

'JUSTIFY DESERVES A MARE LIKE HER' - COOLMORE SWOOP FOR SPARKLING PLENTY

MV Magnier: "She's been bought for a new partnership. She's a nice filly and **Justify** deserves to get a mare like her."

Zuzanna Lupa

By Brian Sheerin and Katie Petrunyak

DEAUVILLE, France--Six months after doing the Hokey Cokey at the Goffs London Sale, Prix de Diane winner Sparkling Plenty (Fr) (Kingman {GB}) found another new owner when Coolmore and Michel Zerolo of Oceanic Bloodstock went to €5 million to secure the top-notch on behalf of "a new partnership" on the opening day of the December Breeding Stock Sale at Arqana.

Few will forget the drama that unfolded with Sparkling Plenty earlier this summer. Scarcely has there ever been a greater form update, with the Patrice Cottier-trained filly winning the Diane on the eve of the Goffs London Sale.

IN TDN AMERICA TODAY

GUN RUNNER'S LOCKED LANDS THE GII CIGAR MILE AT AQUEDUCT

Making only his second start of the year, **Gun Runner's Locked** claimed the GII Cigar Mile Handicap at Aqueduct on Saturday for Eclipse Thoroughbreds and Walmac Farm.

After she was vendored at £8.1 million, Al Shaqab Racing hammered out a deal with owner-breeder Jean-Pierre-Joseph Dubois at £5,000,000, with Sparkling Plenty carrying those famous silks to finish third in the Nassau Stakes before ending her season by filling the same placing in the Prix de l'Opera.

Her racing days are far from over, according to MV Magnier, who explained that a visit to **Justify** is on the cards but that connections would be targeting races at Keeneland in the early parts of next season as well.

He explained, "She's a very nice mare and a very good race filly. The plan is to send her to America and she might compete in some of those races in Keeneland next year. In the meantime, we're going to cover her with **Justify**. She's been bought for a new partnership. She's a nice filly and **Justify** deserves to get a mare like her. He's one of the best stallions in the world now so hopefully we can look forward to racing the progeny out of her."

Despite a significant number of scratches, turnover climbed by 9% to €41,999,000 while the average was up by 16% to €264,145 and the median by €35,000 to €155,000. **Cont. p3**

“I’m Just Getting Started” – Stewart Strikes Back

John Stewart warned his doubters not to undermine the scale of his ambitions in racing after signing for Prix Rothschild runner-up Excellent Truth (Ire) (Cotai Glory {GB}) for €1.6

million through Goliath's trainer Francis Graffard [Stamford Bloodstock] and bloodstock agent Ghislain Bozo [Meridian Bloodstock].

It didn't take long for the champagne to be corked after Stewart made his mark on his first visit to the French sale ground with the addition of the highest-rated filly in the entire sale to add to his \$8 million haul at Tattersalls earlier in the week.

He said, "She was number one on my list so she was going home with me, just like Vertical Blue [at Tattersalls]. I'm looking for horses to take to America that will dominate on the turf. I came over here specifically because I've won races all around the world but I haven't won any at Keeneland yet and it's my home track. I'm going to dominate there next year so I came up with this strategy to come over here.

"All of these horses that I'm buying, I'm looking at their pedigrees to bring diversity back to the herd in Kentucky. We just exported, exported, exported for so long and there's really not a lot of people buying horses from Europe and bringing them back to America in large quantities. I think that's very important for all of us because Kentucky is very important to the global industry from a breeding standpoint and so I'm trying to focus on their pedigrees, only looking at horses that I think can win Graded races in America. That's what I'm here to do." **Cont. p4**

He added, "I think that's a very reasonable price. The thing about this industry is there's a handful of buyers that are buying these top-of-the market horses so that market has never been stronger. I'm an investor, that's what I do for a living. I own a private equity firm. When you're getting into something, it costs more money but it's less risky to buy higher quality assets. That's what I think of these horses as. And I'm indifferent to price on an individual horse because I buy so many horses. I look at this as a portfolio. Like stocks. I may buy one horse and I may end up paying 500,000 more than I wanted, but then I may buy one for 500,000 less, and so then I just look at the overall spend. It's a different way of thinking about it."

There are plenty of words one could use to describe Stewart, who has blown into the racing game this past year similarly to

the hurricane-like weather that took over the sale ground on Saturday evening. Punchy might well be one of those words.

"I'm just getting started," he said. "I have a really big plan. Anybody that thinks that I did a lot in 2024 has no idea what I'm doing in 2025. I'm just trying to bring attention to horse racing globally. I make a lot of statements about what I'm going to do and things like that. It's not being arrogant, I'm just trying to get people to take notice that there's people investing in the industry when a lot of other people are saying that the industry is dying and all those different things and I just don't believe that."

In the past week alone, leading American-based owners Mike Repole and LNJ Foxwoods

expressed their dissatisfaction with Stewart's all-in approach to bloodstock separately. The 55-year-old revealed that those interactions actually spurred him on to spend more this week.

Arqana Cont.

He explained, "When I started my private equity firm, I didn't [and still doesn't] have a finance degree. So everybody told me that nobody is ever going to invest in you because you don't have a finance degree. I went and had 350 meetings to get 22 people to say yes so I thrive on people telling me no. What has happened in the last 24 hours [with the spat on X], I actually doubled my intentions of what I was going to do.

"Because the way I'm going to do it, I'm going to let my horses speak on the track and I'm going to let them win the races. I got called out by somebody [Repole] last year. He said I didn't know what I was doing--come on, I'll give you a tour of the winner's circle when I come to the track. He didn't know it but I'd bought Pounce at the Fasig-Tipton Digital Sale. Just 10 days later my horse beat his horse in a Group 3. Then I beat his horse in the New York Stakes in a Grade I. Every time my horses have run

against his horses, I've won."

He added, "I'm not trying to bid him up, but at Saratoga I purposely positioned myself right behind him so I could keep an eye on exactly what he was doing. He was the one making

statements about bidding me up and you really can't bid me up."

Stewart also spent a combined €1,050,000 through his own Resolute Racing on Flamme Rouge (Fr) ([Sea The Stars {Ire}](#)) and Tazara (Ire) (Blue Point {Ire}). His 6,265,000gns spend at Tattersalls was headed by 3.2 million gns buy Vertical Blue (Ire) (Mehmas {Ire}), with the Group 1 Prix Marcel Boussac winner understood to be staying in training with Graffard.

"I'm just getting started. I have a really big plan. Anybody that thinks that I did a lot in 2024 has no idea what I'm doing in 2025. I'm just trying to bring attention to horse racing globally."

--John Stewart

On plans for his recent additions, he concluded, "I use a variety of trainers. My team will sit down and digest these and then we'll have to take a look at them and see which ones suit them. Village Voice is going to Chad Brown and then Vertical Blue is staying here. Chad Brown wanted that horse bad." [Cont. p6](#)

Asked who was helping him buy at Tattersalls, given all of his bidding was done online, he said, "Francis is checking stuff out for me. I had other people as well. The Coolmore guys. When I'm not there, I'll have someone else looking at the horses and telling me what they think. We're giving them a list and then we have of course the vets and that kind of stuff that help us.

Talking Points

- While Haras de Beaumont failed to secure a sale for dual Group 1-placed Daylight (Fr) (Earthlight {Ire}), who was bought back at €2.1 million, the operation sold Group 2 winner Classic Flower (GB) (Calyx {GB}) to Alex Elliott on behalf of the Coolmore partners for €1.8 million. Elliott said, "She's going to the partnership of Peter Brant and Michael Tabor and she's going to be trained by Chad Brown. Her vetting was great and her running style will suit the States. She was very obvious and hopefully she'll go win a Group 1. She's got all the ability in the world and she's going to one of the best turf trainers in America so she's got all the ingredients."
- German Oaks runner-up Spanish Eyes (Ger) (Zarak {Fr}) was another mare to clear seven figures on Saturday. She was purchased by David Redvers for €1.3 million on behalf of

Qatar Racing from Monceaux. Redvers said, "She's off to the US for Qatar Racing and a partner but no decision has been made about a trainer just yet. It will be one of the Qatar Racing roster over there. She's an extremely impressive physical and racehorse and she looks like she will really suit the American style of racing. Sheikh Fahad was very keen on her."

- Strawberry Lace (GB) (Sea The Stars {Ire}), the dam of last year's Breeders' Cup Juvenile Turf winner Unquestionable (Fr) (Wootton Bassett {GB}), was one of the early show-stoppers at €900,000. Bought by Yulong under the banner of Willingham, she was sold by Guillaume Vitse of Normandie Breeding. All told, Willingham spent €1,870,000 on Saturday.
- Teruya Yoshida was a notable attendee at Tattersalls, where he spent 1,210,000 gns on four mares, and the Shadai Farm boss added two more to the team at Arqana for a combined €590,000.
- Moa Sundstrom's debut draft of foals couldn't have gone any more smoothly. Under the banner of her own Prime Progeny, the daughter of Coulonces boss Anna sold a Too Darn Hot (GB) filly for €220,000 to Haras de Meautry and a Sea The Moon (Ger) filly for €90,000. [Cont. p7](#)

Deserved Slice Of Luck For Gestut Etzean

Sometimes you just need a bit of luck. Just ask Ralf Kredel of Gestut Etzean. Before Tamfana (Ger) (Soldier Hollow {Ger}) burst onto the scene, Kredel gave serious consideration to offloading her dam Tres Magnifique (Fr) and few would have argued against the decision given the pedigree had gone cold.

But something told Kredel to sit tight. Tamfana, who the German outfit sold for just €30,000, stormed to Group 1 glory this year in the Sun Chariot Stakes. Shortly afterwards, the Kevin Coleman-trained juvenile The Palace Girl (Ger) (Areion {Ger}) lit up the Sceptre Sessions of the December Mares Sale at Tattersalls when selling for 1.55 million gns.

Tres Magnifique has made a lot of people very happy in recent times. From Tamfana's ownership group, Quantum Leap Racing, to The Palace Girl's young trainer and his burgeoning syndicate Atomic Racing.

But few would argue that Kredel was deserving of his twist out of the family and it came deep into the sale on Saturday when MV Magnier went to 1.4 million to secure broodmare Tres Magnifique carrying a full-sibling to Tamfana.

Kredel said, "I am delighted about the sale, obviously. We don't have mares like this come around very often and we couldn't take the risk of keeping such a valuable mare. We have to keep the stud farm going so that's the reason why we sold her. I am very happy with the sale. I am also very happy that she has gone to a very good home. Hopefully she will get many more Group 1 horses.

"From time to time, you need a mare or a horse like this. We are breeding a lot of horses and, sometimes, a star like Tamfana comes along. It updates the pedigree. We have done well from the family and still have some mares from it at home--not from under the first dam but the second and third dam."

Tres Magnifique sold for seven figures on Saturday | Zuzanna Lupa

Kelsey Lupo & Mimi Wadham | Zuzanna Lupa

He added, "We were very close to getting rid of this mare to be honest. Before Tamfana came along, nobody wanted her yearlings and they were very cheap. I remember Jeremy Brummit coming back to me after he bought Tamfana. He asked me, 'did I make a mistake because she was so cheap?' I said, 'no, nowadays people don't look at these horses if the pedigree is not very strong'. She was a beautiful model."

Coolmore underbid The Palace Girl--who sold to Woodford Thoroughbreds--at Tattersalls and revealed that her dam would visit City Of Troy next year.

He said, "She's a very good producer and we underbid the filly in Newmarket earlier this week and she was a lovely filly as well. What we plan to do now is send her to City Of Troy. We know she's a very good producer and City Of Troy is an exceptional horse; he's very well-bred and he did everything that we asked him to do.

"If he'd won the Guineas I'd say he'd have been hailed as a horse as good as Frankel. Unfortunately he didn't but he's still an exceptional racehorse. He's going down really well, himself and Auguste Rodin are absolutely flying. The sale has been unbelievable. Well done to Arqana for getting everybody here and attracting a very good bunch of mares."

Buy of the Day

A couple stood out early doors. Given the year that Camelot (GB) has enjoyed, the €200,000 that Atlas Bloodstock parted with to land a quality filly [lot 18] by the stallion could prove to be shrewd when she is re-offered at one of the premier yearling sales next year. Meanwhile, the Irish National Stud could be rewarded for striking early as well, with the 88-rated Blue Point (Ire) filly Word's Out (Ire) [lot 5] looking a pretty safe bet at €45,000 through BBA Ireland. Saturday's Results:

3rd-Chantilly, €30,000, Mdn, 12-7, 2yo, c/g, 9 1/2f (AWT), 1:58.64, st.

SURABAD (GB) (c, 2, Bated Breath {GB}--Sunita {Fr}, by Motivator {GB}), runner-up over course and distance in his Nov. 12 debut last time, raced off the pace in rear through the initial fractions of this one. Scrubbed along to close approaching the quarter-mile marker, the 13-10 favourite went fourth entering the final furlong and was driven out to deny My Secret Light (Fr) (City Light {Fr}) by a half-length nearing the line. Surabad is the third of four foals and first scorer out of a multiple-winning half-sister to Listed Criterium du Fonds Europeen de l'Elevage third Saryshagann (Fr) (Iffraaj {GB}). The February-foaled homebred bay is kin to a yearling filly by Oasis Dream (GB) and hails from the family of multiple Group 1-winning sire Sendawar (Ire) (Priolo). Lifetime Record: 2-1-0-1, €19,500.
O-H H The Aga Khan; B-H H The Aga Khan's Studs (GB); T-Francis-Henri Graffard.

5th-Chantilly, €30,000, Mdn, 12-7, 2yo, f, 9 1/2f (AWT), 1:59.60, st.

CANKOURA (FR) (f, 2, Persian King {Ire}--Candarliya {Fr} {MGSW & G1SP-Fr, \$534,189}, by Dalakhani {Ire}), a Nov. 10 debut sixth tackling 7 1/2 furlongs at Saint-Cloud in her only prior start, was held up in rear from the outset here. Inching closer once into the straight, the 4-1 second choice came under pressure passing the two pole and kept on strongly in the closing stages to overpower Bogota (Fr) (Wootton Bassett {GB}) by a

half-length in the dying strides, becoming the 16th winner for her freshman sire (by Kingman {GB}). Cankoura is the fifth of six foals and fourth scorer produced by dual Group 2-winning G1 Prix Vermeille runner-up Candarliya (Fr) (Dalakhani {Ire}), herself a full-sister to Listed Prix Scaramouche victrix Canndera (Fr) and a half-sister to multiple stakes-winning GII Belmont Gold Cup Invitational, GIII Stars And Stripes Stakes and GIII Sycamore Stakes placegetter Canessar (Fr) (Kendargent {Fr}). The January-foaled homebred grey is a half-sister to G3 Prix de la Grotte victrix Candala (Fr) (Frankel {GB}), the dual stakes-placed Carini (Fr) (Siyouni {Fr}) and a weanling colt by Siyouni (Fr). Lifetime Record: 2-1-0-0, €16,500.

O-H H The Aga Khan; B-H H The Aga Khan's Studs (FR); T-Francis-Henri Graffard.

4th-Chantilly, €22,000, Mdn, 12-7, 0yo, 13 1/2f (AWT), 2:57.15, st.

CANDELARI (IRE) (g, 3, Frankel {GB}--Candara {Fr}, by Barathea {Ire}) was caught dozing at the break, forfeiting several lengths, and remained in rear for most of this marathon. Under pressure on the home turn, the 23-5 chance avoided an unseated rider approaching the quarter-mile marker and stayed on relentlessly to hit the front passing the furlong pole en route to a convincing eight-length defeat of Amarena Dodville (Fr) (Waldgeist {GB}). Candelari, who hails from the family of sires Wixim (Diesis {GB}) and Run Softly (Deputy Minister), is the latest of nine foals and fifth scorer for his dam. The April-foaled homebred bay is a half-brother to dual Group 2-winning G1 Prix Vermeille runner-up Candarliya (Fr) (Dalakhani {Ire}), multiple stakes-winning GII Belmont Gold Cup Invitational, GIII Stars And Stripes Stakes and GIII Sycamore Stakes placegetter Canessar (Fr) (Kendargent {Fr}) and Listed Prix Scaramouche victrix Canndera (Fr) (Dalakhani {Ire}). Candarliya is the dam of G3 Prix de la Grotte victrix Candala (Fr) (Frankel {GB}), the dual stakes-placed Carini (Fr) (Siyouni {Fr}) and this card's subsequent winner Cankoura (Fr) (Persian King {Ire}). Lifetime Record: 1-1-0-0, €11,000.
O-H H The Aga Khan; B-H H The Aga Khan's Studs (FR); T-Francis-Henri Graffard.

LOCKED & LOADED IN THE CIGAR MILE

'TDN Rising Star' Locked wins the Cigar Mile | Sarah Andrew

by Steve Sherack

Making just his second start of the season, Eclipse Thoroughbred Partners and Walmac Farm's 'TDN Rising Star' **Locked** (Gun Runner) made up for lost time with a powerful performance against older horses in a loaded renewal of Saturday's GII Cigar Mile Handicap at the Big A.

It was 1 1/2 lengths back to GI Forego Stakes winner and GI Breeders' Cup Sprint third **Mullikin** (Violence) in second. The overachieving Maryland-bred **Post Time** (Frosted), runner-up in the GI Breeders' Cup Dirt Mile, rallied from the back for third.

One of the early-book favorites for the GI Kentucky Derby following a victory in Keeneland's GI Claiborne Breeders' Futurity and third-place finish as the favorite in the GI Breeders' Cup Juvenile last fall, Locked missed a pair of intended starts earlier this spring, including the GII Coolmore Fountain of Youth Stakes at Gulfstream Park Mar. 2. He was subsequently taken out of training by Hall of Famer Todd Pletcher due to a knee injury.

Pletcher extended his all-time lead with his seventh Cigar Mile victory. He has won this race in three of the last four editions.

"He came into the year with high hopes and unfortunately, we got sidelined for a little while, but he came back and finished up the year the way he did and proved that very good 2-year-olds turn into really good 3-year-olds as well," Pletcher said.

UNBEATEN 'RISING STAR' MUHIMMA PASSES TWO-TURN TEST IN DEMOISELLE, PROVIDES ROLLING GRADED STAKES

DOUBLE FOR MUNNINGS by Steve Sherack

Shadwell Stable's 'TDN Rising Star' **Muhimma** (Munnings), a jaw-dropping winner of her first two career starts sprinting at Churchill Downs, remained unbeaten in front-running fashion while making her two-turn debut in Saturday's GII Demoiselle Stakes at Aqueduct.

The win, good for 10 points on the road to the GI Kentucky Oaks, provided Coolmore stallion **Munnings** with a sweep of the juvenile graded stakes races at the Big A following **Poster** (Munnings)'s success in the GII Remsen Stakes contested one race earlier on the program. Cont. p6

Cigar Mile cont. from p1

John Velazquez & Todd Pletcher | Sarah Andrew

“We had a physical setback that we had to give him some time for. It was unfortunate timing because I think that the way some of the Triple Crown races set up this year would have suited him really well, but that’s the way it goes sometimes.”

Off as the 2-1 favorite after returning from the shelf with an impressive 7 1/2-length victory--good for a career-high 97 Beyer Speed Figure--going seven furlongs at the Big A Oct. 19, Locked

was ridden along in an outside sixth beneath Hall of Famer John Velazquez through fractions of :22.87 and :45.30. He hit the gas rounding the far turn, revved up three deep approaching the quarter pole and came rolling down the center to win with authority.

The Cigar Mile field of 10 also included GI Woody Stephens Stakes winner **Book'em Danno** (**Bucchero**) (fifth) and G1 Saudi Cup winner **Senor Buscador** (**Mineshaft**), who finished ninth after stumbling at the break. Both were backed at 5-1 odds.

“He showed up today and delivered at a distance that--he’s shown he’s very versatile, but I think his real strength is going to be getting him back around two turns,” Pletcher said. “He needed the start to get under his belt from the layoff and to set him up for a big performance like this.”

On a potential start in the GI Pegasus World Cup Jan. 25 at Gulfstream Park, Pletcher said, “I’ll talk to Aron (Wellman of Eclipse Thoroughbred Partners) and the guys. That’s one of the things we talked about. Of course, you’ve got Saudi a month after that, so we’ve got some options.”

Wellman added, “I’d be lying to you if I said we weren’t devastated when we had to take him off the Derby trail this spring because we really believed he was a bonafide Classic horse. That being said, looking back on the nature of his injury and the uniqueness of it, we just feel really fortunate to be in

this position to showcase him again. Even his allowance win here, six weeks ago, was brilliant, he ran fast and now to win a race like the Cigar as a 3-year-old, it just puts an exclamation point on what has been, unfortunately, a brief but brilliant career. It is also unfortunate that the Cigar is not a Grade I. I think we'd all agree that in prestige, this is a Grade I race, and this was a Grade I field today, without question."

Locked was featured in our 'Second Chances' series following a debut third at Saratoga last summer.

Pedigree Notes:

Hailing from the third crop of leading young sire **Gun Runner**, Locked was produced by a winning half-sister to MGISW Gabby's Golden Gal (**Medaglia d'Oro**) and MGSW & GISP Always a Princess (Leroidesanimaux {Brz}). Locked is one of 10 Grade I winners for **Gun Runner**.

The **Gun Runner**/Malibu Moon cross is already responsible for GI Breeders' Cup Classic winner and '**TDN Rising Star**' Sierra Leone and GSWs Shotgun Hottie and Runninsonofagun. Locked, a \$425,000 Keeneland September yearling, is also bred similarly to MGISW and '**TDN Rising Star**' Taiba (**Gun Runner**), who is out of a Flatter mare.

Luna Rosa, also responsible for the unraced, Japanese based 2-year-old colt Ask At Bat (Caravaggio) (\$170,000 OBS April purchase by T B Bloodstock), had a filly by **Tiz the Law** in 2023 and a colt by Early Voting this year. She was bred back to **Gun Runner**.

Muhimma | Sarah Andrew

Muhimma stopped the clock for 1 1/8 miles in 1:49.84, besting the 1:50.37 final time of her male counterparts in the Remsen.

It's an **embarrassment of riches for winning conditioner Brad Cox** where it comes to the 2-year-old filly division. He also trains the GI Breeders' Cup Juvenile Fillies winner and soon-to-be crowned champion 2-year-old filly Immersive (**Nyquist**) as well as last weekend's GII Golden Rod Stakes winner Good Cheer (**Medaglia d'Oro**). The unbeaten Godolphin homebreds are currently in first and second place on the Kentucky Oaks leaderboard with 40 and 20 points, respectively.

"I'm proud of what our team has been able to do with these horses and I'm proud of the horses," Cox said. "We've been put in a good position with fillies that have responded and now our job is to turn the page on this year and try to execute next year."

He continued, “I’m thinking we’ll probably send her to Payson to kind of chill out over the next month and then come up with a game plan moving forward. We have Fair Grounds and Oaklawn as our main focus with where we run, and we’ll see. There’s options up here as well. We are lucky with these fillies, and we’re hoping to have some that will pick up black type here.”

Far from a secret off as the 2-5 favorite while facing nine rivals, the stunning gray was off a step slow beneath Florent Geroux from her rail draw, but still led the way heading into the clubhouse turn. Muhimma held a narrow advantage through fractions of :23.94 and :48.24 and kicked for home as the one to catch. **Ballerina d'Oro (Medaglia d'Oro)**, off at odds of 9-1 while adding blinkers and trying dirt for the first time here, made a run at Muhimma in the stretch, but the heavy favorite was never in any serious danger and had a length over that rival at the wire.

Muhimma earned a field-best 83 Beyer Speed Figure while winning by 7 1/2 lengths as the 4-5 chalk on debut Sept. 20, then scored by a geared-down 5 1/2 lengths going seven furlongs in an optional claimer Nov. 1. Both wins were registered in press-and-pounce fashion.

“First time 2-year-olds going that far, I thought (the fractions) were quick enough and she fended off a horse making a run at her down the lane, so she showed some determination and she showed she could handle the mile and an eighth,” Cox said.

“She’s big. She’s by a very good sire, very good broodmare sire, and the mare herself was good going long. We felt confident she would handle the distance and right now she just needs to handle the mile and an eighth. I’m happy with the performance today.”

Bred in Kentucky by Three Chimneys Farm, Muhimma is the second foal out of Princesa Carolina (**Tapit**), a winner of the Dueling Grounds Oaks going 1 5/16 miles over the lawn at Kentucky Downs. Muhimma's very talented and versatile second dam Pure Clan (Pure Prize) won the GI American Oaks and GI Flower Bowl Invitational Stakes, both on grass. She also won a pair of graded races on dirt and was third in the 2008 Kentucky Oaks.

Princesa Carolina produced colts by **Gun Runner** in 2023-24 and was bred back to the leading sire for 2025. Her yearling colt by **Gun Runner** brought \$2.2 million from Whisper Hill Farm at Keeneland September, the second-highest price of the entire sale.

POSTER SWITCHES TO DIRT, STAYS PERFECT IN REMSEN WHILE PRAT SETS STAKES

RECORD by Steve Sherack

After upsetting last weekend's GII Kentucky Jockey Club Stakes at Churchill Downs with First Resort (**Uncle Mo**), Godolphin and trainer Eoin Harty doubled up in dramatic fashion with fellow 2-year-old homebred **Poster** (**Munnings**) in Saturday's GII Remsen Stakes at Aqueduct.

The victory, good for 10 points on the road to the GI Kentucky Derby, also provided jockey Flavien Prat with his record-setting 80th stakes win of the season and his 55th graded stakes win of the year, tying Hall of Famer Jerry Bailey.

Making his dirt and stakes debut after beginning his career with a pair of grass wins going one mile at Ellis Park Aug. 19 and

Keeneland Oct. 12, the unbeaten Poster, off at odds of 9-2, was last of six as the Bill Mott-trained debut winner **Tux** (**Tapit**) was pressed by big-figure, second-out maiden winner and 4-5 favorite **Keewaydin** (**Instagrاند**) through an opening quarter in :23.95.

Up a spot into fifth through a half mile in :48.59, Poster launched while four wide approaching the quarter pole and struck the front as they straightened for home.

Poster enjoyed a two-length advantage at the stretch call and looked long gone, but began to idle late. Keewaydin's Chad Brown-trained stablemate **Aviator Gui (Uncle Mo)**, back on dirt after a fourth-place finish in the grassy Awad Stakes Oct. 19, was caught in traffic on the far turn and raced a bit green down the lane, but leveled off beautifully to mount a serious late rally.

"He's got a dirt pedigree, and it wasn't actually his first, well it was his first run on dirt, but he trained on dirt prior to coming to me," Harty said. "Considering his pedigree, I know the family's ins and outs, and I didn't think he'd have a problem with it and I'm glad to be proven right."

saw the second horse in some trouble and decided to exploit the moment. He said he felt he moved a bit too soon, but if he didn't make the move then, it might be a little too late. That is why you employ guys like Prat."

Poster was ridden by Prat for the first time after being steered by Rafael Bejarano in his previous two career starts in Kentucky.

"When I turned for home, I figured it was going to be a long way by myself," Prat said. "He got to the eighth pole and started looking around and felt like the job was done. He regrouped nicely when that horse came."

As for his milestone victory, Prat added, "I'm very thankful. There's a lot of people behind me who supported me all year long, and Godolphin is a big part of it. They've been very supportive of me, and my agent has done a great job as well. Just very thankful."

It was another tough Remsen defeat for Brown, who saddled both Zandon and Sierra Leone to near misses in 2021 and 2023, respectively.

"(Aviator Gui) ran really well," Brown said. "I continue to be a little unlucky in this race myself now. I won it years back (in 2014 with Leave the Light On)--lately it's just been a lot of close seconds."

Brown added, "(Keewaydin) just didn't fire today. I don't have any immediate excuse for him."

Pedigree Notes:

Poster becomes the 29th graded/group winner and 80th stakes winner worldwide for **Munnings**, who was also responsible for Saturday's GII Demoiselle Stakes heroine and 'TDN Rising Star' Muhimma in the card's following race.

Poster and Muhimma were both produced by **Tapit** mares. The **Munnings** x **Tapit** cross has also yielded graded winners Bonny South and Finite.

Pin Up, a maiden of four career starts, produced a colt by **Nyquist** this year and was bred back to **Maclean's Music**. Pin Up brought \$130,000 from Imagine earlier this year at the Keeneland January sale.

Poster's second dam Cara Rafaela won the 1995 GI Hollywood Starlet Stakes and was also runner-up in that term's GI Breeders' Cup Juvenile Fillies. The 2006 Broodmare of the Year went on to produce the brilliant Bernardini (A.P. Indy).

Corp.'s **Tenma (Nyquist)** went to the front and never looked back, rolling to a confident victory in Saturday's GII Starlet Stakes at Los Alamitos.

Hustled to the front by the new-on-board Juan Hernandez, the 5-2 second choice quickly encountered **Look Forward** (Bolt d'Oro), a debut winner at Del Mar last month, who pressed her from the inside through an opening quarter in :23.41. With the pair continuing to exchange blows through a reasonable :48.25 half, the leaders kept each other close rounding the home turn. Remaining in lockstep with their noses pointed to the wire, Look Forward gained a brief advantage in the lane but it was a stubborn Tenma who regained the winning thread late to best her rival by 1 3/4 lengths. 8-5 favorite **Vodka With a Twist** (Thousand Words), who finished runner-up in the GI Breeders' Cup Juvenile Fillies last out, rounded out the trifecta, nine lengths behind the top two. GSW **Nooni** (Win Win Win), herself the \$1.8 million OBS March topper, was fourth.

"I worked her before her first race and then again last week [Dec. 2 at Santa Anita, 4f :47 3/5, 7/62] and she went really good," said Hernandez. "With the blinkers off she relaxed perfectly and was really enjoying herself out there."

A neck winner under Kazushi Kimura in her career bow at Del Mar in August, the \$850,000 OBSAPR grad followed up with a nose score ahead of Vodka With a Twist in the Sept. 7 GI Del Mar Debutante Stakes before her initial lifetime defeat last time out.

The victory represented the eighth for her Hall of Fame trainer, who also conditioned Dream Tree (2017), Chasing Yesterday (2018), Bast (2019), Varda (2020), Eda (2021), Faiza (2022) and Nothing Like You last year. He won the race three times when it was known as the Hollywood Starlet at Hollywood Park with Excellent Meeting (1998), Habibti (2001) and Streaming (2013).

"It's great to win the Starlet again," said Baffert. "She had been training really well. She took a step back after Del Mar, so that's why we decided to pass the Breeders' Cup [Juvenile Fillies]. She was back to her old self and I thought she would bring her A game today and Juan (Hernandez) is riding with such confidence."

Pedigree Notes:

Bred by TV celebrity chef Bobby Flay, the \$200,000 Keeneland September yearling flourished into an \$850,000 OBS April juvenile after Donato Lanni secured the flashy filly for Boama Corp. Tenma is the second foal for Amaganssett, purchased for \$875,000 at the Fasig-Tipton Saratoga Sale in 2018.

Second dam Twirl is a full-sister to Irish Group 1 winner Misty For Me (Ire), herself responsible for MG1SWs U S Navy Flag and Roly Poly, both by **War Front**. Additionally, Misty For Me is also

the dam of Group 1 scorer Ballydoyle (Ire) (Galileo {Ire}), who in turn produced a pair of black-type winners. Unraced Amaganssett, who produced a colt by **Munnings** in 2023, was expatriated to Japan after selling for \$400,000 at last season's Fasig-Tipton November Sale.

The runner-up in the GIII Go for Wand Stakes a year ago, Tizzy in the Sky was well-prepared this time around as she netted her first graded stakes score at the Big A on Saturday.

The dark bay finished off the board in the GIII Royal Delta Stakes at Gulfstream Park back in February, but won the Top Flight Invitational Stakes at Aqueduct in mid-April. Tizzy in the Sky ran sixth in the GI Ogden Phipps Stakes at the Spa in June.

Coming off the bench after a rest and sent off as a 3-1 shot here, the 5-year-old tracked to the outside of a longshot up the backstretch. Gunning her engine around the far turn, Tizzy in the Sky collared her rival at the quarter pole and staved off a late challenge from Occult and Movie Moxie to secure a career high.

Tizzy in the Sky | Sarah Andrew

single-season record set in 2022--Flavien Prat is now at 54 graded stakes wins, which is one shy of Jerry Bailey's 2003 record of 55.

"That was a huge effort," winning trainer Todd Pletcher said. "We sent her out to Stowe Burke's for a little freshening in Saratoga and kind of had this in mind if everything went well. We had to rush a little bit to have her ready, but she is such a willing horse. She trains very well, and her breezes are strong with good gallop-outs. I was worried inside the eighth pole after those fractions that she could hold off some of the late closers, and to her credit, that was a big effort."

"We wanted her to be forward," he added. "I thought Flavien [Prat] made the right call when he opted to pop outside and stalk instead of continuing to press the pedal, that was a smart move."

Pedigree Notes:

Tizzy in the Sky is the first graded stakes winner for her sire (by Empire Maker). The winner's dam is responsible for a yearling filly by **Instagrand** and she foaled a filly by **War of Will** Apr. 11. Tiz the Tide was entered in **Mandaloun's** book for next term. Ever since he successfully stretched out to 12 furlongs on the grass to win the GII FanDuel TV Kentucky Turf Cup in September of 2023, Get Smokin has raced at these longer distances. His gate-to-wire master class in lulling the the GII United Nations field to sleep was a highlight at Monmouth Park last summer, but his last pair of races--trying to repeat in the Turf Cup at Kentucky Downs and in the GI Joe Hirsch Turf Classic during the Belmont At The Big A meet--left much to be desired as he was well-beaten in both attempts.

Get Smokin | Michael Burns

After over two months off, the gelding rolled into Toronto and faced snowy conditions. As a 5-1 shot here, the chestnut effectively used his gate speed and promptly made the lead. Get Smokin slushed through the snow and turned the race into a carousel. Entering the lane with more to give, the Mark Casse trainee stole the show like the Grinch in Whoville.

Pedigree Notes:

Get Smokin adds another graded trophy on behalf of his sire (by Stormy Atlantic), who produced high level winners like Got Stormy, Fifty Five and Storm the Hill. The winner's dam is responsible for unraced 2-year-old filly Smoldering Ash (Get Stormy) and a yearling colt by Classic Empire. Hookah Lady foaled a filly by **Practical Joke** Mar. 25 and was bred to **Golden Pal** for 2025. Champion grass mare Dayatthespa (City Zip) is part of Get Smokin's extended female family.

two tracks, Cahokia Downs and Fairmount Park. A friend of mine in high school loved going over there and playing the horses. I guess when you're 16, 17, they can't call you a degenerate horseplayer. You're not old enough. He brought me one day. Of course, the worst thing that could happen, happened. I won.

I'm sure everybody begins with the same story. They go to the track for the first time and win money and you think to yourself 'they're giving away money here, this is the greatest.'

We started going to Cahokia Downs fairly regularly. The racetrack is an ecosystem of its own; it's a world unto itself. The colorful silks, the backstretch life, the characters. You enter a whole world when you go to the racetrack and the whole thing was magical for me. I later became a horse owner and have had a lifelong love affair with horse racing.

I never lost that when I went to college in Madison, Wisconsin. Very often I would drive down to Chicago to go to Arlington, Sportsman's or Hawthorne. I went to a conference for writers once in Vermont, so I would drive to Pownal to go to Green Mountain.

Wherever I was, I'd find a racetrack and we would go. I love not only the excitement of it, but the entire world of racing, a world unto itself. I've always been entranced and seduced by that world and I still am.

One of the down sides of having digital access is that I don't go to the track nearly as much as I used to. Today, I am going to play the Fair Grounds on my computer. With the advent of slots and with places like Gulfstream being part of retail developments, a lot has changed, but not for the better. I still enjoy it. I still enjoy going to Saratoga, Monmouth, the racetracks that have kept a lot of their character. I'm doing to it more casually now. It's hard to find the time to do the handicapping work and following all the trips and all the details of the past performances.

I use the Ragozin sheets, which are useful, but so many people use Ragozin and Thoro-Graph now that it's hard to find much of an advantage in that. When the Ragozin sheets first came out, I had friends who were early adopters of the sheets and they had an advantage. Now with everybody having the same data, it's much harder to have an edge. So these days, I do it much more as a recreation without much expectation of it being any kind of a business.

I should add that contributing to the excitement of those early days at Cahokia was that there was a fantastic race caller there who added a lot of excitement. His name is Dave Johnson. I feel like I've spent my whole life with Dave Johnson because when I moved east to New York I feel like Dave came with me. That's when he became the race caller at the NYRA tracks. I feel like my life at the races has been pretty much parallel to Dave. That's been a fun part of it. We've had a lifelong friendship and he's been an investor in some of my shows. It's been a great friendship.

CRAIG BANDOROFF TO RECEIVE THE 2024 JOCKEYS AND JEANS UPHILL PUSH AWARD

Craig Bandoroff | *Fasig-Tipton*

Noted Kentucky horseman Craig Bandoroff will receive the Uphill Push Award and speak at the 10th annual fundraiser for the Permanently Disabled Jockeys Fund (PDJF) to be held at Gulfstream Park Jan. 11, according to a press release from the Jockeys and Jeans organization.

Each year the award is given to the person who provides the

most meaningful help to the 60 jockeys who suffered career-ending injuries.

In December of 1974, Bandoroff was the leading apprentice jockey at Monmouth Park and Garden State Park. In a race his mount bolted towards the inside rail shortly after the start and his right arm was paralyzed. Despite adversity, Bandoroff’s passion for Thoroughbreds and racing remained intact.

A graduate of the University of Virginia and University of Kentucky, Bandoroff and his wife Holly founded Denali Stud in 1990 on leased land and with a handful of mares. Today, the property includes 800 acres as Denali is one of the nation’s leading consigners. In 2023, Bandoroff turned over the day-to-day operations to his son, Conrad.

“As a young man, all I wanted to be was a jockey,” he said. “But as the saying goes, ‘God had a different plan.’ Any success I have had is a result of many people believing in me. My ability to overcome my accident is because my parents were on my side during a very difficult time. I share this award with Holly and with them.”

Bandoroff has been a consistent donor to PDJF, and has helped Jockeys and Jeans raise funds for disabled riders.

“It’s obvious Bandoroff shares their same overcoming spirits,” said Dr. Eddie Donnally, interim Jockeys and Jeans president. “His story has been an inspiration to many, and I know it will touch the hearts and souls of all who attend, especially our sports fallen riders. All of us at Jockeys and Jeans are pleased to provide him with a platform to share his life’s adventure. He looked adversity in the eye and conquered it; something those former jockeys in wheelchairs do every day of their lives.”

“I guess we don’t stop to think that what we did inspires other people,” said Bandoroff. “It’s gratifying to know that perhaps I have. I am honored and gratified to receive this award.”

SUNDAY'S RACING INSIGHTS:

LAST OF THE DEBUTING ARROGATES AS PRICEY TAIF GOES AT LOS AL

3rd-LRC, \$39K, Msw, 3yo/up, 1m, 4:30 p.m. ET.

The gone-too-soon Arrogate had a total of 325 foals of racing age, and in the current year his runners have made 800 starts and delivered 146 wins (18%). As a sire, the champion only had the chance to claim three crops and the last of them are now finishing up their 3-year-old season.

At Los Alamitos on Sunday, **TAIF** is set for his unveiling under Arrogate trainer Bob Baffert. A purchase by Zedan Racing for \$1.45 million at the 2023 OBS April Sale, the colt is out of unraced Destine (**War Front**), who is responsible for six foals, three of whom have raced and delivered two winners. Taif's extended female family includes champion Smoke Glacken (Two Punch), MGSW Smokey Glacken (Forestry) and MGSW Crown of Thorns (Repent). **TJCS PPS**

Tardy off the blocks, the gelding set up camp in fourth through opening splits of :22.97 and :47.28. Moving between rivals approaching the home turn, he cut to the inside for the stretch run, got to the front late and proved a neck best over Gulfport at the wire.

After missing his entire sophomore season, he posted a pair of Oaklawn allowance victories early this year before finishing third behind the talented Skelly (*Practical Joke*) in the Gill Count Fleet Sprint in April. Back in the winner's circle following a \$100,000 optional claimer going six-furlong Churchill sprint in June, the bay came home third in the July 21 Jeff Hall Memorial at Ellis before eking out a win while facing Skelly in the Louisville Thoroughbred Society Stakes Sept. 14.

He claimed his first black-type placing Oct. 9 when running second to a returning foe in the Rocky Run Stakes and then faded to third last out Nov. 2 at Aqueduct in the Nashua Stakes.

Sent off with 2-1 favoritism here, he prompted the pace from the outside as Executive Order (Unified) put up :23.14 and :47.16 early splits. Firmly in command leaving the turn, he drew away from the field as the longtime leader threw out a white flag. Saxton (Mosler) would claim second by a neck over Barbadian Runner (Barbados) in a blanket finish for the minors.

“The horse broke sharp and he put me in a great spot early, and he took me basically to the wire. When I asked him in the stretch it was like he broke again from the gate. He picked it up quickly,” said winning rider Jevian Toledo. “Brittany is doing a really good job with the horse. He looks like he’s getting better every race. He galloped out after the race pretty good so he wants to go farther, for sure.”

Tony Eclipse is the first to the races for Tapits Faith, a daughter of GI Santa Margarita Stakes heroine Let Faith Arise (Kafwain). Since the victor, the mare has also produced a yearling colt by Speightstown as well as a 2024 filly by Candy Ride (Arg). Tapits Faith was sent to Maclean's Music for 2025. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Caprice debuted a winner by 13 3/4 lengths at Delaware Park July 20, and then won a pair of state bred black-types over the same surface in the Blue Hen Aug. 14 and the Small Wonder Sept. 11. The dark bay was a well-beaten runner-up facing open company in Delaware Park's White Clay Creek Stakes Oct. 9 and then she won the Smart Halo Stakes at Laurel Nov. 9.

Backed as the 6-5 choice here, Caprice clung to a narrow lead along the rail up the backstretch. The filly and Safe Trust (**Mosler**) were in lockstep around the far turn, but at the top of the lane the 2-year-old separated herself from her rival. Holding on in the final jumps she was able to seal the deal. Ms Notion, the second choice in the wagering at 5-2, stumbled badly at the start and lost her rider, but both were uninjured. The winner's dam is responsible for a yearling filly by Galawi (Ire) and she foaled a colt by Warrior's Reward Apr. 24. **Click for the Equibase.com chart or VIDEO, sponsored by FanDuel TV.**

Donut God tasted sweet success with his first victory at the stakes level in the Inaugural Stakes at Tampa Bay Downs.

Last seen getting his picture taken on unveiling Nov. 14 at Churchill Downs over a sloppy main track, it was much drier for this Listed debut as the 4-5 favorite. Sprinting out to a clear lead after the break, he posted :22.54 and a half in :45.12 largely unchallenged. Working with a clear advantage entering the lane, he had enough left to hold off Naughty Rascal. **Cont.**

Coming into this off a last out victory in Gulfstream's 6 1/2-furlong Juvenile Fillies Sprint in November, Mrs Worldwide made it two straight when shifting the show to Tampa for Saturday's Sandpiper Stakes.

Content to stalk early splits of :22.32 and :45.59, the chestnut swung out three wide turning for home to take the lead. Undeterred late, the Florida bred continued to gut it out as Hollygrove took her best shot but had to settle for second, beaten a half length. Dancing Magic was a clear third.

Third in her career bow at Churchill in June, Mrs Worldwide graduated by 2 3/4 lengths in the Ellis mud July 4. Stretching to seven eighths for Ellis' Debutante Stakes Aug. 11, she faltered at the start and was eased in the stretch. Trying the synthetic in the 6 1/2-furlong Presque Isle Debutante Sept. 20, she was third but bounced back to score last time in her Gulfstream return.

Scat Daddy's Scatmeifucan produced a filly by **Connect** in 2023. She was bred back to **City of Light** this season.

EARHART (FR) (f, 3, Siyouni {Fr})--Aviatress {Ire} {SW-Fr}, by Shamardal, designated a 'TDN Rising Star' after her 6 3/4-length romp Nov. 9, made quick work of a field seven former winners over track and trip. Ridden by Rafael Hernandez and sent off at 1-4 odds, the flashy gray assumed command after a sharp break and extended her advantage thereafter. The 23-1 long shot Determined First (**Street Sense**) stayed on to finish 11 lengths behind the dominant winner. She is the first foal out of Aviatress (Ire), who was hammered to Solis/Litt for €450,000 at the 2017 Arqana Yearling Sale before going on to win Longchamp's 2019 Listed Prix de Saint-Cyr as a 3-year-old. COCO COOL (c, 2, Omaha Beach--Clara Allen, by Curlin) was last seen getting his picture taken at Woodbine after taking a field of maidens gate to wire by three lengths Sept. 29 in his first try on the turf. This performance was a marked improvement over his unveiling Aug. 25 when he tried the synthetic track up north and showed little interest to finishing eighth as the favorite. Tracking the leading pack from fourth early, he was called on for more passing the quarter pole and wore down Baby Max (Maximus Mischief) to win the photo by a head. Coco Cool is the second winner for his dam behind 3-year-old Ogallala (**Hard Spun**). Clara Allen produced a yearling full-sister to the winner, who sold to Madaket Stables for \$100,000 at the Fasig-Tipton Saratoga Yearling sale this year, and her 2024 full-sibling was stillborn. AL'S RUBY (f, 3, City of Light--Dr. Diamonds Prize {SW-USA, GSP-Can, \$240,903}, by Pure Prize), unraced since comfortably winning her Apr. 4 debut over track and trip, worked sharply in recent weeks over this oval for her return. The 6-5 favorite in the field of 11 forced the pace set by Fabulous Fox (**Nyquist**) in :22.74 and :46.36 before kicking clear in the stretch. Under token encouragement, she recorded a 4 1/2-length win over Embraceable Gal (Midnight Gal)'s belated bid. Her dam Dr. Diamonds Prize won Turfway Park's 2010 Gowell Stakes as a 2-year-old and, as a 4-year-old, finished second in Woodbine's Gill Hendrie Stakes. The mare is a half-sister to the fillies American Apple, GSW, \$312,505 and Miss Red Delicious, SW, \$203,425. She was hammered to Buttonwood Farm, while pregnant with Al's Ruby, for \$100,000 at the 2021 Keeneland January sale. The winner is her last recorded offspring. His 2-year-old full-sister Radiate has yet to make a start, and the dam's most recent offspring is a yearling filly by **Street Sense**. She went back to that sire for 2025. Showing speed early before wilting to eighth in a nine-furlong test at Keeneland Oct. 16, the homebred was given a 5-2 chance in his turf bow. Reserved off the early pace after missing a beat at the start, the gelding made steady progress throughout, gains control while moving wide straightening for home and draws off to score by 2 1/4 lengths over Glacial Power (Astern {Aus}). D'ORO UNBRIDLED (c, 3, Medaglia d'Oro--Unbridled Forever {GISW, \$805,257}, by Unbridled's Song) broke his maiden by a nose two back Sept. 14 beneath the Twin Spires and was a length second Oct. 16 at Keeneland against first-level allowance company to SW & GISW Generous Tipper (**Street Sense**). Sent off at 1-2 favoritism, D'Oro Unbridled watched the race unfold from four before swinging five wide into the lane to launch his rally. Second by a head Nov. 2 at Churchill Downs against first-level allowance company, he was given 9-5 favoritism for this second lifetime victory. Bumped around between runners out of the blocks and then checked early before the first turn, he had to settle near the rear of the field until midway around the far bend.

Sent off at 9-2 this time, the bay stalked from fourth as Rolando registered :23.54 and :47.29 early splits. Given his cue in the stretch, he kicked past the favorite at the sixteenth pole and drew off to score by 2 1/4 lengths. TREATY OF ROME (c, 2, Uncle Mo--Coin Broker {Ire}, by Montjeu {Ire}), third in his career bow going six panels here Oct. 26, was installed the 3-2 choice to get the job done in this route debut. Kept close in second through :23.28 and :47.06 splits, the bay took over three furlongs out, and hung tough late to score by a half length over Radauti (**Tonalist**). A full to Donna Veloce, GSW & MGISP, \$502,500, the colt also has a year-younger full-sister named The Happy Tree and a weanling sister by **Gun Runner**. She edged clear on the turn, responded well to her rider's cue in the stretch and kicked on for a 4 1/4-length tally over 24-1 long shot Tower Twenty Two (**Connect**). She became the ninth individual winner for her first-crop sire **Honest Mischief**. Her dam Lapsang won Woodbine's 2013 Deputy Jane West Stakes as a 2-year-old. POLYRHYTHMIC (f, 3, Kantharos--Jazzminegem {SP, \$147,243}, by Mineshaft) missed by a head on debut at Horseshoe Indy Oct. 28. The hot combo of trainer Cherie DeVaux and jockey Jose Ortiz were slammed at the windows as the chestnut went off as the 6-5 choice here. The chalk made the pace up the backstretch, but the lead was tenuous. Polyrhythmic though continued to hold sway around the far turn, but she really got into gear at the eighth pole. **Cont.**

The pair distanced themselves from the field entering the lane and Lady Crush ultimately scored by a length under mild urging.
