GI Jockey Club Gold Cup Stakes contender **Arthur's Ride** (Tapit) is all business when he goes out to train in the morning. Coming back to the barn afterwards? Well, that's a different story.

Damian Hinds has been assigned to Arthur's Ride as the 4-year-old colt's exercise rider throughout this year's Saratoga meet. He has grown accustomed to the GI Whitney winner's daily antics over the Oklahoma track when they start heading back to the Bill Mott barn after training.

"He's a good horse to gallop, quiet and nice, but to take him home after you finish training, that's where you have to stay on," explained Hinds with a good-natured grin. **Cont. p3**

NASHVILLE DERBY A VERY RICH AND 'GRAND OLE' SHOWDOWN by Alan Carasso

It doesn't take long for the Kentucky Downs meeting to hit full gear, as Saturday's program features three graded contests, including the GIII DK Horse **Nashville** Derby Invitational Stakes, with prize money that could reach \$3.1 million.

The purse remains intact should one of the 10 Kentucky-breds--eight in the main body of the field and two also-eligibles--is home first over the mile and five-sixteenths journey along the Kentucky/Tennessee border. The four foreign raiders are ineligible for the KTDF money, but the base purse of \$2.5 million already makes it one of the richest Derbies in the world.

The European invader with the best form in the book is King Power's **Bellum Justum (Ire)** (Sea The Stars {Ire}) for trainer Andrew Balding. A 375,000gns Tattersalls October yearling, the bay colt was a maiden winner from four juvenile appearances, accounting for future G1 Commonwealth Cup hero Inisherin (GB) (Shamardal) going a mile at Newmarket in September. After landing the Listed Blue Riband Trial on seasonal return at Epsom Apr. 23, he was seventh to City of Troy (**Justify**) in the June 1 G1 Derby, but has since finished third in the G3 Hampton Court Stakes at Royal Ascot June 20 and just missed when last seen in the G3 Gordon Stakes at Goodwood Aug. 1.

Cugino (**Twirling Candy**) heads up the home defense, having made all the running to defeat **Lagynos** (**Kantharos**) in the June 1 Audubon Stakes at Churchill Downs. **Cont. p5**

“He has some jumps and some bucks. It's not like he's doing anything bad, he's just enjoying himself and playing.”

Arthur's Ride's horseplay may seem charming from afar, but being the one in the saddle takes a unique skill set. Luckily, Hinds is the perfect match for the boisterous colt. When he's not riding for Mott in the summer, the 43-year-old spends the rest of the year in Ocala, Florida helping train 2-year-olds for Eddie Woods. Working with rambunctious babies has prepared Hinds for any toddlerish tendencies 'Arthur' may show off.

“You have to think quickly and pay attention to what he's doing,” said Hinds. “You know when a horse is going to do something by their ears. You can't just ride him loose because he will do something. It's the same with breaking babies. You have to prepare for whatever they're going to do.”

Hinds has been riding racehorses for 26 years. Originally from Jamaica, the horseman fell in love with the sport when his uncle took him to the races as a child. At age 17, he started riding for various trainers in Jamaica. When trainer Paul Fung moved his operation to Canada, Hinds came along with him. Eventually, Hinds wound up in Florida working for Eddie Woods and his passion for racing continued to grow.

“One time I broke my leg and somebody told me, 'Don't quit. These horses will show you something,’” he recalled. “So I've always been around horses since then. I never quit.” *Cont.*

Damian Hinds, cont.

Last year, Woods introduced Hinds to Bill Mott. They worked out a system where Hinds would spend his summer in Saratoga and stay with the Mott team through the Breeders' Cup before returning to Ocala in time for the busy season of 2-year-old training over the winter.

At first, Hinds was uncertain about the new job. Moving away from his home and his wife for almost five months was going to be a big adjustment. On his first day in Saratoga last summer, Hinds was wandering the outskirts of Mott's stable area wondering who to talk to so he could get started. That's when he met Erma Scott, a beloved member of Mott's stable for the past 40 years. Scott went with him that afternoon to help get his licensing in order and she instantly put him at ease. The pair formed a fast friendship that day and have been inseparable since.

"Whatever she says, listen to her," Hinds said with a laugh. "She's there for the horses, too. She gives them their carrots, their massages, she does it all. She took me in and said, 'This is my son.'"

"I don't know what it was about him," said Scott, who is currently nominated for a Dedication to Racing Award through the Thoroughbred Industry Employee Awards. "He has started calling me mama, so I like that. Everybody keeps asking me why I like Damian so much. I tell them because he's nice and he can ride."

During his first season with Mott, Hinds worked with many of the barn's best trainees. He rode Just FYI (**Justify**), who won the GI Breeders' Cup Juvenile Fillies, and spent the later part of the summer and the fall aboard Horse of the Year and GI Breeders' Cup Dirt Mile victor **Cody's Wish (Curlin)**.

"Cody's Wish was something special," he said. "He was a real nice horse going to the track and coming back. He had his days

where he would pull very hard. If you knew what you were doing, you'd be fine."

Hinds said that **Cody's Wish**, a two-time Breeders' Cup champion, is without a doubt the best horse he has ever sat on. Arthur's Ride is a close second. Attention has grown on the eye-catching gray ever since his breakout victory in the Whitney, a 'Win and You're In' qualifier for the GI Breeders' Cup Classic at Del Mar on Nov. 2.

"There is always pressure riding those kinds of horses," Hinds admitted. "You feel it because a lot of people are watching. You have to be on the right lead all the time and do the right things. You never know if somebody maybe has a camera on you."

Both Hinds and Scott have a soft spot for Arthur's Ride. Scott met the Glassman Racing-campaigned colt when he was just a 2-year-old learning the ropes of the racetrack at Payson Park.

"He ran a couple of times [in Saratoga] and was second and then he took a break," she recalled. "We got him back this year and he has been doing great. He's like a little baby, but we love him. He likes to play. He likes to eat his carrots. If I call him, he looks up at me. He's special."

This weekend Arthur's Ride will take on another Challenge Series race in Sunday's GI Jockey Club Gold Cup. **Cont.**

Erma Scott calls Arthur's Ride "Carrot Man" | Sara Gordon

The 4-year-old already has an automatic Breeders' Cup entry with his Whitney victory, but another dominating win would seal the colt's spot as a top contender in this year's Classic. Hinds is hopeful that come November, he might be able to check the Breeders' Cup Classic off a growing list of races that his mounts have claimed.

Even though being away from home for months on end comes with its challenges, Hinds said the experience is all worth it when he gets to have a hand in campaigning stars like Arthur's Ride.

"I could say that I get to get on some of the best horses in the country and I wouldn't be lying," he said. "It has paid off."

Saturday's graded preview, cont. from p1

The latter, a consistent sort for Steve Asmussen, was subsequently an even fourth in the June 29 American Derby and was just nabbed on the line by Neat (**Constitution**) in the GII Hall of Fame Stakes at Saratoga Aug. 2. **Carson's Run** (Cupid), victorious in last year's GI Summer Stakes, enters the **Nashville** Derby off victories in the June 23 Tale of the Cat Stakes and a late-running tally in the GI Saratoga Derby Invitational Aug. 11.

Navy Seal (Ire) (Dubawi {Ire}) could be one for the bottom of vertical wagers. A maiden winner and fifth in the G2 UAE Derby for Coolmore and Aidan O'Brien, the regally bred bay was purchased by Jim and Fitri Hay and was moved the barn of Wesley Ward. Third in an off-turf allowance at Canterbury June 22, he was just beaten in Saratoga allowance company by Friday's GIII Saranac Stakes winner West Hollywood (**Uncle Mo**) over a mile and a sixteenth July 27 and could improve for this step up in trip. His dam Athena (Ire) (**Camelot {GB}**) won the 2018 GI Belmont Oaks going 10 panels.

The fairer sex features in the afternoon's other marquee races, each of which carries prize money of \$1.5 million for Kentucky-breds. **Cont.**

Secret Money (Good Samaritan) is an 8-1 chance in the GIII Ladies' Turf Sprint, having defeated **Danse Macabre** (**Army Mule**) and **Bling** (**American Pharoah**) in last year's age-restricted GIII Music City Stakes. California shipper **Ruby Nell** (Bolt' d'Oro), front-running winner of Santa Anita's GII Buena Vista Stakes going a mile back in March, cuts back to a sprint for the first time since winning the Unzip Me Stakes last October.

Mission of Joy (Kitten's Joy) gets some class relief in the GIII Ladies' Turf Stakes, as she cuts back to a mile off a sixth in the GI Diana Stakes, where she was beaten three lengths by the repeating Whitebeam (GB) (Caravaggio). **Implicated** (**Connect**) is perfect in two starts since switching to the Chad Brown barn, an easy allowance win at Churchill May 12 followed by a 1 3/4-length victory in the GII Nassau Stakes at Woodbine. Behind in second was Fev Rover (Ire) (Gutaifan {Ire}), who just failed in her repeat bid in the GII Beverly D. Stakes Aug. 11.

Pacific Classic One Of Three BC Qualifiers at Del Mar

The Friday scratching of Adare Manor (**Uncle Mo**) leaves a maximum field of eight for Saturday's GI FanDuel Pacific Classic at Del Mar, with a berth in the GI Breeders' Cup Classic over the same course and distance on Nov. 2 at stake.

Dr. Venkman (**Ghostzapper**) was the 5-2 morning-line second choice behind the mare and looks to be the chief beneficiary of Adare Manor's absence. Having debuted just this time last year with a pair of victories, the bay was second in the Oct. 21 Perryville Stakes and resumed with a runner-up effort in the GII Triple Bend Stakes June 1. Bred top and bottom to handle a route of ground, Dr. Venkman took over at about the midway stage of the GII San Diego Handicap and carried Antonio Fresu to a one-length victory over **Katonah** (Klimt). **Cont.**

Dr. Venkman could face some pressure from **Reincarnate (Good Magic)** in his first try at the mile and a quarter. A two-time Grade III winner at three, the \$775,000 KEESep yearling is winless in four starts this year, but has run well in his two tries at Saturday's trip. Third to Newgate (Into Mischief) in the GI Santa Anita Handicap Mar. 3, he set the pace before weakening late to be runner-up in the GI Gold Cup at Santa Anita May 27. He exits a distant second in the 12-furlong GIII Cougar II Stakes July 25.

Dr. Venkman | Benoit

Middle-distance turf males compete for a 'Win and You're In' ticket to the GI Breeders' Cup Turf in the GII Del Mar Handicap earlier on the program. **Gold Phoenix (Ire)** (Belardo {Ire}) is the two-time defending champion of the 11-furlong heat and was just up in the 1 1/4-mile GII Charlie Whittingham Stakes May 4 ahead of a somewhat troubled seventh in the July 28 GII Eddie Read Stakes over a nine-furlong trip that is short of his best. **Rockemperor (Ire)** (**Holy Roman Emperor {Ire}**) is as reliable as they come, even if it's been over two years since he last saluted. Sixth to Gold Phoenix in the Whittingham, he led late but was chinned on the wire in the 14-furlong GIII San Juan Capistrano Stakes June 16 and may want that sort of trip to bring out his best. **Balnikhov (Ire)** (Adaay {Ire}) ran on for third in the Read and will try this distance for the first time, while an interesting new shooter is **El Encinal (Arg)** (Il Campione {Chi}), last seen winning the G1 GP Carlos Pellegrini at San Isidro last December.

Motorious (GB) (Muhaarar {GB}) is back to defend his title and shoulders top weight of 123 pounds in the GIII Green Flash Handicap, which offers the winner a fees-paid berth into the GI Breeders' Cup Turf Sprint over the same course and trip in a little more than two months. Beaten a length and a half into fifth as the favorite in last year's Turf Sprint at Santa Anita, the bay was a rough-trip seventh to Cogburn (**Not This Time**) in the GII Turf Sprint at Churchill May 4 and fourth in a six-furlong

allowance in Arcadia June 16. Cal-bred **Connie Swingle** (Grazen) represents a real danger if building on a smooth success (99 Beyer) in the July 27 Daisycutter Handicap, her first start in 21 months. **No Nay Hudson (Ire)** (**No Nay Never**), winner of the William Walker Stakes last season at three, raids from Saratoga for Wesley Ward off a one-length fifth with trouble in a July 28 allowance.

War Like Goddess Tough To Deny in Flower Bowl

George Krikorian's 7-year-old nails-tough mare **War Like Goddess** (English Channel) does not appear to have lost her zest for racing and continues a march towards a fourth consecutive appearance at the Breeders' Cup as the 7-5 morning-line favorite in the GII Flower Bowl Stakes, a 'Win and You're In' qualifier for the GI Breeders' Cup Filly & Mare Turf. War Like Goddess was a fractionally unlucky third as the public choice in the 2021 renewal at the seaside oval.

Seventh against the boys in last year's GI Breeders' Cup Turf, the bay has just two runs under her belt this season, a pace-compromised third in the GI New York Stakes here June 8, but she bounced back to return a relatively generous \$4 to her backers in the mile and three-eighths GIII R. G. Dick Memorial Stakes at Delaware July 7.

Parnac (Fr) (**Zarak {Fr}**) made every yard of the running last year, controlling a soft pace before easily holding off **McKulick (GB)** (**Frankel {GB}**) by 1 1/4 lengths. The two met again in the GII Glens Falls Stakes Aug 1, with McKulick turning the tables by 2 1/4 lengths, as favored **Eternal Hope (Ire)** (Teofilo {Ire}) could do no better than fourth in her first start of the season.

The Queens M G (Thousand Words) seems to have righted the ship in her last couple of starts and looms the one to beat in the GI Spinaway Stakes. Inexplicably down the field in the June 6 Astoria Stakes, the dark bay filly lit up the tote to the tune of \$91 in the opening day Schulyerville Stakes July 11 and followed suit--albeit at much skinnier odds--in the GIII Adirondack Stakes last time Aug. 4. The waters are deeper Saturday, as the competition includes **Quietside** (Malibu Moon), who was named a 'TDN Rising Star' at first asking for a towering 6 1/4-length debut success Aug. 4, and Godolphin first-time starter winners **Pondering (Hard Spun)** and **Immersive (Nyquist)**.

In the GIII Prioress Stakes, the first of the day's three graded events on closing weekend at the Spa, Rigney Racing's 'TDN Rising Star' **Two Sharp (Twirling Candy)** figures a handful off an 11 1/4-length graduation going 6 1/2 panels Aug. 2. **Brightwork (Outwork)** was to have made her 3-year-old debut in the GI Test Stakes but lost her footing in the paddock and was forced to scratch. She is an obvious threat from the outside stall.

SARATOGA NOTEBOOK: SARATOGA-LOVING WAR LIKE GODDESS RETURNS TO FLOWER BOWL

BOWL by Mike Kane

SARATOGA SPRINGS, N.Y. -- George Krikorian's dependable **War Like Goddess** (English Channel) will make her age-matching seventh career Saratoga start Saturday in the GII \$500,000 Flower Bowl.

War Like Goddess has never been worse than third at Saratoga Race Course. The turf distance specialist won the 1 3/8-mile Flower Bowl in 2021, its last year as a Grade I, and was second by a neck in 2022. Hall of Fame trainer Bill Mott did not run her in the race last year.

The Flower Bowl will be her third start this season. She was third by 3 1/4 lengths in the GI New York on June 7 that was part of the Belmont Stakes at Saratoga meet. Exactly one month later, she won the GIII Robert G. Dick Memorial Stakes at Delaware Park.

"We're well aware of the fact that she's getting a little older," Mott said. "One day they eventually tire out, but she seems to be doing well at the moment. She's coming off of a good race, and she's going into this race seemingly quite good. There's other younger fillies in there that I'm sure are doing well, but we're still trying to compete."

On the advice of bloodstock agent Donato Lanni, Krikorian purchased War Like Goddess for \$30,000 in June 2019 of the OBS 2-Year-Olds and Horses of Racing Age sale. In two previous trips to auction she sold for \$1,200 as a weanling and was an RNA as a yearling when bidding stopped at \$1,000.

In a [2022 TDN story](#), Krikorian noted that he was not responsible for the filly's distinctive name.

"I bought her with that name and I told Donato 'I don't like that name,'" Krikorian said. "I didn't see the horse then because he was in Florida and I was out here in California when he called me about the horse. I didn't get to see her for maybe four months or five months later. When I saw her, I looked at her and I said, 'Hey, we don't need to change her name. She's beautiful. She is a War Like Goddess.'"

In her 20-race career she has proved to be a top-notch runner and a fabulous bargain with earnings of \$2,775,184 from a record of 12-2-3. She has three Grade I wins, two of them over males in the Joe Hirsch Turf Classic. Mott has tried her twice against males in the GI Breeders' Cup Turf at 1 1/2 miles and she was a rallying third by three lengths in 2022. She has at least

War Like Goddess under Brittany Troxtell earlier this week

one win in each of her five seasons of competition.

"The target this year would be the Breeders' Cup, the Filly and Mare Turf, because it's at a mile and three eighths this year at Del Mar," Mott said. "The last two years, it's been odd distances. It's been a mile and three-sixteenths, which is a little short for her. We feel the mile and three-eighths might suit her a little better."

In her lone appearance in the Filly and Mare Turf in 2021 at Del Mar, she made the lead in the stretch but was caught and was

third by a half-length.

At 1 3/8 miles, War Like Goddess is 4-1-1 from six starts.

Pyrenees Will Try to Continue Ascent in Gold Cup

It's fair to say that **Pyrenees** (Into Mischief) has been a project for trainer Cherie DeVaux and owner-breeder Blue Heaven Farm that is turning into a success story. He enters the GI Jockey Club Gold Cup Sunday on an upswing with four wins and a second in his last five starts.

DeVaux said the colt was a bit slow to develop, but after his career was interrupted has grown into a legitimate stakes horse. In his last two starts he won the GIII Pimlico Special and was second by 2 1/2 lengths to the now-retired Kingsbarns (**Uncle Mo**) in the GI Stephen Foster on June 29.

"I just think it was time and maturity," DeVaux said. "He had a really significant injury that caused him to be off for a year. When he came back from that, he was a completely different horse. Physically, he's always been slight and a bit feminine, but mentally, he really matured." **Cont.**

Saratoga Notebook, cont.

DeVaux said Pyrenees suffered the leg injury early in 2023 and it kept him away from racing until mid-December, when he broke his maiden at Fair Grounds. Though he was by top sire Into Mischief, early on DeVaux and her staff did not see him developing into a stakes-caliber runner.

"It would be hard to justify saying that the way he trained, in the way he was running," she said. "It's not because it was lack of talent. He just wasn't putting it out there on the track. You could tell that there was more in there, and he just wasn't putting it out. We had tried blinkers and were going to run him in blinkers, but then when he hurt himself, we just kind of regrouped with him."

By year's end, Pyrenees was a different horse.

"When he came back, he was breezing much better, a lot more focused," DeVaux said. "He was so aloof as a 2-year-old. That's the only word I can use for him."

Pyrenees Thursday morning at the Spa | Sarah Andrew

Following the maiden-breaker, Pyrenees took the next steps on his climb with an allowance victory in late January and a three-length score at Keeneland on Apr. 12 over a sloppy track. He edged Kingsbarns in the GIII Pimlico Special, giving DeVaux her third stakes win on the program that day. While it was an important victory for the colt in his first stakes try, DeVaux said the turning point had already occurred.

"I would say Maryland kind of just solidified that we were on the right track with him," she said. "I was really impressed with his race at Keeneland. Then again, he followed it up with the Stephen Foster where then you're stepping up into Grade I company. It was a tough race, and he was there. I just think it actually might have been just a touch too short for him."

DeVaux said the decision was made to bypass the GI Whitney and point Pyrenees for the 1 1/4-mile Gold Cup.

"He had done a lot in a short amount of time," she said. "At

some point we had the discussion that if he is going to make it to the Breeders' Cup, he's going to need a little break. Not a break from training, but just a break in racing. We decided that was probably the best opportunity after the Stephen Foster to just give him a little time for his next race."

Summer Holiday is Over for White Abarrio

White Abarrio on Friday | Sarah Andrew

White Abarrio (Race Day)'s break from training and a vacation on a farm has ended and he has returned to the care of trainer Saffie Joseph, Jr. at Saratoga Race Course.

"He's back here," Joseph said. "He's back training. He's back galloping."

White Abarrio's owners moved him from Abarrio's barn to Richard Dutrow, Jr.'s stable in May 2023. He went on to finish third in the GI Met Mile then won the GI Whitney Stable and the GI Breeders' Cup Classic. This year he was 10th in the G1 Saudi Cup. After finishing fifth in the Met Mile run at Saratoga, he was sent back Joseph, who decided he needed a break.

"It was just give him a change-of-mind piece and see if he could drop himself down and relax," Joseph said. **Cont.**

"And he did. It just felt like he had nervous energy. He just wouldn't let himself down and was anxious, anxious, anxious."

Joseph said the goal is to prepare the 5-year-old for the GI Pegasus World Cup on Jan. 25 at Gulfstream Park.

"That's kind of where he needs to get to and everything's kind of working backwards from there," Joseph said. "How we get there, we don't know yet. There's possibilities. He could run in October, November, if everything went right, but we don't want to set a date and have to be changing. He's going to tell us. After a couple breezes, then we'll be able to come up with a formal plan."

Joseph said White Abarrio would remain at Saratoga for a while after the meet ends on Monday.

FIRST RACING FATALITY OF SARATOGA SEASON MARS SARANAC STAKES

West Hollywood | Sarah Andrew

by J.N. Campbell

In the GIII Saranac Stakes for 3-year-olds over the grass at Saratoga on Friday afternoon, **West Hollywood (Uncle Mo)** was the winner, but the race was marred by the first racing fatality of the summer season as **The Big Torpedo** (Big Brown) had to be euthanized on the track, according to details provided by a release from NYRA.

Owned by Thomas Albrecht, Vincent Fusaro and James Klein, The Big Torpedo (#5)--who was in the process of making every pole a winning one--sustained a catastrophic injury to his left front leg in the stretch run of Race 6. Despite the immediate response of on-site veterinarians, the Thomas Morley trainee was humanely euthanized due to the severity of the injury. The chestnut colt is the only horse to sustain a catastrophic injury

during racing at the 2024 summer meet at Saratoga Race Course, which opened July 11 and has featured 2,879 horses starting in 369 races to date.

The Big Torpedo's jockey Eric Cancel was unseated, but was not injured.

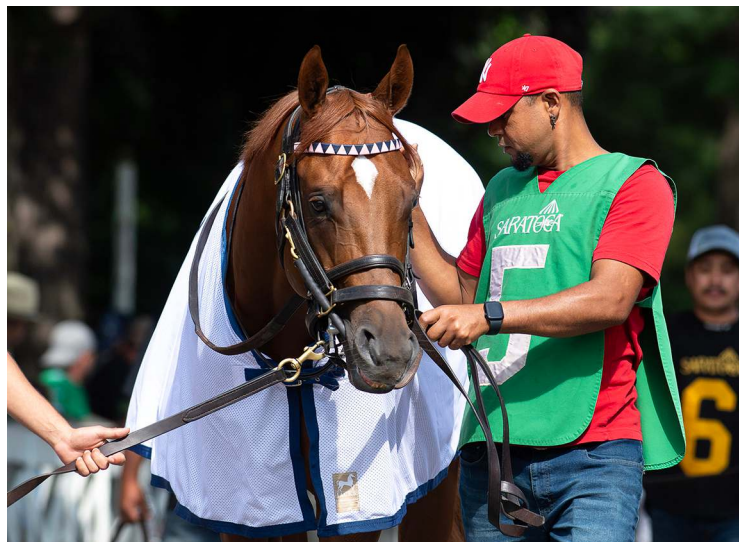

In the statement, NYRA also said that the incident caused #3 **Take Me To Church (Ire) (Churchill {Ire})** to alter course, unseating Javier Castellano, who was awake and alert as he was transported to Albany Medical Center where he was treated for an injury to his right wrist. Track officials went on to state that the Brad Cox trainee, who sustained minor cuts and scrapes, was apprehended by the outrider and returned to the barn area via equine ambulance.

Flurry Racing's Staton Flurry added in a [post on X about his colt](#), "Take Me To Church is back at the barn with a few scrapes but seems okay. My thoughts and prayers are with Javier Castellano and the Morley barn."

As for West Hollywood, the dark bay was making his first stakes start for Qatar Racing. The colt debuted for Roger Varian's yard in an English allowance race at Kempton Park in early January and finished fourth. Sent to Cox, West Hollywood broke his maiden in first U.S. start by four lengths at Churchill Downs May 10, then was the runner-up facing allowance types over the same turf course June 20.

The colt won against optional claimers upstate June 27 and based on that effort went off as the 6-5 choice here. On hold for much of the Saranac, the 3-year-old made a sweeping move around the far turn and ran down the center of the course, which allowed him to avoid the accident. West Hollywood won by 5 1/2 lengths over **Yo Daddy** (Yoshida {Jpn}).

Rider Flavien Prat set the Saratoga meet record with his 16th stakes victory. Since this was his 12th graded win, he ties Joel Rosario's mark from 2022. **Cont.**

“Well, I would definitely like to win under a different condition, and all my thoughts are for the connections, the riders, and obviously the horses as well,” said Prat. “I wish it would've been different. Our horse ran his race. He ran a good race. That's all.”

Pedigree Notes:

The all-conquering Uncle Mo claims 82 graded winners, which include the likes of Nyquist, Golden Pal, Adare Manor and now West Hollywood. The winner's unraced dam White Hot (Ire) (Galileo {Ire}) was purchased by Bobby Flay for \$1,250,000gns at the 2014 Tattersalls October Yearling Sale and then he sold her to Yuesheng Zhang's Yulong Investments for \$2.1 million at the 2023 Keeneland November Sale while a colt by Into Mischief was in utero. In between that time, White Hot produced GI Breeders' Cup Juvenile Fillies Turf heroine Pizza Bianca (Fastnet Rock {Aus}) for Flay, and last fall she went to John Stewart's Resolute Racing during the Fasig-Tipton Fall Sale for \$3 million. White Hot is also responsible for unraced 2-year-old Spanning Time (Not This Time) and she visited Gun Runner for next term. West Hollywood's dam is a half-sister to French multiple group stakes winner Gagnoa (Ire) (Sadler's Wells), who herself is responsible for GIII Mint Millions Stakes victor and GI Arlington Million third-place finisher Ancient Rome (War Front).

HIWU STAYS ENFORCEMENT OF PENDING TCO2 CASES, CONDUCTING REVIEW OF PENNSYLVANIA LAB *by Dan Ross*

The Horseracing Integrity and Welfare Unit (HIWU) has granted a temporary stay of enforcement to connections in six pending total carbon dioxide (TCO2) cases, all of which are out of Pennsylvania.

In total, 11 of the 14 pending and resolved TCO2-related cases reported since the advent of the Horseracing Integrity and Safety Act (HISA) have concerned horses that ran in Pennsylvania. Of the three other TCO2-related cases, one ran in California and two were out of Ohio. **Cont.**

Coglianesse

TCO2 cases, cont.

When asked about the reason behind the temporary stay of enforcement, HIWU spokesperson Alexa Ravit wrote in an email that the agency continuously reviews all adverse analytical findings, "and is currently conducting a review of TCO2 analysis at the Pennsylvania Equine Toxicology and Research Laboratory (PETRL)."

The PETRL, affiliated with the University of Pennsylvania, analyzed all samples collected for TCO2 testing within the state.

Five of the 11 Pennsylvania-related cases concerned horses that ran at Penn National, five ran at Parx Racing, and one ran at Presque Isle Downs.

"We cannot comment on the details of the review at this time, but if anything is found that affects the outcomes of the pending cases, that will be made public when the cases are resolved," Ravit added.

High total carbon dioxide (TCO2) levels could be an indication of bicarbonate loading--otherwise known as "milkshaking"--which can neutralize the build-up of lactic acid in muscles, thereby helping the horse's performance. TCO2 is also naturally occurring in a horse's system.

According to HISA's rules, the alkalization or use or administration of an alkalinizing agent is prohibited on race day, and a TCO2 blood threshold in excess of 37 millimoles per litre (mmol) is reportedly evidence of "international administration."

Eight of the 14 cases have already been resolved. The trainer in each of the cases was issued a 30-day suspension and a \$2,500 fine. This includes Salvador Naranjo, whose trainee Fever tested positive for TCO2 after running at Los Alamitos on Dec. 9 last year.

According to Ravit, HIWU issued a temporary stay in the enforcement of that case due to the, at the time, pending federal intra-articular injection rule changes.

"The affected Covered Person had penalty points from an intra-articular injection violation that were revoked (and the stay on the case lifted) upon implementation of the new HISA Racetrack Safety Program rules," Ravit explained.

In Naranjo's case, the sample was analyzed by the Kenneth L. Maddy Equine Analytical Chemistry Laboratory at UC Davis.

Trainer Carlos Lopez was similarly issued a 30-day suspension and \$2,500 fine due to two of his trainees testing positive for TCO2 after running at Belterra Park on Aug. 10 last year. Those

samples were sent to the Ohio Department of Agriculture's Analytical Toxicology Laboratory.

According to Richard Hackerman, who represents one of the trainers with two pending TCO2 cases, he finds it "extraordinarily unlikely that there's a rash of milkshaking going on in Pennsylvania and virtually nowhere else in the country."

HIWU does not collect B samples when conducting TCO2 testing. However, trainers can request in advance the collection of a duplicate sample. In Pennsylvania, the duplicate samples go to PETRL, as per HISA's rules.

Sarah Andrew

"The official Sample and any duplicate Sample shall be analyzed by the same Laboratory. If the Agency, in its discretion, determines that the duplicate Sample cannot be analyzed within 5 days after the Sample is collected, the findings of the official Sample shall be final," the HISA rules state.

This is not the first time questions have been raised about testing procedures at laboratories contracted for use by HIWU.

At the end of last year, the TDN reported on testing uniformity difficulties arising from different testing equipment, testing methodologies and sets of staff interpreting the results between the then-six laboratories contracted for use by HIWU.

Internal reviews of the laboratories had uncovered different limits of detection in blood for the diabetes drug Metformin and for benzoylecgonine (BZE), a metabolite of cocaine.

In light of the review, HIWU explained that it had subsequently harmonized its "testing sensitivity" in blood across the six labs for these two substances, and that it would repeat the harmonization process for other drugs, including banned substances.

Earlier this year, HIWU severed its contract with the University of Kentucky's Equine Analytical Chemistry Laboratory due to questions raised about the lab's performance, and about "personnel" matters related to the former lab director, Scott Stanley. The Racing Medication and Testing Consortium (RMTC) also suspended its accreditation of the UK Lab.

Investigations into these matters at the UK Lab are still ongoing.

According to Ravit, there is no deadline for the stay to be lifted in the pending TCO2 cases while HIWU continues its review.

SALUTE THE STARS RNAs IN INAUGURAL BIDXSELL AUCTION

Salute the Stars | Sarah Andrew

Pegasus Stakes winner **Salute the Stars** (*Candy Ride {Arg}*) was an RNA in the inaugural auction from BidXSell, a company that aims to change the way people buy and sell horses online by charging a \$500 fixed fee as a commission.

The 4-year-old colt is owned by Gary and Mary West.

"This was a successful sale any way you look at it," said Saeed Almaddah, President and CEO of Silk Road LLC, which developed the platform. "First, Salute the Stars was a great horse to debut the site with. He is a talented, classy horse with a market value that brought thousands to the site from all over the world. The horse was digitally pulled out of the stall over 2,000 times. Secondly, and most importantly, we showed the Thoroughbred industry worldwide that our auction platform unleashes the power of the digital auction market directly into the hands of the stakeholders at a significantly lower cost. The seller of Salute the Stars was exceptionally pleased with the unique visibility the BidXSell platform offers. Sellers know exactly who has interest in their horse, mirroring the physical sale structure of knowing how many times and to whom a horse has been shown and vetted. The seller knows the region of the world most interested in the horse, how to adjust the reserve, and is ultimately in full command of the outcome. The emergence of BidXSell creates a new era in which consignors, breeders, farms, and agents are no longer held hostage by auction houses in the digital marketplace."

The company said that it would announce future U.S. sales.

ADARE MANOR OUT OF THE PACIFIC CLASSIC, NOT 100% SAYS BAFFERT

Adare Manor | Benoit

According to trainer Bob Baffert, MGISW **Adare Manor** (*Uncle Mo*) has been scratched from the GI FanDuel Racing Pacific Classic Stakes, where she was slated to face the boys on Saturday at the Del Mar Thoroughbred Club. The story was first reported by the *Daily Racing Form*.

When reached for comment, Baffert told the *TDN*, "Adare Manor is out of the Pacific Classic. She tied up a little after the gallop yesterday and was still a little tight this morning. I don't feel she's a hundred percent. She can't be off her game even a little bit tomorrow, so we're going to sit this one out."

Owned by Michael Lund Petersen, the 5-year-old who was tabbed as the 9-5 morning-line favorite in the Pacific Classic was last seen winning for the second year in a row the GI Clement L. Hirsch Stakes at the seaside oval Aug. 3.

Before that, the Baffert trainee's year began with a runner-up finish in the GI Beholder Stakes at Santa Anita Mar. 9. The \$375,000 OBS June grad then won the GI Apple Blossom Handicap at Oaklawn Park Apr. 13 and over a month later captured the GII Santa Margarita Stakes in Arcadia.

CUPID THE NEWEST CHAPTER IN STORIED HISTORY OF ATLANTA HALL FARM

Cupid with Garrett Murray | Sara Gordon

by Sara Gordon

In a cozy, bedded down stall that resides within the inner courtyard of Atlanta Hall Farm's indoor track, you'll find Grade I winner and Grade I sire Cupid (**Tapit**), the first stallion to stand at the historic farm that encompasses 400 acres in Monkton, Md.

With the ease at which Cupid strolls beside Garrett Murray, stallion manager and co-owner of the farm, as he mills around during a grazing session, or nickers to 13-year-old Genevieve, Murray's daughter, as she strides over with a carrot in hand, it's hard to believe the stallion only made the move to Maryland last fall.

It was a plan set in motion by Sugar Mills Stables's Tony Mills, based in Lexington, Ky., who purchased Cupid from Coolmore last September. The deal was finalized just days before **Carson's Run** (Cupid) collected his first career Grade I victory as a 2-year-old in the GI Summer Stakes at Woodbine on Sept. 16, 2023. It was within that week that Murray got a call from a couple of Lexington contacts.

"We were training horses, the phone rang, and they said, 'Hey Gary, somebody threw your name in the hat. Would you be interested in having a conversation with the guy who just bought Cupid?' I said, 'Sure.' The guy didn't know me, I didn't know him, but I went to Lexington. I met Tony, his wife, the team, and we just hit it off," said Murray. "I told him about the farm and what we thought we could do with him. It happened very quickly, it's a bit of a blur, we had lots to do and we did it. We shook on it, so we have a great friendship [more so than anything], and I've enjoyed Tony because he just leaves me to do my thing."

Standing Cupid at Atlanta Hall has brought things full circle for

Murray, a native of Wexford, Ireland, who first came to Central Kentucky to work for legendary horseman Robert Courtney Sr. at his Crestfield Farm in 1998. After returning home to continue his studies in equine science at the University of Limerick, he made his way back to the Bluegrass to work at Juddmonte.

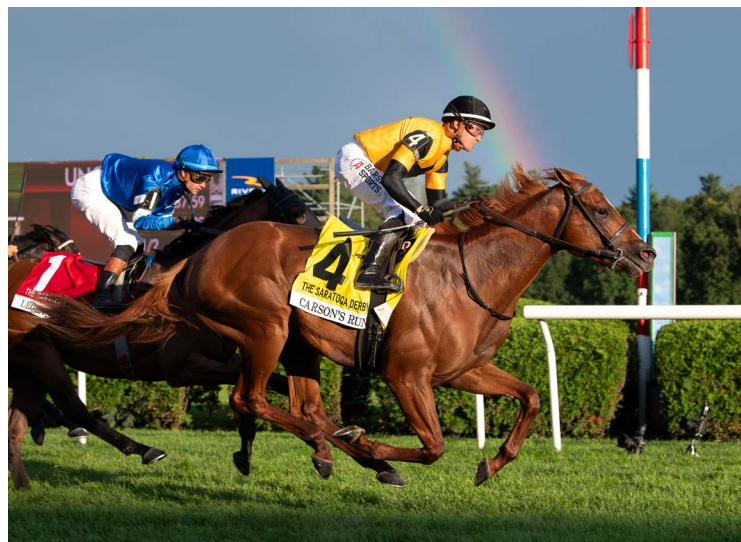

"I was more into the training than the broodmares so I was put in the training barn and we had [Grade I winner] Aptitude, Flute had won the [GI Kentucky] Oaks, so right there I was around these amazing horses that were on Derby trails, Grade I winners. Juddmonte had just started the association with Bobby **Frankel** so it was that brilliant generation of magnificent fillies like [Grade I winner] Tates Creek. I was lucky to be there for that," he said.

From there he moved on to Castleton Lyons where his first introduction to working with stallions came in the form of caring for Malibu Moon (A.P. Indy).

"I was a kid on the farm who was told, 'You're going to need to look after this stallion.' Little did I know how much of a handful [he was]. He was a big, hardy horse but he was very fair. A beautiful horse, great stallion," said Murray. "It was great to be there for that, to launch a stallion, because here I am 20 years later trying to do the same thing."

Murray continued to garner plenty of experience while in Kentucky, eventually making the transition to Coolmore's Ashford Stud as he joined the team to learn more about yearlings and the sales, before moving into the office to sell stallion nominations.

It was around that time he met Elizabeth Voss, daughter of renowned steeplechase trainer Tom Voss, who had worked her way up from intern to director of sales at Three Chimneys Farm. The pair married in 2010 after moving back to Voss's family's farm, Atlanta Hall, in Maryland and began assisting Voss's father in training steeplechase horses. **Cont.**

Cupid, cont.**Cupid with Garrett Murray | Sara Gordon**

But tragedy struck in 2014 when Tom Voss died suddenly of an apparent heart attack at 63, leaving the farm and the business to the young couple, who were raising two young children--their daughter Genevieve and son Thomas--at the time.

"Listen, we just went to work. We continued what her dad was doing, which was training steeplechase horses, and that's what we did. I think in the first two years after he passed, we had five Grade I wins with three different horses in New York, so we hit the ground running. We had a great rider, a good team, we inherited some of Tom's staff," said Murray. "We were young, we were hungry. But life goes on and things change, the sport is cyclic. We are lucky enough to have always had a relationship with the Merck family's The Fields Stable who continues to support our racing and breeding operation."

Following in the footsteps of her father, who was posthumously inducted into the National Museum of Racing's Hall of Fame in 2017, Voss sent out Makari (Makbul) to win the 2014 GI A. P. Smithwick Memorial Steeplechase Stakes; Bob Le Beau (Big Bad Bob) to win the 2015 New York Turf Writers Cup Handicap, GI Lonesome Glory Hurdle Handicap, and 2016 A. P. Smithwick Memorial Steeplechase; Portrade (Trade Fair) to win the 2016 New York Turf Writers Cup Handicap; and also had a graded stakes winner on the flat: Renown (GB) (Champs Elysee {GB}) in the 2016 GIII Sycamore Stakes.

"Then Covid came, it hurt business really, and things got quieter. But the silver lining was with the kids, we had more time with them, so that's not a bad thing," Murray said. "The stallion thing always made sense to me; it was just a matter of timing."

Cue the phone call about Cupid.

Making the trip from Maryland to Kentucky himself, Murray picked Cupid up from Ashford, where he'd stood since 2018.

Looking back on Cupid's first season standing in the Mid-Atlantic region, for a fee of \$8,000 with a stands and nurses guarantee this year, Murray remarked that the 11-year-old stallion covered nearly 55 mares.

"We bred most of our mares and partners' mares to Cupid obviously, and Tony bred his share. Cupid bred 53 or 54 mares which is not a terrible number in a regional market," he said. "He brought a good flow of mares to the place, which was good experience for me. The crew learned a lot. We did more right than we did wrong so it was a successful breeding season. I think he ended up with 85 percent of his mares in foal, so he did his job. Now we've got to build on that in the coming years. It will be nice to have representation of Cupid in Maryland."

Currently ranked among the top five on the 2024 Leading Fourth-Crop Sires in North America list, Cupid has received a huge boost from the success of Carson's Run and **Sterling Silver** at Saratoga this summer.

Already a multiple stakes winner and graded stakes-placed, the Bill Mott-trained Sterling Silver returned to her winning ways in the Aug. 7 Johnston Mile Handicap--for New York-bred fillies and mares 3-years-old and up--as she pulled away to win by 9 3/4 lengths. Four days later, Grade I winner Carson's Run delivered a remarkable last-to-first performance to win the Aug. 11 GI Saratoga Derby Invitational Stakes by 3/4 of length for trainer Christophe Clement.

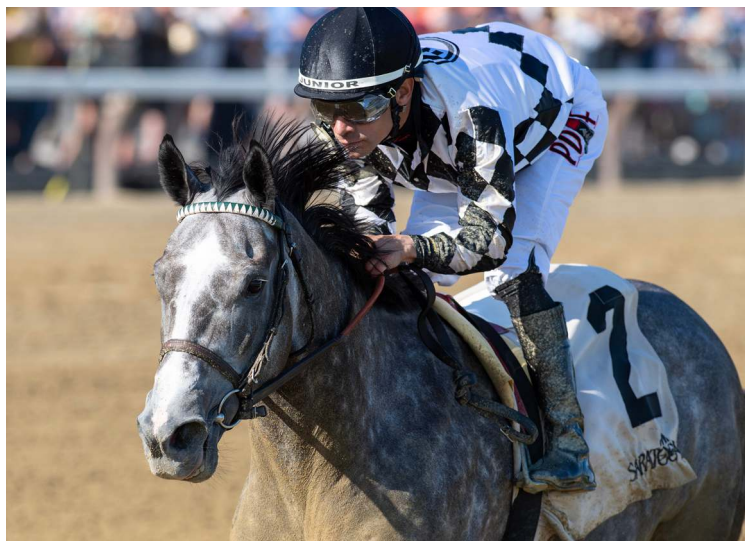

It was quite the thrill for Murray who, along with his family and friends, were in town to witness both stellar performances by Cupid progeny.

"That was great because everybody got to experience a Cupid winning in Saratoga. Good time, good race [for Sterling Silver]. And then of course Carson's Run was meant to be running Saturday, we were hanging around for Carson, and it got pushed back to Sunday." **Cont.**

**Cupid with Garrett Murray and Genevieve Murray | Sara Gordon**

Cupid, cont.

"I was under pressure to go home, but we had to make it happen, which we did. It was great, just an unbelievable experience for the kids especially," said Murray.

Sterling Silver | Sarah Andrew

"That in a nutshell is really what's best about Cupid. A five-year-old mare, Sterling Silver, going a mile on the dirt on Wednesday and [then Carson's Run], a 3-year-old, going a mile and three-sixteenths on the grass [on Sunday]."

Carson's Run returns Saturday, Aug. 31 as the headliner amongst a full field of 12 in the \$3.1-million GIII **Nashville** Derby Invitational at Kentucky Downs.

For Murray and Mills, Carson's Run served as a lot of the initial inspiration when making the decision to stand Cupid and ultimately, exemplifies what they're hoping to achieve with the Maryland-sired crops to come.

"To get through the season and a couple weeks later go to Saratoga, that's where you want to win, you know? Just for it to happen in those few days was really magic. And then we're looking forward to what's left for Carson and others, and there's 2-year-olds running, which are fun," said Murray. "If you look in our kitchen there's a whiteboard with 'Cupid Runners' on it, [Genevieve] likes to [keep track]. I don't care if it's Prairie Meadows or wherever, as long as there's runners out there."

But Cupid isn't the only one who's received a boost. His arrival has been an exciting new venture for the entire family, marking a continued devotion to extending the legacy established generations back by the Voss family.

"It's been a really good heartbeat for the farm. We knew we'd have to go down a different direction, which we did. People have been doing it in Maryland for years and we're no different than them. We have great respect for everybody here, from Northview to Country Life [Farm]," said Murray. "We're a young family, we've got to keep it going for this next generation. It

means a lot to us."

And though they were not at Ashford during the same time, there's something quite fitting about the connection between Cupid and Murray.

"I love it, I feel like I'm a child again. I feel like I'm 20 when I walk next to him, it gives you that rush. We all need a kick in life. I stopped smoking years ago, and I don't play golf, I don't have the time, but I love walking next to a stallion again," said Murray. "It's very hard to criticize Cupid. Physically, he's magnificent. He's big, but not too big, he's perfectly correct. No conformation defects and that's great in a regional market where you need to have everything right.

"I was back on the phone, going through charts in the winter, going racing again and I was getting out there selling. I enjoy bringing people back here. It's a very beautiful farm to show off. But like anything, it's the right partners, the right stallion, and I think he is the right stallion for the marketplace."

Cupid with Garrett Murray and Genevieve Murray | Sara Gordon

Amongst the hustle and bustle that normally ensues around the farm, from the steeplechase horses in training to the herd of breeding stock, or a spring season filled with point-to-point festivities and a fall season filled with racing and foxhunting, there's a soothing quiet to be found in the newly built stallion haven within the training track.

But in that quietness that can be experienced on a mid-August afternoon at Atlanta Hall Farm, the sense of pride, dedication and hope for the future speaks volumes.

"We're young, we have youth, we have the energy. We have a fifth-generation horse person right here [with Genevieve]," said Murray. "The farm is steeped in history and good horsemanship. I'd like to think we're continuing to keep things moving forward. It's not rocket science, we're keeping it simple, but it's been a lot of fun, you know?"

HISA PENS LETTER IN SUPPORT OF NYRA SYNTHETIC DECISION FOR BELMONT WINTER RACING

As renovations continue at Belmont Park, The New York Racing Association (NYRA) divulged a plan July 1 to **conduct approximately three months of winter racing** annually at Belmont exclusively on an all-weather surface. A one-mile Tapeta track is currently under construction at Belmont, while the facility is scheduled to reopen in 2026.

Lisa Lazarus, the CEO of the Horseracing Integrity & Safety Authority (HISA) provided a letter Friday to NYRA in support of the decision. The letter appears in full below.

To Whom it May Concern:

The Horseracing Integrity and Safety Authority (HISA), was established in 2020 following the enactment of the bipartisan federal Horseracing Integrity and Safety Act. HISA's mission is to implement a national, uniform set of integrity and safety rules that are applied consistently to every Thoroughbred racing participant and racetrack facility. As a point of emphasis, HISA works diligently--day in and out--to minimize the risk of horses sustaining injuries associated with horseracing. The New York Racing Association (NYRA) has been working closely and collaboratively with HISA since its formation and has always been in full compliance with its safety and integrity regulations.

As HISA's CEO, I write to express my support for NYRA's decision to install an all-weather surface track at the new Belmont Park to be the exclusive surface for winter racing. Since 2009, The Jockey Club has maintained an Equine Injury Database that tracks fatalities by state, racetrack, and surface. An analysis of the data collected demonstrates that the dirt tracks with the greatest risk of high injury rates are based in a highly variable climate with high utilization (year-round racing).

As Belmont is located in a highly variable climate and will support year-round racing, it meets the precise criteria for benefiting from an all-weather track. It is imperative, both ethically and to preserve horseracing's social license, that horse welfare is always prioritized when making business decisions. Declining to install an all-weather track, under these unique circumstances, would result in NYRA missing an opportunity to substantially minimize the risk of horses being injured because of an inconsistent dirt surface that is difficult to maintain in the winter at a racetrack that will be utilized year-round. Further, the data collected around the currently operating all-weather tracks strongly suggests that any concerns about a detrimental effect on field size and betting are misplaced.

Thank you for considering these important safety concerns as you evaluate these issues.

Respectfully submitted,

Lisa Lazarus

PENSIONED SIRE MACHO UNO SUCCUMBS TO LIVER COMPLICATIONS

Macho Uno | Sarah Andrew

Stronach Stables's Macho Uno, Eclipse Award-winning champion juvenile and whose progeny include GI Breeders' Cup Classic winner Mucho Macho Man, was euthanized at the age of 26 due to liver complications at his home at Adena South Aug. 30, according to a Friday press release from 1/ST Racing.

A son of Horse of the Year Holy Bull bred by Adena and a half-brother to Breeders' Cup Classic winner Awesome Again, Macho Uno won on debut at Saratoga for trainer Joe Orseno in July 2000. After he was third in the GI Hopeful Stakes, Macho Uno won the GI Grey Breeders' Cup at Woodbine. The colt would follow that up with a score over future Hall of Famer Point Given in the GI Breeders' Cup Juvenile.

Macho Uno's 3-year-old campaign was delayed until July due to an ankle injury. Once his season began, the grey won the GIII Pennsylvania Derby and was fourth in the GI Breeders' Cup Classic.

The colt returned the next year with a victory in the GII Massachusetts Handicap and he was fourth in the GI Whitney Handicap before ending his racing career with a fifth-place finish in the Breeders' Cup Classic at Arlington.

At stud, along with siring Mucho Macho Man--himself the sire of GISW Mucho Gusto--Macho Uno claims Grade I winners Macho Again, Private Zone, Tolomeo and V I P Zone.

The stallion was represented by 17 crops prior to being pensioned to Adena South in 2020.

Horses from out of state who made only one start at the Del Mar Summer Meet will remain eligible for Santa Anita’s Ship and Win purse bonus provided they did not make an additional start elsewhere. Eligible horses will receive \$4,000 guaranteed for their first start at Santa Anita, as well additional bonus money in excess of listed purses.

“The Ship and Win program is now well known throughout the country and it should continue to attract a significant numbers of horses,” said Santa Anita Director of Racing and Racing Secretary Jason Egan. “We have a great facility at which to race and train with the best turf racing in America at this time of the year, which provides tremendous incentives for those considering stabling here in Southern California year-round.”

Santa Anita will inaugurate the California Crown at the meet on Saturday, Sept. 28.

DONEGAL'S GATE TO WIRE GRADUATES WITH EASE *By Mike Kane*

SARATOGA SPRINGS, N.Y. - It was quite easy for Donegal Racing to come up with a name for Gate to Wire (**Munnings**), who turned in an eye-catching debut performance Friday.

"He looked fast," said Donegal CEO Jerry Crawford.

Gate to Wire has lived up to his appearance in training and showed his speed in the opener at Saratoga Race Course, while posting a 1 3/4 -length victory in the \$100,000 maiden special weight for 2-year-olds.

Though he did not lead every step of the way, Gate to Wire, with leading rider Irad Ortiz, Jr. aboard, stalked the early pace of :21.63 and 45.32, stormed to the lead on the turn and was not seriously threatened in the stretch of the 5 1/2-furlong turf test. They reached the wire at 1:02.73 and the 9-5 favorite paid \$5.90. After running off with the rider during the post parade, Bob Baron's homebred Jack's Promise (**Promises Fulfilled**), trained by Dale Romans, ran greenly at times then closed well to finish second at 29-1.

With a pair of sizzling bullet breezes on dirt leading up to the race, Gate to Wire was hardly a surprise. He was the fastest of 161 on Aug. 17 with a :47 breeze from the gate and followed that with a best-of-103 gate breeze Saturday with a half-mile in :47.13.

"I thought we were showing our cards a little aggressively," Crawford said, "but at the same time it told us what we'd suspected."

Donegal purchased the chestnut bred by Moyglare Stud Farm for \$95,000 at the 2023 Keeneland September Sale.

"When we bought him, Barry Berkelhammer and I were the two people who were especially high on him at the sale," Crawford said. "I give Barry kudos and credit for his role in this. We have a very good selection team."

Hall of Fame trainer Todd Pletcher said the Donegal sent him a talented colt to develop.

"Jerry and his team did a great job picking him out," Pletcher said. "He's a beautiful son of **Munnings**. Looks a lot like his sire. Came in, has trained very forwardly and professionally leading into this. We were expecting him to come out with a good debut, show some speed, which he did."

Gate to Wire | Sarah Andrew

Crawford watched the race back home in Des Moines, where the Donegal staff is preparing for the Keeneland yearling sale next month. He noted that Gate to Wire did not fit the stable profile.

"It is very, very unusual for Donegal to have a sprinter," he said. We suspected he might be a sprinter when we bought him, but he was so shiny that we bought him anyway. Out of 50 average horses from Donegal, 49 will be routers. So that's a little unusual for this as well."

Now that the maiden victory is on the colt's resume, Donegal is looking ahead.

"We've known for a while that this horse was very talented," Crawford said. "In fact, I've been scouring the Breeders' Cup prep races before today, so our confidence level was up there. Of course, it's great to win at Saratoga. It's great to win anything at Saratoga." **Cont.**

1st-Saratoga, \$100,000, Msw, 8-30, 2yo, 5 1/2fT, 1:02.73, fm, 1 3/4 lengths.

GATE TO WIRE (c, 2, Munnings--Sansibar Jewel, by Street Cry {Ire}) didn't make his name into a game plan, but showed enough early foot to comfortably track the leading flight of runners from third. Inching forward as they left the backstretch, the 9-5 favorite was rolling into the lead entering the homestretch and put 1 3/4 lengths on Jack's Promise (**Promises Fulfilled**) by the time they hit the wire. The son of **Munnings** came into this unveiling with back-to-back bullet works over the main track, those Aug. 23 and Aug. 17 four furlong moves in :47.13 and :47.00, respectively, ending up faster than a combined 262 other workers. **'Insights'** runner Code of Justice (Into Mischief) faded to fifth after leading early on. The victor is the first winner from three of racing age for his dam, who has not produced any offspring since Gate to Wire. Sansibar Jewel was bred to **Essential Quality** for 2025. AUG. 31 INSIGHTS: COAST TO COAST DEBUTS FOR WELL-MEANT MAIDENS

by Patrycja Szpyra

Quality Road | Lane's End Farm

2nd-SAR, \$100k, Msw, 2yo, 1 1/16mT, 12:37p.m. ET

Breaking from the rail for owner/breeder St. Elias Stable is **COMPLEX AGENDA (Quality Road)**, who brings with him a loaded pedigree and a bullet work over the grass at Saratoga. Said move was three works back over the training track Aug. 2, where he went seven panels with the dogs up in 1:29 flat (1/4). His dam, GSW Nonna Mela (Arch), won the GII Adirondack and ran second in the GII Prioress Stakes. That mare is a half-sister to multiple Listed winner, Graded-placed Nonna Madeline (**Candy Ride {Arg}**).

To his outside is the pinhooking success story made of dreams, namely **Executive (Constitution)**. The colt was a \$100,000 purchase at KEEJAN by Jim Fitzgerald as an agent, and would return to the Keeneland auction house in September to see the hammer fall for \$900,000, going the way of Pin Oak Stud. He hails from the female line of MGISW Liam's Map (Unbridled's Song) and GSW & GISP **Not This Time** (Giant's Causeway). **Cont.**

Also debuting here are a pair of European acquisitions in Repole Stables runner **Battle Drum (Fr)** (**Siyouni {Fr}**), a 360,000 ARQMAY pick up this year, and Klaravich Stables's **Early Adopter (GB)** (Lope de Vega {Ire}), secured as a yearling for 170,000gns at TATOCT. The former claims German Highweight mare G1SW-Ger India (Ger) (Adlerflug {Ger}) as family while the latter is out of a Group 1-placed mare and is a half-brother to the dam of G1 Kennedy Oaks winner Zardozi (Aus) (**Kingman {GB}**). Early Adopter boasts dual Grade I-winner Program Trading (GB) (Lope de Vega {Ire}) as a relative. **TJCIS PPs**

Debuting for Bregman Family Racing LLC, **LAURICE** (Bolt d'Oro) will go to post here for trainer George Weaver with Junior Alvarado in the irons. From the family of champion juvenile colt MGISW Shared Belief (**Candy Ride {Arg}**), the filly was a \$460,000 purchase at this year's OBS April sale and had gone through the Keeneland sales pavilion on two occasions before that, selling for \$75,000 at KEENOV as a weanling and then for \$80,000 as a yearling at KEESEP. She's been working religiously on both surfaces, and is 7-2 on the morning line for this debut.

In what is shaping up to be an expensive maiden special race, **GUNS LOADED** (**Gun Runner**) leads the charge as the priciest of the bunch. A son of multiple graded-placed Sky My Sky (Bernardini), he hals from the female line of Media Nox (GB) (Lycius), who in addition to her racing prowess, found acclaim as the dam of G1 Prix de Diane Hermes-French Oaks and G1

NetJets Prix du Moulin de Longchamp victress Nebraska Tornado (Storm Cat). Most recently, the female family enjoyed success at the highest levels in Europe by way of multiple Group 1 winner Westover (GB) (**Frankel {GB}**). Sold for a princely sum of \$800,000 at KEESEP, Guns Loaded will race for the partnership of Morplay Racing LLC, Joey Platts, and Lady Sheila Stable.

To his inside debuts **Well Suited (Uncle Mo)** for owner and breeder Godolphin. Hailing from the immediate family of Scat Daddy, he's out of SW & MGSP Classic Fit (Bernardini), who in turn is out of a half-sister to the late, great sire. **TJCIS PPs**

1st-DMR, \$75k, Msw, 2yo, f, 6f, 4:30p.m. ET

On the rail and debuting for Richard Mandella, **GRACE BY FAITH** (Authentic) leads a competitive field in this Del Mar opener. A three-quarter sister to MGSW General Jim (Into Mischief), she was an \$800,000 purchase from KEESEP last year by Spendthrift Farm, which stands her sire, and has been given a 10-1 morning line shot.

To the outside of that one is **Margarita Girl (Twirling Candy)**, a \$575,000 OBSMAR purchase back in March by Saints or Sinners, and now races for them in partnership with Rancho Temescal Thoroughbred Partners. Mark Glatt's charge hails from the female line of Tempo West, herself responsible for multiple European Highweight, multiple Group 1 winner and GI Breeders' Cup Classic runner-up Declaration of War (**War Front**) and his full-brother MGSW & MGISP War Correspondent. She also produced French Listed winner, multiple Graded-placed Vertiformer (Dynaformer). This is the female family of GI Belmont Stakes hero **Union Rags** (Dixie Union). **TJCIS PPs**

Summer Breezes highlights debuting and stakes-entered 2-year-olds at those meetings that have been sourced at the breeze-up sales earlier in the year, with links to their under-tack previews. Practicallyelusive has been nearly so this season on the main track, and claimed her sixth career victory in the state-bred restricted Tomboy Stakes on her turf debut.

Last seen dominating a field of first-level allowance runners by 9 3/4 lengths Aug. 10 and bet to overwhelming 1-9 favoritism there, the price was much fairer here with the betting public accurately predicting it would not be a runaway for her in this contest. Sent away at 3-2 odds, she tracked along from third after the jump and was in command by midstretch. She needed the line though, as Here's the Spider was inching up to her outside, but managed to hold that rival to a neck margin in the end. Work'n On a Buzz picked up third.

The victress is a half-sister to Sweet Shild O Mine (**Mineshaft**), who was twice-placed on the Best of Ohio Stakes circuit. Their dam has a 2-year-old colt String Octet (**Mendelsohn**) as well as a yearling filly by **Audible** and a 2024 full-brother to Practicallyelusive. **Click for the Equibase.com chart.**

all-the-way winner of the GII Joe Hernandez Stakes over 6 1/2 furlongs in 2022, missed by a head after making the running in the GIII San Francisco Mile Apr. 27 at Golden Gate, and was eighth in both the May 27 GI Shoemaker Mile and July 21 Wickerr Stakes in his two most recent efforts. Looking to snap a nine-race skid while in search of his first two-turn victory, the 12-5 favorite was kicked straight into the lead by Juan Hernandez and set a moderate tempo, then had plenty left for the drive to hold off Packs a Wahlop (Creative Cause) by a length. A half-sister to the Grade III-placed Verbouwen (Kitten's Joy), Mesana is the dam of a 3-year-old gelding by **City of Light** and foaled a colt by the Lane's End stallion in 2022 before selling for \$55,000 back in foal to **City of Light** at Keeneland November that fall. SMILE PO (f, 2, Karakontie {Jpn}--Grin, by Flatter) opened his career here with a stalk and pounce trip, swinging four wide into the stretch and drawing away from Happy Sunday ([Buccherro](#)) to win by three lengths despite lingering on the wrong lead. Smile Po is the third winner from four to the races for Grin, who has since produced a yearling filly by Vekoma. She visited [Highly Motivated](#) for 2025. Sales history: \$35,000 Ylg '23 OBSOCT. U.S.-BRED/SIRED RUNNERS IN JAPAN

In this continuing series, Alan Carasso takes a look ahead at US-bred and/or conceived runners entered for the upcoming weekend at the tracks on the Japan Racing Association circuit, with a focus on pedigree and/or performance in the sales ring. Here are the horses of interest for this weekend running at Chukyo and Sapporo Racecourses:

Miss Panthere (inside) is the dam of debut winner Matenro Son

Saturday, August 31, 2024

6th-CKO, ¥13,720,000 (\$94k), Newcomers, 2yo, 1400m

YUTO THE YUTO (c, 2, Preservationist--Officer Leah, by Officer) is set to become the first Japanese starter for his young sire, who has accounted for 41 winners from his first two crops, including this year's Gill Peter Pan Stakes hero Antiquarian and five juvenile scorers from 10 starters in 2024. Hailing from the family of MSW Spanish Glitter (Glitterman), Yuto the Yuto is a three-time OBS graduate, having first sold for \$15,000 at OBS January, for \$30,000 at the auction house's October Yearling Sale and for \$80,000 after breezing a furlong in :10 1/5 at OBS March this spring. Leading jockey Yuga Kawada sees fit to ride.
B-Bruno F De Julio & Ed Barker (KY)

11th-SAP, Sapporo Nisai S.-G3, ¥59.2m (\$407k), 2yo, 1800mT

MATENRO SON (c, 2, Into Mischief--Miss Panthere {Jpn}), by Daiwa Major {Jpn} hesitated at the break of his Aug. 11 unveiling over this course and distance and was forced to sit a wide, no-cover trip from well off the speed, but overcame it all to graduate by four lengths (video, SC 9). With that victory, the

homebred became the first winner for his dam, thrice successful at group level in Japan and whose subsequent produce include two progeny of Horses of the Year--a yearling colt by Authentic and a filly foal by Flightline. B-Chiyono Terada (KY)

Sunday, September 1, 2024

11th-CKO, Kokura Nisai S.-G3, ¥59.2m (\$407k), 2yo, 1200mT

JASPER DIVINE (c, 2, Frosted--Rocket Reload, by Reload) cost owner Kazuo Kato \$255,000 at this year's OBS March Sale, and the colt made an immediate down payment on that investment when wiring a 1400-meter event for newcomers at Niigata on July 27 (video, SC 1). These are the same connections as fellow OBS purchase Jasper Krone (Frosted), who won back-to-back Group 3 contests over this track and trip just last summer.

GODOLPHIN STRIKE FOR €850K RECORD-BREAKING CAMELOT COLT AT BBAG

Lot 67, a son of **Camelot** | BBAG

By Adam Houghton

Godolphin repeated their feat of five years ago when signing for the €850,000 top lot at Friday's BBAG September Yearling Sale, surpassing the previous record fee of €820,000 they paid for a **Sea The Stars (Ire)** filly in 2019.

It's a record that had been shared since 2020 when Dietrich and Annabel von Boetticher's Gestut Ammerland also forked out €820,000 for a full-sister to the 11-length Deutsches Derby winner and sire Sea The Moon (Ger), but now there is a new outright leader in the shape of the colt who went through the ring on Friday as lot 67.

Named Del Maro (Ger), he too has a Classic pedigree fully befitting of the highest-priced horse in the sale's history. [Cont. p3](#)

'I'M ALREADY ON THE NEXT PAGE': SEPTEMBER HERALDS NEW CAREER FOR MOSSE *By Emma Berry*

"Please, please don't make me cry," says Gerald Mosse as he is asked to recall his final day in the saddle at Chantilly on Bastille Day.

"When you compete with all the riders, it's like we are a big family," he continues, remembering the guard of honour from his fellow jockeys as he walked out to take that one last ride for his long-term supporter the Aga Khan.

"We take a risk all together, we travel all together, and when they make something like they did to say goodbye, it was pretty emotional. I received from all my colleagues and family and trainers so much support that it became tough to say 'okay, it's enough.' But I made up my mind; it's done."

That was then. Now, as we speak, Mosse is in Deauville, and instead of being sequestered in the weighing-room at the racecourse next door, he is at the Arqana sales grounds on the hunt for horses to train rather than ride.

"The good thing is I'm looking forward to the next part of my career," says the 57-year-old. "So I don't try to think too much about what was, or the happiness to be able to ride worldwide. I have so many things in my mind. I'm already on the next page."

BBAG September Sale Cont. from p1

A son of the 2,000 Guineas and Derby winner **Camelot (GB)**, Del Maro was offered by Gestut Brummerhof and is out of their homebred Preis der Diana scorer **Diamanta (Ger)** (Maxios {GB}), a half-sister to the Listed winner and Group 2 Oleander-Rennen third **Diamantis (Ger)** (Golden Horn {GB}). His second dam is the G3 Preis der Winterkonigin runner-up **Diamantgottin (Ger)** (Fantastic Light).

Diamanta's first foal, the Dubawi (Ire) filly **Diya (Ger)**, who failed to find a buyer when offered at this sale in 2022, has also proved herself a talented performer in the familiar yellow and black silks of her owner-breeder. Although well beaten in the Preis der Diana when last seen, she'd earned her place in that field with a comfortable victory in the Listed Diana Trial the previous month.

Diamanta after winning the German Oaks in 2019 | *Racingfotos.com*

Anthony Stroud struck the winning bid on behalf of Godolphin, who will be hoping for better luck with this colt than they had with their €820,000 purchase in 2019. The filly, later named **Annie d'Autriche (Ger)**, never made it to the racecourse,

whereas the Sea The Moon sibling, named **Sea The Sky (Ger)** (**Sea The Stars {Ire}**), showed a high level of form in France for Andre Fabre, winning at Listed level and finishing third in the G3 Prix Minerve.

Incidentally, Sea The Sky later found her way into the hands of the Godolphin team as well when bought for €1.25 million at Arqana last December.

Of the 210 lots offered, 153 sold at a clearance rate of 73%, down 2% on last year. The average also fell by 2% to €48,552, while the median was

consistent with 12 months ago at €48,745. The aggregate spend was €7,428,500, down 8% on last year's figure. **Cont. p4**

Soldier Hollow Gone But Not Forgotten

Anthony Stroud also signed for lot 113, a Teofilo (Ire) colt who fetched €150,000, on behalf of Godolphin, but he was forced to settle for the role of underbidder when it came to the sale's other standout result.

The Soldier Hollow (GB) colt in question, or lot 52, was offered by breeder Helmut von Finck of Gestut Park Wiedingen, the owner of the former German champion sire who died in May this year. Soldier Hollow is perhaps best known as the sire of the Deutsches Derby winners Pastorius (Ger) and Weltstar (Ger), while daughter Tamfana (Ger), who was purchased for €20,000 at this sale in 2022, has finished fourth in the 1,000 Guineas and third in the Prix de Diane this year.

This colt is out of the winning Shirocco (Ger) mare Wamika (Ger), who has already produced three black-type winners by Soldier Hollow, including the G3 Preis der Winterkonigin scorer Whispering Angel (Ger). She in turn is the dam of the G3 Bavarian Classic winner Wilko (Ire) (Mastercraftsman {Ire}).

The second dam, Wakyatara (Ger) (Danehill), has also produced a multiple Group winner by Soldier Hollow in the shape of Wai Key Star (Ger), something which was identified by Alex Elliott as one of the reasons why he refused to be beaten on lot 52.

"He was just a very, very classy individual," he summed up after securing the colt for €320,000. "The mare hasn't missed to Soldier Hollow and even the second dam didn't miss to Soldier Hollow, so it's obviously blood that works.

"If he can run as well as he looks, then I'm sure we're going to be okay, even with such a hefty price tag on him. He'll go to Ralph Beckett. It's a sale that has been good to us and, hopefully, this is another horse who can add to that."

Elliott bought three yearlings in total for an aggregate of €460,000, with the others including lot 73, a colt by Too Darn Hot (GB) who sold for €110,000. [Cont. p5](#)

Another Classic Coup for Liberty Racing?

Eckhard Sauren was another of the sale's most prolific buyers with his five purchases--headed by Gestut Gorldorf's **Kingman (GB)** filly [lot 155] who fetched €200,000--coming to an aggregate of €629,000.

Sauren also bought a colt by first-season sire Japan (GB) out of the aforementioned Whispering Angel for €120,000. Of the 24 yearlings by Japan offered, 14 sold for a total of €717,000 and an average of €51,214. The dual Group 1 winner stood his first season at Gestut Etzean in 2022 at a fee of €11,000.

The HFTB Racing Agency was busy on behalf of Darius Racing, picking up six yearlings for an aggregate of €380,000, while the Liberty Racing team, led by Lars-Wilhelm Baumgarten, were back for more, little wonder given the significant success they've enjoyed with their recruits from this sale in recent years.

As if buying last year's Deutsches Derby hero Fantastic Moon

(Ger) (Sea The Moon {Ger}) here for the bargain sum of €49,000 wasn't enough, the team then repeated the dose at Hamburg in July with Palladium (Ger) (**Gleneagles (Ire)**), a colt they'd bought from this sale for €80,000 in 2022.

Fantastic Moon, who is back in Group 1 action in Saturday's Grosser Preis von Baden, came from the Stauffenberg draft in 2021 and Liberty Racing returned to that source this year with their €140,000 purchase of lot 107, a Teofilo (Ire) colt out of the G2 Cape Verdi runner-up Asoof (GB) (Dubawi {Ire}).

Lot 65, Liberty Racing's most expensive buy at €200,000, also had something in common with one of their Classic victors as a son of **Gleneagles**. Offered by Gestut Park Wiedingen, the colt is a half-

brother to the G3 Preis der Winterkonigin winner Dhaba (Ger) (Areion {Ger}), who is in turn the dam of the three black-type performers, headed by the Listed scorer and G2 German 1,000 Guineas third Dishina (Ger) (Soldier Hollow {GB}). [Cont. p6](#)

All told, the team responsible for the last two winners of the Deutsches Derby added six yearlings to their ranks for a total of €527,000.

Lope De Vega's Big Year Shows No Signs of Slowing Down

Lope De Vega (Ire) continues to lead the race to be crowned champion sire in Europe in 2024 and his popularity was reflected at the recent Arqana August Sale where a filly by the Ballylinch Stud stallion commanded one of the top prices at €1 million.

That filly was consigned by Ballylinch, but roles were reversed in Baden-Baden on Friday as the team behind Lope De Vega turned buyers with the €190,000 purchase of lot 78, a filly out of the Listed-placed Lips Eagle (Ger) (**Gleneagles {Ire}**). Lips Eagle herself is a half-sister to the G1 Grosser Dallmayr-Preis - Bayerisches Zuchtrennen and G2 German 2,000 Guineas winner Lucky Lion (GB), while the second dam, Lips Arrow (Ger) (Big Shuffle), won two Listed races and was Group 3-placed on two other occasions.

"It's been a huge year for the stallion," said Lizzy Sainty, the French representative for Ballylinch, after securing the only Lope De Vega yearling in the catalogue. "She's a lovely filly. She was really typical of her sire with a lovely walk and she obviously comes from a really top class nursery in Etzean. They do a brilliant job.

"She'll come home to Ireland and John [O'Connor, managing director of Ballylinch] will make a decision on her future later."

Sainty also confirmed that Prix du Jockey Club hero Look De Vega (Fr) is on track for his two big autumn targets, with the G2 Prix Niel set to be used as a stepping stone to the G1 Prix de l'Arc de Triomphe for which he heads the ante-post betting.

Gerald Mosse Cont. from p1

It is a blank page for now, but not for long. September 1 is the date on which the next chapter of the glorious racing saga of the Marseille-born Mosse will start to be written. The 41 years to have gone before include tales of Hong Kong, Melbourne, Newmarket and of course his home country, and it is back in Chantilly where stage two begins.

The boxes at his stables alongside the famous gallops of Les Aigles have been repaired and refurbished through the summer. Ecurie Mosse - formally known as the Manor des Sangliers - will soon be open for business.

"I decided to start on September 1 because with all the sales it's difficult to start and then not be there. So I decided to come here, having had good communication with all the owners, because there is a concentration of owners coming from all over the world for the sales.

"Of course, I'm lucky to know a lot of people in the business. I used to travel, I used to compete at different tracks worldwide. And I decided to make a turn in my career at a time when I can keep my name in a good spot. It's a business and people can forget you quite quickly."

Despite Mosse's consternation, it is unlikely that his name will be forgotten any time soon. The winner of 62 Group 1 races in his home country and more than 90 worldwide, he has also notched major wins in Hong Kong, where he spent several stints with the HKJC, Britain, Germany, Italy, Dubai, Canada, and in Australia's most famous race, the Melbourne Cup, aboard American in 2010. **Cont. p8**

Gerald Mosse has swapped racehorse for trainer's hack

Gerald Mosse Cont.

That horse's trainer, Alain de Royer Dupre, supplied many of Mosse's big winners, particularly during the former jockey's eight-year retainer for the Aga Khan, and he remains an ally even after his own retirement in 2021.

"Experience is something that you can't buy," Mosse says. "I've been all over the world to ride and I've been next to the top trainers. I will just try to follow what I have seen, what I learned. Mr Dupre is very close to me. When he retired he told me then that he would be very pleased to come to help me. So if I have a man like that next to me, I will feel a little bit more secure from the beginning."

He continues, "So I think now everything's in place. The one thing I don't know is what the reaction of the people will be. Even if I was [a] professional rider, it doesn't mean that I'm going to be a good trainer. So I am just trying to show people that this is my passion, this is what I love to do and this is probably one of things that I know how to do properly. It's not

Gerald Mosse at his Chantilly stable | *Wiktoria Szczesniak*

completely new. And all the owners know me, so I guess they feel a bit more comfortable than [dealing with] someone they have never seen."

Those famous white gloves may no longer be seen on the racecourse but that does not mean that Mosse will not be putting his expertise to good use on a daily basis.

"I need to ride horses," he says. "That's what I miss and I will ride out in my stable because this is what I love and I have always been close to them, but I don't miss [race-riding] at all so far because my head is already focused and looking forward to the new chapter."

That includes the most pressing next step of recruiting horses to fill those boxes. The focus initially will be on horses in training to give the new trainer some ammunition while the yearlings are being broken in and learning their trade.

And if he could have a fantasy pick of just one of those top horses he has ridden to include in his own stable? "When you are able to ride many champions, it's difficult to choose, but one who would come to my mind is Ashkalani," he says. "He was a superstar who could come from last to first in five strides, and not many horse are able to do that.

"But of course there's Arazi, Americain, Priolo... It's difficult for me to say one. But at least I know how good a feeling it is to be sitting on a horse like that. And I will try to build a few young horses to that level to be able to put one of my colleagues on board and enjoy the ride."

JUDDMONTE NEWCOMER JONQUIL OVERCOMES TRAFFIC PROBLEMS, ATTAINS TDN RISING STAR STATUS AT SANDOWN

by *Sean Cronin*

Sir Michael Stoute trainee **Jonquil (GB)** (Lope De Vega {Ire}--Jovial {GB}, by Dubawi {Ire}) overcame all manner of traffic problems to attain 'TDN Rising Star' status in Friday's Sri Lanka Jewel Of Asia British EBF Maiden Stakes at Sandown.

Ryan Moore's mount was well away to race in a close-up third for most of this debut. Caught in a pocket along the far-side rail in the straight, the 11-4 joint-favourite was hampered when attempting to move forward approaching the final furlong and quickened smartly once into the clear to edge Centigrade (Ire) (Too Darn Hot {GB}) by a short-head, and value for much more, in the dying strides of the seven-furlong contest. Jonquil becomes the 16th Rising Star for Lope De Vega, whose roll of honour includes the multiple Group 1-placed Beauvatier (Fr).

"With it being his first time at the races, we'd have preferred it to be a little bit smoother," commented assistant trainer James Savage. [Cont. p9](#)

Jonquil, A New Rising Star Cont.

He added, “Ryan [Moore] said the tempo wasn’t that fast and they all came into the race looking for room. He had to show a good bit of grit to get out of there and the way he picked up was very impressive. He’s got the right mentality and did everything right. He changes gear, he quickens well and he has the right attitude for a racehorse. Obviously, there’s stamina in the pedigree and there’s a bit of speed on the dam’s side. Hopefully, he’s got a nice future.”

Jonquil, half to a weanling filly by **Wootton Bassett (GB)**, is the first of two foals produced by a dual stakes-placed daughter of the multiple Group-placed Listed Cecil Frail Stakes and Listed Dick Poole Fillies’ Stakes victrix Joyeuse (GB) (**Oasis Dream (GB)**), herself a half-sister to **Frankel (GB)** (Galileo {Ire}). Siblings of his dam Jovial (GB) (Dubawi {Ire}) include G2 Mill Reef Stakes victor Array (Ire) (**No Nay Never**), the dual Group 1-placed Maximal (GB) (Galileo {Ire}) and G1 Coronation Stakes third Jovial (GB) (Dubawi {Ire}).

TATTERSALLS ONLINE AND INGLIS DIGITAL ANNOUNCE SALE OF SOUTHERN HEMISPHERE MARES

Tattersalls Online and Inglis Digital have announced plans to collaborate on an online sale of mares covered on Southern Hemisphere time. The sale will be held on the Tattersalls Online platform and will feature as the headline session of the Tattersalls Online December Sale on December 11-12.

The joint venture presents an opportunity to purchase mares that have been covered by European and American-based stallions standing to Southern Hemisphere time. [Cont. p10](#)

Southern Hemisphere Mare Sale Cont.

Following discussions with breeders and industry participants in both hemispheres, the sale has been created to meet demand for mares in foal to leading Northern Hemisphere-based sires including **Frankel (GB)**, **Justify**, **Kingman (GB)**, **Lope De Vega (Ire)**, **Night Of Thunder (Ire)**, **Siyouni (Fr)** and **Too Darn Hot (GB)**, all of whom have already sired Group 1 winners in Australia.

With entries to be announced at the end of November, the timing of the sale will allow for agents and buyers attending the Tattersalls December Mares Sale to inspect prospective mares at the same time.

Katherine Sheridan, Tattersalls Online sales manager, said, "Tattersalls and Inglis have extremely close ties and we are very excited to collaborate with them on this unique concept.

"Both Inglis and Tattersalls are leaders in the world of thoroughbred online sales and this venture presents a very rare opportunity to combine our expertise and international connections to meet the demands of the global market.

"Following initial discussions with breeders and industry participants, the concept has been very well received and we anticipate the sale will attract a unique offering of mares with Southern Hemisphere appeal to be offered on the Tattersalls Online platform."

Sebastian Hutch, Inglis Bloodstock CEO, added, "Inglis and Tattersalls have an historic relationship which is mutually beneficial. We discuss ideas regularly and felt that this sale presented an ideal opportunity for us to collaborate and pool our collective resources.

"There are some tremendous stallions in the Northern Hemisphere which are available to use on Southern Hemisphere

time and typically the demand for mares carrying high profile covers is strong."

LYONS AND JUDDMONTE AIM TO KEEP BABOUCHE AND RED LETTER SEPARATE, AS THEY MAKE GROUP 1 PLANS

As expected, undefeated Group 1 winner **Babouche (GB)** (Kodiac {GB}) is targeting the G1 Cheveley Park Stakes, with Ger Lyons stablemate **Red Letter (GB)** (**Frankel {GB}**) set to resurface on Irish Champions Weekend, according to Juddmonte's European racing manager Barry Mahon.

Three-for-three in her young career, the daughter of Pavlosk (Arch) won her Cork debut, before claiming the G3 Anglesey Stakes a month later and the G1 Phoenix Stakes earlier this month. Twice-raced Curragh maiden winner Red Letter will resume in either the Listed Ingabelle Stakes or the G1 Moyglare Stud Stakes in mid-September.

"We've discussed it with the owners and they're keen to go to the Cheveley Park with Babouche, so that's good," confirmed Juddmonte's European racing manager Barry Mahon.

"All being well, Red Letter will run on Champions Weekend. Whether that will be in the Ingabelle on the Saturday or the Moyglare on the Sunday, we'll see how she's working and decide closer to the time.

"Obviously, the form of Babouche's last run looks solid. I don't have all the times but I believe she broke some sort of record on the day and when they do that, it has to be a good performance."

Mahon also offered an update on **Revoke (GB)** (Blue Point {Ire}), who won at Naas on Aug. 25 and is also bound for a black-type engagement. She drubbed her foes by 4 3/4 lengths over good to yielding ground.

"Ger has a lovely team in fairness to him and Revoke looks a smart filly," he added. "She's not over-big, but she'd been showing plenty at home and she's quick.

"Hopefully we'll be able to kick on and head into stakes company for her next start. Where that will be, we'll have to wait and see, but she's a nice filly to have.

"She was good over six furlongs the other day and could even drop back to five, as she's very speedy. She'll slot into a stakes race somewhere and we'll go a bit slower with her."

PASSENGER RECOVERING FROM SURGERY, CARRIES POSITIVE PROGNOSIS INTO 2025

Flaxman Stables homebred and multiple group winner **Passenger** (Ulysses {Ire}) is recovering well from surgery and has started his rehabilitation, according to Niarchos family racing manager Alan Cooper.

A winner of three of his six starts, the G2 Huxley Stakes and G3 Winter Hill Stakes hero, who placed in the G2 Dante Stakes last year, sustained a condylar fracture when third to Alflaila (GB) (Dark Angel {Ire}) in the G2 York Stakes on July 27. The Sir Michael Stoute trainee has since undergone surgery to repair the injury.

Cooper said, “He’s come out of his surgery in good shape and is starting his rehab programme. That will take a bit of time but hopefully we will have him back next year.

“He had some screws put in the cannon bone to consolidate it and is now out of the clinic and starting his rehab.

“It’s still early days yet, but the hope is we can get him back-- and of course he will be carefully monitored along the way by the veterinary surgeons.”

Also connected to the G1 Irish Oaks heroine Chicquita (Ire) (Montjeu {Ire}) whose daughter of Dubawi Emily Dickinson (Ire) proved a classy stayer for this stable, he is joined by stablemate **Genealogy (GB) (Wootton Bassett {GB})**, a 400,000gns Tattersalls October Book 1 purchase whose G3 Princess Margaret Stakes-placed dam Musical Art (Ire) (Dutch Art {GB}) is related to the brilliant Finsceal Beo (Ire) (Mr. Greeley).
