## SEVEN DAYS: TRIBALIST THE LATEST STAR FOR WIENER WALD FAMILY

Tribalist wins the Moulin | Scoop Dyga

By Emma Berry

It's been a while, hasn't it? We can only apologise for the onslaught of the sales and some extra international travel pushing the Seven Days beat on to the back-burner, but we're home now, almost jetlag-free, and ready for this week's round-up.

Quite a lot of Sunday mornings are spent trudging along the Devil's Dyke which separates Newmarket's Rowley Mile from the July Course. The dogs love it, but this walker felt a little wearier this past weekend at the thought that we've now switched back to the Rowley Mile for the autumn without it feeling like summer ever properly arrived.

There were some good days on the July Course this year, of course, especially the celebration of the 80th birthday of legendary bloodstock writer Tony Morris in early August, but we're back across the ditch now, for what always feels like the more business end of racing, with the autumn maidens and group races for juveniles giving us some serious pointers towards next season's Classics.

Let's not wish our lives away just yet, though. We've the St Leger and Irish Champions Festival to come this weekend, not to mention a good opportunity for a little flag-waving on Saturday night during the Last Night of the Proms, if that's what floats your boat. [Cont. p3](#)

## SUPPLEMENTED YOU GOT TO ME FEATURES AMONG 10 ST LEGER CONFIRMATIONS

Irish Oaks winner **You Got To Me (GB)** (Nathaniel {Ire}) has been supplemented by owners Valmont and Newsells Park Stud for Saturday's G1 Betfred St Leger at Doncaster at a cost of £50,000.

Last seen filling the runner-up spot in the G1 Yorkshire Oaks, You Got To Me is one of 10 horses in contention for the final Classic of the season as she tries to emulate Simple Verse (Ire) (Duke Of Marmalade {Ire}), the last filly to win the race when successful in 2015.

Like Simple Verse, You Got To Me is trained by Ralph Beckett, who is optimistic of another bold showing in the St Leger from one of his star fillies, having also saddled his Oaks winners Look Here (GB) (Hernando {Fr}) and Talent (GB) (New Approach {Ire}) to finish third and second, respectively.

# Seven Days

by Emma Berry

**Cont. from p1**

William Haggas will be hoping that it will be a case of Rule Britannia at Leopardstown as the exciting Economics (GB) (Night Of Thunder {Ire}) steps into his first Group 1 contest in the Royal Bahrain Champion Stakes. Though bred and trained in Britain, he is of course Bahraini-owned, and undoubtedly it would be extra special for Shaikh Isa Salman Al Khalifa to win the race sponsored in his country's name.

The Irish Champion Stakes will be boosted by the intriguing presence of Japan's Shin Emperor (Fr) (**Siyouni {Fr}**), who had a warm-up for his first European start with a racecourse gallop at Longchamp before racing on Sunday. Following his Irish foray, he will head back to Paris in a bid to emulate his brother **Sottsass (Fr)** by winning the Prix de l'Arc de Triomphe.

His ever-intrepid trainer Yoshito Yahagi is not content simply with launching a raid on Europe's premier weight-for-age contest but he is also planning to take aim at the Breeders' Cup Classic with Forever Young (Jpn) (Real Impact {Jpn}). What an extraordinary double that would be, and Forever Young, who was plainly hampered when finishing such a close third in the Kentucky Derby, is a colt who should be taken seriously when he returns to American soil at Del Mar.

**The Hundred Club**

That's all to come, however, and in the immediate rear-view mirror there has been plenty to get excited about over the last week. First of all, let's hear it for Kodiak (GB), the hard-knocking hero of Tally-Ho Stud, who reached the notable milestone of 100 stakes winners on Saturday.

Symbol Of Strength (Ire) brought up the century in the G3 Sirenia Stakes and, fittingly, the Adrian Keatley-trained filly was bred by the O'Callaghan family of Tally-Ho, where Kodiak has stood since retiring to stud in 2007.

When TDN visited Tally-Ho Stud back in early 2023 we couldn't persuade Tony, Anne, Roger or Henry O'Callaghan to pose for a picture with their star resident, who is now 23. "We don't do that sort of thing" was very much the message given in reply to this request, but there was no doubting the fondness and regard in which the son of Danehill is held in Mullingar. **Cont. p4**

### Seven Days cont.

"He'll always be king," said Tony at the time. "He would be our king, anyway. We'll be forever grateful."

Eight Group 1 winners feature in Kodiak's Hundred Club, with his most recent of those coming only last month when the Juddmonte homebred Babouche (GB) got the better of Whistlejacket (Ire) in the Keeneland Phoenix Stakes. Trained by Ger Lyons, the filly is entered for this weekend's G1 Moyglare Stud Stakes, and the form of her most recent success was boosted when Whistlejacket went on to win the G1 Sumbe Prix Morny eight days after he had finished second on the Curragh.

Kodiak has been joined at Tally-Ho by his son Good Guess (GB), the winner of the G1 Prix Jean Prat who has just completed his first covering season. Elsewhere Kodiak's sons Hello Youmzain (Fr), Ubettabelleveit (Ire), Best Solution (Ire), Nando Parrado (GB), Ardad (Ire), Prince Of Lir (Ire), Kodi Bear (Ire) and Coulsty (Ire) are among those populating other studs in Britain, Ireland, France and Germany. Which one will carry the torch through the next generation is anyone's guess, but they have big shoes to fill.

### Wiener Wald Legacy Continues to Grow

The Forman Hardy family's Car Colston Hall Stud may be famed in one sense as the breeder of the small but mighty Soldier Hollow (GB), who was twice Germany's champion sire, but it is another family which has provided the stud with some spectacular results for decades.

Almost 30 years ago, Alex Scrope bought the Woodman mare Wiener Wald, then three and in foal to Silver Hawk, for \$210,000 on behalf of Nicholas and Jane Forman Hardy at the Keeneland November Sale. The foal she was carrying became known as Argent Du Bois, who later found fame as the dam of dual Grade 1 winner Ticker Tape (GB) (Royal Applause {GB}) and G1 Prix Maurice de Gheest winner Brando (GB) (Pivotal {GB}), while her daughter Saint Elena (GB) (Efisio {GB}) is the dam of Reckless Abandon (GB) (Exchange Rate), who pulled off the Middle Park-Morny Group 1 double.

Five black-type-earning siblings of Argent Du Bois include the G1 Racing Post Trophy winner Crowded House (GB) (Rainbow Quest), but it is the unraced mare, Fair Daughter (GB) (Nathaniel {Ire}), who has provided this high-achieving family with its latest Group 1 winner, Tribalist (GB) (Farhh {GB}).

Eyes had been diverted by the presence of Charyn (Ire) and Notable Speech (Ire), both Group 1 winners on their last start, in the Prix du Moulin, but one can never completely rule out horses carrying the white cap of Godolphin's second colours. The five-year-old Tribalist, already a Group 2 winner, both this year and last, for Andre Fabre, slipped the field when sent on to make the running under Mickael Barzalona, and is likely now to take in the Prix de la Foret en route to the Breeders' Cup Mile.

He joins Cape Cross (Ire) and Summoner (GB) on the list of horses to have won Group 1 mile races for Godolphin in the white cap with royal blue jacket.

Tribalist's win completed a memorable weekend for the 10-year-old Fair Daughter, whose three-year-old filly Fair Point (GB), also by Farhh, won the British EBF Premier Fillies' Handicap at Ascot off a mark of 87.

Wiener Wald, herself a granddaughter of Terlingua, the dam of Storm Cat, died earlier this year at the age of 32. Her legacy during her own extraordinary lifetime was already immense and it will undoubtedly only continue to grow in the years to come.

### Champions Day Next for Montassib

It has been quite the year for the older geldings, and Montassib (GB) (Exceed And Excel {Aus}) added his name to the list of Group 1 winners when getting the better of the youngster Kind Of Blue (GB) (Blue Point {Ire}) in the Haydock Sprint Cup.

The six-year-old has had a bit of a stop-start career, having won on debut at two and then disappearing from action for more than a year until returning 598 days after this first triumph to win his next two starts at four.

### Seven Days cont.

"He missed all of his three-year-old season with a heart condition," said Montassib's trainer William Haggas, who also trains the close third in the Sprint Cup, Unequal Love (GB) (Dutch Art {GB}).

"He's still lightly raced for his age and he's an absolutely charming horse. He's rare in that he's an Exceed And Excel who wins on soft ground."

He added, "We also had his dam Felwah and [her sire] Aqlaam."

Felwah (GB) was bred and raced by Khalil Al Sayegh, an associate of the late Sheikh Hamdan Al Maktoum, and it was in his same colours that Montassib started his own career before being switched to his present ownership group after treatment and rest for his heart problem, which thankfully appears to have been resolved.

Haggas confirmed that Montassib will head straight to the QIPCO British Champions Sprint at Ascot in October.

### Worth Studying Man

With leading performers Rosallion (Ire) and Big Evs (Ire), last season's champion first-season sire Blue Point (Ire) has rightly been the recipient of much praise, but another reminder to keep an eye on his contemporary Study Of Man (Ire) was served on Saturday when Kalpana (GB) romped home in the G3 September Stakes to win by almost five lengths.

Champions Day seems to be the Juddmonte filly's next port of call after she became the third group winner from the Lanwades resident's first crop which numbered just 55. He had 66 foals the following year. Those three group winners from 58 runners put him at the head of his class on a 5.2% strike-rate and Study Of Man now has a total of nine black-type performers (15.5%).

Kalpana has done little wrong in seven starts for Andrew Balding. She has won four of those races, including the Listed Glasgow Stakes one run before her group win. Those two stakes victories have each been posted with a winning margin of more than four lengths, though visually her most impressive win to date was at Newmarket with a 10-length strike in a handicap in the spring. The runner-up that day was Align The Stars (Ire) who is now rated 102. Kalpana has never been out of the top three, and took third behind Port Fairy (Ire) in the G2 Ribblesdale Stakes at Royal Ascot. Her dam is the Listed winner Zero Gravity (GB) (Dansili {GB}), a full-sister to the G1 Grand Prix de Paris winner Zambezi Sun (GB).

Two of Study Of Man's busiest performers have been The Crafty Mole (GB) and Allonsy (GB), rated 75 and 87 respectively, with the former having won five of his 11 races and Allonsy having won four from 10 starts. And it doesn't take a genius to work out that, as they are out of mares by Archipenko and Sir

September Stakes winner Kalpana | [Racingfotos.com](https://www.racingfotos.com)

Percy (GB), both The Crafty Mole and Allonsy were bred by Kirsten Rausing, who is also the owner-breeder of his Listed winners Francophone (GB) and Lingua Franca (GB).

Of that intake of stallions, **Calyx (GB)** is another to note, in particular for his high winners-to-runners strike-rate, which currently stands at almost 59%. He's had two Group 2 winners in Europe--Persian Dreamer and Classic Flower--plus the GIII Jimmy Durante Stakes winner Zona Verde (Ire) at Del Mar, while Purple Lily (Ire) was runner-up in the G1 Irish Oaks.

### Charlie in Charge

"I can say that he is the best I have trained so far, no doubt." These are bold words from the man who, in his relatively short training career to date, has already had the multiple Group 1 winners Big Rock (Ire) and Blue Rose Cen (Ire) through his hands, not to mention Ramatuelle.

But this is Christopher Head's opinion of Maranoa Charlie (Fr) (**Wootton Bassett {GB}**), who confirmed the early impression of his Arqana Series de Poulains win in Deauville last month with an eight-length rout in the Prix des Aigles at Chantilly on Saturday. Admittedly the latter was conducted in very soft ground and with only four runners, so we'll see how well this particular race works out in due course, but it was hard not to be impressed anew by the winner.

Maranoa Charlie, who is out of a Galileo (Ire) half-sister to Group 1 winner Tiggy Wiggy (Ire) (Kodiac {GB}), remains engaged in Thursday's G3 Prix des Chenes but also holds an entry for the G1 Criterium International at the end of October.

Stuart Williams and Quinault | Emma Berry

**Last Word**

We can't leave without mention of Quinault (Ger) (**Oasis Dream {GB}**), the undisputed king of Stuart Williams's stable. The four year-old has won three consecutive Listed races since August 4, most recently picking up Sunday's Garrowby Stakes at York. That takes his tally to 10 wins in just 19 starts. The one-time runaway is now very much a reformed character and is fast becoming a favourite of this column.

EUROPEAN NEWS

**St Leger confirmations cont. from p1**

"I don't think stamina will be an issue and she seems in good shape," said Beckett. "We're conscious that her best form is on good ground or faster and it looks like being that at the weekend if the forecast is correct. It felt like a good fit for her.

"We've been first, second and third with fillies in the Leger. I wouldn't say we've always got it right, but it is certainly not a race that holds any fears, for sure."

Aidan O'Brien is responsible for five of the remaining entries. They include ante-post favourite **Illinois (Ire)** (Galileo {Ire}), who emerged as the stable's number one contender after it was reported that **Los Angeles (Ire)** (Camelot {GB}) is more likely to run in Saturday's G1 Irish Champion Stakes at Leopardstown instead. Los Angeles defied a Group 1 penalty for his Irish Derby win when narrowly denying Illinois in the G2 Great Voltigeur Stakes at York last time.

The unbeaten **Jan Brueghel (Ire)** (Galileo {Ire}), last seen winning the G3 Gordon Stakes at Goodwood, and **Grosvenor Square (Ire)** (Galileo {Ire}), a wide-margin winner of last month's G3 Irish St Leger Trial Stakes at the Curragh, also feature in what is potentially a very strong Ballydoyle challenge. **Euphoric (GB)** (Frankel {GB}), who was last of five runners in the Great Voltigeur last time, completes their quintet of possible runners as O'Brien seeks an eighth victory in the St Leger.

Of the rest, **Deira Mile (Ire)** (Camelot {GB}) and **Sunway (Fr)** (Galiway {GB}) both bring Classic form to the table from earlier in the season. Deira Mile was narrowly beaten in a Listed race at Windsor last month when making his first appearance since finishing a staying-on fourth in the Derby at Epsom, while Sunway was runner-up to Los Angeles in the Irish Derby before finishing a respectable fourth in the G1 King George VI and Queen Elizabeth Stakes at Ascot.

"He is all on track," trainer David Menuisier said of Sunway. "We are very pleased with him and we have confirmed him this morning. Everything has gone as we would have liked and we are really looking forward to running him on Saturday."

Andrew Balding's progressive **Wild Waves (Ire)** (Crystal Ocean {GB}) and Charlie Johnston's three-time winner **Align The Stars (Ire)** (Sea The Stars {Ire}) complete the list of possible runners, with Godolphin's Ancient Wisdom (Fr) (Dubawi {Ire}) a notable absentee.

An update on Godolphin's X account read, "Ancient Wisdom will not be confirmed for the @DoncasterRaces St Leger Stakes at today's five-day stage. The horse is in good form, but will instead be aimed at an autumn campaign with his favoured ground conditions."

## LOUISIANA-BRED JOVIALITE POWERS TO TDN RISING STARDOM AT SAINT-CLOUD

By Sean Cronin

Blu Racing's Louisiana-bred **Jovialite** (Medaglia D'Oro--Juanita, by **Mineshaft**), a \$225,000 OBS March Breeze-Up graduate, went postward at double-digit odds for Monday's Prix Fast Fox at Saint-Cloud and returned home with a 'TDN Rising Star' rosette after turning the 6 1/2-furlong contest into a procession.

The Fabrice Chappet trainee was well away from an outer stall and stalked the pace in second through halfway. Inching ahead soon after turning for home, the 127-10 chance quickened clear in style approaching the final furlong and extended her margin of superiority under minimal urging in the latter stages to easily outclass **Starlord (Fr)** (Too Darn Hot {GB}) by an impressive six lengths. She becomes the 35th Rising Star for her sire, whose roll of honour includes nine-time Grade I heroine Songbird.

Jovialite, a full-sister to Listed Duchess Stakes third Wings Of Dawn, is the latest of nine foals and fifth scorer out of GII

Indiana Oaks and GII La Troienne Stakes victrix Juanita (**Mineshaft**), who is a half-sister to three black-type performers headed by stakes-winning GI Woody Stephens Stakes third Nova Rags (**Union Rags**). The February-foaled bay's second dam, stakes-winning GIII Affectionately Handicap runner-up Wishful Splendor (Smart Strike) is a daughter of four-time black-type winner Kaylem Ho (Salem) and thus kin to five black-type performers including GI Vanity Invitational Handicap heroine Private Persuasion (Pirate's Bounty).

## FIRST-CROP ARMOR COLT LEADS OSARUS

The first of two days of trade at the Osarus September Yearling Sale concluded with a colt from the first crop of Haras de Bouquetot stallion Armor (GB) leading the way at €34,000.

Sold to trainer Kevin Tavares from the draft of Haras de Montaigu, the session-topper is a half-brother to the juvenile winner Zabriskie Point (Fr) (Born To Sea {Ire}) out of the treble-winning Zafeen (Fr) mare Zabriska (Fr).

A clearance rate of just 57% was the unfortunate feature of the opening day in La Teste de Buch, with only 47 of the 83 yearlings offered finding a buyer. Those sold brought turnover for the session to €438,000, with an average price of €10,012 and median of €8,000.

At a sale which has previously been good to members of the breeze-up crowd, and was the source of Group 1 winners Trueshan (Fr) and Sands Of Mali (Fr), only Con Marnane got his name on the buyers' sheet from that particular group when selecting a colt by Goken (Fr) for €14,000. Marnane bought the aforementioned top sprinter and now first-season sire Sands Of Mali at Osarus in 2016 for €20,000.

The sale continues tomorrow from 12 noon local time.

## ALL ROADS LEAD TO ROYAL ASCOT RETURN FOR ROSALLION WITH 2024 SEASON FINISHED

Richard Hannon has decided not to run **Rosallion (Ire)** (Blue Point {Ire}) again this season, with the G1 Queen Anne Stakes at Royal Ascot being nominated as his first major target of 2025.

The three-year-old was due to contest the Sussex Stakes after he'd established himself among the best of his generation with back-to-back top-level victories in the Irish 2,000 Guineas at the Curragh and St James's Palace Stakes at the Royal meeting, but he was forced to miss Goodwood after being found to be suffering from a respiratory infection.

Hannon is now looking forward to what Rosallion might be able to achieve as a four-year-old, with the likelihood of soft ground this autumn one of the key factors behind the decision to draw stumps for the campaign.

"I think that is correct [that he will not run again this season]," Hannon told *Nick Luck's Daily Podcast*.

"He's got nothing to prove now. He wasn't right for Goodwood and he would have run terrible. He had a lung infection, we put him on antibiotics, and after three weeks he was bang ready to go again. The ground has gone now so let's look forward to next year--look forward, not back.

"I just think he's had a long break and he gets pretty big. He'd need loads of work beforehand and 99 per cent of the time it is very soft ground on Champions Day. I would hate to finish the season on a bad note.

"I would much rather the winter went much quicker looking at a St James's Palace and an Irish Guineas winner."

"He's definitely staying in training next year," Hannon added. "He's the dream horse really and he's a pleasure to have about.

"His big race will be the Queen Anne and there's obviously the Lockinge, maybe the Sussex. There's all those big races, maybe the Breeders' Cup as well."

## AUTUMN TARGETS CONFIRMED FOR STAR FILLIES RAMATUELLE AND TAMFANA

Ramatuelle | Scoop Dyga

**Ramatuelle** (*Justify*) is reportedly on course to return to action in next month's G1 Prix de la Foret, having been off the track since finishing third in the G1 Coronation Stakes at Royal Ascot.

Trained by Christopher Head, Ramatuelle won the G2 Prix Robert Papin as a two-year-old and has since finished placed at the top level on three occasions. Runner-up to Vandeeek (GB) (Havana Grey {GB}) in last year's Prix Morny at Deauville, she preceded her Royal Ascot effort with another third-place finish in the 1,000 Guineas at Newmarket.

The three-year-old is now set to drop back to seven furlongs when she makes her next intended appearance at Longchamp on Sunday, October 6, with an outing at the Breeders' Cup also on the agenda for later in the year.

"She's doing fine and she's preparing for the Prix de la Foret which will be her next race," said Head. "She's had a bit of break because we have a programme running until the Breeders' Cup, so we will use the Foret as a preparation to go out there afterwards.

"She's just a brilliant filly, a really, really nice daughter of *Justify*. She was a tremendous two-year-old who almost won the Guineas this season. Everything's great with her--so far so good."

One place behind Ramatuelle in the 1,000 Guineas was the fast-finishing **Tamfana (Ger)** (Soldier Hollow {GB}), who took advantage of a drop in grade when getting off the mark for the season in last month's G3 Atalanta Stakes at Sandown.

That was her first start over a mile since her huge run in defeat at Newmarket back in May and a return to the Rowley Mile is now on the cards when she bids for a first top-level success in the Sun Chariot Stakes on Saturday, October 5.

"She's come out of the race very well," said trainer David Menuisier. "She hasn't had a hard race and is in good form.

"It was a relief [to win at Sandown]. It was important to win the race and take it as a stepping stone to better things down the line. She has some very good form and is clearly a very quick filly. I think it makes more sense to keep her over a mile as we speak, so we'll probably go for the Sun Chariot and maybe the QEII if she comes out of the race well."

## JOCKEYS AND TRAINERS GO HEAD-TO-HEAD IN CHARITY POLO MATCH

Some of Ireland's top jockeys and trainers took part in a charity polo match hosted by the All Ireland Polo Club at Phoenix Park on Sunday. The event, sponsored by NFP, an Aon Company, and Matheson, raised vital funds for the Down Syndrome Centre and raised awareness for the Together Academy, two organisations committed to empowering children and young adults with Down syndrome.

The matches featured jockeys Colin Keane, Gary Carroll, Sam Ewing, Jack Kennedy, Billy Lee and Keith Donoghue, with the trainers in opposition including Tony Martin, Gavin Cromwell, Fozzy Stack, Kate Harrington, Robbie Power and Ross O'Sullivan. The highest-scoring team was awarded Treo Eile gilets, while each participant received a Dublin Crystal plaque sponsored by Derville Meade in recognition of their participation.

For more information about the event, visit [www.downsyndromecentre.ie](http://www.downsyndromecentre.ie) or [www.togetheracademy.ie](http://www.togetheracademy.ie).

on the European racing scene

## DUBAWI'S RISING STAR FORMAL HEADS TO LEICESTER

**15.10 Leicester, Novice, £9,000, 2yo, f, 7fT**

**FORMAL (GB) (Dubawi {Ire})** made an instant impact on debut at Newbury in July and would have been a warm order for the G3 Prestige Stakes had the rain not come and forced her withdrawal. Cheveley Park's homebred daughter of the G1 Falmouth Stakes heroine Veracious (GB) (**Frankel {GB}**) carries a **TDN Rising Star** tag into the autumn and is one of the most exciting juveniles that Sir Michael Stoute has had through his hands for some time.

# \$2.2M GUN RUNNER COLT LEADS MILLION-DOLLAR BONANZA AT KEENELAND SEPTEMBER OPENER

Session 1 topper - HIP 169 | Keeneland

by Jessica Martini, Christina Bossinakis, and Jill Williams  
LEXINGTON, KY-The Keeneland September Yearling Sale had its first seven-figure transaction just an hour into its first session Monday and, when the dust had settled after a frenetic day of bidding, 14 yearlings had sold for \$1 million or more. The group was led by a \$2.2-million son of **Gun Runner** who sold to Mandy Pope's Whisper Hill Farm from the Four Star Sales consignment. The colt was one of five by the Three Chimneys stallion to sell for seven figures during the session.

"That was a fun day," said Keeneland Vice President of Sales Tony Lacy. "We thought it was going to be energetic and a good, solid, healthy market, and we are very pleased with the way it came out."

During the boutique Book 1 opener, 98 yearlings grossed \$54,795,000 for an average of \$559,133 and the median was \$450,000. Both were double-digit increases over the figures from the opening session of the 2023 September sale when 110 horses sold for \$55,330,000, at an average of \$503,000 and a median of \$400,000.

## WITH REHEARING DENIED, SUPREME COURT SHOWDOWN OVER HISA CONSTITUTIONALITY LOOMS INCREASINGLY LIKELY by T.D. Thornton

A Monday order out of the United States Court of Appeals for the Fifth Circuit shot down a request for a rarely granted "en banc" procedure that the Horseracing and Safety Integrity Act (HISA) Authority and the Federal Trade Commission (FTC) had asked for last month.

Had the long-shot legal maneuver been successful, it would have granted a rehearing before all of that court's judges to review a **July 5, 2024, opinion** issued by a panel of three that had declared HISA is unconstitutional because its enforcement provisions violate the private nondelegation doctrine.

Because of the infrequency with which such rehearings are granted at the federal level, the court's denial of the en banc request should not have come as a surprise to any party in the 3 1/2-year-old legal odyssey to overturn HISA that's been spearheaded by the National Horsemen's Benevolent and Protective Association (NHBPA) and 12 affiliates. **Cont., p19**

**Keeneland September, cont. from p1**

“Looking at the figures at the end of the day, they were incredibly healthy,” Lacy said. “The average was \$560,000, which is up about 11% over last year. We refer to the median quite bit and last year it was \$400,000. This year, it was \$450,000, so that is up 12%. The gross was pretty much on par with last year, with a few fewer horses.”

Monday's first session of the September sale attracted a deep bench of buyers, with the top 21 highest-priced horses purchased by 20 unique buyers.

“There was huge diversity in the buying bench, both domestically and internationally,” said Keeneland President Shannon Arvin. “There was a lot of Japanese participation, participation from the Middle East and then, of course, our domestic buyers were very active also.”

The opening session's 14 million-dollar yearlings compares to eight during the first session last year. The entire 2023 Book 1 section featured 23 million-dollar yearlings.

The Keeneland September sale is opening with a two-session Book 1 section for the fourth year in a row and Monday's session, which began with a bluegrass band and passed cocktails, proved the format has become popular with both buyers and sellers, according to Lacy.

“We really appreciate the consignors and breeders who supported us,” Lacy said. “This is something we put a lot of effort into pushing Book 1 as a dominant marketplace. We want to make sure that the buyers are here and the horses are here for the buyers. The buyers put aside a lot of time to be here with us and we want to make them feel comfortable. So everything here is here for the benefit of the buyers and the customers and it creates the right environment. There was a crowd in here the entire afternoon and that never relented.”

Book 1 concludes with a session Tuesday beginning at 1 p.m. Book 2 sections Wednesday and Thursday begin at 11 a.m. Following a dark day Friday, the auction continues through Sept. 21 with sessions beginning daily at 10 a.m.

“This was just the beginning,” said Arvin. “I think we all have a lot of confidence in the marketplace. A lot of principals are here. The breeders have obviously worked very hard and we appreciate them selling their stock with us. They've brought the very best to market. So it's going to be fun to watch.”

**Pope Takes Home \$2.2-Million Gun Runner Colt**

Mandy Pope of Whisper Hill Farm, busy both buying and selling Monday at Keeneland, made the highest bid of the first session of the September sale when going to \$2.2 million for a son of **Gun Runner** (hip 169). **Cont.**

Bred by Three Chimneys Farm and consigned by Four Star Sales, the yearling is out of stakes winner and graded-placed Princessa Carolina (**Tapit**). The mare is a daughter of Pure Clan (Pure Prize) and Pope already made a significant investment in the family when purchasing a **Gun Runner** daughter of that multiple Grade I winner for \$1.5 million at last month's Fasig-Tipton Saratoga sale.

"He is an amazing horse," said Pope's advisor Todd Quast. "He's got everything: the looks, the shoulder, the hip, the movement. We bought the Pure Clan filly up at Saratoga and we love her. We know where he was raised. We do a lot of stuff with Three Chimneys, so we know he was raised right. We are just super happy to have him. Hopefully he can run. But he sure looks the part."

Also Monday, Whisper Hill purchased a filly by Into Mischief (**hip 55**) for \$700,000 from the Eaton Sales consignment.

"We have sold a few, we've bought a few other ones," Quast said. "I think it's a strong market. I think you have to have the right horses with the right people, as always. And if you have it, you get rewarded, if you don't, you go home without it. But I think it's a very healthy market right now."

Whisper Hill had a knock out sale in 2023, selling five seven-figure yearlings in Book 1. Results for the farm's homebred Monday were more moderate, with a **Tapit** full-sister to Charge It RNA'ing for \$1.45 million. But the farm has some star power to come during Tuesday's second Book 1 session.

"It's not as strong for us as it was last year, but again the stars have to align," Quast said. "As of yet, it hasn't, but it could tomorrow. We have a Songbird (**hip 225**) and a Tap Gun (**hip 255**) tomorrow. We have a lot of good horses still to come and hopefully more to buy, too." **Cont.**

The \$2.2-million session topper punctuated an impressive day for Three Chimneys' **Gun Runner**, who had five seven-figure yearlings through the ring.

"He's never disappointed anybody at any point in his life," Three Chimneys' Chris Baker said of the stallion. "I think this is the crop--it's a big crop, it's off the \$125,000 stud fee and he's continuing to get it done with the crops that were bred at a lower stud fee, including the 2-year-olds that were bred at \$50,000. The demand is appropriate for where he is at this stage and what is in front of him. Pay for them now or you may have to pay more for them later. And the individuals line up. We are in Book 1 at Keeneland, with the pedigrees and physicals that will bring this kind of money when they have the sire power behind them. It's very satisfying for all of us who are so closely involved with **Gun Runner**."

The session-topping \$2.2-million bid for hip 169 was no real surprise for Baker.

"He's the kind of colt that you get up here and you find that everybody else likes him as much as we did," Baker said. "It really wasn't surprising. It was very pleasant to see, but shocking to see he went that high? No. The reserve was well below that and our expectations were realistic, but he was the kind of colt that had the potential to break out. And that's what he did."

### **Gun Runner** is the First Sire to Breach Seven Figures Monday

The first yearling to break the seven-figure barrier during Keeneland's first session Monday was **hip 24**, a chestnut filly by Three Chimneys Farm's **Gun Runner** out of 2017 GI Del Mar Oaks winner Dream Dancing (**Tapit**). The filly went to Douglas Scharbauer for \$1.5 million. **Cont.**

Scharbauer, whose family campaigned 1988 Horse of the Year and 1987 GI Kentucky Derby winner Alysheba, hails from Midland, Texas.

“We fell in love with her. We're big fans and thought she was one of the prettiest fillies around,” said Ken Carson, longtime advisor to the Scharbauer family and former manager of the family's Valor Farm in Texas. “The Asmussens will break her and we'll hope for the best.”

Carson reminisced about other purchases in the same sales ring with the Scharbauer family.

“Doug loves this,” he said. “She's a nice filly. He fell in love with her. His parents used to come here years and years ago, bought Alysheba here. That horse took us on a ride, I'll tell you that.”

Scharbauer's father was Clarence, who passed away in 2014 and not only raced Alysheba, but founded Valor Farm.

“I am very impressed with [this filly],” said Scharbauer. “We were all impressed with her. I didn't know what she'd bring, but I am a little surprised that I could get her for \$1.5 million. She's very nice. Her breeding, everything about her. I think there is a lot of promise right there. I'm really excited about her. Probably as much as anything out there today.”

When asked about his plans for the filly, Scharbauer laughed.

“We won't bring her to Texas, that's for sure,” he joked. “We'll keep her in Kentucky. Steve Asmussen will get this one.”

Bred by John Oxley in Kentucky, the filly's great-granddam is Oxley's champion Beautiful Pleasure (Maudlin), whose six Grade I victories included the 1999 Breeders' Cup Distaff. The yearling's 2-year-old half-sister Dreamaway (*Flameaway*) is now two for two after winning the Colleen Stakes at Monmouth Park in July.

“We thought that she was a really nice filly. We were pleasantly surprised that she was able to bring over \$1 million,” said Brian Graves of Gainesway, who consigned the filly on behalf of Oxley. **Cont.**

“We thought that she was always that caliber, but it's nice when a few people hook up and it goes a little higher. In fairness, she's out of a young Grade I winner with a huge family and she looked the part. The Oxleys have done it again and they're infamous for showing up on the track, like with Sierra Leone and all the other good horses they've bred, so when it all matches up, it's nice to see them break through.”--

### Coolmore/White Birch Extend to \$1.4M for Charlatan Colt

With Day 1 action gradually easing into gear, the seven-figure tickets started coming fast and furious midway through Monday's opening session. Among those lighting up the board, **Hip 70**, a colt by first-season sire **Charlatan**, was secured for \$1.4 million by Coolmore partners and Peter Brant's White Birch Farm. Bidding from the team's customary spot behind the main pavilion, M. V. Magnier signed the ticket on the son of **'TDN Rising Star'** and MGISW Guarana (**Ghostzapper**).

The Mar. 7 foal was consigned by Hill 'n' Dale at Xalapa, who co-bred the colt with Matt Dorman.

“This was a very nice horse. His mother was a very nice race filly and **Charlatan** was a very good racehorse himself,” said Magnier.

“John Sikura and everyone at Hill 'n' Dale do an exceptional job breeding and raising racehorses. They have a very good track record.”

Trained by Chad Brown, Guarana won over \$1 million on the racetrack, highlighted by wins in the GI Acorn Stakes, GI Coaching Club American Oaks and GI Madison Stakes. A granddaughter of GI Breeders' Cup Distaff winner Pleasant Home (Seeking the Gold), the 8-year-old mare is a half-sister to Grade III scorer Beatbox (Pioneer of the Nile) and fellow **'TDN Rising Star'** SW/GSP Magic Dance (More Than Ready).

“Let's hope he's as good as his mother,” added Magnier. “Chad liked the horse, everybody did. We'll bring him back to Ashford, and we'll figure out what we're going to do with him there.”

The family has proven prolific in the sales ring, beginning with Guarana's dam Magical World (Distorted Humor), who realized \$5.2 million while in foal to Into Mischief at the Fasig-Tipton November sale in 2021. In turn, the half-brother to Guarana brought \$1.1 million when led through the ring at this venue in 2023.

“He was a magnificent horse,” said Hill 'n' Dale's John Sikura of Monday's third-highest priced colt of the session. “He was powerful and a great mover. He was beautifully balanced with great musculature. He was a classy and athletic horse with a beautiful face, head and eye.” **Cont.**

"The physical horse is outstanding."

At the conclusion of her racing career, Guarana--also carrying an Into Mischief foal--sold for \$4.4 million to Hill 'n' Dale at Fasig-Tipton November in 2021 and the resulting colt, now named Mischievous Intent, brought \$1.4 million from Winchell Thoroughbreds at Keeneland last September.

"They love the Charlatsans and Guarana was a supremely talented racehorse," added Sikura. "[Hip 70] has a deep pedigree, the dam was a Grade I winner and a great individual. It's all the components you need to sell a \$1-million horse. After that, you just don't know because it depends who bids at that point."

From six **Charlatan** yearlings offered Monday, five sold for a gross of \$2.785m and an average of \$557,000.

"The results speak for themselves," said Sikura when asked about the Hill 'n' Dale resident stallion. "The buyers are appreciating them and they are selling very well. We have more good Charlatsans over the next few days but the table is set."

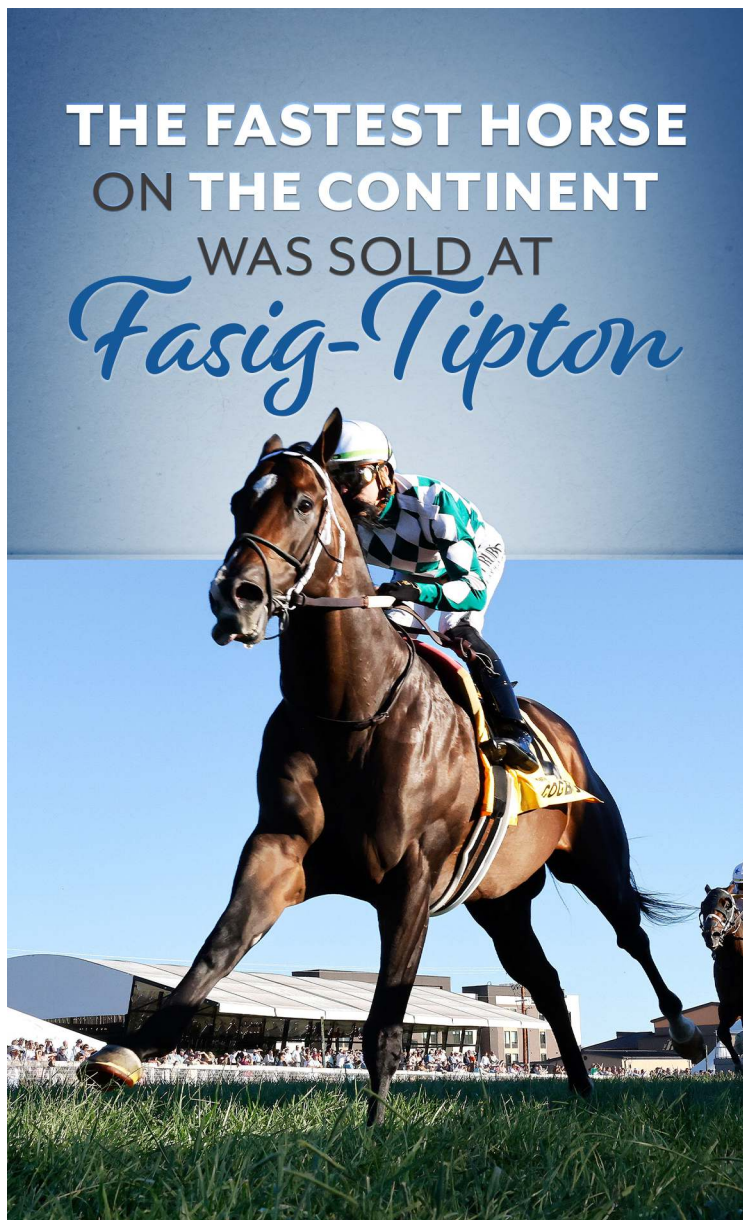

At the conclusion of Day 1, Coolmore and White Birch teamed up to purchase two additional yearlings: **hip 74**, a **Gun Runner** half-brother to Airdrie sire **Collected** (City Zip) for \$700,000 and **hip 86**, another **Gun Runner** colt out of In The Moonlight from an active family that realized \$800,000. The session's expenditures totaled \$2.9 million for an average of \$966,667.

Of the team's **Gun Runner** purchases, Magnier explained, "Gun Runner is absolutely flying at the moment. After this year's [runner-up finish] Kentucky Derby with Sierra Leone, Derrick Smith really wants to win it. It's a really big deal for these guys and they just want good race horses. We're here trying to find some."

Commenting on the overall market for the sale's premier stock, Magnier concluded, "The market seems to be competitive for the good ones and there seems to be plenty of nice horses around."--@CBossTDN

## Heaven Trees Knocks it Out of the Park With Rachel Alexandra's Brother

Monday's opening session at Keeneland was in full swing when **Hip 112**, a colt by **Medaglia d'Oro**, strode into the arena. If the sire power was enough to garner its share of glances on its own, the bottom side of the page was absolutely spellbinding. Out of 23-year-old Lotta Kim (Roar), the Feb. 23 produce, a full-brother to none other than Horse of the Year and Classic winner Rachel Alexandra, garnered a \$1.35-million final bid from new-on-the-scene Epic Horses.

"He's a lovely horse, a full brother to a great, great filly. A great result. We're very very happy," said John Sikura of Hill 'n' Dale at Xalapa, who consigned the yearling on behalf of breeder Dede McGehee.

McGehee, who boarded mares for Dolphus and Ellen Morrison for many years, secured Rachel Alexandra's dam Lotta Kim privately from Morrison when the champion's breeder dispersed his band due to illness.

Bred by Morrison, Rachel Alexandra amassed earnings of \$3.5 million on the racetrack, having won the GI Kentucky Oaks for her breeder before being acquired privately by Stonestreet Stables and Harold McCormick. She won the GI Preakness Stakes in her first start under the tutelage of Steve Asmussen.

**HIP 112 | Keeneland**

As a member of Stonestreet's broodmare band, the champion 3-year-old filly and five-time Grade I winner produced GI Spinaway Stakes winner Rachel's Valentina (Bernardini). A **Quality Road** filly out of Rachel's Valentina is off to Japan after the Maeda family's North Hills Co. Ltd. paid \$1.05 million for her on Monday.

"I got [Lotta kim] when she was carrying Dolphus [Lookin At Lucky, foaled in 2013]," said McGehee. **Cont.**

“It’s extra special because the mare Lotta Kim [was] owned by my favorite client of all time.”

McGehee’s initial seven-figure yearling was also produced by Lotta Kim—a colt by **Medaglia d’Oro**’s son Bolt d’Oro that brought \$1.4 million at Fasig-Tipton’s Saratoga Sale in 2021.

“That mare has paid for most of the stuff on my farm,” said a visibly emotional McGehee. “I was a little surprised [about the price] because the mare was old. So it definitely exceeded my

expectations.

“Book 1 is not my thing,” McGehee said with a laugh. This is a big deal!”

Heaven Trees Farm’s resident broodmare band numbers approximately 20 mares. Additionally, the operation’s current crop of yearlings number 15.

“This was our best foal this year. My crew did a great job and Hill ‘n’ Dale did a great job too. They’ve been very good to me.”

According to McGehee, Heaven Trees Farm will be represented by one more yearling—by **Army Mule**—in Keeneland’s Book 4.

“It is probably the last foal out of [Lotta Kim’s foals] that we will ever sell,” said McGehee. “I didn’t know what to expect. But you never know.”--@CBossTDN

### 'Epic' Result for Rachel's Full-Brother

Making a splash of its own at Keeneland Monday, Epic Horses LLC recorded its initial auction purchase when landing **Hip 112** for \$1.35 million.

Handling the bidding duties for the undisclosed new owners, the operation’s advisor and CEO of Town & Country Farms Shannon Potter explained, “We saw him at the farm [Hill ‘n’ Dale Xalapa in Paris, Kentucky] three or four weeks ago and we liked him there.” **Cont.**

"With that family and that pedigree, he checked all the boxes for us."

Underscoring the most obvious selling point in the yearling, Potter explained, "His head and his look is probably right on with what [Rachel Alexandra] looks like. He has a very good temperament every time we have seen him. We probably looked at him four or five times."

According to Potter, the colt will ultimately be trained by Hall

of Fame trainer Todd Pletcher after his initially taking up residence at Town & Country.

"He is a really good mover," he confirmed. "He has a good walk and has a lot of hip and a big shoulder. We loved the way he looked."

While declining to name the new owners, Potter offered some additional insight into the fledgling racing operation.

"Epic Racing is a new venture," he said. "It is a couple from Vegas. This is their first purchase at auction. We bought another privately. They are excited about the game and the business and the industry."

During Monday's opening session, Epic Horses also secured **Hip 149**, a filly by Into Mischief for \$350,000.--@CBossTDN

"We love her. We saw her on the first day and on Sunday," said AMO Racing's Kia Joorabchian. "We loved her and we went back to see her a couple of times. She's got a great pedigree. To be honest, that's what we are looking for." **Cont.**

"We're looking for fillies with great pedigrees and she was a standout for us, so we weren't going to stop. We are going to take our time now. She will go now to take a break and we will give her a little bit of time off and then we'll see. It will definitely be an American trainer [that she goes to]."

The filly's dam is a half-sister to MGSW Sara Louise (Malibu Moon), dam of 'TDN Rising Star' Nash (Medaglia d'Oro). Gabriel "Spider" Duignan's Springhouse Farm bred the filly, offered as **hip 97**, after purchasing her dam for \$150,000 at the 2013 Fasig-Tipton November sale.

"We've had the mare for a while, she's been very good to me," said Duignan. "Delighted with where she is going and delighted with the price. I'm glad she is going to great owners. She is a very nice filly and has been very popular all week. It's a fantastic family, her brother is very good."

Pat Costello of Paramount was also pleased.

"She's well-bred, a full-sister to a lovely racehorse," said Costello. "She was a good physical. There was a lot of action. She has a great mind. That was good. That was on the top of where we thought it would be."--*JillWilliamsTDN*

### Broman Looking for a Derby Horse

Longtime New York owner and breeder Chester Broman went to \$1.15 million to acquire a colt by **Gun Runner** (**hip 73**) from the Brookdale consignment Monday at Keeneland. Broman did his bidding alongside advisor Becky Thomas from the new reserved table seating area inside the pavilion.

When asked why he purchased the yearling, who is out of Grade I winner Harmonize (Scat Daddy) and is a half to multiple graded winner and multiple Grade I-placed Integration (**Quality Road**), Broman pointed at Thomas and said, "You told me to."

Thomas laughed and said "No, I didn't. You told me you like that one the best."

Thomas continued, "He was a big, beautiful and stretchy. We loved his family and his walk. Mr. Broman wants to go to the Derby and we thought he looked like the type."

Of the colt's final price, Thomas admitted she wasn't surprised, "but I am not one to bid that high. Mr. Broman is here and he told me, 'If I come, we don't have a budget.' He was in charge of the budget."

The colt by was bred by Larkin Armstrong, who purchased Harmonize for \$80,000 at the 2014 Keeneland September sale. Racing in Armstrong's colors, the mare won the 2016 GI Del Mar Oaks. Her first foal, Integration, sold for \$700,000 at the 2021 Fasig-Tipton Saratoga sale and went on to win last year's GIII Virginia Derby and GII Hill Prince Stakes. He was runner-up in last month's GI Arlington Million. [@JessMartiniTDN](#)

### Nyquist Colt Brings \$1.15M on Keeneland's Day 1

Rarely missing from the leaderboard, agent Donato Lanni was back in action for **Hip 82**, a colt by **Nyquist**, that realized \$1.15 million. Consigned by breeder Candy Meadows Sales, the Feb. 10 was purchased on behalf of SF Bloodstock, Starlight Racing and Madaket.

"He was beautiful from the day he was born until today. He never had a bad day in his life. He's just a really lovely horse," said Matt Lyons of Candy Meadows.

Candy Meadows purchased the mare Impasse (**Quality Road**), in foal to Into Mischief, for \$385,000 at Keeneland November in 2019. A daughter of MSW Tempus Fugit (Alphabet Soup), the 11-year-old's resulting Into Mischief filly realized \$300,000 at this sale in 2021 followed by a **Uncle Mo** filly that brought \$450,000 one year later.

Lyons added, "There were so many good judges and so many good groups following this horse the last couple of days. We could see the momentum going. You never can predict a million-dollar horse, but we knew he had a chance."

Signing the ticket of the colt, SF Racing's Tom Ryan explained, "He is a horse that there was a consensus about. It's the same group, we've got Stonestreet in this horse and then most of the same old characters, Starlight, Madaket, and SF [Racing]. We felt like it was a high-conviction horse for us." **Cont.**

Ryan confirmed the colt will ultimately join Hall of Fame trainer Bob Baffert in California.

“We like **Nyquist**. He doesn’t take any introduction anymore,” Ryan added of the Darley resident. “He’s clearly a top-flight stallion. Very good example of what a good son of **Uncle Mo** can do.”

He continued, “He is an athlete with plenty of pedigree. We have no doubt that he’ll see out a mile and hopefully he’ll get a little farther. We’re excited to have him.”--@CBossTDN

### Repole and Spendthrift Partner on **Gun Runner** Colt for \$1.1 Million

**Gun Runner** is as hot in the sales ring as he is on the racetrack. The Horse of the Year and young sire sensation got his fourth--but not last--seven-figure horse of the day when **hip 121**, a Feb. 3-foaled colt, sold to Repole Stable and Spendthrift Farm for \$1.1 million Monday. The bay was consigned by Bridie Harrison, agent for Peter Blum Thoroughbreds.

“Repole Stable and Spendthrift Farm partnered on this horse. It was loved by both teams,” said Jacob West, agent for Repole Stables. “Obviously **Gun Runner** doesn’t really need an introduction on how big of a stallion he is. Peter Blum breeds incredible horses. Mix it all in the pot and it equals \$1.1 million. Just excited to get him. [Hall of Famer Todd Pletcher] will train

the horse. He was one of those horses that was highly ranked from the start. We know it was going to be expensive to get him, but luckily Mike [Repole] and Eric and Tammy [Gustavson] were able to come together and come up with an idea of what we would go after him and it happened to fall into that range of budget.”

Bred by Blum, the colt is out of GSW & GISP Magical Feeling (Empire Maker). The mare has already produced four black-type winners, including GSW & GISP Imagination (Into Mischief), who was most recently third in the Sept. 1 Shared Belief Stakes, and GSW & MGISP Occult (Into Mischief). Both sold at previous editions of the September sale, with Imagination bringing \$1.05 million in 2022 from Donato Lanni, for SF Bloodstock/Starlight Racing/Madaket, and Occult hammering for \$625,000 in 2021 to Steven W. Young.

Blum's son, Josh, was representing his father Monday.

“He's a fantastic horse,” said the younger Blum. “He's been a standout for us since he was on the ground. We expected him to do well and we were happy to get a good price, but we weren't setting the bar too high. Ultimately, we wanted to make sure he sold in the ring. We're in the business to sell, so we're happy he got sold and happy he sold well.”

Upon being wished congratulations, Blum said with a smile, “Congratulate my dad. It's his operation.”--JillWilliamsTDN

### Snyders Celebrate First Million-Dollar Sale

Richard and Connie Snyder, who moved their commercial broodmare band from New Mexico to Kentucky 10 years ago, celebrated their first seven-figure sale Monday at Keeneland when John Stewart's Resolute Bloodstock bid \$1 million to acquire a filly from the first crop of **Maxfield** (hip 53).

"That's the first million-dollar horse, but it won't be the last," Richard Snyder said with a chuckle after congratulating Stewart on the purchase.

Of his emotions while watching the filly sell, Snyder admitted, "It was exciting, nervous, stressful for us, but it was fun. We knew she was going to sell well. A lot of people liked her. She is what she is."

The yearling is a half-sister to the first Grade I winner the Snyders have bred, GI Alabama Stakes and GI Ogden Phipps Stakes winner Randomized (**Nyquist**).

"They were very similar," Snyder said of the two fillies. "This filly might be a tick bigger than Randomized was, but both of them had big walks and were straightforward."

Both fillies are out of the unraced French Passport (Elusive Quality), who was one of the first high-priced mares the Snyders purchased after acquiring their Kentucky farm on Paynes Mill Road in Versailles in August of 2014. The couple paid \$200,000 for the mare in foal to **American Pharoah** at the 2018 Keeneland

November sale.

Randomized sold for \$420,000 at the 2021 Keeneland September sale and her colt by **Justify** sold for \$410,000 at the 2022 September sale. The **Maxfield** yearling is the mare's final foal.

"The sad part is we don't have the mother anymore," Snyder said. "This is the last one out of her. She got killed in a paddock accident. It was tragic. Very tragic."

The Snyders currently have a broodmare band of 17 head.

"This was our only yearling in Book 1," Snyder said. "We've got one in Book 2 and multiples all the way through Book 6."

Hip 53 also became the first seven-figure result for her first-crop sire **Maxfield** (**Street Sense**), winner of the 2021 GI Clark Stakes and 2019 Claiborne Breeders' Futurity.

The stallion, who stands for \$35,000 at Darley, had 16 first-crop weanlings sell for an average of \$148,312 last year, led by a \$500,000 colt at the Fasig-Tipton November sale. Prior to Monday, he had had 10 yearlings sell this year for an average of \$209,750, led by a \$450,000 filly at the Fasig-Tipton Saratoga sale.

"That is a very big price for a yearling by a first-crop sire," said Kerry Cauthen of Four Star Sales, which consigned the filly. "Based on this filly and several I have seen, they have great minds and I expect good things from him." **Cont.**

The seven-figure yearling was one of six purchased by Resolute Bloodstock Monday. The group also included a **Tapit** half-sister to GI Toyota Blue Grass Stakes winner and GI Kentucky Derby third Zandon (**Upstart**) (**hip 128**) acquired for \$900,000 from the Airdrie Stud consignment.

“We like **Maxfield**, think he’s coming on well,” Stewart said. “We actually bred him to some of our maiden mares this year. He nicks really good in our system. We think he’s going to be a good stallion. This filly is just a beautiful filly, as you can see commanding that kind of price. When we rank it in our pedigree system and looking at the horse overall, she’s an A+ and was on the top of our list.” [@JessMartiniTDN](#)

### \$1-Million **Constitution** Colt to Juddmonte

“We were on fumes at the end,” Juddmonte manager Garrett O'Rourke said after signing the ticket at \$1 million to acquire a colt by **Constitution** (**hip 85**) from the Airdrie Stud consignment. “The market is very, very strong. It's more than I wanted to pay for him, but it's the market, so you have to go otherwise you go home empty handed.”

The colt is out of Indian Pride (Proud Citizen), who romped to an eight-length debut victory at Saratoga in 2019 before finishing third in the GII Raven Run Stakes and winning the Shine Again Stakes in 2020. She won three of her four lifetime starts for her breeder, the late Brereton Jones.

“My exposure to the family was to his dam,” O'Rourke said. “I was very impressed with her when she won her first start. I spoke to Bret Jones then and asked if she would sell her and he wasn't interested. I had followed her career and always thought she was a filly who had the talent to win a Grade I, even though she didn't. So I was interested to go and see the colt. He is a huge, big beautiful colt. Hopefully he will grow into something as fast as his mother and we have a very high opinion of **Constitution**, as well.”

Juddmonte Farms, founded by the late Prince Khalid bin Abdullah who died in 2021, has had success buying future champions out of the Keeneland September sale. The operation purchased Arrogate (Unbridled's Song) for \$560,000 at the 2014 auction and **Elite Power** (**Curlin**) for \$900,000 in 2019.

“Classic horses,” O'Rourke said when asked what he was shopping for at Keeneland this week. “We've been lucky enough with Arrogate and **Elite Power** buying here. They say they come in threes, so we will keep shopping until we get the third one. It's great that Prince Khalid's family have the ambition to get another one. That's the goal. That's our hope anyway. Everyone has hope in this game. He is the first one we went in to bid on and it's nice to have a ticket in your hands whatever happens from here on in.”

The colt represents several generations of a family cultivated by Brereton Jones, who passed away last September.

“A million dollars doesn't happen to us very often; it doesn't happen to many people very often,” Jones's son Bret said. “We are ecstatic. It means so much to the farm. We are just very grateful right now.”

Indian Pride is a daughter of Ms. Cornstalk, who RNA'd for \$35,000 as a yearling at the 2005 Keeneland January sale. The mare produced Canadian champions Biofuel (Stormin Fever) and Tu Endie Wei (Johar), as well as Indian Pride. **Cont.**

“The memories hit you right in the face when you think about all the fun that we had with Biofuel and Tu Endie Wei,” Jones said of the bittersweet seven-figure result. “I really do think Indian Pride, at the end of the day, is going to be one of the greatest mares that my dad has ever had his hands on.”

Jones continued, “There is no greater compliment than Juddmonte buying your horse. Garrett O'Rourke knew how special his dam was. I remember he was one of the first people

to call me when she broke her maiden at Saratoga. She was a very special filly and I think she will be a very special broodmare. That family has given us a lot of great days. I hope it gives Juddmonte a lot of great days, too.”

Indian Pride has a 2-year-old by **American Pharoah**, who was purchased by Gus King for \$600,000 at the 2023 Fasig-Tipton Saratoga sale. She produced a filly by Into Mischief this year and was bred back to **Gun Runner**. @JessMartiniTDN

### **Gun Runner Filly Stays in the Seltzer Family**

At the end of the day, Krista Seltzer couldn't let her father's decades-long involvement with the family end Monday at Keeneland and she bid \$1 million to take home the filly by **Gun Runner** out of Lucrezia (Into Mischief) (**hip 117**). Consigned by Taylor Made Sales Agency, the yearling represented five generations of horses bred by **Ed Seltzer**, who is in the midst of dispersing his bloodstock.

“I don't know who the partners are going to be, but yes, we bought her back,” Krista Seltzer said. “There was a lot of sentiment there and she is a lovely filly. I like to have partners where we know my dad can watch her race and enjoy watching her race. That's super important to him. He loves the family. We knew we wouldn't let her go for nothing.”

Lucrezia was a two-time stakes winner in Seltzer's colors and was second in the 2020 GII Gulfstream Park Oaks. Her dam, Verdana Bold (Rahy), was a graded winner for Seltzer.

"I didn't expect that," Krista Seltzer said of the filly's seven-figure price tag. "It was a lot of sentiment. We love all of them and it's hard to part with them and we will, but for me, for this one, just for the partners whoever they are going to be, I want my dad to enjoy the racing as if she was his." @JessMartiniTDN

### Small Pinhook Representation in First Session

We've taken a look at how Monday's pinhooks fared and attempted to analyze how the prospects as a whole performed on the day. We've loosely used a cost of \$25,000 for each yearling's board, veterinary expenses, farrier work, sales prep, and sales entry fees. Obviously, this amount can vary wildly per offering depending on whether one can keep a horse on their own farm or whether one boards, as well as each horse's particular veterinary needs.

A total of 10 yearlings were consigned to Monday's first session as pinhooks. Two were outs and three were RNAs, leaving just five to represent the pinhook sector. The five sold for a total of \$2.05 million from a total output of \$1.69 million at original purchase. Less \$125,000 for the five in combined estimated costs, that leaves a profit of \$235,000 for the quintet. Three were profitable and two lost money. --JillWilliamsTDN

### HISA Supreme Court Fight, cont. from p1

The Fifth Circuit heard between 5,700 and 7,400 appeals in each of the last six years. Over that same period, that court granted only between four and 10 en banc requests per year, according to that court's most recent annual report.

Yet the denial of the rehearing in the Fifth Circuit hardly means the end of the legal road for either side in the fight to firmly establish whether HISA is constitutional or not.

**A showdown in the Supreme Court is looming after the en banc petition was denied** | Getty Images

Often, an en banc petition in a federal appeals court merely equates to a necessary legal formality to show the U.S. Supreme Court that a party has exhausted every procedural option at the appeals court level before asking the Supreme Court to resolve a case.

Increasingly, that's where this case seems destined to end up. That's because for two months now, there have been conflicting opinions between two different federal appeals courts over HISA's constitutionality.

The Fifth Circuit panel opined July 5, 2024, that not all of HISA is constitutional, while the Sixth Circuit Court of Appeals opined in a different case Mar. 3, 2023, that Congressional changes to the law in 2022 made HISA completely constitutional.

When two federal appeals courts differ in their opinions like that, it's called a "circuit split," and the Supreme Court generally takes heightened interest in resolving such conflicts.

The Sept. 9 court order that said no to the en banc request did not address any of the HISA Authority's or FTC's arguments that had been articulated in their Aug. 19 filings.

In a single sentence, the Fifth Circuit order simply stated, "Because no member of the panel or judge in regular active service requested that the court be polled on rehearings en banc, the petitions for rehearing en banc are DENIED."

Eric Hamelback, the chief executive officer of the NHBPA, had told TDN last month that he didn't believe the en banc petition would prove fruitful for the Authority or the FTC. On Monday, he reiterated his position after the denial of the rehearing was ordered by the court.

"As I stated when this motion was originally filed, all this did was delay the inevitable," Hamelback wrote in an email. "HISA remains unconstitutional."

"We can now safely say that 15 other federal court of appeals judges looked at this, and not one of them voted to review [the] decision and opinion. We look forward to the Authority and the FTC abiding by this decision promptly."

Hamelback wrote that he believes the next step will be for the closing mandate from the Fifth Circuit to be issued around Sept. 17. That will end the case in the Fifth Circuit and transfer it to back the originating lower court in Texas, which, if the lower court deems appropriate, will issue some form of to-be-determined relief to the plaintiffs.

In the interim, while the case plays out in the lower court, Hamelback wrote that, "We would like to believe that [the] HISA [Authority] and Horseracing Integrity and Welfare Unit (HIWU) will take the appropriate and proper action and cease and desist from any further unconstitutional and illegal enforcement activity until the Supreme Court has an opportunity to review this matter."

TDN asked the HISA Authority to comment on both the en banc denial and what the Authority's next steps might be. The request was acknowledged Monday afternoon by an Authority spokesperson, but TDN did not receive any statement for publication prior to deadline for this story.

If the HISA Authority and the FTC do opt to petition the Supreme Court to take the case, the deadline for filing is Dec. 9.

Last year, when the plaintiff states of Oklahoma, West Virginia and Louisiana similarly got denied in their Sixth Circuit request for an en banc rehearing after that Sixth Circuit panel upheld HISA's constitutionality, those plaintiffs then petitioned the Supreme Court to take the case. That request, too, got shot down, on June 24, 2024.

But it's important to note that at the time the Supreme Court opted not to take up the Sixth Circuit case, the Fifth Circuit had yet to issue its unconstitutionality ruling.

Once the Fifth Circuit's conflicting opinion was issued July 5, the Sixth Circuit plaintiffs in the Oklahoma, West Virginia and Louisiana case again asked the Supreme Court to reconsider hearing the case.

"This case presents the exceptionally rare situation in which a significant 'intervening circumstance'--the opening of a circuit split on the constitutionality of a federal statute--has arisen within 25 days of this Court's denial of certiorari," the Sixth Circuit plaintiffs wrote to the Supreme Court on July 18.

"There is now a square, acknowledged conflict between the Sixth Circuit's decision [and] a contrary decision from the Fifth Circuit, which...presents a uniquely clean vehicle for the Court to resolve that conflict," the Sixth Circuit plaintiffs stated to the Supreme Court.

## INDIANA TOBA TO HOST 2024 FALL MIXED SALE

The Indiana Thoroughbred Owners and Breeders Association will host their 2024 Fall Mixed Sale October 12 at Horseshoe Indianapolis. The three-part sale will feature a live yearling auction, a paddock sale, and a mixed digital sale (held Nov. 14-19). The yearling sale, which will begin at 1pm at the Horseshoe Indy Receiving Barn, welcomes a catalog of 87 Indiana-bred and sired yearlings while the paddock sale spotlights horses of racing age currently stabled at Horseshoe Indy. The digital sale, [held here](#), has a diverse catalog of weanlings, broodmares, horses of racing age and RNA's from the yearling sale. **Cont.**

**Enticed** | Sarah Andrew

"We have an outstanding group of our state's finest yearlings entered in this years ITOBA Yearling sale," said auctioneer Austin Nicks. "We have consigned 87 yearlings consisting of Indiana-sired colts and fillies by the state's leading sires such as Charming Kitten, Forever d'Oro, Harry's Holiday, Holiday Promise, Prayer For Relief, Qurbaan, Sahara Sky, Santiva & Unbridled Express."

"Our first-crop sires with 2-year-olds of this year are also well represented with yearlings by Calculator, Isotherm and Speightsong. Our Indiana-bred yearlings are sired by several Kentucky sires such as Code Of Honor, Coal Front, **Enticed**, Jimmy Creed, Maximus Mischief, **Mineshaft** and more. I think the Hoosier breeders have plenty to offer this year with horses that will be competitive not just in Indiana, but at any track."

"Our Paddock Sale and Mixed Digital Sale offer a great outlet to sell horses without the hassle of privately selling, and with the horseauctionsusa.com app, bidding and viewing of all 3 of our auctions are in the palm of your hand".

**SADIQ (f, 2, Into Mischief--Moonshine Memories {MGISW, \$549,056}, by Malibu Moon)** finished a respectable fifth when trying a mile on turf on June 16 debut at Kyoto, but was favored at 7-5 here with a slight cutback in trip and switch to the dirt. Off alertly from gate four, the \$475,000 Keeneland September graduate chased a solid pace from second and was poised to strike from between rivals nearing the straight. Held together into the final 400 meters, she wrested command with a bit less than a furlong to travel and kicked home to score by 2 1/2 lengths. Dual Grade I-winning '**TDN Rising Star**' Moonshine Memories, a half-sister to SW & GSP Indian Evenin (Indian Charlie) and to the dams of GSW Super Hoity Toity (**Uncle Mo**); and Sunday's GI Del Mar Futurity third Citizen Bull (Into Mischief), and her yearling full-sister to Sadiq is being offered by Denali Stud as **hip 523** at Keeneland September this Wednesday.

Moonshine Memories produced a **Gun Runner** colt Feb. 23 and was bred back to the Three Chimneys stallion. Sales history: \$475,000 Ylg '23 KEESEP. Lifetime Record: 2-1-0-0, \$38,771. O-Koji Maeda; B-Orpendale/Chelston/Wynatt Westerberg Ireland ULC et al (KY); T-Hiroki Kawashima.

#### Sunday's Results:

**1st-Nakayama**, ¥10,480,000 (\$73,350), Maiden, 2yo, 1200m, 1:11.4, ft.

**JASPER SOLEIL (c, 2, Mitole--Hen Escape, by Henny Hughes)** was runner-up as the favorite in each of his first two trips to the post this summer and was the 3-2 second choice to get over the hump this time around. Beaten to the front by an inside rival, the chestnut colt hounded the front-runner for the opening 800 meters, drew alongside entering the final furlong and did slightly the better work late to take it by a half-length. Jasper Soleil is closely related to Xtreme Lyra (Eskendereya), SW-Can, \$164,992, and was purchased for \$52,000 at Keeneland September last fall before maturing into a \$135,000 OBS March breezer. He is the sixth of this trainer's 10 acquisitions at OBSMAR to have broken its maiden. Inbred 4x4 to Storm Cat, Jasper Soleil is out of a half-sister to G1 Prix de l'Abbaye winner Benbaun (Ire) (Stravinsky) and the deeper female family includes MGISW Hawksley Hill (Ire) (Rahy), second to Da Hoss in the 1998 GI Breeders' Cup Mile. The yearling full-sister to Jasper Soleil is consigned by Brandywine Farm as **hip 3286** during the second week at Keeneland September and Hen Escape produced a Greatest Honour filly this past April before being bred to **Mandaloun**. The same connections were represented hours later by Jasper Krone (**Frosted**), a cracking runner-up in the G3 OBS Korea Sprint at Seoul. Sales history: \$52,000 Ylg '23 KEESEP; \$135,000 2yo '24 OBSMAR. Lifetime Record: 3-1-2-0, \$61,552.

O-Kazuo Kato; B-Brandywine Farm (Jim & Pam Robinson) (KY); T-Hideyuki Mori.

A source of Classic winners and Gr.1 horses, Tara Stud has a proud thoroughbred history in Ireland and internationally. It is also a renowned beef cattle farm, and is home to some of the most productive grazing land in the region. Tara Stud has enjoyed 80 years of stability and success under the current management and ownership.

The farm is in premier productive condition. The highly fertile free-draining deep clay limestone soils have been expertly managed for long term success. The grazing pastures are organically managed, as is most of the silage and hay ground. Superb tillage land, housing for approx. 550 head of cattle and over 100 stables. The yards are equipped with all facilities required for a successful stud farm, based around the historic Tara Stud yard.
