

THREE-DAY OBS JUNE SALE CLOSES OUT 2YO SALES SEASON IN OCALA

by Jessica Martini

The Ocala Breeders' Sales Company's June Sale of 2-Year-Olds in Training begins its three-day run Wednesday in Central Florida, with bidding slated to begin at 10 a.m.

During last week's six-session under-tack preview of the auction, 11 horses tied for the fastest furlong time of :9 4/5, while a pair of fillies from Tom McCrocklin's consignment shared the fastest quarter-mile time of :20 2/5.

"There were plenty of people up there clocking on the turn," consignor Lane Richardson said of the interest level ahead of the three-day June sale. "I think there is going to be good turn out for good horses. Kind of like it has been all year. If you are in the top percentage of horses, I think you're going to be pretty good."

Consignor Robbie Harris used a familiar phrase when asked about expectations for the sale.

"You know, I've got to think it might be a little tough," he said, before adding, "We are cautiously optimistic. I guess that's the word everybody uses."

After a record-setting 2022 renewal, figures at the June sale fell off slightly in 2023, with 630 horses selling for \$23,777,900. The average was \$37,743 and the median was \$21,000. The prior year, 666 horses sold for a sale record \$27,052,000, an average of \$40,619 and a median of \$23,500. **Cont. p3**

SATURDAY SIRE: GOOD MAGIC

by Jill Williams

*The mighty **Curlin**'s heir apparent might be a son standing alongside him at Hill 'n' Dale at Xalapa.*

Your average young stallion doesn't usually follow up a first-crop Classic winner with another one in his second crop. To be fair, your average young stallion doesn't often have a Classic winner at all. **Good Magic** is quickly proving he is not your average young stallion.

"Classic horses are certainly the peak, the goal of anyone who breeds, sells, or owns, or even stands stallions," said Hill 'n' Dale's John Sikura, who stands both **Good Magic** and his sire, **Curlin**. "The test of time is if you get Grade I-caliber horses. It's a lovely metric that defines sires most."

The last of the company's three 2-year-old sales, the June sale completes a season which has seen steady results at the top, but has often faltered at the lower ends of the market.

"We've done well in some spots and in some spots, we've had to get through," Richardson said of his results this spring. "I think that's typical of this year. I think everybody has had their ups and downs this year. It's just hard in spots and good in other ones."

Harris agreed the middle market continued to struggle throughout the spring sales.

"It's been ok," he said. "We are in the black, so to speak, which is always good. But I definitely felt like it was a little bit softer, unless you were top, top. It's been the same at all the sales. They keep talking about the middle market, but there hasn't been a middle market in our game for a few years now. We are fortunate, we are in the plus column, that's awesome. But there are a lot of guys who got roughed up a little this year. I will be curious to see what the yearling sales look like because I think this will affect the yearlings."

The OBS June sale continues through Friday, with sessions beginning daily at 10 a.m.

Saturday Sires, cont. from p1

After Dornoch became his second Classic winner in just two crops to race in Saturday's GI Belmont S., **Good Magic** added an exclamation point to his weekend with yet another new graded winner Sunday when Society Man captured Churchill's GIII Matt Winn S.

Just how good is this young sire?

"That was a fantastic achievement," said Sikura. "He's proven himself to be a Classic sire. To get Grade I winners is the hardest achievement for a stallion, the echelon of quality. For a stallion to do that repeatedly shows he's an elite horse.

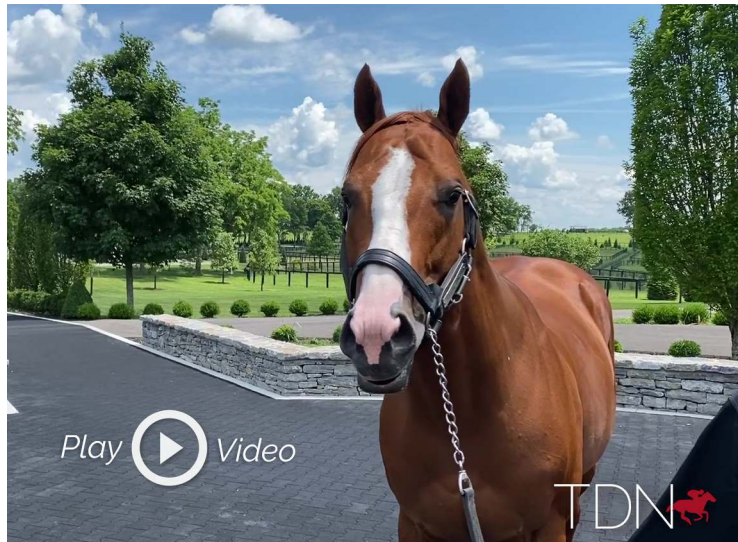

"It's always the goal, but it's an elusive goal to achieve. If you're realistic, your expectations are always a bit guarded, but hope is immeasurable. He's delivered a Classic winner in each of two crops."

While others have been eager to christen **Good Magic** the 'heir apparent' to **Curlin**, Sikura is somewhat more cautious and diplomatic in using that phrase.

"He's still forming his legacy and his sire record, so it's too early to say, but all indications are he's living up to all expectations. **Curlin** is in such rarified air, such a great horse. So far **Good Magic** has done everything expected of whomever **Curlin**'s heir apparent might be."

It's impossible not to compare **Good Magic** to his sire, the phenomenal **Curlin**, as they stand side by side at Hill 'n' Dale. Their sire statistics show it's not only fair to make the comparison, but a compliment

to both. Everyone knows how good **Curlin** is and the staggering numbers of elite performers he churns out, but, unlike **Good Magic**, it took him a little longer to start cranking out the Grade I winners.

Sire and son's first two crops have a comparable number of foals. **Curlin** had four graded winners from 14 stakes winners in his first two crops, including one Grade I winner. Ten of **Good Magic**'s 18 black-type winners are graded, including four at the Grade I level.

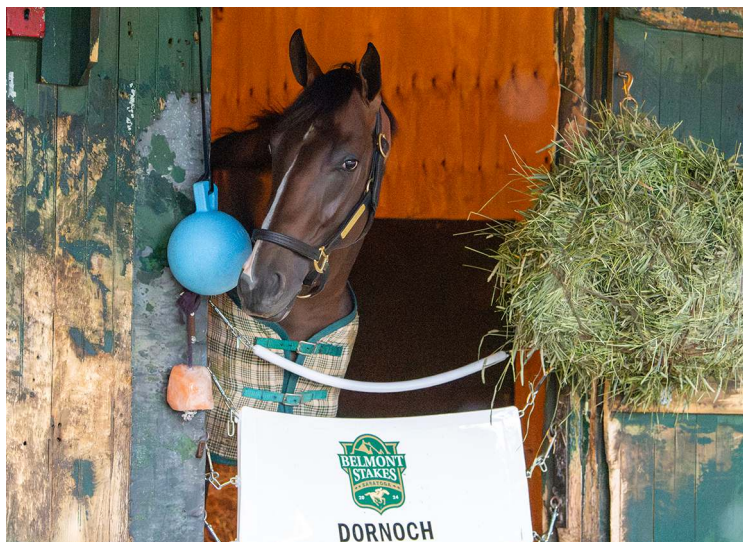

Sikura has some ideas as to why **Good Magic** has gotten off to a faster start than **Curlin** at the same point in his career.

“There's a little difference in the aptitude of the offspring, a little more precocity in **Good Magic**'s offspring, so you see them sooner and earlier. **Curlin** is such a fantastic horse of such versatility in every division, but it took him a little longer to express himself. **Good Magic**'s offspring are a little lighter on their feet, not quite as substantial in their physicality.”

Each had a Classic winner in his first crop: Palace Malice in the 2013 Belmont for **Curlin**, **Mage** in the 2023 GI Kentucky Derby for **Good Magic**. **Curlin** would add a second Classic winner from his fourth crop in 2016 with Exaggerator in the GI Preakness S. **Good Magic** has done it in his second crop with Dornoch.

After Palace Malice, **Curlin** wouldn't get his second (and third, and fourth) Grade I winner until his third crop. **Good Magic** already has four: in addition to Dornoch is Derby winner **Mage**, GI Arkansas Derby/GI **American Pharoah** S. winner Muth, and GI Champagne S. winner Blazing Sevens.

With the hindsight of **Curlin**'s prowess as an elite sire, the simple comparison and the fast start made by **Good Magic** is an eye-opener. He's also mandated a raise in his fee accordingly. When **Good Magic** retired in the latter part of 2018, Hill 'n' Dale introduced him at \$35,000 for his initial season in 2019. Five years later, he stood this spring for an advertised fee of \$125,000. His full book emphasizes quality over quantity.

--- Carlo Vaccarezza

“He can be a bit of shy breeder sometimes so we don't overwhelm him with mares,” said Sikura. “He's been a very popular horse from the beginning. Interest does not wane in him. He's had good, steady support.”

The last time in recent history a stallion got two Classic winners in his first two crops was when Birdstone got Derby winner Mine That Bird and Belmont winner Summer Bird in his initial crop of 3-year-olds. That horse would get a total of 10 graded winners--the same number **Good Magic** already has--over his entire career.

Further illustrating how elevated **Good Magic**'s accomplishments already are is how tantalizingly close he's come to adding the Preakness, his progeny's only missing leg of the Triple Crown. In 2023, his sons Blazing Sevens and **Mage** finished second and third. In 2024, 'TDN Rising Star' Muth developed a fever and scratched as the morning-line favorite a few days before the race.

“It's really a rarity with two Classic winners in two crops and then to have the Preakness favorite scratched,” said Sikura. “It shows **Good Magic** is not a one-and-done sire and it's not luck. Those runners are now an expectation for him. It seems an unrealistic expectation of the horse, but that's what he delivers.”

Truthfully, **Good Magic** signaled he was special from the start. Bred in Kentucky by Barbara Banke's Stonestreet, who kept a piece of him when he sold for \$1 million at Keeneland September to e Five Racing, he went into the 2017 GI Breeders' Cup Juvenile a maiden. Admittedly, he was a maiden with two improving seconds from two previous starts, including in the Champagne, so it was both a bold and logical move to take a shot at racing's championship day. The gamble paid off in spades. **Good Magic** won the Breeders' Cup with such aplomb he was named Eclipse champion 2-year-old and the second of **Curlin's** nine U.S. and Canadian champions to date. His sophomore season concluded with wins in the GI Haskell S. and GI Blue Grass S., as well as with a second in the Kentucky Derby.

Some horses--extremely special horses--hit a very elusive trifecta of doing everything right every step of the way from sales ring to race career to breeding shed. **Good Magic** is one of those horses. With such a spectacular start to his young stud career, the sky has to be the limit, especially as the quality of mares in his book increases based on his initial success.

"[His success] is a great feeling of comfort to us and to Barbara [Banke] and to Stonestreet," said Sikura. "Really it's fantastic for everyone involved with him."

What does **Good Magic's** firm footing at the top mean for the extensive foundation **Curlin** has laid as a sire for the ages?

"A son perpetuating a legacy doesn't always happen," said Sikura. "It's almost mythical that his son would stand next to **Curlin** and carry the torch, not that **Curlin** is anywhere through. May it continue."

DEPT. OF LABOR OBTAINS COURT ORDER REQUIRING ASMUSSEN TO PAY BACK WAGES, DAMAGES

The U.S. Department of Labor has obtained a court order requiring trainer Steve Asmussen to pay \$243,260 in back wages and an equal amount in liquidated damages after its investigation found the employer's pay practices denied 163 groomers and hotwalkers at Churchill Downs and at Keeneland racetrack of overtime wages, according to a release from the U.S. Department of Labor Tuesday.

The recovery is the latest action brought by the department since 2021 against KDE Equine LLC, operating as Asmussen Racing Stables with about 200 horses in five states. This is the fifth time in recent years that investigations by the department's Wage and Hour Division found the company violated federal labor laws.

In its order, the U.S. District Court for the Western District of Kentucky affirmed the division's finding that the Hall of Famer failed to pay overtime wages to hotwalkers and groomers, instead paying the employees a salary for hours worked. Employees were occasionally paid extra money for doing additional work, but they were not paid overtime.

"Several U.S. Department of Labor investigations have found significant violations related to the way KDE Equine pays its employees," said Regional Solicitor Tremelle Howard in Atlanta. "When we determine that an employer has violated the rights of its workers to be paid their full, legally earned wages, the Department of Labor will not hesitate to use litigation to hold employers like this, who knowingly disregarded their overtime obligations, accountable under the law."

The division determined the employer failed to pay non-exempt employees the additional half-time owed based on their regular rates of pay for hours over 40 in a workweek. Investigators also found KDE failed to keep accurate pay records and allegedly tried to conceal its Fair Labor Standards Act violations by knowingly modifying its records to make it appear the company paid employees by the hour.

In Aug. 2023, the Arlington, Texas-based company entered into a settlement agreement to reimburse groomers and hotwalkers \$129,776 and pay \$75,223 in penalties to resolve violations of the federal H-2B worker program.

In September 2021, the division recovered \$563,800 in back wages and damages for 170 employees and assessed \$46,200 in penalties after finding Asmussen failed to pay proper overtime compensation to employees for hours over 40 hours in a workweek, concealed hours worked by employees, directed employees to sign incomplete or false timesheets and did not calculate employees' overtime correctly.

INAUGURAL BUCKEYE CLASSIC THOROUGHBRED SALE SET FOR OCT. 17

The Buckeye Classic Thoroughbred Sale will debut at the Delaware County Fairgrounds on Oct. 17 at 2:00 p.m. The sale has been created by a group of Ohio breeders, several of them former members of the Ohio Thoroughbred Breeder & Owners Board of Directors. The sale is open to yearlings, weanlings, in-foal mares and 2-year-olds. Early entry deadline for the Buckeye Classic Thoroughbred Sale is July, 15.

“It seemed the OTBO sale was becoming a viable source for both sellers and buyers after a 13-year hiatus, but over the last three years--under their new leadership--it has headed in the wrong direction,” stated Daryl Duncan, who operates Duncan Farms with his wife, Sally. “It just wasn’t a proper fashion for us to present our homebreds, so we teamed with other leading Ohio farms and decided to form a new sale company with some great people coming together for a common goal. Their plan and rationale for a new sale was presented to the Ohio H.B.P.A., who agreed with their assessment and were willing to underwrite the venture.”

Daryl and Sally Duncan | *John Engelhardt*

He added, “The endorsement from the Ohio HBPA will go a long way. I do believe that the farms that have made the commitment to this sale will be bringing in quality, well-prepped horses in a show of their support. I know we will.”

Duncan stands two-time Ohio Stallion of the Year Dominus and Breeders’ Cup Classic winner Fort Larned, in addition to Mobil, Corfu and Air Strike. Horses sold at the new sale will be eligible to compete in the \$50,000 inaugural Buckeye Classic Thoroughbred S. that will be held at Mahoning Valley in the fall along with horses made eligible through the previous O.T.B.O. sales.

RESEARCHERS SEEK INPUT FROM FARRIERS AND VETS FOR NEW STUDY ON EQUINE FOOT HEALTH

Researchers from the University of Edinburgh's Royal (Dick) School of Veterinary Studies have launched a new study that focuses on equine foot health and care. The study, open to equine veterinary practitioners and professional farriers in the United States, United Kingdom, Canada, Australia and New Zealand, seeks their input to help quantify key aspects of hoof knowledge, care and maintenance.

Topics included in the study: demographic information, hoof education and knowledge, perceptions of collaborative efforts among the surveyed populations, as well as questions on hoof mechanics, recommendations for hoof specific pathologies and/or injuries, and defining certain associated terms.

CAESARS, HORSESHOE INDIANAPOLIS RESCHEDULED FOR JULY

The \$150,000 Caesars S. and the \$150,000 Horseshoe Indianapolis S. have been rescheduled for Saturday, July 13 at Horseshoe Indianapolis.

“Unfortunately, we had to postpone Caesars Day in mid-May due to torrential weather, which included over four inches of rain the evening before and forced us to cancel our racing program,” said Eric Halstrom, Vice President, and General Manager of Racing.

THE LIFE & CAREER OF D. WAYNE LUKAS**

“There are very few people who can truly change an industry, and I think it’s clear Wayne Lukas did that for horse racing.”

“But we did not want to completely bypass both The Caesars and The Horseshoe Indianapolis. Those races have become a staple on our schedule each season. It just took our racing office staff, led by Chris Polzin [director of racing], a little time to find the best fit among other turf events offered in the Midwest. We think we’ve found a great spot for both races Saturday, July 13.”

The Caesars is a one-mile turf event for 3-year-olds, while the Horseshoe Indianapolis runs at the same distance for 3-year-old fillies. The Caesars, which began during the inaugural season of racing in 2003, enters its 19th running while the Horseshoe Indianapolis, which began in 2009, will be held for the 16th year.

FROLIC IN THE PARK (f, 3, Summer Front--Queen's Gate, by Divine Park) broke her maiden for a \$30,000 tag on Turfway debut Mar. 9, defeating a pair of next-out winners in the process, and was a 53-10 chance trying tougher in her first local appearance. Ridden along to keep pace with odds-on Yellow Feathers (Bayern) for the opening half-mile, the gray filly drifted to her outside turning for home, costing her a bit of momentum. Yellow Feathers was still going well into the final furlong, but Frolic in the Park bore down with time ticking away and outfinished Boyne Valley (Unified) by a head. The favorite could do no better than third. Frolic in the Park is kin to a yearling colt by *Instagrاند*. Lifetime Record: 2-2-0-0, \$40,798. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

4th-Horseshoe Indianapolis, \$36,000, (S), Msw, 6-11, 3yo/up, 5 1/2f, 1:05.49, ft, 8 3/4 lengths.

DEMOLISHER (g, 3, Dominus--Maggie Sue, by Magna Graduate) capped his worktab with a best-of-11 three furlongs from the gate in :35 flat June 7 and was duly made the 7-10 chalk to oblige as the lone firster in a scratched-down field of seven. Content to track the early speed from deep on the track, the homebred poked his head in front three furlongs out and opened up with good energy through the final furlong to live up to his moniker as tons the best. The winner's dam is also responsible for the yearling filly Cloudless Day (Cloud Computing) and was most recently covered by Speightsong. Lifetime Record: 1-1-0-0, \$21,600. **Click for the Equibase.com chart.**

8th-Presque Isle Downs, \$30,300, Msw, 6-11, 3yo/up, 6f (AWT), 1:10.71, ft, 3/4 length.

OUTSIDER (g, 3, Outwork--Dr Megann, by Lion Heart) was off at 33-10 from a 6-1 morning line largely on the promise of a bullet five-eighths drill in :58 2/5 (1/10) over the local strip May 31. Off slowly and clearly last down the backstretch, the Florida-bred was sent wide around the turn, was steered out a good seven deep into the lane and finished powerfully to debut a 3/4-length winner. Dr Megann is responsible for a 2-year-old filly by Klimt, a yearling filly by the late Uncle Chuck and was bred to Atta Boy Roy for her 2024 foal. Lifetime Record: 1-1-0-0, \$18,000. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

JULIE HARRINGTON TO LEAVE BHA AT END OF 2024

Julie Harrington has been the BHA's chief executive for four years

Julie Harrington is to leave her role as chief executive of the British Horseracing Authority (BHA) at the end of this year.

In a statement issued by the BHA on Tuesday, Harrington, who has been in the role for three and a half years, said, "With so much now in place to develop and grow the Industry Strategy, which will secure a brighter future for British horseracing, it felt like the right time to move on and let someone else steer the sport through its next exciting phase.

"It has been a huge privilege to lead the BHA during what has been a period of real change as the sport has developed and implemented shared strategies for a sustainable future, and an ability to speak with one united voice."

During her time in the role, the BHA has undergone a significant change in governance structure and has laid out its initial plans for an industry strategy on behalf of the sport. Harrington has presided over the introduction of Premier Racing, which began at the start of 2024 and has been greeted with a mixed response from industry participants. A trial of Sunday evening racing through the winter was recently discontinued.

EURO FESTIVAL AT SARATOGA

By Heather Anderson

In this series, the TDN takes a look at notable successes of European-based sires in North America. This week's column is highlighted by the victory of Measured Time in the Manhattan S. on Saturday.

Blue Is The Colour In Manhattan

Godolphin homebred **Measured Time (GB)** (Frankel {GB}) doubled his top-drawer tally in the GI Manhattan S. during the Belmont S. Festival at Saratoga (video).

Trained by Charlie Appleby, the 4-year-old colt has a record of three wins from four starts in Britain with a second at listed level prior to winning both the G2 Al Rashidiya and G1 Jebel Hatta at Meydan. Fourth in the G1 Dubai Turf on Dubai World Cup night in March, the Manhattan was Measured Time's first start back.

Julie Harrington cont. from p1

The BHA has been involved in lengthy discussions with the government and the betting industry regarding Levy reform, and it is understood that an impending agreement was recently scuppered by the announcement of the general election, which is scheduled to take place on July 4. Harrington is to remain involved in those negotiations when they resume after the election.

Prior to working for the BHA, Harrington held roles within the Football Association and British Cycling as well as being managing director of Uttoxeter racecourse during eight years spent working for Northern Racing.

Her decision to leave the BHA comes after last week's announcement from the Jockey Club that Nevin Truesdale will step down as its chief executive at the end of the year. In April, Rod Street left his role as chief executive officer of Great British Racing, though he is continuing at the head of the British Champions Series until the end of the Flat season. BHA chairman Joe Saumarez Smith will step down at the end of May 2025, with the recruitment process for his replacement already underway. Continuing the major shake-up of senior positions within British racing, Charlie Liverton resigned as chief executive of the Racehorse Owners Association in May and Louise Norman has

been installed as interim chief executive.

Harrington continued, "I love working in horseracing, it is an amazing sport to be involved in. I will always be a fan and you can expect to see me at the races in the years ahead. I am proud of the progress the industry has made over the past three years, especially in improving the governance structure, and I hope that racing's stakeholders will continue to work together cooperatively to attract new audiences, further improve the customer experience and grow the sport.

"I am confident that if the sport continues to foster the sense of unity and shared purpose that we have developed over the past few years then great things can be achieved.

"My future plans are likely to include a move to a varied non-executive career. Although I took the decision to stand down some time ago, I have agreed to stay on until the end of year to allow a smooth transition to a new CEO.

"The BHA Board is already engaged in the search for Joe's successor as chair and informing the board of my intentions now gives the nominations committee the opportunity to plan an orderly handover, consider the complementary skills of candidates and allow the new chair to be part of the final stages of CEO recruitment."

Julie Harrington cont.

Commenting on Harrington's impending departure, Saumarez Smith said, "Julie has been a fantastic chief executive for the BHA and has done a huge amount for the industry since her appointment. We have been lucky to have her in charge and she will be difficult to replace. I am grateful she has agreed to stay on to the end of the year to allow us to recruit her replacement and to ensure a smooth transition.

"During Julie's tenure we have completely changed the governance of the sport and the BHA's role within it. Her influencing skills, often behind-the-scenes, have been key to that change and also in the positive adjustments made to the Gambling Act White Paper that posed such a threat to our sport.

"Four years at the top of any sport demands total focus, concentration and enormous amounts of energy and Julie has delivered all of these, in what at times has been a challenging stakeholder and political environment."

Juddmonte's **Frankel** now has three Grade I winners in America, with the Manhattan scorer joining fillies McKulick (GB) and Inspiral (GB). His 57 runners have delivered 28 winners (49%) and there are an even dozen stakes winners (21%) among them.

Wizard Works His Magic In Belmont Gold Cup

Eclipse Thoroughbred Partners and The Estate of Albert Frassetto's **The Grey Wizard (Ire)** (Caravaggio) closed to take the GII Belmont Gold Cup S. at Saratoga on Thursday ([video](#)). Trained by Graham Motion and bred by Longfield Stud, the 5-year-old gelding was winning his first stakes race.

Consigned by Whitehall Stud to the Goffs Orby Yearling Sale, he brought £78,000 from Joseph O'Brien. For O'Brien and Niall and Cathal Slevin, he won once in two starts in Ireland, before making his way to the U.S. for new connections. The fourth foal and third winner for his dam, the Galileo (Ire) mare Fancy (Ire), he is a half-brother to multiple stakes winner Fancy Man (Ire) (Pride Of Dubai {Aus}), who placed six times at the group level. Fancy, a daughter of G3 Park Express S. winner Danehill Music (Ire) (Danehill Dancer {Ire}), foaled New York Minute (Ire) (**Wootton Bassett {GB}**) in 2022, but the colt has yet to race.

Previously at stud in Ireland and Kentucky, Caravaggio has 18 winners from 35 runners (51%) in the U.S. His six stakes winners in the U.S. (17%) are anchored by GI Diana S. winner Whitebeam (GB) and GIII La Jolla H. scorer Maltese Falcon (Ire).

Ten Sovereigns Colt Wins At The Spa

Gary Barber and Team Valor International, LLC's **Mansa Musa (Ire)** (**Ten Sovereigns (Ire)**) won for the second time in seven starts at Saratoga on Saturday ([video](#)). Trained by Hall of Famer

Bill Mott, the two-time stakes-placed colt was bred by Middlelane Farm.

A frequent visitor to the sales ring, the colt was picked up by Camas Park Stud for 60,000gns out of the Tattersalls December Foal Sale in 2021. Sent through the same ring a year later, he made 55,000gns on the bid of Star Bloodstock and Byron Rogers. Re-offered in March of 2023 at the Goffs Goffs Dubai Breeze-Up Sale, Mansa Musa was a €49,383 buy-back. A winner in two starts for Diego Dias and owner Matt Eves, the colt was purchased by his current ownership group prior to seconds in the G3 Round Tower S. and Listed Blenheim S. last year. His dam, Sundiata (GB) (Showcasing {GB}), is a granddaughter of G2 Dahlia H. heroine Didina (GB) (Nashwan), and this is also the extended family of G1 Dubai Duty Free winner and sires Cityscape (GB) and **Bated Breath (GB)**, who won the G2 Temple S. and was placed thrice at the highest level. His dam has a juvenile filly by **Australia (GB)** and a yearling colt by **Saxon Warrior (Jpn)** to come.

Coolmore's **Ten Sovereigns** has sired four winners from six starters (66%) in the U.S., with three of his winners placing in stakes, with Loterie (Ire) and Irish Gent (Ire) joining Mansa Musa.

Cityscape, pictured, is the sire of Chili Flag, whose American resume now includes victories in the GI Just a Game S., GII Churchill Distaff Turf Mile S., the GIII Honey Fox S., and the Forever Together S.

SOUMILLON BOOKED FOR BIG ROCK AND BLUE ROSE CEN AT ROYAL ASCOT

Christophe Soumillon | Emma Berry

Christophe Soumillon will ride both **Big Rock (Fr)** (Rock Of Gibraltar {Ire}) and **Blue Rose Cen (Ire)** (Churchill {Ire}) at Royal Ascot next week.

Trainer Maurizio Guarnieri confirmed Soumillon would take over from the regular rider of the pair, Aurelien Lemaitre, due to his greater experience of Ascot.

Big Rock, who won the Queen Elizabeth II S. on Champions Day when trained by Christopher Head, disappointed on his seasonal reappearance in the Lockinge at Newbury when he had valid excuses. He will be aimed at the Queen Anne next week.

Blue Rose Cen, three times a winner in Group 1 company last season for Head, made a pleasing reappearance when beaten a little over two lengths in the Prix d'Ispahan by Mqse De Seville and will run in the Prince of Wales's S.

Soumillon's last Group One win in the UK came in the Coral-Eclipse on **Vadeni** in 2022.

Guarnieri said, "Soumillon is going to ride them both, we've decided. Christophe is world class. I and the owners decided to change. I think he is a champion, it is just that.

"He knows all the tracks, he knows Ascot very well and he has won Group 1 races everywhere so I think he is the best choice."

As for Big Rock's chances, they could be boosted by some forecast rain.

"I hope the rain comes, that should help him," said Guarnieri. He had a problem coming out of the stalls in the Lockinge, he

went down on his knee, after that it was very difficult. The ground was also not in his favour at Newbury but the main problem was the start, when you put your nose on the ground the race is compromised. We know he likes Ascot but the ground was very heavy that day."

Blue Rose Cen pleased connections with her comeback against the boys and will run in traditionally one of the hottest races of the week.

"I was happy with her performance in the d'Ispahan. After so long off it is not so easy to come back in a Group One race against the older colts who had already run," said Guarnieri.

"She finished off her race, the distance was maybe a little short so with an extra furlong I am confident she will run well."

ST JAMES'S PALACE SET TO KICK OFF ROYAL ASCOT WITH A BANG; BALLYDOYLE PLANS TAKING SHAPE

Rosallion | Scoop Dyga

The G1 St James's Palace S. is shaping up to be one of the hottest races at Royal Ascot this year and both **Rosallion (Ire)** (Blue Point {Ire}) and **Henry Longfellow (Ire)** (Dubawi {Ire}) received positive reports from their respective trainers on Tuesday as they prepare to try and topple Notable Speech (GB) (Dubawi {Ire}) in the day one highlight.

Trained by Charlie Appleby, Notable Speech heads the ante-post betting for the St James's Palace following his striking success in the G1 2,000 Guineas, but Richard Hannon has not given up hope of reversing the form with his Newmarket runner-up Rosallion, who confirmed himself a high-class colt when going one place better in the G1 Irish 2,000 Guineas at the Curragh last time.

Rosallion cont.

"I think Ascot will suit us an awful lot more than Newmarket," Hannon told *Unibet*. "We were having our first run of the season, he obviously improved for that first run big time in the Irish Guineas, and he will have come on again. Coming round a bend, quickening off a bend, hopefully you will see him be potent. I can't think there's many horses around that will match him for a turn of foot.

"Sat swinging off that Ascot bend, waiting to press the button is how I've thought of it and hopefully that's what happens but there's no doubt Charlie's horse is a really good horse. I'd love to think we can beat him but he looked pretty good in the Guineas--they are two top-class horses."

Henry Longfellow adds plenty of intrigue to the race as he tries to rediscover the form which saw him go unbeaten in three starts as a two-year-old, culminating with a five-length victory in the G1 National S. at the Curragh. He could manage only eighth on his return to action in the G1 French 2,000 Guineas at Longchamp, but trainer Aidan O'Brien is happy to put a line through that luckless run.

"Everything is well with him [Henry Longfellow] since the last day," O'Brien told *Sky Sports Racing*. "In France we made the wrong decision tactically that we'd drop him and there was no pace on and it just became very messy up the straight. Every time Ryan [Moore, jockey] tried to get out he couldn't get out and his chance was gone.

"We felt it was a bit of a non-event, Ryan did as well, and everything has been well with him. We're looking forward to seeing him in Ascot."

Elsewhere at Royal Ascot, O'Brien confirmed that **Kyprios (Ire)** (Galileo {Ire}) is firmly on course to try and regain the G1 Gold Cup crown he won in 2022, while two of the stable's Classic winners from last year, G1 Derby hero **Auguste Rodin (Ire)** (Deep Impact {Jpn}) and G1 St Leger scorer **Continuous (Jpn)** (Heart's Cry {Jpn}), are set to run in the G1 Prince Of Wales's S. and G2 Hardwicke S. respectively.

The trainer also outlined plans for his team of juveniles at the meeting, with **Camille Pissarro (Ire)** (**Wootton Bassett {GB}**) set to be tasked with trying to provide the Ballydoyle team with a record-extending eleventh win in the G2 Coventry S. on day one.

"We run Camille Pissarro in the Coventry," said O'Brien. "He won first time and got beat second time. Ryan thought he was green so we think he's going to come forward from that. In the Queen Mary we run a filly called Heavens Gate. She won nicely at the Curragh over six furlongs last time and just got beat over five the first day. We're going back to five with her--it could be a little bit sharp but we'll see.

"In the Norfolk we have a horse called Whistlejacket and in the Windsor Castle we have a horse called Treasure Isle. In the Albany we have a filly called Fairy Godmother--she won at Naas

last time and we really like her. Then in the Chesham we have a filly called Bedtime Story who won in Leopardstown.

"The racing is very competitive in Ascot, but hopefully they'll run well. Obviously we like them all. We think they're very smart horses and they wouldn't be there if we didn't."

O'BRIEN LEANING TOWARDS CORONATION STAKES WITH STABLE STAR PORTA FORTUNA

Porta Fortuna | *Horsephotos*

Donnacha O'Brien is leaning towards the Coronation S. with 1,000 Guineas runner-up **Porta Fortuna (Ire)** (Caravaggio) but has left the door open for his star filly to run in the Commonwealth Cup at Royal Ascot.

Porta Fortuna provided the County Tipperary handler with his first success at the summer showpiece when landing the Albany S. 12 months ago.

Since then, Porta Fortuna has gone on to scoop Group 1 glory in the Cheveley Park S. and she also came mightily close to providing the trainer with his first Classic when second at Newmarket.

Although Porta Fortuna is most likely to take in the Coronation S. next week, O'Brien admitted that he would be keeping one eye on the weather before committing to the mile contest over the Commonwealth Cup.

He said, "Obviously, Porta Fortuna will be our main hope for Ascot and we're still undecided on Coronation or Commonwealth.

"The ground will play a factor and there is some rain forecast. If they got some rain, then we would be more likely to go Commonwealth, but if it is good ground, then the Coronation would probably be more likely."

Porta Fortuna cont.

"She's very straightforward and an easy filly to train, so it makes things a lot easier," O'Brien added. "I keep swapping and changing in my head what the best place is to go with her. I would be leaning towards the Coronation but if the ground came up soft, then we will obviously think about dropping back in trip instead."

The young handler is set to have only a few runners over the course of the week, with Roscommon scorer **Naval Force (Ire)** (**Churchill {Ire}**) and the Niarchos family's **Yosemite Valley (GB)** (**Shamardal**) the others from the O'Brien stable who could cross the Irish Sea.

"We have Naval Force in the three-year-old handicap, the King George V Stakes," continued O'Brien. "He won well at Roscommon first time out this year and I think he is a horse who will have a little squeak in that handicap. The only other possible would be Yosemite Valley in the Queen Anne, but he's not guaranteed to go to the meeting."

SHOULDVEBEENARING HAS "UNFINISHED BUSINESS" AT ASCOT ACCORDING TO MIDDLEHAM PARK

Tom Palin | Tattersalls

Connections of talented sprinter **Shouldvebeenaring (GB)** (**Havana Grey {GB}**) has "unfinished business" in Pattern races as they target Royal Ascot glory in the Queen Elizabeth II Jubilee S.

The four-year-old has been knocking on the door for Group-class triumphs ever since making the step up from Listed company after his victory in the King Charles II S. at Newmarket in May 2023.

His near-misses include a second in the Sandy Lane S. on his

next run before returning to Haydock last September to be beaten by a neck in the Sprint Cup.

A third in the Group 1 Prix de la Foret over seven furlongs at ParisLongchamp followed in October and those performances provide connections with the belief that Shouldvebeenaring has a big day in him.

"You can imagine that slightly patient tactics at Ascot could work," said Tom Palin, of Middleham Park Racing. "He didn't disgrace himself by any stretch of the imagination in the Commonwealth Cup last year, I just think we were drawn on the wrong side, so there is a bit of unfinished business at Ascot.

"But really his season revolves around the six-and-a-half-furlong French Group One (Prix Maurice de Gheest at Deauville in August) and going back to Haydock for that Sprint Cup, where we really do have unfinished business in that Group 1 against Regional (GB) (Territories {Ire}).

"Those are probably his two Derbys for the year, but absolutely the Jubilee will be his next run and we're looking forward to seeing how that pans out.

"If we have a bit of pace on our side, hopefully we can come and pick them up late on-and normally it's not a bad thing to do at Ascot."

Globetrotting **Brave Emperor (Ire)** (**Sioux Nation**) returns to British soil for the first time since finishing down the field in the Hampton Court S. at Royal Ascot last year.

Successes in France, Germany, Italy and Qatar have earned the Archie Watson-trained four-year-old an entry in the Queen Anne S. this time around.

Malc (GB) (**Calyx {GB}**), trained by Richard Fahey, will renew his rivalry with Elite Status (GB) (**Havana Grey {GB}**) in the Commonwealth Cup at the same venue where he beat him by half-a-length when second in the Norfolk S. 12 months ago.

Palin said of Brave Emperor, "He is thoroughly deserving of a stab at these sorts of races. He's earned his right to have a go the hard way by doing Listed races, Group Threes and Group Twos in far-flung places, so there's not a more deserving horse to roll the dice in one of these English Group Ones.

"And as you saw in the Lockinge, it is a wide-open division, and who knows, he might be able to get loose rolling away at the front end in the same way Audience (GB) (**Iffraaj {GB}**) did and he might just stay there, we know he's a tough horse to go past."

On Malc, Palin added, "He was second in the Norfolk last year, so he's got previous at Ascot. He's had his little ailments at the end of his two-year-old career, but I felt the way the race panned out in the Carnarvon at Newbury, again we were just drawn this side and we were the best of anything drawn that side by quite a long way." [Cont. p9](#)

Middleham Park cont.

"I know Elite Status looked mighty impressive that day and he was always held in high regard, but we did beat him at Ascot last year and I feel that if you change the draw, at least put us over that side, we would have definitely given Elite Status something to think about," he continued.

"The way that Ascot pans out for the likes of Malc, just a little more patient tactics, I expect him to be quite a live 66-1 each-way shot."

DUAL GROUP 1 WINNER AND NATIONAL HUNT SIRE ASK DIES AT 21

Ask | Scoop Dyga

Ask (GB) (Sadler's Wells--Request {GB}, by Rainbow Quest), who was a dual Group 1 winner for Sir Michael Stoute and became a prolific National Hunt stallion, has died at the age of 21, Willow Wood Farm announced on Tuesday.

In a statement on X, formerly Twitter, Willow Wood Farm said, "Sadly we have had to say goodbye to Ask. He achieved a lot in his lifetime and we were very proud to have him and have a lot to thank him for. He has bred plenty of winners and we hope he lives on in the progeny he has left."

Bred by Side Hill Stud, Ask was unraced as a juvenile but proved himself a smart three-year-old for the Duke of Devonshire and Sue Magnier, notably finishing fourth in the G1 St Leger when it was run at York. He returned the following season in the ownership of Patrick Fahey and went on to six Group races in the space of three years. At four he won the G3 Ormonde S. and G3 Cumberland Lodge S., while at five he won the G3 Gordon Richards S. However, it wasn't until his six-year-old campaign that he made the breakthrough in Group 1 company with victories in the Coronation Cup and Prix Royal-Oak, in addition to the G2 Yorkshire Cup.

Ask joined Coolmore's National Hunt roster at The Beeches Stud in 2011 and was there until 2019 when he moved to Dunraven Stud. He spent three seasons at Dunraven before joining the team at Willow Wood Farm in 2022.

As recently as March this year Ask was very nearly represented by his first Cheltenham Festival winner when The Jukebox Man (Ire) was beaten just a head in the G1 Albert Bartlett Novices' Hurdle. The Jukebox Man also filled the runner-up spot on his next start in the G1 Sefton Novices' Hurdle at Aintree, proving himself one of the best performers to date by Ask, along with

Lookaway (Ire), a Grade 2 scorer both in bumpers and as a novice hurdler, and the three-time winner Ask Dillon (Ire).

HALF-SISTER TO ENABLE DEBUTS AT KEMPTON

17.50 Kempton, Mdn, £7,000, 3yo/up, f/m, 10f 219y (AWT) ZILFEE (GB) (Sea The Stars {Ire}) is the 11th foal out of Juddmonte's Concentric (GB) (Sadler's Wells), which places her in exalted company as a half-sister to the operation's groundbreaking Enable (GB) (Nathaniel {Ire}). She is late getting going, but John and Thady Gosden will already have a feel for what they have on their hands having guided the supermare through her illustrious career and also the March-foaled bay's full-brother Derab (GB) who managed a listed placing.

Tuesday's Results:

1st-Salisbury, £10,000, Nov, 6-11, 2yo, 6fT, 1:13.77, g/f. ARDENNES (IRE) (f, 2, Soldier's Call {GB}--Girl Invader {GB}, by Foxwedge {Aus}), who posted a May 24 debut sixth going just over five furlongs at Bath in her only prior start, broke sharply to seize an immediate lead and was in command throughout this return. Bustled along passing the quarter-mile marker, the 11-1 chance came under sterner urging thereafter and was ridden out inside the final furlong to hold the persistent threat of Cayman Tai (Ire) (Earthlight {Ire}) by a length. Ardenne is the latest of two foals and first scorer out of an unraced half-sister to Japan's Listed Crocus S. victor Yakushina (GB) (Havana Grey {GB}) and G3 Cornwallis S. victrix Good Vibes (GB) (Due Diligence). Good Vibes, in turn, is the dam of stakes-winning G3 Maribyrnong Plate third Odinson (Aus) (Night Of Thunder {Ire}). The March-foaled bay's third dam Jodrell Bank (Ire) (Observatory) is a full-sister to GI Hollywood Derby runner-up Sebastian Flyte (GB) and a half to G3 Ballyogan S. victrix Age Of Chivalry (Ire) (Invincible Spirit {Ire}). 2nd-Salisbury, £10,000, Novice, 6-11, 2yo, 6fT, 1:14.01, g/f. ARABIAN SUN (IRE) (c, 2, Saxon Warrior {Jpn}--Gheedaa, by Tamayuz {GB}), runner-up on debut at Goodwood last month, ran green behind the early leader on the rail. Taking a while to

find top stride, the 100-30 second favourite was out of the pocket in time to wear down Stratusnine (Ire) (Far Above {Ire}) in the last 50 yards for a half-length success. The dam, a Shadwell €12,000 cast-off, hails from the family of Danzig's G2 Diadem S.-winning sire Haatef and the G1 Moyglare Stud S. runner-up Shimah (Storm Cat) whose son Annaf (Ire) (Muhaarar {GB}) captured the G2 1351 Turf Sprint and G3 Bengough S. 1st-Wetherby, £9,000, Mdn, 6-11, 2yo, 5 1/2fT, 1:08.16, gd. YES I'M MALI (GB) (c, 2, Sands Of Mali {Fr}--Yes Always {Ire}, by No Nay Never), whose stablemate She's A Gambler (Ire) (Cotai Glory {GB}) won this contest last year, was slowly into stride and tanked forward to track the leaders in a share of fifth after the opening exchanges of this debut. Racing hard on the bridle when cruising into traffic approaching the two pole, the 9-4 favourite navigated a passage in search of an opening and unleashed a decisive burst inside the final furlong to deny Territorial Knight (GB) (Territories {Ire}) by a half-length--and value for much more--in the dying strides, becoming the fifth winner for his freshman sire (by Panis). "He travelled well in the race, but I had to sit and wait for a bit of room," explained rider Oisin Orr. "When we did get out I always felt like he was going to get there. I was lucky enough that he's got a change of gear and he quickened up well." Yes I'm Mali, kin to a yearling filly by Tasleet (GB), is the first of two foals produced by a winning half-sister to G3 Brownstown S. third Damselmy (Ire) (Power {GB}), herself the dam of two winners from as many runners. The May-foaled homebred's third dam Sanctify (Ire) (Sadler's Wells) is a daughter of the stakes-placed Litani River (Irish River {Fr}) and thus a full-sister to G3 Concorde S. victrix Psalm (Ire) and Listed Garnet S. winner Queen Titi (Ire). Queen Titi, in turn, is the dam of G1 Dewhurst S. hero Beethoven (Ire) (Oratorio {Ire}) and Listed Navigation S. runner-up North Face (Ire) (Declaration Of War). Yes I'm Mali retains long-range entries in Doncaster's Sept. 12 Weatherbys Scientific £300,000 S. and Redcar's Oct. 5 Listed William Hill Two Year Old Trophy. Lifetime Record: 1-1-0-0, \$6,187.

BRAVO BAY (FR) (f, 2, New Bay {GB}--Bravaya {Fr}, by Mastercraftsman {Ire}), fourth on debut over six furlongs here last month, tanked along behind the leading duo from the outset. Extricated to chase the long-time leader Yoga Master (GB) (Persian King {Ire}) approaching the final furlong, the 18-5 shot caught that rival in the shade of the post to prevail by a nose. The winner is the third of three foals so far out of the unraced dam, who is a granddaughter of the G2 Prix de Royallieu scorer Balladeuse (Fr) (Singspiel {Ire}). The esteemed Wertheimer family includes the G1 Prix Vermeille heroine Left Hand (GB) by New Bay's sire Dubawi (Ire) and the impressive recent G3 Prix de Royaumont winner Aventure (Ire) ([Sea The Stars {Ire}](#)) and G1 Prix du Jockey Club runner-up First Look (Ire)

GUN OF BRIXTON (FR) (c, 2, Frankel {GB}--Cat Kate {Ire}, by Invincible Spirit {Ire}), who encountered the 'TDN Rising Star' performance of Tiego The First (Fr) (Blue Point {Ire}) when a May 20 debut second over six furlongs at this venue last time, broke well to lead from flagfall in this return. Holding sway throughout, the 3-5 favourite was nudged safely clear approaching the final furlong and kept on strongly under minimal urging in the latter stages to easily account for Naked Memories (Fr) (Mehmas {Ire}) by two lengths. Gun Of Brixton is the lone reported foal produced by a half-sister to five black-type performers headed by G1 Derby and G1 Irish Derby hero Harzand (Ire) ([Sea The Stars {Ire}](#)) and G3 Silver Flash S.-winning G1 Moyglare Stud S. third Harasiya (Ire) (Pivotal {GB}).

CI MER (FR) (f, 3, Siyouni {Fr}--Charmey {Fr}, by Motivator {GB}), an Apr. 27 second going 9 3/4 furlongs at Chateaubriant when last seen, was settled off the tempo in rear after an alert exit from an outer gate here. Angled wide for an unobstructed route with 500 metres remaining, the 43-10 chance quickened smartly for control entering the final furlong and lengthened clear in hand to easily outclass Otherwordly (Fr) (Siyouni {Fr}) by 2 1/2 lengths.
