EMERY CONFIRMS CLASS IN RAVEN RUN

Emery | Coady Media

It was the Girl in Gold who came home best of all at Keeneland as **Emery** (More Than Ready) claimed the GII Lexus Raven Run Stakes for owner Stonestreet Stables.

Last seen playing bridesmaid to GISW Ways and Means (**Practical Joke**) in the GI Test Stakes at Saratoga, where MGSW & GISP **My Mane Squeeze** (**Audible**) ran third, Emery had come into that contest riding a three-race win streak which began in June. After claiming victory in the Leslie's Lady Stakes at Churchill Downs and then picking up her first graded victory in the GIII Victory Ride Stakes July 4 in New York, she'd shown the betting public enough to be crowned the 6-5 favorite here despite that loss Aug. 3.

Away alertly as **Fibber** (**Frosted**) took it upon herself to keep the pace honest through :22.53 and :45.29 opening fractions, Emery was content to stalk that leading bunch from their outside in fourth. Taking command as they turned for home and in clear control as Fibber tried to mount a response, the eye-catching filly was hard to miss as she strode home to a two-length win over My Mane Squeeze, who had been last early after a slow beginning, and flew late to overtake Fibber for that runner-up spot.

"I think [getting her to settle off the pace was key], but she could show the way if need be, if there's a lack of pace in the race," said Brad Cox.

BREEDERS' CUP PREP FOR BROWN TRAINEES AT BELMONT, THORPEDO ANNA DRILLS UPSTATE FOR MCPEEK

With the Del Mar Breeders' Cup officially less than two weeks away, trainer Chad Brown is continuing to oversee his string's preparations at Belmont Park, while the accomplished MGSW **Thorpedo Anna** (Fast Anna) puts in her final works for conditioner Ken McPeek upstate at Saratoga.

Over the training surface in Elmont, Brown sent out two juveniles for half-mile works in '**TDN Rising Star**' **Chancer McPatrick** (**McKinzie**) [:48.01] and **Zulu Kingdom** (**Ire**) (**Ten Sovereigns** **{Ire}**) [:48.63], who are targeting the GI FanDuel Breeders' Cup Juvenile and GI Breeders' Cup Juvenile Turf, respectively. Zulu Kingdom prepped in company with older GSW **Running Bee** (English Channel). Cont., p8

Tyler Gaffalione was all smiles on the return | Coady Media

Raven Run, cont. from p1

"I want to start off by thanking the [owner] Stonestreet [Stables] team -- Ms. [Barbara] Banke and her whole team. They're very easy to work for."

"We had to give this filly some time off after her second start, and she's come back and rewarded them in a big way this year. I'm very proud of the filly, and [jockey] Tyler [Gaffalione] did a great job. He put her in a perfect position today and she fired."

Luis Saez, who rode the furiously-closing runner-up My Mane Squeeze, accredited the tough trip to some pre-race antics in the blocks. "It was a tough trip. She was behaving a little mean in the gate, and she didn't break that well. We thought we were going to get [Emery], but the winner was too good; she kept going. It was a good second."

Emery's win in the Raven Run was the fourth stakes victory for Tyler Gaffalione and Brad Cox individually of the fall meet, but the first they'd won together. Both lead their respective title categories for the Keeneland season through Saturday's results.

Pedigree Note:

Emery is the second winner from as many to make the races for Athena, but by far her most accomplished. Since this victress, the dam has produced a now 2-year-old named Athena's Secret (**American Pharoah**) as well as a pair of fillies in the wings--a yearling by Improbable and a 2024 **Good Magic**. She was not bred for 2025.

Athena, a three-time stakes winner in her own right, is herself out of a half-sister to GI Carter Handicap hero Peeping Tom, who visited the winner's enclosure on 14 occasions in addition to being multiple Grade I-placed in his career.

BRUNACINI SPRINGS THE UPSET IN PERRYVILLE

From high to low and then back to a high, Luan Machado and **Brunacini** (Dortmund) sprung a 28-1 shocker over **Book'em Danno** (**Bucchero**) Saturday afternoon at Keeneland in the GIII Perryville Stakes.

Brunacini came into the race as an also-eligible with two starts to his name. The chestnut son of Dortmund was a first-out winner July 28 at Ellis Park, but faded to fifth late in the lane Sept. 19 at Churchill Downs when attempting to take a first-level allowance field gate-to-wire. The Matthew Sims-trainee was also making his stakes debut here, but had shown some encouraging signs in his work tab as three of his last six efforts at this venue were bullets.

Still, when the betting public compared the field to 3-5 favorite Grade I-winning Book'em Danno, they understandably leaned in the latter's favor.

Breaking outwardly and forced five wide as the leaders put up :22.01 and :44.75 opening fractions, he tracked the front trio from the outside and had ranged into contention through the far bend. Looming a clear danger as the running began turning for home, he took a narrow advantage as the pacesetters threw out white flags leaving the furlong grounds.

Brunacini (left) | Coady Media

Called on to stay the course, Brunacini held firm as Book'em Danno was making his customary late charge from the inside path, but ultimately came a neck short of catching the long shot. **Epic Ride (Blame)**, who was part of that lead trio, and a fast-closing 'TDN Rising Star' **Knightsbridge (Nyquist)** ended up deadheating for third.

The final time of 1:22.80 was a stakes record.

"[Brunacini] broke super sharp. I tried to get him over on the backside but couldn't make it," said Machado. "He was taking me around there. I thought I'd just stay [outside] and try to give him at least a clear shot to make his run, and he did."

"[The win] means a lot to me and to the whole connections [breeder and owner Emilie Fojan and trainer Matt Sims]. I'm not surprised; he's a very nice horse. I got the opportunity to breeze him a couple times in the morning and last week he did an unbelievable work, super comfortable. I even joked to the guys in the room, 'I don't think he can be worse than third here.'"

Luan Machado celebrates after pulling the upset | Coady Media

Machado added, "I was super happy for everybody. They did such a great job with this horse. He's not an easy [one] to train. He's so big; he thinks he's a dinosaur. He's very hard to gallop, super tough. So congratulations to the whole team."

Pedigree Note:

Brunacini is the most accomplished runner for his dam, and does have a winning full-sister named Chanisa. Their 2-year-old half-brother Blaihaan (**Midshipman**) was exported to Saudi Arabia last year, and thus far doesn't have any races on record. Our Conquistadora's last registered offspring is a yearling filly by **Mo Town**. She visited **Mage** for 2025.

DRESDEN ROW MAKES IT BACK-TO-BACK GRADEDS WITH ONTARIO DERBY SCORE

Continuing his upward trajectory through the rankings, **Dresden Row** (Lord Nelson) notched another graded win Saturday when he turned away all challengers to claim the GIII Ontario Derby at Woodbine.

A game winner last out Sept. 28 when he took on his elders in the GIII Durham Cup at this venue, he earned his career-best Beyer figure of 92 when denying the furious rally of Ron's Gizmo (Giant Gizmo) in a photo after overtaking the 2023 King's Plate Stakes winner MGSW Paramount Prince (Society's Chairman). Having never been off the board in his career, and a four-time visitor to the winner's enclosure at Woodbine, the betting public saw it fit to give him a 6-5 favorite's chance to make it a quintet of photos here.

Away well to track from four wide, the chestnut didn't wait long to start hounding **Babbo** (**Kantharos**) as that one put up :23.90 and :47.18 early splits. Refusing to give that one peace down the backstretch, he was nudged along with five sixteenths left to run and had taken command with a quarter mile between him and the line. Turning away a challenge from **Roscar** (**Oscar Performance**) in the upper stretch, he had to dig deep but had enough to fend off the late charge from **Bail Us Out** (Lookin At Lucky) to win by a half-length.

"He was the best horse in this race," said Ryan Munger. "And obviously, plans are not to go wide into the first turn. But my options were to pull him back and go in behind them and then go wide on the far turn, or let him just idle along, get into a nice position up the backstretch, and that's what I did."

"He's the type of horse you don't want any hard luck stories. So, I put him in a nice spot, sitting up second, and when I asked him to quicken, you know, the rest is history."

BC Preps in New York, cont. from p1

"A little quick, but did it easy in a solo breeze," said Brown of the Chancer McPatrick workout. "He acts a year older than he is really in everything he does--both in the morning and in the afternoon. He'll need some pace in front of him with his running style, but he's certainly training well."

Also making an appearance on Saturday was dual graded stakes-winner **Sierra Leone (Gun Runner)**, who posted a half-mile work for the GI Longines Breeders' Cup Classic. The colt hit the dirt training track shortly after reopening from a renovation break at 9:30 a.m. ET and breezed solo in :49.25 over the fast track. It was his third work at Belmont since moving south from Saratoga Race Course about three weeks ago.

"It went super. He worked a half-mile and galloped out six furlongs in 1:13 1/5. It was extremely impressive," Brown said. "The horse has been training really well and I'm really excited about him going into the Breeders' Cup."

Brown said he is hopeful a winning result could put Sierra Leone in the mix for Eclipse Award honors as champion 3-year-old as he takes on GI DK Travers Stakes winner Fierceness (**City of Light**) for the third straight race.

"I think Fierceness is clearly the leader of the division and it's well earned," Brown said. "I know some of these horses have taken turns beating each other but he has had a spectacular summer in my opinion and he's not only the one to beat in the Classic, but also the leader of the division right now. But if Sierra Leone was to break through and take down a race like the Breeders' Cup Classic facing mostly older horses, I think he'd be in serious consideration given his consistency."

The New York-based conditioner also sent out **Domestic Product** as he readies to make his final career start in the GI Big Ass Fans Breeders' Cup Dirt Mile before retiring to stud alongside his sire **Practical Joke** at Coolmore's Ashford Stud in Kentucky.

The dark bay colt, a Kentucky homebred for Klaravich Stables, covered a half-mile solo in :48.42 in an earlier set before Sierra Leone.

"Outstanding--more of the same from him. Very consistent," said Brown, who said that Domestic Product would also be pre-entered in the GI Cygames Breeders' Cup Sprint. "He's gotten stronger and faster as the year has gone on and I'm really looking forward to his race."

Alpha Delta Stables's GISW **Raging Sea** (**Curlin**), with Flavien Prat up, breezed a half-mile in company with their recent GI Juddmonte Spinster Stakes runner-up **Occult** (Into Mischief), the pair covering the distance in :49.46.

"She [Raging Sea] was traveling well," Prat said. "It was a pretty standard work and she went good. She's happy and moving well."

The 4-year-old filly will enter the GI Longines Breeders' Cup Distaff off three straight graded wins.

One of the top female sprinters, **Ways and Means**, also breezed Saturday, covering four furlongs in :48.21 in company with sophomore filly Pretty Ana (**Quality Road**). The daughter of **Practical Joke** notched her first top-level score in the GI Test Stakes at the Spa back in August.

"She was the only one last week I thought got a little lost in her work switching to the training track after primarily being based in Saratoga all year," Brown said. "Today, I gave her a workmate and she worked dynamite. A little bit of focus for her and she was all business." **Cont.**

Last but not least on the tab for Brown at Belmont was GI FanDuel Breeders' Cup Mile hopeful MGSW **Gina Romantica** (Into Mischief), who went a solo half-mile in :49.51 and GI John Deere Breeders' Cup Juvenile Fillies Turf contender and 'TDN Rising Star' **Virgin Colada** (More Than Ready), who breezed a half-mile in :49.42 in company with MGSW **Fluffy Socks** (Slumber {GB}).

Grizzly Bear Tracks In Saratoga

Thorpedo Anna breezed five furlongs in 1:00.40 Saturday on the Oklahoma dirt training track at Saratoga Race Course. Affectionately dubbed the "Grizzly Bear" earlier this season by her trainer Ken McPeek, the filly posted the sharp work in company with MSP **Denington** (**Gun Runner**) [1:01.50], who she started behind but was well in front of during the gallop-out. The dark bay has been working weekly en route to the Breeders' Cup Distaff.

"It was a fantastic work, actually," said McPeek, adding that she will work again before heading west. "She is going to work next weekend."

McPeek added that Thorpedo Anna met the objectives of the move under regular exercise rider Danny Ramsey, who TDN's **Steve Sherack spoke with last week after the filly worked at the Spa**. "Just sit off Denington, be patient, and range up to him, and finish down the lane," said McPeek. "He is a nice horse in his own right. He is stakes-placed and has made quite a bit of money, but she is hitting on all cylinders."

Thorpedo Anna will likely be a short price in the Distaff along with reigning Champion Older Dirt Mare **Idiomatic** (**Curlin**), who worked a half-mile in :49.80 for trainer Brad Cox on Friday at Churchill Downs.

"I don't worry about the horses that I don't train," McPeek said.

Castellano had spent nearly two months on the sidelines with a fractured hand, but made a trip from New York to Lexington specifically for the half-mile work. In the first move since **Ferocious** finished second in the GI Claiborne Breeders' Futurity, the pair went in :49.20 before galloping out five furlongs in 1:02.40 and six in 1:15.20.

"He was really good this morning," Castellano said. "We didn't want a bullet work or anything like that. He did it the right way and had a big gallop out."

Trainer Gustavo Delgado shared the sentiments, adding that the horse would work again next Saturday, and then ship to Del Mar the following Monday, Oct. 28. Castellano would have the mount on the colt, despite missing the two Grade I starts due to his hand injury, after being aboard for his debut victory. He is set to resume riding Thursday at Aqueduct. **Cont.**

Cherie DeVaux and Ignacio Correas IV, too, had Breeders' Cup prospects out on the main track Saturday morning. Working in pairs, the former sent out GISW **Vahva** (**Gun Runner**) and MGSP **Cagliostro** (**Upstart**) together for a five-furlong work in :59.80; GSW & MGISP **Pyrenees** (Into Mischief) and SW & GSP **Stage Raider** (Pioneerof the Nile) for a half-mile in :47.20; and GSW & MGISP **More Than Looks** (More Than Ready) went a half-mile solo in :47.60. Vahva is pointing toward the GI PNC Bank Breeders' Cup Filly and Mare Sprint; Cagliostro for the GI Big Ass Fans Breeders' Cup Dirt Mile; Pyrenees for the GI Longines Breeders' Cup Classic; and More Than Looks to the GI FanDuel Breeders' Cup Mile.

For the Correas camp, multiple Group/Grade I winner **Didia** (**Arg**) (Orpen) went six furlongs in 1:15.40 while multiple Group/Graded winner **Mufasa** (**Chi**) (**Practical Joke**) worked a half-mile in :48.60. Didia will look to improve on her 10th last year in the GI Maker's Mark Filly and Mare Turf while the latter is aiming for the Dirt Mile despite qualifying with an automatic entry for the GI Cygames Breeders' Cup Sprint by way of his GIII Vosburgh Stakes triumph.

A Chad Brown duo was also seen on the turf course Saturday morning as 'TDN Rising Star' MGISW **Carl Spackler** (**Ire**) (Lope de Vega {Ire}) and GISW **Chili Flag** (**Fr**) (Cityscape {GB}) went a half-mile on ground labeled good in :50.40 and :50.60, respectively. The former has a 'WAYI' entry for the GI Breeders' Cup Mile.

Brad Cox's GI Breeders' Cup Juvenile Turf prospect GSP **Destino d'Oro** (Bolt d'Oro) went a solo half-mile on the turf in :51.60.

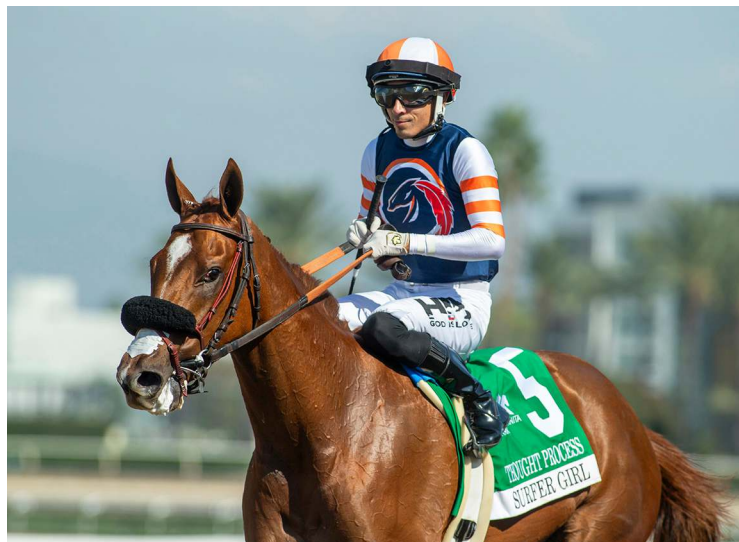

Europeans On The Lawn

A perennial staple in the World Championships, the European turf horses were out on the Keeneland grass as Charlie Appleby sent out six runners, including three with Breeders' Cup aspirations, for half-mile works.

Fille and Mare Turf possibles GISW **Cinderella's Dream** (**GB**) (Shamardal) and GSW **Beautiful Love** (**Ire**) (**Siyouni** {Fr}) went in :49.60 and :52 flat, respectively. The former went in company with SP Star Guest (GB) (Dubawi {Ire}) while the latter with Musical Act (Ire) (Dark Angel {Ire}). His Juvenile Turf hopeful GISP **Al Qudra** (**Ire**) (**No Nay Never**) went in step with GSP Cavallo Bay (GB) (Pinatubo {Ire}) in :52.80.

BUSY MORNING AT SANTA ANITA AS BREEDERS' CUP HOPEFULS LEAD WORK TAB

Thought Process | Benoit

Trainer Philip D'Amato sent out a quintet Saturday morning at Santa Anita Park, with three confirmed as pre-entries for the Breeders' Cup after their works, on a busy morning for World Championship hopefuls across the country.

From his three confirmed, GSW **Iron Man Cal** (**Collected**) worked four furlongs in :49 flat, and will be pre-entered for the Juvenile Turf. GSW **Thought Process** (**Collected**) also went four panels in :49.80 and will target the Juvenile Fillies Turf. Argentinian Group 1-winner **Che Evasora** (**Arg**) (Greenspring) worked six furlongs in 1:15.80, and owns an automatic berth into the Distaff after winning the G1 Criadores Stakes in May in her home country. The two which are still undecided are GSW **One Magic Philly** (**Good Magic**), going four furlongs in :49.60, and SW & GISP **Vodka With a Twist** (Thousand Words), who clocked six furlongs in 1:15.20.

"I still need to discuss it with the owners," D'Amato said of the Breeders' Cup plans for One Magic Philly and Vodka With a Twist.

On the synthetic training track, MGSW **Goliad** (**War Front**) put in six furlongs in 1:11.60 for Richard Mandella. He was last seen at Kentucky Downs winning two races in seven days, including the GIII Mint Millions Stakes, and is a candidate for the Mile.

Breeders' Cup Sprint hopefuls GSW **Raging Torrent** (Maximus Mischief), MGISW **The Chosen Vron** (Vronsky), and MGSW **Straight No Chaser** (Speightster) went to the track for their respective trainers. Pre-entries must be made for the Breeders' Cup by Monday, Oct. 21 at 12 p.m. PT with pre-entry fields being announced on Wednesday starting at 9:00 a.m. PT.

POST TIME PUTS IN FINAL LOCAL WORK FOR BREEDERS' CUP, SHIPS OUT OCT. 23

Multiple graded winner **Post Time** (**Frosted**) put in his final local workout in Maryland Saturday morning ahead of his scheduled start in the GI Breeders' Cup Dirt Mile Nov. 2.

Post Time in the Polynesian Stakes | Jim McCue

Emma Wolfe, assistant trainer and exercise rider for Brittany Russell, was in the irons for the four furlong move in :49.60 over the main track at Fair Hill Training Center, which ended up being the seventh fastest of 20 that morning. It was the third work for the grey, who is tied for second on the Breeders' Cup leaderboard for the Dirt Mile behind MGISW Seize the Grey (Arrogate), and Russell reported a solid prognosis for her stable star.

"He went good. He went a half-mile in 49 and change and did it very well," Russell said. "It's been quiet and good, and that's what we're looking for. Day to day, everything is going the way we need it to."

Aside from the 2024 Preakness winner, three other slots have already been filled in the gate as MGISW National Treasure (**Quality Road**), MGSW Three Technique (Mr Speaker), and Japan-based multiple group winner Crown Pride (Jpn) (Reach the Crown {Jpn}) have all earned automatic spots in the 14-starter limited field.

The champion 2-year-old in Maryland in 2022, Post Time gave a good run at the highest level in New York this past summer, finishing second in the GI Hill 'n' Dale Metropolitan Mile Handicap and third in the GI Whitney Stakes, before returning home to Laurel Park to dominate the Listed Polynesian Stakes Sept. 14 by 11 1/2 lengths. Never off the board in 13 lifetime starts, he is less than \$3,000 shy of becoming racing's newest millionaire.

Accompanied by Wolfe, Post Time is scheduled to leave from Newark, NJ to California Oct. 23, and the rest of the team, including jockey Sheldon Russell, are scheduled to arrive Oct. 30.

"Emma's going to travel with him and she will be out there with him," Russell said. "He's going to fly middle of the week, so he will get a skip over the racetrack. Emma will breeze him like a solo half and let him gallop out. The main work is done now. It'll just be some maintenance the week before, let him feel the track and all that."

"As long as he's healthy, he's the kind of horse that thrives on racing. We're all lucky to be in Post Time's world, really."

WITH DERBY GRANDSONS SET TO CLASH AGAIN IN BC CLASSIC, DARLING MY DARLING HOLDS COURT AT FAWN LEAP

by Jill Williams

Who can forget the pulsating finish of this year's GI Kentucky Derby, when three noses hit the wire together in one of the tightest photo finishes we've seen in years? Other than the immediate connections of those three colts, it's hard to imagine anyone more invested in the result than Debby Oxley, whose beloved mare, Darling My Darling (Deputy Minister), is the granddam of two-thirds of that trifecta.

While Mystik Dan (Goldencents) got his nose on the wire first, it was the Oxley-bred 'TDN Rising Star' and GI Toyota Blue Grass Stakes winner **Sierra Leone (Gun Runner)** and then-unbeaten MGSW globetrotter **Forever Young (Jpn) (Real Steel {Jpn})** who had Oxley's attention. The two leaned on each other down the lane, exchanging bumps as they went, only to finish a nose apart and, more crucially, a nose behind Mystik Dan.

Two grandsons of the same mare hitting the board in the Derby is unprecedented. Now they have a chance to equal or better that result in the Nov. 2 GI Breeders' Cup Classic.

"Even when I watch the Derby replay, I think, 'Boys, boys! You're cousins. Just lay off each other and think about that other guy,'" said Oxley with a laugh. "It was exciting. They did so well. When Sierra Leone came around the corner and started making that move, I thought I was going to watch Monarchos again. He was just rolling. I almost bred a Derby winner." **Cont.**

Darling My Darling at Fawn Leap last month | Sarah Andrew

Mystik Dan's nose may have stood between Oxley and the honor of breeding a Derby winner, but she's already been in that hallowed winner's circle as an owner. In 2001, her husband, John "Jack" Oxley, captured the sport's most coveted prize with Monarchos, who joined Secretariat as the only winner to finish the Derby's 10 furlongs in under two minutes. While the couple often breed and campaign horses in their separate names, they share the experiences together.

They've also won Breeders' Cups as owners. Their 2016 champion 2-year-old colt Classic Empire won the Juvenile, while 1999 champion older mare Beautiful Pleasure won the Distaff as she tore through the female ranks with six Grade I victories. Also among their combined dozens of black-type winners is 1995 GI Kentucky Oaks winner Gal in a Ruckus and 2013 Canadian Horse of the Year Uncaptured.

"We've been very, very blessed with our racing career," said Oxley. "Beautiful Pleasure was our horse of a lifetime."

"Right now, we seem to be in an exciting part on the breeding side. In racing, you just have to be patient and persevere."

Perhaps no where in the Oxleys' racing history is that long game more evident than it is with the classy Darling My Darling, who first caught Oxley's eye as a yearling in 1998.

"I really liked her dam, Roamin Rachel. I remember seeing her run and she was just a real hard-knocking, tough mare," remembered Oxley. "When 'Darling' appeared in the [1998 Keeneland September] sale, I said to Jack, 'Look at this horse.' He bought her and gave her to me later."

Roamin Rachel, a daughter of Mr. Prospector's son Mining, won Saratoga's GI Ballerina Handicap and Keeneland's GI Beaumont Stakes in the early 1990s for William Farish. John Oxley would secure her daughter by Deputy Minister for \$300,000. Roamin Rachel would eventually also produce Japanese Horse of the Year Zenno Rob Roy (Jpn).

After breaking her maiden on debut at Saratoga by daylight, Darling My Darling finished second in both the GI Matron Stakes and GI Frizette Stakes as a 2-year-old. The late John T. Ward, Jr., who trained so many of the Oxleys' horses, conditioned the bay.

"We have an incredible picture of her first win at our house in Saratoga," said Oxley. "She's always been special to us. She won the Doubledogdare in 2001. My sister, who at that point lived in Maryland, was able to be here for that race and was able to be in the win picture with me. 'Darling' also won the Raven Run. Those are two nice races at Keeneland she won which have subsequently become graded stakes."

It's as a broodmare that Darling My Darling has excelled even more. Her two top runners were GI Darley Alcibiades Stakes winner Heavenly Love (Malibu Moon) and GII Santa Ynez Stakes winner Forever Darling (Congrats), who just happen to be the dams of Sierra Leone and Forever Young, respectively.

Oxley raced and retained Heavenly Love, but sold Forever Darling for \$8,000 at Keeneland in 2014. She doesn't regret letting the latter go.

"Obviously, she had some issues [to bring that price]. She was by Congrats and he was not very popular at that time. What's interesting about the breeding side of the business is if you're trying to sell, a horse might be in demand when you breed and, by the time you go to sell, nobody might want them. Plus, we already had others in the family and you can't keep everything."

Forever Darling's son, Forever Young, figures to be one of the favorites in the Breeders' Cup Classic. Unbeaten in his native Japan, including earlier this month in the Japan Dirt Classic, he won this year's G2 UAE Derby and G3 Saudi Derby, both in spectacular style, before suffering his only career defeat when just missing in the Kentucky Derby by two nostrils.

Cont.

One of those nostrils belonged to Sierra Leone, who is scheduled to once again join Darling My Darling's other grandson in the gate for the Classic. When he topped the 2022 Fasig-Tipton Saratoga Sale at \$2.3 million, the Oxleys had never before bred a major sales topper and certainly not at that level. They'd bred and raced a number of Grade I winners, champions even, but topping one of the sport's most prestigious sales was new territory. Had they ever envisioned such a thing?

"Heavens, no! No, no, no. Not at all," said Oxley. "It was shocking. We knew he was going to sell well, but you never know one is going to sell *that* well. On the flip side, we've had horses we thought were going to sell well and didn't. When Sierra Leone sold, we just had to sit there and get our thoughts together before we left the pavilion.

"The sale was pretty amazing," continued Oxley. "He always had a really, really good disposition and I think that helps him."

"He was always a very smart horse and it just was a dream to deal with him. It's a lot of fun to see his races. I scream just as loud as if I owned him."

Oxley said the 27-year-old Darling My Darling's continued success is meaningful for their operation, the breeding arm of which is based at their bucolic Fawn Leap Farm just outside of Midway, Ky.

"It's special because she was so special," said Oxley. "She's pensioned at the farm. [Farm manager] Laurie [Gimmon] takes very good care of our horses."

Darling My Darling's last foal is a 2021 filly named Lovely Darling (**Flameaway**), who is unraced. Oxley has retained her and will breed her next year, although she and her team haven't finalized their mating plans yet.

Oxley has also retained a couple of the other members of the family, with the obvious star being Heavenly Love.

Debby Oxley's Darling My Darling at age 27 | *Sarah Andrew*

She sold that mare's unraced 2-year-old colt by **Nyquist**, now named Domestic Policy, for \$250,000 to Mike Ryan at the 2023 Fasig-Tipton October yearling sale. Heavenly Love doesn't have a yearling and is back in foal to **Nyquist**, but she does have a Feb. 11-foaled **Gun Runner** filly--a full-sister to Sierra Leone--that has Oxley excited.

"We're planning on racing her. She is very precocious, strong-headed, and a little bossy, so I'm struggling with naming her. Heavenly Love is such a beautiful name, but this filly needs to have a name that has a little bit of a kick to it to match her personality. It's a work in progress. So far the ones I've come up with are beautiful, but she needs something a little more tough. We're excited about her. I didn't breed a Derby winner, but right now I'd settle for breeding an Oaks winner!"

Or perhaps a Breeders' Cup Classic winner? Sierra Leone could make it happen and is training well at Belmont in preparation.

Cont.

Whether or not Forever Young, who reportedly ships from Japan to the U.S. Oct. 22, gets his nose in front of his “cousin” this time, Oxley said it's gratifying to have two grandsons of her cherished Darling My Darling competing at the highest level of the sport against each other.

“We're just a small operation,” said Oxley with a modesty which belies the couple's success in the sport. As everyone in racing knows, it's a feat of outrageous proportions just to get a horse to the starting gate in races like the Derby and Classic. The odds of one mare's descendants making it to the gate together in the same year in America's two greatest prizes have got to be astronomical. Surely no one will begrudge great celebrating in the Oxley household if a grandson of her regal mare takes home America's richest prize Nov. 2 at Del Mar.

WONG FILES FEDERAL COMPLAINT AGAINST HISA AND FTC *By Dan Ross*

The latest development in Jonathan Wong's ongoing case stemming from a June 2023 metformin positive saw him file a complaint against the Federal Trade Commission (FTC) and the Horseracing Integrity and Safety Act (HISA) Authority in the District Court for the Western District of Louisiana, Lafayette Division. Wong is currently serving a two-year ban under HISA.

In the complaint filed Tuesday, Wong asserts the Horseracing Integrity and Welfare Unit (HIWU) had threatened the immigration status of one of his intended witnesses before a prior arbitration hearing—something the agency denies doing.

Wong also targets HISA's constitutionality in the complaint, his arguments overlapping those that frame the plaintiffs' case against HISA that has made its way up through the Fifth Circuit Court of Appeals, one now almost certain to be heard by the Supreme Court.

Jonathan Wong | Benoit

Wong claims HISA's rules are unconstitutional because HISA's delegation of federal regulatory power to the Authority "violates the private nondelegation doctrine," and that HISA's rules violate the Seventh Amendment's right to a jury trial.

"The Court should declare HISA and the HISA Rules to be unconstitutional, preliminarily and permanently enjoin Defendants from enforcing HISA and the HISA Rules against Wong, and vacate the final decision and civil sanctions imposed against Wong," the complaint states.

The legal journey to this point has already been a winding one, and involves a commonly-prescribed human diabetes drug that appears to be playing an **out-sized role** in the federal organization's anti-doping crusade.

The Wong-trainee Heaven and Earth (Gormley) broke her maiden at Indiana Grand on June 1 but subsequently tested positive for metformin. As a matter of protocol at that time, HIWU initially provisionally suspended Wong at the beginning of June when the A sample returned a positive finding for Metformin.

The HISA Authority subsequently announced that it had modified the rules surrounding provisional suspensions. Under the revised provisions, responsible parties who request B Sample confirmation following a positive test for a banned substance would no longer face a provisional suspension until the B sample findings are returned.

In Wong's case, he was notified on Aug. 9 that the B Sample confirmed the Metformin positive.

Though Wong was technically permitted to return to training for a brief period while the B sample was being processed, he explained at the time that his owners did not wish to transfer the horses back with the B Sample results expected imminently, and effectively has not trained in jurisdictions under HISA's purview since July 2.

Wong can, however, start horses in those jurisdictions currently operating outside of HISA's jurisdiction. His stable is currently based at Delta Downs in Louisiana.

Earlier this year, a HISA arbitration panel imposed on Wong the maximum possible sentence for such a violation—a two-year ban and \$25,000 fine. The two-year period of ineligibility retroactively started July 1, 2023, when Wong's initial provisional suspension was first imposed.

In April, an FTC chief administrative law judge affirmed that ruling. Wong's request for the FTC to review that decision was denied, setting the case up for adjudication in federal court.

The complaint includes an allegation hitherto absent in prior filings. Wong claims that Luis Gerardo Hernandez Perez, a former groom who was prescribed metformin, had physical contact with Heaven and Earth on the day of the subject race.

Cont.

Wong adds that he had intended to submit a witness statement from Perez into the arbitration panel hearing, but was prevented from doing so as HIWU had threatened Perez's immigration status.

"According to his sworn statement, Perez cared for the Horse for the seven months leading up to the day of the subject. Perez was prescribed Metformin. He stated he routinely urinated in the Horse's stall, regularly failing to wash his hands prior to having physical contact with the Horse," the statement

"Wong intended for Perez to testify in person at the arbitration hearing. But in its opposition to Perez's sworn statement, HIWU threatened Perez's immigration status. HIWU argued that if Perez's statement were allowed to be filed, Perez should be required to testify in person, be accompanied by a court-certified Spanish-English interpreter, and be required to provide a passport and the visa under which he worked for Wong—none of which HIWU demanded for any other witness," the complaint states.

The complaint also lists six causes of action. They include an assertion that the final decision be vacated as it is "unlawful, arbitrary, capricious, an abuse of discretion, or otherwise not in accordance with law," due to question marks over the chain of custody of blood and urine samples sent from the Industrial Laboratories to the University of Illinois (UIC) at Chicago Analytical Forensic Toxicology Laboratory.

Wong claims that Industrial shipped the B Sample of urine to the University of Illinois on July 10, 2023, for example, but that "UIC's records show discrepancies, with one record stating the B Sample was received on July 11, 2023, and another on July 26, 2023."

Wong further claims that on July 18, 2023, Industrial shipped the B Sample of blood to UIC.

"UIC acknowledged receiving the B Sample of blood on July 19, 2023, but it did not check in the B Sample of blood until a week later—on July 26, 2023," the complaint states. "UIC did not provide any shipping tracking information for its receipt of the B Samples of urine or blood."

The *TDN* asked HISA and HIWU for comment on the allegations detailed in the complaint. A HIWU spokesperson wrote that the agency "did not threaten the immigration status of any witness" during the Wong proceedings.

"HIWU is carefully evaluating all the allegations, as the arbitrator found that Mr. Wong had not testified truthfully during the hearing," the HIWU spokesperson wrote.

Indeed, in her [original ruling](#) arbitrator Nancy Holtz had questioned the veracity of Wong's claims, arguing that he had been "untruthful" during the hearing proceedings.

"I find that Mr. Wong has not met his threshold burden of establishing the source of the contamination and thus there is

no mitigation that might possibly be considered for Wong, and his sanction should be two years of Ineligibility," wrote Holtz in her finding.

Holz also added that while Wong is "no doubt a decent person who, in his own way, has tried to put the safety and welfare of his horses first," he had failed to take the necessary steps to prevent the possibility of environmental contamination occurring.

"If Mr. Wong was engaged in routine, frequent trainings of his staff regarding not urinating in the stalls, keeping hands clean and so on—which I do not believe—he certainly did not couple this with any level of monitoring, enforcement, or deterrence such as through imposing consequences for violators," Holz wrote.

Wong's complaint filed this past Tuesday includes several requests for relief, including awarding Wong "all nominal, compensatory, and other damages to which he may be entitled," and that the federal court grant "a jury trial on all issues so triable."

When asked for comment, the trainer's long-time owner Brent Malmstrom, who has bankrolled much of this legal fight, wrote that "the complaint speaks for itself."

RAJIV MARAGH RETURNS TO SADDLE SUNDAY AT GULFSTREAM

After a two-year hiatus which included a television stint for NYRA and FOX, Rajiv Maragh is set to get back into race riding Sunday at Gulfstream Park with two mounts on a 10-race program, the track announced via presser Saturday.

The winner of 1939 races is named on Gabagool (Ransom the Moon) in race five and Supers Lucky Lady (Superestrella) in race 10, and himself admits that the 2,000-win milestone was a motivating factor in his return along with the birth of his second child, daughter Lilah, who made her grand entrance Friday, Oct. 18.

"It's no secret that I've been away from the races a couple of years, extending myself outside our industry and into other businesses. I ended up on TV for NYRA and FOX, and I really enjoyed myself," Maragh said.

"The thing about it is, racing with a young family and traveling have become a bit impractical. I've been doing a lot of traveling over the last couple years. I haven't been able to be home a lot of nights." **Cont.**

Rajiv Maragh | *Coglianese*

"With Lilah on the horizon, when I was at Saratoga, my wife and I tried to take a realistic view of what we want in life. The No. 1 thing is we want to come home together as a family. Our main residence is here in South Florida, and that's how riding came back on the table."

Maragh, who says he never 'fully retired' and has been getting on horses for the past three weeks in preparation for his return, also added, "Two and a half years and not being on horses, it takes a while to get back into the full swing of it. I want to gradually work my way into it, so that when we hit next month in November [the upcoming Championship Meet at Gulfstream], I'm in full swing."

LOCKED ROMPS IN MUCH-ANTICIPATED BIG A RETURN, COULD TARGET CIGAR MILE

Locked | *Adam Coglianesse*

by Steve Sherack

Eclipse Thoroughbred Partners and Walmac Farm's **'TDN Rising Star' Locked (Gun Runner)**, an impressive winner of last fall's GI Claiborne Breeders' Futurity at Keeneland and most recently third as the favorite in the GI Breeders' Cup Juvenile at Santa Anita Nov. 3, returned to the races in style with a runaway victory in the opener at the Big A Saturday.

Favored at 2-5 and racing with first-time Lasix, he was ridden by John Velazquez to keep pace in second, set his sights on **Gun It (Tapit)** approaching the quarter pole and level off beautifully from there to win going away by 7 1/2 lengths over that rival in a razor sharp 1:21.02 for seven furlongs.

Locked was cross-entered in Saturday's GIII Perryville Stakes at Keeneland.

He missed a pair of intended starts earlier this spring, including the GII Coolmore Fountain of Youth Stakes at Gulfstream Park Mar. 2, and was subsequently taken out of training by Hall of Famer Todd Pletcher due to a knee injury.

"Kudos to Ian Brennan and his team at Stonestreet and of course Todd Pletcher and his team for getting Locked back to the races," Eclipse Thoroughbred Partners President & Founder Aron Wellman said.

"There has never been any question as to the enormity of this colt's talent and to see him come back off a 50-week layoff and come within a 1/5 of a second off a long-time track record set by a blazing horse in Artax validates that notion. We know the further, the better, but few horses possess the type of speed and stamina to do what he's done in his career to date. Hopefully, he can stay on the straight and narrow and there are more important trophies to add to his mantle."

As for future goals for Locked, Wellman added, "If all goes well, we'd have to take a hard look at the (GII) Cigar Mile (at Aqueduct Dec. 7)."

Hailing from the third crop of leading young sire **Gun Runner**, Locked was produced by a winning half-sister to MGISW Gabby's Golden Gal (**Medaglia d'Oro**) and MGSW & GISP Always a Princess (Leroidesanimaux {Brz}). The **Gun Runner**/Malibu Moon cross is already responsible for GISW Sierra Leone and GSWs Shotgun Hottie and Runninsonofagun. Locked, a \$425,000 Keeneland September yearling, is also bred similarly to MGISW and 'TDN Rising Star' Taiba (**Gun Runner**), who is out of a Flatter mare. Locked's dam produced a filly by **Tiz the Law** in 2023 and a colt by Early Voting this year. She was bred back to **Gun Runner**.

Rated by Merit, yet to be headed in two prior starts including a last-out win in the Florida Sire Series Dr. Fager Stakes Sept. 7, stepped up to seven furlongs Saturday and kept his perfect record in tact with yet another gate-to-wire victory in the Affirmed Stakes at Gulfstream. Bet down to 1-5 off two wins by more than 10 combined lengths, the favorite again jumped to the lead but took pressure from Neoequos through the half in :45.45. Finally turning that rival away off the turn, Rated by Merit got some breathing room and opened up to the line, coming home a clear winner.

“The race went as we expected,” said winning rider Jesus Rios. “I thought we would be on the lead and [Neoequos] would be pressing us. I am very impressed with the horse. I trust him a lot. When I asked the horse to run, I know he is going to respond.”

Winning owner Vinnie Viola added: “I just want to thank Bo (Michael Yates). He’s done a phenomenal job with the horse. He’s really balanced, and it looks like he could be something, so it’s exciting.”

Banner Waving has returned to Battalion Runner twice since producing Rated by Merit but has failed to produce another live foal since 2022. **Click for the [Equibase.com chart](#) or [VIDEO](#), sponsored by [FanDuel TV](#).**

Win N Your In | *Lauren King*

At second asking, Win N Your In broke her maiden by 7 1/2 lengths against Florida-breds at Gulfstream Park July 6. The juvenile collected her first black-type by taking on open company in the Sharp Susan Stakes in Hallandale Aug. 10. In the restricted FTBOA Florida Sire Desert Vixen Stakes over the same course and distance, the dark bay failed to fire and finished third.

Back in action, the 2-1 second choice here tracked up the backstretch a longshot and 70 cents on the dollar favorite R Morning Brew (**Curlin's Honor**). When the rail opened up around the far turn, Win N Your In skimmed the fence and suddenly found herself alone on the lead at the quarter pole. With the advantage, the filly was only shone the crop as she cantered home.

“The initial plan was to go to the lead,” trainer Carlos David said. “Her best performances have been on the lead, so I told Miguel [Vasquez], ‘I would encourage you to go to the lead if you can get it and just kind of set the pace, but if they go just stay back a little bit and let them do their thing and come around.’”

“She does well taking back a little bit, too, and stalking,” said David. “I was a little worried coming around the turn because

[Rogue Diamond] was stopping a little bit and I was like, 'We're going to get stopped.' She's gone to the rail before and she does well doing it, so we got lucky there. She drew off and she's just great. She's little, but she can run."

The winner is her dam's last registered foal. Hello Rosie was not reported bred for 2025. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

On debut, Valuation Metric ran fourth by 1 1/4 lengths going two turns on the grass at the Spa Aug. 17, but only missed by a neck traveling the same distance at Aqueduct Sept. 14. Sent on his way as the 5-2 second choice here, the dark bay settled midpack heading into the first turn as a longshot made the pace. Under a snug hold up the backstretch, the colt lost a few spots, but he began to get into gear to the outside at the end of the far turn. Uncorking a furious rally down the lane, the Chad Brown trainee saved his best for last and got to the wire by a head over favorite Tiz Dashing (**Tiz the Law**).

"I wasn't loving the trip [for Valuation Metric] midway through the race as he got shuffled back," said trainer Chad Brown. "On turf, I hate losing position once you establish it. Flavien [Prat] told me post-race he felt they were going a little quick early and he'd rather take a little bit of a hold and let them go a bit which

proved to be the right move. As we've often seen from start to finish this year, Flavien had the pace measured right and he wasn't nearly as concerned as I was.

"I was pleasantly surprised by the way the horse kicked," Brown said. "I was fearful as I worked with the horse more this summer that he was a little bit one-paced and a bit of a grinder, but today he really kicked--especially when he felt the horse to his outside coming at him. He really beared down and showed more turn of foot than I've seen to this point, so it gives me some optimism and hope I can really develop this horse to a higher class level down the road.

"He has the makings of a potentially really nice 3-year-old and with added distance as well. I'll talk to Seth [Klarman, owner] about it, but in all likelihood this horse could end up in Florida sooner than later pointing to some higher-level spots next spring."

A half-sister to GSP Frivolity (Corinthian), the winner's dam--who has three winners out of four to race--foaled a filly by **Daredevil** last year and she visited **Mage** for next term. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Child of the Moon made the first five starts of her career in her native France, capped by a seven-length maiden win for trainer Jean-Claude Rouget at Compiègne last June. Purchased privately and moved to the Chad Brown barn, she made two prior starts at Saratoga this summer, led by a win in a first-level allowance last time Sept. 2. Sixth through fractions of :23.82 and :48.98 here, she came rolling down the center in the stretch to reel in her favored stablemate by a neck.

"She had a little problem when she came over and we gave her some time off," Brown said. "The partners were really patient with her, and it really paid off."

He continued, "She has a great turn of foot. She trained super. My team has done a great job and everyone that's touched her has really loved working with her. Manny [Franco] followed instructions well. She covers well and has a good turn of foot if you can get her out in the clear. He followed our 'Plan A' to a 'T' and every step on the turf course was where we thought and hoped she'd be." **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Having already raced twice over this surface going five and 5 1/2 furlongs respectively, Mister Omaha broke his maiden second time out Sept. 27 and moved into stakes company as the 2-1 favorite. Pushing the tempo up front in a duel alongside Tzedakah (Malmonides), he put that rival away into the far turn through fractions of :21.87 and :45.57 and began to draw off as he straightened for the wire. Cajun Stoops closed from mid pack but was always second best as the winner came home well clear. The 11th stakes winner for Omaha Beach, Mister Omaha is the first foal out of Cosmic Code, a winning half-sister to MGSW/MGISP Bonny South (**Munnings**) who Bryan Hawk purchased at KEENOV in 2019 for \$50,000. Elegant Echo | *Dustin Orona Photography/Remington Park*

Elegant Echo, a 5 3/4-length winner in her Remington Park debut over course at five furlongs Sept. 7, jumped up into stakes company Friday night as the even-money favorite. Comfortable in the back third of the field from her far outside draw, she stayed wide on the run into the far turn and began a sustained drive from mid pack past the quarter pole. Closing strongly down the lane, she just edged ahead of Little Iris late to come away with the win. The first stakes winner for her freshman sire (by Speightstown), Elegant Echo counts both GISW Roman Ruler (Fusaichi Pegasus) and GISW El Corredor (Mr. Greeley) as extended family members. Her dam reported a **Hard Spun** colt this year and is due back to Super Stock for 2025. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Favored at 7-5 to get back on track in this two-turn debut here, he shot out to the front, led through fractions of :23.15 and :46.82, and, despite cornering in the six path, opened daylight down the stretch to win by 10 lengths. WONDERFUL JUSTICE (GB) (c, 4, Justify--I'm Wonderful, by Giant's Causeway) got back on the turf after catching a rained-off spot at this track Sept. 28 in what was his first start for trainer Joe Sharp. Stretching out to 1 3/16 miles and racing with the addition of blinkers Saturday, the 12-1 shot set the tempo early ahead of Pioneering Spirit (**American Pharoah**) and led that rival up the backstretch through fractions of :23.96 and :49.17. Gradually reeled in around the turn, Wonderful Justice had only a narrow advantage past the quarter pole but refused to be headed in a stretch-length duel and just prevailed by a neck. I'm Wonderful, a \$700,000 yearling purchase herself in 2017, is a full-sister to MGISW and sire Carpe Diem and a half-sister to the likes of MGSW/GISP Farrell (Malibu Moon) and GISW J. The 9-2 shot split the field against the rail from her inside draw and sat fourth past the half in :23.19. Fanned out around the far turn, she came home with plenty of run to just edge Take Note of This (**Ghostzapper**) by a neck. Under Tyler Gaffalione, the even-money favorite in the field of twelve positioned himself just behind and to the outside of a spirited duel between Restore (Fr) (**Uncle Mo**) and Ornato (**Kantharos**). Swung five-wide into the stretch, Hit That Review (Ire) asserted, gained the lead just inside of the eighth pole and edged clear for a three-length win over Restore (Fr). Back as the 5-2 second choice here, the blinkered bay took on New York-breds and was content to race off on an uncontested lead into the first turn. Continuing to blaze a trail on the engine with no one in the rearview mirror, the colt kept to the task around the far turn and stole the show by 2 1/4 lengths over Calling Card (**Complexity**). Fitted with blinkers and overlooked at 17-1 here, the gray raced in the second flight into the first turn and up the backstretch. Given her cue around the far turn, the filly struck the front and cruised home by 3/4 length over the favorite Renuus (Clubhouse Ride). The winner's dam foaled a filly by Smiling Tiger May 24 and she was part of that final group of mares to be bred to that now-deceased sire for next term. Geared down through the final sixteenth, the regally-bred filly beat Scarlet Avenue (*Street Sense*) by 15 lengths. BRUTALLY HONEST (f, 2, Quality Road--Ygritte, by Tapit) overcame an eventful start and displayed a good late turn of foot to win at first asking under Edwin Gonzalez. The well-bred debutante, who signaled her readiness last Friday with a :48 breeze from the Palm Meadows starting gate, was checked sharply in the opening furlong to avoid the heels of The Beach Goes On (Omaha Beach) in front of her. Soon after, she settled well while four-wide, advanced on the far turn and was swung six-wide into the stretch. SHADWELL'S ANMAAT CAUSES UPSET IN THE CHAMPION

Anmaat and Jim Crowley | Megan Coggin

by Tom Frary

Saturday's G1 QIPCO Champion Stakes threw up a major shock as Shadwell's **Anmaat (Ire)** (Awtaad {Ire}--African Moonlight {UAE}, by Halling) swooped late to register a 40-1 success and provide further evidence of the skill and guile of Owen Burrows. Contesting his second group 1 having scored on his only previous try in the Prix d'Ispahan last May, the 6-year-old was coming off a below-par fifth in the G2 Prix Dollar 13 days ago but at least had his favoured testing ground to aid his cause.

Travelling strongly in a pocket behind the pace throughout the early stages, the gelding stalwart looked beaten two out with Jim Crowley at work and seemingly trapped. Four runners appeared to be coming to win it from there, but the real danger was in behind as Anmaat surged between rivals to grab **Calandagan (Ire)** (Gleneagles {Ire}) close home. At the line, there was a half length between the winner and that 6-4 favourite, with another outsider **Royal Rhyme (Ire)** (Lope De Vega {Ire}) 1 3/4 lengths away in third. The sixth-placed **Economics (GB)** (Night Of Thunder {Ire}) was one of the race's most significant side stories, having found to have bled.

"I don't think any horse in the race could have done what he has done," Crowley said. "I'm not being biased, but the only horse I have had do that with me before is Mohaather in the Sussex Stakes." **Cont. p3**

CHARYN DOES IT AGAIN FOR BIZAKOV IN THE QEII

by Tom Frary

There was a sense of inevitability in the lead-up to Saturday's G1 Queen Elizabeth II Stakes and for the vast majority of the mile feature as Nurlan Bizakov's **Charyn (Ire)** (Dark Angel {Ire}--Futoon {Ire}, by Kodiak {GB}) capped a near-perfect season at Ascot. Adding to his G1 Queen Anne Stakes and G1 Prix Jacques le Marois successes, the 13-8 favourite had only **Facteur Cheval (Ire)** (Ribchester {Ire}) to concern him late on but ultimately subdued his latest challenger to record a two-length success.

Needing the occasional nigggle from Silvestre De Sousa as he tracked the pace set by **Henry Longfellow (Ire)** (Dubawi {Ire}), the Roger Varian-trained grey was on the bridle moving to that rival three out and after taking control soon after was swiftly tackled by the Jerome Reynier stable star. Asserting his superior strength in the final furlong, the homebred forged another elite-level win as **Tamfana (Ger)** (Soldier Hollow {GB}) finished 4 1/4 lengths away in third. **Cont. p5**

CHALLENGE SERIES WIN AND YOU'RE IN.™

G1 Champion Stakes Cont. from p1

He added, "It was the same sort of feeling and to pick up on that ground was unreal. It's a small bit of redemption for Baaeed and that is probably the hardest defeat I have ever had in my life, it really hit me. To come back and win the Champion Stakes on this horse is fantastic."

"We had a great position throughout and through no one's fault, the horses in front of me just stopped and I was just stuck. He would have been a very unlucky loser and it was an extraordinary performance. I don't think it was anyone's fault where we were, he had taken me well into the race. It was extraordinary to get that gap at that late stage of the race and it was great."

A typical Owen Burrows project, Anmaat had been brought through handicaps in his younger days and carefully sculpted into the top-flight performer he has become. By the time he hit Haydock's G3 Rose of Lancaster Stakes in August 2022, he was ready to roll with the best and his next three starts had seen him capture ParisLongchamp's G2 Prix Dollar that year and the following Spring's Prix d'Ispahan.

Interrupted by injury after that breakthrough, he was delivered back to the Rose of Lancaster two months ago to repeat his prior success before putting in a rare below-par effort back in the Dollar on Arc weekend. This, a "Win and You're In" for the G1 Breeders' Cup Turf, was a major step up on that display, with his old acceleration at the fore late on as he swamped the French raider and the other trio who had threatened to steal the prize in the straight in Royal Rhyme, the

50-1 shot **Persica (Ire)** (New Bay {GB}) and the G1 Irish Champion Stakes hero Economics.

"We've always thought a lot of this horse and I know it's easy for me to say it now, but I quite fancied him for the Eclipse last year after he won in France," Burrows said. "Of course, he picked up that complex foot injury which kept him off for the rest of last season and the first part of this. He disappointed in France two weeks ago but I felt it was a muddling race, Jim said he could have ridden him a bit better so as long as he was okay,

which he was, Sheikha Hissa very kindly said we could roll the dice again and she's been vindicated."

"That was a massive performance, I felt," he added. "It's up there with Hukum winning the King George as my best ever day--Ascot's quite a lucky place for me! There were a few people who rang me this morning who couldn't believe what sort of price he was--it was the first time he'd ever been out of the first three and I felt he had excuses. He was locked away and I'll be honest halfway up the straight I put my

binoculars down, I thought he had no chance. Like Jim said, all the time he was locked away he was actually filling him up because he couldn't do anything so it sometimes works in your favour."

Calandagan's trainer Francis-Henri Graffard said of the runner-up, "Second again--I am so upset. We had a very difficult draw, and in that ground this horse puts in too much effort. It was a very good effort and he was stumbling a few times on that ground and as Stephane said, he had to keep asking him to keep going in that ground and it didn't suit him much. We didn't see the winner coming and he met some trouble in running."

GROUP 1 FIRST CROP WINNER

STUDY OF MAN

Juddmonte homebred 3yo **KALPANA** was an impressive 2 length winner of the **Group 1** Qipco British Champions Fillies & Mares Stakes at Ascot yesterday for trainer Andrew Balding. *Congratulations to all the connections.*

LANWADES

The independent option™

G1 Champion Stakes Cont.

“He probably prefers a mile and a half and being in his own bubble where he can quicken very strongly,” he added. “Today it was out of his pace and he then had trouble when starting to come with a run and then made his effort, it’s tough. He’s a very good horse and this year he has been winning or second all the time, I think he’s a very talented horse. We will give him a nice break now over the winter and hopefully we see him again next year.”

William Haggas said of Economics, “He was a bit disappointing obviously, Tom [Marquand] felt the ground was a bit soft for him but I said I wasn’t going to use that as an excuse, so I’m not going to. He seems fine. There was a little bit of blood in his nose, so we will sort that out and regroup.”

Pedigree Notes

Anmaat’s dam African Moonlight also produced the GIII Kent Stakes winner and GII San Luis Rey Stakes runner-up Syntax (Ire) (Haatef) and the listed-placed Sir Gin (Ire) (Moss Vale {Ire}), while the second dam is the listed-placed African Peace (Roberto) was responsible for four black-type performers headed by African Moonlight’s dual G3 Curragh Cup-winning full-brother Mkuzi (GB). Her yearling filly is by Palace Pier (GB).

G1 QEII Cont. from p1

"Charyn is a super horse and that was fantastic," Varian said. "Everything went very smooth, and it was a lovely race to watch. He's got everything, that horse. I promise you, he's got the most amazing constitution. Every time I've run him in his life, I've thought he was too heavy because he just holds his condition like no other horse. Touch wood, he's sound, he loves his work, he loves his racing. He's just got such a good mentality for the game and an engine to go with it."

Charyn was completing his journey here, having emerged in the Spring as a potential improver on his already-smart 3-year-old form. His two defeats in the G1 Lockinge Stakes and G1 Prix du Moulin came at the hands of two adversaries in Audience (GB) (Iffraaj {GB}) and Tribalist (GB) (Farhh {GB}) who were practically unbeatable on the day given the way the races panned out, but he keeps coming back harder each time. This was probably his easiest win so far, with De Sousa not needing to work for the entirety of the whole business end and it is possible he is still progressing.

Varian is of that opinion. "He recovers from his races so well and takes his training so well," he added. "He doesn't waste any energy at home. He has had a long year, but he doesn't stress about life. He is under the radar at home. When he gets to the races, he's completely here which is why I think he can get through the year like he has done."

"I think it's already been announced that he will retire at the end of this season. He will be a stallion for Nurlan Bizakov's stud operation in France. I, of course, would love him to stay in training, but I think that's not going to be the case. We'll have to see how he comes out of this race, we might just contemplate one more international run."

Jerome Reynier said of Facteur Cheval, "You can't really be frustrated after a run like that--he's been beaten by a champion in Charyn. He's the best miler in Europe, without doubt now. We beat him last year in the Sussex and on this interesting ground we were hoping to do it again, but obviously he has just been improving and improving all year. Charyn is just unbeatable but it's like a victory to be second." **Cont. p6**

“Our horse never lets us down, he is a dream horse,” he added. “We can take him all over the world and he behaves perfectly. He adapted to Dubai very well, so maybe we can start thinking about going back there. I’m happy for his owner Nurlan Bizakov and all the connections and I just hope I can repeat this for them on November 2 in Sydney when Lazzat (Fr) (Territories {Ire}) runs in the Golden Eagle!”

David Menuisier said of Tamfana, “She’s run a great race. She was coming off the bridle at halfway and probably at this level that is not her favourite ground, she’s probably better when it is quicker. We can really look forward to her next year. I still don’t know what is going to be her best trip. She’s won a group 1 over a mile, we know she stays a mile and two furlongs and she might get further. We still haven’t figured out her ideal trip, but all I know is she’s a massive filly and she will win some big races next year.”

Pedigree Notes

Charyn, who is a full-brother to the G2 Mill Reef Stakes winner and G2 Sandy Lane Stakes and G2 Hungerford Stakes-placed Wings Of War (Ire), is the second foal out of the triple listed-placed Futoon from the family of another Mill Reef winner in Galeota (Ire) (Mujadil) who was also runner-up in the G1 Golden Jubilee. Also connected to the G3 Sirenia Stakes-winning half-siblings Brown Sugar (Ire) (Tamayuz {GB}) and Burnt Sugar (Ire) (Lope De Vega {Ire}), Futoon’s unraced 2-year-old full-sister to Charyn named Shinara (Ire) was a 850,000gns purchase by his owners at Tattersalls Book 1 in October, while the yearling full-sister was Godolphin’s 2.9million gns purchase during last week’s renewal. She also has a colt foal again by Dark Angel.

CHALLENGE SERIES WIN AND YOU'RE IN.™

KALPANA WINS THE FILLIES & MARES FOR JUDDMONTE by Tom Frary

Saturday's G1 QIPCO British Champions Fillies & Mares Stakes looked there for the taking beforehand, with no standout performer in the line-up and in the end it came down to who was the most progressive. Step forward Juddmonte's **Kalpana (GB)** (Study Of Man {Ire}--Zero Gravity {GB}, by Dansili {GB}), who had made a significant advance last time in the G3 September Stakes and who successfully carried that momentum into this mile-and-a-half test, a "Win and You're In" for the GI Breeders' Cup Filly & Mare Turf next month.

Tracking the early pace under William Buick, the Andrew Balding-trained 100-30 favourite moved to Ballydoyle's **Wingspan (Ire)** (Dubawi {Ire}) passing two out and soon had her measure en route to a two-length success, with three lengths back to **Tiffany (Ire)** (Farhh {GB}) in third. **Cont. p8**

Balding said, “I have never known a horse improve as much as Kalpana,” Balding said. “She is just an absolute diamond, as you can see afterwards. She has a very special temperament and is by an exciting young stallion. She’s from the first crop of Study Of Man, so it’s pretty exciting for them as well.”

Debuting only in January at Wolverhampton, Kalpana ran into Inisherin (GB) (Shamardal) at Newcastle in March before winning a Newmarket handicap by 10 lengths and running second to Friendly Soul (GB) (Kingman {GB}) in that track’s Listed Pretty Polly Stakes in May. Third in Royal Ascot’s G2 Ribblesdale Stakes before winning the Listed Glasgow Stakes at Hamilton in July, the homebred had clearly benefitted from a subsequent break when storming back in the September to book her ticket here.

This was as straightforward as it gets at this level, a simple stalk and pounce to outclass her peers. “I think I even mentioned to Barry [Mahon] that we might put her in a sale this time last year! Just every time we started doing more with her, she’s just improved and improved, from Wolverhampton to here in 10 months,” her trainer added. “I very much hope she’ll stay in training, that was the plan anyway unless something has changed tonight.”

Buick added, “Kalpana has an incredible mind and is a jockey’s dream. I parked her up three wide with no cover but she was always comfortable, never wasted any energy and saved the whole way in that ground. It is a very special moment, because it

is my first group 1 winner for Andrew. I started with Andrew and Andrew and his whole family have played a huge part in my career so thank you to him and, obviously, Kalpana; what she did there was very good and she’s only going to improve.”

Aidan O’Brien said of Wingspan, “She looks to have got the trip well and I’m delighted with the run. It isn’t decided yet whether she will stay in training, but it’s definitely possible.”

Tiffany’s trainer Sir Mark Prescott said of the third, “She ran very well. She was in a lovely position all the way. She may go to Germany--I think it is November 10 [in Munich]. We won the race with Alpinista. So if she is alright after this, we will go there.”

Kalpana | Megan Coggin

Pedigree Notes

Kalpana, who becomes the first group 1 winner for her second-crop sire, is out of the Listed Prix Petite Etoile winner Zero Gravity who is a full-sister to the operation’s G1 Grand Prix de Paris hero Zambezi Sun (GB) and also the listed-placed Shared Account (GB) who produced three black-type performers headed by the GII

Athenia Stakes and G3 Prix des Reservoirs winner Pocket Square (GB) (Night Of Thunder {Ire}). From the family of the G1 July Cup and G1 Prix de l’Abbaye de Longchamp hero Continent (GB) (Lake Coniston {Ire}), Zero Gravity who was a 35,000gns cast-off at 2021 Tattersalls December, has an unraced 2-year-old full-brother to Kalpana named Net Zero (GB). Her yearling filly by Too Darn Hot (GB) was a 425,000gns purchase by Shadwell at last week’s Tattersalls October Book 2.

G1 British Champions Sprint Cup Stakes Cont.

The 10-1 chance and **'TDN Rising Star'** employed patient tactics from flagfall and settled off the tempo through halfway. Cruising into contention at the quarter-mile marker, he was ridden to the fore approaching the furlong pole and kept on in resolute fashion under a continued drive to hold the rallying **Swingalong (Ire)** (Showcasing {GB}) by a head. **Flora Of Bermuda (Ire)** (Dark Angel {Ire}) contributed to a thrilling finale in the six-furlong dash and was a neck down in third, a half-length ahead of **Beauvatiere (Fr)** (Lope De Vega {Ire}) in fourth.

"Kind Of Blue is the third close relation that has won this race, all from the same family and all bred by the Hoppers, the Grundys and the Morrisises," said the custodian of all three. "All trainers get attached to families that do them well and this is a family that has done us tremendously well. Wathnan Racing bought him three weeks ago and he's a really exciting horse for them going forwards. He's got the Group 1 under his belt now and it's been a big team effort to get him here. Dan Muscutt has ridden him in all his races and done all the homework on him. Obviously to all the team back home, I'm really grateful. He had a couple of niggles as a two-year-old, but up Warren Hill in the spring he was looking pretty special early on. He'll be done for the year now. We'll talk with Richard Brown and the connections, but he's had a long season and we'll look forward to next spring."

Wathnan's retained rider James Doyle commented, "To think Kind Of Blue was unraced before the start of this season, he has made giant strides and run some cracking races in defeat. He ran well here back in June in the [G1] Commonwealth [Cup] and ran great in the [G1] Haydock Sprint [Cup], when he was just touched off. He improved with every race and there's no greater man than James Fanshawe to prepare a Champions Sprint winner here at Ascot. He knows what he needs and it was great. It was a long last 10 strides and Kind Of Blue was very brave. For a very inexperienced horse to lead a furlong-and-a-half out and still knuckle down when he felt the second horse come to me is a true testament to not only his ability but the heart that he has. There is a superb team behind Wathnan Racing, headed by Richard Brown, that source these horses. We've had some near misses through the season, so to get one of these proper Group

Kind Of Blue (red cap) | Megan Coggin

1 winners is very important. The team did a great job."

Swingalong's trainer Karl Burke was not downcast in defeat and said of the runner-up, "She's brilliant and I am delighted with her. Three seconds in Group 1s in a year is a bit frustrating, but she's a fantastic filly to have and credit to everyone in the yard. Two furlongs out I thought, surely we'll get there. Then I thought we were beaten, then she was coming again at the death. She just doesn't know when to give in. Once she's in that rhythm, she doesn't stop, whatever the ground is. It is a good question as to whether she stays in training. It will be up to the owner. Whatever he decides to do, she has done enough to go off to the paddocks. If she had won today, I'd have said pack her in, but there's no reason why she can't go on another season. Physically, she's a very sound filly, touch wood. It's the owner's choice and I wouldn't like to recommend either way."

It was a first visit to the podium in a top-tier contest for Flora

Of Bermuda and connections were understandably thrilled with her third-place finish. "She is a very special filly and we're absolutely delighted," beamed Anna Lisa Balding. "She has had a lot of bad luck, she was pretty unlucky at Haydock and that would have been her best career run. Today she has taken it off the charts. We've had a few little hiccups with her and, to do it like that on Champions Day, that's what we were dreaming of. She will stay in training and you never know, we might bump her up to seven furlongs in time."

Pedigree Notes

Kind Of Blue, who becomes the third Group 1 winner for his second-crop sire, is one of two scorers out of an unraced full-sister to Deacon Blues (GB) (Compton Place {GB}), himself the winner of this contest in 2011. The February-foaled bay's dam Blues Sister (GB) (Compton Place {GB}) is kin to the race's 2016 hero and G1 Diamond Jubilee Stakes and G1 Haydock Sprint Cup winner The Tin Man (GB) (Equiano {Fr}). She is also a half-sister to the dual stakes-placed Holley Shiftwell (GB) (Bahamian Bounty {GB}). Kind Of Blue's second dam Persario (GB) (Bishop Of Cashel {GB}) is a winning half-sister to G1 Lockinge Stakes second and three-time G3 Leicestershire Stakes-winning sire Warningford (GB) (Warning {GB}).

KYPRIOS TOO GOOD FOR LONG DISTANCE CUP RIVALS *by Sean Cronin*

Two weeks on from completing a facsimile to his banner 2022 season by notching a second victory in ParisLongchamp's G1 Prix du Cadran, Europe's dominant stayer **Kyprios (Ire)** (Galileo {Ire}--Polished Gem {Ire}, by Danehill) added lustre to a perfect 2024 campaign with a decisive success in Saturday's G2 QIPCO British Champions Long Distance Cup at Ascot.

Ballydoyle's star went postward as the 8-11 favourite to gain compensation for a neck defeat in this two-mile contest last year and stalked pacesetting stablemate **The Euphrates (GB)** (Frankel {GB}) until turning for home. Easing ahead approaching the quarter-mile marker, he subdued closest pursuer **Sweet William (Ire)** (Sea The Stars {Ire}) before entering the final furlong and stayed on powerfully in the latter stages to win by 2 1/4 lengths with plenty in reserve. Sweet William's stablemate and defending champion **Trawlerman (Ire)** (Golden Horn {GB}) ran on to good effect and finished 1 1/2 lengths adrift in third.

Kyprios after winning the QIPCO British Champions Long Distance Cup
Megan Coggin

"All credit goes to the team and everyone at home who has done all the work with him and have a very close connection to him," said Aidan O'Brien after collecting a fourth edition of the marathon. "It is incredible to have him back and we thought the best that would happen would be that we could save him to go to stud. He still has a massive team around him, his stable is outside the front door and we see him every day. He is a very special horse.

"Ryan [Moore] was in total control on him after the first furlong, and it was a joy to watch it. He is relentless and has an unbelievable amount of quality, so it doesn't matter if you go slow or if you go fast, he just goes there and he switches off. Ryan rides him incredibly and knows him inside out. He is very relaxed, loves racing, and he loves this distance and finds it very comfortable. Credit to the lads for leaving him at this distance.

"You wouldn't have known he had had a race the last day and he didn't lose any weight. He is so laidback, his blood doesn't get up until after the race, but it takes a race to get his blood up. The plan was to come here, give him the winter off, then give him two trials before the [G1] Gold Cup next year. That's what we are working for. We will get through the winter and the spring, and try to come back here for the Gold Cup."

Moore added, "It worked out very smoothly and I was always happy, although on paper I thought there might be more pace in the race. Good horses, they make it smooth. The ground is soft and you're not going to see the best form on this ground, but it's a great race to win."

Co-owner Michael Tabor continued, "That was absolutely magical and just very, very special. Ryan knows Kyprios so well now and he knows where to place him early in a race. He gets in a good position and, for me, he was never going to get beat today." **Cont. p12**

G2 British Champions Long Distance Cup Cont.

John Gosden, responsible for both second and third home, said “Both of Aidan’s horses controlled the pace up front. Everybody thought there would be a good gallop and all the front runners took back, so the fractions were pretty steady and then they gradually increased and kicked off the bend. Both of ours ran exceptionally well, they probably would have preferred a stronger, even pace. There was not much William [Buick] could do about it, as he was tucked down on the inside, and Sweet William was three wide the whole way. I think we will come back with these horses next year. They are lovely horses for the staying races, both of them have great enthusiasm for it still and they make it fun these long distance horses.”

Pedigree Notes

Kyprios is the latest of 10 foals, all winners, produced by dual Broodmare of the Year Polished Gem (Ire) (Galileo {Ire}), herself out of G1 Irish 1000 Guineas heroine Trusted Partner (Affirmed). Trusted Partner is the third dam of this term’s G2 Queen Mary victrix Leovanni (Ire) (Kodi Bear {Ire}). Kyprios is kin to seven stakes winners headed by dual G1 Irish St Leger heroine Search For A Song (Ire) (Galileo {Ire}), G1 Prince of Wales’s Stakes-winning sire Free Eagle (Ire) (High Chaparral {Ire}) and G2 British Champions Fillies & Mares Stakes victrix Sapphire (Ire) (Medicean {GB}). Descendants of Polished Gem, a full-sister to G1 Matriarch Stakes heroine Dress To Thrill (Ire), also include G1 Vincent O’Brien National Stakes hero Thunder Moon (Ire) (Zoffany {Ire}). EXACTLY DOMINATES THE KILLAVULLAN

by Tom Frary

The 2-year-old fillies have been a step or two ahead of the colts all season and further evidence that we are dealing either with a substandard crop of colts or above-average crop of fillies was seen at Leopardstown on Saturday when the battle-hardened **Exactly (Ire) (Frankel {GB})**--Heartache {GB}, by Kyllachy {GB} dominated the G3 Killavullan Stakes. Sent off the 11-10 favourite for the seven-furlong contest, Ballydoyle’s G1 Moyglare Stud Stakes and G1 Prix Marcel Boussac third was sent straight to the front by Wayne Lordan and powered clear in the straight for a 6 1/2-length success from stablemate and Goffs Million runner-up **Antelope Canyon (Ire) (No Nay Never)**.

Ballydoyle representative Chris Armstrong said, “She’s a queen of a filly, she turns up for every dance and she’s been consistent all year. She obviously ran a fantastic race in the Boussac last time. Wayne gave her a lovely ride, kept it simple, she quickened and class told in the end. You’d love to have them all like her, she’s so straightforward and tough and gets it done. She mightn’t be finished for the year.”

“If she came out of it well we could look at the mile race in France next weekend for her. It depends how she comes out of it but it is an option. We’ll see where the rest of the team fit in after the weekend. She’s fierce well and even looking at her going around the ring she still has her coat and she’s holding her condition well. Mentally she’s loving it and you’d love to have a stable full of ones like her.”

STARSPANGLED BANNER'S SIGH NO MORE SHOCKS THE EYREFIELD AT 40-1 by Sean Cronin

Joseph O'Brien trainee **Sigh No More (Ire)** (**Starspangledbanner {Aus}**--Silent Thoughts {Ire}, by Galileo {Ire}) registered a pair of seventh-place finishes in both prior outings at Group 3 level and quelled the naysayers with a power-packed closing burst to secure a career high in Saturday's G3 Mongey Communications Eyrefield Stakes at Leopardstown.

The 40-1 outsider was the most experienced of six contenders, having clocked a half-dozen career starts over distances shy of this nine-furlong trip. Patiently ridden in rear until sent forward out wide in the straight, she powered into contention passing the furlong pole and kept on strongly in the closing stages to run out a convincing 1 3/4-length winner from G2 Beresford Stakes fourth **Trinity College (Ire)** (Dubawi {Ire}). Cork maiden victrix and stablemate of the winner **Wemightakedlongway (Ire)** (**Australia {GB}**) held every chance in the straight and stayed on in game fashion to finish a neck adrift in third.

"She got a lovely ride from Mikey [Sheehy] and the race set up very well," commented O'Brien. "She's as tough as nails, she's progressive and she's never run a bad race. I'm delighted to win a big pot and a Group race for a big ownership group, and a lot of them are here today. She's gone well on a better surface as well, so she's very versatile, ground-wise, but she does certainly handle soft conditions. There is a big team of people in the filly and everyone will get a great kick out of it. She's been a model of consistency, we've had a great year with her so far and it's great to finish it off with a big win. The logical thing to do would be to come back for a Classic trial next year, but we'll see how she pulls up and take it from there." [Cont. p14](#)

Reflecting on the effort of third home Wemightakedlongway, the trainer added, “I think she’s a very nice filly for the future and I’m very proud of her run. She’s obviously lacking a bit of experience, but I think she’ll be a smasher for next year.”

Pedigree Notes

Sigh No More, who becomes the 32nd pattern-race scorer for her sire, is one of six winners produced by an unraced half-sister to dual Group 3 victrix Yellow Rosebud (Ire) (Jeremy), stakes-winning G3 Athasi Stakes third Seeharn (Ire) (Pivotal {GB}), Listed Criterium de Vitesse third Megan Lily (Ire) (Dragon Pulse {Ire}) and to the dam of G3 Dubai Millennium Stake third Castlebar (Ire) (Invincible Spirit {Ire}). Megan Lily, in turn, is the dam of Listed Baden-Baden Fillies’ Cup winner Diamond Vega (GB) (Lope De Vega {Ire}). Sigh No More is a half-sister to Listed Listowel Stakes victrix Neptune Rock (Ire) (Muhaarar {GB}), the dual stakes-placed Unreasonable (Ire) (**No Nay Never**) and a weanling filly by **No Nay Never**.

TENTH TDN RISING STAR FOR WOOTTON BASSETT AS BALLYDOYLE’S TWAIN

IMPRESSES *by Tom Frary*

Saturday’s card at Leopardstown offered many clues to the 2025 Classics and it may have saved the best until last as Ballydoyle’s **Twain (Ire)** (**Wootton Bassett {GB}**--Wading {Ire}, by Montjeu {Ire}) became his sire’s 10th **TDN Rising Star** in the closing seven-furlong maiden. Sent straight to the front by Mark Crehan, the son of the G2 Rockfel Stakes winner stayed on the rail as all others opted to race wide and surrender ground for a better racing surface.

Turning for home with a sizeable advantage, the 28-1 shot kept galloping powerfully through the testing ground to register a six-length defeat of stablemate **Mississippi River (Ire)** (Lope De Vega {Ire}) who denied the third Rosegreen runner and 15-8 favourite **Serengeti (Fr)** (**Wootton Bassett {GB}**) by a head.

Ballydoyle representative Chris Armstrong said of the descendant of Urban Sea (Miswaki), “He jumped smart, landed out in front and made every post a winning one. He gave him a very positive ride and Mark felt he was doing it easy, within himself, which is a good sign. It looked like a pretty good maiden. I’m not sure if we’ll get him out again before the end of the year. He’s a lovely horse to look forward to for next year, to bring him back for a Guineas trial.”

Adding his name to a list of the sire’s TDN Rising Stars which include the exciting juvenile Maranoa Charlie (Fr) and the accomplished Unquestionable (Fr) and River Tiber (Ire), Twain becomes the seventh winner for the aforementioned Wading whose daughter Just Wonderful (Dansili {GB}) emulated her by capturing the Rockfel. She also took the G3 Flame of Tara Stakes and was third in the G1 Matron Stakes and second in the GI Belmont Oaks Invitational, while the dam’s other stakes performer was the G3 Mercury Stakes-placed Lost Treasure (Ire) (**War Front**).

Wading’s dam Cherry Hinton (GB) (Green Desert) is also responsible for Montjeu’s G1 Irish Oaks heroine Bracelet (Ire) and the GI Belmont Oaks heroine Athena (Ire) and G3 Snow Fairy Stakes winner Goddess both by Montjeu’s son **Camelot (GB)**. Athena has produced the G3 Ballylinch Stud 1,000 Guineas Trial Stakes and G3 Silver Flash Stakes winner and G1 Prix de Diane runner-up Never Ending Story (Ire) (Dubawi {Ire}).

Twain’s third dam is the Arc-winning great matriarch Urban Sea, linking him to Galileo (Ire) and **Sea The Stars (Ire)** and a third Derby hero in Masar (Ire) (New Approach {Ire}). Wading’s colt foal is by **Frankel (GB)**.

SEAN D. BOWEN NAMED CHAMPION APPRENTICE JOCKEY, AS CHAMPIONS CROWNED AT ASCOT

After a fierce battle throughout the season, Sean Dylan Bowen edged Joe Leavy by two victories to be named the British Champion Apprentice Flat Jockey for 2024 at Catterick Racecourse, Great British Racing announced on Saturday.

Bowen rode 44 winners (13%) for the year, while Leavy was second on 42 and Kaiya Fraser made up third at 34. The wins were accumulated inside a set period of May 4- Oct. 19.

The Irishman won an apprentice race at Doncaster in March, only his second ride since relocating to Britain, and the momentum built from there. Earlier in the week Bowen was three wins clear of Leavy by Thursday, but the pair each won a race at Haydock Park on Friday. Leavy won the second race at Catterick on Saturday to bring him within two to tie Bowen, but both jockeys were out of luck in a handicap later in the day, sealing the title for Bowen. **Cont. p16**

Sean Dylan Bowen | Great British Racing

British Champions Cont.

The 18-year-old, who rides for boss trainer James Owens, said, “The main reason I came over [to Britain] was there’s more racing here than in Ireland, and my ambition was just to pick up as many rides as I could and hopefully have some winners along the way. It’s definitely been a help having the experience of coming over [to Britain] for the odd ride last season.”

Owens said, “Sean is a real team player with a great head on his shoulders, very well mannered, and an extremely natural horseman. He has been incredibly committed this season and has a very bright future ahead of him. Myself and the team couldn’t be happier and more proud of him.”

Oisin Murphy formally **regained the British Champion Flat Jockey** title on Saturday with 163 winners. Murphy was winning it for the fourth time, having prevailed in 2019, 2020, and 2021.

Murphy said, “This is something I really tried to achieve this year. I have had great support from so many trainers and owners, and having a fair lead has meant I have been able to enjoy it over the last month or so.

“It has taken a lot of hard work from my agent [Gavin Horne]. With the one meeting a day rule, it is paramount that he chooses the correct meeting to send me to, which is not easy when there are three or four meetings. I think he has done a great job, and that has been key to me riding so many winners.

“It is high pressure, especially when you are going racing everyday with chances, which I am lucky enough to be doing. It can be frustrating if you are not winning, but thankfully I had a good Royal Ascot, Glorious Goodwood and York.

“The British weighing room is full of stars. It is one of the most, if not the most, competitive weighing rooms in the world. There are so many Group 1-winning jockeys in there and many of them are young and ambitious.”

Dale Gibson, racing director for the PJA, said, “Congratulations

to Sean on winning the coveted champion apprentice title. Bowen follows in the footsteps of outstanding champion jockeys such as the late Lester Piggott and Pat Eddery, alongside the current stars such as Frankie Dettori, Ryan Moore, Will Buick and Oisin Murphy. Sean has been a model of consistency all year and fought out a terrific battle with Joe until the final day of the apprentice championship. We wish Sean and all his apprentice colleagues continued success in future.”

Trainer Aidan O’Brien wrapped up his seventh British Flat Trainers’ Championship, his first such award since 2017. Although the season runs from Jan. 1-Dec. 31, the master of Ballydoyle holds a commanding lead by over £3 million from his nearest pursuer. Some of the leading lights for the Coolmore partners this season are G1 Derby/G1 Eclipse/G1 International Stakes hero City Of Troy (**Justify**), while Kyprios (Ire) (Galileo {Ire}) landed the G1 Gold Cup and G1 Goodwood Cup. There was also an O’Brien one-two in the G1 St Leger won by Jan Brueghel (Ire) (Galileo {Ire}), and Lake Victoria (Ire) (**Frankel {GB}**) scored in the G1 Cheveley Park Stakes.

O’Brien said, “It is a big team effort from everyone in Ballydoyle and Coolmore. There are so many special people in so many different areas that if I started talking about them, I would be here until tomorrow. You can have the horses and the place but, if you don’t have the people, it won’t happen.

“The owners are the people who put the resources in every year, to try and help us make it better. They put a lot of time in and give us advice. We do our best, give information back, and try to follow the roadmap that they draw for us. Some years it goes very well, some years it is ordinary, and some years it is medium.

“This was a good year for us. We won plenty of good races. I am just delighted for everybody when we do have a good year. We don’t take anything for granted and try to look to the future.” **Cont. p17**

Aidan O'Brien | Megan Coggin

British Champions Cont.

Perennial leading owner Godolphin was named British Champion Owner for the 16th time with runners bearing the royal blue earning over £4 million in prize-money. Notable Speech (GB) (Dubawi {Ire}) won the G1 2000 Guineas and the G1 Sussex Stakes, while juveniles Shadow Of Light (GB) (Lope De Vega {Ire}) and Desert Flower (Ire) (Night Of Thunder {Ire}) also scored at the highest level.

Hugh Anderson, managing director of Godolphin (UK and Dubai), said, "Everyone at Godolphin is immensely proud to receive the UK Champion Owner trophy for a 16th time.

"It has proved to be another exceptional season, led by our brilliant 2000 Guineas and Sussex Stakes winner Notable Speech. It's also particularly exciting to see the next generation coming through, with Shadow Of Light and Desert Flower establishing themselves as the best 2-year-olds in the country. With several of our senior stars set to remain in training, we can look forward to 2025 with great anticipation.

"All of our trainers have done a superb job once again, while it has been extremely rewarding to see our homebreds and stallions perform so well. Thank you to every single Godolphin employee, who have all played their part in this success. Our greatest thanks must go to His Highness Sheikh Mohammed, whose endless passion for the sport continues to prove an inspiration for us all."

As **previously announced**, Jack Berry MBE, Dubai Millennium (GB) (Seeking The Gold) and Goldikova (Ire) (Anabaa) were formally inducted into the QIPCO British Champions Series Hall of Fame. Berry and connections of the two horses were presented with medals at Ascot on Saturday.

Rod Street, CEO of Great British Racing and British Champions Series, said, "What a joyous day in the sunshine we have enjoyed this afternoon at Ascot. Just over 29,000 racegoers attended the racing today, a figure not far off that of last year when Frankie retired from riding in the UK.

"With over 6,000 18-26-year-olds coming racing to enjoy a day out at a discounted price to encourage a new audience to come racing, to seeing families with young kids enjoying meeting Side Glance, Ascot's Equine Ambassador, and engaging with the kids' activities, it was a wonderful afternoon.

"The record number of declarations we saw on Thursday came to fruition on the track today when we witnessed fantastic racing, with Charyn (Ire) so dominant in the Queen Elizabeth II Stakes and Anmaat (Ire) the 40-1 winner of the QIPCO Champion Stakes.

"We shall look forward to welcoming everyone back to Ascot next year for what has established itself as such a great finale to the Flat season."

BILLY LOUGHNANE WINS £50K WORLD POOL JOCKEYS' CHAMPIONSHIP

Jockey Billy Loughnane won the inaugural UK & Ireland World Pool Jockeys' Championship and will donate his £50,000 cheque to The Christy Lambe Foundation, World Pool announced on Saturday.

On top of the leaderboard with 187.05pts, Loughnane finished ahead of Oisin Murphy (97.25pts) in second, having triumphed on a number of outsiders through the World Pool season. The competition rewards the winning jockey of each World Pool race in the UK and Ireland with the horse's World Pool Win dividend. Loughnane struck on Rashabar (Ire) (**Holy Roman Emperor (Ire)**) in the G2 Coventry Stakes at Royal Ascot, which returned 129.90 (versus 80/1) SP, which gave Loughnane a clear advantage against his peers.

Loughnane said, "I'm very grateful to World Pool for this prize. It's a significant amount of money and I'm honoured to be able to donate it to The Christy Lambe Foundation.

"Riding in these races on the big days is what I've always dreamed of, so to win a few and to top the leaderboard is a fantastic feeling.

"The Christy Lambe Foundation was only setup two years ago and this money will be very important. The charity works to help people struggling with mental health and poverty, and it's a cause that's close to my heart as Christy's oldest brother Michael is my sponsor, through his company Lambe Construction."

MINNIE HAUK (IRE) (f, 2, Frankel {GB}--Multilingual {GB}, by Dansili {GB}), the Goffs Orby Book 1 sale topper when knocked down for €1.85 million last year who registered a debut second at Cork earlier this month, was trapped wide racing prominently and stalked the pace in a close-up second after prolonged early exchanges. Sent forward on the home turn, the 2-5 pick came under pressure when threatened in the straight and was driven out in the latter stages to hold Subsonic (Ire) (Lope De Vega {Ire}) by a half-length. "She had a lovely run the first day and came on nicely from it," commented Ballydoyle's Chris Armstrong. "Wayne [Lordan] gave her a lovely ride and said she just wasn't mad about the [soft] ground. She's a beautiful mover and she'll handle better ground. She's a lovely filly to look forward to next year and to start off in one of the trials. She's a lovely staying filly and, hopefully, she'll turn into an Oaks filly." Minnie Hauk is the sixth of seven foals and third scorer produced by a full-sister to G3 Tercentenary Stakes-winning sire Remote (GB) (Dansili {GB}).

JUST BEFORE (f, 2, Justify--Gagnoa {Ire}) {MGSW & MG1SP-Fr, G1SP-Ire, \$597,492}, by Sadler's Wells, who hit the board behind subsequent G3 Eyrefield Stakes third Wemightakelongway (Ire) (**Australia {GB}**) in an Oct. 1 Cork maiden last time, went forward to race in a handy third after the initial strides here. Stoked up passing the quarter-mile pole, the 8-1 chance inched ahead with 100 yards remaining and was driven out to deny Candleford Green (Ire) (**Sea The Stars {Ire}**) by a pixel in a bobbing finish. "I was shocked and disappointed when the handicapper gave her [a rating of] 74 because I thought she was better than that, and she is obviously," said trainer Willie Browne. "She's a filly that was supposed to go to Andre Fabre, he trained the mother, but she was quite weak in the spring and they very kindly left her with me and the rest is history. It's a fantastic win for me and we knew she'd have a chance. I don't know what kind of race that was, but it's a Leopardstown maiden and she wants to go further than that." Just Before, full-sister to a weanling colt, is the 10th of 11 reported foals and eighth scorer produced by dual Group 3-winning G1 Prix Saint-Alary, G1 Prix de Diane and G1 Irish Oaks placegetter Gagnoa (Ire) (Sadler's Wells). Herself a sibling of G1 Derby-winning sire Pour Moi (Ire) (Montjeu {Ire}) and Group 3-winning G1 Irish Derby third Dawn Patrol (Ire) (Galileo {Ire}). Gagnoa is also kin to the dam of GI Breeders' Cup Juvenile Fillies Turf heroine Pizza Bianca (Fastnet Rock {Aus}). Just Before is a half-sister to multiple Group 1-placed G3 Prix des Chenes and GIII Mint Millions Stakes winner Ancient Rome (**War Front**), G3 Naas Juvenile Fillies Sprint victrix Etoile (**War Front**) and Listed Prix Amandine third Galatea (Ire) (Dansili {GB}). SERIOUS CONTENDER (IRE) (c, 2, Wootton Bassett {GB}--Lugnaquilla {Ire}, by Galileo {Ire}), runner-up at Tipperary 13 days previously, raced close to the early pace before earning the lead passing the two-furlong pole. Tackled and headed soon after by Kilcrea Rock (Ire) (**Wootton Bassett {GB}**), the even-money favourite forced his way back to the head of affairs with 100 yards remaining before asserting to score by half a length. "Even with the two runs under his belt Wayne felt he was very babyish," Ballydoyle representative Chris Armstrong said. "It's a good sign that there's plenty left in there. He's a horse that stays very well and he'd be one to bring back for a Derby trial, but you wouldn't be surprised if he even stepped up a bit further and would be a lovely staying horse for next year." The winner is the first foal out of a full-sister to the G2 Mooresbridge Stakes winner and Derby runner-up Cliffs Of Moher (Ire) and a granddaughter of the G3 1,000 Guineas Trial Stakes winner and G1 Irish 1,000 Guineas and G1 Prix de Diane-placed Queen Cleopatra (Ire) (Kingmambo). She is a full-sister to the four-times group 1-winning sire Henrythenavigator. Lugnaquilla's yearling is a full-sister to Serious Contender, while she also has a filly foal by **No Nay Never**. CIARON MAHER'S TOUGH MARE BELLA WINS THE EVEREST by Renee Geelen

Bella Nipotina | Bronwen Healy

The eighth running of The Everest gave the world a couple of firsts with the first mare to win and the first runners and first win for trainer Ciaron Maher. Somewhat surprisingly, the weighty Maher stable hadn't had a runner until 2024 but made up for it with three runners on Saturday.

In the end, it was his tough 7-year-old mare **Bella Nipotina (Aus)** (Pride Of Dubai {Aus}) who threaded her way through the front runners to dive at the fast-finishing Clayton Douglas-trained **Giga Kick (Aus)** (Scissor Kick {Aus}) and win by 0.13l. Bella Nipotina's stablemate 3-year-old colt **Growing Empire (Aus)** (Zoustar {Aus}) was the best of the rest, 1l back in third.

"She was right in the zone. So credit to Ciaron Maher, his whole training group around him. He's a phenomenal trainer with so many different arms that help this process go along," said jockey Craig Williams. "Paul and Ange Fudge, they're using their property at Bong Bong. You can see the benefits of that."

Tim Porter, Michael Christian and Gillon McLachlan with The Everest trophy | Bronwen Healy

G1 The Everest Cont.

He added, “And a 7-year-old mare, she's never been in career best form, which is amazing. She is now. And today she showed everyone how good and tough she is because she had no favours.

“I'm just wrapped and grateful. My team around me, my family, my mum and dad, Uncle Tim and Aunt Julie here, places here, my children cheering at home.”

Williams won The Kosciuszko earlier in the day. “I'm very fortunate. I have been working out really hard with all my coaches and fitness people and my nutritionist, my wife, and my manager said, 'There's no use getting to one hill and that's enough.”

Winner of 10 of her 55 starts, she took her earnings over A\$18 million, with the newly upgraded G1 The Everest taking her record to four Group 1 wins.

“You know, we thought she was in career best form, and she got her conditions to suit. We said at the barrier draw, she's got an uncanny knack of running very well from any gate,” said Maher.

“Wide, inside, doesn't matter. And yes, Craig (Williams), beautiful ride. You know, to have the balls to do that. I can't thank my team enough. She trains up on the beach and she's been at Bong Bong the last two weeks and just the whole team, it's unbelievable.

“She's a bit like me, she doesn't like to miss out on a carnival. She's a beautiful horse to train. And Michael Christensen and Tim Porter and his brothers and family, you know, what a thrill for them. She's been elite for like five years. It's unbelievable.”

Pedigree Notes

Her sire Pride Of Dubai is gaining a reputation for producing tough racehorses who train on thanks to Bella Nipotina, Pride Of

Jenni (Aus), and Dubai Honour (Ire), who are three of his five Group 1 winners among 23 stakes winners.

Bella Nipotina is the first foal of Bella Orfana (Aus) (Star Witness {Aus}), who placed once at Geelong from six starts, and is a half-sister to Group 2 winner and multiple times Group 1-placed Hallowell Belle (Aus) (Starcraft {NZ}) and Group 3 winner Fuddle Dee Duddle (Aus) (Red Ransom) who is the dam of Group 3 winner Brereton (Aus) (Zoustar {Aus}).

DUKE DE SESSA GIVES MAHER A G1 DOUBLE WITH CAULFIELD CUP WIN by Renee Geelen

Just minutes after Ciaron Maher trained Bella Nipotina (Aus) to win the G1 The Everest, his team took out another of Saturday's features with a win in the G1 Caulfield Cup by Harry Coffey ridden 6-year-old gelding **Duke De Sessa (Ire)** (Lope De Vega {Ire}).

In a true stamina contest, Duke De Sessa jumped well and led for the first part of the race before **Deny Knowledge (Ire)** (Pride Of Dubai {Aus}) crossed over to take the lead and put on a strong pace with Coffey tucked nicely in behind the leader.

G1 Caulfield Cup Cont.

At the 600-metre mark, Duke De Sessa began a sustained sprint and cleared out four or five lengths on the rest of the field. Eventually the chasing group wore him down, and he won by 1.25l from Chris Waller trained **Buckaroo (GB)** (Fastnet Rock {Aus}) with Buckaroo's stablemate **Land Legend (Fr)** (Galileo {Ire}) 6l in arrears in third. **Zardozi (Aus)** (Kingman {GB}) ran fourth with Deny Knowledge sticking on for fifth.

"How am I feeling? Spectacular," Coffey said post-race. "When I let rip, I thought maybe I'd gone too early. But one thing you can count on with Ciaron Maher and this amazing team he has, you can back your horses in. They'll just keep running. And because of Ciaron, his horse's owners, his staff, and more importantly the horse, I've been involved in the day I'll never forget, on my birthday.

"Me and him just had a little moment along the side here... I actually can't tell you the love and the happiness I have for how well this horse ran today. I just couldn't believe it, that he kept running, that the Caulfield Cup was going to have Harry Coffey's name next to it... it's just phenomenal.

"It's not supposed to happen to people like me. I'm considered a battler. People like to laugh about how I'm a battler and a country boy. But, yeah, not many Caulfield Cups get won by country boys."

Duke De Sessa took his career record to five wins from 24 starts and earnings over A\$3.8 million. Winning the G1 Caulfield Cup earns a ballot exemption for the G1 Melbourne Cup, but Duke De Sessa doesn't hold a nomination for that race so won't be there on the first Tuesday in November.

"Oh, it's magic to be honest. Yeah, just fantastic to get on the phone with him (Ciaron), especially after Bella. Pride Of Jenni is walking into the yard as well, so we'll hold fort for another 10 minutes. But just pinch me moment sort of stuff. Stable are having an extremely good day. Very good ride by Harry. Everyone's so thankful for Harry, and really appreciative for him to win. Everyone knows how well-deserved he is. It's just amazing," said stable representative Jack Turnbull.

"Last season, he was a colt, and he had a good think about it, and he used to over-travel. This race in particular, we changed a bit, so we put a norton on. He obviously had 12 months of

seasoning and conditioning, and Ciaron and the team just had a better handle on him. So the form is around him with Via Sistina (Ire), and it's just amazing. Just very appreciative and well done to Maurice Regan, Cole McKenna's in the horse. It's amazing, and it's fantastic for the stable."

A 60,000gns (AU\$122,600) yearling purchase at the Goffs Orby Yearling Sale, Duke De Sessa was a Group 3 winner at two and three in Ireland before his transfer to Australia. This was his first win in Australia, and he was coming off two Group 1 fourth placings in his last two starts.

"I bought him out of Ireland two years ago now," Will Bourne said of the estimated AU\$2-million private purchase, "He was an on-speed tough horse, who we thought would be suited out here. We thought he'd hit the ground better than he did. He went first-up into a Doncaster and we were fairly bullish about him, but it (form) didn't come."

"We gelded him after his last run last spring. We ran him in the Sandown Classic and he had a huge lead, looked like he'd win half the straight and then died off. Like Gold Trip, he was very expensive and took a lot of time. But, like Gold Trip, he looks like he's turned the corner and now feels at home.

"He's got some of the Gold Trip owners in him and some of the Hitotsu owners, so owners that have had good success and now they've got more."
