

NATIONS PRIDE GIVES GODOLPHIN A MEASURE OF REDEMPTION IN ARLINGTON MILLION

Nations Pride | Coady Media

by Alan Carasso

NEW KENT COUNTY, VA -- After sending out the beaten favorites in both the GI FanDuel Fourstardave Handicap and GI Saratoga Derby Invitational Stakes at Saratoga, the operation's **Nations Pride (Ire)** (Teofilo {Ire}) struck for chalk players hundreds of miles to the south as he quickened up beautifully in the stretch to take out Sunday's GI Arlington Million Stakes at Colonial Downs.

Scheduled first post for Sunday's big card was 1 p.m. ET, but satellite issues meant that the race did not jump until 1:52 p.m. A visit from Virginia Governor Glenn Youngkin that followed a parachuting demonstration and a airplane flyover further delayed the proceedings, so that when the six horses entered the Million gate around 8 p.m.--fully 80 minutes later than programmed--Colonial Downs better resembled a night game at the minor league baseball stadium up the road in Fredericksburg.

With the lights taking full effect as dusk set in over New Kent County, Nations Pride was ridden towards the back of the pack as longshot **Sugoi (Karakontie {Jpn})** went off on a wing and a prayer, opening a long lead despite an opening half-mile that was timed in :50.03.

PAIR OF \$300K COLTS PACE SOLID OPENER TO FASIG-TIPTON NEW YORK-BRED YEARLING SALE by Jessica Martini

SARATOGA SPRINGS, NY - The Fasig-Tipton New York-Bred Yearling Sale kicked off its two-day run with an abbreviated session featuring competitive bidding from start to finish Sunday evening in the Humphry S. Finney Pavilion in Saratoga.

"It was a strong start to the 2024 Fasig-Tipton New York-Bred Yearling Sale," said Fasig-Tipton President Boyd Browning, Jr. "There was very consistent trade from start to finish. I think the thing that was probably most encouraging tonight was the buy-back rate. This sale has traditionally had a little bit of a higher buy-back rate because the breeders have so many opportunities themselves to race these horses.

Still the better part of 10 lengths clear at the midpoint of the second turn, having required just 1:14.27 to complete six furlongs, Sugoi began to toss out some distress signals and the peloton began to quickly close ranks. He proved a sitting duck for a class animal like Nations Pride, who shot right past the spent front-runner, then easily held a mild late bid from 2023 GIII Virginia Derby winner and 6-5 second choice **Integration (Quality Road)**. **Ancient Rome (War Front)** loomed a threat inside the final furlong, as he dove down inside with a menacing bid, but he ultimately was forced to settle for third.

It was the third Million win for Sheikh Mohammed's operation, who took the first 'post-Arlington' Million with Santin (**Medaglia d'Oro**) at Churchill Downs in 2022. Sulamani was the outfit's first winner in 2003.

Nations Pride | Renee Torbit/Coady Media

“Look, (Nations Pride) was the best horse in the race and we knew that,” said winning rider William Buick, who had to hotfoot it away from Colonial to try to catch a flight bound for Europe at Dulles Airport outside Washington, D.C. “Actually at Saratoga

last Friday, I got to ride him for a breeze on the Oklahoma track so I knew he was coming here in great form and he really impressed me. He's an exciting horse and he's won four Grade Is now. The leader was getting a lot of rope and he was getting it cheap, so I just wanted to have everything covered as well as I could.”

Nations Pride is part of a large Godolphin contingent that has been stabled in this country, but he is no stranger to North American stamps on his passport. Winner of the GI Saratoga Derby and GIII Jockey Club Derby ahead

of fifth behind stablemate Rebel's Romance (Ire) (Dubawi {Ire}) when favored in the GI Breeders' Cup Turf at Keeneland in 2022, he added elite-level scores in the Bayrisches Zuchtrennen and Canadian International Stakes last season. **Cont.**

Arlington Million, cont.

He was looking for his first win this term, having finished third in the Gil Man O'War Stakes in May and second to Rebel's Romance's high-class half-brother Measured Time (GB) (Frankel {GB}) in the GI Manhattan Stakes at Saratoga June 8.

Pedigree Notes:

Kildangan Stud stallion Teofilo (Ire), a Group 1 winner in both England and Ireland in 2006, is the sire of Nations Pride and 65 other graded or group winners worldwide. While 115 of his runners have scored in black-type events around the world on most of the continents, Nations Pride is Teofilo's only GISW in North America, although Naval Power (GB) also came close this year when second in both the GI Turf Classic Stakes at Churchill and the GI Maker's Mark Mile Stakes at Keeneland. The son of Galileo (Ire) has had runaway success when mated with Oasis Dream (GB) mares, coming up with Nations Pride, G1 Melbourne Cup winner Twilight Payment (Ire), G1 Prix Saint Alary winner Tawkeel (GB), Italian GSW Brazilian Man (Ire), and listed Australian winner Aktau (GB). Oasis Dream has 108 stakes winners out of his daughters.

Important Time, dam of the Million winner, is out of 2007 G1 Prix de l'Opera winner Satwa Queen (Fr) (Muhtathir {GB}) and is a half to the dams of 2023 Australian champion 2-year-old colt Militarize (NZ) (Dundeel {NZ}) and 2020 Irish G1SW Lucky Vega (Ire) (Lope de Vega {Ire}). She has an unraced 2-year-old full-sister to Nations Pride named Good Old Days (Ire) and a yearling colt by Ghaiyyath (Ire).

So oftentimes, it is maybe more important for them to have a horse racing in New York than it is to get them sold and move to another state. It was very encouraging to see a very manageable RNA rate tonight.”

From a catalogue of 100 yearlings, 87 went through the ring Sunday for a gross of \$6,860,000. The session average was \$103,939 and the median was \$89,000. With 21 horses reported not sold, the buy-back rate was 24.1%.

During last year's opening session, 53 horses sold for \$5,999,000 for an average of \$113,189 and a median of \$100,000. The buy-back rate was 34.6%.

“We don't make any bold predictions or comparisons with just one night,” Browning said. “We have 200 more to go [Monday]--we are a third of the way through the sale. There was very, very good trade tonight and we are looking forward to tomorrow.”

Early in the session, Jacob West and Eddie Rosen, acting on behalf of Mike Repole, paid \$300,000 for a colt by **Constitution** from the Elite consignment. That session-topping price was matched late in the day when trainer Christophe Clement purchased a son of Vekoma from the Taylor Made Sales Agency consignment.

A total of 29 horses brought \$100,000 or more during the session--the same number as last year's opening session.

“We didn't have any “breakouts” tonight, but a bunch of horses sold for over \$100,000,” Browning said. “We are pleased with the start and look forward to continue the positive momentum tomorrow.”

The Fasig-Tipton New York-Bred Yearling Sale continues with a final session Monday with bidding beginning at noon.

Constitution Colt Takes the Early Lead

A colt by **Constitution** (hip 315) helped get the Fasig-Tipton New York-Bred Yearling Sale off to a strong start when selling to Mike Repole for \$300,000 early in Sunday's session. Consigned by Elite, the yearling was bred by Ten Strike Racing. He is out of See the Forest (Forestry) and is a half to stakes winners Whittington Park (**Midnight Lute**), Critical Value (Bodemeister) and Looms Boldly (Goldencents).

Hip 315 | Fasig-Tipton

“Mike has been a great supporter of the [New York-bred program],” said Repole's advisor Eddie Rosen while seated alongside bloodstock agent Jacob West. “We breed here, we've stood stallions here. We are also hoping in this case that he is a horse who will compete in open competition. Being by **Constitution** makes you hope that he will be more than a New York-bred.”

Ten Strike Racing's founding partner Marshall Gramm claimed See the Forest for \$12,500 in 2010. Looms Boldly won the John Morrissey Handicap in the Ten Strike colors just three days ago.

Of the process that led the team to bid on the yearling Sunday evening, West said, “When it all gets whittled down and whittled down, he was one that was near the top [of our list].”

West came back 40-some hips later to acquire a colt from the first crop of Galilean (**Uncle Mo**) (hip 350) for \$220,000 from the Eaton Sales consignment. The yearling is out of Three AM Tour (Ire) (Strategic Prince) and is a half-brother to stakes-winner Set (**Oscar Performance**).

Clement Strikes Late for Vekoma Colt

Trainer Christophe Clement got into the action late in Sunday's first session of the New York-bred Yearling sale, going to \$300,000 to acquire a colt by fast-starting freshman sire Vekoma (hip 386) from the Taylor Made Sales Agency consignment. **Cont.**

The chestnut is out of the unraced Alana's Allure (Shackleford) and is a half-brother to multiple stakes winner Allure of Money (Central Banker). The mare's 2-year-old Leon Blue (Mo Town) was a late-closing second in his debut at Saratoga July 24.

Hip 386 | Fasig-Tipton

“He looked fast,” Clement said when asked about the yearling's appeal. “It was probably too much money, but we are keeping the dream alive. I liked him very much. He looked very athletic. My son Miguel told me about him. At the moment, I bought him on spec, so I need to find some owners to help me and support me and we will go from there. He is a lovely horse.”

In addition to his 13 winners, Vekoma's first crop of 2-year-olds includes stakes winner Louisiana Jess and stakes-placed Bella Sorella and Fortuna Mia.

“I train one Vekoma who I like,” Clement said. “But this is a very live family. One horse just won very well from the same family. And unfortunately that's the way it is. You always have to overpay for what you like.”

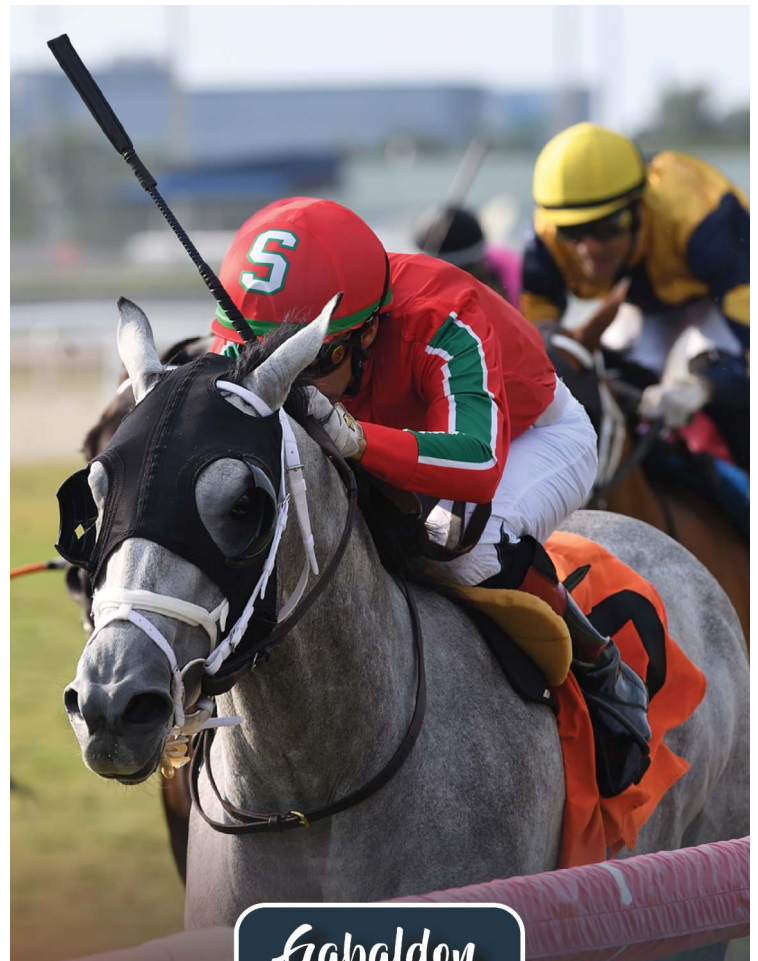

Good Luck Farm purchased the yearling for \$100,000 at last year's Fasig-Tipton New York Mixed Sale.

- The New York-bred sale traditionally features a higher buy-back rate with breeders intent on keeping their yearlings within the strong state-bred program, but Sunday's RNA rate was a sparkling 24.1%.
- A total of 29 horses sold for six figures Sunday, matching the figure from last year's opening session of the two-day sale. Ten brought \$200,000 or more, up by one from last year.

- The day was bookended by co-session-topping \$300,000 colts. Jacob West, bidding for Mike Repole, paid that amount for a son of **Constitution** early in the session and trainer Christophe Clement secured a colt by Vekoma for that same price late in the day.
- First-crop sire Galilean, who stands at Hidden Lake Farm for \$3,500, had a pair of seven-figure colts Sunday. Repole Stable purchased a half-brother to stakes-winning Set (**Oscar Performance**) by the sire for \$220,000 from Eaton Sales and JCE Racing purchased a colt from Indian Creek for \$160,000. CARL SPACKLER WINS FOURSTARDAVE IN A “FAMILY AFFAIR”

It was worth the wait. After twice being rescheduled and finally run eight days late due to rain, the GI FanDuel Fourstardave Handicap at Saratoga stayed on the lawn and featured a breakout performance by 'TDN Rising Star' Carl Spackler (Lope de Vega {Ire}), who was taking the first Grade I event of his career after winning three other graded races, all at Saratoga. As a 'Win and You're In' race for the GI Breeders' Cup Mile, the Fourstardave gives Carl Spackler a fees-paid berth into racing's Championship Day in November.

Carl Spackler | Sarah Andrew

Fresh off a Jul. 13 GIII Kelso Stakes win after an out-of-character fifth in the GIII Poker Stakes June 8, both at the Spa, Carl Spackler tracked MSW Strong Quality (Quality Road) from the gate behind :24.76 and :49.24

fractions after SW Money Supply (Practical Joke) blew the start with a leap into the air. Strong Quality looked strong on the lead as Carl Spackler kept a clear-cut second and everyone else gave them space. Carl Spackler collared the frontrunner at the top of the stretch, then went by in a matter of strides to open up and put the race to bed in short order, kicking clear to win by 3 1/2 lengths under a hand ride. More Than Looks (More Than Ready), making his first start since a sixth in last year's Breeders' Cup Mile, closed from the penultimate spot to nab second over favored Ottoman Fleet (GB) (See The Stars {Ire}), who won a pair of graded events at Churchill in his last two and nosed out Strong Quality for the show.

“This sure looked like the horse that was sitting on the big number,” said winning trainer Chad Brown. “He was capable of it, he had flirted with running a monster number before. He wins.” **Cont.**

Fourstardave, cont.

Brown continued: "I had a feeling today, and then with just a little bit of cut in the ground, I think he's even just a little bit better--or sometimes with soft turf races, it is that the other horses can't handle it is the issue, which really makes the ones that can stand out. I really felt today would be his day and it was."

The Fourstardave is named for the beloved 'Sultan of Saratoga,' who won a remarkable eight years in a row at the Spa. This race has regularly provided special wins, including the last two years with just-retired fan favorite Casa Creed (Jimmy Creed). This year was no exception. Not only did Carl Spackler's win mark the first victory in the Fourstardave for trainer Brown, who has won just about every other major turf race in the country, but it also gave a special score to the Edwards family. Jockey Tyler Gaffalione is the son-

in-law of e Five Racing principal Bob Edwards, who bred Carl Spackler through his Fifth Avenue Bloodstock. Carl Spackler's dam was one of the first horses Edwards bought when he made his first forays into racing.

Chad Brown and Bob Edwards | Sarah Andrew

"This is why we do it," said Edwards. "For us, it is a family affair. Tyler now is part of the family and to be on a horse that we bred, my son-in-law wins a Grade I in Saratoga--the Fourstardave. Our lawn jockey gets put in front of the Fourstardave, it's special. I get to see it for another year. It's just an unbelievable event for us.

"A special horse for us, a homebred out of Zindaya. My first win ever was with Zindaya."

Like the aforementioned Casa Creed and Fourstardave, Carl Spackler seems to have an affinity

for Saratoga. In addition to his Kelso win last out, the handsome chestnut won his first career stakes event last year in the GII National Museum of Racing Hall of Fame Stakes. **Cont.**

He followed it up with a win in the GIII Saranac Stakes, also at the Spa.

Pedigree Notes:

Ballylinch Stud's **Lope de Vega (Ire)** is the sire of **Carl Spackler** and 72 other graded/group winners from his 134 black-type winners worldwide. His 20 black-type winners in 2024 put him in a tie for second in that category this year with **Dubawi (Ire)** among all sires standing in the Northern Hemisphere. The European pair are just two behind the U.S.'s **Into Mischief**. Interestingly, **Carl Spackler's** broodmare sire is the late **More Than Ready**, who also is the sire of **Fourstardave** runner-up **More Than Looks**. **More Than Ready** has 179 stakes winners out of his daughters.

Like her **Fourstardave**-winning son, **Zindaya** raced for e Five Racing. She won four black-type events in the U.S., including the 2016 GII Goldikova Stakes at Santa Anita. The mare has a 2-year-old full-brother to **Carl Spackler** named **Sandtrap (Ire)**, who sold as a yearling in Book 1 at Tattersalls October last year for 450,000gns to A.C. Elliott. The mare delivered an **Uncle Mo** colt Feb. 15 and was bred back to **Justify**.

FAIRY TALE CONTINUES AS CARSON'S RUN WINS SARATOGA DERBY

Carson's Run crosses the wire under a rainbow | Sarah Andrew

In a story reminiscent of 2023 Horse of the Year **Cody's Wish (Curlin)**, **Carson's Run (Cupid)** found a sequel to his own fairy tale Sunday, detailed last year [here](#) and [here](#). The West Point Thoroughbreds and Steven Bouchey runner, a winner June 23 of the Tale of the Cat Stakes at Monmouth Park, doubled up on his juvenile form, adding the GI Saratoga Derby Invitational Stakes Sunday to his GI Summer Stakes victory last year at Woodbine. He crossed the Saratoga wire Sunday under a rainbow.

"To walk out in front of the big screen and to see that rainbow...it was good," said an emotional Terry Finley of West Point.

After tossing his head several times in the gate, Carson's Run left cleanly and was taken back to his customary spot at the rear. The chestnut trailed early as **Izzy d'Oro (Get Stormy)**, fourth behind Carson's Run in the Tale of the Cat, set a :23.83 and :48.30 pace while opening up on the field. As they bunched up on the final turn, Carson's Run tipped outside to circle the field several paths out. Despite GII Pennine Ridge Stakes winner and GI Belmont Derby third **Legend of Time (GB) (Sea The Stars {Ire})** getting first dibs on the front, Carson's Run ran him down in the final strides to prevail by three-quarters of a length. Legend of Time outfinished GSW and **'TDN Rising Star' Deterministic (Liam's Map)**, who was making his second start on the turf after a runner-up finish last out in the GIII Manila Stakes, at the wire. Final time for the 1 3/16 miles was 1:55.81. After originally slated for Aug. 3, the Saratoga Derby had been rescheduled twice due to rain.

"I can't put it into words," said jockey Dylan Davis. "I've known him since the beginning, so I knew he handled the course well. He gets a little nerve built up this year, but just working with him, talking him out of it, I was able to take him, ease him back,

and then tuck him in, then he switched off for me very nicely. I loved going into that second turn, he was getting into the bridle nicely, in a good rhythm, just trying to work out a trip nice and easy for him, working my way to the outside. Once I got to the outside, I was rooting for him, I was like 'Come on Carson, let's get going,' and he responded very nicely."

The Saratoga Derby marked the first Grade I at Saratoga for Davis, who also won the Mahony Stakes earlier on Sunday's card with **Fandom (GB) (Showcasing {GB})**. Davis was aboard Carson's Run for the Summer score at Woodbine and the duo also placed in last year's GIII With Anticipation Stakes at the Spa. The 9 1/2 furlongs of the Saratoga Derby marked the colt's longest foray yet.

The race earned Carson's Run an invitation and an automatic berth into Australia's \$5-million G1 Cox Plate, which will be held Oct. 26. Trainer Christophe Clement was not ready to commit, but said he would consider the trip.

Pedigree Notes:

Cupid, who originally stood at Coolmore America, spent the 2024 breeding season at Atlanta Hall in Maryland. Sire of 2021 Canadian champion 2-year-old God of Love and another six black-type winners, he also has additional 2024 Santa Anita GSW Desert Dawn and Saratoga's Aug. 7 Johnstone Mile Handicap winner Sterling Silver. Cupid has four graded winners overall.

West Point had picked up Carson's Run for \$170,000 at OBS Spring last year after he had twice sold for lesser amounts at Keeneland and Fasig-Tipton.

"I guess that's the beautiful thing about the partners and in particular David Ingordo, our bloodstock agent," said Finley. "We go to the sales and we have the freedom to take shots and to buy horses that other people don't buy. That's a beautiful thing."

Saratoga Derby, cont.

Finley continued, "Often times they don't work out, but when they work out like this there's a sweetness to this business that you can't match in anything else in life that you do."

Hot N Hectic, dam of Carson's Run, has a yearling colt by **Volatile**, a Jan. 24-foaled filly by **Maxfield**, and was bred back to **Flightline**. A half-sister to MGSW & GISP Rated R Superstar (Kodiak Kowboy), she's by Henny Hughes, whose daughters have produced 25 stakes winners, including champion Monomoy Girl (Tapizar).

MOIRA OUTLASTS DEFENDING CHAMP FEV ROVER IN BEVERLY D. *by Alan Carasso*

NEW KENT COUNTY, VA -- For the second consecutive year, the trophy for the GII Beverly D. Stakes will go back to Canada after the country's reigning Horse of the Year Moira (**Ghostzapper**) got just the better of an entertaining final-furlong tussle with defending champion **Fev Rover (Ire)** (Gutaifan {Ire}).

The Tracy Farmer runner left there running and although she had a bit of pesky early pressure from **Libban** (Laoban), Fev Rover was a clear leader turning up the backside as Moira set up camp three deep in the breeze. Allowed to slow the tempo through the middle furlongs, Fev Rover was still going very well approaching the stretch, holding a clear tactical advantage over Moira, who was consigned to a ground-sacrificing move around the bend. Moira rolled up to Fev Rover and looked as if she was going to speed right on by, but Fev Rover dug in doggedly, only to go down by a short head at the wire.

With the victory, Moira earns a fees-paid berth into the GI Breeders' Cup Filly & Mare Turf, a race in which she was a brave third in 2023.

"It's always nerve-wracking when you hook Fev Rover," said trainer Kevin Attard. "She's a great horse and Mark (Casse) has done a great job with her. Last year at Woodbine, we hooked a couple times on soft turf. I think Fev Rover gets the edge over us on softer ground but Moira prefers the harder turf. We contemplated not coming here because of Tropical Storm Debby but we rolled the dice. I've never been (to Colonial Downs) but I had heard great things about this turf course that it drains well"

Cont.

Beverly D., cont.

Moira (outside) gets up in the Beverly D. | Coady Media

“I know Woodbine has got a great turf course but Colonial is probably one of the best in North America as well. We’ve got the E.P. Taylor at home. I think that’s a race we are going to take into consideration and that would take us right into the Breeders’ Cup.”

Moira, who defeated the boys in the 2022 Queen's Plate, made the GII Canadian Stakes her lone victory of 2023, but her season could hardly be characterized as fruitless. Second in the GIII Belle Mahone Stakes on the synth and in the GII Nassau Stakes and GII Dance Smartly Stakes on the grass prior to her lone win, she was third to Fev Rover in the GI E.P. Taylor Stakes and filled the same spot behind the world-class Inspirial (GB) (Frankel {GB}) and Warm Heart (Ire) (Galileo {Ire}) in the Filly & Mare Turf.

She changed hands for \$3 million at the Fasig-Tipton November Sale a few days later and was kept in training at five, returning to run home a game second to the repeating Whitebeam (GB) (Caravaggio) in the GI Diana Stakes July 13.

Pedigree Notes:

Adena Springs acquired dam Devine Aida for \$120,000 at the 2014 OBS June Sale and raced her to four victories, including the Herecomesthebride Stakes and Ginger Brew Stakes, while also hitting the board in the GII Mrs. Revere Stakes, all of which took place on the grass. A daughter of Grade III winner Passion, Devine Aida sold for \$400,000 carrying a full-sibling to Moira at the 2020 Keeneland November Sale and she is also the dam of a yearling filly by **Constitution**.

OSCAR PERFORMANCE COLT COMPLETES GRADED HAT-'TRIK' IN SECRETARIAT

by Alan Carasso

Trikari | Coady Media

NEW KENT COUNTY, VA -- It would have been no surprise had trainer Graham Motion elected to run Amerman Racing's **Trikari** (**Oscar Performance**) in Sunday's rescheduled GI Saratoga Derby Invitational Stakes as opposed to the GII Secretariat Stakes at Colonial Downs. After all, the long-barreled bay was exiting a victory in the GI Belmont Derby over a mile and three-sixteenths, but Trikari proved more than capable of handling the step back down in trip with a powerful victory in the eight-furlong Secretariat.

The second betting choice when all was said and done behind the rail-drawn **Brilliant Berti** (Noble Mission {GB}), Trikari took up a spot in fourth in the two-wide line as **General Ledger** (Summer Front) was pushed along by the stretching-out **Mattingly** (**Buccherro**). Asked to improve his position and ridden along to take closer order by John Velazquez with better than three furlongs to go, Trikari was poised to strike and was produced four wide off the final corner. Lengthening his stride beautifully while getting first run on American Derby hero Brilliant Berti, Trikari proved a convincing winner as the chalk gave vain chase. **In a Jam** (**Preservationist**) rounded out the triple.

The winner's sire was victorious in the 2017 Secretariat, then a Grade I and run over a mile and a quarter at Arlington.

"Johnny was super impressed with his turn of foot," said winning trainer Graham Motion. "Down the backside he was so relaxed and when he asked him, he just took off. I think as (Trikari) matures now and starts to run against older horses--now he's going to have to step up his game against older horses--I think (one mile) is really going to be his game.

"I've been trying not to think about the Breeders' Cup, because

it's tough for 3-year-olds, a race at Keeneland maybe against older horses, something along those lines is something we will have to consider."

Victorious in the Rushaway Stakes over the Turfway Tapeta Mar. 23, Trikari--and not Endlessly (**Oscar Performance**)--carried the Amerman blue-and-white in the May 4 GII American Turf Stakes and caused a 47-1 boilover. Third and beaten just a neck in the GIII Penn Mile Stakes May 27, he was along in the final strides in the Belmont Derby, while Endlessly trailed home in fifth.

Pedigree Notes:

On behalf of Augustin Stables, Graham Motion trained Trikari's dam to four wins and earnings of better than \$267,000, including the GIII Herecomesthebride Stakes at Gulfstream Park. A half-sister to GSWs Lift Up (**Ghostzapper**) and Varenka (**Ghostzapper**), SW & MGSP Appealing Cat (Successful Appeal) and a full to SW Cat's Holiday, Dynamic Holiday was acquired by Michael Slezak for \$14,000 carrying the foal that would become Trikari at the 2021 Fasig-Tipton February Sale. She is also the dam of the 2-year-old filly Miavana (Jimmy Creed) and a yearling colt by **Beau Liam**, and changed hands for \$3,500 in foal to **Mind Control** during the Fasig-Tipton Digital October Sale last fall.

'TDN RISING STAR' GETAWAY CAR AN EASY WINNER IN BEST PAL

Getaway Car | Benoit

He faced just three rivals but, with the way he ran, **Getaway Car** (**Curlin**) looked as though a full field wouldn't be a problem in taking the GIII Best Pal Stakes at Del Mar Sunday afternoon. Honored as a **'TDN Rising Star'** for his 3 1/4-length debut performance over five furlongs July 20, the 1-5 favorite had an extra furlong to work with in the jump up to graded stakes company for trainer Bob Baffert.

Keen from the outside gate, Getaway Car had plenty of speed to clear down to the inside with **Mischief River** (Into Mischief) poised just off his flank for much of the running. The top pair put up fractions of :22.20 and :45.77 but, by the quarter pole, it was clear that Getaway Car was a runaway winner. Running up the score into that last furlong, he came home under a motionless Juan Hernandez to win under wraps.

"You know what, going into the gate it looked like he was going to have a lot of speed against him," said Hernandez. "But in my mind I am going to take advantage of my position. The gate opened, my horse broke in front, and I just decided to let him go. He was very comfortable on the lead. He is really fast, so he cleared everybody. I just waited till the quarter pole, where his ears went up. I asked him to pick it up again and he did. Can't wait for the next one."

Baffert added: "This guy's been a lot of fun. Great name and he's fast. He wasn't slowing down. He's got a beautiful stride. Just a beautiful way of doing it. He's by **Curlin** and Curlins usually get better with age. The good horses can get the distance."

Pedigree Note:

The 60th graded stakes winner for **Curlin**, Getaway Car is the first foal out stakes winner Surrender Now, who sold as a 2-year-old for \$220,000 and earned over \$280,000 on the track. She is a half to GIII Bob Hope Stakes winner Red Flag (Tamarkuz). She has a **Charlatan** yearling colt who brought \$285,000 as a weanling at Keeneland November last year and, after not producing a foal this year, was bred to **Nyquist** for next season.

COLONIAL TO ADD SPRING DATES, VA DERBY TO BECOME DERBY POINTS RACE

by Alan Carasso

NEW KENT COUNTY, VA -- Prior to the running of Sunday's third race on the Colonial Downs 'Festival of Racing' program, Virginia Governor Glenn Youngkin announced that the track, which has run summer dates since its return to the racing calendar five years ago, would be conducting a 'spring' meeting at the New Kent County track.

Youngkin also told the crowd on hand that the Virginia Derby, previously held on the turf, would be contested during the new meeting and that it is to become a points-earning race on the Road to the Kentucky Derby.

"Churchill Downs has worked with partners throughout the Commonwealth to reinvigorate Virginia's proud legacy of Thoroughbred racing and secure our place as a world-class destination for racing fans and equine talent from around the world," said Governor Youngkin. "The future for Thoroughbred racing in Virginia has never been brighter and this opportunity will allow us to shine on horse racing's biggest stage."

This year's Virginia Derby will be held as scheduled on turf on Sept. 7. In 2025, as part of a 50-point race on the Road to the Kentucky Derby, the Virginia Derby will be held Mar. 15 on the dirt track and will anchor a new four-day spring meet at Colonial Downs.

Virginia Governor Glenn Youngkin greets a parachuter Sunday at Colonial's Festival of Racing | Nick Phillips/Coady Media

"We are thankful for the investment of Churchill Downs in the Virginia horse racing industry. In 2025, Colonial Downs will race 47 days, which is up from 27 days in 2022, the last race meet before Churchill Downs acquired Colonial Downs," said Secretary of Agriculture Matthew Lohr, who joined the Governor for the announcement. "Besides adding prestigious and lucrative races for horsemen, more race days drives significant economic impact throughout Virginia's entire agricultural sector leading to a healthy breeding industry, stronger equine infrastructure, and more employment opportunities across the Commonwealth."

Churchill Downs CEO Bill Carstanjen also addressed the crowd, voicing his satisfaction with the progress made at Colonial Downs on the occasion of the second Festival of Racing since Churchill purchased the track in November 2022.

Dates for the Colonial Downs spring meet are contingent on approval of the Virginia Racing Commission.

SARATOGA NOTEBOOK: LUKAS WANTS TO RUN SEIZE THE GREY IN TRAVERS, NO DECISION HAS BEEN MADE

by *Tim Wilkin*

SARATOGA SPRINGS, N.Y. -- If it was up to Hall of Fame trainer D. Wayne Lukas, **Seize the Grey** (Arrogate) would be running in the \$1.25-million, GI Travers Stakes at Saratoga Race Course on Aug. 24.

On Sunday morning, all Lukas could do was shrug his shoulders when asked if the GI Preakness Stakes winner would be taking a place in the Travers starting gate.

"I don't know," he said at his barn on the Oklahoma Training Track. "I am going to vote to run him in it."

Lukas, though, apparently doesn't have the only say. MyRacehorse, which owns the horse, lists 2,570 partners who got involved with a payment of \$127 per share. Of course, 2,570 people don't get to give their opinion on where and when Seize the Grey runs.

That would fall on Michael Behrens, the founder and CEO of MyRacehorse. He did not return a message left on his cellphone on Sunday.

Last month, MyRacehorse sold the breeding rights to Gainesway Farm in Lexington. According to a release from MyRacehorse in July, the deal has a base value of \$3.5 million with additional incentives.

The final value of the breeding rights would balloon by \$3 million if Seize the Grey wins the Travers and \$4 million more if he were to win the GI Breeders' Cup Classic. If Seize the Grey wins a Grade I other than the Travers or Classic, it's a \$2-million bonus. That would include the GI Pennsylvania Derby at Parx on Sept. 21.

Lukas said he believes that Gainesway is involved with the decision on Seize the Grey's next start.

Brian Graves, the general manager at Gainesway, said that is not the case.

"The owners will decide where he runs next; it's their call not mine," Graves said by phone Sunday. "I am not sure where they are running the horse next. The horse is limited to a certain amount of runs before the retirement."

How many races that is was not made clear. Seize the Grey has raced seven times this year and has three wins and a third.

Since winning the Preakness, he was seventh in the GI Belmont Stakes on June 8 and fourth in the GI Jim Dandy Stakes on July 27. Both of those races were run at Saratoga.

"There is some thought that maybe he doesn't care for this racetrack," Lukas said. "I don't quite buy into that."

Lukas said there is talk that MyRacehorse would rather wait for the Pennsylvania Derby and give Seize the Grey more time between races. Lukas would like to run in both the Travers and Pennsylvania Derby.

"I never trained afraid to run them when they are good," Lukas said. "I have made a living doing that. So many times, we overreact to the time off and whether he is ready and all of that. I have run a lot of horses in a lot of stakes--I mean a lot of stakes--and I run them back in short time."

Hall of Famer D. Wayne Lukas with Seize the Grey | Sarah Andrew

Lukas said he will continue to train Seize the Grey as if he were going to run in the Travers. He plans on working him on Monday.

"It's a no-win situation for me," Lukas said. "If he runs well (in the Travers), I'm a hero. If he runs poor, it's like, 'I told you so; you should not have run him.' But I am bulletproof to that stuff. If he doesn't run (in the Travers), I'll just keep right on training him for the next one."

Gaffalione Has Been Riding As Good As Anyone Lately At Saratoga

Over the past four days, no one has been hotter than jockey Tyler Gaffalione at Saratoga Race Course. He has won 10 races over that period to give him 26 winners. Sixteen days of racing remain in the 40-day meet.

Irado Ortiz, Jr. is the leader with 33 wins, and he is followed by Gaffalione with 26 and Flavien Prat with 25. **Cont.**

Saratoga Notebook, cont.

“Everything has been going really well,” Gaffalione said on the Saratoga backstretch this weekend. “My agent (Saratoga Springs native Matt Muzikar) has been doing a great job getting us on live horses, and the horsemen have done a great job bringing them over ready to run.”

The question is can Gaffalione--or anyone else--knock off Ortiz, Jr., who has won four of the last six titles, including the last two? Ortiz, Jr. will be sitting out three days next week as he serves a suspension Wednesday-Friday.

“You always come into these meets with the confidence that you can win,” he said. “Everything has to go your way and you have to get a little bit of luck. Who knows?”

Better Days Ahead For Romans And Keep It Easy

Trainer Dale Romans was hoping for big things from **Keep It Easy** (*Hard Spun*) in Saturday’s Grade II Saratoga Special Stakes at Saratoga. It didn’t happen.

Keep It Easy, the 5-2 second choice among the eight 2-year-olds, was never a factor. Ridden by Junior Alvarado, Keep It Easy stumbled badly coming out of the gate. For them, game over.

“(Alvarado) said he was standing good, and the ground broke out from under him behind and he went to his knees,” Romans said outside his barn on the Saratoga backstretch Sunday morning. “He lost all chance and cut himself up a little bit.”

After the stumble, Keep It Easy bumped with Good Directions (Liam’s Map), further making this a horrible Saratoga Special for the Romans barn.

“He fell into (Good Directions); that probably kept him up,” Romans said. “It kept him from going all the way down. Junior is lucky he stayed on. After that, he said he gave him a little

chance down the backside, and he could tell he was rattled and then he just let him gallop around there.”

Romans said Keep It Easy was in good shape Sunday morning after the ordeal.

Keep It Easy broke his maiden in his second start, at Churchill Downs on June 27. Romans was encouraged with the effort even though the public dismissed him at odds of 23-1.

The Saratoga Special became the goal and Romans expected something, well, special. So, for sure, on Sunday there was disappointment.

“He was the focus of the meet, he was the big horse in the barn,” said the Kentucky-based Romans, who has 10 horses stabled at Saratoga. “I know he is a good horse. The good side of it is that he looks sound this morning, he is healthy and it looks like there is a lot of ground in front of us.”

Keep It Easy just before the Saratoga Special | Sarah Andrew

There is no specific race that Romans will target Keep It Easy to. He will likely resurface at Keeneland in the fall.

“He’ll live to fight another day,” Romans said. “This shows how tough it is to win a big race. Everything has to go right, and you can’t stub your toe in a graded stakes race at Saratoga.”

SIERRA LEONE BACK WORKING AT SARATOGA; SHOWCASE EXITS SPECIAL IN GOOD ORDER

Sierra Leone works Sunday morning | Sarah Andrew

GI Blue Grass Stakes winner and **'TDN Rising Star' Sierra Leone (Gun Runner)** returned to the work tab Sunday morning for trainer Chad Brown ahead of an expected next start in the GI DraftKings Travers Stakes Aug. 24. The \$2.3-million FTSAUG grad, last seen second to another **'Rising Star'** and champion in Fierceness (**City of Light**) in the GII Jim Dandy Stakes July 27, covered a solo half mile in :49 flat over the Oklahoma training track.

"He worked super," said Brown. "He's come out of his last race well and I'm happy with where he's at."

The Jim Dandy marked Sierra Leone's first start with a ring bit under Flavien Prat. He had also been training solo ahead of that start.

"It's an area of his training that he's kind of graduated into," added Brown. "He's got a lot of experience now and fitness, so at this stage of his career, it seems to be working good for him. We'll see where it takes us. For right now, he's fine doing that. We're very much so on target for the Travers."

Also breezing over the weekend was champion **Idiomatic (Curlin)** for Brad Cox who went five furlongs in 1:00.40 (3/12) Saturday morning. She'll target a title defense in the GI Personal Ensign Stakes Aug. 23.

"Really good breeze on the Oklahoma. She will have one more before the Personal Ensign," Cox said.

'TDN Rising Star' Showcase (Uncle Mo), a winner in Saturday's GII Saratoga Special, rebounded well from his efforts Sunday according to Todd Pletcher.

"He's excellent. He looked really good this morning," said Pletcher. "We will play it by ear [where to run next]."

After Saturday's race, Pletcher indicated that the GI Hopeful Stakes Sept. 2 may be a little quick back. He said he may prefer to wait until the fall and stretch out in either the GI Champagne Stakes at Aqueduct or the GI Breeders' Futurity at Keeneland.

The same races are also under consideration for **Tenacious Leader (Not This Time)**, who graduated at second asking Saturday.

"I thought that was good," said Pletcher. "We knew he'd appreciate stretching out. It allowed him to get into a good rhythm. He finished up well. We were happy."

PACIFIC CLASSIC WORKERS TUNE UP AT DEL MAR

Runners gearing up toward the GI FanDuel Racing Pacific Classic worked over the weekend with three weeks to the big race. Last year's winner, **'TDN Rising Star' Arabian Knight (Uncle Mo)** may not return to defend his title after finishing fourth in the GII San Diego per trainer Bob Baffert.

"He's doing fine," Baffert said. "But I don't know what I'm going to run in the Pacific Classic."

Meanwhile **Subsanador (Arg)** (Fortify), one of two Argentine-breds thought to be headed to the Pacific Classic, will instead run in the GIII Iselin Stakes at Monmouth Park Aug. 17, according to trainer Richard Mandella.

Parenting (Justify), **Newgate** (Into Mischief) and **Reincarnate (Good Magic)**, all from the Baffert barn, have been mentioned as possible runners in the Pacific Classic. Reincarnate, runner-up to **Midnight Mammoth (Midnight Lute)** in the GIII Cougar II, put in a five-furlong work Saturday, stopping the clock in 1:01.4 (1/4). Newgate, who hasn't raced since returning from the Middle East where he ran ninth in the G1 Dubai World Cup, returned to the work tab Friday, posting a three-furlong bullet in :36.40 (1/8).

Other candidates for Del Mar's marquee race of the summer meet all put in works this week.

Dr. Venkman (Ghostzapper) worked Saturday on the main track going four furlongs in :47.60 (9/92). It was his first work since his victory in the GII San Diego last month. Trainer Mark Glatt indicated he was pleased with the work and is pointing to the Pacific Classic.

Katonah (Klimt), runner-up in the San Diego, is also being pointed to the Pacific Classic. He put in his first work since the San Diego Saturday going four furlongs in :47.40 (6/92).

Midnight Mammoth is pointing to the Classic off of his victory in the GIII Cougar II. Trainer Craig Dollase worked him Saturday, going four furlongs in :48.00 (19/92). **Cont.**

Pacific Classic, cont.

Express Train (**Union Rags**) is another probable participant off of his third-place finish in the San Diego.

“He came out of the race fine,” trainer John Shirreffs said. “I thought he ran a credible race and we’re looking forward to the next one.”

Trainer John Sadler is still uncommitted to running **Full Serrano** (Full Mast) in the Classic.

“He came out of the race well,” Sadler says. “We’ll start to breeze him back next week and look for something here, whether it’s that (the Pacific Classic) or not, we haven’t decided.”

HALL OF FAMER JOSIE CARROLL REACHES 1,000 TRAINING WINS

Josie Carroll recorded her 1,000th career win as a trainer in Sunday’s fourth race at Woodbine when the 4-year-old **Tapit** gelding Spinzar won for LNJ Foxwoods. Carroll, who became the first woman to train a King’s Plate winner in 2006, also trained this year’s Woodbine Oaks winner. Horses racing out of the Josie Carroll barn include names such as two-time Canadian Horse of the Year **Mighty Heart** (Dramedy), **Careless Heart** (Stormin Fever), champion 2-year-old colt **Avie’s Flatter** (Flatter), **Ami’s Holiday** (Harlan’s Holiday) and champion 3-year-old colt **Ami’s Gizmo** (Giant Gizmo). Carroll has earned nearly \$59 million in purse earnings with 176 stakes wins and 59 graded wins. She was inducted into the Canadian Horse Racing Hall of Fame in 2019.

CASSE CONTINUES TO HAVE SUCCESS WITH HIS 2-YEAR-OLDS AS LA CARA GETS TO WINNER'S CIRCLE

La Cara | Sarah Andrew

by Tim Wilkin

SARATOGA SPRINGS, N.Y.--The baby train continues to chug along for Hall of Fame trainer Mark Casse at Saratoga Race Course this summer.

The latest stop came Sunday and 2-year-old filly **La Cara** (**Street Sense**) hopped on board as she pulverized the field in the eighth race maiden special weight. Ridden by Ricardo Santana Jr., La Cara went to the lead at the start of the seven-furlong race and stayed there.

She won by eight lengths, and it could have been more as Santana Jr. brought her home with a hand ride.

"That was impressive," Casse said by phone.

Casse watched this race from home with his wife, Tina. Nothing against the Spa, but he had horses running all over the country--including the big card at Colonial Downs--and decided it would be easier to keep track of them from the comfort of his couch.

"I have my TV going, my laptop and my iPad ... we are going all over the place," Casse said. I am in air traffic control."

Casse was going to be back at the track to saddle **Strong Quality** (**Quality Road**) in the GI Fourstardave Handicap (he finished fourth). Before that, though he was more than happy to talk about his most recent Saratoga success with the juveniles.

La Cara became the sixth horse to win a baby race for Casse, who has 10 winners overall, at this meet. For the year, Casse has started 123 2-year-olds and has 25 wins, 13 seconds and 20 thirds.

"We came up with this plan, and we had a lot of people who

believed in us," Casse said. "We went out and got the best bunch of yearlings we have ever got. I said we were going to be ready like never before ... when a plan comes together, it's nice."

La Cara is owned and bred by long-time Casse client Tracy Farmer. Casse also trained the dam, Casa Caterina and said this is her first foal. Casa Caterina is a full sister to To Honor and Serve, a multiple graded stakes winner.

However, Casse said, Casa Caterina could not run at all.

"I could outrun her," he said.

Fortunately, for Casse, La Cara did not inherit the slow genes of her mother.

"She is a beautiful homebred," Casse said. "As impressive as she was running, she is just as impressive to look at."

La Cara was making her fourth career start Sunday. The experience, Casse said, worked to her advantage. The only other filly to run before this race was 18-1 **Going Steady** (**Constitution**) and she finished second for Hall of Famer D. Wayne Lukas. But she was no match for La Cara.

La Cara, the 9-2 third choice, carved out fractions of 22.45, 45.44 and 1:10.43 before coming home in 1:23.58. She paid \$11.20.

Casse said he expected good things from La Cara when he had her on his farm in Ocala, Fla. over the winter. After two starts at Churchill Downs (a sixth on a sloppy track and a second on a fast one) he sent La Cara to Saratoga.

However, he did not bring her up early, like he did with many of his young horses. Because the Belmont Stakes Festival was held at Saratoga, Casse left a string of horses here after that four-day meet ended in early June.

La Cara showed up in time to run on the third day of the meet and she bombed as the even-money favorite, beaten six lengths while finishing fourth.

Cont.

Mark Casse | Sarah Andrew

“I was pretty mad at myself for running her because this is a good filly,” Casse said. “Sometimes, when you have too much confidence, you run a horse and that is what happens.”

In hindsight, he would have gotten her better acclimated to Saratoga. After that race, she had two good works and Casse expected her to run better. She sure did.

INSIGHT *Outcomes*

6th-Saratoga, \$100,000, Msw, 8-11, 2yo, f, 7f, 1:23.58, ft, 8 lengths.

LA CARA (f, 2, **Street Sense--Cara Caterina, by Bernardini)** may have been inconvenienced by a wet track when sixth on Churchill debut May 17, but was forgiven for the effort and was a much-improved second over fast dirt June 21. A disappointing fourth on her first local run July 14, the homebred was sent off at 23-5 to make amends and soon led from her low draw beneath Jose Ortiz. By the half-mile on her lonesome in :45.44, she continued to build a big lead approaching the eighth pole and had eight lengths on Going Steady (**Constitution**), the only other member of the eight-strong field with previous racetrack experience. The winner's dam is a daughter of Pilfer (Deputy Minister), making her a full-sister to MGSW To Honor and Serve and GISW Angela Renee and a half to SW & GISP Elnaawi (**Street Sense**). Pilfer is in turn a half-sister to GSW India (Hennessy), the dam of Japanese dual Group 1 winner Mozu Ascot (**Frankel {GB}**) and the stakes-winning 'TDN Rising Star' Kareena (**Medaglia d'Oro**). La Cara hails from the same family as a **Gun Runner** colt out of Secret Sigh (**Tapit**) that sold to Coolmore and Peter Brant for \$1.9 million at the Fasig-Tipton Saratoga Sale earlier this week. Bred on the same cross that resulted in GISWs **Maxfield** and **Speaker's Corner** and other graded winners like Shared Sense, La Cara has a yearling full-brother. MONDAY'S INSIGHTS: AMERICAN PHAROAH COLT LOOKS PRESS ELLIS PACE *by J.N. Campbell*

4th-ELP, \$71K, Msw, 2yo, 7f, 2:21 p.m. ET.

PUBLISHER (American Pharoah), a \$600,000 Fasig-Tipton Saratoga Yearling Sale grad, debuts for owners Gus King and The Estate of Brereton C. Jones. Trained by Steve Asmussen, the bay colt is the first registered foal out of GSP Indian Pride (Proud Citizen), who is a half-sister to Canadian Horse of the Year Biofuel (Stormin Fever) and Canadian champion 2-year-old filly Tu Endie Wei (Johar).

American Pharoah | Sarah Andrew

Also to the post is first-time starter--trained by Cherie DeVaux--**So Sandy** (Omaha Beach), who was initially a 2022 Fasig-Tipton Fall Sale buy for Jack Gallway. Last fall, the colt went through the Keeneland September ring and Lael Stables took him home for \$535,000. So Sandy's extended female family includes SW Vodka With a Twist (Thousand Words) and MGSW Midcourt (**Midnight Lute**).

Finally, **Authentic Strike** (Authentic) makes the races for partners Ann Harrison and Renata Hendrickson, and is trained by Rodolphe Brisset. The colt brought \$450,000 during OBS March--the second highest juvenile price for his first-crop sire in 2024. Prior to that, the chestnut was purchased as a yearling by Stonehaven Steadings for \$270,000 at the Fasig-Tipton Fall Sale.

SUMMER BREEZES:

Expensive Authentic Colt Debuts at the Pea Patch

Some of the most highly anticipated races during the summer racing season are the 'baby' races during the boutique meetings at Saratoga and Del Mar and at Ellis Park, which attract its fair share of high-priced offspring from a variety of top national outfits. Summer Breezes highlights debuting and stakes-entered 2-year-olds at those meetings that have been sourced at the breeze-up sales earlier in the year, with links to their under-tack previews. Here are the horses entered for Monday at Ellis Park:

Sporting the hot pink silks of his owners, Most Wanted kept his perfect record intact and added the first black-type score of his late-starting career. Prior to this, the colt broke his maiden at first asking at Churchill Downs June 21 and followed that by clearing the allowance ranks at the Pea Patch July 21.

The 3-1 third choice here blazed out of the gate, which immediately handed him the advantage. Well-handled up the backstretch, the 3-year-old effectively controlled the pace around the far turn, but several in the field were beginning to apply pressure at the top of the lane. Most Wanted kept finding past the eighth pole and the homebred reached the wire in time.

Purchased for \$435,000 by Ben Glass at the 2014 Keeneland September Sale, the winner's dam is responsible for three consecutive offspring beginning in 2022 who were sired by Into Mischief--an unraced colt named Lifes Reward and two fillies. Beach Walk was sent to **Gun Runner** for next term. Most Wanted's second dam, GISP Bonnie Blue Flag (**Mineshaft**), is a half-sister to MGISW Diamondrella (GB) (Rock of Gibraltar {Ire}). Owen Almighty, who won his June 20 Churchill Downs debut by 3 1/2 lengths, stepped up to take his stakes debut comfortably. After a slight bobble at the start, Cristian Torres established a striking position while three-wide stalking Politicallycorrect's pace set in :22.46 and :45.79. Finishing strongly under Torres's drive, the 3-5 favorite in a field of seven pulled away from the 3-2 second choice Politicallycorrect in the final furlong to garner a 4 3/4-length tally.

Brian Lynch said, "I'd have to think the Iroquois would be next after this race. Our goal with him is to get to the Breeders' Cup Juvenile this fall and he's on the right path."

His dam, a half-sister to the El Corredor gelding Mac The Man (SW, \$207,830), finished second in the GII Fair Grounds Oaks. Owen Almighty, who was hammered to Sycamore Hall Farm for \$360,000 as a weanling at the 2022 Keeneland November Breeding Sale, is her first foal. Dismissed as the longest shot at 23-1, the consistent five-time winner was reserved in seventh before commencing her rally on the far turn. Swung five-wide into the stretch, she swept past four rivals in the final furlong. She caught the forwardly-placed throughout Fancy approaching the wire to prevail by a neck.

The filly was third that day and then won a high-level optional claimer for Chris Hartman's outfit by 3 1/4 lengths over the same surface June 28.

Arriving at Ellis--a track she had not seen since she broke her maiden at first asking just under a year ago--and as a 5-2 shot here, Fibber shadowed a trio of leaders up the backstretch

which included '**TDN Rising Star**' **Tarifa**. Looking for a lane to run around the far turn, the gray tipped to the three path, uncovered her best stride past the eighth pole and got her picture taken in an impressive fashion.

Ironhorse Racing Stable's Beauty of the Sea has taken her game to a different level as a 4-year-old and she added to her increasingly impressive resume with a comfortable success in Sunday's Andy Guest Stakes at Colonial Downs.

Bosserati (Street Boss) won the break from her inside stall, but Paco Lopez was intent on not allowing that speedy rival to get too far in front and set up shop just off that one's flank. Poised to strike on the swing for home, Beauty of the Sea claimed the lead under a confident Paco Lopez about a furlong and a half from home and kept on nicely for a cozy success. Second choice Medalla Match (Summer Front) went down just before the line with a left front fetlock injury. She was reportedly stabilized and walked onto the waiting horse ambulance. John Velazquez was uninjured.

Beauty of the Sea won half of her six trips to the post in 2023, including a breakthrough first black-type victory in the Blue Sparkler Stakes at Monmouth Park. Shelved off an unplaced effort to the talented Danse Macabre (**Army Mule**) in the Glen Cove Stakes in October, Beauty of the Sea overwhelmed her rivals in a Gulfstream overnight handicap Apr. 28 before just missing in a stakes-quality Churchill allowance June 7. She wheeled back on just 15 days' rest for the Goldwood Stakes at the Jersey Shore and duly obliged by 1 1/4 lengths. Connections opted for the Andy Guest over Sunday's Incredible Revenge Stakes at her home base at Monmouth.

Beauty of the Sea is one of three stakes winners for her New York-based sire and is bred from a Gone West-line mare, the same as Ironhorse Racing's stakes-winning colt Mattingly. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Saudi Crown, the 2023 GI Pennsylvania Derby winner, made a triumphant return to the races with a game front-running performance. Unraced since a sub par 12th-place finish in Meydan's G2 Godolphin Mile, he had been working well for his return at Churchill Downs, including a pair of bullet five-furlong workouts in July. Showing his abundant speed, he seized command early under Florent Geroux and set fractions of :23.01, :45.92 and 1:09.91. After fending off a brief challenge from Pipeline (Speightstown) on the far turn, the 3-5 favorite in the field of 10 held sway, finishing 1 3/4 lengths clear of Injunction's four-wide bid.

Fandom (inside) | *Sarah Andrew*

Fandom showed talent right from the start--winning by 6 3/4 lengths at Keeneland for Wesley Ward as a 2-year-old. A trip to Royal Ascot followed in the G2 Coventry Stakes but he weakened to 11th and went to the sidelines for nearly a year before coming off the bench back at Keeneland to take the Palisades Stakes Apr. 7. A barn change to Brad Cox after that start saw Fandom hit the board in the GIII Quick Call Stakes over course and distance July 14 and earned the son of Showcasing 4-1 odds Sunday. Racing with blinkers on from the rail, Fandom flashed early speed but had to contend with Run Carson from the get go. The pair duelled one another through fractions of :21.53 and :44.49 to the top of the stretch and Fandom had just enough to last over a host a closing challengers to hit the line in front. The jockey aboard third-place finisher Apollo Ten lodged a post-race objection against Dylan Davis and Fandom but the stewards disallowed it and the results stood.

"Very happy with that win," said Blake Cox, assistant to Brad Cox. "He added blinkers today. We didn't think he would be on the lead, but wanted to get him more involved and it worked out well."

One of 70 stakes winners for Showcasing, the English-bred Fandom is out of a half to G1SW Lezoo (GB) (Zoustar {Aus}) who sold for 2.2m guineas at the 2023 Tattersalls December Mare Sale. Brogan has a 2-year-old filly yet to race by Masar (Ire) and a yearling Zoustar (Aus) filly. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Off a visually-impressive 16 3/4-length win on debut at Lone Star June 29, Stiletto jumped up into stakes company to take the Ellis Park Debutante Sunday. The narrow 2-1 second choice took on race favorite Rich City Girl right from the jump and the top pair opened up on the field into the backstretch run through a half in :45.51. Outside of her rivals off the turn, Stiletto had the most to offer late, just edging away in the later stages to keep Rich City Girl behind her to the line. The 17th stakes winner for **Upstart**, Stiletto is out of MSW/GISP Unspoken Word (Catienus), a half to GSW/MGISP Emotional Kitten (Kitten's Joy) who sold carrying the winner in utero for just \$9,000 at FTKFEB in 2022. Of six foals to race, she's produced four winners including GSP Smoke Signals (**Street Sense**) who has since become the dam of a pair of stakes runners herself. Unspoken Word produced a filly by Mr Speaker this year and returned to that same stallion for next season. **Click for the Equibase.com chart.**

Regalo broke his maiden at second asking by 5 1/4 lengths at Laurel Park and then won against optional claimers over the same track with both races coming late in his juvenile year. As a newly-minted 3-year-old, the Brittany Russell trainee was well-beaten in the Jerome Stakes at Aqueduct and then was last seen finishing sixth in the Miracle Wood Stakes at Laurel in late February.

Coming back from the extended layoff and now a gelding, the bay was overlooked at the windows as a 17-1 shot here. Regalo showed early on that he was up to taking on this type of company. Leading up the backstretch, the longshot began to square off to his outside with Awesome Ruta. In a pitched battle entering the lane, the pair continued to duke it out past the eighth pole, but it was the gelding who won the bob and his first black-type.

The second foal out of his unraced dam, Regalo has a 2-year-old half-brother named Dream Life (Cross Traffic) and a yearling half-sister by **Higher Power**. Perfect Bourbon foaled a colt by Improbable Apr. 2 and she was bred to **Maclean's Music** for next year. Love Appeals | Bill Denver/Equi-Photo

Love Appeals tried black-type stakes at four different tracks and at best mustered a pair of third place finishes last year. Poised for a breakout, the filly arrived with a win under her belt against optional claimers over this course and distance July 19.

Backed at 70 cents on the dollar here, the favorite set up shop in the second flight as Shoshanah tried to steal the race heading into the far turn. Love Appeals knew what she needed to do and at the top of the lane she uncorked a strong rally. In the final jumps the 4-year-old homebred was able to collar the pacesetter and earn her first black-type.

“You always worry with her late-running style,” said Trainer Christophe Clement. “The good news is she is good enough to overcome it, which is great. She deserved this stakes win. It’s great for her. It takes a little pressure away from us to finally get one after a couple of tries with her.”

A half-sister to GISW Nereid (Rock Hard Ten) and GISP Sea Queen (Lemon Drop Kid), Gioia Stella is responsible for the winner's stablemate, 3-year-old filly Gioioso (Curlin), who is also owned by Moyglare. Love Appeals has an unraced 2-year-old full-sister named Luca Stellare and a yearling half-brother by Quality Road. Her dam foaled a filly by Justify Feb. 26 and she visited Not This Time for next season.

OMAHA GIRL (f, 3, Omaha Beach--Anchorage {MSP}, by Tapit) was in Jorge Delgado's care when she broke her maiden at first asking as a juvenile at Monmouth that summer and also won the Hallandale Beach Stakes at Gulfstream Park in late September. Well-beaten in the GI Breeders' Cup Juvenile Fillies at Santa Anita, the chestnut switched to George Papaprodromou's shedrow and finished fifth in the GII San Clemente Stakes at the seaside oval July 20. With Lasix for the first time and at a massive price of 36-1, the filly was under a tight hold heading into the first turn, but the pace was not quick enough for Real Fire (Street Boss) as she shot to the lead up the backstretch. With a target on her scope, the 3-year-old took aim around the far turn, was unleashed down the lane and got the mission accomplished by half a length over Royal Charter (GB) (Expert Eye {GB}). Capping his year with a win against optional claimers at Del Mar in November, the bay was fifth in his only start as a 3-year-old in the Baffle Stakes at Santa Anita Feb. 17. With Lasix and as the 2-1 choice here, the homebred nestled along the rail mid-pack up the backstretch. Looking for running room behind a wall of horses around the far turn and into the lane, Hedwig finally was able to shoot through a gap at the eighth pole, and held on to win by 3/4 length over Counterstrike (Street Boss). BUCA CALLS ON GOFFS AND GORESBRIDGE TO ABANDON PLANS FOR NEW SALES

Brendan Holland: the chairman of BUCA says two new breeze-up sales in Ireland would be a backwards step for the sector

Tattersalls

by Brian Sheerin

Uncertainty hangs over the breeze-up sector ahead of the first major yearling sale of the season at Arqana this week after the Breeze-Up Consignors Association [BUCA] instructed Goffs and Goresbridge not to go ahead as previously planned with its respective new sales in 2025.

Goffs chief Henry Beeby and Goresbridge boss Ed Donohoe revealed to TDN Europe back in May that they were planning to hold breeze-up sales in Ireland next year.

Both men explained that the decision had been taken after a number of consignors expressed views that there was demand for more than just the Tattersalls Ireland Breeze-Up Sale on the domestic circuit.

However, Grove Stud's Brendan Holland, who was voted in as the new chairman at BUCA's AGM a fortnight back, says there is only a finite number of horses that can pass through the breeze-up system every season and the addition of a new sale would be a backwards step for the industry.

THE ARQANA LOWDOWN: ECURIE DES MONCEAUX by Emma Berry

Twelve years the leading consignor at Arqana's August Sale, and usually in October, too, Ecurie des Monceaux will bring 39 yearlings on the short journey from its Normandy base to the sale paddocks in Deauville.

Regulars at Arqana cannot fail to be familiar with the Monceaux brand. Its draft occupies the courtyard alongside the Villa Pegase, giving the impression during the last few days of yearling inspection that one is temporarily entering a cloistered world with Monceaux founder Henri Bozo as president. One of the most entrepreneurial members of the French breeding community, Bozo has established a strong council of co-breeders as partners in the operation, many of whom have their own farms but have been happy to invest in the beau ideal of the commercial breeding world in France. BUCA Calls For No New Sales, cont. from p1

He explained, "There were 1,100 places offered to the main breeze-up sales in Europe this season and 960 turned up. Only 768 were sold and that follows on from the 760 that sold in 2023. The numbers that are being sold at the breeze-up sales is constant and the market is stable at that level. We can't see how there is room or demand to sell 100 more horses--or any more horses for that matter--and, until we get to a stage where the market expands, I think it is BUCA's responsibility to protect the marketplace that is already in place. We should not be saturating it."

Holland added, "We have spent the past 15 years promoting the breeze-ups as a source of quality. It took a long time to change people's perception of what a breeze-up horse is and what can be found at these sales. In that time, we've had champion two-year-olds, three-year-olds and champion stayers, so it is becoming an easier product to promote because of the success we have had on the track. But we need to protect that."

To that extent, BUCA provided a written mandate to Goresbridge and Goffs and stated "it was unanimously agreed" at the AGM that the number of horses offered at the main breeze-up sales in Europe should not exceed 1,000.

However, Donohoe has accused the association of misrepresenting some of its members and insists that the

mandate could not have been unanimous given he has fielded a number of calls from consignors stating that they would be supporting Goresbridge if the sales company re-enters the breeze-up market after a seven-year hiatus.

"A number of breeze-up consignors contacted me following that meeting to tell me that they didn't agree with the mandate and that they would be supporting our sale. I am not sure that the letter sent to me is representative of all BUCA members," Donohoe said.

He added, "I have replied to BUCA where I expressed my disappointment over the fact that no consignor contacted me to discuss the situation. Goresbridge is a family-run business and I don't see why BUCA feel that they can dictate how we run our business. The Tattersalls Ireland Breeze-Up Sale catered for 250 horses this year and--up until now--is the only breeze-up sale in Ireland.

"A large number of breeze-up consignors, particularly the smaller vendors, were unable to get their horses into this--or indeed any--sale. I intend to cater for this gap in the market and, as I said, I have had written and verbal correspondence from a number of BUCA members explaining that they would be supporting us next year and that they did not agree with the proposals that were raised at the meeting."

"Having said all of that, I am open to discussion with BUCA and am keen to come to some kind of an agreement as we fully intend on holding a breeze-up sale next year."

While the *TDN* understands that Goresbridge had been planning an earlier sale date next year, the idea behind the Goffs Breeze-Up Sale at Naas racecourse was that it would be more reactive, in that it would be a small and select offering of later-maturing juveniles and some who had missed previous targets or failed to sell elsewhere.

Beeby revealed that, while he still harbours an ambition to stage a breeze-up sale in Ireland that would complement the company's breeze-up sale at Doncaster, the Goffs chief executive said that he would be working closely with Holland and the rest of the BUCA committee members to find a resolution.

Regardless, no announcement as to whether Goffs would be staging a breeze-up sale in Ireland will be made until the Premier Yearling Sale at Doncaster later this month.

Beeby explained, "Goffs is in dialogue with BUCA and I plan to meet with Brendan over the next couple of weeks to have a chat. We're not going to make any definitive decisions now—I mean, the sale isn't happening until next June. Also, our AGM takes place after our Premier Yearling Sale, so that will be the earliest that Goffs can announce whether the new sale will go ahead or not.

"BUCA has made some relevant points to us about the number of horses being catalogued next year. From a Goffs point of view, we have our established sale at Doncaster and have the opportunity to stage this new sale at Naas but we will obviously listen to our clients and will work collaboratively

with BUCA, as we always have done."

Asked how likely he felt it was for the new breeze-up sale to take place next year, Beeby said, "It will appear on our proposed sales dates for next year but, until it happens, it hasn't happened. The yearling sales will be a good time for us at Goffs to interact with breeze-up vendors." **Cont.**

I'm told there was unanimity at the BUCA AGM, but then there were people who didn't attend that meeting who have expressed contradictory views.

"A number of people have called me and various views have been expressed. I'm told there was unanimity at the BUCA AGM but then there were people who didn't attend that meeting who have expressed contradictory views. Whether it was National Hunt stores or breeze-ups, everyone saw a tightening of the market and there is a concern that the appropriate measures are taken so that we minimise the impact of that. It's going to be up to sales companies and consignors--as ever--to work together on this."

When tasked with answering the same question as Beeby on whether he felt the BUCA mandate has thrown a spanner in the works with regards to plans for a new sale, Donohoe simply said, "I'd be taking short odds on our sale going ahead next year anyway. And that's from the horse's mouth."

While Platonic (GB) (Zafonic), a shrewd purchase from Fittocks Stud 20 years ago, developed a formidable foundation at Monceaux, with such luminaries as the Group 1 winners Chicquita (Ire) (Montjeu {Ire}) and Magic Wind (Ire) (Galileo {Ire}) among her descendants, more recently the Monceaux name has been kept in lights by Starlet's Sister (Ire) (Galileo {Ire}), who died last November at the age of 14. In that relatively short life she made headlines as the dam of Arc winner **Sottsass (Fr) (Siyouni {Fr})** and seven-time Grade I winner Sistercharlie (Ire) (Myboycharlie {Ire}), while her offspring have topped this sale in 2020 (when run late as the Select Sale during Covid) and 2022, selling for €2.5m and €2.1m apiece to buyers from Bahrain and Japan.

Monceaux sold two of the four seven-figure lots at last year's sale, achieving the second- and third-top price for colts by **Siyouni (Fr)** and Dubawi (Ire), sold to Coolmore and Godolphin respectively. **Cont.**

JOB OPENINGS

A listing of career opportunities in the Thoroughbred industry

British Horseracing Authority Chief Executive

The British Horseracing Authority (BHA) is the governing and regulatory body for British horseracing, which seeks to ensure the effective regulation, integrity, and success of the sport. The BHA's mission is to build a brighter future for the sport of horseracing, for the people working in the industry and for the horses.

The BHA has become responsible for leading the development of an industry strategy, including commercial matters that affect the whole sport. This is a new dimension to the organisation and therefore the appointee will need to be able to think commercially as well as lead on all regulatory and government affairs.

Julie Harrington is stepping down as Chief Executive at the end of 2024 and therefore the BHA is looking for a 'next generation' leader to take the organisation forward, ensuring racing is a sport for everyone and to help it grow and thrive in the future. Julie has led significant changes at the BHA, meaning that the role has recently evolved to include responsibility for setting the long-term industry strategy for horseracing; the BHA is no longer just a regulator, but also plays a role in the commercial success of the sport.

In addition, the new Chief Executive will have to continue to lead the conversation on issues such as participant welfare (including mental health and safeguarding), the sport's efforts on diversity and inclusion, improving stakeholder consultation, delivering greater operational capability and efficiency, being a voice on the global racing stage, and maintaining a healthy relationship with betting operators.

The BHA therefore now has a significant opportunity to bring in a Chief Executive who understands deeply what it is to lead and implement long-term, sustainable, transformation inside an organisation – how to make it happen, how to embed it, the role of culture and perhaps, most importantly, how to pace it. The appointee will therefore be a proven senior leader, with experience in leading complex stakeholder environments, with the ability to influence external stakeholders, such as government, whilst representing the BHA in the consumer facing environment.

This individual will have an excellent track record delivering financial results, driving operational and workforce best practice and creating long-term value.

The international landscape in racing is driving huge commercial returns in the sport. This individual will need to bring experience in engaging with international markets to deepen the BHA's connections globally and represent Britain in the sport.

Location: London

Closing date: Wednesday 11 September 2024

The MBS Group is acting as BHA's advisors on this appointment. To apply, please send a covering letter, CV, and completed Equality Monitoring Form with the subject line "Application for the role of CEO" to bha@thembsgroup.co.uk by 12 noon on Wednesday 11 September.

Henri Bozo, left, at Arqana last year with Ramiro Restrepo
Zuzanna Lupa

This year its draft includes four of the five Dubawi yearlings in the sale along with 10 by France's leading sire **Siyouni**, and a liberal sprinkling of youngsters by **Wootton Bassett (GB)**, **Frankel (GB)**, **New Bay (GB)** and **Zarak (Fr)** among others.

One sad absentee from Arqana this summer will be Lady Chrissy O'Reilly, who died last August shortly after the sale had finished and was remembered on Sunday at the racecourse next

door to Arqana where the Prix Minerve was run in her name. As well as running her own Haras de la Louvière operation, Lady O'Reilly had been a key partner in Monceaux from its early days.

Henri Bozo says: "I think all of us breeders are good at breeding and raising horses but we are not so good at predicting what the market will do, so we will see what happens this week.

"We have a strong draft consisting solely of yearlings from our mares and from our clients' mares who have been bred at the farm, so it is a joint effort between us and our partners. I think this year there is a good mix of yearlings from proven mares at the high end, and we have also been trying to invest in young mares and bring new blood to the farm, so there are a number of yearlings who are the first or second produce of young mares.

"We are lucky to have support from some very strong partners, and at the same time I am trying to increase the percentage that we own ourselves in the new mares. But the partnerships are very positive. It gives you extra input from different breeders.

"Lady O'Reilly was the beginning of the partnership policy that Monceaux had. We started investing in mares and yearlings and at the same time she was also investing and we had the same taste so we decided to go into business together. She was the ideal partner. **Cont.**

"We had a long talk with Patricia [Boutin, advisor to Lady O'Reilly] who came to see the stock here in the last few weeks and it will be very different without her. We have a great filly to sell out of Prudenzia from this special partnership. We always speak about Lady O'Reilly and remember her fondly, and I am very pleased to see that there is a race being run in her memory in Deauville.

"Our strategy is to keep things simple. I think it makes sense to sell horses that you know and that you've bred yourself. That was the first part of our strategy--to sell only homebred yearlings and not to consign for anyone else--and the second part was to keep things easy and understandable for people.

"I have a lot of respect for Tattersalls and Goffs but it was our choice in the beginning to have a clear signal to buyers and to clients that we offer all of our crop at the same place. Some will wait for October to give them more time, but all of them can be purchased in Deauville at Arqana and none of them is sold privately or elsewhere.

"We started Monceaux at the same time as Arqana started and there was a common dynamism. I thought it was nice to offer the result of teamwork on the local market, and thankfully it has managed to attract a wide audience. I am always very happy to go to buy a mare or a yearling at Tatts or Goffs, but we want to stick to that plan."

Draft highlights: Where to begin? Perhaps with **Lot 178**, the half-sister to G1 Grand Prix de Paris winner Feed The Flame (GB) (Kingman {GB}) from the first crop of **St Mark's Basilica (Fr)**. But then we would have to mention **Lot 270**, another by the same young stallion and a half-sister to the Irish Oaks winner Chicquita and G1 McKinnon Stakes victrix Magic Wand, out of the aforementioned Prudenzia (Ire) Dansili {GB}). On Friday, Magic Wand's first foal **Ecstatic (Jpn) (Lord Kanaloo {Jpn})** became a **TDN Rising Star** when winning easily at Tipperary.

"He was a hell of a racehorse," says Bozo of **St Mark's Basilica**, whose first yearlings will be put to the market test in Deauville. "He was very good at two and three, winning the French Derby, and with a strong pedigree by a stallion who has done us well. We think he has a good chance and we decided to give him a good chance with some proper mares. We are happy with the ones we have."

Along with the draft's four Dubawi yearlings is a colt by his son Too Darn Hot (GB). Offered as **Lot 306**, he is out of the dual Group 1 winner Simple Verse (Ire) (Duke Of Marmalade {Ire}) whose first foal, Queen Of The Pride (GB) (Roaring Lion), won the G2 Lancashire Oaks since the catalogue was published. **Cont.**

Lot 112 is a filly whose sire was also raised at Monceaux, **Sottsass**, and she is a half-sister to the G2 Prix de Royallieu winner The Juliet Rose (Fr) (Monsun {Ger}) and this year's G3 Classic Trial winner Arabian Crown (Fr) (Dubawi {Ire}).

"You can guess that we are delighted to see the promising debut of **Sottsass**'s two-year-olds. They are good movers, they are not too heavy, and they are light on their feet," Bozo adds.

Claim to fame: In addition to the success of the aforementioned **Sottsass**, Sistercharlie, Chicquita, Magic Wand and Feed The Flame, Monceaux and its partners have also bred and raised the Group/Grade 1 winners **Paddington (GB)**, Mangoustine (Fr), Angel Bleu (Fr), Sea La Rosa (Ire), Blowout (GB), Intellogent (Ire), National Defense (GB), Ectot (GB), Charm Spirit (Ire), Most Improved (Ire), and Ancient Wisdom (Fr).

Last word: "Our strategy is to try to offer yearlings by proven stallions. We do use a few unproven stallions but most of the yearlings we are offering, especially in August, are by the most proven stallions accessible."

'HE MADE ME CRY': VARIAN MOVED BY JACQUES LE MAROIS TRIUMPH FOR NURLAN BIZAKOV'S CHARYN *by Tom Frary*

While **Inspiral (GB)** (**Frankel {GB}**) was blowing her history bid at the start of Sunday's G1 Prix du Haras de Fresnay-le-Buffard Jacques le Marois at Deauville, Nurlan Bizakov's G1 Queen Anne Stakes hero **Charyn (Ire)** (Dark Angel {Ire}--Futoon {Ire}, by Kodiak {GB}) was getting ready to do his thing and wrap up another top-level triumph in contrastingly straightforward fashion.

After Cheveley Park Stud's mare had forfeited several lengths out of the gates, this was down to who would profit and the answer was the 9-10 favourite as he supplemented his Royal Ascot success under Silvestre De Sousa.

Positioned near the pace as usual, the grey took control passing the two-furlong marker and spread his wings for a three-length verdict over the G1 Poule d'Essai des Poulains winner **Metropolitan (Fr)** (**Zarak {Fr}**). Inspiral, whose profile becomes increasingly mercurial as her career progresses, was only a head further behind in third in what probably amounts to one of her most impressive performances given the distance she surrendered at the start.

Charyn | Scoop Dyga

Charyn's time dipped just under 1:34, which was testament to how tight the ground was riding on Sunday at a meeting that often offers going on the slow side. Since the start of the 1970s, only Goldikova (Ire) (Anabaa) and Moonlight Cloud (GB) (Invincible Spirit {Ire) had managed that feat racing with less weight due to the sex allowance, so this was a notable performance regardless of Inspiral's free gift to her rivals.

Unsurprisingly, the winner's display brought Roger Varian to

shed tears of joy. "I don't know what else to say, he made me cry," he revealed. "He's such a beautiful horse. He was most impressive today in the way he put it to bed and he seems to be getting better and better. Some people forget he was a group 2 winner at two and now he's the finished article."

"It was a very comfortable watch--I just hope he stays sound as he's a super horse," he added. "You don't always know where you are with him, as he's very laid-back at home and carries a lot of condition. Most of the time I send him to the races I wonder if I've done enough with him. He has a great mind, he's very relaxed and he makes my job easy. Silvestre is striking up a good relationship with him and I'm delighted for Nurlan Bizakov and his family. They put so much into the game."

This was the second 'Win and You're in' prize for Charyn after Royal Ascot, but Varian doesn't have the Breeders' Cup Mile on the colt's agenda at present. "It's an option, but I'm not sure it's a route we'll go down," he stated. "We have a lot of ground to cover before then, but it's nice to be invited and it's nice to have it as an option at the end of the year. We'll have to see how he is after today's race, he's in the Moulin and he's in the QEII and we like the idea of Ascot on Champions Day--it's just whether we go to Longchamp on the way or not."

John Gosden said of Inspiral, "I don't think you can give horses of that class a six- or seven-length start." [Cont.](#)

Jubilant scenes greeted Charyn on his return | *Scoop Dyga*

"She's always been slow out of the gate, but today she was looking and decided to give them all plenty of lengths and you can't get away with that in a group 1 race. She's run a huge race from an impossible position and she didn't have a hard pace to run at. She's a great character, as was her mother, and she has shown that she's in very good form so let's hope she doesn't do it again next time."

Mario Baratti was delighted with the run of Metropolitan. "It was another great performance from the horse, doing so well against the best European milers as a 3-year-old," he said. "In the immediate aftermath, I felt that maybe now we should run him over further but after discussing it with Alexis [Pouchin] I'm not so convinced and neither is he. He is in the Moulin and the QEII, so we have time to make a decision."

Pedigree Notes

Charyn, whose 2-year-old full-sister Shinara (Ire) was a 850,000gns purchase by his owners at Tattersalls Book 1 in October, is the second foal out of Futoon with the first being his G2 Mill Reef S. and G3 Sirenia S.-winning full-brother Wings Of War (Ire).

AL RIFFA TRIUMPHS IN THE MATSUSHIMA SILKS IN BERLIN by Tom Frary

Proving that the mile-and-a-half trip holds no fears, **Al Riffa (Fr)** (**Wootton Bassett {GB}**--**Love On My Mind {Ire}**), by Galileo {Ire} made his first start in the Masaaki Matsushima silks a resoundingly impressive one as he got back on the group 1-winning trail in Sunday's Grosser Preis von Berlin. Always happy in the box seat under Dylan Browne McMonagle, the Joseph O'Brien-trained Arc hopeful stayed on powerfully to take control 300 metres from the finish and stormed to a five-length success from **Narrativo (Ger)** (**Adlerflug {Ger}**), with **Best Of Lips (Ire)** (**The Gurkha {Ire}**) beaten another 4 1/2 lengths in third.

The win was Al Riffa's first at this level since the G1 Vincent O'Brien National Stakes at two and added ballast to the G1 Eclipse Stakes in which he had pushed City Of Troy (**Justify**) close last month. "It means a lot to get a winner on my first ride in Germany and he's such a special horse," the winning rider said. "He was my first group 1 winner as a 2-year-old and he had a little setback last year but has come back as good as ever. It's his first time over a mile and a half and he was very good--we always thought he was going to improve for the step up in trip."

Al Riffa | Racingfotos.com

Joseph O'Brien added, "It's been a wonderful day here today and Al Riffa put up a really good performance and we're really proud of him. Dylan gave the horse a fantastic ride and we've had a great day. He's had quite a busy season so far--e's raced in France, the UK, America and now also he's raced in Germany so I think he will have a little rest and probably then he will be prepared for the Prix de l'Arc."

Pedigree Notes

Al Riffa, who was showcasing the versatility of his sire here as one of his nine group 1 winners, is out of the unraced Love On My Mind (Ire) (Galileo {Ire}) whose listed-winning dam Moments Of Joy (GB) (Darshaan {GB}) was a 1.65million gns purchase by Coolmore at the 2005 Tattersalls December Mares Sale. She is also responsible for Galileo's dual G3 Sagaro Stakes winner and G1 Gold Cup runner-up Mizzou (Ire) and G3 Give Thanks Stakes-placed Eternal Bounty (GB) and the G3 Noblesse Stakes-placed Unity (Ire) by Galileo's sire Sadler's Wells.

COWARDOFTHECOUNTY WINS FRANCOIS BOUTIN FOR STONESTREET, OXLEY, AND FARMER

by Tom Frary

Finding his true trip at Deauville on Sunday, the Joseph O'Brien-trained **Cowardofthecounty (Ire)** (Kodi Bear {Ire}--Hawaajib {Fr}, by Elusive City) turned around recent fortunes to gain a first black-type success in the opening seven-furlong G3 Prix Francois Boutin. Running below expectations when seventh in the G2 Coventry Stakes and G3 Anglesey Stakes having made such a big impression on debut when beating Whistlejacket (Ire) (**No Nay Never**) at The Curragh in April, the colt who represents

Barbara Banke's Stonestreet Stables, Tracy Farmer and John Oxley was again sluggish away from the stalls but quickly into racing rhythm under Ryan Moore.

Looming on the front end passing two out, the 7-1 shot stayed on strongly to score by 1 1/2 lengths from the 9-10 favourite **Houquetot (Ire)** (**Wootton Bassett (GB)**) in race-record time. "He was impressive the first time and ran well at Royal Ascot and at The Curragh last time in a race that has worked out well," Moore said. "The step up to seven suited and he feels like a good horse with a nice future."

Joseph O'Brien, who was in Berlin, was represented by Shane Crosse who said, "He's not a slow horse, but the extra furlong really helped him today and Ryan said he relished the seven furlongs. He's straight and is a fine, big colt so hopefully there are big days ahead of him."

Pedigree Notes

Cowardofthecounty, who becomes the 10th stakes winner for his sire, is out of the unraced Hawaajib (Fr) (Elusive City) who is kin to the unbeaten listed scorer Junia Tepzia (Ire) (Rock Of Gibraltar {Ire}). The third dam is the G3 Prestige Stakes winner Glatisant (GB) (Rainbow Quest), who produced Giant's Causeway's G1 2,000 Guineas-winning sire of note **Footstepsinthesand (GB)**, the G1 Phoenix Stakes hero and fellow sire Pedro The Great (Henrythenavigator). She is also responsible for the listed scorer Belle D'Or (Medaglia D'Oro), in turn the second dam of **Oasis Dream's** G1 Irish 2,000 Guineas-winning sire Power (GB) and his GI E.P. Taylor Stakes-winning half-sister Curvy (GB) (Galileo {Ire}), dam of the recent unbeaten G3 Prix Six Perfections winner Angeal (Ire) (**Wootton Bassett (GB)**). Hawaajib's filly foal is by Space Traveller (GB).

AL HAKEEM BACK TO WINNING WAYS IN THE GONTAUT-BIRON by Tom Frary

Recording his first win in two years, Al Shaqab Racing's **Al Hakeem (GB)** (**Siyouni {Fr}**) is headed back to the big time with confidence restored after Sunday's G3 Prix Gontaut-Biron Hong Kong Jockey Club at Deauville.

Last in this spot in the 2022 G2 Prix Guillaume d'Ornano over this course and distance, the Jean-Claude Rouget trainee whose career tally includes fourth placings in the G1 Prix du Jockey Club and G1 Prix de l'Arc de Triomphe travelled comfortably in second throughout the early stages.

Sent to the front at the top of the straight by Cristian Demuro, the 8-5 second favourite hit the line half a length ahead of **Woodchuck (Fr)** (Birchwood {Ire}).

"The horse had some problems after his Arc and it took a long time with the valuable assistance of the people at Al Shaqab in England to bring him back," the operation's Mohamed Al Mansour explained. "If it wasn't for them, we wouldn't be here today celebrating his win. The aim now is obviously the Arc, it would be lovely to get a homebred to win the Arc--that's the dream."

Al Hakeem | Scoop Dyga

"It's all systems go. He's an amazing horse, very genuine, he's such a good looker and he just needed time to mature," he added. "There are a few options, there is the [G3] La Coupe de Maisons-Laffitte at Longchamp in early September, or we might try the [G1] Irish Champion Stakes. There's a few roads leading to the Arc, but he might just go straight there. We'll leave it to the team to decide, because they've done an amazing job so far."

Pedigree Notes

Al Hakeem is the second foal out of the G3 Prix Penelope-placed Jadhaba (Ire) (Galileo {Ire}), the leading performer for the four-times graded-stakes scorer Naissance Royale (Ire) (Giant's Causeway). Connected to the group and graded-stakes placegetters Green Lyons (Ire) (Green Desert), Candy Kitty (Lemon Drop Kid) and Cigamia (**Karakontie {Jpn}**), her 2-year-old is a full-sister to Al Hakeem.

MOSAIQUE STRIKES FOR THE WERTHEIMERS IN THE LADY O'REILLY *by Tom Frary*

Shedding her bridesmaid status at Deauville on Sunday, the Wertheimers' **Mosaïque (Ire)** (Dubawi {Ire}) entered the hallowed hallways of the operation's pattern-race winners in the G3 Prix Lady O'Reilly.

Successful in the Listed Prix de Thiberville and placed in the G2 Prix de Malleret and G3 Prix de Royaumont, the homebred was placed in the perfect spot early by Maxime Guyon stalking the pace.

Surging to the front with 150 metres remaining, the 11-5 joint-favourite stayed on to beat **Le Combat Continue (Fr)** (De Treville {GB}) by 3/4 of a length with **Vigatata (Fr)** (Sea The Moon {Ger}) a head away in third. "We'll see about the [G1] Prix Vermeille, but I think she has the speed for a mile and a quarter too so we'll see after that," trainer Carlos Laffon-Parias said.

Pedigree Notes

Mosaïque is the third foal out of the dual G2 Prix de Royallieu winner The Juliet Rose (Fr) (Monsun {Ger}) who was placed in the G1 Prix Vermeille and is a half-sister to this year's G3 Sandown Classic Trial winner Arabian Crown (Fr) and the Listed Dusseldorfer Stutenpreis scorer Everest Rose (GB) by Mosaïque's sir Dubawi. Their dam is the listed winner Dubai Rose (GB) (Dubai Destination), a half to the G2 Pretty Polly

Stakes winner Hanami (GB) (Hernando {Fr}) and to the dam of the G1 Prix de Royallieu heroine Sea La Rosa (Ire) (**Sea The Stars {Ire}**) and her G2 Great Voltigeur Stakes-winning full-brother Deauville Legend (Ire). The Juliet Rose's yearling is a full-brother to Mosaïque.

on the European racing scene

HOW THEY FARED

14.30 Leicester, Nov, £9,000, 2yo, 7fT

Ralph Beckett trainee **Matauri Bay (Ire)** (Lope De Vega {Ire}), a 500,000gns Book 1 full-brother to GI Breeders' Cup Juvenile Fillies Turf heroine Aunt Pearl (Ire), went postward as the 2-1 favourite and justified market confidence with a 1 1/2-length debut victory.

BRITAIN

Sunday's Results:

2nd-Ripon, £10,000, Nov, 8-11, 2yo, 6fT, 1:11.02, gd.

MEARALL (IRE) (c, 2, Cotai Glory {GB}--Lahabah {Ire}, by Invincible Spirit {Ire}) was slick from the traps and seized an immediate lead in this debut. In command throughout. the 11-8 favourite was last to come off the bridle when stirred into action with 1 1/2 furlongs remaining and dominated the closing stages, despite edging right, to defeat We Dare To Dream (Ire) (Dark Angel {Ire}) by 2 1/4 lengths. Mearall, half to a weanling colt by Space Traveller (GB), is the sixth of seven foals and second scorer produced by an unraced daughter of GIII Pin Oak Valley View Stakes third Grenadia (Thunder Gulch), herself a half-sister to G3 La Coupe and G3 Prix Gontaut-Biron victor Slew The Red (Red Ransom). Grenadia, who hails from the family of multiple Grade I-winning US Horse of the Year Lady's Secret (Secretariat), is also kin to the dam of GI Breeders' Cup Filly & Mare Sprint heroine Shamrock Rose (**First Dude**) and GII Bessarabian Stakes and GIII Hendrie Stakes victrix Loyalty (**Hard Spun**). Sales history: £55,000 Ylg '23 GOFFUK. Lifetime Record: 1-1-0-0, \$6,703. O-AI Mohamediya Racing; B-Thomas Hassett (IRE); T-Richard Fahey.

2nd-Leicester, £9,000, Nov, 8-11, 2yo, 7fT, 1:24.77, g/f.

MATAURI BAY (IRE) (c, 2, Lope De Vega {Ire}--Matauri Pearl {Ire} {MSP-Nor & SP-Swe, \$128,209}, by Hurricane Run {Ire}) broke slowly and recovered to race under cover in a handy fourth after the initial strides of this debut. **Cont.**

Angling into the open at halfway, the 2-1 favourite was shaken up to launch his challenge passing the quarter-mile marker and kept on strongly under continued urging to assert by 1 1/2 lengths from Shah (Ire) ([Sea The Stars \(Ire\)](#)). Matauri Bay is the sixth of seven foals and fifth scorer out of the multiple stakes-placed Scandinavian champion Matauri Pearl (Ire) (Hurricane Run (Ire)), herself a full-sister to multiple Grade I-placed G3 Prix Chloe victrix Wekeela (Fr). Descendants of the May-foaled bay's third dam Morning Queen (Ger) (Königsstuhl (Ger)), herself a full-sister to German icon Monsun (Ger), also include G1 Prix du Cadran victrix Molly Malone (Fr) (Lomitas (GB)). Matauri Bay is a full-brother to GI Breeders' Cup Juvenile Fillies Turf heroine Aunt Pearl (Ire) and kin to a weanling colt by [Frankel \(GB\)](#). Sales history: 500,000gns Ylg '23 TATOCT. Ombudsman | Scoop Dyga

Also Ran: Involvement (GB), Soft Winds (Ire), Waikato (GB), War Rooms (Ire), Soldier's Gold (Ire), Shiffrin (Ire).

Brought along quietly by the Gosdens so far this term, Godolphin's **Ombudsman (Ire)** (Night Of Thunder (Ire)--Syndicate (GB), by Dansili (GB)) let the cat out of the bag on Sunday with a command performance in Deauville's Listed Prix Nureyev. Sent off the 1-2 favourite for the 10-furlong contest, the 340,000gns Tattersalls Book 2 purchase who had been educated at Newmarket and Leicester followed the leading trio under Ryan Moore before being stoked up turning for home.

Storming to the front a furlong from home, he opened up a 3 1/2-length margin to compatriot **Sons And Lovers (GB)** (Study Of Man (Ire)) at the line. "That was run at a proper pace and the ground was fast enough," John Gosden said. "He was immature last year and had problems with his knees, but he's done everything right. Ryan says keep him at 10 furlongs. He couldn't run last year and is not a horse to over-race anyway, it will be all about next year."

Ombudsman is the second foal out of the Syndicate, a 25,000gns Juddmonte cast-off at the 2017 Tattersalls December Sale. She is a full-sister to the G3 Premio Carlo Vittadini winner Runnymede (GB) and the dual listed winner and G2 Celebration Mile runner-up Stipulate (GB) and a granddaughter of the listed scorer Insinuate (Mr. Prospector) who produced the group 3 winners Convey (GB) (Dansili (GB)) and Stronghold (GB) by Dansili's sire Danehill.

The fourth dam is All At Sea (Riverman), who captured the G1 Prix du Moulin de Longchamp and G3 Musidora Stakes and was placed in the G1 Oaks and G1 Juddmonte International. Also connected to the four-times group 1-winning Twice Over (GB) (Observatory), Syndicate's yearling full-sister to the winner is due to sell at the upcoming Tattersalls October Book 1.
