

ARQANA PART II STARTS WITH SCANDI BUYERS GOING TO €170K FOR SHOWCASING COLT

Haras du Mont dit Mont's Jennifer Sassier & Ross Doyle | Zuzanna Lupa

Part II of the October Yearling Sale kicked off on Wednesday with another 124 lots going through the Arqana sales ring, headed by a Showcasing (GB) colt from the Haras du Mont Dit Mont consignment who went the way of Ross Doyle and Meridian International for €170,000. It was another notable result for the Mont Dit Mont team after they sold the Night Of Thunder (Ire) colt who **shared top billing on Tuesday** when bought by trainer Yann Barberot for €500,000.

Lot 235 is out of the Dream Ahead mare Vivid Dream (Ire), who is in turn out of a full-sister to the Listed Glasgow Stakes winner Parthenon (GB) (Dubai Destination) and a half-sister to the G3 Prix de Conde scorer Graikos (GB) (Rainbow Quest) and G3 Prix de Barbeville winner Magna Graecia (Ire) (Warning {GB}).

Incidentally, Magna Graecia's best daughter, the Listed-placed Taranto (GB) (Machiavellian), is the dam of the G1 Prix Jean Prat hero and sire Territories (Ire), while other descendants of this colt's fourth dam, the Irish Oaks winner Helen Street (GB) (Troy {GB}), include top-class performers such as Street Cry (Ire) and Shamardal, both of whom went on to prove themselves elite sires, too. **Cont. p3**

SHARK HANLON HAS SUSPENSION OF LICENCE REDUCED TO SIX MONTHS ON APPEAL

Trainer John 'Shark' Hanlon has had his ten-month ban handed to him for bringing racing into disrepute reduced to six on appeal.

Hanlon, who trains last year's King George VI Chase hero Hewick, was found by the Referrals Committee of the Irish Horseracing Regulatory Board to have acted in a manner that "caused significant prejudice to the integrity, proper conduct and good reputation of the sport of racing" in the removal of a dead horse from his yard earlier this year.

Hanlon carried the horse on an open trailer which was towed by his branded horsebox, with the body left on display to the public after a tarpaulin became displaced during the journey.

Arqana October Cont. from p1

"He's a lovely individual," Doyle said of the colt. "He was our pick of the day. He's very racy and I think he should hopefully be an early-season two-year-old. He's a very good mover, very strong, and a typical Showcasing. He comes from a good farm and a good family, so we're very happy."

"He's been bought in partnership for some Scandinavian clients, Stall Perlen and Finn Blichfeldt, to stay in France with Pia [and Joakim] Brandt. It's been a lucky sale for them over the years and they really enjoy coming to Arqana and seeing the horses in this lovely location. We bought Zakopane here last year and he looks like he could be a very good horse."

The €420,000 it cost to secure Zakopane (Fr) at this sale in 2023 saw him share top billing with Mount Kilimanjaro (Fr) (Siyouni {Fr}). Both horses got off the mark earlier this month, with Aidan O'Brien's Mount Kilimanjaro (Fr) (Siyouni {Fr}) winning the Arqana Series - Haras de Bouquetot Criterium d'Automne at Longchamp on Arc weekend, before Zakopane ran out an impressive three-length winner when making his debut at Ovrevoll in Norway, sporting the blue and white silks of Stall Perlen.

Six-Figure Yearlings for Hello Youmzain and First-Season Sires

The Showcasing colt was one of six yearlings to sell for a six-figure sum on Wednesday, with the others including lot 326, a Hello Youmzain (Fr) colt from the Arcadia Elevage draft who was purchased by the Chantilly Bloodstock Agency for €140,000.

From the family of the Derby winner Adayar (Ire) (Frankel {GB}), he is out of the Siyouni (Fr) mare Eau Vive (Ire) whose dam, the Listed-placed Cascading (GB) (Teofilo {Ire}), is a half-sister to the G1 Prix Jean-Luc Lagardere hero and sire National Defense (GB), as well as this year's Listed scorer Evade (Fr) (Wootton Bassett {GB}), who was bought by David Redvers for €300,000 at the Arqana August Yearling Sale. **Cont. p4**

Arqana October Cont.

First-season sires **St Mark's Basilica (Fr)** and Victor Ludorum (GB) were both responsible for one six-figure yearling apiece. Darley's Victor Ludorum was first when lot 329, a filly out of the Listed-placed Eleona (Ger) (Areion {Ger}), consigned by Haras de l'Hotellerie, went the way of Andreas Schutz for €110,000. Then, just a short time later, **St Mark's Basilica** was responsible for lot 332, a colt from La Motteraye Consignment who was knocked down to Spanish bloodstock agency Stamina Turf for €100,000.

"He's a very good-looking horse, by a first crop stallion," said Stamina Turf's Rafael Rojano. "The market is quite strong, so we had to wait until the end of the day, but he's probably one of the best [of the yearlings offered on

Wednesday]. He moves very well and we're very happy."

Rojano added, "I started in 2007 when I was 18 and I have a lot of background here. I've had some success and I love this sale.

Coolmore's **St Mark's Basilica** starred at the August Yearling Sale when his filly out of Ecurie des Monceaux's blue hen Prudenzia (Ire) (Dansili {GB}) was bought by MV Magnier for €1,700,000, while Haras de Bonneval's **Zarak (Fr)** is enjoying another busy sale here this week, 12 months on from when his Zakopane topped proceedings.

The highest-grossing stallion over the first two days, with 22 yearlings selling for an aggregate of €1,736,000 and at an average of €78,909, **Zarak** had a colt (lot 242) from Haras de Precolette sell for €100,000 on Wednesday, as well as a filly (lot 225) from Haras de Aumonerie who was bought by Nexus Consulting for €95,000. **Cont. p5**

Alex Elliott struck the winning bid on the colt--a half-brother to the G3 Prix des Chenes third Zyzzyva (Fr) (**Siyouni {Fr}**)--and confessed to being a big fan of the stallion as he said, "He's the fifth horse by **Zarak** that we've bought at this sale--we like the stallion a lot. He's a horse that will probably need a bit of time, but he really stood out. We're very happy."

Elliott's spending on Wednesday totalled €265,000 for three lots bought, while Richard Powell of LDC Bloodstock was another happy man after securing lot 258, a Mehmas (Ire) filly from the family of the Group 1-winning sprinter Prohibit (GB) (**Oasis Dream {GB}**), for €105,000. She was consigned by Coulonces.

"We're delighted," Powell said of the purchase. "I've bought her for one of my existing clients that is investing in the Flat and she'll be trained by Tim Donworth."

Pinhooking Fortunes On Wednesday

Of the 130 horses catalogued during Wednesday's session, nine were pinhooks, and all lots visited the ring. One lot did not meet its reserve and was a buy-back, leaving eight yearlings marked as sold. Of the latter group, three made a profit ranging from €1,200 to €11,000.

Five lots lost money. The eight pinhooks marked as sold were acquired for €450,000 as foals (plus costs) and made €358,000 on Wednesday representing a -20.4% return.

We have multiplied the price of the foal by 1.1 and added a running cost of 12,000gns (for foals bought in guineas), £12,500 (for foals bought in pounds) or €15,000 (for foals bought in euros) for keep, feed, veterinary, shoeing, sales prep and sales entry fees. Depending on whether someone has their own farm, or where they choose to board a horse, will obviously mean that costs for each individual can vary significantly. **Cont. p6**

Hanlon Cont. from p1

A member of the public videoed the incident and it was widely circulated on social media, which attracted further media attention and led to the IHRB bringing charges against Hanlon, saying the conduct "attracted significant public opprobrium and adverse comment" both for the trainer personally and racing in general.

Hanlon appealed the severity of the sanction - due to begin on December 1 - and had already been unsuccessful in attempting to delay the beginning of the ban until April to give him time to prepare a legal case and make specific business arrangements.

Cont. p7

Shark Hanlon | PA Media

Hanlon Cont.

Hanlon felt the punishment could have been a monetary fine, but the appeals panel rejected this, saying Hanlon's conduct "passed the threshold of attracting only a financial penalty".

The second criticism by the trainer was the length of the suspension, given in his view it had failed to take into account the differences between this and similar other cases, namely those of trainer Gordon Elliott and jockey Rob James, banned for 12 months each with six and eight months suspended respectively.

In giving its verdict on the appeal, the panel said: "Having considered all of the evidence and arguments we have come to the conclusion that the Referrals Committee ought to have fixed a shorter headline sanction of six months in this case in order to take account of a major difference between Mr Hanlon's conduct and that of Messrs. Elliott and James.

"In their cases, the lack of respect demonstrated to the carcass of the deceased animal in each case was deliberate and wilful. Mr Hanlon's was not. He was negligent albeit to a high degree. We do not think that the reduction of the headline penalty from one of 12 months withdrawal of licence to 10 months adequately addresses that major difference.

"It also has to be borne in mind that the negligence of Mr Hanlon occurred in a single activity of relatively short duration. We are not to be taken as holding that negligence as distinct from a deliberate act might not attract a 10- or even 12-month withdrawal of licence in appropriate circumstances. Had there been continuing acts of negligence here, then the 10-month figure might well be justified.

"However, that was not the case and so we are of opinion that the headline figure of six months withdrawal is the correct one." Hanlon's licence to train will be withdrawn for a period of six

months from December 1 and the Referrals Committee may consider an application to conditionally suspend the last three months of the six-month withdrawal sanction.

APPLEBY'S BREEDERS' CUP STRING PRIMED FOR DEL MAR

Godolphin's **Rebel's Romance (GB)** (Dubawi {Ire}) is hoping to add another GI Breeders' Cup Turf to his resume, after trainer Charlie Appleby gave a positive update on the 6-year-old gelding.

A winner of the 2022 edition, the star has won every start this year barring a third to Goliath (Ger) (Adlerflug {Ger}) in the G1 King George VI and Queen Elizabeth Stakes. After prevailing at Group 3 level in Qatar, he added the G1 Dubai Sheema Classic in March, and the G1 Standard Chartered Champions & Chater Cup in Hong Kong two months later before his placed effort. His latest start was a victory in the G1 Preis von Europa at Cologne in September, and also holds an entry in December's G1 Longines Hong Kong Vase.

"We purposely gave him a little bit of a break," said Appleby. "We toyed with the idea of going to America, but we decided to stay a little bit closer to home and go to Germany for a race he'd won before and he spring-boarded from that into a Breeders' Cup win. If he goes there and ticks all the boxes whilst he's there, he's a big player."

The 2024 G1 2000 Guineas hero **Notable Speech (GB)** (Dubawi {Ire}), unplaced at Royal Ascot, won the G1 Sussex Stakes in July. He was only fifth to fellow royal blue colourbearer Tribalist (GB) (Farhh {GB}) in the G1 Prix du Moulin in September and is headed for the GI Breeders' Cup Mile. [Cont. p8](#)

Rebel's Romance | Coady Photography

Cinderella's Dream | Chelsea Durand

Appleby Breeders' Cup Squad Cont.

He added, "With Notable Speech, his challenge is going to be the travelling and the week there. For a horse that as soon as you pull him out of his stable and he's as good as gold and you'd think he was a pony leading round, he challenges himself a little bit.

"What we did learn and what we were very happy with was what we saw at Longchamp. We learned he travels and settled in well and doesn't handle soft ground, so it was always going to be straight to the Breeders' Cup after that."

Both stakes winner and GI Summer Stakes second **Al Qudra (Ire)** (**No Nay Never**) and G2 Vintage Stakes winner **Aomori City (Fr)** (**Oasis Dream {GB}**) will contest the GI Breeders' Cup Juvenile Turf on Breeders' Cup Friday.

Of the juvenile pair, Appleby said, "I genuinely can't split them on what they've achieved on the racecourse and it could come down to the draw.

"From William's (Buick) point of view, and we've spoken in depth over the few days, it's a hard one for him. He could go and pick either horse and get drawn 14, or if you're lucky and get drawn six you've got a chance.

"Looking at the field I think that's how it's going to play out, I don't think there's a standout horse in the race. Both have got plenty of experience and one has obviously got experience over there."

The GI Breeders' Cup Filly & Mare Turf also sees a double entry from Godolphin, with GI Belmont Oaks Invitational Stakes heroine **Cinderella's Dream (GB)** (Shamardal) and GIII Jockey Club Oaks Invitational Stakes victress **Beautiful Love (Ire)** (**Siyouni {Fr}**) signed on.

"Cinderella's Dream and Beautiful Love are in the Filly & Mare. Both have got experience over there now, Cinderella's Dream has a higher profile being a Grade I winner out there and a Grade II winner on her last start. I feel she'll be a live player.

"The other filly will see the trip out well and deserves to be in the line-up after what she has achieved out there. She's a Grade III winner and you could probably say she was unlucky on her last start."

Kodiac (GB)'s **Star Of Mystery (GB)**, a multiple group winner and second in the G1 Al Quoz Sprint on Dubai World Cup night, will run in the GI Breeders' Cup Turf Sprint. She ran second in the GII Franklin Stakes earlier this month.

He added, "Star Of Mystery is rock solid. She was just touched off the other day and was probably a bit unlucky, but I was relaxed watching it as it was very much a pipe-opener ahead of the Breeders' Cup."

The full catalogue, featuring 97 lots in the National Hunt section and 30 in the Flat section, is available to view [here](#) ahead of the sale which gets underway at 1pm local time.

Grade 1 winners Capodanno (Fr), Laurina (Fr) and Mighty Potter (Fr) feature among the star names to have been sold from the National Hunt section of this sale. Among the interesting two-year-olds on offer this year is **lot 30**, a filly by Désinvolve (Fr) out of a half-sister to the multiple Grade 1 winner Un De Sceaux (Fr), and **lot 35**, a colt by The Grey Gatsby (Ire) whose dam has already produced the Grade 1-placed novice hurdler Predators Gold (Fr).

Meanwhile, one of the potential highlights of the Flat section is **lot 106** from the Haras du Mazet draft. This Motamarris (Ire) filly is out of a half-sister to the Poule d'Essai des Pouliches and Prix de Diane heroine La Cressonnière (Fr) (Le Havre {Ire}), while **lot 99**, a colt by Herald The Dawn (Ire), also catches the eye as a half-brother to the G3 Prix de Cabourg runner-up Du Pyla (Fr) (Vertigineux {Fr}).

OVERSEAS RUNNERS ELIGIBLE TO CONTEST CERTAIN FLAT HANDICAPS IN BRITAIN FROM NOVEMBER

The restriction on runners from overseas in certain, low-grade Flat handicaps has been removed, the British Horseracing Authority (BHA) announced on Wednesday.

Only horses trained by BHA-licensed trainers had been able to compete in Class 5 and 6 handicaps between September 1 and December 31, since the restriction was introduced at the beginning of 2023, at the conclusion of the broader COVID-related restrictions. [Cont. p9](#)

Overseas Runners/Flat Handicaps Cont.

The BHA reported that it was put in place "in order to maximise opportunities for the horse population".

The topic has since been reviewed by the Racing Committee and Commercial Committee, who "assessed relevant data, as well as other practical considerations" before making their recommendation to the BHA Board. With this approval now granted, the restriction will be removed from the end of the Turf season in Britain, affecting races staged from Monday, November 11 onwards.

Richard Wayman, director of racing at the BHA, said, "As a general principle, British racing welcomes international competition but the existing restriction was introduced to help ensure that horses trained on these shores could find sufficient opportunities to run in the autumn. Historically, this was the time of year when eliminations were a real issue, with the race programme unable to meet the demand for races for the Flat horse population. This was especially the case at the lower levels.

"Circumstances have now evolved, however, including the fact that we have moved nearly 150 races from the summer into the autumn as part of the efforts to improve field sizes. As a result, we no longer believe that there is a need for the restriction, although our handicappers will continue to withhold ratings for any overseas-trained horse where they have concerns about being able to make an accurate assessment of their ability."

NICK MILLS APPOINTED CHIEF EXECUTIVE OF RACECOURSE MEDIA GROUP

Nick Mills | Racecourse Media Group

Nick Mills has been appointed as the new chief executive of the Racecourse Media Group (RMG). Mills, who currently serves as chief commercial officer at RMG, will start in his new role on

Tuesday, November 4 as he succeeds Martin Stevenson, who announced in July his intention to step down.

Having started his career in the sport with Coral in January 1998, Mills was marketing director at the bookmaker until March 2005 when he joined Racing UK (now RMG) as sales and marketing director. He went on to become commercial director before being appointed to the new role of chief commercial officer in 2020.

Mills said, "I am honoured to be given the opportunity to succeed Martin as chief executive and to lead the brilliant team at Racecourse Media Group. While the racing industry undoubtedly faces some challenges ahead, I firmly believe that now is an incredibly exciting time for the business with more opportunity for innovation and growth across our platforms than ever before.

"To ensure that our full potential is realised it is important that we continue to harness the passion and commitment not only within RMG, but also of the dedicated teams across all of our member racecourses who directly contribute to and benefit from our success."

Conor Grant, chair of RMG, added, "Nick has been a highly regarded member of the team for nearly 20 years and we are delighted to appoint him as chief executive.

"With his extensive expertise in sales, marketing, media rights and streaming, Nick is uniquely positioned to drive growth and optimise the value of our member racecourses' media rights, while also embracing the need for innovation."

HOW THEY FARED

Mudbir (GB) (**Kingman {GB}**), Shadwell's half-brother to
 Mostahdaf (Ire) (**Frankel {GB}**) and Nazeef (GB) (Invincible Spirit
 {Ire}), could hardly have shaped with more promise on debut
 given they nature of his family's rate of progression from their
 first start. Second and closing in on the winner late, he could
 easily emerge as another black-type force for his dam.

2.55 Newmarket, Mdn, £12,000, 2yo, 10fT
The Cursor (GB) (**Frankel {GB}**), the son of the G1 Prix de l'Opera
 heroine Villa Marina (GB) (Le Havre {Ire}), was disappointing and
 finished a well-beaten fifth.

I AM I SAID (GB) (c, 2, Almanzor {Fr})--Tesoro {Ire}, by Galileo
{Ire}) raced within range of the front rank in seventh through
 the early fractions of this debut. Coming under pressure
 approaching the quarter-mile marker, the 20-1 chance swooped
 for control with 1 1/2 furlongs remaining and was pushed clear
 in the latter stages to defeat Byblos (GB) (**Frankel {GB}**) by an
 impressive 4 1/4 lengths. I Am I Said, the fifth of six foals, is the
 fourth scorer from as many runners out of a winning full-sister

TREBLE TEE (IRE) (c, 2, Persian King {Ire}--Sefroua {SW-Fr, GSP-US, \$141,957}, by Kingmambo), sent off the 100-30 second favourite, broke smartly to race prominently on the wing throughout the early stages. Moving to the front with ease 1 1/2 furlongs from home, the newcomer drew away despite veering left to score by 2 1/4 lengths from Mudbir (GB) (Kingman {GB}). "It looked like a hot race beforehand and he did it well," Ed Crisford said of the winner, the 13th from his sire's first crop.

"He travelled well, picked up nicely and did everything you want to see first time out. He quickened away nicely and put the race to bed and he's one for the future. He will be put away and see how he winters and take it from there really. Winning like that he has lots of options and I think he will get further in time." The smart dam, who captured the Listed Prix de Lieurey and was placed in the GIII Noble Damsel Handicap, produced as her first foal the Listed Criterium du Bequet winner and G3 Prix du Calvados-placed Sivoliere (Ire) (Sea The Stars {Ire}) and later produced the G3 Prix Chloe scorer Suphala (Fr) (Frankel {GB}). Shadowing the pace in second from flagfall, the 1-14 pick bounded to the front approaching the final furlong and lengthened clear to easily overpower Tex (Fr) (Dark Angel {Ire}) by a geared-down six lengths. Qazaq is the first of two foals out of G3 Nell Gwyn Stakes victrix and G1 1000 Guineas third Qabala (Scat Daddy), herself a granddaughter of

ONESMOOTHOPERATOR ENTERS MELBOURNE CUP EQUATION WITH GEELONG WIN

Onesmoothoperator | Getty Images

Brian Ellison's Northumberland Plate winner **Onesmoothoperator** (**Dialed In**) put himself in contention for a tilt at the G1 Lexus Melbourne Cup with an emphatic victory in the G3 Geelong Cup on Wednesday.

Four horses have completed the Geelong Cup-Melbourne Cup

double, with the first being Dunaden (Fr) (Nicobar {GB}) for French trainer Mikel Delzangles in 2011. Onesmoothoperator needed to pick up a penalty at Geelong to be guaranteed a run at Flemington on Tuesday, November 4, but Ellison can now look forward to saddling another runner in 'the race that stops a nation' after his six-year-old cruised to victory by two and a quarter lengths in the hands of Craig Williams.

Ellison will be hoping for better luck in the Melbourne Cup than when saddling two runners in 2011, with Moyenne **Corniche** (GB) (Selkirk) and Saptapadi (Ire) (Indian Ridge {Ire}) both finishing unplaced. He was also due to saddle Carte Diamond (Theatrical {Ire}) in the 2005 edition following an encouraging run in the G1 Caulfield Cup, before a freak training accident forced him to miss the race.

"He was brilliant," Ellison said of Onesmoothoperator "He's been working great out here and he's adapted to it really well. You could just tell that he's enjoyed being here. He's been on the go a heck of a long time, but I was almost worried he was doing too well--he was eating so much!

"Craig has jumped off and said he'll improve for that run. He should get in now and he's paid for his trip--that was worth £160,000 to the winner. I've been out here with four others, Carte Diamond, the two that ran together and Bay Story. He ran well in a couple of races and we even sent him to Perth were he was second."

He added, "I think if you've got the right horse and your owner is willing to pay the money, it's worth coming over. They have to adapt in a short time, but I knew very quickly he had. He's just thrived, but then Saptapadi didn't handle it at all.

"It's a freebie now, going for the Melbourne Cup. Obviously, it's a different ball game taking on Vauban and the like, but we'll see. He's at least proved he can win on grass now--that's his first win!"

Williams is set to maintain the partnership with Onesmoothoperator in the Melbourne Cup and the jockey, who guided Vow And Declare (Aus) (Declaration Of War) to victory in the 2019 renewal, is confident that his mount has the right attributes to run a big race.

"I think he's well placed for this year's race and that's all you're ever asking for," Williams told *racenet.com.au*. "You're looking for the best horse in that year and he ticks good boxes. He stays really well. He's been on a synthetic track and a very firm track today. He's won on soft and he runs over long distance. Today it was like riding on cotton wool, the way he was.

"Brian Ellison and his team have done a great job. He's a really fit horse and a healthy horse. I think he's only got improvement to come from him."

AUSTRALIAN CHAMPION SIRE SNITZEL REACHES 150 STAKES WINNERS AT GEELONG

Snitzel | Bronwen Healy

Australian champion sire **Snitzel (Aus)** brought up a milestone 150th stakes winner when the Ciaron Maher-trained Saint Emilion (Aus) won the Listed Geelong Classic for three-year-olds on Wednesday.

Now 22, Snitzel—who stands for A\$247,500 (around €150,000) at Arrowfield Stud near Scone in New South Wales—was described as "a marvel" by Arrowfield bloodstock manager Jon Freyer in the aftermath of Saint Emilion's win, following on from recent triumphs for Lady Shenandoah (Aus) in the G1 Flight Stakes and Makarena (Aus) in the G2 Golden Pendant.

"He's got it and there are not many stallions that do," Freyer said of their four-time champion sire of Australia and four-time champion two-year-old sire, speaking to *The Thoroughbred Report*.

"He was an exceptional racehorse, he's got a great pedigree, and he's a beautiful physical specimen. He's just got that ability to transmit those genetics to a lot of his offspring.

"Here he is in the twilight of his career, but he's having a fantastic season. He had a brilliant filly who won the Flight Stakes and he's got [G2 Roman Consul Stakes winner] Switzerland running around. It seems never ending and we're just thrilled. He's been a marvel.

"The thing that makes them is they've just got that X-factor. Most horses who have got the genetics are capable of a really high rate in producing superior horses."

He continued, "So many people who have been invested in the Thoroughbred industry have used him or been associated with him. He's served them so well and he's delivered returns back in

spades. He's changed lives for so many people.

"They've won big races or they've sold a yearling for spectacular money. There's a statue of him at Arrowfield and I think there have been hundreds, maybe thousands of people, who have come up to touch it for luck, and who appreciate what he's done for them."

As for what the future holds for Snitzel, Freyer added, "Obviously, he's just one of those horses that has enjoyed good health. He's always a horse who's looked younger than he really is.

"He's slowed down a bit in recent years. He's going to cover a limited book this year, probably limited to two mares a day, but he's always been brilliantly fertile. And again, this year he's getting all his mares in foal so well."

RECORD 80 OVERSEAS HORSES AMONG 212 PRE-ENTERED FOR BREEDERS' CUP 2024

Horsephotos

by Alan Carasso

Bolstered by a record 80 entries from the connections of horses based overseas--smashing the previous mark of 60 set last year--212 horses have been pre-entered for the 2024 Breeders' Cup World Championships held Friday and Saturday, Nov. 1 and 2. For the third time, the festival will take place at the Del Mar Thoroughbred Club, which hosted the event for the first time in 2017 and again in 2021. "The record number of outstanding international contenders pre-entered this year speaks to the truly global nature of the Breeders' Cup World Championships and is a testament to the connections who have targeted our festival of racing," said Breeders' Cup President and CEO Drew Fleming. "We express our gratitude to the skilled individuals worldwide who provide the exceptional care that allows these remarkable Thoroughbreds to excel at the highest level. We also thank our hosts at Del Mar Thoroughbred Club for their wonderful hospitality and extend our appreciation to our breeders and nominators, whose dedication helps underwrite the World Championships. We also thank the bettors and fans from around the globe for their unwavering support, and look forward to hosting a Breeders' Cup for the ages at Del Mar."

Breeders' Cup Pre-Entries cont. from p1

Among the entries are four previous Breeders' Cup champions, including three from last year's event at Santa Anita.

'**TDN Rising Star**' **Fierceness** (*City of Light*) will look to add to his eye-popping success in the 2023 GI Breeders' Cup Juvenile in what promises to be a cracking renewal of the GI Longines Breeders' Cup Classic; **Idiomatic** (*Curlin*) will try to become the third filly or mare to go back-to-back in the Distaff while squaring off with '**Rising Star**' and champion 3-year-old filly elect **Thorpedo Anna** (*Fast Anna*); **Big Evs** (*Ire*) (*Blue Point {Ire}*), last year's Juvenile Turf Sprint winner, goes in the GI Turf Sprint; and **Rebel's Romance** (*Ire*) (*Dubawi {Ire}*), victorious in the 2022 GI Turf at Keeneland, returns for another crack off a globetrotting season.

Thorpedo Anna
Sarah Andrew

The 2021 Breeders' Cup at the seaside oval proved a watershed moment for Japan, as Loves Only You (*Jpn*) (*Deep Impact {Jpn}*) and Marche Lorraine (*Jpn*) (*Orfevre {Jpn}*) became the country's first two winners at the meeting in the Filly and Mare Turf and Distaff, respectively. After fielding a team of nine runners in 2023, Japan is back in force with a record 19 pre-entries, chief among them **Forever Young** (*Jpn*) (*Real Steel {Jpn}*), whose lone career defeat to date came when third in a tight three-way go at this year's GI Kentucky Derby. Trained by Yoshito Yahagi, who called the shots on the 2021 winners, the son of Forever Darling (*Congrats*) is joined by his compatriots **Derma Sotogake** (*Jpn*) (*Mind Your Biscuits*), runner-up 12 months ago; and **Ushba Tesoro** (*Jpn*) (*Orfevre {Jpn}*), the 2023 G1 Dubai World Cup hero who ran on bravely to be fifth last year.

Adding immeasurable intrigue to what will be the most internationally flavored edition of the Classic in its history is champion **City of Troy (Justify)**, deemed by trainer Aidan O'Brien 'the best I've ever trained.' Also entering the Classic with the same six-from-seven mark as Forever Young, the homebred colt failed to show up when ninth in this year's G1 QIPCO 2000 Guineas, but he's been flawless since, including wins in the G1 Betfred Derby, G1 Coral-Eclipse Stakes and G1 Juddmonte International Stakes. If he handles the dirt, he could prove an elusive first Classic winner for Ballydoyle.

Fan-favorite **Next (Not This Time)** has been entered in the Classic and Turf by trainer Doug Cowans, with a first preference for the Classic. The rest of the Classic pre-entries, in alphabetical order, are: **Arthur's Ride (Tapit)**, **Highland Falls (Curlin)**, **Mixto (Good Magic)**, **Newgate** (Into Mischief), **Senor Buscador (Mineshaft)**, second preference in the Dirt Mile), **'TDN Rising Star' Sierra Leone (Gun Runner)**, **Skippylongstocking** (Exaggerator) and **'Rising Star' Tapit Trice (Tapit)**.

Also-eligibles are **Pyrenees** (Into Mischief) and **Rattle N Roll (Connect)**. Derma Sotogake and Skippylongstocking also have a second preference in the Dirt Mile.

A total of 16 Breeders' Cup Classic winners have gone on to be named Horse of the Year.

Rebel's Romance, already a Group 1 winner in Dubai and Hong Kong and victorious in Group 3 company in Qatar all this season, was last seen taking the G1 Preis von Europe at Cologne, the same race he used en route to victory in the 2022 Turf. He faces a potentially full field that is set to include Japan's **Shahryar (Jpn)** (Deep Impact {Jpn}), an excellent third to Auguste Rodin (Ire) (Deep Impact {Jpn}) last year; G1 Yorkshire Oaks victress **Content (Ire)** (Galileo {Ire}); the in-form **Far Bridge** (English Channel); and this year's G1 St Leger runner-up **Illinois (Ire)** (Galileo {Ire}).

While Idiomatic and Thorpedo Anna will vie for favoritism in the Distaff, a most-intriguing new shooter is the American-bred but Japanese-based **Awesome Result (Justify)**, a half-sister to Grade I winner Sippican Harbor (Orb), whose seven wins from as many starts includes a pair of listed victories over the deeper dirt tracks on the National Association of Racing circuit in Japan. Her most recent win came in the Breeders' Gold Cup at Mombetsu in late August, the same race used by Marche Lorraine in 2021.

Fasig-Tipton cont. from p1

With a session still to go, the auction is closing on its record gross of \$55,426,500, which was set in 2022. With just 184 horses failing to meet their reserves, the three-day buy-back rate stands at 18.0%. As of Wednesday night, an additional 20 horses were listed as post-sales for a gross of \$1,176,000.

“There was a great RNA rate and we continue to sell a lot of horses who were RNAs in the first two days,” Browning said. “We are seeing a tremendous amount of horses that are walking through the sales ring sold through the ring and a tremendous number sold on a post-sale basis.”

For the second day in a row, a yearling by **Curlin** brought the session's top price late in the day with Mark Casse, bidding on the phone on behalf of Gary Barber, going to \$500,000 for a filly by the Hill 'n' Dale stallion from the Taylor Made Sales Agency consignment. “It's been a really, really fun three days so far, in terms of seeing the level of energy and the level of activity,” Browning said. “The feel of the grounds again today was strong. People were smiling, people were bidding. The horses were coming in and bringing three and four times the reserves people had set on them. Bid spotters were saying it was really hard work because you've got so many people bidding, as opposed to just one or two people bidding on a horse.”

The October sale's final session begins Thursday at 10 a.m.

'A Beautiful Filly:' Casse, Barber Strike for Another Late Session Topper for **Curlin**

For the second day in a row, a session of the Fasig-Tipton October sale was topped by a yearling by **Curlin** who went through the sales ring late in the day as darkness fell over Lexington. Trainer Mark Casse, bidding on the phone on behalf of owner Gary Barber, outlasted Ramiro Restrepo to secure a filly by the Hill 'n' Dale stallion (**hip 1195**) for \$500,000 in the auction's third session Wednesday. Consigned by Taylor Made Sales Agency, the dark bay is out of Achalaya (Bellamy Road) and is a half-sister to hard-knocking multiple Grade I winner Casa Creed (Jimmy Creed), as well as graded winner Chess' Dream (Jess's Dream), and the Casse-trained 2-year-old filly Charlotte's Heart (Authentic).

"Obviously, **Curlin** is one of Gary's favorite sires," Casse said. "And the mare has been such a great producer. I train the 2-year-old filly out of her for Live Oak, Charlotte's Heart, who broke her maiden at Saratoga first time out and was just second in a stakes at Woodbine. So it's a real live family. Gary liked the pedigree and we liked the horse."

KEENELAND 

Cont.

The yearling was bred by **30 Year Farm**, which purchased Achalaya, in foal to Authentic, for \$725,000 at the 2021 Keeneland November sale. Charlotte Weber's Live Oak Plantation purchased the mare's Authentic filly for \$725,000 at the 2023 Fasig-Tipton Saratoga sale.

Named Charlotte's Heart, she broke her maiden on debut over the Saratoga lawn Aug. 25 and was a late-closing runner-up over Woodbine's synthetic surface in the Oct. 13 Glorious Song Stakes.

The mare's yearling filly by **Curlin** also went through the ring at Saratoga, where she RNA'd for \$475,000 in August.

"I think she has grown up since Saratoga," Casse said. "When I saw her at Saratoga, I thought she

was a little immature and I think she's matured in the last couple of months. Obviously, to make the Saratoga, it takes a pretty good horse. So she made that and I think she's improved since then."

Taylor Made's Duncan Taylor said he was happy with Wednesday's result.

"With the way the sale is, I am thrilled that we got the \$500,000," Taylor said. "I think she is worth every penny of it. She's a beautiful filly. She is just a later-developing filly. We had her in Saratoga and she's improved so much since then. And everything the mare throws has been a runner. The Authentic filly ran a heck of a race the other day."

\$450K Into Mischief Colt 'a Diamond' for Libyan Buyer

Bloodstock agent Mahmud Mouni, representing Libya's Interior Minister Emad Trabelsi, went to \$450,000 to acquire a colt by Into Mischief (**hip 855**) during Wednesday's session of the Fasig-Tipton October sale. The yearling, who was consigned by Blake-Albina Thoroughbred Services, was one of five yearlings signed for by Mouni through three sessions of the four-day auction.

"He's a new client in the horse business," Mouni said of Trabelsi.

"We would like to keep the horses here [in the U.S.] for one year. We are planning, discussing with the seller, to send them to [Todd] Pletcher. Our main target is the G1 Saudi Cup and G1 Dubai World Cup for the following year or the year later. After we see how they do next year. If they are doing really well, maybe they will go to the GI Kentucky Derby."

Wednesday's topper, a filly by **Curlin** | Fasig-Tipton

Hip 855, who RNA'd for \$475,000 at the Fasig-Tipton Saratoga sale in August, is out of Shopit (Yes It's True) and is a full-brother to multiple Grade I placed Shoplifted. He was bred by Newtownanner Stud Farm, which purchased Shopit for \$65,000 at the 2019 Keeneland November sale. The mare had Into Mischief colts sell for \$1 million at the 2022 Fasig-Tipton Saratoga sale and for \$600,000 at the 2023 Keeneland September sale.

"I would like to buy from

the new generation, the yearlings by younger stallions like **Charlatan** or **Maxfield** or **McKinzie**, but when you see a diamond like this horse, you can't forget him," Mouni said. "That's why we decided to buy him. [Trabelsi] told me two or three horses, but when you see a diamond like this, we decided to buy him in the last five minutes."

Mouni's other purchases at the October sale include colts by **Good Magic** for \$270,000 (**hip 429**) and \$180,000 (**hip 615**).

Mouni said the Libyan racing and breeding industry has been on the improve in recent years and he has high hopes for its future.

"Horse racing in Libya is increasing and jumping up with increasing prize money, especially in the last few years," he said. "The people are spending more money on horses because it's worth it now. Before it wasn't. Now everything is stable, especially after the revolution."

"Now everything is stable and everyone is supported to buy the horses. I have many clients who are still interested until the end of the sale.

"We can't buy horses for half a million for Libya now, the target is for those quality horses to go to Saudi Arabia and Dubai and racing in the U.S. in the Kentucky Derby. But we will see in the near future. Maybe there will be a Libya World Cup."

1061	filly	McKinzie	Town Beauty	\$210,000

Consigned by Taylor Made Sales Agency, Agent XXXVI
Purchased by Mike G Rutherford

The last time this filly by **McKinzie** went through the sales ring, she sold for \$62,000 at last year's Keeneland November sale. She was sold Wednesday by Taylor Made Sales Agency on behalf of an undisclosed client.

"We were really high on her," Taylor Made's Hunter Houlihan said. "We thought she was one of the better fillies in the group and thought she was hopefully a standout of some sort. We obviously had some good vetting on her and had the right people on her. She exceeded our expectations, but that's honestly about where we thought she would fall."

GISW NEWGATE JOINS THREE CHIMNEYS ROSTER FOR 2025

TDN Rising Star Newgate (Into Mischief--Majestic Presence, by Majestic Warrior) will stand at Three Chimneys upon his retirement, according to a farm release Wednesday. The winner of this season's GI Santa Anita Handicap is scheduled to make a start in the GI Breeders' Cup Classic at Del Mar next month.

An \$850,000 Keeneland September yearling purchase, the bay is campaigned by SF Racing LLC, Starlight Racing, Madaket Stables LLC, Robert E. Masterson, Stonestreet Stables LLC, Jay A. Schoenfarber, Waves Edge Capital LLC and Catherine Donovan.

Newgate, a first out winner at Del Mar in 2022, later captured the GIII Robert B. Lewis Stakes in a field which included eventual Grade I winner Arabian Lion.

Newgate winning this season's Big 'Cap | Benoit

Earlier this season, he won the Big 'Cap against a field which included GI Pacific Classic winner Mixto, GI Jockey Club Gold Cup winner Highland Falls and GI California Crown scorer Subsanador. In his most recent start in the California Crown, Newgate posted a 122 Equibase Speed Figure, in a blanket finish, beaten a head by Subsanador.

“Newgate was exceptional from the very beginning of his career,” said SF’s Tom Ryan.

“He demonstrated impressive precocity as a 2-year-old, breaking his maiden as a TDN ‘Rising Star’ at Del Mar.

“At 3, Newgate showcased his elite ability in the one 1/16-mile Bob Lewis, winning with an impressive 100 Beyer, and we believed we had a real Derby contender. However, a setback sidelined our dreams, and delayed his return until 2024. He has returned bigger, stronger, and faster, winning a very competitive renewal of the Santa Anita Handicap. He finished an eye-catching third, beaten a head, in the California Crown.”

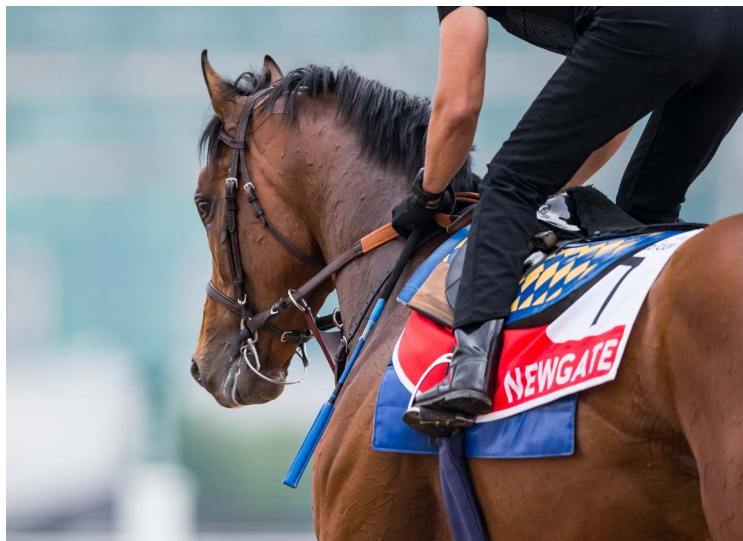

“Newgate is a majestic physical with speed that can carry him a long way. He's always been one of the most stunning colts in Bob's shedrow, and that's a very difficult feat. SF looks forward to continuing our association with Newgate at Three Chimneys.”

Trainer Bob Baffert added, "Newgate is a magnificent looking horse. He's an absolute standout who was very talented on the racetrack. Rarely do you see a horse with the speed and precocity to win first out early in its 2-year-old year going 5 1/2 then be able to win a Grade I at a mile and quarter as an older horse. He's by the right sire and he's going to the farm that stands **Gun Runner**."

Bred by Town & Country Horse Farms, the Kentucky bred won or placed in six graded/Grade I stakes, including the GII San Pasqual, GIII Bob Hope and GII Sham. He is a full-sister brother to Denim and Pearls, winner of the GII Beaumont at Keeneland.

Three Chimneys' Gonçalo Torrealba said, “We are excited to have such an impressive colt from Bob Baffert’s barn coming to Three Chimneys for the 2025 breeding season. Impeccably bred Grade I winners are hard to get, and to have SF and Stonestreet staying involved in his next career with us means a lot. There are not any better endorsements than that. Three Chimneys couldn’t be happier to offer breeders such an outstanding son of Into Mischief.”

GISW COGBURN TO WIDDEN STUD IN 2025

Cogburn to shuttle to Australia in 2025 | Sarah Andrew

Cogburn (**Not This Time**--In a Jif, by Sainly Look), winner of this summer's GI Jaipur Stakes, will shuttle to Widden Stud in Australia in 2025, according to a Widden release Wednesday.

Campaigned by Clark Brewster and William and Corinne Heiligbrodt, the 5-year-old set a new North American and world record when taking Saratoga's 5 1/2-furlong turf event in :59.80 in June, stated the release.

"I've had some of the fastest horses in the world, some of the fastest horses of all time, and he's still the first one I've ever had run 5 1/2 furlongs in under a minute," said his trainer Steve Asmussen. "Five and a half furlongs in under a minute, it's just hard to even get your head wrapped around that."

A winner at two, Cogburn recorded his first graded win at three when taking the 5 1/2-furlong GIII Troy Stakes at Saratoga. Undefeated in three starts this season, he most recently took the GII Kentucky Downs Turf Sprint on Sept. 7. The bay is expected to make his next start in the GI Breeders Cup Turf Sprint at Del Mar next month.

"He's unbelievably impressive. He's an absolutely different horse since being switched to the turf," said Asmussen. "We moved him to the turf because I didn't feel that he had met his potential the way that he had trained. He'd run solid on the dirt, but we expected better from him. Then, we moved him to the turf, gave him a freshening and he's come back an absolute monster."

"Australia is renowned for elite speed on turf and Cogburn's stats are undeniably up there with the very best of our sprinters," said Antony Thompson. "In recent times, we have been offered and considered many shuttle opportunities, but never actively pursued them until Cogburn--he's a horse we chased, a physical powerhouse who I believe will make a meaningful impact on Australian racing."

\$2,300,000

Bred by Bellary Bay Bloodstock, the Kentucky bred is slated to stand at WinStar Farm for the North American season in 2025.

Thompson continued, “We’re over the moon about his arrival, and it’s been a great honour working with WinStar, one of the world’s most distinguished stud farms, to shuttle Cogburn to Australia.”

“Aside from his astonishing win in the Jaipur, Cogburn has also clocked brilliant times on the turf over five furlongs [1006m - :55.49] and six furlongs [1207m - 1:07.68] which compare favourably with our superstar sprinters.”

Cogburn’s world-record time surpasses the track record over 1100m at Flemington (1.02.15), Caulfield (1.01.73) and Rosehill (1.02.51). Black Caviar is the only Australian sprinter to record a faster time over 1000m in :55.42 when winning the 2013 G1 VRC Lighting Stakes.

Incidentally, the Randwick course record over 1200m stands at 1:07.32 and Flemington’s track record over 1200m a time of 1:07.17.

“We are delighted to announce a partnership with Widden Stud on Cogburn, the fastest horse in the world,” said Elliott Walden President & CEO of WinStar Farm. “We shuttled More Than Ready for many years, and I think Cogburn has a big chance down under. I was in awe of his performance in the Jaipur and his balance and conformation are spectacular and his type will suit the Australian market. Being by **Not This Time**, and having tremendous speed, he is a great fit for Australian breeders. Standing alongside Zoustar at a historic farm like Widden, we couldn’t be more excited.”

The Deal between WinStar and Widden was brokered by Bradley Weisbord and Will Johnson.

“Cogburn is one of six [Group 1/Grade I] winners by **Not This Time** who is regarded as one of the most exciting young sires in North America, attracting comparisons to champion Australian sire I Am Invincible, for his meteoric rise at Taylor Made Stallions--starting off from a modest fee of \$15,000 when he went to stud in 2017 his fee has since rocketed to \$175,000,” added Thompson. “His first crop that are now six year-olds produced 17 stakes-winners and his second crop produced 12 stakes-winners with his current crop of 2-year-olds, including his first Royal Ascot winner Shareholder, winner of the G2 Norfolk Stakes over five furlongs.”

With nearly 70% winners to runners and 11% stakes winners to runners, **Not This Time** has sired the winners of over \$10.7 million in North America this year highlighted by 11 stakes winners.

Not This Time had the highest priced yearling colt at the Fasig-Tipton Saratoga Sale this year selling for \$3.4 million and has had additional yearlings in 2024 sell for \$1.3 million, \$1.15 million, \$1 million etc for an average of \$372,895 off a \$75,000 service fee in 2022.

Not This Time represents the Storm Cat sire line through champion racehorse and sire Giant’s Causeway, who has spawned a hugely successful sire dynasty that has also achieved success in Europe on the turf through his champion son Shamardal and Lope De Vega.

CHAD BROWN JOINS TDN WRITERS' ROOM PODCAST

Chad Brown never arrives at the Breeders' Cup with a weak hand. But for a trainer who has won 19 Breeders' Cup races, this could be the best team he's ever sent to the Cup. His ammunition includes horses like **Sierra Leone** (**Gun Runner**), the 3-year-old filly sprinting sensation **Ways and Means** (**Practical Joke**), Turf miler **Carl Spackler** (**Ire**) (Lope de Vega {Ire}) and one of the top 2-year-olds in training in **Chancer McPatrick** (**McKinzie**). Joining us on this week's TDN Writers' Room Podcast presented by **Keeneland**, Brown went through his lineup for the big day.

"Well, it's not the most I brought in there, but overall top to bottom, there's a chance it could be (his best ever contingent), particularly with my dirt horses. I've never brought in this many live dirt horses, I'd say. I've been stronger in different years on the turf though."

Bill Finley brought up Brown's very open disdain for this year's Breeders' Cup Filly & Mare Turf, which will be run at a mile and three eighths and around three turns.

Chad Brown heads to the Breeders' Cup with a strong hand
Sarah Andrew photo

"Chad, I was talking to you a couple of weeks ago and you had a criticism, which is I think is well worth going over again, that the filly and mare turf race is around three turns this year at a mile and three eighths," he said. "And you pointed out that the American grass fillies have no other races like this. So you're sticking them in a situation where they would be unfamiliar to it, maybe an advantage to the Europeans. Does that still bother you a little bit and did it affect any of the way you place your horses?"

"Yes, it does bother me," he said. "I've been a very active participant in the Breeders' Cup, and they put on a wonderful event. It's evolved tremendously through the years. Brown said. "I have so many compliments. But with that decision...and I've been told it's because of the tight turns at the track. I understand when you move venues around, the tracks are configured differently. There's got to be some give and take there. I understand there are European horses that are important to the Breeders' Cup, but this is an American event, where they rarely run three-turn grass races for fillies. So it doesn't make any sense to me. I am disappointed. They didn't even ask me, someone who has won the race several times, for an opinion."

He said he has not pre-entered a horse in the years' Filly & Mare Turf.

On Sierra Leone, who will be attempting to give Brown his first win in the GI Breeders' Cup Classic, it's hard to predict what he will do. He has not won since the GI Blue Grass S., but finished second in the Derby, third in the GI Belmont S., second in the GII Jim Dandy and third in the GI Travers. A victory in the Classic would go a long way toward changing his reputation as an underachiever.

"He is doing super," Brown said. "I think he's been probably been forgotten about in the eyes of the media as far as he stands within the crop because he hasn't really come through this summer. His last three starts have all been at Saratoga. I'm not going to make excuses. You know, all the horses need to run over the same track. I chose to run him there three times. I liked him in all three races. The horse has been training super, but looking back on it and all his races, it does seem to be, even though his figures would suggest he's running as fast as ever, visually, the last part of his race, he hasn't been quite a win candidate."

In our breeding spotlight section we took a look at the [WinStar stallion Heartland](#).

Elsewhere on the podcast, which is also sponsored by the [Pennsylvania Horse Breeders' Association](#), [Hubbard Feeds](#), the [KTOB](#), [West Point Thoroughbreds](#), [WinStar](#), [XBTv.com](#), and [1/ST Racing](#), the team of Randy Moss, Zoe Cadman and Bill Finley took a look at the remarkable performance turned in by Florida stallion stakes star Rated by Merit. He is a homebred from the powerful Vinnie Viola stable. He is three-for-three so far and the 99 Beyer number given to him in his last start was the fastest assigned to any 2-year-old so far this year. Look to him to be on the Kentucky Derby trail next year. We also brought up the ongoing story of marathon specialist **Next (Not This Time)** pointing to the Breeders' Cup. Moss and Cadman said he shouldn't run in the Breeders' Cup. Claiming that the horse has nothing to lose, Finley has been rooting for Next to go the Breeders' Cup all year. GSR REACHES WAGERING AGREEMENT WITH XPRESSBET, ELITE TURF CLUB *By Dan Ross*

Golden State Racing (GSR) has reached an agreement with The Stronach Group's (TSG) Xpressbet, allowing punters to be able to wager on Pleasanton through that particular ADW platform when racing resumes this Friday.

GSR launched its inaugural 26-day Thoroughbred meet at Pleasanton Saturday, Oct. 19. But punters hoping to wager on its product through Xpressbet and the New York Racing Association's NYRA Bets were shut out--a scenario stemming from a disagreement over the fees that form a key part of a track's purses and revenues.

Similarly, Elite Turf Club players were also unable to play on the Pleasanton product. Owned by TSG and NYRA, Elite Turf Club is one of the primary Computer Assisted Wagering (CAW) platforms in the U.S.

According to Larry Swartzlander, executive director of GSR and the California Authority of Racing Fairs (CARF), Elite Turf Club teams will also now be able to wager on Pleasanton.

Swartzlander said that the rates for Xpressbet will remain the same as on the fairs over the summer with no reductions. "They were exactly what we had asked for," said Swartzlander.

An Apr. 4 letter from the Thoroughbred Owners of California (TOC) to Swartzlander shows the fairs this summer charged Xpressbet, NYRA and other platforms a hub fee of 5% for ADW wagers accepted by California residents, and a host fee of no less than 7.5% of gross out-of-state handle wagered by out-of-state account holders.

"I'll give thanks to [Thoroughbred Owners of California executive director], Bill Nader and the TOC, they stepped forward, totally supported our position," said Swartzlander.

In a message to key stakeholders Tuesday, Swartzlander wrote that TSG CEO Aidan Butler "was in total support of GSR and will continue to support racing in Northern California."

GSR has hired Churchill Downs International (CDI) to handle their rate negotiations.

Swartzlander said Tuesday that CDI would continue negotiations with NYRA on Wednesday. The California Horse Racing Board (CHRB) is privy to those negotiations, Swartzlander added.

TEXAS 2-YEAR-OLDS-IN-TRAINING SALE SET FOR APRIL 2, 2025 AT LONE STAR PARK

The 2025 Texas 2-Year-Olds-in-Training Sale is scheduled to be held on Wednesday, Apr. 2, at 10 a.m. on the grounds of Lone Star Park at Grand Prairie, The Texas Thoroughbred Association announced Wednesday. The breeze show is set for Monday, Mar. 31, starting at 8 a.m. Last year's sale posted an average price of \$34,367 and median of \$24,500. That sale was topped by a Texas-bred son of Street Boss who sold for \$265,000.

Just like the 2-year-old sale, this year's summer yearling sale posted gains compared to the previous year, continuing an upward trend for the Southwest's largest auction.

"We've already had a lot of people asking about the 2025 2-year-old sale, so I anticipate the interest in this auction will be strong," said Foster Bridewell, sales director. "We have the \$100,000 Texas Thoroughbred Association Derby and Oaks coming up in March at Sam Houston Race Park for sale grads, and those races have proven to a showcase for the talented athletes available at both of our sales."

COGBURN, NOBALS, JOHANNES AMONG STRONG NORTH AMERICAN HKIR ENTRIES

by Alan Carasso

Cogburn | Sarah Andrew

A total of 16 individual horses from the United States and Canada have been handed entries for the 2024 Longines Hong Kong International Races at Sha Tin Racecourse Sunday, Dec. 8. The four Group 1 races--the Longines Hong Kong Cup (2000mT), Longines Hong Kong Mile, Longines Hong Kong Sprint (1200mT) and Longines Hong Kong Vase (2400mT)--offer record prize money of HK\$126 million (\$16.21 million).

No fewer than nine American-based short-track specialists have been entered for HK\$26-million (\$3.35-million) Sprint, including the record-setting **Cogburn (Not This Time)**, who is expected to go favored in the GI Breeders' Cup Turf Sprint at Del Mar on Nov. 2. Also entered for the Sprint is reigning Turf Sprint hero **Nobals** (Noble Mission {GB}) and **Howard Wolowitz (Munnings)**, who earned his Grade I laurels in the Franklin-Simpson Stakes at Kentucky Downs and who is already stabled at Del Mar ahead of his Turf Sprint appearance. Christophe Clement is no stranger to the HKIR and has a trio engaged in the Sprint--**Big Invasion** (Declaration of War), the mare **Roses for Debra** (Liam's Map) and **Senbei** (Candy Ride {Arg}), recent winner of the GIII Belmont Turf Sprint. South African Grade 1 winner BC Turf Sprint candidate **Isivunguvungu (SAf)** (What a Winter {SAf}) and could represent the Graham Motion stable.

With purse money of HK\$40 million (\$5.15 million), the Hong Kong Cup is the richest of the afternoon's main events, whose two-time defending champion Romantic Warrior (Ire) (Acclamation {GB}) will try to make history with a third straight renewal in six weeks' time. **Far Bridge** (English Channel) has stamped himself as one of America's top middle-distance turf horses with victories in the GI Sword Dancer Stakes and

GI Joe Hirsch Turf Classic and the 'TDN Rising Star' holds an entry for the Cup as well as the Vase. Also nominated to both races are the Phil d'Amato-conditioned **Balnikhov (Ire)** (Adaay {Ire}), **Gold Phoenix (Ire)** (Belardo {Ire}), while MGSW mare **Hang the Moon (Uncle Mo)** is entered for the Cup only. **Full Count Felicia (War Front)**, all-the-way winner of the GI E. P. Taylor Stakes, has been entered by Kevin Attard.

The recent retirement of three-time Horse of the Year Golden Sixty (Aus) (**Medaglia d'Oro**) leaves something of a void in the local Mile division and the HK\$36-million (\$4.63 million) contest has lured a pair of North American entries, GI Shoemaker Mile hero **Johannes (Nyquist)** and **Win for the Money** (Mohaymen), upset winner of the GI Woodbine Mile for Live Oak Plantation and Mark Casse.

Lukka (Chi) (Lookin At Lucky), a two-time Group 1 winner in Chile and a close third in the GII Hollywood Turf Cup on his lone U.S. appearance last November, is a fourth U.S.-based entry for the HK\$24-million (\$3.09 million) Hong Kong Vase.

JOCKEY KATIE DAVIS MCCARTHY JOINS TRF'S BOARD OF DIRECTORS

Katie Davis McCarthy
Sarah Andrew

Edited Press Release

Jockey Katie Davis McCarthy has been appointed to the Thoroughbred Retirement Foundation's (TRF) Board of Directors, it was announced Wednesday.

Born and raised in Saratoga Springs, New York, Davis McCarthy comes from a renowned racing family. Her father, Robbie Davis, is a former jockey and current trainer, while two of her five siblings, Dylan and Jackie, are also professional jockeys.

"I'm honored to join the TRF Board and support the foundation's ongoing work. I'm here to support everyone and look forward to being part of an organization that gives so much back to retired racehorses," said Davis McCarthy.

Davis McCarthy joins the TRF Board as the organization continues to grow its innovative programs and partnerships, including its Second Chances Program. This initiative pairs retired racehorses with incarcerated individuals, offering the horses rehabilitation while teaching life skills to people in need of second chances themselves.

"Katie's youth, enthusiasm, perspective, and talents will be a huge addition to the board of the TRF," said Patrick Mackay, Chairman of the TRF Board. "We look forward to working with her on continuing to move the TRF forward for the betterment of both our herd and the Second Chances Programs."

IN ORDER OF PURSE:

7th-Keeneland, \$138,689, Alw, 10-23, (C), 3yo/up, 5 1/2ft, 1:03.40, fm, neck.

ARREST ME RED (g, 6, Pioneerof the Nile--Maraschino Red, by Medaglia d'Oro), a multiple graded stakes winner at age three, in his latest form cycle was the runner-up by only a head in the Kentucky Downs Preview Turf Sprint Stakes at Ellis Park Aug. 4. The gelding won an allowance race in Franklin, Kentucky Aug. 31 before going off as the 5-2 choice here. Arrest Me Red settled behind the speed into the first turn and continued to hold that spot up the backstretch. Shifting to the four path and rolling home with gusto and then some, the 6-year-old produced a well-timed ride guided by Frankie Dettori to score by a neck over Mo Stash (**Mo Town**). The winner is a half-brother to Hidden Treat (Lemon Drop Kid), SW, \$118,515. A half-sister to MGISW Spun Sugar (Awesome Again) and GISW Daaher (Awesome Again), Marasschino Red foaled a colt by **American Pharoah** last year and she was bred to both **Jack Christopher** and the Triple Crown winner for 2025. Lifetime Record: MGSW/GISP, 23-9-4-3, \$1,237,961. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

NEON ICON (f, 3, Arrogate--Mademoiselle Coco, by Medaglia d'Oro) earned 'TDN Rising Star' honors on debut at Keeneland Apr. 17 with a 4 1/2-length score. The gray cleared the allowance ranks next time over a wet track at Churchill Downs May 23. Well-beaten in the GIII Indiana Oaks July 6, Neon Icon finished seventh in the GI Alabama Stakes at the Spa Aug. 17 and fifth in the Seneca Overnight Stakes under the Twin Spires Sept. 21.

Looking to get her picture taken and as a 9-2 shot here, the 3-year-old tucked in off the speed along the rail into the first turn. On hold up the backstretch, the filly was locked in and looked for a way through around the far turn. Tipping to the outside lane and coming under a drive, Neon Icon steadily reeled in Audacious (Into Mischief) and got to the wire by a length over that foe. The victory gave trainer Rusty Arnold his 300th Keeneland win.

"This is great that it was for the Bromagen family because such a big number of these wins were their horses," said Arnold, who is based at Keeneland and is second behind Bill Mott on the list of all-time leading trainers at the track. "I have been training for them since about 1986.

"I have to thank all the owners: the Bromagens, G. Watts Humphrey [Jr.], Taylor Asbury from way back," Arnold said. "I know I am going to forget to mention somebody. Calumet Farm has really jumped on and helped me. So many people through the years, I don't want to forget anybody. Some have been with me a long time."

Neon Icon's dam is responsible for a yearling colt by **Essential Quality** and a filly by that same sire who was foaled Mar. 11. A half-sister to Horse of the Year Havre de Grace (Saint Liam), Mademoiselle Coco was sent to **Cody's Wish** for 2025. The winner is part of an extended female family which includes MGISW Riskaverse (Dynaformer) and current sire **Tonalist** (by **Tapit**). Sales History: \$220,000 Ylg '22 KEESEP. DREAMGIRL (f, 2, Mo Town--Box Office Smash, by Dixie Union) broke her maiden by a pair of lengths at first asking under the Twin Spires June 14, and then challenged stakes company to no avail in the Schuylerville Stakes at the Spa July 11. Outclassed in the Untapable Stakes at Kentucky Downs Sept. 8, the dark bay was eased against optional claimers at Keeneland Oct. 4.

Dreamgirl | Coady Media

Requiring a reset and as a 7-1 shot here, Dreamgirl broke alertly and tracked up the backstretch longshot Viral Plane Lady (Mitole). On the chase around the far turn, the juvenile aimed at her target while skimming the rail and with a furlong left the pair duelled for the lead. In sight of the wire, the Michael Maker trainee got the best of her rival and won by 3/4 of a length. The winner was her dam's last registered foal at this point. A half-sister to current stallion **Bee Jersey** (by Jersey Town), Box Office Smash was not sent to a sire for next term. Sales History: \$25,000 Ylg '23 FTKFEB; \$65,000 2yo '24 OBSAPR. SECRET TROUBLE (c, 2, World of Trouble--Arty's Secret, by Secret Circle) broke his maiden by 3 1/4 lengths at third asking over a muddy Thistledown course Sept. 30. Off as a 16-1 longshot here, the colt was shuffled back towards the rear of the field and was clearly separated from the main pack which was being led up the backstretch by Baytown Baracus (**Collected**).

The dark bay finally started to get underway by tipping to the extremem outside around the far turn. Full of run down the lane, the juvenile shifted into high gear and collared the pacesetter in the final jumps to get the money by 3/4 of a length. The first registered foal for his dam, the winner has a yearling half-sister by Summer Front and a new weanling half-sister by **Frosted** who was produced May 6. TOUCHY (c, 2, Nyquist--Touch the Moon, by Malibu Moon) was the runner-up on debut in the Tremont Stakes at the Spa June 6 and finished fourth in the GII Saratoga Special Stakes Aug. 10. Well-backed as the 63 cents on the dollar favorite here, the colt stalked the pace up the backstretch and was clearly ready to roll around the far turn. The homebred was given his cue from the rail at the top of the lane and he powered home to graduate by 3 3/4 lengths over Mo Quality (**Mo Town**). **Cont.**

The winner is a half-brother to Royal Approval (Tiznow), GSW, \$117,400. Touch the Moon foaled a filly by **Nyquist** Jan. 31 and she was bred to **Gun Runner** for next season. Making the move to her new shedrow, the filly finished just off the board at Churchill Downs Sept. 21. Overlooked at 26-1 on the stretch out and surface switch here, the longshot was handed an easy lead heading into the first turn. The homebred hummed along controlling the clock up the backstretch and around the far turn she continued to fend off only one challenger. Entering the lane, the 3-year-old kept finding and finished the job by two lengths over High Shot (Hightail). The winner is her dam's last registered foal. After being installed as an 8-1 shot here, the 3-year-old was able to work her way from the back of the pack to the second flight around the first turn. Encountering traffic up the backstretch, the homebred successfully stayed engaged by the top of the lane and diving towards the two path with a sixteenth left she was able to get up in the final jump to nail Stay Lost (Bernardini).
