

'WE STAND BEHIND OUR CUSTOMERS': SUMBE LAUNCHES THREE NEW STALLIONS

The TDN caught up with Belbek and Angel Bleu (pictured) ahead of their introductory stallion seasons at Sumbe alongside the relaunching Mishriff. | Emma Berry

By Emma Berry

For most farms it is enough just to be introducing one new stallion to the market in a season. For Nurlan Bizakov's Sumbe, that task is multiplied by three as the Normandy-based operation launches homebred Belbek (Fr) and Angel Bleu (Fr) at the same time as relaunching Mishriff (Ire) after a false start.

It is unlikely that anyone has forgotten Mishriff but the stallion business is a fickle game.

AMO RACING ANNOUNCES DAVID EGAN AS NEW NUMBER ONE RIDER

David Egan is the latest jockey to have been snapped up as the number one rider for Amo Racing, with Kia Joorabchian saying the 24-year-old will help bring "long-term stability" to the team.

At just 24, Egan has already scaled some of racing's peaks. He won the Saudi Cup, the world's richest race, aboard Mishriff (Ire) (Make Believe {GB}) in 2021 and more recently enjoyed great success with trainer Roger Varian, for whom he has partnered Eldar Eldarov (GB) (Dubawi {Ire}) to St Leger successes in Britain and Ireland.

Joorabchian said, "I'm very pleased to announce David as our first jockey. We have had a brilliant ongoing relationship over the years and used David consistently on our horses, going back to Mojo Star's brilliant second in the [2021] Derby. We now feel it's the perfect time to consolidate our team and having David on board will be a valuable addition.

"David is a talented, ambitious jockey with experience at the top of the sport having won races of the highest calibre all over the world, and growing up as Roger Varian's stable jockey has given him invaluable experience and maturity. Aware of the size of our organisation, we must implement systems to ensure longevity and I have tremendous confidence in this decision."

He added, "Having David on board for the next two years will help us develop long-term stability as a team."

Sumbe Stallions, cont. from p1

Mishriff at Clairefontaine last week | Emma Berry

A misplaced kick to the wall of his stable at Haras de Montfort & Preaux at the beginning of the year left the multiple Group 1 winner with a foot injury which meant he was unable to start his new job in February. Instead, his covering debut will take place in February 2024.

Last week in Deauville, he was on show with all five Sumbe stallions at Clairefontaine racecourse, enabling breeders to call in while at nearby Arqana. They won't have been disappointed by what they saw. Mishriff, always a fine-looking horse in his days in training, has developed into a truly imposing specimen during his year of leisure. To this beholder, he comes very close to being a textbook example of a Thoroughbred.

"Mishriff, as everybody knows, had a setback last year," says Sumbe manager Tony Fry.

"It seems such a long time ago now that he won the Prix du Jockey Club. He won on turf, dirt. There was a few races that he was unlucky in, but he was a true world champion."

Fry notes that Mishriff is 1.66 metres tall - that's 16.3hh in old money - and it is easy to believe that breeders are renewing their initial interest in the horse, especially with his fee now reduced a little to €17,500 from what would have been his opening mark of €20,000.

Mishriff remains the sole Group 1 winner for his sire Make Believe (GB). On his top line he traces back through Makfi (GB) to Dubawi (Ire), the horse who became such an effective conduit for the blood of Mr. Prospector on this side of the Atlantic, ensuring that his ill-fated sire Dubai Millennium (GB) could at least be remembered in stallion terms as a one-crop wonder.

Underneath, Mishriff's family holds equally lofty claims to greatness. Bred by his owner Prince A A Faisal, he is a member of the family which has stood Nawara Stud in ample stead over the years.

His dam Contradict (GB), by the increasingly useful broodmare sire Raven's Pass, fell just short of gaining black type herself but she has bred three black-type earners, with Mishriff, her third foal, way out in front. Contradict is out of the Group 3 winner Acts Of Grace (Bahri), making her a granddaughter of the G1 Prix de Diane winner Raffha (GB) (Kris {GB}). The latter's success at stud has by now far outstripped her Classic credentials on the track, and through her sons Invincible Spirit (Ire) and Kodiak (GB) especially, her imprint can be found in reams of modern-day racehorses.

Mishriff makes his debut alongside a horse who has a special place in the heart of his owner: Belbek, a son of Showcasing (GB). His dam, the Makfi (GB) mare Bee Queen (GB), was purchased from Juddmonte and, as a granddaughter of Banks Hill (GB), represents one of that operation's key families.

"He's a Sumbe homebred, so that gives him the pride of place," says Mathieu Le Forestier, the former trainer who joined Sumbe last year. "It's very meaningful that the first stallion that we bred here in France in our first year here joins the roster as an exciting prospect.

"He's been a champion two-year-old. And what's very interesting about him is that he started off in April, he was the

first runner from Andre Fabre's yard. And even before the summer, he won the Prix du Bois. He clicked off fractions in the upper level of what's been seen in the last decade in France in this specific race. He went all through the year and picked up the crown in the Prix Jean-Luc Lagardere, which is obviously an important race in the stallion business."

He continues, "He's been around all year at three and he eventually bowed out with a nice Group 3 win, beating horses of Group 1, Group 2 level, older horses. So it's a good starting point for a future stallion. He comes from one of the deepest families in Europe and is the close relative of 12 other Group 1 winners."

Tony Fry adds, "Belbek is a Juddmonte-bred through and through. Showcasing was Juddmonte and Bee Queen was Juddmonte. So, thank you to Juddmonte.

"You can't make somebody use your stallion. All you can do is show them and say, 'Here they are. What do you think?' And people can stand in front of you for ten minutes and pick out faults and positives and whatever. But he's an exceptionally good-looking horse, a nice-moving horse with a great disposition. He took his racing well, he took everything well. And the mare is a very kind mare as well. She's just one of those sweetheart mares." [Cont.](#)

Belbek will take up stallion duties alongside fellow homebred Angel Bleu and the re-introduced Mishriff, who was sidelined last year after a foot injury knocked him out for the 2023 breeding season | *Scoop Dyga*

Angel Bleu | Scoop Dyga

"And again, she'll always be special to us for providing Nurlan with his first Group 1 winner. So we're very hopeful. We'll send a good selection of mares to him, as we have with all our stallions. You can't ask people to use them unless you believe in them and follow it through yourselves."

Sumbe has somewhat cornered the market in winners of the G1 Prix Jean-Luc Lagradere as joining Belbek is the previous year's victor Angel Bleu, who should be a valuable addition to the French stallion ranks. Though he went off to be trained in England by Ralph Beckett, the son of Dark Angel (Ire) was bred in France by Pan Sutong at Ecurie des Monceaux, and he recorded his two most significant wins there in the Jean-Luc Lagardère followed by the G1 Criterium International. His other five wins included the G2 Vintage S. and, at four, the G2 Celebration Mile and Listed Spring Trophy for Marc Chan and Andrew Rosen.

Though they both won France's major two-year-old contest for colts, Belbek and Angel Bleu are very different types, with the latter a smaller and more compact individual than the tall Belbek.

"He's 1.61 metres, a deep horse with a strong neck and very strong shoulder," says Le Forestier of the dapple grey Angel Bleu. "He really looks to be the early-maturing, strong, sturdy type that may be very appealing to breeders."

Adding a bit of oomph to a decent race record is the fact that Angel Bleu's dam, Cercle De La Vie (Ire) (Galileo {Ire}), is a full-sister to the Group 1-winning stallions Highland Reel (Ire) and Idaho (Ire) from the family of the top Australian broodmare Circles Of Gold (Aus) (Marscay {Aus}), who in turn produced the stallions Haradasun (Aus) and Elvstroem (Aus).

While the first books for the trio are being drawn up, there is also the anticipation next season of the first runners for Sumbe's G1 Commonwealth Cup-winning stallion Golden Horde (Ire), who, as a son of the G1 July Cup winner Lethal Force (Ire), also

represents the Dark Angel sire-line. Then there's De Treville (GB), who doesn't have quite the same lofty race record but has the distinction of being the first foal of the great Dar Re Mi (GB) (Singspiel {Ire}). A dual winner, he managed Group 3 placings on three occasions, and the stallion's family has been given a major boost by his high-flying half-brother Too Darn Hot (GB), both on the track and through the exploits of his first crop of runners in 2023.

"We try our best to address every segment of the market," says Le Forestier. "We have De Treville at entry level and then up to Mishriff at the top end. We have sprinters, we have middle-distance horses."

Tony Fry, who started his association with Nurlan Bizakov in England as manager of Hesmonds Stud, has seen plenty of change during his tenure. He says, "It's been 13 years now. When we started, it was six mares that we bought in December back in 2010. And now we're up to 55 mares, new stallions and two farms in France and still a farm in England. We have Haras de Montfort & Preaux and Haras du Mezeray in France, and Hesmonds in England. Montfort is the stallion station and we board mares here. Mezeray is more Nurlan's private farm, and we take in boarders there as well. They're only six kilometres apart."

He continues, "I remember we were we were driving out of Hesmonds one day and he said, 'One day I'd like to to buy a farm in France.' And I said, 'I hope you do. If you do, it means you enjoying the industry. It means you're having success. It means you want to expand.' So that was 12 years ago and it did happen. He still enjoys it. As we all know, with horses, there's plenty of downsides. It's normally more bad news than good news. But he's taken the bad news. We move on and he still wants to succeed and breed Group 1 winners, be in Group 1 races, be in the best races. So the ambition is still there."

Too Darn Hot's half-brother De Treville | Emma Berry

Tony Fry and Nurlan Bizakov | Tattersalls

Bizakov's ambition is plain to see, not least in naming Sumbe after his birthplace in Kazakhstan. The operation took on its first major sponsorship earlier this year when backing the G1 Prix Morny and the entire undercard on one of Deauville's major summer Sundays.

"The long-term plan is to establish it as a top-tier brand," says Le Forestier. "First of all, the boss sees himself as a breeder, and every venture he makes into the business is breeding-orientated. He has a very long-term view about things and it impacts everything in the company, be it horses in training or stallions. For instance, when we take in a new stallion prospect, the first client, the first user of the stallion would be Mr Bizakov himself. We're trying our best to make people understand that the brand is a multi-dimensional operation and that we stand behind our customers in the stallion business because we are our primary customers."

"I would also like to thank Roger for his tremendous support, confidence and blessing in this decision."

Egan was crowned champion apprentice in 2017 and has also ridden as the retained jockey to Prince AA Faisal. He takes over as Amo Racing's new number one rider on a two-year deal from Kevin Stott, who was removed from his post in September just one season after taking over from Rossa Ryan.

Egan commented, "I'm delighted to have signed a two-year contract with Amo Racing. I'd like to take this opportunity to thank Roger and Hanako Varian, and all the Varian Stable team.

"They have been like family to me since I first started in racing, and I'd just like to thank them for their friendship and support over the last seven years."

TATTERSALLS CHELTENHAM DECEMBER CONCLUDES RECORD-BREAKING YEAR

The single day Tattersalls Cheltenham December Sale came to a close with 15 lots selling for over £100,000, two lots over £300,000 and a top price of £335,000 for lot 8, Tumuch (Fr) (Buck's Boum {Fr}).

After an impressive showing in his debut maiden at Lingstown where he posted an authoritative victory, Tumuch proved a hot commodity as bidding sailed through the ranks with Robbie Power, Tom Malone, Gordon Elliott, and Mouse O'Ryan putting up a spirited battle for the 4-year-old with the last coming out successful.

"He is a lovely horse, he is a well-made horse, who won well. He was very eye-catching. We had seen him in January, and we were waiting for him to run," said O'Ryan. "We are building up a big team of young horses and they are starting to come to fruition. We have bought a Gold Cup horse out of the point-to-point field--we have only had one, but we'd like another!"

Out of the Maille Pistol dual-winning mare Pistol Girl, a half-sister to the dam of the Grade 2 winner and Grade 1-placed Sir Valentino (Fr) (Early March {GB}), Tumuch was sold by the 2021 Tattersalls Cheltenham December top consignor Ballycrystal Stables.

Wildcard entry Port Joulain (Fr) (Cokoriko {Fr}), consigned by Denis Murphy of Ballyboy Stables as Lot 20, was the second highest price on the evening, bringing £300,000 from Harold Kirk. He hails from the family of 11-time Grade 1 winner Apple's Jade (Fr).

The purchaser said: "He is going to Willie's; he was my pick of the sale. I love the sire, he gets the most winners in France. Apple's Jade is in the pedigree, and I love this horse as an individual. I think he has got loads of class."

Third highest price on the sale was Belliano (GB) (Black Sam Bellamy {Ire}), lot 18 out of G3 Prix de Flore victress Miliana (Ire), who was bought by Tom Malone and Paul Nicholls for £255,000. This is also the family of G1 Galway Hurdle-placed Mirpour (Ire).

Sustained demand saw the flagship sale produce an aggregate of £3,448,000, a best-ever average of £104,485—up 15 per cent and the first time it has achieved a six-figure sum—and a record median of £85,000, up 26 per cent from last season. The seven Tattersalls Jockey Club Sales held in 2023 achieved a new record for annual aggregate with a turnover of £20,965,500.

JANTAR MANTAR LOOKS TO REMAIN UNBEATEN IN ASAHI HAI FUTURITY

by Alan Carasso

Jantar Mantar | JRA photo

It was announced just Thursday that American Classic winner **Palace Malice (Curlin)** would be **joining the Japanese stallion ranks at Darley** beginning in 2024, and Shadai Race Horse Co.'s US-conceived **Jantar Mantar (Jpn)** can provide his sire with a timely boost in Sunday's G1 Asahi Hai Futurity S. going a right-handed 1600 metres at Hanshin Racecourse.

A son of American Grade III winner India Mantuana (Wilburn) and bred on a variant of the wildly successful cross of **Curlin** over A.P. Indy-line dams, the dark bay colt debuted with an impressive 2 1/2-length victory going 1800 metres at Kyoto Oct. 8 and overcame a penchant to overrace with a fast-finishing defeat of **Enya Love Faith (Jpn)** (A Shin Hikari {Jpn}) and **Namura Hooker (Jpn)** (Suave Richard {Jpn}) to win the G2 Daily Hai Nisai S. over this distance Nov. 11 ([video](#), SC 2). Leading jockey Yuga Kawada takes over in the saddle Sunday afternoon from a low draw.

"There have been no problems with him, and his responses at the finish in training have been good, and he's moving well," said trainer Tomokazu Takano.

"He's had the same four-week period of time between races as he had before his last race. I'm not worried about it being his first time at the Hanshin track."

Carrot Farm's **Strauss (Jpn)** (Maurice {Jpn}), whose dam Blumenblatt (Jpn) (Admire Vega {Jpn}) won the G1 Mile Championship S., demolished a field of Toyko newcomers by nine lengths in soft ground June 3, but was not seen again for four months, resuming with a third in the G3 Saudi Arabia Royal Cup at headquarters in October. He stepped out to nine furlongs in the G2 Tokyo Sports Hai Nisai S. Nov. 18 and returned to winning ways with a 1 1/2-length victory. Tom Marquand has the riding assignment from barrier 17 of 17 Sunday.

"He might be a 2-year-old, but he feels quite mature," the jockey said. "He stood out among the other horses in his last race, so I hope he can run in a similar way to how he did last time."

Danon McKinley (Jpn) (Maurice {Jpn}), a ¥220 million (£1.22 million/US\$1.62 million) purchase out of last year's JHRA Select Sale, tries the mile for the first time, having easily won his 1400-metre unveiling over the Hanshin course Sept. 30 before overcoming a tardy dispatch to easily scoop a 1-win class conditions test over the same trip Nov. 19. His time of 1:20.7 was 0.6 seconds quicker than the 1400-meter split of the Mile Championship S. a few races later.

With Strauss drawn widest, it seems fitting that **Ecoro Waltz (Jpn)** (Black Tide {Jpn}) jumps from the inside box as he looks to make it three-from-three in his young career. He most recently carried Yutaka Take to a six-length victory in an 1800-metre conditions test at northern Sapporo Aug. 13.

HIWU WITHDRAWS FARRIOR SUSPENSION

Anthony Farris | *Jim McCue*

by *Bill Finley*

Just one week after the Horseracing Welfare and Integrity Unit (HIWU) issued a public disclosure on its website that top Mid-Atlantic trainer Anthony Farris had a horse test positive for the banned substance Metformin, Farris's attorney Drew Mollica said that he has been informed by HIWU that the charges have been dropped.

"The system worked and we are happy to clear his good name and his reputation," Mollica said.

Mollica said HIWU's decision came about after a review of the split sample, which was requested by Mollica and Farris. Mollica said there were "issues" with the split sample, also known as the B sample.

FX AND NEW YORK TIMES TO TEAM UP ON DOCUMENTARY SERIES THAT WILL FOCUS ON RACING'S PROBLEMS

by *Bill Finley*

FX, a division of Disney Entertainment, has announced that its series "The New York Times Presents" will feature a documentary called "Broken Horses" that will examine "the systematic issues, questionable practices and urgent calls for change that have shaken horse racing to its core." The series will air sometime in 2024 and will be shown on FX and Hulu.

FX has posted a short video on-line featuring Arthur Hancock, who says: "We've got to get rid of the bad actors in the sport and we've got to get rid of all these drugs." That is followed up by a recording of two individuals discussing how a horse "galloped" after given a substance that one of the individuals admitted was a doping agent.

Over the last several years, *The New York Times's* coverage of horse racing has been extremely negative and focused on breakdowns and doping, so the sport should be prepared for the FX documentary to pick up on the same themes and to cast a harsh light on the sport.

“Pursuant to the procedures available we sought verification of the alleged positive by requesting a B sample,” Mollica said. “Due to issues with the B sample and pursuant to the rules, HIWU withdrew the charges. There were issues with the B sample that precluded them from prosecuting.”

Farrior faced a suspension of up to two years. When HIWU took over the role of drug testing and handing out penalties for infractions on May 22, trainers who had an alleged positive for a banned substance were issued provisional suspensions that went into effect immediately. It has since changed its rules and allows trainers to put off their suspensions until the results of the B sample have come back.

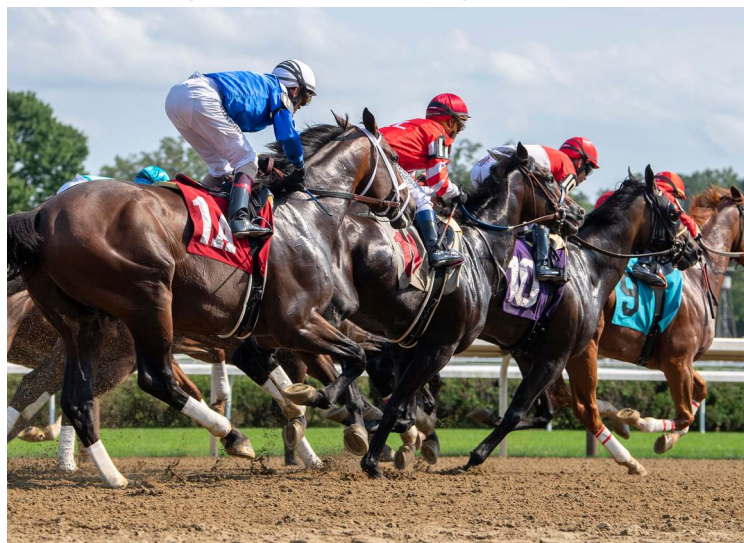

“The fact that he was not summarily or provisionally suspended is a testament to the effort HIWU has made to seek some level of justice and we look forward to more modifications going forward to protect the innocent,” Mollica said.

Metformin, is used in humans to combat Type II diabetes, but is not FDA approved for horses. In October, HIWU announced that following an internal review, it had discovered that not all of its participating laboratories had applied the same limit of detection in analyzing samples for the presence of drug. HIWU said it met with the six laboratories it works with to establish uniform limits of detection for the Metformin.

Farrior, who has been training since 2011, has 840 winners from 3,725 starters. He is currently the leading trainer at Charles Town with 136 wins on the meet.

The press release continues: "With confidential documents and recordings and exclusive interviews, "Broken Horses" provides a vivid tour of the business and political forces that control the Sport of Kings and resist measures to implement changes that could decrease horse deaths. 'TDN RISING STAR' COACH PRIME HIGH STEPS INTO LOS ALAMITOS FUTURITY

Coach Prime | Benoit

by J.N. Campbell

Trainer Bob Baffert won seven consecutive editions of the GII Los Alamitos Futurity until that streak ended two years ago. The Hall of Famer will have half the field when **Wynstock** (Solomini), **Coach Prime** (**Quality Road**) and GSP **Wine Me Up** (Vino Rosso) line up for his barn on Saturday.

Coach Prime was a \$1.7-million Keeneland September yearling, and began to pay back owner Amr Zedan last out with a 7 1/4-length win at Del Mar Nov. 10, earning him the status of **'TDN Rising Star.'**

As for his stablemates, Wynstock broke his maiden by roughly the same margin as Coach Prime in what was his third attempt Oct. 15 at Santa Anita. Wine Me Up returns after finishing second in the GI **American Pharoah** S. and eighth in the GI Breeders' Cup Juvenile.

Last year, trainer Tim Yakteen won the Futurity with Practical Move (**Practical Joke**) and he is back again with debut winner **Moonlit Sonata** (Malibu Moon). The bay colt came from off the pace to win by 2 1/2 lengths at Del Mar Nov. 25.

Rounding out the field is Doug O'Neill trainee **Ace of Clubs** (Mor Spirit) and **Stronghold** (**Ghostzapper**). The latter is a homebred trained by Phil D'Amato who was a well-beaten runner-up to **'TDN Rising Star'** Nysos (**Nyquist**) in the Gill Bob Hope S. at the seaside oval Nov. 19.

...that's what you get with **Hard Spun**. More 2023 Stakes horses than any stallion standing for under \$75k. Plus: three of his latest yearlings made over \$400k. Just imagine!

\$35,000 S&N

Bred by Elizabeth Merryman and raised on her farm in Coatesville, Pennsylvania, Caravel heads to the breeding shed after RNA'ing for \$2.4 million at the Keeneland November Sale.

"The ownership group has very much kept me in the loop and it's been a lot of fun enjoying her successes," said Merryman, speaking to Cavalieri. "I'm so glad that she's at Hunter Valley because I know the way she has wintered there the last few winters. She's loved it there."

Caravel earned nearly \$2 million as a 15-time winner, which included her longshot performance in the 2022 Breeders' Cup at Keeneland. The ownership group decided to race her as a 6-year-old this year, and she rewarded them with three more stakes wins, including another Grade I victory against the boys at Belmont Park in the Jaipur S.

"Caravel always has been a little bit of a freak of nature," Merryman told Cavalieri. "She's incredible. She puts so much into her racing but from day one she had so much personality and talent. She's a once in a lifetime horse."

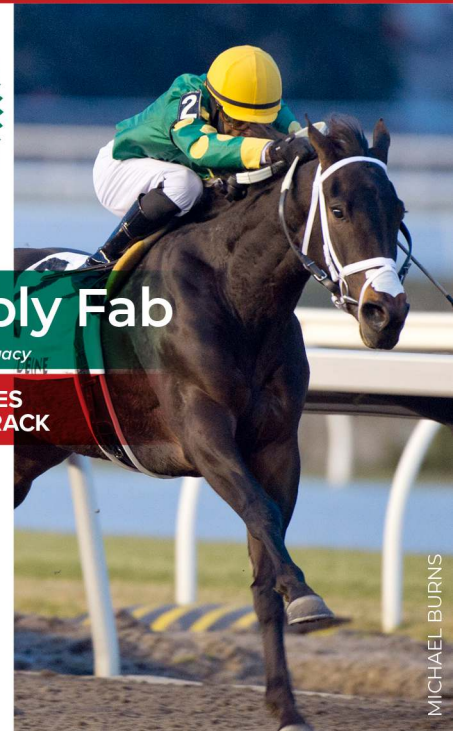

Her dam Zeezee Zoomzoom was also set to be sold at the same Keeneland November sale, but Merryman couldn't part with her life-changing mare.

"It might not be the best business plan, but it was the right move for me," Merryman told the publication. "The mare owes me nothing and she is really, really happy where she is. I didn't want to put her through the stress of shipping somewhere new. I was worried she might not take it that well and it might be really hard on her. I promised her a good life and didn't want to go back on it."

The 11-year-old is currently in foal to **Justify** and has also produced the MSW **Witty** (Great Notion), who is bred, owned and trained by Merryman.

As 2023 draws to a close, the TDN is asking industry members to name their favorite moment of the year. Send yours to suefinley@thetdn.com

"The best moment from 2023 was the confirmation that the state of New York would be loaning NYRA nearly half a billion dollars to build a modern Belmont Park. I'd rate this occurrence as possibly the most positive development in the sport since the founding of the Thoroughbred Aftercare Alliance. The seeds of this were planted in the years before VLT revenue started flowing in New York and it was decided NYRA wanted a slice of that revenue to go to a capital expenditure fund instead of just

Midnight Memories | *Benoit*

Midnight Memories, winner of the 2022 GII Zenyatta S. and GIII Torrey Pines S., followed in the footsteps of her dam Tiz Midnight with a win in Friday evening's GIII Bayakoa S.

Midnight Memories made only one previous start this term, finishing a solid third in the GI Beholder Mile S. at Santa Anita Mar. 11.

Favored at even-money off the layoff here, she raced in an inside fourth through a half mile in :47.60 and was under a ride on the far turn. She split horses beneath Juan Hernandez at the top of the stretch, was tipped to the outside of last month's GI Breeders' Cup Distaff fifth-place finisher Desert Dawn past the three-sixteenths pole and was along in time to get the money.

"She had trained well for this, but, in all honesty, I thought she was done on the turn," said Mike Marlow, assistant to winning Hall of Fame trainer Bob Baffert.

"He started riding her pretty hard, and, at the three-eighths pole, I thought to myself, 'she's not going anywhere.' Then he got her outside and she came back. He just said she didn't want to run into the kickback. He did a great job riding her. She showed a new dimension today coming from off the pace."

Hernandez added, "She broke sharp, but I let her settle off the two leaders. She doesn't like dirt in the face, so I tried to avoid that as much as I could down the backside. (Desert Dawn) got the jump on us turning for home, but once I swung this filly out in the stretch she really took off."

Pedigree Notes:

Midnight Memories is one of two graded winners for both her sire **Mastery** and broodmare sire **Midnight Lute**. Former Claiborne stallion **Mastery** was relocated to Lex Stud in Japan for 2024, it was announced earlier this fall. Midnight Memories is the second foal to race out of Tiz Midnight, who won the 2014 renewal of this race and was also second in the GI Zenyatta S.

for these same connections. Second dam Tough Tiz's Sis was a six-time stakes winner who ended her career with a 12 1/4-length romp and 113 Beyer in the 2008 GI Ruffian H. at Belmont Park. Tiz Midnight is also responsible for the unraced 2-year-old gelding Time for Another (**Collected**) and a yearling filly by **Maximum Security**. She was bred to **Corniche** for 2024.

BORISENOK, THOMPSON NAMED TO NY RACE TRACK CHAPLAINCY BOARD

Michelle Cuzzo Borisenok, a longtime Thoroughbred owner, entrepreneur and philanthropist in the Capital region, and Najja Thompson, the executive director of the New York Thoroughbred Breeders, Inc., have been named to the Board of Directors of the New York Race Track Chaplaincy, the organization said in a release Friday morning.

"Michelle and Najja both have a deep appreciation for the mission of the New York Race Track Chaplaincy and they are widely admired throughout the Thoroughbred industry," said Ramon Dominguez, the President of the NYRTC. "We are honored to have them as board members and we look forward to working with them."

Borisenok has supported women's leadership throughout her career and operates Brown Road Racing, a boutique Thoroughbred racing organization which aims to empower women, foster a sense of camaraderie and give back to the community.

Thompson joined the Chaplaincy in 2020 and as the head of the New York Thoroughbred Breeders, he works to enhance the status of New York-breds and promote the economic impact that breeders and racing can have on the state.

NTRA RENEWS PARTNERSHIP DEAL WITH JOHN DEERE

The National Thoroughbred Racing Association (NTRA) has renewed its sales and marketing partnership with John Deere for an additional three years, the association said in a release Friday.

The agricultural giant will continue in its role as the exclusive equipment supplier to the NTRA and also maintain its participation in the NTRA Advantage group purchasing program.

“John Deere tractors and horse racing go hand in hand,” said NTRA President and CEO Tom Rooney. “We are thrilled to renew our partnership with this great American company for another three years.”

As part of the agreement, NTRA members will continue to be able to purchase or lease John Deere agricultural tractors, equipment, and implements with preferred member discounts, warranty programs and competitive financing packages.

In 2022, the NTRA Advantage program topped the \$1 billion sales mark with savings to the horse industry approximately \$180 million since the inception of the NTRA’s group purchasing arm just over twenty years ago.

CASTLETON LYONS HOMEBRED THE NEWEST 'TDN RISING STAR' *by Alan Carasso*

El Terreno | Lauren King

Given the dominance she showed when blowing away a field of Presque Isle maidens by 11 lengths in fast time on her six-furlong debut Oct. 25, the connections of **El Terreno** (**Speightstown**--Palma, by Malibu Moon) would hardly have been dismayed when Friday's second race from Gulfstream Park was washed off the turf and onto the synthetic surface. Accordingly smashed into 2-5 favoritism, the Castleton Lyons homebred duly obliged with another commanding performance, this one good for 'TDN Rising Star' honors.

Kicked straight into the lead by Irad Ortiz, Jr., El Terreno set the pace from a couple of paths off the inside down the backstretch and got her opening quarter-mile in a solid :22.15. Traveling well in hand on the turn with her jockey riding high in the saddle, the dark bay opened up on her rivals into the final furlong and was never out of a high gallop while reporting home a, eased-down, 4 1/4-length winner. Bubbly Champagne (**Bee Jersey**), who just missed in the Our Dear Peg S. two starts back and the second choice here at 33-10, made some late headway from the latter half of the field to round out a chalky exacta while never any sort of danger to the winner.

"She was very impressive. She did everything on her own," the winning jockey commented. "She broke out of there. I didn't have to ask her. She was quick and then she relaxed. Turning [for] home, I just motioned to her and showed her the stick one time and she finished on her own."

A 25th 'Rising Star' for the sadly lost **Speightstown**, is out of a half-sister to Argentinian stakes winner and Group 1-placed Meguial, the dam of GISW I Want Revenge (Stephen Got Even), SP A Story of Revenge (Tale of the Cat) and Meg Fitz (**Tapit**), whose son Real Men Violin (**Mendelssohn**) was runner-up in last month's GII Kentucky Jockey Club S. at Churchill Downs.

Palma, bred in New York by Newtown Anner Stud, was purchased for \$500,000 at the 2015 Keeneland September sale by Castleton Lyons, where her sire stood from 2004-2007 after relocating from Country Life Farm in Maryland. From 2008 to his death in May 2021, Malibu Moon resided at Spendthrift Farm.

The mare's yearling colt by **Volatile** was knocked down to Starlight Racing and Harrell Ventures for \$135,000 at this year's Fasig-Tipton Kentucky July sale and she foaled a **Knicks Go** filly this past Mar. 18 before visiting **Dialed In**.

ELYSIAN MEADOWS (c, 2, City of Light--Heavenly Thought, by War Front) debuted a winner by 1 1/4 lengths against state-bred company at Aqueduct Nov. 18. A 7-2 shot facing winners for the first time here, the bay colt tracked Detective Tom (**The Factor**) up the backstretch, took aim on the pacesetter around

the far turn, took over the lead at the eighth pole and won by 3/4 of a length over the charging Mischief Joke (**Practical Joke**). The winner's dam produced a yearling colt named Dark Magic (**City of Light**), foaled a colt May 14 by **Audible** and was bred to **Sharp Azteca** for 2024. JULIET'S ROSE (f, 3, Bolt d'Oro--Brianna Rose, by Distorted Humor) won by 4 3/4 lengths sprinting on debut at Gulfstream Park Nov. 5. The 8-5 favorite made the lead up the backstretch, extended her margin around the far turn and ran up the score to graduate by 8 3/4 lengths over Euphima (Arg). The winner is a half-sister to Identity Politics (Into Mischief), GISP, \$301,373. Her unraced dam is responsible for 2-year-old filly Royal Garden (**Union Rags**), a yearling colt by **War of Will** and she visited **Audible** for next year. TIME TO DAZZLE (f, 2, **Not This Time--Staria, by Unbridled's Song) broke her maiden at first asking over the Woodbine turf Sept. 17 and then was a well-beaten ninth in the Oct. 6 GII Jessamine S. at Keeneland. The gray filly, off at even-money, established herself along the rail into the first turn, continued to set the pace up the backstretch and had plenty left in reserve to score by 2 1/2 lengths over Escape Room (Maximus Mischief). Out of an extended female family which includes Canadian champion 3-year-old Irish Mission (Giant's Causeway), and Canadian champion grass horses Rainbow Connection (Halo) and Rainbows for Life (Lyphard), the winner is a half-sister to Sir Genghis (Tale of the Cat), MSW, \$523,052. Rayya Valentine | Coglianese

IN ORDER OF PURSE:

6th-Aqueduct, \$85,000, Msw, 12-15, 3yo/up, f/m, 1m, 1:37.30, ft, 4 1/2 lengths.

RAYYA VALENTINE (f, 3, **Quality Road--Rayya {GSW-UAE, \$657,852}, by Tiz Wonderful)** caught rain-affected tracks in her first two starts, finishing a distant seventh at Saratoga Aug. 18 and third--though well-beaten--at this track Sept. 24. The dark bay dropped one spot in a nine-furlong maiden over a dry strip Oct. 18 and was a 5-1 shot cutting back to the one-turn mile here. Tugging her way along from a share of second while three off the fence early on, Rayya Valentine stuck her head in front with a bit more than three furlongs to travel. Clinging to a short lead in upper stretch, she drifted in and across the heels of narrow second choice Misintention (Into Mischief) and refused to switch her leads, but kept on to post a 4 1/2-length victory over La Girvina (**Girvin**), who was the post-time favorite by \$247. The winner's dam carried the silks of RRR Racing's Sheikh Rashid bin Humaid Al Nuaimi's RRR Racing to victory in the 2018 G3 UAE Oaks and was the distant runner-up to **Mendelssohn** (Scat Daddy) in that year's G2 UAE Derby. The mare is also represented by the yearling cold Rafid (Into Mischief), a weanling colt by **Speightstown** and was bred to **Essential Quality** last breeding season. RRR also campaigns 2023 G2 Godolphin Mile hero Isolate (Mark Valeski) as well as GIII Lukas Classic winner Clapton (Brethren). Lifetime Record: 4-1-0-1, \$64,000.

6th-Fair Grounds, \$52,000, Msw, 12-15, 3yo/up, 1 1/16m, 1:45.10, ft, 4 1/2 lengths.

PYRENEES (c, 3, Into Mischief--Our Khrysty {GSW, \$313,260}, by Newfoundland), a distant third at this venue on Boxing Day 2022, was having his first run in 354 days as the 4-5 choice and made no mistakes. Slotting into a cozy third rounding the first turn, the half-brother to Grace Adler (**Curlin**), GISW, \$258,800, the homebred switched off nicely through the middle stages and was poised to strike three wide at the quarter pole. Pyrenees quickened up nicely for Brian Hernandez, Jr., led clear into the final furlong and proved the no-doubt-about-it winner. Grade III winner Our Khrysty, also the dam of the GSP Virginia Key (Distorted Humor), is a half-sister to GISW Bullsbay (Tiznow) MSW & GSP Vegas No Show (**Hard Spun**) and SW Hidden Expression (Yonaguska). **Cont. p4**

MCAVOY (g, 2, Free Drop Billy--Araminta, by English Channel) was completely friendless in the market at 43-1 despite some promising morning trials and a favorable turf pedigree. Ridden positively by Marcelino Pedroza, Jr., the blaze-faced chestnut tracked an easy pace from second and raced tightly between pacesetter Pearl of Aclaim (GB) (Aclaim {GB}) at the fence and the rallying odds-on pop Summer in Adriane (Summer Front) rivals as they hit the long Fair Grounds stretch. The latter looked to have the edge as they came into the final furlong, but McEvoy refused to yield in the dying strides and was home a head to the

good of Camaro Z (Liam's Map). Summer in Adriane was a close third. McAvoy is the first to race from his dam, a three-time winner and four times placed on the turf, while his second dam was a daughter of Sky Classic, a champion turf horse in Canada and the U.S. Third dam Shimmering Palette (Halo) was a half-sister to Grade III turf scorer Star of Manila. Free Drop Billy, best known as winner of the 2017 GI Claiborne Breeders' Futurity, has a license to throw a turf horse, being a half-brother to G1 Dubai Sheema Classic hero Hawkbill (Kitten's Joy). Araminta is the sam of McAvoy's yearling full-brother Captain Junuh and the weanling filly Minuetta (Gormley). RECHARGE (f, 2, Gun Runner--Remit {MSW, \$257,556}, by Tapit), one of three debutantes in the field, was the 7-5 second favorite behind the thrice-raced Ogallala (**Hard Spun**) at even money and made light work of the field. The homebred bounced alertly and set a pressured pace of :22.51 and :46.58 from the chalk, who was drawn just to her outside. Getting better of that battle in the stretch, the chestnut opened up at will through the final furlong to report home a convincing winner. A half-sister to Reride (**Candy Ride {Arg}**), MSW-USA, GSP-UAE, \$461,010; and Finite (**Munnings**), MGSW & GISP, \$849,869, Recharge is out of a dual stakes-winning full-sister to Darby Dan sire **Tapiture**, GSW Rotation and SW/GSP Retap. WET SEASON (c, 2, Mendelsohn--Season Maker, by Pioneerof the Nile) is out of a daughter of Seasons Greetings (Ire) (Ezzoud {Ire}), a stakes winner and placed three times at group level in France, but better known as the dam of Grace Hall (Empire Maker), winner of the GI Spinaway S. and runner-up in the GI Breeders' Cup Juvenile Fillies in 2011; as well as G1 Prix Ganay runner-up Wren's Day (**Medaglia d'Oro**). This colt's half-brother **Hardwired (Hard Spun)** won two of his first three starts, including his debut, and was most recently unplaced in Group 3 competition. *B-Godolphin (KY)*

INDICATOR (JPN) (c, 2, Liam's Map--Ice Cream Silence, by Street Sense) is the first Japanese-foaled starter for his dam, upset winner of the 2013 GIII Doubledogdare S. at Keeneland for G. Watts Humphrey and Rusty Arnold and later sold to J S Company for \$70,000 with this colt in utero at the 2020 Keeneland November sale. Having been foaled Feb. 21, 2021, Indicator took his spot in the ring for the JRHA Select Sale about five months later and was hammered down for ¥19 million (\$172,173). *B-Okada Stud*
