of the prerequisites to be a success at stud."

Lot 451, the only foal by Sea The Stars catalogued on the day, was bound to attract a lot of interest and, when the filly in question hails from the immediate family of the Giltown stallion's brilliant but ill-fated daughter Sea Of Class (Ire), then it was no surprise that agent Federico Barberini was pushed to €155,000 to secure the Oak Lodge & Springfield House Stud consigned foal. The Razza Del Velino bred filly is out of Mooney Ridge (Ire) (Indian Ridge {Ire}), a half-sister to G1 Irish Oaks winner Sea Of Class who is already the dam of two stakes performers in Italy.

Barberini, acting for an undisclosed client, said, "She has been bought to race and her page speaks for itself. She has lots of residual value and her 2-year-old half-brother by Australia (GB) is highly regarded."

A return to a sale ring next year is also not the plan for Lot 354 rather a racing career in Sheikh Hamdan's silks is in store as the

son of Whitsbury Manor Stud stallion Havana Grey (GB) was knocked down to Shadwell's Stephen Collins for €135,000. The grey colt is a half-brother to Martyn Meade's quality sprinter Method (Ire) (Mehmas {Ire}) and his yearling half-brother by

Belardo (Ire) sold at the Orby Sale in Doncaster for £60,000.

After getting the better of a series of determined bids from Ger Morrin Collins said, "He was our pick of today. He is a very nice colt, forward, mature and athletic with a great attitude. He will go to Derrinstown to be raised and we'll start to think about where to send him this time next year."

The sale was a fine return for breeder Michael Phelan of Pipe View Stud in Kilkenny with the

foal bred from the inexpensive mare Darsan (Ire) (Iffraaj {GB}) off an advertised 2019 covering fee of £8,000.

The Mehmas (Ire) factor kicked in with Lot 512 when the Morrin family's Pier House Stud dug in to acquire the first foal out of unraced Single Thought (GB) (Teofilo {Ire}) for €130,000.

AL SHAQAB

It was a huge result for breeder Mick Buckley who consigned the colt foal through his Curragh based Harefield Cottage Stud and who picked up the dam for very small money at Tattersalls in 2018.

“I’m delighted, absolutely over the moon,” said Buckley. “He is a lovely horse and a lot of it is a case of the right sire at the right time. I think I got lucky at Tattersalls when I bought the mare as England were playing in the semi-final of the World Cup when she went through the ring and a lot of people were pre-occupied and I managed to get her for 2,000gns. My luck didn’t end there as when I brought her to Tally-Ho to get covered by Kessaar (Ire), my original choice, he was busy so I had to make do with Mehmas! Lots of luck involved but there can be plenty of bad luck in this game, so I’ll gladly take today’s result. All the right people liked him, he vetted well and I’m delighted he is going to a good home and I hope he is lucky for the Morrins.

**Lot 512, a colt by Mehmas and Michael Buckley**  
*Harefield Cottage Stud*

He’ll be a right bull of a yearling next year and I look forward to seeing him wherever he turns up,” Buckley added.

Coolmore stallion Saxon Warrior (Jpn)’s first foal to be offered at Goffs was certainly well received and Lot 329 was eventually knocked down to MAB Agency and Larry Stratton for €88,000. The Castlebridge consigned bay filly is the first produce out of Cascella (Ire) (Iffraaj {GB}), who in turn is out of the multiple stakes winner Lily’s Angel (Ire) (Dark Angel {Ire}). Another Coolmore sire to have a good day was Australia (GB) and Luke Barry of Manister House Stud will be monitoring the American racing results with interest over the coming months after parting with €80,000 to purchase a son of the Classic stallion from Irish Emerald Stud. Lot 301 is a full-brother to Counterparty Risk (Ire), who broke her maiden last month at Aqueduct for the powerful combination of Chad Brown and Klaravich Stables. [Cont. p4](#)

Bigger targets will no doubt await that 3-year-old filly having cost 325,000 gns as a yearling at Tattersalls and this colt's page, which already features GI Canadian International winner Sarah Lynx (Ire) (Montjeu {Ire}) could look even better in 10 months' time. For breeder and vendor Irish Emerald Stud it was a fantastic result having purchased the 11-year-old mare Anklet (Ire) (Acclamation {GB}) at Tattersalls 12 months ago carrying this foal for just 18,000gns. While obviously delighted with the price, Gary Duffy, owner of Kildare based Irish Emerald Stud said he wouldn't have been surprised if the colt had made even more.

"He is a cracking foal and it's a great pedigree, so I was expecting him to be popular," said Duffy. "Luckily for me Australia had hit a bit of a flat spot this time last year and the mare was at a bit of a crossroads, so I was able to get her for what is now great value. Australia then had plenty of good success on the track this year and the filly winning in America was also a great help and I believe there are plans to run her in a Grade I. The mare is in foal to Ribchester (Ire) but after today, and with Counterparty Risk, I'd say she'll have to go back to Australia (GB)."

Baroda Stud also found favour with an Australia colt when selling Lot 504, a half-brother to the stakes-placed American Lady (Ire) (Starspangledbanner {Aus}) for €72,000 before making an impact as a purchaser when buying lot 530 for €90,000. This colt by Teofilo (Ire) was consigned by Clare Manning's Boherguy Stud on behalf of her grandfather Jim Bolger and is a full-brother to the smart stakes placed 3-year-old Agitare (Ire).

Friday's top price was equaled early Saturday morning when the fourth foal into the ring, Lot 291 was bought by BBA Ireland's Eamonn Reilly for €75,000. By the ever popular Dandy Man (Ire) the Milestream Stud offered colt is the second produce out of the Raven's Pass mare Zehrah (Ire), who is a half-sister to stakes winner Sameem (Ire) (New Approach {Ire}).

Another Dandy Man (Ire) colt, Lot 380 fetched the same price of €75,000 when selling to Yeomanstown Stud.

Lot 301, a full to U.S. debut winner Counterisk Party | Goffs

Offered by Airdreigh Stud the colt is out of Fancy Feathers (Ire) whose five winners to date include the stakes winner Elnadim Star (Ire) (Elnadim). Not long after Joe Foley rowed in to support

his own stallion when going to €67,000 to buy J.P Condren's son of Dandy Man, Lot 428 before yet another Dandy Man colt, Lot 464, out of a winning half-sister to G2 Queen Mary S. winner Elletelle (Ire) (Elnadim) was knocked down to Euro Ventures for €72,000. Rounding off a quintet of high end foals by the super dependable sire lot 491 from Ballinacurra Stud also reached the €72,000 mark when selling, like a previous one by the stallion, to Yeomanstown Stud. That quintet grew to a sextet late in the day when one of the

bravest pin-hookers in the business Philip Stauffenberg gave €72,000 for Oak Leaf Stud's Dandy Man filly (Lot 525) from the family of Quarter Moon (Ire) (Sadler's Wells).

Haras de Bouquetot Stud Manager Benoit Jeffroy added, “We’re delighted to be given the opportunity to stand a dual Group 1-winning miler with such eye-catching looks as Romanised, who will be a valuable addition to the Al Shaqab stallion roster at Haras de Bouquetot for the 2021 season. He is a well balanced horse, with strong hind quarters, a great athleticism and good muscle definition. For a horse matching performances, pedigree and looks, his stud fee of €7,000 Live Foal should prove a great value to the European breeders.”

### RACING TO CONTINUE IN TIER FOUR AREAS

The British Horseracing Authority has confirmed that racing--albeit behind closed doors--will continue in areas deemed Tier 4 in terms of coronavirus threat. Tier 4 effectively shadows the national lockdown measures that all of England was under during November, and Prime Minister Boris Johnson has said that much of southeast England will enter Tier 4 on Sunday.

A BHA statement on Saturday evening read, “A Government official has confirmed to the BHA tonight that Tier 4 is equivalent to the restrictions that applied to elite sports in the second national lockdown in November. Racing will continue behind closed doors in Tier 4 in England, with no spectators and owners subjected to the same restrictions as in November, which limit attendance to a maximum of 45 on the course at any point.

Owners attending must comply with the BHA’s protocols as well as national guidance, and satisfy themselves that their travel to, and attendance at, race meetings is legitimately linked to their business involvement in British racing. Each individual racecourse will provide information specific to their events, which owners are asked to check before attending.”

“The BHA and racecourses will continue to liaise with Government, Public Health England and local Safety Advisory Groups and keep the situation under review. We will share any further relevant details as and when we have them.”

### TRAINER MARCIALIS BANNED SIX MONTHS

French-based trainer Andrea Marcialis, best known for conditioning this year’s G1 Grand Prix de Saint-Cloud winner Way To Paris (GB) (Champs Elysees {GB}), has been banned from all racing activities for six months after stewards deemed that he and his sister, Elisabetta Marcialis, had taken advantage of 80-year-old trainer Jean-Claude Napoli and trained horses in his name, *Racing Post* reports.

An inspection of Napoli’s stables in Cabries in August found 12 horses formerly connected to Marcialis or his owners, five of which were not registered as in-training with Napoli. Marcialis claimed in his hearing that the wrongdoing was his sister’s and that he was not involved, while Napoli in his testimony said he regretted sharing his France Galop account details with Elisabetta.

Andrea and Elisabetta Marcialis, as well as six other ownership entities, have been banned from the sport from Jan. 1 through July 1, 2021.

## MOYROSS GIVES BACK TO COMMUNITY AND RACING *By Daithi Harvey*

Just over 12 months ago a forum was held in Newmarket to consider the opportunities and challenges facing the racing industry across the world in the areas of education and community engagement and development. In attendance were prominent industry figures from Britain, Ireland, France, America, Japan and Australia and the momentum created by this event, along with a shared mission to promote educational opportunities, has grown into a global initiative that now provides a platform and network for continuing the work, called Together for Racing International (TfRI). Evidence of tangible benefits of the alliance is mounting all the time and one such example emanates from the community of Moyross in Limerick. Moyross has evolved over the decades into an area of the city known mostly for anti-social behaviour, crime,

unemployment and a general lack of prospects for its inhabitants. However, excellent work has been going on for some time now by the Moyross Youth Academy in guiding teenagers towards a life that does not involve crime and that work is set to be highlighted further by TfRI. The common denominator in all this is the horse and the urban horse in particular, for so long a much-needed distraction for youths hailing from disadvantaged backgrounds. This innate interest in horses is the driving force that will hopefully lead to the Moyross Youth Academy acting as a pre-school of sorts for suitable candidates in the area who hope to gain a place in institutions like the Racing Academy and Centre of Education (RACE) and to ultimately forge a successful career in the racing industry. Andrew O'Byrne is one of those working with children in the Moyross Youth Academy and he is looking forward to continuing on the great progress already made in the community.

"It's great for us that the racing industry recognises some of the work that is going on in the background which isn't directly associated with the industry," O'Byrne said. Expanding on the background of the academy, O'Byrne, whose roots are in the education industry, added, "I work for the Garda Youth Diversion Project in Moyross which is funded through the Department of Justice.

Moyross graduate and aspiring jockey Wesley Joyce | MCEC

Moyross has a history of social problems and our job is to engage with the young people in the area to try and keep them on the right track through education and career pathways. Horses are and always have been present in the area and we felt that utilising this interest in horses was the best way to engage with a large number of teenagers. However, we didn't want it to be just about going horse riding for an hour, so the programme is also about fitness, nutrition, responsibility and a possible career pathway. We also put just as much emphasis on horse

welfare because we all know that a few bad headlines can undo a lot of great work that goes on unreported so we are very mindful of that."

One way to measure the success of a programme is to monitor the progress of its alumni and the Moyross Academy is looking forward to one of its former proteges Wesley Joyce making his debut as a jockey in 2021. Joyce was accepted into RACE via the Moyross programme and is now signed on as apprentice to Johnny Murtagh.

"We are delighted with the progress Wesley has made and he is the ninth young lad from here to have been accepted into RACE," O'Byrne said. "However, we have had a number of other candidates who didn't fare as well and it's from looking into the reasons why they may not have succeeded that we can improve the way we can prepare these young people for the challenges they will face. Whether it's preparing them to be away from home, developing independent living skills, or improving their overall awareness of the racing industry. As a result, part of the programme now includes access and insights into the industry through trips to RACE, to race meetings, to point to points, to the National Stud and meeting various people who can give insight into their particular field of expertise, whether its jockeys, farriers or stud staff. We have a great picture of Wesley back in 2015 when he was 12 and Johnny Murtagh is talking to him. Now five years later Wesley is working for Johnny and that is very rewarding for us."

Such is the regard the Moyross project is held that the Irish Department of Agriculture is now providing funding for the academy to be rolled out to include other parts of Limerick city.

"We are now working with 10 schools in the city incorporating six-week programmes that culminate with industry visits while there is also a focus on animal welfare and what it actually takes

to look after a horse from a nutritional point of view as well as basic husbandry. If students show an interest in taking things further after this six week programme we can then engage with them regarding their future options."

In a time when finding good staff to work in studs and training yards can be quite difficult, the work being carried out in Limerick dovetails very well with the role played by RACE within the industry and it would appear the two organisations will be working closely over the coming years.

"Our connection with the Moyross Academy goes back about 10 years and it began with just a few visiting groups who were keen to get an insight into racing and then it progressed to where there were some students who showed an interest in

forging a career in racing and it was felt a more structured environment like RACE would provide them with the best opportunity of developing that career, whether it was as a jockey or a work rider or a groom," said Director of RACE Keith Rowe. "There were a number of students for whom it didn't work out for different reasons so we have tweaked the approach over the years to give those interested a more extensive grounding through the Moyross pathway before they get accepted here into RACE. We realised a few years ago that the earlier you can engage with these kids from disadvantaged areas the better chance they have of going the distance. Andrew and the team in Moyross are excellent and they get to know the kids very well. Apart from introducing them to the industry on the away days they make sure the kids work on their own personal development and show a commitment to turning up for continuous training and coaching. So it is through this commitment also that the kids earn their place on each subsequent round of education. This gives those kids who are serious about grasping an opportunity to go down a more fruitful and meaningful life path a chance to do just that."

Of Joyce, Rowe said, "Young Wesley [Joyce] had been coming up to us on and off for about five years before he started the trainee jockey course. In fact, when he first officially trialed for the course he didn't get accepted. While no doubt disappointed at the time it gave him the opportunity to work on a few things and then when he was accepted the following year he was more mature and better prepared. He is a great example of someone who has walked the pathway from the beginning and has shown

all the attributes of someone who will have a successful career in racing."

Joyce said, "RACE is where I felt the plan to become a jockey got very real for me. They set me up on placement with Johnny Murtagh and that's where I work now. It's the best yard in the

country at the moment. We're turning out winner after winner so it's a very exciting place to be. The work is hard but very rewarding, there's a real team spirit there. I wouldn't want to be anywhere else, I'm learning my trade from one of the best."

While the link-up between Moyross and RACE has been ongoing for a number of years it has taken time to bed down and is probably only now beginning to gain the traction that should lead to a greater number of students gaining access to RACE.

Rachael Blackmore with students at the Junior Academy | MCEC

One reason for this is the inspiration bestowed to prospective students by some Moyross natives who have graduated from RACE and have gone on to work in racing yards. "We had a very good lad who came through RACE who although he didn't apply for a jockey's license he became a great role model for the kids at home in Moyross," Rowe said. "The kids who would come up for the day trips used to be in awe of him and he was treated like their local hero who had broken out and done something worthwhile with his life."

There is no doubt racing can provide a way of life for someone who through no fault of their own was not offered the chances early in life that the majority of us often take for granted. And as well as being a great initiative for disadvantaged teenagers, the Moyross/RACE association also has the potential to help provide a much-needed workforce for the racing and bloodstock industry.

"Racing suffers from perception issues sometimes so it's definitely a win-win situation," Rowe said. "Historically, racing wouldn't be renowned for social inclusion but that is changing and at the same time racing is struggling to attract people to come and work in the industry. So we need to throw the net wider but we need to offer people more and provide not just a job, but also a path to career progression. Between ourselves in RACE and the guys in Moyross hopefully we are providing hope for a disadvantaged community while at the same time developing future fans and people who will work and contribute to our great sport."

**Betway Quebec S. cont.**

Sangarius edged Bangkok by a neck when earning 'TDN Rising Star' status in 2018 and closed that three-race juvenile campaign with a Listed Flying Scotsman S. win and a G1 Dewhurst S. fourth. Having bagged Royal Ascot's G3 Hampton Court S. in the second of two starts last term, he reappeared off a near one-year break to run fourth in Haydock's June 7 G3 Brigadier Gerard S. last time and went postward coming back from a wind procedure in the days following that latest run. Subdued to race under a firm hold in a handy third after an alert getaway from the inside stall, he was urged into second rounding the home turn and ran on well under a final-furlong drive to secure a third stakes success in a three-way bobber. Sangarius is the fifth of eight foals and one of three scorers out of a winning half-sister to G1 Prix Jean Romanet heroine and GI Breeders' Cup Filly & Mare Turf runner-up Romantica (GB) (Galileo {Ire}) and the dual stakes-winning G2 Prix Niel second Ideal World (Kingmambo). He is a full-

brother to a weanling colt and half to G3 Derrinstown Stud 1000 Guineas Trial placegetter Emergent (GB) (Oasis Dream {GB}) and a yearling filly by Showcasing (GB). His second dam, MG1SW European and US champion Banks Hill (GB) (Danehill), is a daughter of storied blue hen Hasili (Ire) (Kahyasi {Ire}) and thus a full-sister to MG1SW champions Cacique (Ire), Intercontinental (GB) and Champs Elysees (GB), plus G2 Prix du Muguet-winning sire Dansili (GB). Alpen Rose hit the board in last term's G2 May Hill S., one of five outings for the Charlie Appleby stable, and opened up for Alex Pantall with a Nov. 20 conditions score at Pau last time. The 13-2 chance was well away to track the leaders in seventh and found a comfortable slot along the rail through halfway. Coming under pressure to close off the home turn, she quickened for control approaching the final eighth and was driven out to claim a first black-type success in a blanket finish.

Alpen Rose is the second of five foals and lone scorer out of a winning half-sister to G3 Prix du Bois third Faslen (Fasliyev),

herself the dam of Listed Cooley S., Listed Conqueror S. and Listed Quebec S. victress Don't Be (GB) (Cape Cross {Ire}). Her third dam is G1 1000 Guineas heroine Sleepytime (Ire) (Royal Academy).
