

'OUTLANDISH' BOOK 1 ENDS WITH RECORD £134M TURNOVER

The record-breaking **Wootton Bassett** colt | *Laura Green/Tattersalls*

By *Emma Berry*

NEWMARKET, UK -- Blood will out. At 4,300,000gns a new record was set for a yearling colt at Tattersalls on Thursday from the immediate family of the most expensive yearling ever sold in Europe. But he was far from the sole highlight in the final session of Book 1, which can only be described as a bonanza. Record turnover, average, median and a world record yearling price in 2024 were the key indicators of a sale that has lit up an otherwise somewhat underwhelming European yearling sales season so far in 2024.

Whether this equine gold rush will in turn lift the fortunes of the breeders and consignors participating in next week's Books 2, 3 and 4 remains to be seen, but for now there were plenty of smiling faces departing Park Paddocks on Thursday evening.

The numbers go a long way to explaining why. The final day's trade was stronger again than the first two sessions: a 54% rise in turnover to 44,760,000gns, with the median up by 48% to 230,000gns and the average nearly doubling at 403,243gns. Overall, the aggregate, achieved from the sale of 345 yearlings - 46 fewer than was sold last year - was 127,823,000gns at a clearance rate of 89%. **Cont. p3**

DESERT FLOWER READY TO BLOOM IN THE FILLIES' MILE by *Tom Frary*

Having extended her unbeaten sequence in Doncaster's G2 May Hill Stakes, Godolphin's **Desert Flower (Ire)** (Night Of Thunder {Ire}) has to do it all over again in Friday's G1 Fillies' Mile at Newmarket. On the face of it, the **TDN Rising Star** may only have to repeat last month's form, with Ballydoyle's number one looking to be the runner-up **January (Ire)** (**Kingman** {GB}) if jockey bookings are the guide. Ryan Moore has opted for the Listed Churchill Stakes scorer, who has 1 1/2 lengths to find on Desert Flower, with Tom Marquand booked for the G3 Newtownanner Stud Irish EBF Stakes winner **Dreamy (Ire)** (**American Pharoah**) and Wayne Lordan on the Ascot novice scorer **Ballet Slippers (Ire)** (Dubawi {Ire}).

Charlie Appleby said of Desert Flower, "She has done nothing but improve with each of her three starts. She proved herself over this trip in the May Hill Stakes and I couldn't be happier with her." **Cont. p14**

That represented a climb of 34%, while the median rose 39% to 250,000gns and the average price was up by 52% to 370,501gns. This was an unprecedented upturn in fortune, even at this rarefied level of the market.

Hitting It Out Of The Park

Lodge Park Stud's sole offering at the sale, a son of **Wootton Bassett (GB)** (lot 332), joined a jaw-dropping list of purchases by Amo Racing this week, including the overall top lot, Tuesday's 4,400,000gns daughter of **Frankel** from Newsells Park Stud.

Described by Amo agent Alex Elliott as "spectacular", the colt's dam Park Bloom (Ire) (Galileo {Ire}) is a full-sister to the overall Book 1 record-holder, Al Naamah (Ire) (Galileo {Ire}), who sold for 5,000,000gns back in 2013. Put simply, this has been a sensational dynasty for the Burns family of Lodge Park Stud, emanating from the colt's third dam Park Express (Ire) (Ahonooraa {GB}).

Jamie Burns led the colt through the ring and was joined in the aftermath by his mother Patricia and brother Paddy as realisation dawned.

He said, "This family has always done us well and hopefully he will be the next one to enhance the pedigree. I wasn't really

thinking when it went over four million; emotion took over, it was surreal.

"He has been busy all week and has never turned a hair once. We have bred four generations on this colt's page, and we also had Park Appeal, who is in **Wootton Bassett's** pedigree, too."

The colt's dam Park Bloom is not just a full-sister to Al Naamah but also to the Oaks winner Was (Ire) and G2 Curragh Cup winner Amhran Na Bhfiann (Ire). A generation back, under the list of offspring of the third dam, the champion race filly Park Express, is another Epsom Classic winner in New Approach (Ire) and his fellow stakes winners Dazzling Park (Ire) and Shinko Forest (Ire).

If this colt proves good enough on the racecourse--he will be trained by Karl Burke--he unquestionably owns a stallion's pedigree, which was doubtless uppermost in the minds of Kia Joorabchian and his Amo Racing team as they continued to pitch in new bids. Joorabchian's spending spree has been quite the talking point at Park Paddocks this week. Whether solo or with partners Al Shaqab Racing, Valmont or Nottingham Forest owner Evangelos Marinakis, he has accounted for 27 yearlings during the past three days for a collective outlay of 23.2 million gns. At times, he has outbid some of the biggest spenders in the game. In the case of the **Wootton Bassett** colt, he had Coolmore's MV Magnier as his underbidder. **Cont. p4**

Joorabchian, too, has been the underbidder on a number of the week's more expensive yearlings, with his desire to increase the quality of bloodstock purchased with an eye on future breeding plans in turn driving the ferocious market which has left most observers taken aback by its strength.

Reflecting on the team's desire to secure this particular colt, bloodstock agent Alex Elliott said, "I think if you wanted to paint a horse, you'd try to paint him. From the top of the page to the bottom of the page, the farm he was reared on has had the family for generations and he was one of the most spectacular horses I've ever seen.

"I said to Kia when I showed him the horse, 'You've been second in two Derbys and there's every chance that this horse can take you one place higher.' And from that moment Kia locked on, with Mr Marinakis again, and the whole team - myself, Ben McElroy, Robson Aguiar - we all lined up and when everyone has the same opinion it doesn't take much to find horses like that."

Amo Racing's two Derby runners-up to date are Mojo Star (Ire), who now stands at Whytemount Stud in Ireland, and King Of Steel, another son of **Wootton Bassett {GB}**, who was second to Auguste Rodin (Ire) last year before winning the Champion Stakes.

"King Of Steel is the best horse he has had, and we're going to try to find a home for him to stand," added Elliott. "**Wootton Bassett** is one of the elite sires in the world and that colt has every chance of standing as a stallion. It's a colossal price for a horse.

"The first plan was to buy him. That was the hard part and then we have to sit down and work out where we are going to place him.

"I must just say well done to the Burns family for producing a horse like that. That doesn't just happen. From Damian's father Seamus, all the way down, and Jim Bolger is part of it, there are so many people involved with making a family like that."

A Merry Result for Newsells Park

Newsells Park Stud and Merry Fox Stud teamed up to buy Shambolic (Ire) (Shamardal) from the Dukes of Devonshire and Roxburghe for 800,000gns back in 2019 and the principals of both operations, Graham Smith-Bernal and Craig Bennett, were united in their praise of the mare on Thursday. Her **Siyouni (Fr)** filly (lot 407) joined the list of Godolphin purchases at 3,700,000gns and Shambolic has already hit a bloodstock home run in producing the G1 Fillies' Mile winner Ylang Ylang (GB) (**Frankel {GB}**), who was herself a 1,500,000gns yearling two years ago. Tattersalls October Book 1 Cont.

"Tremendous. Graham's team has done a brilliant job and we are just very lucky to have her," said Bennett of the eight-year-old Shambolic.

Smith-Bernal added, "It's hard to believe where this market's at because it's obviously very strong. We knew she was very special, reflected in the fact that we had so many vettings, and look at the way she conducted herself up here. She's a beautiful filly and we wish her new owners the very best."

He added, "We're very happy because we have a beautiful **Frankel** filly foal and she is back in foal to **Frankel** with a colt. We'll keep the filly."

Smith-Bernal also divulged that he retains a share in the mare's two-year-old colt by **Kingman (GB)**. Named Kaizen (GB), he is owned in partnership with Qatar Racing, China Horse Club and David Howden, and is in training

with John and Thady Gosden.

"The feedback from Oisín Murphy recently was that he could be a special colt," he said. "This is a reflection of Julian's no-stone-turned attitude, his attention to detail. We won't always achieve perfection, and that is what Kaizen means. It was the motto of my software business: seeking perfection, knowing that perfection cannot be achieved, but you still seek it."

Julian Dollar, as manager of Newsells Park Stud, has presided over a team which has topped the Book 1 consignors' table on eight previous occasions, and the draft's performance in 2024 will make that nine with 26 yearlings sold for a total of 17,185,000gns.

Newsells Park Stud also topped

the sale overall with the filly by **Frankel (GB)** out of another Shamardal mare, Aljazzi (GB), who was sold for 4,400,000gns to Amo Racing on Tuesday. **Cont. p6**

Sangster's Sense Of Style Reaps Reward

A third-generation homebred daughter of **Camelot (GB)** delivered an excellent result for breeder Ben Sangster, who, through Camas Park Stud, sold the filly to Amo Racing for 2,900,000gns.

The first foal of the Zoffany (Ire) mare Sense Of Style (Ire), lot 402 is closely related to the four-time Group 1 winner and Ballydoyle stalwart Luxembourg (Ire), who is a half-brother to the dam and also by **Camelot**. The Group 3-placed winner Sense Of Style also has a filly foal by **Camelot**.

Asked if he had been tempted to race the filly himself, Sangster, whose son Ollie is in his second season training at the family's Manton estate, said. "Very, but we will look for horses for him next week.

"It's a strong market and she is a beautiful filly and when you get two to tango - I am just the lucky recipient. I'm a bit gobsmacked."

He added, "Everything that has happened this week has exceeded expectations. I have been lucky, and **Camelot** has had a great year and his daughter winning the Arc has just put him right up there."

Wootton Bassett in Demand

The bell had only just rung out across the Tattersalls courtyard and moments later another millionaire yearling was added to the leader board when lot 311, the Castlebridge-consigned filly by **Wootton Bassett (GB)** out of the Group 3 winner My Titania (Ire), was bought by William Haggas on behalf of Tony Bloom and Ian McAleavy for 1,700,000gns. Sitting across the ring from the main bidders' area with his wife Maureen, Haggas saw off underbidder Kia Joorabchian for the Sunderland Holdings-bred filly from a family he knows well.

My Titania not only holds the accolade of having been the first group winner for her sire **Sea The Stars (Ire)** when she landed the G3 Park Stakes in 2013, but she has also developed into a significant broodmare whose three runners to date are the Group 2 winners My Oberon (Ire) and My Prospero (Ire) and Listed winner and Group 1 runner-up My Astra (Ire).

"She'll join their broodmare band eventually," said Haggas, the trainer of both My Prospero and My Astra, as well as their dam's half-brother, the treble Group 2-winning sprinter Muthmir (Ire). "She is very nicely made. We've had a few of the family and they are all quite big, as she is. We were very keen to buy her."

The owners of last season's Gimcrack Stakes winner Lake Forest (GB) (**No Nay Never**), Bloom and McAleavy's foray into the breeding side of the business has included the purchase at the 2023 Tattersalls December Mares Sale of Get Ahead (GB) (Showcasing {GB}), a half-sister to 2,000 Guineas winner **Chaldean (GB)**, for 2,500,000gns.

Godolphin Signs Up Kildaragh Gem

Sea The Stars featured on the other side of the pedigree for the next seven-figure lot of the day, the full-sister to the stallion's G1 Prix de Royallieu winner Sea Silk Road (Ire) offered by her breeder Kildaragh Stud. Henry Lascelles and Kieran Lalor made a determined play for the filly (lot 325) but it was Anthony Stroud for Godolphin who had the final say at 1,600,000gns, having also bought another full-sister at this sale last year for 575,000gns.

Peter Kavanagh of Kildaragh Stud said of the purchase of the Listed-winning dam Oriental Magic (Ger) (Doyen {GB}), "It was just the fact that she had class and she was from a good German family. We've worked with German families all the way through and they have been very good to us. They're sound, they're tough.

"She's back in foal to **Sea The Stars**. She doesn't have a foal this year but if she can do that every second year it would be lovely."

Of Book 1 trade he added, "Funnily enough it hasn't been ecstatic for us up until now. We've had things that were just short of the top tier and it's not as buoyant there. But when you hit the home run you don't know where it will stop. The number of people that were on her - and all high-end users - you just need everything to align and come together. You have a set of 36 X-rays and anything on one of those can turn half your purchasers away."

Of the potential of **Sea The Stars** as a broodmare sire, Kavanagh said, "He's just kicking in. He's going to be a massive influence. I'd say he'll emulate even Galileo. They just seem to have such exceptional temperaments and they are so easy to mate as well. He seems to work with speed and stamina."

Peter Kavanagh | Tattersalls/Laura Green

Tattersalls October Book 1 Cont.

Stroud, who has guided the Godolphin team through 18 purchases this week to the tune of 22,020,000gns, added, "Funnily enough we were very keen on Sea Silk Road when she went to the sales. I thought she was a very nice filly, a smaller type of **Sea The Stars**, she looked very racy and it's a wonderful pedigree. I think she'll be a valuable asset once she's finished racing for the paddocks."

Coolmore's Prize Exhibit

By their own powerful standards, Coolmore has been quieter this week than some but MV Magnier, often in partnership with Peter Brant of White Birch Farm, has still signed for eight yearlings. Lot 353, Barronstown Stud's filly by **Frankel (GB)** out of the dual Grade II winner Prize Exhibit (GB) (Showcasing {GB}), went to Magnier solely at 1,500,000gns.

"She is a very nice filly and we have been very lucky with buying horses from David and Diane [Nagle]," he said of the three-part-sister to G3 Cornelscourt Stakes winner History (Ire) (Galileo {Ire}).

"They are great breeders and have bred very good horses in the past. We bought History here a couple of years ago and she is in foal to **Justify** carrying a colt."

Reflecting on one of the liveliest weeks ever witnessed at Park Paddocks, he added, "The sale has been incredible and Tattersalls has done a great job getting everyone here. You could feel a couple of days before the sale a great buzz around the place."

He also wished Amo Racing good luck after they signed for the day's top lot, the colt by Coolmore stallion **Wootton Bassett** on which he was underbidder.

Magnier continued, "**Wootton Bassett** has had 10 stakes-winning two-year-olds this season and he is the perfect

outcross for Galileo mares. He seems to work with anything. He has started to become an international horse and his juveniles in Australia are hitting. The colt is a stunning horse and well done to the Burns family. We are very sorry not to get the horse. He made a lot of money and I hope he is lucky for Kia and his crew."

A Mehmas For a Million

Tally-Ho Stud's half-brother to treble Group 1 winner Perfect Power (Ire) (Ardad {Ire}) gave his sire Mehmas (Ire) a first million-guinea sale. The colt out of the Frozen Power (Ire) mare Sagely (Ire) is joining the Godolphin team, which also stands his talented sibling at Dalham Hall Stud.

Tally Ho's Tony O'Callaghan said, "The mare we bought for 40 grand here at the December Sales seven years ago and she's done well. It's amazing what can happen - sometimes you get lucky."

His view of the sale echoed those of plenty of others on both sides of transactions this week. He said, "It's been an amazing week really. There's never been a Book 1 like this. No one predicted it. They were all talking about minus ten per cent, but long may it last. It's good for everyone - the breeding side needs it badly."

On the rise and rise of their home stallion Mehmas, who is rivalled at Tally-Ho only by the stalwart Kodiak (GB), he added, "There's no law. The Americans like him and they want him in Australia too. We'll cover mares for Australia too. We all know what it's like when [stallions] don't click but this makes up for it."

Cox Praises 'Outstanding' Sale

By Adam Houghton

Yulong have enjoyed significant success with their Tattersalls graduates, notably with the Irish Oaks winner Magical Lagoon (Ire) (Galileo {Ire}), picked up for 305,000gns at Book 1 in 2020, and more recently with Via Sistina (Ire) (Fastnet Rock {Aus}), a three-time Group 1 winner in Australia since being purchased for 2,700,000gns at last year's December Mares Sale.

Lucky Vega (Ire) is another Yulong success story and the team got behind their first-season sire on Wednesday when buying lot 204, one of two yearlings by the G1 Phoenix Stakes winner in the catalogue, for 180,000gns. That filly was one of eight purchases made by Yulong at this year's sale for a total of 3,940,000gns.

The pick of them was Watership Down Stud's Dubawi (Ire) colt who also went through the ring on Wednesday as lot 268, the first foal out of the G1 Prix de Royallieu heroine Loving Dream (GB) (Gleneagles {Ire}). He was knocked down to Yulong on a bid of 1,100,000gns.

"He will stay in Europe in the medium term and if he wins some nice races here that would be fantastic," Yulong's general manager Vin Cox said after that purchase. "If he is good enough to race in Australia as well, that would be great. He is by Dubawi, one of the best stallions of all time, and he's out of a Group 1 winner. He's a good-looking horse."

He added, "The quality of the horses here this week has been outstanding with beautiful horses everywhere you went. Competition has been justifiably strong on the quality that is here and all credit to Tattersalls for getting a wonderful bunch of horses here and a buying bench that is very competitive. We have been a vendor here, too, and we sold a Frankel colt [on Tuesday] for seven figures, which was fantastic."

View At The Top

By Adam Houghton

The Mahon family's Mountain View Stud enjoyed one of the more notable pinhooking results on Thursday with lot 382, a Blue Point (Ire) filly out of the winning Cityscape (GB) mare Roseau City (GB). She went the way of Henry Lascelles for 725,000gns, having previously sold for 165,000gns here at the December Foal Sale.

Mountain View Stud offered four horses at Park Paddocks this week, with the others including a Kingman (GB) filly (lot 246) who is heading into training with Ed Walker after being bought by Ed Sackville for 750,000gns on Wednesday.

"She's a beautiful filly and the lads at home have done a great job with her," Barry Mahon said of the daughter of Blue Point. "She's going to a wonderful owner in Lady Bamford and she was well selected by Henry Lascelles. Hopefully, she can turn out to be lucky."

"She'd been very popular and we knew she was going to sell well. It's phenomenal the amount of buyers that are here. We probably didn't think she was going to get to that level, but in fairness she'd had a lot of admirers--it was a great result."

Clifton Farm's Hugh Bleahen was another man receiving plenty of congratulations after his Sea The Stars (Ire) colt (lot 405) had sold to Federico Barberini for 510,000gns, a significant upgrade on the €50,000 it had cost Bleahen to secure the son of the G3 Prix d'Aumale winner Shahah (GB) (Motivator {GB}) at the Goffs November Foal Sale. Americans in Action

By Adam Houghton

The influx of American buyers at Park Paddocks played no small part in pushing the figures to record heights this week, certainly in the case of Klaravich Stables who bought 12 yearlings for a total of 3,595,000gns through agent Mike Ryan.

Mike Repole's buying team made four purchases across the first two days, for an aggregate of 1,190,000gns, while Dean Reeves of Porta Fortuna (Ire) (Caravaggio) fame was involved in the recruitment of five yearlings in various partnerships.

"Keep that under wraps--my wife's not very happy that I've bought five!" joked Reeves, who was effusive in his praise of lot 330, a Lope De Vega (Ire) colt from Camas Park Stud who he was involved in buying for 325,000gns.

"We thought he was the best horse in the sale," he added. "We were shocked that we were able to get him. They're all heading back home and Christophe [Clement] will be training them. We're thrilled to get them all because it's been very competitive."

Those sentiments were echoed by Andrew Cary, a first-time visitor to Tattersalls who picked up two yearlings on behalf of Wells Watson, including a **Kingman (GB)** filly (lot 341) from the Newsells Park draft for 400,000gns.

"I've always wanted to come here and I've got an amazing client now in Wells Watson," said Cary. "We hooked up a couple of years ago and we've had some success. We went to Goffs last year and bought three. One of them was a nice filly called Celtic Motif who was third in the Goffs Million for Joseph O'Brien.

"We bought two there last week and we've bought two here this week. It's been an incredible sale, very strong, and it's a credit to Tattersalls, the horses that they brought here and the people that they brought here. We were really just trying to hone in on certain pedigrees and hoped that they would fall within what our budget was."

Talking Points

By Brian Sheerin

- By close of play on Thursday, 16 millionaires had walked through the ring at Park Paddocks. That is nine more than last year and equals the 16 that highlighted the sparkling trade of 2022.
- Godolphin [eight] and Amo Racing [five] accounted for more millionaire lots than any other buyer with William Haggas, MV Magnier and Yulong signing for one apiece.
- The record turnover for Book 1 was set in 2022 when the aggregate was over 126 million guineas from the sale of 424 horses. That figure was eclipsed this week with the aggregate standing at a colossal 127,823,000gns.
- Post-sale interviews can be drab affairs at times, especially when the buyer can't reveal future plans for a horse and instead offers only to speak in cliches. However, there was plenty to be gleaned from Alex Elliott's interviews this week, especially concerning where Amo Racing's stallion prospects are heading next year. According to Elliott, Bucanero Fuerte (GB) (**Wootton Bassett (GB)**) will take up stallion duties at Tally-Ho Stud in 2025. Meanwhile, a stud has yet to be found for King Of Steel.
- This was a big sale for **Camelot**. Less than a week after his daughter Bluestocking (GB) flew the flag for the Coolmore-based stallion, one of his yearling fillies [lot 402] sold for 2.9 million gns to Amo Racing. That highlighted a terrific week for **Camelot**, with 11 yearlings selling for an average of 555,000gns.

Talking Points Cont.

- There was a time where top agent Mike Ryan could come to Book 1 and pretty much cherry pick some of the best yearlings imaginable to race back home in the States for Klaravich Stables. Not any more. In many ways, Ryan has become something of a victim of his own success in that he paved the way for so many international buyers to make their way to Park Paddocks in search of big-race riches. Not to be deterred, Ryan ended the session as the sixth busiest buyer with nine yearlings sourced for 2,765,000gns.
- If somebody told you at the start of the week that Godolphin were going to spend 22 million gns on 18 yearlings but another buyer outside of Coolmore would end Book 1 just shy of 2.5 millions gns behind that aggregate, you would have said they were cuckoo. Amo Racing is by no means a new name on the buyers sheet but nobody expected such a flex this week.

Golden Touch

By Brian Sheerin

Paul McCartan is one of the best in the business. The master of Ballyphilip Stud has had many top-notchers through his hands - Battaash (Ire), Nando Parrado (GB), Harry Angel (Ire), Kodi Bear (Ire), Tiggy Wiggy (Ire) and more recently Fairy Godmother (Ire) - but even he admitted to approaching Book 1 with some trepidation this week.

Any fears McCartan may have harboured about the strength of the market were blown away when his Blue Point filly, who he sourced at the Tattersalls December Foal Sale for 110,000gns, was knocked down to Godolphin for 600,000gns.

Paul McCartan | Tattersalls

Of course, it's not the first time McCartan has done well with the progeny of Blue Point. Just last year, the County Limerick operator sold a half-brother by the stallion to Battaash for an eye-watering 1,500,000gns.

"I joked with somebody yesterday that we should have a statue built in memory to Blue Point at home in the yard," McCartan laughed after the sale of lot 315. "We might have to go and do that now!

"He's been a brilliant sire for us but, to be honest, I didn't see this coming at all. I was actually quite concerned about the market coming over this week. I was only hoping it would hold up well. What has happened here this week has taken us all by surprise."

He added, "As a breeder, you are losing money hand over fist at the other end of the market. There is no floor in it whatsoever. But the flip side of that is the top is extremely strong. Stronger than even I dreamed it was. I am just so thrilled for all of the breeders and pinhookers who got a touch this week. We all know how hard this game is so it's been brilliant to see.

"The atmosphere and the buzz over here is amazing really. I've never seen so many smiling faces. Blue Point stamps his stock so well and the two yearlings I sold by him this week were very nice horses. There was a lot of Shamardal in them, particularly the heads. Let's hope they go on to be good racehorses."

Buy of the Day

On a memorable day with many millions flying across the ring, it might be easy to think that there was no value to be had for buyers. Mark Johnston is not any old buyer, though, and sniffing out value is what he does best. In the case of lot 345, an **Australia (GB)** colt consigned by Baroda Stud, it's fair to assume that the Johnston team picked up a bit of value at 57,000gns.

[Cont. p11](#)

Mark Johnston | *Tattersalls/Laura Green*

Buy of the Day Cont.

For starters, the April-born colt meets Johnston's criteria, in that he is out of a highly-rated dam, Porthilly (Fr) (Pivotal {GB}), who won at Listed level and placed twice in Group company for John Hammond. This is exactly the type of horse the Johnstons have done so well with down through the years and it would be no surprise to see him develop into a useful three-year-old over middle distances.

Mahony Lauds 'Spectacular' Book 1

Reflecting on the record trade at Book 1, Tattersalls Chairman Edmond Mahony said, "Every year Book 1 of the Tattersalls October Yearling Sale produces the highest percentage of superior racehorses of any European yearling sale and that simple fact has played out in spectacular fashion over the past three days at Europe's premier yearling sale.

"The breeders and consignors consistently send the cream of the European yearling crop to Book 1 of the Tattersalls October Yearling Sale and the outstanding quality of the yearlings they send to this very special sale year after year is the key to attracting so many of the world's most successful and influential racehorse owners to Tattersalls. They come in confidence, knowing that they will find an elite collection of yearlings, more of which will go on to achieve great things on racecourses around the world than from any other European yearling sale.

"All in all it has been an extraordinary yearling sale. The statistics tell a remarkable story with massive year-on-year rises in average, median and turnover. The sale turnover has risen year-on-year by around 30 million gns, the average price well in excess of 300,000gns is unprecedented, as is a median which has surpassed the previous record of 200,000gns by a very significant margin, and all of this has been accomplished alongside an enviable clearance rate in excess of 85%."

He continued, "Newsells Park Stud's 4.4 million gns sale-topping **Frankel** filly out of Aljazzi is the highest-priced yearling to be sold in the Northern Hemisphere this year and Lodge Park Stud's 4.3 million gns **Wootton Bassett** colt out of Park Bloom is not only the highest price for a yearling colt in the world this year, but also a new European record for a yearling colt. The very top of the market has been outlandish with an unprecedented eight yearlings selling for 2 million guineas or more, 16 selling for seven figure sums, and almost 70 yearlings realising 500,000gns or more.

"The buyers who have made all of this possible have come from far and wide. The contribution from throughout the Gulf region has been such a feature of sales at Tattersalls for a very long time and their continued support should never be underestimated. This year they have been joined by an almost overwhelming number of overseas buyers with the large contingent of American buyers making a massive contribution alongside buyers from Australia, China, Hong Kong, Japan and throughout Europe, all of whom have been competing with strong domestic demand, most notably from Kia Joorabchian's Amo Racing which has become such a force on the global racing scene.

"There are so many people that can take an enormous amount of satisfaction from this sale and to see so many being so richly rewarded has been a huge boost to the British and Irish breeding industries. Every breeder, every consignor, every handler and all the teams back at the farms throughout Britain, Ireland and further afield who have raised these yearlings; they have all played their part and they should be proud of the collective achievement which is phenomenal.

"We will turn our attention very quickly to Books 2, 3 and 4 of the Tattersalls October Yearling Sale, which starts on Monday 14th October, but in the meantime we can reflect on a week which has shone a bright light on a great industry." **Cont. p12**

Pinhooking Fortunes On Thursday

Of the 151 horses catalogued during Thursday's session, 29 were pinhooks, and all of the horses visited the ring. There were no withdrawals. Two lots did not meet their reserves and were buy-backs, leaving 27 yearlings marked as sold. Of the latter group, 24 made a profit ranging from 6,089gns to 531,500gns.

Lot 382 made the most profit on Thursday. Bred by McCracken Farms, Ltd., the bay daughter of Blue Point (Ire) was acquired by Good Will Bloodstock for 165,000gns as a Tattersalls December foal and would go on to bring 725,000gns on the bid of Henry Lascelles.

Three lots lost money. The 27 pinhooks marked as sold were acquired for 3,504,263gns as foals and made 7,740,000gns on Thursday representing a 121% return.

We have multiplied the price of the foal by 1.1 and added a running cost of 12,000gns (for foals bought in guineas) or €15,000 (for foals bought in euros) for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly.

It is worth noting that sometimes a horse can appear to be bought and sold by different names but have actually not changed ownership at all.

January over her less-exposed stablemates, especially as he passed her over in the May Hill, but the rider usually gets these decisions right. “January is a filly I’ve always liked and her win in the Churchill Stakes at Tipperary showed her potential. We obviously have to overturn a defeat to Desert Flower in the May Hill, that will be hard, but my filly is tough and will give the favourite plenty to think about.”

Tabiti’s rider Rossa Ryan is on a roll at present and said, “She’s in good form and the Dick Poole seemed a strong race. She’s very unfurnished and there’s still plenty more potential to come out of her, so we’re hoping for a good run. Time will tell how good she is, but we have to find one to replace Bluestocking if she doesn’t stay in training next year and she’s doing the right things so far.”

Can She Take Flight In The Oh So Sharp?

Third behind Desert Flower (Ire) (Night Of Thunder {Ire}) and January (Ire) (Kingman {GB}) in the May Hill, **Flight (GB) (Siyouni {Fr})** takes a diversion away from them on Friday with Ollie Sangster opting for the G3 Godolphin Lifetime Care Oh So Sharp Stakes at Newmarket. Dropping back to seven furlongs, Cornthrop Bloodstock’s talented filly sets the standard. “She ran very well in the May Hill and travelled very strongly, she just didn’t see out the race as she got left out in front for quite a while,” her trainer explained. “I think it looks like a nice spot for her, there’s a filly of Ralph Beckett’s in there who could be a very talented filly, but we’re happy with how our filly is doing.”

The Ralph Beckett-trained filly in question is **Cathedral (GB) (Too Darn Hot {GB})**, who sports the colours of the most talked-about operation in world racing this week in Amo Racing. Impressive on her sole start at Lingfield last month, she is one of four unbeaten runners in the line-up alongside Godolphin’s **Magical Trail (GB) (Blue Point {Ire})** and Dunchurch Lodge Stud’s **First Instinct (GB) (Bated Breath {GB})**. **Cont. p15**

RACE PREVIEWS 

Friday Preview Cont. from p1

Also in the mix is Juddmonte’s **Tabiti (GB) (Kingman {GB})**, who captured Salisbury’s G3 Dick Poole Fillies’ Stakes, and Cheveley Park Stud’s **Anna Swan (GB) (Almanzor {Fr})** who went two-for-two in an often-informative Newbury conditions event last month.

Marquand is looking forward to the prospect of riding for Ballydoyle and said, “It’s probably quite an open race and there are some talented fillies in there. Dreamy has looked very good on both starts and I just hope she can continue that line of progression from her last start. It’s that time of year where you never know with fillies what is still on the boil or off it, she is a great ride to pick up and I’ve been really impressed with her in her first two starts and I’m just pleased to be on board.”

Ryan Moore may have surprised a few people when picking

Friday Preview Cont.

Ballydoyle's duo include **TDN Rising Star Ecstatic (Jpn)** (Lord Kanaloa {Jpn}), Ryan Moore's pick in the May Hill who may have found the ground too easy when fifth.

Other notables on the card are Godolphin's Oaks runner-up **Dance Sequence (GB)** (Dubawi {Ire}) in the G3 Newmarket Pony Academy Pride Stakes, making her first start since a disappointing show in the G1 Prix de Diane, and their speedy juvenile **Midnight Thunder (GB)** (Kodiac {GB}) in the G3 Newmarket Academy Godolphin Beacon Project Cornwallis Stakes. "Dance Sequence disappointed in the Prix de Diane and we gave her a nice break afterwards. She goes into this in great shape," trainer Charlie Appleby said. Saeed bin Suroor said of the latter, "He is a horse who prefers softer conditions, so we are hoping there is some rain for him to be able to take his chance. Dropping down to five will be fine on a softer surface, but the ground is important to him."

EUROPEAN NEWS

BIG EVS AND BIG MOJO TURN IN SOUTHWELL GALLOPS AHEAD OF THE BC

Big Evs | Benoit Photo

The Breeders' Cup-bound duo of **Big Evs (Ire)** (Blue Point {Ire}) and **Big Mojo (Ire)** (Mohaather {GB}) both pleased trainer Mick Appleby after taking spins around Southwell on Thursday. The pair, owned by Paul and Rachael Teasdale's RP Racing, will be ridden at Del Mar next month by Tom Marquand, who was aboard for Thursday's activities.

In a similar move that resulted in Grade I accolades last term,

Big Evs galloped five furlongs along the home bend before finishing at the one-furlong mark in company with stablemate Blind Beggar (Ire) (Equiano {Fr}).

Appleby said of his G1 Breeders' Cup Juvenile Turf Sprint hero, "I think he worked really well. Tom was saying he's got a bit lazy and he knows he is good so he just does as much as he wants to do.

"Today will be the last time he's seen on a British racecourse and I've been coming to Southwell a long time--they do a great job here and Mark Clayton [executive director] is absolutely brilliant.

"He needed that as well because we've freshened him up since his last run and it will have blown away the cobwebs. We did exactly the same last year before we went to the Breeders' Cup."

Big Evs won a listed race at York in May, before running third in the G1 King Charles III Stakes at Royal Ascot. The G2 King George Stakes went his way in August, and he was last seen running eighth to Bradsell (GB) (Tasleet {GB}) in the G1 Nunthorpe Stakes later that month. His target is the G1 Breeders' Cup Turf Sprint.

Big Mojo, who broke his maiden in Goodwood's G3 Molecomb Stakes at second asking in July, ran fourth in the G2 Gimcrack Stakes at York a month later. He was only a neck second to Wathnan Racing's **Aesterius (Ire)** (Mehmas {Ire}) in the G2 Flying Childers Stakes at Doncaster on Sept. 13, and will try his hand at Del Mar to give his connections a second consecutive Juvenile Turf Sprint.

Appleby added, "He went round the bend really well and that was the main thing to get him going round at speed. He did very well and changed legs at the right time so really good.

"He's a good horse with a lot of natural speed. I imagine next year he is going to be a six-furlong horse, but I imagine this will be absolutely fine for him.

"He's got the natural speed that Big Evs has and I think he's going to be a better three-year-old and I think he will be going out there with a live chance."

Shareholder Also In Action At Southwell

Wathnan Racing's retained jockey James Doyle faces a difficult choice for the G1 Breeders' Cup Juvenile Turf, as he has a chance to ride either Aesterius or **Shareholder (Not This Time)** in the event next month in the colours of the Emir of Qatar. He took the latter out for a Southwell gallop on Thursday for Karl Burke.

Doyle said, "It's not an easy decision, but a nice one to have to make. I'll leave it as late as possible before deciding. They're in good shape and they've had gallops around a bend and similar workouts--Aesterius went to Kempton and worked anti-clockwise. [Cont. p16](#)

Southwell Gallops Cont.

“It was not necessarily a test of his ability just a case of giving him that experience of going fast round a turn, similar to Shareholder here today. They are both in good shape and I couldn’t be happier with them. They’ve done a good job so far for myself and Wathnan and anything else they do this year will be a bonus.”

Shareholder has been off since an unplaced run in the G1 Prix Morny.

He added of the American-bred G2 Norfolk Stakes winner, “I was very pleased with Shareholder, it was a nice exercise for him to do. It was his first gallop around a turn and he handled it well. He’s in good order and I was very pleased.

“He’s very fast, very quick. It is always hard to know how he will get on and it is always a different story when you get out to America. It’s a different test and one he will not have faced before, but you couldn’t be happier with his preparation anyway.”

IRISH CHAMPION WIN BOOSTS ECONOMICS UP THE LONGINES WBRR

Last month’s G1 Irish Champion Stakes hero **Economics (GB)** (Night Of Thunder {Ire}) is now ranked in a joint-fifth at 123 on the Longines World’s Best Racehorse Rankings, which were released on Thursday.

The William Haggas trainee defeated the 122-rated **Auguste Rodin (Ire)** (Deep Impact {Jpn}) and **Shin Emperor (Fr)** (Siyouni {Fr}) (120) in the Irish showpiece. Also rated 123 are the GI Travers Stakes hero **Fierceness** (City Of Light) and the 2024 multiple Group 1 winner **Rebel’s Romance (GB)** (Dubawi {Ire}).

Laurel River (Into Mischief), a winner of the G1 Dubai World Cup leads the list at 128, one pound above G1 Derby/G1

MARES’ JUMPS PROGRAMME CHANGED BY BHA

Several changes have been made to the 2024/2025 UK mares’ Jump Pattern and Listed programme by the British Horseracing Authority (BHA)’s Jump Pattern Committee.

These changes were made to build on the continued success of the mares’ programme over the previous 10 years. Since 2015 the following has occurred in the mares’ programme:

- Horses in training (increased from 19.7% of the horse population to 23.9%)
- Individual runners (increased from 19.5% to 23.5%)
- Individual runners rated 140+ (increased from 3.9% to 9.1%)

To further optimise and bolster the mares’ NH programme, the latest changes include some adjustments to existing races in the calendar as well as the introduction of three new listed races at Doncaster, Exeter and Kelso. [Cont. p17](#)

LAST GALILEO (IRE) (c, 2, Galileo {Ire}--Bye Bye Birdie {Ire} {GSW-Ire}, by Oasis Dream {GB}), a Sept. 25 debut runner-up going seven furlongs at Redcar in his only prior start, was the sharpest of seven into stride and led from flagfall in this return. Untroubled on the front end until scrubbed along when tackled by Hornsea Bay (GB) (New Bay {GB}) approaching the quarter-mile marker, the 3-1 second choice was headed by that rival with 1 1/2 furlongs remaining and rallied to regain control under continued rousing in the latter stages, hitting the line with a neck to spare. Last Galileo is the fifth of seven foals and fourth scorer out of G3 Balanchine Stakes winner Bye Bye Birdie (Ire) (Oasis Dream {GB}), herself a full-sister to the dam of the multiple Group 2-placed Listed Prix Petite Etoile victrix Stylistique (GB) (Dansili {GB}). JARETH (IRE) (g, 2, **Make Believe {GB}**--**Diylawa {Ire}**, by **Mastercraftsman {Ire}**), who ran fourth over six furlongs at Sligo in his Aug. 7 debut last time, asserted for a narrow early lead here. Racing on the front end with Georg Zhukov (Ire) (Smooth Daddy) for the most part, the 16-5 chance was shaken up to contain that chaperone with 1 1/2 furlongs remaining and lengthened clear under continued urging in the closing stages to hit the line with a 6 1/2-length buffer. "We always thought there was a maiden in him and we just wanted to pick our spot," said trainer John O'Donoghue. "I thought he'd win today, but the maidens landscape in Ireland is tricky, so thankfully it worked in our favour. I'd say we'll go up in grade before the end of the year, we'll look a pattern race and could head to the UK. We are very owner-breeder orientated and, while we aren't in Book 1 [at Tattersalls], we'll look around in Book 2 over the coming days." Jareth is the seventh of nine foals and second scorer out of a winning half-sister to stakes-winning G1 Epsom Handicap and G1 Norton Stakes runner-up Dibayani (Ire) (Shamardal) and dual Listed October Stakes victrix Di Fede (Ire) (Shamardal). Racing on the front end throughout, she refused to yield in the straight and was ridden out inside the final quarter-mile to account for Joyful Princess (Ire) (**Starspangledbanner {Aus}**) by 2 1/4 lengths. "She doesn't show you everything, but she had three lovely runs and feels like there is plenty in there," said rider Wayne Lordan, "I had a good draw, had the experience to go along in front and it was nice to get her to win. The step up in trip was no problem and next year she will get further. She won well, hit the line well and will come forward." Mint Candy, full to a yearling colt, is the first of two foals out of multiple Grade I-winning US champion Rushing Fall (More Than Ready), herself a half-sister to the multiple Grade III-placed Listed Pica Slew Stakes victrix Milam (**Street Sense**) and the stakes-placed Autumn Song (Colonel John). KITASAN BLACK AND KIZUNA WEANLINGS FEATURE IN NORTHERN FARM MIXED SALE

Sales action returns to Hokkaido's Northern Horse Park on Tuesday, October 22 with the third edition of the Northern Farm Mixed Sale. The auction features a selection of 52 weanlings which is followed by 79 broodmares and fillies out of training.

A colt by Kitanasan Black (Jpn), the sire of Equinox (Jpn), who was crowned Longines World's Best Racehorse in 2023, topped the foal section of the JRHA Select Sale in July. The Shadai stallion is represented by three of his weanlings in the Mixed Sale, including lot 21, a colt out of the G1 Nunthorpe Stakes heroine Margot Did (Ire) (Exceed And Excel {Aus}), who is already the dam of three black-type winners, headed by the GI Belmont Oaks victrix Magic Attitude (GB) (Galileo {Ire}) and this year's G1 Satsuki Sho winner Justin Milano (Jpn). Justin Milano's sire, Kizuna (Jpn), is represented by two weanlings out of Group 1-winning mares in Europe. Lot 1 is a colt out of the Prix Saint-Alary winner Incarville (Fr) (**Wootton Bassett {GB}**), while the filly out of the Irish 1,000 Guineas heroine Samitar (GB) (Rock Of Gibraltar {Ire}) will go under the hammer as lot 27.

Rey De Oro (Jpn) is also represented by a couple of choicely-bred colts. Lot 23 is out of the G1 Sun Chariot Stakes and GI E. P. Taylor Stakes winner Siyouma (Ire) (Medicean {GB}), a half-sister to **Siyouni (Fr)**, while lot 42 is out of the GI Gamely Stakes heroine Miss Serendipity (Arg) (Not For Sale {Arg}).

Other weanlings to look out for include lot 2, an Epiphaneia (Jpn) filly whose dam, Covert Love (Ire) (Azamour {Ire}), won twice at the top level in the Irish Oaks and Prix de l'Opera; lot 7, a **Kingman (GB)** colt out of another dual Group 1 winner in Ed Walker's Dreamloper (Ire) (Lope De Vega {Ire}), successful in the Prix d'Isphan and Prix du Moulin; and lot 31, a Saturnalia (Jpn) filly out of the G1 VRC Australian Guineas victrix Mystic Journey (Aus) (Needs Further {Aus}).

Kitanas Black (Jpn) | Emma Berry

Multiple daughters of Group- or Grade 1-winning mares can be found in the filly and broodmare section. The unraced Maurice mare Anita (Jpn), a daughter of the GI Breeders' Cup Juvenile Fillies winner Ria Antonia (Rockport Harbor), will be offered in foal to Saturnalia as lot 108, with Reve de la Mere (Jpn) (Lord Kanaloa {Jpn}) next up as lot 109.

Reve De La Mere, who has been covered by Schnell Meister (Ger), is a daughter of Reve d'Essor (Jpn) (Agnes Tachyon {Jpn}), a champion two-year-old filly in Japan. Incidentally, another of Reve d'Essor's daughters, the three-year-old Riazor (Jpn), will go under the hammer as lot 154.

Lot 136, Lilac Rose (Jpn) (Henrythenavigator), is a half-sister to another champion two-year-old filly in Japan, Lucky Lilac (Jpn) (Orfevre {Jpn}). They are both out of the GI Ashland Stakes heroine Lilacs And Lace (Flower Alley) and Lilac Rose will be offered in foal to Indy Champ (Jpn).

Two daughters of Deep Impact (Jpn) are included, with the placed Aurora Emblem (Jpn), a half-sister to the Japanese Group 2 winner Victoria (Jpn) (Victoire Pisa {Jpn}), set to be sold in foal to Maurice (Jpn) as lot 107. Alis Victoriae (Jpn) (Lord Kanaloa {Jpn}), a daughter of Victoria, is also catalogued as lot 168.

The three-year-old Donauwalzer (Jpn) (Maurice {Jpn}), who is out of a full-sister to one of Deep Impact's most talented offspring, the dual Japan Cup heroine Gentildonna (Jpn), will be offered as lot 151, while Reina Dorada (Jpn) (Rey De Oro {Jpn}), a daughter of another Japan Cup winner for Deep Impact, Shonan Pandora (Jpn), also features as lot 153.

HIS CAREER THRIVING, FORMER ADDICT WILL WALDEN SET TO HAVE HIS FIRST BREEDERS' CUP STARTER

Will Walden | Tod Marks

by Bill Finley

It was hard to see **Minaret Station (Instilled Regard)** winning the GII Castle and Key Bourbon Stakes last week at Keeneland. He was 38-1 and coming off a narrow win in a maiden at Horseshoe Indianapolis. Yet, he beat his rivals that day, punching his ticket to the GI Breeders' Cup Juvenile Turf. But that was only one part of this story, one that is about being on the bottom, digging your way out of trouble and then thriving.

For trainer Will Walden, this will be his first Breeders' Cup starter. That's the same Will Walden who had substance abuse problems for years and the only employment he could find for a while was a job at Wendy's. He's won two graded stakes and 46 races this year, is winning at a 20 percent clip and is having his best year since he started training in 2022.

"It means a lot that we're headed to the Breeders' Cup," Walden said. "We want to compete at the highest level and on the biggest stage. This is what we're trying to do, what we're trying to accomplish. It's nice to have a little validation for the entire team." **Cont. p3**

SATURDAY SIRE: MCKINZIE by Jill Williams

Four years ago this week, **McKinzie** was retired to Gainesway after a stellar racing career that netted four Grade I wins and 11 triple-digit Beyer Speed Figures. While it may have been difficult at the time for many to see past the ravages of the COVID pandemic--it was 2020, after all--those far-sighted breeders who patronized **McKinzie** the next spring are looking positively clairvoyant in 2024.

As is becoming blatantly obvious, **McKinzie** isn't just starting strong as a freshman sire. Instead, **McKinzie's** beginning as a young sire has been the stuff of dreams. His 12 winners to date put him among the top 10 first-crop sires in North America, while his number of black-type horses (four) and his progeny earnings (over \$1.6 million) put him among the top five. Those are more than respectable statistics and a place anyone standing a freshman sire would love to be. But that doesn't tell the whole story. **Cont. p4**

Will Walden cont. from p1

Minaret Station | *Coady Media*

“They put their heart and soul into these horses and they’re starting to see the fruits of their labor pay off,” Walden said.

Walden deserves a lot of credit for getting his life back together, but the story is larger than his personal struggle. Walden, the son of WinStar’s Elliott Walden, was among the first people to take part in a recovery program created by Taylor Made’s Director of New Business Development Frank Taylor. And let’s not forget that he only got the horse because Larry Best and his stable manager Don Chatlos believed in him.

“We have all our horses at Taylor Made and that’s how Will came onto our radar,” said Chatlos. “I paid attention and kind of watched him and how he carried himself. I kept bringing that information back to Larry. We were trying to spread some horses out and Larry said here’s an opportunity to give a couple to Will.”

After the individuals complete rehab in the Stable Recovery program they move on to the Taylor Made School of Horsemanship. It is there that Taylor and his team teach the students the horsemanship skills they will need to get a job in the horse racing industry. Walden’s crew includes several individuals who came through the horsemanship program, including the exercise rider of Minaret Station.

“It’s unbelievable how the story keeps unfolding and how he’s got those guys from Stable Recovery still working for him,” Taylor said. “Then there’s the guys who worked for Will and then came back to work for us at Taylor Made. They have just killed it.”

The program keeps growing and more than 100 people have come through it, with many of them now employed in some aspect of the racing business.

“This thing is really working,” Taylor said. “It’s great on so many levels. You’re saving lives, you’re reuniting families, you’re

HONG KONG RACING INSIGHTS

A DEEP DIVE INTO CLASS FIVE

by Dick Powell

I love to follow the developing young horses in Hong Kong as they progress through the class system on their way to stardom. Almost to a fault.

I am guilty of ignoring – pari-mutually – the bottom horses on the class ladder. Yet, as a bettor, this is a big mistake since there is a lot of value in these races.

Class five is for horses rated between 0 and 40. The form of these horses is usually either on the decline from Class four or just stuck there without enough wins to move up. In other words, don't look for a Class Five horse to improve enough to make it on the big stage. But in handicap racing, where like horses are matched with other like horses within a pre-defined range, there are plenty of betting opportunities.

COMMANDING MISSILE winning the Nanning Handicap on Oct 1

THE KHAN winning the Shenyang Handicap on Oct 1

Last year in the 2023-24 racing season, there were 122 class five races contested at Happy Valley and Sha Tin. The average field size of Class Five races was 12.04 and the average win price was \$18.55. 26 favorites won for a win percentage of 21.31%. They are usually scheduled at the start of the race card so you can get off to a great start with a win at this class level.

At Happy Valley, there were 64 Class Five races with 13 favorites winning for a win percentage of 20.31%. And, at Sha Tin, there were 58 Class Five races with 13 winning for a win percentage of 22.41%.

The 64 Class Five races at Happy Valley had an average field size of 11.34 and the average win price was \$17.71. The 58 Class Five races run at Sha Tin had an average field size of 12.81 and the average win price was \$19.48.

So, field size, average win price and percentage of winning favorites of the Class Five races run at Happy Valley were nearly identical to the ones run at Sha Tin. Favorites are very beatable and when you have a winner, you get handsomely rewarded.

Intuitively, Class Five should afford many opportunities for the trainers that have stables with lesser quality and/or quantity. And it does. The leading trainers of Class Five races last season were listed on the right table.

Chris So	12
Manfred Man	11
Mark Newnham	9
David Hall	9
Pierre Ng	9
Doug Whyte	8
Caspar Fownes	7
Me Tsui	7
Ricky Yiu	7

Put into perspective, Chris So was the 12th leading trainer in Hong Kong last season overall.

Manfred Man was 17th leading trainer but he and So were the leaders in Class Five wins. You almost have to consider Class Five races a separate racetrack and put your focus on a group of horses that provide some of the best betting opportunities.

developing a work force. You're not only making these guys sober, you're making them successful. The horse is the special ingredient, combine that with the accountability and the purpose of the work. Put that all together and it works."

Chatlos, who won the 2004 GI Breeders' Cup Mile with Singletary (Sultry Song), has stayed close to Walden and has been impressed with the way he carries himself.

"To see what Will has done, yes, it makes you feel good because I had my own problems that I had to deal with," Chatlos said. "I know where he's coming from and I know what it took for him to get to where he is. In the racetrack environment it is hard to stay on that path. After he won that stakes at Keeneland it was straight to the Champagne Room. That's not the place to be. Will and I stayed for a few seconds, watched the replay and then got out of there and went to the test barn. With alcohol so prevalent everywhere on the racetrack, it isn't the easiest place to be if you have a drinking problem.

"I just liked him. For some reason when I met him we hit it off from the beginning and I just liked him. I thought this was a guy worth gambling on."

Walden is well past the point where owners are giving him horses because they feel sorry for him. His roster of current owners includes Best, Woodford Thoroughbreds, Cypress Creek Equine, Wachtel Stable and Gary Barber. He's getting horses because he's young and successful and seemingly getting better every day.

"I always knew that Will was a very good horseman," Taylor said. "He comes from a family of very good horsemen. He's worked for Todd Pletcher, Dale Romans, Wesley Ward, Bill Mott, Jonathan Sheppard. Even though he was dealing with his addiction issues at the time, he was working for and learning from the best. He was trained to be a trainer. It was his destiny."

Saturday Sires cont. from p1

Those four stakes horses in **McKinzie**'s tally? Every single one of them is a Grade I performer. It's an embarrassment of riches and a start reminiscent of Gainesway's elder statesman **Tapit**, who had four Grade I winners in his initial crop. But even the great **Tapit** didn't have four Grade I performers on a single weekend as a freshman.

To recap, over a fabulous three days of fall racing last weekend, there were five Grade I races for 2-year-olds across the country. A son or daughter of **McKinzie** factored in four of them. He kicked off Friday with the filly **Quickkick**, who finished a bang-up second in the GI Darley Alcibiades Stakes at Keeneland to the undefeated GI Spinaway Stakes winner Immersive (**Nyquist**) in her stakes debut.

Saturday saw **Scottish Lassie** get her maiden win in the GI

Frizette Stakes at Aqueduct's Belmont meet, around 30 minutes before **'TDN Rising Star' Chancer McPatrick** got his second Grade I in the Champagne Stakes over the same surface. A few hours later, **McKinzie Street** was up for third in the GI **American Pharoah** Stakes at Santa Anita. Chancer McPatrick had previously won the GI Hopeful Stakes at Saratoga, while **McKinzie Street** had previously finished second in the GI Del Mar Futurity.

That's six black-type performances to date from these first **McKinzie** 2-year-olds, every single one of them in a Grade I.

"Wow' is all I can really say, it is surreal," said Gainesway's Stallion Director Ryan A. Norton. "Within the span of 30 minutes to have two Grade I winners. I almost missed the start of Champagne Stakes from taking phone calls and responding to

texts following Scottish Lassie’s victory in the Frizette.

“To sire the winners of the Frizette Stakes and the Champagne Stakes in the same year is something that now has only been done four times and the first time since Mr. Prospector in 1987, along Bold Ruler in 1964 and 1967. Those are some elite stallions that he put his name beside this past weekend. I don’t want to diminish the fact that in the same 24-hour period he also had Quickkick and McKinzie Street run terrific races and become Grade I-placed, and both look to be poised to have exciting racing ahead.”

Both Chancer McPatrick and Scottish Lassie earned 'Win and You're In' berths to the Nov. 1 Breeders' Cup Juvenile and Juvenile Fillies, respectively. Quickkick and McKinzie Street are also under consideration for the championship races.

Click to see McKinzie at Gainesway

“McKinzie looks like he will be very well represented in both the Juvenile and the Juvenile Fillies, and as usual both races will have deep and talented fields so we will cross our fingers and see how it shakes out,” said Norton. “The McKinzie progeny look like they prefer a little more distance, so as we head into the Breeders' Cup and into their 3-year-old year it looks like they are only going to improve.”

“Some of the most encouraging news is in conversations with owners and trainers; it sounds like there are several more that will be making their appearance at the racetrack soon and they are very optimistic.”

Campaigned by Hall of Famer Bob Baffert for the “Three Amigos” partnership of Mike Pegram, Karl Watson, and Paul

Weitman, McKinzie was a sharp 2-year-old and an even better 3-year-old. Named a 'TDN Rising Star' on debut in 2017, he was placed first via disqualification in the GI Los Amamitos Cash Call Futurity, then added the GI Malibu Stakes, GI Pennsylvania Derby, and GIII Sham Stakes at three. His 4-year-old season was better still. In addition to wins in the GI Whitney Stakes and GII Alysheba Stakes, his four Grade I placings included the Breeders' Cup Classic and Metropolitan Handicap.

A Grade I winner at two, three, and four, McKinzie added the GII Triple Bend Stakes at five, but had a sporadic campaign that year, as did just about everyone else in that chaotic year. It was 2020. He was retired that October to Gainesway.

“All the credit needs to go to Mr. [Antony] Beck and Brian Graves,” said Norton. “They purchased McKinzie in 2020 during the COVID pandemic when there was so much uncertainty in the world, economically and otherwise, but they saw in McKinzie the attributes and believed he could someday become a prolific stallion. They took the chance and pursued McKinzie, ultimately making him part of the Gainesway roster. It certainly looks like their instincts and fortitude are paying off.”

The son of Street Sense was bred in Kentucky by Jane Lyon's Summer Wind Farm, who purchased his dam, winner of the Alcibiades Stakes when it was still a Grade II in 2004, for \$2.7 million at the 2006 Keeneland November sale. Lyons sold McKinzie as a Keeneland September yearling for \$170,000 to the Three Amigos.

“McKinzie is big, but a balanced, well-built stallion that stands 16.3h,” said Norton. “He consistently puts a leggy foal on the ground. He really puts a great neck and shoulder on his offspring as well.”

The Jockey Club recently released the 2024 Report of Mares Bred, which showed **McKinzie** covered 185 mares this year. Norton was pleased with the book, which compared favorably to his first three years.

“I could not have been happier with having a book of that size, especially considering it was his fourth year at stud. I would like to take credit, but it really goes to the great group of shareholders that have supported the horse every year and the fact **McKinzie** consistently produces such nice individuals that were well received at the yearling sales. They were a very uniform group, and I think that gave breeders reason to feel more comfortable breeding to a stallion in his bubble year.”

McKinzie got a million-dollar yearling in his first crop--a \$1.2-million colt out of the famed Puca (Big Brown), who went to Mayberry Farm at the 2023 Keeneland September sale and is now named Baeza--and nearly repeated the feat this year at the same sale, with a \$950,000 colt out of Take Charge Angel (Will Take Charge), who went to Donato Lanni, agent for the partnership of SF Bloodstock, Starlight Racing, and Madaket Stables.

His 204 yearlings to have gone through the sales ring have brought a gross of more than \$30 million, or an average of \$148,678. That's a nice return for a young stallion who has consistently stood for \$30,000 since he retired.

That also leads us to the burning question: is it safe to assume **McKinzie's** fee will increase for 2025?

“I would be willing to wager that has been the most asked question in Kentucky in the last 48 hours and that is saying something with University of Kentucky basketball and football in full swing!” said Norton in amusement. “It is safe to assume that **McKinzie's** stud fee is going to increase, but nothing has been set at this time. We will wait to see what the results of the Breeders' Cup are and then we will sit down and discuss and weigh his progeny's accomplishments along with what we think the best value to breeders will be.”

It's a good spot to be in, especially as Gainesway stalwart **Tapit** is in the later stages of his extraordinary career. The possibility of a young sire poised to take up the mantle when **Tapit** is inevitably pensioned in the next several years has got to be balm

for the souls of all at the farm. However, Norton has a pragmatic approach to anyone ever filling the shoes of the farm luminary.

“**McKinzie** has had a terrific start at stud, but still has a long way to go to catch the G.O.A.T, **Tapit**,” he said, “but this past weekend could go a long way in potentially finding the next cornerstone stallion on the Gainesway roster. That being said, if **McKinzie** can just achieve half of the success of **Tapit**, I think all of us would be ecstatic.”

PARKING LOTS AND BACKSTRETCH FLOODED, BUT HURRICANE DAMAGE AT TAMPA BAY DOWNS IS MINIMAL *by Bill Finley*

For the most part, Tampa Bay Downs survived Hurricane Milton relatively unscathed. According to Margo Flynn, the track's vice president of marketing, the grandstand suffered only minimal damage.

Milton hit the west coast of Florida just a few weeks after the area was hit hard by Hurricane Helene. Milton made land fall at 8:30 p.m. in Siesta Key, Florida about 77 miles south of the track. The storm did not begin to subside until around 11:15.

Flynn also reported that the main track and the turf course came through the storm unscathed.

The worst of the problems was the flooding on the backside.

“There is flooding on the backside to the point we can't get in to assess the damage,” Flynn said Thursday. “We're hoping later today or tomorrow that we can get back here. We just had Helene which produced a considerable storm surge and lots of flooding. And we had a very wet summer on top of that. It hasn't had a chance to dry out. The ground is absolutely saturated. Fortunately, water does drain pretty rapidly around here.”

The track lost power and that, combined with downed power lines and fallen trees, made it impossible to get crews in to assess the damage and to restore power.

Tampa Bay Downs is slated to open Nov. 22. The backstretch was due to open on Oct. 23 but that has been pushed back to Oct. 28. If the floods on the backside don't subside quickly the track may have to further push back the opening of the backstretch. Residents of Oldsmar, Florida, where the track is located were told to evacuate. Those who did not leave were told to shelter in place.

Eagles Flight, a half-brother to 2022 Horse of the Year Flightline (Tapit) and a head-turning debut winner at Santa Anita in late May, was clocked going a quarter mile in :23.20 (1/2) for trainer John Sadler.

Tamara, off since a seventh-place finish as the favorite in last year's GI Breeders' Cup Juvenile Fillies, worked four furlongs for Richard Mandella in :48.20 (9/23). The daughter of Hall of Famer Beholder also breezed four furlongs Oct. 4. She emerged from the Juvenile Fillies with a small fracture in her left hind splint bone, which did not require surgery.

Jockeys' Guild, announced that they are launching a major initiative to support jockey well-being.

As announced by HISA CEO Lisa Lazarus and Jockeys' Guild President Terry Meyocks, HISA and the Guild have established a groundbreaking partnership with Onrise, a leading athlete-specific mental health company, to provide jockeys with easily accessible mental health care in their primary language.

As part of HISA and the Guild's ongoing commitment to improving jockeys' overall well-being, the partnership with Onrise will offer a confidential platform with access to mental health support through the insights and experiences of trained retired athletes, licensed therapists and psychiatrists. Jockeys can move between different levels of care or utilize multiple services simultaneously. Through this partnership, jockeys can access reliable mental health support and guidance, helping to reduce the stigma of seeking help and fostering a culture of openness and care within the sport.

Onrise currently partners with the MLS Players Association, Inter Miami CF, the US Women's National Team Players Association, the Premier Lacrosse League, and all three women's professional volleyball leagues in the United States, among others. These jockeys join more than 15,000 athletes who already have access to Onrise services. All qualified jockeys will be eligible for Onrise's services at no cost.

"Jockeys face immense physical and mental demands—and their mental health is critical to their long-term success and well-being," said Lisa Lazarus, CEO of HISA. "Jockeys are highly skilled professional athletes who confront unique stressors. By partnering with Onrise, we are providing jockeys with a safe space to connect with professional athlete peers who understand their experiences, offering them valuable support as they navigate the pressures of this demanding career."

"We are proud to partner with HISA and Onrise to provide jockeys with a crucial resource for mental wellness. For decades, Jockeys' Guild has worked tirelessly to advocate for the safety, health, and well-being of our athletes, and this partnership marks another important step in that mission," said Terry Meyocks, President and CEO of Jockeys' Guild. "Through this collaboration, we are offering our qualifying members the opportunity to connect with athletic peers who truly recognize what they're going through, helping them take care of their health in a way that has never been done before in our sport. The Guild greatly appreciates HISA's commitment to the mental wellness of jockeys."

"Onrise is privileged to partner with HISA and Jockeys' Guild to support athlete mental health and overall wellness in this critical time for horse racing," said Kimberly Quigley, MD, FABPN, Chief Executive Officer at Onrise. EQUINE VET DAVID LAMBERT NAMED 34TH GALBREATH AWARD WINNER

Dr. David Lambert | UofL photo

The University of Louisville Equine Industry Program has named David Lambert the 34th recipient of the John W. Galbreath Award for Outstanding Entrepreneurship in the Equine Industry. Lambert will be presented the award on Thursday, Dec. 5.

A native of England, Lambert received his bachelor's degree in veterinary science from Liverpool University.

Lambert worked in private veterinary practice and with the United States Equestrian Team before founding Equine Analysis Systems in 1987 in Midway, Ky.

In 2019, Lambert launched StrideSAFE, wearable sensor technology to document a horse's movements at high speed and analyze that data to identify physical problems that could lead to catastrophic injury. StrideSAFE later incorporated advanced sensor technology and data from StrideMasterSM of Australia. StrideSAFE has been tested and utilized at 11 racetracks in the U.S., including its current use at all racetracks in Kentucky.

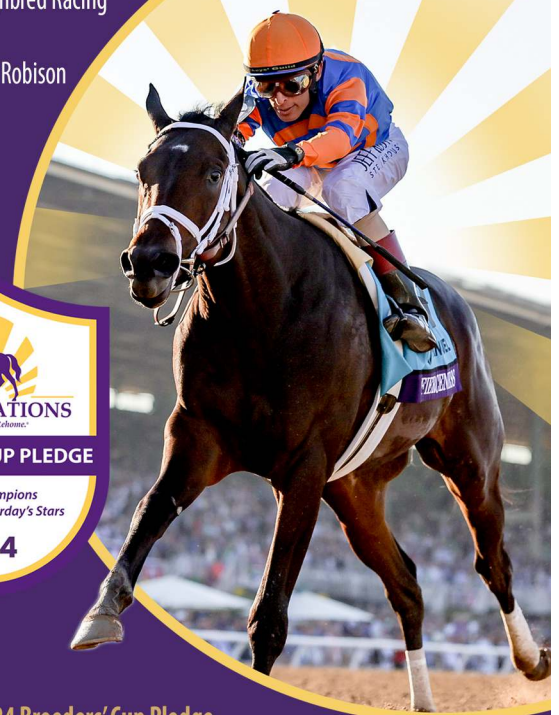

"I've spent my life studying racehorse physiology and have accumulated a tremendous amount of data and understanding during that time. As the issue of addressing the safety of the horse (and rider) became more and more prevalent, it just seemed like the right thing to do," Lambert said. "This award is a significant compliment and great honor for me and my team

who work hard and quietly behind the scenes to make a positive impact.”

Gwen Davis, owner of Davis Innovation, LLC and consultant for StrideSAFE, said in her nomination, “In my years of providing marketing support and services to clients throughout the Thoroughbred racing industry, I have never encountered someone with as much vision, intelligence and conviction for the Thoroughbred racehorse as Dr. David Lambert. I am proud to be associated with this effort and with Dr. Lambert himself. He is an inspiration to all who hope to keep horses and jockeys safe and ensure the future of the industry.”

Recipients of the Galbreath Award are selected by a committee of faculty in the Forcht Center for Entrepreneurship in the UofL College of Business. The award is administered by the UofL Equine Industry Program. The award is named for the late John W. Galbreath, a self-made man who distinguished himself in both business and as a horseman. A list of all Galbreath Award laureates and nomination information is available at the Galbreath Award [website](#).

THE JOCKEY CLUB TRACEABILITY INITIATIVE CONTINUES PROGRESS

The [Jockey Club’s traceability initiative](#), which was announced at the 2023 Round Table Conference, continues to progress. The initial phase began with email prompts to racetracks and sales companies with digital certificates of horses that have had no Interactive Registration (IR) activity and no Thoroughbred Incentive Program (T.I.P.) number in the past two years.

Beginning this week, The Jockey Club Registry will send an email to individuals listed as the certificate manager of a horse that has had no IR activity and no T.I.P. number in the past two years.

The email directs certificate managers to a portal on Interactive Registration with several options to update the status of the horse and to take action to move the certificate out of their account if necessary.

Among the options for those horses where the status may be unknown is to assign the certificate back to The Jockey Club.

“We have reached out to many tracks and sales companies and have had a good result with certificates being transferred to the correct parties,” said Rick Bailey, registrar of The Jockey Club. “If anyone has a digital certificate of foal registration in their account for a horse they no longer possess, we encourage them to transfer the certificate to the current owner or appropriate certificate manager.”

The Jockey Club requests certificate managers to log on to IR to confirm if their horses are flagged under the Traceability Initiative. If so, there will be a link at the top of the page directing them to a listing of those horses.

“The Jockey Club Traceability Initiative will enable us to gather information on the current status of Thoroughbreds that are no longer active racehorses, and do not appear to have begun a new career as breeding stock, sport horses, or recreational riding horses,” Bailey said. “It is our hope that owners and certificate managers will be responsive to these prompts so that we can more effectively direct information and resources regarding a horse’s transition from racehorse to a second career.”

Click [here](#) to view a video on the Traceability Initiative.

Owners of Thoroughbreds with paper certificates of foal registration are also encouraged to file a transfer of ownership with The Jockey Club in preparation for future traceability initiatives for older horses.

There is no cost to file a transfer of ownership, and the report can be filed online at www.registry.jockeyclub.com.

8th-Keeneland, \$133,670, Alw, 10-10, (C), 3yo/up, 1 1/16mT, 1:43.46, gd, 2 lengths.

MAJOR DUDE (c, 4, Bolt d'Oro--Mary Rita {SP}, by Distorted Humor) won the GII Pilgrim Stakes during the Belmont at the Big A meet as a juvenile, and added scores in the GIII Kitten's Joy Stakes at Gulfstream Park and the GII Penn Mile Stakes at three. In his latest form cycle, the colt lost by a neck against optional claimers in Ozone Park June 23 and then cleared the condition by two lengths at Saratoga July 20. Well-beaten behind '**TDN Rising Star**' Carl Spackler (Ire) (Lope de Vega {Ire}) in the GI Fourstardave Handicap upstate Aug. 11, the Todd Pletcher trainee dropped in as the 2-1 second choice here.

Major Dude | Coady Media

Major Dude broke smartly from the rail spot, but was content to settle mid-pack as MGSW Masteroffoxhounds (**War Front**) made the pace into the first turn and up the backstretch. Looking for running room around the far turn, the 4-year-old tipped off the fence with under a sixteenth left and accelerated to win over the leader by two lengths. The winner's dam is responsible for 3-year-old gelding Radio Liberty (**Audible**), a yearling colt by **Charlatan** and she foaled a colt by **Jack Christopher** Mar. 20. Mary Rita was entered in Forte's book for 2025. Major Dude's extended female family includes GI Woody

Stephens Stakes hero Arabian Lion (**Justify**) and his third dam is champion older mare Personal Ensign (Private Account). Sales History: \$550,000 Ylg '21 FTSAUG. Lifetime Record: MGSW, 17-6-3-2, \$956,257. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

WORLD RECORD (c, 3, Gun Runner--Marwa {GB}, by Exceed And Excel {Aus}) broke his maiden at second asking at Churchill Downs May 27, which earned him a '**TDN Rising Star**' badge. The bay finished third over the same surface in the **Maxfield** Stakes June 30, but rebounded with a signature score in the GII Amsterdam Stakes at the Spa July 26.

World Record | Coady Media

Well-beaten in the GI H. Allen Jerkens Memorial Stakes upstate a month later, the colt was well-backed at 33 cents on the dollar here. The favorite closely shadowed a trio of pacesetters up the backstretch. On hold around the far turn, World Record shifted to the three path at the top of the lane and uncorked at the eighth pole. Under strong encouragement, the '**Rising Star**' got to the wire first ahead of the charging Agoo (**Munnings**). A half-sister to MGSW Sir Cherokee (Cherokee Run) and MGSW Miss Isella (Silver Charm), the winner's dam is responsible for a 2-year-old filly in-training named Everloving (**Violence**) and a yearling filly by **Maxfield**, who AMO Racing took home for \$425,000 at last month's Keeneland September Sale. Marwa was bred to **Tacitus** for next season. **Cont.**

7th-Keeneland, \$99,588, Msw, 10-10, 2yo, f, 1 1/16m, 1:46.14, ft, 2 lengths.

EUNOMIA (f, 2, Tiz the Law--Speedy Vanessa, by American Pharoah) hit the board in her Ellis Park debut in August but regressed over a sloppy six furlongs at Churchill last out when a well-beaten fifth Sept. 13. Stretching out Thursday, the 10-1 show flashed good early speed to sit just off the pacesetter Margot's Angel (**Practical Joke**) through fractions of :23.71 and :47.26. Still second to that rival but only narrowly around the turn, Eunomia took over as she straightened away and came home nicely two lengths to the good of 2-1 favorite Trading Strategy (**Quality Road**).

Eunomia | Coady Media

The 16th winner for her freshman sire (by Consitution), Eunomia sold in-utero for \$200,000 at KEENOV in 2021 and was purchased as a 2-year-old earlier this year for \$190,000. She is out of a half-sister to GISW Karlov Vary (Dynaformer) who produced both MGSW/MGISP Mean Mary (Scat Daddy) and GSW/GISP Bye Bye Melvin (**Uncle Mo**). Speedy Vanessa has a yearling Essentialy Quality colt who sold for \$160,000 at KEESEP and foaled a colt by **Olympiad** this year. She is due back to Yaupon. Sales History: \$80,000 Ylg '23 KEESEP; \$190,000 2yo '24 OBSMAR. Lifetime Record: 3-1-0-1, \$67,755. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

10th-Keeneland, \$81,331, Msw, 10-10, 3yo/up, 1 1/8mT, 1:52.02, gd, 1 1/2 lengths.

HALF DOME (IRE) (c, 3, Zoffany {Ire}--Tissiak {Ire}, by Fastnet Rock {Aus}) was well-beaten after his debut was forced to the main track at Ellis July 5. Getting his shot at the turf course there, the colt was a close runner-up stretching out to nine furlongs Aug. 25. Supported as the 6-5 choice here, the chalk took up a ground-saving spot mid-pack as a longshot showed the way into the first turn. Making some progress from the rail up the backstretch, the bay waited patiently behind the leaders around the far turn and just needed some daylight entering the lane. The 3-year-old got what he was looking for past the sixteenth pole and used his late gears to graduate by 1 1/2 lengths over Fort Thomas (**War Front**). The winner's dam foaled a colt by **Camelot (GB)** Mar. 9. She was not reported bred for next term. Half Dome's extended female family includes a pair of French Group 1 winners in Call the Wind (GB) (**Frankel {GB}**) and With You (GB) (Dansili {GB}). Sales History: €110,000 Ylg '22 GOFOR. AUTUMN RHYTHM (f, 2, Vekoma--Love Blues, by Bluegrass Cat), who was making her debut against auction restricted company and as a 5-1 shot here, flashed speed from the bell and ran in the second flight along the rail up the backstretch. The juvenile chased favorite Itwillbefun (**Constitution**) and Diagram (**Liam's Map**) around the far turn. Under a drive past the eighth pole, the filly put away her rivals and powered home for her diploma. A half-sister to MSW Lovely Syn (Freud), who herself produced MSW Love in the Air (**Constitution**), and to SW Mentality (Freud), the winner's dam foaled a colt by **West Coast** last year. She was not bred for the next two seasons. Autumn Rhythm is the 25th winner for her freshman sire (by **Candy Ride {Arg}**). Sales History: \$50,000 Wlg '22 KEENOV. BLOSSOMING ERUDITE (f, 2, Solomini--Blossomed in Time, by Flower Alley), fourth at 49-1 odds going this distance on the main track in her Sept. 20 unveiling, took considerably more money Thursday, jumping at 7-1. Quick from the gate, she set the tempo from along the inside with eventual runner up Kyla's Kause (**Daredevil**) keeping her within reach from second. The pair swung off the turn together and dueled the length of the stretch with Blossoming Erudite just prevailing by a neck to

graduate second out. The winner has a weanling half-brother by **Preservationist** named Narc to B Believed while her dam is due back for a full-sibling from **Solomini** in 2025. Lifetime Record: 2-1-0-0, \$45,750. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

ENDRICK (c, 2, Volatile--Coral Way, by Smoke Glacken) was a well-beaten sixth to next-out stakes winner Chasing Liberty (**Constitution**) in his first race while sprinting over the grass at Ellis July 28. The grey was fifth switching to the dirt against auction restricted maidens at Churchill Downs Sept. 25. Behind first-time starter and heavy favorite Calculus (**Maclean's Music**) the colt went off as a 2-1 shot here. Despite a decent beginning, Endrick was shuffled back to the rear of the field up the backstretch. Seemingly out of it around the far turn, the 2-year-old mounted a charge entering the lane and he dropped the hammer in the final jumps to get the money by a length over debut runner Fine Tuned (**Violence**). Calculus finished fourth. The winner's dam foaled a colt by **Mo Town** last year and she was sent to **Mandaloun** for 2025. The 15th winner for his freshman sire (by **Violence**), Endrick has a strong line under third dam Lyphard's Delta (Lyphard), which includes multiple champion Royal Delta (Empire Maker). DELORAINE (f, 2, Candy Ride {Arg}--Elaine's Cat, by Discreet Cat) was well-beaten on debut over the Ellis grass course July 21 and then finished third when switching to the dirt at Horseshoe Indy Aug. 27. As a 3-1 shot here, the filly was taken back second last into the first turn, but she moved up mid-pack by the top of the backstretch. Given the word around the far turn, the juvenile set her sights on the pacesetter and with a furlong left she took command. The bay spurned a late charge from favorite Art Nouveau (**Constitution**) to get the money with a 1 1/4-length score. The winner is a half-sister to Remuda (More Than Ready), GSP, \$146,614. Unraced Elaine's Cat foaled a colt by Street Boss last year and was bred to **Speaker's Corner** for next term. Lifetime Record: 3-1-0-1, \$21,791. **Cont.**

Deloraine's second dam GI Breeders' Cup Distaff heroine Unbridled Flame (Unbridled's Song) also produced MGSW Etched (Forestry) and GSW Out of Bounds (Discreet Cat). **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by [FanDuel TV](#).**
