

STONESTREET POISED FOR A BOOK ONE TO REMEMBER

Stonestreet Farm has had plenty of stacked rosters going into Book 1 of the Keeneland September Sale, but the farm's longtime bloodstock advisor John Moynihan estimates that this year's class of yearlings is among the best that the operation has ever presented to the market.

"It's rare that you get the physical horse with these amazing pedigrees because so many times you get a physical and you don't have the pedigree or you get the pedigree but you don't have the physical," Moynihan reflected. "We're very fortunate this year to have some absolutely amazing physicals that also have some of the best pedigrees you'll find at Keeneland this year." **Cont. p3**

SALES-TOPPING NOONI GOES FOR THREE STRAIGHT IN DEL MAR DEBUTANTE

by Alan Carasso

It's been nearly 30 years since trainer Bob Baffert won his first GI Del Mar Debutante Stakes with Batroyale back in 1995. The Hall of Fame conditioner looks to have a stranglehold on this year's renewal of the seven-furlong contest, as he sends out a pair of big-money fillies, each campaigned by previous Debutante scorers.

Front and center is '**TDN Rising Star**' Nooni (Win Win Win), the \$1.8-million topper from this year's OBS March Sale, who looks to become the second winner of the event in the last four years for Zedan Racing Stables, who also sent out 2020 OBS April topper and fellow '**Rising Star**' Princess Noor (**Not This Time**) to take that year's Debutante. While the latter returned on short rest to dismantle her field, Nooni has two starts under her belt, a towering maiden success at Santa Anita June 13 ahead of a 1 1/2-length defeat of the re-opposing **Vodka With a Twist** (Thousand Words) in the local GIII Sorrento Stakes Aug. 10.

Tenma (**Nyquist**) made \$850,000 at this year's OBS April Sale and showed plenty of grit in graduating by a neck going 5 1/2 furlongs Aug. 14. The dark bay races in the colors of Baoma Corp., whose Bast (**Uncle Mo**) aired by nearly nine lengths in the 2019 Debutante.

Drawn outside in the field of seven is '**TDN Rising Star**' Jack's **Magic Girl** (**Good Magic**), who proved a professional winner of her one-mile debut over the local turf course Aug. 3. **Cont. p7**

Stonestreet, cont. from p1

“I hope people are as excited as we are about them because we think they're very, very special.”

Among the nine Book 1-bound Stonestreet yearlings, three are out of Grade I winners and six are siblings of Grade I winners.

Early in the first session on Monday Sept. 9, all eyes will be on **Hip 25**, an Into Mischief daughter of Stonestreet's Broodmare of the Year Dreaming of Julia (A.P. Indy). The Gainesway-consigned filly is the first of her dam's progeny to go to auction since two-time Eclipse champion Malathaat (**Curlin**) graced the same sales ring in 2019 and sold to Shadwell for \$1.05 million.

Dreaming of Julia--herself out of one of Stonestreet's foundation mares in Grade I victress Dream Rush (Wild Rush)--is also responsible for MGSW Julia Shining (**Curlin**) and she has several other young fillies in the pipeline (more on Stonestreet's monarch mare [here](#)).

“The Into Mischief--Dreaming of Julia filly is out of one of our storied families in Dream Rush and Dreaming of Julia,” said Moynihan. “Rarely do we sell fillies out of this family. This filly has amazing value as a racing prospect. She has amazing value residually as a broodmare prospect. I would have to believe she's one of the most special filly offerings coming up this year at Keeneland.”

Yet another progeny of a Stonestreet-campaigned Grade I winner who went on to produce a Grade I winner, **Hip 347** is a colt by **Curlin** out of three-time Grade I winner Cavorting (Bernardini). The earner of over \$2 million on the racetrack, Cavorting has since produced three stakes horses from three horses to race. Stonestreet's three-time Grade I victress Clairiere (**Curlin**) leads the charge, followed by her younger siblings La Crete (**Medaglia d'Oro**) and Judge Miller (**Curlin**), who ran third in this year's GII Hollywood Gold Cup Stakes.

Cavorting's **Curlin** yearling will be consigned by Indian Creek.

“Cavorting is a 100% stakes producer,” noted Moynihan. “This yearling is a full to Clairiere and Judge Miller and he's a fabulous physical. I just can't imagine a horse with a better pedigree that stacks up physically to this horse at Keeneland.”

Moynihan explained that yearlings out of mares like Dreaming of Julia and Cavorting illustrate how the Stonestreet program has advanced since it was first founded by the late Jess Jackson and his wife Barbara Banke two decades ago.

“These are fruits that we planted 10, 15 years ago,” he said. “You take mares like Dream Rush and so on and you see what she's produced and what her daughters have produced with Dreaming of Julia and others. It's what we strove to do when Jess and Barbara started Stonestreet and it is now coming to fruition. Knowing the female families that we've had over the years and seeing the good horses that have come out of it, in my opinion every year it tends to get a little better.” **Cont.**

“In a lot of businesses that's not the case, but we've constantly tried to replenish our broodmare band and we're constantly trying to make things better.”

It's impossible to think back on the early days of Stonestreet's racing stable without remembering Hall of Famer Rachel Alexandra (**Medaglia d'Oro**). At this year's September Sale, the champion mare will be represented by a granddaughter in **Hip 175**. By **Quality Road**, the Summerfield-consigned filly is out of Stonestreet's homebred GI Spinaway Stakes victress Rachel's Valentina (Bernardini).

Last year, Rachel's Valentina was responsible for an Into Mischief colt that sold for \$1.5 million to Eclipse Thoroughbred Partners at the Fasig-Tipton Saratoga Sale. That colt has yet to race but has been named Valentinian.

Also selling in Book 1 next week, Stonestreet will offer a filly from the first crop of **Charlatan** out of Rachel Alexandra's full-sister Samantha Nicole as **Hip 195**.

An Into Mischief colt out of Catch the Moon keeps an eye on the camera as he comes in from turnout | Sara Gordon

Moynihan pointed to **Hip 345** as another stellar physical with a pedigree to match. The son of Into Mischief is out of Catch the Moon (Malibu Moon), the dam of four graded stakes winners including Grade I victor and young sire **Girvin** (**Tale of Ekati**) and the late MGISP Midnight Bourbon (Tiznow).

“This colt looks like he could be super precocious,” Moynihan said. “He looks blazing fast to me. To have an Into Mischief colt that physically looks like this horse and is a half to an up-and-coming stallion in **Girvin**, I think the sky is the limit for success on

the racetrack or for someone in the thought process of buying a horse that could end up being an amazing stallion prospect down the road.” **Cont.**

Other Stonestreet yearlings offered in Book 1 that are siblings to Grade I winners include **Hip 161**, a **Curlin** half-sister to champion sprinter Gamine (Into Mischief); **Hip 318**, a **Curlin** filly out of Grade II winner Authenticity (Quiet American), the dam of Grade I victor and sire **Charlatan** (Speightstown); and **Hip 319**, a full-sister to dual Grade I victor and young sire Cyberknife (**Gun Runner**).

Of Hip 319, Moynihan said, “Cyberknife won the Haskell and the Arkansas Derby. I had seen him and he was a very nice physical. We bought the mare carrying this filly and I was hoping that the foal would be of similar quality. She's absolutely gorgeous. She's a little bit of a later foal, but she still looks like she'd be precocious. Amazing presence, amazing athleticism. For me, she's as good as it gets for a filly.”

When it comes to presenting their yearlings to the market, Moynihan said it is the processes leading up to the sale and the events that come after the drop of the hammer that matter most.

“We raise our horses to be racehorses,” he said. “They spend the majority of their time outside. Robert [Turner, Stonestreet Yearling Manager] and his crew have done an amazing job, as they do every year, in bringing the horses to market and letting every horse develop at their own pace.

“A huge sales price is great, but our main objective is to breed these horses so they're successful on the racetrack. That's the most important thing.”

A Breeder's Philosophy

At the helm of Stonestreet's prolific operation, Barbara Banke is eager for the Keeneland September Book 1 action to begin next week.

“I'm proud of the fact that we're bringing the best to the market and the best for Keeneland, helping make Book 1 of this year a really fantastic book,” she said. “It's one that is a must for anybody that is in the horse business.”

The art of choosing which yearlings to sell and which horses to campaign in the Stonestreet silks is something that Banke and advisors like Moynihan have been working to perfect over the years. Some fillies are retained to go to the farm's broodmare band someday, but the vast majority of Stonestreet's yearlings, both colts and fillies, go to auction.

“People ask us sometimes why some of these fillies are coming to auction and why wouldn't we be keeping them,” said Moynihan. “If we have fillies out of families, we may retain a filly here and there to replenish our broodmare band because that's

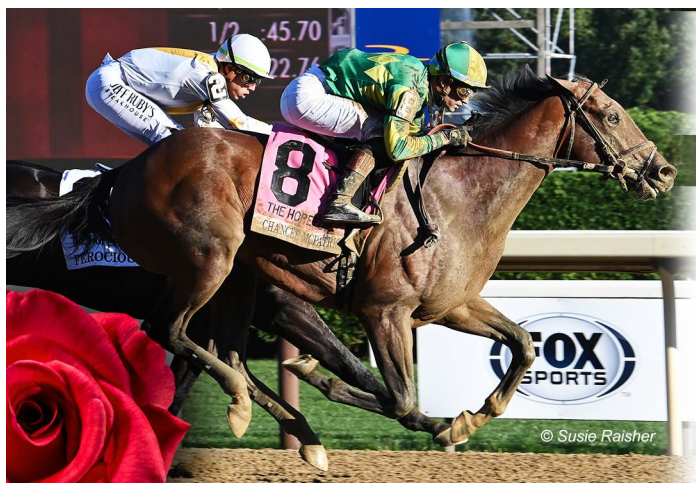

what keeps Stonestreet's breeding program going, but we sell roughly 90% of the yearlings that we produce every year.”

Moynihan explained that oftentimes fillies with world-class pedigrees are sold in order to diversify the female families represented within the broodmare band and to allow maximal opportunities for Stonestreet to support its stallion interests.

“Our philosophy is that with our current stallion interest, a lot of those fillies can't be bred back to the same stallion that they are by, so we can sell those fillies,” he said. “We're more apt to keep an Into Mischief filly than we are a **Curlin** filly.” **Cont.**

A morning at Stonestreet Farm's yearling division in Versailles, Kentucky | Sara Gordon

Stonestreet continually supports its perennial leading sire **Curlin** and has interests in other sires on the rise like **Good Magic** and **Charlatan**. Along with the **Curlin** half-sisters to **Gamine** and **Charlatan**, Stonestreet will also offer **Hip 10**, a **Curlin** filly out of Grade I-placed **Dawn the Destroyer** (Speightstown), in Book 1.

"I like seeing our horses compete on the racetrack and I have sold some wonderful champions like **Malathaat** and **Gamine**," Banke said. "I sold **Good Magic** and retained part of him. I'm proud of all of our horses that compete on the racetrack, whether we have a part of them or not."

"All the yearlings that we bring to market we stand behind to the point where I'm sure people realize that we've liked them so much that we've kept parts of them," added Moynihan. "That's how much we believe in the product that we produce, so I think that says an abundance of things in respect to prospective buyers and how they should look at our horses."

In recent headlines, Stonestreet bred and later retained a piece of **Prince of Monaco** (Speightstown), a \$950,000 yearling at the 2022 Fasig-Tipton Saratoga Sale. The winner of the GI Del Mar Futurity at two, the colt has placed second in the GI Woody Stephens Stakes and GI H. Allen Jerkens Memorial Stakes so far this year.

Continuing the Legacy

On the eve of ship-in day for the Book 1 yearlings, Banke was out at the Stonestreet yearling division for one final at-home inspection. By her side was her son, Chris Jackson.

Jackson followed in the footsteps of his parents with his own passion for wine-making, but over the years he has also developed an interest in the Thoroughbred side of the family business.

Jackson said the launching point for his own passion for the sport was **Curlin's** Hall of Fame-worthy career.

"It's a lot of fun when you get to watch champions compete, when you think about **Curlin** or Rachel Alexandra or some of the homebreds that we've been able to compete like **Good Magic** and Lady Aurelia," he said. "Watching them has been what has got me hooked in the sport."

Jackson spends the majority of his time in California, where he is the Proprietor and Family Ambassador for Jackson Family Wines. His role encompasses everything from sales and marketing to production and the wine-making itself.

Jackson said there are plenty of comparisons between raising Thoroughbreds and producing wine.

"Both wine and Thoroughbreds take a long-term vision," he explained. "In the instance of Thoroughbreds, you're breeding top mares with top stallions and trying to build the integrity of your genetic pool. With wine-making, you're working with top vineyards and trying to make the best wine that you can. Both take patience and an eye towards quality."

Jackson will not be in Lexington for much of the Keeneland Sale as September is the heart of harvest season in California, but he will be supporting from afar.

"It has been a lot of highs and a lot of lows, but I am so proud of my mother," he said. "My mother is a big believer in the fact that if you have a horseperson's attitude and you invest in the Thoroughbred first, quality shows over time."

The afternoon's other graded stakes is the GII John C. Mabee Stakes, which very much looks like a two-horse race between **Anisette (GB)** (Awtaad {Ire}), winner of three straight and six of eight on this circuit, and **Didia (Arg)** (Orpen), victorious in the GI New York Stakes two starts back and exiting a close fourth in the GI Diana Stakes at Saratoga July 13.

Pair of BC Challenge Races Among Six KD Stakes

It's another big afternoon of racing at Kentucky Downs, with six graded stakes on tap, including a couple of Breeders' Cup spots up for grabs.

The \$2-million GII Ainsworth Turf Sprint--with a spot in the GI Breeders' Cup Turf Sprint on the line--has lured this country's top grass sprinter in the form of **Cogburn (Not This Time)**, winner of five of his six starts since switching surfaces, chief among them that jaw-dropping performance in the GI Jaipur Stakes at Saratoga June 8 where he completed the 5 1/2 furlongs in an other-worldly :59.80. His lone defeat on the turf happened to come in this event 12 months ago, where he was only fifth in a blanket finish behind **Gear Jockey (Twirling Candy)**--who was winning the race for the second time in three years--and **One Timer** (Trappe Shot), winner of the 2022 GII Franklin-Simpson Stakes.

Nobals (Noble Mission {GB}) was just beaten by Cogburn in the 2023 GIII Troy Stakes at the Spa, but won the Da Hoss Stakes at Colonial the following month before scoring at 12-1 in the Turf Sprint. The bay returned from a near nine-month absence to be a good fourth in a salty Saratoga allowance July 28 and can improve for the comebacker.

Fitri Hay's **Khaadem (Ire)** (Dark Angel {Ire}) has just two wins from his last dozen starts, but they are a pair of doozies--an 80-1 upset of the G1 Queen Elizabeth II Jubilee Stakes at Royal Ascot last June before successfully defending in that test at odds of 14-1 this year. **Cont.**

Kentucky Downs Saturday preview, cont.

The GII Turf Cup, which offers the winner a fees-paid berth into the GI Breeders' Cup Turf, welcomes back its defending champ in the form of **Get Smokin** (Get Stormy), who proved not for catching when attempting this 12-furlong distance for the first time last September. His last-out victory in the July 20 GII United Nations Stakes has been flattered by a pair of subsequent stakes winners and he'll try to play catch me if you can, though the similarly speedy **Balladeer** (Distorted Humor) could be a fly in the ointment.

Integration (Quality Road) is the 8-5 favorite on the morning line, but he tries to negotiate a mile and four furlongs for the first time in his career, having finished a sound second to Nations Pride (Ire) (Teofilo {Ire}) in the GI Arlington Million Aug. 11.

Chief Little Rock (Ire) (Galileo {Ire}) was a close third to recent GIII Nashville Derby winner Bellum Justum (Ire) (Sea The Stars {Ire}) in the Listed Blue Riband Trial at Epsom Apr. 23 and was the easy winner of the G3 Gallinule Stakes at the Curragh before struggling home 12th in the G2 King Edward VII Stakes at the Royal Meeting June 21. The competition is considerably lighter here, but the hurdles are not insignificant.

A field of 12 will head to the gate for this year's Franklin-Simpson, which carries Grade I status for the first time. Speed

has been playing favorably over the course of the first few days of the meeting at Kentucky Downs, and that could play into the hands of the fleet **Joe Shiesty** (Air Force Blue). Having employed front-running tactics to win a pair of races over the Turfway synthetic track over the winter, the bay gelding ran them off their feet in the May 1 William Walker Stakes at Churchill Downs. He stubbed his toe when seventh against his elders in the KD Preview Turf Sprint at Ellis Aug. 4, but he is back with his own age group today and is capable of an upset.

Mansa Musa (Ire) (Ten Sovereigns {Ire}) was second to the outstanding filly Star of Mystery (GB) (Kodiac {GB}) in Saratoga's GIII Quick Call Stakes July 14, finishing one spot ahead of Fandom (GB) (Showcasing {GB}), who turned the tables in the Mahony Stakes Aug. 11. **Howard Wolowitz** (Munnings) graduated by a big margin over the Gulfstream Tapeta June 22 and exits a troubled fourth in the Mahony.

Resolute Racing's **Pounce** (Lookin At Lucky) rates the marquee in the GII Music City Stakes over 6 1/2 furlongs and she cuts back in trip off a victory in the one-mile GIII Lake George Stakes at Saratoga July 20. **Vive Veuve** (Collected) charged home to be third in the Lake George, while Canadian raider **Time to Dazzle** (Not This Time) is a threat if running back to her 11-1 upset of the GIII Ontario Colleen Stakes at Woodbine July 27. **Cont.**

One More Go On the Grass For the Virginia Derby

Deterministic | Sarah Andrew

During last month's Arlington Million program, it was revealed that the 2025 Virginia Derby will be staged during a March mini-meet at Colonial Downs on the main track as a qualifying points race on the Road to the Kentucky Derby. A field of 12 that lacks a true standout is set to load the gate for Saturday's final renewal over the inner turf course in New Kent County.

'**TDN Rising Star**' **Deterministic** (**Liam's Map**) is the 3-1 morning-line favorite and looked a real candidate for the Classics when running out a two-length winner of the GIII Gotham Stakes at Aqueduct in March. Well-beaten in two subsequent tries on the dirt, the \$625,000 Keeneland September grad has shown promise on the grass, finishing second to Neat (**Constitution**) in the GIII Manila Stakes on June 29 ahead of a third to Carson's Run (Cupid) in the GI Saratoga Derby Invitational Stakes Aug. 11. He is capable, but needs to show he can finish the job.

Should he falter, Florida invader **Grand Mo the First** (**Uncle Mo**) could prove the beneficiary. A distant third in the GI **Curlin** Florida Derby and never a factor in the GI Kentucky Derby, he made a smooth transition to the turf with a battling success in the Aug. 3 Bears Den Stakes at Gulfstream. Others in with a fighting chance include **Zverev** (**Oscar Performance**), a troubled sixth to Neat in the GII Hall of Fame Stakes Aug. 2; and **Herchee** (**Twirling Candy**), perfect in two starts and cross-entered for Sunday's \$1.5-million **Gun Runner** Stakes at Kentucky Downs.

AS USUAL, JAPANESE INVADERS FIGURE TOUGH IN KOREA CUP, SPRINT

by Alan Carasso

When Japanese horses take their show on the road to places like Australia, the Middle East, Hong Kong, the U.S. and even Europe to an extent, they are to be taken very seriously. It is also no wonder that when horses from the Land of the Rising Sun make the comparatively short trip over to Korea, they have more or less dominated the nation's two biggest and most important races--the G3 OBS Korea Cup (1800m) and OBS Korea Sprint (1200m). That trend looks set to continue this weekend at Seoul Racecourse, where both events offer the winners an all-expenses-paid trip to the Breeders' Cup at Del Mar on Nov. 2.

Japan sends out three of the 11 horses for the Cup--with a berth in the GI Breeders' Cup Dirt Mile on the line--including **Crown Pride (Jpn)** (Reach the Crown {Jpn}), who romped by 10 lengths in last year's Korea Cup and most recently defeated the American-conceived Beyond the Father (Jpn) (**Curlin**) by a nose in the Listed Mercury Cup at Morioka July 15. **Wilson Tesoro (Jpn)** (Kitasan Black {Jpn}), a three-time winner at listed level and twice Group 1-placed, was fourth in this year's G1 Dubai World Cup and was last seen finishing second in the Listed Teio Sho at Ohi Racecourse June 26. Yuga Kawada has the call. **Light Warrior (Jpn)** (Majestic Warrior) was a stakes winner at Kawasaki in April before finishing sixth in the Teio Sho.

The local charge is spearheaded by **Winner's Man (Kor)** (Musket Man), winner of 18 of his 28 career starts and a distant third to Crown Pride 12 months ago. He faces the starter for the first time since successfully defending his title in the year-ending Grand Prix (black-type) over 2300 meters last December. **Global Hit (Kor)** (To Honor and Serve) has not missed the top two since finishing eighth as a 3-year-old in last year's Cup and most recently won the KRA Cup Classic (NBT) going 2000 meters Aug. 4. *Cont.*

Korea Cup and Sprint, cont.

In the Sprint, the globetrotting **Remake (Jpn)** (Lani) should prove difficult to handle in his first appearance since finishing fourth to Tuz (Oxbow) in the G1 Dubai Golden Shaheen at Meydan Mar. 30. Having defeated **Beolmaui Star (Kor)** (To Honor and Serve) by four lengths in this contest last September, the Koji Maeda homebred proved easily best over Skelly (**Practical Joke**) and Bold Journey (**Hard Spun**) in the G3 Riyadh Dirt Sprint a month before his Dubai effort. **Keiai Dorie (Jpn)** (Espoir City {Jpn}), ninth in the Golden Shaheen, bounced back to finish third to the Breeders' Cup Sprint-bound **Don Frankie (Jpn)** (Daiwa Major {Jpn}) in the Listed Cluster Cup Aug. 14.

Trainer Doug O'Neill is not bashful about traveling his horses, and Ilium Stables' **Anarchist** (Distorted Humor) is the lone American representative on Sunday. Winner of the GIII Jacques Cartier Stakes last season, the 5-year-old ran The Chosen Vron (Vronsky) to a head in the GI Bing Crosby Stakes last July before taking the GII Pat O'Brien Stakes. He is unplaced in two runs this season, including a fifth to The Chosen Vron in the July 27 Bing Crosby.

Eoma Eoma (Algorithms) won the 2022 Korea Sprint and was fifth in defense of his title last year. The 7-year-old cuts back in from the mile having run third to the romping **Speed Young (Kor)** (Menifee) in the June 30 Busan Owners' Cup (black-type).

A trip to the Breeders' Cup Sprint is on the line. In 2019, the Korean-based U.S.-bred Blue Chipper (Tiznow) won the Korea Sprint en route to a cracking third to **Spun to Run** and Omaha Beach in the Dirt Mile.

36-RACE KENTUCKY DERBY PREP SCHEDULE RELEASED BY CHURCHILL DOWNS

The Road to the Kentucky Derby Championship Series, the select races that will determine the preference list for the 151st Kentucky Derby, is out, Churchill Downs said in a press release on Friday.

During a special meeting at Colonial Downs, the Virginia Derby—occupying a spot on the racing calendar that was previously void of any qualifying races on Saturday, Mar. 15—is the latest addition to the schedule. The race will award 105 points to the top five finishers including 50 points to the winner.

As for the Road to the Kentucky Derby prep schedule, which begins Saturday, Sept. 14 with the GIII Iroquois Stakes at Churchill Downs, those races annually award a sliding scale of points to the top five finishing positions. At the conclusion of the series, the leaderboard will determine the preference list for entries into the 20-horse field.

In addition to the primary 36-race Road to the Kentucky Derby series, there are two separate series that carve out potential spots for international horses from Japan, Europe and the United Arab Emirates.

The European Road to the Derby has been rebranded as the Euro/Mideast Road to the Kentucky Derby. The Apr. 5 running of the G2 UAE Derby has been removed from America's primary Road to the Kentucky Derby and will now conclude this newly rebranded stand-alone series that will carve out two invitations to the top point earners.

2024 Kentucky Derby finish | Horsephotos

Additionally, the Cardinal Condition Stakes at Chelmsford City has been removed from the series and, instead, the winner will receive an automatic berth in the starting gate for the GII American Turf Stakes on the Kentucky Derby undercard.

No changes were made to the stand-alone Japan Road to the Kentucky Derby. Six horses based in Japan have competed in the Derby since the series debuted in 2017.

Two other rule changes have been instituted. In the event a Championship Series race on the Road to the Kentucky Derby or Kentucky Oaks is run with a five-horse field, only 75% of the points will be proportionally awarded. A Championship Series race field with four or less horses will be proportionally awarded 50% of the total points.

As for entry into the GI Kentucky Oaks, the Virginia Oaks will be run on the Virginia Derby undercard and become a qualifier for that the 33-race series.

LIGHT UP RACING EXPANDS MEDIA & CONTENT COHORT TRAINING INTO THE FALL

Light Up Racing event | Sara Gordon

Following its inaugural Media & Content Cohort Training in April, Light Up Racing has expanded its fall tour with new sessions to be held at Santa Anita Sept. 29-30, and at Fasig-Tipton's Saratoga location Oct. 3-4, Light Up said in a Friday release.

Each cohort brings together a diverse group of up to 25 participants from across the industry, including trainers, owners, media professionals, and influencers, all united by a shared commitment to promoting the sport's brighter future and to help shape a positive public perception.

"This program isn't just about learning skills--it's about shifting the narrative," said Vicky Leonard of the Kick Collective. "We're empowering participants to become confident, compelling ambassadors for horse racing, bringing transparency and positivity to the forefront of the conversation."

Over two days, participants will build their personal brands, hone their storytelling skills, and learn the art of creating engaging, impactful content that resonates with modern audiences.

"Our goal is simple: to give participants not just tools, but the confidence to wield those tools effectively," Leonard said. "When they walk away from this training, they won't just have skills--they'll have a voice, a perspective, and a community standing with them."

HORSE SHOW ARENAS IN SANTA ANITA PARK’S INFIELD ALMOST COMPLETE

Construction that began earlier this summer on three horse show arenas is nearing completion in the Santa Anita Park infield and will not affect training or racing at the track, according to a Wednesday 1/ST Racing press release.

Led by track consultant Dennis Moore, the construction will not impact morning training or afternoon racing as the Autumn Meet opens at the end of September.

The arenas will be used for the first time in collaboration with The Lugano Diamonds Split Rock Jumping Tour, and will feature two weeks of back-to-back international competition beginning in mid-November.

The events will mark the return of international show jumping to Santa Anita since the track was the host venue for the equestrian events during the 1984 Olympic Games.

OWNERVIEW WEBINAR COVERS INTERNATIONAL MARKET, INCLUDES GARRETT O'ROURKE

Juddmonte General Manager Garrett O'Rourke joined an OwnerView panel Sept. 3, which included Peter Bradley of Bradley Thoroughbreds and Medallion Racing Manager Phillip Shelton, to discuss the international racing market, the online conference said in a Friday release by the Jockey Club of America who co-hosts the series.

During the event O'Rourke was asked about Juddmonte’s process when it comes to where they race their horses and how they decide to keep certain stock either abroad or in the U.S.

“It used to be, years ago, sometimes when Lasix was allowed over here [the United States], we would bring a horse that maybe needed Lasix, but that’s not an issue anymore,” said O'Rourke.

A Q&A, sponsored by West Point Thoroughbreds, allowed attendees to post questions, which were then answered at the conclusion of the webinar.

Co-hosted by the Thoroughbred Owners and Breeders Association and presented by Bessemer Trust, Stoll Keenon Ogden, and The Green Group, the panel was sponsored by Centennial Farms and Coolmore America.

SATURDAY'S RACING INSIGHTS:

Zabo breezes at OBS March | Photos by Z

BAFFERT BRINGS A STRONG HAND INTO DEL MAR'S CLOSING WEEKEND *by Stefanie Grimm*

3rd-DMR, 75K, Msw, 2yo, 1mT, 5:30 p.m.

One of two entries for trainer Bob Baffert, the New York-bred **ZABO (Justify)** sold to Zedan Racing for \$700,000 at OBS March earlier this year from the Chester and Mary Broman consignment. The colt is the first foal out of MSW/GSP Pauseforthecause (Giant's Causeway) who earned nearly \$550,000 in her career and is herself a daughter of MSW/GISP Spritely (Touch Gold). After bringing just \$100,000 as a yearling at Keeneland September, Zabo impressed with a sharp quarter-mile breeze in :20.2.

Joining him to the outside is stablemate **King's Road (Quality Road)**, a \$525,000 Keeneland September grad for the partnership of SF Racing, Starlight Racing and Madaket Stables. The dam is a half-sister to GSW Mrs. Danvers (**Tapit**) and from the family of MGSW/MGISP Teammate (A.P. Indy) and, most notably, GSW/GISP and prolific turf sire **War Front** (Danzig).

TJCIS PPS

6th-DMR, 75K, Msw, 2yo, 5 1/2f, 7:00 p.m.

Another Baffert pair gets on the main track later in the card with **Into Midnight** (Into Mischief) breaking from the gate under Victor Espinoza. Dam Midnight Lucky, bought as a yearling at Saratoga by Mike Pegram for \$200,000, would take both the GI Acorn Stakes and the GI Humana Distaff Stakes in her racing career. The family includes GISW and \$2.9m Stonestreet broodmare buy Hookedonthefeelin (Citidancer) and her progeny MGISW Pussycat Doll (Real Quiet) and GISW and sire Jimmy Creed (Distorted Humor).

Stablemate **Yaqin (Nyquist)**, a \$525,000 OBS April grad for Zedan Racing, is out of a half-sister to the late Laoban (**Uncle Mo**) and to the dam of Canadian champion 2-year-old colt Mr. Hustle (Declaration of War). **TJCIS PPS**

4th-CNL, 60K, Msw, 2yo, 1 1/16mT, 2:30 p.m.

Another son of **Justify** debuts on the grass as **Marshal**, a \$600,000 Keeneland September purchase for Pin Oak Stud, makes the races Saturday on Colonial Downs' closing weekend. From three foals to race, dam Durga Devi (Ire), who is a half to GI Breeders' Cup Juvenile Turf winner Wrote (Ire) (High Chaparral {Ire}), has produced a Scandinavian champion 2-year-old colt in Downtown Leo (Speightstown) and Saudi Arabian winner Sa'aeid (**Munnings**). **TJCIS PPS**

After breaking his maiden impressively with an 84 Beyer Speed Figure facing state bred at Santa Anita May 3, Bodacious stepped up into stakes company but failed to hit the board in the open company Bashford Manor Stakes at Churchill going six furlongs June 30 or the Cal-bred Graduation Stakes over course and near distance last time out Aug. 9. Removing the blinkers Friday, the 3-1 shot got away cleanly and was quick to assume command from the outside gate, clearing over to work through fractions of :22.10 and :45.42. Never quite able to shake loose from Style Cat, Bodacious had to be asked for his best off the turn and finally got some separation from that rival to win going away.

"First time I ran the horse he ran with blinkers on and he got hit from both sides by a couple of horses and I think he got a little scared," said winning trainer Jorge Periban. "So today I took off the blinkers and it worked. He's a nice horse. When he broke from the gate I saw him more focused and I said: This is going to be the time.' The horse was ready to go and I got lucky today."

Bodacious | *Benoit*

The first stakes winner for his sire, Bodacious is out of a half-sister to dual Puerto Rican champion Luna Fortis (Will Take Charge). My Love Magnet foaled a full-sister to the winner last year and produced a filly by Rumpus Cat this season. **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by [FanDuel TV](#).**

Favored to double up, he was further off the pace this go round, tracking from a mid-pack fifth but making steady progress into the far turn while enjoying an inside, stalking trip. Switched out for his run, he showed a nice turn of foot home to stay perfect by 4 1/2 lengths over Absolute Grit ([Kantharos](#)). The Pennsylvania-bred is his dam's youngest reported offspring. PUBLIC ASSEMBLY (f, 3, More Than Ready--Enchanting Kitten, by Kitten's Joy) debuted going 1 1/16 miles at Aqueduct late last year but failed to make an impact or in her 3-year-old debut at Ellis over the same distance off a lengthy layoff July 21.

Stretching out further Thursday, the 8-5 favorite stayed close to the pace from mid pack through fractions of :25.51 and :49.85. Making up ground as the mile went in :1:13.71, she pushed by pacesetter Appellate ([Constitution](#)) after a stretch duel that saw some contact exchanged and prevailed by a half-length. A steward's inquiry into the final furlong ultimately yielded no change. CE LA VI CHARLI (f, 2, Classic Empire--Bobbin' Robin, by Indian Charlie), the second longest shot on the board at 24-1, was well back in sixth after jumping at the break as Watershed Moment (Omaha Beach) paced the field from the rail up the backstretch. Racing wide throughout, she came running down the center of the track and just edged past a pair of dueling runners to her inside to steal the win by a half-length. The stretch run was altered when Watershed Moment, still on the lead, ducked away from a right-handed stick and broke through the fence to her inside. A steward's inquiry looked at the moment and ultimately made no change as Watershed Moment walked off under her own power. Out of a half-sister to GISW Swift Temper (Giant's Causeway), Ce La Vi Charli has a yearling half-sister by [Knicks Go](#) and a weanling half-sister by [Mandaloun](#). VICTORY ACHIEVED (c, 3, Street Sense--Lady of Victory, by War Front) had a pair of starts at Gulfstream including a third last out sprinting five furlongs Apr. 26. Off the layoff and on the Tapeta for the first time Friday, the 8-5 favorite added a bit of extra distance and shot right to the front to lead the way through fractions of :22.32 and :44.62. Reeled back in after opening up a sizeable gap into the lane, Victory Achieved just lasted to hold off Map's a Breeze (**Liam's Map**) by a half-length. The half-brother to Souper Quest (**Munnings**), MSP, \$306,042, the winner's youngest half-sibling is the 2-year-old Lady of Win (Kor) (Win Win Win). Lifetime Record: 3-1-0-1, \$37,866. THREAD (f, 2, Twirling Candy--Fateer, by Eskendereya) filled out the exacta over course and near distance Aug. 17. Facing a heavily-scratched down field in this rained-off contest, the 3-5 favorite let Bedtime (**Mendelssohn**) go just ahead of her but always stayed in touch with that runner until it was time to strike with an outside move off the far turn. Moving under her own power, she drew away confidently to win second-time out by 5 1/2 lengths while Bonita Mundo (**Munnings**) came home second with the longest odds in the four-horse field at 9-1. Fateer is already responsible for this runner's full-brother in Bob and Jackie, GSW, \$547,081 along with half-sister Knockyoursocksoff (Kitten's Joy), GSP, \$151,245. PINHOOKING: PARADISE OR PURGATORY?

Teenager Ruairi Kilmartin is one of the pinhooking heroes of the year
Tattersalls

By Emma Berry

Pinhooking is a risky old business, but then again, so is breeding. Pinhookers at least have the chance to observe a live animal in front of them, watch them walk up and down and make their judgments accordingly. Those who have been around young stock for many a year can make an educated guess as to how a particular youngster may continue to develop, and work out if there are certain aspects which can be helped through improved nutrition or judicious farriery. Then there are the random elements, for better or worse, over which they have no control: illness, injury, a sire suddenly going hot or cold, or a major update in the family. [Cont. p3](#)

NEXT SPRINT TEST FOR INISHERIN AT HAYDOCK

by Tom Frary

After his eclipse in the G1 July Cup, it is fair to say that Sheikh Mohammed Obaid Al Maktoum's **Inisherin (GB)** (Shamardal) has something to prove and he will have to with the opposition strong in Haydock's G1 Betfair Sprint Cup on Saturday. Successful against lesser lights on easy ground in the G2 Sandy Lane Stakes over this course and distance in May, the homebred thrived over Ascot's stiff six furlongs when capturing the G1 Commonwealth Cup at Royal Ascot before finding the Newmarket feature too sharp.

Forced into consecutive sub-11-second splits after the opening furlong, the long-striding colt paid for that initial hard effort which he had been spared on his previous two starts due to a mixture of ground and uphill terrain. His most impressive effort on the clock came in his Newcastle novice over a mile in March, where he was allowed to build from a steady tempo to an extremely high one in the closing stages and it may be that six furlongs still isn't his game.

Recent rain turning the ground to good-to-soft will aid his cause and trainer Kevin Ryan remains convinced that he has the pace for this flat track while keeping one eye on a return to further. "He will stay further than six furlongs, but he showed a lot of speed in the Guineas and I just felt this year while he is starting to strengthen and has that speed, why not try him sprinting," he said. Pinhooking Cont. from p1

These are early days in this year's yearling season, with plenty of major sales yet to come, and while the expansion of the sales season to its current crowded calendar is often rued by participants, there are clearly more than enough horses being bred to create strong demand for places. Whether there are enough buyers to go round will be the more salient point and, following a recent steady rise in the foal crop numbers, it would be no surprise to see those figures drop again if the current season continues as it has begun.

Following an eight-day period in which 886 yearlings passed through the ring in Doncaster and Newmarket, at two pretty comparable sales, it is worth taking a look at how the pinhookers have fared so far at that more commercial end of the market.

While these workings cannot be completely accurate to the pound, euro or guinea, they are more than just scribbles on the back of a cigarette packet and take in the prices listed by the sales companies at the time of foal and yearling sales. We have added a running cost of £12,000 for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly. And it is worth noting that sometimes a horse can appear to be bought and sold by different names but have actually not changed ownership at all.

With these caveats, let's call this an overview of the pinhooking situation so far. We'll deal with the two British yearling sales first.

Goffs UK Premier Yearling Sale

Sale as a whole:
460 lots offered
381 sold (83%)
£15,047,500 turnover
£39,495 average
£30,000 median

145 lots pinhooked as foals:

54 made a profit (37%)
86 sold at a loss (59%)
Five broke even
Average profit £20,800
Average loss £17,500

A pinhooking highlight here was provided by lot 167, the daughter of **Churchill (Ire)** who had been bought for €22,000 as a foal and sold by Peter Nolan to Richard Ryan on behalf of Teme Valley Racing for £100,000.

Tattersalls Somerville Yearling Sale

Sale as a whole:
426 lots offered
316 sold (74%)
9,101,715gns turnover (£9,556,800)
28,252gns average (£29,664)
22,000gns median (£23,100)

118 pinhooked as foals:

34 made a profit (29%)
79 sold at a loss (67%)
Five broke even
Average profit 18,670gns (£19,600)
Average loss 17,750gns (£18,600)

There was much praise for teenager Ruairi Kilmartin, who bought a Dark Angel (Ire) filly for €7,000 at Goffs last November and sold her to Paul Corrigan for 70,000gns at Tattersalls with a nice update provided by full-sister Heritage House (Ire).

The European season of course kicked off in France in August with Arqana's elite yearling sale. At this level, there are fewer pinhooks but they have naturally been bought for higher prices as foals. The risks are greater but so too can be the rewards. The picture does indeed look quite different here, with the profitable transactions outweighing the loss-makers, but pinhooking at this level is a brave man's (or woman's) game.

Pinhooking Cont.

Al Shaqab Racing's €400,000 purchase of lot 315, a **Camelot (GB)** colt out of Soul Music (Ire) (Dark Angel {Ire}), provided a great return for Kildaragh Stud. He had been bought for €80,000 at the Goffs November Foal Sale.

Arqana August Yearling Sale

Sale as a whole:
 292 lots offered
 226 sold (77%)
 €50,577,000 turnover
 €216,881 average
 €140,000 median

30 pinhooked as foals:

20 made a profit (66.6%)
 10 made a loss (33.3%)
 Average profit €124,650
 Average loss €74,200

Pinhooking, for some, has become almost as much of a sport as actually racing a horse, and the experienced participants are a hardy breed. Behind the headlines, there are plenty who appear to have had their fingers burned, though the extent of that is

also hard to ascertain as many pinhookers work in syndicates to spread the risk, with one decent sale often keeping the whole operation afloat if a few don't make the grade. Whether the dabblers will be put off by recent results will only become apparent as the foal sales get underway later this year, and in the meantime the breeze-up buyers have already been making the presence felt and will doubtless be active during Keeneland's September Yearling Sale, which starts on Monday.

RACE PREVIEWS

Saturday Preview Cont. from p1

“When he ran at Haydock in the Sandy Lane I was worried it might be a bit soft for him, but he handled it really well and then won on opposite ground at Royal Ascot which he handled just the same,” he said. “He might be quite a unique sprinter, in that he can handle fast ground and softer conditions too. The July Cup at Newmarket was a funny one really and I felt he just wasn’t striding out as well as he can do coming down the hill. The ground had dried out that day and was just a bit loose on top, which some horses just can’t get a handle on.”

He said, "Once he hit the rising ground, he did start to stay on but in those top-class sprints you just can't afford to lose ground. He is now approaching four and is getting stronger and gaining more muscle as the year goes on."

If Inisherin falters again, Karl Burke looks the one most likely to profit with the same owner's **Elite Status (GB)** (Havana Grey {GB}) staying injury-free to finally meet his key rival and the G1 Queen Elizabeth II Jubilee Stakes and July Cup runner-up **Swingalong (Ire)** (Showcasing {GB}) also engaged. Elite Status showed when winning Newbury's G3 Hackwood Stakes on good-to-firm ground that he is as versatile as he is classy, having conquered Deauville's soft going when taking the G3 Prix de Cabourg last term.

Unlike Inisherin, Elite Status has proven that he can travel at high speed in the first half of a sprint and finish off strongly and at this stage appears the most typecast sprinter of the two 3-year-olds. Swingalong's ability to maintain a high cadence is unquestionable, having run considerably faster than Inisherin

has in his career so far when fourth in this 12 months ago on good ground.

Burke is hopeful he has two primed sprinters for the challenge. "The issue with Elite Status knocking his joint seems very much behind him and since Ascot he's been very good," he explained. "He obviously put up a big performance at Newbury last time and he's training very well, so we are very hopeful. Swingalong has proven herself in Group 1 company once again this year and deserves to win one."

Another 3-year-old is Amo Racing's G1 Phoenix Stakes winner **Bucanero Fuerte (GB)** (**Wootton Bassett {GB}**), who beat the subsequent G3 Phoenix Sprint Stakes scorer **Givemethebeatboys (Ire)** (Bungle Inthejungle {GB}) in Naas's G3 Lacken Stakes in May. Trainer Adrian Murray said of the former, "Over the winter we were thinking of going to the Guineas with him, but then we worked him and thought we would stick to five or six furlongs because he has a lot of class and a lot of speed. We are hoping he will be bang there and if he trains on like we think he has he will hopefully be involved, fingers crossed."

Charyn And Notable Speech Clash On In The Moulin...

Seven milers will go to post for Sunday's G1 Prix du Moulin de Longchamp, with Nurlan Bizakov's G1 Queen Anne Stakes and G1 Prix Jacques le Marois hero **Charyn (Ire)** (Dark Angel {Ire}) set to lock horns with Godolphin's G1 2,000 Guineas and G1 Sussex Stakes winner **Notable Speech (GB)** (Dubawi {Ire}). Godolphin also have the Andre Fabre-trained multiple group winner **Tribalist (GB)** (Farhh {GB}), whose forward-going tendency will complement Charlie Appleby's hold-up merchant, while Ballydoyle's G1 Vincent O'Brien National Stakes winner and G1 St James's Palace Stakes runner-up **Henry Longfellow (Ire)** (Dubawi {Ire}) bids for redemption having been a disappointing fourth as favourite for the Sussex.

Nurlan Bizakov is also represented by the Christopher Head-trained dual Group 3 scorer **Ramadan (Fr)** (Le Havre {Ire}), Francois Rohaut saddles Patrick Sabban's progressive 5-year-old **Caramelito (Fr)** (**Zarak (Fr)**), with the Wertheimers' 2023 G1 Prix de la Foret heroine **Kelina (Ire)** (**Frankel (GB)**) completing the line-up. Soft ground is almost a certainty after heavy rain hit the Paris track on Thursday.

ARQANA TO SPONSOR HERBST-STUTENPREIS

The Oct. 27 G3 Herbst-Stutenpreis will now be sponsored by Arqana, the sales company announced on Friday.

The winner of the 2200-metre race for fillies and mares ages three and above will receive a free entry into the Arqana Vente d'Elevage that takes place on Dec. 7-10. Arqana will also partner the owner and breeder festival to be held at Hannover Racecourse in Germany on "Race Day of the Studs".

Arqana's bloodstock director Ludovic Cornuel said, "We are delighted to be sponsoring the Herbst-Stutenpreis and to be associated with the breeding symposium being held that same weekend in Hannover. This race meeting is an important time of the year for German breeders and owners, and we are delighted to be able to be part of it. Every year, high-quality horses from Germany are entrusted to us in the sales ring and we welcome many German buyers to Deauville. We are therefore delighted to support the German breeding industry, which produces top-class horses year after year that go on to excel on the international stage."

Gregor Baum, president of the German Owners and Breeders association and president of Hannover Racecourse added, "We are pleased and grateful, that Arqana supports the owner and breeder festival as one of the main sponsors. This shows great appreciation from one of Europe's most important auction companies for the German racing and thoroughbred breeding."

PROFESSOR GRAINNE O'KANE APPOINTED PAT SMULLEN CHAIR IN PANCREATIC CANCER AT UNIVERSITY COLLEGE DUBLIN

Professor Grainne O'Kane | Cancer Trials Ireland

Professor Grainne O'Kane was appointed the inaugural Pat Smullen Chair in Pancreatic Cancer at University College Dublin, Cancer Trials Ireland announced on Friday.

The new position will anchor expertise in pancreatic research in Ireland, with the ambition of creating a global centre of excellence for the treatment and research of this form of cancer. The role will allow O'Kane to divide her time between clinical work as a treating physician at St Vincent's University Hospital and research work at UCD School of Medicine, where she will work to identify, attract, and open new pancreatic cancer trials, train the next generation of specialists in pancreatic cancer, and work to integrate care for pancreatic patients in Ireland.

O'Kane said, "A diagnosis of pancreatic cancer can be quite devastating as its one of the most difficult cancers to treat, however we are learning more and more every day. Research has contributed to this. This cancer has also come with two big challenges beyond science and medicine: People are not as aware of pancreatic cancer, compared to other cancers and despite being one of the most lethal cancers, it does not receive the same funding or attention as other cancers."

"Frances Crowley and her family, and friends, and the horse racing community in Ireland have done a staggering amount to change this in Ireland. They put pancreatic cancer on the map, and in the past five years, raised more than €3m to research the disease and I am here today, in this role, because of that. I am honoured and humbled to receive this opportunity, and I'm very excited about the future."

The position will receive €900,000 (€180,000 per annum) in funding over five years from Cancer Trials Ireland's Pat Smullen Pancreatic Cancer Fund with matching funding for the role from the HSE National Cancer Control Programme (NCCP). UCD will then take over Cancer Trials Ireland funding contribution to continue the partnership with the HSE NCCP. For more information on Cancer Trials Ireland, please visit [their website](#).

BRITAIN

Friday's Results:

3rd-Haydock, £40,000, Novice, 9-6, 2yo, f, 6fT, 1:11.57, g/s.

FIRST INSTINCT (GB) (f, 2, Bated Breath {GB}--Proportional {GB} {G1SW-Fr, \$357,727}, by Beat Hollow {GB}), off the mark on debut at Nottingham last month, raced in rear of the tightly-grouped field throughout the early stages. Left with plenty to do approaching the furlong pole, the 17-2 shot picked up impressively to reel in Stormy Impact (GB) (Study Of Man {Ire}) in the shade of the post and score by a short head. "I was a little bit worried the ground today would blunt her speed, but she fell asleep early which was key I think," jockey Tom Marquand explained. "She showed that turn of foot she showed on her first start and I think with some better ground she will be even more effective. She's good enough that she has got her head in front again, but we were concentrating on getting her relaxed early, getting her to learn how to race right. To me, she's pretty quick and I think she's quicker than she's shown there--I think that tacky ground just blunted her turn of foot a touch." The winner could yet turn out to be the best progeny of the talented dam, who captured the G1 Prix Marcel Boussac for Juddmonte and who has so far produced the one black-type performer in the Listed Finale Stakes winner Variable (GB) (**Sea The Stars {Ire}**). Sold for 150,000gns at Tattersalls December in 2021, the full-sister to the G3 Park Express Stakes winner and G1 Irish 1,000 Guineas-placed Vote Often (GB) connected to the GI E. P. DIEGO VENTURA (IRE) (c, 2, Mehmas {Ire}--Leoube {Ire}, by Kodiak {GB}), who made a winning debut for the Gavin Cromwell stable over this trip at Naas in July, was caught napping at the break and raced in rear through the initial fractions of this first outing for new connections. Weaving a passage into contention when pushed wide by Spirit Of Farhh (Ire) (Far Above {Ire}) approaching the final furlong, the 6-5 chalk was driven out to deny that rival by a head after a ding-dong battle. Diego Ventura is the third of four foals and one of

two scorers from as many runners produced by a winning granddaughter of G1 Prix du Cadran heroine Mercalle (Fr) (Kaldoun {Fr}). Descendants of Mercalle include Group 2-winning G1 Preis der Diana (German Oaks) runner-up Zamrud (Ger) (Samum {Ger}). The March-foaled bay is kin to a yearling colt by **Sioux Nation**. On the front end throughout, she was stirred into action approaching the final furlong and maintained an unrelenting tempo to hold the Andrew Balding trainee with plenty in hand. Ballet Slippers, full-sister to a weanling filly, is the first of two foals produced by seven-time Group 1 winner Magical (Ire) (Galileo {Ire}), who was bred to **Justify** this year. Strassia, who posted fourths in June's G3 Prix de Royaumont and last month's Listed Prix Michel Houyvet, stepped forward to claim a career high in this Friday feature. Off the pace towards the rear for the most part, she made relentless headway under pressure along the far-side rail in the straight to lead with 100 metres remaining and asserted superiority from there.

Strassia is the second foal and black-type scorer produced by an unraced daughter of Listed Prix Isola Bella victrix Golden Life (Coronado's Quest), herself a half to multiple Group 1-winning Argentinian champion Guernika (Arg) (Luhuk) out of dual Group 1 winner Gouache (Arg) (Southern Halo). Palace Malice, who stood for ¥3,500,000 (€22,139) in 2024, also has the Japanese Group 3 winner Noble Roger to his credit. Seven of his eight Japanese runners have found the winner's circle.

Another new stallion for the 2024 season, fellow former American-based stallion **Yoshida (Jpn)**, bred 131 mares. Descended from Sunday Silence through Heart's Cry (Jpn), the 10-year-old has four stakes winners worldwide, led by GII Lake Placid Stakes scorer Grayosh. Japanese champion **Tower Of London (Jpn)**, a son of Raven's Pass, covered 172 mares. His eldest foals are juveniles.

The remainder of the Darley roster covered less than a

hundred mares apiece: **Will Take Charge (86)**, whose eldest Japanese-bred foals are now yearlings, solid dirt sire **Pyro (74)**, Japanese Champion Sprinter **Fine Needle (Jpn) (61)**, first-year stallions **Hukum (Ire) (58)**, a multiple Group 1 winner, and G1 Derby winner **Adayar (Ire)**'s first foals will arrive next spring (69). Other Darley stallions include dual G1 Dubai World Cup hero **Thunder Snow (Ire) (45)**, **American Patriot (68)** and G1 Breeders' Cup Turf hero **Talismanic (GB)** at 56.
