

'THE GREATEST TRAINER OF MY LIFETIME': STOUTE HAILED BY PEERS AS RETIREMENT BECKONS

Sir Michael Stoute and Desert Crown | *The Jockey Club*

By Emma Berry

Sir Michael Stoute, the ten-time champion trainer in Britain, has announced his intention to retire from the training ranks at the end of this season. Now 78, Stoute is one of the longest-serving trainers in Newmarket, where he has been based since 1972. With more than 4,000 winners to his credit, he has been responsible for six Derby winners among his 16 British Classic triumphs, beginning with Shergar in 1981 and, most recently, the 2022 winner Desert Crown.

"I would like to thank all my owners and staff for the support they have given me over the years," he said in a statement issued through the Press Association on Tuesday morning. "It has been a great and enjoyable journey."

Stoute, who was inducted into the QIPCO British Horseracing Hall of Fame in 2023, previously held the record for the most number of winners at Royal Ascot, his tally of 82 having only recently been overtaken by Aidan O'Brien, who is now on 91. He has also trained six winners of the King George VI and Queen Elizabeth Stakes, the Juddmonte International, the Eclipse, the Irish Oaks and the Falmouth Stakes, along with eight Lockinge Stakes victors and nine Yorkshire Oaks winners. DEUTSCHES DERBY WINNER HEADLINES FIRST ENTRIES FOR ARQANA ARC SALE

The Arqana Arc Sale will provide the rare opportunity to buy a Classic-winning colt at public auction after it was announced on Tuesday that Deutsches Derby hero **Palladium (Ger)** (**Gleneagles {Ire}**) is one of 38 lots catalogued to sell at Saint-Cloud Racecourse on Saturday, October 5.

Bred by Gestut Fahrhof, Palladium is out of the Listed winner and G1 Premio Lydia Tesio runner-up Path Wind (Fr) (Anabaa), who is now the dam of three winners after Path Of Soldier (Ger) (Soldier Hollow {GB}) opened his account at Dusseldorf on Sunday to join Palladium and the dual Listed scorer Panjari (Ire) (**Camelot {GB}**). Palladium was bought by Liberty Racing for €80,000 at the BBAG September Yearling Sale and his victory at Hamburg completed a remarkable double for the ownership group following that of Fantastic Moon (Ger) (Sea The Moon {Ger}) in the same race in 2023. Sir Michael Stoute cont. from p1

Born on the island of Barbados in the West Indies where his father was the chief of police, he moved to England in 1964 to work in racing, initially assisting Pat Rohan in Yorkshire. In the five decades since being granted his own licence, Stoute's name has become synonymous with some of the great thoroughbreds of the modern era. To the infamous and brilliant Shergar, whose Derby win came in the year in which Stoute was first crowned champion trainer, must be added the names Green Desert, Singspiel, Pilsudski, Workforce, Islington, Russian Rhythm, Opera House, Estimate, Conduit, Harbinger, Medicean and Crystal Ocean. Amid champions across all manner of distances on the Flat, he also trained the champion hurdler Kribensis.

Even this list is but a small snapshot of a far greater body of work which hinged on training for some of the great owner-breeders of the day. With Stoute, the Aga Khan celebrated the Derby winners Shergar and Shahrastani as well as 2,000 Guineas winner Doyoun, and Kalanisi, who triumphed in the Queen Anne Stakes and was one of the trainer's seven winners at the Breeders' Cup in America.

Cheveley Park Stud, Ballymacoll Stud, Juddmonte, the Niarchos family, Sheikhs Maktoum, Hamdan and Mohammed Al Maktoum, Meon Valley Stud and the Rothschild family feature on a glittering list of owner-breeders who kept Stoute's

Freemason Lodge stocked with well-bred individuals. The most recent group winner to emanate from the stable is the Niarchos homebred Passenger, winner of the G2 Huxley Stakes at Chester in May, while James Wigan's Bay Bridge (GB) provided Stoute with his most recent Group 1 success when landing the Champion Stakes of 2022.

William Haggas, a fellow Newmarket trainer, paid tribute to his close friend. He told *TDN*, "He's a good pal, number one, but he is also without question the greatest trainer of my lifetime.

"They all compare him to Henry Cecil, but Henry, as good as he was, rather fell into training in that he took over from his father-in-law, whereas Michael started with absolutely nothing. He came over to Pat Rohan in the 60s. He won the Stewards' Cup and the Ayr Gold Cup in his second year training with two different horses--Alphadamus and Blue Cashmere--and he has been at the top of his game for an enormous amount of time. And while Henry preferred to race his horses at home, Michael for so long competed his horses abroad. He had a great desire to run his horses all over the world."

Such campaigning led to top-class wins in America, Canada, France, Germany, Italy, Hong Kong and the UAE, and he is the sole overseas trainer to have won the Japan Cup twice, with Singspiel and Pilsudski in 1996 and 1997.

Sir Michael Stoute, Solid Stone, left, Desert Crown just behind, James Savage, right | Emma Berry

Sir Michael Stoute cont.

Haggas continued, "He is the most determined man I've met. His brain is as sharp as a knife and his attention to detail is unbelievable. His is determined to be the best without shouting from this rooftops. He's a modest, very humble man but he is a very clever trainer.

"He has great humour, loves cricket, and he can also enjoy himself when the horses are sleeping. I've known him a long time and very well and he doesn't miss a trick. You won't be able to name all the brilliant horses he has trained, and how brilliantly he has trained them. He's a star: a five-star star."

Certainly Newmarket Heath will be less characterful without Sir Michael Stoute crossing its turf every morning. The trainer can often be heard humming or whistling--or a mixture of both--as he watches his horses at exercise. For many summers he was accompanied by his great friend, the legendary fast bowler Michael Holding. In a recent interview in Bloodstock Notebook, Holding said of Stoute, "To this day I remain in awe. He loves to talk cricket because I guess it takes his mind off the stress of training. He has an incredible memory. He writes imaginary notes about the horses in the middle of his palm with an imaginary pen and then rubs them out so that nobody sees them!"

Chris Richardson, manager of Cheveley Park Stud, which has had horses in training with Stoute for four decades, said "It has been a wonderful association and we wish him well in the future, but I will certainly miss those wonderful early mornings trying to second-guess what he saw, which was never easy. Normally you were trying to decode a 'boompedy-boom' or him whistling 'Don't Cry For Me Argentina'."

He continued, "This is the 40th season that Patricia Thompson and the Thompson family have had horses with him. You can go

back to the 1980s and fillies that we had, like Aim For The Top, who won the Firth of Clyde, Gay Gallanta winning the Queen Mary and the Cheveley Park Stakes, Red Carnival, who won the Cherry Hinton, and of course Russian Rhythm, who won four Group 1s. These were all fillies that we bought and then of course there were the horses that we bred over the years: Sacramento, Exclusive, Medicean, Red Bloom, Peeress, Integral, Veracious, Queen's Trust--the list goes on and on. He's had something like 37 individual group winners of over 70 races over the years for Cheveley Park Stud, which is phenomenal really."

Stoute was made a director of the stud in the mid 1980s and Richardson said that his contribution to its success has been more than just as a trainer. He added, "He's brilliantly talented and with a great eye for a horse. For many years we would go round the yearling sales together, especially in America, and select two or three fillies, like Gay Gallanta and Red Carnival, who were stunning race fillies and became part of the foundation of what we are today."

As if to underline the longevity of that successful partnership on the day on which Stoute announced his retirement, the juvenile filly Formal (GB) retained her unbeaten status on her second start at Leicester and formed the first half of a double on the card for trainer and owner. Ridden by Stoute's longtime ally Ryan Moore, Formal, a daughter of Dubawi (Ire) and former Freemason Lodge star Veracious (GB) (**Frankel {GB}**), is a fourth-generation Cheveley Park Stud homebred and won in the manner of a filly with a bright future. Perhaps she will give her trainer one last hurrah in Pattern company before he draws stumps.

'SOLID' SEPTEMBER AT TATTERSALLS AS DEBORA'S DREAM JOINS CANDLISH

"Solid trade throughout the day," was how Tattersalls chairman Edmond Mahony described the fifth edition of the September Sale of horses in training, which added 1,887,200gns to the company's turnover for the year.

From a catalogue which had been reduced in size by a third from last year, 128 horses changed hands at Park Paddocks on Tuesday, headed by the 88-rated multiple winner Debora's Dream (Ire) (**Sioux Nation**), who was bought by Alan O'Keeffe, assistant trainer to Jennie Candlish, on behalf of Clare Dolan. The three-year-old colt, who was previously trained by Roger Varian and offered by Baroda Stud, was secured for 80,000gns.

Baroda Stud ended the day as leading consignor with 14 sold, including the second-top lot, the 87-rated God Of Fire (Ire) (Muhaarar {GB}), who will be joining the jumps yard of Jonjo O'Neill. The four-year-old from the family of **St Mark's Basilica (Fr)** has won three times this year for Daniel and Claire Kubler. He was signed for at 70,000gns by Chris Dixon.

"Jonjo rang and asked to give him a shout when we were doing the catalogue if we saw anything that could do a job hurdling, so we put this horse forward," said Dixon, who also bought three horses for his syndicate The Horse Watchers.

"He has obviously progressed nicely since Dan and Claire have had him on the Flat, he has got a winning hurdler in his pedigree, the only one who has tried it. Muhaarar has had a few good jumpers over the last year or so and he might be one of those who make a bit of an impact as a jumps stallion with the right type of horse; I do think he is a good and underrated stallion."

A clearance rate of 77% was achieved from the 128 lots sold. The median improved by 25% to 10,000gns, while the average was down 14% at 14,744gns.

In his closing statement, Mahony said, "This is the fifth edition of a sale that was introduced in 2020 as a response to the Covid-related delay to the Flat season and numerically the smallest, and whilst we may have been short of obvious stars, there has been solid trade throughout the day from both domestic buyers and those from further afield. International buyers always play a significant part at Tattersalls horses-in-training sales, particularly those from the Gulf, but there has also been a vibrant domestic market including plenty of interest from the National Hunt community."

Mahony added, "We now look forward to Books 1 to 4 of the Tattersalls October Yearling Sale, whose graduates have enjoyed spectacular global success in recent months and we look forward to welcoming an international cast of buyers to Park Paddocks during the fortnight that begins with Europe's Premier Yearling Sale."

HARAS DE MONTAIGU IN COMMAND AT OSARUS

Lot 154, the Toronado filly sold to John Hammond | Osarus

Haras de Montaigu completed its full set of topping both days of the Osarus September Yearling Sale in La Teste de Buch when selling a Toronado (Ire) filly for €40,000 to John Hammond.

Already named Acqua Rosa (Fr) and offered as lot 154, the April-born filly is out of the four-time winner Rose Tea (Ire) (Dylan Thomas {Ire}), a half-sister to the G2 Prix Greffulhe runner-up Handsome Devil (Ire) ([Footstepsinthesand {GB}](#)).

The clearance rate picked up a little throughout the second session, settling overall for the two days at 62%. The 97 yearlings sold from 156 to go through the ring brought an aggregate of €919,000, which was markedly down on last year but from a smaller catalogue this time around and 50 fewer horses sold. The median of €8,000 and average of €10,090, were both slightly reduced from the 2023 figures.

Irish breeze-up pinhookers Con Marnane of Bansha House and John Bourke of Hyde Park Stud, the breeder of Haatem (Ire), each got involved on the final day. Marnane bought a Galiway (GB) colt for €22,000 and Bourke, who bought Listed winner and Group 3-placed Chic Colombine (Fr) (Seahenge) at this sale two years ago for €10,000, picked up a filly by Seabhac for €21,000.

BALLYDOYLE'S TRINITY COLLEGE A 44TH TDN RISING STAR FOR DUBAWI

By Tom Frary

Fitted with blinkers after two defeats, Ballydoyle's **Trinity College (Ire)** (Dubawi {Ire}--Hermosa {Ire}, by Galileo {Ire}) took a mighty leap forward at Galway on Tuesday to bring the stable's tally of **TDN Rising Stars** among its juveniles in 2024 to a dozen. Fourth last time behind fellow TDN Rising Star Hill Road ([Quality Road](#)) at Leopardstown, the 10-11 favourite tanked his way to the front soon after the start of the card's opening extended-mile maiden with Wayne Lordan unable to contain him in the first-time headgear. Producing a sustained surge out of the back straight to put daylight between him and his struggling rivals, the son of the 1,000 Guineas heroine hit the line strong with 12 lengths to spare over the newcomer **Minella Boss (Ire)** (Golden Horn {GB}).

"At home he had shown plenty of ability but was just very babyish and when we put the blinkers on him at home, he seemed to come forward," stable representative Chris Armstrong said of the 44th TDN Rising Star for Dubawi who was carrying the silks of part-owner Masaaki Matsushima. "He had been lazy, but is very genuine and it helped him to travel well. He had been coming on nicely at home, Wayne was very happy with him and thought he would come on well from his last run."

"He is a horse with plenty of ability, will make into a lovely middle-distance horse next year and will stay very well. After this weekend, we will see where he fits in and could be one for the Beresford or Eyrefield Stakes--he is in all those group races. He is still a big baby, but has the makings of a very nice horse."

This was the maiden used by Aidan O'Brien in recent times as a springboard for the current St Leger hope Grosvenor Square (Ire) (Galileo {Ire}), star stayer Kyprios (Ire) (Galileo {Ire}) and the Irish Derby hero Sovereign (Ire) (Galileo {Ire}), so it carries some significance. Hermosa, who also broke her maiden over seven furlongs here during the track's festival in 2018, was a front-running *tour de force* who when fully seasoned was able to dominate the Newmarket Classic and the G1 Irish 1,000 Guineas.

Interestingly, Trinity College was one of the three Ballydoyle colts chosen to take part in The Curragh's Barronstown Stud Maiden in June, an important race for the stable with the other two being the subsequent winners Bernard Shaw (Into Mischief) and Rock Of Cashel (Ire) ([Wootton Bassett {GB}](#)), with the former scoring by nine lengths at Dundalk next time. Other winners to have come from that seven-furlong maiden are Green Impact (Ire) ([Wootton Bassett {GB}](#)), Apples And Bananas (Ire) ([Wootton Bassett {GB}](#)) and the G2 Richmond Stakes scorer Black Forza ([Complexity](#)).

Pedigree Notes

Hermosa, whose first foal was the Leopardstown maiden winner Igor Stravinsky (Ire) (**No Nay Never**), is out of the G2 Prix du Gros-Chene winner Beauty Is Truth (Ire) (Pivotal {GB}) whose other two group 1-winning Galileo progeny are this yard's Matron Stake and British Champions Fillies & Mares Stakes heroine Hydrangea (Ire) and the Rawson Stakes scorer The United States (Ire). Hydrangea is responsible for this year's Listed Hurry Harriet Stakes winner and G3 Snow Fairy Fillies Stakes-placed Wingspan (Ire) by Dubawi and is also kin to the multiple group winner and dual group 1-placed Fire Lily (Ire) (Dansili {GB}) and to the dam of the G1 Coronation Stakes third Sounds Of Heaven (GB) (**Kingman** {GB}).

INAUGURAL WARWICK BREEDERS' DAY TO TAKE PLACE IN PARTNERSHIP WITH THE TBA

Warwick Racecourse, in partnership with the Thoroughbred Breeders' Association (TBA), announced on Tuesday that the second day of its Winter Festival on Thursday, November 21 will this year become Breeders' Day, with both the race programme and supporting activity centering around breeders and the breeding sector.

Prior to racing, the TBA will host an educational forum designed for TBA members, and non-member breeding enthusiasts, covering a range of topics with expert panels and Q&A sessions. Full details of the panels and speakers will be revealed in the coming weeks, with an all-inclusive Breeders' Package available to purchase at a cost of £35 for TBA members and £55 for non-members.

Following the morning forum, attendees can look forward to a seven-race card in the afternoon, where the feature is a class 2 veterans chase. The race programme has been put together to highlight breeder friendly races, including four mares' only contests, as well as a junior 'NH' hurdle. Each race will be sponsored by organisations from within the bloodstock industry and additional prizes awarded to the breeder of each winner.

Simon Cox, chairman of the TBA National Hunt Committee, said, "Warwick approached us earlier in the year about the concept of a Breeders' Day and we were delighted to come on board. The decisions that breeders make are instrumental in the creation and early development of racehorses and they should be celebrated in the same way that owners, trainers and jockeys are."

TBA members can book by visiting the events page of the [TBA website](#), while non-members can also book the Breeders' Package by visiting warwickracecourse.co.uk.

HAPPIEST (IRE) (Camelot {GB}) bids to add to Ballydoyle's current legion of classy juvenile fillies in a race the stable has won in three of the last five years. A half-sister to the G1 Irish 1,000 Guineas heroine Peaceful (Ire) (Galileo {Ire}) and daughter of the G1 Prix d'Astarte runner-up Missvinski (Stravinsky), she meets Diane Nagle's €400,000 Arqana Deauville August graduate **Tswalu (Ire)** (Justify), a Joseph O'Brien-trained granddaughter of the G1 Oaks heroine Imagine (Ire) (Sadler's Wells) who also captured the Irish 1,000.

HOW THEY FARED

15.10 Leicester, Nov, £9,000, 2yo, f, 7ft

Cheveley Park Stud's **Formal (GB) (Dubawi {Ire})**, a homebred daughter of G1 Falmouth Stakes heroine Veracious (GB) (**Frankel {GB}**), backed up a 'TDN Rising Star' debut display at Newbury in July with a dominant 2 1/2-length tally in this return.

BRITAIN

Tuesday's Results:

3rd-Leicester, £9,000, Nov, 9-10, 2yo, f, 7ft, 1:29.82, sf.

FORMAL (GB) (f, 2, Dubawi {Ire}--Veracious {GB}) {G1SW-Eng, \$597,607}, by Frankel {GB}, who attained 'TDN Rising Star' status in her July 25 debut over this distance at Newbury last time, was swiftly into stride and bounded along on the front end from flagfall here. Quickening clear of toiling rivals approaching the final furlong, the 8-13 favourite was untroubled in the closing stages and kept on strongly to easily account for Starlit Spice (Ire) (**Sea The Stars {Ire}**) by 2 1/2 lengths. "That was impressive and Ryan [Moore] was very taken with her," commented Cheveley Park Stud's Chris Richardson. "I was a little bit concerned about the [soft] ground as the ground had changed [from good-to-soft], but I think it very appropriate on such a day. She handled the [good-to-firm] ground at Newbury and her class was certainly in evidence this afternoon. We have much to look forward to and we'll discuss options with Sir Michael [Stoute] and [owner] Patricia Thompson. It's a really poignant day and I'm just thrilled Formal has won so nicely." Formal is the first of three foals produced by G1 Falmouth Stakes heroine Veracious (GB) (**Frankel {GB}**), herself out of dual Group 1-placed G3 Nell Gwyn Stakes victrix Infallible (GB) (Pivotal {GB}). Infallible is also the dam of dual G2 Summer Mile-winning G1 International, G1 Queen Anne Stakes and G1 Woodbine Mile placegetter Mutakayyef (GB) (**Sea The Stars {Ire}**) and G3 Prix de Flore victrix Intimation (GB) (Dubawi {Ire}). The February-foaled homebred bay is full to a yearling colt and half to a weanling colt by **Kingman (GB)**. Lifetime Record: 2-2-0-0, \$14,523.

Staying on to gain the advantage passing the furlong pole, the 4-9 favourite asserted to score by 1 1/2 lengths from Archivist (GB) (Dubawi {Ire}). The winner is the second foal out of the listed-placed dam, a 330,000gns purchase at the 2022 Tattersalls December Sale as part of Southcourt Stud's dispersal. A half to the Australian stakes winner Crystal Pegasus (GB) (**Australia {GB}**), she hails from the family of the high-class half-siblings Crystal Ocean (GB) (**Sea The Stars {Ire}**), Hillstar (GB) (Danehill Dancer {Ire}) and Crystal Capella (GB) (Cape Cross {Ire}). \$5-MILLION CURLIN COLT BRINGS CURTAIN DOWN ON 'ELECTRIC' BOOK 1

\$5-million **Curlin-Cavorting** colt (Hip 347) | Keeneland

by Jessica Martini, Christina Bossinakis & Jill Williams

LEXINGTON, KY - Following another day of competitive bidding, the two-session Book 1 section of the Keeneland September Yearling Sale concluded Tuesday with double-digit increases over its 2023 counterpart. A colt by **Curlin** brought the section's top price when selling for \$5 million to Mandy Pope's Whisper Hill Farm. The sale topper was one of four by the Hill 'n' Dale stallion to bring \$1 million or more on the day and, with a further 16 yearlings bringing seven figures Tuesday, Book 1 had 30 yearlings break that threshold this year. Twenty three hit that mark in the 2023 Book 1.

"It was electric," Keeneland President Shannon Arvin said of the atmosphere in the pavilion Tuesday.

A total of 204 yearlings sold during Book 1, for a gross of \$119,565,000. The average of \$586,103 was up 10.78% from a year ago, while the median of \$475,000 rose 18.75%.

During the 2023 Book 1 section, 221 horses grossed \$116,925,000 for an average of \$529,072 and a median of \$400,000.

"When we were looking at the figures during the day, we could see that it was teeing up to eventually be as good as yesterday and that was a high bar to try to achieve," said Keeneland Vice President of Sales Tony Lacy. **Cont. p3**

PTHA PREZ ALLEGES YEARS OF 'BRAZEN AND UNLAWFUL CONDUCT' INVOLVING 'ILLICIT AND DISGUISED' PAYMENTS

by T.D. Thornton

A legal petition spearheaded by the current president of the Pennsylvania Thoroughbred Horsemen's Association (PTHA) has made sweeping allegations involving bad-faith cronyism, corruption investigation obstruction, and more than a million dollars of "illicit and disguised ghost consulting payments" and "lame duck" contract awards that were purportedly authorized by and at times reportedly made to the PTHA's past president and the organization's current executive director.

KEESEP cont. from p1

“The median of \$475,000 is up almost 20% over last year. These are numbers we dream of. But it's not for us. It's for our clients, the people who entrust us with these horses. We are really proud of the people that bring the horses and the buyers that entrust that we are doing the job that will give them the opportunity to buy their next champion. And I think the energy in the pavilion today, that was from another era. It was incredible.”

Keeneland has maintained its two-day Book 1 format for the last four years and its 2024 increases provide proof of concept to both sellers and buyers who might be reluctant to participate in the boutique section, according to Lacy.

“It was a struggle to put this book together,” Lacy admitted. “We were just hoping it was going to be a good sale. We knew we had a really good crop of yearlings. Over the last few years, we've tried to solidify this format and it's hard to get buy-in because people want to see the facts and the figures. And we have been breaking records every year and it still wasn't enough. Even this year, it was a real struggle. We had fewer horses in Book 1 and that was frustrating, but that's what gave us so much pride in the people who did entrust us with horses and they got rewarded. There were million-dollar horses from later books that we moved into Book 1. People are

understanding what we are trying to do. We want that to continue.”

There were 372 yearlings catalogued in Book 1, with 286 ultimately going through the ring. With 82 horses reported not sold, the buy-back rate was 28.67%.

In 2023, Book 1 had 383 catalogued yearlings, with 302 going through the ring. The buy-back rate for the book was 26.82%.

Of the number of outs, Lacy said, “You're dealing with expectations. Some people, if the action is not exactly what they want, they will scratch and they will race. A lot of people have confidence in the racing circuits now and the prize money is there. In some cases, they have high expectations, so they are happy to race. We do keep a close eye on the number of outs, there is no question. But there were a number of outs before the sale. So it was frustrating, but that's a fact of the matter, especially on the high-valued horses because a lot of those people have the ability and the wherewithal to keep and race them.”

While the top of the market remained competitive, some consignors observed a familiar polarization in the sale results. Peter O'Callaghan's Woods Edge Farm sold a pair of seven-figure yearlings Tuesday. O'Callaghan agreed there was a very deep buying bench in Book 1, but he worried about the breadth of demand.

“It goes to show you just how strong the market in this country is at the top,” O’Callaghan said. “Everybody seems to want to play with the really elite stuff. But there are only a small number of those to go around. It is unfortunate that there were so many late withdrawals Monday and RNAs that were probably perfectly useful horses. It’s an all-or-nothing market. It’s brilliant at the top ,hopefully the middle market and the lower end will pick up as the weeks go on.”

The Keeneland September sale continues with Book 2 sessions Wednesday and Thursday beginning at 11 a.m. Following a dark day Friday, the sale resumes Saturday with sessions through Sept. 21 starting at 10 a.m.

\$5-Million Colt Caps Big Day for **Curlin**

Mandy Pope, bidding from the newly designed seating area at the back of the pavilion, saw off a determined phone bidder to secure a colt by **Curlin** (hip 347) for \$5 million Tuesday at Keeneland. Out of multiple Grade I winner Cavorting (Bernardini), the chestnut yearling is a full-brother to multiple Grade I winner Clairiere. He was bred by Stonestreet and consigned by Indian Creek.

“As one person just told me, he speaks for himself,” Pope said. “We don’t need to say anything else. He was awesome.”

The bidding was progressing at a steady pace when the

anonymous bidder on the phone with Keeneland staff in the press box, jumped the price from \$3.7 million straight to \$4 million. Pope was undaunted and answered each bid rapidly before signing the ticket on the prized yearling.

“I knew he was going to be a lot,” Pope said. “He should be the sale topper because he is the best horse in here. We pretty much knew everybody was going to want to buy him, so they could have the great race record that is in his future and his

furtherance in becoming a wonderful stallion.”

The \$5-million price tag was well off the sale record set when Meydan City (Kingmambo) sold for \$11.7 million in September 2006. America's Joy (**American Pharoah**), the auction's highest-priced filly sold for \$8.2 million in 2019.

Pope has made headlines over the years buying fillies and mares to add to her glittering broodmare band, but she's shopping at Keeneland for colts. She purchased Monday's \$2.2-million session-topping colt by **Gun Runner** (hip 169).

“We are looking for some colts,” Pope said. “We need colts to become stallions to get the numbers to work for us. They are what makes it work.

“This is not a short game,” she continued. “Unless you are just getting them to flip them like day trading. But it's a very long game. You can't be faint of heart in this at all.”

In total in Book 1, Pope's Whisper Hill purchased four head for \$8.2 million.

The \$5-million yearling marked a momentous few minutes for Barbara Banke's Stonestreet. The operation warmed up for the sale topper when selling a \$1.75-million colt by Into Mischief.

“I think all two minutes should be that way,” Banke said with a laugh. “It was really good.”

Stonestreet purchased Cavorting for \$360,000 as a weanling at the 2012 Keeneland November sale and she would go on to win the 2016 GI Ogden Phipps Stakes and GI Personal Ensign Stakes, as well as the 2015 GI Test Stakes, in the farm's colors.

Clairiere, the mare's first foal, won back-to-back renewals of the Ogden Phipps, as well as the 2021 GI Cotillion Stakes.

“He was the best horse we raised this year,” Banke said. “He's from a great family and he looks great. He eats like a pig. He sleeps. Nothing fazes him. I think he will be a great racehorse. I have high hopes for him.”

Of the colt's final price, Banke said, “I was expecting him to be the sale topper. There was a lot of buzz about him.”

Earlier Tuesday, Stonestreet sold a filly by **Gun Runner** for \$1.05 million. During Monday's session, the operation sold a filly by **Quality Road** for \$1.05 million.

“To some degree,” Banke agreed when asked if it was hard to sell her yearlings. “But I can't keep everything, as my financial advisor and our team tells me. We need to sell to pay the bills so we can make more and do it again next year.”

Cavorting has a weanling colt by **Gun Runner** and was bred back to **Curlin** this year. Her stakes-winning daughter La Crete (**Medaglia d'Oro**) has a weanling colt by **Curlin**. Clairiere was covered by Into Mischief this year. [@JessMartiniTDN](#)

St Elias Scores with \$1.75m Into Mischief Colt

Hip 345 | Keeneland

At the tail-end of a spirited second session, Monique Delk threw down the gauntlet to land a **Hip 345**, a colt by Into Mischief, for \$1.75 million. Delk, stationed in the new table area at the back of the main ring, was bidding on the phone on behalf of Vinnie Viola's St Elias Stable.

“He is a beautiful colt with a fantastic walk,” Delk said. “We fell in love with him right away. We look for the Classic stallion prospect horses and this horse fit what we're looking for.”

The Jan. 31 foal was offered by Francis and Barbara Vanlangendonck's Summerfield on behalf of his breeder, Stonestreet Thoroughbred Holdings.

“Into Mischiefs can be a little different across the board and this one had the beautiful balance and had the right size,” said Delk when asked if the colt lined up well with some of the other good Into Mischiefs. “He is a very Classic-looking horse with an elegant walk. He brought the whole package for us.”

The bay is out of Catch the Moon, a \$240,000 purchase by Stonestreet while in foal to Shanghai Bobby at the 2015 Keeneland November Sale. Prior to Stonestreet's purchase of the mare, the daughter of Malibu Moon produced GI Haskell Invitational winner **Girvin (Tale of Ekati)** and Grade III scorer Coked and Loaded (Colonel John).

For Stonestreet, Catch the Moon provided GSW Midnight Bourbon (Tiznow), who sold to Winchell Thoroughbreds for \$525,000 at this venue in 2019 before going on to amass over \$1.2 million in earnings during his racing career, which was highlighted by runner-up finishes in the GI Preakness, GI Travers and GI Pennsylvania Derby. A colt by **Quality Road** also brought \$1.6 million at this venue in 2021.

“Shopping has been tough today, a tough day at the office,” Delk admitted. “We had nice horses on the list and they brought good money. You have to expect to pay those kinds of prices for those sorts of horses. We are all looking for Classic winners.”

“There are going to be days when we get what we want and there are days we are going to get outrun. We’re excited to be here and love doing this. We’ll keep shopping. There are some we will stretch for. We’re very disciplined in our buying. We set strict parameters for what we accept physically and the price. It is a long sale and there are plenty of horses and we will get our orders filled.” --@CBossTDN

Mischief Maker at Keeneland on Day 2

On the heels of an opening day that saw a single yearling by Into Mischief draw over seven figures, the Spendthrift sire popped early on Day 2 when Hip 210, a filly out of GI Breeders' Cup Filly & Mare Turf heroine Shared Account (Pleasantly Perfect), reeled in a \$1.5 million final bid--the third highest price on the day--from David Lanigan acting on behalf of Scott Heider. Into Mischief was represented by a trio of seven-figure yearlings on Day 2, including Tuesday's second highest priced offering, a \$1.75 million colt (Hip 345), late in the session.

“She’s strong, she looks like she could do both turf or dirt.,” said Lanigan, seated alongside trainer Brendan Walsh during the

bidding. “She is just a really nice and well-balanced filly. Everyone really liked her.”

An earner of over \$1.6 million, Shared Account, a half-sister MGSW Sparkle Blue (**Hard Spun**) and SW and GSP Colonial Flag (Pleasant Tap), is also responsible for millionaire and GI Breeders' Cup Juvenile Fillies Turf winner Sharing (Speightstown) in addition to stakes scoring Riley's Choice (Distorted Humor).

The colt was consigned by his breeder, Gainesway, who purchased the mare in foal to Speightstown for \$625,000 at Fasig-Tipton November in 2020.

“She was Brendan's pick of the first group that we showed him,” explained Lanigan. “It's important for us that the trainer who will be getting the horse likes them too. It's all well and good if we like them, but if the trainer doesn't like them he's go to look at them for the next three years. So it's important they like them as well. And [Brendan Walsh] was very keen on this one. He was keen to get her.”

Among the black-type fillies currently in training domestically for the Heider Family and trained by Walsh, Fancy (**Justify**) finished a close-up second in the Groupie Doll Stakes at Ellis last month.

“He has a number of horses in Europe with Joseph O'Brien, and Mr. Heider is keen to buy a couple more fillies to have in training over here,” Lanigan explained. “He has had a lot of

Asked about the overall health of the yearling market at Keeneland this week, Lanigan commented, “Everyone seems to be on the same ones. The ones that jump through all the hoops are making plenty of money, and the ones that don't are falling between a rock and a hard place. It seems to be very strong for the right ones.”--@CBossTDN

Bradley Gets More of the Blue Heaven Family

Three weeks ago, Pete Bradley and his daughter Devon were in the winner's circle celebrating 2-year-old Briland (McKinzie)'s debut victory at Saratoga. Tuesday at Keeneland, father and daughter were reinvesting in the same family when going to \$1.4 million to secure a son of Curlin (hip 284) on behalf of an undisclosed client. The yearling is out of graded-placed Virginia Key (Distorted Humor), a half-sister to Briland's dam Bay Harbor (Speightstown).

“Class. Sire power. He comes from a very good breeder. It's what we look for here and you have to stretch for those,” Bradley ticked off the colt's appeal. “This horse was all class from the minute I saw him at the Lane's End barn. He came up here and presented himself like a horse that has a future. So we will

see.”

Of his client, who also has a small share in Briland, Bradley said, “This is a new player in the game. Someone who has bought a couple of horses and I think we are going to have some fun for him. It's nice to have new people who want to do it the right way. He knows the risks and hopefully he will reap the rewards.”

Hip 284 was consigned by Lane's End as agent for his breeder,

Virginia Key is a daughter of Our Khrysty (Newfoundland), dam of Grade I winner Grace Adler (**Curlin**) and **graded winner Pyreness (Into Mischief)**. Through Lane's End, Blue Heaven Farm sold that mare's yearling, a filly by **Gun Runner (hip 154)**, for \$975,000 during Monday's first session of the September sale. @JessMartiniTDN

Curlin Colt to Coolmore, White Birch

M.V. Magnier | Keeneland

Coolmore's M.V. Magnier, in partnership with Peter Brant's White Birch Farm, signed the ticket at \$1.3 million to acquire a colt by **Curlin (hip 262)** from the Hill 'n' Dale at Xalapa consignment Tuesday at Keeneland.

"He's a lovely horse," Magnier said. "John Sikura and his son Jes do a brilliant job out there. They're very good breeders. They've raised a lot of very good horses. John was singing this horse's praise to me yesterday. He's just a very nice horse. **Curlin** is obviously doing very well and so is [his son] **Good Magic**."

The bay is the first foal out of Thoughtfully (**Tapit**), winner of the GII Adirondack Stakes in 2020. He was bred by John Sikura's Hill 'n' Dale Equine Holdings and Matt Dorman's Determined Stud.

"He is a beautifully bred horse," Sikura said. "We thought he could break out and make more. He's a sales-topping quality horse. I am very proud of the horse. He's a great mover; a great walker, really athletic and makes great use of himself. Hope he's a star. Very good for the mare to have her first foal sell that well. The tribute goes to **Curlin**."

In partnership with White Birch Farm, Magnier signed for a

colt by **Not This Time (hip 238)** for \$1 million earlier in Tuesday's session. The yearling was consigned by Woods Edge Farm.

"Not This Time is doing very well," Magnier said. "He gets horses on grass and dirt. We will decide in a few weeks whether he will go to Europe or stay in U.S."

During the two Book 1 sessions, Magnier and White Birch acquired five horses for \$5.2 million. The partnership purchased three seven-figure yearlings, going to \$1.4 million to acquire a colt by **Charlatan** during Monday's first session of the auction.

On his own, Magnier purchased a colt by **Maxfield** for \$1 million.

"It's been a good sale," Magnier said. "There's plenty of good horses here. I hope we got the right horses, I feel that way. We'll know this time next year if we made the right decision or not."

One More Time for Belladonna

After coming out swinging early with a \$900,000 bid for an Into Mischief colt on Day 1, Belladonna Racing and trainer Cherie DeVaux underscored the point Tuesday when extending to \$1.3 million for a colt by **Not This Time**. Offered as **Hip 286**, the Apr. 14 foal was consigned by agent Glennwood Farm. **Not This Time** was represented by a trio of seven-figure yearlings in Book 1.

"He was on the top of our list, so we're very happy to have

him,” said Belladonna's Paul Manganaro. “He’s by a good proven stallion, young pedigree, and has physique. Like the saying goes, “You can’t put a saddle on a pedigree,” so the physical was what really made him.”

Out of the Empire Maker mare Vivo Per Lei, the dark bay was bred by John Gunther and Eurowest Bloodstock Services.

“He’s always had class every time we went to look at him,” Manganaro added. “He looked like he had that ‘it’ factor in him. We want big races and we want the two-turn dirt type horses, and we think he can be that.”

On Day 1, Belladonna secured a colt by Into Mischief (Hip 15) for \$900,000. The son of Devil by Design was also consigned by Glennwood Farm. In total, Belladonna secured six head for a total of \$3,925,000 through Book 1.

Belladonna partner Bruce Fenimore added, “We’re looking for quality. We want to win the big races, so we know we have to go out and spend the money on real quality and that’s what we’re doing. Cherie is our trainer and David Ingordo is the bloodstock agent and Paul is our partner. We have such a great team. I have so much confidence in them. That’s why it’s easy for me to invest with them.”

Through the conclusion of Book 1, **Not This Time** was represented by 16 yearlings that generated \$10,185,000 in receipts for an average and median of \$650,000.--@CBossTDN

AMO Strikes Again

Kia Joorabchian continued to be active at the top level of the U.S. yearling market with the \$1.2-million purchase of a filly by **Curlin** (hip 206) early in Tuesday’s second session of the Keeneland September sale. Bred and consigned by Hinkle Farms, the yearling is a half-sister to GI Kentucky Derby winner **Nyquist** (Uncle Mo).

“She’s a great physical by a great sire--he is probably as good a dirt sire as there is in the U.S.,” said bloodstock agent Ben McElroy, who stood alongside Joorabchian, Alex Elliott and Robson Aguiar out back during the bidding. “It’s a great family. She’s a real collector’s item. Everybody on the team, myself and Alex and Robson, and ultimately Kia, loved the filly and we are delighted to have her.”

Joorabchian’s AMO Racing went to \$1.35 million to acquire a filly by **American Pharoah** during Monday’s first session of the auction. In Book 1, he purchased five head for \$4,325,000.

During last month’s Fasig-Tipton Saratoga sale, AMO Racing purchased a colt by **Not This Time** (hip 125) for \$900,000 and a son of Yaupon (hip 76) for \$500,000.

“He loves racing in the U.S.,” McElroy said of Joorabchian. “He is trying to build the stable. And like I said, fillies like these are collector’s items. It’s a good long-term investment for Kia. Hopefully, she can be a good one.”

Of plans for the filly, McElroy added, “We will probably break her down in Florida and make a decision [on a trainer] next spring.”

The Hinkle family continued to be rewarded for its \$100,000 acquisition of Seeking Gabrielle (Forestry) at the 2013 Keeneland November sale. The family purchased the mare just one hip after her weanling colt by **Uncle Mo** sold for \$180,000. That colt would go on to win the 2016 Kentucky Derby.

Hinkle Farms sold the mare's filly by **War Front** for \$1,750,000 at the 2018 Keeneland September sale and her colt by **Tapit** for \$2.5 million at the 2019 September sale.

“That was a great sale,” Tom Hinkle said after the mare's latest seven-figure yearling went through the ring Tuesday. “We’re delighted. Seeking Gabrielle has been such a good mare for us. I hope these folks get a champion. She is such an athletic filly. She has a great mind and she never took a bad step. She’s a powerful filly who represented her sire well.”

Seeking Gabrielle has a 2-year-old full-sister to **Nyquist**, which the farm has retained, and a weanling filly by **Constitution**. She was bred back to **Gun Runner** this year.

Hinkle Farms was quick to double up on million-dollar yearlings when selling a colt by **Constitution** (hip 236) for \$1.1 million to Yuichi Fukunaga. @JessMartiniTDN

The Feb. 11-foaled **Constitution** colt out of Hinkle homebred Stave (**Ghostzapper**) went to agent Yuichi Fukunaga.

“We don't bring anything here we don't breed and raise ourselves,” said Tom Hinkle. “This family has been really good to us. He was a beautiful colt, moved like a cat, had a great mind. We've got a great team at the farm and we couldn't be any happier with the result and appreciate everything that they do.”

Hinkle said his family has had three generations of the colt's family, going back to third dam Affordable Price (Drouilly {Fr}). The Hinkles bred and raced the ensuing generations. Stave was thrice black-type placed, while granddam Buy the Barrel (E Dubai) won the GII Allaire DuPont Distaff Stakes. The Hinkle family also owns Stave's half-sister Indian Bay (Indian Charlie), who produced Japanese GSW & G1SP Shivaji (**First Samurai**) and SW & MGISP Tarabi (**First Samurai**).

Hinkle deferred to his team at the farm for the success of the two millionaires Tuesday, but inferred it takes a unique horse to sell at this level.

“The other one was a **Curlin** filly who was a half to **Nyquist** and she was special. This one was a horse that you could be really proud of to bring up here. We've got one more to come today and I think he'll sell fine, but not like those two.”

That third Hinkle yearling, a **Quality Road** colt (hip 299) out of MSW & GSP Win the War (**War Front**), sold for \$550,000 to Chad Summers. @JillWilliamsTDN

'this is the best horse we've found so far'? He's beautiful."

April Mayberry of Mayberry Farms signed the ticket on the Mar. 25-foaled chestnut for Searing. The colt was bred in Kentucky by Runnymede Farm, Peter J. Callahan, Ecurie Loick Fouchet, and Meridian International Sarl after Magna Carta Bloodstock purchased his dam, the unplaced **Street Sense** mare Via Veritas, for \$275,000 at the 2021 Keeneland November sale. Runnymede Farm raised the colt and consigned him Tuesday.

"From the day he was foaled he was such a big individual. A powerful horse with a lot of bone and a great mind," said Runnymede's Romain Malhouitre. "If they all could be like him it would be unbelievable. They always exceed expectations. You never know if things will line up. We knew we had the right people on him. He's been unbelievable at the farm and at the sale he was so calm."

Searing did say the \$1.2-million price was as far as he was prepared to go.

"That was it," said Searing. "They really wanted the horse. When these people work so hard, you try to buy a horse. I've bought horses like this before; this is a beautiful horse. He will go to Mayberry Training Center to be broken and then he'll stay back East."

St. George Hits a Flyer on Day 2 at Keeneland

Continuing a dream run for **Not This Time** at the Keeneland September Sale, a colt by the Taylor Made stallion realized a \$1.15 million final bid from agent Donato Lanni, acting on behalf of SF Bloodstock, Starlight and Madaket.

Bred by Fortune Farms and William Heiligbrodt and Corinne Heiligbrodt, **Hip 324** is out of stakes winner Believe in Charlie (Indian Charlie), a sister to MSW and MGSP Shamrocket (**Tonalist**). The 14-year-old mare, in foal to **Corniche**, most recently brought \$10,000 at Keeneland last November after bringing \$90,000 carrying this foal in utero at Keeneland in January 2023. This is the family of Grade I winner Nany's Sweep (End Sweep).

"Physically, he was a stunning colt," asserted SF Racing's Tom Ryan, who handled the signing duties on the colt. "I think **Not This Time** is proven that he's a very elite stallion at this point. He's flawless. He's a stallion that's demonstrated from lesser mares that he's elite, and with better mares and pedigrees we assume that will continue. I think the initial impression was to put him on the list, put him to our process, and bet him. He

Ryan confirmed the Apr. 15 foal will go to the team's regular trainer, Hall of Famer Bob Baffert.

"I feel like it's a very healthy market," Ryan conceded. "There's a lot of competition for the good colts out of proven sires, as expected."

Also representing a profitable pinhook score for consignor St George Sales, the Kentucky bred was a \$240,000 weanling purchase at the Fasig-Tipton November Sale last fall. The colt was a pinhook prospect for Tony and Roger O'Callaghan's Tally-Ho Stud and St George.

"Any time a horse brings \$1 million it's a surprise," said an elated Archie St George. "He's a class horse with a great temperament. I feel privileged to sell horses like this."

"Everything has to go right and most importantly that horse goes on and runs."

When asked about the youngster's sire, St George said, "He's by a phenomenal stallion. They can run long, short, dirt, turf. Hopefully, we'll see this horse live up to his potential."--

Seven-Figure Success x 2 for Woods Edge

A colt by **Not This Time** (hip 238) helped get the O'Callaghans' Woods Edge Farm consignment off to a heady start to the September sale when selling for \$1 million to Coolmore's M.V. Magnier and Peter Brant's White Birch Farm.

"It gets the show on the road and keeps us ahead," Peter O'Callaghan said of the result.

The yearling is out of stakes winner Stillwater Cove (**Quality Road**). He was purchased by O'Callaghan for \$375,000 at last year's Keeneland November sale.

"He was a beautiful animal," O'Callaghan said. "He was a stunner the day we bought him. We absolutely reached for him as a foal. He's out of a fast mare and he vetted good and that's what it takes. It all has to add up. They want the sire, they want the physical, and the vetting. There can be no hole in it. And if you have that, you'll get paid, but for anyone involved, breeder, consignor, pinhooker, we are lucky to have one or two of those in any given session."

O'Callaghan said the colt's weanling price tag reflected how competitive the foal market was last season.

"It was uber hot," O'Callaghan said. "It was a lot of money for him at the time. If we didn't know who any of them were by, he was arguably our favorite foal as an individual. Luckily, he grew up as we expected. And the vetting stayed good on him. So we

Hip 273 **Justify** colt | *ThoroStride*

got rewarded. It's a big relief and we are delighted and thank you to M.V."

Woods Edge had its second seven-figure yearling of the session a little later in the day when WinStar Farm's Elliott Walden purchased a colt by **Justify** (hip 273) for \$1 million. The colt out of Undercover Justice (Lawyer Ron) is a half-brother to graded-placed Conquest Babayaga (**Uncle Mo**). He was purchased for \$400,000 at this year's Keeneland January sale.

“He’s another lovely horse who was liked similarly to the **Not This Time** colt,” O’Callaghan said. “He’s by another brilliant sire. He’s a beautiful animal. We bought him in January for \$400,000, so that’s a big return in a short period of time. In our opinion he was arguably the best foal in the January sale. It worked out.”

Justify Colt Draws A Cool Million at Keeneland

Returning to a partnership that has served well in the past, China Horse Club, Maverick Racing and Siena Racing banded together to secure **Hip 273**, a colt by **Justify**, for an even million at Keeneland Tuesday. The sale was the leading price for the sire in Book 1.

“We just loved his quality,” said WinStar’s Elliott Walden, who signed the ticket on the colt. “He’s got a great hip, great balance, had the strength that **Justify** had behind. It’s something we look for with those.”

Consigned by Woods Edge Farm, the May 20 foal is out of Undercover Justice (Lawyer Ron), dam of GSP Conquest Babayaga (**Uncle Mo**) and SP Sorrentina Lemon (Lemon Drop Kid). The 15-year-old mare is a half sister to Canadian champion juvenile filly Neglige (Northern Afleet). This represents the extended family of English Horse of the Year Zilzal.

Bred by Justice Stables, the chestnut was purchased as a short yearling by Peter O’Callaghan for \$400,000 at Keeneland last January.

“He’s a beautiful horse and had a great hip,” continued Walden. “A horse that we really liked. We saw him on the farm a few weeks ago and just feel like he’s a horse that will continue to improve.”

Regarding the colt’s late foaling date, he added, “It factors in whether he might run in August. As long as he runs at two, I think he’s fine. It’s tough to buy in there. Maybe because he was a May foal it made him a little more affordable, even though I don’t know if a million dollars is affordable, but it seems to be

today on the good ones.”

Undeclared in six starts on the track while racing for CHC, Head of Plains Partners, Starlight Racing and WinStar Farm, **Justify** collected four wins at the Grade I level, highlighted by the American Triple Crown and Santa Anita Derby. Retiring with over \$3.7 million in earnings, the son of Scat Daddy was secured for stud duty by Coolmore and currently stands at Ashford Stud in Kentucky. Following his retirement, the chestnut has been enjoying a tremendous run in the breeding shed since entering stud in 2019.

In Europe, his son City Of Troy has been powering through his sophomore campaign with consecutive victories in the G1 Betfred Derby, G1 Coral-Eclipse Stakes and most recently in the G1 Juddmonte International. The stallion is also represented by Irish and French champion juvenile filly Opera Singer, winner of this season’s G1 Qatar Nassau Stakes.

Domestically, the Coolmore sire has been represented by a bevy of top-rung stakes performers, including last season’s Champion 2-year-old Filly Just F Y I, in addition to Grade I winners Hard to **Justify**, Arabian Lion and Aspen Grove.

Showing the breadth of his influence, the shuttle stallion is

also responsible for Australia's 2023 Champion juvenile filly Learning To Fly (Aus).

"Justify is doing great and we're really proud of him," affirmed Walden. "We're proud to have owned him. I'm really happy for Coolmore who stepped up to the plate and bought him [for stud duty]. Mr. [John] Magnier knows what he wants."

He continued, "They came to us after the [2018] Derby and showed a great interest and he knew he needed and wanted him, and he deserves it. We're really happy we're able to breed quite a few each year. We've been really happy with the whole thing, but just really proud of the horse."

At the conclusion of Book 1, a total of eight yearlings by **Justify** had sold for \$4,250,000 for an average of \$531,250.--

@CBossTDN

Another Million-Dollar Maxfield

After a first-crop yearling (hip 53) sold for \$1 million Monday, the Darley stallion doubled up with a second \$1-million colt Tuesday afternoon. Consigned by Gainesway as **hip 326**, the Apr. 12-foaled colt was a pinhook, purchased by Enfuego Stables for \$500,000 at last fall's Fasig-Tipton November sale. Ramspring Farm bred the colt and sold his dam at the same sale, with the unraced Belle's Finale (**Ghostzapper**) bringing \$1.25 million to the bid of Summer Wind Equine while in foal to **Not This Time**.

Belle's Finale is the dam of champion turf male **Up to the Mark (Not This Time)**, a first-year stallion in 2024 at Lane's End. She is a daughter of 1996 GI Test Stakes winner Capote Belle (Capote).

M V Magnier signed the ticket for the **Maxfield** colt Tuesday.

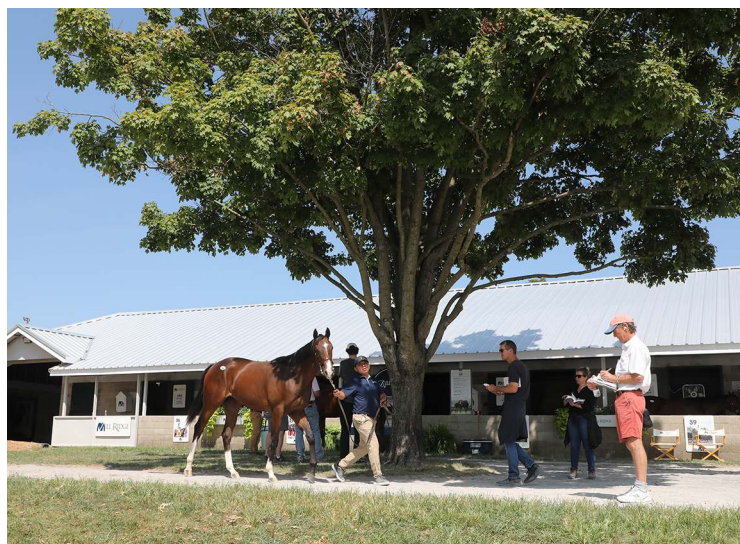

"This colt was a very nice horse," said Magnier. "Brian Graves does a very good job raising yearlings as does everybody in Gainesway."

Magnier said the colt would be sent to Ashford before a decision was made as to his future. When asked his thoughts on what he's seen from **Maxfield** as a young sire, he said, "Maxfield was a very good racehorse. He's definitely making nice horses and he's having a good sale." @JillWilliamsTDN

Uncle Mo and Into Mischief Colts Headed to Japan

Trainer Mitsu Nakauchida, who picked up an Into Mischief colt (hip 167) for \$1.25 million and a **Curlin** colt (hip 1) for \$550,000 Monday, added two more big-dollar purchases Tuesday at the tail end of the session. He bought another Into Mischief colt (**hip 343**) out of Cariba (**Cairo Prince**) and an **Uncle Mo** colt (**hip 368**) out of Spring Eclipse (Unbridled's Song) for \$1 million apiece.

"It is a competitive (market), but also at the same time there are many good horses in this market so we are very happy with our purchases," said Nakauchida. "Obviously over here they

2024 Keeneland September Sale | Keeneland

have good dirt racing, so good dirt pedigrees. Dirt racing is getting more popular all over the world. This sale is basically all good horses with good pedigrees. I haven't come here for maybe four or five years because of Covid and I'm very happy to be back here."

Nakauchida said his purchases will be brought back to Japan. He said he looks for horses "light enough to go on the Japanese turf, but if not we can try on dirt."

Tuesday's \$1-million Into Mischief colt was consigned by Candy Meadows Sales, who also consigned a \$1.15-million **Nyquist** colt Monday. Candy Meadows also bred both of those seven-figure colts. Tuesday's Feb. 16-foaled offering is out of a stakes-winning full-sister to MGSW & MGISP Cairo Memories and a half-sister to the dam of GISW Zandon (**Upstart**).

Bred by Camas Park Stud in Kentucky, Nakauchida's **Uncle Mo** purchase was consigned by St George Sales. The Mar. 29-foaled colt is a half-brother to SW Bet She Wins (**First Samurai**).

Nakauchida, who worked for Bobby **Frankel** in the U.S. and Richard Hannon Sr. in the UK, among others, launched his stable in Japan in 2014. He is the trainer of Liberty Island (Jpn) (Duramente {Jpn}), winner of the Japan's Triple Tiara last year. The now-4-year-old was last seen finishing third in the G1 Dubai Sheema Classic in March. @JillWilliamsTDN

Pinhooks Payoff in Second Session

As we did Monday, we've looked at how Tuesday's pinhooks fared and attempted to analyze how the prospects as a whole performed on the day. We've loosely used a cost of \$25,000 for each yearling's board, veterinary expenses, farrier work, sales prep, and sales entry fees. Obviously, this amount can vary wildly per offering depending on whether one can keep a horse on their own farm or whether one boards, as well as each horse's particular veterinary needs.

A total of 25 yearlings were consigned to Tuesday's second session as pinhooks. Seven were outs and six were RNAs, leaving 12 to represent the pinhook sector. The dozen sold for a total of \$7.445 million from a total output of \$3.99 million at original purchase. Less \$300,000 for the twelve in combined estimated costs, that leaves a profit of \$3.155 million for the dozen or an average of just under \$263,000. Nine were profitable and three lost money. @JillWilliamsTDN

PTHA Prez Alleges Years of 'Brazen and Unlawful Conduct' cont. from p1

Parx | Sarah Andrew

The purpose of the Sept. 6 civil petition filed in the Court of Common Pleas of Bucks County, Pennsylvania, by PTHA president Bob Hutt and PTHA board of directors member John Julia is to persuade a judge to use a state business corporations law to remove seven of the 11 current directors from the board because they have allegedly been complicit in the purported wrongdoing.

The petition alleged that those board members have failed to carry out duties they were elected to perform on behalf of the 2,500 owners, breeders and trainers that the PTHA represents at Parx.

"Regrettably, for many years, PTHA was mismanaged by self-interested Directors with conflicting goals who conducted themselves without regard for their fiduciary obligations to PTHA and to the member Horsemen that it dutybound to represent," the petition stated. "Their brazen and unlawful conduct harmed PTHA's mission, both financially and with respect to its power to advance measures and reforms benefitting the member Horsemen."

In November 2022, Hutt and Julia were among those newly elected to serve on the PTHA board. Hutt then ran for PTHA president under a reform platform, and he beat the

long-entrenched Salvatore DeBunda, who had served four consecutive three-year terms as president and a total of nine terms on the board of directors.

DeBunda, an attorney, is listed as the general counsel for the PTHA, and he serves separately as a member of the state body that regulates racing, the Pennsylvania Horse Racing Commission.

The petition stated that as Hutt and other newly elected board members "have attempted to investigate and reform past misconduct, and have begun to discover past acts and omissions by former Directors, Legacy Directors and managerial employees, including criminal conduct, self-dealing, conflicts of interest and violations of the Bylaws, [the directors perceived as being loyal to DeBunda] have attempted to frustrate their efforts."

The petition stated that these so-called legacy directors "have created a voting block that, notwithstanding the fiduciary obligations each Director owes to PTHA, routinely vote to ignore, condone, and conceal past misconduct, perpetuate ongoing misconduct, and prevent PTHA, under the leadership of [Hutt], from taking timely and effective action to enforce its rights and recoup its losses.

"Because Respondents exercise majority control over the Board, and have continuously utilized their majority control corruptly and in breach of their obligations to PTHA, their removal from the Board is essential to PTHA's ability to carry out its mission," the petition stated.

Hutt told TDN in a Tuesday phone interview that in the four days since his legal filing was first made public, he has received plenty of feedback.

"The overwhelming majority has been very supportive and thanking [us] for having the guts to come forward and speak the truth about what has been known for decades," Hutt said.

Asked if he has also received threats of retaliation because of his whistleblowing, Hutt answered in one word.

"Yes," Hutt said, choosing not to elaborate.

The directors that Hutt and Julia want removed are Jeffrey Matty, Jr. (who also is under contract to work as the PTHA's executive director), Kathleen DeMasi (the PTHA's vice-president), Charles Asensio, Jack Armstrong, Scott Lake, Robert Reid, Jr., and John Servis.

The lawsuit stated that Edward Coletti, Jr. and John Fanelli, who both currently serve on the PTHA board, "have indicated their support for the initiatives sought by Petitioners and no relief is sought against them."

The accusations in the petition that refer to alleged money-related malfeasance nearly all tie in to DeBunda and Matty. TDN left several email and voicemail messages for both

of them on Tuesday seeking their side of the story, but none of the requests for comment yielded individual replies prior to deadline for this article.

Soon after this article was published, TDN received an emailed statement from a publicist acting on behalf of the seven PTHA board members. It stated:

"The respondent PTHA board members will vigorously and forcefully defend against the false and malicious allegations made by Mr. Hutt and Mr. Julia and their defamatory assault on our character and reputations. In the meantime, we will continue to fulfill our responsibilities to serve the best interests of our 2,500+ Horsemen and the Thoroughbred industry in the Commonwealth. We will not be intimidated by those who engage in personal attacks and litigation for their own gain."

It is important to note that the allegations made by Hutt and Julia do not constitute a criminal complaint, nor are the petitioners attempting to use the court filing to recover any purportedly misspent money.

But the dollar sums in the petition are staggering, and it is possible that as the civil case proceeds it could generate interest from law enforcement that might result in separate criminal charges.

The petition alleged that Dun Roamin Farms, the racing stable owned by DeBunda, was paid in excess of \$380,000 by the PTHA between 2017 and 2022 for "ghost consulting" that involved no apparent services and no deliverables.

"Moreover, the Bylaws precluded DeBunda from receiving compensation, directly or indirectly, for his efforts as President of PTHA," the petition stated. "The final payment to Dun Roamin Farms occurred in December 2022, the final full month during which DeBunda served as President of PTHA."

"Matty and the Legacy Directors were aware of these illicit and disguised ghost consulting payments to DeBunda, but attempted to conceal them from Petitioners. Moreover, Matty and the Legacy Directors, in violation of their fiduciary duty to PTHA, have prevented PTHA from taking timely action to recoup the improper payments," the petition stated.

Hutt and Julia also red-flagged \$550,800 in PTHA payments between 2019 and 2023 to the law firm Archer & Greiner, where DeBunda is listed as being "of counsel."

"Notwithstanding his conflict of interest, and in violation of the express prohibitions set forth in the Bylaws, as President of PTHA, DeBunda funneled legal work to A&G," the petition stated.

"Matty and the Legacy Directors were aware of and acquiesced to the hiring of DeBunda's law firm and the payment of substantial compensation to A&G," the petition stated. "In violation of their fiduciary duties to PTHA, Matty and the Legacy Directors have failed to take timely action to investigate the

possible overpayment of fees and/or to recoup PTHA possible overpayments."

In a different section, the petition alleged that "commencing in or around 2015, PTHA began making payments to disgraced former politician Vincent Fumo for alleged consulting."

The petition stated that, "In 2009, Fumo had been convicted by a federal jury on 137 counts of corruption, conspiracy, fraud and other crimes," and that "in excess of \$215,000" was paid to Fumo for his alleged consulting.

"No apparent services were provided by Fumo in exchange for the payments and Petitioners' investigation has revealed the existence of no deliverables," the petition stated. "The final payment to Fumo occurred in December 2022, the final full month during which DeBunda served as President of PTHA."

When the PTHA stopped paying Furno under Hutt's tenure, the petition stated, Fumo, on Oct. 5, 2023, "threatened suit against PTHA for an alleged outstanding balance due of \$52,500 for unpaid and past due consulting services."

Later, "without the knowledge or approval of the full Board, and notwithstanding the admonition of Hutt that ghost consulting is illegal and will not be tolerated by PTHA, Respondent Matty purported to negotiate a settlement with Fumo on behalf of PTHA," the petition stated.

"In violation of the express limitations set forth in the Bylaws, Respondent Matty entered into a \$30,000 settlement with Fumo, and apparently signed a settlement agreement with Fumo on behalf of PTHA without the prior knowledge and/or approval of Hutt or the full Board," the petition stated.

Matty's own contract to work as the PTHA's executive director was also listed in the petition as evidence of alleged overcompensation in exchange for loyalty to DeBunda.

"Respondent Matty was initially hired by DeBunda as Executive Director in late 2021," the petition stated. "On Jan. 4, 2023, while serving as the lame duck President of PTHA, DeBunda awarded Matty a three-year written Employment Agreement, which included a substantial increase in compensation, well beyond that of similarly situated executives with Matty's experience, and an unreasonable severance provision."

A copy of Matty's contract that was filed with the petition lists his annual salary as \$225,000.

"Matty's Employment Agreement violates Section 5.11.4 of the Bylaws in that it exceeds the term of one year beyond the term of then President DeBunda," the petition stated. "Matty's Employment Agreement falsely recites that it was reviewed by the Board and approved unanimously. To the contrary, the Board was not made aware that Matty's Employment Agreement would violate the terms of [the bylaws]."

"The transparent motive for awarding Matty a three-year

Employment Agreement on the eve of Hutt's term as President was to procure Matty's future continued loyalty to DeBunda, and to the other Legacy Directors, for the duration of Hutt's term as President," the petition stated.

"Not surprisingly then, throughout Hutt's tenure as President of PTHA, Matty has frustrated Hutt's efforts to lead PTHA, has run interference and placed obstacles in Hutt's path to investigating past misconduct and implementing reforms, has disregarded his duty to take direction from Hutt and to support Hutt's leadership, and has violated numerous express provisions of the Bylaws along the way," the petition stated.

"Respondent Matty's misconduct has included refusing to provide Hutt with access to PTHA financial records, personnel records, bank statements and cancelled checks," the petition stated.

The petition also stated a number of other alleged instances of misconduct in which "the Board has continually failed to represent the interests of the members of PTHA in contractual undertakings and negotiations with Parx."

The petition further alleged that, "On multiple occasions, Petitioners notified Parx of potential issues of 'race fixing' and demanded that prompt investigation and remedial action be taken to ensure the fairness and integrity of live racing at Parx.

"Petitioners have provided evidence to Parx to support their claims and suspicions [and on] May 25, 2024, provided data to the Pennsylvania Racing Commission to support their claims and suspicions as well," the petition stated.

"Petitioners presented the same data and evidence to the Board and requested that the Board authorize PTHA to support the Horsemen in connection with the investigation of the claims and suspicions," the petition stated. "Respondents, however, again chose not to represent the interests of the Horsemen members of PTHA, and instead voted not to provide financial or administrative assistance to the investigation of the claims."

VITALITY MUCH THE BEST IN PRINCE OF WALES

Stronach Stables's **Vitality** (Street Boss), sixth at 38-1 in the King's Plate Stakes Aug. 23, jumped up significantly in his dirt debut to deliver a powerful win in Tuesday's Prince of Wales Stakes, the second leg of the Canadian Triple Crown.

Having just broken his maiden two starts back for trainer Harold Ladouceur at Woodbine July 19, the chestnut gelding lined up as a 9-1 shot here. Drawn just outside of the filly **Airosa** (**Uncle Mo**), he settled in the second flight of runners past the wire for the first time. Fifth as **Airosa** showed the way, but boxed in through the half in :47.19, **Vitality** had to switch out wide to take aim at the filly who still led around the far turn.

Locked and loaded at the quarter pole, he swung widest of all the contenders and closed stoutly down the center of the track. He drifted in as he drew even with **Airosa**, but made it a one-horse race to the line to win for fun.

Ladouceur told *Daily Racing Form* that **Vitality** would run back in the final leg of the Canadian Triple Crown, the Breeders' Stakes over 1 1/2 miles on the grass Sept. 29 at Woodbine. "He has a lot of confidence," Ladouceur told *DRF*. "This is a booster for him."

Vitality becomes the 73rd stakes winner worldwide for Street Boss. The winner's unraced dam **Belissimo** had a filly by **Goldencents** this year and was bred back to **Epicenter**. **Belissimo** brought \$25,000 from Dan Churilla in foal to **Goldencents** at the 2023 KEENOV sale.

THOROUGHBRED CHARITIES OF AMERICA RETURNS AS TITLE SPONSOR FOR RRP TB MAKEOVER

Thoroughbred Charities of America will return as the title sponsor for the Retired Racehorse Project's Thoroughbred Makeover and National Symposium, the organization announced Tuesday.

The Thoroughbred Makeover showcases recently retired

ex-racehorses, transitioned to new careers by trainers across North America to culminate in a four-day competition at the Kentucky Horse Park in Lexington annually in October. The Makeover offers 10 equestrian disciplines with over \$100,000 in prize money offered; a division of competition for recently retired broodmares returns for the second year.

"The Thoroughbred Makeover has made a measurable impact on Thoroughbred aftercare which resonates far beyond the work of the RRP itself," said Erin Halliwell, executive director of TCA. "TCA has believed in the impact of this event since the beginning, and is pleased to once again support the Thoroughbred Makeover as title sponsor."

"The entire RRP staff and board commend TCA on a banner year in their grant-making pursuits," added Kirsten Green, executive director of the RRP. "There are many aftercare organizations doing meaningful work who fall outside the scope of traditional aftercare funding models. The RRP is included in that group, and we would not be able to make the impact that we have were it not for the early and continued support of TCA."

The Thoroughbred Makeover and National Symposium takes place on Oct. 9-12, 2024 at the Kentucky Horse Park and includes educational, networking and social opportunities.

SUMMER BREEZES:

Curtain Comes Down at Kentucky Downs

Some of the most highly anticipated races during the summer racing season are the 'baby' races during the boutique meetings, which attract its fair share of high-priced offspring from a variety of top national outfits. Summer Breezes highlights debuting and stakes-entered 2-year-olds at those meetings that have been sourced at the breeze-up sales earlier in the year, with links to their under-tack previews. Here are the horses entered for the final day of racing Wednesday at Kentucky Downs:

Junior Hot Shot has contested four straight stakes races leading up to Tuesday's win, taking the money most recently in the Elgin Stakes going seven furlongs over the Tapeta at Woodbine Aug. 25. Second choice on the dirt here at 2-1, he

flashed early speed from his rail draw but Its Time to Shine was faster and took over to the outside. The pair duked it out as they came on even terms past the half in :45.29 but it was Junior Hot Shot that had the most to offer late, finishing well and keeping Yacht Boy at bay to the wire. The winner is one of five winners from five to race out of a full-sister to Canadian champion sprinter Blonde Executive and MSW Main Executive. Executive Dreamer has a yearling full-brother to Junior Hot Shot and was bred to [Epicenter](#) for 2025. [Click for the Equibase.com chart.](#)
