

IMMERSIVE WINS FOR THE HOME TEAM IN DARLEY ALCIBIADES

Immersive | Coady Media

by Stefanie Grimm

It was a Godolphin homebred filly by a Darley stallion to take the GI Darley Alcibiades Stakes on Keeneland's Opening Day. GI Spinaway Stakes winner **Immersive** (Nyquist) carried her strong form to Kentucky from Saratoga and will now head to Del Mar a two-time Grade I winner while still undefeated into the GI NetJets Breeders' Cup Juvenile Fillies.

The race looked to flatter New York form with the top three runners from that Spinaway appearing in Immersive, 'TDN Rising Star' **Quietside** (Malibu Moon) and **Sherbini** (Cairo Prince) along with the GIII Pocahontas Stakes runner up **Liam in the Dust** (Liam's Map). Another Spinaway runner, The Queens M G (Thousand Words), scratched from the Alcibiades in favor of Saturday's GI Frizette Stakes at Aqueduct. And, much like the Pocahontas where was just caught on the wire, it was Liam in the Map who was keen for the lead, engaging in a duel into the first turn with Debutante Stakes runner up **Rich City Girl** (City of Light). Immersive, who drew outside, settled nicely in third behind that pair and had clear sailing with only **Continuity** (Speightster) who had rushed up to her inside. The field of seven ran in mostly even pairs of two (bar Sherbini who raced alone out the back) as they covered the half mile in :46.89. **Cont. Pg 3**

SATURDAY PREVIEW: FALL STARS WEEKEND ROLLS ON IN LEXINGTON by Alan Carasso

Saturday is one of those 'burn the candle at both ends' kind of days for horseplayers, as no fewer than 17 graded stakes take place within a six-hour window. Eight of those events serve as 'Win and You're In' qualifying events for various Breeders' Cup races, and even those races that don't offer a free pass are liable to toss up a runner or two or three at Del Mar in four weeks' time.

Keeneland Race Course brands its opening three days of racing as 'Fall Stars Weekend' and who's to argue really, given the depth of quality across the track's five graded stakes on Saturday. The richest of the afternoon's three elite-level tests is the \$1.25-million Coolmore Turf Mile, offering a fees-paid berth into the field for the GI Breeders' Cup Mile. **Cont. Pg 4**

THE DARLEY ALCINYADES

Immersive doubles her G1 tally at Keeneland. That's two undefeated G1-winning juveniles, three million-dollar-plus yearlings and four G1 winners in 2024 alone. **Nyquist's** record nine G1 juveniles from five crops equals the achievement of only Danzig.

We really ought to rename our race...

Darley Alcibiades cont.

Immersive began to inch closer as they swung around the bend, coming on even terms with a fading Liam in the Dust and drawing alongside Rich City Girl at the quarter pole. In what became a two-horse sprint to the wire, the 8-5 favorite had to hold off a rallying Quickkick (**McKinzie**) who made a gusty move up the outside and got within room of the leader despite hanging on her left lead but was ultimately denied as Immersive found more in the final strides to win.

The Alcidiades form is hard to ignore when it gets to the Breeders' Cup. Last year's winner Candied (**Candy Ride {Arg}**) wound up third while the 2022 winner, Wonder Wheel (Into Mischief), also took victory in the Juvenile Fillies en route to being named Champion 2-year-old filly. Juju's Map (**Liam's Map**) also hit the Breeders' Cup board in third after taking the Alcibiades in 2021.

Immersive | Coady Media

“We thought she was very good,” said winning trainer Brad Cox. “I want to start by thanking Sheikh Mohammed (owner of Godolphin) and the whole Godolphin team. She stamped herself as a very good filly from Day 1 when she arrived here at Keeneland in the spring. It’s a big win for her. She always acted like she would carry her talent around two turns. I want to thank (jockey) Manny Franco for being aggressive and putting her in the race. She finished up well. Looking at the race, it felt like there were a lot of fillies who would want to do the same thing (stay close to the early pace), based on the pace figures. You can’t take speed out of a horse, and she broke and (Manny) did a good job tracking the leaders and she finished up well.”

Franco added: “We wanted to go farther with her since she won first time out, and today she proved that she wanted to go the distance. She’s a grinder and today she broke running. That was the plan: to break running and go forward. She was traveling so comfortable. I was pleased with what I had under

me. It was a matter of time. At the quarter pole I asked her for more, and she took a little bit to get going, but she got it done. She's a nice filly."

Pedigree Note:

Nyquist continues his strong year for Darley with a total of 26 stakes winners and four Grade I winners just this year. Out of a winning Bernardini mare, Immersive is out of a daughter of Dubai Escapade, a GISW purchased by Godolphin for \$2,000,000 as a 2-year-old in 2004. There is no shortage of big prices in the pedigree as third dam Sassy Pants joined the Hill 'n' Dale Bloodstock roster for \$4.5m at Keeneland November in 2006 after producing the likes of GISW Madcap Escapade (Hennessy) (a \$3.1m FTKNOV grad) who is in turn responsible for GISW Mi Sueno (Pulpit) who sold to Katsumi Yoshida for \$1.9m at FTKNOV in 2013. Gap Year has produced two winners from as many to race and, while she is not represented by a yearling, foaled a filly by **Street Sense** this spring and returned to **Street Sense** for 2025.

Graded Preview Cont.

'TDN Rising Star' Carl Spackler (Ire) (Lope de Vega {Ire}) has been made the 2-1 morning-line favorite, but will have to work out a trip from the widest alley in a field of nine. The eFive Racing runner is three-from-four this term, having defeated **Talk of the Nation (Quality Road)** in the May 2 Opening Verse Stakes and in the GIII Kelso Stakes July 13 before earning his first Grade I success with a comprehensive 3 1/2-length romp over **More Than Looks (More Than Ready)** in the Fourstardave Handicap at Saratoga Aug. 11.

More Than Looks was a two-time stakes winner at three and made up a stack of ground in last year's Breeders' Cup Mile, coming from last to finish two lengths' sixth. He was first-up in the Fourstardave, raced a touch fresh and did well to round out the exacta.

"The Breeders' Cup has always been the goal even with his abbreviated campaign," trainer Cherie DeVaux told the Keeneland notes team earlier this week. "He's doing really well and got a lot out of the Fourstardave."

Juddmonte's **Kikkuli (GB) (Kingman {GB})** carries wild-card status into the Coolmore Turf Mile, beyond his spectacular pedigree. **Cont.**

A 3-year-old half-brother to the great **Frankel (GB)** (Galileo {Ire}), the homebred won his maiden on seasonal debut at Newmarket in April and missed by a nose when sent off at 14-1 for the seven-furlong G3 Jersey Stakes at Royal Ascot June 22. Only sixth as the favorite in the one-mile G1 Prix Jean Prat at Deauville 15 days hence, he exits a close fourth in the G2 Hungerford Stakes back over seven at Newbury Aug. 17 and tries two turns for the first time with Frankie Dettori at the controls.

'TDN Rising Star' Carl Spackler | Sarah Andrew

The female counterpart is the GI First Lady Stakes and has lured its defending champion **Gina Romantica** (Into Mischief). Subsequently an excellent fourth, beaten just a length against the boys in the BC Mile, the \$1.025-million KESEP yearling has yet to get her picture taken in 2024, but she has certainly run well in defeat. A sound third to stablemate **Whitebeam (GB)** (Carvaggio) in the GI Diana Stakes going nine panels in July, she missed by a neck when pace-disadvantaged in the GII Ballston Spa Stakes last time. She seems to save her best for Keeneland, as she also won the GI QE II Challenge Cup here in 2022.

Dermot Weld does not send one into the Bluegrass for the scenery, and as such, His Highness the Aga Khan's **Tarawa (Ire)** (Shamardal) merits a long look. The homebred, fourth to her commonly owned stablemate Tahiyra (Ire) (**Siyouni {Fr}**) in last year's G1 Irish 1000 Guineas, has more starts (7) against the boys than versus her own sex (6), including a victory in the Listed Glencairn Stakes at Leopardstown June 6. A distant second in the G3 Meld Stakes July 18, Tarawa defeated Hanalia (Ire) (**Sea The Stars {Ire}**) in the sex-restricted G3 Snow Fairy Fillies Stakes Aug. 31 and the latter returned to upset the G2 Blandford Stakes two weeks later to flatter the form.

Did someone say 'Flatter'? The late Claiborne sire's son **Ferocious**, named a '**TDN Rising Star**' for a jaw-dropping debut at Saratoga Aug. 3, figures to jump as the favorite for Saturday's GI Claiborne Breeders' Futurity, a 'Win and You're In' challenge race for the GI Breeders' Cup Juvenile on Nov. 1. **Cont.**

Ferocious | *Tod Marks*

Drawn inside for the debut--same as he is Saturday--the \$1.3-million OBS March purchase recovered nicely and did his best running through the final furlong to score by nearly eight lengths. Favored at 65 cents on the dollar for the GI Hopeful Stakes Sept. 2, he was beaten to the punch by fellow '**Rising Star**' Chancer McPatrick (**McKinzie**) at midstretch, but re-engaged to finish a close second. While the latter stays back in New York for Saturday's GI Champagne Stakes, Ferocious gains two-turn experience here.

Godolphin won the 2019 Breeders' Futurity with **Maxfield** (**Street Sense**) and the following year with champion **Essential Quality** (**Tapit**), and they have a fair chance at adding to the total with **East Avenue** (**Medaglia d'Oro**). A grandson of GISW and GI Breeders' Cup Filly & Mare Sprint third Dance Card (**Tapit**), the homebred opened his account brilliantly at first asking, graduating by a towering eight-length margin sprinting at Ellis Park Aug. 24, good for an 86 Beyer to become a '**Rising Star**'.

Horses trained by Ken McPeck are always dangerous in a race like this, and **Handsome Pants** (**Daredevil**) is no exception. While he clearly needs to improve by a few lengths if he is to factor, that is not out of the question, and he has the benefit of a route race, having broken his maiden professionally by 1 1/2 lengths on Churchill debut Sept. 14.

The GI Thoroughbred Club of America Stakes earns the winner a spot in the GI Breeders' Cup Filly and Mare Sprint. When last she visited Lexington, **Brightwork** (**Outwork**) was exiting a victory in the GI Spinaway Stakes and was one of the favorites for the GI Darley Alcibiades Stakes, but faltered to finish fifth. A midpack sixth in the GI Breeders' Cup Juvenile Fillies spelled the end to her routing days and, after missing the GI Test Stakes after being scratched in the paddock, she outgamed '**TDN Rising Star**' Two Sharp (**Twirling Candy**) in the GIII Prioress Stakes Aug. 31. **Cont.**

Nobals (Noble Mission {GB}), who upset last year's GI Breeders' Cup Turf Sprint at Santa Anita, tops an overflow field for the GII Woodford Stakes. Fourth in his two outings this year, including the GII Turf Sprint at Kentucky Downs Sept. 7, the 5-year-old squares off with **Arzak (Not This Time)** and **Our Shot (Kantharos)**, last year's 1-2 finishers, while **Souper Quest (Munnings)** lands here after scratching from the GIII Turf Monster Stakes two weeks ago.

Chancer McPatrick Bubbling Over for Champagne

'**TDN Rising Star**' **Chancer McPatrick (McKinzie)** is the one to beat in Saturday's 'Win and You're In' GI Champagne Stakes at Aqueduct and in the estimation of many, the one they'll all have to take down in the GI Breeders' Cup Juvenile on Nov. 1.

And while Shanghai Bobby (Harlan's Holiday) is the last to complete the Champagne/Juvenile double back in 2012--two years after **Uncle Mo** (Indian Charlie) accomplished the same feat--no horse has done so since, but **Good Magic (Curlin)**, second in 2017) and **Fierceness (City of Light)**, seventh in 2023) used the race as a steppingstone to victory on championship weekend.

Chancer McPatrick | Sarah Andrew

Chancer McPatrick overcame a fair bit of adversity to graduate impressively at first asking at Saratoga July 27, but was still the distant second choice in the Hopeful behind Ferocious. He managed to reproduce the same long rally that carried him to victory on debut and will be a handful here for Chad Brown, who has sent out four of the last eight winners of the Champagne, including **Good Magic**. **Cont.**

Brown believes his charge has gotten a lot out of his two runs. "Oh, he learned plenty," Brown said. "Both of his starts, he's had to persevere through some trouble, tangled breaks and some dirt in his face. He's ran like an older horse. I'm pretty impressed with him. He certainly gives us the feeling that he's going to appreciate some more distance, and his pedigree would suggest it, too."

If there is improvement in him, the others may be running for minor awards, but from a figure standpoint, at least, '**TDN Rising Star'** **Tip Top Thomas** (**Volatile**) is certainly a major player here. Always prominent in the oft-productive Travers Day maiden at the Spa Aug. 24, the \$160,000 Fasig-Tipton October yearling poked his head in front entering the final furlong and held off a trio of determined rivals for a narrow victory. It is noteworthy that Irad Ortiz, Jr. sticks around for the Champagne.

Joel Rosario takes over for Ortiz, Jr. aboard **Uncaged** (**Curlin**) and they could also give the favorite a race. Debuting about 30 minutes prior to Ferocious in the Saratoga mud Aug. 3, the \$450,000 Keeneland September purchase chased the leading trio, came out in upper stretch to deliver his challenge and was home first over a pair of well-meant runners in Sea Vista (**Street Sense**) and Classicist (**Curlin**).

Don Alberto Stable's '**TDN Rising Star'** **Senza Parole** (**Gun Runner**) would have been prohibitively favored in Saturday's GI Frizette Stakes, but *Daily Racing Form* reported Thursday that she is out of the race and will miss the rest of the season.

The scratch certainly renders the one-mile test a more wide-open affair, and **The Queens M G** (Thousand Words) could prove a major beneficiary. She returned 44-1 when taking out the July 11 Schuylerville Stakes at Saratoga and followed up with a nine-length thrashing of her rivals in the Aug. 4 GIII Adirondack Stakes. It was perhaps the muddy Saratoga strip that was her undoing when a well-beaten fifth in the GI Spinaway Stakes Aug. 31, and she's a candidate to handle this sort of trip, given the presence of Unbridled on both sides of her pedigree. She scratched from Friday's GI Darley Alcibiades Stakes in favor of this.

It is also entirely possible that Godolphin's **Pondering** (**Hard Spun**) did not take to the underfoot conditions in the Spinaway, where she finished a distant seventh of 11. But prior to that, the bay was very impressive in taking her July 22 debut going 5 1/2 furlongs at Ellis Park, sitting an on-pace trip before pouncing late en route to a facile success. Flavien Prat is a notable upgrade in the saddle.

Don Alberto bred and retains an ownership interest in the rail-drawn **Snowyte** (**Good Magic**) who looks to improve with the addition of blinkers off a debut second after making the running going 6 1/2 furlongs at Saratoga Sept. 1. **Cont.**

A Sunny Day For Racing In Arcadia

The parade of Breeders' Cup 'Win and You're In' races continues and this time Arcadia's 'Great Race Place' takes the stage.

The featured GI **American Pharoah** Stakes sends the victor directly to the GI FanDuel Breeders' Cup Juvenile and trainer Bob Baffert has a trio of suitors ready for action.

Getaway Car (*Curlin*) was a '**TDN Rising Star**' after a sparkling debut at Del Mar in July and continued to shine when he won by 5 1/2 lengths the GIII Best Pal Stakes over the same surface. The dark bay took a step back when he failed to hit the board behind stablemate **Gaming** (*Game Winner*) in the GI Del Mar Futurity, but the colt has the resume to bounce back here.

Not to be overlooked, **Citizen Bull** (Into Mischief) won his unveiling at Del Mar in mid-August and finished third in the Futurity, while **Emerald Bay** (*Nyquist*) graduated by three lengths at second asking at the seaside oval Aug. 24.

Opposing this threesome is **McKinzie Street (McKinzie)**, who bested Emerald Bay when he debuted a winner at Del Mar July 28. Trained by Tim Yakteen, the 2-year-old was the runner-up in the Futurity.

The fillies have their opportunity to showcase their talent in the GII Oak Leaf Stakes, which offers a ticket to the GI NetJets Breeders' Cup Juvenile Fillies.

Once again, Baffert's hand is particularly strong as he enters four. **Nooni (Win Win Win)** was named a **'TDN Rising Star'** after she won at first asking by 9 1/2 lengths at Santa Anita in mid-June. The bay took home the GIII Sorrento Stakes at Del Mar Aug. 10, but finished fifth in the GI Del Mar Debutante Stakes Sept. 7. The winner of that race was Nooni's stablemate **Tenma (Nyquist)**, who draws alongside her here. A victress on debut at Del Mar Aug. 18, the juvenile will be fitted with blinkers by her Hall of Fame trainer.

Also from the same shedrow is **Non Compliant (Tiz the Law)**, who broke her maiden at first asking, and second-out winner **Showers (Ghostzapper)**.

Heading to the turf course are seven fillies and mares who will be contesting the mile and a quarter GII Rodeo Drive Stakes.

Iscreamuscream | Benoit

With entry into the GI Maker's Mark Filly & Mare Turf on the table, the deserving morning-line favorite is the undefeated **Iscreamuscream (Twirling Candy)**. The 3-year-old comes off wins in the GII San Clemente Stakes and GI Del Mar Oaks at the seaside oval this summer. However, this spot will be tougher with more experienced types like GISW **Aspen Grove (Ire)**

(**Justify**) and GSP **Lucky Girl (Ire)** (Exceed And Excel {Aus}).

There are others in here who appear formidable too, including the heroine from the GII John C. Mabee Stakes, **Hang the Moon (Uncle Mo)** and **Sunset Glory (Ire)** (Cotai Glory {GB}), who comes off a win in the CTT and TOC Stakes at Del Mar in mid-August.

Meanwhile, **Beach Bomb (SAf)** (Lancaster Bomber) ships in from trainer Graham Motion's base at Fair Hill and the 4-year-old is not without a chance since her past performances include a pair of Grade 1 wins in South Africa. The filly made her U.S. debut with a runner-up finish in the Violet Stakes at Monmouth Aug. 31.

Finally to round out the graded racing in Arcadia, the GIII Chillingworth Stakes has six opposing morning-line favorite **Sweet Azteca** (Sharp Azteca). With early knockout power, the 4-year-old filly has won five of six, including the GI Beholder Mile at Santa Anita in March. The Michael McCarthy trainee was last seen scoring by seven lengths in the GIII Rancho Bernardo Stakes at Del Mar Aug. 25. --J. N. Campbell

TAYLOR CAMBRA AND SUBSANADOR, BORN FOR THIS *by Katie Petrunyak*

His voice was hoarse from yelling and his hand was a little sore after an overly exuberant high five, but Taylor Cambra was grinning from ear to ear as he weaved through the crowd at Santa Anita and made his way down to the winner's circle. The assistant trainer to Hall of Fame trainer Richard Mandella was one of the first out on the track to greet Mike Smith and Subsanador (Arg) (Fortify) after their hair-raising victory in the GI California Crown Stakes.

It was the inaugural running of the \$1 million Grade I and with his hard-fought win in a three-way photo over National Treasure (**Quality Road**) and Newgate (Into Mischief), Subsanador earned an automatic entry into the GI Breeders' Cup Classic.

The following morning as Subsador enthusiastically inhaled his breakfast in the stall just outside Mandella's office, Cambra proudly reflected on the win.

"That was all heart," he said. "To fight on like that was very impressive. We're very proud of him. Not many horses will fight when they have a horse on each side of them, but he dug in and that's kind of how he is. He's got that grit."

A champion juvenile and three-time Group 1 winner in his native Argentina, Subsador moved to the U.S. late last year and made his first two starts in California for John Sadler and Stud Facundito, including a narrow second in the GI Santa Anita Handicap. He was then sold privately to Wathnan Racing and transferred to the Mandella barn this spring.

Cambra said the first two things he noticed about the 5-year-old chestnut were his looks and his intelligence.

"He's a beautiful horse," he noted. "He wasn't very big, but he had a presence about him that stood out a bit. We already knew he was a good horse coming in, but he was pretty. It was definitely the first thing I noticed. And he's smart. He's got a mind of his own. With the pony, sometimes he tries to out-strengthen them. He's a little bully."

In his debut for Mandella, Subsador sat nicely in second in the GII Hollywood Gold Cup Stakes, but faded in the stretch and settled for fourth. He more than made up for it in his next two starts, scoring his first graded victory in the U.S. in the GIII Philip Iselin Stakes at Monmouth Park on Aug. 17 and then earning his 'Win and You're In' berth in the California Crown.

All systems are now go for the colt to take a trip to Del Mar next month for the Breeders' Cup.

"The Breeders' Cup is our Olympics; it's the end goal," said Cambra. "As long as he just keeps improving the way he's doing right now, I think we'll have a pretty good shot."

Living a Childhood Dream

Usually seen on the Santa Anita backside sporting his signature cowboy hat and belt buckle, 27-year-old Cambra looks as if he would be just as comfortable sitting on the back of a roping horse as he would the track pony. And he has plenty of experience with both. From growing up on the backside of a racetrack to his teenage years following the rodeo circuit, all the chapters of Cambra's young life have led him to his current role as assistant trainer to Richard Mandella.

Growing up, Cambra tuned into big races like the Breeders' Cup and the Kentucky Derby from his home in Northern California and he dreamed of what it would be like to work with those equine stars. His father was an outrider and trained a few racehorses on the side at Golden Gate Fields and Bay Meadows, so Cambra would go along with him to the track every morning before school.

"All I ever wanted to do is be a racehorse trainer," Cambra reflected. "My first job was raking hot walking rings. I'd go

around barn to barn and exercise riders would pay me \$5 or \$10 to clean bridles for them so that they could go home earlier. I started walking horses for Monty Meier when I was ten years old. I've groomed, I've hot walked and I've ridden the pony. I've done just about everything.”

As a young teenager, Cambra had firm goals of first becoming a jockey and then eventually making his way to a training career, but those dreams of riding were dashed when he hit a growth spurt and soared past six foot.

“I was really trying to keep my weight down, but by the time I was 16 I was 6'1 and 130 pounds and killing myself trying to make weight. I knew it wasn't going to happen.”

Still, he hoped that he could maintain a weight that would allow him to continue exercise riding.

Subsanador battles to the wire
in the GI California Crown Stakes | *Benoit*

When he was 19, Cambra spent his first summer in Southern California and decided that he was there to stay. He wandered the backstretch at Santa Anita for two weeks in search of a job.

“I would get an odd horse here and a horse there galloping, but nobody wanted to hire me,” he recalled. “Everybody said I was too big to gallop, even though I wasn't that heavy. Finally, I was going to give up and go home back to Northern California. There were two trainers who I hadn't asked yet. One was Richard and one was Bob Baffert. So I said, 'You know what? Before I leave I might as well give it a shot. They're probably going to say no. They're Hall of Famers and all the little trainers are telling me no, so these guys will surely say no.' But when I came here, Richard asked me if I could ride bad colts. I told him I could ride anything he had.”

Not only had Cambra developed a strong seat from years of riding racehorses, but he had furthered his abilities at the rodeo. Cambra's father and other family members were all involved in the rodeo and Cambra had starting riding calves when he was

around seven. He moved on to junior bulls and then started riding bucking horses professionally when he turned 18, traveling to competitions all throughout the West.

“It was a lot of broken bones and an empty wallet, so I said it was probably time to go back to racehorses,” Cambra said with a laugh.

Looking back, Cambra readily acknowledges that the experience was more than worth it as being a cowboy made him a better rider and vice versa. On his first day with Mandella when he was assigned a tough colt that flipped over on him, Cambra hopped back on the horse without so much as blinking an eye.

Over the years since, Cambra has ridden many of Mandella's top trainees. There was United (Giant's Causeway), a multiple graded stakes winner who was second in the 2019 GI Breeders' Cup Turf, and Jolie Olimpica (Brz) (Drosselmeyer), another multiple graded winner who was second to Rushing Fall (More Than Ready) in a record-setting edition of the GI Jenny Wiley Stakes in 2020.

The star of Cambra's riding career was undoubtedly Omaha Beach (**War Front**), a three-time Grade I winner who was runner-up in the 2019 GI Breeders' Cup Dirt Mile.

“He was the full package,” Cambra said. “He was classy. It's hard to explain the way he felt underneath you. He was so strong, so smooth, so intelligent. And he's turning out to be a pretty good sire too.”

Eventually, Cambra's riding days came to an end when the battle to maintain an exercise rider's weight became impossible to overcome. He transitioned into the position of barn foreman and last year, was promoted to assistant trainer.

This new role came with a new set of responsibilities.

Taylor Cambra in the shedrow at Richard Mandella's barn
Katie Petrunyak

“There's a lot more you have to do,” explained Cambra. “You don't just have to worry about getting on your horses and going home. In my case, I have 45 horses that I've got to make sure are all sound and happy and I have 45 employees that I have to make sure are happy and doing their jobs correctly. There's a lot to do, a lot to oversee and obviously I report to Richard.”

In Mandella, Cambra said that he could not have picked a better boss and teacher.

“He's hard on me, which is good,” he noted with a grin. “I need that, keeps me in line. He's fair though and he's very sharp. He finds things that I miss. Iron sharpens iron as one man sharpens another and he's a pretty sharp man, so he's working on me.”

Cambra's aspirations to become a trainer one day are as strong as ever, but for now he is content with where he is, honing his horsemanship skills and living his childhood dream.

“A day not learning something new is a day wasted, so I'm very happy with where I'm at,” he said. “It's a dream come true. We used to watch the great horses on TV when I was a kid. Never did I ever think that I would get to be around them, let alone ride a horse like Omaha Beach or get to work with a horse like Subsanador every day. It's a dream come true.”

'CLAIMS ARE MADE WITHOUT EVIDENCE' AS DR. SCOTT STANLEY'S ATTORNEY RESPONDS TO HIWU ACCUSATIONS

The following statement was sent to media by Cristina Keith, Dr. Scott Stanley's attorney, on Oct. 4:

Dr. Scott Stanley, former director of the University of Kentucky's Equine Analytical Chemistry Laboratory (UK-EACL), is speaking out in response to the media's coverage of the allegations made in the recent Horseracing Integrity & Welfare Unit (HIWU) report. The damage indicted on Dr. Stanley's personal and professional reputation is irreparable and has been fueled by media narratives that unquestioningly parrot HIWU's claims.

The HIWU report levies serious accusations against UK-EACL, including "persistent delays," "unprofessional behavior," and "falsifying results." Yet, these claims are made without evidence. The report offers no concrete documentation--no email records, timelines, or verified communications--leaving the allegations vague and unsupported. Nevertheless, the press has accepted these accusations without scrutiny or fact-checking, painting an incomplete and misleading picture.

UK-EACL has consistently adhered to the highest professional standards, recognized, and accredited by both the American Association for Laboratory Accreditation (A2LA) and the Racing Medication & Testing Consortium (RMTTC). The suggestion that UK-EACL engaged in fraudulent activity is baseless. The report's insinuations do not reject the rigorous testing protocols in place or the long-standing integrity of UK-EACL under Dr. Stanley's leadership.

Dr. Scott Stanley | *courtesy of Stonestreet*

It is crucial to understand the operational context in which UK-EACL was functioning. Dr. Stanley and his team repeatedly communicated the logistical challenges arising from the transition to HIWU's regulatory oversight, including the implementation of an updated Laboratory Information Management Systems (LIMS), an increased workload from HIWU's requests for Florida sample analysis, and ongoing resource limitations. These concerns were ignored by HIWU, which remained fixated on rigid deadlines rather than addressing the real, systemic issues involved in shifting regulatory frameworks. HIWU's failure to standardize procedures across labs compounded these problems, creating inconsistencies in testing methods and results that were system issues, not specific to UK-EACL.

Dr. Stanley categorically denies the allegation that he falsified results. UK-EACL follows a standard two-stage testing process, where initial screenings are followed by confirmatory tests only when necessary. The claim that Dr. Stanley would falsify results is an unfounded attack on his reputation, a reputation built on

decades of dedicated service to the industry.

Further, the accusation of improper invoicing is equally unsubstantiated. UK-EACL's billing processes have always been transparent and rigorously documented, with every sample tested according to established protocols. If there were discrepancies, they stemmed from HIWU's inconsistent guidance and lack of standardized operating procedures, not from any wrongdoing on the part of UK-EACL or its leadership.

Dr. Stanley remains unwavering in his commitment to integrity and excellence in equine testing, values that have defined both his career and UK-EACL's service to the industry. He will continue to stand for these principles in the face of HIWU's baseless and harmful accusations.

SECOND CHANCES: 'HE CLOSED EXTREMELY WELL AND SHOWED THE KIND OF TALENT AND HEART WE ALL THOUGHT HE HAD.'

- CONSTITUTION COLT CATCHES EYE WITH RALLYING THIRD ON DEBUT *by Steve Sherack*

Executive strikes a pose in the post parade prior to a third-place finish on debut at the Spa | Sarah Andrew

In this continuing series, TDN's Senior Racing Editor Steve Sherack catches up with the connections of promising maidens to keep on your radar.

"Executive finished with a flourish to get third."

Those were the words of Saratoga track announcer Frank Mirahmadi--with an emphasis on flourish--as **Executive** (c, 2, **Constitution**--Low Pressure Zone, by **Curlin**) flew home to round out the trifecta going 1 1/16 miles over the lawn on debut [at the Spa Aug. 31](#).

Overlooked at 16-1 in his unveiling for Hall of Fame trainer Bill Mott, Executive lunged at the start and trailed the field of nine passing the stands for the first time.

He continued to caboose the field through fractions of :23.96 and :48.76 and was produced by Junior Alvarado off the far turn. Still with a ton of work to do as they straightened, he finished up full of run in a field-best :29.28 while crossing the wire 1 1/2 lengths behind the Chad Brown-trained firster Early Adopter (GB) (Lope de Vega {Ire}).

Early Adopter subsequently lost all chance after checking in deep stretch to finish a troubled third in last weekend's GII Pilgrim Stakes.

Executive, a \$900,000 Keeneland September yearling purchase by Jim and Dana Bernhard's Pin Oak Stud, earned a 60 Beyer Speed Figure for the effort.

"We thought a lot of this horse when we purchased him and our farm trainer Joss Saville was very impressed with his progress through the early breaking and training process," Pin Oak's Racing Manager Matt Weinmann said.

"He was training steadily with Bill (Mott), but never showed a ton of speed in the mornings, so we knew we wanted to get him some distance and that he may need a race before showing his best. We went into his debut hopeful, but knowing that he might not be at his best yet. He lunged at the start, which put us in the back early, but Junior (Alvarado) did a great job of letting him settle and get into a rhythm."

Weinmann continued, "He closed extremely well down the stretch and showed the kind of talent and heart we all thought he had. We were very pleased with his debut and are looking forward to seeing him develop into a talented, two-turn colt."

Executive returned to the worktab with a four-furlong breeze in :49.68 (30/140) over Saratoga's Oklahoma training track Sept. 28. He is being aimed at a maiden special weight going 1 1/16 miles on the grass at the Belmont at Big A meeting Oct. 12.

WinStar Farm's leading sire **Constitution** is responsible for 36 graded/group stakes winners worldwide. The **Constitution** x **Curlin** cross has also produced Promise Keeper, winner of the 2021 GIII Peter Pan Stakes.

Executive is the first foal out of Low Pressure Zone, an \$850,000 Fasig-Tipton Saratoga yearling purchase by Peter Brant's White Birch Farm. The maiden of two career starts brought \$425,000 from Gage Hill while carrying Executive at the 2021 Keeneland November sale.

Executive's third dam is bluehen mare Miss Macy Sue (Trippi), best known for producing Taylor Made's leading young sire and narrow 2016 GI Breeders' Cup Juvenile runner-up **Not This Time** and GI Breeders' Cup Dirt Mile winner and Lane's End stallion **Liam's Map. Cont.**

Bred in Kentucky by Gage Hill Stable II, LLC, W. S. Farish and Ken Langone, Executive first brought \$100,000 from Jim Fitzgerald, agent, as a Keeneland January short yearling prior to topping the sixth session of last year's Keeneland September sale.

"We like to concentrate on physiological measurements when it comes to purchasing yearlings and this son of **Constitution** had very similar physiology to his sire," Weinmann said.

Parchment Party | Coady

"Nice-sized, scopey colt with a big two-turn cardiovascular system. The Pin Oak team of Clifford Barry, Michael Hardy and Joss Saville inspect all of our potential prospects at the sales, so when you have a colt with excellent physiology that talented horsemen like them also like, it gives you all the confidence in the world to take a big swing like that at the sale. Having a deep back family with Broodmare of the Year Miss Macy Sue, **Not This Time** and Liam's Map showing up on the page was an added bonus."

Pin Oak and Mott also campaign another promising son of **Constitution**, the two-for-two '**TDN Rising Star**' **Parchment Party**, who kicked off his career with a pair of visually impressive come-from-behind wins at two, including an optional claimer at Churchill Downs last time out back in November. He could potentially launch his sophomore campaign in a Keeneland allowance Oct. 12, Weinmann said.

"We decided in January to give him some time off to grow and mature," Weinmann said. "He is a June foal and he is a very big horse. After his two impressive wins, we felt he deserved a few months at the farm and we could get him back going later in the year. We have high hopes for him these last few months of his 3-year-old campaign and are hoping for a very exciting 4-year-old campaign next year."

The 'Second Chances' Honor Roll is headed by Horse of the Year **Cody's Wish (Curlin)**, fellow two-time Breeders' Cup winner **Golden Pal (Uncle Mo)** and GISWs **A Mo Reay (Uncle Mo)**, **Honor A. P. (Honor Code)**, **Locked (Gun Runner)**, **Paradise Woods (Union Rags)** and **Speaker's Corner (Street Sense)**.

MENTEE, FULL-BROTHER TO FIERCENESS, BOOKS HIS BREEDERS' CUP SLOT WITH 'WAYI' FUTURITY SCORE

Mentee | Susie Raisher

by Stefanie Grimm

It will be a family affair at Del Mar. His older brother may be looking to claim divisional honors on the dirt in the GI Breeders' Cup Classic next month while 2-year-old **Mentee** (**City of Light**) is taking a different route to the seaside oval, booking his slot in the gate for the GII Breeders' Cup Juvenile Turf Sprint with a win in Friday's GIII Futurity Stakes at Aqueduct.

A winner by the narrowest of margins, albeit always confidently handled, in his track-record setting Aqueduct debut, the Repole Stables homebred did worse than hoped when sixth after a rough trip in the GI Hopeful Stakes and rerouted to the turf Friday.

Breaking from the outside under regular pilot John Velazquez, 4-1 shot Mentee flashed good early speed and was able to clear down several paths with only 20-1 longshot **Epitaph** (**Country House**) faster than him along the rail. The pair ran an even one-two into the far turn while chased by a three-wide line of rivals which included race favorite **Gate to Wire** (**Munnings**) and 2-1 second choice **Under Who's Radar** (**Violence**) who charged up to pose a threat at the quarter pole. But still shoulder to shoulder with a furlong to run and with no real challenges materializing from the pack, Mentee finally wore down Epitaph after five furlongs and got away, winning in good style as his rival was just nosed out for second.

The Futurity has yielded good results in November since becoming a Breeders' Cup Challenge Race in 2018. In the six editions since, five runners have gone on to the Breeders' Cup with Four Wheel Drive (**American Pharoah**) taking the win in the 2019 edition of the GII Breeders' Cup Juvenile Turf Sprint and

Uncle Benny (Declaration of War) coming second in the GI Breeders' Cup Juvenile Turf in 2018. Nagirroc (Lea), who won this race in 2022, would take third in the GI Breeders' Cup Juvenile Turf. And of note, while last year's Futurity winner Book 'em Danno (**Buccheri**) didn't try the Breeders' Cup, he's had no lack of success since including a win in this year's GI Woody Stephens Stakes.

"Some of the City of Lights handle the grass and we thought he [Mentee] had good action that would maybe take to it," said winning trainer Todd Pletcher. "We breezed him on it and it looked like he really enjoyed it. We felt the timing and the distance of this race suited him well and it put us in a position to do about anything from here. I think a lot of options open up."

Regarding his colt's next start, Pletcher noted that both the Juvenile Turf Sprint and the Juvenile Turf would be in play.

"I'll talk to Mike [Repole, owner of Mentee] a little bit, but we actually talked about it before, and we thought if he ran well it would be a good bridge to the mile [Turf] instead of the five furlongs [Turf Sprint]-- we'll see."

Pedigree Note:

Mentee is the tenth stakes winner for **City of Light** and the second graded stakes winner produced by Mike Repole's Nonna Bella in as many years when counting the exploits of champion 2-year-old colt Fierceness. The mare herself is a winning half-sister to GI Wood Memorial Stakes winner and sire **Outwork** (**Uncle Mo**) out of GISP Nonna Mia. The family includes MGSW and sire **Cairo Prince** (Pioneer of the Nile). Nonna Bella has a yearling filly by Caravaggio and reported a colt by **Uncle Mo** this season. She is due to **Curlin** next year.

FEDERAL JUDGE GATE TO WIRE IN STOLL KEENON OGDEN PHOENIX

by Stefanie Grimm

In a division lacking the star power of previous years, another contender threw his hat in the ring Friday as **Federal Judge** (**Army Mule**) wired the field in the GII Stoll Keenon Ogden Phoenix at Keeneland to earn his spot into the GI Breeders' Cup Sprint. Making his third start of the form cycle off over a year-long layoff, the 4-year-old gelding picked up his second straight win having also taken a field of Saratoga allowance runners gate to wire over nearly this distance Aug. 31.

Clearly the speed of the speed, the 8-5 second choice drew the rail on a fast main track and exploded from along the fence under Flavien Prat and had a clear advantage within the opening strides. **Comedy Time** (Speightstown) and **Swirvin** (**Girvin**) moved together in a joint chase for second into the far turn but neither was fast enough to make up any real ground on the leader who was still alone past the quarter pole. Prat, who was mostly hands and heels down the stretch, kept Federal Judge

alert to the line in an impressive finish ahead of the closing race favorite, GI Alfred G. Vanderbilt Handicap winner **Nakatomi** (Firing Line).

"Yeah, he made it look simple," admitted Prat. "He broke very well today. I was a bit worried with (breaking from) the one (post), but he broke sharp and got himself into the race and did the rest. I thought he was going a good clip, but he was comfortable and he was at ease."

Asked if the team had high expectations for the horse, WinStar's Elliott Walden added: "Yeah, we did. We've loved him all along. He needed a little break and we actually had to geld him. He's such a beautiful horse and he got real heavy on us, so we gelded him to lighten him up and it really did the trick."

Federal Judge is the 12th stakes winner for **Army Mule** and the only winner to date out of Congarette. Third dam Away From Home produced near-millionaire GISW Home At Last (Quadratic) along with GSW Niner's Home (Forty Niner), the dam of GSW and \$1,000,000 KEESEP yearling Indy Groove (A.P. Indy). Federal Judge has a 2-year-old Lord Nelson half-sister yet to race, a yearling half-brother by **Raging Bull** (**Fr**) and a weanling full-sister who got a timely update and is cataloged in next month's Keeneland November Sale.

MAY DAY READY STAYS PERFECT IN JESSAMINE NAILBITER by Alan Carasso

May Day Ready (center) | Coady Media

It was a three-way go at the end of 8 1/2 furlongs of Friday's GII Jessamine Stakes at Keeneland, a 'Win and You're In' challenge race for the Nov. 1 GI Breeders' Cup Juvenile Fillies Turf at Del Mar, and when the dust had settled, it was KatieRich Stable LLC's **May Day Ready** (**Tapit**) who got her nose down on the wire first over **Totally Justified** (**Justify**) to her inner and favored **Destino d'Oro** (Bolt d'Oro) to her outside.

Snatched up just after the break, May Day Ready was tough to handle passing the stands for the first time and settled in the latter third of the field through the early exchanges before securing a midfield berth down the backstretch as **Shezafunkydrummer** (**Maclean's Music**) set the pace from off the inside.

Scrubbed on vigorously by Frankie Dettori leaving the three-eighths pole, May Day Ready made steady--if not eye-catching or especially willing progress--into the lane, but snuck through between rivals to reach contention in upper stretch. Broad-sided to her inside and knocked off balance by **Mechaya** (**Liam's Map**) at the furlong grounds, May Day Ready nevertheless plugged on gamely and was shoved across the line first while tightly between rivals.

Totally Justified capitalized on a perfect box-seat run in transit to hit the front three-sixteenths out, but she looked to pull herself up a bit thereafter, causing Mechaya to steady behind her. Destino d'Oro, also bothered significantly at the break and last to make the first turn, was widest into the lane after covering ground on the final bend, lugged in and finished well once re-balanced. Another stride or two and the race was hers, but she ultimately lost a photo for second, a victim of her wayward ways. A claim of foul by the connections of Mechaya was ultimately disallowed.

“She had to do it the hard way,” said Dettori. “She got a bit restless in the gate and a bit keen in the first turn. I had to go the ‘brave man route’; the gaps were a lot smaller than I anticipated, but she skipped through it.”

Dettori is the only rider May Day Ready has known in her brief career, a 25-1 upset of a Saratoga maiden Aug. 4 ahead of a victory in the valuable Kentucky Downs Juvenile Fillies Sept. 8. Coincidentally, Dettori rode the winner's dam five times for three wins and a second, including a six-length victory in listed company at York on her sophomore debut in 2016. Nemoralia made two starts in this country with Joel Rosario, a runner-up effort in the GI Frizette S. ahead of a close third to Catch a Glimpse (City Zip) in the Juvenile Fillies Turf at Keeneland.

It was a first Keeneland winner of any variety for trainer Joseph Lee.

“It’s great,” the trainer said. “Look at everybody there (crowd with owner KatieRich Stables); they’re so happy and delighted. I’ve been around some nice horses over the years and getting horses to (the winner’s circle), whether with Godolphin or whoever it was, but it’s great to see everybody else get to enjoy races like this, so I’m happy for them.”

Pedigree Notes:

May Day Ready is the 106th worldwide graded/group winner for her all-conquering sire and she is the 84th winner at the group/graded level out of a daughter of the much-missed More Than Ready.

A \$170,000 OBS March breeder, Nemoralia was trained by Jeremy Nosedo to four wins from 12 starts overall, including a marquee success against older open rivals in the seven-furlong G3 City of York Stakes in 2016 two starts after finishing runner-up in the G1 Coronation Stakes at Royal Ascot. Fourth in that year's GI First Lady Stakes, Nemoralia remained in training into her 4-year-old campaign for Peter Brant and Joe Allen, but did not make another racetrack appearance.

The dam of the unraced 3-year-old filly Cafe Martinique (Medaglia d'Oro), Nemoralia was bought back on a bid of \$290,000 at Keeneland November in 2022 and produced a Munnings filly in Ireland last year for White Birch. The mare sold to Poonawalla Astonish Stud for 100,000gns in foal to Baaeed (GB) (Sea The Stars {Ire}) at last year's Tattersalls December Mares Sale.

ARABIAN KNIGHT TO STAND FOR \$30,000 AT HILL 'N' DALE

'TDN Rising Star' and GISW Arabian Knight (**Uncle Mo**--Borealis Night, by Astrology) will stand at Hill 'n' Dale for a fee of \$30,000 Live Foal, the farm announced Friday.

A sales-topping \$2.3 million purchase from the 2022 Ocala Breeders' April 2-Year-Old Sale, Arabian Knight became a 'Rising Star' on Breeders' Cup day that year at Keeneland, where he drew clear to win by 7 1/4 lengths in 1:21.98.

In his second start, the Zedan Racing Stables'-owned Arabian Knight won the GIII Southwest Stakes at Oaklawn Park by 5 1/2 lengths. In last year's GI Pacific Classic, he became the first horse to win the 1 1/4-mile race with only three previous starts.

"He showed his brilliance from day one of the 2-year-old sale where he was a man amongst boys," said trainer Bob Baffert. "We knew he was special from the moment we saw him. He has what I love in a horse: beautiful conformation and brilliance."

Hill 'n' Dale owner John Sikura added: "I was at Keeneland the day that Arabian Knight broke his maiden. He was brilliantly fast yet effortless in his first start, winning off without being asked. The first time I saw him in person, Bob Baffert said, 'Let me show you the perfect racehorse. His presence and conformation are flawless.' The breeders who have come to see him at the farm have a true understanding of that statement."

"As a Grade I-winning son of **Uncle Mo**, Arabian Knight has the brilliance, physicality, and effortless motion that are so important for a sire to possess," Sikura continued. "He was the star at the 2-year-old sale making \$2.3 million and has the 'it' factor we all look for. We anticipate he will be very popular at this fee."

SENZA PAROLE WILL SCRATCH FROM THE FRIZETTE

by Bill Finley

'TDN Rising Star' Senza Parole (**Gun Runner**) will be scratched from Saturday's GI Frizette at Aqueduct and will not make her next start until some time next year, reports trainer Chad Brown. She is the 3-5 morning line favorite in the race and, with a victory, would have been considered one of the horses to beat in the GI Breeders' Cup Juvenile Fillies.

"Unfortunately, she's scratched out of this race," Brown said. "She came up with an injury coming out of her last workout (a four-furlong work at Saratoga on Sept. 28). She's done for the year. The prognosis is that she'll get back to the races early next year. But it was devastating news. Based on her debut, she was going to be one of the early favorites for the Breeders' Cup Juvenile Fillies. But we won't be able to make it. This is

something we want to take care of and have her ready for next year. It would have been to risky to run her."

Brown declined to reveal the exact nature of the injury.

"That's not something I want to disclose," he said. "I can tell you she had a setback and the prognosis is good for next year."

Brown was among those who was very impressed by the filly's debut, a 7 3/4-length win in an Aug. 23 maiden race at Saratoga in which she got a 94 Beyer figure. The 94 was the fastest figure given so far this year to a 2-year-old filly.

"Going into her debut, we knew she was that good," Brown said. "I'm not sure why she was dead on the board (at 7-2). She was brilliant in all her works and she ran to them."

DEJA VU FOR JOCKEY CEBALLOS, WHO WINS YET ANOTHER HISA SIX-STRIKE PENALTY REVERSAL

by T.D. Thornton

For the **second time** in a little over a year, the New Mexico-based jockey Oscar Ceballos has successfully appealed to the Federal Trade Commission (FTC) to wipe out penalties related to a more-than-six-strikes whipping disqualification handed down by the Horseracing Integrity and Safety Authority (HISA).

The Oct. 3, 2024, ruling involved circumstances remarkably similar to Ceballos's first penalty reversal by the FTC on Sept. 11, 2023. Both successful appeals involved a total of 11 strikes administered to a Thoroughbred in a stakes at a New Mexico track, and both appeals were heard and ruled upon by the same administrative law judge.

Ceballos, along with Eleanor Martin, the owner/breeder of Alotaluck (Sir Prancealot {IRE}), had argued in appeals first to the

HISA board of directors and then to the FTC that some of the 11 strikes of the whip that Ceballos administered to the 3-year-old gelding shouldn't have counted against his HISA-mandated six-strike limit because he was using his whip to control a dangerous situation.

The race in question was the Feb. 18, 2024, GIII Sunland Derby, in which Alotaluck finished second. After the Sunland Park stewards ruled that Ceballos had exceeded the HISA whipping limits, Alotaluck was disqualified from the placing, Martin was forced to forfeit \$85,360 in purse winnings, and Ceballos was fined \$853.60 and penalized with a three-day suspension.

On Apr. 16, 2024, when the HISA Authority's board of directors heard the initial administrative appeal, it didn't buy the argument that Ceballos had whipped in the interest of safety.

"There is no dispute that Mr. Ceballos struck Alotaluck 11 times during the race," stated the Apr. 26 decision signed by HISA's board chairman, Charles Scheeler. "The videotape of the race clearly shows that the horse was lugging out and also moving toward the rail at different points [but] the Board does not believe that Mr. Ceballos administered shoulder strikes to Alotaluck for safety purposes. The videotape shows that the horse was not running amid close traffic, and Mr. Ceballos was not looking behind him or otherwise manifesting signs that he was concerned about safety.

"In addition, Mr. Ceballos testified that the horse was 'off' during the race, and the Board is concerned that Mr. Ceballos continued to strike the horse with the crop if he thought the horse was in trouble," the HISA board's Apr. 26 ruling stated.

Ceballos and Martin then appealed the HISA board's decision to the FTC.

"HISA was presented with testimony from a licensed Thoroughbred trainer, attending veterinarian, and attending farrier advising Alotaluck suffered an abscessed foot injury, a primary cause for the horse to lose its path and drift out during the stretch," the FTC appeal by Ceballos and Martin stated. "For the safety of the horse and riders, Ceballos engaged the crop and tapped Alotaluck's shoulder to safely steer the horse."

The Oct. 3, 2024, ruling by D. Michael Chappell, a chief administrative law judge acting on behalf of the FTC, agreed with the reasoning articulated by Alotaluck's jockey and owner/breeder.

"The burden of proof is on the Authority to show, by a preponderance of the evidence, that the covered person has violated a rule issued by the Authority," Chappell wrote.

"The evidence shows that out of the 11 strikes to Alotaluck, the seven strikes to Alotaluck's shoulder were made for safety reasons in order to stop Alotaluck from lugging out. Accordingly, because the strikes to Alotaluck's shoulder were made to

preserve the safety of the horses and riders in the race, and thus permitted under HISA Rule 2280(b)(4), the Authority has failed to establish that Ceballos exceeded the six-strike limit under HISA Rule 2280(b)(1). For all these reasons, the evidence establishes that the imposed civil sanctions were not in accordance with law."

Chappell wrote that the HISA sanctions imposed upon Ceballos are to be reversed, with Alotaluck's placing and purse winnings restored.

Ceballos, when he won his other appeal last year, at the time earned the **distinction of being the first jockey** to get the FTC to reverse a HISA-imposed whipping penalty.

That previous penalty reversal dated to a Sept. 24, 2022, incident in which Ceballos struck Sheriff Brown (**Curlin**) five times more than permitted when winning the Downs at Albuquerque Handicap.

La Mehana made a shrewd move up the rail in the final furlong and earned the first graded/group stakes win of her career in the GIII Waya at the Big A on Friday.

Prior to going for €400,000 last December at the Arqana Mixed Sale, La Mehana began her career as a late juvenile in France under the care of Henri-Alex Pantall where after a second-place debut she made the switch to the yard of Jean-Claude Rouget. Over the course of the next two years, the bay won a stakes at three in Deauville and as a 4-year-old she captured black-type at Chantilly and Saint-Cloud. In her final start on the continent she finished third in the G1 Qatar Prix de Royallieu Stakes at ParisLongchamp in late September.

Coming to the U.S., LSU Stables's acquisition was third in both the GIII Orchid Stakes at Gulfstream Park in March and the GIII Sheepshead Bay Stakes during the Belmont at the Big A meet in early May. The 5-year-old was last seen running fifth in the GIII Robert G. Dick Memorial Stakes at Delaware Park July 7.

Sent on her way as a 9-1 shot here, the mare was content to settle at the back of the field as Idea Generation (Ire) (Dubawi {Ire}) was keen to lead passing the grandstand for the first time. The pacesetter was chased by Immensitude up the backstretch and the rest of the field started to uncork around the far turn. With the speed all but spent entering the lane, La Mehana began to mount a charge along the fence. The Clement trainee surged past Immensitude with perfect timing and got up in the final jumps. At 70 cents on the dollar, the favorite McKulik (GB) (**Frankel {GB}**) finished fifth.

"I did think she [La Mehana] was going to be a little bit closer, but she ran great," said trainer Christophe Clement. "She's never showed that good of a kick before. So, I guess when you wait, she shows a better kick. Maybe we learned something. She was always very forward in all her races in Europe--with me, too. Today, Kendrick [Carmouche] was very patient, he never gave up and she ran great."

Pedigree Note:

La Mehana's sire (by Dream Ahead) has only one other graded/group stakes winner to his credit in Princess Bاده (Motivator). A half-sister to French multiple group stakes winner Watar (Ire) (Marju {Ire}), Oceania's last registered foal is current unraced 3-year-old, Save Your Tears (Ire) (**Calyx {GB}**).

SEPTEMBER ECONOMIC INDICATORS, WAGERING LOWER EVEN THOUGH PURSES ROSE

Wagering on U.S. races was lower, but available and paid purses both saw increases when compared to a year ago in September, while the number of race days and races themselves saw an uptick during the month, according to information released by Equibase on Friday.

Total wagering of \$783,857,564 on races during the month represented a 10.96% decrease over the same period from 2023, while available purses of over \$138 million were up by 2.90%. The figure of over \$131 million for paid purses in September was up 2.26%. As for the total number of race days, they went from 375 to 390 (+4.00%) and the number of U.S. races was up from 2,930 in September 2023 to last month's tally of 2,996 (+2.25%).

Average field size in September was lower from over a year ago when it was 7.34, and checked in at an average of 7.25 runners, a decrease of 1.30%. Average daily wagering decreased by 14.39% to \$2,009,891 and the average available purse number per race day was down 1.05% to \$354,078 from the figure of \$357,846 in 2023.

When it comes to the year-to-date figures, through September of 2023 wagering on U.S. races came in at \$9.1 billion, while this year the amount is 8.865 billion (-2.89%). Those numbers include worldwide commingled wagering on U.S. races.

THOROUGHBRED AFTERCARE ALLIANCE ON SITE AT RETIRED RACEHORSE PROJECT'S TB MAKEOVER

The Thoroughbred Aftercare Alliance will be on-site as a sponsor this year for The Retired Racehorse Project's Thoroughbred Makeover and National Symposium held at the Kentucky Horse Park in Lexington, KY October 9-12. The event is the largest retraining competition for recently retired Thoroughbred racehorses and showcases the versatility and adaptability of these athletes as they transition into new careers while highlighting the importance of aftercare in ensuring successful second careers for Thoroughbreds.

Thoroughbred Aftercare Alliance will have a booth located in the Covered Arena during the Thoroughbred Makeover. Riders and patrons are encouraged to stop by to learn more about accredited aftercare and the role it plays in the future of retired racehorses. In addition, branded merchandise will be available at the booth in exchange for donations, offering supporters a way to contribute to aftercare which supports the ongoing care and retraining of these amazing Thoroughbreds.

Out of the 353 horses entered in this year's Thoroughbred Makeover, 53 horses will be representing 11 Thoroughbred Aftercare Alliance accredited organizations.

TAKE CHARGE INDY'S MONTALCINO EARNS 'RISING STAR' BADGE AT SECOND ASKING AT KEENELAND *by Steve Sherack*

Montalcino | *Coady Media*

Montalcino (c, 3, **Take Charge Indy**--Upstager, by Distorted Humor), a big-figure debut winner at Saratoga Sept. 1, backed up that effort with a 'TDN Rising Star' performance in a first-level allowance for trainer Cherie DeVaux on the opening day of the Keeneland fall meeting Friday.

Favored at even-money while receiving first-time Lasix here, the \$410,000 OBS April breezer was hustled to the front from his inside draw and traveled nicely beneath Jose Ortiz while pressed through an opening quarter in :21.61. He began to give them the slip entering the far turn, was in complete control in the stretch and reported home as a much-the-best six-length winner while stopping the timer for seven furlongs in a very sharp 1:21.56. **Banned for Life** (Maximus Mischief) was second.

Montalcino, campaigned in partnership by Twin Brook Stables, Runnels Racing and Henley Farms Inc., earned a 91 Beyer Speed Figure for his aforementioned geared-down debut victory going seven furlongs at the Spa.

Montalcino is the second 'Rising Star' for **Take Charge Indy**, who returned to WinStar Farm in 2020 after spending three breeding seasons in Korea.

The unraced Upstager, a \$50,000 Keeneland September purchase by winning co-owner and breeder Henley Farms, had a filly by **City of Light** this year and was bred back to **Army Mule**. Montalcino's third dam is MGISW Golden Ballet (Moscow Ballet), who produced GI Breeders' Cup Classic and GI Belmont Stakes winner Drosselmeyer (Distorted Humor).

AFTERNOON NAP (g, 4, [Practical Joke](#)--Julie Napp, by Curlin) missed the break slightly in his belated first trip to the races sprinting over the Del Mar turf Aug. 25, but passed a few rivals late to finish a respectable fourth at just over 3-1. Off to another awkward beginning from the inside stall, the homebred gelding settled in about mid-division and was patiently handled by Antonio Fresu. Asked for some acceleration with a bit less than three furlongs to travel, the 23-10 second favorite was steered out to the grandstand side, gathered up the leaders in the vicinity of the eighth pole and pulled clear on his incorrect lead. Afternoon Nap is a half-brother to Speed Pass (Bodemeister), MGSP, \$136,170, the 2-year-old colt Taking a Nap (Smiling Tiger) and a weanling colt by Halladay ([War Front](#)). GOD'S TIMING (c, 3, Catalina Cruiser--One for London, by Eskendereya) continually breezed a hole in the wind during his morning trials at Palm Meadows and was sent off the 7-5 chalk while spotting all but one of his seven rivals critical racetrack experience. Away fairly from the outside stall, the chestnut colt raced well into the track and about midfield before improving into third on the turn. Felt for in earnest by Edgard Zayas leaving the three-eighths marker, God's Timing loomed up three wide at the top of the stretch and edged away in the final furlong to take it by three lengths. God's Timing is out of a half-sister to Nicole H (Mr. Greeley), whose daughter Gun Song ([Gun Runner](#)) won this year's GII Black-Eyed Susan Stakes and most recently put a scare into 'TDN Rising Star' Thorpedo Anna (Fast Anna) when a close second in the GI Cotillion Stakes Sept. 21. Saving ground in fifth through fractions of :23.30 and :47.50, the 5-2 chance was forced to steady in traffic as they straightened for home. half-sister to SW & GI Breeders' Cup Juvenile Fillies Turf second Coasted (Tizway), who has become a commercial success since being purchased by Katsumi Yoshida for \$1.3 million at Fasig-Tipton November in 2017 and exported to Japan. Coasted's first foal is Danon Beluga (Jpn) (Heart's Cry {Jpn}), a Group 3 winner and Group 1-placed at home and twice runner-up in the G1 Dubai Turf who sold for nearly \$1.5 million as a foal. She is also the dam of Bond Girl (Jpn) (Daiwa Major {Ire}), a \$1.54-million yearling and placed four times at group level. Coasted's foal of 2024, a filly by Saturnalia (Jpn), was purchased by Susumu Fujita for \$1.06 million this past summer. *B-Newtownanner Stud Farm (KY)*

JUNE EOS (f, 2, Constitution--Lights of Medina, by Eskendereya), a \$400,000 Keeneland September acquisition, is out of a stakes-winning mare who was also second in the 2017 GII Black-Eyed Susan Stakes and whose first foal, Pioneer of Medina (Pioneer of the Nile), was third in the 2022 GII Louisiana Derby and won the 2023 GIII Mineshaft Stakes. The yearling half-sister to June Eos by Twirling Candy was knocked down to C2 Racing Stable for \$300,000 at the recently concluded September Sale. *B-International Equities Holding Inc (KY)*

5th-NII, ¥13,720,000 (\$92k), Newcomers, 2yo, 1200m
POULSEN (c, 2, Into Mischief--Separation of Powers, by Candy Ride {Arg}) is the second foal and first to make the races from his dam, winner of the GI Frizette Stakes in 2017 and the GI Longines Test Stakes at three before changing hands for \$2.1 million at the 2019 Fasig-Tipton November Sale. A Feb. 11 foal, Poulsen was bought back for \$535,000 as a Keeneland November weanling in 2022, then fetched \$350,000 at last summer's Fasig-Tipton Saratoga Sale. Consigned by Scanlon Training & Sales to this year's OBS April Sale, the bay colt drilled

an eighth of a mile in :9 4/5 and was hammered down to Naohiro Sakaguchi for \$925,000. *B-Hunter Valley Farm & Mountmellick Farm LLC (KY)*

SONG COLLECTOR (f, 2, Collected--Kylers Song, by El Corredor) cost \$47,000 at OBSAPR after breezing in :10 flat, having originally been purchased for just \$1,500 as a short yearling at the 2023 Keeneland January Sale. The May 18 foal is the first to race out of a winning daughter of five-time stakes winner and dual graded-placed Summer Song (Sunday Break {Jpn}), the dam of GII Amsterdam Stakes runner-up Excitations (Into Mischief). Third dam Lost Expectations (Valid Expectation) produced GI Juddmonte Spinster Stakes heroine and GI Breeders' Cup Distaff runner-up Don't Tell Sophia (Congaree). *B-Marette & Canice Farrell & Zoe Cadman (KY)*

NEWSSELLS PARK PREPARING TO SPARKLE AT BOOK 1 AND BEYOND

Graham Smith-Bernal in the vineyard at Newsells Park Stud

By Emma Berry

Wine and racehorses. What, as they say, is not to like? It worked for Marchese Mario Incisa della Rochetta, whose delicious drop of Tuscan red, Sassicaia, is revered the world over, and who found fame in the Thoroughbred world as the co-owner and breeder, with Federico Tesio, of the great Ribot (Ity) among others.

Now Graham Smith-Bernal, who bought Newsells Park Stud from the Jacobs family in 2021, is aiming for a similar sideline in excellence.

In the name of proper and thorough journalistic research, a crack team of wine drinkers from the *TDN* was dispatched to Hertfordshire to learn more about this project, which is now in its early growth stages across 170 acres on a corner of Newsells Park.

"My brother-in-law is Italian and he comes from a wine-producing family, so my interest in making wine peaked over the last 10, 15 years when my sister married him," says Smith-Bernal, who is famed as the entrepreneur behind transcription software for the legal system. [Cont. p3](#)

PRAISE FOR GOFFS AS 135K SIOUX NATION COLT BRINGS CURTAIN DOWN ON ORBY SALE

By Brian Sheerin

Galbertstown Stables boss Pa Doyle described trade at Goffs this week as "very strong for the nice horses" after selling a **Sioux Nation** half-brother to Diego Ventura (Ire) (Mehmas {Ire}) to Tally-Ho Stud for €135,000.

That was the highest-price paid on Friday as the curtain came down on Book 2 where a 72% clearance rate [down 3% on last year] was posted. The turnover for 322 sold was down 18% to €6,603,800 while the average fell by 8% to €20,509 and the median by 14% to €15,500.

As is clearly illustrated in the numbers, the demand is for the top tier horses. Below that level, things get a little trickier. Tally-Ho boss Tony O'Callaghan has seen his share of market trends and reiterated that trade was strong if you had the right horse. For those in the lower brackets, they struggled.

"He has the pedigree and is a good stamp of a horse," O'Callaghan reflected on the half-brother to the 104-rated juvenile. "The trade is good enough--there were six or seven bidders for that horse. Trade is good for the nice horses. Everyone wants the nice horses. Nobody wants a bad horse."

Newsells Park Stud Cont. from p1

He says, "We then found when we did the due diligence [on the purchase of Newsells Park Stud] that of the 1,200-plus acres here, 170 acres were south-facing chalk slopes, which is absolutely the perfect soil for growing vines that go on to make sparkling wine."

The breeder-turned-viticulturist is encouraged by the boost in appreciation of English sparkling wine in recent years. "I think there's something like 400 vineyards here in England now," he adds. "We are the very first that brings together, if you like, the reputation for breeding top racehorses with the aspiration to make the finest sparkling wine."

From the first vines being planted in 2022, two climate-friendly summers have aided their establishment, but this spring was not so kind.

The stud viewed from the site of the winery | Emma Berry

"This year has been a washout, a terrible year right across the board," he says. "Partly because we had a late frost on the 26th of April. We were going to have our first harvest this year, probably enough to make 10,000 bottles of wine - 60,000 is

where we'll be at full production.

"But we decided because of that, and then the very wet spring that followed, to drop the grapes, and that again reinforced the vine structure. We'll look to next year, but in the interim, because it will be three to five years before we can drink anything that we've harvested, what we're doing is effectively building our brand by selecting some of the very finest English sparkling wine that has at least five years of age on it. So it is top-table stuff. And then just

like Harrods or Harvey Nichols do, we put our brand on it."

That brand is where the proper cross-pollination with the horse side of the business kicks in. [Cont. p4](#)

BEST-BRED YEARLING CROP TO DATE NOW SELLING!

GROUP/STAKES-WINNING 2YOS FROM HIS FIRST COOLMORE CROP!

COOLMORE

Newsells Park Stud Cont.

Newsells Park Stud's leading sire Nathaniel (Ire) has lent his name to a zinger of a sparkling wine which definitely passed the *TDN* taste test, while the farm's late, great broodmare Shastye (Ire) is remembered in the naming of a classic cuvée.

"When you drink a bottle of sparkling wine or champagne, you see the bottle and the label, you see the name and you taste it, but you're not usually able to turn the label and then see the story. Nathaniel's story - about the Coral Eclipse, the King George, and then of course Enable - is there. My dream is through that sparkling wine, in 20 years' time, long after he's gone, he will be remembered through this," says Smith-Bernal, who has plans in place to build a winery amid the vines, with splendid views across the stud's rolling pastures.

"We also have a rosé coming at the end of October, which is going to be called Shambolic."

Which brings us back to the key focus of Newsells Park Stud: breeding top-class horses. Through her offspring, Shastye was the toast of Book 1 for many a year. No fewer than six of her yearlings sold for seven-figure sums, led by the subsequent Group 3 winner Sir Isaac Newton (GB) (Galileo {Ire}) at 3.6 million gns. His full-siblings include the dual Group 1 winners Japan (GB) and Mogul (GB) as well as G2 Middleton Stakes winner Secret Gesture (GB).

Two years ago, the first foal of Shambolic (Ire) (Shamardal), who is owned by Newsells Park and Merry Fox Stud, brought 1.5 million guineas when offered at Book 1 of the Tattersalls October Sale. This time last year the filly, now named Ylang Ylang (GB), won the G1 Fillies' Mile. Her half-sister, by **Siyouni (Fr)**, is one of 27 yearlings heading to Tattersalls next week for Book 1, the elite sale at which Newsells Park Stud has been leading consignor for the last six years, and on two occasions prior to that. **Cont. p5**

Newsells Park Stud's Dubawi filly out of Waldlied

Too Darn Hot

High-class two-year-old colt Hotazhell takes **the G2 Beresford**, giving his sire a **landmark tenth juvenile Group victory in Europe. Since the Pattern began in 1970, no stallion has sired more at this stage of their career** – and only Habitat, foaled way back in 1966, can match him.

Also last weekend: star Australian three-year-old Broadsiding wins **the stallion-making G1 Golden Rose**. He'd already won two of the five Australian G1s for juveniles.

Newsells Park Stud Cont.

She will be joined by a Dubawi (Ire) filly out of Waldied (GB), a three-part-sister to the Arc winner Waldgeist (GB) from one of Newsells Park's signature families, and a **Frankel (GB)** colt who is very closely related to another of the resident stallions, Without Parole (GB), and consigned on behalf of his breeders John and Tanya Gunther. A draft chockful of sire power to match some pretty elite female families will no doubt be playing a leading role once more at Park Paddocks.

"Sometimes you have good years on the track and sometimes you have bad years," says stud manager Julian Dollar. "I try and think of Juddmonte's **Oasis Dream** advert, which says 'Form is temporary, class is permanent.' Hopefully we've proven over the years that we get it right."

In addition to the commercial element of the business, Newsells Park Stud has recently set up a bloodstock syndicate in a bid to encourage investors and would-be breeders to become partners in racing and broodmare prospects. The star of the project to date is this year's Irish Oaks winner You Got To Me (GB), who is of course a daughter of Nathaniel and is owned in partnership with Valmont. The bloodstock syndicate members will soon also be beneficiaries of the Newsells Park wine club.

"We are also creating a local community membership," adds Smith-Bernal, who owns the pub in the stud's local village of

Barkway and will host open days at the stud for residents.

"You pay your annual subscription, you get your 12 bottles of wine, but then you get to get involved in some of the events that we're holding here. So in the spring you'll get to see some of the foals and the mares. You're going to see a stallion parade. In the autumn, you're going to see a yearling parade. There'll be a barbecue, which is for our members. So it's a community thing that we're building."

The stud also played host to leading clients of the bookmaker Fitzdares during the summer for a Royal Ascot preview hosted by Nick Luck.

"They had a tour of the stud, to see what this is all about," says Smith-Bernal. "And then they're part of the audience, this wine was served, canapés and everything else, and they got insights from trainers for Royal Ascot, and we had people coming back after that saying that was one of the best events that they've been to.

"Fitzdares now want to do that every year, and the reason we do it is it just brings more people who've got an interest in this world into our orbit, and from there they may not only interested be in that, but in coming into a bloodstock syndicate."

Encouraging new people to become involved in the world of Thoroughbred breeding? Now that's something we can all drink to.

Goffs Orby Cont. from p1

Asked if the **Sioux Nation** colt (lot 837) was bought to go breezing, O'Callaghan said, "For the moment anyway. Things change. But sure we raced the half-brother [Diego Ventura]. We breezed him, sold some of him to Gavin Cromwell and, as the saying goes, the rest is history.

"Everyone needs to up the ante and, if they don't get a good horse, take the hit and be done with it. Nobody wants a bad horse. The standard in Ireland is massive. You go to the Curragh, Aidan [O'Brien] could have three in a maiden. That's an eye-opener. They set a great example. We may try and compete."

Doyle agreed. And on top of that, the leading consignor singled out Goffs for special praise for attracting a diverse buying bench, even in times of increased polarisation.

"Sean Ronan bred the **Sioux Nation**," he explained. "They put a lot into it and this was as good a horse as I have ever brought to Book 2 here. We sold his brother here last year but I think this is a more balanced horse. You'll definitely hear more of this horse when he hits the racetrack. He's by a proper sire and everything worked out in time for the sale. He was always going to come here and hopefully it'll be onwards and upwards as he's gone to a good home.

"Coming up here this week, we didn't know what to make of the market and nobody could predict how it would go. But this

was a good sale. Definitely. It was full of nice horses and there was a lot of money here for those nice horses. Plenty of people were here from all over the world for Book 1 and Book 2 so fair play to Goffs."

Reflecting on Book 2 in particular, he said, "I thought Book 2 was a very simple sale to work. Any sort of a nice horse made money. Even our own horse, everybody wanted him. But again, the credit has to go to Goffs. Book 2 here last year was bad. But typical of Goffs, they went away and upped their game. Everybody came back here because Goffs do a great job and the sellers have a lot of trust in the sales company. If they make a mistake, which they did last year, they correct it twice over. I think we saw that here this week. It was very strong for the nice horses."

The O'Callaghans also signed for a Cotai Glory (GB) colt alongside Valfredo Valiani for €60,000, with the Italian agent reporting lot 808 would likely be for breezing as well.

Valiani said, "He's not the first horse I have bought for them. They did well with a Blue Point (Ire) filly that I bought for them as well. I saw this Cotai Glory colt who I liked a lot and Roger, Henry and Tony went to look at him and they liked him as well. Thankfully he was a nice horse. You know, they are great people and I love working for them. They are extremely professional and I am always learning from them as well. They are very good at what they do." **Cont. p7**

He added, “I bought an Earthlight (Ire) filly for €90,000 in Book 1 for a big Italian stable and I have bought a few more in Book 2 who are going back to Italy as well. It’s been a good week.”

Beeby Addresses Dip In Book 2 Figures

It’s not like Henry Beeby has gone around this week with the attitude of, ‘well, the market is black and white so we have to just accept the middle bracket is going to struggle.’ The team worked hard to get the horses and the buyers here and, as Doyle pointed out, there was a healthy buying bench at all levels. The figures were down drastically on last year’s Book 2 session, but Beeby was keen for that not to take the gloss of what was respectable trade during Book 1.

He said, “On Wednesday we celebrated a superb renewal of Orby Book 1 that defied many pre-sale predications with a sale of vibrancy and depth as a truly international buying bench did battle for many of the finest thoroughbred yearlings to be offered this year. We are extremely proud of the results with feedback from both vendors and purchasers proving overwhelmingly positive about the quality of horses, the Goffs service and the results in the ring as we grew the numbers in each metric over the average headed by the magnificent top price of €2 million.

“The last two days have been very different however, as the numbers are some way off what any of us would like and well behind the last two years. A clearance rate of 72% is not the most positive and all the key statistics are back to 2021 levels which is disappointing notwithstanding they mirror trends seen at every other second tier European yearling sale so far and competition for the good ones has been as fierce as ever.”

He added, “As an auction house we exist to serve breeders and provide a marketplace to the best of our ability by investing huge time and resource into every area with marketing, travel, incentives and so much more. That we have done, even if some may say it is not enough, and it could be that these two days are simply following the market correction trends that are going to be the story of 2024. So, we will analyse, review and discuss with the benefit of time and reflection before we make any finite decisions about the format or numbers in Orby Book 2. Frankly it is too easy to say “catalogue less” when so many breeders look to Goffs to sell their produce and our question in reply would be to ask “what about the rest?” There is no silver bullet to the current issues and the “polarisation” of the market has been building momentum for a few years as evidenced by so many sales company statements (ours included) and commentators making the word the most overused in the bloodstock world. Indeed, it has become very evident that those yearlings that do not have it all – pedigree, “fashionable” sire and conformation – are roundly rejected as there is always another to buy with so much choice and catalogues growing. That means the market is speaking, and loudly, and it is up to all of us to work together to navigate our way through this latest downturn although when one considers events in the wider world it could be argued that we aren’t doing too badly.” **Cont. p8**

Goffs Orby Cont.

He added, "Accordingly, we will take our time to reflect and decide how we react for the benefit of Irish breeders as Goffs primary function is to serve them. We'll work with ITM to explore how to make the sale more attractive to overseas buyers who are so vital to the marketplace although that will not happen until we see the take up and footfall at our Autumn Yearling Sale in a few weeks' time as it is worth remembering the huge numbers of Italian and Eastern European purchasers that have flocked to Kildare Paddocks in early November over the past few years.

"For now, I repeat our supreme appreciation of every purchaser and each vendor for their support throughout the week. The Irish National Yearling Sale is arguably the most important week of the year for Irish breeders and there were so many true highlights for a lot of vendors including some great stories across all four days whilst we were proud to welcome so many international visitors to Kildare Paddocks."

Lupini Continues Support Of Saxon Warrior

Craig Bryson (right) | Goffs

Natalia Lupini is one of the most upwardly mobile trainers in Ireland. Along with her partner Craig Bryson, the Italian native swooped for a **Saxon Warrior (Jpn)** colt from the Castlebridge Consignment for €65,000.

Bryson said, "Saint Brandon (Ire), who won his maiden at Down Royal, will go for a valuable auction series final at Naas next week and he is by **Saxon Warrior**. We've another lovely horse by the sire in the yard so we are big fans of him. We like **Saxon Warrior** crossed with Invincible Spirit (Ire), so we were happy to get lot 887. He has a good walk and is a nice-looking horse. People have probably gone a little bit off the sire but he gets nice horses and they have a wee bit of class so they suit us."

Lupini's stable is a trading one. The wheels need to keep

turning in order to keep the stable lights switched on. After an admittedly sluggish start to the campaign, the stable has posted nine winners domestically, five of which were two-year-olds.

Bryson continued, "We were a bit quiet at the start of the year but we just bided our time a bit and the horses came to themselves in the second half of the season. It's all come good in the end and we're happy with the season we've had. We've had five two-year-old winners and there are a few nice ones still to run. We've bought four yearlings this year."

Pinhooking Fortunes On Friday

Of the 220 horses catalogued during Friday's session, 49 were pinhooks, and after two withdrawals, 47 horses visited the ring. A total of 11 did not meet their reserves and were buy-backs, leaving 36 yearlings marked as sold. Of the latter group, nine made a profit ranging from €1,400 to €17,200. A total of 27 lots lost money.

We have multiplied the price of the foal by 1.1 and added a running cost of €12,000 for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly.

It is worth noting that sometimes a horse can appear to be bought and sold by different names but have actually not changed ownership at all.

Buy of the Day

Janda Bloodstock is an important buyer at the middle market and there is a strong chance that the Eastern European buyer picked up a nice prospect for his clients in lot 923, a Tamayuz (GB) colt who cost €30,000. Offered by Coneyboro Stud Farm, the colt is a half-brother to the 97-rated Maximilian Caesar (Ire) (**Holy Roman Emperor {Ire}**) and looks every inch a racehorse. He looks very well bought.

Thought for the Day

Goffs is without doubt one of the best sales companies to socialise at. The balcony restaurant in particular offers a brilliant dining experience and many a good evening/night has been spent there. But do you know what would elevate the whole experience? A live feed from the back ring. Think about it. You're having your lunch, and rather than a big green bid board with numbers that mean nothing to look at, you could have the horses parading in the back ring to feast your eyes upon. If one person happens to look up at the screen, see something they like and then follow that horse into the ring, well then it has to be deemed a worthwhile idea. **Cont. p9**

It can be exhausting work bargain hunting at the sales. In these days where such technology is relatively easy to utilise, this could be something that might take off and could complement the bid boards that are placed within the restaurants and bars around the complex.

RACE PREVIEWS

INSPIRAL SET FOR SUN CHARIOT FAREWELL

by Tom Frary

Usually brilliant, sometimes a reluctant star but never dull, Cheveley Park Stud's **Inspiral (GB)** (**Frankel {GB}**) is back on familiar soil as she looks to end her illustrious career in style in Saturday's G1 Sun Chariot Stakes at Newmarket. Dominant over the high-class yardstick Mqse De Seville (Ire) (**Siyouni {Fr}**) under Frankie 12 months ago, the homebred who has garnered six at this level including a G1 Breeders' Cup Filly & Mare Turf has failed to make a mark so far this term for varying reasons and will need to break on terms with the competition predictably strong here.

Connections face the growing problem of Inspiral's tendency to give away a sizeable advantage at the start, just as she did when attempting a third renewal of the G1 Prix Jacques le Marois when last seen at Deauville in August. "I'm just hoping she sparks up and shows some of her brilliance," jockey Robert Havlin said. "We put a blind on her and gave her a squeeze coming out of the gates and she flew out of them. She seems to have taken to that quite well. She worked well the other day and her demeanour around the place in the last few weeks is a good sign."

"We wouldn't want any more rain between now and then, but Newmarket does dry really quick," he added. "She's had plausible excuses for the season, so we are hoping we have got her somewhere back to her best. She's been a special filly to be around and it'll be nice to be on her at the end."

Now that David Menuisier has found the ideal trip of **Tamfana (Ger)** (Soldier Hollow {GB}), the 3-year-old is an interesting contender back over the course and distance of her unlucky fourth in the G1 1,000 Guineas. Enjoying a confidence boost when taking the G3 Atalanta Stakes in August, she bids to emulate Saffron Beach (Ire) (New Bay {GB}) who used that Sandown contest as a stepping stone to Sun Chariot success three years ago. "It makes perfect sense to go back to the scene of the crime," Menuisier said. "She goes on any ground, so soft going won't be any problem for her." **Cont. p10**

Saturday Preview Cont.

Also in attendance is the long-absent 5-year-old **Nashwa (GB)** (**Frankel {GB}**), who relished this trip when taking the July Course's G1 Falmouth Stakes last term. Hollie Doyle is hopeful her star mount can get back to the limelight she once enjoyed. "I've only sat on her once since Dubai and that was last week, when she felt great," she explained. "She's a filly who in the past has taken a few runs to come to herself, but I was pleased with her and whatever happens here we hopefully have Qipco British Champions Day at Ascot to look forward to in two weeks' time."

Cadran At The Mercy Of Kyprios...

Returning to the scene of his wayward-but-sensational victory in the 2022 G1 Qatar Prix du Cadran, Ballydoyle's **Kyprios (Ire)** (Galileo {Ire}) is taken on by a new rival in the Wertheimers' 2023 G1 Prix Royal-Oak hero **Double Major (Ire)** (Daiwa Major {Jpn}) who was impressive when winning his prep in the G2 Prix Kergorlay at Deauville in August. Quite what happened as he veered across the track two years ago is unknown, but the fact that Kyprios still won by 20 lengths says it all when it comes to assessing the quality of this supreme stayer.

"Ryan rode him handy and the pace just fell down when he turned in and he just got left in front," O'Brien explained. "He

obviously thought he was just going back to the stables and was heading for the gates. Ryan will be aware of that this time and he seems to be going there in really good form. Everything has gone well since the Irish St Leger and he's an amazing horse with a lot of class. He's very comfortable going those staying distances and we just thought it might be a bit disrespectful to the horse to ask him to run in an Arc after what he's after doing for us."

The Wertheimers' racing manager Pierre-Yves Bureau said, "I think Kyprios is a real champion and we look more like a challenger at this time. Double Major has never been over this distance, but is in good form and has won plenty of group races. His last run in Deauville was very impressive and he showed a great turn of foot. I think he has a good chance, but Kyprios is a champion and in my mind we have to be at our very best and at this stage have to be seen as a challenger."

The card's G1 Qatar Prix de Royallieu looks a notch below its usual standard, which may explain why 16 fillies and mares line up for the 14-furlong bonanza, with the G2 Lillie Langtry Stakes winner **Term Of Endearment (GB)** (Sea The Moon {Ger}) possibly the standard-bearer and Yutaka Take warming up for his Arc ride on Masaaki Matsushima's **Lily Hart (Ire)** (Galileo {Ire}) for Ballydoyle. The G2 Qatar Prix Chaudenay boasts that stable's G1 St Leger runner-up **Illinois (Ire)** (Galileo {Ire}), while the G2 Qatar Prix Dollar which has become something of a Champion Stakes trial in recent times sees another high-profile character in Shadwell's **Anmaat (Ire)** (Awtaad {Ire}). Successful in this in 2022, he returned here last May to add the G1 Prix d'Ispahan to his tally and showed his wellbeing on his sole start in the interim when winning Haydock's G3 Rose of Lancaster Stakes in August.

"He's done incredibly well, the horse, because he had a pretty nasty injury in one of his feet and a lot of horses wouldn't have come back from it at all," Shadwell's Angus Gold said. "He was out at the stud for best part of a year. He came back and won, so we gave him a bit of time after that just because he had a hard enough run there, but his weight is good, he really loves his work and is a fantastic character."

Also in the Dollar is Victorious Racing's **Calif (Ger)** (Areion {Ger}), who is faced with a penalty having beaten Fantastic Moon (Ger) (Sea The Moon {Ger}) in Munich's G1 Grosser Dallmayr-Preis in July, and Sunderland Holding's 2022 Champion Stakes third **My Prospero (Ire)** (Iffraaj {GB}) who looked to be coming back to his best last time when winning Windsor's G3 Winter Hill Stakes.

Fascinating Clash Gets Arc Card Off To A Flyer...

Sunday's other group 1 races at ParisLongchamp are now fully formed, with the action getting underway with a clash of The Aga Khan's exciting G3 Prix d'Aumale winner **Zarigana (GB)** (Siyouni {Fr}) and Ballydoyle's high-achieving fellow **TDN Rising Star Bedtime Story (Ire)** (Frankel {GB}) in the G1 Qatar Prix Marcel Boussac. Bedtime Story, who is on a retrieval mission having disappointed when over-racing in the G1 Moyglare Stud Stakes, is drawn in 10 and will need to be dropped out from that unfavourable stall.

A field of 10 will line up for the G1 Qatar Prix Jean-Luc Lagardere, with Ballydoyle's G2 Futurity Stakes winner and G1 Vincent O'Brien National Stakes runner-up **Henri Matisse (Ire)** (Wootton Bassett {GB}) fitted with first-time blinkers. The star name among the 16 sprinters engaged in the G1 Prix de l'Abbaye de Longchamp Longines is Victorious Racing's triple group 1 winner **Bradsell (GB)** (Tasleet {GB}), while the 11 runners in the G1 Prix de l'Opera Longines include the G1 Yorkshire Oaks heroine **Content (Ire)** (Galileo {Ire}) who has a tricky draw in nine tackling the Classic winners **Fallen Angel (GB)** (Too Darn Hot {GB}) and **Sparkling Plenty (Fr)** (Kingman {GB}).

The last of the fixture's elite-level contests, the G1 Qatar Prix de la Foret, has an unusually huge 18-strong contingent with the draw over the seven furlongs even more crucial than ever. Marc Chan's popular 2022 winner **Kinross (GB)** (Kingman {GB}) has got lucky in two, while Godolphin's G1 Prix du Moulin hero **Tribalist (GB)** (Farhh {GB}) faces a stiff task in 12 next to the struggling past-luminary **Big Rock (Fr)** (Rock Of Gibraltar {Ire}) in 13.

TDN RISING STAR MARANOA CHARLIE ROUTS RIVALS IN SAINT-CLOUD ROMP

by Sean Cronin

Perfect through two eye-catching wins at Deauville in August and Chantilly last month, 'TDN Rising Star' **Maranoa Charlie (Fr)** (Wootton Bassett {GB})--Koubalibre {Ire}, by Galileo {Ire}) continued his impressive rise with an untroubled pillar-to-post triumph in Friday's G3 Prix Thomas Bryon Jockey Club de Turquie at Saint-Cloud to retain his unbeaten record in style.

The 1-5 favourite was swiftly into stride and soon established a clear lead. Tanking along in hand throughout, he was in another parish turning for home and required minimal encouragement in the straight to easily outclass **Iowa City (Fr)** (Territories {Ire}) by much more than the official winning margin of eight lengths would imply.

"It's unbelievable and, sometimes, when you're witnessing a performance like that you become more concerned something may be amiss or that the horse has got away from the jockey or whatever," commented owner Peter Maher. "He was just travelling so kindly and when he came into the straight like that as well it was quite surreal to be honest. I've never seen a horse run like that, not one of ours anyway. It's difficult to try and work out where the limit may or may not be, but the way he ran today was just very impressive, it really was."

"All being well, we'll go to the [Oct. 27 G1] Criterium International, over a mile at Saint-Cloud again, so that will be the next challenge. That's providing [trainer] Christopher [Head] is happy with the horse and he pulls up well after the race."

Maranoa Charlie is the second of three foals and lone scorer out of a winning half-sister to G1 Cheveley Park Stakes-winning European champion Tiggy Wiggy (Ire) (Kodiac {GB}), herself the dam of G1 Futurity Trophy third Year Of The Tiger (Ire) (Galileo {Ire}). The April-foaled bay’s second dam Kheleyf’s Silver (Ire) (Kheleyf) is a half-sister to G3 Norfolk Stakes victor Masta Plasta (Ire) (Mujadil). O’BIEN ‘DELIGHTED’ WITH CITY OF TROY AS HE PREPS FOR BREEDERS’ CUP CLASSIC

Aidan O’Brien provided a positive bulletin on Ballydoyle star **City Of Troy (Justify)** after he galloped at Southwell last month. The Coolmore partners’ talented son of Together Forever (Ire) (Galileo {Ire}) is gearing up for start in the G1 Breeders’ Cup Classic in November.

“He’s very good. We were delighted with him at Southwell and everything has gone very well with him since,” O’Brien told *Sky Sports Racing*. “He’s started his build up now and so far everything seems good.”

The bay is riding a three-race winning streak, having claimed the G1 Derby, G1 Eclipse and G1 International Stakes in June, July and August, respectively. The Coolmore partners have never won the G1 Breeders’ Cup Classic, with their ‘Iron Horse’ Giant’s Causeway (Storm Cat) getting closest when second by a neck to Tiznow (Cee’s Tizzy) in 2000. **Cont. p13**

MICKAEL BARZALONA RETAINED BY AGA KHAN STUDS FOR 2025

Mickaël Barcelona has been appointed first jockey for the French-trained horses of the Aga Khan Studs from January 2025.

A Classic-winning jockey in France and Britain, Barzalona shot to wider prominence for his flamboyant celebrations when winning the 2011 Derby for Andre Fabre and Coolmore aboard Pour Moi (Ire) at the age of just 19. A former retained jockey for Godolphin, he won France's Cravache d'Or (jockeys' championship) in 2021 and is currently in second place in the table for this season behind Maxime Guyon.

During 2024, Barzalona's significant victories in the red and green silks of the Aga Khan Studs have included the G3 Prix de la Grotte aboard Candala (Fr) (**Gleneagles {Ire}**) and G3 Prix d'Aumale on Zarigana (Fr) (**Siyouni {Fr}**). The latter, a granddaughter of the Aga Khan's brilliant Arc winner Zarkava (Fr), whose **retirement from breeding** was announced this week, will be partnered by Barzalona in Sunday's G1 Prix Marcel Boussac.

BIG ROCK TO STAND AT HARAS DE GRANDCAMP IN 2025

Big Rock | Scoop Dyga

Group 1 winner **Big Rock (Fr)** (Rock Of Gibraltar {Ire}) will stand at Haras de Grandcamp beginning in 2025, *Jour de Galop* reported on Friday. A fee for the 2023 G1 Queen Elizabeth II Stakes victor will be announced in due course.

The Yeguada Centurion homebred, the first foal out of Hardiyana (Ire) (**Sea The Stars {Ire}**), also won the G3 Prix de Guiche, G3 Prix la Force, and the Listed Prix Maurice Caillault at three. He was second in the 2023 editions of the G1 Prix du Jockey Club, the G1 Prix du Jacques le Marois, and the G1 Prix du Moulin in June, August and September for trainer Christopher Head.

Transferred to trainer Mauricio Guarnieri at the beginning of the year, his best performance in four starts is a last out third in the G1 Woodbine Mile Stakes in September. An earner of \$1.78 million from 15 starts to date, Big Rock is slated to run in the G1 Prix de la Foret at ParisLongchamp on Oct. 6.

Grandcamp's Eric Lhermite told the publication, “He is a tough horse, with a real ability to impose his pace on others. He is a good recruit for French breeding because he has repeated good performances against the best. Mr. [Leopoldo Fernandez] Pujals remains the owner of his horse, which he will support with his excellent broodmares and whose breeding career he will manage in order to enhance his value. Knowing that he is not a seller of yearlings, the market will not be cluttered with too many offspring at the sales. Big Rock is a solid and thick horse. He certainly has several races left before entering stud.”

Big Rock's female family is from Aga Khan stock, with his granddam, the Pivotal (GB) mare Harasiya (Ire), third in the G1 Moyglare Stud Stakes, as well as being a half-sister to G1 Derby hero Harzand (Ire) (**Sea The Stars {Ire}**).

AL RIFFA TOPS TIMEFORM RATINGS IN ARC FIELD

Al Riffa (right) | Alamy

Group 1 winner **Al Riffa (Fr)** ([Wootton Bassett {GB}](#)), a two-time winner at the highest level, leads the 16-strong G1 Qatar Prix de l'Arc de Triomphe field by Timeform ratings at 125, the company announced on Friday.

Trained by Joseph O'Brien, the 4-year-old is rated four pounds inferior to Calandagan (Ire) ([Gleneagles {Ire}](#)), who finished second to Al Riffa's third behind City Of Troy in the G1 Eclipse earlier this season. Another rated higher is Goliath (Ger) (Adlerflug {Ger}), who is two pounds above the G1 National Stakes and G1 Grosser Preis von Berlin hero. Both Calandagan and Goliath are ineligible for the Arc, as they are geldings.

Timeform handicapper Graeme North said, "This year's Arc looks short of the quality that we can usually expect heading into Europe's premier weight-for-age race over a mile and a half.

"There are several reasons for that. Horses who might have been considered top contenders like Kyprios (Ire) ([Galileo {Ire}](#)), City Of Troy, Auguste Rodin (Ire) ([Deep Impact {Jpn}](#)) and Economics (GB) ([Night Of Thunder {Ire}](#)) all have other targets, while several of the top older horses from last season, such as the first three in the 2023 Arc, Ace Impact (Ire) ([Cracksman {GB}](#)), Westover (GB) ([Frankel {GB}](#)) and Onesto (Ire) ([Frankel {GB}](#)), are no longer in training. But above all else it's because some of the best horses at the distance are geldings and so are disqualified from running.

"Timeform thinks this is wrong as permitting geldings to run

would increase competition and give a better indication of the merit of horses from different crops.

"Calandagan and Goliath would have headed the ratings by some margin had they been allowed to participate, while high-class French middle-distance horses Iresine (Fr) ([Manduro {Ger}](#)) and Zarir (Ire) ([Frankel {GB}](#)) [both also geldings] would also have added considerable spice to what currently looks a substandard running."

PAUL WILDES DISPERSAL SET FOR THOROUGH BID ON OCT. 13

A quartet of Flat horses owned by Paul Wildes will be sold on ThoroughBid on Sunday, Oct. 13. Bidding will open at 9 a.m. and close at noon.

The dispersal features the two-for-two **Minnie Wildes (Ire)** ([Bated Breath {GB}](#)) (lot 1); Chester winner **Stapleford Park (GB)** ([Ardad {Ire}](#)) (lot 2); multiple-placed filly **Cressida Wildes (GB)** ([Grain Race {GB}](#)) (lot 3) and the 85-rated gelding **Way To Dubai (Ire)** ([Holy Roman Emperor {Ire}](#)) (lot 4).

Paul Wildes, whose priorities have shifted since his children are more involved in sports, said, "I've been in horse racing for around 12 years, and this is certainly one of the nicest strings of horses I've had running in my colours.

"It's a shame to let them go but my life has changed a fair bit. I barely get to go to the races anymore. I didn't go to Newcastle on Tuesday night [where Minnie Wildes won her second start to remain unbeaten] as Minnie, my daughter, was playing hockey, so that's a case in point really.

"[The mare] Wynter Wildes (GB) ([Tamayuz {GB}](#)) is going off to the mares' sale, while these four horses in-training are all being sold with ThoroughBid, as I felt they were the best auction house to handle the situation."

CEO of ThoroughBid, James Richardson, said, "It's great to be offering a quartet of exciting horses in this bespoke on-demand sale. They are a talented string of horses, not least Minnie Wildes, who maintained her unbeaten record in stellar style at Newcastle on Tuesday night and looks a very bright prospect.

"We're excited to announce that from this sale onwards our agent's commission will be in effect. We're offering a 5% agent's commission to the purchaser of any horse bought for £20,000 or more provided they are a recognised bloodstock agent or a licensed trainer. We believe this will be a really attractive incentive to agents looking get involved in our future sales."

GISELLE RETURNS

13.40 Curragh, Mdn, €20,000, 2yo, f, 7fT
GISELLE (IRE) (**Frankel {GB}**) makes her eagerly-awaited return to the races, having faced what in hindsight was an impossible task in meeting her star stablemate Bedtime Story (Ire) (**Frankel {GB}**) at Leopardstown in June. Peter Brant, Coolmore and Westerberg's first foal out of the GI Breeders' Cup Juvenile Fillies Turf heroine Newspaperofrecord (Ire) (Lope De Vega {Ire}) is joined by the fellow Ballydoyle representative **Marinsky Theatre (Ire)** (**Dubawi {Ire}**), an unraced daughter of the GI Belmont Oaks Invitational winner Athena (Ire) (**Camelot {GB}**)

and full-sister to the dual group 3 scorer Never Ending Story (Ire).

15.50 Newmarket, Mdn, £21,000, 2yo, 8fT

NEBRAS (GB) (**Dubawi {Ire}**) is a significant runner on a card that already boasts his high-class half-sister Nashwa (GB) (**Frankel {GB}**) in the feature, representing the same Imad Al Sagar-John and Thady Gosden axis. A 725,000gns Tattersalls October Book 1 graduate, he faces six peers on this unveiling.

16.25 Newmarket, Mdn, £20,000, 2yo, 7fT

SECRET THEORY (IRE) (**Dubawi {Ire}**) missed his intended debut here last month due to soft ground and Charlie Appleby is expecting a more suitable racing surface for Godolphin's half-brother to Dark Angel's grade I winners Mysterious Night (Ire) and Althiqa (GB) and half to the G2 Blue Point Sprint winner Star Of Mystery (GB) (Kodiac {GB}). Also in the royal blue is the John and Thady Gosden-trained **Palmarian (GB)** (**Kingman {GB}**), a half-brother to the G1 Jebel Hatta hero Blair House (Ire) (Pivotal {GB}).

Listed Noel Murless Stakes Cont.

Always travelling notably strongly behind the pace set by fellow black-type debutante Allonsy, he moved to her approaching the furlong pole and stretched away for an authoritative score.

“I was very happy with that and he has done nothing but improve all year,” trainer Andrew Balding said. “He is going to be a very fun horse next year, I’m looking forward to him and I think he will make into a nice stayer. Obviously the next step will be a group 3 which will probably be next year, but we will see how he winters and handicaps I guess are still a possibility as well. We will see what next season brings.”

The winner’s dam was a useful performer for Ballydoyle, finishing runner-up in the G3 Ballyogan Stakes, G3 Anglesey Stakes and third in the G3 Brownstown Stakes. Responsible for that stable’s G2 Huxley Stakes, G2 Futurity Stakes and G3 Tyros Stakes winner and multiple group 1-placed Armory (Ire) also by Galileo, she is out of the G1 Garden City Breeders’ Cup Stakes-placed Noahs Ark (Ire) (Charnwood Forest {Ire}) and is a half to the dam of the recent G3 Kilternan Stakes winner Trustyourinstinct (Ire) (Churchill {Ire}). She has Churchill’s unraced 2-year-old filly True Friend (Ire), a yearling colt by Camelot (GB) and a filly foal by Wootton Bassett (GB).

Starfield Stud's first-crop sire King Of Change (GB) (by Farhh {GB}) has a black-type winner after his daughter Lady With The Lamp caused a 66-1 upset in Friday's Listed Irish Stallion Farms EBF Legacy Stakes at Dundalk. Third behind Powerful Nation over this track and five-furlong trip last month, the Joseph O'Brien-trained €14,000 Goffs Orby Book 2 purchase was held up towards the back early by Declan McDonogh.

Arriving wide in a frantic finish, the daughter of the Godolphin cast-off Caring Touch (Elusive Quality) from the family of Fortify (Distorted Humor) gained the edge close home to prevail by a head from Revoke, with Powerful Nation a neck behind in third.

"I just said to the part-owner there 'Listed only in name really'," McDonogh said. "It was a really strong pace and I couldn't go early but as soon as she straightened up, I had loads of horse. She came home well the last day, but she has got a very willing attitude."

Lady With The Lamp, who was a rare winner for the stable at Bath in June, is the second of two current foals out of the aforementioned dam, who was acquired for just 12,000gns at the 2018 Tattersalls December Mares Sale. Alongside the GI Champagne Stakes-placed Fortify, who was a leading sire in Argentina, the family also features the GIII Discovery Handicap-placed Bay Of Plenty (Medaglia D'Oro).

Maintaining the theme of first-season sires having their first black-type winner at Dundalk on Friday evening, Castle Hyde Stud's resident **Arizona (Ire)** (by **No Nay Never**) was off the mark in that sphere as his son **Right And True (Ire)** captured the Listed Irish Stallion Farms EBF Star Appeal Stakes. Off the mark at the fifth attempt over a mile at Listowel last month, the 13-2 shot was in front initially before being steadied by Ronan Whelan to take a lead from fellow Ballydoyle runner **Bernard Shaw** (Into Mischief).

Mastering that 10-11 favourite two out, the relatively cheap €68,000 Tattersalls Ireland September graduate stayed on strongly to score by 1 1/4 lengths from **Comanche Brave (Ire) (Wootton Bassett {GB})**, with the same margin back to Bernard Shaw in third. "He is progressive. It just took a while for the penny to drop," Ballydoyle representative Chris Armstrong explained. "He is a horse that Aidan thought was a stakes horse from early in the year. It is nice that he is now starting to show it."

"He could maybe start off in a Guineas Trial," he added. "If he comes through it well, he could put himself in the mix for the Breeders' Cup. We'll see where he fits in with the rest of the team. He came on nicely from Listowel and it is great to see that he is starting to deliver the promise that he showed at the start of the year."

The dam, whose yearling is a full-brother to the winner, hails from the family of the GI Breeders' Cup Classic, GI Stephen Foster Handicap, GI Donn Handicap and GI Woodward Stakes-winning champion Saint Liam and the GI United Nations Stakes winner **Funtastic** (More Than Ready).

Joseph O'Brien trainee Atlantic Coast, last term's G3 Killavullan Stakes victor, had been unsuccessful in five starts since that career high and lined up for this second overseas foray returning off a ninth in last month's Sovereign Path Handicap at Leopardstown. Well away from the outside stall to stalk the pace in second for the most part, he eased to the front with 350 metres remaining and was ridden out inside the final furlong to assert superiority in game fashion.

"He's a special winner for us as he's a homebred," commented Al Shira'aa racing manager Kieran Lalor. "He's run well in tough races this year and the ground didn't suit him on a couple of occasions. Joseph [O'Brien] picked this race out, it was a really good spot for him and the ground was suitable. Dylan [Browne McMonagle] was so patient on him and gave him a great ride. We've had some offers on him throughout his career, but we've held tight. He's on the market, but the intention is to hold on to him."

Atlantic Coast is the third of five foals and lone winner out of the Group 3-placed Liwa Palace (GB) (**Oasis Dream {GB}**), herself kin to Listed Prix Le Fabuleux third Atlantis Star (GB) (Cape Cross {Ire}) and to the dam of multiple stakes scorer Frozen Juke (Ire) (Frozen Power {Ire}). Atlantic Coast's third dam is G1 Fillies' Mile heroine Aqaarid (Nashwan), who is also the second dam of dual Argentinian Group 1 winner Alampur (Arg) (Catcher In The Rye {Ire}). Aqaarid is the leading performer out of G1 Prix Marcel Bousac heroine Ashayer (Lomond). The April-foaled bay is half to a yearling colt by Pinatubo (Ire) and a weanling colt by Blue Point (Ire).
