NEW QUARTET DRIVES BREEDERS TO GAINESWAY

Click here for our visit with Charge It and the other three newcomers at Gainesway Farm | Sara Gordon

by Katie Petrunyak

Four new sires have joined Gainesway's stallion barn for 2025, bringing their roster up to 12 members.

Tapit still reigns supreme at the Paris, Kentucky farm and the leading sire's stud fee will hold steady at \$185,000 next year.

McKinzie, whose first crop of 2-year-olds include Grade I winners Chancer McPatrick and Scottish Lassie, is in a tight battle for leading first-crop sire and his fee has increased from \$30,000 to \$75,000. Also in 2025, **Raging Bull**, a son of Dark Angel (Ire), will be represented by his first 2-year-olds while **Olympiad** and **Drain the Clock** will see their first yearlings.

Muth (Good Magic), **Seize the Grey (Arrogate)**, **Tapit Trice (Tapit)** and **Charge It (Tapit)** are the latest stallions to join the ranks at Gainesway.

As breeders and bloodstock agents have dropped in to visit the new recruits at Gainesway over the past few weeks, it was actually the newcomer standing for the lowest stud fee that seemed to catch people by surprise. Charge It, a Whisper Hill Farm homebred out of a daughter of Broodmare of the Year Take Charge Lady (Dehere), will stand for \$12,500 in his debut season.

AUTHORITY WANTS JUDGE TO DISMISS WONG'S LAWSUIT AGAINST HISA

by T.D. Thornton

Defending itself in a constitutionality lawsuit initiated by the trainer Jonathan Wong, the Horseracing Integrity and Safety Authority on Friday told a federal judge in Louisiana that the court should either toss out Wong's case entirely or hold off on letting the litigation proceed while the Supreme Court of the United States decides whether it will take on one of three active requests stemming from different cases whose parties all want the nation's highest court to weigh in on similar constitutional issues Wong raises in his lower-court lawsuit.

In a related Nov. 22 filing in U.S. District Court (Western District of Louisiana, Lafayette Division), the Authority also asked the court to deny Wong's motion for a preliminary injunction.

“I was impressed with his size,” said Eduardo Terrazas of Terrazas Thoroughbreds. “I didn't expect him to be such a tall horse. He has a beautiful hip on him and a lot of quality. He's got that smart look that I always enjoy seeing on a stallion. I think he should fit a wide variety of mares because he also has plenty of leg under him.”

“I thought Charge It has a speedy look to him,” said bloodstock agent Mike McMahon. “He really has a nice bottom line and just looks like he's fast.”

Runner-up in the 2022 GI Florida Derby coming off his maiden win, Charge It went on to claim the GIII Dwyer Stakes by 23 lengths, earning a 111 Beyer Speed Figure. As an older horse, the Todd Pletcher trainee won the GII Suburban Stakes and placed in the GII Gulfstream Park Mile Stakes and GIII Westchester Stakes.

Tapit Trice takes in the scenery at Gainesway | Sara Gordon

Tapit Trice, another son of **Tapit** new to Gainesway in 2025, will stand for a fee of \$20,000. A homebred for Gainesway out of the Grade III-placed mare Danzatrice (Dunkirk), he went through the ring at the Keeneland September Sale and sold to Whisper Hill for \$1.3 million with Gainesway staying in for a share.

“He broke his maiden at two and at three is when he really started to shine,” said Gainesway's Stallion Director Ryan Norton. “In his first start at three he was named a '**TDN Rising Star.**' He won the GIII Tampa Bay Derby, followed it up with a Grade I win in the Blue Grass and went on to place in the GI Belmont and the GI Travers.”

Returning to the racetrack this year at four, **Tapit Trice** won the GIII Monmouth Cup Stakes by over five lengths and then earned another victory in the GII Woodward Stakes.

HONG KONG RACING INSIGHTS

THE BEST HONG KONG INTERNATIONAL RACES EVER

by Dick Powell

A 56-member strong international contingent will be arriving in the next few weeks for the Longines Hong Kong International Races to be held on December 8 at Sha Tin. A total of 26 individual Group 1 winners from around the world will contest the four races for total purses over \$16.2 million. HKJC.com has a mini site on their main page with all the pertinent information available as if you were a credentialed member of the media.

For the first time, all four HKIR races, as well as the eight other Group 1 stakes races run in Hong Kong, will be part of the World Pool. The World Pool continues to grow as more and more major races around the world participate. 84 of the top 100 races that are currently rated by the International Federation of Horseracing Federation (IFHA) will be part of the World Pool enabling growth and stability. Bettors can see that high-class racing can be made even better as the large pools make it less likely to have last-minute odds changes. Large purses encourage large field sizes so there is a higher chance of large exotic payouts.

For the first time since 2017, America will be represented by 2023 G1 Breeders' Cup Turf Sprint winner Nobals, who will contest the \$3.3 million G1 Hong Kong Sprint. After winning last year at Santa Anita, he got off to a slow start this season but won a Grade 2 stakes race in Canada on the Tapeta last week. He has shown that he can run on or off the pace and can handle any ground. Trainer Larry Rivelli has raced here before and his sprinters usually show good gate manners and early speed.

Nobals will need to be at his best since he will face five other Group 1 stakes winners and the sensational Ka Ying Rising who just broke the Sha Tin six-furlong course record in 1:07.43 seconds. This year's Breeders' Cup Turf Sprint winner Starlust is also entered after showing a sensational rally to win at Del Mar. Japan sends the

NOBALS, winner of Breeders' Cup Turf Sprint 2023, is set to run in the Hong Kong Sprint

highly rated Lugal, Toshin Macau and Satono Reve.

The G1 Hong Kong Vase came up especially strong with nine Group 1 stakes winners going 1 ½ miles. Goliath just ran 6th in the G1 Japan Cup and if all goes well he will be highest rated horse on the international day. Winner of the G1 King George and Queen Elizabeth Stakes, he came back three months later to win a Group 2 on heavy ground in France. He is co-owned by John Stewart's Resolute Bloodstock.

Aidan O'Brien has won the Vase a record three times and is double fisted with Luxembourg and Continuous. Luxembourg just missed winning the G1 Hong Kong Cup (1 ¼ miles) last year behind Romantic Warrior who goes for a record third straight Cup. The son of Camelot shows a Group 1 stakes win this year at this distance at Epsom in the G1 Coronation Cup and his pace should make him very dangerous at the longer distance.

The \$5.1 million G1 Hong Kong Cup will be contested around two turns and despite a stellar international field, Romantic Warrior looms as the heavy favorite. Unlike last year, where every win seemed to need the photo-finish camera, he won the G2 Jockey Club Cup by 4 ¼ lengths in 1:59.70 seconds while carrying 128 pounds. It is the same time he won the 2022 G1 Hong Kong Cup and way faster than last year's win.

The great Japanese filly Liberty Island won the Triple Tiara in 2023 and finished up her season with a second in the G1 Japan Cup behind the immortal Equinox. After a good third in Dubai's G1 Sheema Classic in March, she returned 210 days later with an out-of-the money finish as the beaten favorite. After the Japan team disappointed in the Breeders' Cup, she will try to redeem the Land of the Rising Sun's international reputation.

Aidan O'Brien sends out a pair of 3-year-old fillies in Content, only beaten three lengths in the G1 Breeders' Cup Filly & Mare Turf, and Wingspan, who was beaten less than four lengths in the G1 Breeders' Cup Turf behind Rebel's Romance. They both will carry 119 pounds.

Galaxy Patch was beaten as the favorite in the G2 Jockey Club Mile and will try to regain his reputation in the G1 Hong Kong Mile. Voyage Bubble, his conqueror last out and second in this race last year, will unleash his late kick again but the highest rated entrant is Japan's Soul Rush who won the G1 Mile Championship last out.

Norton noted that Gainesway's hope is that Charge It and **Tapit** Trice can someday carry the torch for their perennial leading sire **Tapit**, who celebrated his twentieth year at stud this year.

"We're on a constant search to try to find the next son of **Tapit**, so with Charge It and **Tapit** Trice both being well-bred horses and fantastic, brilliant racehorses, I think there's a real opportunity," said Norton. "Charge It was a brilliantly fast horse, so if you're looking for a stallion that will infuse some speed in your mare I think Charge It is probably where breeders will tend to go. **Tapit** Trice had a little bit more Classic style. If you look at him, he's got a little bit more of the Dunkirk and Unbridled's Song look. He's a little bit bigger, more of a two-turn horse, so I think he will provide stamina for breeders." Rounding out the 'grey brigade' amongst the new Gainesway stallions, Seize the Grey will stand for a fee of \$30,000. Purchased by MyRacehorse for \$300,000 at the 2022 Fasig-Tipton Saratoga Sale, Seize the Grey went on to

Muth, son of **Good Magic** earned Grade I wins at 2 & 3 | Sara Gordon

become the highest-earning son of the late Arrogate when he reeled off victories in this year's GII Pat Day Mile Stakes, GI Preakness Stakes and GI Pennsylvania Derby.

"We first noticed Seize the Grey when we were at the Derby and watched him win the Pat Day Mile on the undercard," recalled Norton. "That's when he first came on our radar here and then obviously after the Preakness, he had really established himself as one of the top 3-

year-olds in the country so we contacted MyRacehorse and we were fortunate enough to get a deal done. Being by Arrogate, a horse that left us too soon and was a brilliant racehorse, I think Seize the Grey epitomizes the traits of Arrogate and will hopefully pass it on to future generations."

Seize the Grey is out of a stakes-placed half-sister to Grade I winner and sire Power Broker (**Tapit**) and hails from the family of Grade I winner Miss Shop (Deputy Minister).

“He’s the type of horse that we like to buy,” said McMahon after inspecting the newcomer. “He’s a racey type and I think breeders who use him will be really happy.”

Purchased by Donato Lanni for \$2 million as a juvenile, Muth was another ‘Rising Star’ when he broke his maiden by nearly nine lengths on debut. He continued to build his resume as a juvenile with a win in the GI American Pharoah Stakes and runner-up performances in the GIII Best Pal Stakes and the GI Breeders’ Cup Juvenile behind champion Fierceness (City of Light).

Returning to the track at three, Muth claimed the GII San Vicente Stakes and then became the only progeny of Good Magic to earn Grade I wins at two and three when he scored in the GI Arkansas Derby.

“The Good Magic start has been fairly incredible and I love that he’s a Grade I winner at two and three,” McMahon said when asked about Muth. “He’s a lot of horse. He’s big and tall and he’s got good conformation, great hind leg, went through the 2-year-olds sales, all the things I really look at.”

“He’s got a lovely hip with great balance,” added Terrazas. “I just like to see that natural muscle formation that they get. He’s my type of horse.”

Leading his class of newcomers at Gainesway, Muth will stand for \$35,000 in 2025.

“These open houses have been great and we’ve been very busy,” said Norton. “With four new stallions, it’s going to be an exciting year at Gainesway.”

HISA seeks dismissal of suit, cont. from p1

As TDN’s Dan Ross reported Oct. 19, Wong is currently fighting a two-year ban under Horseracing Integrity and Welfare Unit (HIWU) rules because of a banned-substance positive test for a human diabetes drug, metformin, that was detected in one of his winning trainees in a June 1, 2023, race at Horseshoe Indianapolis.

Wong can, however, start horses in Louisiana and West Virginia, because they’re the only two states in America where Thoroughbred medication testing and enforcement are not subject to oversight by the Horseracing and Safety Integrity Act (HISA) and HIWU. A preliminary injunction related to a different case is in effect in those two jurisdictions while a separate HISA-related lawsuit also plays out in federal court.

Wong’s stable is currently operational in Louisiana at Delta Downs and Fair Grounds.

According to the Authority, Wong’s decision to file his federal lawsuit in that state is allegedly why it should be tossed out.

"First, the Court should dismiss this case under [federal rule, because] venue is not proper in this district," the Authority's filing stated. "No substantial part of the events giving rise to Plaintiff's claims occurred [in Louisiana], and neither Defendants nor Plaintiff resides here.

"Plaintiff's purported Louisiana address is an equestrian facility, which is not Plaintiff's permanent home," adding, "all known records indicate remains in California."

Alternatively, the Authority suggested, "the Court should order limited discovery on the issue of Plaintiff's domicile" to decide whether venue is proper.

Next, the Authority argued, Wong's lawsuit doesn't belong in a Louisiana federal court if a different preliminary injunction is already keeping HISA from being the law of the land in that state.

"Second, the Court should dismiss this case for the independent reason that the Court lacks personal jurisdiction over the Authority," the filing stated. "The Authority does not have the requisite 'minimum contacts' with Louisiana because the Authority is not enforcing rules under HISA in Louisiana as to Plaintiff (or anyone else).

"Because all the underlying conduct occurred elsewhere—a California trainer was sanctioned after his Kentucky-based horse tested positive for a banned substance at a race in Indiana—this litigation does not arise out of or relate to any Authority contacts with Louisiana either.

"Indeed, Plaintiff's suspension under HISA does not even apply in Louisiana," the Authority's filing stated. "Accordingly, the only connection between this lawsuit and Louisiana is Plaintiff's decision to bring suit here [and] the Court's lack of personal jurisdiction over the Authority compels dismissal of this entire suit."

Wong's complaint, filed Oct. 15, stated that HISA's delegation of federal regulatory power to the Authority allegedly violates the U.S. Constitution's private nondelegation doctrine and the Seventh Amendment's right to a jury trial.

"Wong also brings this action because the Authority's enforcement of the HISA Rules against him-through a contracted private entity-violated Wong's Due Process rights," the trainer's complaint stated.

"Relatedly, Wong brings this action to appeal the final decision and civil sanctions imposed against him from the Authority's enforcement action," the complaint stated. "The Court should declare HISA and the HISA Rules to be unconstitutional, preliminarily and permanently enjoin Defendants from enforcing HISA and the HISA Rules against Wong, and vacate the final decision and civil sanctions imposed against Wong," the complaint stated. Wong's legal team will have a chance to file a written response to the Authority's motion to dismiss the case.

HOW I GOT HOOKED ON RACING: DR. BARRY EISAMAN AND NICK TAMMARO

Dr. Barry Eisaman | Photos by Z

by J.N. Campbell

How did we get hooked on this sport? We all have stories about how our love affair developed and blossomed. The TDN will be reaching out to numerous notable people in the industry to get their stories to find out how they got hooked and stayed hooked on the sport.

Dr. Barry Eisaman, Eisaman Equine

I've been in the horse world my entire life. So, I think it started just with horses and a love for them in general. That quickly transferred to love of horse racing because in my teenage years, and earlier, I started working around racehorses.

But I think as the years would go by, I'm not really remembering, 'oh, that was the moment I got hooked' but instead I get constant reaffirmation of what a wonderful sport this is and what wonderful creatures these racehorses are.

A lot of the work that I do is breaking and preparing young horses to go to the races and for rehabilitation. It's just so impressive how tough horses can be, and then the flip side of the coin is how fragile they can be. In my life I've enjoyed trying to help them stay healthy, get them fixed up and get back to their athletic wellness. So, my love of the horse just grew and kept getting reaffirmed over the years.

Anytime that I have hands on a young horse or a rehab horse that goes on to be something really special, that's a reaffirmation that this is a wonderful sport. You get the sense of pride that maybe in some way you helped.

THE PERFECT GIFT

@DWLSOTM

My whole exposure was when I went to veterinary school and then it was in equine practice at the racetracks in Miami for eight or 10 years. Then I moved to the Ocala area. Those years were spent being impressed by horses from a veterinary standpoint. And then during my years in Ocala, time gradually changed things from a veterinary practice to a training center.

My wife Shari [Eisaman] and I run Eisaman Equine, so we have well over 200 horses on campus at any one time. And it's just like a snowball. It just keeps getting bigger as life goes on.

Shari has been instrumental in my thinking as she was involved in racing before she and I met. Her background was in horse sales. So, after we got married and over 30 years thereafter I became more involved in sales and getting horses ready to sell. Probably had we not met, I may have stayed in a more conventional veterinarian-only role. But the role that I'm in now is just like the best of all worlds. I get to work with young horses and use my veterinary skills much more than I would in a practice.

All the contacts we have continue to reach out to us and that's never really stopped. That's a reason to stay hooked. I have to say that it's not like a Seabiscuit jogging through the dark sort of the moment. But it just continues to be really fun.

Hooked on Racing, cont.

Nick Tamaro, announcer/handicapper/oddsmaker

Once I was old enough to join him on the day trips to racetracks in neighboring states, my Dad decided to bring me to Fair Grounds while we lived in the Dallas area. From the minute we walked in, and I remember it vividly, I was captured by the whole scene. The paddock, the box we sat in, the horses running by, and most importantly the *Daily Racing Form*. I opened it up and as he explained to me what was on a running line, it all seemed to make sense.

Nick Tamaro | Sam Houston

From that point forward I asked him to buy me the *DRF* as often as possible so I could read it and handicap, even if we weren't going to the track. I asked a million questions of the veteran horseplayers we surrounded ourselves with at Trinity Meadows [near Ft. Worth] in an effort to hone my handicapping skills. The process to be a successful horseplayer started for me as a child and will never end. Racing is the greatest game in the world. Needless to say, I was hooked very early!

SANTA ANITA'S SHIP & WIN PROGRAM RETURNS FOR CLASSIC MEET

Benoit

The opening of Santa Anita's Classic Meet on Dec. 26 marks the return of the Ship & Win program, which offers bonuses to horses from out of state who ship in and start at the Arcadia oval. During the 49-day Classic Meet, Santa Anita will provide eligible shippers with a guaranteed \$4,000 bonus for their first start (first-time starters excluded) plus an additional purse bonus. Eligible Ship & Win horses who finish first through fifth in a dirt race will receive a 50% bonus to the listed purse money earned. In turf races, Ship & Win horses will receive a 40% bonus. The purse bonuses are applicable for one start only.

"Santa Anita's Ship & Win program provides a wonderful incentive for horsemen and helps to attract a significant number of horses from out of state," said Jason Egan, Santa Anita Director of Racing and Racing Secretary. "Santa Anita is a fantastic facility with which to race and train all year-round, but particularly this time of year when the weather is unmatched. We believe Santa Anita offers the best turf racing in America during the Classic and Hollywood Meets."

KEN MCPEEK WINS BIG SPORT OF TURFDOM AWARD

Ken McPeek | Sarah Andrew

Trainer Ken McPeek, who campaigned GI Kentucky Derby winner Mystik Dan (Goldencents) and GI Kentucky Oaks winner Thorpedo Anna (Fast Anna), will be awarded the 2024 Big Sport of Turfdom award, the Turf Publicists of America announced Monday. The award, which recognizes a person who enhances coverage of Thoroughbred racing through cooperation with media, will be presented at the University of Arizona Race Track Program's annual awards luncheon held Dec. 10.

"Ken and his team have had an outstanding year with multiple triumphs on not only our sport's biggest stage in the Kentucky Derby but also in additional Grade I victories across the country with Thorpedo Anna's phenomenal campaign," said TPA President Najja Thompson. "He is most deserving of this award chosen by our membership for always being welcoming and open to the media and a great ambassador for our industry and sport."

McPeek, who previously won this award in 2002, added: "I am honored and humbled to be given this award. I have loved horse racing ever since I was a young boy. I am proud to continue to promote our great sport."

WYOMING TO OPEN FIRST MILE-LONG TRACK, THUNDER PLAINS

Wyoming's first mile-long horse racing track, Thunder Plains Park, has been approved by the Wyoming Gaming Commission for 16 live race dates in 2025, as well as simulcasting and related activities. While the first racing season will feature temporary structures, the essential components, including barns, racing officials' tower, video patrol towers, and spectator areas, will be in place

The track, located 10 miles east of Cheyenne at Thunder Plains Park, will host its inaugural race day Friday, August 1 with additional race days to follow on Aug. 2, 3, 8-10, 15-17, 22-24, 29-31 and Sept. 1. Dates are subject to change per the Wyoming Gaming Commission.

"As a fifth-generation Wyomingite, being able to bring this track to our state carries a lot of meaning," said Thunder Plains managing partner Ryan Clement. "Thunder Plains sees an incredible opportunity to create a positive impact not only on the Wyoming horse racing industry but also the area's economy, in terms of new job opportunities and tourism revenue."

Through partnerships with elite industry veterans and horsemen, Thunder Plains looks forward to bringing high-quality, high-caliber racing to Laramie County.

"We've established a strong partnership with 1/ST, North America's preeminent Thoroughbred racing, entertainment and pari-mutuel wagering company," said Clement. "They've set the standard for horse safety across the nation, and we're looking forward to bringing that strong emphasis on safety and track protocols to Wyoming."

Of the partnership with Thunder Plains, 1/ST TECHNOLOGY's Senior Vice President Jeff True said he sees exciting opportunities ahead.

"1/ST has a long history of operating premier racetracks and premier racing events across the country. We are thrilled to be entering the Wyoming horse racing market together with our local Wyoming partners, and we look forward to lending our expertise to help grow Wyoming horse racing."

For all simulcasting operations, 1/ST will leverage the expertise of its affiliates at Monarch Content Management, AmTote International, and PariMAX.

“Our racetrack will be operated with numerous horse safety and welfare protocols in place,” said Clement. “The track itself, being a mile long and eighty feet wide, dramatically improves horse and rider safety. Throughout track design and construction, we collaborated with Dennis Moore, a renowned track surface specialist, to ensure the safest, most high-quality racing surface.”

Future plans at Thunder Plains Park include building a regional equestrian center and establishing a high-altitude horse training and breeding program.

RETIRED RACEHORSE PROJECT GETS \$38,7000 MATCH FOR 2024 YEAR-END GIVING CAMPAIGN

The Retired Racehorse Project's 2024 year-end giving campaign will include a total goal of \$100,000, including a \$38,700 match pledge that will double contributions from donors who support the organization's charitable mission to increase demand for Thoroughbreds beyond racing. The campaign comes on the eve of the RRP's 15-year anniversary in 2025.

The match pledge is generously donated by Valerie Callcott-Stevens; Copper Beech Stables; The Happy Dog Fund; Hinkle Farms; Dr. Carolyn Karlson; Jen Roytz and Dr. Stuart Brown; and additional Makeover Champions.

“The RRP's work spans multiple equine industry sectors, all in effort to ensure positive outcomes for Thoroughbreds who have finished their careers in racing and/or the bloodstock industry,” said RRP Executive Director Kirsten Green. “Initiatives that drive demand benefit the racing industry by facilitating efficient transitions through the aftercare stage of a horse's life and increases the capacity to serve more horses, while our educational programming ensures post-track owners have the resources and support they need to be successful with the breed and provide safe and appropriate homes.”

Valentine Candy, looking for his sixth career stakes win Monday at Mahoning Valley, chased the three-way battle on the front end while three wide himself down the backstretch through a quarter in :22.13 and he was tipped out some five wide approaching the stretch as the half went up in :44.96. The chestnut colt closed determinedly to reel in World Record inside the final furlong and was clear as Maximus Meridius closed to just nip the favorite for second.

Valentine Candy, a four-time stakes winner at Oaklawn last winter and spring, was fifth in the GI Woody Stephens Stakes in June and third behind World Record in the July 26 GII Amsterdam Stakes. He won the Robert Hilton Memorial Stakes at Charles Town in August and was fifth in the Sept. 21 Harrods Creek Stakes. He set a new track record for 5 1/2 furlongs while winning a Nov. 3 Churchill allowance last time out.

Taste Like Candy, second in the 2013 GI Starlet Stakes, has a yearling colt by Mitole who sold for \$150,000 at this year's Fasig-Tipton October sale. The mare also has a weanling colt by **Liam's Map** and she was bred back to Into Mischief this year. [Click for the Equibase.com chart.](#)

Benedetta came from just off the pace to earn her first stakes victory in the Cheryl S. White Memorial Stakes at Mahoning Valley Monday. The 6-1 shot was unhurried out of the gate, but tugged her way to sit just off the early pacesetters down the backstretch. She rolled up three wide into the stretch and surged to the lead in deep stretch before pulling away.

Benedetta, second in last year's GIII Sorrento Stakes, ended her time on the **West Coast** with trainer Simon Callaghan with a troubled ninth-place effort in the GI Del Mar Debutante. She entered this return to stakes company with a pair of allowance tallies at Churchill Downs, Sept. 15 and Nov. 6.

Kaleem Shah, who purchased Benedetta for \$750,000 at last year's OBS March sale, purchased her weanling half-brother by Jackie's Warrior for \$200,000 at the Fasig-Tipton November Sale earlier this month. Tessie Flip, a half-sister to multiple Grade I winner Switch (Quiet American), also has a yearling filly by **Maxfield** and she was bred to Forte this year. [Click for the Equibase.com chart.](#)

O/B-Elkhorn Oaks Inc. (OH); T-James R. Jackson. \$7,500.

Margins: 3/4, 4 1/4, NK. Odds: 18.00, 0.20, 4.20.

Also Ran: **Nublada**, **Gatha's Song**, **Gold Honey**. Scratched: **Cali Cruiser**, **Derby Day Kiss**, **My Girl Kew**, **Work'n On a Buzz**.

Silent Rule took her record to a perfect three-for-three with a front-running victory in the First Lady Stakes at Mahoning Valley Monday. The 18-1 longshot was squeezed back at the break and was near the back of the field in the early strides before rushing up through the pack and grabbing the lead along the rail as the quarter went up in :22.96. She opened a clear advantage in upper stretch and just held off favored Practicallyelusive at the wire.

Silent Rule romped home an 11 1/2-length debut winner going six furlongs against state-bred company Aug. 10 at Thistledown. She just got on top in the final strides to add a six-furlong allowance tally to her resume at that oval Sept. 2.

Modern Lady has a yearling filly by Goldencents. Her foal died this year and she was bred back to Yaupon. **Click for the Equibase.com chart.**

She shrugged off a mild challenge from Wouldja Couldja (Uncle Lino) at the top of the lane and sailed home an easy four-length winner. Hold Your Breath, a \$135,000 KEEJAN yearling, is the 19th winner for her freshman sire, **McKinzie (Street Sense)**. Illicit Affair, a daughter of champion Silverbulletday (Silver Deputy), has not produced a foal since the winner. GLOBAL STEVE (c, 2, Bucchero--A Rosefor Isabelle, by Hard Spun), the 2-1 crowd's choice, was outsprinted out of the gate, but moved up rapidly along the rail and raced at the heels of the frontrunners as the half went up in :23.14. Steadied slightly behind foes entering the far turn through a half in :46.36, the chestnut was tipped out four wide approaching the stretch and grabbed the lead despite racing greenly at the top of the lane. Once in front, he soared clear to win by 6 1/2 lengths. Dear Chairman (**Spun to Run**), with an even wider trip than the winner, closed from well back to be second. WILD 'N' WOOLLY (f, 2, Bernardini--Merino, by More Than Ready), not necessarily possessed of a pedigree that screams turf, was nevertheless sent off the 9-5 favorite at first asking and duly obliged. Off a half-step slowly, the homebred raced in the second flight of horses and one off the inside early on and was forced to cover a fair bit of ground on the turn. Making good headway four wide at the 400-meter marker, Wild 'n' Woolly drew even at midstretch and kept on nicely to graduate by three-parts of a length. The winner's unraced dam is a half-sister to Capezzano (Bernardini), whose two wins at group level in the United Arab Emirates includes the G1 Al Maktoum Challenge Round 3. On behalf of Godolphin, John Ferguson acquired second dam Cableknit (Unbridled's Song), a half-sister to the late champion and leading sire Speightstown and MGSW/GISP Irap (Tiznow), for \$1.7 million at the 2008 Keeneland September Sale. Merino sold to Ahmad Abdullatif for \$20,000 at KEENOV in 2022 and produced a colt by **Frosted** in 2023. Lifetime Record: 1-1-0-0, \$46,522. O/B-Godolphin (KY); T-Ryuji Okubo.

1st-Tokyo, ¥10,480,000 (\$67,889), Maiden, 2yo, 1600m, 1:35.8, gd.

LUXOR CAFE (c, 2, American Pharoah--Mary's Follies {MGSW, \$338,889}, by More Than Ready) was a debut fourth over a two-turn 1700 meters at Sapporo Aug. 24 and improved a couple of spots to just fail on a week's rest last time out. Favored at 30 cents on the dollar cutting back to the mile here, the full-brother to Cafe Pharoah, MG1SW-Jpn, \$5,447,518 and racing for that one's owner was sluggishly into stride and vigorously ridden down the back by Ryan Moore, who also broke Cafe Pharoah's maiden at first asking. Finding his best stride leaving the three-furlong pole, the bay followed the move of chief market rival Admire Daytona (Jpn) (Drefong) into the lane and prevailed by a nose after a tooth-and-nail stretch battle while sprinting a dozen lengths clear of their competition. The final time was 0.6 seconds quicker than that recorded in the Cattleya Stakes later on the program. Luxor Cafe is also a half-brother to Night Prowler (Giant's Causeway), MGSW, \$535,682; and Regal Glory (Animal Kingdom), 'TDN Rising Star', Ch. Female Turf Horse, MGSW, \$2,619,134.

Both Mary's Follies and Regal Glory changed hands as part of the dispersal of the late Paul Pompa, Jr. at the 2021 Keeneland January Sale. The former was sold to BBA Ireland for \$500,000, while Regal Glory was hammered down for the joint-top price of \$925,000 to the bid of Peter Brant's White Birch Farm. REALIZE CAMION (JPN) (c, 2, American Pharoah--Spiced Perfection {MGSW, \$1,224,705}, by Smiling Tiger) became the 45th Japanese winner for his sire (67 starters) and second in as many days with Ryan Moore at the controls. Put immediately into play, the 17-10 second choice took up a position from fourth and was always within striking distance of the leading trio. Ridden along on the turn, he was produced about four lanes off the inside rail at the head of the lane, drifted out a bit when striking the lead just outside the eighth pole and strode clear to score by four lengths. Winner of the 2018 GI La Brea Stakes and the GI Madison Stakes the following season, Spiced Perfection was led out unsold on a bid of \$1.35 million at Keeneland November in 2019. She made the final start of her career in the colors of Haruya Yoshida in the 2020 GIII Winning Color Stakes, was bred the following spring and produced this colt in February 2022. Realize Carmion was sold on for the equivalent of \$1,195,525 at the 2023 JRHA Select Yearling Sale. Spiced Perfection is also responsible for a yearling filly by Contrail (Jpn) and a weanling filly by Kitan Black (Jpn). Sales history: \$1,195,525 Ylg '23 JRHAJUL. 900K DARK ANGEL FILLY BREAKS 18-YEAR-OLD RECORD AT TATTERSALLS DECEMBER

Lot 63, the record-breaking Dark Angel filly | Tattersalls

By Emma Berry

NEWMARKET, UK -- Among a boutique offering, a half-sister to two Group 1 winners, by the champion sire-elect, was always going to be a standout and the 18-year record for the top price at the Tattersalls December Yearling Sale duly fell to Clara Stud's Dark Angel filly, who was sold for 900,000gns.

Solo De Lune (Ire) (Law Society), now best known as the dam of Irish Oaks winner Moonstone (GB) (Dalakhani {Ire}), held the previous record at 775,000gns back in 2006 as part of the Britton House Stud dispersal. That transaction also contributed to record turnover for that sale, but that marker was also surpassed by three-quarters of the way through Monday's single session at Park Paddocks. The day ended with turnover of 7,170,000gns, up from 4,777,200gns last year, with new record figures set for the median of 30,000gns (+50%) and average of 51,861 gns (+38%). At 82%, the clearance rate was on par with 2023.

Henry Lascelles saw off competition from a number of interested parties for the day's top lot, including Oliver St Lawrence, Jason Kelly, Will Douglass and eventual underbidder Yuesheng Zhang of Yulong Investments. [Cont. p3](#)

LAUNCH OF "TAILORED FINANCING PROGRAMME" SIREPOWER+ ANNOUNCED BY ARQANA

Arqana today announced the launch of SirePower+, a tailored financing programme which offers breeders the possibility of having 50% of their 2025 covering fee financed by the Deauville auction house up until the offspring is sold.

The initiative is aimed at French breeders with or without a stud, as well as foreign breeders who have mares in France or are planning to have mares in France, who wish to cover their top Flat mares. The programme will concentrate on the top international stallions that are in demand because of their progeny's results both on the racecourse and at the yearling sales.

The young stock resulting from this programme will then be offered as foals or yearlings at Arqana. [Cont. p9](#)

Henry Lascelles | Tattersalls

Tattersalls report cont. from p1

Though Lascelles was unable to divulge the name of the filly's buyer, he did confirm that the half-sister to Group 1 winners Camille Pissarro (Ire) (Wootton Bassett {GB}) and Golden Horde {Ire} (Lethal Force {Ire}) would remain in the UK to be trained for an English owner-breeder.

There was a happy sense of déjà vu for her breeder James Cloney of Clara Stud, who, since buying the Pivotal (GB) mare Entreat from Cheveley Park Stud for 14,000gns at the 2016 July Sale, has seen the 18-year-old mare's profile soar. Back in 2016 she was carrying to Dark Angel's Group 1-winning son Lethal Force and the resultant foal became known as Golden Horde, winner of the G1 Commonwealth Cup and G2 Richmond Stakes for Clive Cox and now a stallion for Nurlan Bizakov's Sumbe operation.

The pedigree has also been upgraded by the listed success of Exhort (GB) (Dutch Art {GB}) in the Cheveley Park colours and by fellow listed winner Line Of Departure (Ire) (Mehmas {Ire}), but it is the mare's most recent runner who is currently the most exciting prospect. Camille Pissarro, a 1,250,000gns Book 1 purchase last year by MV Magnier, won the G1 Prix Jean-Luc Lagardere last month and will be one of Coolmore's leading Classic hopes for next season.

Cloney said of the filly, who was forced to miss Book 1 herself after getting cast in her box, "Typically, just as you get the update you get a setback. These things happen, but it's great for Tattersalls to put on today and deliver this result."

Tattersalls report cont.

Of the 18-year-old Entreat he added, "She's some mare, she just pours pure class into her stock. It's an emotional rollercoaster with her but when she does it, she does it so well. As breeders, we're all dreamers and you do kind of dream for this to happen. It's unbelievable that it just keeps happening with this mare. It's kind of exciting, especially because Entreat has travelled to **Justify** so we're expecting a nice foal by him in early January. She's back with me now, she came back home in May, so she'll be getting an extra scoop of nuts this evening."

Cloney continued, "Sometimes you get mares who produce good racehorses but they don't perform at the sales. But in my eyes, and I think in a lot of people's eyes, she ticks every box because she's able to throw the stock and then they go and back it up. There are not too many mares with two Group 1 winners under their belt, or four stakes winners, especially all by different stallions."

"She stamps her stock no matter what stallion she goes to. This is a big strong filly and I'd draw a lot of comparisons with Camille Pissarro. I know I might sound biased but I actually thought she might be that little bit stronger at the same stage."

A Day of Stars

Three of the top five prices in the December Yearling Sale's history were achieved on Monday. Along with the day's leading lady, a filly and a colt by the perennially popular Aga Khan Studs resident **Sea The Stars (Ire)** brought the morning session to life when selling for 400,000gns and 375,000gns respectively.

Lot 53, Norelands Stud's filly out of Crimean Queen (GB) (Iffraaj {GB}), was bought by Jamie McCalmont on behalf of owner Marc Chan, who already races the filly's full-brother, the two-year-old Seacruiser (Ire), winner of a Newmarket maiden on debut for Ralph Beckett.

"We hope that [Seacruiser] will be a really nice horse for next year," said the agent. "We bought Sir Dinadan from Norelands last year, and Seacruiser, and Green Impact was raised there. It was a farm that was founded by Harry [McCalmont] and my grandfather, so there is a lot of sentiment, and, more importantly, it seems to be working."

He added, "Marc wants to start breeding horses and **Sea The Stars** is a great broodmare sire and if the brother ends up really good, it will be really nice to have a sister. Marc is really happy, he really wanted this filly."

Tattersalls report cont.

The filly's dam, bred by Hascombe and Valiant Studs, is a half-sister to the Group 2 winners Bronze Cannon (Lemon Drop Kid) and Across The Stars (Ire) ([Sea The Stars {Ire}](#)) and to Crimson Ribbon (Lemon Drop Kid), the dam of Ascot Gold Cup winner Courage Mon Ami (GB) ([Frankel {GB}](#)).

Underbidder on the day's top lot, the Yulong team had earlier been successful in signing up lot 46, the [Sea The Stars](#) first foal of the Group 3 winner Cloudy Dawn (Ire) (Kodiac {GB}), at 375,000gns. Sold as a foal by breeder James Wigan for 100,000gns, the colt is from the family of French Group 1 winners Grey Lilac (Ire) and Golden Lilac (Ire) and will begin his racing career in the UK with the option to race in Australia in the future.

Yulong's general manager Vin Cox said, "He's by a good stallion out of a good mare and he's well put together. He fits our plans, which is to try to put together a good batch of horses to go to the races."

Yulong, which has its base in Australia, has made its presence felt at the European sales in recent years, not least when buying Group 1 winner Via Sistina (Ire) (Fastnet Rock {Aus}) from last year's December Mares Sale for 2,700,000gns. The six-year-old mare has repaid her new owner handsomely since joining Chris Waller's stable in Sydney.

Reflecting on Via Sistina's success in Australia, which includes breaking Winx's track record when winning the G1 Cox Plate by eight lengths, Cox said, "To have bought her last year for the money we did--she had the pedigree and the race record to justify that sort of price--but to end up where she is now is beyond our wildest expectations. She has had seven starts in Australia now for five Group 1 wins. It's a stunning record and we'd have to say she's on the way to being Horse of the Year in Australia, though of course there's a large part of the Australian season still to play out. But also to be rated the top mare in the world is quite phenomenal." [Cont. p6](#)

The run of demand for the **Sea The Stars** yearlings continued later in the session through lot 140. William Haggas knows the family of her dam My Timing (GB) (Street Cry {Ire}) well, having trained all three of her winning offspring to date, all of whom are by **Sea The Stars** and bred by the Tsui family's Sunderland Holdings. The trainer went to 360,000gns to buy the mare's yearling filly.

"She is for one of my owner-breeders," he said of the sister to Sea On Time (Ire) and Sea Just In Time (Ire). "I know the family well, all of them have been more than useful, the first [foal] was the best. This is a nice, straightforward but backward filly and it will be age three or four before she comes good."

Blue Point Colt for Johnston

Charlie Johnston will train the Blue Point colt out of the group-placed Haatef mare Achnaha (Ire) who was bought by Anthony Stroud for 240,000gns. Offered as lot 18 by his breeder Plantation Stud, the colt is the second living foal of the 13-year-old mare, whose filly foal by Advertise (Ire) is in the same stud's draft for Tuesday's foal sale.

On behalf of Godolphin, Stroud also signed for a **No Nay Never** colt (lot 138) out of a half-sister to new Ballyhane Stud stallion Sakheer (Ire) (Zoffany {Ire}) for 170,000gns from New England Stud. **Cont. p7**

Golden Touch

Dermot Cantillon of Tinnakill House enjoyed a decent pinhooking result with a colt bought back in February at Goffs for €30,000. By Make Believe (GB), he is out of the Moyglare Stud-bred mare Unaccompanied (Ire) (Danehill Dancer {Ire}), who was both a listed winner on the Flat and Grade 1-winning juvenile hurdler.

Returned to Tattersalls as lot 7, the May-born colt from the further family of Kyrios (Ire) and Search For A Song (Ire) was bought for 125,000gns by John Gosden.

He said, "Thady came and found him. He is a lovely sort, scopey, a good mover and, of course, we know the sire well through Mishriff. We will put together a syndicate to own him."

Cantillon added, "I don't pinhook too many foals, but I am a big admirer of that family and when I saw him in the ring in February, I just took a liking to him and bought him. I like stayers and I like late foals, when everyone else is going the other way, I like to buck the trend.

"It was always the plan to come to this sale because he was a May foal and he looked like he was going to need every day. It was always the plan - and he has made way more than I was expecting."

AESOP'S FABLES RETIRED TO STARFIELD STUD FOR 2025

Aesop's Fables (Ire) (No Nay Never) will stand at Starfield Stud next season, Compass Stallions announced on Monday. The G2 Futurity Stakes winner will command a fee of €6,500, with limited breeding rights available.

Trained by Aidan O'Brien, Aesop's Fables retires as the winner of three of his 17 career starts. He also won this year's Listed Sole Power Sprint Stakes at Naas in May, having produced two of his best efforts at the end of last season when finishing third in both the G1 Prix de l'Abbaye at Longchamp and GI Breeders' Cup Turf Sprint at Santa Anita.

Aesop's Fables cont.

Micheal Orlandi of Compas Stallions said, "Aesop's Fables promises to be an exciting addition to the stallion roster at Starfield Stud, being such a highly regarded sprinter by a Champion two-year-old sire in **No Nay Never**. He has been syndicated by a distinguished group of trainers, consignors, breeders and bloodstock consultants, giving him every chance of success at stud. We look forward to showing him to breeders and are confident they won't be disappointed in what they see."

Bred by Barronstown Stud, Aesop's Fables is one of six winners from as many runners out of the Listed-placed How's She Cuttin' (Ire) (Shinko Forest {Ire}), with the others including the Bearstone Stud resident Washington DC (Ire), another high-class sprinter for O'Brien whose victories included the G3 Phoenix Sprint Stakes.

The trainer added, "Aesop's Fables is typical of his sire, a big, strong, powerful horse with a good mind. We always thought that he would get very good-looking foals and very mature two-year-olds. He is fast and has some top-class form, a Group 2 winner as a juvenile and placed in the Group 1 Prix de l'Abbaye and Breeders' Cup Turf Sprint as a three-year-old, beaten just a short distance in both. He has loads of scope and could get very classy horses."

FANTASTIC MOON OFFICIALLY RETIRED, GOLIATH UNLIKELY FOR HONG KONG VASE

Fantastic Moon | ScoopDyga

The connections of **Fantastic Moon (Ger)** (Sea The Moon {Ger}), eleventh in Sunday's G1 Japan Cup, have declined an invitation to the G1 Longines Hong Kong Vase at Sha Tin Racecourse on Sunday, December 8, and the four-year-old has

been officially retired, Liberty Racing's Lars-W. Baumgarten confirmed Monday on X. Fantastic Moon will **enter stud in 2025** at Gestut Ebbesloh as previously announced.

"Finishing 11th in the Japan Cup, Fantastic Moon appeared a bit tired in the final furlong. It was a long season for him. We'll pass on the HK Vase and fly him home for the next leg of his career at Ebbesloh Stud. You gave us memories we'll treasure forever," the social media post read.

Trained by Sarah Steinberg, Fantastic Moon won the 2023 G1 Deutsches Derby to be named champion of his generation and struck twice this season at group level, including a 1 1/4-length victory in the G1 Grosser Preis von Baden in September. He retires with a record of 7-3-1 from 15 starts for earnings of \$924,911.

G1 King George VI and Queen Elizabeth Stakes winner **Goliath (Ger)** (Adlerflug {Ger}) is also unlikely to make the trip to Hong Kong for the Vase, *South China Morning Post* said. Sixth and not beaten far behind Do Deuce (Jpn) (Heart's Cry {Jpn}) at the weekend, Goliath was also runner-up in this year's G2 Hardwicke Stakes at Royal Ascot and won the G2 Prix du Conseil de Paris when prepping for his trip to Tokyo.

CATALOGUE NOW ONLINE FOR THE GOFFS CORAL GOLD CUP SALE

Eighteen point-to-point graduates feature in the **catalogue** for the Goffs Coral Gold Cup Sale, which takes place after racing at Newbury on Saturday, November 30. Inspections will be open on Friday and Saturday, with showing to take place next to the racecourse stables, before the sale gets underway in the Owners and Trainers facility after the last race at 3.35pm.

Goffs UK managing director Tim Kent said, "We have had a very good response to the Coral Gold Cup Sale from the point-to-point handlers and have assembled a strong catalogue of horses to offer on Saturday. The sale got off to a great start last year and that has given vendors added confidence in the venue this time around.

"Last week saw graduates from last year's inaugural sale notch up a winning double courtesy of The Bluesman for Paul Nicholls and First Confession for Joe Tizzard, so it's an exciting time for this young sale both in the ring and on the track, and we look forward to seeing everyone at Newbury on Saturday."

WORLDWIDE NEWS

WONDERMARE WINX WELCOMES SNITZEL COLT

Australia's most decorated racemare, **Winx (Aus)** (Street Cry {Ire}), welcomed her third foal, a colt by Snitzel (Aus), on Monday morning.

Winx endured a challenging start to her breeding career when her first foal by I Am Invincible (Aus) died shortly after foaling, before making history in April when her second foal by Pierro (Aus) sold for A\$10 million (around €6.20 million) at the Inglis Australian Easter Yearling Sale, a world record sum for a filly.

[Cont. p12](#)

Winx | Inglis

Winx cont.

The Pierro filly was bought by Debbie Kepitis, who raced Winx in partnership with Peter and Patty Tighe's Magic Bloodstock and the late Richard Treweeke. Trained by Chris Waller, who is also set to oversee the racing career of the Pierro filly, Winx retired as the winner of 25 Group 1 races, including four consecutive editions of the Cox Plate.

"She foaled down just after midnight and by all reports it was very quick," Peter Tighe told RSN927.

"She was a bit late delivering--a couple of weeks overdue--but everything went smoothly and she had a beautiful, really long legged colt."

He added, "We're happy to have a colt, especially by Snitzel, because it is a super line of breeding, and Winx deserves every bloody thing she gets. Having a beautiful young boy is exactly what she needed.

"She looked a million bucks beforehand yesterday and her coat was gleaming. The team at Coolmore and the vets in Scone are second-to-none--they look after her like one of their own family."

CATALOGUE FOR THE NZB NATIONAL YEARLING SALE RELEASED

A full-sister to Lucky Sweynesse will be offered at the 2025 NZB National Yearling Sale | HKJC

A total of 1,088 lots have been catalogued for the 2025 New Zealand Bloodstock (NZB) National Yearling Sale, which is scheduled to take place at Karaka from January 26-30. The catalogue, which is now available to view [online](#), features 661 yearlings in Book 1 and another 427 in Book 2.

Previous graduates of the sale include Mr Brightside (NZ) (Bullbars {Aus}), an eight-time Group 1 winner in Australia, in addition to Lucky Sweynesse (NZ) (Sweynesse {Aus}) and Ka Ying Rising (NZ) (Shamexpress {Aus}), both top-class sprinters in Hong

Kong. A full-sister to Lucky Sweynesse will be offered at the 2025 edition of the sale, along with yearlings out of Group 1 winners such as Bonneval (NZ) (Makfi {GB}) and Jennifer Eccles (NZ) (Rip Van Winkle {Ire}).

This will also be the first time that NZB has combined both Book 1 and Book 2 into one physical catalogue.

NZB's managing director Andrew Seabrook said, "Although they still remain separate sales, it was a request made at a post sales vendor meeting earlier this year, so we thought it was worth doing and advantageous from a marketing perspective to have just one catalogue.

"Of all the sales in Australasia this year, Karaka saw the biggest increase in average, turnover and median--that was really encouraging. We're incredibly proud of the New Zealand-bred and Karaka graduate results over the last 12 months."
