GOOD DAY FOR VENDORS AS SEA THE STARS COLT TOPS BOOK 2 OPENER

Kirsten Rausing and Sonia Rogers at Book 2 | *Tattersalls*

By Brian Sheerin

Book 2 of the Tattersalls October Yearling Sale piggybacked off last week's bonanza at Book 1 with Godolphin once again flexing its muscle for a 875,000gns **Sea The Stars (Ire)** colt on a day when all of the key figures were up on last year.

Monday's trade carried on from the trends set at Book 1, with Godolphin accounting for two of the three top lots with the newly-formed Amo Racing and Al Shaqab partnership accounting for the other--a 600,000gns filly by **St Mark's Basilica (Fr)**.

But lot 597, the **Sea The Stars** colt out of black-type mare Bighearted (GB) (Farhh {GB}), who was consigned by Staffordstown Stud, was out on his own as the day's top lot.

"The mare is actually catalogued in the December Sale and that will freshen things up," said Staffordstown's Richard Frisby. "This colt was accepted for Book 1, but we felt that if we dropped him in here he would be a stand-out, and I think that is what has happened."

Frisby added, "He is a fine first foal. Obviously he is a horse who will need a bit of time, but he has been bred to be a Classic horse. It is a family that has been very kind to us. Bighearted is in foal to Modern Games."

ARION PEDIGREES REFUSE G1 RECOGNITION FOR THE EVEREST AND ALL-STAR MILE

By Kristen Manning, courtesy of *The Thoroughbred Report*

In a decisive move that underscores its commitment to global standards, Arion Pedigrees, Australia and New Zealand's leading thoroughbred pedigree provider, has taken a firm stance against Racing Australia's decision to upgrade The Everest and The All-Star Mile to Group 1 status.

While Racing Australia hailed the upgrades as a landmark moment for Australian racing, Arion Pedigrees has opted not to recognise the new classifications until formal ratification is received from international authorities. The pedigree database, respected for maintaining the highest standards in thoroughbred bloodstock cataloguing, has made it clear that it won't be rushed into recognising races that, in its view, have not yet gone through the appropriate global processes.

Tattersalls report cont. from p1

Once again it was Anthony Stroud, the leading buyer on the day with 17 yearlings added to his haul—including two **Sea The Stars** colts on behalf of Godolphin—who came out best of a strong battle for the day one showstopper. It was Blandford’s Richard Brown who pushed him furthest.

“He is a very strong, well-made horse from Staffordstown,” Stroud said. “It’s a wonderful family and he looks a nice staying horse for the future. For all of those reasons, he fitted the bill as a nice horse for Godolphin and he will go to Charlie Appleby, as will the **Sea The Stars** colt we bought from Norelands. He was a very nice horse as well. Two standout horses, really.”

Similar to Frisby, Norelands boss Harry McCalmont admitted that the decision to send the farm’s **Sea The Stars** colt [542] to Book 2 was done in an attempt to stand out from the crowd.

“We loved the horse,” McCalmont said. “He’s a horse who could have been put in anywhere—he could have went to Goffs or he could have gone to Book 1. We decided to put him in here and we thank Mrs Tsui for sending us the mare. Delighted to get another good result for her and she’s had a very good year. **Sea The Stars** goes from strength to strength.”

He added, “We had horses to split up. We usually bring very few to Book 1 because it’s normally so selective. I wish I had 30 yearlings selling at Book 1 this year, though! But that’s the decision we’ve made and it’s worked out very well.”

The clearance rate stood at an impressive 90% [up 2% on last year] while the turnover climbed 3,066,000 million gns to 21,596,500gns. The average was up 18% to 103,829gns while the median dipped 6% to 65,000gns.

Amo And Al Shaqab Bag St Mark's Basilica Filly

Alex Elliott revealed that Royal Ascot will be the dream for 600,000gns **St Mark's Basilica** filly whom the ace agent purchased on behalf of Al Shaqab and Amo Racing from Yeomanstown Stud.

That partnership took Book 1 by storm last week and the powerful duo showed no signs of slowing down on Monday with a 840,000gns spend on two yearlings.

But it was the Yeomanstown Stud homebred by **St Mark's Basilica**, out of Dark Angel (Ire) mare Angelic Light (Ire), herself a Listed winner, who stole the show.

Elliott said, "She is an exceptional filly out of a Dark Angel mare, who is having more and more of an influence as a broodmare sire. She was one we very much honed in on. She's an early foal and I'd like to think that we can be thinking of Royal Ascot. It's a very good pedigree. St Mark's Basilica is obviously the unknown but he was a very good racehorse and he's got to have every chance at stud. If he keeps producing horses like that, I'm sure they are going to make big prices and have a big impact on the track as well." **Cont. p4**

Yeomanstown Stud sold five horses between 400,000gns and 475,000gns but Monday's result put the cherry on top of what has been a profitable 10 days or so at Park Paddocks.

Rob O'Callaghan commented, "It's a savage result. We knew she was a good filly but we weren't sure what to expect. If you asked me what she'd have made last week, I'd have said two or three hundred, but, since she started showing, she's just been a

pure queen. She's been flat out the past free days and had a lot of vettings. It's just a great result. I haven't seen many horses by St Mark's Basilica but we sent the mare back to him on the strength of this filly. We've loved this filly since the day she was born."

Shadwell Swoops For Kalpana Sibling

There was a time when Shadwell made Book 2 its own and, while a return to those levels of spending may not be in the pipeline, the legendary operation went to 425,000gns to secure a Too Darn Hot (GB) half-sister to the highly-promising Group 3 winner Kalpana (GB) (Study Of Man {GB}).

That outlay would look very good value come Saturday afternoon, with Juddmonte's Kalpana as short as 7-4 to win the G1 Qipco British Champions Fillies & Mares Stakes at Ascot on Sunday.

Shadwell's Angus Gold commented, "The dam [Zero Gravity (GB) (Dansili {GB})] has done well with slightly lesser stallions but, when she went to a good stallion [Study Of Man], she came up with the goods. Obviously if Kalpana could win a Group 1 on Saturday that would be a huge update. Too Darn Hot is doing very well and we had a nice horse Alyanaabi (Ire) by him last year who finished second in the Dewhurst."

It was Richard Brown who sourced Zero Gravity on behalf of Whatton Manor Stud, who cleared over 1 million gns on Monday, for just 35,000gns at the Tattersalls December Mares Sale in 2021.

Whatton Manor's Ed Player said, "Richard helps us buy mares and he picked this one—at the time there was a very good half-sister in Dermot Weld's yard. Apparently she had been working incredibly well and we bought her on the back of that. But she got injured and never ran so we thought we were in trouble."

He added, "But thankfully Kalpana has come out and with the amazing update, so the mare has proved she can do it. Kalpana has got a very good chance on Saturday, but I think next year, when she strengthens up, she could be a very nice filly. It is a dream to get a nice update like this and it helps."

Talking points

- Prominent breeze-up handler Eddie Linehan put his name in lights this year with Hotazhell (GB) (Too Darn Hot {GB}), who he sold to Jessica Harrington on behalf of the Silverton Hill Partnership at the Craven Sale for 200,000gns, won the G2 Beresford Stakes. It was no surprise to see the County Cork native pledge allegiance

to the stallion and snap up another Too Darn Hot colt for 105,000gns from Baroda Stud.

- Study Of Man (Ire) has just 57 yearlings in his current crop and those who hit the market on Monday weren't missed. Joseph O'Brien went to 210,000gns to buy a fantastic model of a colt by the stallion, bred by Anthony and Victoria Pakenham, deep into the session from Jenny Norris, while Anthony Stroud bought another colt from Staffordstown earlier in the sale for 140,000gns. Johnston Racing, Andrew Balding and Billy Jackson-Stops were other noteworthy figures to sign for yearlings by Study Of Man on a day where he averaged 88,200gns for five lots sold. Due recognition for one of the best young stallions in Europe.
- The American buyers played a massive part in the record-breaking trade at Book 1 but there were a couple of new international names on the buyers' sheet on Monday, including US-based trainer Kenny McPeck, who bought an Ardad (Ire) filly from Kilmoney Cottage Stud for 150,000gns. [Cont. p6](#)

Saeed Suhail | Tattersalls

Tattersalls report cont.

- Ben McElroy was another US-based buyer keen to get in on the action at Book 2. Having acquired four yearlings at Book 1 on behalf of Stonestreet Stables, McElroy added fillies by Zoustar (Aus) and Blue Point (Ire) to the team for 115,000gns and 200,000gns early doors. He said, "We said we'd strike early as we expect things to be strong. Like a lot of people, we found the

competition tough last week so we're happy to get two on the board already. Hopefully they will look good value later." McElroy went on to add another Blue Point filly to his shopping cart for 220,000gns from Barton Stud later in the evening.

- Blandford Bloodstock's Richard Brown went to 425,000gns earlier in the session to secure a Night Of Thunder filly consigned by Highclere Stud on behalf of Saeed Suhail. "I am a big fan of the stallion and he had a great weekend," the agent said. "He [Suhail] bought two fillies here last year and they both ran on the same day at Haydock and won impressively. Saeed is here today. I showed him the filly out in the parade ring and he fell in love with her. She is an outstanding individual and out of a Shamardal mare. We were keen to buy a Night Of Thunder."
- For all of the millions MV Magnier has spent at the sales, he had never bought a horse by Mehmas (Ire). That was until Monday when Coolmore bought a colt by the Tally-Ho Stud-based sire for 350,000gns. Magnier confirmed the colt would be joining trainer Roger Varian. He said, "Roger O'Callaghan has been telling us for a very long time how good a stallion he is. You have to listen to him sometimes!" [Cont. p7](#)

Golden touch

This is not Alex and Shane Power’s first mention in this section and it certainly won’t be their last. The brothers behind Tradewinds Stud enjoyed another big day in the sun when selling a Cotai Glory (GB) colt, bought as a foal for €52,000, to Anthony Stroud for 280,000gns.

“The great thing about this industry is that the buyers give young people a chance. Without that, we’d be goosed,” Alex opened up afterwards. “So a big thanks goes to Anthony Stroud. We’ve been lucky to get a few touches this year and it’s important. This was one of our best results to date and he was just a very well-reared foal when we bought him. I think the breeder was from Cork and you can’t beat the land down there. We’re delighted.”

Lot 501 is a half-brother to three individual winners, including Thanks Monica (Ire (Teofilo {Ire})), who placed in the Oyster Stakes for Ralph Beckett.

Special mention must go to John Foley of Ballyvolane Stud, who himself is no stranger to this section either. The word was out that he was expected to get many multitudes of the €28,000 he spent on lot 625, a belter of a **Gleneagles** colt, and in the end the gavel fell on a whopping 280,000gns to Amanda Skiffington on behalf of MV Magnier. Some shooting.

Buy of the Day

There was plenty of six-figure action during a strong start to Book 2 but one yearling who may well look to have been a value buy in the years to come is Newsells Park Stud’s filly by **Camelot (GB)** out of an **Oasis Dream (GB)** half-sister to Enable (GB) (Nathaniel {Ire}). She was sold as Lot 599 to agent Billy Jackson-Stops and trainer Tom Clover for 70,000gns. While that price certainly does not constitute a cheap buy, it was some way below the day’s average.

Enable being on the page naturally points to this being a Juddmonte family, which has recently been enhanced by the G3 Prix de Penelope winner Agave (GB) (Dubawi {Ire}), who is out of another of the dam’s half-sisters, Contribution (GB) (Champs Elysees). Under the third dam Apogee (GB) (Shirley Heights {GB}) can be found another raft of black-type winners including the G1 Grand Prix de Paris winner Flintshire (GB) (Dansili {GB}).

That’s a deep pedigree to have behind a filly whose sire has provided this year’s Prix de l’Arc de Triomphe winner Bluestocking (GB) from another Juddmonte family--and a little bit of Sadler’s Wells inbreeding certainly didn’t hurt Enable. Furthermore, Tom Clover has already proved that he is more than capable of honing the career of a classy filly granted the ammunition. **Cont. p8**

Thought for the day

One leading Newmarket-based trainer summed up trade on Monday evening pretty well. After exchanging pleasantries, I asked if he had had any luck in the ring. “Nothing but bad luck,” came the reply. It was another good day to be a vendor at Park Paddocks.

Pinhooking Fortunes on Monday

Of the 258 horses catalogued during Monday's session, 59 were pinhooks, and after one withdrawal, 58 horses visited the ring. A total of nine did not meet their reserves and were buy-backs, leaving 49 yearlings marked as sold. Of the latter group, 30 made a profit ranging from 4,000gns to 243,567gns.

Ballyvolane Stud offered lot 625, a son of **Gleneagles (Ire)** who sold to Amanda Skiffington on behalf of M V Magnier for 280,000gns, realising the highest return (243,567gns) among the lots sold for a profit. The colt was a €28,000 Goffs November foal.

Nineteen lots lost money. The 49 pinhooks marked as sold were acquired for 3,380,461gns as foals and made 5,021,000gns on Monday representing a 48.5% return.

We have multiplied the price of the foal by 1.1 and added a running cost of 12,000gns (for foals bought in guineas) or €15,000 (for foals bought in euros) for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether

someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly. It is worth noting that sometimes a horse can appear to be bought and sold by different names but have actually not changed ownership at all.

Arion Pedigrees cont. from p1

This move comes in response to what many in the industry see as Racing Australia "jumping the gun." The announcement that The Everest and The All-Star Mile had been upgraded to Group 1 status was met with enthusiasm locally but concerns quickly surfaced about the lack of formal ratification from key international bodies, including the International Grading and Race Planning Advisory Committee (IRPAC) and the Society of International Thoroughbred Auctioneers (SITA). These approvals, Arion argues, are essential to maintaining the credibility of Australia's race classifications on the world stage.

Kyla Johnston, Managing Director of Arion Pedigrees, expressed the company's steadfast commitment to integrity in an interview with *The Thoroughbred Report*. "We prefer to wait for formal international confirmation rather than rushing to upgrade races prematurely. For us, it's about ensuring the trustworthiness and uniformity of our pedigrees in line with global standards," she said.

A Longstanding Commitment to Integrity

Arion Pedigrees' refusal to prematurely adopt the Group 1 classifications for The Everest and The All-Star Mile reflects a broader ethos at the heart of its operations. Founded in 1996, Arion has built its reputation on producing pedigree pages that not only meet but exceed global standards. By maintaining strict adherence to the International Cataloguing Standards, Arion ensures that its clients—whether breeders, buyers, or sellers—can rely on the accuracy and credibility of the pedigrees it produces.

Johnston emphasised the importance of this approach, noting that international buyers, particularly those from markets with more rigid black-type systems such as Europe and Japan, depend on the integrity of Australian pedigrees when investing. "It's not just about putting a Group 1 label on a race; it's about ensuring that label holds the same weight here as it does in any other leading racing jurisdiction," she said. "Our clients deserve to know that when they see a Group 1 race in an Arion pedigree, it's been recognised by the highest international authorities."

The risks of premature recognition

The decision by Racing Australia to push through the Group 1 upgrades without full international ratification has raised significant concerns within the industry. While The Everest and The All-Star Mile have undoubtedly attracted world-class fields, many are wary of how such unilateral upgrades might affect Australia's standing within the global thoroughbred community.

Johnston pointed to the potential long-term damage of rushing such decisions. "It's not just about these two races," she explained. "There's a much larger issue at play here. Racing Australia has indicated that up to 50 races across the country are under review for possible upgrades, many of which are based solely on local race ratings. Without international validation, we run the risk of inflating the black-type system and losing credibility on the global stage."

Indeed, the influx of proposed upgrades has sparked fears that Australia could face pushback from the international racing community. The Asian Pattern Committee has approved the Group 1 status for The Everest and The All-Star Mile, but none of the other proposed upgrades have yet received international approval. This could lead to Australia being relegated to part two of the International Cataloguing Standards, which would severely limit the international appeal of its black-type races.

Johnston expressed concern that these premature upgrades could undermine the hard-fought reputation Australia has built in recent years. **Cont. p12**

"Australia has become a major player in the international bloodstock market, with significant investment from overseas buyers. If those buyers begin to feel that Australia's black-type system is bloated or lacks credibility, it could have a serious impact on sales and investment," she warned.

The importance of international alignment

At the heart of Arion's decision is a commitment to maintaining alignment with international standards. Johnston made it clear that Arion's position was not an indictment of Racing Australia's desire to innovate or promote its most prestigious races. Rather, it is a call for patience and transparency in the process of upgrading races to black-type status.

"We fully understand the importance of races like The Everest and The All-Star Mile," Johnston said. "These are races that have brought excitement and global attention to Australian racing. But to ensure that their new Group 1 status is respected internationally, we need to go through the proper channels. That means waiting for formal ratification from bodies like IRPAC and SITA."

This alignment with international bodies is more than just a formality for Arion—it's a core principle that protects the integrity of the global bloodstock market. Johnston pointed out that other racing jurisdictions, such as the UK and France, have strict protocols for upgrading and downgrading races, and it is this consistency that ensures their black-type systems are trusted worldwide.

"The last thing we want is for Australia to be seen as lowering the bar when it comes to Group 1 races," she said.

A broader industry concern

Arion's stance has resonated with others in the Australian racing and breeding community, many of whom have voiced concerns about the potential consequences of Racing Australia's upgrades. Industry stalwarts like John Messara and Vin Cox have been vocal in their opposition, with both warning that the rapid expansion of black-type races could devalue Australia's racing programme.

Messara, a breeding giant and owner of Arrowfield Stud, expressed fears that the Pattern system had been "hijacked" by state Principal Racing Authorities (PRAs), who are now making decisions without sufficient international oversight. Similarly, Vin Cox, a former member of the now-disbanded Australian Pattern Committee, criticised the lack of consultation with breeders and sales companies, arguing that the PRAs had effectively taken control of the black-type system and ignored the required due process.

Vin Cox | Ashlea Brennan

Johnston echoed these concerns, noting that while innovation is important, it must be balanced with the long-term interests of the industry. "We all want to see Australian racing grow and thrive," she said. "But we have to be careful not to sacrifice credibility for short-term gains. The integrity of our black-type system is what attracts international investment, and that's something we can't afford to lose."

Looking ahead

For now, Arion Pedigrees will continue to operate under the existing guidelines set by the 2024 International Cataloguing Standards Book. While the local racing community may celebrate Racing Australia's decision to elevate The Everest and The All-Star Mile, Arion's decision to withhold recognition until formal international ratification is received serves as a reminder that credibility on the global stage is paramount.

"We remain hopeful that these issues will be resolved quickly and transparently," Johnston said. "It's in everyone's best interest that we work together to ensure that Australia's black-type system remains strong, respected, and in line with international standards."

In an industry where prestige and trust are vital to maintaining international investment, Arion Pedigrees' stance is focused on ensuring that every upgrade is thoroughly vetted and aligned with the highest standards. The company's cautious approach may well be the safeguard the Australian industry needs to maintain its reputation in the international bloodstock market.

TTR reached out to Racing Australia for comment but didn't receive a response before the publication deadline.

ECONOMICS, CALANDAGAN AND CHARYN HEADLINE CHAMPIONS DAY CONTENDERS

Calandagan | Megan Coggin

Following Monday's confirmation stage, 17 horses remain in contention for Saturday's G1 QIPCO Champion Stakes at Ascot, including the top-class three-year-olds **Economics (GB)** (Night Of Thunder {Ire}) and **Calandagan (Ire)** in what has the makings of a blockbuster clash.

Trained by William Haggas, Economics is unbeaten in four starts this season, culminating with a first Group 1 victory in last month's Irish Champion Stakes at Leopardstown, while French challenger Calandagan confirmed himself a major force to be reckoned with when filling the runner-up spot behind the outstanding City Of Troy (**Justify**) in the G1 Juddmonte International Stakes at York in August.

Mickael Barzalona was recently announced as the new first jockey to the Aga Khan, the owner of Calandagan, but Stephane Pasquier is set to continue the association at Ascot, having partnered the son of **Gleneagles (Ire)** in every one of his five previous starts in 2024.

"I'm definitely riding him at Ascot," Pasquier confirmed. "That's good news for him and good news for me also. I rode him in work last week and he was very good. He is a fantastic horse and he's in good form. When I rode him last week he was perfect.

"It's a strong race, but Calandagan did something so special at Ascot [when winning the G2 King Edward VII Stakes] and again at York. He has a very good turn of foot and it would need something very special to beat him--it would need City Of Troy to beat him!"

Irish Derby hero **Los Angeles (Ire)** (**Camelot {GB}**), a stable-mate of City Of Troy, is another talented three-year-old who shouldn't be underestimated if making a quick return to action after his third-place finish in the G1 Prix de l'Arc de Triomphe at Longchamp. He is one of six possible runners for Aidan O'Brien, with the others including the four-time Group 1 winner **Luxembourg (Ire)** (**Camelot {GB}**) and G1 St James's Palace Stakes runner-up **Henry Longfellow (Ire)** (Dubawi {Ire}).

Other notable contenders for the £1.3 million feature contest on QIPCO British Champions Day include the G1 Grosser Preis von Berlin winner **Al Riffa (Fr)** (**Wootton Bassett {GB}**), who needs to bounce back from a below-par effort in the Arc, progressive three-year-old **King's Gambit (Ire)** (**Saxon Warrior {Jpn}**) and last month's G2 Prix Foy scorer **Iresine (Fr)** (Manduro {Ger}).

Supplemented Prague one of 15 Potential Rivals to Charyn

Roger Varian's Queen Anne Stakes and Prix Jacques le Marois winner **Charyn (Ire)** (Dark Angel {Ire}) could face up to 15 rivals when he bids for a third Group 1 success of the campaign in the G1 Queen Elizabeth II Stakes (Sponsored by QIPCO).

They include bargain buy **Prague (Ire)** (Galileo {Ire}), who has been supplemented at a cost of £70,000 following his victory in the G2 Joel Stakes at Newmarket. Picked up for just 10,000gns as an unraced three-year-old out of Ballydoyle, he has been on a steep upward curve this year and trainer Dylan Cunha expects conditions at Ascot to play to the strengths of his stable star.

"He won on soft ground last time when he took the Joel Stakes really well," said Newmarket-based Cunha, who is a Group 1-winning handler in his native South Africa. "He worked nicely on Saturday morning, he's come out of it really well, and he's going to get his ground. We all felt it was worth having a go.

"When you look at official ratings, he's now only 5lb below Charyn. We know he will have to improve a lot to beat Charyn, but he's definitely in great form, so we have to go for it. When a horse like him is on such a steep curve, especially at this time of year, you might never get one in this form again, so we're going in with a good chance. We're fairly confident he'll run well. We've spent the money, so it is written in the stars now--we've done our bit!"

Tamfana (Ger) (Soldier Hollow {GB}) looks another leading contender for David Menuisier judged on the form of her victory in the G1 Sun Chariot Stakes at Newmarket, along with last year's runner-up **Facteur Cheval (Ire)** (Ribchester {Ire}) and the Poule d'Essai des Poulains winner **Metropolitan (Fr)** (**Zarak {Fr}**), both of whom are set to make the journey over from France.

Best of the Rest on Champions Day

Champions Day kicks off with the G2 Qipco British Champions Long Distance Cup in which **Kyprios (Ire)** (Galileo {Ire}) is set to bid for his seventh success of an outstanding campaign. He will have the opportunity to avenge last year's defeat at the hands of **Trawlerman (Ire)** (Golden Horn {GB}), who was last seen pushing Kyprios all the way in the G1 Gold Cup at Royal Ascot in June.

St Leger runner-up **Illinois (Ire)** (Galileo {Ire}), a stable-mate of Kyprios, G2 Doncaster Cup winner **Sweet William (Ire)** (**Sea The Stars (Ire)**) and the improving **Al Nayyir (GB)** (Dubawi {Ire}) also feature in a possible field of 13.

A total of 22 horses remain contention for the G1 Qipco British Champions Sprint Stakes, with the 2022 victor **Kinross (GB)** (**Kingman (GB)**) set to come up against a number of Group 1 winners from earlier this season, including July Cup hero **Mill Stream (Ire)** (**Gleneagles (Ire)**) and Lockinge scorer **Audience (GB)** (Iffraaj {GB}). The first three from last month's Sprint Cup at Haydock could also clash again, namely **Montassib (GB)** (Exceed And Excel {Aus}), **Kind Of Blue (GB)** (Blue Point {Ire}) and **Unequal Love (GB)** (Dutch Art {GB}).

The other Group 1 contest on the card is the Qipco British Champions Fillies and Mares Stakes in which 19 horses are currently engaged. They include **Kalpana (GB)** (Study Of Man {Ire}), an emphatic winner of the G3 September Stakes at Kempton on her most recent start, with the progressive **Tiffany (Ire)** (Farhh {GB}) and G1 Yorkshire Oaks winner **Content (Ire)** (Galileo {Ire}) leading the potential opposition.

JIM ALLEN NAMED GENERAL MANAGER OF EPSOM DOWNS RACECOURSE

Jim Allen has been appointed as the new general manager of Epsom Downs Racecourse, it was announced by the Jockey Club on Monday. He succeeds Tom Sammes, who leaves the Jockey Club at the end of this month.

Allen's early career involved the management of two UK racecourses, Huntingdon and Sedgefield, before he served as racing director at Arena Racing Company (ARC) between 2006 and 2015. In this role he was involved in the innovation of the All-Weather Championships, the introduction of the new Tapeta racing surface at Newcastle and Wolverhampton racecourses, and the launch of sectional timing at all ARC tracks.

Allen went on to train racehorses across the US and in France between 2016 and 2022, before joining Tapeta Footings as its operations director in 2023 to create new racing surfaces at Belmont Park, Margaux Farm and Santa Anita. He returned to the UK this year to take up the role of operations director at

British Champions Series and will begin his new position at Epsom Downs on Monday, October 21, after QIPCO British Champions Day has taken place.

"Having started my career at Huntingdon back in 1999, I'm absolutely delighted to be rejoining the Jockey Club," said Allen. "I also grew up in Croydon and regularly attended Epsom from the age of 13, so it's a place that very much feels like 'home' to me.

"As far as I'm concerned the Betfred Derby remains the most important race to the Thoroughbred breed and the most famous in the world, so I'm proud and excited to start working with the team.

"I hope that my experience working across the industry in a range of different roles, from running racecourses to training racehorses, will give me a 360 degree perspective as we strive to ensure Epsom Downs reaches its full potential, both as a racecourse and training centre."

Amy Starkey, managing director of The Jockey Club, added, "I'm thrilled to have appointed someone of Jim's calibre to lead the team at Epsom Downs.

"It is rare to find an accomplished racecourse administrator who also has expertise in training and caring for racehorses and his CV speaks for itself. With such experience and a wide range of existing stakeholder relationships, Jim will be a tremendous asset for Epsom Downs Racecourse and our training grounds."

REPLAY AND PRESENTATIONS AVAILABLE FROM THE IFHA CONFERENCE

The presentations and video replay from the 58th International Conference of Horseracing Authorities, which took place at Saint-Cloud Racecourse on Monday, October 7, can now be found [here](#) on the International Federation of Horseracing Authorities (IFHA) website.

The **2024 conference** focused on upholding racing integrity, a key strategic point of the IFHA, and the overall programme examined items of key integrity threats and lessons from previous cases to determine how racing can utilise the most current approaches and techniques to protect the sport. Over 150 delegates from 40 different countries were in attendance.

A noteworthy development announced during the conference was the official release of the IFHA Racing Integrity Handbook. Described by the IFHA as "a comprehensive explanation of the components of racing that ensure integrity in the sport", the Racing Integrity Handbook is available in full [here](#).

SALLAAL (IRE) (Frankel {GB}) is a significant newcomer at a track his trainer Roger Varian has used for several of his better prospects, being a half-brother to this year's G1 1,000 Guineas heroine Elmalka (GB) (**Kingman {GB}**) and the multiple group 1-winning globetrotter Benbatl (GB) (Dubawi {Ire}). Among the rivals of Sheikh Ahmed Al Maktoum's homebred is **Wicked (Fr) (Kingman {GB})**, Wathnan Racing's half-brother to the Classic-winning duo St Mark's Basilica (Fr) (**Siyouni {Fr}**) and **Magna Grecia (Ire)** (Invincible Spirit {Ire}) from the John and Thady Gosden stable.

Simon and Ed Crisford have charge of the newcomer, whose rivals include Sheikh Ahmed Al Maktoum's similarly-unraced Archie Watson trainee **L'Karama (GB) (Starspangledbanner {Aus})**, another who cost that amount at that auction and who is a half-brother to the dual group winner Greenland (Ire) (**Saxon Warrior {Jpn}**).

'SHE'S A SUPERSTAR' ADARE MANOR WILL BE MISSED AT BAFFERT BARN

Click here for our visit with Adare Manor, who is headed for the Fasig-Tipton November Sale | *Coady*

by Katie Petrunyak

Bob Baffert has no qualms about admitting that **Adare Manor** (**Uncle Mo**) is going to be a difficult horse to part with. The three-time Grade I winner and \$2 million earner has been a steady presence in Baffert's barn for the past three years.

"When you have them for that long, you actually get emotionally attached to them," said Baffert. "She's such a sweetheart. She never gets worked up, never turns a hair and is just so professional. I've had some really good horses, but if they don't have the right mind, you don't see their full potential. She handled everything in stride. She's a superstar and when you have these superstars in your barn, you just love seeing them in the mornings."

GRADE I JERKENS WINNER DOMESTIC PRODUCT TO ASHFORD AFTER BC DIRT MILE

Domestic Product (**Practical Joke**--Goods and Services, by Paynter), who emulated his own sire when winning the GI H. Allen Jerkens Stakes at Saratoga, will retire to Coolmore America's Ashford Stud to stand alongside his sire following his final start in the Nov. 2 GI Breeders' Cup Dirt Mile, the farm announced Monday morning.

In addition to the Jerkens this summer, the 3-year-old won the GIII Tampa Bay Derby and the GIII Dwyer Stakes. Like **Practical Joke**, he was trained by Chad Brown for Klaravich Stables.

"Domestic Product has always been an outstanding prospect who identified himself very early in his works," said Brown. "After he broke his maiden [at two], it was clear he was a serious Kentucky Derby prospect, so we put him on that trail. He qualified when winning the Tampa Bay Derby, but unfortunately lost a shoe early in the Derby and it didn't work out for him.

"Right after the Derby, I told Seth [Klarman of Klaravich Stables] that we were going to try to do the same thing we did with his sire **Practical Joke** and cut him back in distance on Travers Day. So he had his prep in the Dwyer Stakes, which he won with ease, and going into the Allen Jerkens it was clear that he was going to be the horse to beat with jockey Flavien Prat having no hesitation in choosing him ahead of three others he had ridden on their previous starts. Ultimately, he put in a very brave effort to get the win and nose out a very, very good horse."

Domestic Product won the Jerkens by a neck over the 2-1 favorite, GI Del Mar Futurity winner and GI Woody Stephens runner-up Prince of Monaco (Speightstown). **Cont. p5**

Fasig-Tipton Presents The November Mares

Adare Manor Will be Missed *(cont. from p1)*

After earning eight graded stakes wins over her four-year career, Adare Manor retired in September and is now set to sell at the Fasig-Tipton November Sale on Nov. 4. Consigned by Hill 'n' Dale at Xalapa, the 5-year-old will be the third consecutive Grade I-winning mare campaigned by owner Michael Lund Petersen to be offered at the 'Night of the Stars' Sale. Champion sprinter Gamine (Into Mischief) brought \$7 million in 2022 and Grade I victress Faiza (*Girvin*) sold for \$4 million last year.

"We've had the privilege and honestly the honor of selling some wonderful horses for Michael Lund," said Fasig-Tipton's Boyd Browning. "We feel very fortunate this year to have the honor to do it again with Adare Manor. She fits in the same quality of those other horses that

he's sold with us--great physicals, hand-picked by Bob and Donato Lanni and raced at the very highest level."

Baffert said he can still remember getting the call from agent Donato Lanni about an **Uncle Mo** filly that looked promising at the 2021 OBS June Sale and they purchased Adare Manor for Petersen for \$375,000. As soon as the filly arrived at Baffert's

barn, the Hall of Fame trainer was impressed by what he saw.

"She was a big, tall filly and we knew she was not going to be a sprinter," he recalled.

"We knew that once we stretched her out, that was going to be her game. It took her a while to really fill out because she's got this beautiful top line and frame and a beautiful neck and shoulder. We knew that

the older she got, she was just going to become the beautiful, picturesque mare that she is now."

In her 3-year-old debut in her third career start, Adare Manor broke her maiden by 12 lengths. From there it was strictly graded stakes company for the remainder of her sophomore season. She earned a win in the GIII Las Virgenes Stakes and was runner-up in the GII Santa Anita Oaks and GII Black-Eyed Susan Stakes.

The dark bay upped her game the following year, claiming four straight graded wins including the GI Clement Hirsch Stakes over a field that also featured Grade I winner Fun to Dream (Arrogate) and multiple graded stakes winner Desert Dawn (Cupid).

“Her best trait is her stride,” explained Baffert. “She’s got an enormous stride and as a matter of fact, a lot of the riders felt that she probably could have run on grass with the way she moves. She takes one stride for her competitor’s two. You can tell when horses are chasing her, they give up because they just can’t keep up with her once she gets in that long, moving stride. And she’s quick. She’s very light on her feet for a big mare.”

Adare Manor earns her first of eight graded stakes scores in the 2022 GIII Las Virgenes Stakes | Benoit

This year, Adare Manor stamped herself as one of the leaders of the Distaff division. Second in her 5-year-old debut against Sweet Azteca (Sharp Azteca) in the GI Beholder Mile, it was all wins from there as she earned a 100 Beyer Speed Figure on the road at Oaklawn Park in her 5 1/2-length domination of the GI Apple Blossom Handicap and then returned to California to reel off scores in the GII Santa Margarita and GI Clement Hirsch.

It was that last win in the Clement Hirsch, over a field that featured champion Pretty Mischievous (Into Mischief) and the highly regarded Bill Mott trainee Scylla (Tapit), that Baffert said he will remember as her most impressive victory. Normally one to be first out of the gate and win from the lead, Adare Manor broke a touch slow and had to stalk from the inside.

“They sent some horses out there and had her in a tough spot,” Baffert recalled. “Juan Hernandez, her jockey, didn't panic. She's the kind of filly that you don't want to just get her going, stop and then go again. She's so big. He got in a nice, relaxed mode. She was in tight the whole way. Turning for home, it looked like maybe she wasn't going to do it. Then all of a sudden he tipped her out and she got into that big, long stride and just motored them down.”

“She showed a different dimension that we'd never seen before and I wish I had known about it before,” Baffert said with a laugh. “It would have helped her out in other races. Sometimes when you're the heavy favorite, you don't want to be too cute and try something different, but that day he was sort of forced to do that and it worked out.”

With 10 wins from 18 career starts, Adare Manor retired as the highest-earning daughter of **Uncle Mo** and the sire's leading performer by graded stakes victories. Recently, **Uncle Mo** has made a statement as a broodmare sire with the likes of GI Kentucky Oaks victress and leading 3-year-old filly Thorpedo Anna (Fast Anna) and fellow Grade I winners Muth (**Good Magic**) and Geaux Rocket Ride (**Candy Ride {Arg}**).

Selling at the Fasig-Tipton November Sale as **Hip 214**, Adare Manor is the first foal out of Brooklynsway (Giant Gizmo), a granddaughter of Giant's Causeway who claimed six stakes wins including the 2016 GIII Doubledogdare Stakes over multiple Grade I winner I'm a Chatterbox (**Munnings**).

“Adare Manor possesses some of the most influential stallions and influential names in our stud book with **Uncle Mo** and Giant's Causeway,” said Browning. “A Grade I performer and superb physical, she's the complete package and offers unlimited opportunity and unlimited potential to whoever happens to buy her.”

While Baffert and the rest of Adare Manor's connections had high hopes that their talented mare could go out a winner at the Breeders' Cup before going through the ring at Fasig-Tipton, Baffert said that he is grateful to Petersen for keeping Adare Manor in training as a 5-year-old this year so that he could share one last season with his stable star. And with two Grade I wins in 2024, what a season it was for Adare Manor.

“Michael Lund has been fortunate and blessed to have mares like her, but he knows how hard it is to get a good horse,” said Baffert. “I'm happy he let us run for one more year. It really helped her and we had a lot of fun with her. We're going to really miss her. She has become like a pet in the barn now. I'm

just blessed and lucky that she got to fulfill her talents. That's the thing about racing. Sometimes you have them and they don't get to do that, but she got to fulfill all of her talents.”

Domestic Product to Ashford *(cont. from p1)*

“He's an incredible physical; a really striking, almost black horse with excellent conformation,” Brown said.

Said Coolmore Director of Sales Charlie O'Connor, “Practical Joke has been extremely popular with breeders ever since he first arrived here. He has enjoyed terrific success both on the racetrack and in the sales ring and everyone in Ashford is excited to have [Domestic Product] standing alongside his sire for 2025.”

Domestic Product's stud fee will be set at a later date.

The roster will be fortified further by new additions **Cogburn (Not This Time)**, who will make his next start in the GI Breeders' Cup Turf Sprint with a stud fee to be announced after the race; **Timberlake** (Into Mischief), who will stand for \$20,000 S&N; and **Heartland (Justify)**, who will stand for \$10,000 S&N.

“We are excited for the 2025 breeding season and the strong stallion roster we are presenting to breeders,” said WinStar Farm President and CEO Elliott Walden. “Constitution has taken another step forward in 2024 and solidified himself as an elite sire both on the racetrack and in the sales ring. It’s encouraging to see his sons having success so early in his career. **Life is Good** and **Nashville** came back to strong demand in their second crops this past season and both have a great foundation for future success that commercial breeders can have confidence in. We’re excited to add three new sires to our roster—all of which have unique and elite talent. Cogburn, Timberlake, and Heartland will be well supported by the farm. Our team looks forward to working with breeders this year to create value and help achieve our collective goals.”

Constitution is the No. 5 General Sire with progeny earnings this season of \$12,577,533, and he is the No. 3 leading sire of 3-year-olds this year by earnings, behind only **Justify** and Into Mischief. A Top 10 yearling sire in 2023 and 2024, **Constitution** has been represented by yearlings this year of \$1.2 million, \$1.1 million, \$1 million, and \$975,000. His leading runners in 2024 include Classic-placed Mindframe, second in both the GI Belmont Stakes and GI Haskell Stakes, and Catching Freedom, third in the GI Preakness Stakes and winner of the GII Louisiana Derby and Smarty Jones Stakes.

Life Is Good, a four-time Grade I winner in his racing career, enters his third season at stud in 2025. He was bred to 192 mares in his first season at stud, and to 186 mares in 2024 with his first weanlings selling this year.

Cogburn was a record-setting winner of the GI Jaipur Stakes during the Belmont Racing Festival at Saratoga over the summer where he set a North American record for 5 1/2 furlong on turf. After an opening quarter in :21.33 and a half-mile split in :43.07, Cogburn flew home in a final time of :59.80, eclipsing the previous North American record of 1:00.21 set in 2019. Following the Jaipur, Cogburn proved an authoritative winner of the GII Turf Sprint Stakes at Kentucky Downs where he completed six furlongs on turf in 1:07.68, just missing another course record. Heading into the Breeders’ Cup, Cogburn is a winner in nine of 15 lifetime starts and he has amassed earnings of \$2,392,630.

'TDN Rising Star' Timberlake, winner of the GI Champagne Stakes, joins **Practical Joke** as the only other son of Into Mischief to win a Grade I as a 2-year-old. In completing the one-mile Champagne in 1:35.90 over the sloppy (sealed) track, and earning a 93 Beyer, Timberlake left in his wake that day the likes of Fierceness (**City of Light**), the subsequent 2-year-old champion.

Making his seasonal debut at three, Timberlake won the GII Rebel Stakes at Oaklawn Park. In addition to his stakes wins, he

finished a close second in the GI Hopeful Stakes at two and was third in the GI Haskell Stakes this year. All told, Timberlake won or placed in 5-of-9 career starts, including three Grade I's, for trainer Brad Cox while banking \$1,303,100.

'TDN Rising Star' Heartland is a half-brother to champion 2-year-old Classic Empire (Pioneerof the Nile) who flashed his brilliance in an impressive 5 1/2-furlong debut at Del Mar. His final time of 1:03.20 was the fastest time of any 2-year-old at the distance at Del Mar or Saratoga in 2023.

CURLIN STEADY ATOP HILL 'N' DALE ROSTER AT \$225K

Two-time Horse of the Year **Curlin** (Smart Strike) remains steady atop the roster at Hill 'n' Dale Farm with a fee of \$225,000 LFSN for the 2025 breeding season, the farm announced Monday. The sire of three Eclipse Award champions last year, he currently has three Grade I winners and five Grade I performers in 2024.

Standing alongside his sire, **Good Magic's** (**Curlin**) fee also remains unchanged at \$125,000 LFSN. **Good Magic** has three Grade I winners in 2024, including GI Belmont Stakes and GI Haskell Stakes winner Dornoch, his second Classic winner from his first two crops. **Good Magic** is also responsible for GI Pacific Classic winner Mixto and \$2-million 2-year-old purchase Muth, winner of the GI Arkansas Derby.

Charlatan's (Speightstown) fee remains at \$50,000 LFSN with a stellar market reception at both the Fasig-Tipton Saratoga Sale and Keeneland September. He had 89 yearlings average over \$270,000, led by a \$1.5-million Fasig Tipton yearling, the highest price paid for a yearling by a freshman sire this year.

Violence (**Medaglia d'Oro**) will stand for \$30,000 LFSN, a drop of \$10,000 from last year. His best runners this year include Grade I winner Mullikin and Grade II winner Newgrange.

Army Mule (Friesan Fire) fee is \$20,000 LFSN. The sire of Federal Judge, recent GII Phoenix Stakes winner at Keeneland, **Army Mule** boasts 10% stakes winners to starters lifetime.

New to the roster in 2025 is Grade I winner **Arabian Knight (Uncle Mo)**, a \$2.3-million 2-year-old purchase whose crowning achievement came in the GI Pacific Classic against older horses. His inaugural fee is \$30,000 LFSN.

GHOSTZAPPER RELOCATED TO CANADA'S ADENA SPRINGS FOR FINAL YEAR AT STUD

Horse of the Year **Ghostzapper**, a perennial leading sire, will relocate to Frank Stronach's Adena Springs Farm in Aurora, Ontario Canada for what is most likely his final year at stud, Hill 'n' Dale at Xalapa announced Monday.

"I want to thank Frank Stronach for the privilege of standing **Ghostzapper** at Hill 'n' Dale at Xalapa," said John Sikura. "It has been our honor to stand this outstanding sire and exceptional breed-shaping stallion. His record at stud will influence the breed for generations. At this point in his career, **Ghostzapper** is deserving to relocate and reunite with Adena who bred, raced and supported him at stud. Mr. Stronach has a great affection for the horse and wishes to have him at Adena."

Adena Springs mares will support the 24-year-old **Ghostzapper**, who will cover a limited book in 2025.

FASIG TIPTON RETURNS TO NEW YORK WITH SARATOGA FALL MIXED SALE

The Fasig-Tipton Saratoga Fall Mixed Sale will welcome 315 broodmares and weanlings to the Humphrey S. Finney Sales Pavilion when it kicks off Tuesday for a single session beginning at 12 p.m.

"It's as strong--if not a stronger--catalogue than even what we had last year," said Fasig-Tipton President and CEO Boyd Browning, Jr. "The New York-bred program continues to be strong and in demand. What we saw over the summer with the

New York-bred yearlings is that there is plenty of quality here and the buyers really respond to that. There are some really great weanlings and mares available that show off how strong this state program is. Purses for New York-breds are going up and people can really take advantage of that."

Fasig-Tipton Saratoga sales grounds | Fasig-Tipton

The sale, which saw its start time delayed two hours Tuesday due to inclement weather in the Saratoga Springs area on Monday, will begin at 12 p.m. Browning noted that the weather certainly hadn't kept anyone away.

"There's been a lot of action on the grounds over the weekend and today, even as everyone has been dodging the pouring rain," Browning said.

Ahead of next month's breeding stock sales, buyers will have the chance to get their hands on mares in foal to new additions in the Kentucky stud barns like Arabian Lion, **Dr. Schivel**, and Kentucky Derby winner **Mage**. Not surprisingly, New York-based stallions are well represented in the catalogue with **Americanrevolution**, **Buccherro**, **Central Banker**, **Fire At Will**, **Honest Mischief**, **Mind Control**, Mullion and **Solomini** featuring among the covering sires.

Stallions with their first crop of weanlings catalogued include the likes of **Corniche**, **Cyberknife**, **Drain the Clock**, **Early Voting**, **Golden Pal**, **Greatest Honour**, **Idol**, **Jack Christopher**, **Mo Donegal**, **Nashville** and **Speaker's Corner**, among others.

"This sale is a standalone feature," Browning said. "It's an opportunity to let the New York-bred program shine. You saw it at Saratoga with the yearlings and we're very optimistic heading into Tuesday."

Last year, a colt by **Good Magic** set a sales record of \$230,000 during the session, which saw 156 horses gross \$4,522,200 for an average of \$28,988 and a median of \$18,000.

FULL SERRANO ON TRACK FOR BREEDERS' CUP DIRT MILE

Hronis Racing's **Full Serrano (Arg)** (Full Mast), most recently second in the GI FanDuel Racing Pacific Classic, worked five furlongs in :59.80 (3/32) at Santa Anita Monday. Trainer John Sadler said the 5-year-old is targeting the GI Breeders' Cup Dirt Mile, rather than the 1 1/4-miles GI Breeders' Cup Classic.

"He got sick and missed some time when he came back up from Del Mar," Sadler said Monday. "He wasn't able to run in the [Sept. 28] California Crown and I'm not sure if he'd be ready to go a mile-and-a-quarter."

Full Serrano won an allowance at Del Mar in his U.S. debut in August and was making his second start in the country when he came up half-length short of Mixto (**Good Magic**) in the Pacific Classic.

Trainer Bob Baffert sent a pair of GI Breeders' Cup Juvenile contenders to work in company at Santa Anita Monday. GI Del Mar Futurity winner **Gaming (Game Winner)** and GI American Pharoah Stakes winner **Citizen Bull** (Into Mischief) both went five furlongs in :59.00 (1/32).

In addition to his Juvenile prospects, Baffert also worked Breeders' Cup Classic contender **Newgate** (Into Mischief) (5f, 1:00.00, 4/32) and Breeders' Cup Mile contenders **Fort Bragg (Tapit)** (4f, :49.40, 24/46) and **Muth (Good Magic)** (4f, :47.40, 5/46) Monday in Arcadia.

Stronghold (Ghstzapper), winner of the GI Santa Anita Derby in April, worked three furlongs in :39.80 (25/25) Monday in Arcadia for trainer Phil D'Amato. It was the sophomore's first work since finishing second in the Sept. 21 GI Pennsylvania Derby. Over the weekend, D'Amato said Stronghold is possible for the Dirt Mile or he could wait for the Dec. 26 GI Malibu Stakes.

The 9-year-old, winner of the 2017 GII Saratoga Special, previously stood at Darby Dan Farm in Kentucky.

BREEDERS' CUP TO PARTNER WITH LUCCHESE BOOTMAKER AT DEL MAR

Breeders' Cup Limited will partner with leading Western lifestyle brand Lucchese Bootmaker as the exclusive bootmaker and official western wear partner of the 2024 Breeders' Cup World Championships, the company announced Monday.

During the World Championships, a pop-up shopping experience with Lucchese will be held at the Plaza de Mexico at Del Mar Thoroughbred Club, with a week-long pop-up store established on Camino Del Mar in downtown Del Mar. While the trackside pop-up will only offer footwear exclusively, guests can visit the downtown location to shop a selection of Lucchese's handmade cowboy boots, casual footwear, apparel, accessories, handbags, and leather goods.

"We are pleased to welcome Lucchese as a new official partner of the World Championships," said Senior Vice President of Corporate Partnerships for Breeders' Cup Limited Heather Higgins. TB INCENTIVE PROGRAM AWARDS NON-COMPETITION HONORS

Two non-competition awards, the T.I.P. Thoroughbred of the Year Award and the T.I.P. Young Rider of the Year Award, were awarded Monday by the Jockey Club Thoroughbred Incentive Program.

The Thoroughbred of the Year Award recognizes a Thoroughbred that has excelled in a non-competitive career, such as equine-assisted therapy or police work, and includes a \$5,000 grant to the non-profit organization associated with the horse or, if no organization is associated with the horse, to a horse-related charity chosen by The Jockey Club.

The 2024 Thoroughbred of the Year is **Rockaway** (Rockport Harbor), a 14-year-old gelding who retired from the racetrack in 2014 and was initially used as a lesson horse before beginning his career as a police horse for Coral Gables Police Department where he has become a loyal partner to Officer Ashley Sheran.

"We are honored that Rockaway has been chosen for this recognition in his post-racing career," said Sheran. "In reinstating the presence of a police horse for our department after almost a century, he has been become an extraordinary community policing asset. When patrolling, Rockaway offers the department a vantage point for subject recognition, and a strong visible presence that serves as a deterrent to criminal activity."

The young rider award, which recognizes riders 18 or younger who own or lease a Thoroughbred for use in 4-H, Pony Club, or other activities, has been awarded to both 14-year-old Madison Hightower and 16-year-old Ashlyn Tate.

Created in October 2011, T.I.P. recognizes and rewards the versatility of the Thoroughbred through sponsorship of Thoroughbred classes and high point awards at sanctioned horse shows, year-end performance awards, a recreational riding program, and non-competition awards.

Margins: HF, 7 1/4, 6. Odds: 1.20, 2.40, 10.40.

Also Ran: Morigana, Night Nurse. Scratched: Tudox Dahlia.

The Pennsylvania-bred filly registered a steady string of works heading into this, highlighted by a four-furlong bullet move in :48 4/5 at Fair Hill Oct. 8 and was installed the 6-5 choice to get off the mark in her career bow. Showing her inexperience when hopping at the start, Dixieland Belle took off after leader Night Nurse, who cut out an opening quarter in :22.21. Diving to the inside momentarily before swinging back out to the outside route turning for home, Dixieland Belle gained a narrow advantage over Boujie Betz midstretch, and despite Honorable Win's game effort to her outside, it was the newcomer who was a half-length best at the wire.

The hombred is out of Grade III winner Dixie Serenade, also the dam of a yearling filly by **Frosted** and a colt by **Essential Quality** foaled earlier this season. The Uptowncharlybrown mare was bred back to Arabian Lion.

Also Ran: Miss Lizzy, Queens Command (Ire), Moment's Pleasure, Royal Charter (GB), Ankyrah, Gypsy Woman (Ire).

Runner up in three consecutive stakes starts this term, including Laurel's Sensible Lady Stakes Sept. 14, Queen of the Mud broke sharply from post 4 but was soon settled in fourth along inside as longshot Ankyrah led over a headstrong Gypsy Woman with Miss Lizzy latched to the favorite's outside flank. Moving well but with nowhere to go as Moment's Pleasure and Miss Lizzy pinned her down on the rail, Queen of the Mud bided her time through a :47.79 half mile.

Queen of the Mud winning at Santa Anita Monday | Benoit

Cont.

With Queen's Command (Ire) (War Command) also joining the fray on the far outside, the half to Group 1 winner Facteur Cheval (Ire) (Ribchester {Ire}) was within striking distance as Miss Lizzy assumed a narrow advantage straightening for home. Looking for daylight and finding it in early stretch, Queen of the Mud burst clear late and gained the jump on Yerwanthere, who closed resolutely but had to settle for second, beaten 1 1/2 lengths. Lakota Spirit rounded out the trifecta. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

IN ORDER OF PURSE:

6th-Parx Racing, \$51,600, Msw, 10-14, 2yo, f, 5 1/2f, 1:07.63, ft, nose.

BEYOND BELIEF (f, 2, Goldencents--Abracadabra, by Speightstown), given a 4-1 chance in this initial go, assumed a narrow lead through a :23.15 opening quarter. Drawing clear in early stretch, the chestnut started to show the effects of her early labors in deep stretch but had enough left to just hold off Ourdaydreaminggirl (*Instagrand*) by a nose at the wire. Favored Angel of Hope (Warrior's Reward) was fourth. Abracadabra, a full-sister to GSW and GISP Bobby's Wicked One, is a granddaughter of Belva (Theatrical {Ire}), herself the dam of Champion grass horse English Channel (Smart Strike). Purchased for \$52,000 at Fasig-Tipton Winter Mixed Sale carrying a colt by **Practical Joke**, she was bred back to Maximus Mischief after foaling earlier this season.
