SIERRA LEONE 'GUNS' DOWN FIERCENESS IN BREEDERS' CUP CLASSIC

Fasig-Tipton Saratoga Topper Leads Home 'TDN Rising Star' Exacta and Clean Sweep For Sophomore Colts

Sierra Leone gets over the hump in the Classic | Horsephotos

by Steve Sherack

DEL MAR, CA – **Sierra Leone** (Gun Runner), a painful second in the GI Kentucky Derby and a frustrating, beaten favorite in three subsequent efforts at Saratoga this summer, emulated his leading young sire with a victory on the biggest stage of them all in Saturday's GI Longines Breeders' Cup Classic at Del Mar.

The GI Toyota Blue Grass S. winner and **'TDN Rising Star'** took advantage of a lightning-fast pace up front, picked off his rivals with an eye-catching, sweeping move on the final turn and outbattled favored **'Rising Star' Fierceness** (City of Light) to deliver a 1 1/2-length victory at odds of 6-1 in the \$7-million centerpiece. It was another 1 1/4 lengths back to **Forever Young (Jpn)** (Real Steel {Jpn}) in third.

Sierra Leone, a \$2.3-million Fasig-Tipton Saratoga Yearling sale topper and future Coolmore stallion, is campaigned in partnership by the powerhouse line-up of Peter Brant, Mrs. John Magnier, Michael Tabor, Derrick Smith, Westerberg and Brook T. Smith.

"I am so proud and happy for the horse," trainer Chad Brown said after saddling his 19th career winner at the World Championships and his first in the Classic. "He's come up short a few times and had some excuses. He's been so consistent and is such an honest horse. One of the best I've ever had. It's such a great ownership group. Everyone is just so patient."

Brown continued, "I thought we took a tough beat in the (Kentucky) Derby, but we did it with class and respect and went back to the drawing board and worked on getting him straight. My team deserves a lot of credit along the way for working with this horse."

Brant added, "Yeah, this is a great day, a great day. Of course, Chad always loved this horse. He always had faith in him. He's a horse that I hope we see him run as a 4-year-old because he's the kind of horse we want to look at racing in these big races."

Derma Sotogake (Jpn) (Mind Your Biscuits) led the field of 14 through impossible early fractions of :22.43 and :44.96 with GI Travers Stakes winner Fierceness just waiting to pounce in second. Sierra Leone, meanwhile, was always traveling nicely beneath Flavien Prat near the back of the pack.

Fierceness took control on the far turn, but Sierra Leone, beaten by that rival in his last two starts, finishing second in the GII Jim Dandy Stakes and third in the Travers, was ready to turn the tables.

Sierra Leone had a full head of steam on the far outside as Fierceness turned them in. Fierceness battled on gamely down the stretch--don't forget how close he sat to that scorching early pace--but the long-striding Sierra Leone was just too much and edged clear late to get the money.

Flavien Prat celebrates following the Classic | Horsephotos

Prat, also aboard horse-of-a-lifetime Flightline in the 2022 Classic at Keeneland, was riding his sixth career winner at the Championships. He would pick up his seventh aboard Moira (Ghostzapper) in the Filly and Mare Turf one race later.

"Obviously the pace was good and we found ourselves in a good spot," Prat said. "I was able to stay outside and the whole way around it felt like I was gaining ground on the leaders. Actually, I was a bit worried that I got there too soon, but once I got the lead, I asked him to make his move and that was it."

Breeders' Cup/Eclipse Sportswire

The G1 Epsom Derby winner and **'Rising Star'** **City of Troy** (Justify) never made any impact and was eighth as the 7-2 second choice. "They went so hard and he just couldn't get going," jockey Ryan Moore said. "I let him get comfortable and he's done well to keep going to the line."

Trainer Aidan O'Brien added, "He lost it at the start and obviously I didn't have him prepared to come out quick enough. He missed it and left Ryan with no chance really, the race was over at the start. He's been an incredible horse and it's so sporting of the lads to let us have a go at this race. It's been a pleasure and a privilege to have him and we'll look forward to having his foals."

Pedigree Notes:

Sierra Leone becomes the second Breeders' Cup winner for leading young sire and 2017 Classic winner Gun Runner. Gun Runner was also represented by the gone-to-soon **'Rising Star'** Echo Zulu, who capped her unbeaten championship season with a memorable win in the 2021 Juvenile Fillies, also held at Del Mar. Sierra Leone is one of 10 Grade I winners worldwide for Gun Runner. The Gun Runner x Malibu Moon cross is also responsible for GISW and **'Rising Star'** Locked, who finished third as the favorite in last year's Juvenile. Broodmare sire Malibu Moon is responsible for 11 top-level winners, including narrow Distaff runner-up Stellar Wind and F/M Sprint runner-up Bellafina. **Cont. p6**

Dk. b or br. m, (Oct), by Animal Kingdom - Alexandra Rose-SAF, by Caesour. Trainer Drysdale Neil. Bred by Team Valor Pty Ltd (Aus).

OLEKSANDRA (AUS) bumped at the start by KANTHAKA who recovered afterwards after breaking in and brushing the gate, saved ground at the tail of the field down the backstretch before tipping three wide into the turn, came under coaxing at the five-sixteenths, angled five wide into upper stretch, offered up a good finish to issue a challenge through the final furlong and was up in the very last jumps to the wire. KANTHAKA brushed the near side stall at the start and was corrected recovering outwards to bump OLEKSANDRA, chased along the inside from mid pack, came under a ride at the five-sixteenths, angled six wide into upper stretch, dug in under a drive rallying to take command a sixteenth from home, then got nailed in the final strides to the finish. TEXAS WEDGE bumped after the start by PURE SENSATION due to pressure from STUBBINS, chased just off the inside just off the pace, angled five wide into upper stretch set down for the drive, rallied to take over command near the eighth pole, dug in and was collared a sixteenth out, ran on to preserve the show honors. STUBBINS broke in at the start, chased four then three wide in aim of the front, got let out spinning four wide into upper stretch, seized command straightened away, dug in and was collared a furlong out, weakened in the late stages. WHITE FLAG just off the inside near the rear of the field, came under coaxing at the five-sixteenths, swung three wide into upper stretch, offered up a mild kick but was outkicked to the finish. LONHTWIST four then three wide in pursuit, came under coaxing at the five-sixteenths, swung four wide into upper stretch, steadied briefly near the eighth pole as OLEKSANDRA went by outside and stayed on one paced to the finish. PURE SENSATION lunged at the start then got bumped by STUBBINS into TEXAS WEDGE, dueled from the two path with HIDDEN SCROLL to his outside, tucked inside at the half mile pole, got roused cutting the corner into upper stretch and tired. HIDDEN SCROLL lunged through the gate just as it was sprung, dueled three then two wide with the aforementioned foe to his inside, got let out spinning just off the inside for home in command, yielded straightened away and tired.

OLEKSANDRA (AUS) broke in brushing the near side stall before bumping the hindquarters of RAGING BULL, settled just off the inside at the tail of the field, tucked inside at the nine-sixteenths, remained patiently handled and was angled out to swing six wide into upper stretch set down for the drive, offered up a good finish rallying into contention a furlong out to take command from a trio near the sixteenth marker getting guided inwards to look her main danger in the eye and gamely fended off that rival to prevail by a head. RAGING BULL (FR) bumped at the start by OLEKSANDRA, who broke inwards, settled tracking the front just off the inside, remained in the two path through the far turn, took the inside route into upper stretch in behind GET SMOKIN, had that rival drift out and was roused along the fence straightened away, was in a bit tight but lost no momentum as GET SMOKIN came back inwards a furlong out, offered up a good kick through the final sixteenth knocking heads with the top one late but was ultimately denied at the end. FRONT RUN THE FED three wide in pursuit, came under coaxing at the five-sixteenths, swung three to four wide into upper stretch, offered up a bid issuing a challenge for command until near the sixteenth marker, couldn't sustain the momentum and flattened out in the late going while able to preserve the show honors. SANCTUARY CITY settled just off the inside near the rear of the field, tucked inside at the nine-sixteenths, angled out three to four wide into upper stretch, ran on through to the finish improving position to secure the last major share. GET SMOKIN vied inside a trio through swift splits down the backstretch, continued to show the way through the turn and into upper stretch and got let out taking the inside route, dug in drifting out forcing TELL YOUR DADDY to pause in the two path with about three-sixteenths to go, came inwards placing RAGING BULL in a bit tight a furlong out, clung to the front from a trio until displaced near the sixteenth marker, then weakened in the late stages. PENALTY three then two wide in pursuit, remained patiently handled until set down angled five wide into upper stretch, offered up a bid to the furlong grounds then weakened to the finish. TELL YOUR DADDY vied three wide among a trio down the backstretch and into the turn, got let out spinning three wide into upper stretch, got paused when GOT SMOKIN drifted outwards with about three-sixteenths remaining, then weakened through to the wire. RAASED vied from the two path between foes among a quartet and then a trio coming under coaxing five-sixteenths from home, spun just off the inside into upper stretch and weakened. VERONESI (FR) struck the near side stall at the start, advanced four wide in the clear down the backstretch to vie with a trio to his inside, continued four wide through the far turn and faded, swung four to five wide into upper stretch, then folded in the drive.

A 'REBEL' WITH A REPEAT CAUSE: GODOLPHIN'S GLOBETROTTER REBEL'S ROMANCE TAKES A SECOND TURF

by Alan Carasso

From Qatar to Dubai to Hong Kong, back to Britain and then across to Germany. By any metric, it had already been a massive season for Godolphin's hearty globetrotter **Rebel's Romance (Ire)** (Dubawi {Ire}), and it got that little bit better Saturday afternoon, as his best battling qualities were on full display in just staving off a gallant effort from **Rousham Park (Jpn)** (Harbinger {GB})--the lesser-preferred of the two Sunday Racing-owned horses--to win the GI Longines Breeders' Cup Turf for the second time in three seasons. **Shahryar (Jpn)** (Deep Impact {Jpn}) rounded out the trifecta for the second straight year.

"A horse like this, he's a superstar, he really is," said trainer Charlie Appleby, winning his 11th Breeders' Cup race, having saddled Yibir (Ire) (Dubawi {Ire}) to the victory in the 2021 Turf at Del Mar. "You watch him run around there and you really feel it. You want him to win.

"I'm just delighted for him and to win back to back Del Mars so we know he likes it here. For the mileage he's done and the competition that he's been campaigning at, that level for the time he has it takes a lot of guts."

Rebel's Romance | Benoit

Alertly away from his wide draw, the handsome dark bay settled in about fourth position in the early exchanges as longshot **Cabo Spirit** (Pioneerof the Nile) kicked on with it, but Buick clicked up Rebel's Romance on the turn, asking him to improve into a pace-pressing position entering the stretch for the first time. 'TDN Rising Star' **Far Bridge** (English Channel), America's best chance for the Turf, enjoyed the run of the race as he tugged his way along from third. **Cont. p8**

Breeders' Cup Turf cont.

There was no significant change in plot passing the stands first time around, as Cabo Spirit still had the 19-10 favorite glued to his outside, with Far Bridge in the box seat and Shahryar and Rousham Park midpack and last, respectively. Past the halfway point in an easy 1:13.82, Cabo Spirit turned them into the backstretch as Rebel's Romance was held together, jockey William Buick waiting for the right time to cut the ribbons. That cue came at the five-sixteenths, and Rebel's Romance readily wrested command traveling strongly into the lane. Rousham Park looped rivals in the clear and had aim on Rebel's Romance, close with monster strides and just missed, with Buick all out on the eventual winner. Shahryar, who lacked a clean run in last year's Turf, was again snookered behind **Luxembourg (Ire)** (Camelot {GB}) and **Gold Phoenix (Ire)** (Belardo {Ire}) in the lane and finished well once steered off heels to complete the Japanese 2-3 finish.

"He's just a legend of a horse who is all class and heart," said Buick. "We had a good run around and he stuck his head down to the line."

Rebel's Romance (right) | *Breeders' Cup/Eclipse Sportswire*

Rebel's Romance becomes the third to win the 12-furlong feature on multiple occasions, joining Conduit (Ire) and High Chaparral (Ire), but the first of that trio to do it in non-consecutive tries. Buick has now visited the Breeders' Cup winner's circle nine times--five of those in the three runnings at Del Mar--and the legendary Dubawi was being represented by his eighth winner of a Breeders' Cup race.

Fourth in unsuitably easy ground in the 2023 GI Joe Hirsch Turf Classic, effectively dashing any plans at a title defense in last year's turf, Rebel's Romance rediscovered his better form when taking the Listed Wild Flower Stakes over the Kempton all-weather Dec. 13. A metamorphosis of sorts had begun.

After defeating Japan's Zeffiro (Jpn) (Deep Impact {Jpn}) in the G3 H H The Amir Trophy in Doha Feb. 17, Rebel's Romance was programmed for the G1 Dubai Sheema Classic, but made the long trip back to England as opposed to the much shorter one to Dubai. It mattered not at all, as Rebel's Romance took command of the \$5-million contest 600 meters out and comfortably held Shahryar by two lengths. A rare overseas runner in the G1 Champions and Chater Cup in Hong Kong in late May, Rebel's Romance really never took a deep breath in validating 2-5 favoritism and his third in the G1 King George VI & Queen Elizabeth Stakes came behind a couple of heavyweights, namely Goliath (Ger) (Adlerflug {Ger})--who is set to go on his own travels for the G1 Japan Cup at the end of this month--and Bluestocking (GB) (Camelot {GB}), winner of the G1 Prix de l'Arc de Triomphe in early October. As he did in 2022, Rebel's Romance prepped for his American working vacation in the Sept. 22 G2 Preis von Europa at Cologne, where he gutted out a narrow victory.

And he's not done yet. Rebel's Romance is tentatively penciled in for the G1 Longines Hong Kong Vase Dec. 8. And they'll have him to beat one more time.

Pedigree Notes:

Sheikh Mohammed's operation purchased Rebel's Romance's second dam Short Skirt, a half-sister to the multiple group-winning and multiple Group 1-placed Whitewater Affair (GB) (Machiavellian), for 1.4 million guineas (\$2,839,305) at the 2006 Tattersalls December Mares sale, and among her four other winners was G3 Nad Al Sheba Trophy winner Volcanic Sky (GB) (Street Cry {Ire}), while her unraced daughter Rose Law (GB) (New Approach {Ire}) produced Godolphin's Japanese listed winner and Group 3-placed Due Process (GB) (Daiwa Major {Jpn}).

There is more Japanese black-type in the third dam, as Whitewater Affair accounted for multiple Japanese champion/Group 1 and poignant G1 Dubai World Cup hero Victoire Pisa (Jpn) (Neo Universe {Jpn}), as well as Group 1-winning miler Asakusa Den'en (GB) (Singspiel {Ire}). **Cont. p9**

THORPEDO ANNA CAPS STELLAR YEAR WITH BREEDERS' CUP DISTAFF *by Jill Williams*

Is **Thorpedo Anna** (Fast Anna) the 2024 Horse of the Year? That will undoubtedly be the most-asked question in racing from now until the Eclipse Awards in late January.

In a year where Thorpedo Anna's name has seemingly never been far from any racing conversation, the brilliant 3-year-old filly showed why she absolutely should be under heavy consideration for Horse of the Year honors with a sublime victory in Saturday's \$2-million GI Breeders' Cup Distaff at Del Mar. The race was hers to lose and the task made considerably less complex with the withdrawal the week prior of reigning Distaff winner Idiomatic (Curlin) and the vet scratch Saturday morning of unbeaten Japanese invader Awesome Result (Justify), but that wasn't

Thorpedo Anna | Breeders' Cup/Eclipse Sportswire

Thorpedo Anna's fault and she just kept on doing what she's been doing all year, proving herself the best of all female rivals.

"She's the best filly in the country this year," said regular rider Brian Hernandez, Jr. "We wanted to ride her accordingly. The biggest question is just make sure she stood up in the gates, left there in good order. When she did that, it made my job so much easier. What I have to do after that fact is stay out of her way, stay on her back more than anything."

That precisely what Hernandez did. With the ease that comes from knowing one is on the best horse, Hernandez guided the Brookdale Racing, Mark Edwards, Judy B. Hicks, and Magdalena Racing runner immediately to the front. While usually in the first flight of runners, the dark bay hasn't been on the lead since the GI Kentucky Oaks. Thorpedo Anna did it effortlessly Saturday, ears flicking back and forth, as GI Personal Ensign Stakes winner **Raging Sea** (Curlin) stuck like

glue to her outside flank. Traveling comfortably, the 2-5 choice set :23.81 and :47.99 fractions, then simply pulled clear in the stretch to put both daylight on the field and an exclamation point on her inevitable crowning at the 3-year-old filly champion. Hernandez raised his crop in a quick salute at the wire, then brought the star filly to the winner's circle accompanied to voluble cheers from the crowd.

Thorpedo Anna got the Distaff's nine furlongs in 1:49.10. Raging Sea held second, while GISW **Candied** (Candy Ride {Arg}), who has now finished on the board in four straight Grade I races, was up for third.

"[Thorpedo Anna] keeps it rolling, doesn't she? It was workmanlike," said trainer Kenny McPeek. "She just went out there and did her thing. There wasn't a whole lot that was complicated about it. I didn't have too many doubts. Just didn't want anything silly to happen. Just let her do her thing and Brian [Hernandez] did great. She just does everything so easily."

It was the first Breeders' Cup win for McPeek, who came into the 2024 Breeders' Cup weekend 0-37. Of course, six months ago, McPeek hadn't won a GI Kentucky Derby or an Oaks either and those turned out pretty well. In addition to Thorpedo Anna winning the Oaks for McPeek, Mystic Dan (Goldencents) won the Derby. Hernandez, who won his first Breeders' Cup in 2012 with Fort Larned in the Classic, has been aboard for each of the big wins.

Thorpedo Anna's exercise rider, Danny Ramsey
Breeders' Cup/Eclipse Sportswire

"This is a humbling business; it's not something that you can ever expect," said McPeek regarding his first Breeders' Cup victory. "I was actually proud of a lot of seconds and thirds I have had in the Breeders' Cup because we have done it in many ways with modest money. We are pretty much outspent by a lot of players, but we run well. That's all you can do."

Breeders' Cup Distaff cont.

Named a **'TDN Rising Star'** after a second consecutive open daylight victory at two last year, Thorpedo Anna closed her juvenile campaign in 2023 with a runner-up finish in the GII Golden Rod Stakes. She kicked off her sophomore season with another daylight win in the Mar. 30 GII Fantasy Stakes, then romped with authority in the Oaks, the GI Acorn Stakes, and the GI CCA Oaks. Despite all the elite-level victories, her best race may have been her only loss of 2024, when she faced the boys in the GI Travers Stakes, running last year's champion 2-year-old colt Fierceness (City of Light) to a head and earning a sensational 111 Beyer Speed Figure, co-tops for the year going into Saturday. Fierceness would go on to finish second in the GI Breeders' Cup Classic later on Saturday's card with Sierra Leone (Gun Runner), third in the Travers behind Thorpedo Anna, winning the Classic. All three were **'TDN Rising Stars'**.

The winner's circle celebration | Breeders' Cup/Eclipse Sportswire

While neither Fierceness nor Sierra Leone ran between the Travers and Breeders' Cup, Thorpedo Anna added a GI Cotillion Stakes win Sept. 21. It wasn't her top performance and her winning neck margin raised plenty of questions, but it was still a win and her Distaff coronation likely silenced any straggling

doubters. Thorpedo Anna's record now stands at eight victories and two seconds from 10 lifetime starts.

McPeck confirmed the plan is to race Thorpedo Anna next year at four.

"We have every intention to run her next year. She is a filly that likes to do it and, hopefully, we'll entertain a lot of people with her in 2025. Anytime you run a horse like her, it's emotional."

Pedigree Notes:

Co-owner Hicks bred Thorpedo Anna in Kentucky out of the unraced Sanford Robertson-bred mare Sataves, a daughter of Coolmore's Uncle Mo, who has 23 stakes winners as a broodmare sire. Sataves traces directly to 1974 Broodmare of the Year Cosmah and has a 2-year-old colt named McAfee (Cloud Computing), who debuted Friday at Churchill Downs with a 3 1/4-length maiden special weight victory for trainer Dick Dutrow. Hicks stayed in for a piece of McAfee after selling him at the 2023 Keeneland September sale for \$40,000, the same price Thorpedo Anna brought a year earlier at Fasig-Tipton October. Hicks still has Sataves's Mar. 15-foaled Known Agenda filly and named her After the Storm. The mare was bred back to Gun Runner.

Thorpedo Anna is the sole graded winner from 14 black-type winners for the late Fast Anna, who was second in the 2014 GI King's Bishop Stakes. The Medaglia d'Oro stallion passed away from laminitis at Three Chimneys in 2021 just days after Thorpedo Anna was born.

EN 'VAUX'-GE: MORE THAN LOOKS STRIKES A POSE IN THE BREEDERS' CUP MILE

by Alan Carasso

Victory Racing Partners' **More Than Looks** (More Than Ready) has spent a fair bit of the last 16 months in the shadow cast by his talented contemporary, 'TDN Rising Star' **Carl Spackler (Ire)** (Lope de Vega {Ire}). In three previous head-to-head battles, the \$135,000 Keeneland September graduate had finished behind his rival each time, but the quirky dark bay managed to flip the script on one of racing's biggest stages, coming with a barnstorming rally--in particular in the final 100 yards--to win Saturday's GI FanDuel Breeders' Cup Mile at Del Mar. Top local chance **Johannes** (Nyquist) completed a rare U.S.-based exacta in a race typically dominated by European raiders, while **Notable Speech (GB)** (Dubawi {Ire}) was no better than third as the favorite while attempting to give Godolphin a fourth straight winner of the race.

More Than Looks is the first Breeders' Cup winner for trainer Cherie DeVaux and the eighth for his much-missed sire, whose champion daughter Uni (GB) won the 2019 renewal up north at Santa Anita.

"I really don't know how to say it in words, this is really unbelievable," the trainer told NBC's Nick Luck. "This is a horse we've had a lot of faith in from the beginning and things just haven't gone to plan."

Recalling her 20 years as an assistant trainer, DeVaux invoked the memory of Chuck Simon, who passed away Sept. 8 following a battle with cancer. Her voice breaking with understandable emotion, DeVaux said, "This means a whole lot to me. I was an unguided, young 20-something right out of college and he's the one that pulled me under his wing and gave me guidance. If he didn't give me the guidance, Lord knows where I'd be today."

More Than Looks | Horsephotos

Though he had dropped his last two decisions to Carl Spackler in top-level company, those races brought just the right amount out of him in preparation for this major objective. More Than Looks was a highly creditable sixth from an impossible draw in

last year's Mile at Santa Anita and made the first start of his 4-year-old season in the GI Fourstardave Handicap at Saratoga Aug. 11. Fresh off the layoff, the dark bay was difficult to handle as he wanted to overrace, but he nevertheless attacked the line to be second, albeit soundly defeated. His final prep in the GI Coolmore Turf Mile at Keeneland Oct. 5 also did not go exactly to plan, as he broke slowly and was carried out into the first turn, but he bridged the bulk of a 7 1/4-length

deficit to miss by a length in second in another slow-paced event. The speed looked to be very much on at the seaside oval on Saturday, and More Than Looks proved equal to the task.

Breeders' Cup Mile cont.

Away without incident this time around, More Than Looks was beaten for pace and was dropped out to the tail of the field by Jose Ortiz as **Goliad** (War Front) outsprinted Japanese longshots **Ten Happy Rose (Jpn)** (Epiphaneia {Jpn}) and **Geoglyph (Jpn)** (Drefong) to the front. Carl Spackler figured to be ridden forward from the outside draw and so it proved, but he was forced to race three deep, to the outside of Johannes and without the benefit of cover into the bend. Notable Speech raced on the back of Johannes in the two-wide line.

Trainer Cherie DeVaux shares a victory hug with Jose Ortiz
Breeders' Cup/Eclipse Sportswire

Goliad continued to take the Mile field along, going past the half-mile pole in :45.90, and all riders seemed content with their positions as they hit the far turn. Victoria Mile heroine Ten Happy Rose, the 58-1 longest shot in the field, poked her head in front of Goliad in upper stretch, but there was plenty taking place farther back in the field. Johannes made the first move, switching off the heels of Carl Spackler, while More Than Looks slipstreamed Notable Speech into the final couple of furlongs. While Carl Spackler could not quite finish off his race, Johannes came calling for the lead, going better than Notable Speech, but it was More Than Looks who charged home best of all despite trying to lay in on multiple occasions with time ticking away. Johannes lasted for second, rounding out the first American-based 1-2 in the Mile since Tourist (Tiznow) denied Tepin (Bernstein)'s title defense in 2016.

"I knew I had enough speed leaving the gate, so as soon as I broke, I saw [William] Buick inside of me, so right away, that's the horse [Notable Speech] I wanted to follow," said Ortiz, who won two of his previous five Breeders' Cup races at Del Mar in 2021. "I either wanted to follow him or **Chili Flag (Fr)** (Cityscape {GB}) or somebody that closes. But I wanted to follow William and it worked out perfect." **Cont. p16**

Pedigree Notes:

More Than Looks becomes the 27th worldwide Grade I/Group 1 winner for the late More Than Ready, his 13th in the Northern Hemisphere. That number includes the aforementioned Uni and fellow Breeders' Cup winners Rushing Fall and Roy H (2x). Pluck (Juvenile Turf) and Regally Ready (Turf Sprint) won their races before they were elevated to Grade I status. The cross of More Than Read over Storm Cat-line mares has resulted in the additional top-level scorers Verrazano and Say The Word, both out of mares by Giant's Causeway. Rushing Fall's dam was by Forestry.

Hinkle Farms gave \$575,000 for the stakes-winning Ladies' Privilege carrying the colt that would become More Than Looks at the 2019 Keeneland November Sale. The mare is a full-sister to Takeover Target, three times a winner at the graded level on the grass for Chad Brown, while More Than Looks's third dam produced Critical Eye (Dynaformer), victorious in the GI Hempstead Handicap and GI Gazelle Handicap on the main track.

The current 2-year-old out of Ladies' Privilege is a filly named American Privilege (American Pharoah), a \$525,000 Keeneland September purchase who breezed five furlongs at Santa Anita in 1:00.80 (5/11) Oct. 24. The mare's yearling colt by Gun Runner fetched \$700,000 from Japanese interests at KEESEP this year and she foaled an Upstart filly Apr. 15 before a date in the shed with 2022 Breeders' Cup Classic hero and Horse of the Year. THIRD TIME'S THE CHARM MOIRA IN FILLY & MARE TURF *by Heather Anderson*

If at first you don't succeed, try, try again. That was the case for Canadian Horse of the Year **Moira** (Ghostzapper) as she took the lead in her third attempt in the GI Maker's Mark Breeders' Cup Filly & Mare Turf, before driving home a half-length winner for her first Grade I tally at Del Mar Saturday. In so doing, the 5-1 shot held off the late rush of Godolphin's 13-5 favorite **Cinderella's Dream (GB)** (Shamardal), who nosed out **Didia (Arg)** (Orpen) for second. The final time for the \$2-million, 1 3/8-mile race was 2:14.95. **Cont. p18**

Breeders' Cup Filly & Mare Turf cont.

Owned by X-Men Racing--the brainchild of Canadian Donato Lanni--Madaket Stables, LLC and SF Racing, LLC, the 5-year-old mare is trained by fellow Canadian Kevin Attard, who also saddled Saturday's pacesetter **Full Count Felicia** (War Front).

Moira stalked in sixth one off the fence behind splits of :25.38, :49.84 and 1:1:15.08. She then picked up to sit third on the backstretch as Full Count Felicia served up easy fractions while shadowed by **Sunset Glory (Ire)** (Cotai Glory {GB}). The Canadian champ was less than two lengths from the vanguard on the final bend and loomed ominously. Cinderella's Dream remained glued to the rail in midfield and William Buick had yet to make a move.

Surging up to challenge Full Count Felicia, Moira subdued that foe in a matter of strides and kicked for the line, as Didia was unwinding from out in the middle of the course and Cinderella's Dream was finally weaving her way up the inside. **Beautiful Love (Ire)** (Siyouni {Fr}) was also in contention with less than an eighth of a mile to travel. At the wire, it was close, but Moira had enough cushion for the victory. Beautiful Love was a half-length fourth.

Moira | Horsephotos

Attard, who was winning his first Breeders' Cup race, said, "It's so rewarding to finally see her get that Grade I. It was nice to see her put it all together today and show everybody that she is a true champion. When she won the Queen's Plate, I was floored with it, a dream come true.

"She's always been a horse that kind of throws you some curve balls. She was a lot more relaxed, a lot more settled [today]. The connections here to support me and give me faith and confidence for me to train her and keep her throughout her career has meant a lot to me, my career, my family. She's obviously going to a sale--I'm going to miss her."

Added Prat, who was winning his seventh Breeders' Cup affair and first Filly & Mare Turf, "She broke well and I was able to get myself close to the rail going into the first turn. I decided to get out and get myself closer and try to get the jump on everybody and it worked out."

SF Bloodstock's Tom Ryan said, "Donato wanted to keep this filly in training, bought her [last year]. I called him to see if he would help buy me some Derby horses. The first horse he bought us was Authentic, and he won the Derby. And Donato wanted to put together a team to buy a Queen's Plate horse. The first one he bought is Moira." **Cont. p19**

Said Lanni, “My idea was to buy a Canadian-bred filly and win the Canadian Oaks. I wanted to put together a bunch of my friends, Canadian friends of mine, I've known Kevin for 25 years. Tom and Sol [Kumin] are my dear friends. They love the game, love the action.”

William Buick, aboard Cinderella’s Dream, said, “She had a good trip, but they went slow and I just didn’t get the split in time. She had never run over the trip before, so I had to save everything I could.”

Bred by Adena Springs in Ontario, the 2022 dual Canadian Classic winner sold for \$150,000 as a Keeneland September yearling from the Hidden Brook draft to X-Men Racing. Last November she was one of the highlights of the Fasig-Tipton Night Of Stars when selling to DM Racing Ventures for \$3 million. She was offered by Hill ‘n’ Dale at Xalapa.

Moira was a debut winner in the 2021 Princess Elizabeth Stakes, before placing in the GIII Mazarine Stakes to finish off her juvenile year. After a stakes win to start 2022, the filly delivered the Woodbine Oaks by 10 3/4 lengths, before adding the Queen’s Plate. Second, but disqualified and placed eighth in the GI E.P. Taylor Stakes at Woodbine, she ended her year with a fifth at Keeneland in the Filly & Mare Turf. Her earlier efforts were good enough to see her named the 2022 Canadian Horse of the Year and Champion 3-Year-Old Filly.

Although she only won the GII Canadian Stakes in 2023, Moira placed in a quintet of graded races, including thirds in the E.P. Taylor and Santa Anita’s Filly & Mare Turf last October. Since going through the Fasig-Tipton ring in Lexington, she has been campaigned more sparingly in 2024, but was a close second in the GI Diana Stakes at Saratoga in July. She secured a victory in the GII Beverly D Stakes at Colonial Downs a month later, but failed to catch Full Count Felicia in the E.P. Taylor in September.

Moira is set to head back to sell again at the Fasig-Tipton Night of Stars as **hip 293** on Nov. 4. She will be consigned by John Sikura’s Hill ‘n’ Dale at Xalapa.

Pedigree Notes:

American Horse of the Year and GI Breeders’ Cup Classic hero Ghostzapper stood through 2020 at Adena Springs in Kentucky before moving to Hill ‘n’ Dale at Xalapa for the 2021 breeding season. He will **cover his finale season at Adena Springs Farm** in Canada next year. At stud, he has left 104 stakes winners internationally, 58 of them at graded level. Moira is his 16th Grade I winner. His earlier Breeders’ Cup winners have all been with fillies--champion and two-time GI Breeders’ Cup Filly & Mare Sprint heroine Goodnight Olive (sale) in 2022/2023, and 2014 F&M Sprint victress Judy The Beauty.

Moira is a half-sister to SW Jungle Cry (Animal Kingdom), and a yearling filly by Constitution named R Bee Gee. Her eventual MSW dam was picked up by Adena Springs for \$120,000 out of the OBS June Sale, and she would go on to be third in the GI Mrs. Revere Stakes. Hidden Brook, agent for Farview, purchased Devine Aida for \$400,000 out of the 2020 Keeneland November Sale carrying a full-sibling to Moira. She was covered by Forte for 2025. Second dam Passion (Came Home) was a Grade III winner, while farther back in the pedigree is GI Hollywood Oaks heroine Kumari Continent (Kris S.), second in the GI Santa Anita Oaks.

STRAIGHT NO CHASER BUZZES DOWN LANE TO TAKE BREEDERS' CUP DIRT SPRINT

by J.N. Campbell

Straight No Chaser (outside) | Benoit

The rowdy MyRacehorse contingent, chanting their horse's name in unison, flooded the Del Mar winner's circle as they celebrated a signature score by **Straight No Chaser** (Speightster) in the GI Cygames Breeders' Cup Sprint at Del Mar on Saturday.

Straight No Chaser began his career under trainer Dan Blacker's care over two years ago. As a 3-year-old that summer at Del Mar, the bay debuted a winner while sprinting over the grass. Though he was well-beaten over course and distance against optional claimers that September, Straight No Chaser cleared that level at Santa Anita on the main track the next month.

Well-beaten in the GI Malibu Stakes in Arcadia late in the year, the Fasig-Tipton Midlantic grad was third in the GIII Palos Verdes early in 2023 and then won impressively by a 7 1/4-length margin facing optional claimers at Oaklawn in April. The speedster turned heads by taking home the GIII Maryland Sprint Stakes on the Preakness undercard **before being sidelined.**

The MyRacehorse investment started his 5-year-old campaign in the shedrow of Juan Landeros where he finished off the board in the Gill Runhappy Stakes at Aqueduct this past May. Back with his original conditioner and off a four-month break, the bay captured the Gill Santa Anita Sprint Championship Stakes Sept. 29.

Straight No Chaser arrived at Del Mar and was backed as a 6-1 shot here. The 5-year-old tracked up the backstretch from third while chasing pacesetter **Federal Judge** (Army Mule). Around the far turn, the Blacker trainee got into gear and started to make his run at the leaders, which included **Bentornato** (Valiant Minister). Fully loaded down the lane, Straight No Chaser found his best stride and won by half a length over Bentornato. Favored **Mullikin** (Violence) was up for third.

“He’s just a really talented horse,” said Blacker, who collected his first win in a Breeders’ Cup race. “I’m just really thankful to MyRacehorse for having me. They’ve been such great patient owners. It means a lot to me, obviously, but it’s the horse. Ultimately, he’s just a really talented horse. All the other horses see in the race are great, super talented horse, too, I’m just lucky to have the best one today.”

Pedigree Notes:

Straight No Chaser's sire (by Speightstown), who sadly passed away in 2022, lays claim to his first Grade I winner. This was Speightster's second Breeders' Cup starter and first winner at the World Championships for stallion. The winner's dam is responsible for 2-year-old colt in-training T Kraft (Connect) and a yearling colt by Omaha Beach. Margarita Friday foaled a colt by Practical Joke Feb. 24 and she was entered in Authentic's book for next term. Straight No Chaser's extended female family includes dual champion sprinter and MGISW Housebuster (Mt. Livermore).

A 'STAR' IS BORN IN THE TURF SPRINT

by Steve Sherack

Starlust | Breeders' Cup/Eclipse Sportswire

DEL MAR, CA – Mrs. Fitri Hay's **Starlust (GB)** (Zoustar {Aus}), a longshot third in the GI Breeders' Cup Juvenile Turf Sprint at Santa Anita last year, added to a dream run for trainer Ralph Beckett and jockey Rossa Ryan with a 33-1 upset in an eventful renewal of the GI Breeders' Cup Turf Sprint at Del Mar.

With the rail-drawn, 4-year-old filly **Believing (Ire)** (Mehmas {Ire}) a late scratch after flipping in the gate and delaying the start by a good 10 minutes, 4-5 favorite and world-record setter **Cogburn** (Not This Time) wasn't off to the sharpest of beginnings, but quickly rocketed clear beneath Irad Ortiz, Jr. on the far turn while Starlust continued to trail in 11th.

Cogburn turned for home under very confident handling and looked well on his way after zipping through fractions of :21.59 and :43.72, but began to tire inside the final furlong.

Starlust, meanwhile, made eye-catching progress along the inside in the stretch. He was steered out and appeared to bother **Isivunguvungu (SAf)** (What a Winter {SAf}) close to home and was across the wire first in a wild finish.

Starlust was a neck better than horse-for-course **Motorious (GB)** (Muhaarar {GB}). It was another nose back to **Ag Bullet** (Twirling Candy) in third. Cogburn tired to fifth.

A stewards' inquiry involving the stretch run took place, but the result was allowed to stand after a lengthy discussion.

Ryan and Beckett also teamed to win last month's the G1 Prix de l'Arc de Triomphe with **Bluestocking (GB)** (Camelot {GB}). Starlust is Beckett's second Breeders' Cup winner. He also trained **Muhannak (Ire)** to a win in the discontinued Marathon in 2008. It is the first Breeders' Cup winner for Ryan.

"The reality is that when you're in it, it's very hard to enjoy it," Beckett said of his Arc-Breeders' Cup double.

"I think probably we will enjoy it at the end of the year. And we're nearly done now. We have a week's left of runners and then there's November and December and that's when I'll really (enjoy it). But, absolutely it has been a year like no other."

Starlust made nine subsequent starts this season following his fantastic effort at last year's Championships, including a pair of wins at York and a close third-place finish in the G1 Nunthorpe Stakes Aug. 23. He was ninth over soft going in the G1 Prix de l'Abbaye de Longchamp Longines last time Oct. 6.

"He's a really tough horse, not had a break all year," Beckett said. "He had a tough trip in the l'Abbaye last time, but today he was very good. Rossa Ryan gets better by the month. It's his third or fourth year with us and today he was at his very best. The way he rode **Bluestocking** in the Arc was very different to today and I'm very proud of what he's achieved. What a day!"

He added, "It was marvelous. I'm delighted for Jim and Fitri Hay, who put a lot in and this horse has been very well-managed by Alex Cole. He's danced every dance and we got our win today."

Breeders' Cup/Eclipse Sportswire

Pedigree Notes:

Starlust, a 55,000gns Tattersalls October yearling purchase by bloodstock agent Dermot Farrington, becomes the ninth top-level winner worldwide for Zoustar (Aus). Beyond Desire (GB) produced a full-sister to the winner in 2023. Broodmare sire **Invincible Spirit** is also responsible for 2022 GI Breeders' Cup Juvenile Turf winner **Victoria Road (Ire)** (Saxon Warrior {Jpn}).

'FULL' CIRCLE FOR HRONIS, SADLER IN DIRT

MILE FINALE by *Steve Sherack*

DEL MAR, CA – With the sun setting on another Breeders' Cup weekend, it was a familiar sight with the dark green silks of Hronis Racing being carried home to victory in the finale.

Full Serrano (Arg) (Full Mast), drawn on the inside in post three, stalked and pounced his way to a 1 1/2-length victory over **Post Time** (Frosted) in the GI Breeders' Cup Dirt Mile. It was another 2 1/4 lengths back to favored **Domestic Product** (Practical Joke) in third.

Hronis and Sadler, of course, closed out the 2018 and 2022 Championships in style with wins by Accelerate and Flightline in in the GI Breeders' Cup Classic. The \$7-million centerpiece was run four races earlier on the program this year.

"We were quite nervous at the draw," Sadler said. "We know you need a good draw, especially at Del Mar. This is one of my home tracks and I hold a lot of records here--most stakes wins, etc. When we were hanging out there at the draw and there were a couple posts left and one was the 14 and one was the three, I was thrilled to get the post three. From there on out, we got a really good ride from Joel (Rosario). He's my home boy. We've been together for a long time."

Full Serrano, off at odds of 13-1, jumped well beneath Rosario and raced in the garden spot behind 77-1 longshot **T O Saint Denis (Jpn)** (Kitsan Black {Jpn}) in second through fractions of :22.30 and :45.47. He set his sights on the leader at the top of the stretch, set sail for home from there and was never seriously threatened by the runner-up, who rallied smartly from last of 13.

Full Serrano | Horsephotos

A listed stakes winner last year in Argentina and graded placed there this January for former trainer Diego Pena, Full Serrano was purchased privately and made his first start for his new connections a winning one in a course-and-distance optional claimer at Del Mar Aug. 3. He finished a fantastic second and earned a 99 Beyer Speed Figure after setting a fast pace in the GI Pacific Classic going 1 1/4 miles at Del Mar last time Aug. 31. He was forced to sit out the GI California Crown at Santa Anita Sept. 28 after spiking a fever.

"This horse came to me and has done well since we've had him here," Sadler said. "Unfortunately, he got a little sick when we went back to Santa Anita, so he didn't get a run in the prep. He might have been in the Classic, had he not got a little temperature."

Sadler continued, "I'd like to, if it works well, run in the Pegasus and then look possibly at the Middle East for this horse."

As for the private purchase of Full Serrano, Hronis added, "We're always in the market for the long dirt races here for the California circuit. We're always shopping. I don't really get to do the shopping. I just follow John around. I have the basket, he puts the stuff in, I go to the register. That's my involvement (laughter)."

Pedigree Notes:

Full Mast, who captured the 2014 G1 Grand Criterium at Longchamp as a homebred for Juddmonte, stands at Haras Gran Muneca in Argentina. By Juddmonte's pensioned Mizzen Mast, he is out of Juddmonte's GISW Yashmak (Danzig), in turn a daughter of Juddmonte's 1997 Broodmare of the Year Slightly Dangerous. Sire of 2023 Argentinean champion 2-year-old filly Tan Gritona (Arg), Full Mast has 11 black-type winners and five graded/group winners. Full Serrano, a member of his second crop, is his first stakes winner outside of South America.

The unraced Serra Do Mar (Arg), dam of Full Serrano, is a daughter of Jump Start, who also sired her full-sister Seresta (Arg), the 2015 champion 2-year-old filly in Argentina and the dam of 2023 Japanese GSW and three-time G1-placed Harper (Jpn) (Heart's Cry {Jpn}). Jump Start, who had shuttled to Argentina for five seasons, died in 2019 at age 20 in Pennsylvania due to complications from colitis. The A.P. Indy stallion has 32 stakes winners to date out of his daughters. Serra Do Mar produced a full-sister to the Dirt Mile winner in 2022. The unraced filly is named Full Service (Arg). --Jill Williams

SOUL OF AN ANGEL KICKS OFF BREEDERS' CUP ACTION WITH UPSET IN F&M SPRINT

Soul of an Angel | Horsephotos

by Stefanie Grimm

Whoever gave **Soul of an Angel** (Atreides) a Red Bull before Saturday's GI PNC Bank Breeders' Cup Filly & Mare Sprint, go cash your ticket.

The 5-year-old mare sprouted wings down the Del Mar stretch to open Breeders' Cup action with a 19-1 upset win for trainer Saffie Joseph, Jr. and the ownership group of C2 Racing Stable, Agave Racing Stable and Ken Reimer.

The most experienced runner in the field by far (her 40 starts are more than double anyone else), Soul of an Angel has been quietly knocking on the door all season since joining the Saffie Joseph, Jr. barn in early May. In five starts, all in graded stakes company, she's had only one off the board finish when fifth behind Randomized (Nyquist) in the GI Ogden Phipps Stakes at Saratoga. Supporters of scratched Distaff runner Idiomatic

(Curlin) will remember Soul of an Angel giving their champion everything she could handle in the GIII Molly Pitcher Stakes in July while coming just a neck short. She was third in the GI Personal Ensign Stakes to Raging Sea (Curlin) and Idiomatic before cutting back to seven furlongs in a victorious effort in the GIII Princess Rooney Stakes at Gulfstream Park Sept. 21.

With Drayden Van Dyke aboard (he also got the leg up for the first time at Gulfstream), Soul of an Angel spotted the field what seemed a surely insurmountable distance at the break. So far back in fact that by the time the field had connected up to the main track, she was barely in the camera shot as a three-pronged battle raged up front led by **Society** (Gun Runner) with Juddmonte runners **Pleasant** (Munnings) and **Scylla** (Tapit) on either side of her. Van Dyke never looked in a rush as the opening fractions went up in :21.94 and :44.22 and, with three furlongs to run and still several lengths to make up even to get in touch with the field, switched his filly to the outside and really began to let her roll. Finally in the conversation as the leaders swung off the far turn, Soul of an Angel just kept finding as a four-wide calvary charge unfolded to her inside. A wide open affair at the sixteenth marker, the longshot had the best final jumps and just prevailed ahead of Society and Pleasant in a driving photo finish to give trainer Saffie Joseph, Jr. his first Breeders' Cup winner and Van Dyke his second (he also won aboard Stormy Liberal in the 2018 Turf Sprint).

"The start of the race was good," said Van Dyke. "She's just not as fast as those other horses. Kind of a replay of the Princess Rooney. I just had to stay after her and believe in her. Kept her covered up. When it was time to get moving, tip her out, get going. The pace felt quick. But I just trusted in her so much. She was giving it to me when I was asking her. I [was] just keeping in [as] close contact as I could. She did the rest. I just had to keep her straight and get her to the wire."

"The first quarter, I knew that's how she runs, but I thought she might be a little closer this time," admitted Joseph, Jr. "Then I was a little concerned. Once they put up the first split I saw, she was into the bridle. It's a surreal moment. I hope everybody can get to enjoy, every trainer in the world, because it is special. I'm thankful for it."

On winning his first Breeders' Cup race, Joseph, Jr. added: "It's a special moment to get our first Breeders' Cup win, and for connections that have been so loyal to me, C2 Racing, Agave Racing. Just special. And for Drayden himself. Overall, the horse is the hero, and we're just part of the process and enjoy the ride. All glory to God. I'm thankful and I'm blessed in that way, just to experience this."

JAYAREBE DIES FOLLOWING BREEDERS' CUP TURF by Bill Finley

Jayarebe winning at Royal Ascot in June | Horsephotos

European shipper **Jayarebe (Fr)** (Zoffany {Ire}) died following the running of Saturday's GI Breeders' Cup Turf.

The 3-year-old finished the race, but collapsed during the gallop out. According to a statement put out by the Breeders' Cup, Jayarebe suffered what appears to have been a cardiac event. He was immediately attended to by a team of veterinary experts led by Dr. Brent Cassady, but unfortunately passed away. His jockey, Sean Levey, was uninjured.

"Our thoughts and condolences go out to Jayarebe's connections and the many fans whose lives he touched," read the statement.

Trained by Brian Meehan, the colt was 4-for-7 lifetime with his biggest win coming in the Oct. 5 G2 Prix Dollar at Longchamp.

BREEDERS' CUP HANDLE UP OVER 2023, THIRD-HIGHEST IN HISTORY

Numbers have been released for the 2024 Breeders' Cup World Championships, with total all-sources, global common-pool handle for the two-day event at \$179,218,631, marking a 1.7% bettering of the 2023 total handle. The 41st running of the Breeders' Cup was held Nov. 1-2 at Del Mar, while the 2023 event was held at Santa Anita. **Cont. p28**

Breeders' Cup Financials cont.

The 2024 handle of \$179,218,631 marked the third-highest in Breeders' Cup history since the event went to two days in 2007. Only the 2022 event at Keeneland (with \$189,060,373 in handle) and the 2021 event at Del Mar (with \$182,908,409) in handle have topped it.

The crowd at Del Mar | Horsephotos

Total common-pool handle on Saturday's 12-race Breeders' Cup card was \$115,538,687, with Friday's 10-race card ringing in at \$63,679,944. On-track handle for both days was \$18,450,724.

Attendance is capped at Del Mar with Saturday's attendance ringing in at 36,436 and the total two-day attendance at 67,418. The Breeders' Cup will return to Del Mar in 2025. The last time it was held back to back at the same track was in 2012-14, when Santa Anita hosted for three years in a row.

PRAT EDGES MOORE FOR SHOEMAKER

AWARD *Edited Press Release*

Flavien Prat, who guided two horses to Breeders' Cup victories Nov. 1-2 at Del Mar Thoroughbred Club during the World Championships, won the 22nd Bill Shoemaker Award as the outstanding jockey of the event.

The Shoemaker Award goes to the jockey who rides the most winners in the 14 Championship races with the tiebreaker being a 10-3-1 point system for second- through fourth-place finishes.

Prat and Ryan Moore each won two races but thanks to a runner-up effort on Raging Sea (Curlin) in the GI Longines Breeders' Cup Distaff took the tiebreaker from Moore.

Prat's victories came back-to-back Saturday afternoon with Sierra Leone (Gun Runner) in the GI Longines Breeders' Cup Classic and Moira (Ghostzapper) in the GI Maker's Mark Breeders' Cup Filly & Mare Turf. Prat also had two thirds with Domestic Product (Practical Joke) in the GI Big Ass Fans

Breeders' Cup Dirt Mile and Mullikin (Violence) in the GI Cygames Breeders' Cup Sprint.

Moore's victories came Friday with Henri Matisse (Ire) (Wootton Bassett {GB}) in the GI Breeders' Cup Juvenile Turf and Lake Victoria (Ire) (Frankel {GB}) in the GI John Deere Breeders' Cup Juvenile Fillies Turf.

The Shoemaker Award is named in honor of one of the greatest jockeys in the history of Thoroughbred racing. Bill Shoemaker, who captured the Kentucky Derby four times, won 8,833 races in a career that spanned more than 40 years. In 1987, at age 56, Shoemaker won the Breeders' Cup Classic aboard Ferdinand at Hollywood Park.

CITIZEN BULL AND IMMERSIVE RELISH SUCCESS AFTER FRIDAY'S BREEDERS' CUP, EAST AVENUE WILL 'MOVE ON'

The respective winners from Friday's GI FanDuel Breeders' Cup Juvenile--**Citizen Bull** (Into Mischief)--and the GI NetJets Breeders' Cup Juvenile Fillies--**Immersive** (Nyquist), will look down the road to their 3-year-old seasons with the GI Kentucky Derby and GI Kentucky Oaks the target.

Trainer Bob Baffert said he knew that Citizen Bull was ready to take on the field at Del Mar, but all week he was careful to not tip his hand too much.

Citizen Bull | Benoit

His experience with '**TDN Rising Star**' Muth (Good Magic), who skipped the Derby and scratched because of a fever the week of the GI Preakness Stakes, is a fresh reminder for him about expectations.

"Last year, we thought Muth couldn't lose, and Fierceness kicked the hell out of us," Baffert said. "These are hard races to win." **Cont. p29**

BC Friday Wrap cont.

The Hall of Fame trainer said that it is exciting to be on the trail to May, but it is too far off at this point.

“That is why we work so hard,” said Baffert. “All my people want to play at the top level. We feel very fortunate just to get one of these.”

As for the favorite in the Juvenile, **'TDN Rising Star' East Avenue** (Medaglia d'Oro), the colt is in good shape despite an unlucky run. According to his trainer Brendan Walsh, the goal of getting to the Derby is still the focus with races along the way.

“He’s fine, we’ll move on,” Walsh said.

Immersive A Slam Dunk In Fillies

In the Juvenile Fillies, Immersive won by 4 1/2 lengths and trainer Brad Cox confirmed that now-three-time Grade I winner came out of the race in good shape.

“I think 2-year-old fillies, she's the best we've had,” said Cox. “To accomplish what she has, we've not had one win three Grade 1s at 2. We’re excited about what she accomplished, proud of her, and looking forward to next year.”

Most recently promoted to the victory in the G3 Oak Tree Stakes at Goodwood on July 31, Shadwell homebred Raqiya was beautifully rated from the front by Frankie Dettori and had plenty left for the dash to the wire, registering a 5-1 success in Saturday's GIII Goldikova Stakes at Del Mar.

The well-backed East Coast raider Sacred Wish was first away from her low draw, but the typically aggressive Paco Lopez took a tug to get her off the speed, and Dettori took full advantage, sending Raqiya along to lead more or less crossing under the wire for the first time. Fellow European-based galloper Kathmandu (Ire) (Showcasing {GB}) and Hollie Doyle prompted from second through an opening section of :23.04.

Raqiya | Benoit photo

The race was won, for all intents and purposes, down the back through the middle furlongs, as Dettori steadied the tempo noticeably, and though Doyle and Kathmandu continued to shadow Raqiya around the turn, the Italian was taking confident looks behind, knowing he hadn't spent a penny in the lead. Thrown a few crosses in upper stretch, Raqiya responded beautifully and was never in danger as longshot Uncorked emerged out of the pack for second. Sacred Wish was home third.

"I just said to Frankie (Dettori), 'if she jumps well, go for it,'" said trainer Owen Burrows, saddling his first graded winner in the U.S. "I just basically left it to Frankie. I was very comfortable in that she would stay, so I wasn't too bothered by the stepping up to a mile. Obviously, we were very concerned with the draw but look, he gave her a great ride on the front didn't he? He dictated from the front, quicken up on the bend and it worked out well."

Goldikova S. cont.

A two-time winner from four juvenile appearances, Raqiya took out the Listed Cathedral Stakes at Salisbury May 25 ahead of a non-threatening sixth in the G3 Summer Stakes at York July 12. Bothered inside the final furlong of the Oak Tree, she was on the losing side of the bobber, but the stewards ruled there was enough interference to reverse the placings.

Pedigree Notes:

Raqiya is the second U.S. graded winner for her young sire, joining last year's GI Breeders' Cup Juvenile Turf Sprint hero Big Evs (Ire).

The winner's dam is a half-sister to SW Sudoor (GB) (Fantastic Light), SW & GSP Mudaarah (GB) (Cape Cross {Ire}) and SW Ethaara (GB) (Green Desert) and the deeper female family includes dual Group 1 winner Bahri (Riverman) and GSW/G1SP Bahhare (Woodman).

Rihaam was purchased by Blandford Bloodstock for 540,000gns (\$677,999) at the 2022 Tattersalls December sale and produced a filly by Dark Angel (Ire) in 2023. The mare produced a colt by Camelot (GB) this season. --*Alan Carasso*

Hope Road, a daughter of 2018 GI Ballerina Stakes winner Marley's Freedom, kept her unbeaten 2024 campaign intact with a GIII Bayakoa Stakes score to open Saturday's Breeders' Cup card at Del Mar. Runner-up and GSW Alpha Bella, second last out in the GII Zenyatta Stakes, chased the Cicero Farms homebred throughout, while MGSW & MGISP Desert Dawn broke poorly but made up ground--a tricky thing to do on the dirt at Del Mar--to finish third.

Desert Dawn threw her head at the break and immediately left herself at a trailing disadvantage while Hope Road, favored at 1-5, went to her customary spot up front. Running comfortably despite pressure to her outside flank from Saddle Up Jessie (More Than Ready), she set quick but measured fractions of :22.38 and :46.11. Hope Road shook off Saddle Up Jessie on the turn and burst clear as Alpha Bella, who'd been sitting in third throughout, chased her home to get within a half-length and Desert Dawn picked it up from the back to finish another half-length back.

Hope Road | Benoit

"We expected her to do what she did," said Hall of Fame trainer Bob Baffert. "She's getting better and better. We're developing her in a slow, nice way. It's good to have these kind of horses. We were very fortunate to train her mother and she can run farther than her mother. She's speed; she's really fast."

Hope Road made three starts at two for trainer John Sadler, going to the bench after two runner-up finishes and an unplaced effort in the GI Del Mar Debutante. When she was next seen at the races nine months later, it was under the tutelage of Baffert. She's been undefeated since, streaking through a June maiden special weight at Santa Anita before reeling off three straight at Del Mar, including the GIII Torrey Pines Stakes Aug. 31, where she notched a 97 Beyer Speed Figure.

Bayakoa S. cont.

Baffert reportedly considered her for the GI Breeders' Cup Filly and Mare Sprint and indicated he will likely shorten her up next time for the seven-furlong GI La Brea Stakes on opening day at Santa Anita Dec. 26.

Pedigree Notes:

The day after his Hill Road was third in Friday's GI Breeders' Cup Juvenile, Lane's End stallion Quality Road got a Del Mar graded winner on the weekend with Hope Road. Quality Road is one of the sport's elite sires with 84 black-type winners, which include three Eclipse champions and 42 graded winners. Claiborne's Blame, who has 26 stakes winners out of his daughters, also had an active 24 hours as a broodmare sire as Switzerland (Aus) (Snitzel {Aus}) won the G1 Coolmore Stud Stakes at Flemington.

Hope Road is the first foal out of six-time graded winner Marley's Freedom and races for her breeder after RNA'ing for \$575,00 at the 2022 Fasig-Tipton Saratoga sale. Cicero Farms, headed by Barbara Ranck Perry, bought Marley's Freedom as a Keeneland September yearling for \$35,000 in 2015. From the same extended family as 2015 GI Stephen Foster Stakes winner Noble Bird (Birdstone), Marley's Freedom has a 2-year-old Medaglia d'Oro filly named Freedom Song and a 2024 colt by Uncle Mo. She was bred to Violence for next term.

IMMERSIVE HALF-SISTER ADDED TO FASIG-TIPTON NOVEMBER SALE

Immersive | Horsephotos

Takingtimeoff (Curlin--Gap Year, by Bernardini), a half-sister to Friday's GI Breeders' Cup Juvenile Fillies and certain Eclipse Award winner Immersive (Nyquist), has been added to Monday's Fasig-Tipton November Sale. Offered by Hunter Valley Farm, agent, in foal to Yaupon, the mare is cataloged as **hip 318**.

The first produce for her dam, a daughter of GI Ballerina Breeders' Cup Stakes winner Dubai Escapade (Awesome Again), Takingtimeoff amassed a record of 1-2-0 from six starts for Godolphin and trainer Mike Stidham and produced a colt by Frosted in 2023 before selling to Sean S. Perl Bloodstock for \$20,000 in foal to Midshipman at this year's Fasig-Tipton Winter Mixed Sale in February. The mare foaled a filly by the GI Breeders' Cup Juvenile winner Mar. 26 and subsequently visited Yaupon.

The Spendthrift sire's first yearlings were warmly received at auction this year, with a colt selling for \$900,000 and four other youngsters changing hands for better than \$500,000. Like Nyquist, Yaupon is a son of champion and fellow Juvenile winner Uncle Mo.

The Fasig-Tipton November Sale begins Monday, Nov. 4 at 2 p.m. at the auction house's Newtown Paddocks.

MUNNINGS'S QUANTUM BURST YIELDS A NEW 'RISING STAR' BENEATH TWIN SPIRES

Quantum Burst | Coady Media

A race after running into a **'TDN Rising Star'** at Keeneland, **Quantum Burst** (Munnings) will now be the running line for many horses after she overwhelmed this maiden field to take home her own *TDN* Stamp of Approval Saturday evening.

Said fellow **'Rising Star'** was Winstar Farm's Impulse Buy (Speightstown), who also earned the moniker at second asking at their mutual Keeneland start Oct. 5 at this distance. Once that one got to the lead, she never looked back, beating Quantum Burst by 11 lengths on the line. Swapping barns from Eddie Kenneally to Brendan Walsh since that jump, she was given a 9-2 chance by the betting public for her first start for the new training operation, here.

Overcoming brief contact with **Everloving** (Violence) at the start, she was content to let that one go on with it and stalked the leading pair through :23.13 and :46.36 fractions. Swung to the outside around the bend and the looming danger in the five path, she inhaled her competition entering the lane and was 5 1/2 lengths to the good on the wire. Everloving held on for second as the 3-5 favorite.

The victress is Munnings's 14th **'TDN Rising Star'**.

Quantum Burst is the first foal to the races for her dam, who claimed a runner-up spot in the GIII Charles Town Oaks as well as two other black type events before retiring to the breeding shed. The mare has a 2024 Good Magic filly this year and went to Street Sense for 2025.

This is the immediate female family of GI Florida Derby and [then so rated] GI Fountain of Youth hero Vicar (Wild Again) as well as SW Sheepscot (Easy Goer), whose claim to fame came via her sons--G1 French 2000 Guineas winner Astronomer Royal (Danzig) and course record-setter GSW Navesink River (Unbridled).

'TDN Rising Star' Gulfport is back to his winning ways with a determined victory here in the Bet On Sunshine Stakes at Churchill Downs.

After earning the TDN stamp of approval on debut, Gulfport concluded his 2022 season with placings at the highest level in the GI Hopeful and GI Champagne Stakes. His lone start in early April 2023 yielded no favorable outcome and the horse went back on the shelf until June 20 this season, when he employed a stalk-and-pounce trip to beat an optional claiming field at this venue. He was last seen running second to Champlin Sept. 28 in another optional claiming contest on a sloppy track.

Away at 7-1 odds as his rival garnered 2-1 favoritism from the betting public, he tracked the familiar foe from second through a half in :45.36 and through the bend. Drifted out four wide as he inched closer to Champlin in the stretch, Gulfport's bid was joined by Angkor, and the trio were separated by necks in the photo as the Asmussen runner overtook the leg weary longtime leader in the shadow of the wire.

"This is horse ran a huge race today and he's a very special horse to me," winning rider Erik Asmussen said. "I think I started getting on him when I weighed 140 pounds and now I got to ride him for a stakes win. I can't thank the connections enough for giving me the opportunity to ride him this afternoon. He gave me his all today and I was thrilled he was able to get the job done."

Gulfport is a half-brother to another stakes horse named Favor, who rounded out the trifecta in the GII Fair Grounds Oaks in 2022. Their dam has an unraced 3-year-old filly named Carbon Copy, who is a full-sister to this winner, and her proceeding two foals both died. Her most recent is a second full-sister to Gulfport this year. Fame and Fortune went t Nyquist for 2025. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Float like a butterfly, sting like a bee, so they say. The top two in the betting exchanged blows all the way around, and it was Running Bee who ultimately prevailed in the Artie Schiller Stakes on Saturday afternoon.

Last seen finishing just off the board Oct. 5 in the GI Coolmore Turf Mile at Keeneland to GI Breeders' Cup Mile (placing) '**TDN Rising Star**' MGISW Carl Spackler (Ire) (Lope de Vega {Ire}), the 3-5 favorite won Saratoga's Bernard Baruch Stakes two back Sept. 1 in addition to a neck victory over the summer in the GIII Monmouth Stakes.

Running Bee (outside), Big Everest (rail) | Chelsea Durand

Glued to Big Everest's hip as that one set the early fractions through :24.36 and :48.70, Running Bee bided his time in that stalking trip until Dylan Davis called on him for a rally while swinging four wide into the lane. Locking horns with his sparring mate, neither would give an inch until the final yards when the eventual winner found one last lunge forward to claim a neck margin on the wire. Fort Washington closed strongly on the pair to claim third.

"Big Everest is a front running type. There was no other one that could go with him to keep the pace honest. I thought it was my job to do that, so I broke well and was in good striking distance of him, on his hip," said Davis. "Fractions were well enough that I was OK with it. I made sure to keep pace with him so he didn't get away from me into the second turn."

"We did get a neck in front at the three-sixteenths, but Big Everest is a fighter and a fierce competitor who kept us honest until the wire. I thought it was going to be even closer than it was. I was happy that I was able to fight him back off. He ran great."

Kendrick Carmouche, who rode the runner-up as they attempted a three-peat in the race, confirmed the battle had been a good one from his mount as well. "No excuse. [Big Everest] ran his race. I got good fractions. You know, at the quarter-pole if he wouldn't have kind of lost his footing, he probably could've won. But once [Running Bee] got his head in front, he fought on. Horse ran a good race. No excuse--second best."

The winner is a full-brother to two others who got their picture taken and a half-sibling to two victors, but is by far Our Joy's most accomplished offspring to the races. He is her last with no other breeding or foaling reports on record. This is the family of G1 Irish 1000 Guineas victress Nicer (Ire) as well as an Italian champion and a busy group-quality family in New Zealand. **Click for the [Equibase.com](https://www.equibase.com) chart or VIDEO, sponsored by FanDuel TV.**

The 9-5 second choice flashed the same early speed that saw her wire the field last time out, jumping right to the front under Dylan Davis to set a comfortable tempo with minimal pressure. Enjoying an inside trip throughout, Stunner kicked clear for home and opened up on this group, coming in under a hand ride to take the Tempted Stakes.

“She’s a very good gate horse,” said Davis. “She broke well in her last start and again today she broke well. I wanted to come out with intent and get her stride well into hand. Right away, I established the lead, and she got very comfortable. The fractions were quick, but she was doing it within herself and she was very happy. She ran well today. Studlydoright was meant for the turf last time out in the Laurel Futurity but got rained off to a good main track Sept. 28 after

finishing second in the GIII Sanford Stakes and seventh in the GI Hopeful Stakes at Saratoga earlier in the summer. Racing with blinkers Saturday, the 7-2 third choice in this short field broke in a line but was outrun on both sides and took back midway up the backstretch. The field bunched up around the far turn and Studlydoright was able to shift down, gaining ground along the inside past the quarter pole to engage pacesetter Tony Eclipse. Caught between rivals in a calvary charge for the wire, he put in a strong final sixteenth to prevail narrowly over Vekoma Rides.

“He’s been sprinting all year, and he usually comes from behind,” said winning trainer John Robb. “Of course, when you stretch them out, they’re going to be closer automatically. I was very happy where he was sitting today. I think the farther the better for him. When he’s sprinting, he has that one move with everybody backing up to him but in these races, he’s going to be close all the time, so the longer the better.”

Out of a GSP first dam, Studlydoright is one of 26 stakes winners for Nyquist. Peach of a Gal has a Ghostzapper yearling filly and foaled a colt by Omaha Beach this year. She is due back to Bolt d'Oro for 2025. **Click for the [Equibase.com chart](#) or [VIDEO, sponsored by FanDuel TV.](#)**

As the most experienced in the field of juvenile fillies with five starts already to her name, Me Governor broke well from the two spot to emerge from the fray with the lead, which she held through :22.19 and :44.66 fractions. She drifted off the rail into the stretch, but couldn't be caught to finish a smart three-quarters of a length the best and notch her first black-type win. Annascaul made up ground from the rear to secure the runner-up spot, while favored Yougottahavehope chased the top pair home.

"The plan was to stay close to the speed," said winning rider Jorge Ruiz. "My filly broke very well and I used the opportunity. She was controlling for the race, for the win. It was my first time on the filly, and it was easy for me. In the beginning, the breaking sharp, the going easy on the front, I was OK."

With a last-out Beyer Speed Figure of 74, the highest in the field, Me Governor was coming off a win at Gulfstream in a Sept. 29 optional allowance. She was the sole entrant in the Stewart Manor Stakes with two previous wins and had also placed in Monmouth's July 28 Colleen Stakes.

Having spent the last three of those four losing efforts in stakes company, the 4-1 shot is now dual black type-placed with a third and a second in the local Mar. 2 Colonel Liam Stakes and May 1 in Churchill's William Walker Stakes, respectively. Bumped at the start but quickly into his stalking position from second, he took command nearing to five-sixteenths as the pacesetter lost steam, and was firmly in control through the lane. Going off as a 6-1 shot here, the bay exited the outside gate and took up a spot at the back of the pack into the first turn. The 2-year-old raced in the four path up the backstretch and took the overland route around the far turn. Despite expending a ton of energy, that strategy kept her in the clear entering the lane and she bested by 3/4 of a length in the final jumps first-time starter Smudge (Quality Road). CITY OF TROY BOWS OUT AS TRIUMPH AND DISASTER CONVERGE AT DEL MAR

Rebel's Romance just holds off Rousham Park | Horsephotos

By Emma Berry

DEL MAR, USA --- From the 2,000 Guineas to the Breeders' Cup Classic, he is the horse who has kept us captivated, wondering and engaged, through to season's end. And that, really, is why we are all fans of horse racing. That longing to know what can't be known for sure until those gates spring open, the skirmishes are had, and the winning post looms.

In the end, for City Of Troy (Justify), unbeaten and burgeoning with promise at two, redeemed in the Derby and then some at Sandown and York after that Guineas flop, the quest for Breeders' Cup Classic glory was a step too far. We won't die wondering though. He tested the dirt and was found wanting on an attritional surface so unlike the green, green grass of home.

Jockey Ryan Moore, his navy silks dusty from the dirt spray, hailed City Of Troy as "brave" to keep on for eighth place, finishing some 13 lengths behind the Chad Brown-trained victor Sierra Leone (Gun Runner) in the Coolmore second colours. A win, then, just not the preferred outcome.

'IT WAS MIND-BOGGLING': HAGGAS HAILS LAKE FOREST'S A\$10M GOLDEN EAGLE WIN

By Emma Berry

Irish raiders dominated the turf races at the Breeders' Cup on Friday and on Saturday morning it was the turn of William Haggas to strike for England with a "mind-boggling" win in Sydney's A\$10 million Golden Eagle with Lake Forest (GB) (No Nay Never) ([video](#)). Fellow European challenger Lazzat (Fr) (Territories {Ire}) was half a length back in second for Jerome Reynier and Nurlan Bizakov after making the running.

Owned by Tony Bloom and Ian McAleavy, Lake Forest continued a phenomenal run of success for the Newmarket trainer with his Australian raiders, Addeybb (Ire) having won three Group 1 races there in 2020 and 2021 followed by the victories of Dubai Honour (Ire) in last year's G1 Ranvet Stakes and G1 Queen Elizabeth Stakes. Haggas has now notched 11 wins in Australia from 23 starts.

"That was great, absolutely amazing. We love our little raids," said Haggas after watching the Rosehill action from Italy. Dropped out early by Cieren Fallon, Lake Forest was toward the rear of the 20-runner field for much of the race before launching an audacious run down the rail to claim victory within a few strides of the line. Breeders' Cup Saturday Cont.

That is a sentiment with which Ralph Beckett is starting to view his stable jockey Rossa Ryan. On Saturday the trainer stated that the 24-year-old Ryan is getting better month by month.

Last month he won the Arc for Beckett aboard Bluestocking (GB) (Camelot {GB}) and now, on his third start at the meeting, he has added the Breeders' Cup Turf Sprint to his tally, courtesy of the progressive three-year-old Starlust (GB) (Zoustar {Aus}).

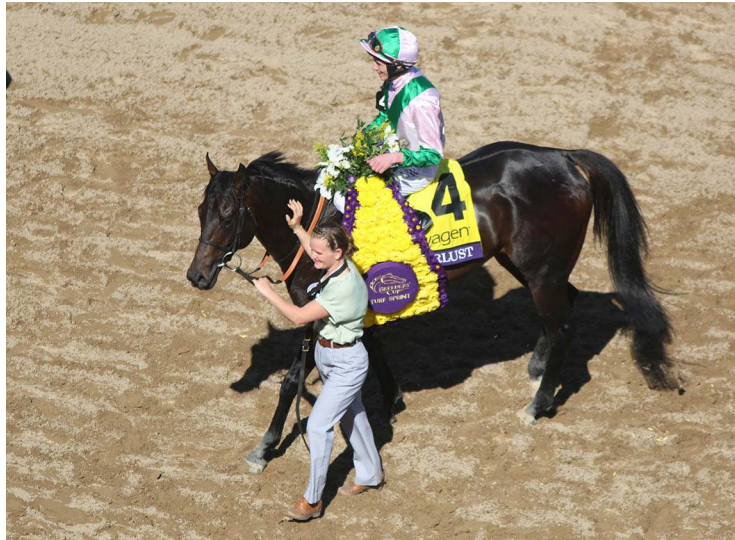

In a race not without drama, including the withdrawal at the start of the mulish Believing (Ire) (Mehmas {Ire}), who had been reluctant to go to post and then unshipped Ryan Moore in the stalls, Starlust survived a stewards' enquiry to give Beckett his first Breeders' Cup victory since Muhannak (Ire) took the now-defunct Marathon in 2008 with the late Pat Smullen aboard.

"Ralph left it up to me, filled me up with a lot of confidence going out," said Ryan. "I actually spoke to Ryan Moore before the race about just a little bit of guidance and everything. I didn't have the pace to jump early, so I slotted in behind them. I wasn't fierce coming out of the back when I came off the bridle because he always comes good two out."

He added, "It was just one of those days. Luck was on our side."

Owners Jim and Fitri Hay were not in America to enjoy this breakthrough victory for the Branton Court Stud-bred Starlust but the colt has given them plenty of high days already with six wins under his belt and a third-place finish in last year's Juvenile Turf Sprint.

"He was unlucky in the [G1 Prix de l'] Abbaye in the sense that Rossa was nearly put through the rail. It was a good run, very good run," said Beckett.

Breeders' Cup Saturday Cont.

"The other point about why we came here, an important point, is that it was around a bend," he added. "He was very good around the bend last year in the Juvenile Turf. We really felt that if he was able to hold onto their coat tails, that would play for him."

The European domination of the turf contests could not be sustained throughout the remainder of Saturday's card. There were further placings for Appleby's Godolphin squad, with Cinderella's Dream (Ire) (Shamardal) and Beautiful Love (Ire) (Siyouni {Fr}) taking second and fourth in the Filly & Mare Turf and Notable Speech (GB) (Dubawi {Ire}) running on for third in the Mile. But Canada's Horse of the Year Moira (Ghostzapper) won the former at the third time of asking and More Than Looks (More Than Ready) provided trainer Cherie DeVaux with her first Breeders' Cup win in the Mile.

Cinderella's Dream (royal blue) had to settle for second in the Filly & Mare Turf | Horsephotos

For British and Irish spectators some of the fizz disappeared from the day with City Of Troy's defeat. But he is at least going home in one piece, vanquished but unharmed, to take up stud duties at Coolmore alongside the previous year's Derby winner Auguste Rodin (Ire) (Deep Impact {Jpn}) who has one last dance in the Japan Cup later this month.

The toughest reality of this sport was laid bare on the track at Del Mar in the aftermath of the Breeders' Cup Turf. As Rebel's Romance was led back in to the winner's circle to the delight of the Godolphin team, at stage left Brian Meehan was being hastened into a track vehicle to reach the stricken Jayarebe (Ire) (Zoffany {Ire}) on the back stretch. The three-year-old, who had progressed with such promise this season, winning the G2 Prix Dollar on Arc weekend, passed the post in seventh but moments later collapsed as he was being eased down by Sean Levey and died from an apparent heart attack. Breeders' Cup Saturday Cont.

Triumph and disaster, those twin impostors, are never far from each other in this world, so while we congratulate all those for whom the Breeders' Cup dream became reality, we commiserate with owner Iraj Parvizi and the team at Manton who loved Jayarebe as they come to terms with their worst nightmare.

Lake Forest Cont. from p1

"It was mind-boggling," Haggas said. "We've never sent a three-year-old [to Australia] before, so for me that was an experiment, to see how he could cope with it. But we hope that he can come back and be a nice horse next year in England. He'll wait there for 10 days and then come home."

The winner of the G2 Gimcrack Stakes last year, Lake Forest was bred at Newsells Park Stud by John and Tanya Gunther under the banner of Sahara Group Holdings. The colt took second in the G1 Commonwealth Cup at Royal Ascot in June and was also runner-up in the G3 Hackwood Stakes before his trip to Australia.

His victory provided a first major international success for Fallon, though it was bittersweet as the jockey was later handed a month's suspension and record A\$10,000 ban for careless riding for allowing Lake Forest to drift left into Lazzat. The latter's rider Antonio Orani was also suspended for a month and fined A\$30,000 for causing interference to fifth-placed Stefi Magnetica (Aus). Haggas said that Fallon plans to appeal the punishment.

"The French weren't very pleased because we crossed him at the end but it was all over," Haggas said. "To beat Lazzat was a pretty impressive effort, I thought, because he's a [G1] Maurice de Gheest winner."

He added, "From a publicity point of view it's all about the Breeders' Cup today but what this horse has achieved is fantastic."

DOCTOR DINO'S FEE INCREASED TO €24,000 AT HARAS DU MESNIL

Star National Hunt sire **Doctor Dino (Fr)** will stand for an increased fee of €24,000 at Haras du Mesnil in 2025, the *Jour de Galop* reported on Saturday. He stood for €22,000 this term. It is a record covering fee for a French-based jumping stallion.

The 22-year-old has sired numerous Grade 1 winners, among them 2024 Champion Hurdle hero State Man (Fr), Paddy's Rewards Club Chase winner Dinoblue (Fr) and French Grade 1 winner Master Dino (Fr). He is one of the leading stallions in the NH sale sphere, as well. His foals averaged €85,500 at Arqana last year, while another youngster made €350,000 to top the Tattersalls Ireland Derby Sale this past June.

"Next season, Doctor Dino will be limited to 100 mares," said Marc-Antoine Berghgracht on behalf of the syndicate that manages the stallion. "This is the first year he will be limited. He will be 23 years old and we want to respect him and continue to select the mares offered to him. He deserves it."

Ralph Beckett trainee Smoken notched a 2 1/2-length tally over an extended mile at Nottingham in her Oct. 16 unveiling last time and made a smooth transition to black-type company to go two-for-two with a snug victory in this qualifier for next year's G1 German Oaks. Positioned in a prominent third through halfway, she was shaken up to seize control approaching the final furlong and ridden out on the climb to comfortably hold the late threat of Secret Of Love by a length for a career high.

"She looks like an exciting prospect for next year for sure," commented part-owner Marc Chan's racing manager Jamie McCalmont. "She had an easy win last time and we thought, if she came out of that race well, we would try and get some black type. We will leave any decisions up to Ralph [Beckett] as he knows how to train Oaks winners better than most. She will need to run further than a mile next year for sure. Exactly where we go that is up to him, but we will put her away for the winter and dream now."

Rider Hector Crouch added, "I didn't think the race was really run to suit as they went steady early doors, but she has done that really nicely. She is more of a galloping filly and she has the pedigree to stay further than this trip. She thrives on this [soft] ground, but it was a really pleasing performance and she is very straightforward. I imagine she will head for a trial in the spring where she will encounter good, good-to-soft ground and that will tell us a bit more. She has got a bit of an extravagant action, but I wouldn't want to pigeon hole her as a soft ground horse yet. She is a big filly, she has plenty of stamina and I think she will be looking at further trips. It was a fairly strong renewal of the Montrose so hopefully she can keep climbing the ranks."

Smoken is the fifth of seven foals and one of three scorers out of G3 Pinnacle Stakes winner Miss Marjorie (Ire) (Marju {Ire}), herself a half-sister to Listed Polonia Stakes runner-up Russian River (Ire) (Dandy Man {Ire}). Her second dam Kazatzka (GB) (Groom Dancer) is a half-sister to multiple Group 1-winning European champion Soviet Song (Ire) (Marju {Ire}). Angled into the clear with three furlongs remaining, the 13-8 favourite eased to the front passing the quarter-mile marker and was pushed clear in the closing stages to easily account for Banyan (GB) (Siyouni {Fr}) by an impressive 3 1/2 lengths. "She is not overly big, but she is a lovely mover and did it nicely," said rider Hector Crouch. "She was always travelling nicely and I got her to see plenty of daylight, but she knuckled down well under hands and heels.

The way Ralph [Beckett]'s two-year-olds are going I fancied her to be capable of running to a good level and she proved it."

Making headway approaching the quarter-mile marker, the 11-4 second favourite challenged four wide entering the final furlong and was ridden out to deny Bridget's View (GB) (Sergei Prokofiev) by a neck. "She had been going nicely at home and did it nicely for her first time out," commented Jim Crowley. "I thought she was really tenacious there, getting into a battle with a horse that already had a run, and she really wanted it. She seemed to like that bit of cut in the ground, but it was hard work out there. She has got a lot of growing to do and I think you will be looking at going a mile with her next year." FIRST STAKES WINNER FOR TOWER OF LONDON IN TOKYO *by Heather Anderson*

The 20-1 shot **Panja Tower (Jpn)** (Tower Of London {Jpn}) defended his unbeaten record with a neck score in the G2 Keio Hai Nisai Stakes at Tokyo on Saturday. The Deep Creek runner won a newcomers' affair at Chukyo on Sept. 8.

Away without incident, the bay drifted back through the field to sit in seventh as rail-runner **Marino Tonitrus (Jpn)** (Thunder Snow {Ire}), **Craspedia (Jpn)** (Mr Melody {Jpn}) to her outside, and **Shin Forever (Complexity)**, three deep, battled for supremacy during the early stages and approaching the turn. On the bend, Marino Tonitrus and Shin Forever continued to slug it out with Craspedia stalking them. At the quarter pole, Panja Tower was rallying strongly up the center of the course. Just a quarter-mile from home, he continued to close relentlessly to just nail new leader **Meiner Ticket (Jpn)** (Danon Ballad {Jpn}) on the wire. **Yankee Barows (Jpn)** (Epiphaneia {Jpn}) closed from well off the pace to take third, 1 1/2 lengths back.

Pedigree Notes

Japanese first-crop sire Tower Of London, who's biggest claim to fame was a tally in the 2019 G1 Sprinters Stakes, sired his first stakes winner and group winner with Panja Tower. Seventeen of his 57 runners have won to date, with Arlington Row also third in the G3 Kokura Nisai Stakes.

The first winner for his unraced dam Clarksdale (Jpn) (Victoire Pisa {Jpn}), Panja Tower is her second foal. She has a yearling filly by Declaration Of War and a weanling Pyro colt still to come.

Japanese stallion and 3-year-old champion Logi Universe (Jpn) (Neo Universe {Jpn}), who won the Tokyo Yushun (Japanese Derby) prior to the race receiving international Group 1 status, is a half-brother to Clarksdale. Globetrotter and multiple Group 1 winner Songline (Jpn) (Kizuna {Jpn}), named the Japanese Champion Miler and Older Mare in 2023, is under the third dam.

LORD KANALOA FILLY TAKES THE FANTASY STAKES *by Heather Anderson*

Lord Kanaloa (Jpn) sired a new stakes winner on Saturday with **Dantsu Elan (Jpn)**, who clawed out a nose victory in the G3 Fantasy Stakes at Kyoto.

Fourth choice, the filly was under a tight hold and raced just behind the first flight as the field raced right-handed down the backstretch. **Mozu Nana Star (Jpn)** (Mozu Ascot {Jpn}) held a clear advantage, but was under fire from **Bel Be Stallone (Jpn)** (Strong Return {Jpn}), just off of her shoulder. The tightly bunched field fanned out once they hit the straight. Dantsu Elan ranged up with long strides inside the final furlong and just pipped Mozu Nana Star by a nose, with a like margin back to Bel Be Stallone in third in a three-way blanket finish. **Voulezvous (Jpn)** (Satono Crown {Jpn}) was a half-length behind that trio in fourth.

Dantsu Elan, a winner of a newcomers race over 1600 metres at Niigata in August, entered the Fantasy off a third-place run in the Rindo Sho at Kyoto over this trip on Oct. 5.

Pedigree Notes

Japan's 2012/2013 champion sprinter and miler and 2013 Horse of the Year, Lord Kanaloa now has 55 stakes winners, 36 of them at group level internationally. Sent to Japan after selling for \$120,000 at the 2020 Keeneland November Sale to JS Company in foal to Omaha Beach, Mischievous Misty (Into Mischief) delivered that resulting filly on Apr. 2, 2020 who is unnamed. The latest foals out of the stakes-placed mare are a yearling filly by Contrail (Jpn) and a weanling colt by Saturnalia (Jpn). This is the extended family of American Champion Sprinter Kona Gold (Java Gold), who won the 2000 GI Breeders' Cup Sprint.

BLUEBLOOD BOY BECOMES A MAN IN THE COOLMORE *by Kit Gow*

Blueblooded **Switzerland (Aus)** (Snitzel {Aus}) repaid Coolmore Stud's faith in him with a rousing 2.75l demolition of the Flemington field in the G1 Coolmore Stud S. on Saturday.

[Cont. p12](#)

Switzerland | Bronwen Healy

G1 Coolmore Stud Stakes Cont.

The first foal of North American stakes winner Ms Bad Behavior (Blame) improved off of his last start win in the G2 Roman Consul S. to hand trainer Chris Waller his sixth Coolmore, and with it, James McDonald claimed his 101st Group 1 victory. It was also a remarkable 21st Group 1 victory for Snitzel as a sire.

The only two fillies in the race, **Bellatrix Star (Aus)** (Star Witness {Aus}) came second and **Lady Of Camelot (Aus)** (Written Tycoon {Aus}) dead-heated with **Growing Empire (Aus)** (Zoustar {Aus}) for third.

“This race was always the target. Missing The Everest was the way to go,” McDonald added when speaking to Nine’s Wide World Of Sports, recalling the brief period of time where it seemed Switzerland would take the spot of Storm Boy (Aus) (Justify) in the feature sprint. “He’s a lovely colt. A pleasure to ride.”

Back to scale, he continued his praise to *Racing.com*.

“He’s got a lot of talent, he’s got well above average ability, he’s got an absolutely brilliant demeanour,” McDonald said. “He’s got an incredible turn of foot, and he can sustain it for a long time. He’s got all the attributes to be a top sprinter.”

“There are two races here in the autumn that have got a big circle around (for) him. He’ll thicken up, he’ll develop, he’ll get stronger and better. He’s a beauty.”

Waller praised the team that has assisted in returning the colt to his peak, and hinted that an overseas campaign may be on the cards in the future.

“He’s a young teenager, he’s finding his way,” he said. “He became a man last start, I thought, with a dominant win and the writing was on the wall that a Group 1 wasn’t far away. To win a stallion-making race like this, it’s a big deal. This race, this week, has so many great stories. But for the colts, this is the race you

need to win, so I’m privileged to be training these types of horses because I didn’t get them when I started, but now it’s a privilege. I could see he jumped well, he settled well, James was just sitting on it quietly and that was the pre-race plan. Be where he’s comfortable. It was as simple as that.

“The beauty of winning a Group 1 race (is) it takes a little bit of pressure off. We’ve got to just now maintain his value, so logically, races like the Newmarket and Royal Ascot would be in our consideration.”

Pedigree Notes

Coolmore paid A\$1,500,000 for the son of G3 Ladies Turf S.-winning Ms Bad Behavior when his breeders Arrowfield Stud presented him at the Inglis Australian Easter Yearling Sale last year. The daughter of dual Listed stakes winner Cumulonimble (Stormy Atlantic) is a half-sister to Listed winners One Bad Boy (Twirling Candy) and Blessed Truly (Souper Speedy). TFI bought Switzerland’s full brother at the same sale this year for A\$550,000, and the mare has since produced two further full-brothers by Arrowfield’s four-time champion sire.

GOLDRUSH AND GLUYAS TAKING THE DERBY BACK OVER THE BORDER *by Kit Gow*

Sixteen years after his father-in-law Leon MacDonald prepared Rebel Raider (Aus) to win the last G1 Victoria Derby for South Australia, Andrew Gluyas crossed the border with his own raider to win with **Goldrush Guru (Aus)** (American Pharoah). Seven years ago, Gluyas and MacDonald guided his dam Glam Guru (Aus) (Medaglia d'Oro) to second in the G2 Wakeful S. on the same day. The 3-year-old colt was strong to the line, putting 1.5l on runner-up Scary (NZ) (Shocking {Aus}).

Jamie Kah was on board the colt, after being hit in the face by her mount in race five that ended in a late scratching. She was cleared to race ahead of her ride in the Coolmore.

"It means everything to us," Kah said. "Obviously, we love riding Group 1 winners, but it just makes it so much more special when it's for some fantastic people like Andrew (Gluyas). I used to ride for him. I rode some shockers back in the day for them, so it was nice to repay them on the big stage on Derby Day.

"My plan was to get back on him. Couldn't hold him early. I was going to be wide and somehow found a little gap to slot into. Once I found the gap, he just fell asleep and gave me a beautiful run throughout. He won it a long way out and wanted to keep going."

"They've trained this horse to perfection, he looked good winning in Adelaide, but obviously the class is a bit different. I didn't know how he was going to measure up, but they've done a good job."

Gluyas was effusive in his praise for both jockey and horse, who have delivered his first Group 1 winner as a solo trainer. Up until last year, Gluyas trained in partnership with MacDonald.

"I'm speechless," he said. "Overwhelmed. Proud. Satisfied. Great moment."

"She (Kah) said she may have broken her nose, so she's shown amazing courage to get back out there, hasn't she. And she's ridden the perfect race as well. I think she rode her first black-type race for us. I'm not sure what that was. But anyway, credit to her. Well done.

"At home, we talk about coming here and winning Derbies and races like this, and to pull it off and get the win is really pleasing. When we prepare them and you get a good result like this, it's

great that we can talk about Goldrush Guru again."

Pedigree Notes

Goldrush Guru is a homebred for the Guru Breeding Syndicate, who have bred several stakes winners descending from foundational mare Proud Halo (Aus) (Don't Say Halo). Dam Glam Guru is a half-sister to multiple stakes winner Gamblin' Guru (Aus) (New Approach {Ire}) and G3 Lord Reims S. placegetter Gossip Guru (Aus) (Reset {Aus}), dam of G3 South Australia Fillies Classic-placed Gotta Go Guru (Aus) (Fiorente {Ire}). Her dam Glory Guru (Aus) (Fusaichi Pegasus) is a half-sister to four stakes performers, led by Champion 3YO Gold Guru (Aus) (Geiger Counter).

Glam Guru awaits a foal by St Mark's Basilica (Fr) this spring. Goldrush Guru becomes the ninth Group 1 winner for his sire, and only the second to strike at the top level in Australia after Riff Rocket (Aus), who was also last year's winner.

Harry Perks, a lead member of the Guru Breeding Syndicate, also bred Rebel Raider under the banner of Toorak Park Stud. He was on course to watch the latest star from his breeding syndicate take out the 2500-metre Group 1 race.

"It's lovely to be back here," he said. "I race this colt with these guys, and we just keep breeding from the family and a good one keeps coming along."
