

'SOMETHING FOR EVERYONE:' SPIRITED BIDDING PUNCTUATES DAY TWO OF FASIG-TIPTON OCTOBER SALE

A **Curlin** colt, hip 801, topped Tuesday's session | Fasig-Tipton

by Jessica Martini

LEXINGTON, KY - The Fasig-Tipton October Yearlings Sale reached its halfway mark with a vibrant day of trade topped by a \$550,000 son of **Curlin** who was one of the last horses through the ring Tuesday.

"It was tremendous second session of the 2024 Kentucky October Yearling sale," said Fasig-Tipton President Boyd Browning, Jr. "There was really spirited bidding from the very beginning of the sale to the very end of the sale. The level and consistency of the bidding throughout the day was truly encouraging."

Through two sessions of the four-day auction, 544 yearlings have grossed \$28,753,000 for an average of \$52,855 and a median of \$20,000. With just 137 yearlings failing to meet their reserves, the buy-back rate stands at 20.1%.

Through two sessions of the 2023 auction, 520 yearlings had grossed \$24,157,300 for an average of \$46,456 and a median of \$22,000. The four-day average of the 2023 sale was \$48,045 and the median was \$24,000.

BREEDING DIGEST: DRESDEN BREEDERS

SHOW A SPECIAL EYE by Chris McGrath

With so many roads now leading to Del Mar, traffic may feel pretty slow just now. But we should make a virtue of that, in that our preoccupation with the elite program tends to deny due attention to those achieving their success a tier or so below the very top. After all, such people have typically required no less skill, endeavor and patience, often denied the very highest rewards only through lacking similar parity in resources.

Take the breeder of GIII Ontario Derby winner **Dresden Row** (Lord Nelson), whose emergence among Canada's leading sophomores is underpinned by a pedigree as interesting as it was inexpensively contrived.

His dam Elle Special cost Richard Reed just \$1,200 when culled by Calumet Farm at the 2018 Keeneland November Sale.

17 | THE CHOSEN VRON TO MISS BREEDERS' CUP

Two-time GI Bing Crosby Stakes winner The Chosen Vron (Vronsky), who holds a 'Win and You're In' berth for the GI Breeders' Cup Sprint Nov. 2, will bypass the race after being placed on the vet's list Monday due to "unsoundness" at Santa Anita.

18 | JUDDMONTE SETS 2025 FEES FOR ELITE POWER, MANDALOUN

Elite Power, a two-time Eclipse champion sprinter as well as a dual GI Breeders' Cup Sprint winner, will stand for \$50,000, while 2021 GI Kentucky Derby winner Mandaloun, whose first foals are weanlings this fall, will stand for \$15,000.

18 | PTHA DIRECTORS REFUTE CORRUPTION ALLEGATIONS

Seven of the 11 directors of the Pennsylvania Thoroughbred Horsemen's Association (PTHA) filed a legal response Monday that denied sweeping allegations of corruption and cronyism that were made last month by the PTHA's current president and another board member.

“It was statistically a magnificent day, with a noticeable increase in the average over the overall sale average last year,” Browning said. “We are tracking really well. Browning continued: “Obviously, we are just halfway through, with two more days to go, but we are delighted with the look and the feel and the energy that is on the sales grounds and very pleased halfway through the sale.”

Bloodstock agent Alistair Roden, bidding on behalf of Mark Breen, purchased the auction's top offering so far, going to \$550,000 to acquire a son of **Curlin** from the Taylor Made Sales Agency consignment. The colt was one of 10 to sell for \$300,000 or more on the day and brought the two-day total to reach that mark to 15. It was 10 at the same point a year ago.

Through two days, 34 yearlings have sold for \$200,000 or more, up from 24 at the halfway mark of the 2023 auction.

The October results continued to show a deep and diverse buying bench with nine of Tuesday's top 10 offerings purchased by unique interests.

“The October sale truly has something for everyone,” Browning said. “That's reflected in the buyer group that is on the sale grounds. We could have a United Nations conference in the back walking ring. It's great for our industry to be an exporter of this many horses, as well as to have a healthy racing game here in the United States.”

The October sale continues through Thursday with sessions beginning daily at 10 a.m.

Curlin Colt a Late Topper for Roden

After watching Carlos Manresa sign the ticket at \$350,000 on a colt by **Tapit**, Alistair Roden said ruefully, “That could have been me.” The bloodstock agent eventually got his chance, acquiring a colt by **Curlin** (hip 801) for a session-topping \$550,000 late in the day Tuesday at Fasig-Tipton. *Cont.*

Hip 801 | Fasig-Tipton

“This was for an old client and friend Mark Breen, who lives in Phoenix,” Roden said of the purchase. “He’s been in the horse business for a while.”

Hip 801 is out of Sass and Class (Harlan’s Holiday) and is a half-brother to multiple graded winner Royal Charlotte (Cairo Prince). He was consigned by Taylor Made Agency on behalf of his breeder, Stonestreet Thoroughbred Holdings.

“He always dreams of having a nice 3-year-old,” Roden said of Breen. “Which everybody does in this game. He loved this horse’s pedigree. I loved his physical.”

Of the colt’s final price, Roden said, “I was already out. And then the phone rang. He rang and he told me to keep going. But I figured it would be around that price. He’s a lovely horse. He’s by Curlin. He has a stallion’s pedigree and, if he’s a Grade I winner, he’s a \$30-million horse.”

Roden added, “Let’s hope the horse gods shine on him and we have some luck.”

Breen campaigned Endorsed (Medaglia d’Oro), winner of last year’s Gil Gulfstream Park Mile, as well as 2014 GIII Iowa Derby winner Jessica’s Star (Magna Graduate).

Woodford, Walden Back for More

John Skyes’s Woodford Thoroughbreds, which has already enjoyed graded stakes success with young trainer Will Walden this year, will be adding another yearling to the stable after bloodstock agent Ryder Finney secured a colt by Vekoma (hip 510) for \$360,000 during Tuesday’s second session of the Fasig-Tipton October sale.

“Will Walden has been training a couple for him that he bought over at Tattersalls and has had some success with the first couple of goes in the States and Mr. Sykes is ready for some more,” Finney said after signing the ticket on the yearling. **Cont.**

Consigned by Machmer Hall on behalf of his breeder, Chip Montgomery's Haymarket Farm, the bay is out of the unraced Monarchia (Arch). He is a half-brother to stakes winner Unifying (Union Rags).

"He is super athletic," Finney said of the colt's appeal. "I thought everything about him was so athletic. I loved the way he moved. I loved the way he's made. Will and I talked about it when we saw him the first time. He kind of reminded us of Life Is Good physically. Just super well made. Awesome neck side, great shoulder, big hip. He has everything that we want physically. And Vekoma has obviously been a very hot freshman stallion. Will and I have been high on Vekoma for a while. Everything fit together."

Woodford Thoroughbreds and Walden were in the winner's circle earlier this year with Pipsy (Ire) (Kodiac {GB}), who won the GIII Soaring Softly Stakes in May. They teamed up to win an

Oct. 17 Keeneland allowance with Aussie Girl (Ire) (Starspangledbanner {Aus}). Both mares were purchased last December at Tattersalls.

Montgomery purchased Monarchia, in foal to Omaha Beach, for \$50,000 at the 2022 Keeneland January sale. The mare's Omaha Beach filly sold for \$67,000 at last year's October sale.

Tuesday's result marked the resumption of the successful partnership of Haymarket Farm and Machmer Hall.

"Chip Montgomery was a good friend of mine for a long time," Machmer Hall's Carrie Brogden said. "We started out as friends 25 years ago. And we just recently got back together. This is a culmination of 25 years of

friendship. We had a lot of successes before--a lot--and now we are looking to have a lot of successes in the future again."

Brogden also gave credit to JR Sebastian of Springhill Equine, who prepped the yearling. **Cont.**

“I have to give so much credit to JR,” Brogden said. “This horse, the last 30 days, has just blossomed into this beautiful animal. He was always targeted for this sale. D J Stable Gets More of the Jaywalk Family

The Green family's D J Stable captured the 2018 GI Breeders' Cup Juvenile Fillies with Jaywalk (Cross Traffic), so it was a no-brainer to bid on a yearling out of a half-sister to that champion, bloodstock agent Kim Valerio said after signing the ticket at \$350,000 to secure the filly by **Tapit** (hip 492) from the Gainesway consignment Tuesday at Fasig-Tipton.

“We are looking for fillies to put in the breeding program,” Valerio, who did her bidding upstairs while on the phone with Len Green, said. “And this family just keeps coming on.”

The bay filly is out of Miss Jessica J (Empire Maker), who is a half-sister to, not only Jaywalk, but also to multiple stakes winner Danzatrice (Dunkirk), who is the dam of GI Toyota Blue Grass Stakes winner **Tapit** Trice (**Tapit**).

Asked if she sees similarities between the yearling and Jaywalk, Valerio said, “No, not really. She has more of the bottom side, the Empire Maker, and she is inbred to be bigger

Kim Valerio | Fasig-Tipton

and stretchier. I would say she looks more like Untapable. She is big and narrow.”

Bidding on the filly, who was bred by Al Shira'aa Racing and Gainesway Thoroughbreds, started out slowly, but built steadily.

“Len was on the phone and I had to look down and look back--obviously, they don't mind staying until 9 p.m.,” Valerio said with a laugh. “And then we were all panicking that we were on the wrong horse.” **Cont.**

Of the final price, Valerio said, "I was hoping we would get her for \$250,000 or \$275,000. At Keeneland--if she was ready then--she would have brought that and more."

Valerio is working the 1600-head sale on her own, but said she felt it was important to go through as many horses as possible.

"There are a lot of really nice horses here," she said. "I let my help go on vacation, so I am hustling. I forgot how many horses are here. Maybe I should stop doing all-shows at some point, but I like to see them all."

Valerio, who is a proponent of limiting stallion book sizes to some degree, said it was important to her to look at yearlings by a wide variety of sires.

"I am a big proponent for coming to some kind of agreement with the stallion farms," she said. "I am not saying 140. I am not even saying 180, but to start limiting the books some. So I feel like, if I am going to try to preach to people, then I owe it to the other people to at least look at not all the best stallions. I've looked at all of Chuck Fipke's Danish Dynaformers. I looked at all of his Perfect Timbers. I feel it's important for me, as an agent, to not discount everything when I want the business to move forward in a better direction."

Hip 492 | Fasig-Tipton

Asked if she has been impressed by any of those sires who might be flying under the radar, Valerio said, "I don't know if he's under the radar, but I've bought a **Raging Bull (Fr)**. I do like those. **Cairo Prince** isn't under the radar, but he's underlooked."

More Constitution for Twin Creeks

Twin Creeks Farm, which campaigned **Constitution**, acquired a filly by the sire to add to its Red White and Blue Racing syndicate when farm manager Ryan Bardin bid \$350,000 for **hip 620** from the Woods Edge Farm consignment Tuesday at the October sale.

"She is an outstanding physical," Bardin said of the yearling.

Constitution, who won this year's GII National Museum of Racing and Hall of Fame Stakes, as well as this year's GII Beaumont Stakes winner Denim and Pearls (Into Mischief).

Of immediate plans for the syndicate's newest acquisition, Bardin said, “She will ship over to WinStar to get broke. [Twin Creek's] Randy Gullatt will determine who suits her as a trainer.”

Broman Continues to Dream of Derby

Longtime owner and breeder Chester Broman, whose wife **Mary passed away last week** at 88, continues to pursue the couple's shared dream of reaching the GI Kentucky Derby, with advisors Becky Thomas and Carlos Manresa acquiring a pair of yearlings on his behalf during Tuesday's second session of the October auction. Broman purchased a colt by **Tapit (hip 757)** from the Gainesway consignment for \$350,000 and paid \$300,000 for a colt by **Nyquist (hip 729)** from Blandford Stud.

“It has been a dream of his--both his and his wife--to go to the Derby,” Manresa said. “That is something they shared together and that he wants to continue in her legacy. So that is the plan. We are going to continue to buy horses and try to make that dream come true for him.”

Bred by Mark Stansell and **Tapit** Syndicate, hip 757 is out of graded stakes winner River Maid (Where's the Ring) and is a half-brother to Grade I-placed Cocktail Moments (**Uncle Mo**).

“He had a big update, a lot of pedigree, and great physical, especially for a Classic distance,” Manresa said of the yearling, who was bred by Killora Stud.

Thomas purchased a pair of yearlings on behalf of Broman at the Keeneland September sale last month, going to \$1.15 million for a colt by **Gun Runner** (hip 73) and \$325,000 for a son of **Constitution** (hip 836).

GOOD MAGIC COLT A POSTHUMOUS SCORE FOR SCHIPKE

429 colt **Good Magic** Malibu Dawn **270,000**

Consigned by Eaton Sales, agent

Purchased by Mahmud Mouni

Roger Schipke purchased Malibu Dawn, with this colt in utero, for \$100,000 at the 2022 Keeneland November sale, but sadly didn't get to see the yearling hit a homerun for his breeding operation Tuesday. Schipke, who campaigned Grade I winner Ops Smile, **passed away in April** at the age of 87.

"This horse always excited us and we thought he was going to be good," said Schipke's advisor Bill Landes of Hermitage Farm. "He was scheduled for September, but he developed a skin disease on his pasterns about three weeks prior to the sale and was just not going to look all he could be in that time frame. So we scratched him out of September, and to Mrs. [Joyce]

Schipke's good fortune, entered him in October."

Landes continued, "There is such a thing as an equine dermatologist, if you can imagine, and her name is Dr. [Julia] Miller. She came up with ideas and creams and they worked. They settled the disease down and the horse was turned out attractive and as good as he could be. Kudos to the Hermitage Farm crew that got him there and for [Eaton Sales'] Reiley [McDonald] for holding my hand and saying, 'Bill, it will be all right.' I told Reiley and Mrs. Schipke this is not a financial deal. It is an emotional deal. Mrs. Schipke wanted Roger's investment to turn out and it sure did."

Of Schipke's purchase of Malibu Dawn in 2022, Landes said, "He picked her out. Our farm manager Brian Knippenberg OK'd the physical for him and actually did the bidding to buy her. We foaled the mare and raised the baby."

The 8-year-old Malibu Dawn produced a colt by **Liam's Map** this year and the weanling is catalogued as **hip 2334** with the Hermitage Farm consignment at next month's Keeneland November sale.

"I promised Joyce when Roger died that I would see this through for her," Landes said.

The mare did not get in foal this year.

"We bred Malibu Dawn to **Practical Joke** the day Roger passed," Landes said. **Cont.**

- Through two sessions of the Fasig-Tipton October sale, 544 yearlings have sold for \$28,753,000 for an average of \$52,855 and a median of \$20,000. The buy-back rate stands at 20.1%.
- At this same point of the 2023 auction, 520 yearlings had grossed \$24,157,300 for an average of \$46,456 and a median of \$22,000. The buy-back rate was 24.9%.
- With an additional 10 yearlings selling for \$300,000 or more Tuesday, the two-day total to hit that mark stands at 15. There were 10 to reach that threshold through two days in 2023. Through two days, 34 yearlings have sold for \$200,000 or more, up from 24 at the same point last year.
- Bloodstock agent Alistair Roden made the highest bid of the first two sessions of the October sale, going to \$550,000 to acquire a colt by **Curlin** from the Taylor Made Sales Agency consignment on behalf of owner Mark Breen. The yearling was bred by Stonestreet Thoroughbred Holdings and is a half-brother to multiple graded winner Royal Charlotte (**Cairo Prince**).
- **Charlatan** was represented by the top-priced yearling by a first-crop sire when a colt by the stallion sold for \$300,000 to Jones/Everett, agent from the Summerfield consignment.

- Longtime owner/breeder Chester Broman, whose wife Mary passed away last week, continued to pursue their shared dream of reaching the Kentucky Derby, purchasing a son of **Tapit** for \$350,000 and a colt by **Nyquist** for \$300,000.

That would have seemed a ridiculous price when she stood in the Fair Grounds winner's circle after her debut in a turf sprint in 2010. For the ability she had revealed made plenty of sense: she was by Giant's Causeway out of an unraced Seeking the Gold half-sister to G1 Prix de l'Arc de Triomphe winner Peintre Celebre (Nureyev).

Unfortunately Elle Special did not consolidate. In fact, she ended up running under a tag at Mountaineer, albeit she'd won a couple of minor races in the meantime. Calumet was able to buy her for \$20,000 on retirement, and she made the most of such chances as she had there: her first foal, by Eye of the Leopard, managed a couple of wins in Mexico. **Cont.**

Her second, a son of Raison d'Etat, won at Keeneland and Churchill before being beaten barely a length in his solitary try in graded company. Elle Special's next registered foal, in 2017, did better yet. A son of Oxbow sold for just \$6,000 as a yearling, he remained unraced when Reed bought his dam but subsequently emerged as Hopeful Treasure to win the GIII Fall Highweight Handicap at Aqueduct.

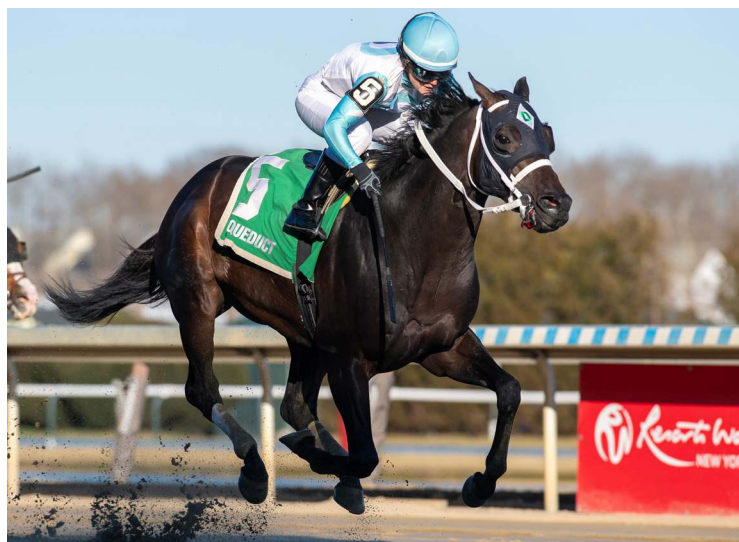

Now the fact is that Reed and Tiffany Zammit have finite resources at TCR Ranch. They graze only a handful of mares on 100 acres, 20 minutes southwest of Keeneland, yet have bred a bunch of stakes horses over the years. The expertise required to do so was demonstrated in finding this mare, but sadly yielded scant reward. First they received just \$11,000 for Elle Special's short yearling by Lord Nelson, that luckless sire having just succumbed to his final health crisis, at the 2022 January Sale. And then real disaster struck, a few weeks later, when they lost the mare and her last foal together.

Dresden Row | Michael Burns

Dresden Row is therefore the bequest of two tragic parents in Elle Special and Lord Nelson. He elevated his value to \$70,000 when pinhooked to True North Stables at OBS last year; and has really thrived for Lorne Richards, winning five of his last six including the GIII Durham Cup against his elders and now Saturday's big race.

His talent rewards quite a gamble in the choice of Lord Nelson for Elle Special, both being out of Seeking the Gold mares. But a similarly concentrated formula has produced another of Lord Nelson's principal talents, **Super Chow**, a triple graded stakes winner this year. Not only is his damsire Warrior's Reward out of a Seeking the Gold mare; Super Chow's granddam is actually full-sister to Lord Nelson's, both by Southern Halo out of Argentinian blue hen Miss Peggy (Arg).

Super Chow | Sarah Andrew

Anyhow the net result, for Dresden Row, is wonderful quality through the third generation: besides Seeking the Gold twice, the other gentlemen in the equation are Storm Cat and A.P. Indy; while the four ladies are the aristocrat Preach (another representative for Seeking the Gold's sire Mr. Prospector); Argentinian champion Miss Linda (Arg) (Southern Halo); matriarch Mariah's Storm (Rahy); and Peintre Bleue (Alydar), whose champion son Peintre Celebre was only the icing on a sumptuous Wildenstein cake. Herself winner of the GII Long Island Handicap, she produced a further series of black-type performers and/or producers, the most recent being granddaughter **Pensee Du Jour (Ire)** (**Camelot {GB}**), a Group 2 winner in France this year. **Cont.**

Breeding Digest, cont.

That this is no accident can be judged from TCR Ranch offerings at the imminent Keeneland sale. Smarthalf (Smart Strike), already responsible for graded stakes performer Clayton (Bodemeister), is out of an A.P. Indy half-sister to champion juvenile filly Halfbridled (Unbridled). Offered as **Hip 2445** in foal to **Maclean's Music**, she'll be followed into the ring by her Goldencents colt. And look out for **Hip 1795**, a son of highflying **McKinzie** out of another Calumet cast-off, Dram Girl (English Channel). This mare, out of Grade I winner Notable Career (Avenue of Flags), was found at the same sale as Elle Special and nearly as cheaply.

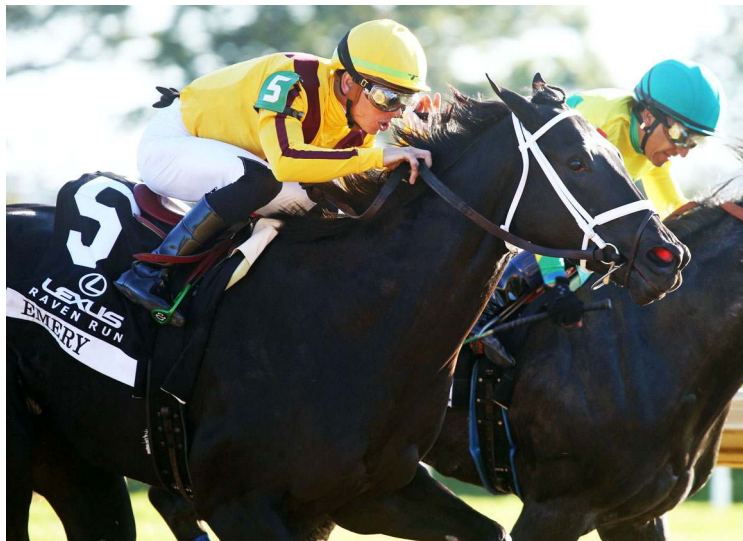

She was carrying a son of Big Blue Kitten who has gone on to black-type success, a rare distinction for his sire. So while a cruel fate has denied Dresden Row's breeders the chance to capitalize on his dam, perhaps the acuity they showed in taking her from Calumet will instead pay off with this parallel project.

CLEVER AND NOT SO COSTLY

No surprise to see **Emery** (More Than Ready) continuing to thrive, the GII Raven Run Stakes winner having laid down her foundations at Nursery Place. Her ongoing success will remind prospectors to check out that exemplary farm's weanling consignment back at the Keeneland November Sale, where she was found by the Stonestreet team for \$235,000 three years ago.

It was obvious that they were delighted with her progress when they returned in 2022 to pick up her dam Athena (**Street Sense**) for only \$130,000, with an Improbable filly on board.

Athena had carried the silks of Emery's breeder Mary Grum through a 7-for-27 track career featuring three stakes wins on dirt between six and eight furlongs. That made her much the

Emery | Coady Media

best of the otherwise modest winners out of an unraced Rock of Gibraltar (Ire) half-sister to Peeping Tom.

Winner of the GI Carter Handicap, and twice placed in the GI Met Mile while banking over \$1.4 million, Peeping Tom was ingeniously named as a son of Eagle Eyed out of the Nasty and Bold mare Artful Pleasure. Herself graded stakes-placed, Artful Pleasure was among several talented performers and/or producers out of Clever But Costly (Clever Trick): her siblings included GI Futurity Stakes winner Traitor (Cryptoclearance); GII Pennsylvania Derby winner Sun King (Charismatic); four-time graded stakes scorer Ocean Drive (Belong To Me); and the unraced dam of two multiple graded stakes winners.

That's a major family to have fallen rather fallow for a generation, but the embers have been stoked now and Stonestreet will doubtless ensure that More Than Ready's growing (and global) legacy as a broodmare sire will someday be enhanced by Emery. Already this month his daughters have produced elite winners **Carl Spackler (Ire)** (Lope De Vega {Ire}) and **She Feels Pretty (Karakontie {Jpn})**.

In the meantime Emery's emergence has consoled the purchasers of Athena's previous foal, a **Candy Ride (Arg)** filly, for \$210,000 at the 2021 September Sale. She never made the racetrack, but now finds herself a radiant broodmare prospect in returning to Keeneland as **Hip 1094**, in foal to **Up to the Mark**.

DAMSIRE DOUBLES UP IN DOWAGER

More Than Ready's big month as a broodmare sire last weekend prompted a similar posthumous push by Giant's Causeway. As already noted, one of his daughters produced Dresden Row--and next day two others sent out fillies to share a photo for the GIII Dowager Stakes. (For good measure, the third home was by his son **Not This Time**.)

Julia Tuttle, who's out of a sister to **Candy Ride (Arg)**, has already produced **Tom's d'Etat** by Smart Strike, and her daughter **Forever After All (Connect)** is similarly thriving with maturity. She took nine attempts to break her maiden but here failed by just a nose against millionaire **Chop Chop (City of Light)**.

The winner is out of Grand Sofia, an unraced half-sister to GI Hollywood Gold Cup winner Rail Trip (Jump Start) who failed to meet her reserve at \$875,000 carrying a **Flightline** colt at

Fasig-Tipton last November. We'll have to see how ambitious connections of Chop Chop prove when she appears in the same ring; while her 3-year-old half-sister by Omaha Beach, Sweet Miss Maggie, sells at Keeneland [**Hip 1635**].

City of Light, incidentally, had been indebted to yet another daughter of Giant's Causeway for a further turf winner, Fearless Soldier, at Santa Anita only the previous day. More important, perhaps, was an impressive debut last Thursday by **Uncle Jim**, on the same Keeneland dirt that saw another **City of Light** juvenile, **Filoso**, claim a Grade I podium earlier this month. Valuable fresh blood, then, to back up **Mentee**--who somewhat

emulated his boom-bust brother **Fierceness** when bouncing back from his GI Hopeful eclipse with a graded stakes success at Belmont earlier this month. **Cont.**

THE CHOSEN VRON TO MISS BREEDERS' CUP

The Chosen Vron | Benoit

Two-time GI Bing Crosby Stakes winner **The Chosen Vron** (Vronsky), who holds a 'Win and You're In' berth for the GI Breeders' Cup Sprint Nov. 2, will bypass the race, according to a [report by Zoe Cadman on X](#). Cadman, part of the team who hosts the TDN Writers' Room Podcast, attributed the news to The Chosen Vron's co-owner John Sondereker.

The Chosen Vron won six straight after a fifth behind champion **Elite Power** (**Curlin**) in last year's Breeders' Cup Sprint and most recently finished second by a neck in the Aug. 24 Gil Pat O'Brien Stakes at Del Mar. The California Horse Racing Board (CHRB) placed the 6-year-old gelding on the vet's list Monday due to "unsoundness" at Santa Anita.

A 17-time black-type winner, The Chosen Vron is trained by J. Eric Kruljac and campaigns for Kruljac, Sondereker Racing LLC, Robert S. Fetkin, and Richard Thornburgh.

JUDDMONTE SETS 2025 FEES FOR ELITE POWER, MANDALOUN

Elite Power | Sarah Andrew

The American division of Juddmonte Farms, which currently stands two young stallions, has announced stud fees for 2025, according to a release Tuesday afternoon.

Elite Power, a two-time Eclipse champion sprinter as well as a dual GI Breeders' Cup Sprint winner, will stand for \$50,000, stands and nurses. It represents the same introductory fee he stood for in 2024, his first season at stud. His first foals will arrive next spring.

2021 GI Kentucky Derby winner **Mandaloun**, whose first foals are weanlings this fall, will stand for \$15,000, stands and nurses. While **Elite Power**, by **Curlin**, was a \$900,000 Keeneland September purchase by Juddmonte, **Mandaloun**, by Into Mischief, is a four-generation Juddmonte homebred.

"We were very pleased with **Elite Power**'s first book of mares. They really are a stellar group," said Juddmonte USA's General Manager Garrett O'Rourke. "Mandaloun, who will have his first foals offered for sale next month, appears to have some standouts here on the farm."

FACING CORRUPTION ALLEGATIONS, PTHA DIRECTORS SAY CHARGES 'HAVE NO BASIS IN FACT OR REALITY'

by T.D. Thornton

Seven of the 11 directors of the Pennsylvania Thoroughbred Horsemen's Association (PTHA) filed a legal response Monday that denied sweeping allegations of corruption and cronyism that were made last month by the PTHA's current president and another board member.

Facing a petition in the Court of Common Pleas of Bucks County, Pennsylvania, that seeks to use a state business corporations law to remove those seven directors from the PTHA board, the respondents stated in their Oct. 21 filing that the petition should be denied "because it is both legally and factually deficient."

Back on Sept. 6, PTHA president Bob Hutt and board of directors member John Julia, both elected in 2022, initiated legal action to try to correct what they alleged was years of mismanagement "by self-interested Directors with conflicting goals who conducted themselves without regard for their fiduciary obligations to PTHA and to the member Horsemen that it dutybound to represent."

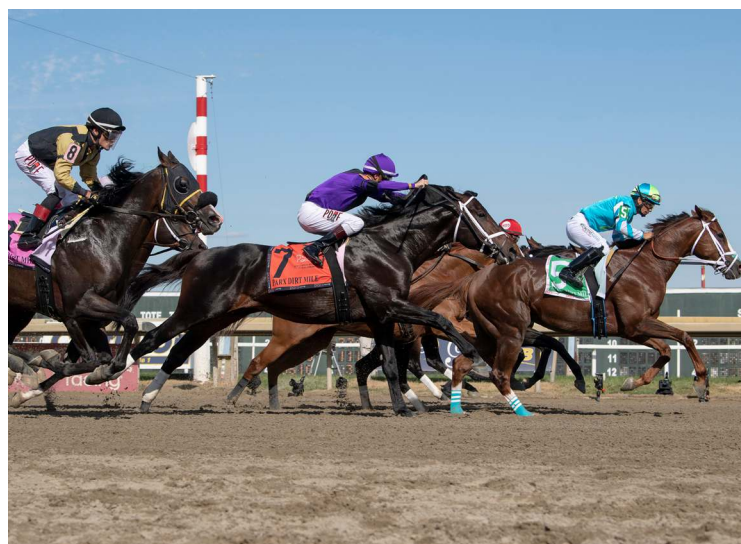

Among the allegations were charges of obstruction to corruption investigations and more than a million dollars of "illicit and disguised ghost consulting payments" and "lame duck" contract awards that were purportedly authorized by and at times reportedly made to the PTHA's past president and the organization's current executive director.

The petition alleged that those board members failed to carry out duties they were elected to perform on behalf of the 2,500 owners, breeders and trainers that the PTHA represents at Parx.

The directors that Hutt and Julia want removed are Jeffrey Matty, Jr. (who also is under contract to work as the PTHA's executive director), Kathleen DeMasi (the PTHA's vice-president), Charles Asensio, Jack Armstrong, Scott Lake, Robert Reid, Jr., and John Servis.

Those seven directors led off their Oct. 21 legal response by alleging that Hutt and Julia have failed to comply with a requirement in the law they are trying to use to remove the directors that relates to judicial supervision of corporate action.

"More importantly," the respondents continued, "the Petition is riddled with falsehoods that can (and will) be easily disproven." **Cont.**

Parx Racing | Sarah Andrew

PTHA directors, cont.

The legal response continued: "Although [the petition] rails against the alleged misdeeds of Mr. Hutt's predecessor as President of the Association [Salvatore DeBunda, who had served four consecutive three-year terms as president and a total of nine terms on the board of directors before Hutt won the presidency via election], it fails to allege any material ongoing conduct that substantiates the severe relief that the Petition seeks. Of the little that is alleged in the Petition that is actually purportedly 'ongoing,' the allegations are vague, conclusory and have no basis in fact or reality."

Hutt and Julia's petition stated that the seven so-called legacy directors "have created a voting block that, notwithstanding the fiduciary obligations each Director owes to PTHA, routinely vote to ignore, condone, and conceal past misconduct, perpetuate ongoing misconduct, and prevent PTHA, under the leadership of [Hutt], from taking timely and effective action to enforce its rights and recoup its losses."

The allegations made by Hutt and Julia do not constitute a criminal complaint, nor are the petitioners attempting to use the court filing to recover any purportedly misspent money.

But the aggregate amount of money that Hutt and Julia allege is linked to purported malfeasance reaches beyond seven figures, and it is possible that as the civil case proceeds, it could generate interest from law enforcement that might result in separate criminal charges.

HEART OF HORSE RACING SEEKS TO TELL A DIFFERENT STORY *by Dan Ross*

Horse racing has a PR problem. Tina Bond has a possible solution.

"It's to create a new narrative and to help elevate the sport," said Bond, president of the New York Thoroughbred Horsemen's Association (NYTHA), and the mastermind behind **The Heart of Horse Racing**, a new campaign--one undergoing something of a soft launch--to cultivate new followers to the game by sharing the stories of those already in it.

In the campaign's own words, "our mission is to win over the hearts and minds of a new generation of fans while nurturing the passion of our existing community."

In Bond's own words, "there's just so much opportunity for us to share our stories, we're just not very good at it," said Bond, highlighting the fractured nature of the sport. "We're not like the NFL or baseball or soccer that's centralized. You have all these different tracks and all these individual trainers are individual businesses. This is a [unified] movement, and I think it's desperately needed."

Tina Bond with Ruffino | Courtesy Tina Bond

The campaign has begun with a three-minute video containing name brands like Jena Antonucci, Todd Pletcher and Frankie Dettori discussing just what it is about horse racing that makes their roles less of a job and more of a vocation. The video has already played on The New York Racing Association's (NYRA) America's Day at the Races.

"I think this is a good time to launch it prior to the Breeders' Cup. Maybe it'll get some traction at that kind of level," Bond said, of the timing of the campaign's roll-out. "We started it in New York but it's going to go across the country, because it impacts the entire Thoroughbred industry."

The firm Bond hired to manage the campaign--the New York-based FINN Partners--has something like 10 hours of footage recorded this summer at Saratoga, she said, mainly interviews with trainers, jockeys, owners and others in the industry.

"All of these things will be ready to go, whether it's on YouTube channel or through social media, but I think there'll be a lot more video content. I think the video is important--that's what people gravitate to," she said.

Where does the project go from here? The answer lies with the industry itself, said Bond. "We need to get people to support it," she said. "There's a lot of work that we can do to reach people that we've never reached before."

NYTHA has already thrown its money and weight behind the project, she said. Fasig-Tipton and the Thoroughbred Owners and Breeders Association (TOBA) have also voiced interest in the venture, she added.

"We don't yet have a big budget to go on the national level," Bond said. "We have to build ambassadors for this and get sponsors." **Cont.**

Heart of Horse Racing. cont.

Bond has talked partnering with the figures behind the recently launched **Light Up Racing**, its mission statement to educate stakeholders in how to best manage difficult conversations with those from outside of the sport. **Safety Runs First** is another relatively new program focused on equine welfare.

"This is the hook," said Bond, of the role The Heart of Horse Racing can play in conjunction with those other two twin programs. "This will hook people in."

Interestingly, Bond doesn't believe public attitudes towards the sport are as intractable as many stakeholders suspect--nor as bleak.

Jena Antonucci | Sarah Andrew

According to research conducted for the campaign, only 1.3 % of horse racing media coverage is negative. Some 62% of people asked had favorable perceptions of the sport, while only 10% held a negative one.

As for some of the obstacles to cultivating and growing a new audience, only 21% of those asked believed the sport is family friendly and inclusive, more than one-quarter harbored horse welfare concerns, while 42% of potential fans identified not knowing how to access the sport as the biggest barrier to participation.

Ultimately, 40% said they were "most interested" in experiencing the racetrack for themselves.

"I think we often miss that selling point," Bond said, of the way the sport is too often marketed as a game of gambling, rather than one geared around the horse.

"But the horses have a short career, usually, at the top level. That's why you've got to make the jockeys a focal point, and their love for the horses. And you make the trainers a focal point, and their love for the horses. Then you have the owners," said Bond.

"I don't know exactly what we need to do to launch this and take the industry to the next level, but we need to reinvent ourselves," said Bond. "As Jena [Antonucci] says, this is not your grandpa's sport. This is not your dad's sport. This is our sport. So, we have to do this now or we're going to miss the boat--we can't get any more obsolete."

Anyone looking to partner with The Heart of Horse Racing can contact Bond directly: theheartofhorseracing24@gmail.com

HOOLIGANS HURL DEBRIS AT HORSES AND JOCKEYS; RACES ABANDONED AFTER DQ AT JAMAICA'S CAYMANAS PARK by T.D. Thornton

The "Heroes Day" program at Caymanas Park on the island of Jamaica had to be called off after the second race Oct. 21 when hooligan racegoers reacted violently to a controversial stewards' disqualification of an odds-on winner by upending garbage bins, hurling debris at horses and jockeys on the track and in the winner's circle, and blocking the tunnel between the paddock and the track.

"After an initial announcement that the third event was abandoned, the day's meet was officially called off by the stewards, citing safety concerns," the Jamaican news service *The Loop* reported.

The social media account of CVM-TV in Jamaica posted a series of videos of Monday's disturbance [here](#).

John W. Banagan/Getty Images

The Jamaica Racing Commission's general manager, Richard Longmore, told CVM-TV, "It's rather unfortunate that this occurred on a 'Heroes Day' race meet. The public was not very much in agreement [with the stewards' decision]." **Cont.**

Caymanas Park, cont.

"Some of our punters did not see where there was anything for the disqualification which led to the series of events that occurred....Eventually we saw the need, with the racing promoter, due to the safety and concerns in terms of what was happening, to abandon.

"One of the things we have noticed and what is a concern to us is that the betting public is very much a part of the fabric of our racing industry and we want to ensure that at all times our decisions are in alignment with international best practices. It is for that reason, we will be looking into the matter," Longmore said.

500K KINGMAN AND NIGHT OF THUNDER COLTS LEAD THE WAY AT ARQANA OCTOBER

Paddy Twomey signs for lot 13, a son of **Kingman** and one of the €500,000 co-toppers | Zuzanna Lupa

by Alix Choppin

While torrential rain had poured over Deauville in the last few days, a late summer atmosphere floated around the Arqana sales complex when the first lot made its way through the ring for the October Yearling Sale. In the wake of buoyant renewals of the Tattersalls October Book 1 and Book 2 sessions, the opening day set new records for both average and median price, at €104,882 (+15%) and €73,500 (+5%), respectively. Eighty-six percent of the 197 yearlings on offer changed hands, a 4% increase from a year ago, and they grossed a combined €17,830,000, up 11%.

Such whopping figures owed a lot to the impressive rise in the number of horses to command €300,000 or above. Only three achieved this feat in 2023 while there were 10 of them this year, headed by a pair of colts who were knocked down for €500,000 apiece.

Lot 13, a brown son of **Kingman** (GB) (Invincible Spirit {Ire}) from the draft of Andreas Putsch's Haras de Saint-Pair, caused an early stir when reaching the half-million mark on a bid from Jason Kelly and Paddy Twomey. **Cont. p3**

RETURN OF MARES SHOWS A SIX PERCENT DECREASE IN THE FOAL CROP OF 2024

This year has seen a 6% decrease in the number of live foals registered to date in the General Stud Book, according to the *Return of Mares*, which has been published by Weatherbys. The returns to September 30, 2024 show that a total of 12,578 foals have been born in Britain and Ireland, 840 fewer than the 2023 figure of 13,438.

It marks the first time in the last decade that the overall foal crop has fallen by more than 4% from one year to the next. The 6% drop is consistent both in Britain, where the number of live foals has decreased to 4,074 (from 4,356), and in Ireland, where the reported figure is 8,504 (from 9,082). Britain had previously noticed the most significant decline during Covid when the number of live foals fell from 4,655 in 2019 to 4,236 in 2020, a decrease of 9%. **Cont. p7**

Arqana October Cont. from p1

His dam Via Pisa (Fr) (Pivotal {GB}) was a great colourbearer for Saint-Pair, winning a duo of Listed races and running third in the G1 Premio Lydia Tesio under the care of Freddy Head.

"He is for an existing client, said Twomey, who successfully transitioned from pinhooking and breeze-up consigning to full-time training in 2016. "I am delighted to have been able to buy this magnificent colt from a very good farm."

Twomey has been in a fine position to assess the quality of Haras de Saint-Pair's stock as his best horse to date, the G1 Matron Stakes heroine Pearls Galore (Fr) (Invincible Spirit {Ire}), was a homebred of Putsch's operation. The granddaughter of Saint-Pair's foundation mare Pearly Shells (GB) (Efisio {GB}) was sent to Twomey on the back of her 2-year-old campaign where she was unplaced in two starts for Freddy Head. She won seven of her 13 starts for Twomey including a couple of Group 3 events, the G2 Lanwades Stud Stakes and also took second in the G1 Prix de la Forêt and Matron Stakes.

Pearls Galore was beaten by Godolphin's Space Blues (Ire) (Dubawi {Ire}) on two occasions, in the Group 1 Prix de la Forêt, where the mare had two lengths to find in second, and a month later in the GI Breeders' Cup Mile at Del Mar, where she was beaten three lengths in sixth. Understandably Putsch was keen to support the new Kildangan Stud resident, and that decision was handsomely rewarded when lot 17, the first foal out of Wismar (Ger) (Soldier Hollow {GB}), a Group 3 performer in Germany, commanded €420,000 from Ross Doyle.

"He is a great physical, the agent said. We saw him three or four times and liked him every time. I've been very taken by the Space Blues, we bought a few at this year's yearling sales. This one is for Stall Perlen and will go into training with Pia Brandt."

Chappet & Moran Aiming For Victory

The same price tag was achieved minutes later by another first-crop stallion who did his racing in the Godolphin colours. Victor Ludorum (GB) (Shamardal) stood at Julian Ince's Haras du Logis when lot 22 was conceived, but the Group 1-winning juvenile has now been relocated to Haras d'Etream. The half-brother to classy three-year-old Jayarebe (Fr) (Zoffany {Ire}), who only found Economics (GB) (Night Of Thunder {Ire}) too good in the G2 Prix Guillaume d'Ornano and won the G2 Prix Dollar on Arc weekend after the catalogue was printed, was knocked down to trainer Fabrice Chappet and owner Jean-Christophe Moran.

Fabrice Chappet (I) and Jean-Christophe Moran | Zuzanna Lupa

Moran's first ever thoroughbred purchase came in the same ring only five months ago when he spent €400,000 on a Too Darn Hot (GB) filly at the Arqana Breeze-Up Sale. Named Morena Queen (Ire), she opened her account at third asking last month and is entered in the G3 Prix Eclipse at Chantilly next Saturday.

"I used to race trotters and was keen to try thoroughbreds," said Moran after signing for the Haras d'Ombreville offering. "This yearling is by a young sire but he has great balance. His brother is very talented and was only beaten by Economics on his penultimate start. I have great confidence in Fabrice Chappet who is a very competent trainer."

The son of Victor Ludorum and stakes winner Alakhana (Fr) (Dalakhani {Ire}) was bred by Oliver Pawle, a long-time member of the Thurloe Thoroughbreds syndicates who branched out as a breeder in his own name. Pawle sent a few broodmares to Céline Gualde's Ecurie Cap Orne and the first of the resulting foals with a career on the Flat in mind was Jayarebe.

Barberot Finds A Night To His Liking

Deauville-based trainer Yann Barberot is becoming increasingly prominent in Group races in France and beyond, as exemplified by the consistent Beauvatier (Fr) (Lope de Vega {Ire}) who caught the eye when third to Ramatuelle (**Justify**) in the G1 Prix de la Forêt and was only beaten half-a length in fourth in the G1 QIPCO British Champions Sprint Stakes. And he certainly made his presence felt around the sales ring when offering half a million for a Night Of Thunder (Ire) colt (lot 153), the first foal out of Listed performer Paramount (Fr) (**Siyouni** {Fr}). Bred by Ecurie des Monceaux, Paramount was purchased by Prime Equestrian for €140,000 at the 2017 Arqana August Yearling Sale and retired to their Haras du Mont dit Mont at the end of her racing career. It was the second-highest price ever achieved by a yearling offered by Mont dit Mont.

"I have bought him for a new client," said Barberot, who spent €1,085,000 on five yearlings overall, filling the runner-up spot in the buyers' standings. "He was my pick of the sale."

Kinane Strikes For Wootton Bassett Colt

Wootton Bassett (GB) has enjoyed another stellar season on the track thanks to the likes of Group 1 horses Camille Pissarro (Ire), Al Riffa (Fr), Henri Matisse (Ire) and unbeaten Group-winning juvenile and 'TDN Rising Star' Maranoa Charlie (Fr) among others. His yearlings commanded up to 4.3 million guineas at Tattersalls earlier this month and demand showed no signs of abating in Deauville. Mick Kinane went to €400,000 for lot 52, a colt out of a winning daughter of Oaks runner up Wonder Of Wonders (Kingmambo) offered by La Motteraye Consignment.

"He was a nice colt, but expensive," said the Hong Kong Jockey Club international bloodstock advisor. **Cont. p5**

Arqana October Cont.

He added, "I've been trying to find Wootton Bassetts in the last few weeks but the market was very strong, so I am very happy to get him. Hopefully he can repay on the track. We're looking for sound horses for Hong Kong. We need to pre-train them and sell them on at auction so it's a long way and a big gamble, but it's a service that the Hong Kong Jockey Club wants to be able to provide to its members. Anything that I got from Arqana seems to have made it to Hong Kong and raced so I'm always here trying to find more horses."

Mission Possible For McStay

Paddy Twomey (l) and Mark McStay | Zuzanna Lupa

Later in the afternoon, a filly by the same sire out of Group 2 Prix de Sandringham heroine Mission Impassible (Ire (Galileo {Ire})) (lot 129) was knocked down to Mark McStay of Avenue Bloodstock, standing alongside Paddy Twomey, for €360,000.

"She is a beautiful filly who was immaculately presented by Etreham," said McStay. "Obviously, **Wootton Bassett** needs no introduction; he's had another brilliant season and is a brilliant sire of fillies. The mare was a superb mare, she won a Sandringham and was second in a Group 1.

"She's been purchased to go into training with Paddy Twomey for a couple of existing clients. Steve and Debbi Weston's Parkland Thoroughbreds in Florida--they are part owners of Porta Fortuna and [Steve is] a very lucky man--they've taken a piece of her along with an Irish client of mine. Let's hope she's lucky for Paddy. She's a lovely filly, she was the one we really wanted to buy and we had to dig a bit deeper to get her. She's got the pedigree, she's got the sire, she's got the physique. A lot of the lads were after her and we're delighted to get her."

Monceaux On Top Again

Ecurie des Monceaux topped four out of the last five renewals

of this session and this year made no exception, with their 26 offerings bringing a combined €3,140,000. A daughter of Dark Angel (Ire) out of the stakes-winning mare Easter Lily (Ire) (Galileo {Ire}) (lot 53) was notably knocked down for €300,000 to Trevor Harris's One Agency, while a filly by **Sea The Stars (Ire)** out of White Satin Dancer (Ger) (**Oasis Dream {GB}**) (lot 16) sold for €380,000 to Anthony Stroud who was seated next to Jane Chapple-Hyam and Peter Harris. The trio made the headlines this year courtesy of Mill Stream (Ire) (**Gleneagles {Ire}**), a 350,000 guineas purchase at Tattersalls who went on to win the July Cup Group 1.

"She is a gorgeous filly from a very good farm," Stroud commented. "Her 2-year-old brother made a nice debut. She is going to Jane Chapple-Hyam."

The sibling in question is a son of **Wootton Bassett** and commanded €720,000 from MV Magnier at last year's Arqana August Yearling Sale. Named First Wave (Fr), he was only beaten a neck on his first racecourse appearance for Aidan O'Brien, October 5, and the winner Expanded (Ire) (**Wootton Bassett {GB}**), went on to take a close second in the G1 Dewhurst Stakes.

Stroud also signed at €320,000 for a Space Blues half-brother to Group 3 victress Elounda Queen (Ire) (**Australia {GB}**) from the late Lady O'Reilly's Haras de la Louvière (lot 85) and ended the day as leading buyer with a shopping list of seven horses for a total €1,770,000.

Another farm to enjoy a successful day was Mathieu and Solenn Gouesnard's Haras d'Ombreville, who in addition to the aforementioned Victor Ludorum colt sold a son of Dark Angel bred by Rashit Shaykhtudinov for €320,000 to Federico Barberini (lot 193).

"He was a lovely horse who will stay in France to be trained by Francis Graffard for Sheikh Ahmed Al Maktoum," the agent said. He is by a very hot sire and a lovely individual." [Cont. p6](#)

Pinhooking Fortunes On Tuesday

Of the 208 horses catalogued during Tuesday's session, 12 were pinhooks, and all lots visited the ring. One lot did not meet its reserve and was a buy-back, leaving 11 yearlings marked as sold. Of the latter group, nine made a profit ranging from €14,000 to €200,500.

Two lots lost money. The 11 pinhooks marked as sold were acquired for €776,200 as foals and made €1,160,000 on Tuesday representing a 44.3% return.

We have multiplied the price of the foal by 1.1 and added a running cost of 12,000gns (for foals bought in guineas), £12,500 (for foals bought in pounds) or €15,000 (for foals bought in euros) for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly.

It is worth noting that sometimes a horse can appear to be bought and sold by different names but have actually not changed ownership at all.

The sales runs until Saturday with parts two and three of the catalogue. Sessions will begin at 2 p.m. daily, barring Saturday, Oct. 26, which begins at 11 a.m.

Reigning champion sire **Frankel (GB)** covered another star-studded book of 192 mares at Banstead Manor Stud, including Group 1 winners and producers such as Dar Re Mi (GB), Mecca's Angel (Ire) and Quiet Reflection (GB), who is responsible for this year's leading two-year-old filly by **Frankel**, Lake Victoria (Ire).

FORMER MUNSTER PLAYER LIVING THE DREAM WITH SALES-BOUND GROUP 3 WINNER *By Brian Sheerin*

Johnie Murphy: the former Munster Rugby player is enjoying a great run with Stride Racing | Getty Images

Impressive Eyrefield Stakes winner Sigh No More (Ire) (**Starspangledbanner {Aus}**) will head to the Tattersalls December Mares Sale, according to Johnie Murphy, the former Munster Rugby player who heads Stride Racing.

Sigh No More provided Stride Racing with its greatest day on a racetrack at Leopardstown on Saturday when landing a 40-1 knockout punch to her rivals in that Group 3 contest.

Owned in partnership with Bronsan Racing, the Joseph O'Brien-trained juvenile has now amassed over €125,000 including bonuses for her connections, and will undoubtedly garner plenty of attention at the sales.

"The plan is for her to go to the December Mares Sale at Tattersalls where she will sell on the Monday evening," Murphy said. "We are a trading syndicate and have been doing that for four or five years.

"In our first year, we had a horse called Maritime Wings (Ire)

(**Gleneagles {Ire}**), and he was something of a flagbearer for our trading syndicate. When we started syndicating horses in 2017/18, it was concentrated more on the fun aspect of having horses in training."

He added, "We started at a very low level, just five or six of us, and one of our first horses, Tuamhain (GB) (Mayson {GB}), won three times. We also had a double at the Galway festival one year with a horse called Linger (Ire) (Cape Cross {Ire}), so that was all under the banner of Rugby And Racing. But we predominantly place ourselves in the commercial side of the market now."

It's fair to say that Stride has come a long way in a short space of time. The ownership group has never had more than 10 horses in training, the majority of which have been based with O'Brien, and Sigh No More is the classiest runner that has carried those recognisable brown and pink silks to victory.

"It's incredible, really," Murphy expanded, "because we've never really kept a horse as good as this. After they win, they are usually sold and sometimes for luck these things happen."

He added, "Personally, I think the market has underestimated her all along. She won very impressively at Galway but maybe people were cribbing the ground on the day and that maybe the race just fell apart and she was left to pick up the pieces.

"But that form has worked out very well with the third Right And True (Ire) (**Arizona {Ire}**) going on to win a Listed race. We had a couple of phone calls after Galway but it never materialised into a hardened offer. She's just so tough and genuine, and loves racing, so it allowed us to continue on with her. She's grossed over €125,000 between prize-money and IRE incentives before she sets foot in the ring so it has all been for luck."

There was a certain amount of luck involved in Sigh No More racing for Stride and Bronsan Racing in the first place. Originally bought by Paddy Twomey for €60,000, she was returned to the vendor Barronstown Stud at the Goffs Orby Sale last year. It was at that point where Murphy says current connections spied an opportunity to race the well-bred sister to black-type performers Neptune Rock (Ire) (Muhaarar {GB}) and Unreasonable (Ire) (**No Nay Never**).

He explained, "She just got spun on the day for whatever reason. We very much act in that space, with horses who qualify for auction races. We followed her into the ring and €50,000 is where we valued her. She made more than that but obviously got spun. We decided to take a chance and, with her pedigree, Joseph trained a lot of the family and we felt that it was a pretty secure bet. We forgive some things that people at a higher level of the market probably wouldn't but pedigree is very important to us and, once it's there on the page, there is always going to be some level of residual there." **Cont. p9**

Sigh No More | [Racingfotos.com](https://www.racingphotos.com)

Johne Murphy Cont.

Murphy enjoyed a long and distinguished rugby career, earning 99 caps for Leicester and a further 93 appearances for Munster. A sportsman to the very core, his endeavours in racing have kept his competitive spirit alive in retirement and, frankly, filled the void that comes with hanging up the boots.

"One hundred per cent," the Kildare native said when asked if racing has been a helpful outlet in retirement. "I grew up going racing and my father had plenty of good ones when I was younger so I was bitten by the bug pretty early. When I retired, the first horse we syndicated was purely to keep in contact with some fellow players.

"But I'd be of the opinion that one hundred per cent of the opportunities that you don't take never materialise into anything, good or bad, so when I was given an opportunity to push on and grow the syndicate, my personality would lend itself towards taking those chances. If it works out, brilliant, and if not, at least you tried. Given my background in professional sport, you have to back yourself and thankfully it's materialised and we've had a bit of luck but then again we've great people behind us backing the model and backing what we do."

WHIRL TAKES THE STAFFORDSTOWN FOR BALLYDOYLE

by Tom Frary

All eyes were on Ballydoyle's 10-11 favourite **Giselle (Ire)** (**Frankel {GB}**) ahead of Tuesday's G3 Staffordstown Stud Stakes, but it was the stablemate **Whirl (Ire)** (**Wootton Bassett {GB}**--Salsa {Ire}, by Galileo {Ire}) who came up with the goods to edge The Curragh's mile feature. Sent straight to the front by Wayne Lordan from the outset, the relative of Galileo's star mares Hydrangea (Ire) and Hermosa (Ire) kept digging in as **And**

So To Bed (Ire) (Kodiak {GB}) threatened and briefly headed her in the final furlong to re-assert close home and score by half a length. **Celtic Motif (Ire)** (**Saxon Warrior {Jpn}**) was three quarters of a length away in third, with Giselle a short head behind in fourth having over-raced early.

"Ryan's filly [Giselle] was a bit babyish and a bit green. He was trying to teach her, which was the right thing to do, but Wayne's filly has more experience, she got out there and is tough and found plenty," Aidan O'Brien said. "It's amazing with those Wootton Bassetts, one after another they are coming. They just get better the more you train them."

Adding of Giselle, "Ryan was delighted with her. He said she wasn't there yet, he said she got there and got a little bit tired with him. She had a big hold-up. The experience will do her good for next year."

Pedigree Notes

Whirl, who was fourth on debut behind Red Letter (GB) (**Frankel {GB}**) in a seven-furlong maiden here in July and was fifth in York's Convivial Maiden Stakes a month later before opening her account at Doncaster's St Leger meeting, is the first foal out of the stable's Salsa (Ire) (Galileo {Ire}) whose sole win came over a mile. She is a full-sister to the aforementioned 1,000 Guineas and Irish 1,000 Guineas heroine Hermosa and the G1 Matron Stakes and G1 British Champions Fillies & Mares Stakes heroine Hydrangea and also to the G1 Rawson Stakes scorer The United States (Ire).

Hermosa is now responsible for this month's G3 Eyrefield Stakes runner-up Trinity College (Ire) (Dubawi {Ire}), while Hydrangea produced the weekend's G1 British Champions Fillies & Mares Stakes runner-up Wingspan (Ire) also by Dubawi who captured the Listed Hurry Harriet Stakes earlier in the season.

From the Kilfrush Stud family of Zafonic's sire Zipping (Ire) and Last Tycoon (Ire) et al, Salsa's 2023 colt and 2024 filly are also by **Wootton Bassett**.

ownership of Sands Of Mali continued in the High Court on Tuesday.

Parkin and Foley, the owner of Ballyhane Stud, where Sands Of Mali (Fr) is based, severed ties back in March. At the time, the Clipper Logistics boss Parkin moved stallions Space Traveller (GB) and Asymmetric (Ire) from Ballyhane Stud to Starfield Stud.

The court was told on Tuesday that Sands Of Mali, who sits third in the first-season sires' championship with 18 wins in Britain and Ireland, has an estimated value of €2.4 million.

Parkin and a UK-registered company, Clipper BCS LLP, says that he bought Sands Of Mali for £270,000 [€323,000] in August 2020. He disputes the claim made by Foley that the horse is owned 50-50 and say that the horse is being unlawfully and wrongly held at Ballyhane Stud.

The case, which was brought before the High Court last week, returned before Mr Justice Oisín Quinn on Tuesday where Robert Beatty SC, acting on behalf of Parkin, said the matter could be adjourned for the defendants to file affidavits and for the plaintiffs to file any replying affidavits.

Remy Farrell SC, acting on behalf of Foley, said an unfortunate aspect to the case was that much of the detail in the plaintiffs' claims ended up being reported "but our affidavits contradict much of what is said". The case was adjourned and is likely to be heard next month.

GROUP 1-PLACED DELIUS ADDED TO TATTERSALLS AUTUMN HORSES IN TRAINING SALE

Delius | Scoop Dyga

Nineteen wildcards have been added to the Tattersalls Autumn Horses in Training Sale, headed by the G3 Prix du Lys winner and G1 Grand Prix de Paris third **Delius (GB)** (**Frankel {GB}**), who will be offered as lot 749G by Coolmore. The sale takes place at Park Paddocks from Monday, October 28 to Friday, November 1, with the full catalogue available to view here.

Bred by David Brown, Delius is one of five winners out of the Daylami (Ire) mare Whatami (GB), with the others including the G3 Hoppings Fillies' Stakes winner Nkosikazi (GB) (Cape Cross {Ire}) and the Listed Wolferon Stakes scorer Juan Elcano (GB) (**Frankel {GB}**), who was also runner-up in the G2 Superlative Stakes and G2 York Stakes. Bought by M V Magnier for 675,000gns at the Tattersalls December Foal Sale, Delius won three of his six starts in France for Jean-Claude Rouget and also filled the runner-up spot in the G2 Prix Niel.

Another three-year-old colt by **Frankel (GB)** will be offered by Coolmore in the shape of **The Euphrates (GB)** (lot 749E), who won a Listed contest at Gowran Park in July, as well as the extremely valuable Irish Cesarewitch at the Curragh last month. He was trained by Aidan O'Brien, along with the juvenile **Monumental (Ire)** (**Kingman {GB}**) (lot 327E), another notable wildcard as the runner-up from the G2 Champagne Stakes at Doncaster in September.

G2 Mill Reef Stakes runner-up **La Bellota (Ire)** (Mehmas {Ire}), who will be offered by John Ryan Racing as lot 1129A, also features among the two-year-old additions, a group which also includes the last-time-out winners **High Season (GB)** (lot 1129D) and **Antonin Dvorak (Ire)** (lot 749F), both by New Bay (GB),

consigned by Kingsley Park and Spigot Lodge Stables, respectively.

The 53-strong team from Charlie Johnston's Kingsley Park was already the largest consignment due to be offered by a trainer when the original catalogue was published, while Andrew Balding's Kingsclere Training Stables had 42 lots catalogued. Balding has now added two more to that list, including the three-year-old **Al Shabab Storm (GB)** (Advertise {GB}) (lot 1129F), who won the G3 Goldene Peitsche at Baden-Baden earlier this year.

"I COULDN'T SEE HIM BEING BEATEN" - HAGGAS STILL IN SHOCK AFTER ECONOMICS DEFEAT

Economics | Getty Images

William Haggas was still reeling on Tuesday from the defeat of **Economics (GB)** (Night Of Thunder {Ire}) in Saturday's G1 QIPCO Champion Stakes at Ascot, with the trainer confessing that he "couldn't see him being beaten" as his stable star went in search of a fifth success from as many starts in 2024.

Economics, who went into the race having gained his first Group 1 win in the Irish Champion Stakes at Leopardstown on his previous outing, was reported to have bled from the nose after finishing only sixth of the 11 runners at Ascot, but Haggas was keen not to make any excuses when speaking to *Sky Sports Racing* at Yarmouth on Tuesday.

"I think he's fine," said the Newmarket trainer. "He's a bit battered and bruised but we all are. I know it sounds bizarre, but I couldn't see him being beaten. I thought he wouldn't mind the ground, I thought he'd get the trip and gallop on well, so I can't make any excuses. He didn't win and we'll have to regroup." **Cont. p12**

Economics/Kinross Cont.

Haggas added, "It didn't happen, but he's still a good horse in our opinion. With all that went wrong on Saturday, he still wasn't beaten very far. Hopefully, with a good winter off, he'll be back next year to prove it.

"I don't know what happened," he added when asked about the prognosis for Economics, who also bled from the nose when winning the G2 Dante Stakes at York in May. "We'll have to go to work on him and sort it out--we'll be taking every precaution."

Sprint Races Off The Table for Kinross in 2025

The Ralph Beckett-trained **Kinross (GB) (Kingman {GB})** was another headline act who failed to trouble the judge at Ascot on Saturday, ultimately finishing seventh of the 20 runners when bidding to repeat his 2022 victory in the G1 QIPCO British Champions Sprint Stakes, having been sent off the 7-2 favourite.

The seven-year-old was still beaten less than four lengths, but his connections are now considering a different plan of attack for when he returns to the track in 2025, with the six-furlong distance of Saturday's race thought to be a bare minimum for him at this stage of his career.

"We were pleased with his run," said Jamie McCalmont, racing manager to owner Marc Chan. "Six furlongs is just probably too sharp for him now and maybe next year we'll stretch him out to a mile. Like always, we'll take each race as it comes, but he's fine after the race and he can have a good holiday. You'll probably see him start off somewhere in June next year.

"We're at the stage of his career where every race is a bonus. He's got the enthusiasm for it for sure, but he hasn't got the legs for that six furlongs any more and that was the problem on Saturday. He wasn't distressed afterwards and was happy, so all is good."

BRITISH CHAMPIONS DAY CONTRIBUTES TO NEW RECORD WORLD POOL TURNOVER

Turnover on World Pool bet types across the 12 races from Randwick, Caulfield and Ascot on Saturday reached a record high for a single day's racing, the Hong Kong Jockey Club (HKJC) announced on Tuesday.

A total of HK\$424.1m (around £48m) was staked from over 28 countries, eclipsing the previous record of HK\$385.2m (£38m) set when 12 races from the Queensland and Epsom Derby meetings took place under the World Pool banner earlier this year.

Ascot's six races on QIPCO British Champions Day generated HK\$200m (£19.75m) of the HK\$424.1m. Turnover for the same fixture in 2023 was HK\$202.7m (£20.1m), representing a very

small decrease.

Michael Fitzsimons, executive director, Wagering Products at the HKJC, said, "Saturday's action certainly got the pulse racing. The big-field Group 1 contests from Randwick, Caulfield and Ascot lined up a perfect day of action for punters across the globe and we're delighted to see turnover hit a new record high.

"It was only World Pool's second ever three-fixture composite card and it was hugely encouraging that the action from Australia and the UK really caught the attention of our global customers, showing the extent of interest in top-class racing across the globe."

Last week, the Hong Kong Jockey Club (HKJC) announced that **World Pool contributions to UK and Irish racecourses had surpassed £50 million**, while Billy Loughnane went into Saturday's action at Ascot with a healthy lead in the the inaugural UK and Ireland World Pool Jockeys' Championship.

Loughnane ended the day still clear at the top of the leaderboard and chose the Christy Lambe Foundation as his recipient of the £50,000 charity donation.

BOWLING BUDDY TOPS DONCASTER OCTOBER HIT AND YEARLING SALE

Bowling Buddy | Goffs UK

Olly Murphy's prolific hurdler **Bowling Buddy (Ire) (Ask {GB})** topped Tuesday's Goffs October HIT and Yearling Sale at Doncaster when selling to Adam Nicol for £58,000. Offered as lot 146, he gained his third consecutive success from only four starts under Rules when winning a novice hurdle at Wetherby last week.

Other notable lots included the five-year-old **Highly Recommended (GB) (Highland Reel {Ire})**, who was consigned by Mel Rowley's Poplar Cottage Stables as lot 149 following his victory in a novice hurdle at Ludlow. [Cont. p13](#)

Doncaster October HIT & Yearling Sale Cont.

He sold to Mary Lewis for £38,000, while the Jamie Railton Sales Agency offered **Cossack Chach (Ire)** (**Churchill {Ire}**) (lot 129), a four-year-old who shed his maiden tag over fences at Sligo earlier this month. He was bought by Jerry McGrath Bloodstock and Gold Star Promotions for £36,000.

The highest-priced yearling to be sold was lot 209, a Zoustar (Aus) filly from Yapham Manor Stud who went the way of Jason Kelly Bloodstock for £22,000.

From a bigger catalogue than in 2023, the clearance rate dropped by 5% to 65%, with 88 lots being sold for a total of £737,500 (+23%) and at an average of £8,381 (+6%). The median was £4,000 (-20%).

Goffs UK managing director Tim Kent said, "Today's sale acted as an outlet for trainers and yearling vendors to trade stock at all levels of the market and, whilst we are satisfied with the level of trade, we are aware that we need to do something to encourage more vendors to sell a greater number of horses at this sale.

"The October Sale provides a convenient and timely option for those looking to disperse stock and Doncaster never fails to deliver a diverse and busy buying bench, especially when we are given the horses.

"We would like to thank those that supported today's sale and we look forward to returning to Doncaster at the end of next week to offer an outstanding catalogue of NH foals, yearlings and breeding stock in our British NH Breeders Showcase."

INAUGURAL AUCTAV JANUARY MIXED FLAT SALE ANNOUNCED

The new Auctav January Mixed Sale, catering to the Flat racing market, was announced by the sales company on Tuesday. It will be held at Haras de Bois Roussel, also the site for the company's summer sales, from Jan. 27-30.

The sale will be open to foals, yearlings, broodmares, stallion shares, and horses-in-training, all bred for the Flat.

"The January mixed sale will be held from January 27 to 30," said Arnaud Angélie, general director of Auctav.

"The Auctav January Mixed Sale was created to meet demands we've been hearing from the field. Auctav has always aimed to position itself as business facilitators by offering tailor-made sales. We have the flexibility to quickly adapt to real-world needs rather than imposing a rigid schedule on sellers.

"It will truly be a catalogue filled with uncut gems, and like the jewelry business, the prices will reflect the potential for great deals."

Haras de Bois Roussel will also host the Auctav Flat Yearling Sale from Sept. 8-11 in the coming year.

Angélie added, "Auctav has matured, and it is time to offer the French market a fresh commercial proposition."

Entries for the new sale are now open and will close on Dec. 1. For more information, please visit the [Auctav website](#).

In accordance with Article 111 of the Rules of Racing (Entraînement d'un cheval entraîné hors de France du Code des Courses au Galop), any horse trained outside of France and entered in a public race in France must be duly declared by its trainer via the France Galop website (Site Pro) at least 15 days before the race the horse will be entered.

From now on, if a horse is not declared via the France Galop website at least 15 days prior to the race, the entry will be invalidated. It is possible to view what date a horse is authorized to race from by selecting the "my training list" section of the [France Galop website](#).

RULE CHANGES FOR FRANCE GALOP'S POLYTRACK CHALLENGE REVEALED

Now in its second year, the Polytrack Challenge, sponsored by Martin Collins, will continue during the French all-weather season, but with a couple of rule modifications, France Galop announced on Tuesday.

The two race categories remain unchanged, the sprint/mile division and the intermediate/Classic division will each offer the €40,000 to the winners at the end of the season, with the finals at Cagnes-sur-Mer. The points scale will be as follows for the Prix Irish River (Nov. 3), Prix Luthier (Dec. 4), Prix Lyphard (Nov. 26) and Prix Arcangues (Dec. 19): first (50 points), second (30), third (15), fourth (10) and fifth (5). For the Prix Saonois (Feb. 16) and Grand Prix de la Riviera Cote d'Azur (Jan. 25), the point scale will change to 70 points for first, 40 points for second, 20 for third, 15 for fourth and 10 for fifth. There is also a new rule that will apply to win the bonus: the horse who finished first or second in either division needs to have run in at least two "Challenge" races including the final for the owner to get the bonus. If this condition is not met, the bonus which should have gone to his/her owner will not be awarded to the horse and instead go to the next horses's owner who meets this condition.

For more information on the rule changes, please visit the [France Galop website](#).

ALOBAYYAH (GB) (f, 2, Ghaiyyath {Ire}--Aquatinta {Ger} {GSW-Fr, \$132,392}, by Samum {Ger}), sent off at 4-1, was waited with in rear throughout the early stages. Hand ridden the whole way, the newcomer made up ground effortlessly to draw alongside Regal Agenda (GB) (Pinatubo {Ire}) a furlong from home before easing clear for a bloodless 2 1/4-length success. "She travelled good and it was pretty nice the way she swung on through," Tom Marquand said. "She's come back and just sauntered up to the stable yard, which is what you want to see. We ride to educate first time and anything else is a bonus, so that was a nice start." The winner, her first-crop sire's fifth with one of the others being the same yard's similarly once-raced Rhapsody (Ire) who also won here this month, is a daughter of the G3 Prix Miesque-winning dam whose family includes the Listed Empress Stakes winner and G3 Prix du Calvados-placed Katie's Diamond (Fr) (Turtle Bowl {Ire}). He added, "He was going to make his debut a few weeks ago, but just had a little setback. He quickened up really smartly there and looks like a smart horse for next season. I'm delighted to have, what potentially looks like, a good horse for Al Shaqab and the team. They've been good supporters of ours. This guy will come back for a Guineas trial in the spring. We were a little bit worried about [soft] ground conditions, but you have no choice at this time of year. We were hopeful that he'd cope with them, but given his pedigree and how he looks I'd expect him to be better on a faster surface. Obviously he'll have no problem going a bit further as well, given his pedigree." WORLDWIDE NEWS

NO CONCERNS FOR VIA SISTINA AFTER SCARE

Chris Waller's star mare **Via Sistina (Ire)** (Fastnet Rock {Aus}) had a scare at Tuesday's Breakfast With The Stars when her bandage came unravelled and she tripped, dislodging jockey James McDonald. Both horse and rider were fine, although Via Sistina galloped several laps before being caught.

"We'll accept for Saturday and use all that time, right up until Saturday morning, to make sure everyone is happy," Waller told *racenet.com.au* about Saturday's G1 Cox Plate. "The horse is 100% first and foremost, we'll go beyond that, take bloods, make sure the vets are happy, make sure the strappers are happy, she will only run if she's 100%. She's had a tough day on the training track, the key now, this afternoon, is a nice easy time, she'd normally have a gallop Thursday, that will be abandoned, it's not required. She'll have a light cantering in the park type work, a trip to the beach, let her be a horse, nice picks of grass and just let her chill out.

"Firstly, when I first saw her, I feared the worst that something tragically might've gone wrong and you take comfort that hasn't happened and she's safe. Second to that, no skin off, no hair off, horses are unpredictable animals and she just got a fright, her heart rate is back down.

"We've given her a nice walk, she's had a good drink, almost a bucket of water, no different to us, replaced fluid and her heart rate is down. She dried off really quick which is a good sign, there's no more sweat, we hosed her for a second time and she's back to normal, while it's disappointing, I'm grateful the horse is 100%."

JUSTIFY SIRES TOP TWO LOTS AT GOLD COAST HIT SALE

Former American shuttle sire **Justify** sired the top pair of lots during Tuesday's Magic Millions Gold Coast Horses-in-Training Sale.

A colt (lot 76) out of Port Augusta (Aus) (Encosta De Lago {Aus}) made A\$700,000 on the bid of Yulong. Hong Kong's Lok Lor was the underbidder. Consigned by KO Racing, the bay was a A\$300,000 graduate of the Gold Coast Yearling Sale and was prepared by Kenmore Lodge for this trip back through the ring.

"He was a pretty easy horse to prepare," Kenmore's Kellie Bond said. "He had so much quality, a beautiful pedigree and was just a ripping individual.

"It was pretty easy to see he was going to be a quality lot. They (buyers) were all over him the minute he got here. His breeze up was exceptional--great stride length and he's by a horse who can get an absolute superstar."

"You could easily see why he would get a good result and it was nice that Yulong was able to secure him," Bond added.

A half-brother to three winners from three to race for his dam, the colt's best half-sibling is the two-time winner and stakes performer Lady Young (Aus) (Fastnet Rock {Aus}). His dam is a half-sister to Group 1 sire and runner **Holy Roman Emperor (Ire)** (Danehill).

Nolen Racing offered lot 88, a filly by the American Triple Crown Winner. She brought A\$425,000 from Bartholomew & Co. The filly is a half-sister to stakes winner Religify (Aus) (Choisir {Aus}) with the duo out of Sacred Witness (Aus) (El Moxie {Aus}).

"They liked her and we liked her when we first saw her," Bartholomew said moments after the gavel fell on the filly who breezed impressively at Seymour. "She's a lovely, big-framed filly by **Justify**, and you can't get any more of them. He's not coming back from America. It's all in the lap of the gods from here."

The filly changed hands for A\$60,000 at the Magic Millions National Yearling Sale.

The next two lots each sold for A\$280,000 apiece: lot 138, an Ole Kirk (Aus) colt from Network Bloodstock and lot 166, a Zousain (Aus) colt from Nolen Racing, who both sold to Hong Kong's Magus Equine, Ltd.

Magic Millions Cont.

At the close of trade, 105 juveniles sold (65.2%) for a gross of A\$7,331,000. The average increased to A\$69,819 and the median was almost flat at A\$40,000. It was A\$41,000 in 2023.

“We always thought it was going to be a polarising market and that’s exactly what it was,” Magic Millions Managing Director Barry Bowditch said. “I thought when the quality horses with good confirmation and by the right sire walked in the ring, there was very buoyant bidding on them.”

“I thought the top 20 horses sold particularly well. All in all we’ve had a significant increase in gross and average price which is encouraging.”

“We were hoping to have a clearance rate around 70% and we are working toward that figure. We will keep working over the next 24 to 48 hours to get more sold,” Bowditch added.
