

'THE ONE WE ALL WANT TO SEE': AUGUSTE RODIN DELIVERS EPIC TURF WIN

Auguste Rodin storms to victory in the Breeders' Cup Turf

Benoit Photo

By Emma Berry

ARCADIA, USA -- They got what they came for. Breeders' Cup Saturday delivered two storybook results right off the bat: victory for the fabled Cody's Wish (**Curlin**) and a 15th win at the championships for Frankie Dettori, whose thoughts of retirement are now firmly consigned to the past. And that was just in the first two races.

Amid a huddle of reporters by the tunnel entrance as the runners went to post for the GI Breeders' Cup Turf, one of the most seasoned of American racing writers muttered, "The suspense is officially killing me. This is the one we all want to see." **Cont. p3**

ORNE MAKES ALL FOR HARRIS HILL HONOURS *by Sean Cronin*

Al Shaqab Racing's **Orne (Ire)** (Acclamation {GB}--Pellucid {GB}, by Excelebration {Ire}) followed up a Sept. 22 debut success at Kempton with a fourth over one mile in last month's G3 Autumn S. and regained the winning thread with a pillar-to-post victory in Saturday's rescheduled G3 Betfred Horris Hill S. at Newmarket.

The 10-1 chance was swiftly into stride and tanked along on the front end through halfway. Nudged along passing the quarter-mile marker, he came under sterner urging approaching the final furlong and, despite drifting left in the closing stages, was driven out to prevail by 1 1/4 lengths from **Witness Stand (GB)** (**Expert Eye** {GB}).

"It wasn't the plan to make the running as I wanted to drop in, get a lead and get there late," revealed rider Rab Havlin. "He was last in [the stalls] and first out, but normally he doesn't do a stroke when he is in front. I went on a fresh bit of ground and he found a rhythm. Towards the finish he got a little bit lonely and ducked left, but he has done it well in the end. He travelled good and handled the ground [behind Ancient Wisdom] in the Autumn S. [last time], but just didn't stay and he could get quicker over the winter. It is nice to get another group winner on the board before the end of the season as I was running out of time." **Cont. p6**

Breeders' Cup Saturday Cont. from p1

As it transpired, in the race with true world championship claims, we weren't far off seeing an American winner in the race traditionally dominated by visitors from Europe. Todd Pletcher's Up To The Mark (**Not This Time**) posted a valiant best-of-the-rest effort but there was no pegging back Auguste Rodin (Ire) (Deep Impact {Jpn}), who became the first Derby winner since his fellow Coolmore campaigner High Chaparral (Ire) to go on to win the Turf.

With two duck eggs in the 2,000 Guineas and King George, Auguste Rodin had something of a will-he-won't-he reputation coming into this, but there is no denying the significant body of work he has compiled since winning the G1 Futurity Trophy a year ago. The Derby, Irish Derby, Irish Champion S., and now a Breeders' Cup, on three occasions beating King Of Steel (**Wootton Bassett {GB}**), who had created such a buzz on

Auguste Rodin and his connections | Benoit Photo

Champions' Day at Ascot only a fortnight earlier and who finished best of the other European-trained horses in fifth.

At the post-race press conference, Coolmore's MV Magnier referred to the ease with which Auguste Rodin had handled the dirt in training this week, as **outlined in TDN** on Friday, and he dangled the tantalising prospect of the colt staying in training next year to return for the Breeders' Cup Classic at Del Mar.

"He's a remarkable racehorse and he's very well bred," Magnier said. "We could stand him in Ashford [Kentucky]. We could stand him in Europe. Or we could keep him in training next year.

"I have this lovely romantic idea about maybe bringing him back for the Classic next year.

Like Aidan said on Thursday, he was floating over the dirt. So there's a lot of options open. We'll have to decide in the next week or so." **Cont. p4**

ARQANA

Breeders' Cup Saturday Cont.

Aidan O'Brien, whose record seven wins in the Turf began with the aforementioned dual winner of the race, High Chaparral, lauded Ryan Moore's "incredible ride" and he wasn't the only one. In fact the only person playing it down was Moore himself, who hopped on third-placed Aesop's Fables (Ire) in the Turf Sprint after his victory and then hotfooted it to the airport for a 16-hour flight to Australia, where he will ride Melbourne Cup favourite Vauban (Fr) (Galiway {GB}) on Tuesday.

"I'm just delighted that a horse like him, he's vindicated himself now," he said of Auguste Rodin. "Ending up on the rail was Plan F really. I just had to make the best of the opportunities as they came. He was getting a bad trip and I think he won because he's so good. I made the right call but it could have been the wrong call as well, but because I had so much horse he was able to overcome things. To me, he won despite things not going as smoothly as they should have done, and I think that marks him out to be a good horse."

Moore had earlier been only inches away from another victory when thwarted by a dazzling stretch run by Inspiral (GB) (Frankel {GB}) in the Filly & Mare Turf. Any lingering doubts as to whether the four-year-old would see out the 10 furlongs were quashed as she tanked on round the bend after catching Warm Heart (Ire) (Galileo {Ire}) in the shadow of the post.

The lady was not for stopping after gathering her sixth Group/Grade 1 win, but she will be stopping at the Gosdens' Clarehaven Stables, with her owner/breeder Richard Thompson of Cheveley Park Stud swiftly declaring that Inspiral would remain in training at five.

That's great news for racing fans, who, if Inspiral makes it back to Royal Ascot, will almost certainly see Dettori back there too. He may not have confirmed it himself in the aftermath but it is clear that he is the one whom connections will want back in the saddle next year.

A champion at two, a champion at three and surely this year's champion older filly, Inspiral's defection from Ascot on Champions Day was very much Santa Anita's gain.

"She was pointing for the Queen Elizabeth II Stakes at Ascot but the rain arrived and we didn't even declare her to run," said her co-trainer John Gosden. "She's very opinionated and very strong-minded. You go with the flow with her, there's no point getting in an argument."

He added, "I think what is particularly fulfilling is that she's owner-bred."

Indeed, it was a good day for homebreds, especially those in the royal blue. After Godolphin America's early triumph with Cody's Wish, its two Newmarket stables delivered the closest finish of the day when Mawj (Ire) (Exceed And Excel {Aus}) was cruelly denied on the line by Master Of The Seas (Ire) (Dubawi {Ire}) in the Breeders' Cup Mile. **Cont. p5**

Breeders' Cup Saturday Cont.

Saeed Bin Suroor had got Godolphin's European campaign off to a great start in 2023 when saddling Mawj to win the 1,000 Guineas. After her Grade I win at Keeneland three weeks ago, she failed by the flimsiest of margins to emulate her half-brother

Modern Games (Ire) in winning at the Breeders' Cup, with Master Of The Seas completing a rallying late charge from Charlie Appleby's stable, which also won last weekend's G1 Kameko Futurity Trophy with Ancient Wisdom (Fr) (Dubawi {Ire}).

Appleby's Breeders' Cup record is quite extraordinary: he recorded his first ever Grade I winner here a decade ago when Outstrip (GB) (Exceed And Excel {Aus}) won the Juvenile Turf, and he maintained his 50% strike-rate by notching his tenth victory with Master Of The Seas. And, who knows, we could yet see Master Of The Seas and Mawj back again in 12 months' time as both are remaining in training and heading next to Dubai.

It was perhaps too much to hope that Live In The Dream (Ire) (Prince Of Lir {Ire}) could offer up the perfect finale and clean sweep for Europe in the turf races on Saturday. The bonny little chestnut has been a pleasure to watch in the mornings, sauntering around Santa Anita as if he's been there all his life.

He has already perhaps surpassed the wildest dreams of owners Steve and Jolene De'Lemos and trainer Adam West by winning the G1 Nunthorpe S. in August, and he has brought them all on the journey of a lifetime to California. The bullet-fast four-year-old broke as sharply as ever but just couldn't sustain his early exertions, finishing an honourable fourth, a length and a quarter off the winner Nobals, a gelded (obviously) son of Frankel's brother Noble Mission (GB).

There was no Hollywood ending for the most enthusiastic set of connections to arrive in LA this week, but the dream lives on.

 George Strawbridge's **Sea Journey (Ire) (Sea The Stars {Ire})**, a daughter of G1 British Champions Fillies & Mares victrix Journey (GB) (Dubawi {Ire}), shaped with promise after a slow getaway and finished on the heels of the leaders in fourth.

 Anamoine Limited's **Don Simon (Ire) (Sea The Stars {Ire})**, a son of six-time Group 1 winner and dual Classic heroine Snow Fairy (Ire) (Intikhab), lacked the necessary kick after racing within range of the leaders and registered a close-up fifth on debut.

Regal Jubilee bettered a last-of-nine debut effort over course and distance with a seven-length rout in her return at Windsor last month and continued her ascent through the ranks with a breakthrough on black-type bow here. Under restraint in rear passing halfway, she bounded into contention approaching the quarter-mile marker and lengthened clear under urging inside the final furlong to win with plenty in hand. **Cont. p10**

“She does a lot wrong, but she is very unexposed and entitled to be green,” said winning rider Kieran Shoemark. “She had a bit of an episode in the gates, where she was sitting down, and I thought for a moment she might get withdrawn as she was really back on her behind. They went a sensible gallop and she travelled extremely well. I just waited for the gaps as I was trying to teach her plenty and, when we hit the rising ground, she found the line well. She was very impressive in her novice at Windsor, but ultimately I don’t think we beat a whole lot, and she has taken a huge step forward again. She has got that profile where she has now won a listed race she can go away for the winter and look at big targets next year.”

Regal Jubilee is the sixth of seven foals and one of three scorers produced by G3 Prestige S. and G3 Oak Tree S. victrix Regal Realm (GB) (Medicean {GB}), herself a granddaughter of G1 Cheveley Park S. heroine Regal Rose (GB) (Danehill). Checkandchallenge, who posted a repeat fourth in last month’s G1 Queen Elizabeth II S. at Ascot when last seen, had endured a run of eight straight stakes defeats after snagging last term’s G3 Prix Daphnis and enjoyed a confidence-boosting success in this campaign closer. Off the pace in rear until easing closer with three furlongs remaining, he fought for an edge coming out of the dip and stayed on well under a continued drive up the hill to withstand the renewed effort of Pride Of America in game fashion.

“He has run in some hot races this year and I don’t think he has actually run a bad race in any of them,” reflected trainer William Knight. “Dropping back into a Listed race today, it was just nice to get his head back in front and I’m very happy with him. I know the distance between them was a long way at Ascot, but he was fourth in a Group 1, he picked up a good bit of prizemoney and had some nice horses behind him. I think a mile-and-a-quarter is right for him and we went back for the stiff mile at Ascot as we felt it was going to suit him. He coped with those extremes out there today where a lot of other horses can’t. I think he will have a well-deserved break now. He’s in the [G1] Hong Kong Mile, but I think he deserves a nice break. There will be plenty of options for him next year and horses like him can turn up in those Group 1 races that cut up a bit. We might also look at those Group 3 and Group 2 races in France again next year. I’m just so pleased he has finished on a winning note this year.”

Checkandchallenge, half-brother to a yearling filly by **Camelot (GB)**, is the eighth of 10 live foals and one of six scorers out of an unraced half-sister to dual Group-winning sire Alkaadhem (GB) (Green Desert) and G3 Superior Mile third Raising Sand (GB) (**Oasis Dream {GB}**). LOVE DYNASTY (FR) (f, 2, Dubawi {Ire})--Geisha Girl {Ire}, by Galileo {Ire} was anchored in rear through the initial fractions of this first go. Cruising closer on the bridle once past halfway, the 6-1 chance was shaken up to launch her challenge with 1 1/2 furlongs remaining and kept on strongly under mild urging up the hill to outpoint Dubai Melody (GB) (Masar {Ire}) by 2 1/2 lengths. “Fair play to her as it is horrible out there,” said Danny Tudhope. “There is a strong head wind and it was lashing down with rain in her face. It was testing ground and she travelled super. I was confident she would pick up and find what she did going to the line, but she did surprise me how well she was going. It probably takes a good horse to do what she has done today. I don’t know what she has beat or how good she is, but she has done it well. She will get a mile no problem.” Love Dynasty, half to a yearling filly by **Siyouni (Fr)**, is the fourth of five foals and first winner out of an unraced half-sister to G1 Poule d’Essai des Pouliches heroine Elusive Wave (Ire) (Elusive City) and Listed Silken Glider S. runner-up Million Waves (Ire) (Mull Of Kintyre). **Cont. p11**

LUNAR ECLIPSE (IRE) (f, 2, Night Of Thunder {Ire}--Princess De Lune {Ire}, by Shamardal) raced off the tempo towards the rear for most of this unveiling. Scrubbed along with three furlongs remaining, the 13-2 chance went third approaching the furlong pole and kept on relentlessly under continued rousting to assert by 3/4-of-a-length from Ghaihaban (GB) (Too Darn Hot {GB}), providing rider Hayley Turner with a 999th career victory. "She is a big, scopey filly and hadn't shown a great deal until about a month ago," said trainer David Simcock. "She is tall, long and lean, but she can gallop and handled the conditions very well. Some didn't, but she did. She would have never galloped on anything like that [heavy ground]. She was well on top at the line, which I like, and I would hope that is testament to her ability as she is raw. We were expecting a nice run, but a lot of it was down to who handled conditions best." SHIN EMPEROR OFF THE MARK AT FIRST

ASKING AT TOKYO *by Alan Carasso*

Susumu Fujita's **Shin Emperor (Fr)** ([Siyouni {Fr}](#)), the full-brother to G1 Prix de l'Arc de Triomphe winner [Sottsass \(Fr\)](#) and €2.1-million topper at the 2022 Arqana August sale, made a successful racecourse debut Saturday, bursting through with 400 metres to travel en route to a three-length success at Tokyo Racecourse.

Trying an 1800-metre trip for this first go, the son of Starlet's Sister (Ire) (Galileo {Ire}) was first to break the line and could have led had they chosen, but Takeshi Yokoyama elected to allow the colt to find his feed and settled in a handy fourth behind a steady tempo for the long run down the back straight.

Cont. p13

Shin Emperor Cont.

Patently handled on the circle just behind the speed, Shin Emperor traveled strongly and had to be pulled off heels with the real running about to begin, but he split rivals decisively and sprinted his final 600 metres in a strong :33.8 for an easy victory as the \$4 (3-1) second favourite ([video](#)).

"He was stronger than I imagined, and I thought he was a good horse from the start," said Yokoyama. "He's still a kid and he's still a challenge, but he's a horse I'm looking forward to."

Added winning trainer Yoshito Yahagi, "I'm relieved to see such a performance from a new horse with such a deep pedigree."

While not specifying any future targets, Shin Emperor would certainly be on a trajectory towards the 2024 Japanese Classics, which begin with the G1 Satsuki Sho (Japanese 2000 Guineas) in April. There are two top-level opportunities for 2-year-old males in December in Japan, the Asahi Hai Futurity over a mile and the Hopeful S. going 2000 metres.

Third to Bond Girl (Jpn) (Daiwa Major {Jpn}) on debut at Tokyo going 1600 metres in June, she graduated over that course and distance later that month. After over a month on the bench, Corazon Beat claimed the Dahlia Sho cutting back to 1400 metres at Niigata and was favoured at 2-1 in this step up to group company on Saturday.

Hustled to find position in midpack down the backstretch, Corazon Beat was a touch keen through 600 metres in :34.20, but eventually settled. Jasper Noir ([Frosted](#))'s lead shrank turning into the homestretch, and the race was suddenly open-ended. The winner flashed home out in the middle of the track, but needed the length of the stretch to subdue new leader Logi Leon to win narrowly. A winner of a Kokura newcomer affair over 1200 metres on Sept. 2, the half-sister to triple listed-placed Meisho Titan (Jpn) (Lord Kanaloa {Jpn}) won her first stakes race in Saturday's affair.

A definitive longshot, she took a few strides to find her rhythm and soon motored along in a stalking fourth as Puro Magic (Jpn) (Asia Express) headed the vanguard. Saving ground against the rail, she cut the corner and edged up into third rounding the bend and set sail for the leaders with 400 metres remaining. Up

ZOUSTAR'S OZZMOSIS TAKES THE COOLMORE by TTR AusNZ

Facing G1 Golden Slipper S. winner **Shinzo** (Snitzel), this year's The Everest fifth **Cylinder** (Exceed And Excel) and a host of other well-credentialed peers, **Ozzmosis** (Zoustar) was marked at A\$18 for this year's G1 Coolmore Stud S., despite having won three of his four starts. However, the Bjorn Baker-trained colt blew them away to provide a huge result for some prominent backers of the horse.

"We think he has huge upside," Henry Field told *The Thoroughbred Report* back in June, after a Newgate/China Horse Club-led syndicate bought into the then-unbeaten son of Zoustar. Bred by China Horse Club, he was sold to Darby Racing, via Sledmere Stud, for A\$250,000 at the 2022 Magic Millions Gold Coast Yearling Sale.

At that point, he'd won his two juvenile starts by a combined 3.25l margin, and Field tipped the Coolmore Stud S. as a spring target. **Cont. p15**

G1 Coolmore Stud S. Cont.

That prescience is impressive, though the consequence of victory with a colt in the race is easier to explain.

Stallion-wise, the race has in recent years been won by the likes of Home Affairs, Exceedance, Merchant Navy and Flying Artie. But it's the influence of Encosta De Lago that really stands out in the race's history. A winner in 1996, Encosta De Lago would produce two further winners--Alinghi and Northern Meteor--the latter of course responsible for Zoustar.

Following Sunlight's victory in 2018, Zoustar now has two winners of the race, having won it himself in 2013. The Widden Stud resident now has his first heir apparent in the pipeline, Ozzmosis being the only entire among his now-six Group 1 winners.

"He's a good colt," declared Baker. "We've got a couple of the smartest people in racing in him and it starts with Scott Darby, he's a superstar."

Pedigree Notes

Bred by China Horse Club Racing, Ozzmosis was sold through the Sledmere Stud draft to Darby Racing for \$250,000 at the 2022 Magic Millions Gold Coast Yearling Sale. One of the 43 stakes winners--and the sixth Group 1 winner for his Widden Stud-based sire, he is the second foal for the G3 Mr Tiz Trophy and dual Listed winner No More Tears (NZ) (Darci Brahma {NZ}) whose first foal is the lightly raced and promising Hughes (Russian Revolution) who has won two of his first five starts for the Mick Price & Michael Kent Jnr stable. Paying a return visit to Zoustar last spring having foaled a **Wootton Bassett (GB)** colt, No More Tears also has a 2-year-old full-brother to Ozzmosis by the name of Olufsen.

AMERICAN PHAROAH'S RIFF ROCKET ON

TOP by TTR AusNZ

Whilst the only other contemporary US Triple Crown winner **Justify** (USA) has been enjoying a Breeders' Cup juvenile double, **American Pharoah** (USA) was not to be left out of this weekend's elite-level action.

Landing his first Southern Hemisphere Group 1 winner--now the sire of eight elite-level scorers overall--**American Pharoah's Riff Rocket** was an ultra-game winner of this year's G1 Victoria Derby in a desperate finish.

G1 Victoria Derby Cont.

After closing down **Sunsets** (Dundeel {NZ}) in the straight, Riff Rocket fended off a closing **Apulia** (Fiorente {Ire}) by just a nose in a photo finish, James McDonald thereby denying a Ben, Will and JD Hayes-trained Group 1 winner for the second weekend in a row after Romantic Warrior (Ire) (Acclamation {GB}) edged out Mr Brightside (NZ) (Bullbars) in the Cox Plate.

"It was a real test of stamina, I think the three best horses came away and it would've been a great spectacle to watch," McDonald said, before terming himself "blessed" in recent photo finishes. Whilst McDonald was taking the race for the first time, it was a second consecutive victory for Champion Trainer Chris Waller, whose Manzoice (Almanzor {Fr}) won the race last year. "I guess, coming in to today, no one's sure if they stay the 2500 (metres)," Waller's Assistant Trainer Charlie Duckworth said. "It will mean a massive amount to Woppitt Bloodstock.

Riff Rocket & James McDonald | Bronwen Healy

"It's called Derby Day and this is the Group 1 you want to be winning on the day." "The owners... have been huge supporters," Duckworth added. "They've been with Chris (Waller) for 15 years now."

Pedigree Notes

A homebred for Debbie Kepitis's Woppitt Bloodstock, he is one of the 40 stakes winners--and the eighth Group 1 winner--for his former Coolmore shuttling sire. He is the second foal produced by the stakes-placed multiple city winner Missile Coda (Smart Missile) who was also raced by Debbie Kepitis. Her first foal Quintillion (Deep Field) is a lightly raced metropolitan maiden placegetter and she was served last spring by Home Affairs having missed last year to Yes Yes Yes. Her third foal is the Michael Freedman-trained 2-year-old Codetta (Nicconi).

PRIDE OF JENNI CLAIMS THE EMPIRE ROSE

by TTR AusNZ

Fortune favours the brave, and the Ciaran Maher and David Eustace-trained **Pride Of Jenni** (Pride Of Dubai) is as brave as they come. Ridden by Declan Bates, the 6-year-old went to her customary leading position through the 1600-metre contest, as they turned into the vast Flemington straight. Pride Of Jenni had a commanding margin over the rest of the field. However, it is no easy feat lasting the entire straight, the mare, under Bates, had to use all her mettle and bravery to win by a 1l from **Atishu (NZ)** (Savabeel) and **Life Lessons (NZ)** (Tavistock {NZ}).

The daughter of Pride Of Dubai has won four races and has been placed in the G1 Coolmore Classic and the G2 Rose Of Kingston S. prior to Saturday's Empire Rose success.

Pedigree Notes

The 20th stakes winner for her in-form Coolmore Stud-based G1 Blue Diamond S. and ATC Sires' Produce S.-winning sire, she was bred by Trelawney Stud and the Taylor Family Trust and sold by Segenhoe Stud to Cape Schanck Stud for \$100,000 at the 2019 Inglis Classic Yearling Sale. Her dam is the four-time winner Sancerre (NZ) (O'Reilly {NZ}) whose dam is the G1 Queensland Oaks heroine Vouvray (NZ) (Zabeel {NZ}). Served last spring by Per Incanto (USA) after foaling a colt by that same stallion, Sancerre is also dam of the lightly raced and promising Awatere (NZ) (Per Incanto {USA}) who has been in the placings at her first two starts.

JAPANESE STRIKE IN \$10-MILLION GOLDEN EAGLE by TTR AusNZ

The Japanese-bred **Obamburumai (Jpn)** (Discreet Cat {USA})

became the first internationally-trained galloper to win the \$10 million Golden Eagle at Rosehill on Saturday ([video](#)). The Keiji Yoshimura-trained 4-year-old was lining up for start six having won the G2 Keio Hai Nisai S. at Tokyo in May before embarking to Sydney, Australia to contest the race for 4-year-olds. Ridden by Joshua Parr, Obamburumai came from the clouds on the inside to defeat the Godolphin-trained and-owned pair of **Pericles** (Street Boss {USA}) and **Golden Mile** (Astern).

Winning rider Parr added, "My voice is breaking up. I've been roaring the last few minutes. What a moment this is in my career and my life. I'm so grateful for the opportunity to pick this ride up from Yutaka Take. Obviously, it doesn't sit right with me, Yutaka couldn't come to Australia because of an injury but I was Johnny on the spot.

"I produced one of my better rides to get the victory and I'm just speechless. Obamburumai is one hell of an animal. My mum rang me last night to ask what she can expect, and I told her, 'I'm pretty sure he's the best horse I've sat upon but he's going to need a lot of luck'--he got lucky, and he showed his ability."

One of the Golden Eagle's leading fancies **Amelia's Jewel (Siyouni {Fr})** had minimal luck and according to her trainer Simon Miller and jockey Damian Lane was lucky to stay on her feat. Lane reported after the race, "Glad I came back in the jockey's room alive."

While Miller said after the race, "I thought how good this is, the gap was opening and we're going to strike and then we just got poleaxed from inside and outside.

"Lane reported to me that he couldn't believe Amelia's Jewel was still on her feet. He sat up on her and her action felt great, so Lane asked her again for effort and she came late."

WHITE ABARRIO BRINGS DUTROW ALL THE WAY BACK WITH CLASSIC VICTORY

White Abarrio | Benoit

by Steve Sherack

ARCADIA, CA – Babe!

After spending 10 years in exile with a very well-documented suspension, trainer Rick Dutrow, Jr. is officially all the way back.

C2 Racing Stable and La Milagrosa Stable's **White Abarrio** (Race Day), a powerhouse last out winner of this summer's GI Whitney S. at Saratoga, ran to the money as the 5-2 favorite with a one-length victory for Dutrow in Saturday's \$6-million GI Breeders' Cup Classic at Santa Anita. The 64-year-old's three prior wins at the Championships were headed by future Horse of the Year Saint Liam in the 2005 Classic at Belmont Park. The New York-based Dutrow has been back training for seven months now.

"I don't feel that I am back at the top, but I feel that the white horse is," said Dutrow, who also trained Big Brown to wins in the first two legs of the 2008 Triple Crown. "As soon as I get stables like Todd (Pletcher) and Chad (Brown), then I'll feel like I'm back on the top. I'm going to be calling everybody tomorrow when I get done with Disneyland and say, 'Hey, I am ready for some horses here.'"

Dutrow continued, "Right now, I just feel like I'm lucky to be around him. I feel he's on the top, and I love being around good horses like that. It just makes you feel like a good horseman, and that's always what I wanted to be."

White Abarrio, drawn kindly in post two, secured a dream spot on the inside in third as **'TDN Rising Star' Arabian Knight (Uncle Mo)**—off as the 3-1 second choice off a game win against older horses in this summer's GI Pacific Classic S.—and GI Pennsylvania Derby hero **Saudi Crown (Always Dreaming)** absolutely tore through fractions of :22.46 and :45.73 in the 1 1/4-mile centerpiece.

Rick Dutrow & Irad Ortiz, Jr. celebrate after the Classic | Benoit

With Irad Ortiz, Jr., aboard, White Abarrio began to make his move on the far turn and attacked the top two while three wide nearing the quarter pole. Saudi Crown was the first to blink and White Abarrio had dead aim on the pacesetter at the top of the stretch. He switched his leads right on cue and blasted off for home for a no-doubt-about-it victory while never seriously threatened by Japanese invader and G2 UAE Derby winner **Derma Sotogake (Jpn)** (Mind Your Biscuits), who was making his first start since finishing sixth in the GI Kentucky Derby. **Proxy (Tapit)**, a narrow second in the GI Jockey Club Gold Cup S., came rattling home to tag Arabian Knight by a neck for third. White Abarrio joins recent Whitney winners **Knicks Go** (2021) and **Gun Runner** (2017) to double up in Classic.

“Everything came out perfect,” said the hot-handed Ortiz, Jr., who won his fifth Bill Shoemaker Award after guiding home three winners on Breeders' Cup Saturday. “We handicapped that race perfectly as we thought Saudi Crown and Arabian Knight would be on the lead and we should be third. I saved all the ground on the first turn and then I was able to get in the clear on the backside. After that, it's all about the horse. To be honest, I just let him do his thing and I don't get in his way. When I turned for him, I started to ride him and he kept responding.” **Cont. p5**

Transferred to Dutrow while former trainer Saffie Joseph, Jr. was under fire this spring following a pair of high-profile horse deaths at Churchill Downs during Derby week, the 2022 GI Curlin Florida Derby winner and GI Cigar Mile H. third-place finisher produced a better-than-it-looked third-place finish after stumbling at the start in his first start for this barn in the GI Hill 'N' Dale Metropolitan H. at Belmont June 10. He had made only one other start since, earning a career-high 110 Beyer Speed Figure with Zandon (Upstart) and two-time GI Breeders' Cup Dirt Mile winner Cody's Wish (Curlin) far back in second and third in the Whitney Aug. 5.

"Churchill Downs, we had an issue where they scratched our horse," winning co-owner Mark Cornett said of the decision to change trainers. "NYRA decided they weren't going to accept the entries, nominations, and I wanted to run in the Met Mile.

He continued, "So I had to make a trainer switch. I've known Rick a long time. I know exactly what he's capable of. This horse was tailor made for him."

White Abarrio | Benoit

Pedigree Notes:

White Abarrio, a \$7,500 OBS Winter yearling turned \$40,000 OBS March 2-year-old, is the lone graded winner for Race Day, a son of Tapit. Race Day previously stood at Spendthrift Farm in Kentucky, but was exported to Korea prior to the 2021 season. White Abarrio is one of four graded winners for the mighty Into Mischief as a broodmare sire.

The unplaced winner's dam Catching Diamonds, a \$425,000 Keeneland September yearling purchase for Spendthrift, produced White Abarrio as her first foal. A half to MGSW-UAE and MSW-U.S. Cool Cowboy (Kodiak Kowboy) and to the dam of GSW Mutasaabeg (Into Mischief), the mare has an unraced 2-year-old colt named Diamond Lord (Lord Nelson), who fetched \$155,000 from Lincoln Racing at last year's Keeneland

AUGUSTE RODIN PRETTY AS A PICTURE IN THE BREEDERS' CUP TURF by Alan Carasso

Announced as a season-ending target long before such announcements are typically made, the GI Longines Breeders' Cup Turf proved fertile ground for the Coolmore partners' **Auguste Rodin (Ire)** (Deep Impact {Jpn}), who enjoyed what turned out to be a dream trip beneath Ryan Moore, got through when the real running commenced at the head of the lane and charged to the wire to defeat top U.S. hope **Up to the Mark (Not This Time)**. It was a sixth victory in the mile-and-a-half second-richest race on the card for trainer Aidan O'Brien--three of which have occurred at Santa Anita--and first since Highland

Reel (Ire) (Galileo {Ire}) took the 2016 renewal at the 'Great Race Place' under a heady ride from Seamie Heffernan. O'Brien now sits on 18 Breeders' Cup winners overall, while Ryan Moore was riding his 14th championship winner. **Cont. p7**

Sent off the 5-2 chalk on the strength of a season that has included victories in the G1 Derby at Epsom, the G1 Irish Derby and the G1 Irish Champion S., the son of 2017 Filly & Mare Turf runner-up Rhododendron settled in about midfield for the run down the hill, but jinked noticeably to his right when not handling the dirt crossing particularly well. Rebalanced when linking back up with the turf course, he was maneuvered down towards the inside before the field made their way under the wire with a circuit to travel.

Auguste Rodin | Horsephotos

Racing with cover on the back of 2022 G1 Dubai Sheema Classic hero **Shahryar (Jpn)** (Deep Impact {Jpn}) as they reached halfway, Auguste Rodin was always moving sweetly and continued to follow the move of the Japanese raider past the half-mile peg and around the turn. When Cristian Demuro opted to let Shahryar drift away from the inside nearing the quarter pole, Moore gladly seized upon the opportunity to allow his mount to creep forward into striking position. Long-time leader **Balladeer** (Distorted Humor) still held the call after the opening 10 furlongs, but he hung to his right off the final corner and that was all that Moore and Auguste Rodin needed, as they hit the hole under a full head of steam and pinched a break before holding up to the Mark in the run to the winning post. Shahryar, the son of 2011 Filly & Mare Sprint heroine Dubai Majesty, was a good third to complete a posthumous one-three finish for Deep Impact.

Despite the ease with which he won, the winning ride was far down in the playbook, said Moore.

“Ending up [on] the rail was like Plan F and I had to make the best of the opportunities,” he said. “My horse was getting a bad trip. He won because he’s so good, I made the right call to stick to the rail but could have easily not been.

“The race didn’t go to plan. The first part of the race was messy as everyone was in each other’s way and I didn’t really like where I was. All I wanted to do was get the horse to find his rhythm and he got there so quickly and easily and once he got to the front that’s all he does. Considering how the race went against him it was probably his best performance. He’s vindicated himself now. He had things do against him today and he overcame them.”

Pedigree Notes:

Auguste Rodin’s granddam is Halfway To Heaven, purchased by Coolmore out of the 2006 Goffs Orby sale and winner of three top-level contests, including the 2008 G1 Irish 1000 Guineas. The mating that resulted in Auguste Rodin—quite simply a match made in heaven.

Rhododendron was among what became the final book of mares that visited the legendary Deep Impact in 2019 and Auguste Rodin is the second Breeders' Cup winner in three years for the late stallion, joining 2021 Filly & Mare Turf victress Loves Only You (Jpn).

The first foal for his dam, a sister to the globetrotting seven-time Group 1 winner Magical (Ire) and Irish Group 3 winner Flying the Flag (Ire), Auguste Rodin is bred on the same cross over Galileo responsible for English and Irish Oaks heroine

JUDDMONTE'S DISTAFF WIN BY IDIOMATIC HELPS CURLIN EQUAL HIS OWN BREEDERS' CUP RECORD by *Jill Williams*

In 2022, Hill 'n' Dale's super sire **Curlin** got a record-setting three winners on Saturday's Breeders' Cup card. In 2023, the remarkable sire equaled that as Juddmonte homebred **Idiomatic (Curlin)** gave her sire a hard-fought victory in the GI Breeders' Cup Distaff sandwiched between the encore wins by Cody's Wish in the GI Dirt Mile earlier on the card and Elite Power later in the GI Sprint. Idiomatic, who has had a stellar year with eight wins from nine starts, has almost certainly sewn up the Eclipse Award as older female and put herself squarely in the middle of Horse of the Year consideration as well with the win.

"I think she definitely deserves some votes for Horse of the Year," said trainer Brad Cox. "It's a serious record. It's Horse of the Year, not horse of the fall, horse of the summer, horse of the spring, or horse of the Breeders' Cup. She has had a tremendous year from start to finish. Today was just icing on the cake."

Idiomatic kicked off 2023 with two optional allowance wins at Turfway Park, followed by her first black-type win in the listed Latonia S. in March. **Cont. p9**

Breeders' Cup Distaff cont.

While it's safe to say Idiomatic is the first Breeders' Cup winner to come out of that race, it would catapult Idiomatic to graded company. After a runner-up finish, her only 2023 loss, in the GI Ruffian S., Cox teamed her up with Florent Geroux. The two have never lost in their five consecutive pairings, all graded stakes, and have hit triple-digit Beyer Speed Figures every time. Those five straight included both the GI Spinster S., sponsored by her owner and breeder, and GI Personal Ensign S. in her last two starts.

Idiomatic shakes free in the Distaff | Horsephotos

Geroux reflected on the year immediately following the Distaff: "Her prior victories have been very easy for her, but this one she had to earn it. She showed how great she was, and she deserved to be the champion just because of how much fight she showed today and how much heart.

"Sometimes that's what makes the difference between good horses and great horses, and I think she's one of the greats for sure."

In Saturday's older-mare showcase, GI Alabama S. winner **Randomized (Nyquist)** shot to the Distaff lead when the gates flew as Idiomatic, under a hard hold, tracked her in second behind :22.31 and :46.26 fractions. Idiomatic began moving on Randomized with three furlongs to go as MGISW **Clairiere**--another daughter of **Curlin**--found a dream seam from the back of the field and threatened menacingly from the inside. Idiomatic and Randomized hooked up on the turn to fight down the lane--yet another great battle in a race which has seen some of the sport's top skirmishes. Idiomatic wore down Randomized to shake loose, but not by much, as a mad scramble ensued behind her and the wire loomed. In the end, Idiomatic, a super-sized filly, prevailed by a half-length over Randomized as Spinster second **Le Da Vida (Chi)** (Gemologist) outfinished Clairiere for third.

"When I needed her the most, the last eighth of a mile when I really went after her and gave her the indication of going forward," said Geroux, "she just put her head down and start digging for me really hard. She was all heart in that victory."

Cox and Geroux had previously partnered for Distaff wins in 2018 and 2020 with Monomoy Girl (Tapizar). It was Juddmonte's first win in the Distaff, although the organization has had a number of other top fillies and mares on the grass in the Breeders' Cup, including 2018 Turf winner Enable (GB) (Nathaniel {Ire}) and 2001 and 2005 Filly and Mare Turf-winning full-sisters Banks Hill (GB) (Danehill) and Intercontinental (GB) (Danehill). Like Idiomatic, they were all homebreds sporting the famed green and pink silks.

After the Distaff, Juddmonte's Garrett O'Rourke added: "[Idiomatic] comes from a pedigree that is Juddmonte through and through. And her dam is Juddmonte, granddam is Juddmonte, her maternal grandsire is Juddmonte. That's tremendously satisfying for an owner/breeder operation like Prince Khalid and his sons."

On Saturday, Juddmonte also won the aforementioned Sprint with Elite Power, although he was a \$900,000 Keeneland September purchase rather than a homebred. **Cont. p10**

Pedigree Notes:

Juddmonte is recognized across the sport for one of the most extraordinary breeding programs in modern times; in few horses is that more evident than with Idiomatic. A fourth-generation Juddmonte-bred, Idiomatic hails from the direct female line of Broodmare of the Year Best in Show (Traffic Judge), her fifth dam, whose daughters and descendants have produced elite horses for five decades. Among that number was 'TDN Rising Star' and champion Close Hatches, a full-sister to Idiomatic's stakes-winning and multiple Grade I-placed dam, Lockdown. Close Hatches produced 2019 GII Wood Memorial S. winner Tacitus (Tapit), who also placed in both the GI Kentucky Derby and GI Belmont S.

Idiomatic | Benoit

Juddmonte homebred and broodmare sire First Defence, sire of Close Hatches and Lockdown, hails from Juddmonte Broodmare of the Year Toussaud (El Gran Senor) and is out of that legendary mare's GISW daughter Honest Lady (Seattle Slew). Honest Lady finished second against the boys in the 2000 GI Breeders' Cup Sprint and the 2000 GI Met Mile. First Defence has 14 stakes winners out of his daughters and currently stands in Saudi Arabia, while Lockdown died in 2022 after producing just three foals. Idiomatic is the only one to race to date; her final foal is a yearling filly by Into Mischief named Chasten.

The accolades also continue for Idiomatic's sire **Curlin**, who notched his sixth individual Breeders' Cup winner Saturday with the Distaff winner. Idiomatic's Breeders' Cup win, combined with **Curlin**'s other Saturday repeat victories, made eight winning World Championship races as a sire for the chestnut. It was also his second consecutive year with the Distaff crown, as he also had 2022 winner Malathaat. The tremendous **Curlin** has 21 Grade I winners to his credit, as well as 55 graded winners and 98 black-type winners worldwide. **Cont. p11**

Elite Power | Horsephotos

A rivalry in any sport makes it more exciting. People tune in to watch a pair of foes with a well-established history of beating one another give it another go. And so it was that **Elite Power** (**Curlin**), in his final start before retiring to stud next year, came home first in front of his long-time rival **Gunite** (**Gun Runner**) to defend his title in the GI Qatar Breeders' Cup Sprint.

Last year's Eclipse Champion Male Sprinter, Elite Power kept his good form going into 2023 and defeated Gunite for the first time in the Middle East with a 3 1/4-length score in the G3 Riyadh Dirt Sprint. After winning both the GII True North S. and the GI Alfred G. Vanderbilt H.--defeating Gunite for a second time in the latter--the 5-year-old saw his win streak end at eight races when the tables were turned in his last race and he had to settle for second in the GI Forego S.

Off a two-month layoff, the Bill Mott trainee shipped west for the first time and was given a deserving 8-5 shot on a day that had already seen a pair of horses successfully defend their crowns. With rival Gunite breaking just to his outside, Elite Power broke in a line that only **Speed Boat Beach** (Bayern) was quick enough to clear. **Nakatomi** (Firing Line) was not going to let the Baffert runner get an easy lead and the 26-1 longshot surged up along the inside to stick a head in front through a contentious opening quarter in :21.99. Elite Power, running near the back of the field, kept his face clean along the outside and really began to pick it up as Speed Boat Beach again tried to open up on the front end. Moving three wide with an impressive move to draw to within a length of the leading pair at the top of the lane, the Juddmonte runner really turned it on once he switched leads at the eighth pole.

Speed Boat Beach and Nakatomi both began to fade along the rail as Gunite surged up but he had to tip outside of that pair for running room as Elite Power was already finding his best stride close to the wire. And, just as they had in their last three starts against one another, Elite Power and Gunite came home one in front of the other. The win gave Juddmonte a second on the day following Idiomatic (**Curlin**) in the Distaff and was a third win on the weekend for trainer Bill Mott.

"It's a difficult job to keep a horse going year after year," admitted Mott. "To come back and win two Breeders' Cups in a row says a lot about the durability of the horse and the luck that I have. We were lucky enough to have him and he's had a great career. He's off to his new career which will be in the stud barn and we wish him all the best. Irad [Ortiz Jr.] warmed him up good and he said he wanted to be close to the pace without using him too hard. He recognized all day that the only horse to come from behind was Cody's Wish and he is observant enough to see that. The rivalry with Gunite was there and he certainly showed up. I thought he was the one we had to beat."

"I had a beautiful trip," added Ortiz, Jr. "I was in the clear early and the horse took me beautifully right to the quarter pole. I was a good passenger sitting in the passenger's seat until the quarter pole. Then I asked him and he just responded well."

Pedigree Notes:

Elite Power, a \$900,000 KEESEP yearling, is one of 55 graded winners, 21 at the Grade I level, for the super-sire **Curlin**. His dam Broadway's Alibi, a MGSW & GI Kentucky Oaks runner-up and Robsham homebred, brought \$2.15 million from Alpha Delta Stables while in foal to Smart Strike at the 2013 KEENOV sale. Broadway's Alibi is also represented by a **Curlin** colt of 2021 and was bred to **City of Light** for 2023. Further back in the family, Elite Power's fourth dam is champion 2-year-old filly and GI Breeders' Cup Juvenile Fillies heroine Eliza (Mt. Livermore). This is also the family of GISW and sire **Dialed In (Mineshaft)**. **Elite Power will stand stud for Juddmonte next year at an introductory fee of \$50,000.**

"I know, Bill [Mott] would like me to say otherwise, but we're going to retire him to stud," said Juddmonte's Garrett O'Rourke. "I think he's earned it. He's a very masculine horse, and I bet he'll enjoy it. He's got all the credentials to be a tremendous stallion. I think breeders will just swarm to him. Twice, he's surely sewn up the championship two years in a row, and that's pretty special."

Elite Power's unnamed 2-year-old full-brother, the last reported foal out of Broadway's Alibi, has yet to race but has been spotted on the worktab.

JUST HOW THEY 'DREW' IT UP: MASTER OF THE SEAS LEAD HOME A GODOLPHIN 1-2

by Alan Carasso

Master of the Seas (left) gets the bob | Breeders' Cup/Eclipse Sportswire

Under normal circumstances, drawing the outside gate in a one-mile race, on turf, going two turns is a kiss of death. At Santa Anita, well, maybe not so much.

Sent off as the 33-10 second betting favorite behind Japan's superstar miler **Songline (Jpn)** (Kizuna {Jpn}), Godolphin's **Master of the Seas (Ire)** (Dubawi {Ire}) produced a stunning late burst of speed to run down the commonly owned **Mawj (Ire)** (Exceed and Excel {Aus}), whose half-brother Modern Games (Ire) (Dubawi {Ire}) was victorious in last year's Mile at Keeneland and in that wild Juvenile Turf at Del Mar the year prior. Adding to Space Blues (Ire) (Dubawi {Ire})'s success in the 2021 Mile--one of his three winners that afternoon--it was a third straight score in the race for Sheikh Mohammed's far-flung operation and the third on the trot for Dalham Hall's irrepressible Dubawi.

The 5-year-old was void of early speed and was angled down into about the three path before settling at the back of the field early on as **Win Carnelian (Jpn)** (Screen Hero {Jpn}) was kept company by **Astronomer** (Air Force Blue). When the latter went on with it into the turn, that allowed Mawj, victorious in the GI QE II Challenge Cup when last seen, to sit the ideal stalk-and-wait trip from third. Master of the Seas, meanwhile, was still back second-last down the backstretch as the leaders went past the half in a searching :45.37, and Buick sat against him, preparing to roll the dice with one long run.

Asked to kick passing the three-eighths, Master of the Seas had a single option--take the overland route into the lane and hope for the best. Set down outside of **Du Jour** (Temple City) once heads were turned for home, Master of the Seas sprinted right past Songline at the furlong grounds, and although Mawj was still going great guns up front, Master of the Seas was up on the wire to take it by a long-nose margin in a finish that looked a fair bit closer to the naked eye. **Casa Creed** (Jimmy Creed), perhaps a bit handier to the pace than expected in his third trip to the Mile, turned in his typically honest effort to round out the trifecta.

Lure, Six Perfections (Fr), Goldikova (Ire) and **Karakontie (Jpn)** each overcame double-digit gates to win at Santa Anita.

"We had to go out there with a slight plan from that draw," said trainer Charlie Appleby, registering a 10th victory at the Breeders' Cup. "The plan was that were going to have to try and go for that sling shot ride, and that would've only have ever materialized if the pace is there to be able to do that. Thankfully, the pace was on.

"Far from saying I was confident, but the pace was setting up for that start of the finish for him. William [Buick] obviously gave him a great ride round there, got him in that position. It was a coffee book sort of sling shot.

Breeders' Cup Mile cont.

Breeders' Cup/Eclipse Sportswire

“Once that horse got the momentum, we all know what sort of an engine he's got. He's been a bit frustrated. He's been beaten three short heads in Grade I. It's just nice for him to get it done today.”

Winner of the G2 Zabeel Mile and a close third in a roughly run G1 Jebel Hatta over the winter, Master of the Seas beat one home in the G1 Dubai Turf in March and got a vacation. An easy

four-length winner of the G2 Summer Mile at Ascot July 15, the bay was tons the best when accounting for last year's Mile runner-up and 'TDN Rising Star' Shirl's Speight ([Speightstown](#)) in the GI Ricoh Woodbine Mile and was on the wrong end of a bobber with eventual GI Breeders' Cup Turf runner-up Up to the Mark in the GI Keeneland Turf Mile Oct. 7.

Pedigree Notes:

Providing Dubawi with a seventh Breeders' Cup race win, Master of the Seas is one of 10 winners from 12 to the races for his dam, a listed winner and runner-up in the 2002 G1 Poule d'Essai des Pouliches in France and later twice placed in this country at the graded level while under the care of Eoin Harty. Firth of Lorne's G3 UAE Oaks-winning daughter Falls of Lora is not only the dam of Godolphin's treble Australian Group 1 winner Cascadian (GB) (New Approach {Ire}), but also of Albahr (GB) (Dubawi {Ire}), winner of the 2019 GI Summer S. at Woodbine. Another daughter of Firth of Lorne, Bint Almatar (Kingmambo), produced G1 Metropolitan S. hero Just Fine (Ire) ([Sea The Stars {Ire}](#)).

Firth of Lorne's final foal is the 3-year-old filly Sithchean (Ire) (Dark Angel {Ire}), a debut winner over the Chelmsford all-weather Mar. 2.

DETTORI GRANTS FRANKEL FIRST BREEDERS' CUP WINNER WITH INSPIRAL IN F&M TURF

by Heather Anderson

Inspiral swoops by all comers | Horsephotos

Cheveley Park Stud homebred **Inspiral (GB) (Frankel {GB})--
 Starscope {GB}, by Selkirk)** became the first Breeders' Cup
 winner for her Juddmonte sire with a narrow victory over dual
 Group 1 winner **Warm Heart (Ire)** (Galileo {Ire}) in the \$2-million
 GI Maker's Mark Breeders' Cup Filly & Mare Turf on Saturday. It
 was the second win in the race for Cheveley Park's Thompson
 family, who also took the 2016 edition with Queen's Trust (GB)
 (Dansili {GB}).

One of the back-markers crossing the dirt in the 1 1/4-mile
 contest, the 5-2 favorite found plenty of friendly cover in the
 master hands of Frankie Dettori who was looking for his 15th
 Breeders' Cup success. Glued to the rail into the clubhouse turn
 behind a half-mile in :46.90 as four-time Grade I winner and last
 year's runner-up **'TDN Rising Star' In Italian (GB)** (Dubawi {Ire})
 showed the way, the filly was in a good rhythm on the
 backstretch. Creeping closer on the far turn, Dettori shook his
 filly up at the quarter pole and she produced a killer burst of
 speed to win coming over the top of the field in the lane to just
 pip stretch leader Warm Heart, who had saved all the ground,
 by a neck in the final two jumps. **Cont. p17**

Breeders' Cup Filly & Mare Turf cont.

The Coolmore runner was a length better than the remainder. 2022 Canadian Horse of the Year **Moira (Ghostzapper)** just nosed out G1 Hong Kong Vase heroine **Win Marilyn (Jpn)** (Screen Hero {Jpn}) for third.

Dettori, who **will not be retiring as originally planned and has instead relocated to the Southern California jockeys' colony**, said, "She jumped good. I got squeezed out [after the break]. I really wanted to be where William [Buick on With The Moonlight (Ire) (**Frankel {GB}**)] was, but he got there before me.

"She needs a quarter of a mile to get really in top gear. She was flying. For the team, this was always the plan. Give credit to everyone--John, Thady, and the Cheveley Park team that supplemented for this race. Coming in here this week, I thought she's my best ride, and she proved me right."

Said John Gosden, "They [Cheveley] bred her, and the whole team there with Richard Thompson here, Patricia's son, it's a wonderful achievement for them."

Added Cheveley's Richard Thompson, "This is such a special feeling, obviously, winning the Breeders' Cup with Inspiral. Chris is sitting next to me here. He runs the stuff for us, the family, my mother, et cetera. To have a homebred filly win the Breeders' Cup is just--six in Group 1, it's the pinnacle of everything we strive for at Cheveley, to breed a filly like this."

Said Cheveley Park Stud's manager director Chris Richardson, "Pleased to say she stays in training, which is very exciting. I think her last performance in the Sun Chariot S. at Newmarket was one of the most impressive up until today.

"John has done a magnificent job in getting the filly, who is quite a high-strung filly--always has been, ever since she was a foal--to perform today at the highest level is a huge accolade to Patricia Thompson and the Thompson family."

Unbeatable as a juvenile and named the **Cartier Champion 2-Year-Old Filly** after four victories by a combined 11 1/4 lengths including the G1 Fillies' Mile, Inspiral picked up right where she left off with another Group 1 victory, this time in Royal Ascot's Coronation S. in June of 2022. Second in the G1 Falmouth S. last July, she claimed her first of two G1 Prix Jacques Le Marois in France in August. At year's end, she became only the third filly to also be named the **Cartier Champion 3-Year-Old Filly**. This term, Inspiral missed in the G1 Queen Anne S. by a neck in June, and resumed with another Prix Jacques Le Marois score in August. Most recently, she landed the G1 Sun Chariot S. at Newbury on Oct. 7. Saturday's contest was her first start beyond a mile.

Already a five-time Group 1 winner, the filly had been due to run on QIPCO British Champions Day last month, but the heavy ground put paid to that plan. Next year's Breeders' Cup at Del Mar is a possibility, as well.

Added Gosden, who trains with his son Thady, "She was poising for the Queen Elizabeth II S. at Ascot, but the rain arrived, and the terrain came too deep. She was in the race and we didn't even declare her to run. We said, right, we're coming here.

"The way she came and finished and the way she galloped out, she's probably saying that the trainer has been running her over the wrong distance the last year.

"Whether you go for the like of the [G1] Lockinge or the Queen Anne or she's meant to stay in training. I could see the [G1] Juddmonte International being a very key race for her next year. I think, if she's in great order next year, there will be no question but to consider Del Mar very seriously. Particularly since the trainer and his wife love coming back to California."

Pedigree Notes:

Through the Filly & Mare Turf, Juddmonte's **Frankel** has only had five Breeders' Cup starters. She is one of his most decorated progeny, however, and one of 33 top-tier winners. With her victory on Saturday, she is tied with **Frankel's** 2022 G1 Prix de l'Arc de Triomphe winner Alpinista (GB) for most top-drawer victories at six.

Inspiral's winning connections | Benoit Photo

Runner-up in the G1 1000 Guineas and G1 Coronation S. in the Cheveley red-white-and-blue, Inspiral's dam Starscope is a half-sister to listed winner Solar Magic (GB) (Pivotal {GB}) and has also foaled the stakes-placed Celestran (GB) (Dansili {GB}). Starscope's Ulysses (Ire) yearling colt brought 160,000gns from Stetchworth and Middle Park Studs out of Book 1 of the Tattersalls October Yearling Sale and has since been named Stetchworth Friend (GB). Her winning 8-year-old daughter Lunar Corona (GB) (Dansili {GB}) will be consigned by Cheveley in foal to Twilight Son (GB) (**lot 1431**) as part of the Tattersalls December Mares Sale next month. **Cont. p18**

GOODNIGHT OLIVE PUTS THEM BACK TO BACK IN FILLY & MARE SPRINT

by Steve Sherack

Goodnight Olive | Breeders' Cup/Eclipse Sportswire

ARCADIA, CA – You've got company Groupie Doll.

Goodnight Olive (Ghostzapper) successfully defended her title at Santa Anita on Saturday and joined the 2012-13 champion female sprinter as the only repeat winners of the GI Breeders' Cup Filly & Mare Sprint. Longshots **Yuugiri** (Shackleford) and **Three Witches** (Into Mischief) collected the minors.

Favored at even-money, Goodnight Olive broke nicely from her rail draw and found a good spot beneath Irad Ortiz, Jr. in a joint third behind the first-time blinkered **Eda (Munnings)** and second-choice **Society (Gun Runner)** through an opening quarter in :22.29. Locked and loaded on the far turn, Goodnight Olive revved up with a menacing three-wide sweep and took over with ease passing the quarter pole. She turned for home in complete command and was kept to her task with a couple of needless left-handers from Ortiz, Jr. to win by 2 3/4 lengths dominating lengths.

Trainer Chad Brown picked up his third victory in the race and 18th Breeders' Cup victory overall. He also saddled **Hard to Justify (Justify)** to a win in Friday's GI Breeders' Cup Juvenile Fillies Turf.

"It's very satisfying," Brown said. "She trained perfect her last two works. Really beautifully. When she broke good and got behind Society, which I was really happy to see because we knew she was the second choice in the race and really fit on paper. If we could find her, she was going to take us at least to the quarter-pole. And I said to Irad (Ortiz, Jr.), it's likely that other horses will be tired around you at that point and when she got outside of her, she was able to put the race to bed. Rarely does 'Plan A' go into effect and actually finish all the way through. That was our plan and Irad executed it perfectly."

Breeders' Cup Filly & Mare Sprint cont.

Benoit photo

“Beautiful trip,” Ortiz Jr. said of his 18th career winner at the Championships. “She was there for me every time I asked. She gives me confidence. I knew I was on the best horse. She did it again.”

The First Row Partners and Team Hanley colorbearer, a complete steal for \$170,000 as a FTKOCT yearling, will head into the ring for Tuesday's Fasig-Tipton's 'Night of the Stars' November Sale.

“It was obviously the goal that we started after last year's win,” winning co-owner Steve Laymon of First Row Partners said. “A lot of folks were thinking we'd retire her, and it was never a consideration with this group. We're sad to see her go, but what a career for this mare.”

Goodnight Olive faced the starter four previous times since concluding her 2022 season with a powerful victory over Echo Zulu (**Gun Runner**) at Keeneland last fall. Goodnight Olive returned to the site of her first Filly & Mare Sprint victory and successfully launched her 5-year-old campaign with a win in the GI Madison S. Apr. 8. With absolutely nowhere to run down the stretch, her seven-race winning streak, however, came to a frustrating end after finishing a luckless third in the GI Derby City Distaff S. on the GI Kentucky Derby undercard.

Goodnight Olive got there in time with a neck victory in the GII Bed o' Roses S. at Belmont June 17, then earned a career-best 108 Beyer Speed Figure while finishing 2 1/2 lengths adrift the aforementioned recently retired 2021 GI Breeders' Cup Juvenile Fillies heroine while failing to repeat in the GI Ballerina H. at the Spa Aug. 26, a race she won impressively in 2022.

Pedigree Notes:

Horse of the Year **Ghostzapper**, an unforgettable winner of the 2004 GI Breeders' Cup Classic, is now a three-time winning sire of this contest. He is also responsible for 2014 Filly & Mare Sprint heroine Judy the Beauty. Goodnight Olive is one of 14 top-level winners for **Ghostzapper**. Goodnight Olive is one of two winners from three to the races out of dual Grade III winner Salty Strike, who was acquired by the Stonestreet team for \$800,000 at the Keeneland January Sale in 2013. A half-sister to the stakes-winning Salty Response (Cozzene) and to the stakes-placed dam of MSP Mohawk Trail (Pioneerof the Nile), Salty Strike is also the dam of the unraced Katie's Keepsake (**Medaglia d'Oro**), who was sold for \$250,000 in foal to **Ghostzapper** to D. C. Goff at this year's Keeneland January Sale. Goodnight Olive is two of three Breeders' Cup winners out of a daughter of the late Smart Strike, joining GI Filly & Mare Turf upsetter Shared Account (Pleasantly Perfect).

HAPPILY EVER AFTER FOR CODY'S WISH FAIRY TALE IN BREEDERS' CUP DIRT MILE

by Jill Williams

Cody's Wish defeats National Treasure | Horsephotos

What a way to kick off Saturday's Breeders' Cup action as the sport's favorite fairy tale got its happily-ever-after ending.

Cody's Wish (Curlin) made it back-to-back G1 Big Ass Fans Breeders' Cup Dirt Mile wins in a dramatic running of the first World Championships race on the card Saturday. Cody's Wish had captured the heart of the racing world last year as the story

of his incredibly special connection with Cody Dorman, a boy suffering from Wolf-Hirschhorn Syndrome, emerged and grew. There were few dry eyes among those who witnessed the bay's win in the 2022 Dirt Mile, but in 2023, the sport instead held its collective breath as the fan favorite got mugged at the start and had to survive both a photo finish and an inquiry for the stretch run.

"Sometimes wishes do come true," said Hall of Famer Bill Mott.

After training exceptionally all week, Cody's Wish got squeezed at the break from both sides in the Dirt Mile and was quickly relegated to the rear of the field. Meanwhile, G1 Preakness S. winner **National Treasure (Quality Road)** went straight to the lead through early fractions of :22.51 and :46.02, as last-out GII Charles Town Classic winner **Skippy Longstocking (Exaggerator)** stalked from second. Still sixth and far back but in the clear with just a half to go, Cody's Wish unleashed a monster move. He split horses, weaving in and out, and finally dipped inside Skippy Longstocking as he set his sights on National Treasure, who was still strong and comfortable in front.

"I didn't feel I had the luxury to go around the horses since these are Grade I horses," said jockey Junior Alvarado. "He was helping me. I was like, 'Let me try to cut the corner a little bit, save some ground since it's moving forward.' I did all that, and right when I tip him out, he was there for me.

"When I got to the other horse, at that point, I just kind of let him know, 'Listen, my job is done right here. Just take me to the last part.' Since I know him, I knew he wasn't going to let that other horse go by once he got in front." **Cont. p21**

Cody's Wish angled outside to collar National Treasure, but the sophomore didn't relent. The two battled down the length of the stretch, bumping repeatedly. The Godolphin homebred got there by a nose, but had to endure a long inquiry as stewards reviewed the contact and finally upheld Cody's Wish as the winner, much to the relief of the crowd. Final time for the race was 1:35.97 as Skippy Longstocking held third.

"The fact that he split horses in the turn could have made the difference," said Mott. "I think, if he goes around, he loses another half-length or so.

"It was a great ride and a great run by the horse. It was a good effort."

The Dirt Mile marked the eighth win in the last nine starts for Cody's Wish, who was coming off a GII Vosburgh S. victory Oct. 1 after his first loss--a third when stretching out to nine furlongs in the GI Whitney S. Aug. 5 in a less-than-ideal trip--since March, 2022. 'Cody' has captured seven graded stakes, including five Grade I's, and is undefeated in eight starts at a mile. In addition to his 11 visits to the winner's circle, he has never finished worse than third.

The race was Cody's Wish's swan song, as he will be retired to Godolphin's Jonabell Farm near Lexington. Mott and Alvarado also teamed up Friday with Just F Y I (**Justify**) to win the GI NetJets Breeders' Cup Juvenile Fillies, while Mott later got an additional Breeders' Cup win Saturday with Elite Power (**Curlin**) in the GI Sprint. Godolphin got a second homebred 2023 Breeders' Cup winner shortly after the Dirt Mile with Charles Appleby trainee Master of The Seas (Ire) (Dubawi {Ire}) in the \$2-million Mile.

Cody's Wish (outside) and National Treasure | Horsephotos

Mott, who was winning his 14th Breeders' Cup with the 2023 Dirt Mile (and later his 15th with the Sprint), reflected on where his other wins, including the 1995 Classic with Horse of the Year Cigar's unbeaten 10-for-10 season, ranked in comparison.

"I think, if it's not the best, it's certainly a dead heat," said Mott. "It's probably one of the most memorable rides that we've all been on, and I think it's meant so much to so many different people.

"Sometimes it's a small group that gets to enjoy the win, but I think this one's been for a lot of people. We're very thankful for the Make-a-Wish Foundation that brought everything together. Godolphin has been terrific. I mean, the team at Godolphin has been so giving and open, and they were all about it, about this whole story, and they made the story."

Kelly Dorman, whose son, Cody, is behind the dual Dirt Mile winner's name, added: "It's a blessing I can't--I don't even know if I could-- even start to describe. In a lot of ways, I think that horse probably saved Cody's life. I know him and the horse has made a lot of lives better.

"First and foremost, the blessing is today Cody's Wish put his head in Cody's lap. The next blessing is all the people we got to meet, like these guys sitting right here, the fans, the entire horse racing nation has been incredible to us. We're so thankful and grateful for that." **Cont. p22**

Bill Mott and Cody Dorman in the winner's circle | Benoit

Two-time Horse of the Year, 2007 Breeders' Cup Classic winner, and extraordinary sire **Curlin** added to his laurels in a big way Saturday. The Dirt Mile started the day for him with a sixth individual Breeders' Cup win and he later added two more with Idiomatic in the GI Distaff and Elite Power in the aforementioned Sprint. It was the second consecutive year **Curlin** had three Breeders' Cup winners, a record he set in 2022

and matched this year. That gives **Curlin** eight individual Breeders' Cup wins, making him the all-time and undisputed leader among Breeders' Cup sires. To add to the embarrassment of riches, none of the three sires who trail him in second were themselves Breeders' Cup winners, unlike **Curlin**. The remarkable son of Smart Strike will stand for \$250,000 in 2024 at Hill 'n' Dale at Xalapa. With seven U.S. champions, **Curlin** has 98 black-type winners worldwide and 55 graded winners, 21 at the highest level.

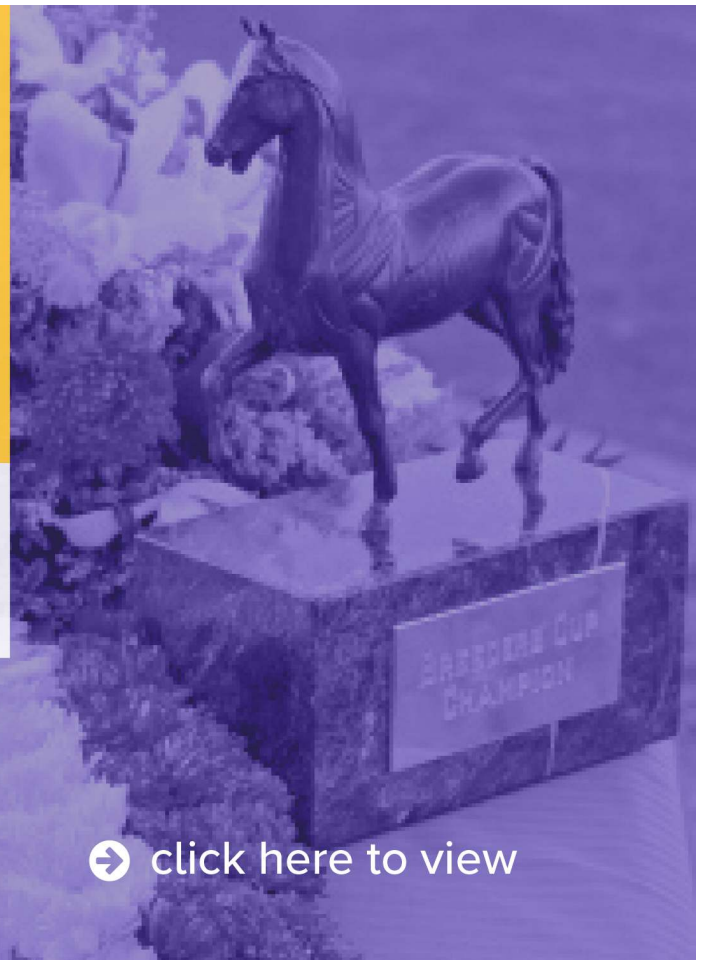

Dance Card, winner of the 2012 GI Gazelle S. and third in the 2013 GI Breeders' Cup Filly and Mare Sprint in the Godolphin colors, produced Cody's Wish and MGSW Endorsed (**Medaglia d'Oro**). Her 2-year-colt Hunt Ball (Into Mischief) is also in the Mott barn and has twice placed in two starts. She has a yearling filly by **Street Sense** and a weanling filly by **Gun Runner**. Dance Card, who was picked up for \$750,000 by John Ferguson on behalf of Godolphin out of the Fasig-Tipton February 2-year-old sale in 2011, has been bred back to **Curlin** for a full-sibling to Cody's Wish in 2024.

Broodmare sire **Tapit**, who will stand for \$185,000 next season at Gainesway, is one of only three sires in Breeders' Cup history to have seven Breeders' Cup wins as a sire. He's done mighty nicely as a damsire as well with 93 stakes winners out of his daughters. **Cont. p23**

RIVELLI REVELING FOLLOWING NOBALS'S BC TURF SPRINT WIN by Alan Carasso

Nobals | Benoit

It's been a year of ups and downs for trainer Larry Rivelli, who saddled the very talented Two Phil's (**Hard Spun**) to a runner-up effort in the GI Kentucky Derby and subsequent victory in the GIII Ohio Derby before a premature retirement to stud. The conditioner was dealt another blow this week when One Timer (Trappe Shot) was ordered scratched from a potential appearance in the GI Breeders' Cup Turf Sprint, but the gelded **Nobals** (Noble Mission {GB}) arlayed a ground-saving trip into a 12-1 upset in the five-furlong dash to ease whatever upset there may have been.

The well-supported **Live In The Dream (Ire)** (Prince of Lir {Ire}) hit the ground running, but he had company from Japanese speedball **Jasper Krone (Frosted)** through an opening quarter in a slick :21.15. When the latter failed to handle the tight left-handed turn and began to struggle, Live In The Dream was left alone up front, but had gone very hard in the lead and the come-from-behinders were licking their chops. Defending champ **Caravel** (Mizzen Mast) came there with a winning chance, but it was Nobals who rode the rails into the stretch and the final furlong and drove home first. **Big Invasion** (Declaration of War) also rallied up the inside for second ahead of **Aesop's Fables (Ire)** (**No Nay Never**), who raced over the top to claim third spot.

It was a first win at the Breeders' Cup for perennial Midwest leading trainer Rivelli--and his first Grade I of any variety--and for journeyman jockey Gerardo Corrales, who seamlessly replaced Jareth Loveberry aboard Two Phil's at the 11th hour and delivered a perfect ride in the Ohio Derby.

“Obviously you can't do this without the unbelievable team I've had for 20 years, 15 years. My assistant, Rogelio Sanchez, my assistant Pam Little, Gonzo Gonzalez, all the guys back home. No way possible this could be done without them.

“When I saw the entries, the nominations, I think you could have thrown a blanket over the whole field, to be honest with you, as far as who was better than one another.

“We had Corrales, and we had a great trip. You've got to get lucky in these kinds of races. Our plan was to be a little closer. Didn't work out. They were gone. He ended up working out a trip, and we held on.”

Corrales and Rivelli | Breeders' Cup/Eclipse Sportswire

It was also a first elite-level success for Corrales, participating in his third Breeders' Cup.

“It's a lot of confidence in the horse,” the jockey said. “He did good work, on the money. Good solution from the trainer. Everything is good, you know.”

Nobals had made appearances at six different venues this season, defeating Saturday's favorite Motorious (GB) (Muhaarar {GB}) in the GII TwinSpires Turf Sprint in May and added the William Garrett H. at Horseshoe Indianapolis in July ahead of a runner-up effort in Saratoga's GIII Troy S. Aug. 5. He most recently dropped his head on the wire to win the Sept. 9 Da Hoss S. at Colonial Downs.

Pedigree Notes:

On an afternoon where his full-brother Frankel (GB) was also represented by his first Breeders' Cup winner in the form of the sensational Inspiral (GB), the expatriated Noble Mission was siring his second Grade I winner following Code of Honor.

2023 BREEDERS' CUP ATTENDANCE UP, HANDLE DOWN

Horsephotos

Total all-sources, global common-pool handle for the Nov. 3-4 Breeders' Cup World Championships at Santa Anita was \$176,281,989, the lowest number since 2020, the same year live Breeders' Cup races at Keeneland had no reported attendance due to COVID-19. At the same time, attendance of 109,624 for the two-day event in 2023 was the highest of the past five years. Breeders' Cup Limited released the numbers late Saturday evening.

"Racing fans here and from around the world were treated to two days of the very best of our sport, including three repeat champions," said Breeders' Cup President and CEO Drew Fleming. "The 40th running of the Breeders' Cup was certainly worthy of the vision of its founders, who set out to create one of

the most prestigious international events in our sport. We want to thank all of the weekend's participants, our sponsors, the communities of Arcadia and Pasadena, and our partners from 1/ST racing for their support."

All-sources, common-pool handle on Saturday's 12-race Breeders' Cup card was \$114,145,050, while the all-sources, common-pool handle for the 10-race 'Future Stars Friday' card was \$62,136,939. The latter did not count Friday's 'All-Turf Pick 3' special. On-track handle for the two days was \$19,419,844. The total all-sources, common-pool handle of \$176,281,989 was down from \$189,060,373 last year and \$182,908,409 in 2021. However, it was up slightly from the \$174,628,986 when the event was last held at Santa Anita in 2019.

Saturday's on-track attendance was 66,247; Friday's was 43,377. The combined attendance of 109,624 was the highest since the Breeders' Cup was held at Churchill Downs in 2019 with an attendance of 112,672 and was up slightly from the 109,054 the last time the event was staged at Santa Anita in 2019.

The Breeders' Cup World Championships will return to California in 2024 and will be held at Del Mar.

BREEDERS' CUP FRIDAY AFTERMATH

Fierceness | Benoit

All five of the 'Future Stars Friday' winners at Santa Anita appeared to emerge from the efforts unscathed, with connections looking forward to their Classics campaigns in 2024.

The very domination of the GI Breeders' Cup Juvenile winner and 'TDN Rising Star' **Fierceness** (City of Light) will likely have put the colt at the head of the class for champion 2-year-old honors, and the Repole Stable homebred looked good Saturday morning.

"We were extremely happy with the way Fierceness ran," trainer Todd Pletcher said. "The race kind of unfolded the way we envisioned it would. We wanted to get involved and get to the first turn in good position, which he was able to do. Just a powerful performance."

'Rising Star' **Locked** (Gun Runner) looked to be going nowhere at short odds on the Juvenile, but got going late to finish a respectable third.

"Locked got shuffled back a little more than we wanted and then got stuck inside," Pletcher said. "There was a lot of kickback. I thought once he kind of got into the clear down the lane he started closing pretty well. At that point, the race had kind of gotten away from him. He was a couple strides away from being second, but he just had too much to do at that point."

Pletcher said both colts will return first to Churchill Downs before shipping to the trainer's South Florida base at Palm Beach Downs to chart a course towards the new year.

There will be no such gray area where it comes to the Eclipse Award-winning juvenile filly after George Krikorian's **Just F Y I** (Justify) stamped her authority on her race Friday, lowering the colors of the previously undefeated divisional front-runner 'TDN Rising Star' **Tamara** (Bolt d'Oro). If he wasn't totally surprised that his filly proved best, he was slightly taken aback with the way she did it.

"She actually showed a bit more early speed than I expected," Mott said. "She put herself right up there, which was great."

The connections of Tamara confirmed that she emerged with a 'small knot' and the back of her rear hind.

"We'll take a look at it and see what it is," said trainer Richard Mandella. "That will determine whether we may need to give her a rest. I could see at the half-mile pole that she wasn't running her race. I thought Mike (Smith) would have a tight hold on her."

Chad Brown said that **Hard to Justify**, who gave her sensational young stallion a second straight Breeders' Cup winner on Friday in the Juvenile Fillies Turf, would get a rest with an eye on her sophomore season.

European horses unsurprisingly made their presence felt in the afternoon's other grass races. **Big Evs (Ire)** (Blue Point {Ire}) gave her sire, trainer Mick Appleby and jockey Tom Marquand their first Breeders' Cup winner with their first starter.

"It hasn't sunk in yet, it really is a dream come true," trainer Michael Appleby said. "I'm still pinching myself. It was the best day of my career and I'm just so proud of all my team at home, Tom Marquand and Big Evs's owners Rachael and Paul Teasdale."

Trainer Aidan O'Brien was dealt a disappointing blow when River Tiber (Ire) (**Wootton Bassett {GB}**) was withdrawn from the Juvenile Turf Friday morning, but the team was mollified some when **Unquestionable (Fr)** (**Wootton Bassett {GB}**) validated favoritism in the final Breeders' Cup event of the day.

"It's very tough to win here, but I'm delighted for the lads as they put so much into it," O'Brien said. "It's hard to explain because when things start bad like what happened with River Tiber as it usually goes down because there are a lot of areas you can't control."

TWILIGHT DERBY VICTORY FOR 'TEAM'

MANDELLA by Steve Sherack

Seal Team | Benoit

ARCADIA, CA – The lightly raced Bass family homebred **Seal Team (GB)** (**War Front**) sliced his way through traffic at the top of the stretch and made his graded stakes debut a winning one in Saturday's GII Twilight Derby at Santa Anita.

The 7-1 shot broke sharply and was a bit headstrong while racing in tight quarters heading into the clubhouse turn. He began to settle beneath Umberto Rispoli from there and raced on the inside in eighth through fractions of :23.56 and :47.18. Traveling well with a wall of horses in front of him at the top of the stretch, the bay threaded the needle beautifully as they straightened and produced a powerful run down the center to score by a half-length in the nine-furlong affair.

First-time gelding **Silver Knott (GB)** (Lope de Vega {Ire}), beaten just a nose as the favorite in last fall's GI Breeders' Cup Juvenile Turf, nosed out unlucky favorite **Webslinger** (**Constitution**) for second.

"We have always had big hopes for this horse," winning trainer Richard Mandella said. "We thought he would be a good one. I didn't tell Umberto (Rispoli) a thing in the paddock. I just wished him luck."

Seal Team, a debut second sprinting on the Del Mar lawn last November, got his picture taken in two of his previous three starts this term, including an optional claimer over this same course and distance last time Oct. 8.

Pedigree Notes:

Seal Team becomes the 64th graded/group winner (115th stakes winner) worldwide for leading sire **War Front**. The two-time graded winner Mrs McDougal, a sales-topping \$1.6-million purchase by agent Steve Young on behalf of the winner's

connections at the 2018 KEEJAN sale, is also represented by the unraced 2-year-old colt Gun Barrel City (**Frankel {GB}**); a yearling colt by **Curlin** who RNA'd for \$175,000 at KEESEP; and a **Connect** colt of this year. She was bred back to **Charlatan**.

Salesman | Benoit

Turf? He's a winner there. Tapeta? Also a winner. And now, with a tour de force front-running performance, **Salesman (Ire)** (Dubawi {Ire}) is a winner on dirt in taking the GII Thoroughbred Aftercare Alliance S.

Despite being Irish bred, the 6-year-old son of the legendary Dubawi did all of his early racing in France and quickly proved that the further the distance, the better his running form. He broke his maiden as a 4-year-old in a 1 5/16-mile turf handicap at Saint Cloud and added an all-weather win shortly after over 1 3/16 miles at Deauville. Shortened up of late, Salesman came across the pond to begin his North American career in May and put up a pair of off-the-board efforts on the grass at a mile at both Santa Anita in the GI Shoemaker Mile and at Del Mar in the restricted Wickerr S. in July. In his first try on the main track last time out, Salesman showed improved form to take third in the 1 1/16-mile Los Alamitos Special S. Sept. 17.

Facing only four rivals for trainer Richard Mandella, the 3-1 shot under Flavien Prat got jostled leaving the gate but quickly surged up between horses to hit the front. It was a lead he would never relinquish. A trailing pair that included 3-5 favorite **Siskany (GB)** (Dubawi {Ire}) stayed within striking distance past the wire the first time by, but Salesman began to open up into the second of three turns and, by the time the field had less than a half mile to run, the eventual winner's lead was near double digits. The only horse to run with him late, **Win the Day (Midshipman)**, had an insurmountable gap both ahead and behind him and the top pair came home well ahead of the trailing trio.

"I was just cruising," said Prat. "He was in a nice rhythm, and he ran a great race. I was watching the workouts and I could see that he was the pacemaker for some of Mr. Mandella horses, it looked like he was training outstanding, so I was confident. It's nice to win for Mr. Mandella and Wertheimer and Frere, I used to ride for them in France, we had a good connection and it is good to get a winner for them."

Pedigree Notes:

A fourth generation Wertheimer and Frere homebred, Salesman is one of 265 stakes winner for super sire Dubawi. High Maintenance (Fr) is also responsible for high-weighted older horse and MG1SW Solow (GB) (Singspiel {Ire}) along with SW/MGSP Lunch Lady (GB) (Shamardal) and three other winners including Salesman. She only produced one other foal after Saturday's winner--a Lope de Vega (Ire) gelding--before passing away in 2018.

Two Ghosts | Michael Burns

Two Ghosts (Ghostzapper) stretched out and stepped up to take Saturday's GIII Grey S., just his second win since breaking his maiden in his third career start Aug. 27. Debuted sprinting and having spent his entire career on Woodbine's Tapeta surface, the juvenile gelding entered Saturday's action off a second in his stakes debut behind Tripolina (**Constitution**) in the Discovery S. Oct. 15. Away nicely from the inside stall, Two Ghosts was content to let the entire field pass him by into the clubhouse turn. The 6-1 shot rode the rail behind a tightly bunched group but was still comfortably last up the backstretch run through a half-mile in :49.41. As the favorite was swarmed up front by challengers, Two Ghosts began to pick up the bridle into the far turn, had to angle out at the furlong pole for running room and closed stoutly to nail a trio of rivals to his inside in the final jumps.

"He just waited for the cue to run, and he was carrying me along nicely until we hit the quarter-pole, and we worked out a trip through the field," said winning jockey Justin Stein. "When I asked him to run, he really accelerated and showed an extremely impressive turn of foot. The rest is history."

Pedigree Notes:

The 99th stakes winner for **Ghostzapper**, Two Ghosts is the first foal out of a winning dam who changed hands herself for just \$34,000 during last month's Fasig-Tipton October Digital Sale after foaling a **Vino Rosso** colt this Spring. Second dam **Warbling**, a \$1.1-million broodmare purchase out of the 2010 FTKNOV sale by Aaron and Marie Jones, ran second in both the GI Princess Rooney H. and the GI Ballerina S. during her own racing career.

Witwatersrand broke her maiden by 3/4 of a lengths Sept. 1 at Woodbine over the Tapeta and once again served as the favorite over that surface when she finished third in the Glorious Song S. Oct. 15.

Backed at 4-1 here, the bay filly hugged the rail in third into the first turn as Mystic Lake showed the way. The Mark Casse trainee was on hold up the backstretch, waited patiently at the rail around the far turn, cut to the two-path at the eighth pole and she motored past the pacesetter to collect her first stakes win.

“No matter who she works with in the morning, she’ll play with them,” said jockey Patrick Husbands. “She is a nice filly, and Mark [Casse] knows, everybody knows, she’s a nice filly.”

Pedigree Notes:

Witwatersrand is the 10th stakes winner from three crops of racing age for her sire **Connect**. Out of Carta de Oro, who is a full-sister to GSP Media Blitz, the winner has a yearling half-brother by **Cairo Prince**. Her dam visited **Speaker's Corner** for next year. Second dam Communique (Smart Strike) won the GIII Grey Goose Bewitch S. and was the runner-up to Muralakana (Fr) (Muhtathir {GB}) in the GI Beverly D. S. War at Sea found the winner's circle for the fourth time in 14 starts and earned a new career high in the GIII Golden Gate H. on Saturday evening.

Perched in midpack for most of this contest, the 6-1 shot was content to track the leader, Silent Poet. Still behind a wall of horses at the quarter-pole, he wheeled all the way to the outside and closed with a good turn of foot to defeat Silent Poet in a bobbing finish.

SALE-TOPPING SIERRA LEONE 'GUNS' TO RISING STARDOM *by Stefanie Grimm*

When you sell for a sale-topping \$2.3m as a yearling at Fasig-Tipton's New York Saratoga Sale to connections like White Birch Farm and M. V. Magnier, the expectations are going to be sky high. And, while **Sierra Leone (c, 2, Gun Runner--Heavenly Love, by Malibu Moon)** proved he still has a lot to learn, he still showed enough ability in the end to graduate at first asking and become the latest 'TDN Rising Star' for Three Chimney's super-stallion **Gun Runner**.

Facing a field of mostly more experienced runners, the 3-1 shot had to contend with another million-dollar purchase in Change of Command (Into Mischief) from the inside along with the younger half-brother to dual GI Breeders' Cup Dirt Mile winner Cody's Wish in Hunt Ball (Into Mischief). A step slow from a middle gate, Sierra Leone was quickly outrun into the opening furlong and dropped back to beat only one runner while taking dirt from nearly the entire field. Caught in tight quarters into the turn in this one-mile event, he had to back out and faced a wall of horses with a quarter mile to run. Jockey Manny Franco moved to angle his mount to the outside but Sierra Leone ducked out sharply on the wrong lead, lugged back in toward the rail and then drifted back out before finally swapping leads right at the furlong marker. Finally in the clear, he came sweeping past the leaders to his inside and won going away despite still needing to be straightened out when passing horses.

The second foal out of GI Darley Alcibiades S. winner Heavenly Love, Sierra Leone is from the extended female family of Japanese Horse of the Year Zenno Rob Roy (Jpn) (Sunday Silence) and from a third dam that also produced the dams of no fewer than three group winners in Japan.

Sierra Leone | *Coglianesse*

He is **Gun Runner**'s ninth 'TDN Rising Star'. The dam's yearling **Nyquist** colt brought \$250,000 at last month's Fasig-Tipton October Yearling Sale and she returned to **Gun Runner** for a full-sibling to Sierra Leone in 2024.

GODOLPHIN'S KNIGHTSBRIDGE NEWEST 'TDN RISING STAR' FOR NYQUIST

by Stefanie Grimm

Knightsbridge (c, 2, Nyquist--Tyburn Brooke, by Bernardini) aired out in his Churchill Downs debut Saturday to become the newest 'TDN Rising Star' and the second overall for his sire. The Godolphin homebred, a half-brother to GISW **Speaker's Corner (Street Sense)**, was outrun out of the chute and raced covered up against the rail in mid pack. Moving up under his own power, the 5-2 second choice ran into a wall of horses all gunning for the lead and had to check back out of a tight spot right at the half-mile marker. Shuffled back to fifth, James Graham finally had a gap open up for his mount between horses midway around the far turn and, once he said go, Knightsbridge swept up three wide and hit the quarter pole under only a hand ride from Graham. Straightened for the run home, the dark bay was visually impressive, motoring into the final sixteenth to win by as much as he pleased.

Knightsbridge | Coady Photography

Tyburn Brook, though unraced herself, hit a home run with her first foal being GI Carter H. winner and now Darley America stallion **Speaker's Corner**. Out of a daughter of GI Breeders' Cup Distaff winner Round Pound--who Godolphin purchased for \$5.75m as a broodmare out of the 2017 Fasig-Tipton Kentucky Fall Sale--Knightsbridge's dam is herself a half to G1SW Long River (A.P. Indy) and to SW/GSP Lake Lucerne (Dubawi {Ire}). Tyburn Brook reported a full-sister to **Speaker's Corner** this year and visited both **Street Sense** and **Curlin** for 2024.

On the rail and carrying the St Elias Stable colors, **JOYFUL LASS (War Front)** makes her career debut going long over the synthetic track. The half-sister to GISW Big World (Custom for Carlos) and that one's full-sister SP Gracida, she also has three other winning siblings. Joyful Lass was a \$300,000 KEESEPT pick up from breeders KatieRich Farms, and is trained by Todd Pletcher. To her outside is Bass homebred and stablemate **Ravenna (Quality Road)**. Out of an unraced half-sister to GISW Stormello (Stormy Atlantic) and his full-sibling GSW My Best Brother, her dam Italia can also claim GISP Cherry Lodge (Bernardini), that one's full-sibling GSW Gala Award; GSP Greatest Game (Giant's Causeway) and the dam of Canadian champion 2-year-old filly GSW **Curlin's Voyage (Curlin)** as a half-relation. This is a busy, international female family with group or graded runners in Japan, England, Australia, New Zealand, Italy, and the UAE as well as black-type earners in France and Hong Kong. MGSW The Pamplemousse (Kafwain) makes an appearance as well. **TJCIS PPs.**

Please Advise | Chelsea Durand

Please Advise overcame late traffic to pick up his career first listed victory in the Atlantic Beach S.

Last seen finishing second at Keeneland Oct. 26 in an allowance contest, and third two-back at Kentucky Downs in September for the Pepsi Juvenile Sprint S., the 7-1 shot chased from seventh here as the pacesetters went on their way. Tucked closer to the fence and taking the inland route into the lane, he rallied along the inside of Works for Me passing the sixteenth pole. Coming out--forcing a chain reaction among runners--Please Advise surged late in the shadow of the wire to hold off Irish Gent (Ire) by a neck in a blanket finish.

"I got a little bit concerned because I saw horses start to get away from me, but it just took him a little bit to turn his engine on," jockey Eric Cancel said. "Once he got it going, he got the job done."

The winner is a half to a pair of stakes horses including Tempestad (**Uncle Mo**), who placed in the GII Saratoga Special S. Please Advise is thus far the last registered offspring for Amansara. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Toupie and a happy team | Chelsea Durand

An eight-length victress on unveiling, but over the main track at Laurel, she followed that July effort up with a crack at the Exacta Systems Rosie's S. at Colonial with a runner-up finish to No Nay Mets (Ire) (**No Nay Never**), who ran fourth in Friday's GI Breeders' Cup Juvenile Turf Sprint. Stretched to a route of ground last out Oct. 6 in Keeneland's Gill Jessamine S.--won by Buchu (**Justify**), who was sixth in Friday's GI Breeders' Cup Juvenile Fillies Turf--and finishing next to last, the 9-1 shot was brought back to the turf dash contests here.

Off the pace and sitting comfortably in fifth as the pacesetter put up :22.55 and :45.79 splits, Toupie was scrubbed on for run hitting the stretch and respond she did, mowing down 52-1 shocker Greavette while outkicking Marco T. to the wire.

"She is a very smart filly. Graham Motion and his team did a great job with her," jockey Jorge Ruiz said. "The instructions were to break well and get good position. I just waited for my run. I rode her at Colonial and she finished second. Today, she responded big when I asked her."

The victress is only the second, and final registered foal, for her graded-placed dam Amertume. Her other sibling is an unraced 3-year-old full-brother named Bittermo. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

He had to come from six wide, but Armstrong did just that to score in the Showing Up S.

A winner last out in the Bear's Den S. at course and near distance, Armstrong also won the Not Surprising S. at today's conditions in June by 3 3/4 lengths. Sent away here the short-priced favorite, he was content to sit in sixth from five off the fence but got closer to it turning into the bend and as the field closed ranks for the homeward drive.

Floated into the six path but under a full head of steam, Armstrong inched closer to Souper Blessing before nailing that rival by a neck as the runner-up collared longtime leader Eyes On the King by about the same margin.

Dam Abbreviate produced the winner for her first foal, but was barren off a 2021 return to that sire. She produced a yearling filly by that stallion that is the last registered offspring on record before she was exported to Mexico. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

The dark bay filly was second by only 3/4 lengths Oct. 11 at Keeneland in her second try against allowance company. A 7-2 shot here, the homebred had to check early as she passed the grandstand, but she moved up quickly into fifth before the backstretch. Second by a head there, he graduated by three lengths last out Apr. 8 over this track and was gone until this return, jumping as the 5-2 second choice despite being the least experienced. Three wide in second as the 1-2 favorite Forced Ranking (**Mastery**) put up the splits, Let It Ride was asked for more passing the five-sixteenths marker and swung into the stretch on the lead. EDGARTOWN (r, 2, Quality Road--Love Child, by Fed Biz) debuted second Sept. 2 at Kentucky Downs to next-out Gil Castle & Key Bourbon S. victor Can Group (**Good Samaritan**), who was fourth on Friday in the GI Prevagen Breeders' Cup Juvenile Turf. Missing by a neck Oct. 12 at Keeneland before being tabbed as the 6-5 favorite here, the dark bay rated just off a longshot into the first turn, was on hold until he was given his cue at the quarter pole and the ridgling shifted into high gear to graduate by 1 3/4 lengths over Surf City (**Mendelssohn**). After a protracted stretch duel with his determined rival down the lane, Shefflin inched clear in the final few strides to earn the win. DYNAMIC PRICING (IRE) (f, 2, Night of Thunder {Ire}--Shemda {Ire}, by Dutch Art {GB}) raced under a tight hold while bottled up against the rail around the opening turn and into the backstretch. Paced up front by \$1.05m yearling Just Jules (*Justify*), the field eased through an opening half mile in :50.19 before things began to quicken as longshot Way to Be Marie (*Not This Time*) took over turning for home. Angled outside of that rival into the lane, the 4-1 shot showed her inexperience coming down the lane but got it together close to home, finally switching leads and digging in to nail the longshot in the final jump. Just Jules faded to fourth while Hollywood Dream (*Uncle Mo*) was sixth and Public Assembly (More Than Ready) was ninth. BLITZ (f, 2, Uncle Mo--Customer Base {GSW, \$363,535}, by Lemon Drop Kid) third time was the charm--as was the switch to the all-weather surface and two turns--for Blitz as the filly finally earned her first career victory by a half-length after two unsuccessful stabs at turf sprinting. The dark bay filly broke smartly from the gate and sped right to the front where she showed the way, rival Rush to Glory (*Gun Runner*) chasing closest to her on the inside. The winner shook free around the bend and began to pull away from the field behind her and held sway in the lane to earn the half-length victory over the closing Inudation (*Collected*) at odds of nearly 7-1.
