

FORMER JOCKEY LEE VICKERS LIVING FOR THE THRILL WITH FAR BRIDGE

[Click here for our visit with Lee Vickers and Far Bridge](#) | Sarah Andrew

by Katie Petrunyak

They say that once horse racing gets in your blood, it never leaves. Lee Vickers has no doubts about that. For him, a passion for the sport was practically embedded into his genetic code. Both his father and his grandfather were jockeys in his native England and Vickers was riding racehorses himself by age 12.

Over the past three decades since, Vickers has ridden dozens of top-level horses on both sides of the Atlantic. This year, the assistant trainer and exercise rider for Christophe Clement is enjoying the ride with GI Breeders' Cup Turf hopeful Far Bridge (English Channel). **Cont. Pg. 3**

EUROPEAN INVADERS ASSAIL WOODBINE GATES, CHURCHILL'S DERBY AND OAKS TRAILS OFF AND RUNNING SATURDAY

by J.N. Campbell

Leading the graded stakes action on Saturday, there is something gruff and boomy about the barbaric 'yalp' of the European invaders who are set to swarm Woodbine's gates on Turf Champions Day.

One can understand this hoard's verve as the booty is worth pillaging since three out of the four Grade I races on the docket are connected to some highly-prized Breeders' Cup 'Win and You're In' tickets.

Euros Wind Trebuchets

Out of this auspicious Canadian slate, first up is the GI Natalma Stakes which offers entry into the GI John Deere Breeders' Cup Juvenile Fillies Turf.

Its evident that Hall of Fame trainer Mark Casse holds the numbers edge with eight of the thirteen entrants. Out of these, if **Thread (Twirling Candy)** chooses to run here instead of against the boys in the GI bet365 Summer Stakes, she could have an edge after she broke her maiden by 5 1/2 at second asking while sprinting over the all-weather in Toronto Sept. 6. Roadblocking Casse's drive is Christophe Clement runner **Annascaul (American Pharoah)** who appears prepared for her first high level test.

Breeders' Cup Connections cont.

Growing up in Yorkshire, Vickers dreamed of becoming a third-generation jockey. After graduating from the British Racing School in Newmarket, he got his start as an apprentice.

Even as he was starting his career, Vickers couldn't help thinking about how hard his father and grandfather had worked and yet they never made it to the top of the jockey ranks. As a backup plan, the young horseman spoke with a bloodstock agency about what he would need to do to become an agent. They told him to get experience, so he worked with yearlings on a stud farm and then moved on to a racing yard.

Returning to the racing world brought back the allure of becoming a jockey and he soon began riding again. He found success first as a jump jockey and later transitioned to the flat.

"I rode in the Cheltenham Festival in the Queen Mother Champion Chase, which is like the fastest two-mile race over obstacles," Vickers recalled. "I didn't win, but my horse ran well and I had a great experience in that race. Obviously that's the pinnacle of jumping in England. Then I was lucky enough to ride on the flat as well. I rode at Ascot and I rode a couple of winners at Epsom. I had a lot of good experiences as a jockey and a lot of thrills."

In 2010, Vickers spoke with a friend about an opportunity to improve his skills by coming to ride in America. Vickers was told that riders in the U.S. developed a more polished style of riding than the jump jockeys in England and were trained to maintain an internal clock as they were riding.

That winter, Vickers went to work for Christophe Clement in Florida. He soon learned that riding in America required a sharp skill set.

"Here, to ride the horse around the track you need to make a connection with the horse and get a rapport with them because there's a lot going on," he explained. "They are a little bit tougher to ride here than they are in England because you're on a flat track and there's plenty of company galloping around. You need to get a relationship with the horse and figure them out. I think you've got to be more on top of things."

After a brief stint with Clement, Vickers returned to England to try his hand one last time as a jockey, but he couldn't get his mind off of the racing industry in America. **Cont.**

“I spoke with Christophe and we sorted out the paperwork,” said Vickers. “He got me straight back over and the rest is history. I fell in love with the sport in America. I loved the way they trained horses and obviously the weather was a bit nicer being in Florida for the winter. I started as a breeze rider and exercise rider for Mr. Clement and it evolved from there.”

For the past 10 years Vickers has served as an assistant trainer for Clement, spending the majority of his time in Florida and New York but also traveling with the stable's trainees to various meets throughout the country like the recently concluded Kentucky Downs meet.

Some of Vickers's most memorable mounts over the years have been Za Approval (**Ghostzapper**), who finished second to Hall of Famer Wise Dan in the 2013 GI Breeders' Cup Mile, and four-time graded stakes winner Summer Front (**War Front**), but his all-time favorite is **Tonalist** (**Tapit**). The blaze-faced bay gave the Clement stable its first Classic victory in the 2014 Belmont Stakes and he went on to claim three more Grade I scores.

Vickers and **Tonalist** | Horsephotos

“I rode him every day and he took me to some really top heights,” Vickers recalled. “A fantastic horse to be around. Huge, but a gentle giant.”

When Far Bridge arrived at the Clement base in Florida as a 2-year-old, Clement and the rest of the team were high on the son of English Channel from the start. The colt broke his maiden on debut as a 3-year-old at Gulfstream last January, besting future Grade I winner Carl Spackler (Ire) (Lope de Vega {Ire}) by a head, and earned **'TDN Rising Stars'** honors in his next start. Clement was eyeing the GI Belmont Derby Invitational Stakes for the promising colt, but then Far Bridge was sold privately to LSU Stables and moved to Todd Pletcher.

Vickers and the rest of the Clement team watched from afar as Far Bridge claimed last year's Belmont Derby just as they had hoped and placed in four other graded stakes. **Cont.**

At the end of the year, Vickers was pleased to learn that Far Bridge would be returning to the Clement barn.

Vickers has been the turf specialist's regular rider since his homecoming.

"We are privileged to have him in the barn again," he said. "He's all hearts and he's got a serious engine. I know the owner adores him and is really behind him, and we love him too."

Far Bridge bested allowance company in his 4-year-old debut this year but was winless in his next three graded starts, racing in mid-pack and never finishing better than third.

For the GI Sword Dancer Stakes on Aug. 24 at Saratoga, the Far Bridge team tried a different tactic. Jockey Joel Rosario sent the colt straight to the lead and took control of the pace along the inside. When the Charlie Appleby-trained duo of Measured Time (GB) (Frankel (GB)) and Silver Knott (GB) (Lope de Vega {Ire}) came breathing down his

neck coming down the lane, Far Bridge dug in and fought to get the win at odds of 8-1.

Vickers said that he had been feeling confident ahead of each of Far Bridge's starts this year and knew the colt was more than due for that Sword Dancer score.

"I promise you, his last couple of races I had been really bullish and happy with him," he admitted. "He's been unlucky with his trips, but we've always loved him and he has always been great. We had made a couple of little tweaks and a couple of changes with him going into this last race and it all fell right."

With his win in the Sword Dancer, Far Bridge earned an automatic entry in the Breeders' Cup Turf on Nov. 2 at

Del Mar. Before that, he will face a possible rematch with Silver Knott and Measured Time in the GI Joe Hirsch Turf Classic on Sept. 28. **Cont.**

“The horse is doing well,” Vickers reported. “He’s a happy horse, content. He’s a little bit quirky to deal with, nothing bad he just likes to wander around a bit, but he is an incredible horse and we adore him. When things come together, he’s a tough cookie.”

For Vickers, even though his responsibilities as an assistant trainer require plenty of time and energy, he still can’t get over the thrill he experiences every day in his other role as an exercise rider.

“I love breezing the horses,” he said. “It wakes you up in the morning and it’s fun. Seeing the results and seeing your work come to fruition, I think that’s what’s really rewarding.”

From a young boy with a dream of riding big races on through today, as he rides one of the top contenders in the turf division in the U.S., Vickers’s passion for the horse remains steadfast.

“I’m incredibly lucky to be involved in the industry,” he continued. “It’s a labor of love, but it has taken me all around the world and introduced me to some lovely people, great teams and great horses. I think that’s what it’s all about. It’s being involved with these horses and seeing them progress. It’s really rewarding when things go to plan.”

Weekend Graded Preview Cont.

The New York-bred was a solid three length winner on debut at Saratoga Aug. 14.

This full field though is going to have to contend with morning-line favorite and Godolphin homebred **Mountain Breeze (Ire)** (Lope de Vega {Ire}) who trainer Charlie Appleby has sent up against some challenging English competition.

The half-sister to European champion 2-year-old colt Pinatubo (Ire) (Shamardal) was fourth in the G3 Albany Stakes at Royal Ascot in June, finished as the runner-up in the G2 Duchess of Cambridge Stakes at Newmarket July 12 and once again was second best over the same grass surface in the G3 Solera Stakes Aug. 10.

“She [Mountain Breeze] has settled into her new training regime well and she has looked very comfortable in her track work,” said Charlie Appleby. “This will be the first time she has raced on a turn, but she has shown in her work at home that she handles it well.”

The Woodbine Saturday card does not get any easier for the locals in the Summer Stakes as Godolphin's **Al Qudra (Ire)** (**No Nay Never**) and Qatar Racing's **New Century (GB)** (Kameko) seek to pillage a pass to the GI Breeders' Cup Juvenile Turf. The former won the Pat Eddery Stakes at Ascot in late July, while the latter was the runner-up in that race before taking home the Stonehenge Stakes at Salisbury in mid-August.

punch his own ticket to the GI FanDuel Breeders' Cup Mile and he seems ready to take home his first North American Grade I win after serving as the runner-up in the GI Makers Mark Mile at Keeneland in April and the GI Turf Classic at Churchill on the Derby undercard.

“Woodbine is a fair track and is always well maintained,” said Appleby. “This horse has won on both quick and yielding ground, so we don't have any concerns ahead of the weekend. He had a nice break after his run at Churchill and the team are very happy with him. He is from a family that I know well having trained both the dam and her half-brother, Outstrip (GB), who was my first Breeders Cup' winner 2013.”

The signature GI Rogers Woodbine Mile occupies a special place in North American turf racing history and this edition sports a clear favorite in Godolphin homebred **Naval Power (GB)** (Teofilo {Ire}). The 4-year-old gelding will be the favorite to

It would not be a Turf Champions Day in Toronto without the GI E.P. Taylor Stakes, which pound for pound might be the best race of the entire weekend. There is quality here with the last two Canadian Horses of the Year present in **Moira** (**Ghostzapper**) and **Fev Rover (Ire)** (Gutaifan {Ire}).

“The E.P. Taylor has always been on her calendar,” said Moira’s trainer Kevin Attard. “It’s a bit earlier this year, which gives her more time to the Breeders’ Cup. That’s her ultimate goal, and you kind of work backwards from that.”

If that is not enough for you, then **Cinderella's Dream (GB)** (Shamardal) should impress after the Appleby trainee swept the GI Belmont Oaks and GI Saratoga Oaks this summer at the NYRA tracks. The 3-year-old Godolphin homebred has only lost once over seven races. Rounding out the six-horse field is French GSW **Blush (Ire)** (**Kingman** {Ire}), Canadian MGSW **Full Count Felicia** (**War Front**) and French MG1SW **Blue Rose Cen (Ire)** (**Churchill** {Ire}).

The Road Taken

After some **point tweaks to the format**, the 2025 Derby and Oaks roads are open for business as Churchill Downs's pair of races on Saturday are all about the trail to May.

The GIII Pocahontas Stakes might turn out to be a slugfest for Oaks points between the three fillies who are drawn to the outside. Bred and owned by the Collinsworths of Texas, **Stiletto** (**Upstart**) broke her maiden at Lone Star Park by a country mile under Bret Calhoun in late June, then won the Debutante Stakes at Ellis Park Aug. 11.

To her outside is **Kimchi Cat** (**Twirling Candy**), who won second out at Saratoga in mid-July and did not miss the turf when she netted the Bolton Landing Stakes upstate Aug. 18. Both may have to keep their eye on debut winner **Liam in the Dust** (**Liam's Map**) who delivered as a well-backed favorite at Ellis in August.

Switching over to the boys, a bunch of Derby dreamers are hoping their stars align in the renewal of the Gill Iroquois Stakes. Speaking of astronomical phenoms, **Jonathan's Way** (Vekoma) charted a late run at first asking in Saratoga Springs Aug. 17 and the performance earned Rigney Racing's dark bay a 'TDN Rising Star' for his effort.

Out of the eleven other colts in this field, **Owen Almighty** (Speightstown) could pose the biggest threat. The bay took to the dirt under the Twin Spires on debut and won by 3 1/2 lengths, and then drew off to take the Juvenile Stakes at Ellis Aug. 11.

Finally, **Authentic Strike** (Authentic) looks to hand his freshman sire his first stakes win, and trainer Dale Romans has entered **Mesero** in a spot he has won four times. The grey's sire took home the 2016 Iroquois for the Hall of Famer--**Not This Time**.

The Big A Is Back

Venerable Aqueduct is up once again since Belmont is still under construction, and their graded Saturday offering is the Gill Fasig-Tipton Jockey Club Oaks Invitational Stakes for 3-year-old fillies over the grass. Even though there is no overwhelming morning-line favorite, LNJ Foxwoods's **Mixologist** (**Frosted**) could be the standout despite being elevated from second to first after a disqualification against optional claimers at the Spa Aug. 16.

Opposing her, will be German import **Lady Mary** (**Ger**) (Lawman {Fr}) who was last seen running third in the G1 German Oaks at Dusseldorf in early August and makes her U.S. debut for trainer Jack Sistonson.

Also making the gate and hoping the stretch out suits is Godolphin homebred **Beautiful Love** (**Ire**) (**Siyouni** {Fr}). The Appleby trainee appears poised to avenge her sixth-place finish in the Gill Lake Placid Stakes at Saratoga Aug. 17.

GIII Pocahontas (Race 8) – Pretty Sure (#6) broke her maiden like a filly with a future, making a sustained four-wide rally on the far turn en route to a dominating come-from-behind debut score for Brendan Walsh going six furlongs at Ellis Park Aug. 25. She obviously lacks seasoning and faces a very tough group in this deep renewal of the Pocahontas--headed by deserving favorite **Kimchi Cat (#13)**--for just her second career start stretching to a one-turn mile, but she should have plenty of pace to close into if she's good enough. Out of 2009 GI Breeders' Cup Juvenile Fillies runner-up Beautician (Dehere), the added distance could also play to her advantage in this wide-open affair. **Selection: #6 Pretty Sure (12-1).**

GIII Iroquois (Race 10) – Magnitude (#8) took a major step forward to graduate impressively in front-running fashion at second asking at Ellis Park July 20 and should offer plenty of value as the road to the Kentucky Derby officially kicks off in this fantastic edition of the Iroquois. The Winchell Thoroughbreds colorbearer gained useful racing experience finishing fourth in his unveiling for Hall of Fame trainer Steve Asmussen going 5 1/2 furlongs beneath the Twin Spires June 6, then dominated his eight rivals stretching to seven furlongs while earning a 79 Beyer Speed Figure last time. He's been training smartly since (has a pair of five-furlong bullets at Ellis and Churchill Downs on his

worktab in the interim), is drawn well on the outside and is fast enough to secure a tracking trip with plenty of other speed entered in this first try at a mile. Magnitude's sire **Not This Time** is already responsible for six winners at the top level, including the Asmussen-trained **Epicenter** and Cogburn. The \$310,000 KEENOV weanling turned \$450,000 KEESEP yearling was produced by the Bernardini mare Rockadelic, a daughter of MGISW and GI Breeders' Cup Juvenile Fillies runner-up Octave (Unbridled's Song). **Jonathan's Way (#10)** is a very deserving favorite after delivering one of the more impressive maiden victories at Saratoga this summer. **Selection: #8 Magnitude (8-1).**

“The Mixto full-brother is making everybody's list and then we have others that are hitting, so knock on wood, it should be an exciting Book 3 for us,” Jak Knelman said from a rainy sales barn on the auction's dark day Friday.

Knelman's parents, Kip and Suzanne, had initially claimed Mixto's dam, Musical Mystery (Concerto), at Gulfstream in 2015 with the intention of reselling her in foal in the fall. But when bidding stalled at Keeneland that November, the Knelmans bought the mare back for \$42,000.

“My parents claimed her for \$12,500,” Knelman said. “They loved the pedigree. At that time we were also trying the claim-and-flip game. So we put her into a mare share with Awesome Again. Quiet honestly, we were shocked she didn't bring more. So we bought out the mare share. That's how we got her.”

Mixto | Benoit

Musical Mystery is a full-sister to Grade I winner Rigoletta, who is the dam of GI Breeders' Cup Dirt Mile winner Battle of Midway (Smart Strike).

The mare's Awesome Again colt sold for \$190,000 at the 2017 September sale and her Distorted Humor colt brought \$180,000 at the 2019 auction. While Mixto missed the September sale, he ultimately sold for \$140,000 at the 2022 OBS April sale.

“He had quite a bit of vetting--I think five vettings--and we were pretty confident that we would hit our reserve at \$150,000, but I guess no one hit it,” Knelman said of Mixto's appearance at OBS. “He went in :10 2/5, which is fast enough, but I guess not fast enough for people. Right after, I got a call from Eddie Kane to see if it was buy-back. And Calumet bought the horse.”

Knelman credits his mother with the mating with **Good Magic** that produced Mixto and then ultimately the mare's current yearling. **Cont.**

“My mom is the pedigree person and she thought the perfect cross would be **Good Magic**, a first-year stallion, and obviously that turned into Mixto,” Knelman said. “He was a beautiful horse and that had my mom pushing to go back to a bubble year-stallion. **Good Magic** is such a quality horse, but she wanted to take that risk because we saw such a great result with Mixto. And we got pretty much the same package. That's the feedback that we are getting with this colt—very similar to Mixto—is that he looks like his sire. Musical Mystery is a beautiful mare, big and with perfect angles. I think the **Curlin**, **Good Magic** is a perfect physical match for her.”

Mixto as a yearling | *Thorostride*

Mixto had hit the board in three graded races before his breakout win in the Pacific Classic. He was runner-up in last year's GII San Antonio Stakes and third this year in both the GII San Pasqual Stakes and GIII Californian Stakes.

“If you look back at Mixto's races, he would be finishing strong,” Knelman said. “You don't get any accolades for galloping out strongly in front, but that's what he kept doing. I think putting him on the front end, that's his style and he is able to cruise at high speeds.”

While Kip Knelman was out at Del Mar to enjoy the Grade I victory in person, his son watched the race while waiting out a rain delay at a UK football game.

“Me and my close friends were screaming at the top of our lungs,” he said. “I think everybody thought maybe we had had too much to drink. It was fun.”

Hip 1301 | *Thorostride*

The plan now is for Mixto to train up to the GI Breeders' Cup Classic. What would having a horse in the Classic mean to the farm?

“It's incredible,” Knelman said. “We are a small farm. It's the dream. It's been a family affair with my parents, years of cultivating families together, and to see it come together like this, it's extremely gratifying. We are enjoying the moment.”

Farfellow Farms has just 10 to 12 mares and Knelman gave credit to farm manager Josh Hennessy for much of the farm's success.

“Josh Hennessy does a really great job of raising horses and using a very natural hands-on approach,” Knelman said.

As for Musical Mystery, the 12-year-old mare had no reported foal this year, but was bred back to **Good Magic's** Kentucky Derby-winning son **Mage** this spring.

Knelman said there was plenty of activity at the sales grounds Friday ahead of the opening session of Book 3 Saturday morning.

“There are a lot of people looking right now,” he said. “If you have the horse, the buyers are here.”

INTEREST IN BREEDERS' CUP HOPEFUL KILWIN TO BE OFFERED DURING KEENELAND CHAMPIONSHIP SALE AT DEL MAR

A 25% fractional interest in the undefeated stakes-winning juvenile filly **Kilwin** (**Twirling Candy**), winner of the Untapable Stakes at Kentucky Downs Sept. 8, will be sold at the inaugural Keeneland Championship Sale, to be held the evening of Wednesday, Oct. 30, in the paddock at Del Mar, site of the 2024 Breeders' Cup World Championships Nov. 1-2, the sales company said in a release on Friday morning.

Kilwin, owned by BBN Racing and trained by Rusty Arnold, is scheduled to make her next start in the GI John Deere Breeders' Cup Juvenile Fillies Turf on Friday, Nov. 1. A Keeneland September Yearling Sale graduate, Kilwin is undefeated in two career starts, winning her debut at Ellis Park July 27 before her victory in the Untapable Stakes.

The fractional ownership interest in Kilwin will be consigned to the sale by Royal Oak Farm (Damian and Braxton Lynch), agent.

"For us at BBN Racing, it's been very rewarding these past few years to bring new people into racing and to have fun and share the ride together," BBN Racing co-founder Brian Klatsky said.

"The memories and friendships we created around [Grade I winner] Concrete Rose were very special. We feel it's a similar situation with Kilwin. We hope to share this journey with someone who wants to experience racing at the highest level.

"Our plan is to race Kilwin with our new partner throughout her career and when we retire her for breeding, we will sell her at Keeneland as a broodmare prospect," Klatsky said. **Cont.**

By **Twirling Candy**, Kilwin is the third stakes winner produced by her dam, Spanish Star, by **Blame**. Her 3-year-old half-sister is stakes winner **Just Basking** (Arrogate), who finished third in this year's GI Alabama Stakes at Saratoga on Aug. 17. Kilwin's half-brother **One Timer** (Trappe Shot) won the Franklin-Simpson Stakes at Kentucky Downs in 2022 and has earnings of more than \$900,000.

"Keeneland is excited to offer Kilwin at the Championship Sale, and we thank BBN Racing for their support," Keeneland President and CEO Shannon Arvin said. "Keeneland and BBN Racing share a common goal to provide unique opportunities for prospective buyers to experience the fun of horse ownership and especially the thrill of participating in the Breeders' Cup with a world-class contender."

"The Championship Sale is an example of the creative offerings Keeneland is excited to provide as we meet the emerging trends in our sport," Keeneland Vice President of Sales Tony Lacy said. "We take our relationship with our customers very seriously; our role is to create the best sales environment possible for buyers and sellers to enjoy success."

Horses may be entered in the Keeneland Championship Sale at any time prior to the auction by contacting the Keeneland sales team, who will provide concierge entry services. The catalogue will feature:

- Horses entered in the Breeders' Cup or Breeders' Cup undercard races; may include full sale or fractional ownership interest;
- Bloodstock closely related to contenders in the World Championships;
- Stallion shares or breeding rights in sires.

Given the proximity to the Breeders' Cup races, all catalogued horses will be offered remotely, but will be available for inspection by appointment with the seller in their respective locations. Video of each hip will also be provided to prospective buyers.

Participation in the Keeneland Championship Sale is by invitation; buyers and sellers will be contacted individually by Keeneland sales representatives.

HORSES COMING BACK ON SHORT REST THRIVED AT KENTUCKY DOWNS

Goliad | Coady Media

by Bill Finley

In most barns, after winning a \$500,000 handicap at Kentucky Downs on Sept. 1 the 7-year-old gelding **Goliad** (**War Front**) would have gone to the sidelines, the trainer not daring to run him back in less than six weeks or so. Not Goliad. Hall of Fame conditioner Richard Mandella brought him back in six days.

With so much money available at Kentucky Downs, a number of trainers ignored conventional wisdom and gave their horses two starts at the seven-day meet. That meant layoffs of no more than 13 days, with some horses running in as little as six days. Fifteen horses made two starts at the meet, and the results were eye-opening. Four of the 15 won in their second try at Kentucky Downs.

The list is headed by Goliad, who won the \$2 million GIII Mint Millions Stakes just six days after the win in the handicap race. He beat GSP **Cash Equity** (**Fr**) (Toronado {Ire}) who was also coming back in six days after running in the same handicap. Goliad paid \$21.14 and the Goliad/Cash Equity exacta paid \$232.84.

A third Mint Millions starter, GSP **Irish Aces** (Mshawish), came back after nine days, but finished sixth.

"It all depends on the horse," Mandella said. "He's a big strong horse and that track you have a horse-for-course situation. Once we knew that he liked it we didn't hesitate to go right back. Over the years, I haven't run a lot back that quick but among the ones that I did I can't remember one that didn't run well. You usually have to give them a rest after that. I was surprised that he beat as good horses as did. He was full of confidence and that helped."

With their horse making two starts at the meet, Goliad's owners Perry and Ramona Bass made \$1,482,800 in just six days. **Cont.**

**Aidan O'Brien shares updates on
 City of Troy and other
 Breeders' Cup-bound trainees.** 

On the Sept 8 card two horses who were making their second start at the meet won. **Tiztastic** (**Tiz the Law**) won the \$1 million Kentucky Downs Juvenile Mile Stakes for Steve Asmussen. Five races prior **Black Iron** (**Constitution**) won a maiden special weight race off a 10-day layoff. He, too, was trained by Asmussen.

Tiztastic, a two-time winner at the meet, made \$4,000 in his first start, running fifth in a maiden race at Saratoga. Over the span of two races and 10 days, he earned another \$738,300 for the ownership group of Winchell Thoroughbreds and Coolmore.

The fourth winner among the group was **Ramsey Pond** (**Divisidero**) the winner of a maiden race for Saffie Joseph Jr. after a 13-day layoff.

“She bounced out of her first start there really good and we had another chance to run for that kind of money,” Joseph said. “It was the same race [a maiden special weight] that she ran in the first time. You don’t often see that, the same race being carded just 13 days apart. You have to do what is right for your horse and she was showing me that she was ready for this. They do this quite often in Europe.”

Bellavinino | *Coady Media*

No trainer was more willing to run his horses back on short rest than Joseph. He had five entered that made two starts at the meet. In addition to Ramsey Pond and Cash Equity, he finished second with **Bellavinino** (Get Stormy) in the \$1 million Kentucky Downs Juvenile Fillies off a 10-day rest. The juvenile filly is being offered in the Inglis Digital September Sale later this month. Joseph also had success **Axthelm** (Into Mischief), who ran third in the GII Turf Sprint S. off a six-day layoff.

“It’s amazing how well all these horses [running for the second time at the meet] did. It was a great betting angle,” Joseph said.

LETTERS TO THE EDITOR

LETTER TO THE EDITOR: HOW THE INTERNATIONAL COMMUNITY DEALS WITH CONTAMINATION

Craig Bernick | *Keeneland*

by *Craig Bernick*

I read with interest the [TDN article about Jorge Duarte](#), which is the latest in a pattern of stories about trainers (George Weaver, Rusty Arnold, etc.) with positive tests that have seemingly come from contamination.

Glen Hill Farm has been racing and breeding horses since 1967. We are an American-based operation but have been building in Europe and Australia for the last decade.

Having served on many industry boards, I always understood the goal for medication reform was for American racing to first have uniformity between states and then hopefully to come in line with international standards. To sum up 40-plus years of infighting in one sentence, the Lasix debate prevented real progress or consensus for decades, and HISA was ultimately advocated for and pushed through. I am a supporter of HISA as it’s a better system to advocate for change from one organization making policy instead of many. However, from my experience, the European and Australian rules and governing organizations are simpler and way more practical than ours.

Referenced [here](#) is a race we participated in at Le Mans, a small racetrack in France, on April 29. Our horse, Bet Me, finished third in the race. The second-place finisher was owned by Godolphin and trained by Andre Fabre, and was disqualified for having a positive test. It was for a banned substance. Google Translate is a wonderful tool, and I learned that France-Galop investigated and found the positive test came from

contamination, as none of banned substance was found in the yard. So the horse was disqualified, but the trainer had no suspension, which to me is the correct course of action in a case like this.

--Craig Bernick is the president of Glen Hill Farm.

MARIA BORELL RETURNS WITH CALIFORNIA TRAINING LICENSE

Maria Borell, known for training Eclipse Champion Sprinter **Runhappy** (Super Saver) in the lead up to his win the GI Breeders' Cup Sprint, has been issued a trainer's license in the state of California. The Daily Racing Form first reported the news Friday.

In 2016, Borell and her father, Charles, were charged in Kentucky with 43 misdemeanor counts of animal cruelty. The charges against her were dropped last year and the DRF noted that Borell plans to train for several clients in California.

According to CHRB spokesperson Mike Marten, Borell made initial inquiries about her Californian licensure earlier this year, to begin the process.

"Because she hadn't been licensed for some time, it's a normal process to re-test," said Marten. "She did take tests with the stewards and an official veterinarian, and she passed those. Beyond that, she had other criteria to meet--like workers comp--and she met all those."

Borell was ultimately granted a license "because there was no legal impediment to being licensed in California," said Marten.

THIRTEEN STARTERS, 10 WINNERS, 23 DAYS: HUBERT GUY'S REMARKABLE RUN *by Sue Finley*

Hubert Guy is on a hot streak | *Scoop-Dyga*

Everyone knows a life in racing can be a grind, even for the most optimistically minded. While the highs are high, the lows are lower, and there's far more losing than winning. Except for Hubert Guy the past three weeks.

From August 22 to September 13, 13 of Guy's equine purchases have been sent out to race. Ten of them have come back winners. The winners have included two-year-old maiden winners, a **'TDN Rising Star'**, graded stakes winners, a few promising young horses, and some useful winners. They have spanned a weanling purchase, three yearling purchases, a two-year-old buy, and several private transactions. There have been first-time starters, maiden winners, allowance and handicap horses, and two graded stakes winners at Saratoga

"The first one or two, you say, 'oh, I'm lucky,'" said Guy. "'I'm on a hot streak.' But it just kept going and going."

The streak began on August 22 when **Freja (Fr)** (Toronado {Ire}) won a Deauville handicap, and currently stretches to Friday, when **Olya (Ire)** (Persian King {Ire}), won a Saint-Cloud handicap for Livinia and Andre Fabre.

"When you buy a horse, you always think you bought a great horse," said Guy, standing outside the Keeneland sales pavilion on Thursday. "You come out of Keeneland, where we are now, and think you bought the best, the next Secretariat. It's the way this business works. But of course, there's a lot of disappointment. I have had quite a bit of success buying yearlings. I can't complain about that. I try to buy them thinking, 'let's not go overboard.' I try and be reasonable."

During Guy's current streak, **Jovialite (Medaglia d'Oro)**, which he bought as an OBS March two-year-old, sticks out as a special pick. She was a six-length winner in her Sept. 9 debut at Saint-Cloud, and was named a **'TDN Rising Star'**.

"Jovialite might be the best horse I ever bought," said Guy. "I bought her in Ocala at the OBS March Sale for \$225,000, for the same group that we bought Onesto (Frankel) for; he was subsequently a Group 1 winner. We bought him at OBS April four years ago. Jovialite was a beautiful mover who worked well. She's a Louisiana-bred and I think that's why we didn't have a lot of opposition when we bid on her, because if she had been Kentucky-bred, she would probably be a lot more expensive."

His first graded stakes winner in the run was **Beaute Cachee (Fr)** (Literato {Fr}), an August 22 winner of the Grade II Ballston Spa Stakes.

"Beaute Cachee was a filly I bought privately for Sol Kumin and partners, Michael Dubb, Mike Caruso, and Louis Lazzinaro," said Guy. "She was running in big handicaps. She ran 9th in the French Oaks. She was a medium-size filly, not very big, but she moved well and she had a very good attitude. We bought her privately, and she became a Grade I winner. She won the Jenny Wiley, and now a Grade III and a Grade II."

Undeclared Zulu Kingdom is among the streak | Sarah Andrew

His next graded stakes win came from **Zulu Kingdom (Ire)** (Ten Sovereigns {Ire}), whom he had purchased privately from Elisabeth Fabre. "The idea was that if he was good enough, he could maybe run in the Breeders' Cup at the end of the year." Zulu Kingdom broke his maiden at Saint-Cloud on June 4, where he raced greenly to win. Guy suspected the best was yet to come. "Chad Brown did a wonderful job with him. He won the Grade II With Anticipation first time out in America. Not too shabby. We're pretty happy with that."

Child of the Moon (Fr) (The Grey Gatsby {Ire}) also won at Saratoga for Kumin, Dubb, and Lazzinaro, taking a Sept. 2 allowance race. The group has graded aspirations for her.

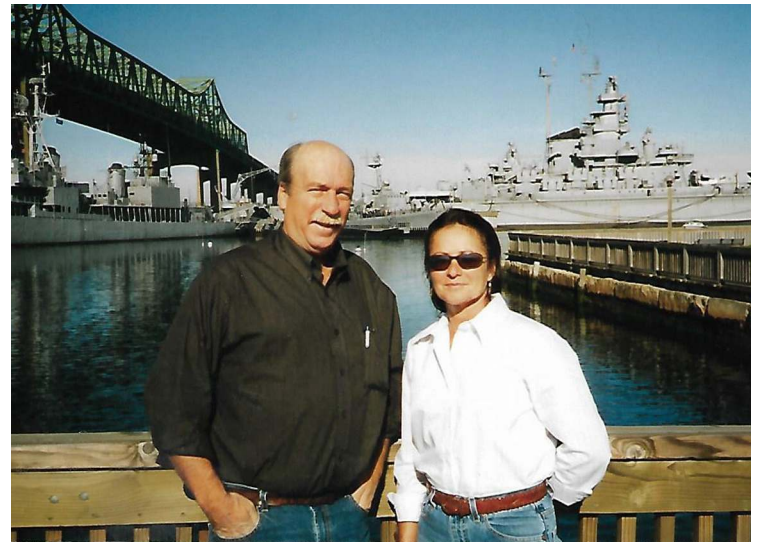

The 10th win in the streak came Friday at Saint-Cloud, when **Olya (Ire)** (Persian King {Ire}), an inexpensive Arqana October yearling, won a handicap.

Guy said he never has a lot of orders to fill at the yearling sales, despite the success he has had. "I don't know why," he said. "People probably think I can only buy horses in training. But I have a group of regular, very strong, very loyal customers," he said, naming Kumin, Dubb, Lazzinaro and Caruso. We have had a lot of luck together. Pretty much everything has been trained by Chad, and Chad has been a wonderful asset. He's a really good trainer, and he really understands those European horses. He gives them so much time. He's so patient. It's quite impressive."

BLUEGRASS HORSEWOMAN DANI PARRISH PASSES AWAY

Dani Parrish with Robert Pincins | courtesy of the Parrish Family

A dedicated horsewoman who ran Ridgefield Farm in Shelbyville, Kentucky, Dani L. Parrish passed away Aug. 29. She was 59 years old. Born in Denver, Colorado, Parrish was one of seven who grew up going to racetracks and her love of horses drew her to enter the business which spanned over 40 years.

She and her partner, trainer Robert "Boston Bob" Pincins, built their business from the ground up at Ridgefield. Mainly racing in Kentucky, Indiana and Ohio, the pair developed young horses and Parrish was integral to farm's success with her ability to rehabilitate equine athletes in need of care or attend to those that just needed some time off. Described by her family as a "horse whisperer," Parrish was deeply committed to animal welfare and compassionate care.

She is survived by her mother, Shirley A. Jones, siblings, Brian H. Jones, Denise S. Smith (Dennis), Diane C. Link (Steve Brown), Ron E. Jones (Karla) and Stephen W. Jones. Parrish was preceded in death by Pincins, who passed away in February of last year, her father, Lawrence R. Jones, and her brother, Kenneth S. Jones. In accordance with her wishes, Parrish will be cremated and there will be no services.

STORYTELLING HORSEMAN NEIL HUFFMAN DIES AT THE AGE OF 87

Neil Huffman | *courtesy of Churchill Downs*

Horseman and known storyteller in Kentucky's horse racing community, Neil Huffman has died at the age of 87, according to a release from Churchill Downs on Friday.

Huffman's deep love for horses and contributions to the Thoroughbred racing industry spanned more than 50 years, as he leaves behind a legacy of hard work and will be remembered for his warm personality.

With an uncle who was a clocker at Churchill Downs, his early education in horse racing led him to co-manage the Skylight Training Center alongside his late brother, William "Blackie" Huffman, where the pair foaled, broke and raced horses.

Huffman could hold an audience with his tales from the track, and captivated friends and colleagues alike in places like Wagner's Pharmacy and near barn 46 at Churchill.

Huffman is survived by his daughters Carla (Andy) Lucas, Lori (Bob) Liter and Deanna (Keith) Bunner; eight grandkids (Katie, Ally and Sam Dedich; Adam and Andrew Bunner; Christopher Drew Lucas, Kate McMorrow and Emmy Kupper); five nephews (Michael, Patrick, Ben, Daniel and Gary Lee Huffman) and numerous grandnieces and nephews.

A celebration of Huffman's life will be held at a later date on the backside of Churchill Downs.

CDI RETURNS AS TITLE SPONSOR OF THOROUGHBRED MAKEOVER CHAMPION

Churchill Downs Incorporated (CDI) has returned as the title sponsor of the 2024 Thoroughbred Makeover Champion, the Retired Racehorse Project (RRP) said in a Friday release.

The title is awarded to the horse selected by a panel of judges as having the highest level of training at the Thoroughbred Makeover and National Symposium, presented by Thoroughbred Charities of America, which takes place Oct. 9-12 at the Kentucky Horse Park in Lexington.

"The continued impact of the Retired Racehorse Project is dependent on racing institutions such as Churchill Downs Incorporated and their recognition that successful aftercare is a multi-faceted issue," said Kirsten Green, RRP executive director. "The RRP is deeply grateful to CDI for many years of meaningful support and partnership."

NEW JERSEY GOV. MURPHY EXTENDS PURSE ENHANCEMENT FOR RACING

New Jersey Governor Phil Murphy has signed legislation that will extend the \$20 million annual purse enhancement for horse racing in the state, with the appropriation now running through to 2029, the Governor's office announced Friday.

Monmouth Park will receive \$10 million annually for purses, with the remaining \$10 million going toward purses at the Meadowlands Racetrack and Freehold Raceway, as well as money earmarked for bonuses for state-sired horses and breeders' awards.

"Given the critical importance of the horse racing industry to not only the state's economy, but to farmland and open space preservation, I am signing this legislation to signal my desire for the state to continue to make this investment each year at the level directed in the bill," said Gov. Murphy. "New Jersey's horse racing industry is a key economic engine, supporting thousands of jobs and attracting tourists and fans from around the world. The funding promised by this legislation will allow New Jersey to continue to offer one of the most exciting horse racing experiences in the nation, while also providing a boost to an industry that is integral to our economy."

The original legislation designating the purse enhancement for racing was signed by Gov. Murphy in February of 2019. That includes \$20 million for purses already appropriated for the state's fiscal year 2025.

GISW WICKED STRONG PENSIONED FROM STUD DUTY, RETIRED TO MA

GI Wood Memorial Stakes winner Wicked Strong (**Hard Spun**--Moyne Abby, by Charismatic) has been pensioned from stud duty, gelded and retired to the Massachusetts farm of Centennial Farm owner Don Little, Jr.

An earner of nearly \$2,000,000 through his racing career which spanned from 2013 to 2015, Wicked Strong broke his maiden at second asking at Belmont Park and was third in the GIII Remsen Stakes before winning the Wood Memorial. After finishing fourth in both the GI Kentucky Derby behind California Chrome (Lucky Pulpit) and the GI Belmont Stakes, he responded with a win in the GII Jim Dandy Stakes and was second by a nose in that summer's GI Travers Stakes. His 4-year-old season saw him earn placings in the GIII Excelsior Stakes, the GI Woodward Stakes and the GI Jockey Club Gold Cup Stakes before he retired after coming home fourth in the GI Las Vegas Breeders' Cup Dirt Mile. Initially retired to Spendthrift Farm, Wicked Strong sired GII Remsen Stakes winner Brooklyn Strong. He relocated to Pin Oak Lane Farm in Pennsylvania in 2020 but returned to Spendthrift Farm just this summer as a gelding and now heads to Massachusetts to join Little and his family.

"We couldn't be happier to bring Wicked Strong home," said Little, Jr. "He provided us with some of the greatest memories of our lives and we can't wait to spend the rest of his life spoiling him and thanking him... and maybe hopping aboard! Our thanks to everyone at Spendthrift Farm and Pin Oak Lane Farm for prioritizing his well-being over the years and for coordinating with us to give us this opportunity."

Les Reys | Coglianese

Making her belated U.S. debut in Friday's opening-day Winter Memories Stakes at the Belmont at the Big A, French import Les Reys split horses decisively with time ticking away and was home first to record a second consecutive victory at stakes level.

Scratched down onto the rail, the gray filly was content to take back and raced just behind midfield while perhaps a fraction keen as Ori came across from her widest draw to cut out decent splits up front. Angled out into the clear at about the midway point of the backstretch, Les Reys traveled in the three-wide line and was asked to follow the heavily favored GSP Dynamic Pricing for the run around the turn. While the chalk was committed to a wide run, Rosario opted for a path closer to the rail. Les Reys split horses entering the final furlong and again in the dying strides to be up for the victory. Ori held for second ahead of Dynamic Pricing in third.

Winter Memories S. cont.

Trained in France by Didier Guillemin, Les Reys was a maiden winner at first asking at Bordeaux Le Bouscat last September, belied odds of 26-1 to beat the boys in a soft-ground handicap over 1300 meters at ParisLongchamp May 9 and capped that portion of her career with a defeat of her peers in the one-mile Listed Prix Volterra at the Paris venue June 9. She was to make her stateside debut in the GII Lake Placid Stakes at Saratoga Aug. 17, but was scratched in favor of this easier contest.

"This was a horse he [trainer Christophe Clement's French-based brother Nicolas] had been following and won really impressively in France at Longchamp," said Tom Bellhouse, executive vice president of West Point Thoroughbreds "We put a partnership together which we've done a number of times with Christophe. It took a little while to get her to the races, but what a thrill."

Les Reys is one of five black-type winner for her sire (by Kheleyf) and is the second winner from three U.S. starters. She is one of seven winners from nine starters out of a half-sister to SW & Group 3-placed Katie's Diamond (Fr) (Turtle Bowl {Ire}), whose daughter Dramatised (Ire) (Showcasing {GB}) won the G2 Queen Mary Stakes was second in the GI Breeders' Cup Juvenile Turf Sprint in 2022 and added the G2 Temple Stakes at three in 2023. Allegria is also the dam of a 2-year-old colt by The Grey Gatsby (Ire). **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

EXTRA ANEJO (c, 4, Into Mischief--Superioritycomplex {Ire}, by Hard Spun), named a no-brainer 'TDN Rising Star' on a single juvenile appearance at Keeneland in October 2022, returned from a 10-month absence to score when racing above his conditions at this level on May 30. Seventh as the favorite in the one-mile Hanshin Stakes June 30, the bay was cutting back to one turn off a fourth in the GIII WV Governor's Stakes Aug. 4. Sent off the 3-2 pick in this salty spot, the \$1.35-million KEESEP yearling was content to race in the clear down the backstretch and covered ground while remaining within striking distance on the turn.

Delivered wide into the stretch, Extra Anejo came calling for the lead four off the inside at the furlong grounds and held safe. Bromley (Mastery) ran on from the tail to spice up the exacta at 18-1. Greg Goodman's Mt. Brilliant Farm acquired the winner's dam for the equivalent of \$566,076 at the 2017 Tattersalls December Mares Sale and her half-brother Francisco Clemente (Ire) (Dubawi {Ire}) added luster to the pedigree this year with a victory in the GIII W.L. McKnight Stakes for Peter Brant and Chad Brown. Superioritycomplex is also kin to MSW & MGSP Abingdon (Street Cry {Ire}) and the deeper female family includes Eclipse Award-winning grass mare and MG1/GISW Islington (Ire) (Sadler's Wells). The mare produced a full-sister to Extra Anejo this year and was subsequently covered by **Uncle Mo**. Sales history: \$1,350,000 Ylg '21 KEESEP. SPEEDY TRAVELER (f, 4, First Samurai--Less Traveled, by Gottcha Gold), a winner of her first three career starts at Fair Grounds, was freshened after finishing fifth in the Roxelana Stakes over this course Apr. 27. She returned to finish fourth in an off-the-turf optional claimer going 5 1/2 furlongs at Saratoga Aug. 7. Backed at odds of 7-2 here, she set a pressured pace and splashed clear in the stretch to score by 5 3/4 lengths over Upper Case (**American Pharoah**). ETRURIAN (f, 3, Bucchero--Imperial Strike {SP}, by Imperialism), a well-beaten third behind subsequent GSW R Harper Rose (Khozan) in her 2-year-old unveiling for the recently retired Ralph Nicks in the Gulfstream mud last summer, made it a perfect three-for-three for trainer and co-owner Joe Orseno here. She won her previous two starts this term over the Gulfstream synthetic, including an optional claimer last time Aug. 2. Given a 3-1 chance in this first try on grass, she was bumped between rivals at the start. She quickly recovered to zip through fractions of :21.58 and :44.33 and wasn't for catching in the stretch. It was 1 1/2 lengths back to Super Freaky Girl (Bucchero), who completed the exacta for her sire. After producing a colt by Roadster this year, the winner's dam was bred back to Colonel Liam. BIG BOAT (c, 2, Nyquist--Irish Presence {SW & GSP, \$163,994}, by Midnight Lute) had given his connections enough confidence to ship in from Hawthorne off a solid worktab and was dispatched at live-enough odds of 15-2 to open his account at first asking. Under a busy ride from Cristian Torres from the opening bell, the dark bay settled in midfield and caught the eye with a strong inside move at the three-eighths. Continuing his advance into the stretch, Big Boat set his sights on pacesetting lukewarm favorite Furio (McKinzie), grabbed that one with a bit more than a sixteenth to race and came away to a very good-

looking victory. Kalahari Dreams (Country House), a \$250,000 KEENOV weanling, was second ahead of \$400,000 FTSAUG yearling Furio in third. Big Boat was bought back out of last year's Keeneland September Sale for \$120,000, and that decision looked a good one when he sold for \$460,000 at this year's OBS April Sale (breeze video). A half-brother to Elle's Town (Speightstown), SP, \$309,409, Big Boat is out of a half-sister to 10 winners, including SWs Mountain Range (Mountain Cat) and Royal Vindication (Vindication). The 12-5 second favorite was beaten for speed and settled just behind a group of five vying for command down the backstretch. Picking her way through traffic nearing the stretch, the \$250,000 KEESEP graduate was pointed at daylight four off the fence in upper stretch, hit the front at the furlong pole and went on to post a clear-cut victory over Nosleptilbrooklyn (Ghostzapper). Produced by a half-sister to Brazilian champion 3-year-old colt George Washington (Brz) (Redattore {Brz}) and Group 1 winner Bonaparte (Brz) (Elusive Quality), Evanesence has a yearling half-sister by Volatile and a foal half-sister by Twirling Candy. MANGETSU (f, 2, Lookin At Lucky--Orient Moon, by Malibu Moon) led into the final quarter-mile of her rained-off debut going a mile at Saratoga Aug. 21 before giving way to finish fourth, beaten double digits. Off at 83-10 in a wide-open betting affair this time around, the \$180,000 FTNAUG yearling acquisition raced handy to a moderate pace which saw the six furlongs posted in 1:14.07. Sent up after the pacesetting 11-4 favorite Young At Heart (**The Factor**) in upper stretch, Mangetsu wrested command outside the eighth pole and held firm as Willful Mama (**War of Will**) took a run at her late. A half-sister to Kept Waiting (Broken Vow, SW & GSP, \$388,350) a restricted stakes winner and second in the Gill Distaff Handicap, Mangetsu is out of a daughter of SW & GSP Career Oriented (Cat's Career), the dam of juvenile stakes winner One Step Ahead (**Upstart**). Also the dam of a yearling **Practical Joke** filly that sold to Saffie Joseph, Jr. for \$65,000 at this year's FTNAUG sale, Orient Moon produced a filly by **Blame** this term after selling for \$20,000 at the Fasig-Tipton Fall Mixed Sale in Saratoga. She was most recently covered by Jackie's Warrior. Sales history: \$180,000 Ylg '23 SARAUG. Lifetime Record: 2-1-0-0, \$46,650. THINK INDIAN CREEK

2nd-Belmont The Big A, \$75,000, (S), Msw, 9-13, 2yo, f, 1 1/16mT, 1:45.72, fm, 1 1/2 lengths.

GRACE AND GRIT (f, 2, Munnings--Sheriffa {MSW, \$469,984}, by Posse) made \$160,000 at last year's Fasig-Tipton Saratoga New York-Bred Sale and breezed a furlong in :10 flat before hammering for \$350,000 at the OBS April Sale. An easy-in-the-market 49-10 from a 5-2 morning line, the chestnut was ridden forward by Kendrick Carmouche and settled just off the speed before striding into the lead with about five-eighths of a mile to travel. Going along nicely while maintaining her advantage, Grace and Grit continued to pull out through the final furlong and had a break of 1 1/2 lengths on early leader Saratoga Snow (Vekoma) on the wire. Grace and Grit is the fourth winner for as many to race out of a half-sister to SW Tiergan (Afleet Alex) and MSP Might Be (Posse), the dam of SP Walk With Me (**Central Banker**). Sheriffa fetched \$140,000 in foal to **Charlatan** at Keeneland January in 2023, but that foal sadly passed away. Bred back to **Essential Quality**, Sheriffa sold to Calumet Farm for \$90,000 during the Fasig-Tipton Digital February Sale and produced a colt before visiting Calumet's Lexingtonian. Sales history: \$160,000 Ylg '23 SARAUG; \$350,000 2yo '24 OBSAPR. Lifetime Record: 1-1-0-0, \$41,250. [Click for the Equibase.com chart](#) or [VIDEO](#), sponsored by [FanDuel TV](#). --ALC

7th-Laurel, \$53,240, Msw, 9-13, 2yo, f, 6f, 1:12.12, ft, 7 1/2 lengths.

DAZE (f, 2, Sky Mesa--Dazzle'm, by Super Saver) amassed a very strong worktab at Fair Hill and was duly dispatched as odds of 11-10 to kick off her career on a high note. Kicked straight into the lead from gate five by Sheldon Russell, the Maryland-bred filly set the pace, responded when set down in upper stretch and pulled readily clear to score by 7 1/2 lengths. Hiya Love (Uncle Lino) chased throughout and settled for second at 10-1. Daze has a yearling half-sister by **Liam's Map**, a weanling half-sister by **Audible** and her dam visited **Nashville** this past season. Lifetime Record: 1-1-0-0, \$32,430. 6th-Delaware, \$40,375, Msw, 9-13, 2yo, 5 1/2f, 1:07.73, ft, 1 length.

MO MONEY MO MONEY (c, 2, Mo Town--Fancy Royal Dancer, by Albert the Great) hinted at some ability in his morning trials at Fair Hill but was let go at better than 11-1 for this first go. Away without incident from a middle draw, the homebred colt chased a loose leader through the early exchanges, bid for the lead nearing the stretch and plugged away to take it by a length from 8-5 firster Hawkstone (Catalina Cruiser). The winner's dam was bred to **Friesan Fire** for her 2025 produce. Lifetime Record: 1-1-0-0, \$24,000. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

U KNOW WHEN U KNOW (f, 2, Cupid--Kiss in the Forest {MSP, \$170,408}, by Forest Wildcat), overlooked at 7-1 in this debut run, was steadied between rivals in the early stages and was outsprinted in fifth. She launched with a flashy move while four wide on the far turn and kicked home nicely to deliver a neck victory in a wild finish. Mun Mun Can Run (**Munnings**) and Souper Amusing (English Channel) dead-heated for second. The winner is a half to Backinthewoods (Flashback), SP, \$339,427. WATHNAN RACING'S AESTERIUS PREVAILS IN FLYING CHILDERS THRILLER

Aesterius (I) beats Big Mojo | [Racingfotos.com](https://www.racingphotos.com)

by Sean Cronin

Wathnan Racing's **Aesterius (Ire)** (Mehmas {Ire}--Jane Doe {Ire}, by Hallowed Crown {Aus}) registered a second stakes success in ParisLongchamp's G3 Prix d'Arenberg at the beginning of this month and embellished his record with a game victory in Friday's G2 Carlsberg Danish Pilsner Flying Childers Stakes at Doncaster.

The £380,000 Goffs Breeze-Up graduate and 7-2 third choice broke swiftly and raced on the front end throughout this five-furlong dash. Coming under pressure at halfway, he refused to buckle in the closing stages and was driven out to deny familiar foe **Big Mojo (Ire)** (Mohaaather {GB}) by a neck after a thrilling ding-dong tussle. Irish raider **Magnum Force (Ire)** (Mehmas {Ire}) finished 1 1/4 lengths adrift in third.

"He hasn't done a lot wrong, I perhaps rode him too conservatively and felt I did a couple of things wrong in the [G3] Molecomb [when defeated by Big Mojo]," explained James Doyle. "When we went to France, I was keen to make use of his speed and did so again today. I spoke to Archie [Watson] beforehand and he told me to let him get out and do his thing. We raced pretty much by ourselves most of the way and he did have a look at the crowd when I put him under pressure, so that can only be a good sign." [Cont. p3](#)

'HE HAS A LOT OF CLASS': O'BRIEN LEANS TO ILLINOIS OF LEGER GALILEO TRIO

by Tom Frary

In the history of the G1 St Leger, it is hard to imagine a trainer going into a single renewal with a stronger hand than Aidan O'Brien enjoys on Saturday with his three sons of Galileo (Ire) all perfect candidates for the job. So perfect are the profiles of the trio for Doncaster that it is a shame for the operation that they have all come along at the same time, but in view of the long-term health of the "oldest Classic" it is fortunate for all that they have opted to send all three to post. While it is hard to get away from the feeling that **Illinois (Ire)** is the number one, particularly with Wayne Lordan booked, many will be looking at **Jan Brueghel (Ire)** and **Grosvenor Square (Ire)** as more than viable alternatives.

Illinois completed the 14 furlongs of Royal Ascot's G2 Queen's Vase in just over three minutes, so he has already been through the pain barrier that this race demands with its all-important extra 115 yards. Runner-up in the G1 Grand Prix de Paris and in the key prep, York's G2 Great Voltigeur Stakes, he has completed all the required steps to get to this point with an admirable honesty. [Cont. p8](#)

G2 Flying Childers Stakes Cont. from p1

Watson added, “James said he’s still very babyish and he came off the bridle early enough today. He’s still looking at things beside him as he’s running down the track. He won the Prix d’Arenberg last time out and just 12 days later he has backed it up, which is the same double we did with Soldier’s Call [in 2018]. He’s a very talented two-year-old and we’re very lucky to train him. I think next year is the time to explore six furlongs. The Breeders’ Cup will be his end-of-season target and it should really suit him. The question mark is do we have a crack at the [G1] Prix de l’Abbaye in the meantime. He’ll get 18 pounds off his elders and Soldier’s Call was only just beaten by Mabs Cross after winning this, so that will be discussed. It’s obviously going to be trickier next year for him so I often think it’s worth running them [in the Abbaye] at two if you’re happy with them. He’ll either have two more runs this year or one.”

The Breeders’ Cup remains the target for Big Mojo, according to Mick Appleby. “He’s run well, the ground has probably just gone a little softer than he’d like, but he’s run well,” the trainer said. “He maybe just hit the front a bit too soon today. Maybe he just needs holding on to a bit longer as, when he hits the front, he thinks he’s done enough. It was another great run, we’re happy with that and the plan is to still head for the Breeders’ Cup.”

Pedigree Notes

Aesterius is the first of three foals produced by a half-sister to G3 Horris Hill S. victor and G2 German 2000 Guineas third Tawhid (GB) (Invincible Spirit {Ire}). His multiple Grade III-winning second dam Snowdrops (GB) (Gulch) is out of the stakes-placed Roses In The Snow (Ire) (Be My Guest), whose descendants include G1 Prix Marcel Boussac heroine Tiger Tanaka (Ire) (Clodovil {Ire}). The January-foaled bay is half to a yearling colt and a weanling colt by Cotai Glory (GB).

SWEET WILLIAM HAS HIS DAY IN THE DONCASTER CUP *by Tom Frary*

Getting his reward for chasing home Kyprios (Ire) (Galileo {Ire}) at Ascot and Goodwood, Normandie Stud's **Sweet William (Ire)** (**Sea The Stars {Ire}**) took the opportunity to shine in Friday's G2 Howard Wright Doncaster Cup. Runner-up to **Trueshan (Fr)** (Planteur {Ire}) in this 12 months ago, the John and Thady Gosden-trained homebred had taken a step forward this season with a win in the G3 Henry II Stakes and placings in the G1 Gold Cup and G1 Goodwood Cup and entered this as the worthy 7-4 favourite.

After a tardy start, he was able to cruise more than is customary and provide Robert Havlin with an armchair ride throughout before being launched approaching the two-furlong pole. Soon beyond recall, he may have been idling in front as Trueshan narrowed the winning margin to a length. "I thought he quickened really well at the two today, nothing was going to take me any further," his rider explained. "I love riding him, he's a character and he deserved to win a race like this."

"We've been mucking about with him doing different things at home, letting him lead and stuff," he added. "We had a visor on him with these tiny slits and we've just made the slits a little bigger so he can see a little bit more. You just have to change

things around and keep him interested."

"He seems to be getting better, but you mustn't forget he had seven screws inserted in his leg when he was younger and you never know how that will affect them, mentally that can take its toll and with him there's always a little seed in there that might say 'not today, son'. He's never been out of the first three in his whole life. You could say he might have finished closer in some races, even in this last year he ducked a bit to his left."

Sweet William is a half-brother to the G1 St Leger, G1 Irish Derby and G1 Grand Prix de Paris hero Hurricane Lane (Ire) (**Frankel {GB}**) and his listed-placed full-sister **Frankel's Storm (GB)**, with the listed-winning dam Gale Force (GB) (Shirocco {Ger}) providing an exciting prospect at the upcoming Tattersalls October Book 1 also by that elite sire. Also responsible for a filly foal by Dubawi (Ire), she is kin to the G1 British Champions Fillies & Mares Stakes heroine Seal Of Approval (GB) (Authorized {Ire}) from the family of **Sea The Stars's** Derby and Irish Derby hero Harzand (Ire). TABITI PREVAILS IN THE DICK POOLE

by Tom Frary

Ralph Beckett was convinced that **Tabiti (GB)** (**Kingman {GB}**--
Lilyfire, by First Defence) had the speed for six furlongs and he
was proved spot-on as the Juddmonte homebred mastered her
first stern test in Friday's G3 Ire-Incentive, It Pays To Buy Irish
Dick Poole Fillies' Stakes at Salisbury. Impressive on debut over
seven furlongs at Newmarket last month, the half-sister to the
G2 Linlithgow Stakes winner Old Flame (GB) (Invincible Spirit
{Ire}) was in front for the first two furlongs under Rossa Ryan
before being headed by the slicker **Magic Mild (GB)** (Havana
Grey {GB}). Never out of a prominent position, the 11-4 second
favourite stayed on best to regain the initiative 100 yards out
and beat **Miss Fascinator (Ire)** (Mehmas {Ire}) by half a length.

"We dropped back to six because the race fitted before the
Rockfel rather than actually wanting to--it wouldn't have suited
her and neither would the tacky ground, so she has won against
the curve really," Beckett said. "Rossa said she didn't enjoy the
ground at all and was in front long enough, but she got into a
good rhythm. She's a smart filly and she's shown she's a good
filly by winning that, but I hope we can go on to even bigger
things. She's in the [G2] Rockfel in a couple of weeks, so we will
see how she comes out of this. We will aim high and I hope she
will progress into a really nice filly at a mile next year." **Cont. p6**

CARL SPACKLER'S SISTER A NEW TDN RISING STAR FOR VALMONT AND BALLYLINCH

by Tom Frary

All the rage ahead of Friday's British EBF Quidhampton Maiden Fillies' Stakes at Salisbury, Valmont and Ballylinch Stud's Ralph Beckett-trained **Sandtrap (Ire)** (Lope De Vega {Ire}--Zindaya, by More Than Ready) produced all the expected pyrotechnics to become her sire's 17th **TDN Rising Star**. Always travelling with intent under Hector Crouch shadowing the leader in this seven-furlong test, the 4-5 favourite was shaken up approaching the furlong pole and responded with zest to bound 4 3/4 lengths clear of **Jowddah (Ire)** (New Bay {GB}) who had been second in a Newmarket novice last month.

"She felt very professional, but I was anxious to teach her enough, as she's a filly we hold in high regard and education was paramount," Crouch said of the full-sister to last month's GI Fourstardave Handicap hero Carl Spackler (Ire) who was bought for 450,000gns at Tattersalls October Book 1. "Today's the first time I've sat on her--Rob [Hornby] rode her last Saturday and was very impressed and on that feel she's given me she's right up there with the best I've ridden. She moved lovely on the ground and she's a big, angular filly so if she falls away a bit after this we might have to put her away. If she bounces out of it, she could be in those big ones at the end of the year."

Beckett knew what he was dealing with after the sparkling piece of work Crouch referred to. "It wasn't a big surprise that

she was able to do that, what she did last week was a surprise," he explained. "It's a race that has been good to us over the last few years and I was keen to come. She's more coat-hanger than anything else, a frame still and it will be next year before she comes to full strength. I'm not hung up about running her again this year, if she needs to she will."

Sandtrap's dam Zindaya (More Than Ready) was a smart performer in her own right, winning the GII Goldikova Stakes and placing in two other graded-stakes contests. Her aforementioned son Carl Spackler is also the winner of the GII National Museum of Racing Hall of Fame Stakes, GIII Saranac Stakes and GIII Kelso Stakes, while her half-brother Western Aristocrat (Mr. Greeley) was successful in the GI Jamaica Handicap. Also a full-sister to the stakes-placed dam of the G3 Nikkan Sports Sho Shinzan Kinen scorer Noble Roger (Palace Malice), her 2024 colt is by **Uncle Mo** while she was also bred to **Justify**.

RACE PREVIEWS

St Leger Preview Cont. from p1

Beaten only by Los Angeles (Ire) (**Camelot {GB}**) at York last month, the half-brother to Danedream (Ger) (Lomitas {GB}) is close enough to the stable's elite to warrant maximum respect. "We always thought he'd stay and the Voltigeur was a lovely trial for him," he said. "Nice ground is important to him, he's closely related to an Arc winner so he has a lot of class and we think and hope the Leger will suit him well. We would have run him in the Derby, but City Of Troy was there. We've had the Leger in mind for a long time for him."

One thing is for sure and that is that Grosvenor Square will set a demanding test for his peers, having registered a sensational 2:56.50 winning time in the G3 Irish St Leger Trial Stakes at The Curragh. It is difficult to imagine a 20-length winner of a recognised prep not being in the first two in the betting and

the feeling is that he has at least one stablemate capable of reeling him in. It took an incredible effort from Tower Of London (Ire) (Galileo {Ire}) to do that in the G2 Curragh Cup, where he still managed to put seven lengths between him and the subsequent G2 Lonsdale Cup winner Vauban (Fr) (Galiway {GB}) under Gavin Ryan.

"He could be very different, a difficult horse to deal with if you are riding against him," O'Brien said of the 'pacemaker'. "If you let him go he might not come back and if you don't let him go he might kill you. He's unbelievable, he has an awful lot of stamina, a very high cruising speed and is very genuine. He's a very rare horse and I think he's very exciting for people to watch. He will make the Leger a very tough race, I think people will want to watch him from everywhere because he wears his heart on his sleeve."

Whether that war of attrition is what the unbeaten G3 Gordon Stakes-winning **TDN Rising Star** Jan Brueghel needs at this point of his career remains to be seen, given how green he has looked so far. His Goodwood form looks smart in hindsight, with the runner-up Bellum Justum (Ire) (**Sea The Stars {Ire}**) going on to glory in the GIII **Nashville** Derby but it may be his previous defeat of the smart Trustyourinstinct (Ire) (**Churchill {Ire}**) over an inadequate 10 furlongs in The Curragh's G3 International Stakes is worthy of more note. **Cont. p9**

St Leger Preview Cont.

“A long straight will suit him,” O’Brien said of the third piece of the puzzle. “He was very green the last day at Goodwood when the track didn’t really suit him, which can happen, but he got the trip well despite being the first off the bridle. We think he has improved a good bit since Goodwood. The form has worked out, it was a tough race for him but he dealt with it and was on top at the line.”

Fillies don’t have a strong record in this, with the extended trip tending to empty the tank but Ralph Beckett is the one trainer who has managed to produce one to upstage the colts in the 2015 winner Simple Verse (Ire) (Duke Of Marmalade {Ire}). Valmont and Newsells Park Stud Bloodstock’s G1 Irish Oaks heroine **You Got To Me (GB)** (Nathaniel {Ire}) has stamina to prove, but the way she saw out her midsummer mile-and-a-half tests including when second in the G1 Yorkshire Oaks suggests it is within reach.

“We go there with a solid chance of hitting the board I think and if she could be placed or better in another Classic, then all power to her,” Valmont’s racing adviser Alex Elliott said. “After The Curragh, Hector [Crouch] and Ralph felt they had a good handle on her moving forward and it looked that way at York. It was just about a career-best at York. She’s had quite a long year, but if Ralph is happy and thinks she’s happy then we’re all for having a go. Hopefully the ground will hold and we’re all really

looking forward to it.”

Strangely given his pedigree, Guy Pariente Holding and Qatar Racing’s **Sunway (Fr)** (Galiway {GB}) relishes a stamina slog as he proven when fourth in a highly attritional renewal of the G1 King George VI And Queen Elizabeth Stakes at Ascot in July. Closely tied on the formbook with Illinois on his G1 Irish Derby second, he helps make up a strong edition of this beloved race.

Trainer David Menuisier has enjoyed some ill fortune in the European Classics so far in 2024 and is keen to put that right here. “It would mean the world to me to win a Classic and especially the St Leger, as it’s the oldest Classic and is the representation of what I really love--those nice, middle-distance staying races,” he said. “Also it’s a race my old boss John Dunlop won a few times, with Moon Madness, Silver Patriarch and Millenary.”

“I’m trying not to think about it. We try not to get ahead of ourselves, as we’ve burned our fingers before and it will be hard to win, with Aidan sending some proper horses and a filly who could be good too, but it’s a challenge we are keen to grasp,” he added. “I think if anything the extra distance could be a plus, although he’s not really bred for it. He always looks as if he’s finishing his races well and a lot of horses by Galiway do well over jumps.”

'I'M NOT CONCERNED': MOORE BACKS AUGUSTE RODIN TO ERASE KING GEORGE ECLIPSE IN THE IRISH CHAMPION *by Tom Frary*

At once revered and maligned, Ballydoyle's **Auguste Rodin (Ire)** (Deep Impact {Jpn}) bids to put the critics in their place once again on Saturday as he heads back to Leopardstown for back-to-back renewals of the G1 Royal Bahrain Irish Champion Stakes, a "Win And You're In" for the GI Breeders' Cup Turf. Not even favourite this time, with all the expectation centred around the British raider **Economics (GB)** (Night Of Thunder {Ire}), he nevertheless has everything in his favour once more and could be set for another *tour de force*.

Fading out of things in the straight in the G1 King George VI And Queen Elizabeth Stakes when last seen in July, visually it appeared that the "bad" version of Auguste Rodin had shown up at Ascot but a closer look at the facts suggest the opposite. In this race 12 months ago, he completed the task in 2:02.68 while his G1 Prince of Wales's success on good-to-firm ground in June saw him post a 2:03.12 winning time. Stuck down on the worst of the ground in the King George, he ran the first 10 furlongs of the race in 2:02.03 which is over six lengths faster than he had managed at the Royal meeting albeit not including the last two-furlong climb of the straight.

Unsurprisingly, he tired rapidly having given his all to be fifth leading to the misconception that he had downed tools. Contrastingly arguably at a peak now, he has reportedly thrived in his work in the lead-up to his repeat bid and he still sets an elevated standard now that connections fully understand his stamina limitations.

"The King George didn't go to plan, with the ground riding slower than advertised," Ryan Moore said. "It's also worth remembering that he ran poor in the same race last season before going on to win the Irish Champion Stakes, so I'm not concerned on that score. He's obviously a Derby winner and a three-time group 1 winner over a mile and a half, but the 10

furlongs comes just as easy to him and we know he acts well around Leopardstown."

Despite the hype surrounding Economics, connections are aware of the nature of the task for the impressive G2 Dante Stakes and G2 Prix Guillaume d'Ornano winner. At York, Isa Salman Al Khalifa's highly progressive colt came home in 2:09.30 while at Deauville he posted a smart 2:04.03 and the chances are he will have to run considerably faster here. That is not to say that he can't, with his trainer having brought him along with perfect stealth to maintain an all-important sense of invulnerability. With **Luxembourg (Ire)** (**Camelot** {GB}) in tow, he will be dragged into the red for the first time and it will be

fascinating to see what occurs.

"It's no easy task by any means to go over to Ireland and win, but some others have been over in the past and managed it," jockey Tom Marquand said. "He will need to be every bit as good as we hope he is and maybe even a little bit more to win. I felt he was a lot more mature at Deauville and he felt more effective in his stride. When he was motoring up to the line he was still extending, whereas at York once he got into top gear he was having a little wobble around and was quite immature still."

"In terms of potential, he is the most exciting horse I have been involved with," he added.

"We're coming to the end of his 3-year-old campaign and we still don't really know what he is, which is the exciting bit."

In the shadow of City Of Troy,

Los Angeles (Ire) (**Camelot** {GB}) has nevertheless worked his own quiet magic so far this term with a gallant effort in the Derby deserving of upgrading and solid wins in the G1 Irish Derby and G2 Great Voltigeur. "It will be interesting," O'Brien said. "He's won around Leopardstown and it was soft ground when he won, but he's a deceiving horse as he's lazy and when he gets the front he doesn't do much, so it's just hard to assess him. For us, we'll learn a lot about him in this race because there'll be a strong, even pace and we will learn what kind of middle-distance type horse he's going to be."

Irish Champions Weekend Day 1 Preview Cont.

This year's renewal has extra spice due to the presence of Susumu Fujita's G1 Tokyo Yushun third **Shin Emperor (Fr)** (**Siyouni (Fr)**), whose form in this context is an unknown but who at least has a genetic leg-up being a full-brother to **Sottsass (Ire)**. Trainer Yoshito Yahagi is back in Ireland having visited the old site of this race. "I came 35 years ago at Phoenix Park and this is my first time at Leopardstown," he explained. "There are a lot of top European horses, top competitive horses, against us. I'm really looking forward to running against these top horses in Europe."

Fortuna Favoured In The Matron...

Europe's other group 1 prize on Saturday is the Coolmore America 'Justify' Matron Stakes, where Medallion Racing, Steve Weston, Barry Fowler and Reeves Thoroughbred Racing's G1 Coronation Stakes and G1 Falmouth Stakes winner **Porta Fortuna (Ire)** (Caravaggio) continues on the road to the Breeders' Cup, with a berth in the G1 Filly & Mare Turf on the line. Rock-solid as well as high-class, she will probably only need to reproduce her last two efforts to prevail in a renewal that also includes Wathnan Racing's acquisition **Fallen Angel (GB)** (Too Darn Hot {GB}).

Successful in the G1 Moyglare Stud Stakes on this weekend at two, the Karl Burke trainee has been absent since her G1 Irish 1,000 Guineas triumph but is back in rude health again. "She's been off the track a long time and it's a big ask going up against that calibre of opposition after time off, but Karl reports her to be in great shape," Wathnan's racing adviser Richard Brown explained, before her trainer added, "She's over her little setback that she had during the summer and is training very well. The Curragh suited her really well and I think Leopardstown will suit her just as well."

Willie McCreery has a pair of major contenders in Arturo

Cousino's unbeaten G3 Brownstown Stakes winner and Leopardstown specialist **Jancis (Ire)** (Tamayuz {GB}) and Al Shira'aa Racing's G1 Poule d'Essai des Pouliches-placed **Vespertilio (Fr)** (Night Of Thunder {Ire}), with jockey Billy Lee siding with the latter due to her experience. "It's a huge step for Jancis and if it was a different track, you would be worried but it's the same track she's run on so she will know where she is, she seems in great form and will love that quicker ground," the trainer said. "Billy doesn't know if he has made the right choice-- if there was a fillies' group 1 over seven furlongs I would split them up, but when the races are on your doorstep you have to take your chance and it's a great weekend of racing."

Delacroix Takes The Next Step...

Elsewhere at Leopardstown and Doncaster, Ballydoyle's **TDN Rising Stars Bubbling (Ire)** (**No Nay Never**), **Delacroix (Ire)** (Dubawi {Ire}) and **Diego Velazquez (Ire)** (**Frankel {GB}**) line up as favourites for the Listed Ballylinch Stud Irish EBF Ingabelle Stakes, G2 KPMG Champions Juvenile Stakes--a Breeders' Cup qualifier--and G2 Solonaway Stakes respectively, with the former pair looking to enhance Classic credentials. Doncaster's card sees Cheveley Park Stud's **TDN Rising Star Chancellor (GB)** (**Kingman {GB}**) tackle Fitri Hay's G2 Vintage Stakes runner-up **Wolf Of Badenoch (GB)** (Pinatubo {Ire}) in the G2 Champagne Stakes, while Juddmonte's G3 Thoroughbred Stakes winner **Lead Artist (GB)** (Dubawi {Ire}) takes on the possibly declining Kinross (GB) (**Kingman {GB}**) in the G2 Park Stakes.

Opera Singer And Kyprios Head Sunday Star Cast...

Sunday's field have now been set, with the group 1 races at The Curragh and ParisLongchamp hosting some major names including Ballydoyle's elite-level winners **Kyprios (Ire)** (Galileo {Ire}) and **Opera Singer (Justify)**. **Cont. p12**

Kyprios | Scoop Dyga

Irish Champions Weekend Day 1 Preview Cont.

The former bids for a second G1 Irish St Leger during the second day of the Irish Champions Festival in Kildare, while the latter is one of a dozen fillies set to contest the G1 Qatar Prix Vermeille which is the feature of the French Arc Trials card.

Kyprios will face seven in the 14-furlong contest, including Scuderia La Tesa Limited and Vaibhav Shah's multiple group 2 winner **Giavellotto (Ire)** (Mastercraftsman {Ire}), while among Opera Singer's rivals in the mile-and-a-half test is Al Shaqab Racing and Jean Pierre Dubois's G1 Prix de Diane heroine **Sparkling Plenty (Fr)** (Kingman {GB}).

Also at The Curragh, Victorious Racing's G1 Nunthorpe Stakes hero **Bradsell (GB)** (Tasleet {GB}) takes on 17 fellow sprinters in the G1 Flying Five Stakes, while the G1 Goffs Vincent O'Brien National Stakes sees the progressive 2-year-old colts **Henri Matisse (Ire)** (Wootton Bassett {GB}) and **Aomori City (Fr)** (Oasis Dream {GB}) head a field of eight. Ballydoyle's brilliant 2-year-old filly **Bedtime Story (Ire)** (Frankel {GB}) is the star attraction in the G1 Moyglare Stud Stakes, where Al Shaqab Racing's impressive G2 Prix du Calvados winner **Simmering (GB)** (Too Darn Hot {GB}) also features in a select five.

Also Ran: Mr Chaplin (GB), God Of War (GB), Jonquil (GB), Mukaber (Ire).

Amo Racing's Benevento was transferred to the Raphael Freire stable after snagging a May 4 debut score for Dominic Ffrench

Davis at Great Yarmouth and ran second in the Aug. 26 Listed Ripon Champion Two Years Old Trophy in his second outing last time. Racing in an overall fourth after the initial strides here, he was rowed along passing the quarter-mile marker and kept on strongly under a late drive to deny Symbol Of Honour nearing the line for a career high. Sir Michael Stoute's '**TDN Rising Star**' Jonquil (GB) (Lope De Vega {Ire}) failed to fire and finished a well-beaten sixth of seven.

"I expected him to take a big step forward from Ripon I'm delighted," commented Freire. "They are so unexposed these horses, you never know what you are really up against, but I certainly expected him to run a good race. It looked like he needed to step up in trip when he finished second last time and I expected Doncaster to suit him better than Ripon as there are fewer undulations. It's a nice, flat track which enabled him to travel easy and finish his race. I just thought last time the winner looked quite good, it was fast ground and he was never close enough to challenge. Today he could travel handy and finish strong. I don't know if he'll run again [this year] and we'll all discuss it. I think he'll get a mile, but whether he needs to this season, I'm not so sure."

Benevento is the fourth of six foals and one of three scorers from as many runners produced by G2 Prix Daniel Wildenstein victrix and G1 Prix d'Ispahan third Pollyana (Ire) (Whipper), herself a half-sister to the dam of Listed Prix Volterra third Gaazaal (Ire) (Iffraaj {GB}). The February-foaled bay, who hails from the family of GI Yellow Ribbon Invitational heroine Super Staff (Secretariat), is half to a yearling filly by Earthlight (Ire) and a weanling colt by **Blackbeard (Ire)**.

BOB MALI (IRE) (c, 2, Sands Of Mali {Fr}--Passadouro {Ire}, by Dark Angel {Ire}), who graduated in his Aug. 10 debut over six furlongs at Ayr last time, raced off the pace in a midfield sixth through the initial fractions here. Ridden along to go third at the top of the straight, the 5-4 chalk went in pursuit of Dark Rosa (Ire) (Dark Angel {Ire}) passing the furlong pole and kept on well to deny that rival by 1 1/4 lengths nearing the line. Bob Mali is the latest of three foals, all multiple winners, produced by a dual-winning daughter of Passage To India (Ire) (Indian Ridge {Ire}), herself a full-sister to three-time G3 Premio Carlo e Francesco Aloisi-winning sire Rosendhal (Ire). The May-foaled bay's third dam is G3 Premio Omenoni winner Kathy College (Ire) (College Chapel {GB}). Sales history: €3,000 Wlg '22 GOFNO1; €16,000 Ylg '23 TATIY2. MILITARY ACADEMY (GB) (c, 3, Fastnet Rock {Aus}--Sovereign Parade {Ire}, by Galileo {Ire}), a half-brother to the G1 Fillies Mile and G2 Rockfel Stakes winner Commissioning (GB) (Kingman {GB}), had won at Hamilton on his belated debut last month and was sent straight to the front. Enjoying his own way there, the 15-8 second favourite was never in any danger en route to a six-length success from At No Time (GB) (Galileo {Ire}). The dam, whose yearling filly is by New Bay (GB) and who also has a colt foal by Dubawi (Ire), is a full-sister to the G1 Irish Derby and G1 St Leger hero Capri (Ire), the multiple group winner Tower Of London (Ire) and the group 3 winners Passion (Ire) and Cypress Creek (Ire). Lifetime Record: 2-2-0-0, \$32,626. O/B-Isa Salman & Abdulla Al Khalifa (GB); T-John & Thady Gosden.

6th-Doncaster, £30,000, Mdn, 9-13, 2yo, f, 7f 6yT, 1:26.50, gd. WHIRL (IRE) (f, 2, Wootton Bassett {GB}--Salsa {Ire}, by Galileo {Ire}), fifth in York's Convivial Maiden Stakes last month, shadowed the leader throughout the early stages. In front approaching the furlong pole, the 2-1 joint-favourite asserted to score by 1 1/4 lengths from Gulya (Ire) (Night Of Thunder {Ire}). The winner is the first foal out of a daughter of the G2 Prix du Gros-Chene-winning excellent producer Beauty Is Truth (Ire) (Pivotal {GB}), whose other Galileo progeny include the group 1 winners The United States (Ire), Hydrangea (Ire) and Hermosa (Ire), with the latter being the 1,000 Guineas and Irish 1,000 Guineas heroine. A granddaughter of the G3 Prix du Bois winner Zelding (Ire) (Warning {GB}) from the family of Last Tycoon (Ire), her 2023 and 2024 colt and filly are full-siblings to Whirl while she was bred to **Justify** this year. 1st-Sandown, £10,000, Mdn, 9-13, 2yo, 5f 10yT, 1:04.04, sf. KULLAZAIN (GB) (c, 2, Hello Youmzain {Fr}--Dream Dreamer {GB}, by Dream Ahead), an Aug. 27 debut third tackling five furlongs at Ripon last time, asserted for an early lead in this return. Tanking along on the front through halfway, the 10-1 chance was shaken up soon after passing the quarter-mile pole and ridden clear inside the final furlong to outpoint Veblen Good (Ire) (Starspangledbanner {Aus}) by an untroubled 4 1/2 lengths, becoming the 10th winner for his freshman sire (by Kodiak {GB}). Kullazain, half to a yearling colt by Lope Y Fernandez (Ire), is the second foal and scorer out of a winning half to G3 Cornwallis Stakes third Mokaatil (GB) (Lethal Force {Ire}) and the dual stakes-placed Dan (GB) (Slade Power {Ire}). The March-

foaled bay's second dam is three-time stakes placegetter Moonlit Garden (Ire) (Exceed And Excel {Aus}). Sales history: 35,000gns Ylg '23 TATOCT; 150,000gns 2yo '24 TATGBU. Lifetime Record: 2-1-0-1, \$8,377. O-Sheikh Juma Dalmook Al Maktoum; B-Biddestone Stud Ltd (GB); T-James Tate.

WAARDAH (IRE) (f, 2, Postponed {Ire}--Neesaan {GB}, by New Approach {Ire}) recovered from a lethargic getaway to track the leaders in a handy third after initial exchanges of this unveiling. Making smooth headway in the straight, the 9-2 second choice was shaken up to launch her challenge approaching the eighth pole and asserted under urging on the climb to prevail by two lengths from Glistening (GB) (Frankel {GB}). Wardah is the second of four foals and first scorer out of a half-sister G3 UAE Oaks and Listed UAE 1000 Guineas placegetter Feedyah (Street Cry {Ire}) and the multiple stakes-placed Red Mist (GB) (Frankel {GB}). Feedyah is the dam of Listed Coral Marathon Aaddeey (Ire) (New Approach {Ire}). The March-foaled bay, who hails from the family of multiple Group 1-winning champion Islington (Ire) (Sadler's Wells), is half to a yearling filly by Space Blues (Ire) and a weanling filly by Dandy Man (Ire). 'COMPANION, FRIEND AND TRUE

CHAMPION' GOLDEN SIXTY CALLS IT A

CAREER by Alan Carasso

Golden Sixty (Aus) (Medaglia d'Oro--Gaudeamus, by Distorted Humor), a three-time Horse of the Year and 10-times Group 1 winner in Hong Kong, has officially been retired from racing, owner Stanley Chan announced Friday at the Sha Tin stables of the gelding's trainer Francis Lui. **Cont. p18**

“Golden Sixty has been more than just a racehorse to me and my family; he has been a companion, a friend, and a true champion,” said Chan. “Watching him compete has been one of the greatest joys of my life.

“I want to thank everyone who has been a part of his journey--his dedicated team, the fans and, most importantly, Golden Sixty himself for giving us unforgettable moments.”

Bred in Queensland by Asco International Pty Ltd., Golden Sixty was purchased for A\$120,000 at the 2017 Magic Millions Gold Coast Sale in January 2017 and was subsequently acquired by Lui for NZ\$300,000 at the NZB Ready To Run Sale later that year. Short-odds winner of his first three career starts, he stubbed his toe in his 3-year-old finale, then did nothing but win for the next 2 1/2 years. After defeating older rivals in Group 3 company in early 2020, Golden Sixty won the first two legs of the 4YO Classics, flashing his customary turn of foot, but the BMW Hong Kong Derby was in many ways his true coming-out party.

With Hong Kong now in the throes of the Coronavirus and before literally just hundreds of onlookers, Golden Sixty was given a typically quiet ride by Vincent Ho--the only jockey to ever sit on his back on raceday--but 289-1 longshot Playa del Puente (Ire) (Elzaam {Aus}) was set alight midrace and pinched a big break. Golden Sixty looked in desperate straits while very wide turning for home, but he closed off his final 400 metres in a spectacular :21.83 to snatch victory from the jaws of defeat (video). He became just the second to sweep the series, joining the late Rapper Dragon (Aus) (Street Boss).

The Derby marked a seventh win on the trot and his winning streak had stretched to 10 by the time he was given his first chance at Group 1 level in the 2020 Longines Hong Kong Mile, where he duly saluted at 30 cents on the dollar. After adding the

G1 Stewards' Cup over the 1600 metres, he bested fellow Derby winner Furore (NZ) (Pierro {Aus}) in the G1 Citi Hong Kong Gold Cup (2000m)--albeit just--and capped his first HOTY season in the G1 Champions Mile.

A successful defence of his title in the Hong Kong Mile in December 2021 marked his 16th consecutive victory, earning Golden Sixty the chance to equal the streak of the legendary Silent Witness (Aus) when in search of back-to-back wins in the Stewards' Cup. It wasn't meant to be, as the champ got too far off a sedate tempo and couldn't reel in Waikuku (Ire) (Harbour Watch {Ire}). He suffered two losses in a row for the only time in his career when third to Russian Emperor (Ire) (Galileo {Ire}) in unsuitably easy ground in the Gold Cup, but he bounced back to win the Champions Mile and another HOTY gong.

It was a victorious one-race prep into the 2022 Hong Kong Mile, but as the 1-2 jolly, Golden Sixty couldn't reel in front-running California Spangle (Ire) (**Starspangledbanner {Aus}**), missing out on a chance to equal the record of three straight wins in the Mile owned by Good Ba Ba. The 2023 Stewards' Cup was his shot at redemption, but it wasn't going to be easy. In a rare confluence of events, Hong Kong's three top-rated gallopers--Golden Sixty; Romantic Warrior (Ire) (Acclamation {GB}), exiting a victory in the G1 Longines Hong Kong Cup; and California Spangle met to settle things on the racetrack. Not favoured in the betting for the first time in 20 starts, Golden Sixty made best use of his late kick to extricate himself from a tight spot and best Romantic Warrior by a length, with California Spangle a neck back in third (video). For good measure, Golden Sixty handed Romantic Warrior a rare defeat over the Sha Tin 2000 metres in the Gold Cup and clinched a third Horse of the Year title with an unprecedented third straight score in the Champions Mile. **Cont. p19**

Golden Sixty Retires Cont.

Now eight years of age, Golden Sixty was programmed for a fourth try at the Hong Kong Mile last December, but would have to do so without the benefit of a lead-up race. Forced to overcome a 224-absence and a draw that would have done in the vast majority of horses, Golden Sixty nevertheless came to win the race to the cheers of the Sha Tin faithful, with commentator Mark McNamara famously remarking, “that’s not a whip, it’s a wand!” leaving Chan in tears ([video](#)).

A minor setback dictated that Golden Sixty would miss races like the Stewards’ Cup and other preps, but he was ultimately green-lighted for the **2024 Champions Mile**. Mother Nature got involved, however, as torrential rains pelted Hong Kong throughout the week and on raceday, rendering the course yielding, and Golden Sixty never got untracked, finishing fourth. Connections left open the door for one final crack at the Hong Kong Mile, but the pin was officially pulled on Friday.

“It has been an honour to train such an extraordinary horse,” said Lui. “Golden Sixty has brought immense pride to our stable and to Hong Kong racing. His fighting heart is unmatched. I will always cherish the memories we created. Thank you, Golden Sixty.”

Added Ho: “It’s a once-in-a-lifetime opportunity to ride such an amazing horse. He is not just a phenomenal athlete but also a horse with a big heart. I want to thank him for trusting me on the track and for all the incredible experiences we shared.

“Over the years, I have tried to enjoy every moment when riding him, no matter during races or trackwork. He will always hold a very special place in my heart.”

The Hong Kong Jockey Club will host a Golden Sixty retirement ceremony at the Celebration Cup race meeting on 22 September at Sha Tin. A Lifetime Achievement Award will be presented to owner Stanley Chan at the retirement ceremony to recognise Golden Sixty’s accomplishments.

“I congratulate Stanley, Francis and Vincent on their fantastic management of an extraordinary equine athlete,” said Winfried Engelbrecht-Bresges, CEO of the Hong Kong Jockey Club. “Through their efforts, and Golden Sixty’s sheer talent and will

to win, Hong Kong has been privileged to watch this amazing horse throughout a glorious career which has brought immense joy to the city and also to his fans around the world.

“Golden Sixty has captured the hearts of Hong Kong people and his last win at the 2023 Longines Hong Kong International Races created a strong emotional reaction from our racing fans in celebrating their champion. When he accelerated leaving world-class opposition behind, the reception he received was an experience which many people including myself will never forget. He is a real Hong Kong hero.

“While his imperious career has come to an end, we are forever indebted to him and will always cherish his incredible accomplishments.”

Overall, Golden Sixty amassed a record of 26-2-1 from 31 starts for earnings of \$21,251,720. In addition to his Horse of the Year laurels, he was most popular Horse of the Year on four occasions, the three-time champion miler, champion middle-distance horse (2020/21) and champion 4-year-old (2019/2020). He reached a career-high mark of 126 on the Longines World’s Best Racehorse Rankings in 2023.

Golden Sixty will head to Australia initially before moving to his permanent retirement home at Northern Farm in Hokkaido, Japan.
